the oldest and strongest human emotion

2
00:00:16,090 --> 00:00:11,389
is fear the oldest and strongest type of

3
00:00:18,550 --> 00:00:16,100
fear is trepidation of young when we

4
00:00:22,480 --> 00:00:18,560
were children our parents told us that

5
00:00:25,120 --> 00:00:22,490
monsters didn't exist but we were sure

6
00:00:26,920 --> 00:00:25,130
that something is lurking under the bed

7
00:00:31,229 --> 00:00:26,930
or in the closet

8
00:00:34,960 --> 00:00:31,239
fear sees even if our eyes are closed

9
00:00:37,990 --> 00:00:34,970
welcome to the realm of your cane my

12
00:00:48,460 --> 00:00:45,160
manifestations and remarkable realities

13
00:00:51,759 --> 00:00:48,470

imagine this next hour as a voyage of

14

00:00:54,880 --> 00:00:51,769

discovered to strange lands seeking not

15

00:00:57,939 --> 00:00:54,890

for new territory but for new knowledge

16

00:01:08,500 --> 00:00:57,949

of the supernatural come on board as we

17

00:01:10,210 --> 00:01:08,510

begin this adventure together hey folks

18

00:01:12,880 --> 00:01:10,220

good evening and welcome to another

19

00:01:15,310 --> 00:01:12,890

episode of arcane radio where we explore

20

00:01:17,560 --> 00:01:15,320

the unexplained Corona paranormal King

21

00:01:19,660 --> 00:01:17,570

radio network I'm your host launch

22

00:01:22,840 --> 00:01:19,670

strickler coming to you with in a cannon

23

00:01:24,640 --> 00:01:22,850

shot of historical Gettysburg in the

24

00:01:27,010 --> 00:01:24,650

anomalous state of Pennsylvania thank

25

00:01:29,050 --> 00:01:27,020

you for joining me now before I

26
00:01:32,380 --> 00:01:29,060
introduce my guest I want to describe an

27
00:01:37,360 --> 00:01:32,390
encounter account that was recently sent

28
00:01:40,150 --> 00:01:37,370
to me it is truly a bizarre cryptid

29
00:01:43,840 --> 00:01:40,160
encounter that was experienced by an

30
00:01:45,790 --> 00:01:43,850
extended family in rural Mississippi and

31
00:01:49,840 --> 00:01:45,800
actually the incident may have resulted

32
00:01:52,750 --> 00:01:49,850
in the suicide and other strange

33
00:01:54,570 --> 00:01:52,760
behavior so here goes the witness stated

34
00:01:57,610 --> 00:01:54,580
that was about 12 years old at the time

35
00:01:59,430 --> 00:01:57,620
my aunt had cancer cancer and my mom

36
00:02:02,140 --> 00:01:59,440
brother and I went to stay with them

37
00:02:04,930 --> 00:02:02,150
they lived on a small farm in a very

38
00:02:07,210 --> 00:02:04,940

secluded part of Mississippi there any

39

00:02:09,100 --> 00:02:07,220

day we didn't want to be in the house my

40

00:02:11,800 --> 00:02:09,110

younger cousins didn't like seeing their

41

00:02:13,809 --> 00:02:11,810

mom while she was doing her treatments

42

00:02:17,020 --> 00:02:13,819

so we'd go out and play in the woods or

43

00:02:21,009 --> 00:02:17,030

ride horses we were there for about four

44

00:02:23,890 --> 00:02:21,019

days so on the second day my uncle came

45

00:02:26,500 --> 00:02:23,900

home he worked on a boat and and ran

46

00:02:29,710 --> 00:02:26,510

outside grabbed us and locked us in a

47

00:02:31,949 --> 00:02:29,720

room in the house his reason for this

48

00:02:35,559 --> 00:02:31,959

was that he said there's something

49

00:02:38,979 --> 00:02:35,569

killing animals in the woods could be a

50

00:02:40,750 --> 00:02:38,989

big cat or bear I'm going to kill it now

51

00:02:42,759 --> 00:02:40,760

he was the most stable

52

00:02:46,479 --> 00:02:42,769

man ever and eventually ended up taking

53

00:02:48,069 --> 00:02:46,489

his own life about four years later now

54

00:02:50,559 --> 00:02:48,079

while we were all trapped in the house

55

00:02:52,740 --> 00:02:50,569

that night he was out in the woods and

56

00:02:56,140 --> 00:02:52,750

we could hear the animals on the farm

57

00:02:59,740 --> 00:02:56,150

making so much noise now this wasn't

58

00:03:01,899 --> 00:02:59,750

normal happy animal noises either my mom

59

00:03:04,119 --> 00:03:01,909

was in the room with my aunt and they

60

00:03:07,119 --> 00:03:04,129

were watching a movie we went into the

61

00:03:09,490 --> 00:03:07,129

hallway near your room to tell them we

62

00:03:11,949 --> 00:03:09,500

were scared but almost instantly it

63

00:03:15,250 --> 00:03:11,959

started the screams and prayers flew out

64

00:03:17,020 --> 00:03:15,260

of that room apparently my mom and my

65

00:03:19,410 --> 00:03:17,030

cousin saw something at the foot of the

66

00:03:23,199 --> 00:03:19,420

bed trying to grab my hand

67

00:03:26,890 --> 00:03:23,209

now they described it as a grey with

68

00:03:29,289 --> 00:03:26,900

long fingers and a big mouth now when

69

00:03:32,020 --> 00:03:29,299

this happened I ran to the home phone to

70

00:03:34,569 --> 00:03:32,030

call my dad who was living in Shanghai

71

00:03:36,699 --> 00:03:34,579

at the time I was so scared and all the

72

00:03:39,220 --> 00:03:36,709

adults were screaming I looked out the

73

00:03:41,349 --> 00:03:39,230

wind in the back room to see if any one

74

00:03:45,759 --> 00:03:41,359

was on the form all I saw were both

75

00:03:47,379 --> 00:03:45,769

horses and two dogs laying down they

76

00:03:50,229 --> 00:03:47,389

were all spread out in the dog's fur

77

00:03:52,420 --> 00:03:50,239

closest reports by the bedroom which

78

00:03:55,300 --> 00:03:52,430

made no sense they were on a chain

79

00:03:57,099 --> 00:03:55,310

closer to the dog houses but they knew

80

00:03:59,650 --> 00:03:57,109

the chain could reach the porch or two

81

00:04:01,780 --> 00:03:59,660

at least where I saw them I could have

82

00:04:04,599 --> 00:04:01,790

sworn I saw my uncle in the distance and

83

00:04:06,689 --> 00:04:04,609

being a young kid it was very scared of

84

00:04:11,039 --> 00:04:06,699

what's going on I ran outside and

85

00:04:13,960 --> 00:04:11,049

stumbled out the porch I saw both dogs

86

00:04:16,779 --> 00:04:13,970

lying there and they looked like they

87

00:04:18,270 --> 00:04:16,789

were sleeping from afar but up close I

88

00:04:20,650 --> 00:04:18,280

knew they were dead

89

00:04:23,950 --> 00:04:20,660

now they looked like they had been

90

00:04:25,629 --> 00:04:23,960

crushed there were they were big farm

91

00:04:28,270 --> 00:04:25,639

dogs and you would you know and that

92

00:04:31,210 --> 00:04:28,280

would help herd cattle the dogs face and

93

00:04:35,560 --> 00:04:31,220

body was wet and the chain they were on

94

00:04:38,830 --> 00:04:35,570

looked like it was cut now my cousin ran

95

00:04:40,450 --> 00:04:38,840

out after me had told told me that we

96

00:04:43,240 --> 00:04:40,460

had to go into the barn because she

97

00:04:44,830 --> 00:04:43,250

thought she saw her dad we ran to the

98

00:04:47,740 --> 00:04:44,840

barn where the horses were supposed to

99

00:04:49,959 --> 00:04:47,750

be and we got there and one of them was

100

00:04:53,770 --> 00:04:49,969

very obviously dead its head and neck

101
00:04:54,550 --> 00:04:53,780
were hardly recognizable the other house

102
00:04:59,770 --> 00:04:54,560
was

103
00:05:02,140 --> 00:04:59,780
honest I looked like a big giant bear

104
00:05:04,210 --> 00:05:02,150
came and attacked them we climbed to the

105
00:05:05,650 --> 00:05:04,220
second storey the barn decided that we

106
00:05:09,159 --> 00:05:05,660
were going to look out the window into

107
00:05:11,560 --> 00:05:09,169
the woods to see if her dad you know it

108
00:05:14,500 --> 00:05:11,570
had been her since we thought we saw him

109
00:05:17,890 --> 00:05:14,510
earlier now we were up there for maybe

110
00:05:19,840 --> 00:05:17,900
five or so minutes when we saw what we

111
00:05:24,310 --> 00:05:19,850
could only describe as a very long

112
00:05:27,760 --> 00:05:24,320
legged long torso dog running into the

113
00:05:30,760 --> 00:05:27,770

field in front of us almost like a deer

114

00:05:33,340 --> 00:05:30,770

figure we saw her dad walking through

115

00:05:36,070 --> 00:05:33,350

the house and so we followed we screamed

116

00:05:39,129 --> 00:05:36,080

at him but he ignored us we told him

117

00:05:41,080 --> 00:05:39,139

about the animals but he'll renew it he

118

00:05:44,080 --> 00:05:41,090

was very dirty and had to shoot a cow

119

00:05:45,730 --> 00:05:44,090

that night well got into the house and

120

00:05:47,560 --> 00:05:45,740

everybody was sitting in the dining room

121

00:05:50,170 --> 00:05:47,570

screwing about what had happened

122

00:05:52,540 --> 00:05:50,180

me and my cousin kept quiet until my

123

00:05:54,909 --> 00:05:52,550

aunt said it was a demon or a skinless

