

**ARCANE RADIO** 

Exploring the Unexplained 

**Feb. 14th, 2020**

**Shannon LeGro**

**Radio Host, Author**

**'Beyond the Fray: Bigfoot'**

**BXP**

1  
00:00:06,869 --> 00:00:06,550  
the oldest and strongest human emotion

2  
00:00:10,150 --> 00:00:06,879  
is

3  
00:00:10,390 --> 00:00:10,160  
fear and the oldest and strongest type

4  
00:00:16,950 --> 00:00:10,400  
of

5  
00:00:20,390 --> 00:00:16,960  
when we were children our parents told

6  
00:00:22,870 --> 00:00:20,400  
us that monsters didn't exist

7  
00:00:26,070 --> 00:00:22,880  
but we were sure that something was

8  
00:00:30,630 --> 00:00:26,080  
lurking under the bed or in the closet

9  
00:00:33,830 --> 00:00:30,640  
fear sees even if our eyes are closed

10  
00:00:35,910 --> 00:00:33,840  
welcome to the realm of the arcane my

11  
00:00:38,229 --> 00:00:35,920  
name is lon stripler

12  
00:00:39,350 --> 00:00:38,239  
join me as i examine unexplained

13  
00:00:42,830 --> 00:00:39,360

creatures

14

00:00:44,310 --> 00:00:42,840

strange manifestations and remarkable

15

00:00:47,350 --> 00:00:44,320

realities

16

00:00:49,910 --> 00:00:47,360

imagine this next hour as a voyage of

17

00:00:53,029 --> 00:00:49,920

discovery to strange lands

18

00:00:55,750 --> 00:00:53,039

seeking not for new territory but for

19

00:00:56,389 --> 00:00:55,760

new knowledge of the supernatural come

20

00:00:59,710 --> 00:00:56,399

on board

21

00:01:06,230 --> 00:00:59,720

as we begin this adventure together

22

00:01:10,310 --> 00:01:08,070

hey folks good evening and welcome to

23

00:01:12,710 --> 00:01:10,320

another episode of arcane radio

24

00:01:15,109 --> 00:01:12,720

where we explore the unexplained here on

25

00:01:16,950 --> 00:01:15,119

paranormal king radio network

26

00:01:18,710 --> 00:01:16,960

i'm your host lon strickler coming to

27

00:01:21,270 --> 00:01:18,720

you within a canon shot

28

00:01:23,270 --> 00:01:21,280

of historic gettysburg in the cryptid

29

00:01:24,469 --> 00:01:23,280

mecca of pennsylvania i thank you for

30

00:01:26,310 --> 00:01:24,479

joining me

31

00:01:28,070 --> 00:01:26,320

now before i introduce my guests i want

32

00:01:31,109 --> 00:01:28,080

to uh talk about

33

00:01:34,230 --> 00:01:31,119

a report i received and actually

34

00:01:37,429 --> 00:01:34,240

i received this portal a while ago and

35

00:01:40,870 --> 00:01:37,439

uh the gentleman who sent it to me

36

00:01:42,069 --> 00:01:40,880

i uh i did i did talk to him at the time

37

00:01:45,670 --> 00:01:42,079

and

38

00:01:49,190 --> 00:01:45,680

uh but he has since passed on

39

00:01:54,230 --> 00:01:49,200

but it's a very interesting story so

40

00:01:56,550 --> 00:01:54,240

let me tell you about it uh smith county

41

00:01:59,030 --> 00:01:56,560

virginia resident swears that there was

42

00:02:03,030 --> 00:01:59,040

a hairy man in his woods

43

00:02:06,149 --> 00:02:03,040

now he saw it when he was 16 years old

44

00:02:07,429 --> 00:02:06,159

now at the age of 68 he thinks it's the

45

00:02:09,589 --> 00:02:07,439

same creature

46

00:02:10,710 --> 00:02:09,599

now this time the hairy man carried him

47

00:02:13,910 --> 00:02:10,720

home

48

00:02:15,750 --> 00:02:13,920

after he had collapsed in the woods

49

00:02:17,830 --> 00:02:15,760

so this is what he writes i've got a

50

00:02:20,470 --> 00:02:17,840

story that may be hard to believe but i

51

00:02:22,470 --> 00:02:20,480

value that's completely true

52

00:02:25,910 --> 00:02:22,480

i have lived on the same property in

53

00:02:27,910 --> 00:02:25,920

smith county virginia all my 68 years

54

00:02:30,470 --> 00:02:27,920

and i've seen a lot of strange things

55

00:02:32,710 --> 00:02:30,480

though i believe all were natural

56

00:02:35,830 --> 00:02:32,720

but there's one thing in my woods that i

57

00:02:38,309 --> 00:02:35,840

have never been able to explain

58

00:02:39,509 --> 00:02:38,319

the first time i saw it i was 16 or so

59

00:02:42,070 --> 00:02:39,519

squirrel hunting

60

00:02:44,309 --> 00:02:42,080

in the late afternoon i was sitting on a

61

00:02:47,990 --> 00:02:44,319

large rock wall

62

00:02:50,630 --> 00:02:48,000

and a lawn when i was a hairy man

63

00:02:52,229 --> 00:02:50,640

running in the hollow blooming it was

64

00:02:54,869 --> 00:02:52,239

covered top to bottom with

65

00:02:57,190 --> 00:02:54,879

short reddish brown hair the hair on its

66

00:03:00,070 --> 00:02:57,200

head and face were very long

67

00:03:01,750 --> 00:03:00,080

i think it was around six foot tall it

68

00:03:03,830 --> 00:03:01,760

made a hell of a racket moving through

69

00:03:05,190 --> 00:03:03,840

the brush crashing branches and grunting

70

00:03:07,110 --> 00:03:05,200

up a storm

71

00:03:09,270 --> 00:03:07,120

it then turned around and did the same

72

00:03:12,070 --> 00:03:09,280

thing on its way back

73

00:03:13,910 --> 00:03:12,080

i stood up and quickly made my way home

74

00:03:15,509 --> 00:03:13,920

i never said anything to my folks about

75

00:03:17,430 --> 00:03:15,519

what i saw

76

00:03:19,509 --> 00:03:17,440

that's the last i had seen this thing

77

00:03:22,229 --> 00:03:19,519

until past october

78

00:03:24,630 --> 00:03:22,239

i was dragging old tree branches down

79

00:03:25,990 --> 00:03:24,640

into the woods when i stumbled on a tree

80

00:03:28,149 --> 00:03:26,000

root

81

00:03:29,670 --> 00:03:28,159

i twisted my knee badly and couldn't

82

00:03:31,509 --> 00:03:29,680

stand on it

83

00:03:32,789 --> 00:03:31,519

i lay on the ground in pain trying to

84

00:03:35,350 --> 00:03:32,799

figure out

85

00:03:36,550 --> 00:03:35,360

what i was going to do then all of a

86

00:03:39,830 --> 00:03:36,560

sudden

87

00:03:42,550 --> 00:03:39,840

i wake up on the porch bench

88

00:03:44,229 --> 00:03:42,560

it's totally dark i reach over and turn

89

00:03:47,350 --> 00:03:44,239

on the ports late

90

00:03:48,869 --> 00:03:47,360

how did i get here then i noticed mud on

91

00:03:51,430 --> 00:03:48,879

my clothes

92

00:03:54,630 --> 00:03:51,440

and mud on the porch floor there was

93

00:03:57,589 --> 00:03:54,640

also a pile of hand-sized creek pebbles

94

00:03:59,350 --> 00:03:57,599

on the porch table i had seen these

95

00:03:59,990 --> 00:03:59,360

piles of pebbles throughout the woods

96

00:04:03,190 --> 00:04:00,000

for as long

97

00:04:04,949 --> 00:04:03,200

as i can remember that's when i realized

98

00:04:06,789 --> 00:04:04,959

that the hairy man in the woods must

99

00:04:08,869 --> 00:04:06,799

have brought me home

100

00:04:10,869 --> 00:04:08,879

i wonder it was the same hair man i saw

101  
00:04:13,030 --> 00:04:10,879  
when i was a boy

102  
00:04:14,070 --> 00:04:13,040  
that's the only explanation i can come

103  
00:04:15,750 --> 00:04:14,080  
up with

104  
00:04:17,349 --> 00:04:15,760  
i don't have any neighbors since i'm

105  
00:04:20,789 --> 00:04:17,359  
living on the ridge

106  
00:04:23,830 --> 00:04:20,799  
maybe i'll see it again one day so

107  
00:04:25,430 --> 00:04:23,840  
uh i i suppose he was picked up and

108  
00:04:28,230 --> 00:04:25,440  
carried by the harry man but i guess

109  
00:04:30,310 --> 00:04:28,240  
i'll leave that up to the readers

110  
00:04:33,110 --> 00:04:30,320  
so this week i welcome an investigator

111  
00:04:34,790 --> 00:04:33,120  
radio host and author shannon allegro to

112  
00:04:37,590 --> 00:04:34,800  
arcane radio now shannon has been

113  
00:04:38,310 --> 00:04:37,600

examining the paranormal since she was a

114

00:04:40,310 --> 00:04:38,320

teen

115

00:04:42,710 --> 00:04:40,320

having had her own experience to start

116

00:04:45,270 --> 00:04:42,720

her on this path and for the past

117

00:04:48,790 --> 00:04:45,280

several years of focus on the phenomena

118

00:04:51,189 --> 00:04:48,800

that is sasquatch she strives to bring a

119

00:04:53,030 --> 00:04:51,199

fresh perspective and an open mind

120

00:04:55,590 --> 00:04:53,040

to the most intriguing mysteries in our

121

00:04:57,110 --> 00:04:55,600

universe you can hear shannon on into

122

00:04:59,590 --> 00:04:57,120

the fray radio

123

00:05:01,270 --> 00:04:59,600

she has also been a guest host on

124

00:05:03,430 --> 00:05:01,280

midnight in the desert

125

00:05:04,469 --> 00:05:03,440

you can see her in small town monsters

126

00:05:07,189 --> 00:05:04,479

production

127

00:05:08,070 --> 00:05:07,199

on the trail of bigfoot as well as other

128

00:05:10,950 --> 00:05:08,080

stm

129

00:05:12,469 --> 00:05:10,960

film productions now her recent book is

130

00:05:18,029 --> 00:05:12,479

titled beyond the fray

131

00:05:21,110 --> 00:05:19,510

[www.intothefreyradio.com](http://www.intothefreyradio.com) so

132

00:05:23,270 --> 00:05:21,120

shannon thanks for joining me this

133

00:05:23,749 --> 00:05:23,280

evening thank you so much for having me

134

00:05:25,510 --> 00:05:23,759

lon

135

00:05:27,670 --> 00:05:25,520

and and can i just say before we get

136

00:05:29,110 --> 00:05:27,680

started that you have been kind enough

137

00:05:32,230 --> 00:05:29,120

to come on as my guest

138

00:05:33,830 --> 00:05:32,240

for not only into the fray for you know

139

00:05:35,749 --> 00:05:33,840

some of these mothman sightings in

140

00:05:37,110 --> 00:05:35,759

chicago which as you mentioned we need

141

00:05:39,909 --> 00:05:37,120

another update show on

142

00:05:41,670 --> 00:05:39,919

but you were on you and sean both came

143

00:05:43,110 --> 00:05:41,680

on with me for uh show notes with

144

00:05:44,870 --> 00:05:43,120

shannon way back in the day when i was

145

00:05:45,270 --> 00:05:44,880

still with sasquatch chronicles and and

146

00:05:48,070 --> 00:05:45,280

wes

147

00:05:49,670 --> 00:05:48,080

so i just i thank you for always being a

148

00:05:51,270 --> 00:05:49,680

part of what i'm doing

149

00:05:53,749 --> 00:05:51,280

well it's always a pleasure to talk to

150

00:05:55,270 --> 00:05:53,759

you you too lon yeah thanks for asking

151  
00:05:57,909 --> 00:05:55,280  
me on

152  
00:05:59,990 --> 00:05:57,919  
so why don't you tell the listener how

153  
00:06:03,270 --> 00:06:00,000  
you became interested in subject

154  
00:06:03,670 --> 00:06:03,280  
bigfoot you know i think most people

155  
00:06:05,590 --> 00:06:03,680  
have

156  
00:06:07,029 --> 00:06:05,600  
that inception story either it's a

157  
00:06:08,710 --> 00:06:07,039  
sighting or

158  
00:06:10,070 --> 00:06:08,720  
the beast of boggy creek the movie got

159  
00:06:10,870 --> 00:06:10,080  
them into it something like that i

160  
00:06:13,749 --> 00:06:10,880  
honestly

161  
00:06:14,710 --> 00:06:13,759  
cannot say so i won't make up a story

162  
00:06:16,950 --> 00:06:14,720  
that i remember

163  
00:06:19,350 --> 00:06:16,960

the light bulb moment where i was like

164

00:06:19,990 --> 00:06:19,360

sasquatch yes this is incredible i have

165

00:06:23,270 --> 00:06:20,000

to delve into

166

00:06:25,510 --> 00:06:23,280

this deeper uh all i know is i just

167

00:06:27,270 --> 00:06:25,520

remember all of a sudden all i wanted to

168

00:06:29,909 --> 00:06:27,280

do was read about it

169

00:06:31,110 --> 00:06:29,919

and then when podcasts came around that

170

00:06:33,590 --> 00:06:31,120

was the end of it for me

171

00:06:34,469 --> 00:06:33,600

it was i couldn't get enough uh

172

00:06:36,790 --> 00:06:34,479

consuming

173

00:06:39,029 --> 00:06:36,800

anything about bigfoot especially via

174

00:06:41,270 --> 00:06:39,039

podcasts

175

00:06:42,469 --> 00:06:41,280

now have you had any personal

176

00:06:45,990 --> 00:06:42,479

experiences with

177

00:06:49,110 --> 00:06:46,000

and assume bigfoot i have i think

178

00:06:52,309 --> 00:06:49,120

one of the most notable i had

179

00:06:54,070 --> 00:06:52,319

was in it and you know people might kind

180

00:06:55,909 --> 00:06:54,080

of snicker a little because it's a very

181

00:06:58,710 --> 00:06:55,919

popular spot for bigfoot but

182

00:07:00,550 --> 00:06:58,720

i i i'm here to say that it changed my

183

00:07:03,670 --> 00:07:00,560

mind as far as

184

00:07:05,430 --> 00:07:03,680

before this happened i was

185

00:07:07,029 --> 00:07:05,440

i was hopeful and i thought yeah they

186

00:07:07,430 --> 00:07:07,039

might they might be out there i think

187

00:07:12,309 --> 00:07:07,440

there's

188

00:07:14,309 --> 00:07:12,319

more just hopeful about it but after

189

00:07:16,550 --> 00:07:14,319

this i was a hopeful believer

190

00:07:18,629 --> 00:07:16,560

