00:00:29,790 --> 00:00:25,080
monsters didn't exist but we were sure

6
00:00:34,130 --> 00:00:29,800
that something is lurking under the bed

7
00:00:37,860 --> 00:00:34,140

26

00:01:40,169 --> 00:01:37,599

guests I want to mention two up right

27

00:01:44,630 --> 00:01:40,179

keen on accounts I recently became aware

28

00:01:48,240 --> 00:01:44,640

of the one came to me directly from

29

00:01:51,150 --> 00:01:48,250

Texas the witness stated I'm 56 years

30

00:01:53,999 --> 00:01:51,160

old it had been in Southeast Texas of

31

00:01:57,960 --> 00:01:54,009

most of my life raised in a swamp an

32

00:01:58,800 --> 00:01:57,970

experienced hunter a 16 or 17 I was in

33

00:02:02,400 --> 00:01:58,810

Vidor

34

00:02:05,490 --> 00:02:02,410

Vitor Texas throwing football in a

35

00:02:07,979 --> 00:02:05,500

secluded area with a friend 20 feet from

36

00:02:11,190 --> 00:02:07,989

us a wolf-like creature came out of the

37

00:02:13,589 --> 00:02:11,200

wooded area onto the road I asked my

38

00:02:15,150 --> 00:02:13,599

friend if he thought it was a wolf there

39

00:02:17,880 --> 00:02:15,160

were no wolves in that area at the time

40

00:02:19,410 --> 00:02:17,890

the creature heard me and stood up and

41

00:02:22,890 --> 00:02:19,420

started leering at us

42

00:02:25,650 --> 00:02:22,900

it took three to four steps toward us my

43

00:02:29,100 --> 00:02:25,660

observation was about five foot tall and

44

00:02:32,369 --> 00:02:29,110

a long snout in very large canine teeth

45

00:02:34,920 --> 00:02:32,379

with eyes that were like a dogs that

46

00:02:36,630 --> 00:02:34,930

were not lucky dogs my friend had

47

00:02:38,490 --> 00:02:36,640

already abandoned him locked himself

48

00:02:40,950 --> 00:02:38,500

inside the car

49

00:02:43,380 --> 00:02:40,960

I yelled something in fear and ran

50

00:02:45,780 --> 00:02:43,390

across and it ran across the road and

51
00:02:48,420 --> 00:02:45,790
back to a four legged stance and

52
00:02:50,790 --> 00:02:48,430
disappeared into the forest and they

53
00:02:54,330 --> 00:02:50,800
were seeing and we're seeing any strange

54
00:02:56,970 --> 00:02:54,340
things before and after I get and after

55
00:02:59,250 --> 00:02:56,980
I get ridiculed for telling this but now

56
00:03:03,120 --> 00:02:59,260
under what I saw thanks for your website

57
00:03:06,720 --> 00:03:03,130
now I I wasn't able to get a back hold

58
00:03:09,150 --> 00:03:06,730
of this witness though he did send a

59
00:03:12,360 --> 00:03:09,160
small note stating that you know

60
00:03:15,090 --> 00:03:12,370
everything I had posted was true and I

61
00:03:16,979 --> 00:03:15,100
tried to get a date I think he did tell

62
00:03:21,060 --> 00:03:16,989
me the early 2000 so I don't know

63
00:03:23,340 --> 00:03:21,070

exactly where you know where when it was

64

00:03:26,040 --> 00:03:23,350

where it was but I do know it was

65

00:03:29,540 --> 00:03:26,050

Southeast Texas which of course that

66

00:03:33,620 --> 00:03:29,550

part of South Texas is very heavy and

67

00:03:36,150 --> 00:03:33,630

anomalies all kinds of stuff UFOs Oh

68

00:03:37,920 --> 00:03:36,160

Bigfoot anything all kinds of different

69

00:03:42,210 --> 00:03:37,930

things so it doesn't surprise me it came

70

00:03:46,020 --> 00:03:42,220

from that area now another one I found

71

00:03:50,400 --> 00:03:46,030

was from wise River Montana in the

72

00:03:53,009 --> 00:03:50,410

summer 2015 the witness state I live

73

00:03:55,590 --> 00:03:53,019

alone in the industry remote location

74

00:03:58,380 --> 00:03:55,600

that we didn't have cable so the only

75

00:04:00,750 --> 00:03:58,390

option is satellite TV there was a human

76

00:04:02,759 --> 00:04:00,760

summer night in July and the TV was

77

00:04:06,750 --> 00:04:02,769

acting up so I needed to go out and just

78

00:04:08,850 --> 00:04:06,760

a saddle Lake like usual I took a

79

00:04:12,870 --> 00:04:08,860

flashlight and a gun with me when I went

80

00:04:15,150 --> 00:04:12,880

outside he was unusually quiet so silent

81

00:04:17,370 --> 00:04:15,160

it was unnerving I brushed it thought

82

00:04:20,159 --> 00:04:17,380

off and went to the dish which is in the

83

00:04:21,690 --> 00:04:20,169

corner of my yard I went to work making

84

00:04:24,710 --> 00:04:21,700

sure all the wires were all right and

85

00:04:27,480 --> 00:04:24,720

pointing in the in a different angle

86

00:04:30,120 --> 00:04:27,490

suddenly I heard a small snap of a stick

87

00:04:32,100 --> 00:04:30,130

to my left and turned a flashlight in

88

00:04:34,620 --> 00:04:32,110

the direction and I saw a creature

89

00:04:37,050 --> 00:04:34,630

standing there I got a good look at it

90

00:04:39,960 --> 00:04:37,060

or for what seemed like an attorney it

91

00:04:42,210 --> 00:04:39,970

was only for about ten seconds I slowly

92

00:04:44,730 --> 00:04:42,220

backed off and ran back to the house and

93

00:04:46,290 --> 00:04:44,740

locked all the doors and windows now the

94

00:04:48,930 --> 00:04:46,300

creature was unlike anything I've ever

95

00:04:51,779 --> 00:04:48,940

seen before when I shined a light at it

96

00:04:54,060 --> 00:04:51,789

the first thing I saw was the head it

97

00:04:56,519 --> 00:04:54,070

had cropped ears that pointed upwards

98

00:04:59,189 --> 00:04:56,529

its snout was narrower than a bear's

99

00:05:01,229 --> 00:04:59,199

and longer and they could have I could

100

00:05:04,379 --> 00:05:01,239

make out large T protruding from the

101
00:05:06,179 --> 00:05:04,389
from the jaw its eyes were deep red

102
00:05:08,969 --> 00:05:06,189
shade that seemed to reflect off the

103
00:05:12,749 --> 00:05:08,979
light I was pointing at it the body was

104
00:05:14,869 --> 00:05:12,759
muscular and huge I had it had long arms

105
00:05:17,639 --> 00:05:14,879
that appeared to be longer than its legs

106
00:05:20,159 --> 00:05:17,649
broad shoulders are tapered into a

107
00:05:23,099 --> 00:05:20,169
skinnier waist there was slightly

108
00:05:26,699 --> 00:05:23,109
crouched over when I saw it with one

109
00:05:29,669 --> 00:05:26,709
hand wrapped around a small tree I can

110
00:05:32,579 --> 00:05:29,679
make out the legs were similar that of a

111
00:05:34,859 --> 00:05:32,589
dog's legs it was obvious hocked you had

112
00:05:38,069 --> 00:05:34,869
that cross position it was my height

113
00:05:39,659 --> 00:05:38,079

which is six foot standing up the full

114

00:05:42,449 --> 00:05:39,669

height dispute you could easily been

115

00:05:44,489 --> 00:05:42,459

seven a half foot dog the fur was black

116

00:05:48,109 --> 00:05:44,499

and thicker around the neck and chest

117

00:05:50,879 --> 00:05:48,119

and a bottom has significantly less so I

118

00:05:53,549 --> 00:05:50,889

don't know if it was aggressive or not

119

00:05:56,209 --> 00:05:53,559

what I knew is I had a feeling of dread

120

00:05:59,039 --> 00:05:56,219

unlike anything I've ever experienced

121

00:06:00,449 --> 00:05:59,049

was it just observing me or stalking me

122

00:06:03,600 --> 00:06:00,459

for creature this large it was

123

00:06:06,209 --> 00:06:03,610

deceivingly silent it got within 15

124

00:06:08,279 --> 00:06:06,219

yards of me without me noticing all I

125

00:06:11,639 --> 00:06:08,289

knew was I needed to get out of there

126

00:06:14,159 --> 00:06:11,649

and not find out I don't live on the

127

00:06:16,949 --> 00:06:14,169

property anymore but after the event

128

00:06:20,279 --> 00:06:16,959

hired I had never had another

129

00:06:22,549 --> 00:06:20,289

face-to-face encounter but I would hear

130

00:06:25,499 --> 00:06:22,559

sounds in the woods I couldn't explain

131

00:06:27,149 --> 00:06:25,509

it was started off relatively quiet and

132

00:06:30,899 --> 00:06:27,159

worked their way up through a furious

133

00:06:31,859 --> 00:06:30,909

house and screams then back down to

134

00:06:35,179 --> 00:06:31,869

quiet again

135

00:06:37,949 --> 00:06:35,189

I don't know if it was the same thing

136

00:06:41,879 --> 00:06:37,959

but it could have been in the local

137

00:06:43,559 --> 00:06:41,889

wildlife so this is a this is a similar

138

00:06:45,989 --> 00:06:43,569

type account we get with these upright

139

00:06:50,159 --> 00:06:45,999

canines of course last week we talked to

140

00:06:53,579 --> 00:06:50,169

you then to Godfrey about the Bray Road

141

00:06:57,569 --> 00:06:53,589

beast and some of the accounts he's had

142

00:06:59,969 --> 00:06:57,579

over the years so this was out in the

143

00:07:02,729 --> 00:06:59,979

western part of the country and there

144

00:07:04,679 --> 00:07:02,739

are slight variations throughout the

145

00:07:07,709 --> 00:07:04,689

country and into Canada but quite

146

00:07:10,800 --> 00:07:07,719

frankly most of the descriptions are

147

00:07:13,590 --> 00:07:10,810

fairly similar

148

00:07:16,420 --> 00:07:13,600

so let's get started with tonight

149

00:07:18,910 --> 00:07:16,430

tonight's guests Stan Gordon is a

150

00:07:21,760 --> 00:07:18,920

00:08:31,630 --> 00:08:29,660

get right into it you've been getting a

176

00:08:33,970 --> 00:08:31,640

lot of reports a lot of weird things in

177

00:08:38,020 --> 00:08:33,980

Pennsylvania this year it's been quite

178

00:08:41,530 --> 00:08:38,030

busy can you describe the incident that

179

00:08:43,420 --> 00:08:41,540

took place in July 14th at a family

180

00:08:47,680 --> 00:08:43,430

pickle picnic in a rural area just

181

00:08:49,480 --> 00:08:47,690

outside of Pittsburgh yeah that it's an

182

00:08:50,620 --> 00:08:49,490

interesting report among a number of

183

00:08:52,900 --> 00:08:50,630

other reports we've been getting now

184

00:08:54,850 --> 00:08:52,910

four months of a lot of unusual activity

185

00:08:57,870 --> 00:08:54,860

but this was interesting because this

186

00:09:00,970 --> 00:08:57,880

involved multiple family witnesses I'm

187

00:09:03,790 --> 00:09:00,980

having a picnic outside of the in the

188

00:09:06,160 --> 00:09:03,800

Pittsburgh area and I have been

189

00:09:10,270 --> 00:09:06,170

contacted by one of the relatives that

190

00:09:12,220 --> 00:09:10,280

what had taken place and I was able to

191

00:09:13,960 --> 00:09:12,230

do initially via some phone on the

192

00:09:16,030 --> 00:09:13,970

interview an interview several is he

193

00:09:18,250 --> 00:09:16,040

different family members by phoned and

194

00:09:20,740 --> 00:09:18,260

they sounded not only sincere but very

195

00:09:23,840 --> 00:09:20,750

very shook up that something seemed to

196

00:09:26,660 --> 00:09:23,850

have actually happened and

197

00:09:28,730 --> 00:09:26,670

Dave and Cindy dragazine two other

198

00:09:30,740 --> 00:09:28,740

Bigfoot researchers which was closer

199

00:09:32,810 --> 00:09:30,750

than the Aryan Davis became pretty well

200

00:09:35,780 --> 00:09:32,820

known over the years as a Bigfoot

201
00:09:39,320 --> 00:09:35,790
eyewitness forensic artist who has gone

202
00:09:41,090 --> 00:09:39,330
out and sketched various creatures from

203
00:09:44,030 --> 00:09:41,100
what the witnesses described so they

204
00:09:45,440 --> 00:09:44,040
were able to meet with the family

205
00:09:48,200 --> 00:09:45,450
members go to the scene of the incident

206
00:09:51,440 --> 00:09:48,210
and it was a pretty interesting account

207
00:09:53,150 --> 00:09:51,450
and so there were there were nine family

208
00:09:56,750 --> 00:09:53,160
members involved and they had a large

209
00:09:58,460 --> 00:09:56,760
dog with them and they were preparing to

210
00:10:01,730 --> 00:09:58,470
spend most of the day out in this area

211
00:10:03,830 --> 00:10:01,740
to have fun and play music and cook a

212
00:10:06,410 --> 00:10:03,840
lot of food on the grill and so

213
00:10:09,500 --> 00:10:06,420

everything was pretty good until later

214

00:10:12,320 --> 00:10:09,510

that evening as they're cooking a lot of

215

00:10:15,590 --> 00:10:12,330

meat and their musics up and the kids

216

00:10:20,330 --> 00:10:15,600

are all dancing around when the dog

217

00:10:22,490 --> 00:10:20,340

became very agitated and there was

218

00:10:24,890 --> 00:10:22,500

something apparently moving around in

219

00:10:26,570 --> 00:10:24,900

the woods and the nearby woods so I

220

00:10:29,960 --> 00:10:26,580

began to growl and bark and rather

221

00:10:31,460 --> 00:10:29,970

agitated manner and whatever it was is

222

00:10:36,070 --> 00:10:31,470