124

00:05:58,150 --> 00:05:54,919

man I told her it looked like a

125

00:05:59,800 --> 00:05:58,160

long-legged dog or deer and she told me

126

00:06:04,540 --> 00:05:59,810

it was going to come in the house and

127

00:06:07,810 --> 00:06:04,550

find me I was really scared my mom and

128

00:06:10,510 --> 00:06:07,820

her got into a fight about it now we

129

00:06:12,850 --> 00:06:10,520

were told it was a wolf or a bear that

130

00:06:17,320 --> 00:06:12,860

killed the animals and we couldn't go

131

00:06:21,219 --> 00:06:17,330

outside anymore those nights so I don't

132

00:06:24,670 --> 00:06:21,229

know what this was they ran into this

133

00:06:29,260 --> 00:06:24,680

location was near to Delta in

134

00:06:32,260 --> 00:06:29,270

Mississippi quite frankly I haven't got

135

00:06:33,820 --> 00:06:32,270

a clue of what this was so you know this

136

00:06:35,080 --> 00:06:33,830

just is kind of par for the course of

137

00:06:37,690 --> 00:06:35,090

some of the weird stuff we've been

138

00:06:39,460 --> 00:06:37,700

seeing all over the country lately it

139

00:06:42,310 --> 00:06:39,470

were people with me reporting especially

140

00:06:45,820 --> 00:06:42,320

these these pale white crawlers or

141

00:06:47,740 --> 00:06:45,830

humanoids we've got some actually we've

142

00:06:50,680 --> 00:06:47,750

got a case in Pennsylvania we're looking

143

00:06:52,510 --> 00:06:50,690

into now so you know just stay tuned

144

00:06:55,719 --> 00:06:52,520

maybe we'll have some answers and some

145

00:06:57,969 --> 00:06:55,729

more reports so tonight I welcome

146

00:07:00,480 --> 00:06:57,979

monsters film on the trail of UFOs his

170

00:07:59,110 --> 00:07:56,750

so huh you you heard what I stated in

175

00:08:14,860 --> 00:08:10,099

that story and I want to get your

176

00:08:17,409 --> 00:08:14,870

opinion on these white tail humanoids

177

00:08:21,790 --> 00:08:17,419

that people been been reporting we've

178

00:08:24,430 --> 00:08:21,800

we've got a case not far from not far

179

00:08:27,059 --> 00:08:24,440

from reading kind of a little bit east

180

00:08:30,540 --> 00:08:27,069

of reading that we're looking into now

181

00:08:35,079 --> 00:08:30,550

have you been getting similar reports

182

00:08:38,079 --> 00:08:35,089

are you talking about the six to seven

183

00:08:40,870 --> 00:08:38,089

foot tall very skinny hairless humanoid

184

00:08:44,350 --> 00:08:40,880

creatures is very long arms and legs

185

00:08:46,990 --> 00:08:44,360

have been reported exactly we fiv um

186

00:08:50,889 --> 00:08:47,000

yeah I've have some ash on my website

187

00:08:54,040 --> 00:08:50,899

and going back well this all started

188

00:08:56,579 --> 00:08:54,050

actually more recent time this would

189

00:09:00,430 --> 00:08:56,589

have been in the fall of 2017

190

00:09:03,340 --> 00:09:00,440

even though years before I probably had

191

00:09:06,699 --> 00:09:03,350

a few other somewhat similar reports but

192

00:09:12,040 --> 00:09:06,709

very detailed report started in the fall

193

00:09:14,319 --> 00:09:12,050

of 2017 and one of those cases that came

194

00:09:16,449 --> 00:09:14,329

to my attention initially was from a

195

00:09:19,540 --> 00:09:16,459

police officer on patrol here in

196

00:09:22,050 --> 00:09:19,550

Southwest Pennsylvania he called me as

197

00:09:27,300 --> 00:09:22,060

soon soon after he observed this

198

00:09:29,250 --> 00:09:27,310

and he was pretty shook up had no idea

199

00:09:31,950 --> 00:09:29,260

what he said he never seen his life like

200

00:09:33,870 --> 00:09:31,960

it before but he's on patrol in an area

201
00:09:36,270 --> 00:09:33,880
in a rural area that he commonly

202
00:09:39,120 --> 00:09:36,280
patrolled saw what appeared to be a ball

203
00:09:41,340 --> 00:09:39,130
of light on the ground and he stopped

204
00:09:43,230 --> 00:09:41,350
his patrol car because he never recalled

205
00:09:46,260 --> 00:09:43,240
everything any artificial lighting like

206
00:09:48,780 --> 00:09:46,270
that in the area before and as he's

207
00:09:50,700 --> 00:09:48,790
looking at this thing there's this round

208
00:09:53,630 --> 00:09:50,710
sphere does around ball of light

209
00:09:56,840 --> 00:09:53,640
suddenly rises up from the ground and

210
00:10:03,510 --> 00:09:56,850
realizes that actually it's the head of

211
00:10:05,010 --> 00:10:03,520
a very well very skinny hairless sickly

212
00:10:08,310 --> 00:10:05,020
good-looking creature a humanoid

213
00:10:13,050 --> 00:10:08,320

creature about 6 feet or taller skeletal

214

00:10:14,880 --> 00:10:13,060

thin and he believed that this thing was

215

00:10:16,740 --> 00:10:14,890

initially lying on its belly on the

216

00:10:21,630 --> 00:10:16,750

ground with his head face toward the

217

00:10:23,220 --> 00:10:21,640

road and then it stood up and he could

218

00:10:28,110 --> 00:10:23,230

see the dull light from the glowing head

219

00:10:29,900 --> 00:10:28,120

looming upper part of the body and he

220

00:10:32,730 --> 00:10:29,910

was stunned he said they had looked

221

00:10:34,560 --> 00:10:32,740

possibly egg-shaped but pretty round the

222

00:10:37,560 --> 00:10:34,570

lights seemed to be dull white

223

00:10:40,050 --> 00:10:37,570

illuminated the shoulders the top of the

224

00:10:41,790 --> 00:10:40,060

chest and a section of the arms he could

225

00:10:44,400 --> 00:10:41,800

not see the hand to chest look good by

226

00:10:48,030 --> 00:10:44,410

18 inches across the waist appeared to

227

00:10:50,880 --> 00:10:48,040

be small but the arms were abnormally

228

00:10:53,400 --> 00:10:50,890

long the long limbs looked skeletal with

229

00:10:55,890 --> 00:10:53,410

no muscle mass the skin tone of the body

230

00:10:58,170 --> 00:10:55,900

appeared to be dog greyish blue he

231

00:11:02,070 --> 00:10:58,180

couldn't see any facial features but he

232

00:11:04,080 --> 00:11:02,080

said when it turned he said I never

233

00:11:06,120 --> 00:11:04,090

sighting move so fast in my life

234

00:11:07,710 --> 00:11:06,130

it was there and was gone he said I

235

00:11:09,600 --> 00:11:07,720

assume it ran but I couldn't see the

236

00:11:11,510 --> 00:11:09,610

lake at that point but he said it was

237

00:11:14,850 --> 00:11:11,520

there and was gone and interestingly

238

00:11:16,530 --> 00:11:14,860

that's almost the same wording that

239

00:11:18,330 --> 00:11:16,540

numerous people have talked to me about

240

00:11:20,580 --> 00:11:18,340

four years specially in recent years

241

00:11:22,410 --> 00:11:20,590

about other cryptids and and Bigfoot

242

00:11:24,690 --> 00:11:22,420

owners where these things suddenly

243

00:11:26,400 --> 00:11:24,700

appear out of nowhere and in a matter of

244

00:11:28,710 --> 00:11:26,410

seconds they're just not there anymore

245

00:11:30,930 --> 00:11:28,720

and that's what's so amazing but that

246

00:11:33,210 --> 00:11:30,940

was the first of a series of incidents

247

00:11:34,920 --> 00:11:33,220

and I believe was about two or three

248

00:11:37,230 --> 00:11:34,930

weeks later

249

00:11:39,600 --> 00:11:37,240

see another report I believe about 20

250

00:11:40,980 --> 00:11:39,610

miles away from another person who

251
00:11:43,350 --> 00:11:40,990
apparently had no knowledge of this

252
00:11:44,940 --> 00:11:43,360
report and indicated something similar

253
00:11:47,370 --> 00:11:44,950
coming up a little width and approach

254
00:11:49,320 --> 00:11:47,380
this person about 30 feet away other

255
00:11:53,210 --> 00:11:49,330
reports were coming in and then it was

256
00:11:55,680 --> 00:11:53,220
the fall of 2018

257
00:11:57,480 --> 00:11:55,690
about I'm thinking about 30-some miles

258
00:12:00,060 --> 00:11:57,490
outside of Pittsburgh at a very wooded

259
00:12:03,600 --> 00:12:00,070
rural area and I I got to see the

260
00:12:05,730 --> 00:12:03,610
location and this fella who's spent

261
00:12:07,320 --> 00:12:05,740
Spencer's life in the woods he lives in

262
00:12:09,000 --> 00:12:07,330
the woods he loves the woods he's very

263
00:12:12,389 --> 00:12:09,010

would the deer and all the wildlife and

264

00:12:15,480 --> 00:12:12,399

it was up there that evening and he's

265

00:12:17,490 --> 00:12:15,490

hearing the sound of something walking

266

00:12:20,940 --> 00:12:17,500

but it's not like a deer that's more

267

00:12:22,620 --> 00:12:20,950

bipedal and it seemed very odd and he

268

00:12:24,840 --> 00:12:22,630

decided he's going to get album woods

269

00:12:27,540 --> 00:12:24,850

and go back to his home so it goes down

270

00:12:29,010 --> 00:12:27,550