in that i didn't see anything but what i

191

00:07:21,510 --> 00:07:18,639

heard was astonishing to me

192

00:07:23,589 --> 00:07:21,520

and basically what happened was we were

193

00:07:25,670 --> 00:07:23,599

in the primitive campground

194

00:07:28,230 --> 00:07:25,680

in salford state park and it is titled

195

00:07:28,710 --> 00:07:28,240

bigfoot ridge again it's a little hokey

196

00:07:30,629 --> 00:07:28,720

right

197

00:07:32,469 --> 00:07:30,639

of course i would have something i would

198

00:07:33,670 --> 00:07:32,479

maybe call a bigfoot in bigfoot ridge

199

00:07:37,270 --> 00:07:33,680

but

200

00:07:38,950 --> 00:07:37,280

we had been on a service road

201  
00:07:41,110 --> 00:07:38,960  
it was very late at night and if

202  
00:07:43,270 --> 00:07:41,120  
anyone's ever been in salt fork state

203  
00:07:45,830 --> 00:07:43,280  
park ohio can be very

204  
00:07:46,950 --> 00:07:45,840  
rushy on the ground whereas if you go

205  
00:07:48,469 --> 00:07:46,960  
somewhere like utah

206  
00:07:49,909 --> 00:07:48,479  
there's a lot of aspen trees and not a

207  
00:07:50,550 --> 00:07:49,919  
lot of brush on the ground so it's very

208  
00:07:54,230 --> 00:07:50,560  
open

209  
00:07:56,790 --> 00:07:54,240  
well in ohio the ground brush is quite

210  
00:07:58,869 --> 00:07:56,800  
nasty and thorny and thick so

211  
00:08:00,550 --> 00:07:58,879  
we had been on the service road and

212  
00:08:04,550 --> 00:08:00,560  
basically surrounded by

213  
00:08:05,749 --> 00:08:04,560

lots of brush and it was 11 midnight one

214

00:08:07,749 --> 00:08:05,759

i'm not even sure what time

215

00:08:08,790 --> 00:08:07,759

of night it was is quite late and we had

216

00:08:12,150 --> 00:08:08,800

been

217

00:08:13,909 --> 00:08:12,160

swinging a glow stick on a string and it

218

00:08:15,670 --> 00:08:13,919

made a lovely whirring sound like in

219

00:08:18,309 --> 00:08:15,680

crocodile dundee

220

00:08:19,189 --> 00:08:18,319

it was an idea of a gentleman that we

221

00:08:21,189 --> 00:08:19,199

had run into

222

00:08:23,189 --> 00:08:21,199

and his specific reason for being there

223

00:08:24,950 --> 00:08:23,199

was bigfoot and we figured out that we

224

00:08:27,670 --> 00:08:24,960

were both there for bigfoot

225

00:08:29,589 --> 00:08:27,680

and we kind of teamed up with this man

226

00:08:30,469 --> 00:08:29,599

and he was beyond obsessed because he

227

00:08:33,190 --> 00:08:30,479

had a sighting

228

00:08:34,469 --> 00:08:33,200

of two creatures right back there and so

229

00:08:35,990 --> 00:08:34,479

we were in this

230

00:08:38,230 --> 00:08:36,000

lovely contraption around and taking

231

00:08:40,550 --> 00:08:38,240

turns and

232

00:08:42,389 --> 00:08:40,560

hadn't heard anything come in no no

233

00:08:45,430 --> 00:08:42,399

sounds no nothing

234

00:08:48,630 --> 00:08:45,440

and right in front of

235

00:08:51,350 --> 00:08:48,640

our location i it must have been

236

00:08:52,870 --> 00:08:51,360

15 feet max back in the brush and this

237

00:08:56,150 --> 00:08:52,880

is ground level

238

00:08:58,550 --> 00:08:56,160

this excruciatingly loud

239

00:09:00,550 --> 00:08:58,560

monotone whistle it was it was loud and

240

00:09:02,230 --> 00:09:00,560

long uh

241

00:09:03,670 --> 00:09:02,240

and all i can describe it is it came

242

00:09:05,910 --> 00:09:03,680

from something with a

243

00:09:06,949 --> 00:09:05,920

big old set of lungs and definitely had

244

00:09:10,550 --> 00:09:06,959

lips

245

00:09:12,310 --> 00:09:10,560

and i was standing and i just

246

00:09:14,230 --> 00:09:12,320

instinctively went to a crouching

247

00:09:14,790 --> 00:09:14,240

position i didn't really know what else

248

00:09:16,949 --> 00:09:14,800

to do

249

00:09:17,990 --> 00:09:16,959

it just was what my my brain told me to

250

00:09:20,230 --> 00:09:18,000

do

251

00:09:22,310 --> 00:09:20,240

but there was no other sounds i didn't

252

00:09:26,630 --> 00:09:22,320

see anything you know it's not the most

253

00:09:29,829 --> 00:09:26,640

impactful story but that sound

254

00:09:31,269 --> 00:09:29,839

alone that whistle alone i it really

255

00:09:32,710 --> 00:09:31,279

turned me around

256

00:09:34,870 --> 00:09:32,720

after all the years i had been reading

257

00:09:38,389 --> 00:09:34,880

and listening to podcasts and i went

258

00:09:39,910 --> 00:09:38,399

oh my god i i really really think that

259

00:09:42,310 --> 00:09:39,920

these guys are out here

260

00:09:44,150 --> 00:09:42,320

there's no was not a human being and it

261

00:09:46,070 --> 00:09:44,160

certainly wasn't a

262

00:09:47,590 --> 00:09:46,080

a massive messed up bird with lips or

263

00:09:50,150 --> 00:09:47,600

anything you know sitting on the ground

264

00:09:52,150 --> 00:09:50,160

brush at 11 o'clock at night so

265

00:09:53,350 --> 00:09:52,160

that was kind of a turning point for me

266

00:09:54,550 --> 00:09:53,360

and

267

00:09:56,630 --> 00:09:54,560

you know i've been out on other

268

00:09:57,750 --> 00:09:56,640

excursions for bigfoot in washington

269

00:10:00,790 --> 00:09:57,760

state

270

00:10:04,470 --> 00:10:00,800

and i have had the mix of

271

00:10:05,670 --> 00:10:04,480

not only you know maybe some bigfoot

272

00:10:09,190 --> 00:10:05,680

type stuff

273

00:10:11,910 --> 00:10:09,200

but seeing an orb in in the forest

274

00:10:13,030 --> 00:10:11,920

you know walking walking floating

275

00:10:14,949 --> 00:10:13,040

through the woods we thought it was a

276

00:10:16,710 --> 00:10:14,959

person walking with a headlamp on or

277

00:10:18,470 --> 00:10:16,720

running because it was

278

00:10:20,069 --> 00:10:18,480

freezing cold the rain's coming down

279

00:10:22,389 --> 00:10:20,079

we're like look at this guy

280

00:10:24,389 --> 00:10:22,399

and he's got to be freezing we were in

281

00:10:27,910 --> 00:10:24,399

this dilapidated building

282

00:10:29,750 --> 00:10:27,920

taking shelter from this cold rain and

283

00:10:32,389 --> 00:10:29,760

lo and behold the second week of the

284

00:10:35,269 --> 00:10:32,399

thermal up this orb

285

00:10:37,350 --> 00:10:35,279

i describe it as it noticed us noticing

286

00:10:37,990 --> 00:10:37,360

it and then it dove basically into the

287

00:10:39,750 --> 00:10:38,000

ground

288

00:10:40,949 --> 00:10:39,760

we couldn't pick up a thermal signature

289

00:10:42,790 --> 00:10:40,959  
on this thing at all so it wasn't a

290

00:10:47,269 --> 00:10:42,800  
person with a headlamp on

291

00:10:49,110 --> 00:10:47,279  
so i i don't like to tie things in

292

00:10:50,310 --> 00:10:49,120  
automatically i mean anything is

293

00:10:52,069 --> 00:10:50,320  
possible

294

00:10:54,310 --> 00:10:52,079  
we can't discount anything and no one's

295

00:10:56,550 --> 00:10:54,320  
an expert so um

296

00:10:58,389 --> 00:10:56,560  
you know it's all conjecture but it was

297

00:10:59,990 --> 00:10:58,399  
interesting to be out there for the

298

00:11:00,790 --> 00:11:00,000  
purposes of bigfoot and then lo and

299

00:11:02,310 --> 00:11:00,800  
behold

300

00:11:04,069 --> 00:11:02,320  
i see the light in the woods and there

301

00:11:05,509 --> 00:11:04,079

was actually several of us out there

302

00:11:06,310 --> 00:11:05,519

there was five of us and we all saw it

303

00:11:10,790 --> 00:11:06,320

but

304

00:11:13,430 --> 00:11:10,800

um i i don't know it may all tie in

305

00:11:15,509 --> 00:11:13,440

yeah you know soft fork state park that

306

00:11:16,550 --> 00:11:15,519

place has definitely got something going

307

00:11:19,910 --> 00:11:16,560

on there

308

00:11:23,509 --> 00:11:19,920

i um i've got at least two members

309

00:11:27,590 --> 00:11:23,519

of my team that have had an experience

310

00:11:28,150 --> 00:11:27,600

there and i've consistently heard

311

00:11:30,870 --> 00:11:28,160

reports

312

00:11:33,430 --> 00:11:30,880

out of there for many many years i i

313

00:11:36,230 --> 00:11:33,440

don't know i guess it's just a hot spot

314

00:11:37,829 --> 00:11:36,240

but uh you know i i don't know can you

315

00:11:41,030 --> 00:11:37,839

explain it can you

316

00:11:44,150 --> 00:11:41,040

kind of give an understanding to people

317

00:11:45,829 --> 00:11:44,160

what it is about that location well you

318

00:11:48,550 --> 00:11:45,839

know one of the theories that has

319

00:11:50,230 --> 00:11:48,560

been postured about that area which

320

00:11:52,550 --> 00:11:50,240

makes sense is that it would run

321

00:11:54,550 --> 00:11:52,560

and also through your state is it it

322

00:11:55,590 --> 00:11:54,560

acts as basically a corridor and they

323

00:11:58,870 --> 00:11:55,600

can move

324

00:12:02,310 --> 00:11:58,880

through several states really uh

325

00:12:03,990 --> 00:12:02,320

undetected in in cover and depending on

326

00:12:05,509 --> 00:12:04,000

food sources and water sources and

327

00:12:07,350 --> 00:12:05,519

probably the time of year

328

00:12:09,110 --> 00:12:07,360

uh we're assuming that they would be

329

00:12:12,150 --> 00:12:09,120

smart enough to migrate and i think that

330

00:12:14,389 --> 00:12:12,160

we all have settled on that they are

331

00:12:15,750 --> 00:12:14,399

especially after the reports that we get

332

00:12:16,710 --> 00:12:15,760

and the interactions that people have

333

00:12:19,509 --> 00:12:16,720

with these things

334

00:12:20,710 --> 00:12:19,519

down to even tactical movements so why

335

00:12:21,829 --> 00:12:20,720

wouldn't they be smart enough to move

336

00:12:25,350 --> 00:12:21,839

from place to pace

337

00:12:28,470 --> 00:12:25,360

place excuse me when they need to so

338

00:12:29,509 --> 00:12:28,480

the salt fork though has a massive body

339

00:12:32,069 --> 00:12:29,519  
of water

340

00:12:33,590 --> 00:12:32,079  
and uh plenty of cover and yeah there

341

00:12:36,790 --> 00:12:33,600  
are people in and out of there

342

00:12:39,190 --> 00:12:36,800  
but it's it's not a place where

343

00:12:39,910 --> 00:12:39,200  
even in the in the hunting areas i've

344

00:12:43,350 --> 00:12:39,920  
gotten

345

00:12:44,949 --> 00:12:43,360  
some interesting uh reports

346

00:12:46,389 --> 00:12:44,959  
even during hunting season but that's

347

00:12:47,829 --> 00:12:46,399  
because they you know they're kind of

348

00:12:50,710 --> 00:12:47,839  
moving on the outskirts of that and

349

00:12:52,470 --> 00:12:50,720  
and these guys were like well it wasn't

350

00:12:54,230 --> 00:12:52,480  
technically hunting season when we were

351

00:12:59,430 --> 00:12:54,240

there but it was close

352

00:13:03,509 --> 00:13:02,150

you know i've i've always believed or

353

00:13:06,629 --> 00:13:03,519

maybe theorized

354

00:13:07,829 --> 00:13:06,639

that there there does seem to be a

355

00:13:09,750 --> 00:13:07,839

corridor

356

00:13:11,350 --> 00:13:09,760

between several states i'd say like

357

00:13:14,710 --> 00:13:11,360

southeast

358

00:13:16,550 --> 00:13:14,720

um ohio into kentucky over into west

359

00:13:17,350 --> 00:13:16,560

virginia virginia maryland and up into

360

00:13:21,670 --> 00:13:17,360

pennsylvania

361

00:13:25,509 --> 00:13:21,680

almost like a loop and um it does seem

362

00:13:27,590 --> 00:13:25,519

that uh there may very well be some type

363

00:13:29,670 --> 00:13:27,600

of migration

364

00:13:32,790 --> 00:13:29,680

at some points in the year i really

365

00:13:34,710 --> 00:13:32,800

don't know what it is i just haven't

366

00:13:35,829 --> 00:13:34,720

you know i i've heard so many reports

367

00:13:39,350 --> 00:13:35,839

within that

368

00:13:41,670 --> 00:13:39,360

area that you know

369

00:13:42,389 --> 00:13:41,680

i'm just wondering if it is very

370

00:13:45,110 --> 00:13:42,399

possible

371

00:13:45,910 --> 00:13:45,120

that it may be a migration route that

372

00:13:49,350 --> 00:13:45,920

kind of

373

00:13:51,670 --> 00:13:49,360

circles all those those states

374

00:13:53,990 --> 00:13:51,680

yeah it certainly would make sense and

375

00:13:56,310 --> 00:13:54,000

you know unfortunately solve fork has

376

00:13:57,670 --> 00:13:56,320

gained some notoriety in the last week

377

00:14:00,470 --> 00:13:57,680

or two of that awful

378

00:14:01,670 --> 00:14:00,480

video that's come out and you know not

379

00:14:04,470 --> 00:14:01,680

to give those

380

00:14:06,389 --> 00:14:04,480

folks any more you know clicks but

381

00:14:08,710 --> 00:14:06,399

goodness gracious you know and then the

382