moving from east to south and a

223

00:10:42,590 --> 00:10:39,230

about 15 to 20 yards away one of the

224

00:10:44,930 --> 00:10:42,600

people at the scene noticed there was

225

00:10:46,850 --> 00:10:44,940

something and the dog was again growling

226

00:10:50,780 --> 00:10:46,860

louder and louder and more intense and

227

00:10:53,270 --> 00:10:50,790

that this man noticed this form in the

228

00:10:54,740 --> 00:10:53,280

shadows of the trees and there was lit

229

00:10:57,260 --> 00:10:54,750

up pretty well by the campfire from the

230

00:10:59,810 --> 00:10:57,270

light from the large camp fire and what

231

00:11:02,840 --> 00:10:59,820

he said he saw was a very large hairy

232

00:11:05,660 --> 00:11:02,850

humanoid like creature around eight feet

233

00:11:07,190 --> 00:11:05,670

tall could be very muscular very mess

234

00:11:11,330 --> 00:11:07,200

with broad shoulders and covered with

235

00:11:13,490 --> 00:11:11,340

long dark hair and he said he's looking

236

00:11:15,770 --> 00:11:13,500

this thing and actually he could he get

237

00:11:17,720 --> 00:11:15,780

here breathing very heavily and he could

238

00:11:21,470 --> 00:11:17,730

see it's huge chest moving in and out it

239

00:11:23,840 --> 00:11:21,480

was breathing and he said he became very

240

00:11:26,150 --> 00:11:23,850

very shook up at the time mainly a guest

241

00:11:27,320 --> 00:11:26,160

from the size of the creature and the

242

00:11:30,770 --> 00:11:27,330

fact that had what appeared to be

243

00:11:32,390 --> 00:11:30,780

glowing red eyes and he only observed if

244

00:11:35,180 --> 00:11:32,400

he had guessed maybe about 10 to 15

245

00:11:36,639 --> 00:11:35,190

seconds as it moved off until the woods

246

00:11:39,819 --> 00:11:36,649

I'm fairly novel one of the witnesses

247

00:11:41,769 --> 00:11:39,829

move off as well but others heard the

248

00:11:43,389 --> 00:11:41,779

loud sound and they said when this thing

249

00:11:45,730 --> 00:11:43,399

was stepping because my pedo has was

250

00:11:47,920 --> 00:11:45,740

hitting the ground they they said it

251
00:11:49,600 --> 00:11:47,930
actually was shaking I mean you can feel

252
00:11:51,639 --> 00:11:49,610
the thump as it was hitting the ground

253
00:11:55,119 --> 00:11:51,649
which I've heard in other cases over the

254
00:11:56,889 --> 00:11:55,129
years and there's a very very

255
00:11:59,019 --> 00:11:56,899
interesting case I if you get on my

256
00:12:00,699 --> 00:11:59,029
website Stan Gordon dot info there the

257
00:12:03,489 --> 00:12:00,709
reports on there and there's a sketch of

258
00:12:06,160 --> 00:12:03,499
Dave Dragutin drew from the eyewitness

259
00:12:08,019 --> 00:12:06,170
accounts is on there now you know we've

260
00:12:10,119 --> 00:12:08,029
talked in the past about some of the

261
00:12:11,919 --> 00:12:10,129
strange aspects of Bigfoot that I've

262
00:12:13,679 --> 00:12:11,929
looked into over the years and going

263
00:12:17,559 --> 00:12:13,689

back to my solid invasion book back to

264

00:12:22,210 --> 00:12:17,569

1973 and 74 when we begin to notice some

265

00:12:24,160 --> 00:12:22,220

very strange incidents with both UFOs

266

00:12:26,410 --> 00:12:24,170

and Bigfoot seen together or in some

267

00:12:28,989 --> 00:12:26,420

cases we first began to notice a pattern

268

00:12:30,579 --> 00:12:28,999

back then where for example we have a

269

00:12:34,329 --> 00:12:30,589

Bigfoot sighting in a particular area

270

00:12:36,100 --> 00:12:34,339

and within minutes and hours of days

271

00:12:38,590 --> 00:12:36,110

later we would have the UFO sighting or

272

00:12:40,359 --> 00:12:38,600

vice-versa well this is kind of

273

00:12:43,829 --> 00:12:40,369

interesting with this particular case

274

00:12:47,009 --> 00:12:43,839

because it was when within the hour

275

00:12:50,439 --> 00:12:47,019

before this incident happened only a

276
00:12:52,210 --> 00:12:50,449
very few miles away I had a report from

277
00:12:54,309 --> 00:12:52,220
it from a suburb of Pittsburgh a

278
00:12:56,110 --> 00:12:54,319
business area Pittsburgh of this object

279
00:12:59,230 --> 00:12:56,120
was hovering about a hundred feet off

280
00:13:01,329 --> 00:12:59,240
the ground and suddenly it moved off

281
00:13:03,429 --> 00:13:01,339
across the sky and disappeared and then

282
00:13:06,100 --> 00:13:03,439
interestingly this incident was later

283
00:13:08,439 --> 00:13:06,110
reported not far away and the same

284
00:13:11,829 --> 00:13:08,449
evening within the hour and then we had

285
00:13:16,299 --> 00:13:11,839
another incident earlier this year this

286
00:13:18,639 --> 00:13:16,309
would have been I believe was May 14th

287
00:13:21,249 --> 00:13:18,649
and this is outside of Pittsburgh this

288
00:13:25,389 --> 00:13:21,259

would be down there in Greene County and

289

00:13:27,999 --> 00:13:25,399

it was during the afternoon and the

290

00:13:29,679 --> 00:13:28,009

witness had just going to close a window

291

00:13:31,840 --> 00:13:29,689

because it was a storm approaching and

292

00:13:34,329 --> 00:13:31,850

as she looked out the window she noticed

293

00:13:36,429 --> 00:13:34,339

as dark have like saucer shaped object

294

00:13:39,039 --> 00:13:36,439

that appeared to be hovering about 150

295

00:13:41,139 --> 00:13:39,049

feet away over the neighbors home the

296

00:13:44,289 --> 00:13:41,149

object appeared to be dark but not quite

297

00:13:47,139 --> 00:13:44,299

black maybe 20 25 feet in length about 8

298

00:13:48,950 --> 00:13:47,149

to 10 feet I didn't see any windows or

299

00:13:52,550 --> 00:13:48,960

lights and didn't make any sound

300

00:13:54,020 --> 00:13:52,560

and there seemed to be posses kind of

301
00:13:55,970 --> 00:13:54,030
yellow or golden markings towards the

302
00:13:58,430 --> 00:13:55,980
top of the object and as the witness

303
00:14:00,380 --> 00:13:58,440
watch the object Bank moves off into the

304
00:14:03,140 --> 00:14:00,390
sky towards the southeast and then was

305
00:14:05,390 --> 00:14:03,150
lost from sight so inner again what's

306
00:14:07,600 --> 00:14:05,400
interesting again maybe just a

307
00:14:11,660 --> 00:14:07,610
coincidence but it was two days later

308
00:14:14,300 --> 00:14:11,670
not that far from that location in the

309
00:14:15,980 --> 00:14:14,310
afternoon that the person was driving

310
00:14:18,290 --> 00:14:15,990
their vehicle on a rural road between

311
00:14:20,000 --> 00:14:18,300
Washington and Green County when the

312
00:14:22,370 --> 00:14:20,010
notice or was a truck pulled off to the

313
00:14:24,260 --> 00:14:22,380

side of the road and there was a person

314

00:14:25,460 --> 00:14:24,270

in the truck and there was a person

315

00:14:27,350 --> 00:14:25,470

standing by the truck and they were

316

00:14:31,040 --> 00:14:27,360

pointing towards the hillside about 50

317

00:14:32,780 --> 00:14:31,050

yards away so this person stopped and

318

00:14:36,200 --> 00:14:32,790

looked up to see what they were looking

319

00:14:38,210 --> 00:14:36,210

at and they watched this large creature

320

00:14:40,010 --> 00:14:38,220

about six and a half to seven feet tall

321

00:14:42,860 --> 00:14:40,020

from the distance a worthy estimate of

322

00:14:47,120 --> 00:14:42,870

that height that was covered with hair

323

00:14:48,590 --> 00:14:47,130

and kind of a dark brown or black hair

324

00:14:51,020 --> 00:14:48,600

color could ensure the arms were long

325

00:14:54,950 --> 00:14:51,030

hung down at to its side walk upright on

326

00:14:57,260 --> 00:14:54,960

two legs and they couldn't see a lot of

327

00:14:58,970 --> 00:14:57,270

facial feature but they were able to see

328

00:15:01,460 --> 00:14:58,980

there was no muzzle and or certain was

329

00:15:03,890 --> 00:15:01,470

not a bear and that stepped out of a

330

00:15:05,450 --> 00:15:03,900

wood line about four or five steps then

331

00:15:07,790 --> 00:15:05,460

turned around and walked back into the

332

00:15:09,380 --> 00:15:07,800

wood line and was gone so kind of

333

00:15:12,590 --> 00:15:09,390

interesting you have these two type of

334

00:15:14,690 --> 00:15:12,600

reports and there was some similarity

335

00:15:16,040 --> 00:15:14,700

there so that's just an example of some

336

00:15:18,860 --> 00:15:16,050

of the things have been going on around

337

00:15:21,980 --> 00:15:18,870

western Pennsylvania now that was in

338

00:15:23,810 --> 00:15:21,990

Greene County that's correct yeah well

339

00:15:25,100 --> 00:15:23,820

you know historically Greene County in

340

00:15:28,040 --> 00:15:25,110

Washington County I've had a lot of

341

00:15:30,080 --> 00:15:28,050

weird sightings over the years yeah I've

342

00:15:32,090 --> 00:15:30,090

been involved in many of them over the

343

00:15:35,900 --> 00:15:32,100

years out for sure yeah I've gotten some

344

00:15:37,940 --> 00:15:35,910

strange stories out of there and they're

345

00:15:39,020 --> 00:15:37,950

just not the run-of-the-mill sightings I

346

00:15:41,930 --> 00:15:39,030

mean there's always seems to be

347

00:15:44,890 --> 00:15:41,940

something else involved with it but then

348

00:15:50,420 --> 00:15:44,900

of course you know you're used to that

349

00:15:52,580 --> 00:15:50,430

so now you and uh Eric Goldman were

350

00:15:54,650 --> 00:15:52,590

involved with it and or involved with an

351
00:15:57,680 --> 00:15:54,660
investigation on Armstrong County as

352
00:15:59,540 --> 00:15:57,690
well yeah there's been there's been a

353
00:16:01,160 --> 00:15:59,550
lot of reports I mean this video reports

354
00:16:02,470 --> 00:16:01,170
came in all year and I do receive

355
00:16:04,780 --> 00:16:02,480
reports generally all year

356
00:16:06,730 --> 00:16:04,790
you know familiar locations this year

357
00:16:09,759 --> 00:16:06,740
those been pretty interesting pretty

358
00:16:12,040 --> 00:16:09,769
steady with reports coming in and I'm

359
00:16:16,120 --> 00:16:12,050
just trying to go back and review some

360
00:16:19,569 --> 00:16:16,130
reports here but a lot during it seems

361
00:16:21,250 --> 00:16:19,579
to be probably around May gene I seems

362
00:16:23,170 --> 00:16:21,260
like we started to get widespread

363
00:16:25,720 --> 00:16:23,180

reports from many different areas of

364

00:16:28,300 --> 00:16:25,730

people describing these strange screams

365

00:16:30,160 --> 00:16:28,310

and howls coming from wooded areas and

366

00:16:32,439 --> 00:16:30,170

it was unlike anything they had ever

367

00:16:35,860 --> 00:16:32,449

heard before now some of these people do

368

00:16:37,030 --> 00:16:35,870

we that I talk with and a couple case

369

00:16:40,150 --> 00:16:37,040

the air guy went out some of these

370

00:16:42,310 --> 00:16:40,160

people were very familiar with animal

371

00:16:44,680 --> 00:16:42,320

sounds they're experienced hunters or

372

00:16:46,629 --> 00:16:44,690

outdoorsmen and they also they had never

373

00:16:48,550 --> 00:16:46,639

heard anything like it before I know the

374

00:16:50,079 --> 00:16:48,560

one case we're out there and they said

375

00:16:52,629 --> 00:16:50,089

that when these things start screaming

376
00:16:54,939 --> 00:16:52,639
that all the normal nature sounds would

377
00:16:58,210 --> 00:16:54,949
suddenly just go dead quiet all the

378
00:16:59,889 --> 00:16:58,220
frogs and all the all the normal sounds

379
00:17:01,629 --> 00:16:59,899
and air would just get completely quiet

380
00:17:04,000 --> 00:17:01,639
which is very common of a lot of these

381
00:17:07,659 --> 00:17:04,010
type reports but it's interesting from

382
00:17:09,490 --> 00:17:07,669
the widespread area of so many different

383
00:17:11,319 --> 00:17:09,500
reports coming in on people describing

384
00:17:13,270 --> 00:17:11,329
the same thing there have also been

385
00:17:15,370 --> 00:17:13,280
other alleged Bigfoot sightings being

386
00:17:17,770 --> 00:17:15,380
reported now some of these people I have

387
00:17:19,299 --> 00:17:17,780
interviewed other cases people are

388
00:17:20,980 --> 00:17:19,309

calling me because they have friends or

389

00:17:22,449 --> 00:17:20,990

neighbors who have seen these things but

390

00:17:24,400 --> 00:17:22,459

the witnesses are reluctant to come

391

00:17:27,130 --> 00:17:24,410

forward but you know what's something we

392

00:17:29,430 --> 00:17:27,140

ran into quite often and but there seems

393

00:17:32,049 --> 00:17:29,440