to his house he got in there for a few

271

00:12:32,250 --> 00:12:29,020

minutes he's sitting at the kitchen

272

00:12:34,139 --> 00:12:32,260

table getting ready to eat something he

273

00:12:37,530 --> 00:12:34,149

looked at the back door say here's this

274

00:12:39,269 --> 00:12:37,540

big glass backdoor no drapes or anything

275

00:12:42,210 --> 00:12:39,279

line is completely unstructured and

276

00:12:44,760 --> 00:12:42,220

here's this creature same description

277

00:12:47,790 --> 00:12:44,770

six seven foot tall skeletal thin

278

00:12:50,100 --> 00:12:47,800

hairless it's crouched down on all fours

279

00:12:53,100 --> 00:12:50,110

with glowing yellow eyes during right

280

00:12:54,750 --> 00:12:53,110

into his face and he said it it went

281

00:12:56,820 --> 00:12:54,760

down all fours and scampered around the

282

00:12:58,410 --> 00:12:56,830

house and couldn't see any further other

283

00:12:59,940 --> 00:12:58,420

reports were coming in now you had a

284

00:13:02,070 --> 00:12:59,950

report for Allegheny County

285

00:13:06,780 --> 00:13:02,080

I've had other reports of other areas

286

00:13:09,900 --> 00:13:06,790

and has a report so fast no I haven't

287

00:13:12,120 --> 00:13:09,910

had any in recent months but there were

288

00:13:15,600 --> 00:13:12,130

a number of incidents through 2018 and

289

00:13:18,120 --> 00:13:15,610

2019 and I'm hearing other some reports

290

00:13:20,370 --> 00:13:18,130

them across the country so these reports

291

00:13:23,970 --> 00:13:20,380

are very intriguing I know there's been

292

00:13:25,470 --> 00:13:23,980

a understand I'm somebody sourced I've

293

00:13:27,750 --> 00:13:25,480

been at least two reports with glowing

294

00:13:29,790 --> 00:13:27,760

head to reports of glowing eyes and

295

00:13:32,310 --> 00:13:29,800

other times they're singing them and

296

00:13:34,650 --> 00:13:32,320

they're seeing no facial features on the

297

00:13:36,150 --> 00:13:34,660

creature but it's interesting we're

298

00:13:38,970 --> 00:13:36,160

getting similar reports from very

299

00:13:42,630 --> 00:13:38,980

credible people so once again here's

300

00:13:44,970 --> 00:13:42,640

another very strange creature a cryptid

301

00:13:48,600 --> 00:13:44,980

that people from widespread areas

302

00:13:50,789 --> 00:13:48,610

unknown to each other are reporting and

303

00:13:53,249 --> 00:13:50,799

as I've been saying for years and years

304

00:13:55,019 --> 00:13:53,259

there's something more going on here you

305

00:13:56,609 --> 00:13:55,029

can't have so many types of unknown

306

00:13:57,359 --> 00:13:56,619

animals and you and I deal with these

307

00:14:00,210 --> 00:13:57,369

all the time

308

00:14:02,970 --> 00:14:00,220

Thunderbird sightings Bigfoot reports

309

00:14:05,249 --> 00:14:02,980

all kind of other weird cryptids are

310

00:14:08,129 --> 00:14:05,259

being reported this type of skeletal

311

00:14:09,960 --> 00:14:08,139

humanoid thing the winged humanoids and

312

00:14:11,639 --> 00:14:09,970

then the outer place animals like the

313

00:14:15,109 --> 00:14:11,649

Black Panther sightings that continue to

314

00:14:18,960 --> 00:14:15,119

be reported even in recent months and

315

00:14:21,169 --> 00:14:18,970

but the situation is you've got so many

316

00:14:23,309 --> 00:14:21,179

credible people that are seeing them

317

00:14:25,139 --> 00:14:23,319

there's got to be something else we're

318

00:14:27,629 --> 00:14:25,149

dealing with then and again we've talked

319

00:14:29,249 --> 00:14:27,639

about this in the past and there's a lot

320

00:14:31,400 --> 00:14:29,259

of data I've looked into hundreds of

321

00:14:34,799 --> 00:14:31,410

these cases of Pennsylvania many

322

00:14:38,970 --> 00:14:34,809

2018-2019 a lot of reports coming in and

323

00:14:42,960 --> 00:14:38,980

even this time here in 2020 and more or

324

00:14:45,119 --> 00:14:42,970

more data suggest again reelected as I

325

00:14:46,590 --> 00:14:45,129

am the saying that we're dealing with

326

00:14:48,900 --> 00:14:46,600

something has a physical and a

327

00:14:50,309 --> 00:14:48,910

non-physical component to it for a lack

328

00:14:53,100 --> 00:14:50,319

of a better term we might be doing

329

00:14:54,600 --> 00:14:53,110

whistling this interdimensional yeah

330

00:14:57,359 --> 00:14:54,610

well you know I agree with you a hundred

331

00:15:02,069 --> 00:14:57,369

percent these things you know they just

332

00:15:04,949 --> 00:15:02,079

they just seem to pop up you know and

333

00:15:06,329 --> 00:15:04,959

then just disappear and you know there's

334

00:15:09,179 --> 00:15:06,339

something that's something that people

335

00:15:12,960 --> 00:15:09,189

haven't seen before a specific area but

336

00:15:14,909 --> 00:15:12,970

then again this this report that we

337

00:15:17,179 --> 00:15:14,919

received recently though I think it's

338

00:15:20,789 --> 00:15:17,189

probably about the two-year old report

339

00:15:27,809 --> 00:15:20,799

was in the French Creek area that parked

340

00:15:30,629 --> 00:15:27,819

over in Montgomery County and this for

341

00:15:37,169 --> 00:15:30,639

the better ward is white me see looking

342

00:15:39,929 --> 00:15:37,179

pale humanoid was seen and I was near a

343

00:15:44,100 --> 00:15:39,939

resonance and this thing most likely had

344

00:15:45,479 --> 00:15:44,110

killed an animal or a pet and had done

345

00:15:48,749 --> 00:15:45,489

some other things but had been seen

346

00:15:50,999 --> 00:15:48,759

several times the most unusual thing

347

00:15:54,210 --> 00:15:51,009

about it is people take shots at it and

348

00:15:57,389 --> 00:15:54,220

it doesn't seem to faze it so that

349

00:15:59,999 --> 00:15:57,399

sounds very familiar to the yup right

350

00:16:02,519 --> 00:16:00,009

k-9 reports we have received for years

351
00:16:05,249 --> 00:16:02,529
where these things get shot at nothing

352
00:16:08,699 --> 00:16:05,259
happens to them you know the only thing

353
00:16:12,119 --> 00:16:08,709
I can compare it to our reports that

354
00:16:14,449 --> 00:16:12,129
I've received in the past that has to do

355
00:16:16,889 --> 00:16:14,459
with the the Windigo

356
00:16:18,829 --> 00:16:16,899
sightings up in Canada and of course

357
00:16:22,980 --> 00:16:18,839
I've gotten a lot of sightings up there

358
00:16:25,949 --> 00:16:22,990
these when to go like being so I don't

359
00:16:27,799 --> 00:16:25,959
know but it's similar to that I mean

360
00:16:31,019 --> 00:16:27,809
what are your thoughts on that well

361
00:16:34,259 --> 00:16:31,029
again going back to the the massive wave

362
00:16:36,210 --> 00:16:34,269
here in 1973 in the 1974 that the

363
00:16:38,790 --> 00:16:36,220

massive Bigfoot outbreak that I

364

00:16:41,069 --> 00:16:38,800

investigated and that's when so many

365

00:16:43,889 --> 00:16:41,079

strange details began to come to my

366

00:16:46,139 --> 00:16:43,899

attention then I was not looking for I

367

00:16:48,030 --> 00:16:46,149

mean all these UFO sightings were going

368

00:16:50,429 --> 00:16:48,040

on across Pennsylvania hundreds of

369

00:16:52,049 --> 00:16:50,439

hundreds of reports and back then of

370

00:16:54,689 --> 00:16:52,059

course as we all know there was no

371

00:16:56,400 --> 00:16:54,699

internet there was no cell phones many

372

00:16:58,889 --> 00:16:56,410

reports initially came in to the police

373

00:17:02,220 --> 00:16:58,899

departments and that's when I had my my

374

00:17:04,169 --> 00:17:02,230

first research groups and we had many

375

00:17:09,149 --> 00:17:04,179

scientists and engineers and research

376

00:17:12,059 --> 00:17:09,159

people and luckily by 1973 I founded a

377

00:17:13,500 --> 00:17:12,069

group in 1970 and we had expanded the

378

00:17:16,370 --> 00:17:13,510

kind of the whole state of Pennsylvania

379

00:17:19,289 --> 00:17:16,380

so we recovered quite well and we had

380

00:17:20,909 --> 00:17:19,299

investigative teams in many cases on the

381

00:17:24,029 --> 00:17:20,919

scene within minutes two hours after

382

00:17:25,829 --> 00:17:24,039

they occurred and a lot of this was well

383

00:17:28,799 --> 00:17:25,839

documented the newspapers at the time

384

00:17:31,740 --> 00:17:28,809

even the local news or alien people were

385

00:17:34,470 --> 00:17:31,750

covering some more investigations and it

386

00:17:36,389 --> 00:17:34,480

was amazing what was going on and when I

387

00:17:37,649 --> 00:17:36,399

got into all that back in those days and

388

00:17:40,820 --> 00:17:37,659