00:14:09,509 --> 00:14:08,720

the mainstream news glamps onto that

383

00:14:12,310 --> 00:14:09,519

stuff and

384

00:14:12,870 --> 00:14:12,320

it's so easy to see that it's a man yeah

385

00:14:16,870 --> 00:14:12,880

and

386

00:14:20,069 --> 00:14:16,880

unfortunate

387

00:14:22,069 --> 00:14:20,079

well that scream was the worst oh my

388

00:14:25,189 --> 00:14:22,079

gosh

389

00:14:28,470 --> 00:14:25,199

uh yeah i mean you know i i

390

00:14:30,790 --> 00:14:28,480

it's interesting how the uh

391

00:14:32,870 --> 00:14:30,800

the media will pick up on something like

392

00:14:35,430 --> 00:14:32,880

that i mean the ignorance

393

00:14:36,310 --> 00:14:35,440

over the phenomena within the media is

394

00:14:43,189 --> 00:14:36,320

just

395

00:14:45,110 --> 00:14:43,199

clicks value maybe

396

00:14:46,470 --> 00:14:45,120

i mean i'm pretty sure the guys who

397

00:14:49,750 --> 00:14:46,480

actually did the

398

00:14:53,509 --> 00:14:49,760

video did it to get some notoriety but

399

00:14:55,590 --> 00:14:53,519

uh yeah it was pretty bad

400

00:14:57,189 --> 00:14:55,600

it's unfortunate yeah it's like do they

401  
00:14:58,310 --> 00:14:57,199  
need the content that bad for the

402  
00:15:00,470 --> 00:14:58,320  
nightly news

403  
00:15:01,670 --> 00:15:00,480  
or did they just get a kick out of you

404  
00:15:02,550 --> 00:15:01,680  
know making those of us that actually

405  
00:15:04,790 --> 00:15:02,560  
take it seriously

406  
00:15:06,870 --> 00:15:04,800  
look like fools you know which we're

407  
00:15:08,870 --> 00:15:06,880  
really trying to battle against

408  
00:15:10,230 --> 00:15:08,880  
videos like that and people that come up

409  
00:15:11,750 --> 00:15:10,240  
with just

410  
00:15:14,150 --> 00:15:11,760  
stories off the top of their head that

411  
00:15:15,350 --> 00:15:14,160  
are just just wild however though

412  
00:15:17,110 --> 00:15:15,360  
that story that you told in the

413  
00:15:18,310 --> 00:15:17,120

beginning is is very interesting to me

414

00:15:20,629 --> 00:15:18,320

because

415

00:15:22,949 --> 00:15:20,639

obviously this man was on the same

416

00:15:25,189 --> 00:15:22,959

property basically his whole life so it

417

00:15:26,550 --> 00:15:25,199

it stands to reason that this uh hairy

418

00:15:27,350 --> 00:15:26,560

man as he called it hairy man of the

419

00:15:30,069 --> 00:15:27,360

woods

420

00:15:31,910 --> 00:15:30,079

just knew him and knew he was a good

421

00:15:35,430 --> 00:15:31,920

dude and he needed help one day

422

00:15:37,430 --> 00:15:35,440

you know yeah i mean i i wouldn't really

423

00:15:38,470 --> 00:15:37,440

call him habituation but he was used to

424

00:15:40,550 --> 00:15:38,480

him being around

425

00:15:42,470 --> 00:15:40,560

and of course when he saw he was in

426

00:15:43,749 --> 00:15:42,480

distress he most likely picked him up

427

00:15:46,069 --> 00:15:43,759

and took him home

428

00:15:47,829 --> 00:15:46,079

yeah so yeah and you know we've heard

429

00:15:51,590 --> 00:15:47,839

stories similar to that

430

00:15:54,790 --> 00:15:51,600

as well so uh that may very well be

431

00:15:57,990 --> 00:15:54,800

uh the facts in that account

432

00:15:59,509 --> 00:15:58,000

um you know you were talking about the

433

00:16:02,710 --> 00:15:59,519

old uh i mean these uh

434

00:16:04,710 --> 00:16:02,720

these faked and hoax videos of bigfoot

435

00:16:05,749 --> 00:16:04,720

and i just noticed something the other

436

00:16:08,230 --> 00:16:05,759

day that's make

437

00:16:09,430 --> 00:16:08,240

that's circulating again is the old

438

00:16:12,629 --> 00:16:09,440

gable film uh

439

00:16:14,550 --> 00:16:12,639

the michigan dog man oh gosh that thing

440

00:16:17,110 --> 00:16:14,560

is coming out again and people

441

00:16:17,749 --> 00:16:17,120

see that yeah people have been posting

442

00:16:19,910 --> 00:16:17,759

it again

443

00:16:21,509 --> 00:16:19,920

and you know that thing was debunked

444

00:16:24,230 --> 00:16:21,519

almost a decade ago

445

00:16:26,150 --> 00:16:24,240

yeah so unfortunately i guess when new

446

00:16:30,069 --> 00:16:26,160

people get into looking

447

00:16:32,230 --> 00:16:30,079

for you know exactly yeah they see that

448

00:16:33,749 --> 00:16:32,240

they go crazy and they just i gotta post

449

00:16:37,030 --> 00:16:33,759

this this is something

450

00:16:39,189 --> 00:16:37,040

remarkable and then you know it's a dog

451

00:16:42,230 --> 00:16:39,199

man video it's right here

452

00:16:43,030 --> 00:16:42,240

you're like no no no no no let's let

453

00:16:45,509 --> 00:16:43,040

that go

454

00:16:46,230 --> 00:16:45,519

hey lana i was gonna ask you about you

455

00:16:47,829 --> 00:16:46,240

you brought up

456

00:16:50,150 --> 00:16:47,839

you said the word loop and then it

457

00:16:52,870 --> 00:16:50,160

reminded me of the lycan loop

458

00:16:54,629 --> 00:16:52,880

how many bigfoot reports do you get in

459

00:16:56,949 --> 00:16:54,639

or even around the lychen loop

460

00:16:58,710 --> 00:16:56,959

or is that you know what a lot of people

461

00:17:00,389 --> 00:16:58,720

think like they have their section

462

00:17:02,230 --> 00:17:00,399

and then the bigfooter over here in

463

00:17:04,630 --> 00:17:02,240

their section you know

464

00:17:05,270 --> 00:17:04,640

uh you know butch has brought this up

465

00:17:09,029 --> 00:17:05,280

before

466

00:17:11,990 --> 00:17:09,039

and i think he's right the area

467

00:17:13,750 --> 00:17:12,000

where we've been getting these uh

468

00:17:16,870 --> 00:17:13,760

upright canine reports

469

00:17:18,230 --> 00:17:16,880

and that that's a loop an oval that

470

00:17:21,990 --> 00:17:18,240

extends from

471

00:17:26,789 --> 00:17:22,000

alleghey state forest

472

00:17:30,950 --> 00:17:26,799

southeast into york county pennsylvania

473

00:17:33,909 --> 00:17:30,960

now the area itself

474

00:17:34,630 --> 00:17:33,919

especially the central part of the state

475

00:17:37,830 --> 00:17:34,640

has been

476

00:17:40,230 --> 00:17:37,840

devoid of bigfoot accounts

477

00:17:42,630 --> 00:17:40,240

for a while now i mean there there is

478

00:17:44,470 --> 00:17:42,640

one once in a while but it's not like it

479

00:17:47,909 --> 00:17:44,480

is in western pennsylvania

480

00:17:48,950 --> 00:17:47,919

and in uh other parts it just seems to

481

00:17:51,669 --> 00:17:48,960

be

482

00:17:52,630 --> 00:17:51,679

that we're getting more upright canine

483

00:17:55,430 --> 00:17:52,640

reports than

484

00:17:58,310 --> 00:17:55,440

the bigfoot reports now are they

485

00:18:02,549 --> 00:17:58,320

separating themselves

486

00:18:06,710 --> 00:18:02,559

i guess it's possible it seems to us

487

00:18:10,070 --> 00:18:06,720

that um the ridgelines

488

00:18:13,270 --> 00:18:10,080

are a an area where the

489

00:18:13,990 --> 00:18:13,280

dog man upright canines kind of take

490

00:18:16,630 --> 00:18:14,000

advantage

491

00:18:17,590 --> 00:18:16,640

of when they're moving about like going

492

00:18:20,549 --> 00:18:17,600

north and south

493

00:18:22,470 --> 00:18:20,559

uh like the uh the blue ridge of south

494

00:18:26,150 --> 00:18:22,480

ridge south mountain ridge that

495

00:18:29,110 --> 00:18:26,160

it's in the appalachias and uh

496

00:18:29,510 --> 00:18:29,120

the bigfoot don't seem to utilize that

497

00:18:31,430 --> 00:18:29,520

uh

498

00:18:32,549 --> 00:18:31,440

if they do it's in the valleys that's

499

00:18:35,909 --> 00:18:32,559

you know because you know we

500

00:18:39,669 --> 00:18:35,919

most of our reports of of uh

501  
00:18:43,909 --> 00:18:39,679  
uh upright canines are in higher areas

502  
00:18:46,549 --> 00:18:43,919  
so uh there may be something to that

503  
00:18:47,110 --> 00:18:46,559  
uh you know it's it's you know we do

504  
00:18:50,789 --> 00:18:47,120  
have some

505  
00:18:52,789 --> 00:18:50,799  
specific areas in the state where

506  
00:18:54,230 --> 00:18:52,799  
these upright canines have been

507  
00:18:56,390 --> 00:18:54,240  
concentrated

508  
00:18:58,070 --> 00:18:56,400  
namely uh in clearfield county but

509  
00:19:01,190 --> 00:18:58,080  
center county

510  
00:19:03,430 --> 00:19:01,200  
cambria and uh blair county they seem to

511  
00:19:05,909 --> 00:19:03,440  
be the hot spots

512  
00:19:08,070 --> 00:19:05,919  
and uh you know as far as getting

513  
00:19:10,150 --> 00:19:08,080

bigfoot reports in those areas we just

514

00:19:13,110 --> 00:19:10,160

haven't been getting any

515

00:19:14,549 --> 00:19:13,120

well that that is very interesting then

516

00:19:17,350 --> 00:19:14,559

i've always wanted to

517

00:19:17,909 --> 00:19:17,360

to talk to you about that because i mean

518

00:19:19,990 --> 00:19:17,919

it's the

519

00:19:22,549 --> 00:19:20,000

age-old question you know would a dog

520

00:19:24,549 --> 00:19:22,559

man win against a bigfoot or vice versa

521

00:19:26,710 --> 00:19:24,559

you know um or do they

522

00:19:27,590 --> 00:19:26,720

just they tend to just go hey this is my

523

00:19:30,150 --> 00:19:27,600

area

524

00:19:32,150 --> 00:19:30,160

and they just know which section is

525

00:19:34,789 --> 00:19:32,160

there they segregate themselves

526

00:19:35,669 --> 00:19:34,799

i mean lon you've had your own bigfoot

527

00:19:38,470 --> 00:19:35,679

experience

528

00:19:39,270 --> 00:19:38,480

and now you're taking all these reports

529

00:19:42,310 --> 00:19:39,280

of

530

00:19:45,510 --> 00:19:42,320

these upright canines i mean would you

531

00:19:48,789 --> 00:19:45,520

ever want to see one of those

532

00:19:51,990 --> 00:19:48,799

well from the descriptions i've received

533

00:19:54,390 --> 00:19:52,000

no exactly no i totally

534

00:19:55,590 --> 00:19:54,400

agree yeah these things are massive yeah

535

00:19:58,710 --> 00:19:55,600

and they

536

00:20:01,510 --> 00:19:58,720

they stand their ground

537

00:20:03,510 --> 00:20:01,520

uh we we unfortunately have had no

538

00:20:06,230 --> 00:20:03,520

reports of

539

00:20:06,870 --> 00:20:06,240

well you know real aggression there have

540

00:20:10,149 --> 00:20:06,880

been some

541

00:20:11,669 --> 00:20:10,159

threats but no real aggression you know

542

00:20:14,710 --> 00:20:11,679

we've had witnesses who have been

543

00:20:15,590 --> 00:20:14,720

armed and come up to face to face these

544

00:20:18,789 --> 00:20:15,600

things and just

545

00:20:21,430 --> 00:20:18,799

do not attempt to take a shot at it

546

00:20:22,950 --> 00:20:21,440

right so you know uh i don't know what

547

00:20:24,950 --> 00:20:22,960

that's all about but no

548

00:20:26,470 --> 00:20:24,960

most of these things run anywhere from

549

00:20:29,430 --> 00:20:26,480

eight to ten foot in height

550

00:20:31,430 --> 00:20:29,440

and they're huge so yeah the

551

00:20:35,750 --> 00:20:31,440

descriptions of them being

552

00:20:37,909 --> 00:20:35,760

a slender but looking just ultimately

553

00:20:38,870 --> 00:20:37,919

more powerful than a human being even

554

00:20:40,630 --> 00:20:38,880

armed

555

00:20:42,230 --> 00:20:40,640

it gives you pause and like you said

556

00:20:43,590 --> 00:20:42,240

they're always ill-tempered and they do

557

00:20:44,549 --> 00:20:43,600

stand their ground they don't care if

558

00:20:47,669 --> 00:20:44,559

people see them

559

00:20:50,789 --> 00:20:47,679

yeah no we had one and

560

00:20:53,750 --> 00:20:50,799

uh i mean i know the shows with you

561

00:20:54,549 --> 00:20:53,760

the guests but i will say this uh we had

562

00:20:57,110 --> 00:20:54,559

we had a

563

00:20:58,230 --> 00:20:57,120

report up near tuscarora state forest

564

00:21:01,270 --> 00:20:58,240

where we had a hunter

565

00:21:02,310 --> 00:21:01,280

up in treestand who had what we think

566

00:21:04,950 --> 00:21:02,320

was a dog man

567

00:21:07,110 --> 00:21:04,960

because it was a quadruped but this

568

00:21:09,590 --> 00:21:07,120

thing he said it was shaped like a hyena

569

00:21:11,750 --> 00:21:09,600

and probably just as big if not bigger

570

00:21:13,990 --> 00:21:11,760

and had a wolf head and the thing sat

571

00:21:17,190 --> 00:21:14,000

there in the field looking up at him

572

00:21:18,630 --> 00:21:17,200

for about 15 minutes just daring him do

573

00:21:21,510 --> 00:21:18,640

something

574

00:21:22,470 --> 00:21:21,520

see having my own siding not of a

575

00:21:24,630 --> 00:21:22,480

bigfoot

576

00:21:25,750 --> 00:21:24,640