to be something going on out there and

394

00:17:35,680 --> 00:17:32,059

but Eric and I guess we're up in the

395

00:17:36,850 --> 00:17:35,690

Armstrong County and up in an area which

396

00:17:38,770 --> 00:17:36,860

has a lot of history of Bigfoot

397

00:17:40,990 --> 00:17:38,780

sightings going back at least for myself

398

00:17:43,419 --> 00:17:41,000

going back to the least geez I think

399

00:17:45,340 --> 00:17:43,429

probably late 70s early maybe you

400

00:17:47,530 --> 00:17:45,350

earlier than that for sure late 70s

401
00:17:49,270 --> 00:17:47,540
early 80s there have been a number of

402
00:17:52,030 --> 00:17:49,280
reports and more recent years up in that

403
00:17:53,770 --> 00:17:52,040
general area and we went out to a

404
00:17:56,740 --> 00:17:53,780
particular property whether it's been a

405
00:17:59,680 --> 00:17:56,750
history of sighting of a sighting and

406
00:18:02,590 --> 00:17:59,690
screams and other things being reported

407
00:18:04,510 --> 00:18:02,600
but the people are also reporting in

408
00:18:07,659 --> 00:18:04,520
beautiful weather sounds like trees

409
00:18:10,210 --> 00:18:07,669
breaking and cracking and we went out

410
00:18:13,299 --> 00:18:10,220
pretty defensive very very thickly

411
00:18:15,520 --> 00:18:13,309
wooded areas and in fact I have a

412
00:18:16,220 --> 00:18:15,530
picture one of these trees on my website

413
00:18:20,930 --> 00:18:16,230

the

414

00:18:22,250 --> 00:18:20,940

it was pretty Eric and I we both look at

415

00:18:25,130 --> 00:18:22,260

this thing it was very interesting

416

00:18:27,799 --> 00:18:25,140

because you have healthy trees young

417

00:18:29,870 --> 00:18:27,809

healthy trees nine ten feet off the

418

00:18:32,990 --> 00:18:29,880

ground that had to be broken and twisted

419

00:18:35,090 --> 00:18:33,000

and I've seen a lot of weather damage

420

00:18:36,740 --> 00:18:35,100

related damage over the years and had

421

00:18:39,919 --> 00:18:36,750

just couldn't see anything else in the

422

00:18:41,600 --> 00:18:39,929

area they even fit and so a cancel we're

423

00:18:44,539 --> 00:18:41,610

not saying was Big Foot we don't know

424

00:18:46,280 --> 00:18:44,549

but it's quite interesting what we were

425

00:18:48,530 --> 00:18:46,290

seeing and another location in West

426

00:18:50,810 --> 00:18:48,540

Warren County which again has a lot of

427

00:18:53,720 --> 00:18:50,820

history of Bigfoot activity and other

428

00:18:55,460 --> 00:18:53,730

cryptid reports as well another person

429

00:18:57,530 --> 00:18:55,470

who called us out because of the screams

430

00:18:59,180 --> 00:18:57,540

they've been hearing and others within

431

00:19:03,440 --> 00:18:59,190

miles they've been reporting similar

432

00:19:05,030 --> 00:19:03,450

type of reports and in that particular

433

00:19:08,299 --> 00:19:05,040

case again we were looking through the

434

00:19:11,210 --> 00:19:08,309

wooded areas and it wasn't far from this

435

00:19:12,860 --> 00:19:11,220

one persons are residents then he found

436

00:19:15,260 --> 00:19:12,870

what appeared to be a large flattened

437

00:19:17,900 --> 00:19:15,270

area now we've seen deer lay areas

438

00:19:19,789 --> 00:19:17,910

before this looked different and this

439

00:19:22,760 --> 00:19:19,799

was as I recall maybe about eight feet

440

00:19:24,409 --> 00:19:22,770

one or so and now when we got there was

441

00:19:28,280 --> 00:19:24,419

probably a week after he had actually

442

00:19:30,080 --> 00:19:28,290

found it and so it was still flattened

443

00:19:32,750 --> 00:19:30,090

interestingly but he said it was much

444

00:19:34,940 --> 00:19:32,760

flatter much more distinct when he had

445

00:19:38,360 --> 00:19:34,950

seen it he had been experienced hunter

446

00:19:41,060 --> 00:19:38,370

very experienced hunter and he thought

447

00:19:44,030 --> 00:19:41,070

was very very unusual so some things are

448

00:19:45,770 --> 00:19:44,040

going on out there and then probably one

449

00:19:49,039 --> 00:19:45,780

of the most interesting reports not

450

00:19:50,659 --> 00:19:49,049

Bigfoot if something else was seen

451
00:19:52,669 --> 00:19:50,669
recently again you know we talk about

452
00:19:54,740 --> 00:19:52,679
the Chestnut Ridge we've talked about it

453
00:19:57,260 --> 00:19:54,750
in the past and the Chestnut Ridge

454
00:19:59,000 --> 00:19:57,270
continues especially in this area of

455
00:20:01,130 --> 00:19:59,010
Southwest PA out in this area West

456
00:20:04,789 --> 00:20:01,140
Warren County continues to be a very

457
00:20:06,770 --> 00:20:04,799
active area year after year for UFO

458
00:20:09,530 --> 00:20:06,780
sightings Bigfoot encounters other

459
00:20:11,930 --> 00:20:09,540
cryptid reports you know mystery booms

460
00:20:14,840 --> 00:20:11,940
underground sounds all kind of weird

461
00:20:17,330 --> 00:20:14,850
phenomena and we had a really

462
00:20:19,760 --> 00:20:17,340
interesting report come in and this was

463
00:20:21,860 --> 00:20:19,770

just in the last couple of weeks and

464

00:20:23,570 --> 00:20:21,870

this is an area by the way it has a lot

465

00:20:24,890 --> 00:20:23,580

of history of Bigfoot activity I've been

466

00:20:27,440 --> 00:20:24,900

out there are many many days and nights

467

00:20:28,060 --> 00:20:27,450

since the 70s investigating reports but

468

00:20:33,999 --> 00:20:28,070

this

469

00:20:36,159 --> 00:20:34,009

a rural road in Derry Township so you're

470

00:20:38,349 --> 00:20:36,169

you're along the Chestnut Ridge at a

471

00:20:40,119 --> 00:20:38,359

base of the ridge not far from there it

472

00:20:41,799 --> 00:20:40,129

was a rainy night we didn't have a lot

473

00:20:43,509 --> 00:20:41,809

of heavy rains in this area at the time

474

00:20:45,609 --> 00:20:43,519

and it was starting to slow down was a

475

00:20:47,830 --> 00:20:45,619

rainy night and as hell blade cut

476
00:20:50,019 --> 00:20:47,840
something about 75 feet ahead of him and

477
00:20:50,799 --> 00:20:50,029
he said it does seem to appear out of

478
00:20:52,570 --> 00:20:50,809
nowhere

479
00:20:54,099 --> 00:20:52,580
he said was already in the middle of a

480
00:20:57,399 --> 00:20:54,109
road when he saw it moving from left to

481
00:21:01,810 --> 00:20:57,409
right and he said it was very hard to

482
00:21:04,239 --> 00:21:01,820
describe but he said this being he first

483
00:21:05,739 --> 00:21:04,249
thought it was fog but he looked all

484
00:21:08,019 --> 00:21:05,749
around everywhere else there's no other

485
00:21:10,479 --> 00:21:08,029
fog or no misty other conditions around

486
00:21:12,759 --> 00:21:10,489
the area but this thing had a humanoid

487
00:21:14,889 --> 00:21:12,769
shape and he said it was hard to

488
00:21:16,749 --> 00:21:14,899

describe but it was humanoid for him it

489

00:21:19,029 --> 00:21:16,759

was foggy or misty in appearance he

490

00:21:21,519 --> 00:21:19,039

stated it was a foggy white form about

491

00:21:23,440 --> 00:21:21,529

six and a half to seven feet tall it

492

00:21:25,509 --> 00:21:23,450

appeared to be somewhat stooped over as

493

00:21:31,060 --> 00:21:25,519

it moved and it said he gave the

494

00:21:33,940 --> 00:21:31,070

impression that it was it just it just

495

00:21:36,190 --> 00:21:33,950

wasn't moving right and he said as this

496

00:21:38,799 --> 00:21:36,200

thing moved he said he could see had

497

00:21:41,589 --> 00:21:38,809

huge muscular shoulders and a small

498

00:21:43,239 --> 00:21:41,599

waist he really couldn't clearly see the

499

00:21:45,580 --> 00:21:43,249

head or the in the arms and legs were

500

00:21:47,769 --> 00:21:45,590

not clearly discernible but he said has

501
00:21:50,289 --> 00:21:47,779
it moved he saw it from its left side

502
00:21:52,599 --> 00:21:50,299
and he said it crossed the road and

503
00:21:54,969 --> 00:21:52,609
entered into a field and then it just

504
00:21:57,940 --> 00:21:54,979
seemed to just suddenly vanish but he

505
00:22:00,399 --> 00:21:57,950
said he said he couldn't see feet and he

506
00:22:02,200 --> 00:22:00,409
hesitated to say this but he said it

507
00:22:05,019 --> 00:22:02,210
look moves like it almost like it's

508
00:22:06,430 --> 00:22:05,029
floated when he said he guarantee sound

509
00:22:08,830 --> 00:22:06,440
doesn't smell anything

510
00:22:10,839 --> 00:22:08,840
and he said I just don't know what I saw

511
00:22:12,190 --> 00:22:10,849
and of course over the years I've had

512
00:22:14,830 --> 00:22:12,200
other reports of various type of

513
00:22:18,489 --> 00:22:14,840

entities that are gliding or floating

514

00:22:19,599 --> 00:22:18,499

across fields or across roadways and so

515

00:22:21,159 --> 00:22:19,609

it's another one of those strange

516

00:22:24,789 --> 00:22:21,169

stories to mouth along the base that are

517

00:22:28,509 --> 00:22:24,799

chefs not rich well you know I've been

518

00:22:33,339 --> 00:22:28,519

looking into these humanoid sightings

519

00:22:35,139 --> 00:22:33,349

out and Mount Vernon Ohio and you know

520

00:22:38,430 --> 00:22:35,149

we've had the same thing in Pennsylvania

521

00:22:41,139 --> 00:22:38,440

very similar in Pennsylvania as well oh

522

00:22:41,750 --> 00:22:41,149

yeah and of course you know the one case

523

00:22:43,430 --> 00:22:41,760

I looked at

524

00:22:46,160 --> 00:22:43,440

to last year and that's kind of when it

525

00:22:48,830 --> 00:22:46,170

began here with this incident involving

526

00:22:51,620 --> 00:22:48,840

a police officer this was late August of

527

00:22:54,610 --> 00:22:51,630

last year and this was in a very wooded

528

00:22:57,890 --> 00:22:54,620

rural location in US southwest PA

529

00:23:02,480 --> 00:22:57,900

Westmoreland County and this officer was

530

00:23:04,730 --> 00:23:02,490

on patrol and ahead of him he observed

531

00:23:07,610 --> 00:23:04,740

what appeared to be above a very dull

532

00:23:09,170 --> 00:23:07,620

white light low to the ground now he he

533

00:23:11,870 --> 00:23:09,180

patrolled the area all the time and he

534

00:23:15,260 --> 00:23:11,880

didn't remember any type of artificial

535

00:23:18,170 --> 00:23:15,270

lighting or anything like to have the

536

00:23:20,870 --> 00:23:18,180

area so he slowed down and he stopped a

537

00:23:23,270 --> 00:23:20,880

distance away and he said suddenly this

538

00:23:26,930 --> 00:23:23,280

round light suddenly rose up or stood up

539

00:23:28,760 --> 00:23:26,940

from the ground and it was at that point

540

00:23:30,320 --> 00:23:28,770

he realized he was seeing something very

541

00:23:32,480 --> 00:23:30,330

strange he said to me said this is a

542

00:23:35,090 --> 00:23:32,490

weird thing I'd ever seen he said the

543

00:23:37,700 --> 00:23:35,100

ball of light was actually the head of a

544

00:23:40,370 --> 00:23:37,710

very strange being that looked to be

545

00:23:43,310 --> 00:23:40,380

about six feet tall or larger it was

546

00:23:46,010 --> 00:23:43,320

tall and almost skeletal thin and he

547

00:23:47,570 --> 00:23:46,020

said he was in opinion than when he

548

00:23:49,130 --> 00:23:47,580

first observed it had been lying on its

549

00:23:51,440 --> 00:23:49,140

belly on the ground with his head facing

550

00:23:53,720 --> 00:23:51,450

toward the road it then stood up faced

551
00:23:55,810 --> 00:23:53,730
in a road and in that dark location he

552
00:23:58,090 --> 00:23:55,820
saw the dull light from the glowing head

553
00:24:00,500 --> 00:23:58,100
illuminating the upper part of the body

554
00:24:03,200 --> 00:24:00,510
now he said the officer said it turned

555
00:24:05,750 --> 00:24:03,210
to the right the dalmatian when they had

556
00:24:08,660 --> 00:24:05,760
lit up the shoulder area the creature

557
00:24:10,700 --> 00:24:08,670
turned and faced him then turned to the

558
00:24:12,860 --> 00:24:10,710
left and took off an incredible speed

559
00:24:16,190 --> 00:24:12,870
towards the location away from the road

560
00:24:19,520 --> 00:24:16,200
he said as it moved off he could see us

561
00:24:21,350 --> 00:24:19,530
arm swinging he said it took off at a

562
00:24:22,490 --> 00:24:21,360
speed you could only call abnormal

563
00:24:24,800 --> 00:24:22,500

because faster than anything he'd ever

564

00:24:26,600 --> 00:24:24,810

seen before it was there and then was

565

00:24:27,950 --> 00:24:26,610

gone and that's interesting because

566

00:24:30,170 --> 00:24:27,960

that's the same thing

567