I had been investigating Bigfoot

389

00:17:43,230 --> 00:17:40,830

sightings in Pennsylvania in the 1960s I

390

00:17:45,029 --> 00:17:43,240

had always thought from what I knew the

391

00:17:47,669 --> 00:17:45,039

Bigfoot was very likely some type of

392

00:17:51,120 --> 00:17:47,679

unknown animal hmm well as all these

393

00:17:53,190 --> 00:17:51,130

events of 73 begin to unfold from

394

00:17:55,830 --> 00:17:53,200

widespread areas from people had no way

395

00:17:57,659 --> 00:17:55,840

of knowing each other odd things began

396

00:18:00,149 --> 00:17:57,669

to come to our attention one of the

397

00:18:03,060 --> 00:18:00,159

first things was we get out on the scene

398

00:18:05,159 --> 00:18:03,070

there are betrayals or footprints many

399

00:18:06,570 --> 00:18:05,169

with very large strides between them on

400

00:18:07,980 --> 00:18:06,580

all type of ground condition the

401
00:18:11,070 --> 00:18:07,990
cleaning at times in the winter

402
00:18:12,840 --> 00:18:11,080
heavy fresh snow and you followed these

403
00:18:14,399 --> 00:18:12,850
trails of footprints which was suddenly

404
00:18:16,380 --> 00:18:14,409
stopped vanish and disappear

405
00:18:17,760 --> 00:18:16,390
there's no way in the kindig

406
00:18:19,830 --> 00:18:17,770
we found that it could have been

407
00:18:21,630 --> 00:18:19,840
fabricated and these kind of cases by

408
00:18:24,450 --> 00:18:21,640
the way of continuing way to the last

409
00:18:27,830 --> 00:18:24,460
year I mean it's it's nonstop even in

410
00:18:30,900 --> 00:18:27,840
Pennsylvania suspense amazing cases and

411
00:18:34,170 --> 00:18:30,910
then anyhow then we began to have that

412
00:18:36,510 --> 00:18:34,180
weird pattern show up with a UFO

413
00:18:38,700 --> 00:18:36,520

sighting in a particular area and then

414

00:18:41,130 --> 00:18:38,710

minutes hours and days later you have a

415

00:18:44,280 --> 00:18:41,140

Bigfoot sighting or vice versa and then

416

00:18:45,960 --> 00:18:44,290

we had those really strange cases we've

417

00:18:48,060 --> 00:18:45,970

talked about in the past with UFOs or

418

00:18:51,120 --> 00:18:48,070

Bigfoot scene together at the same time

419

00:18:53,550 --> 00:18:51,130

in place but and why don't recommend

420

00:18:55,470 --> 00:18:53,560

people shooting a Bigfoot there were

421

00:18:58,350 --> 00:18:55,480

numerous incidents during that time

422

00:19:01,050 --> 00:18:58,360

people period when many people did they

423

00:19:03,630 --> 00:19:01,060

were using anything from small side arms

424

00:19:06,270 --> 00:19:03,640

at 22s the very high powered weapons

425

00:19:09,990 --> 00:19:06,280

30.6 and shotguns and I talked about

426

00:19:12,930 --> 00:19:10,000

that my cell invasion book and in no

427

00:19:14,820 --> 00:19:12,940

case did anybody bring one down in case

428

00:19:16,490 --> 00:19:14,830

they would fall down and get up and

429

00:19:19,020 --> 00:19:16,500

generally walk away from the person

430

00:19:22,650 --> 00:19:19,030

completely unarmed and then you had

431

00:19:24,510 --> 00:19:22,660

those very strange cases where people

432

00:19:26,670 --> 00:19:24,520

shot at them and they were just suddenly

433

00:19:28,860 --> 00:19:26,680

vanish and physically disappear or

434

00:19:32,130 --> 00:19:28,870

disappear two bright flash of white and

435

00:19:35,970 --> 00:19:32,140

that's when those real odd weird things

436

00:19:37,530 --> 00:19:35,980

begin to come my way and I began to

437

00:19:39,780 --> 00:19:37,540

realize we're dealing with something

438

00:19:43,320 --> 00:19:39,790

that's much trated to than just an

439

00:19:45,660 --> 00:19:43,330

unknown animal yeah and these cases have

440

00:19:47,460 --> 00:19:45,670

been going on for years and years I mean

441

00:19:49,980 --> 00:19:47,470

I started writing about those incidents

442

00:19:52,650 --> 00:19:49,990

back in the 70s now was untouched back

443

00:19:54,210 --> 00:19:52,660

then with many researchers across the

444

00:19:56,280 --> 00:19:54,220

country who were well known back in

445

00:19:58,080 --> 00:19:56,290

those days and some of them from other

446

00:20:00,090 --> 00:19:58,090

countries and many of those

447

00:20:02,040 --> 00:20:00,100

investigators in a Bigfoot field they

448

00:20:04,770 --> 00:20:02,050

had similar kind of reports they were

449

00:20:06,810 --> 00:20:04,780

aware of them but they were reluctant to

450

00:20:08,520 --> 00:20:06,820

discuss them or publish them because

451
00:20:10,770 --> 00:20:08,530
they were afraid to get in trouble with

452
00:20:12,900 --> 00:20:10,780
their peers we laughed at my position

453
00:20:14,790 --> 00:20:12,910
always been I don't know what we're

454
00:20:17,520 --> 00:20:14,800
dealing with this is what we're finding

455
00:20:20,160 --> 00:20:17,530
here's the information do what you want

456
00:20:22,440 --> 00:20:20,170
with it but I was hoping that it would

457
00:20:24,450 --> 00:20:22,450
encourage other researchers or witnesses

458
00:20:26,700 --> 00:20:24,460
to come forward with the reports while

459
00:20:28,830 --> 00:20:26,710
these cases continue to go on year after

460
00:20:29,580 --> 00:20:28,840
year and there's other researchers out

461
00:20:32,549 --> 00:20:29,590
there very well

462
00:20:35,370 --> 00:20:32,559
well with these cases and they're going

463
00:20:38,070 --> 00:20:35,380

on more and more in the last 2018 and

464

00:20:39,960 --> 00:20:38,080

2019 many incidents here in Pennsylvania

465

00:20:42,180 --> 00:20:39,970

I can go over some of those with you but

466

00:20:45,810 --> 00:20:42,190

in all parts of the country it's going

467

00:20:49,169 --> 00:20:45,820

on more and more and one of the things

468

00:20:51,659 --> 00:20:49,179

that keeps showing up from the Bigfoot

469

00:20:53,549 --> 00:20:51,669

community is that many Bigfoot

470

00:20:56,070 --> 00:20:53,559

investigators not only in Pennsylvania

471

00:20:57,390 --> 00:20:56,080

but again many parts of the country are

472

00:21:00,120 --> 00:20:57,400

telling me that they have been out in

473

00:21:02,220 --> 00:21:00,130

the woods searching for Bigfoot evidence

474

00:21:05,250 --> 00:21:02,230

or investigating Bigfoot incidents and

475

00:21:07,230 --> 00:21:05,260

they're encountering strange small

476

00:21:10,440 --> 00:21:07,240

spheres of light orbs of light other

477

00:21:12,269 --> 00:21:10,450

strange light phenomena and this is

478

00:21:13,860 --> 00:21:12,279

something that more and more people are

479

00:21:15,659 --> 00:21:13,870

telling me about and and I'm seeing

480

00:21:17,639 --> 00:21:15,669

quite a change in attitude now from many

481

00:21:20,159 --> 00:21:17,649

of the Bigfoot community because for

482

00:21:22,430 --> 00:21:20,169

years and years people in the Bigfoot

483

00:21:25,169 --> 00:21:22,440

field didn't want associate Bigfoot UFOs

484

00:21:27,419 --> 00:21:25,179

but more more than talking about it now

485

00:21:29,190 --> 00:21:27,429

and I think many of them asking the same

486

00:21:31,860 --> 00:21:29,200

question after so many years that I did

487

00:21:34,320 --> 00:21:31,870

years ago where's the body it makes no

488

00:21:36,120 --> 00:21:34,330

sense these things are being seen for

489

00:21:38,279 --> 00:21:36,130

how many years all across the United

490

00:21:40,440 --> 00:21:38,289

States throughout the world and nobody's

491

00:21:42,510 --> 00:21:40,450

ever come up with a body and we know

492

00:21:44,610 --> 00:21:42,520

that there are many cases which give

493

00:21:47,039 --> 00:21:44,620

suggestions as to why we don't have a

494

00:21:49,529 --> 00:21:47,049

body we're dealing with a phenomena

495

00:21:51,510 --> 00:21:49,539

that's far beyond our present scientific

496

00:21:54,870 --> 00:21:51,520

understanding it's so strange it

497

00:21:56,730 --> 00:21:54,880

protects itself well you know you're

498

00:21:58,560 --> 00:21:56,740

preaching acquiring me because you know

499

00:22:00,899 --> 00:21:58,570

you and I have been talking about this

500

00:22:03,240 --> 00:22:00,909

for a long time now and we've had people

501
00:22:05,580 --> 00:22:03,250
stopping at what we've been saying at

502
00:22:08,610 --> 00:22:05,590
the same time but like you said there

503
00:22:10,350 --> 00:22:08,620
are people changing their minds and a

504
00:22:12,149 --> 00:22:10,360
lot of it is be people have been

505
00:22:16,200 --> 00:22:12,159
investigating Bigfoot for a long long

506
00:22:18,930 --> 00:22:16,210
time and the the supernatural aspect of

507
00:22:23,450 --> 00:22:18,940