or a dog man for five seconds you know a

577

00:21:28,710 --> 00:21:25,760

full five seconds

578

00:21:29,510 --> 00:21:28,720

that seemed like a long time for 15

579

00:21:32,789 --> 00:21:29,520

minutes

580

00:21:33,669 --> 00:21:32,799

of that would be i mean good luck trying

581

00:21:35,430 --> 00:21:33,679

to sleep again

582

00:21:37,029 --> 00:21:35,440

he pro does he hunt anymore i mean does

583

00:21:38,789 --> 00:21:37,039

he even go in the woods anymore

584

00:21:40,310 --> 00:21:38,799

i don't know but i know he stayed up in

585

00:21:42,950 --> 00:21:40,320

that in that

586

00:21:43,350 --> 00:21:42,960

uh two hours before he even thought

587

00:21:46,710 --> 00:21:43,360

about

588

00:21:47,510 --> 00:21:46,720

that i bet and even then he's probably

589

00:21:50,149 --> 00:21:47,520

still going

590

00:21:51,830 --> 00:21:50,159

i hope i make it out of here because of

591

00:21:52,710 --> 00:21:51,840

what i just saw i mean that it just

592

00:21:54,470 --> 00:21:52,720

seems so

593

00:21:56,230 --> 00:21:54,480

unnatural and all of a sudden you're

594

00:21:59,510 --> 00:21:56,240

going oh my god

595

00:22:02,789 --> 00:21:59,520

that is like nothing i've ever seen in a

596

00:22:04,630 --> 00:22:02,799

a mammal's book you know well the

597

00:22:06,070 --> 00:22:04,640

the one interesting aspect of what's

598

00:22:07,669 --> 00:22:06,080

been what's going on here in

599

00:22:10,149 --> 00:22:07,679

pennsylvania

600

00:22:13,190 --> 00:22:10,159

is that we have been in contact with

601  
00:22:15,270 --> 00:22:13,200  
pennsylvania game commission officers

602  
00:22:17,830 --> 00:22:15,280  
and it's been several of them actually

603  
00:22:20,149 --> 00:22:17,840  
you have had sightings

604  
00:22:21,190 --> 00:22:20,159  
and uh now officially they will not say

605  
00:22:23,430 --> 00:22:21,200  
anything

606  
00:22:25,510 --> 00:22:23,440  
when you confidentially they will tell

607  
00:22:28,630 --> 00:22:25,520  
you what they're seeing

608  
00:22:30,310 --> 00:22:28,640  
uh yeah they they definitely believe

609  
00:22:32,950 --> 00:22:30,320  
that there's something out there

610  
00:22:33,430 --> 00:22:32,960  
now what kind of experiences have they

611  
00:22:36,470 --> 00:22:33,440  
had

612  
00:22:39,830 --> 00:22:36,480  
i mean is it road sightings or up close

613  
00:22:42,230 --> 00:22:39,840

well one for instance was a commissioned

614

00:22:45,190 --> 00:22:42,240

officer it was three couples

615

00:22:47,110 --> 00:22:45,200

and it was at rothrock state park and it

616

00:22:47,990 --> 00:22:47,120

was a new trail that had been put in so

617

00:22:50,789 --> 00:22:48,000

one

618

00:22:52,870 --> 00:22:50,799

summer afternoon these three couples

619

00:22:55,830 --> 00:22:52,880

decide to go out there and and take a

620

00:22:58,070 --> 00:22:55,840

walk through this new trail

621

00:23:00,230 --> 00:22:58,080

and uh the one guy was he was actually

622

00:23:04,149 --> 00:23:00,240

armed he had a he had a sidearm on him

623

00:23:05,430 --> 00:23:04,159

and he was uh he was a pennsylvania game

624

00:23:09,270 --> 00:23:05,440

commission

625

00:23:10,950 --> 00:23:09,280

employee and one of the women

626  
00:23:12,789 --> 00:23:10,960  
from one of these couples happened to

627  
00:23:15,669 --> 00:23:12,799  
turn around

628  
00:23:17,590 --> 00:23:15,679  
and look back the trail and saw this

629  
00:23:19,190 --> 00:23:17,600  
upright canine standing at the edge of

630  
00:23:21,270 --> 00:23:19,200  
the trail

631  
00:23:22,870 --> 00:23:21,280  
and she let out a scream and when she

632  
00:23:23,669 --> 00:23:22,880  
left out a scream this thing took a

633  
00:23:27,750 --> 00:23:23,679  
couple steps

634  
00:23:31,270 --> 00:23:27,760  
forward and they were just frozen

635  
00:23:33,110 --> 00:23:31,280  
in fear so uh by that

636  
00:23:34,870 --> 00:23:33,120  
you know they made their way quickly to

637  
00:23:36,630 --> 00:23:34,880  
the parking lot

638  
00:23:38,310 --> 00:23:36,640

and by the time they got there this

639

00:23:41,029 --> 00:23:38,320

thing was standing here at the parking

640

00:23:45,750 --> 00:23:43,510

it it was standing in the parking lot

641

00:23:48,789 --> 00:23:45,760

where they needed to leave from

642

00:23:50,710 --> 00:23:48,799

oh my god you know it doubled up behind

643

00:23:53,190 --> 00:23:50,720

them and yeah up to the parking lot

644

00:23:53,830 --> 00:23:53,200

uh you know of course they got in their

645

00:23:55,350 --> 00:23:53,840

car

646

00:23:57,350 --> 00:23:55,360

and this thing was standing on the other

647

00:24:00,230 --> 00:23:57,360

end watching them

648

00:24:01,909 --> 00:24:00,240

but uh yeah and this guy he was uh and

649

00:24:04,149 --> 00:24:01,919

actually butch went up there

650

00:24:05,830 --> 00:24:04,159

he went up to the location he talked to

651  
00:24:08,630 --> 00:24:05,840  
the witnesses

652  
00:24:10,950 --> 00:24:08,640  
and uh yeah pretty hairy and they know

653  
00:24:12,950 --> 00:24:10,960  
this is something we've heard of before

654  
00:24:15,029 --> 00:24:12,960  
i mean that they they will end up you

655  
00:24:17,750 --> 00:24:15,039  
know they will see you

656  
00:24:19,350 --> 00:24:17,760  
but they'll make themselves you know

657  
00:24:21,029 --> 00:24:19,360  
they'll go around double back or

658  
00:24:23,750 --> 00:24:21,039  
whatever and they'll make themselves

659  
00:24:27,190 --> 00:24:23,760  
known so they are not afraid to be seen

660  
00:24:29,909 --> 00:24:27,200  
no yeah they're on my no list i have a

661  
00:24:30,549 --> 00:24:29,919  
a no list of things that i just i'm like

662  
00:24:33,029 --> 00:24:30,559  
i'm good

663  
00:24:33,590 --> 00:24:33,039

i don't know i'm all set with that i

664

00:24:35,990 --> 00:24:33,600

still

665

00:24:37,029 --> 00:24:36,000

i miss the woods you know i'm back in in

666

00:24:39,590 --> 00:24:37,039

the desert

667

00:24:40,950 --> 00:24:39,600

and i mean i don't miss the winters but

668

00:24:43,510 --> 00:24:40,960

i miss going camping but

669

00:24:45,510 --> 00:24:43,520

i think that for mo for the most part a

670

00:24:48,710 --> 00:24:45,520

lot of these dog man sightings

671

00:24:51,190 --> 00:24:48,720

that any of us have taken

672

00:24:53,190 --> 00:24:51,200

it's terrifying and it changes some of

673

00:24:55,190 --> 00:24:53,200

these folks lives to where they're like

674

00:24:56,710 --> 00:24:55,200

yeah the big city is looking better and

675

00:24:57,190 --> 00:24:56,720

better to me i don't think i need to

676  
00:24:59,909 --> 00:24:57,200  
live

677  
00:25:00,789 --> 00:24:59,919  
near any patch of woods again well you

678  
00:25:02,310 --> 00:25:00,799  
know i think back

679  
00:25:04,789 --> 00:25:02,320  
when i was younger and i used to do a

680  
00:25:08,310 --> 00:25:04,799  
lot of hunting when i was younger

681  
00:25:10,230 --> 00:25:08,320  
and uh now that i i know

682  
00:25:12,390 --> 00:25:10,240  
what people have been seeing in the

683  
00:25:14,070 --> 00:25:12,400  
woods and other places

684  
00:25:15,909 --> 00:25:14,080  
i wouldn't even think about going and

685  
00:25:16,789 --> 00:25:15,919  
doing what i used to do there's just no

686  
00:25:18,549 --> 00:25:16,799  
way

687  
00:25:20,470 --> 00:25:18,559  
i just wouldn't do it there's just too

688  
00:25:23,430 --> 00:25:20,480

much out there

689

00:25:26,310 --> 00:25:23,440

that uh a lot of people just don't know

690

00:25:28,950 --> 00:25:26,320

about but it's out there

691

00:25:29,909 --> 00:25:28,960

yeah definitely on the no list for me

692

00:25:33,269 --> 00:25:29,919

they're just they're

693

00:25:35,750 --> 00:25:33,279

angry angry uh creatures

694

00:25:37,430 --> 00:25:35,760

they're they're very uh maybe they're

695

00:25:38,789 --> 00:25:37,440

always hangry i don't know

696

00:25:41,830 --> 00:25:38,799

quite what their problem is but they're

697

00:25:43,430 --> 00:25:41,840

very feisty well you know

698

00:25:45,190 --> 00:25:43,440

the report we've we've been getting

699

00:25:46,070 --> 00:25:45,200

reports all over the place too i mean

700

00:25:48,390 --> 00:25:46,080

it's just not

701  
00:25:49,110 --> 00:25:48,400  
of course in pennsylvania of course some

702  
00:25:50,789 --> 00:25:49,120  
of the

703  
00:25:53,190 --> 00:25:50,799  
more harrowing reports that i've

704  
00:25:56,230 --> 00:25:53,200  
received have been up in ontario

705  
00:25:57,110 --> 00:25:56,240  
southern ontario and uh of course

706  
00:26:00,630 --> 00:25:57,120  
there's always been

707  
00:26:03,029 --> 00:26:00,640  
reports up in wisconsin in michigan so

708  
00:26:04,870 --> 00:26:03,039  
yeah it's pretty uh pretty bad i mean i

709  
00:26:06,390 --> 00:26:04,880  
i i definitely wouldn't want to come

710  
00:26:07,830 --> 00:26:06,400  
across to hey i wouldn't even want to

711  
00:26:11,029 --> 00:26:07,840  
come across a mothman

712  
00:26:12,549 --> 00:26:11,039  
be honest with you yeah you know

713  
00:26:14,149 --> 00:26:12,559

you know especially these things that

714

00:26:17,510 --> 00:26:14,159

people are seeing in chicago

715

00:26:19,430 --> 00:26:17,520

with size and uh they do

716

00:26:21,350 --> 00:26:19,440

seem to have a bit of temperament but

717

00:26:24,789 --> 00:26:21,360

they're they're not as aggressive as say

718

00:26:28,149 --> 00:26:24,799

the mothman at point pleasant but

719

00:26:29,510 --> 00:26:28,159

they just are very shocking to people

720

00:26:31,269 --> 00:26:29,520

you know it's funny i was at the bank

721

00:26:33,190 --> 00:26:31,279

the other day well not the other day

722

00:26:34,390 --> 00:26:33,200

it was like three weeks ago sorry a few

723

00:26:37,830 --> 00:26:34,400

weeks ago

724

00:26:38,789 --> 00:26:37,840

and it just it came up about what i did

725

00:26:41,750 --> 00:26:38,799

and

726

00:26:43,990 --> 00:26:41,760

this guy i was at one of the customer

727

00:26:47,510 --> 00:26:44,000

service desks with this gentleman

728

00:26:49,990 --> 00:26:47,520

and he goes yeah i i briefly mentioned

729

00:26:51,909 --> 00:26:50,000

my shadow person encounter

730

00:26:53,830 --> 00:26:51,919

that usually opens up a whole lot of

731

00:26:55,669 --> 00:26:53,840

doors very easily and it did because

732

00:26:58,630 --> 00:26:55,679

he's like yeah we were uh

733

00:27:00,390 --> 00:26:58,640

just outside of vegas on the 95 and we

734

00:27:01,909 --> 00:27:00,400

were coming back into town me a friend

735

00:27:05,029 --> 00:27:01,919

of mine

736

00:27:07,110 --> 00:27:05,039

and i and i was driving and he said

737

00:27:08,470 --> 00:27:07,120

that and it was late 11 midnight

738

00:27:09,750 --> 00:27:08,480

something like that but he said off to

739

00:27:11,029 --> 00:27:09,760

the right side of the road and the

740

00:27:12,789 --> 00:27:11,039

headlights

741

00:27:14,870 --> 00:27:12,799

they had their brights on because uh

742

00:27:16,470 --> 00:27:14,880

they were on a stretch of road that was

743

00:27:18,310 --> 00:27:16,480

you know with no street lights and

744

00:27:21,669 --> 00:27:18,320

nobody was coming towards them

745

00:27:22,549 --> 00:27:21,679

and off to the right was this basically

746

00:27:25,510 --> 00:27:22,559

a mothman

747

00:27:27,350 --> 00:27:25,520

type of of creature and i said okay well

748

00:27:28,710 --> 00:27:27,360

how tall was it he said between six and

749

00:27:32,789 --> 00:27:28,720

seven feet tall

750

00:27:33,510 --> 00:27:32,799

and it it it covered strongest the

751  
00:27:36,710 --> 00:27:33,520  
ground

752  
00:27:38,070 --> 00:27:36,720  
with these massive wings and you know i

753  
00:27:39,669 --> 00:27:38,080  
said well how fast were you going

754  
00:27:41,909 --> 00:27:39,679  
well we were you know on the freeway and

755  
00:27:42,710 --> 00:27:41,919  
i slowed down a bit and we were children

756  
00:27:45,750 --> 00:27:42,720  
but

757  
00:27:47,990 --> 00:27:45,760  
both of us go past it and then we

758  
00:27:49,830 --> 00:27:48,000  
both looked at each other into the

759  
00:27:51,909 --> 00:27:49,840  
actual age was that

760  
00:27:53,990 --> 00:27:51,919  
they both of course had seen it and i

761  
00:27:55,190 --> 00:27:54,000  
said did you go back he's like heck no

762  
00:27:58,230 --> 00:27:55,200  
we didn't go back

763  
00:27:59,669 --> 00:27:58,240

nope we just kept on driving well yeah i

764

00:28:03,150 --> 00:27:59,679

agree i think that

765

00:28:03,160 --> 00:28:06,950

[Music]