00:24:34,190 --> 00:24:30,180

various other cryptid witnesses of

568

00:24:37,100 --> 00:24:34,200

Kelvin mentioned to me and he said to

569

00:24:40,100 --> 00:24:37,110

see the creature he assumed that I moved

570

00:24:42,410 --> 00:24:40,110

on two legs however he could not see the

571

00:24:44,570 --> 00:24:42,420

lower section of the body in the dark he

572

00:24:46,040 --> 00:24:44,580

said again it's maybe six feet tall six

573

00:24:48,140 --> 00:24:46,050

feet or taller dad was about eight to

574

00:24:50,300 --> 00:24:48,150

ten inches diameter shaped like a ball

575

00:24:52,670 --> 00:24:50,310

he said the head was just a ball of

576

00:24:55,220 --> 00:24:52,680

light possibly egg shape but pretty

577

00:24:55,910 --> 00:24:55,230

round the light emitted seemed to be

578

00:24:57,710 --> 00:24:55,920

varied

579

00:24:59,750 --> 00:24:57,720

white the light illuminated the

580

00:25:01,940 --> 00:24:59,760

shoulders the top of the chest and a

581

00:25:04,220 --> 00:25:01,950

section of the arms he could not see the

582

00:25:06,440 --> 00:25:04,230

hands the chest looked at me about 18

583

00:25:08,420 --> 00:25:06,450

inches across the weights appeared to be

584

00:25:11,180 --> 00:25:08,430

small but the arms were abnormally long

585

00:25:13,880 --> 00:25:11,190

the long limbs also looked skeletal with

586

00:25:16,400 --> 00:25:13,890

no muscle mass the skin tone appeared to

587

00:25:19,430 --> 00:25:16,410

be dull grayish blue he could not see

588

00:25:21,890 --> 00:25:19,440

any facial features after the three the

589

00:25:23,810 --> 00:25:21,900

creature took off he pulled us a patrol

590

00:25:25,580 --> 00:25:23,820

car up put on the spark light looked

591

00:25:28,850 --> 00:25:25,590

around but saw no evidence on the ground

592

00:25:30,170 --> 00:25:28,860

and then was and again I'm going from

593

00:25:32,870 --> 00:25:30,180

memory I don't have all the reports in

594

00:25:35,830 --> 00:25:32,880

front of me but it was several weeks

595

00:25:39,230 --> 00:25:35,840

later that I received another report

596

00:25:42,200 --> 00:25:39,240

only miles away from where the officer

597

00:25:43,820 --> 00:25:42,210

saw this thing this person only reported

598

00:25:45,950 --> 00:25:43,830

this because she told a friend or

599

00:25:49,340 --> 00:25:45,960

neighbor and she encourages a person to

600

00:25:51,320 --> 00:25:49,350

call me and she was out that evening

601
00:25:52,760 --> 00:25:51,330
walking down her world road when

602
00:25:55,700 --> 00:25:52,770
suddenly this thing came out of the

603
00:25:57,230 --> 00:25:55,710
woods as I recall a cave was closing by

604
00:26:00,290 --> 00:25:57,240
thirty five feet away from her and she

605
00:26:03,140 --> 00:26:00,300
described it very very similarly except

606
00:26:06,410 --> 00:26:03,150
they had was not glowing and then you

607
00:26:08,570 --> 00:26:06,420
had that report outside of Pittsburgh I

608
00:26:10,450 --> 00:26:08,580
think of some Alison Parker by recalls

609
00:26:13,610 --> 00:26:10,460
something somewhat similar even though

610
00:26:16,130 --> 00:26:13,620
description was similar the coloring was

611
00:26:18,320 --> 00:26:16,140
a little different and then I got

612
00:26:20,720 --> 00:26:18,330
another report that was in February of

613
00:26:22,640 --> 00:26:20,730

this year that you receive that and then

614

00:26:25,300 --> 00:26:22,650

February this year I also receive

615

00:26:27,310 --> 00:26:25,310

another report from another part of all

616

00:26:30,110 --> 00:26:27,320

believe Westmoreland County

617

00:26:32,990 --> 00:26:30,120

early-morning hours where a person saw a

618

00:26:36,440 --> 00:26:33,000

very similar very tall thin creature

619

00:26:39,770 --> 00:26:36,450

taking big strides across the field and

620

00:26:41,390 --> 00:26:39,780

I believe it jumped are cleared of very

621

00:26:44,570 --> 00:26:41,400

high fence and continued on

622

00:26:48,500 --> 00:26:44,580

so it's interesting and we're hearing

623

00:26:50,840 --> 00:26:48,510

other anonymous reports from around this

624

00:26:53,060 --> 00:26:50,850

area almost since the beginning of the

625

00:26:55,580 --> 00:26:53,070

year of something tall and thin and

626
00:26:57,260 --> 00:26:55,590
white that's being seen but we have been

627
00:27:00,680 --> 00:26:57,270
able to attract any of the witnesses so

628
00:27:02,690 --> 00:27:00,690
far you know that that's something that

629
00:27:05,300 --> 00:27:02,700
has been really showing up a lot lately

630
00:27:08,150 --> 00:27:05,310
in particular for us we were getting

631
00:27:09,860 --> 00:27:08,160
these reports are in Cambria County just

632
00:27:12,590 --> 00:27:09,870
a reservoir

633
00:27:16,460 --> 00:27:12,600
or just northern portage where we had

634
00:27:19,340 --> 00:27:16,470
actually had five different reports of a

635
00:27:22,180 --> 00:27:19,350
white being now the first report was

636
00:27:28,850 --> 00:27:22,190
actually described as a tall white

637
00:27:30,830 --> 00:27:28,860
canine biped and I had another one later

638
00:27:34,490 --> 00:27:30,840

that was very similar but then I had

639

00:27:38,740 --> 00:27:34,500

others along the lake where people were

640

00:27:41,350 --> 00:27:38,750

describing a more humanoid type of being

641

00:27:44,630 --> 00:27:41,360

anywhere from five to six foot in height

642

00:27:48,830 --> 00:27:44,640

some thin some little bigger but very

643

00:27:52,070 --> 00:27:48,840

white and also seen in the dark and some

644

00:27:53,690 --> 00:27:52,080

occasions you know you talked about that

645

00:27:56,000 --> 00:27:53,700

one announced in part now that was

646

00:27:59,150 --> 00:27:56,010

almost like a shadow figure though it

647

00:28:01,850 --> 00:27:59,160

was it was more distinct in the shadow

648

00:28:04,640 --> 00:28:01,860

figure he had two fine lines to it but

649

00:28:08,720 --> 00:28:04,650

you know I can't really say it was like

650

00:28:10,100 --> 00:28:08,730

a Bigfoot ring like that Oh No and and

651
00:28:11,540 --> 00:28:10,110
the other reports we have like from the

652
00:28:12,980 --> 00:28:11,550
police side that was not a Bigfoot at

653
00:28:14,390 --> 00:28:12,990
all I mean these are something

654
00:28:18,530 --> 00:28:14,400
completely different a Bigfoot these

655
00:28:20,990 --> 00:28:18,540
things are err was bizarre really

656
00:28:24,440 --> 00:28:21,000
bizarre we now you know it's talking as

657
00:28:26,660 --> 00:28:24,450
far as upright canines now you know of

658
00:28:29,600 --> 00:28:26,670
course we had butch and I were receiving

659
00:28:31,880 --> 00:28:29,610
these sightings in central Pennsylvania

660
00:28:34,820 --> 00:28:31,890
about two years ago then it kind of

661
00:28:38,660 --> 00:28:34,830
waned off for a while but we have had

662
00:28:42,860 --> 00:28:38,670
three distinct sightings this year so

663
00:28:44,810 --> 00:28:42,870

far in Pennsylvania and I don't know if

664

00:28:46,130 --> 00:28:44,820

it's starting to pick up or not but you

665

00:28:48,950 --> 00:28:46,140

know it was nothing like it was two

666

00:28:53,180 --> 00:28:48,960

years ago have you been getting any

667

00:28:56,110 --> 00:28:53,190

upper canine reports I've heard some

668

00:28:59,320 --> 00:28:56,120

secondhand I've heard of some reports

669

00:29:02,630 --> 00:28:59,330

from the last year from different areas

670

00:29:04,669 --> 00:29:02,640

some of these came from people who were

671

00:29:06,260 --> 00:29:04,679

close to witnesses with people who don't

672

00:29:09,590 --> 00:29:06,270

want to come forward but to give me some

673

00:29:12,380 --> 00:29:09,600

pretty interesting accounts I'm hearing

674

00:29:14,570 --> 00:29:12,390

other reports possibly in Southwest PA

675

00:29:18,020 --> 00:29:14,580

that type of thing going on but you know

676

00:29:20,210 --> 00:29:18,030

on these reports I mean what they're

677

00:29:21,470 --> 00:29:20,220

calling the dog man reports now I mean

678

00:29:22,840 --> 00:29:21,480

they may have been around for a long

679

00:29:25,720 --> 00:29:22,850

time

680

00:29:28,960 --> 00:29:25,730

I can reread my cell invasion book yeah

681

00:29:30,790 --> 00:29:28,970

that was as far as I am aware that was

682

00:29:32,560 --> 00:29:30,800

the biggest Bigfoot outbreak ever

683

00:29:34,090 --> 00:29:32,570

documented in the country and went on

684

00:29:37,330 --> 00:29:34,100

for weeks and months you know for the

685

00:29:39,730 --> 00:29:37,340

summer 73 and the 74 and I mean it went

686

00:29:41,260 --> 00:29:39,740

on and on and or multitudes of reports

687

00:29:44,620 --> 00:29:41,270

and many of those sightings were in

688

00:29:46,150 --> 00:29:44,630

daylight at very very close range as and

689

00:29:48,130 --> 00:29:46,160

many of the sightings even in recent

690

00:29:49,390 --> 00:29:48,140

years are in daylight around here you

691

00:29:51,430 --> 00:29:49,400

know you look at some of these TV shows

692

00:29:53,020 --> 00:29:51,440

and they kind of suggest and while the

693

00:29:56,020 --> 00:29:53,030

Bigfoot sightings are only a nocturnal

694

00:29:57,610 --> 00:29:56,030

event and many of the best Bigfoot

695

00:30:00,670 --> 00:29:57,620

studies we looked into her in daylight

696

00:30:03,250 --> 00:30:00,680

and in some cases witnesses I mean when

697

00:30:05,230 --> 00:30:03,260

I say close range I'm telling you some

698

00:30:08,350 --> 00:30:05,240

of these people some incidents were

699

00:30:10,690 --> 00:30:08,360

within feet I mean within five 10 15

700

00:30:12,340 --> 00:30:10,700

feet away where they were very close to

701

00:30:14,860 --> 00:30:12,350

structures walked out in front of

702

00:30:17,380 --> 00:30:14,870

vehicles but if you look at some of

703

00:30:19,870 --> 00:30:17,390

those reports in 73 I mean many of those

704

00:30:21,780 --> 00:30:19,880

were your so-called typical Bigfoot

705

00:30:24,670 --> 00:30:21,790

reports you know six to nine feet tall

706

00:30:28,990 --> 00:30:24,680

very long arms below the knees all of us

707

00:30:32,230 --> 00:30:29,000

at a ground cover long dark hair no neck

708

00:30:34,150 --> 00:30:32,240

in many cases sometimes you had that

709

00:30:35,920 --> 00:30:34,160

terrible odor sometimes there's no smell

710

00:30:38,770 --> 00:30:35,930

at all which continues today you don't

711

00:30:41,290 --> 00:30:38,780

always have an odor but some of those

712

00:30:44,860 --> 00:30:41,300

reports there was some variation some of

713

00:30:47,560 --> 00:30:44,870

those creatures were much more muscular

714

00:30:49,870 --> 00:30:47,570

some were taller and thinner and then

715

00:30:52,900 --> 00:30:49,880

there was a small group reports where

716

00:30:55,660 --> 00:30:52,910

people were extremely close I mean

717

00:30:57,280 --> 00:30:55,670

within feet not seeing some of these

718

00:30:59,050 --> 00:30:57,290

creatures they were able to give us a

719

00:31:01,420 --> 00:30:59,060

detailed description of the facial

720

00:31:03,250 --> 00:31:01,430

features and some of them described them

721

00:31:05,470 --> 00:31:03,260

as you know the creature was covered

722

00:31:08,080 --> 00:31:05,480

with hair but the face was more wolf

723

00:31:11,290 --> 00:31:08,090

like they had big prominent fang-like

724

00:31:13,330 --> 00:31:11,300

teeth they're luminous glowing eyes and

725

00:31:15,400 --> 00:31:13,340

in some cases they went down and they

726
00:31:18,430 --> 00:31:15,410
were walking upright but they went down

727
00:31:20,020 --> 00:31:18,440
on all fours right so these reports may

728
00:31:22,180 --> 00:31:20,030
have been going on for a long long time

729
00:31:24,780 --> 00:31:22,190
you know is it a completely separate

730
00:31:29,380 --> 00:31:24,790
creature is another variation a Bigfoot

731
00:31:32,110 --> 00:31:29,390
who knows well you know I think a lot of

732
00:31:34,360 --> 00:31:32,120
these the so-called Bigfoot sightings

733
00:31:36,130 --> 00:31:34,370
may actually be can upright canines I

734
00:31:38,080 --> 00:31:36,140
mean vice versa

735
00:31:39,370 --> 00:31:38,090
I think some people see a matter of

736
00:31:41,770 --> 00:31:39,380
distance and really don't know what

737
00:31:43,630 --> 00:31:41,780
they're looking at but you're right you

738
00:31:45,100 --> 00:31:43,640

know these upright canine dog man

739

00:31:47,710 --> 00:31:45,110

sightings in Pennsylvania have been