these this phenomena is starting to gain

508
00:22:26,399 --> 00:22:23,460
some you know some more fans I'd say

509
00:22:29,760 --> 00:22:26,409
that's right but one thing I want to

510
00:22:32,130 --> 00:22:29,770
point out when we're dealing with these

511
00:22:35,070 --> 00:22:32,140
UFO and Bigfoot cases I am NOT

512
00:22:36,659 --> 00:22:35,080
suggesting that Bigfoot is a passenger

513
00:22:37,500 --> 00:22:36,669

flying around in a spaceship from

514

00:22:39,720 --> 00:22:37,510

another planet

515

00:22:41,130 --> 00:22:39,730

we don't know what we're dealing with we

516

00:22:43,110 --> 00:22:41,140

don't know for sure what the UFOs

517

00:22:44,850 --> 00:22:43,120

represent for many you know

518

00:22:47,100 --> 00:22:44,860

best gated thousands and thousands of

519

00:22:49,530 --> 00:22:47,110

UFO cases I've been doing this this year

520

00:22:51,930 --> 00:22:49,540

61 years I've never seen you up for a

521

00:22:54,870 --> 00:22:51,940

Bigfoot myself surprising to most people

522

00:22:58,770 --> 00:22:54,880

but there may be more than one origin to

523

00:23:00,930 --> 00:22:58,780

the unknown UFO category and we just

524

00:23:03,390 --> 00:23:00,940

don't know what we're dealing with I can

525

00:23:06,870 --> 00:23:03,400

tell you this what I found years ago is

526
00:23:10,440 --> 00:23:06,880
that many close range low-level UFO

527
00:23:14,280 --> 00:23:10,450
sightings and many close encounters with

528
00:23:16,770 --> 00:23:14,290
Bigfoot and out of place animals such as

529
00:23:19,710 --> 00:23:16,780
Black Panthers and other cryptids

530
00:23:22,530 --> 00:23:19,720
commonly occur in the vicinity of high

531
00:23:24,570 --> 00:23:22,540
energy sources and that's continuing to

532
00:23:27,930 --> 00:23:24,580
show up all the time so you've got many

533
00:23:31,010 --> 00:23:27,940
cases around again high tension power

534
00:23:33,780 --> 00:23:31,020
lines and power plants and gas lines and

535
00:23:36,060 --> 00:23:33,790
reservoirs and radio towers it goes on

536
00:23:38,549 --> 00:23:36,070
and on and on I have no doubt whatsoever

537
00:23:41,820 --> 00:23:38,559
we're dealing with a phenomena that has

538
00:23:43,799 --> 00:23:41,830

an energy connection to it well you know

539

00:23:45,870 --> 00:23:43,809

that's what I've been saying about a lot

540

00:23:48,120 --> 00:23:45,880

of cases as well I mean you know I did

541

00:23:50,310 --> 00:23:48,130

you know you first of all well you're

542

00:23:51,930 --> 00:23:50,320

always cases that had possible connects

543

00:23:55,200 --> 00:23:51,940

of you up to a big Florida's Presque

544

00:23:57,450 --> 00:23:55,210

Isle yeah you're eerie and of course I

545

00:24:00,660 --> 00:23:57,460

did an investigation of an area up in a

546

00:24:03,630 --> 00:24:00,670

Nova Scotia where this farmer had

547

00:24:07,680 --> 00:24:03,640

actually seen a number of you I mean a

548

00:24:10,110 --> 00:24:07,690

number of UFOs and Bigfoot and didn't

549

00:24:13,140 --> 00:24:10,120

really make the connection until he had

550

00:24:17,940 --> 00:24:13,150

to someone's stepping out of one out of

551
00:24:20,250 --> 00:24:17,950
a circular craft that had died had

552
00:24:24,660 --> 00:24:20,260
descended across the street from his

553
00:24:26,510 --> 00:24:24,670
home in a field and you know the guy he

554
00:24:28,830 --> 00:24:26,520
swore up and down that this Bigfoot

555
00:24:30,690 --> 00:24:28,840
stepped out of this thing he also saw

556
00:24:33,210 --> 00:24:30,700
another creature step out with of it

557
00:24:36,660 --> 00:24:33,220
that had a foot print that kind of

558
00:24:40,530 --> 00:24:36,670
looked like on a 200 pound turkey I mean

559
00:24:43,110 --> 00:24:40,540
the same type of three-toed footprint

560
00:24:45,480 --> 00:24:43,120
that up that turkey would make it's

561
00:24:47,730 --> 00:24:45,490
strange but you hear this stuff you keep

562
00:24:49,380 --> 00:24:47,740
hearing these things you know in there

563
00:24:53,070 --> 00:24:49,390

they are hard to believe at some point

564

00:24:54,350 --> 00:24:53,080

but you know we do keep doing it yeah

565

00:24:57,000 --> 00:24:54,360

well that's the whole thing you know

566

00:24:59,250 --> 00:24:57,010

many many people I've interviewed

567

00:25:02,730 --> 00:24:59,260

it's the little details that I'm getting

568

00:25:05,010 --> 00:25:02,740

and over many many years and such

569

00:25:07,020 --> 00:25:05,020

strange details but they keep showing up

570

00:25:08,190 --> 00:25:07,030

and you know I as I mentioned you in the

571

00:25:10,560 --> 00:25:08,200

last few years I've one of those

572

00:25:13,050 --> 00:25:10,570

lectures I do is called strange aspects

573

00:25:15,180 --> 00:25:13,060

of elusive Bigfoot and I get into so

574

00:25:17,430 --> 00:25:15,190

many areas of Bigfoot that most people

575

00:25:18,960 --> 00:25:17,440

have never heard about before or many

576

00:25:20,520 --> 00:25:18,970

people a Bigfoot field if they know

577

00:25:23,310 --> 00:25:20,530

about it don't want to talk about it and

578

00:25:25,530 --> 00:25:23,320

it there's significant information on it

579

00:25:27,780 --> 00:25:25,540

from all over the country but again not

580

00:25:30,300 --> 00:25:27,790

well-known most of this is based on my

581

00:25:32,370 --> 00:25:30,310

investigations here in Pennsylvania and

582

00:25:36,000 --> 00:25:32,380

you talk about the footprints you just

583

00:25:37,860 --> 00:25:36,010

mentioned three-toed well back in the 73

584

00:25:39,990 --> 00:25:37,870

we had a major outbreak there were

585

00:25:41,910 --> 00:25:40,000

multitudes of incidents with the

586

00:25:44,490 --> 00:25:41,920

three-toed tract showing up and I have

587

00:25:47,520 --> 00:25:44,500

that one cast that I made when this all

588

00:25:50,990 --> 00:25:47,530

began and this all that major event

589

00:25:53,850 --> 00:25:51,000

began with a phone call that I received

590

00:25:56,370 --> 00:25:53,860

let me see I received a call I believe

591

00:25:59,910 --> 00:25:56,380

was August 7th the incident happened to

592

00:26:01,260 --> 00:25:59,920

ly 31st of 73 in a rural area actually

593

00:26:03,300 --> 00:26:01,270

only a few miles from where I live

594

00:26:06,150 --> 00:26:03,310

outside of Greensburg Pennsylvania and

595

00:26:08,640 --> 00:26:06,160

the man was it was a warm night the man

596

00:26:10,680 --> 00:26:08,650

was in his rural home shaving early

597

00:26:12,510 --> 00:26:10,690

because he got up early for work began

598

00:26:15,540 --> 00:26:12,520

to smell the spun ear off an odor like

599

00:26:17,610 --> 00:26:15,550

rotten cucumber the the window was open

600

00:26:18,990 --> 00:26:17,620

but the screen was in the bathroom he

601
00:26:21,540 --> 00:26:19,000
happened to turn to look at the window

602
00:26:23,400 --> 00:26:21,550
because he's two huge glowing red eyes

603
00:26:26,370 --> 00:26:23,410
staring at him but the wind is eight

604
00:26:28,020 --> 00:26:26,380
feet off the ground and they had several

605
00:26:29,550 --> 00:26:28,030
dogs out there the dogs didn't make a

606
00:26:31,980 --> 00:26:29,560
sound which they all thought was very

607
00:26:34,650 --> 00:26:31,990
very strange well he ended up being

608
00:26:37,170 --> 00:26:34,660
pretty scared and shook up ended up in

609
00:26:38,460 --> 00:26:37,180
the hospital and he he didn't get help

610
00:26:39,810 --> 00:26:38,470
about a week later I went out to

611
00:26:43,020 --> 00:26:39,820
interview him that day when I got the

612
00:26:45,960 --> 00:26:43,030
call he was still pretty upset I had

613
00:26:48,840 --> 00:26:45,970

found out that several weeks before a

614

00:26:51,240 --> 00:26:48,850

few young fellows had taken a shortcut

615

00:26:53,190 --> 00:26:51,250

through the woods over to the local mall

616

00:26:54,600 --> 00:26:53,200

and they heard this commotion in the

617

00:26:56,100 --> 00:26:54,610

woods and he thought it was a deer and I

618

00:26:58,260 --> 00:26:56,110

began to throw some rocks in to scare

619

00:27:01,950 --> 00:26:58,270

the deer but instead the seven eight

620

00:27:04,680 --> 00:27:01,960

foot tall skinny tall hairy thing walks

621

00:27:06,990 --> 00:27:04,690

across the road not behind the house so

622

00:27:08,190 --> 00:27:07,000

I was able to interview the boys and I

623

00:27:09,630 --> 00:27:08,200

got permission to go up and look around

624

00:27:10,470 --> 00:27:09,640

that property and a few of the kids

625

00:27:14,400 --> 00:27:10,480

followed me up

626

00:27:16,230 --> 00:27:14,410

and stay up there for a while and I