766

00:28:10,310 --> 00:28:08,870

i think it would just rock the

767

00:28:13,029 --> 00:28:10,320

foundations of

768

00:28:14,630 --> 00:28:13,039

the things that you think are are normal

769

00:28:20,870 --> 00:28:14,640

and to me now

770

00:28:25,909 --> 00:28:24,070

a more normal accepted thing but when

771

00:28:27,830 --> 00:28:25,919

you start talking about

772

00:28:29,430 --> 00:28:27,840

these massive dogmen with these ropey

773

00:28:31,510 --> 00:28:29,440

muscles and the way that they move and

774

00:28:32,470 --> 00:28:31,520

their joints are popping and cracking

775

00:28:35,110 --> 00:28:32,480

and they're

776

00:28:35,510 --> 00:28:35,120

very angry all the time and then i'm off

777

00:28:37,350 --> 00:28:35,520

man

778

00:28:38,710 --> 00:28:37,360

i'm like that yeah that's that's an

779

00:28:41,669 --> 00:28:38,720

entirely

780

00:28:44,389 --> 00:28:41,679

uh different beast pun intended well

781

00:28:46,710 --> 00:28:44,399

that kind of comes into my next question

782

00:28:48,149 --> 00:28:46,720

as far as bigfoot and even other

783

00:28:50,870 --> 00:28:48,159

cryptids

784

00:28:51,510 --> 00:28:50,880

uh as to the the theory of flesh and

785

00:28:54,630 --> 00:28:51,520

blood or

786

00:28:55,430 --> 00:28:54,640

supernatural what what do you think oh

787

00:28:57,510 --> 00:28:55,440

that's tough

788

00:28:59,350 --> 00:28:57,520

i mean that's kind of the question i

789

00:29:00,230 --> 00:28:59,360

hate answering that question too but i

790

00:29:03,350 --> 00:29:00,240

do yeah

791

00:29:05,830 --> 00:29:03,360

no it's okay no no i yeah it gets asked

792

00:29:09,269 --> 00:29:05,840

pretty much every time so that's okay

793

00:29:11,110 --> 00:29:09,279

it's tough because and you've

794

00:29:12,630 --> 00:29:11,120

you've taken these reports too you know

795

00:29:16,070 --> 00:29:12,640

um the

796

00:29:19,190 --> 00:29:16,080

bigfoot are doing weird things or

797

00:29:21,430 --> 00:29:19,200

they see a bigfoot run up the hill

798

00:29:23,269 --> 00:29:21,440

and it's even in snow and the snow plays

799

00:29:25,190 --> 00:29:23,279

a big part in this

800

00:29:26,630 --> 00:29:25,200

because it's leaving tracks and then all

801  
00:29:28,870 --> 00:29:26,640  
of a sudden they get up to where they

802  
00:29:30,070 --> 00:29:28,880  
know the bigfoot ran up the hill

803  
00:29:31,669 --> 00:29:30,080  
and then all of a sudden the tracks

804  
00:29:32,950 --> 00:29:31,679  
don't go left they don't go right there

805  
00:29:35,269 --> 00:29:32,960  
was no tree to grab onto

806  
00:29:36,870 --> 00:29:35,279  
they're just poof gone the track stopped

807  
00:29:39,269 --> 00:29:36,880  
right in the middle of this

808  
00:29:40,710 --> 00:29:39,279  
massive open area of of land with snow

809  
00:29:44,389 --> 00:29:40,720  
on it

810  
00:29:48,310 --> 00:29:44,399  
it's really hard to describe right or

811  
00:29:50,310 --> 00:29:48,320  
of course the uh the famous or infamous

812  
00:29:54,630 --> 00:29:50,320  
depending on who you ask the predator

813  
00:29:57,990 --> 00:29:54,640

type right the shimmery uh they can um

814

00:30:01,110 --> 00:29:58,000

basically go invisible uh there are

815

00:30:02,630 --> 00:30:01,120

very credible people that say they're

816

00:30:03,990 --> 00:30:02,640

out hunting

817

00:30:05,990 --> 00:30:04,000

and well you probably know exactly what

818

00:30:09,029 --> 00:30:06,000

case i'm talking about but

819

00:30:11,190 --> 00:30:09,039

you know um bruce mcabee's wife

820

00:30:12,470 --> 00:30:11,200

it was featured in part of david

821

00:30:14,470 --> 00:30:12,480

pilate's book

822

00:30:15,510 --> 00:30:14,480

one of his books and she was out bow

823

00:30:19,190 --> 00:30:15,520

hunting

824

00:30:23,110 --> 00:30:19,200

and said that she saw this shimmery

825

00:30:25,830 --> 00:30:23,120

being out in the woods so i i don't know

826

00:30:27,510 --> 00:30:25,840

i don't want them at all and doesn't

827

00:30:30,149 --> 00:30:27,520

matter what i want but i don't want them

828

00:30:31,909 --> 00:30:30,159

to be paranormal at all because then

829

00:30:33,990 --> 00:30:31,919

we'll probably never find out

830

00:30:36,230 --> 00:30:34,000

what they are you know where they come

831

00:30:38,230 --> 00:30:36,240

from how their family units work that's

832

00:30:38,630 --> 00:30:38,240

all fascinating that everyday stuff is

833

00:30:41,430 --> 00:30:38,640

so

834

00:30:45,350 --> 00:30:41,440

fascinating to me and the fact that we

835

00:30:48,950 --> 00:30:45,360

get so little juvenile reports

836

00:30:50,470 --> 00:30:48,960

it it brings me hope a little bit in the

837

00:30:52,310 --> 00:30:50,480

fact that i just think that they protect

838

00:30:54,149 --> 00:30:52,320

them so well

839

00:30:56,710 --> 00:30:54,159

uh but i i don't want them to be

840

00:30:59,029 --> 00:30:56,720

anything paranormal

841

00:30:59,909 --> 00:30:59,039

well you know you know perfectly well

842

00:31:03,029 --> 00:30:59,919

you know

843

00:31:03,669 --> 00:31:03,039

maybe five to ten years ago the bigfoot

844

00:31:07,830 --> 00:31:03,679

community

845

00:31:11,269 --> 00:31:07,840

and for the most part i think it still

846

00:31:13,750 --> 00:31:11,279

is but you have more

847

00:31:15,669 --> 00:31:13,760

investigators researchers even people

848

00:31:18,789 --> 00:31:15,679

that have been around a while

849

00:31:22,230 --> 00:31:18,799

starting to open their minds up

850

00:31:24,070 --> 00:31:22,240

to this interdimensional supernatural

851

00:31:26,149 --> 00:31:24,080

possibility with bigfoot and other

852

00:31:29,190 --> 00:31:26,159

cryptids

853

00:31:33,190 --> 00:31:29,200

uh you know you talked about seeing an

854

00:31:34,789 --> 00:31:33,200

orb associated with a possible bigfoot

855

00:31:36,870 --> 00:31:34,799

and we've been getting those reports

856

00:31:39,509 --> 00:31:36,880

here too

857

00:31:41,269 --> 00:31:39,519

and uh you know that footprints had just

858

00:31:44,070 --> 00:31:41,279

suddenly end

859

00:31:46,549 --> 00:31:44,080

like it either disappeared or sprouted

860

00:31:50,310 --> 00:31:46,559

wings and took off or did something

861

00:31:53,590 --> 00:31:50,320

uh those become more prevalent

862

00:31:55,590 --> 00:31:53,600

more and more so you know you got you

863

00:31:57,509 --> 00:31:55,600

you got to wonder

864

00:31:59,430 --> 00:31:57,519

what's really going on what do you make

865

00:32:02,070 --> 00:31:59,440

of the whole you know you specifically

866

00:32:02,710 --> 00:32:02,080

go out in the woods for bigfoot even if

867

00:32:04,549 --> 00:32:02,720

you're

868

00:32:06,149 --> 00:32:04,559

a thousand percent in the flesh and

869

00:32:08,070 --> 00:32:06,159

blood camp and then

870

00:32:10,230 --> 00:32:08,080

you see an orb i mean that's that's what

871

00:32:12,470 --> 00:32:10,240

happened to me what do you make of that

872

00:32:14,070 --> 00:32:12,480

what's is there a correlation is it just

873

00:32:17,590 --> 00:32:14,080

a happenstance that

874

00:32:19,990 --> 00:32:17,600

this maybe possibly natural occurrence

875

00:32:23,029 --> 00:32:20,000

happen while you're out bigfooting

876

00:32:25,029 --> 00:32:23,039

i i don't know i mean you know now our

877

00:32:26,789 --> 00:32:25,039

mutual friend sean forker you look at

878

00:32:28,870 --> 00:32:26,799

his experience

879

00:32:30,149 --> 00:32:28,880

you know yes those guys were up there in

880

00:32:31,590 --> 00:32:30,159

clearfield

881

00:32:33,430 --> 00:32:31,600

they were in an area where they're

882

00:32:34,789 --> 00:32:33,440

they're sure there's bigfoot activity

883

00:32:36,950 --> 00:32:34,799

but they're

884

00:32:38,549 --> 00:32:36,960

they're in a tent they hear something

885

00:32:40,870 --> 00:32:38,559

moving about

886

00:32:41,990 --> 00:32:40,880

they look out they see something but

887

00:32:44,389 --> 00:32:42,000

they just don't really know

888

00:32:48,070 --> 00:32:44,399

what it is you know it's something

889

00:32:51,509 --> 00:32:48,080

that's moving fast but it's kind of like

890

00:32:54,710 --> 00:32:51,519

it's not really solid you know

891

00:32:57,029 --> 00:32:54,720

uh what did they experience you know

892

00:32:58,950 --> 00:32:57,039

and in that same area those guys have

893

00:32:59,990 --> 00:32:58,960

been talking about worm activity for

894

00:33:01,750 --> 00:33:00,000

years now

895

00:33:03,430 --> 00:33:01,760

i mean they have really seen some crazy

896

00:33:06,950 --> 00:33:03,440

things there so

897

00:33:10,149 --> 00:33:06,960

uh you know i i get

898

00:33:12,710 --> 00:33:10,159

i guess the more and more you hear

899

00:33:13,509 --> 00:33:12,720

the you know about uh bigfoot and

900

00:33:16,070 --> 00:33:13,519

cryptids

901  
00:33:16,549 --> 00:33:16,080  
and you know i've been getting you know

902  
00:33:18,870 --> 00:33:16,559  
just

903  
00:33:20,310 --> 00:33:18,880  
talking about the chicago sightings with

904  
00:33:24,230 --> 00:33:20,320  
these winged humanoids

905  
00:33:26,230 --> 00:33:24,240  
i have two reports of them just simply

906  
00:33:29,110 --> 00:33:26,240  
vanishing like they went through

907  
00:33:30,230 --> 00:33:29,120  
an invisible doorway you know while

908  
00:33:33,909 --> 00:33:30,240  
they're flying

909  
00:33:37,110 --> 00:33:33,919  
yeah how do you explain that um

910  
00:33:38,950 --> 00:33:37,120  
you know it's something that

911  
00:33:41,590 --> 00:33:38,960  
you know it's becoming more prevalent

912  
00:33:43,830 --> 00:33:41,600  
now with cryptid activity

913  
00:33:45,430 --> 00:33:43,840

uh we even had an upright canine that

914

00:33:47,350 --> 00:33:45,440

suddenly appeared

915

00:33:49,509 --> 00:33:47,360

in front of someone who was walking

916

00:33:50,789 --> 00:33:49,519

their dog and that was in clearfield

917

00:33:53,029 --> 00:33:50,799

county

918

00:33:54,070 --> 00:33:53,039

okay that scene of that that's just

919

00:33:56,389 --> 00:33:54,080

messed up

920

00:33:57,509 --> 00:33:56,399

yeah that's got to be worse than i think

921

00:33:59,549 --> 00:33:57,519

anything that

922

00:34:00,789 --> 00:33:59,559

you could experience is it just

923

00:34:02,549 --> 00:34:00,799

materializes

924

00:34:04,789 --> 00:34:02,559

in front of you i mean you don't just

925

00:34:08,069 --> 00:34:04,799

walk up on it it's just poof there it is

926

00:34:09,909 --> 00:34:08,079

yeah and mind-blowing it's when in fact

927

00:34:12,629 --> 00:34:09,919

it was one of the earliest

928

00:34:14,389 --> 00:34:12,639

reports we got it was in a state uh

929

00:34:17,270 --> 00:34:14,399

state game land

930

00:34:18,950 --> 00:34:17,280

area near uh oh what was the town i

931

00:34:20,069 --> 00:34:18,960

forget what it was pennville i guess

932

00:34:22,149 --> 00:34:20,079

penville

933

00:34:23,669 --> 00:34:22,159

anyway it was a this gentleman is

934

00:34:27,190 --> 00:34:23,679

walking his dogs

935

00:34:30,869 --> 00:34:27,200

and this thing just suddenly appeared

936

00:34:31,430 --> 00:34:30,879

huge upright canine walking away from

937

00:34:35,030 --> 00:34:31,440

them

938

00:34:36,149 --> 00:34:35,040

dogs going nuts trying to break free go

939

00:34:39,990 --> 00:34:36,159

after this thing and this

940

00:34:40,470 --> 00:34:40,000

this this creature didn't even seem to

941

00:34:43,990 --> 00:34:40,480

even

942

00:34:47,510 --> 00:34:44,000

were there

943

00:34:50,629 --> 00:34:47,520

um so you know

944

00:34:53,430 --> 00:34:50,639

was it another dimension was it parallel

945

00:34:54,550 --> 00:34:53,440

or what i don't know what what was it

946

00:34:56,550 --> 00:34:54,560

and

947

00:34:58,230 --> 00:34:56,560

you know that's that's just something

948

00:35:02,069 --> 00:34:58,240

that we've been getting

949

00:35:03,430 --> 00:35:02,079

that you know it really puts uh yeah it

950

00:35:06,790 --> 00:35:03,440

puts a monkey wrench in

951  
00:35:08,230 --> 00:35:06,800  
theories i guess it does it really does

952  
00:35:09,430 --> 00:35:08,240  
and it makes you wonder if the dog had

953  
00:35:11,910 --> 00:35:09,440  
gotten loose

954  
00:35:12,550 --> 00:35:11,920  
would it just have ran right through the

955  
00:35:15,109 --> 00:35:12,560  
thing

956  
00:35:16,069 --> 00:35:15,119  
you know or i mean like you said maybe

957  
00:35:18,550 --> 00:35:16,079  
it was

958  
00:35:19,750 --> 00:35:18,560  
like you kind of mentioned another

959  
00:35:21,510 --> 00:35:19,760  
dimension like maybe

960  
00:35:23,430 --> 00:35:21,520  
like basically like a glitch in the

961  
00:35:24,069 --> 00:35:23,440  
matrix right it just kind of blips in

962  
00:35:25,670 --> 00:35:24,079  
and out and

963  
00:35:27,270 --> 00:35:25,680

i've said that it's so cool that you

964

00:35:28,870 --> 00:35:27,280

said that because i've said that about

965

00:35:30,790 --> 00:35:28,880

the only thing i've ever seen with my

966

00:35:33,030 --> 00:35:30,800

own eyes besides the orb

967

00:35:34,390 --> 00:35:33,040

was those four shadow people running in

968

00:35:35,349 --> 00:35:34,400

the woods when i was a teenager that's

969

00:35:37,910 --> 00:35:35,359

what got me

970

00:35:39,270 --> 00:35:37,920

started on all of that stuff and i

971

00:35:40,630 --> 00:35:39,280

always say

972

00:35:42,310 --> 00:35:40,640

they didn't interact with me they didn't

973

00:35:43,750 --> 00:35:42,320

look over they didn't wave and

974

00:35:45,670 --> 00:35:43,760

you know i think it would have been a

975

00:35:47,190 --> 00:35:45,680

much different experience had they

976

00:35:50,150 --> 00:35:47,200

interacted with me but they didn't

977

00:35:50,550 --> 00:35:50,160

it was still impactful but i often have

978

00:35:53,030 --> 00:35:50,560

said

979

00:35:54,550 --> 00:35:53,040

i wonder if i just got a glimpse into

980

00:35:55,829 --> 00:35:54,560

another world for a second

981

00:35:57,270 --> 00:35:55,839

you know because they certainly weren't

982

00:35:58,390 --> 00:35:57,280

interacting with the trees that they

983

00:36:00,550 --> 00:35:58,400

were running

984

00:36:02,150 --> 00:36:00,560

running by and and quote unquote through

985

00:36:04,630 --> 00:36:02,160

either so

986

00:36:06,870 --> 00:36:04,640

i i don't know i don't know you're

987

00:36:10,230 --> 00:36:06,880

telling me that story

988

00:36:11,109 --> 00:36:10,240

and uh you were on a you were on a tv or

989

00:36:12,950 --> 00:36:11,119

something and

990

00:36:14,470 --> 00:36:12,960

you just happen to see these things in

991

00:36:16,470 --> 00:36:14,480

the woods

992

00:36:17,910 --> 00:36:16,480

but you know what i have heard other

993

00:36:20,790 --> 00:36:17,920

people describe

994

00:36:21,910 --> 00:36:20,800

various under instances where they would

995

00:36:25,109 --> 00:36:21,920

be somewhere

996

00:36:27,589 --> 00:36:25,119

uh out outdoors or somewhere and

997

00:36:29,109 --> 00:36:27,599

they would see a series of shadow people

998

00:36:32,230 --> 00:36:29,119

shadowing them

999

00:36:35,910 --> 00:36:32,240

basically and

1000

00:36:36,630 --> 00:36:35,920

it shows like um basically paralleling

1001  
00:36:38,310 --> 00:36:36,640  
them but

1002  
00:36:39,990 --> 00:36:38,320  
so they were interacting with them see

1003  
00:36:44,150 --> 00:36:40,000  
that would be extremely scary

1004  
00:36:46,710 --> 00:36:44,160  
to me yeah that would change at all

1005  
00:36:47,990 --> 00:36:46,720  
i mean what is that you know you you you

1006  
00:36:49,910 --> 00:36:48,000  
also mentioned earlier about the

1007  
00:36:51,670 --> 00:36:49,920  
glimmering man effect you know just like

1008  
00:36:53,589 --> 00:36:51,680  
predator movies

1009  
00:36:55,430 --> 00:36:53,599  
i i get more and more of that all the

1010  
00:36:57,829 --> 00:36:55,440  
time now i mean you know

1011  
00:36:59,910 --> 00:36:57,839  
people wonder what that is or they see

1012  
00:37:02,710 --> 00:36:59,920  
something that seems to

1013  
00:37:05,349 --> 00:37:02,720

manifest and then this uh this thing

1014

00:37:09,829 --> 00:37:05,359

turns into this glimmering man effect

1015

00:37:10,310 --> 00:37:09,839

uh right and is it doing that because it

1016

00:37:12,870 --> 00:37:10,320

can't

1017

00:37:14,310 --> 00:37:12,880

fully like you said manifest is probably

1018

00:37:15,030 --> 00:37:14,320

the right word it could be it can't

1019

00:37:18,790 --> 00:37:15,040

fully

1020

00:37:19,670 --> 00:37:18,800

get there or is is that its intention is

1021

00:37:21,430 --> 00:37:19,680

to to stay

1022

00:37:23,430 --> 00:37:21,440

right right at that perfect place where

1023

00:37:25,190 --> 00:37:23,440

you're going what in the world is that

1024

00:37:27,589 --> 00:37:25,200

that's the question i mean is it

1025

00:37:30,310 --> 00:37:27,599

something that's trying to manifest

1026

00:37:32,069 --> 00:37:30,320

that can only do but so much or is it

1027

00:37:34,630 --> 00:37:32,079

actually cloaking somehow

1028

00:37:35,510 --> 00:37:34,640

right you know that that's the big

1029

00:37:37,109 --> 00:37:35,520

question

1030

00:37:38,710 --> 00:37:37,119

and i mean is it something that's

1031

00:37:41,829 --> 00:37:38,720

relative to

1032

00:37:46,230 --> 00:37:41,839

cryptid activity even spirit activity

1033

00:37:49,670 --> 00:37:46,240

uh you know i i i become more and more

1034

00:37:53,349 --> 00:37:49,680

convinced that the paranormal is so

1035

00:37:54,310 --> 00:37:53,359

connected in so many ways that uh you

1036

00:37:58,390 --> 00:37:54,320

know

1037

00:38:00,310 --> 00:37:58,400

ufo's cryptids spirit activity

1038

00:38:02,069 --> 00:38:00,320

the whole the whole nine yards is

1039

00:38:05,589 --> 00:38:02,079

somehow connected

1040

00:38:08,620 --> 00:38:05,599

to each other and um you know i

1041

00:38:09,829 --> 00:38:08,630

i i see more and more that that kind of

1042

00:38:12,630 --> 00:38:09,839

[Music]