740

00:31:50,110 --> 00:31:47,720

going on for a long time we've had I

741

00:31:53,080 --> 00:31:50,120

mean I've had historical sightings that

742

00:31:55,870 --> 00:31:53,090

I've found from back in the mid eighteen

743

00:31:57,640 --> 00:31:55,880

hundreds and of course in down in

744

00:32:00,250 --> 00:31:57,650

Maryland just south of the Pennsylvania

745

00:32:03,010 --> 00:32:00,260

line into Frederick County they had a

746

00:32:05,950 --> 00:32:03,020

flat down there back in the 70s where

747

00:32:10,360 --> 00:32:05,960

there were at least seven encounters so

748

00:32:12,460 --> 00:32:10,370

this is not new it seems that stretching

749

00:32:16,660 --> 00:32:12,470

from Pennsylvania through the valleys of

750

00:32:20,140 --> 00:32:16,670

the the Appalachia and down into the

751
00:32:22,090 --> 00:32:20,150
south mountains into Blue Ridge there

752
00:32:23,710 --> 00:32:22,100
seems to be a byway there somewhere like

753
00:32:26,140 --> 00:32:23,720
they may move from West Virginia

754
00:32:27,910 --> 00:32:26,150
Virginia Maryland into Pennsylvania and

755
00:32:32,830 --> 00:32:27,920
back and forth I mean they may actually

756
00:32:34,630 --> 00:32:32,840
migrators I want I'll tell ya it's so

757
00:32:37,680 --> 00:32:34,640
fascinating you know in the last several

758
00:32:40,390 --> 00:32:37,690
years I mean we're getting more and more

759
00:32:42,840 --> 00:32:40,400
various type of cryptid reports in and

760
00:32:46,030 --> 00:32:42,850
you know for years and years we have the

761
00:32:48,040 --> 00:32:46,040
typical reports I would say thee then

762
00:32:49,720 --> 00:32:48,050
once you get pretty commonly you get the

763
00:32:51,640 --> 00:32:49,730

Bigfoot sightings to get the Thunderbird

764

00:32:53,890 --> 00:32:51,650

report to get the Black Panther

765

00:32:56,350 --> 00:32:53,900

sightings you get other type of entities

766

00:32:58,570 --> 00:32:56,360

but we're getting more and more other

767

00:33:02,320 --> 00:32:58,580

types of weird creature reports coming

768

00:33:03,850 --> 00:33:02,330

in and you know I have this program I do

769

00:33:07,380 --> 00:33:03,860

and I don't feel Racine or not I'll

770

00:33:09,790 --> 00:33:07,390

probably be giving it next year Eric saw

771

00:33:11,200 --> 00:33:09,800

Bigfoot camping adventure when he's

772

00:33:12,220 --> 00:33:11,210

going to have it up in Fayette County

773

00:33:14,520 --> 00:33:12,230

next year I know you're going to be

774

00:33:17,230 --> 00:33:14,530

there and I'm just thinking yeah and

775

00:33:20,530 --> 00:33:17,240

it's called strange aspects that elusive

776

00:33:22,780 --> 00:33:20,540

Bigfoot and it gets into so many of the

777

00:33:25,120 --> 00:33:22,790

very bizarre aspects of Bigfoot that

778

00:33:27,790 --> 00:33:25,130

I've uncovered over the last forty some

779

00:33:29,230 --> 00:33:27,800

years which highly suggest that there's

780

00:33:31,570 --> 00:33:29,240

more to Bigfoot just a flesh and blood

781

00:33:35,790 --> 00:33:31,580

explanation which may well be why does

782

00:33:38,680 --> 00:33:35,800

nobody's ever being found and you know

783

00:33:43,900 --> 00:33:38,690

one thing I bring up is the footprint

784

00:33:46,600 --> 00:33:43,910

mystery in itself and across the country

785

00:33:48,160 --> 00:33:46,610

and in Pennsylvania a lot of lot of

786

00:33:50,110 --> 00:33:48,170

researchers don't bring it up and some

787

00:33:52,720 --> 00:33:50,120

do but it's another part of

788

00:33:55,630 --> 00:33:52,730

we've all seen those the typical five

789

00:33:57,520 --> 00:33:55,640

toad footprints but in many parts of the

790

00:34:00,130 --> 00:33:57,530

country and around the world in the

791

00:34:01,960 --> 00:34:00,140

Pacific Northwest and in Oregon and can

792

00:34:04,900 --> 00:34:01,970

in other areas where you have the

793

00:34:07,270 --> 00:34:04,910

typical five toad tracks not uncommon to

794

00:34:09,100 --> 00:34:07,280

receive reports a 3,000 even four toad

795

00:34:11,200 --> 00:34:09,110

tracks saying things here in

796

00:34:12,730 --> 00:34:11,210

Pennsylvania and along the East Coast

797

00:34:15,310 --> 00:34:12,740

it's been going on for years and years

798

00:34:18,790 --> 00:34:15,320

how could you know it's hard enough to

799

00:34:20,890 --> 00:34:18,800

please that for so many years you can

800

00:34:23,170 --> 00:34:20,900

have one type of unknown primate running

801
00:34:25,570 --> 00:34:23,180
around and nobody ever finding one if

802
00:34:27,970 --> 00:34:25,580
these are legitimate tracks and sure

803
00:34:30,340 --> 00:34:27,980
I've seen hoax tracks but I've also seen

804
00:34:32,020 --> 00:34:30,350
many many other tracks that appear to be

805
00:34:32,770 --> 00:34:32,030
legitimate the witnesses are very

806
00:34:35,080 --> 00:34:32,780
sincere

807
00:34:36,790 --> 00:34:35,090
there was other data that suggested

808
00:34:39,610 --> 00:34:36,800
there was something will happen out

809
00:34:42,760 --> 00:34:39,620
there how can you have so many different

810
00:34:44,530 --> 00:34:42,770
types of cracks showing up how can you

811
00:34:46,600 --> 00:34:44,540
have so many types of unknown different

812
00:34:47,890 --> 00:34:46,610
species out there it doesn't make any

813
00:34:50,980 --> 00:34:47,900

sense there's got to be something else

814

00:34:52,990 --> 00:34:50,990

involved yeah we got a question in a

815

00:34:55,600 --> 00:34:53,000

chat room about how you separate the

816

00:34:59,140 --> 00:34:55,610

serious reports and pranks well you know

817

00:35:04,150 --> 00:34:59,150

it's interesting and I know you feel the

818

00:35:06,010 --> 00:35:04,160

same way a lot of these people that we

819

00:35:09,490 --> 00:35:06,020

have dealt with in this area or in

820

00:35:11,650 --> 00:35:09,500

Pennsylvania in general when they report

821

00:35:13,630 --> 00:35:11,660

it they really believe they have seen

822

00:35:16,960 --> 00:35:13,640

something and a lot of times the

823

00:35:20,500 --> 00:35:16,970

evidence in the account really match up

824

00:35:21,330 --> 00:35:20,510

to something serious oh no doubt and you

825

00:35:24,670 --> 00:35:21,340

know

826

00:35:27,130 --> 00:35:24,680

reflecting back again to the 70s 1973

827

00:35:29,140 --> 00:35:27,140

and that's when I had my first research

828

00:35:31,150 --> 00:35:29,150

group of a lot of scientists and

829

00:35:33,040 --> 00:35:31,160

engineers and research people and we're

830

00:35:35,560 --> 00:35:33,050

responding incidents 24 hours a day

831

00:35:37,390 --> 00:35:35,570

around our jobs you know we were on the

832

00:35:40,690 --> 00:35:37,400

scene and back in those days even the

833

00:35:42,280 --> 00:35:40,700

police investigated some of the cases in

834

00:35:44,380 --> 00:35:42,290

or our teams or the police would be on

835

00:35:46,210 --> 00:35:44,390

the scene within minutes two hours so

836

00:35:47,650 --> 00:35:46,220

we're documenting all this as it's

837

00:35:49,930 --> 00:35:47,660

happening I mean you could go out there

838

00:35:51,940 --> 00:35:49,940

and see the emotions and the fright in

839

00:35:53,620 --> 00:35:51,950

the eyes of the witnesses you can see

840

00:35:55,300 --> 00:35:53,630

how the animal is reacting and that's

841

00:35:57,250 --> 00:35:55,310

something that keeps showing up all the

842

00:35:59,170 --> 00:35:57,260

time and I said for years and years he

843

00:36:00,750 --> 00:35:59,180

can for animals with people but you can

844

00:36:04,200 --> 00:36:00,760

for the animals and then

845

00:36:06,540 --> 00:36:04,210

see normally vicious ferocious dogs just

846

00:36:07,320 --> 00:36:06,550

towering and not even moving and not

847

00:36:09,780 --> 00:36:07,330

barking

848

00:36:11,460 --> 00:36:09,790

I mean after Sunday after a Bigfoot have

849

00:36:13,860 --> 00:36:11,470

been right near them I mean that's

850

00:36:15,660 --> 00:36:13,870

something you can't fabricate so and so

851
00:36:17,820 --> 00:36:15,670
many of those cases we're on the scene

852
00:36:19,080 --> 00:36:17,830
we see the physical evidence there you

853
00:36:20,790 --> 00:36:19,090
see the animal reactions you're

854
00:36:23,490 --> 00:36:20,800
interviewing the people you see the

855
00:36:25,860 --> 00:36:23,500
emotional responsible witnesses and even

856
00:36:27,960 --> 00:36:25,870
today I get many reports like you do and

857
00:36:30,180 --> 00:36:27,970
so many of these people call me and

858
00:36:32,160 --> 00:36:30,190
they're from all walks of life many of

859
00:36:34,440 --> 00:36:32,170
our professional people some were

860
00:36:36,240 --> 00:36:34,450
experienced hunters who never believed

861
00:36:37,620 --> 00:36:36,250
that these kind of creatures could exist

862
00:36:41,010 --> 00:36:37,630
till they had their own personal

863
00:36:43,560 --> 00:36:41,020

encounter and I'm telling you so many of

864

00:36:46,860 --> 00:36:43,570

these people they they have they had and

865

00:36:48,810 --> 00:36:46,870

they have very difficult times dealing

866

00:36:50,550 --> 00:36:48,820

with some of these cases I mean I some

867

00:36:52,800 --> 00:36:50,560

of these witnesses from 30 40 years ago

868

00:36:54,180 --> 00:36:52,810

I'm still in touch with and some of

869

00:36:56,280 --> 00:36:54,190

these people their lives have been

870

00:36:58,380 --> 00:36:56,290

changed because of what they saw and

871

00:37:00,330 --> 00:36:58,390

they couldn't believe what they saw yeah

872

00:37:03,360 --> 00:37:00,340

you're right you know it's interesting

873

00:37:06,900 --> 00:37:03,370

the report that you had you had forward

874

00:37:10,380 --> 00:37:06,910

to me from Lakewood Colorado the the

875

00:37:13,910 --> 00:37:10,390

doggy's dog man report from about three

876
00:37:18,780 --> 00:37:13,920
years ago you remember that that witness

877
00:37:21,300 --> 00:37:18,790
amazing witness professional guy I mean

878
00:37:25,470 --> 00:37:21,310
great description he was he was an

879
00:37:27,990 --> 00:37:25,480
artist he did a an actual sketch of it I

880
00:37:30,990 --> 00:37:28,000
was lucky enough to have Jack Carey he

881
00:37:34,050 --> 00:37:31,000
and JC Johnson right down the street

882
00:37:37,700 --> 00:37:34,060
from this guy at the time which was wild

883
00:37:43,170 --> 00:37:37,710
they were over there the next day and

884
00:37:44,820 --> 00:37:43,180
Jack has actually caught some footage of

885
00:37:49,470 --> 00:37:44,830
something that looks like an upright

886
00:37:52,110 --> 00:37:49,480
canine running it was something that he

887
00:37:55,740 --> 00:37:52,120
caught when he was being filmed running

888
00:37:58,860 --> 00:37:55,750

from behind him so that area something's

889

00:38:00,030 --> 00:37:58,870

going on around there but uh you know I

890

00:38:01,740 --> 00:38:00,040

just want to let everybody know that

891

00:38:03,840 --> 00:38:01,750

you're the one who sent that read that

892

00:38:07,080 --> 00:38:03,850

report came in to you originally and

893

00:38:09,030 --> 00:38:07,090

then you sent it off to me that was that

894

00:38:12,120 --> 00:38:09,040

was one of the more interesting upright

895

00:38:14,160 --> 00:38:12,130

canine reports I've ever had yeah

896

00:38:16,140 --> 00:38:14,170

there's some amazing

897

00:38:18,900 --> 00:38:16,150

counts out there there it's just amazing

898

00:38:21,540 --> 00:38:18,910

what goes on all the time and just the

899

00:38:24,510 --> 00:38:21,550

reports that we hear about and you know

900

00:38:26,520 --> 00:38:24,520

I do a lot of um I do a lot of lectures

901
00:38:28,770 --> 00:38:26,530
and I got a lot of different places and

902
00:38:30,600 --> 00:38:28,780
everywhere I go people are coming up and

903
00:38:32,040 --> 00:38:30,610
sharing their accounts or accounts that

904
00:38:33,990 --> 00:38:32,050
you know about I mean it's just

905
00:38:35,790 --> 00:38:34,000
continuous everywhere can you just

906
00:38:37,500 --> 00:38:35,800
imagine how much of this is really going

907
00:38:41,160 --> 00:38:37,510
on out there that we don't know about oh

908
00:38:42,870 --> 00:38:41,170
absolutely yeah I mean yeah that's right

909
00:38:44,970 --> 00:38:42,880
I mean how many what kind of percentage

910
00:38:46,590 --> 00:38:44,980
you think we actually get of what people

911
00:38:49,740 --> 00:38:46,600
are actually seeing I would say it'd be

912
00:38:52,970 --> 00:38:49,750