627

00:27:18,330 --> 00:27:16,240

remember the ground conditions were not

628

00:27:20,490 --> 00:27:18,340

very good about readily when I happen to

629

00:27:23,430 --> 00:27:20,500

look down here was a partial footprint

630

00:27:26,010 --> 00:27:23,440

and here was one complete track of the

631

00:27:29,159 --> 00:27:26,020

strangest footprint I had ever seen it

632

00:27:31,140 --> 00:27:29,169

was 13 inches long 8 inches wide clearly

633

00:27:33,270 --> 00:27:31,150

three toes I mean the depth of those

634

00:27:36,780 --> 00:27:33,280

toes wood was amazing you can clearly

635

00:27:38,549 --> 00:27:36,790

see them on the casting and I got on the

636

00:27:41,010 --> 00:27:38,559

radio call one of my helpers come out we

637

00:27:44,700 --> 00:27:41,020

took measurements took photographs made

638

00:27:46,620 --> 00:27:44,710

a cast so that was the first one who

639

00:27:50,070 --> 00:27:46,630

showed up but over the months to follow

640

00:27:52,560 --> 00:27:50,080

from very widespread areas three-toed

641

00:27:54,630 --> 00:27:52,570

tracks are showing up but we also had

642

00:27:58,320 --> 00:27:54,640

five towed tracks and then there were

643

00:28:01,770 --> 00:27:58,330

some other very strange tracks that were

644

00:28:04,440 --> 00:28:01,780

not normal if you can call normal track

645

00:28:06,299 --> 00:28:04,450

so we had seen before 335 pros there was

646

00:28:08,490 --> 00:28:06,309

something even different and there was

647

00:28:10,080 --> 00:28:08,500

no indication these were fabricated yes

648

00:28:12,480 --> 00:28:10,090

there were hoaxes the mainly that was

649

00:28:14,610 --> 00:28:12,490

after some of the news coverage began in

650

00:28:16,530 --> 00:28:14,620

the local papers and kids were out there

651
00:28:18,570 --> 00:28:16,540
and they were cutting you know

652
00:28:20,070 --> 00:28:18,580
footprints out of wood and you could

653
00:28:22,620 --> 00:28:20,080
easily tell the difference there was no

654
00:28:25,370 --> 00:28:22,630
comparison and so many of these

655
00:28:29,130 --> 00:28:25,380
footprints were very very intriguing and

656
00:28:30,990 --> 00:28:29,140
there was one very very large footprint

657
00:28:32,520 --> 00:28:31,000
I remember from little village of

658
00:28:34,740 --> 00:28:32,530
Hutchinson P I got a call from the

659
00:28:37,110 --> 00:28:34,750
police that there have been a series of

660
00:28:39,360 --> 00:28:37,120
very big footprints found down that area

661
00:28:42,030 --> 00:28:39,370
so we smite team went down that night

662
00:28:44,159 --> 00:28:42,040
and it was like living a sci-fi movie

663
00:28:48,930 --> 00:28:44,169

line I remember that night it was very

664

00:28:50,820 --> 00:28:48,940

warm very hazy very foggy area small

665

00:28:52,560 --> 00:28:50,830

little village community I bet you the

666

00:28:54,270 --> 00:28:52,570

whole village was there that the kids

667

00:28:55,020 --> 00:28:54,280

were there in her pajamas or people

668

00:28:57,480 --> 00:28:55,030

standing around

669

00:28:59,669 --> 00:28:57,490

they had flares lit up illuminating

670

00:29:02,610 --> 00:28:59,679

these giant footprints in the grounds

671

00:29:03,120 --> 00:29:02,620

and we made a cast of one of those

672

00:29:06,180 --> 00:29:03,130

tracks

673

00:29:08,430 --> 00:29:06,190

it was three toed but completely

674

00:29:10,140 --> 00:29:08,440

different than any of the tracks we had

675

00:29:11,669 --> 00:29:10,150

ever seen and be honest with you I

676

00:29:14,010 --> 00:29:11,679

didn't know what to make of them I

677

00:29:15,900 --> 00:29:14,020

didn't see any any indication they were

678

00:29:20,220 --> 00:29:15,910

fabricated the joints on the toes were

679

00:29:23,250 --> 00:29:20,230

clearly defined in the ground and years

680

00:29:24,000 --> 00:29:23,260

later I was in touch with a prominent

681

00:29:25,920 --> 00:29:24,010

Bigfoot

682

00:29:28,170 --> 00:29:25,930

sir at the time for Mountain California

683

00:29:30,000 --> 00:29:28,180

and years later that person stepped me

684

00:29:32,610 --> 00:29:30,010

photographs and they were almost

685

00:29:35,430 --> 00:29:32,620

identical to those footprints that I

686

00:29:39,420 --> 00:29:35,440

have made a cast of the 73 so once again

687

00:29:43,170 --> 00:29:39,430

you can't have so many types of unknown

688

00:29:45,180 --> 00:29:43,180

animals running around the country but

689

00:29:46,800 --> 00:29:45,190

yet we're dealing with something where

690

00:29:49,650 --> 00:29:46,810

you keep getting this strange evidence

691

00:29:51,450 --> 00:29:49,660

showing up so you can't eliminate it so

692

00:29:54,810 --> 00:29:51,460

there had to be another explanation and

693

00:29:58,050 --> 00:29:54,820

what it is none of us really know yeah

694

00:30:00,990 --> 00:29:58,060

that's true you know you've been coming

695

00:30:03,510 --> 00:30:01,000

becoming quite a regular on small-town

696

00:30:06,150 --> 00:30:03,520

monsters films recently of course you

697

00:30:09,930 --> 00:30:06,160

did the Chestnut Ridge film and more

698

00:30:12,270 --> 00:30:09,940

recently on the trail of UFOs and you

699

00:30:15,480 --> 00:30:12,280

did some pretty extensive interviews on

700

00:30:17,640 --> 00:30:15,490

there and on there you talked about the

701
00:30:19,440 --> 00:30:17,650
incident that you talked about this war

702
00:30:21,990 --> 00:30:19,450
with the woman who had taken a shot at

703
00:30:25,830 --> 00:30:22,000
one Bigfoot and it just turned into

704
00:30:28,140 --> 00:30:25,840
light yeah well that's that's wasn't the

705
00:30:30,780 --> 00:30:28,150
key case over the years of the many may

706
00:30:34,500 --> 00:30:30,790
have investigated that was the case that

707
00:30:36,480 --> 00:30:34,510
really convinced myself and my team that

708
00:30:38,880 --> 00:30:36,490
we're dealing with something that's much

709
00:30:40,410 --> 00:30:38,890
stranger than just an unknown animal and

710
00:30:43,950 --> 00:30:40,420
I remember that case very well was

711
00:30:46,530 --> 00:30:43,960
February 6 1974 up in Fayette County so

712
00:30:49,440 --> 00:30:46,540
again along the Chestnut Ridge which

713
00:30:51,210 --> 00:30:49,450

you've heard me mention about before it

714

00:30:53,940 --> 00:30:51,220

continues to be one of the most active

715

00:30:56,790 --> 00:30:53,950

areas probably in the country for yearly

716

00:30:59,610 --> 00:30:56,800

phenomena UFOs Bigfoot cryptid

717

00:31:02,220 --> 00:30:59,620

encounters other anomalies and it's a

718

00:31:05,160 --> 00:31:02,230

hundred miles long it goes through

719

00:31:07,350 --> 00:31:05,170

Westmoreland Fayette and Indiana County

720

00:31:09,210 --> 00:31:07,360

and Southwest PA and continues down

721

00:31:11,610 --> 00:31:09,220

outside of Morgantown near Preston

722

00:31:14,250 --> 00:31:11,620

County West Virginia but a lot of the

723

00:31:16,050 --> 00:31:14,260

activity and the the reports I get very

724

00:31:18,870 --> 00:31:16,060

commonly is in the Westmoreland Fayette

725

00:31:21,810 --> 00:31:18,880

County side and both counties about a

726

00:31:23,850 --> 00:31:21,820

long long history of these type of

727

00:31:26,640 --> 00:31:23,860

incidents with clipped as a particular

728

00:31:28,980 --> 00:31:26,650

and UFOs the the earliest first-hand

729

00:31:31,830 --> 00:31:28,990

account I have on record as somebody who

730

00:31:34,760 --> 00:31:31,840

actually encountered a Bigfoot goes back

731

00:31:37,710 --> 00:31:34,770

to Indiana had in Fayette County of 1931

732

00:31:39,930 --> 00:31:37,720

but there are many many earlier councils

733

00:31:41,669 --> 00:31:39,940

in newspapers and from other people that

734

00:31:46,110 --> 00:31:41,679

myself and other researchers have

735

00:31:49,200 --> 00:31:46,120

interviewed but that incident near

736

00:31:54,629 --> 00:31:49,210

Ohiopele I remember that night very well

737

00:31:56,610 --> 00:31:54,639

and I got call on it and we proceeded up

738

00:31:59,820 --> 00:31:56,620

to the site the next morning this

739

00:32:02,340 --> 00:31:59,830

happened during the time period when des

740

00:32:04,110 --> 00:32:02,350

was a big national trucker strike so a

741

00:32:05,669 --> 00:32:04,120

lot of people remember it there was gas

742

00:32:07,950 --> 00:32:05,679

rationing going on around the country

743

00:32:09,299 --> 00:32:07,960

and there was a lot of violence in the

744

00:32:12,029 --> 00:32:09,309

highways across the country including

745

00:32:13,440 --> 00:32:12,039