1043

00:38:13,030 --> 00:38:12,640

you know coincides i mean it's you know

1044

00:38:16,150 --> 00:38:13,040

it

1045

00:38:16,470 --> 00:38:16,160

sounds crazy to some people but i don't

1046

00:38:19,190 --> 00:38:16,480

know

1047

00:38:20,390 --> 00:38:19,200

there's something definitely going on i

1048

00:38:24,150 --> 00:38:20,400

mean i think anything is

1049

00:38:25,750 --> 00:38:24,160

possible and you you did mention ufos

1050

00:38:29,190 --> 00:38:25,760

and i think one of the

1051

00:38:31,829 --> 00:38:29,200

the glaring things that comes

1052

00:38:33,030 --> 00:38:31,839

out for all this as far as things that

1053

00:38:36,150 --> 00:38:33,040

people don't want

1054

00:38:36,710 --> 00:38:36,160

to be connected and it you know you take

1055

00:38:41,270 --> 00:38:36,720

the

1056

00:38:44,310 --> 00:38:41,280

examples for that

1057

00:38:45,910 --> 00:38:44,320

is when you have a quote-unquote classic

1058

00:38:47,750 --> 00:38:45,920

abduction case and i don't mean to

1059

00:38:48,950 --> 00:38:47,760

diminish that in any way by calling it

1060

00:38:50,390 --> 00:38:48,960

classic but

1061

00:38:52,069 --> 00:38:50,400

you know you're taking up on the ship

1062

00:38:53,670 --> 00:38:52,079

you're experimented on you

1063

00:38:55,190 --> 00:38:53,680

you get put back home but then

1064

00:38:57,190 --> 00:38:55,200

unfortunately at home

1065

00:38:58,790 --> 00:38:57,200

you're experiencing basically

1066

00:38:59,990 --> 00:38:58,800

poltergeist activity

1067

00:39:01,349 --> 00:39:00,000

we're not talking about just you're

1068

00:39:03,430 --> 00:39:01,359

seeing grays in your room we're talking

1069

00:39:05,030 --> 00:39:03,440

about dishes are flying around

1070

00:39:06,710 --> 00:39:05,040

things are not you know there's rapping

1071

00:39:08,550 --> 00:39:06,720

on the on the doors and

1072

00:39:10,710 --> 00:39:08,560

things are happening that shouldn't be

1073

00:39:12,950 --> 00:39:10,720

associated with aliens in any way shape

1074

00:39:17,349 --> 00:39:12,960

or form

1075

00:39:19,750 --> 00:39:17,359

more and i'd say most um

1076

00:39:20,870 --> 00:39:19,760

experiencers let's put it that way

1077

00:39:24,510 --> 00:39:20,880

people that have

1078

00:39:27,589 --> 00:39:24,520

had interactions with uh

1079

00:39:30,950 --> 00:39:27,599

non-terrestrials more and more

1080

00:39:34,310 --> 00:39:30,960

of these witnesses do

1081

00:39:37,829 --> 00:39:34,320

experience some type of um

1082

00:39:40,630 --> 00:39:37,839

unexplained phenomena that you wouldn't

1083

00:39:42,870 --> 00:39:40,640

associate with alien activity

1084

00:39:45,670 --> 00:39:42,880

right that you associate more with

1085

00:39:48,950 --> 00:39:45,680

paranormal spirit or entity activity

1086

00:39:51,670 --> 00:39:48,960

right uh is the energy

1087

00:39:52,230 --> 00:39:51,680

so close or so similar that it causes

1088

00:39:55,430 --> 00:39:52,240

that

1089

00:39:57,190 --> 00:39:55,440

something i've always been looking i'm

1090

00:40:00,310 --> 00:39:57,200

always looking into

1091

00:40:03,510 --> 00:40:00,320

uh the connections between

1092

00:40:07,109 --> 00:40:03,520

uh energy spirit activity and

1093

00:40:09,589 --> 00:40:07,119

extraterrestrial ebe activity

1094

00:40:11,190 --> 00:40:09,599

there does seem to be a lot of uh

1095

00:40:14,390 --> 00:40:11,200

similar

1096

00:40:16,150 --> 00:40:14,400

aspects to that but then again then you

1097

00:40:17,030 --> 00:40:16,160

look into the cryptids you talk to

1098

00:40:19,190 --> 00:40:17,040

people

1099

00:40:20,390 --> 00:40:19,200

who have seen bigfoot coming out of

1100

00:40:23,030 --> 00:40:20,400

spacecraft

1101  
00:40:24,950 --> 00:40:23,040  
or you know other things that may be

1102  
00:40:27,190 --> 00:40:24,960  
related you know you talked to stan

1103  
00:40:28,150 --> 00:40:27,200  
gordon you know and the ufo bigfoot

1104  
00:40:31,109 --> 00:40:28,160  
connection

1105  
00:40:32,870 --> 00:40:31,119  
yeah that you know he has investigated

1106  
00:40:34,710 --> 00:40:32,880  
for years

1107  
00:40:36,470 --> 00:40:34,720  
you know you hear a lot about that as

1108  
00:40:39,190 --> 00:40:36,480  
well and now of course we

1109  
00:40:41,030 --> 00:40:39,200  
we more and more we get these bigfoot

1110  
00:40:43,190 --> 00:40:41,040  
sightings that where an investigator

1111  
00:40:46,630 --> 00:40:43,200  
will go out to where the bigfoot

1112  
00:40:49,270 --> 00:40:46,640  
had been reported and see orbs

1113  
00:40:51,510 --> 00:40:49,280

so what's that all about i can tell you

1114

00:40:53,510 --> 00:40:51,520

that i was

1115

00:40:54,870 --> 00:40:53,520

i mean it was cool that happened but i

1116

00:40:57,670 --> 00:40:54,880

was slightly

1117

00:40:59,750 --> 00:40:57,680

i was definitely flabbergasted when i

1118

00:41:01,990 --> 00:40:59,760

saw the orb with

1119

00:41:03,990 --> 00:41:02,000

the other people with me um you know wes

1120

00:41:05,670 --> 00:41:04,000

was out there and kirk brandenburg and

1121

00:41:09,750 --> 00:41:05,680

of course john brown

1122

00:41:10,710 --> 00:41:09,760

and i was i was really taken aback by

1123

00:41:14,150 --> 00:41:10,720

that and i was

1124

00:41:14,870 --> 00:41:14,160

almost uh frustrated i wasn't angry but

1125

00:41:17,829 --> 00:41:14,880

i was just

1126  
00:41:18,390 --> 00:41:17,839  
frustrated because i i was going did we

1127  
00:41:20,390 --> 00:41:18,400  
did that

1128  
00:41:22,470 --> 00:41:20,400  
really just happen well we're out here

1129  
00:41:23,109 --> 00:41:22,480  
for bigfoot are we one of those now you

1130  
00:41:25,829 --> 00:41:23,119  
know i was

1131  
00:41:27,589 --> 00:41:25,839  
a little miffed by it um i mean it's so

1132  
00:41:30,870 --> 00:41:27,599  
cool that it happened and

1133  
00:41:34,150 --> 00:41:30,880  
and it did uh and there was other people

1134  
00:41:36,790 --> 00:41:34,160  
to verify thankfully

1135  
00:41:38,630 --> 00:41:36,800  
i'm sure it's always frustrating well i

1136  
00:41:40,230 --> 00:41:38,640  
know firsthand because my brothers were

1137  
00:41:41,670 --> 00:41:40,240  
ahead of me on their foilers so i was

1138  
00:41:42,150 --> 00:41:41,680

the only one that saw the shadow people

1139

00:41:43,910 --> 00:41:42,160

but

1140

00:41:45,670 --> 00:41:43,920

it's always great to have other people

1141

00:41:49,190 --> 00:41:45,680

witness something with you

1142

00:41:51,670 --> 00:41:49,200

but you know we have the i i guess the

1143

00:41:54,150 --> 00:41:51,680

the best thing was you know we were all

1144

00:41:57,829 --> 00:41:54,160

in that same camp flesh and blood

1145

00:42:01,990 --> 00:41:57,839

and even kirk had this

1146

00:42:03,190 --> 00:42:02,000

a fantastic flear thermal monocular and

1147

00:42:05,750 --> 00:42:03,200

he's going i

1148

00:42:06,710 --> 00:42:05,760

that's not a guy i got i've got no heat

1149

00:42:08,309 --> 00:42:06,720

signature like

1150

00:42:09,430 --> 00:42:08,319

we just thought he dove down in the

1151

00:42:10,790 --> 00:42:09,440

ground because he got freaked out

1152

00:42:12,470 --> 00:42:10,800

because he saw people looking at him you

1153

00:42:14,390 --> 00:42:12,480

know in the middle of the night

1154

00:42:15,589 --> 00:42:14,400

nothing there and we're kind of going

1155

00:42:18,870 --> 00:42:15,599

what in the

1156

00:42:20,309 --> 00:42:18,880

world but uh you know i'm missing a

1157

00:42:21,589 --> 00:42:20,319

little portion of the story which is

1158

00:42:24,309 --> 00:42:21,599

also interesting

1159

00:42:26,230 --> 00:42:24,319

not impossible that this was people as

1160

00:42:29,430 --> 00:42:26,240

far as this part goes but

1161

00:42:31,510 --> 00:42:29,440

as we exited that building that was

1162

00:42:32,710 --> 00:42:31,520

kind of falling apart that's why we had

1163

00:42:35,270 --> 00:42:32,720

a good view of this

1164

00:42:36,950 --> 00:42:35,280

uh quote-unquote orb we exited the

1165

00:42:38,790 --> 00:42:36,960

building because the rain had stopped

1166

00:42:40,630 --> 00:42:38,800

and we're still trying to therm for the

1167

00:42:41,190 --> 00:42:40,640

crazy person running in the woods with

1168

00:42:44,950 --> 00:42:41,200

the

1169

00:42:46,150 --> 00:42:44,960

okay because he took a big digger into

1170

00:42:50,230 --> 00:42:46,160

the ground

1171

00:42:53,430 --> 00:42:50,240

um there was a metal building next to us

1172

00:42:54,309 --> 00:42:53,440

and something slapped it very very hard

1173

00:42:57,910 --> 00:42:54,319

and made a

1174

00:42:58,950 --> 00:42:57,920

racket of a noise boom boom boom and um

1175

00:43:01,990 --> 00:42:58,960

scared that

1176  
00:43:03,829 --> 00:43:02,000  
bejesus out of us for sure uh because at

1177  
00:43:05,990 --> 00:43:03,839  
that point we're focused on this over

1178  
00:43:07,750 --> 00:43:06,000  
here and now we have this action off to

1179  
00:43:09,990 --> 00:43:07,760  
our right it was right next to us and we

1180  
00:43:12,230 --> 00:43:10,000  
immediately walked around

1181  
00:43:13,910 --> 00:43:12,240  
and there's nothing there now again i

1182  
00:43:15,589 --> 00:43:13,920  
cannot discount that as a person

1183  
00:43:17,990 --> 00:43:15,599  
at all but the the orb thing was

1184  
00:43:21,990 --> 00:43:18,000  
definitely very strange

1185  
00:43:24,390 --> 00:43:22,000  
but i i mean the point of that was i was

1186  
00:43:25,990 --> 00:43:24,400  
slightly miffed at seeing the orb while

1187  
00:43:29,270 --> 00:43:26,000  
we're out for bigfoot you know

1188  
00:43:30,470 --> 00:43:29,280

but john brown himself who that was his

1189

00:43:31,990 --> 00:43:30,480  
property the brown property in

1190

00:43:32,950 --> 00:43:32,000  
washington state everyone is probably

1191

00:43:36,790 --> 00:43:32,960  
very

1192

00:43:37,270 --> 00:43:36,800  
familiar with their uh linebacker on the

1193

00:43:40,550 --> 00:43:37,280  
ridge

1194

00:43:43,990 --> 00:43:40,560  
thermal shot right with the yeah

1195

00:43:46,150 --> 00:43:44,000  
so he told us that uh

1196

00:43:47,829 --> 00:43:46,160  
off to the left of their property you

1197

00:43:50,069 --> 00:43:47,839  
could see this

1198

00:43:51,910 --> 00:43:50,079  
basically a massive ridge that that

1199

00:43:54,790 --> 00:43:51,920  
climbs in elevation

1200

00:43:55,750 --> 00:43:54,800  
and in amongst the trees on more than

1201  
00:43:57,829 --> 00:43:55,760  
one occasion

1202  
00:43:58,790 --> 00:43:57,839  
he had seen what he thought were just

1203  
00:44:01,510 --> 00:43:58,800  
random

1204  
00:44:03,270 --> 00:44:01,520  
campfires burning you know and then one

1205  
00:44:05,349 --> 00:44:03,280  
would wink out and another one would

1206  
00:44:06,790 --> 00:44:05,359  
start up and he's just going i don't

1207  
00:44:07,510 --> 00:44:06,800  
know if they were campfires but that's

1208  
00:44:09,990 --> 00:44:07,520  
just

1209  
00:44:11,190 --> 00:44:10,000  
what i call them so it was going on

1210  
00:44:12,870 --> 00:44:11,200  
there

1211  
00:44:16,950 --> 00:44:12,880  
you know more than just the one time

1212  
00:44:20,790 --> 00:44:19,109  
well you know you do you hear about a

1213  
00:44:23,270 --> 00:44:20,800

lot of different

1214

00:44:24,950 --> 00:44:23,280

light orbs and all types of other things

1215

00:44:28,470 --> 00:44:24,960

associated with

1216

00:44:29,750 --> 00:44:28,480

cryptids and such so you know i i just

1217

00:44:31,349 --> 00:44:29,760

think i just think there's

1218

00:44:33,990 --> 00:44:31,359

definitely some type of connection there

1219

00:44:37,030 --> 00:44:34,000

you know and you we talked about

1220

00:44:38,230 --> 00:44:37,040

the upper arcanized eyes dogman and you

1221

00:44:40,390 --> 00:44:38,240

know there

1222

00:44:41,910 --> 00:44:40,400

possibly being some type of connection

1223

00:44:44,630 --> 00:44:41,920

with the bigfoot you know

1224

00:44:45,030 --> 00:44:44,640

this is one thing that has always gotten

1225

00:44:47,829 --> 00:44:45,040

me

1226

00:44:48,950 --> 00:44:47,839

kind of in a you know a bit of a tizzy

1227

00:44:51,990 --> 00:44:48,960

you know or

1228

00:44:54,630 --> 00:44:52,000

people seeing actual bigfoot are

1229

00:44:56,230 --> 00:44:54,640

actual dogmen or upright canines what

1230

00:44:58,470 --> 00:44:56,240

are they actually seeing

1231

00:45:01,030 --> 00:44:58,480

right i mean is this something that may

1232

00:45:04,390 --> 00:45:01,040

be interchangeable at some point

1233

00:45:06,309 --> 00:45:04,400

uh i don't know you know i have gotten

1234

00:45:09,990 --> 00:45:06,319

reports

1235

00:45:12,069 --> 00:45:10,000

have uh

1236

00:45:14,230 --> 00:45:12,079

swore they saw a bigfoot but when when

1237

00:45:17,190 --> 00:45:14,240

you get the report

1238

00:45:19,270 --> 00:45:17,200

and you start wondering well i've never

1239

00:45:19,829 --> 00:45:19,280

heard of bigfoot that had a thin waist