less than five percent yeah it's

913
00:38:55,860 --> 00:38:52,980

probably small yeah I mean it's amazing

914

00:38:58,170 --> 00:38:55,870

yeah I mean it's just everywhere you go

915

00:39:00,630 --> 00:38:58,180

I mean there's probably not a place in

916

00:39:02,310 --> 00:39:00,640

Pennsylvania ten over the years hasn't

917

00:39:04,620 --> 00:39:02,320

had some kind of incident some places

918

00:39:07,560 --> 00:39:04,630

have continuous incidents or a large

919

00:39:09,270 --> 00:39:07,570

number of reports and you know if you

920

00:39:10,800 --> 00:39:09,280

look at some of the reports of where

921

00:39:12,810 --> 00:39:10,810

they're coming in from in more recent

922

00:39:15,660 --> 00:39:12,820

years you're getting more and more

923

00:39:17,370 --> 00:39:15,670

reports in more populated areas not so

924

00:39:19,290 --> 00:39:17,380

much just the wooded areas but other

925

00:39:22,140 --> 00:39:19,300

areas where there's maybe some woods

926

00:39:25,500 --> 00:39:22,150

around but not a lot it's more of people

927

00:39:27,270 --> 00:39:25,510

and homes and again that just adds more

928

00:39:30,240 --> 00:39:27,280

more to the mystery where do they hide

929

00:39:31,800 --> 00:39:30,250

where do they come from and I'm you know

930

00:39:34,500 --> 00:39:31,810

on you know we talked about this

931

00:39:36,330 --> 00:39:34,510

privately and on a Radio Times and like

932

00:39:37,830 --> 00:39:36,340

I said you know I've been very skeptical

933

00:39:39,480 --> 00:39:37,840

but open-minded I've interviewed

934

00:39:42,840 --> 00:39:39,490

hundreds of Bigfoot witnesses and

935

00:39:44,220 --> 00:39:42,850

thousands of UFO witnesses and I've seen

936

00:39:46,830 --> 00:39:44,230

white evidence out there I've never

937

00:39:48,360 --> 00:39:46,840

personally seen a UFO Bigfoot myself

938

00:39:50,550 --> 00:39:48,370

something or anything I could not

939

00:39:53,910 --> 00:39:50,560

identify which surprises a lot of people

940

00:39:56,070 --> 00:39:53,920

and but I there's so much data that

941

00:39:57,960 --> 00:39:56,080

we've come across and it's been so

942

00:39:59,580 --> 00:39:57,970

interesting over so many years to

943

00:40:01,770 --> 00:39:59,590

interview so many people he gave me

944

00:40:03,840 --> 00:40:01,780

those little details and the people were

945

00:40:06,450 --> 00:40:03,850

so reluctant even tell me what they saw

946

00:40:09,240 --> 00:40:06,460

though so bizarre but when you have so

947

00:40:11,100 --> 00:40:09,250

many people from widespread areas Tony

948

00:40:12,960 --> 00:40:11,110

these stories there's something

949

00:40:15,030 --> 00:40:12,970

happening out there and I'm telling you

950

00:40:17,190 --> 00:40:15,040

as reluctant as I am to say it I think

951
00:40:19,860 --> 00:40:17,200
more and more a lot of this phenomena is

952
00:40:21,660 --> 00:40:19,870
more than flesh and blood for a lack of

953
00:40:23,610 --> 00:40:21,670
a better term it's interdimensional it's

954
00:40:25,200 --> 00:40:23,620
coming from another reality and these

955
00:40:27,570 --> 00:40:25,210
things come into our physical reality

956
00:40:28,260 --> 00:40:27,580
under certain conditions they can leave

957
00:40:30,030 --> 00:40:28,270
physical

958
00:40:32,850 --> 00:40:30,040
and they're going they come and they go

959
00:40:35,760 --> 00:40:32,860
like water witnesses tell me well you

960
00:40:38,550 --> 00:40:35,770
know we've been we've been told by the

961
00:40:40,860 --> 00:40:38,560
flesh and blood people for years that

962
00:40:42,630 --> 00:40:40,870
we're crazy but I'm telling you that

963
00:40:45,870 --> 00:40:42,640

there's just no other way to explain it

964

00:40:47,130 --> 00:40:45,880

but quite frankly you know you talk to

965

00:40:50,120 --> 00:40:47,140

me about you're preaching to the choir

966

00:40:53,640 --> 00:40:50,130

but it's just so much evidence of

967

00:40:58,710 --> 00:40:53,650

something quite supernatural when it

968

00:41:01,770 --> 00:40:58,720

comes to Bigfoot yeah and you know I've

969

00:41:04,260 --> 00:41:01,780

seen the change now in recent years yeah

970

00:41:07,190 --> 00:41:04,270

I found it the cryptids first cryptid

971

00:41:09,570 --> 00:41:07,200

corn down in Kentucky last year and I

972

00:41:12,450 --> 00:41:09,580

from what I remember I think almost

973

00:41:14,760 --> 00:41:12,460

every person that spoke every speaker

974

00:41:17,010 --> 00:41:14,770

was talking about the paranormal aspects

975

00:41:19,170 --> 00:41:17,020

of Bigfoot and I'm getting such a huge

976

00:41:21,780 --> 00:41:19,180

response from emails from researchers

977

00:41:22,980 --> 00:41:21,790

and witness around the country you know

978

00:41:25,140 --> 00:41:22,990

on the same thing and they're beginning

979

00:41:26,700 --> 00:41:25,150

you know years and I wrote about this

980

00:41:28,230 --> 00:41:26,710

forty some years ago when I was

981

00:41:30,870 --> 00:41:28,240

uncovering and back then was a lot more

982

00:41:32,400 --> 00:41:30,880

ridicule now it's being taken a lot more

983

00:41:34,170 --> 00:41:32,410

serious a lot of people in the Bigfoot

984

00:41:36,120 --> 00:41:34,180

field even a lot of you know some

985

00:41:37,530 --> 00:41:36,130

well-known people and they may not talk

986

00:41:39,360 --> 00:41:37,540

about publicly but they're getting in

987

00:41:41,100 --> 00:41:39,370

the reports they're very much aware of

988

00:41:42,360 --> 00:41:41,110

it and I think more and more they're

989

00:41:44,790 --> 00:41:42,370

beginning the same ask the same

990

00:41:46,800 --> 00:41:44,800

questions I am where's the bodies it

991

00:41:48,750 --> 00:41:46,810

makes no sense after so many years of

992

00:41:50,250 --> 00:41:48,760

sightings of something so more seen

993

00:41:52,350 --> 00:41:50,260

around the country around the world and

994

00:41:54,360 --> 00:41:52,360

yet we have so little really good

995

00:41:56,460 --> 00:41:54,370

physical evidence and no bodies but

996

00:41:58,020 --> 00:41:56,470

everybody can't be wrong there's

997

00:41:59,580 --> 00:41:58,030

something happening out there and

998

00:42:02,220 --> 00:41:59,590

there's more to it than any of us

999

00:42:05,000 --> 00:42:02,230

understand at this point and this is

1000

00:42:08,340 --> 00:42:05,010

something I've wanted to ask you before

1001
00:42:11,640 --> 00:42:08,350
why do you think that the number of

1002
00:42:13,530 --> 00:42:11,650
people in this I mean as far as people

1003
00:42:16,260 --> 00:42:13,540
that do actual research and

1004
00:42:18,210 --> 00:42:16,270
investigation is not as much you would

1005
00:42:21,480 --> 00:42:18,220
think in Pennsylvania even though the

1006
00:42:23,730 --> 00:42:21,490
state is so huge so much wilderness area

1007
00:42:28,140 --> 00:42:23,740
we really don't have a large number of

1008
00:42:30,510 --> 00:42:28,150
investigators well it's hard to say

1009
00:42:33,690 --> 00:42:30,520
there was a lot more investigators back

1010
00:42:35,550 --> 00:42:33,700
in the 79 and there was a lot of good

1011
00:42:38,160 --> 00:42:35,560
investigator unfortunately many of them

1012
00:42:40,050 --> 00:42:38,170
are deceased many of them are up in age

1013
00:42:41,970 --> 00:42:40,060

many of them are not in good physical

1014

00:42:43,829 --> 00:42:41,980

condition anymore to get out

1015

00:42:45,839 --> 00:42:43,839

I mean I'm some with luminous you know

1016

00:42:48,060 --> 00:42:45,849

I'm up there now too and I get out as

1017

00:42:51,510 --> 00:42:48,070

much as I can but I can't do as much as

1018

00:42:54,300 --> 00:42:51,520

I could 20 years ago and but there's a

1019

00:42:56,550 --> 00:42:54,310

lot of independent researchers out there

1020

00:42:58,349 --> 00:42:56,560

a lot of little groups showing up

1021

00:43:00,569 --> 00:42:58,359

investigating Bigfoot and there's a

1022

00:43:02,280 --> 00:43:00,579

tremendous number of paranormal ghosts

1023

00:43:04,950 --> 00:43:02,290

tiny groups all over this area all over

1024

00:43:07,109 --> 00:43:04,960

the state they're everywhere and so

1025

00:43:09,210 --> 00:43:07,119

there are people out there doing it but

1026

00:43:10,859 --> 00:43:09,220

there's just a lot of people aren't

1027

00:43:13,280 --> 00:43:10,869

really that active there's groups around

1028

00:43:17,960 --> 00:43:13,290

they're just not that active

1029

00:43:21,450 --> 00:43:17,970

yeah I think it more people would would

1030

00:43:24,359 --> 00:43:21,460

actually not concentrate on one anomaly

1031

00:43:26,819 --> 00:43:24,369

and kind of take it in whole I think

1032

00:43:29,040 --> 00:43:26,829

there'd be more success in understanding

1033

00:43:30,900 --> 00:43:29,050

a lot what's going on and maybe you and

1034

00:43:33,359 --> 00:43:30,910

I look at everything you know and of

1035

00:43:35,130 --> 00:43:33,369

course like they're the people that we

1036

00:43:37,710 --> 00:43:35,140

associate with kind of look at every

1037

00:43:41,730 --> 00:43:37,720

little type of anomaly that goes on in

1038

00:43:43,200 --> 00:43:41,740

this state and but of course you know

1039

00:43:46,349 --> 00:43:43,210

the people that doing the ghosts they do

1040

00:43:48,120 --> 00:43:46,359

the ghost thing and and you got to the

1041

00:43:49,890 --> 00:43:48,130

Bigfoot people that just do the Bigfoot

1042

00:43:54,150 --> 00:43:49,900

foot thing and that and it kind of

1043

00:43:57,480 --> 00:43:54,160

limited to that but you know there are

1044

00:43:59,490 --> 00:43:57,490

just so many aspects to the paranormal

1045

00:44:03,750 --> 00:43:59,500

that I believe are connected and of

1046

00:44:06,329 --> 00:44:03,760

course you know II just keep it does it

1047

00:44:09,319 --> 00:44:06,339

keeps us busy it's amazing so and you

1048

00:44:12,150 --> 00:44:09,329

know of course down here where I'm at

1049

00:44:14,760 --> 00:44:12,160

with this Adams York County in Lancaster

1050

00:44:18,540 --> 00:44:14,770

County area the southern part of the

1051
00:44:20,790 --> 00:44:18,550
Susquehanna Valley we just said many

1052
00:44:23,609 --> 00:44:20,800
types of things I mean Timmy renters

1053
00:44:27,120 --> 00:44:23,619
been down there his area down there in

1054
00:44:29,640 --> 00:44:27,130
the the corner of South southern New

1055
00:44:31,950 --> 00:44:29,650
York County northern Maryland he's been

1056
00:44:34,020 --> 00:44:31,960
getting Bigfoot reports like crazy down

1057
00:44:37,079 --> 00:44:34,030
there there's just a lot of different

1058
00:44:38,880 --> 00:44:37,089
things going on and that area's always

1059
00:44:41,010 --> 00:44:38,890
had a history I mean I looked at the

1060
00:44:43,530 --> 00:44:41,020
sightings back there in the 70s yeah and

1061
00:44:45,569 --> 00:44:43,540
there's a lot of activity I've heard

1062
00:44:47,250 --> 00:44:45,579
reports of sightings around you know

1063
00:44:49,559 --> 00:44:47,260

allegedly around Harrisburg and eastern

1064

00:44:51,870 --> 00:44:49,569

PA in the last several years I've heard

1065

00:44:53,790 --> 00:44:51,880

reports from that whole general area so

1066

00:44:54,450 --> 00:44:53,800

they've been going on everywhere but you

1067

00:44:56,430 --> 00:44:54,460

know talking

1068

00:44:58,050 --> 00:44:56,440

about just looking into a particular

1069

00:45:00,750 --> 00:44:58,060

phenomena you know when I started this

1070

00:45:02,820 --> 00:45:00,760

one you know I started this 1959 I've

1071

00:45:05,400 --> 00:45:02,830

been out in the field since 1965

1072

00:45:07,589 --> 00:45:05,410

since the Kecksburg incident and then in

1073

00:45:09,270 --> 00:45:07,599

those early days when I first started

1074

00:45:10,140 --> 00:45:09,280

while I was interested in UFOs and all

1075

00:45:12,270 --> 00:45:10,150

kind of phenomena

1076

00:45:15,060 --> 00:45:12,280

I was kidding a lot of calls on haunted

1077

00:45:17,010 --> 00:45:15,070

houses long before most people got him

1078

00:45:18,329 --> 00:45:17,020

to the paranormal and wasn't the thing I

1079

00:45:20,099 --> 00:45:18,339

was really interested in but I was

1080

00:45:22,560 --> 00:45:20,109

getting called out to investigate these

1081

00:45:26,040 --> 00:45:22,570

reports so that's how I started looking

1082

00:45:28,620 --> 00:45:26,050

into them and then I get into evolved in

1083

00:45:31,530 --> 00:45:28,630

all these UFO cases and then all these