Pennsylvania so the National Guard and

746

00:32:16,590 --> 00:32:13,450

the state police were patrolling

747

00:32:17,190 --> 00:32:16,600

together they both responded to this

748

00:32:19,049 --> 00:32:17,200

incident

749

00:32:20,700 --> 00:32:19,059

I couldn't get gas welded till the next

750

00:32:23,279 --> 00:32:20,710

morning so I couldn't get up to the

751

00:32:25,560 --> 00:32:23,289

earlier next morning myself another team

752

00:32:29,940 --> 00:32:25,570

member got out there very early but when

753

00:32:31,470 --> 00:32:29,950

I found out was that this woman was in

754

00:32:33,600 --> 00:32:31,480

her little cabin home she lived there

755

00:32:35,700 --> 00:32:33,610

for years al is he lived in the woods

756

00:32:38,190 --> 00:32:35,710

all life she knew animals well she was a

757

00:32:40,619 --> 00:32:38,200

good shot pretty much fearless not of

758

00:32:42,240 --> 00:32:40,629

pretty much afraid of anything it was a

759

00:32:44,340 --> 00:32:42,250

normal evening she was sitting there in

760

00:32:47,190 --> 00:32:44,350

her little cabin home watching

761

00:32:50,639 --> 00:32:47,200

television when he heard his noise on

762

00:32:52,169 --> 00:32:50,649

her front porch there were some pop cans

763

00:32:55,499 --> 00:32:52,179

out there something stalking the pop

764

00:32:57,210 --> 00:32:55,509

cans around so she figured well been a

765

00:32:58,860 --> 00:32:57,220

pack of dogs came through a couple weeks

766

00:33:00,360 --> 00:32:58,870

before she figured those dogs were back

767

00:33:03,060 --> 00:33:00,370

and she thought you know what I just

768

00:33:04,529 --> 00:33:03,070

grabbed my shotgun and I'll load one

769

00:33:07,560 --> 00:33:04,539

chamber or shoot over her head together

770

00:33:10,409 --> 00:33:07,570

those dogs away so she does that she

771

00:33:12,480 --> 00:33:10,419

loads her shotgun and she goes over and

772

00:33:15,629 --> 00:33:12,490

hits the switch on the wall to turn on

773

00:33:17,480 --> 00:33:15,639

the porch light she goes out and walks

774

00:33:21,629 --> 00:33:17,490

opens the front door steps out and

775

00:33:23,759 --> 00:33:21,639

there's no dogs but a couple feet in

776
00:33:26,399 --> 00:33:23,769
front of her maybe less here's this huge

777
00:33:29,850 --> 00:33:26,409
seven foot tall hair-covered creature

778
00:33:33,119 --> 00:33:29,860
and sooner she turned the light on it

779
00:33:35,549 --> 00:33:33,129
raises arms up above his head and her

780
00:33:37,919 --> 00:33:35,559
first reaction was she shot into it she

781
00:33:40,159 --> 00:33:37,929
tried directly into the creature she

782
00:33:43,230 --> 00:33:40,169
said there's this bright flash of light

783
00:33:45,090 --> 00:33:43,240
like the flash on a camera and the

784
00:33:47,340 --> 00:33:45,100
creature physically disappeared right in

785
00:33:50,240 --> 00:33:47,350
front of her he said there was no odd

786
00:33:52,880 --> 00:33:50,250
smells no outs odd sounds

787
00:33:54,500 --> 00:33:52,890
her in-laws lived about a hundred feet

788
00:33:57,410 --> 00:33:54,510

away they heard the gunshots they call

789

00:33:59,240 --> 00:33:57,420

her answer what she was shooting at her

790

00:34:01,340 --> 00:33:59,250

son-in-law grabs a sidearm starts

791

00:34:03,440 --> 00:34:01,350

walking down that that dark road towards

792

00:34:05,210 --> 00:34:03,450

her cab and he sees a shadowy figure

793

00:34:07,310 --> 00:34:05,220

running down the road away from him down

794

00:34:09,409 --> 00:34:07,320

the road he gets down a little further

795

00:34:11,990 --> 00:34:09,419

she said he's around the Bible he was

796

00:34:14,720 --> 00:34:12,000

four or five hairy people with eyes like

797

00:34:18,860 --> 00:34:14,730

holes a fire started shooting in and

798

00:34:21,470 --> 00:34:18,870

randomly ran into the cabin went back

799

00:34:23,690 --> 00:34:21,480

out again a short time later and they

800

00:34:25,159 --> 00:34:23,700

see this large object like big Christmas

801
00:34:26,990 --> 00:34:25,169
ornaments with different lights on it

802
00:34:30,310 --> 00:34:27,000
hovering over the woods at the same time

803
00:34:33,409 --> 00:34:30,320
that's when they called the State Police

804
00:34:35,090 --> 00:34:33,419
they police got up there I believe was

805
00:34:37,700 --> 00:34:35,100
one trooper one National Guardsman

806
00:34:40,340 --> 00:34:37,710
initially then Moore came to the scene

807
00:34:42,350 --> 00:34:40,350
and I talked to the primary investigator

808
00:34:44,210 --> 00:34:42,360
at the time and he said he said by the

809
00:34:47,540 --> 00:34:44,220
time we found the place got up there

810
00:34:49,940 --> 00:34:47,550
everything was done but he said these

811
00:34:52,520 --> 00:34:49,950
were very credible people for one

812
00:34:55,669 --> 00:34:52,530
witness was extremely emotionally shook

813
00:34:57,740 --> 00:34:55,679

up and he said something very strange

814

00:35:00,050 --> 00:34:57,750

happened up there that was based on the

815

00:35:01,670 --> 00:35:00,060

animal reactions now I've said to you

816

00:35:03,800 --> 00:35:01,680

earlier I've never seen your for a

817

00:35:05,300 --> 00:35:03,810

Bigfoot myself but I've been out on the

818

00:35:07,250 --> 00:35:05,310

scene of these incidents many times

819

00:35:10,370 --> 00:35:07,260

within minutes hours after they occurred

820

00:35:12,770 --> 00:35:10,380

and I did to see the animal reactions

821

00:35:16,610 --> 00:35:12,780

you can fool people you can fool the

822

00:35:19,730 --> 00:35:16,620

animals very very common especially even

823

00:35:21,680 --> 00:35:19,740

the most ferocious type of dog as he

824

00:35:23,630 --> 00:35:21,690

told me so these people had think it was

825

00:35:25,280 --> 00:35:23,640

three or four large dogs of Berenice and

826

00:35:25,820 --> 00:35:25,290

when it got up to the scene there wasn't

827

00:35:27,920 --> 00:35:25,830

a sound

828

00:35:29,990 --> 00:35:27,930

these dogs wouldn't move they wouldn't

829

00:35:32,000 --> 00:35:30,000

work he said they were shaking and

830

00:35:33,950 --> 00:35:32,010

cowering and crying and they would not

831

00:35:36,800 --> 00:35:33,960

make it they would not work whatsoever I

832

00:35:39,740 --> 00:35:36,810

think one of them was a Eskimo Spitz and

833

00:35:41,480 --> 00:35:39,750

it was in a cage and no one officer I

834

00:35:44,090 --> 00:35:41,490

believe opened up and tried to pull the

835

00:35:47,120 --> 00:35:44,100

dog up dog should have bit his fingers

836

00:35:48,680 --> 00:35:47,130

off dog wouldn't even move well the next

837

00:35:51,800 --> 00:35:48,690

morning when I get up there everything's

838

00:35:53,810 --> 00:35:51,810

back to normal I by the way when my team

839

00:35:56,290 --> 00:35:53,820

got up there and we searched in the

840

00:35:58,820 --> 00:35:56,300

woods and NORs a.m. there was an animal

841

00:36:00,140 --> 00:35:58,830

humane officer something came up to join

842

00:36:02,420 --> 00:36:00,150

us at the scene we're searching for

843

00:36:02,970 --> 00:36:02,430

evidence we found out in the woods right

844

00:36:07,349 --> 00:36:02,980

in

845

00:36:11,250 --> 00:36:07,359

the tree where she had shot at the

846

00:36:14,609 --> 00:36:11,260

creature and that was the case among

847

00:36:19,440 --> 00:36:14,619

others that convinced Asador something

848

00:36:21,480 --> 00:36:19,450

going on and it's an amazing story and

849

00:36:25,470 --> 00:36:21,490

there's other details to it but there

850

00:36:27,900 --> 00:36:25,480

were other cases similar and some of

851

00:36:30,870 --> 00:36:27,910

this stuff is so it's so hard to believe

852

00:36:33,270 --> 00:36:30,880

but when you talk to so many people who

853

00:36:34,559 --> 00:36:33,280

don't know each other give me a similar

854

00:36:36,210 --> 00:36:34,569

account and they don't want to tell you

855

00:36:38,670 --> 00:36:36,220

about these accounts I mean they're

856

00:36:40,740 --> 00:36:38,680

reluctant enough even discuss seeing a

857

00:36:42,690 --> 00:36:40,750

UFO or Bigfoot but when you have these

858

00:36:45,329 --> 00:36:42,700

high strangeness aspects of the case

859

00:36:48,000 --> 00:36:45,339

they're much more reluctant discussion

860

00:36:50,490 --> 00:36:48,010

but some of them do yeah and I mean I

861

00:36:52,890 --> 00:36:50,500

sat down rum two three years last two

862

00:36:54,539 --> 00:36:52,900

three years with some very experienced

863

00:36:56,760 --> 00:36:54,549

hunters different place different

864

00:36:58,380 --> 00:36:56,770

hunters from different places and I'm