1240

00:45:26,470 --> 00:45:19,839

or

1241

00:45:28,069 --> 00:45:26,480

get that occasionally uh you know they

1242

00:45:29,349 --> 00:45:28,079

just assume it's a bigfoot because

1243

00:45:31,109 --> 00:45:29,359

that's what they know about they don't

1244

00:45:33,109 --> 00:45:31,119

know anything about the upright canines

1245

00:45:35,990 --> 00:45:33,119

or dogman

1246

00:45:37,589 --> 00:45:36,000

so um i mean that's just something else

1247

00:45:38,630 --> 00:45:37,599

consider it but you know there's a lot

1248

00:45:41,990 --> 00:45:38,640

to consider

1249

00:45:44,470 --> 00:45:42,000

in this whole genre you know you're

1250

00:45:46,309 --> 00:45:44,480

you're a lot like me where you you're an

1251  
00:45:48,870 --> 00:45:46,319  
eclectic as far as the

1252  
00:45:50,390 --> 00:45:48,880  
paranormal goes you uh you just don't

1253  
00:45:51,910 --> 00:45:50,400  
concentrate on one thing

1254  
00:45:53,990 --> 00:45:51,920  
you take you know of course you're on

1255  
00:45:55,190 --> 00:45:54,000  
the radio you're doing interviews of

1256  
00:45:58,630 --> 00:45:55,200  
course you would with

1257  
00:46:00,309 --> 00:45:58,640  
seth and them with small monsters and uh

1258  
00:46:00,630 --> 00:46:00,319  
you talk to a lot of different people

1259  
00:46:03,670 --> 00:46:00,640  
and

1260  
00:46:04,069 --> 00:46:03,680  
you can get a lot of different uh takes

1261  
00:46:14,790 --> 00:46:04,079  
on

1262  
00:46:16,470 --> 00:46:14,800  
yeah and that's the thing because you'll

1263  
00:46:17,750 --> 00:46:16,480

be talking to someone and i know what's

1264

00:46:19,109 --> 00:46:17,760

happened to you too

1265

00:46:21,190 --> 00:46:19,119

you'll get like a quick email or

1266

00:46:24,230 --> 00:46:21,200

something and oh i've got a bigfoot

1267

00:46:25,829 --> 00:46:24,240

encounter or oh hey you know i saw a

1268

00:46:29,030 --> 00:46:25,839

craft one night

1269

00:46:30,230 --> 00:46:29,040

and then it just completely unfolds from

1270

00:46:33,030 --> 00:46:30,240

there and it keeps

1271

00:46:33,349 --> 00:46:33,040

unfolding and the details just you know

1272

00:46:35,349 --> 00:46:33,359

where

1273

00:46:37,430 --> 00:46:35,359

it it start it's basically looks like a

1274

00:46:38,710 --> 00:46:37,440

pyramid it starts so small at the top

1275

00:46:41,190 --> 00:46:38,720

and you think it'll be a big foot

1276

00:46:42,630 --> 00:46:41,200

encounter and then it just opens up into

1277

00:46:45,430 --> 00:46:42,640

all of these other

1278

00:46:47,030 --> 00:46:45,440

subjects basically uh and it becomes a

1279

00:46:49,829 --> 00:46:47,040

brain dump for somebody

1280

00:46:50,309 --> 00:46:49,839

and then you're kind of left to go oh

1281

00:46:51,510 --> 00:46:50,319

gosh

1282

00:46:53,349 --> 00:46:51,520

you know another one of these which is

1283

00:46:55,510 --> 00:46:53,359

it's great for us because we we love to

1284

00:46:56,069 --> 00:46:55,520

consume this stuff and it just adds more

1285

00:47:00,470 --> 00:46:56,079

data

1286

00:47:02,790 --> 00:47:00,480

the pilot

1287

00:47:04,230 --> 00:47:02,800

it goes you know both ways on that one

1288

00:47:06,870 --> 00:47:04,240

right but

1289

00:47:07,670 --> 00:47:06,880

uh i i'm finding that more and more i'll

1290

00:47:09,270 --> 00:47:07,680

have somebody

1291

00:47:11,190 --> 00:47:09,280

and i love the emails that are very

1292

00:47:12,790 --> 00:47:11,200

vague i don't want to know all the

1293

00:47:13,829 --> 00:47:12,800

details before i talk to somebody it's

1294

00:47:15,589 --> 00:47:13,839

my favorite thing

1295

00:47:16,950 --> 00:47:15,599

because you know the questions just form

1296

00:47:18,790 --> 00:47:16,960

more naturally that way because you're

1297

00:47:20,870 --> 00:47:18,800

just going oh my gosh my mind is blown

1298

00:47:23,990 --> 00:47:20,880

well what about this what about that

1299

00:47:25,829 --> 00:47:24,000

and it's happening more and more

1300

00:47:27,670 --> 00:47:25,839

big time i don't know what to make of

1301

00:47:29,430 --> 00:47:27,680

that you know i don't i don't

1302

00:47:32,230 --> 00:47:29,440

like i said i i hate to keep saying this

1303

00:47:35,430 --> 00:47:32,240

but i don't want

1304

00:47:37,190 --> 00:47:35,440

i would rather the and travis walton

1305

00:47:37,990 --> 00:47:37,200

will tell you this himself i haven't met

1306

00:47:40,790 --> 00:47:38,000

him but i know this

1307

00:47:41,270 --> 00:47:40,800

is how he feels about it firing the

1308

00:47:42,870 --> 00:47:41,280

actual

1309

00:47:45,030 --> 00:47:42,880

the movie fire in the sky the big

1310

00:47:45,589 --> 00:47:45,040

blockbuster movie was not what happened

1311

00:47:49,349 --> 00:47:45,599

to him

1312

00:47:51,109 --> 00:47:49,359

you know but that's what i would rather

1313

00:47:52,630 --> 00:47:51,119

think of and that sounds so bad to say i

1314

00:47:53,670 --> 00:47:52,640

don't mean like as far as the horrible

1315

00:47:55,589 --> 00:47:53,680

stuff that happened to him but

1316

00:47:56,950 --> 00:47:55,599

i'm just saying like i would rather the

1317

00:47:58,549 --> 00:47:56,960

aliens be over here

1318

00:47:59,670 --> 00:47:58,559

and they're taking samples and then

1319

00:48:01,109 --> 00:47:59,680

they're going back in their ships and

1320

00:48:01,750 --> 00:48:01,119

they're dropping people off and it's

1321

00:48:03,829 --> 00:48:01,760

horrible

1322

00:48:04,950 --> 00:48:03,839

and that but that's where they stay

1323

00:48:07,430 --> 00:48:04,960

they're not

1324

00:48:08,230 --> 00:48:07,440

creating poltergeist activity or that's

1325

00:48:10,950 --> 00:48:08,240

not tied in

1326  
00:48:11,910 --> 00:48:10,960  
to the you know ghost stuff or you know

1327  
00:48:14,230 --> 00:48:11,920  
uh demons

1328  
00:48:15,109 --> 00:48:14,240  
uh i mean now peop you know it's the

1329  
00:48:18,230 --> 00:48:15,119  
aliens or

1330  
00:48:20,470 --> 00:48:18,240  
demons thing it is getting even

1331  
00:48:22,390 --> 00:48:20,480  
bigger now i'm sure that you know you're

1332  
00:48:25,190 --> 00:48:22,400  
well aware of that so

1333  
00:48:25,670 --> 00:48:25,200  
it's so tough out here now i mean i love

1334  
00:48:29,109 --> 00:48:25,680  
it

1335  
00:48:32,309 --> 00:48:29,119  
because there's a lot to um to chew on

1336  
00:48:34,390 --> 00:48:32,319  
uh intellectually but it's tough why are

1337  
00:48:35,750 --> 00:48:34,400  
there a lot of variables you know i i

1338  
00:48:39,109 --> 00:48:35,760

wrote this last book

1339

00:48:39,510 --> 00:48:39,119

the uh alien disclosure book and of

1340

00:48:41,750 --> 00:48:39,520

course

1341

00:48:43,430 --> 00:48:41,760

you know my case with david eckhart and

1342

00:48:44,710 --> 00:48:43,440

all the variables that have been

1343

00:48:47,030 --> 00:48:44,720

involved with him

1344

00:48:49,750 --> 00:48:47,040

you know with abduction and yeah you

1345

00:48:52,069 --> 00:48:49,760

know experimentation he's witnessed

1346

00:48:53,589 --> 00:48:52,079

you know i i can't you know and there's

1347

00:48:55,670 --> 00:48:53,599

just no way

1348

00:48:57,349 --> 00:48:55,680

i can come out and tell everything that

1349

00:49:00,390 --> 00:48:57,359

he has told me

1350

00:49:02,309 --> 00:49:00,400

uh you know some of it's so remarkable

1351

00:49:04,549 --> 00:49:02,319

i know i mean even stuff i've talked

1352

00:49:07,750 --> 00:49:04,559

about seems too remarkable

1353

00:49:09,510 --> 00:49:07,760

but you know people got to realize he's

1354

00:49:10,790 --> 00:49:09,520

not the only person who's telling this

1355

00:49:13,829 --> 00:49:10,800

stuff

1356

00:49:15,910 --> 00:49:13,839

you know there are a lot of people that

1357

00:49:17,349 --> 00:49:15,920

have been experiencing very similar

1358

00:49:19,270 --> 00:49:17,359

phenomena

1359

00:49:21,190 --> 00:49:19,280

that either just are too afraid to come

1360

00:49:25,670 --> 00:49:21,200

out or just don't want to go into detail

1361

00:49:29,109 --> 00:49:25,680

fortunately david's going into detail

1362

00:49:32,710 --> 00:49:29,119

and uh he has offered so much to me

1363

00:49:33,190 --> 00:49:32,720

and the way i'm seeing things as opposed

1364

00:49:35,750 --> 00:49:33,200

to

1365

00:49:37,589 --> 00:49:35,760

uh what a lot of a lot of people think

1366

00:49:39,510 --> 00:49:37,599

about with aliens you know

1367

00:49:41,990 --> 00:49:39,520

i i hate it when these people tell me

1368

00:49:44,390 --> 00:49:42,000

well i wish i was abducted i'd like to

1369

00:49:47,270 --> 00:49:44,400

go through that oh no you don't

1370

00:49:49,109 --> 00:49:47,280

you know mom you had no idea what you're

1371

00:49:51,109 --> 00:49:49,119

getting into

1372

00:49:53,349 --> 00:49:51,119

uh you know i've talked to people who

1373

00:49:57,190 --> 00:49:53,359

have inducted several times it's a

1374

00:50:00,470 --> 00:49:57,200

family thing it's a generational thing

1375

00:50:03,990 --> 00:50:00,480

it's like a nightmare yeah

1376  
00:50:07,349 --> 00:50:04,000  
so and and more and more it's so much

1377  
00:50:09,190 --> 00:50:07,359  
bigger than just you're aboard a craft

1378  
00:50:10,790 --> 00:50:09,200  
and you have a bump on your leg or

1379  
00:50:11,990 --> 00:50:10,800  
something or in the back your neck the

1380  
00:50:14,230 --> 00:50:12,000  
next day and you don't quite

1381  
00:50:15,270 --> 00:50:14,240  
remember what happened it is so much

1382  
00:50:16,870 --> 00:50:15,280  
more than that

1383  
00:50:19,109 --> 00:50:16,880  
when you really start to talk to these

1384  
00:50:21,030 --> 00:50:19,119  
people yeah yeah

1385  
00:50:22,950 --> 00:50:21,040  
every day i mean forget the not sleeping

1386  
00:50:25,270 --> 00:50:22,960  
and stuff that is a given

1387  
00:50:27,349 --> 00:50:25,280  
you know the the not sleeping well would

1388  
00:50:29,510 --> 00:50:27,359

be

1389

00:50:31,349 --> 00:50:29,520

a hazard of the process i'm sure but

1390

00:50:32,069 --> 00:50:31,359

it's everything else that comes along

1391

00:50:34,630 --> 00:50:32,079

with it

1392

00:50:35,910 --> 00:50:34,640

i mean but don't you sometimes wonder

1393

00:50:38,950 --> 00:50:35,920

them

1394

00:50:41,510 --> 00:50:38,960

if every single thing that we talk about

1395

00:50:43,910 --> 00:50:41,520

is the result of just one thing and

1396

00:50:45,589 --> 00:50:43,920

we're just not putting it together

1397

00:50:48,470 --> 00:50:45,599

you know that's that's a distinct

1398

00:50:52,790 --> 00:50:48,480

possibility i think that all the time

1399

00:50:56,630 --> 00:50:52,800

i mean is there is there one uh

1400

00:50:58,950 --> 00:50:56,640

single variable that just you know

1401  
00:51:00,790 --> 00:50:58,960  
it creates all these outshoots and you

1402  
00:51:01,829 --> 00:51:00,800  
know it's just one thing that's actually

1403  
00:51:06,150 --> 00:51:01,839  
causing all this

1404  
00:51:07,910 --> 00:51:06,160  
right like the ultimate puppeteer

1405  
00:51:09,349 --> 00:51:07,920  
yeah i was thinking the same thing yeah

1406  
00:51:10,630 --> 00:51:09,359  
i mean you know we don't need to like

1407  
00:51:12,630 --> 00:51:10,640  
call it god or something we're just

1408  
00:51:14,630 --> 00:51:12,640  
saying like the ultimate you know just

1409  
00:51:16,549 --> 00:51:14,640  
a master of puppets up there and he's

1410  
00:51:18,950 --> 00:51:16,559  
like well today you're gonna

1411  
00:51:20,950 --> 00:51:18,960  
yeah we're gonna create this for you and

1412  
00:51:24,150 --> 00:51:20,960  
you're never gonna sleep right again

1413  
00:51:26,150 --> 00:51:24,160

congratulations you know this is the one

1414

00:51:27,670 --> 00:51:26,160

thing that david has told me from the

1415

00:51:30,470 --> 00:51:27,680

very beginning

1416

00:51:31,750 --> 00:51:30,480

that has messed with my mind and but has

1417

00:51:35,030 --> 00:51:31,760

kind of

1418

00:51:36,790 --> 00:51:35,040

given me a perspective of things he he

1419

00:51:39,589 --> 00:51:36,800

has talked about

1420

00:51:42,150 --> 00:51:39,599

the reptilians that he you know

1421

00:51:44,470 --> 00:51:42,160

especially the one reptilian that was

1422

00:51:46,870 --> 00:51:44,480

the one who had taken him to these

1423

00:51:50,150 --> 00:51:46,880

various locations

1424

00:51:53,589 --> 00:51:50,160

and this thing basically told

1425

00:51:53,990 --> 00:51:53,599

him that they do have a supreme being

1426

00:51:58,150 --> 00:51:54,000

that

1427

00:52:01,750 --> 00:51:58,160

all or most of these races look up to

1428

00:52:04,230 --> 00:52:01,760

that they follow well is it the same

1429

00:52:06,230 --> 00:52:04,240

our same god that people believe in

1430

00:52:08,710 --> 00:52:06,240

right so he meant even

1431

00:52:09,910 --> 00:52:08,720

our quote unquote earthbound uh beings

1432

00:52:13,589 --> 00:52:09,920

like bigfoot or dogma

1433

00:52:17,270 --> 00:52:13,599