1084

00:45:33,780 --> 00:45:31,540

Bigfoot reports and then 73 comes around

1085

00:45:36,060 --> 00:45:33,790

and we had that massive UFO Bigfoot

1086

00:45:38,250 --> 00:45:36,070

outbreak I went on for you know months

1087

00:45:40,050 --> 00:45:38,260

and months and months and then things

1088

00:45:42,420 --> 00:45:40,060

began to turn up at that time this I

1089

00:45:44,760 --> 00:45:42,430

wasn't looking for I mean I wasn't out

1090

00:45:46,890 --> 00:45:44,770

there trying to see cases with Bigfoot

1091

00:45:48,720 --> 00:45:46,900

UFOs seen together I mean these are

1092

00:45:51,690 --> 00:45:48,730

witness turned up and you got to

1093

00:45:53,130 --> 00:45:51,700

remember you know in 1973 again and it

1094

00:45:55,589 --> 00:45:53,140

was a different time period there's no

1095

00:45:57,210 --> 00:45:55,599

cellphones there's no internet a lot of

1096

00:45:58,380 --> 00:45:57,220

calls initially were coming into the

1097

00:46:00,839 --> 00:45:58,390

police departments and they were

1098

00:46:04,200 --> 00:46:00,849

referring other cases us to follow up or

1099

00:46:05,760 --> 00:46:04,210

and investigate and it was just so

1100

00:46:07,890 --> 00:46:05,770

amazing when you got out to these

1101
00:46:10,740 --> 00:46:07,900
incidents especially with the Bigfoot

1102
00:46:13,920 --> 00:46:10,750
and people were telling you all you know

1103
00:46:15,720 --> 00:46:13,930
they're saying for example maybe this is

1104
00:46:16,710 --> 00:46:15,730
just a Christmas but when there's things

1105
00:46:18,780 --> 00:46:16,720
on our farm

1106
00:46:20,940 --> 00:46:18,790
for example we see it or we hear

1107
00:46:22,859 --> 00:46:20,950
screaming within a short time later

1108
00:46:23,460 --> 00:46:22,869
these strange objects the lights appear

1109
00:46:26,370 --> 00:46:23,470
on the farm

1110
00:46:27,870 --> 00:46:26,380
mm-hmm you know things like that and

1111
00:46:29,940 --> 00:46:27,880
then you begin to find out from other

1112
00:46:31,380 --> 00:46:29,950
people well we have that other weird

1113
00:46:33,750 --> 00:46:31,390

things that go on - you know we're

1114

00:46:35,550 --> 00:46:33,760

having strange sounds and we're having

1115

00:46:39,960 --> 00:46:35,560

paranormal activity in our home on

1116

00:46:41,700 --> 00:46:39,970

occasion and the more you know as the

1117

00:46:45,750 --> 00:46:41,710

many years I've been doing this 59 years

1118

00:46:48,120 --> 00:46:45,760

this year and you talk to so many people

1119

00:46:50,190 --> 00:46:48,130

to tell you these little tidbits these

1120

00:46:52,589 --> 00:46:50,200

great little bits of information you can

1121

00:46:54,990 --> 00:46:52,599

getting it in and the more I know about

1122

00:46:56,490 --> 00:46:55,000

the phenomena and believe me not I don't

1123

00:46:58,170 --> 00:46:56,500

think anybody has the answers I don't

1124

00:46:59,940 --> 00:46:58,180

think the government has the answers and

1125

00:47:02,339 --> 00:46:59,950

they're trying to figure it out too but

1126

00:47:04,140 --> 00:47:02,349

I think a lot of these various anomalies

1127

00:47:06,359 --> 00:47:04,150

are somehow interconnected they're all

1128

00:47:07,960 --> 00:47:06,369

interrelated in some way and I know part

1129

00:47:10,060 --> 00:47:07,970

of it as energy-related

1130

00:47:12,160 --> 00:47:10,070

I noticed years and years ago and I

1131

00:47:14,220 --> 00:47:12,170

talked about those years ago and I see

1132

00:47:17,680 --> 00:47:14,230

it more and more in recent years at one

1133

00:47:20,260 --> 00:47:17,690

many close range low-level UFO sightings

1134

00:47:22,839 --> 00:47:20,270

and many encounters would crypt it so

1135

00:47:24,430 --> 00:47:22,849

Bigfoot and the Thunderbirds and the

1136

00:47:27,339 --> 00:47:24,440

Black Panthers and these other weird

1137

00:47:30,520 --> 00:47:27,349

creatures they commonly occur in the

1138

00:47:32,530 --> 00:47:30,530

vicinity of high energy sources so once

1139

00:47:34,780 --> 00:47:32,540

again you got those gas wells and gas

1140

00:47:36,910 --> 00:47:34,790

lines and high tension power lines and

1141

00:47:39,760 --> 00:47:36,920

power plants radio towers or railroad

1142

00:47:43,180 --> 00:47:39,770

tracks and water there's energy involved

1143

00:47:44,650 --> 00:47:43,190

in this phenomena and you know I have

1144

00:47:47,589 --> 00:47:44,660

just have no doubt about that whatsoever

1145

00:47:49,660 --> 00:47:47,599

I don't know what's going on none of us

1146

00:47:51,430 --> 00:47:49,670

have the answers but there's a phenomena

1147

00:47:53,680 --> 00:47:51,440

out there that has a physical and a

1148

00:47:55,930 --> 00:47:53,690

non-physical component to it and this is

1149

00:47:57,880 --> 00:47:55,940

why at times these things come into our

1150

00:48:00,220 --> 00:47:57,890

physical reality they're here for a

1151

00:48:02,020 --> 00:48:00,230

short time they can be physically solid

1152

00:48:04,839 --> 00:48:02,030

at times but in some cases they're not

1153

00:48:06,460 --> 00:48:04,849

always completely solid and as weird as

1154

00:48:08,859 --> 00:48:06,470

it sounds there's the incidence where

1155

00:48:10,870 --> 00:48:08,869

for example balls of white turn to

1156

00:48:13,570 --> 00:48:10,880

creatures and creatures turn to other

1157

00:48:14,800 --> 00:48:13,580

creatures I mean that's so bizarre but a

1158

00:48:16,420 --> 00:48:14,810

lot of it you don't hear about because

1159

00:48:18,640 --> 00:48:16,430

the people don't want to talk about it

1160

00:48:20,170 --> 00:48:18,650

well you know this is a phenomena you

1161

00:48:24,839 --> 00:48:20,180

and I have talked about the last couple

1162

00:48:27,190 --> 00:48:24,849

years these orbs lights energy

1163

00:48:29,109 --> 00:48:27,200

associated with Bigfoot reports now of

1164

00:48:31,780 --> 00:48:29,119

course you've been talking for years

1165

00:48:34,240 --> 00:48:31,790

about the UFO activity but I'm talking

1166

00:48:36,460 --> 00:48:34,250

about of course orbs and lights inside

1167

00:48:38,320 --> 00:48:36,470

the woods moving around and near the

1168

00:48:40,170 --> 00:48:38,330

ground where these these Bigfoot

1169

00:48:43,300 --> 00:48:40,180

sighting children yet

1170

00:48:46,810 --> 00:48:43,310

exactly and again it I started noticing

1171

00:48:50,410 --> 00:48:46,820

this in 1972 and I can tell you where

1172

00:48:52,120 --> 00:48:50,420

this was only miles from my house along

1173

00:48:53,800 --> 00:48:52,130

what they call Humphrey Road which was a

1174

00:48:56,140 --> 00:48:53,810

lot of homes along this large thick

1175

00:48:58,359 --> 00:48:56,150

wooded area everything had been normal

1176

00:48:59,770 --> 00:48:58,369

and then all of a sudden we started

1177

00:49:02,820 --> 00:48:59,780

getting reports from different people

1178

00:49:05,579 --> 00:49:02,830

back in those days calling me separately

1179

00:49:08,170 --> 00:49:05,589

said I've lived here all my life

1180

00:49:09,910 --> 00:49:08,180

something strange is good on these woods

1181

00:49:12,280 --> 00:49:09,920

were hearing these horrific screams and

1182

00:49:13,870 --> 00:49:12,290

cries we're hearing something bite that

1183

00:49:16,540 --> 00:49:13,880

I'll have you walking in the woods we're

1184

00:49:18,550 --> 00:49:16,550

seeing strange lights then people began

1185

00:49:21,220 --> 00:49:18,560

to report in one case I saw this large

1186

00:49:24,010 --> 00:49:21,230

broad shouldered hairy creature chasing

1187

00:49:27,430 --> 00:49:24,020

to the woods and they reported these

1188

00:49:30,220 --> 00:49:27,440

small little like oversized fireflies

1189

00:49:34,300 --> 00:49:30,230

I've got all golf ball-sized little

1190

00:49:36,160 --> 00:49:34,310

round spheres of light within 10 20 feet

1191

00:49:38,830 --> 00:49:36,170

of their home right right above right in

1192

00:49:41,530 --> 00:49:38,840

the trees and that's when I first began

1193

00:49:43,960 --> 00:49:41,540

to notice it it's been going on more and

1194

00:49:46,330 --> 00:49:43,970

more during the 70s and since that time

1195

00:49:47,980 --> 00:49:46,340

and why these case where there's a

1196

00:49:50,730 --> 00:49:47,990

Bigfoot sighting you get reports of

1197

00:49:53,380 --> 00:49:50,740

these other strange objects or small

1198

00:49:55,150 --> 00:49:53,390

what I call mini UFOs these little balls

1199

00:49:58,150 --> 00:49:55,160

of light but I haven't talked about

1200

00:49:59,950 --> 00:49:58,160

these many UFOs for years and they're

1201
00:50:02,050 --> 00:49:59,960
very fascinating because some of these

1202
00:50:04,960 --> 00:50:02,060
things generally a few inches to a foot

1203
00:50:07,360 --> 00:50:04,970
in diameter some are just bright light

1204
00:50:09,430 --> 00:50:07,370
sources of various colors some were

1205
00:50:12,640 --> 00:50:09,440
transparent some are more metallic

1206
00:50:15,070 --> 00:50:12,650
in many cases interestingly even they

1207
00:50:17,620 --> 00:50:15,080
ever hurt anybody they come very close

1208
00:50:19,990 --> 00:50:17,630
to the witnesses I mean within their and

1209
00:50:22,930 --> 00:50:20,000
I have many instances where these things

1210
00:50:25,030 --> 00:50:22,940
I've entered people's homes the Indus

1211
00:50:27,490 --> 00:50:25,040
tendered people's homes and cars through

1212
00:50:29,320 --> 00:50:27,500
open windows they glide around they

1213
00:50:34,060 --> 00:50:29,330

float around and they go back out again

1214

00:50:36,220 --> 00:50:34,070

and one story I talk about a lot some of

1215

00:50:38,050 --> 00:50:36,230

my lectures I remember a case up in

1216

00:50:40,120 --> 00:50:38,060

northern PA Oh back in the 80s I believe

1217

00:50:42,850 --> 00:50:40,130

and this woman's tell me she's in her

1218

00:50:44,320 --> 00:50:42,860

kitchen cooking one day had the window

1219

00:50:46,060 --> 00:50:44,330

open one of these little spheres comes

1220

00:50:48,520 --> 00:50:46,070

in and it's floating around the kitchen

1221

00:50:50,740 --> 00:50:48,530

so what's her response she grabs her

1222

00:50:52,570 --> 00:50:50,750

brewster is hitting it and she said a

1223

00:50:54,700 --> 00:50:52,580

broken the two identical little spheres

1224

00:50:59,890 --> 00:50:54,710

they fluttered around went back out the

1225

00:51:01,960 --> 00:50:59,900

window or going yeah you know and you

1226

00:51:04,270 --> 00:51:01,970

know that's pretty typical I it's

1227

00:51:08,410 --> 00:51:04,280

interesting when I get somebody out call

1228

00:51:11,260 --> 00:51:08,420

me up and say look I've got these orbs

1229

00:51:14,410 --> 00:51:11,270

in the house out and outside I don't

1230

00:51:16,240 --> 00:51:14,420

know what they are or me or the ghost or

1231

00:51:18,340 --> 00:51:16,250

whatever and you know I asked I talked

1232

00:51:21,130 --> 00:51:18,350

them more more and I tagged and then I

1233

00:51:23,110 --> 00:51:21,140

Vera blast them well have you noticed

1234

00:51:24,130 --> 00:51:23,120

any other activity and they said well

1235

00:51:26,400 --> 00:51:24,140

what are you talking about

1236

00:51:30,400 --> 00:51:26,410

well have you heard anything have you

1237

00:51:34,450 --> 00:51:30,410

seen anything unusual as well and you

1238

00:51:35,059 --> 00:51:34,460

know most times they will say well it's

1239

00:51:37,489 --> 00:51:35,069

funny you bring

1240

00:51:40,999 --> 00:51:37,499

because I have heard some strange sounds

1241

00:51:42,979 --> 00:51:41,009

out in the yard at night or out the

1242

00:51:48,829 --> 00:51:42,989

woods or something that I've never heard

1243

00:51:50,569 --> 00:51:48,839

before well you know again I mean in my

1244

00:51:54,410 --> 00:51:50,579

mind I believe a lot of those associated

1245

00:51:56,949 --> 00:51:54,420

with each other yeah yeah and and as you

1246

00:51:59,660 --> 00:51:56,959

brought up you know in more recent years

1247

00:52:01,880 --> 00:51:59,670

not only in Pennsylvania but around the

1248

00:52:03,650 --> 00:52:01,890

country sure in areas where there's a

1249

00:52:05,630 --> 00:52:03,660

lotta history of Bigfoot activity in

1250

00:52:08,779 --> 00:52:05,640

Bigfoot encounters a Fayette County PA

1251
00:52:10,759 --> 00:52:08,789
other areas Bigfoot researchers are out

1252
00:52:12,439 --> 00:52:10,769
there looking for a Bigfoot looking for

1253
00:52:13,969 --> 00:52:12,449