or any of it so everything wow wow

1434

00:52:19,990 --> 00:52:17,280

you know you know what's that all about

1435

00:52:22,069 --> 00:52:20,000

i mean you know i mean we're sitting

1436

00:52:23,349 --> 00:52:22,079

here talking about orbs in the woods and

1437

00:52:25,510 --> 00:52:23,359

bigfoot and upright

1438

00:52:27,030 --> 00:52:25,520

you know canines and all this stuff so

1439

00:52:30,870 --> 00:52:27,040

is it that crazy to say that

1440

00:52:33,349 --> 00:52:30,880

i don't think so i i don't

1441

00:52:33,910 --> 00:52:33,359

and anything is possible at this point

1442

00:52:36,470 --> 00:52:33,920

yeah

1443

00:52:37,430 --> 00:52:36,480

i mean you know i i've been doing this

1444

00:52:38,950 --> 00:52:37,440

for a long time

1445

00:52:40,790 --> 00:52:38,960

and i've heard a lot of different things

1446

00:52:44,230 --> 00:52:40,800

and you you i would think

1447

00:52:46,710 --> 00:52:44,240

sometimes well i've heard all nah

1448

00:52:47,750 --> 00:52:46,720

there's always something that pops up

1449

00:52:49,829 --> 00:52:47,760

that that just

1450

00:52:51,030 --> 00:52:49,839

totally blows your mind and makes you

1451  
00:52:54,630 --> 00:52:51,040  
think everything

1452  
00:52:57,670 --> 00:52:54,640  
yeah yeah so

1453  
00:52:59,829 --> 00:52:57,680  
there you go so

1454  
00:53:01,430 --> 00:52:59,839  
what what's the future of bigfoot

1455  
00:53:03,190 --> 00:53:01,440  
research what do you think

1456  
00:53:04,790 --> 00:53:03,200  
how where do you think it's going to go

1457  
00:53:08,390 --> 00:53:04,800  
next oh

1458  
00:53:10,150 --> 00:53:08,400  
another good one for milan um

1459  
00:53:11,750 --> 00:53:10,160  
well you know i wish people would stop

1460  
00:53:15,430 --> 00:53:11,760  
just arguing on facebook

1461  
00:53:17,270 --> 00:53:15,440  
about stuff that would be a good start

1462  
00:53:18,870 --> 00:53:17,280  
i mean that's not gonna happen but you

1463  
00:53:19,990 --> 00:53:18,880

know that's like delving into politics

1464

00:53:24,230 --> 00:53:20,000

it's just a waste of time

1465

00:53:30,069 --> 00:53:27,349

i think that we're still so split on

1466

00:53:30,710 --> 00:53:30,079

you know we need a body we don't need a

1467

00:53:33,030 --> 00:53:30,720

body

1468

00:53:33,990 --> 00:53:33,040

well science science science needs it

1469

00:53:37,190 --> 00:53:34,000

and it i

1470

00:53:39,589 --> 00:53:37,200

will agree that it does um

1471

00:53:40,230 --> 00:53:39,599

i don't know what the future looks like

1472

00:53:43,109 --> 00:53:40,240

for big

1473

00:53:43,990 --> 00:53:43,119

foot research but you know if you take

1474

00:53:47,109 --> 00:53:44,000

the cutaway

1475

00:53:49,910 --> 00:53:47,119

that i'm seeing just online

1476

00:53:50,630 --> 00:53:49,920

it's not good it really worries me it

1477

00:53:53,829 --> 00:53:50,640

worries me

1478

00:53:57,030 --> 00:53:53,839

a lot but there are still a lot of

1479

00:53:57,829 --> 00:53:57,040

young people that are interested in it

1480

00:54:01,030 --> 00:53:57,839

which makes me

1481

00:54:03,829 --> 00:54:01,040

hopeful in fact one of the people that

1482

00:54:07,829 --> 00:54:03,839

was recently on my show and i won't

1483

00:54:10,309 --> 00:54:07,839

mention her name but her son you know

1484

00:54:12,150 --> 00:54:10,319

knows of me and knows that i'm you know

1485

00:54:13,670 --> 00:54:12,160

i'm around to help them out with their

1486

00:54:16,470 --> 00:54:13,680

situation and

1487

00:54:17,430 --> 00:54:16,480

he made a little video about bigfoot and

1488

00:54:19,670 --> 00:54:17,440

uh

1489

00:54:20,549 --> 00:54:19,680

i i just think it's wonderful because

1490

00:54:24,230 --> 00:54:20,559

he's only

1491

00:54:27,589 --> 00:54:24,240

four and he's totally into bigfoot

1492

00:54:29,109 --> 00:54:27,599

and he can't wait to to just

1493

00:54:30,870 --> 00:54:29,119

learn everything that he can about them

1494

00:54:32,630 --> 00:54:30,880

and he's talking about they

1495

00:54:34,710 --> 00:54:32,640

here's what they like to eat and here's

1496

00:54:37,109 --> 00:54:34,720

where they sleep and

1497

00:54:38,150 --> 00:54:37,119

i think if we it's no different than the

1498

00:54:39,510 --> 00:54:38,160

ufo field

1499

00:54:41,430 --> 00:54:39,520

i know that ryan sprague has talked

1500

00:54:44,710 --> 00:54:41,440

about this a lot he's like we need

1501  
00:54:46,150 --> 00:54:44,720  
the young guns to come up and it's great

1502  
00:54:47,990 --> 00:54:46,160  
to have the originals you know like the

1503  
00:54:49,510 --> 00:54:48,000  
four horsemen of ufo and the four

1504  
00:54:51,109 --> 00:54:49,520  
horsemen of bigfoot and all this stuff

1505  
00:54:53,910 --> 00:54:51,119  
that's great and they

1506  
00:54:54,950 --> 00:54:53,920  
they paved the way for everybody but we

1507  
00:54:57,109 --> 00:54:54,960  
need people

1508  
00:54:59,190 --> 00:54:57,119  
to get out into the woods and here i sit

1509  
00:55:00,470 --> 00:54:59,200  
saying this in in the desert of las

1510  
00:55:03,109 --> 00:55:00,480  
vegas of course but

1511  
00:55:03,750 --> 00:55:03,119  
you know if i was jets that i'd be in

1512  
00:55:06,630 --> 00:55:03,760  
you know in

1513  
00:55:07,829 --> 00:55:06,640

ohio and pennsylvania every weekend but

1514

00:55:09,670 --> 00:55:07,839

i'm not

1515

00:55:11,829 --> 00:55:09,680

but we need people out in the woods and

1516

00:55:13,190 --> 00:55:11,839

coming up with maybe some fresh ideas on

1517

00:55:18,549 --> 00:55:13,200

how to

1518

00:55:20,549 --> 00:55:18,559

even think it's so much about

1519

00:55:22,470 --> 00:55:20,559

maybe proving them to science i think

1520

00:55:23,349 --> 00:55:22,480

that's no different than disclosure for

1521

00:55:25,270 --> 00:55:23,359

ufos

1522

00:55:26,549 --> 00:55:25,280

right like we're always that's the it's

1523

00:55:29,030 --> 00:55:26,559

the d word and

1524

00:55:29,829 --> 00:55:29,040

yeah um i don't think that's ever gonna

1525

00:55:32,870 --> 00:55:29,839

happen

1526

00:55:33,990 --> 00:55:32,880

no honestly and honestly if you have

1527

00:55:37,030 --> 00:55:34,000

your own confirmation

1528

00:55:39,910 --> 00:55:37,040

experience isn't that pretty dang cool

1529

00:55:41,750 --> 00:55:39,920

in and of itself anyway i mean i live in

1530

00:55:43,670 --> 00:55:41,760

vegas and everyone goes oh well you must

1531

00:55:45,589 --> 00:55:43,680

see ufos all the time i've not

1532

00:55:49,349 --> 00:55:45,599

seen one single thing that i could not

1533

00:55:52,789 --> 00:55:49,359

identify so i've seen no ufos

1534

00:55:55,349 --> 00:55:52,799

uh even though i'm uh in in las vegas

1535

00:55:56,870 --> 00:55:55,359

but the future basically just needs to

1536

00:55:59,589 --> 00:55:56,880

be

1537

00:56:00,710 --> 00:55:59,599

still keeping that open mind getting out

1538

00:56:03,910 --> 00:56:00,720

in the woods

1539

00:56:06,630 --> 00:56:03,920  
sharing sharing what you know

1540

00:56:07,030 --> 00:56:06,640  
people get really hung up on uh and i

1541

00:56:08,870 --> 00:56:07,040  
get

1542

00:56:10,390 --> 00:56:08,880  
maybe if it's you know a certain

1543

00:56:12,470 --> 00:56:10,400  
property that people can't

1544

00:56:14,390 --> 00:56:12,480  
visit or something i get that because

1545

00:56:15,829 --> 00:56:14,400  
people get nuts with you know

1546

00:56:18,230 --> 00:56:15,839  
they're bringing guns out and stuff

1547

00:56:18,950 --> 00:56:18,240  
we've seen old newspaper reports like

1548

00:56:20,710 --> 00:56:18,960  
that right

1549

00:56:22,470 --> 00:56:20,720  
like you boggy creek look what happened

1550

00:56:25,990 --> 00:56:22,480  
there but

1551  
00:56:26,309 --> 00:56:26,000  
uh people just need to to get out there

1552  
00:56:29,510 --> 00:56:26,319  
and

1553  
00:56:32,069 --> 00:56:29,520  
judgmental

1554  
00:56:34,789 --> 00:56:32,079  
either of other folks that are actually

1555  
00:56:39,990 --> 00:56:37,990  
so um tell

1556  
00:56:43,670 --> 00:56:40,000  
folks how they can get your book and

1557  
00:56:45,990 --> 00:56:43,680  
what projects do you have in the future

1558  
00:56:47,910 --> 00:56:46,000  
yeah so uh beyond the fray bigfoot is of

1559  
00:56:49,750 --> 00:56:47,920  
course on amazon

1560  
00:56:51,270 --> 00:56:49,760  
we've got uh the paperback and the

1561  
00:56:54,069 --> 00:56:51,280  
kindle and we are working

1562  
00:56:55,750 --> 00:56:54,079  
on the audiobook i know people have been

1563  
00:56:58,710 --> 00:56:55,760

asking about that

1564

00:56:59,990 --> 00:56:58,720

and uh actually in the future right at

1565

00:57:02,390 --> 00:57:00,000

this moment

1566

00:57:03,510 --> 00:57:02,400

uh in the future it will be uh up for

1567

00:57:05,750 --> 00:57:03,520

grabs is

1568

00:57:08,309 --> 00:57:05,760

uh the second volume of beyond the fray

1569

00:57:10,870 --> 00:57:08,319

and it is titled paramalgamation

1570

00:57:11,750 --> 00:57:10,880

and that's a word that i came up with uh

1571

00:57:13,589 --> 00:57:11,760

for

1572

00:57:15,750 --> 00:57:13,599

an episode of mine a while back that i

1573

00:57:17,270 --> 00:57:15,760

just it was an amalgamation it was all

1574

00:57:19,109 --> 00:57:17,280

over the place i'm like what am i going

1575

00:57:21,030 --> 00:57:19,119

to title this episode because

1576

00:57:22,150 --> 00:57:21,040

i pride myself on the titles right it

1577

00:57:24,309 --> 00:57:22,160

has to grab people

1578

00:57:25,510 --> 00:57:24,319

so it was paranormal and it was all over

1579

00:57:29,510 --> 00:57:25,520

the place so

1580

00:57:32,230 --> 00:57:29,520

pair amalgamation uh so we're hoping for

1581

00:57:34,309 --> 00:57:32,240

well we'd love for early april release

1582

00:57:36,230 --> 00:57:34,319

for that but maybe mid april we'll see

1583

00:57:37,510 --> 00:57:36,240

but that is up for pre-order right now

1584

00:57:41,430 --> 00:57:37,520

on amazon

1585

00:57:43,589 --> 00:57:41,440

and uh of course small town monsters

1586

00:57:45,589 --> 00:57:43,599

uh on the trail of ufos will be out

1587

00:57:46,150 --> 00:57:45,599

shortly the kickstarter is still up for

1588

00:57:48,710 --> 00:57:46,160

people

1589

00:57:50,950 --> 00:57:48,720

if they wanted to back any of the the

1590

00:57:53,430 --> 00:57:50,960

three projects for 2020 for small town

1591

00:57:56,150 --> 00:57:53,440

monsters just go to kickstarter.com

1592

00:57:56,789 --> 00:57:56,160

and search small 10 monsters and we've

1593

00:58:00,069 --> 00:57:56,799

got some

1594

00:58:03,430 --> 00:58:00,079

of course uh mothman stuff coming up and

1595

00:58:06,549 --> 00:58:03,440

i think the the new stretch goal is uh

1596

00:58:09,349 --> 00:58:06,559

looking at the lake michigan mothman so

1597

00:58:10,309 --> 00:58:09,359

uh pretty cool i would be i'd be so

1598

00:58:13,829 --> 00:58:10,319

excited to

1599

00:58:16,309 --> 00:58:13,839

to work on that um any mothman stuff so

1600

00:58:17,030 --> 00:58:16,319

a lot coming up for not only beyond the

1601  
00:58:20,710 --> 00:58:17,040  
fray but

1602  
00:58:22,950 --> 00:58:20,720  
for uh projects with small town monsters

1603  
00:58:24,789 --> 00:58:22,960  
well excellent well shannon thanks again

1604  
00:58:27,750 --> 00:58:24,799  
for coming on the show

1605  
00:58:29,109 --> 00:58:27,760  
and we got to talk soon absolutely well

1606  
00:58:31,190 --> 00:58:29,119  
you too long you're welcome on

1607  
00:58:32,309 --> 00:58:31,200  
into the fray anytime thank you so much

1608  
00:58:33,109 --> 00:58:32,319  
you take care now and have a good

1609  
00:58:36,309 --> 00:58:33,119  
weekend

1610  
00:58:37,910 --> 00:58:36,319  
all right you too bye-bye

1611  
00:58:39,750 --> 00:58:37,920  
now if you have an unexplained encounter

1612  
00:58:41,349 --> 00:58:39,760  
or sighting feel free to contact me

1613  
00:58:42,230 --> 00:58:41,359

through the phantoms and monsters blog

1614

00:58:43,670 --> 00:58:42,240

site

1615

00:58:46,069 --> 00:58:43,680

now if you're interested in supporting

1616

00:58:48,150 --> 00:58:46,079

families and monsters in arcane radio

1617

00:58:49,670 --> 00:58:48,160

you can use the paypal donation buttons

1618

00:58:51,750 --> 00:58:49,680

on the blog and newsletter or go

1619

00:58:54,270 --> 00:58:51,760

directly to paypal.com

1620

00:58:56,950 --> 00:58:54,280

and use my email lawn strickler

1621

00:58:58,870 --> 00:58:56,960

phantomsomemonsters.com as the recipient

1622

00:59:00,150 --> 00:58:58,880

your continued support is truly

1623

00:59:03,190 --> 00:59:00,160

appreciated

1624

00:59:06,309 --> 00:59:03,200

i once again thank shannon legro

1625

00:59:08,789 --> 00:59:06,319

for joining me this evening and i want

1626

00:59:16,829 --> 00:59:08,799

to thank you for listening to the show

1627

00:59:16,839 --> 00:59:20,190

weekend

1628

00:59:20,200 --> 00:59:32,830

[Music]

1629

00:59:32,840 --> 00:59:57,910

[Applause]