evidence of Bigfoot they're not seeing

1254
00:52:16,640 --> 00:52:13,979
Bigfoot but they're reporting seeing

1255
00:52:19,039 --> 00:52:16,650
these strange you know multitudes of

1256
00:52:20,569 --> 00:52:19,049
these fireflies type objects that don't

1257
00:52:22,759 --> 00:52:20,579
move around the done act like normal

1258
00:52:25,279 --> 00:52:22,769
fireflies or these spheres of light

1259
00:52:27,739 --> 00:52:25,289
these little round all spheres of light

1260
00:52:29,539 --> 00:52:27,749
loan the ground or in the trees we're

1261
00:52:32,180 --> 00:52:29,549
hearing normal reports like this from

1262
00:52:33,739 --> 00:52:32,190
all over the country you know we're also

1263
00:52:37,339 --> 00:52:33,749

giving a lot of reports in the urban

1264

00:52:39,589 --> 00:52:37,349

areas as well you know of course I went

1265

00:52:42,199 --> 00:52:39,599

up and I was involved with this Chicago

1266

00:52:45,140 --> 00:52:42,209

thing last year with the flying

1267

00:52:48,829 --> 00:52:45,150

humanoids the winged humanoids but you

1268

00:52:52,999 --> 00:52:48,839

know I have gotten reports well Kerr's

1269

00:52:55,130 --> 00:52:53,009

Berg inside York of strange phenomena

1270

00:52:58,400 --> 00:52:55,140

other than something that may be

1271

00:53:00,799 --> 00:52:58,410

spiritual so I mean people are becoming

1272

00:53:03,979 --> 00:53:00,809

more wary even in urban areas of these

1273

00:53:06,229 --> 00:53:03,989

Manama Lee's oh yeah I mean I've

1274

00:53:09,410 --> 00:53:06,239

investigated many cases like I said I've

1275

00:53:10,670 --> 00:53:09,420

had recent incidents very close to you

1276

00:53:12,199 --> 00:53:10,680

know the pits from get I mean I've had

1277

00:53:14,059 --> 00:53:12,209

him since the last years you put in in

1278

00:53:17,150 --> 00:53:14,069

downtown Pittsburgh oh yeah I've had

1279

00:53:18,589 --> 00:53:17,160

then so in past years I write about some

1280

00:53:21,380 --> 00:53:18,599

of my books where I remember one case

1281

00:53:23,420 --> 00:53:21,390

was out in one of the prominent areas of

1282

00:53:25,039 --> 00:53:23,430

Pittsburgh suburb of Squirrel Hill back

1283

00:53:27,370 --> 00:53:25,049

a number of years ago three o'clock in

1284

00:53:29,329 --> 00:53:27,380

the morning his large solids

1285

00:53:31,729 --> 00:53:29,339

elliptical object was hovering at an

1286

00:53:33,589 --> 00:53:31,739

intersection and the witnesses were very

1287

00:53:36,890 --> 00:53:33,599

credible they actually made an official

1288

00:53:39,319 --> 00:53:36,900

police report on it and these things are

1289

00:53:40,849 --> 00:53:39,329

going on all the time and they're citing

1290

00:53:42,439 --> 00:53:40,859

these things hovering over our rivers

1291

00:53:45,339 --> 00:53:42,449

and going in and out of the rivers over

1292

00:53:47,809 --> 00:53:45,349

the years it's just amazing amazing

1293

00:53:48,180 --> 00:53:47,819

reports you know probably one of the

1294

00:53:50,940 --> 00:53:48,190

most

1295

00:53:54,120 --> 00:53:50,950

interesting I've worked on multitudes a

1296

00:53:56,550 --> 00:53:54,130

very detailed UFO case not lights in the

1297

00:53:59,339 --> 00:53:56,560

sky large structured craft low to the

1298

00:54:00,900 --> 00:53:59,349

ground yeah and my favorite case because

1299

00:54:03,750 --> 00:54:00,910

it was so well documented know so many

1300

00:54:07,230 --> 00:54:03,760

people involved with September 30 1987

1301
00:54:10,230 --> 00:54:07,240
on busy route 30 crosses what was then

1302
00:54:12,359 --> 00:54:10,240
the Green Gate mall only miles from

1303
00:54:13,589 --> 00:54:12,369
where I live and there are multitude of

1304
00:54:17,430 --> 00:54:13,599
eyewitnesses including law enforcement

1305
00:54:21,420 --> 00:54:17,440
people and it was only that evening when

1306
00:54:23,640 --> 00:54:21,430
they see this proxy 300 foot long huge

1307
00:54:25,520 --> 00:54:23,650
metallic cigar shaped objects with

1308
00:54:28,130 --> 00:54:25,530
multiple lights on a completely silent

1309
00:54:31,859 --> 00:54:28,140
only about 300 feet off the ground

1310
00:54:33,960 --> 00:54:31,869
moving across the road and across the

1311
00:54:36,390 --> 00:54:33,970
cross route 13 opposite side with a

1312
00:54:38,250 --> 00:54:36,400
power substation and here's this huge

1313
00:54:39,960 --> 00:54:38,260

object with multiple lights on I'm

1314

00:54:43,230 --> 00:54:39,970

making those sound moving horizontally

1315

00:54:44,609 --> 00:54:43,240

in the sky and as it gets another power

1316

00:54:47,099 --> 00:54:44,619

substation in the sky

1317

00:54:50,010 --> 00:54:47,109

it turns vertical and all the power in

1318

00:54:52,160 --> 00:54:50,020

the area goes out yeah yeah in the end

1319

00:54:54,839 --> 00:54:52,170

when the engineers went to investigate

1320

00:54:56,640 --> 00:54:54,849

they found that all three of them of the

1321

00:54:58,650 --> 00:54:56,650

master fuse in the circuit been blown

1322

00:55:00,750 --> 00:54:58,660

apparently they had never experienced

1323

00:55:03,210 --> 00:55:00,760

thing like that before and I mean that's

1324

00:55:05,970 --> 00:55:03,220

just an example you know your energy

1325

00:55:09,059 --> 00:55:05,980

connection with the phenomena well you

1326

00:55:11,940 --> 00:55:09,069

look at the Todd C's case I mean there's

1327

00:55:15,960 --> 00:55:11,950

an example of that power line on top of

1328

00:55:18,540 --> 00:55:15,970

the ridge where this craft was seen and

1329

00:55:20,849 --> 00:55:18,550

we've had other sightings on that on

1330

00:55:24,960 --> 00:55:20,859

that Ridge as well but it's a huge power

1331

00:55:26,550 --> 00:55:24,970

line there and you know in his incidence

1332

00:55:28,800 --> 00:55:26,560

I just think he was the wrong place at

1333

00:55:32,430 --> 00:55:28,810

the wrong time and just happened to be

1334

00:55:34,680 --> 00:55:32,440

there and it does seem that these power

1335

00:55:39,990 --> 00:55:34,690

lines and you say these power stations

1336

00:55:42,359 --> 00:55:40,000

are access to bodies correct yeah and

1337

00:55:44,430 --> 00:55:42,369

again you know with so many of these UFO

1338

00:55:47,490 --> 00:55:44,440

everywhere it's not just the cryptids

1339

00:55:49,050 --> 00:55:47,500

but it's also the UFO phenomena you know

1340

00:55:51,300 --> 00:55:49,060

a lot of some of these instance with

1341

00:55:53,940 --> 00:55:51,310

with these UFOs whatever they might be

1342

00:55:55,470 --> 00:55:53,950

and of course we can theorize for years

1343

00:55:57,870 --> 00:55:55,480

you know back when I started this back

1344

00:55:59,819 --> 00:55:57,880

years ago everybody thought we're doing

1345

00:56:00,960 --> 00:55:59,829

with extraterrestrial spacecraft and

1346

00:56:03,270 --> 00:56:00,970

maybe a

1347

00:56:05,490 --> 00:56:03,280

percentage of might be but the more I

1348

00:56:07,109 --> 00:56:05,500

know about the phenomenon it may well be

1349

00:56:09,240 --> 00:56:07,119

we're dealing again with something is

1350

00:56:11,250 --> 00:56:09,250

from another reality another dimension

1351
00:56:13,080 --> 00:56:11,260
we just don't know I mean we had an

1352
00:56:15,839 --> 00:56:13,090
incident we've been getting a number of

1353
00:56:18,300 --> 00:56:15,849
reports in recent weeks even daylight of

1354
00:56:20,460 --> 00:56:18,310
a lot of you are folk tivity up in that

1355
00:56:23,040 --> 00:56:20,470
area where I believe you guys had a

1356
00:56:26,520 --> 00:56:23,050
Dogma inside up in Cambria County right

1357
00:56:28,020 --> 00:56:26,530
okay and I'm waiting I'm I've been touch

1358
00:56:29,910 --> 00:56:28,030
with some of the witnesses up there I

1359
00:56:33,960 --> 00:56:29,920
believe there's been some pictures taken

1360
00:56:35,580 --> 00:56:33,970
I'm waiting to see and but anyhow and

1361
00:56:37,880 --> 00:56:35,590
I'm just trying to see what this was

1362
00:56:40,950 --> 00:56:37,890
this in the last couple of weeks and

1363
00:56:44,190 --> 00:56:40,960

this would have been in September and

1364

00:56:49,440 --> 00:56:44,200

this was in daylight and one witness

1365

00:56:51,630 --> 00:56:49,450

reported seeing this object that I'm

1366

00:56:55,020 --> 00:56:51,640

trying to find a report here this object

1367

00:57:00,410 --> 00:56:55,030

in the daylight it was it was metallic

1368

00:57:02,849 --> 00:57:00,420

looking and I believe elongated and

1369

00:57:05,040 --> 00:57:02,859

began to make erratic movements in the

1370

00:57:08,640 --> 00:57:05,050

sky this was early in the morning 9:30

1371

00:57:11,040 --> 00:57:08,650

in the morning and it was a solid

1372

00:57:13,950 --> 00:57:11,050

appearing object that suddenly became

1373

00:57:16,589 --> 00:57:13,960

translucent then it reappeared again

1374

00:57:17,910 --> 00:57:16,599

became solid that has faded out and the

1375

00:57:21,990 --> 00:57:17,920

witness said it was like it became

1376
00:57:24,150 --> 00:57:22,000
invisible it was gone and over the years

1377
00:57:25,980 --> 00:57:24,160
I've talked to many witnesses even in

1378
00:57:28,500 --> 00:57:25,990
daylight who observed UFOs at close

1379
00:57:30,780 --> 00:57:28,510
range and these things suddenly appeared

1380
00:57:32,940 --> 00:57:30,790
and disappeared they physically changed

1381
00:57:35,010 --> 00:57:32,950
physical form they were here and they

1382
00:57:39,329 --> 00:57:35,020
were gone so you know what are we

1383
00:57:41,280 --> 00:57:39,339
dealing with that's the big question so

1384
00:57:43,440 --> 00:57:41,290
Stan how can people get a hold of you if

1385
00:57:45,270 --> 00:57:43,450
they've got a report

1386
00:57:48,570 --> 00:57:45,280
tell us where you didn't get you can get

1387

1409
00:58:44,430 --> 00:58:42,460

there's a lot of events being planned to

1413
00:58:53,130 --> 00:58:51,580

Rey for next year in Pennsylvania and of

1414

00:58:55,680 --> 00:58:53,140

course you know we have Eric's event up

1415

00:58:58,620 --> 00:58:55,690

there the Big Foot camping adventure and

1416

00:59:00,210 --> 00:58:58,630

I believe it's May 31st June 1st and

1417

00:59:02,190 --> 00:59:00,220

June 2nd of next year and I know they

1418

00:59:03,330 --> 00:59:02,200

have a lot of well-known names on

1419

00:59:06,750 --> 00:59:03,340

Bigfoot field from around the country

1420

00:59:08,250 --> 00:59:06,760

coming in Ill will be a speaker and I

1421

00:59:10,530 --> 00:59:08,260

know you're going to be there there

1422

00:59:13,050 --> 00:59:10,540

should be a lot of fun and my books are

1423

00:59:16,560 --> 00:59:13,060

all available on amazon.com or Barnes

1424

00:59:18,630 --> 00:59:16,570

and noble.com as well well Stan thanks

1425

00:59:21,060 --> 00:59:18,640

for joining me I you know I think we're

1426
00:59:24,930 --> 00:59:21,070
in for a busy rest of the year and most

1427
00:59:27,270 --> 00:59:24,940
likely into 2019 and I think we will be

1428
00:59:28,620 --> 00:59:27,280
and you know be hopefully be at that

1429
00:59:30,600 --> 00:59:28,630
next call that gives us the evidence

1430
00:59:33,090 --> 00:59:30,610
that once and for all let's just prove

1431
00:59:37,860 --> 00:59:33,100
something out there absolutely thanks

1432
00:59:39,410 --> 00:59:37,870
again Stan mm-hmm now before I go allow

1433
00:59:42,660 --> 00:59:39,420
me and leave this with the listeners

1434
00:59:46,140 --> 00:59:42,670
actor comedian and paranormal advocate

1435
00:59:49,080 --> 00:59:46,150
Dan Aykroyd has quoted everyone fears

1436
00:59:51,750 --> 00:59:49,090
the cut of the bleed it doesn't matter

1437
00:59:54,750 --> 00:59:51,760
after that I know the spirit survives

1438
00:59:57,990 --> 00:59:54,760

that there's so much evidence a survival

1439

01:00:00,930 --> 00:59:58,000

of the personality in the afterlife now

1440

01:00:03,630 --> 01:00:00,940

that being said I personally believe

1441

01:00:07,110 --> 01:00:03,640

that the life force does not end when we

1442

01:00:09,240 --> 01:00:07,120

die you know death is the beginning of

1443

01:00:12,390 --> 01:00:09,250

the journey into the world of light and

1444

01:00:17,820 --> 01:00:12,400

love it's a transition from the physical

1445

01:00:20,190 --> 01:00:17,830

to the spiritual where firends renewal

1446

01:00:22,500 --> 01:00:20,200

begins I want to thank everybody for

1447

01:00:31,410 --> 01:00:22,510

listening the show good night and have a

1448