865

00:37:00,630 --> 00:36:58,390

telling you some of these guys were

866

00:37:02,370 --> 00:37:00,640

almost crying in tears talking about

867

00:37:04,170 --> 00:37:02,380

things too they encountered recent years

868

00:37:05,760 --> 00:37:04,180

said they spent two whole lives in the

869

00:37:06,079 --> 00:37:05,770

woods they weren't gonna go back out

870

00:37:09,089 --> 00:37:06,089

again

871

00:37:10,799 --> 00:37:09,099

nothing impacted their lives and that's

872

00:37:14,339 --> 00:37:10,809

what's happening with so many people

873

00:37:16,160 --> 00:37:14,349

when they deal with these phenomena well

874

00:37:18,120 --> 00:37:16,170

and you know for a fact that

875

00:37:21,150 --> 00:37:18,130

Pennsylvania over all the people are

876

00:37:22,940 --> 00:37:21,160

fairly conservative and they're not just

877

00:37:25,829 --> 00:37:22,950

not going to come out and tell you

878

00:37:28,289 --> 00:37:25,839

something the experience it's got to be

879

00:37:32,039 --> 00:37:28,299

pretty profound for them to come out and

880

00:37:35,670 --> 00:37:32,049

say something so I think it's remarkable

881

00:37:38,670 --> 00:37:35,680

that as many cases are reported in

882

00:37:40,559 --> 00:37:38,680

Pennsylvania you know though you know

883

00:37:45,839 --> 00:37:40,569

you know that there's a lot that's not

884

00:37:48,569 --> 00:37:45,849

being said I mean up to this point of

885

00:37:51,329 --> 00:37:48,579

course this year as we both know I had

886

00:37:54,089 --> 00:37:51,339

many many speaking engagements that have

887

00:37:56,670 --> 00:37:54,099

been canceled due to the virus situation

888

00:37:58,620 --> 00:37:56,680

I'm sure you have as well but prior to

889

00:38:01,230 --> 00:37:58,630

that I mean everywhere I went to

890

00:38:02,700 --> 00:38:01,240

literally people would come up to me and

891

00:38:04,589 --> 00:38:02,710

share their accounts of sightings having

892

00:38:06,120 --> 00:38:04,599

recently or in the past some of these

893

00:38:08,250 --> 00:38:06,130

people didn't want to talk to me then

894

00:38:10,710 --> 00:38:08,260

that contacted me later because they

895

00:38:14,160 --> 00:38:10,720

wanted to keep it confidential mm-hmm so

896

00:38:16,560 --> 00:38:14,170

everywhere I went I would say 99% those

897

00:38:18,690 --> 00:38:16,570

reports people never reported to anybody

898

00:38:22,020 --> 00:38:18,700

many other investigators and researchers

899

00:38:23,700 --> 00:38:22,030

I know it's the same thing I get reports

900

00:38:27,030 --> 00:38:23,710

all the time about - has been open since

901
00:38:28,590 --> 00:38:27,040
1969 it still never stops ringing there

902
00:38:32,310 --> 00:38:28,600
are many other investigators out there

903
00:38:33,840 --> 00:38:32,320
getting reports we have no idea how much

904
00:38:36,120 --> 00:38:33,850
of this is going on let me tell you

905
00:38:38,430 --> 00:38:36,130
there's no doubt in my mind it is much

906
00:38:40,050 --> 00:38:38,440
more common than people realize and it's

907
00:38:42,810 --> 00:38:40,060
not something the ways the news

908
00:38:45,600 --> 00:38:42,820
suggested on occasion maybe once a year

909
00:38:48,240 --> 00:38:45,610
you get a UFO report these things go on

910
00:38:50,010 --> 00:38:48,250
all year round every year even now in

911
00:38:52,560 --> 00:38:50,020
the last few months with the virus

912
00:38:54,510 --> 00:38:52,570
situation I'm still getting reports not

913
00:38:57,360 --> 00:38:54,520

the numbers like we did in the last few

914

00:38:59,370 --> 00:38:57,370

years but we're still getting quite a

915

00:39:04,220 --> 00:38:59,380

lot of reports that about UFOs and

916

00:39:08,370 --> 00:39:04,230

cryptid encounters so continue to go on

917

00:39:10,770 --> 00:39:08,380

yeah I'm always amazed that some of the

918

00:39:13,590 --> 00:39:10,780

reports and how you know it seems that

919

00:39:17,250 --> 00:39:13,600

there's some new phenomena that seems to

920

00:39:18,990 --> 00:39:17,260

pop up and you know you start talking

921

00:39:20,820 --> 00:39:19,000

about it and mentioning it and people

922

00:39:23,190 --> 00:39:20,830

will tell you wow somebody's hearing

923

00:39:25,080 --> 00:39:23,200

something as somebody else said and

924

00:39:27,450 --> 00:39:25,090

they're just basically caught well I

925

00:39:31,230 --> 00:39:27,460

don't buy into that I mean there are

926
00:39:33,210 --> 00:39:31,240
people that have no idea what has been

927
00:39:35,130 --> 00:39:33,220
going on just like what happened in

928
00:39:37,230 --> 00:39:35,140
Chicago you know with the winged

929
00:39:40,500 --> 00:39:37,240
humanoids I mean it had no idea of what

930
00:39:43,710 --> 00:39:40,510
has been going on we'll come and contact

931
00:39:49,170 --> 00:39:43,720
you wanting to know what the hell did I

932
00:39:51,090 --> 00:39:49,180
just see sure yeah yeah and the same

933
00:39:53,640 --> 00:39:51,100
year in Pennsylvania man one of the

934
00:39:55,500 --> 00:39:53,650
cryptids to become well known as the the

935
00:39:58,710 --> 00:39:55,510
Butler gargoyle from back and believed

936
00:40:00,480 --> 00:39:58,720
2011 mm-hmm and that's when the dispel

937
00:40:02,670 --> 00:40:00,490
oh who I've had many many interviews

938
00:40:04,320 --> 00:40:02,680

I've got to know his family very well

939

00:40:06,900 --> 00:40:04,330

personally over the years very

940

00:40:10,200 --> 00:40:06,910

professional I mean he's riding down the

941

00:40:14,070 --> 00:40:10,210

road that night in Butler County I think

942

00:40:16,320 --> 00:40:14,080

was between East Brady and Turk or as I

943

00:40:18,720 --> 00:40:16,330

remember Anna was late at night and he

944

00:40:20,700 --> 00:40:18,730

is riding down this back road and he

945

00:40:22,230 --> 00:40:20,710

notices something on the right side and

946

00:40:24,090 --> 00:40:22,240

the field in front of me thought it was

947

00:40:27,030 --> 00:40:24,100

a deer he slows down puts as high beams

948

00:40:29,790 --> 00:40:27,040

on and this thing rises from the ground

949

00:40:30,089 --> 00:40:29,800

takes three big steps walks in front as

950

00:40:32,069 --> 00:40:30,099

big

951
00:40:33,450 --> 00:40:32,079
Construction sign a road sign and watch

952
00:40:36,329 --> 00:40:33,460
in front of his car off into the woods

953
00:40:38,249 --> 00:40:36,339
and it's gone and he said to me he said

954
00:40:39,719 --> 00:40:38,259
when I first interview him he said I

955
00:40:41,789 --> 00:40:39,729
hear people talking about Bigfoot he

956
00:40:44,099 --> 00:40:41,799
said this thing wasn't a Bigfoot he said

957
00:40:46,109 --> 00:40:44,109
this thing was easily 8 foot tall never

958
00:40:51,049 --> 00:40:46,119
looked at him he only saw it from the

959
00:40:53,279 --> 00:40:51,059
side he said he had light leathery skin

960
00:40:55,289 --> 00:40:53,289
they had was safe thing like an

961
00:40:59,759 --> 00:40:55,299
aerodynamic helmet the eyes were swept

962
00:41:02,009 --> 00:40:59,769
back it had claws four fingers the legs

963
00:41:03,870 --> 00:41:02,019

were very short and muscular they moved

964

00:41:06,870 --> 00:41:03,880

unlike a human they moved almost

965

00:41:12,950 --> 00:41:06,880

backward and had wings tucked into its

966

00:41:15,779 --> 00:41:12,960

beside and within days apparently Dan

967

00:41:19,440 --> 00:41:15,789

Hagman up there from the butler research

968

00:41:22,079 --> 00:41:19,450

group and several other similar reports

969

00:41:24,150 --> 00:41:22,089

and my understanding is from Dan that I

970

00:41:26,640 --> 00:41:24,160

believe was in the last year that he had

971

00:41:31,079 --> 00:41:26,650

at least another similar report happened

972

00:41:32,640 --> 00:41:31,089

distant last year and there's so many

973

00:41:35,370 --> 00:41:32,650

strange things going on out there it's

974

00:41:37,769 --> 00:41:35,380

just amazing and it's an ongoing

975

00:41:39,479 --> 00:41:37,779

phenomena and you know something else

976

00:41:41,339 --> 00:41:39,489

that keeps coming out I keep getting

977

00:41:43,459 --> 00:41:41,349

these black panther reports and I've

978

00:41:46,499 --> 00:41:43,469

been getting for years and years and

979

00:41:48,809 --> 00:41:46,509

these reports again very detailed

980

00:41:50,880 --> 00:41:48,819

sightings and of course we all know

981

00:41:52,680 --> 00:41:50,890

Black Panthers exist because we're

982

00:41:54,839 --> 00:41:52,690

talking about a black leopard or black

983

00:41:56,190 --> 00:41:54,849

Jaguar not calm in this part of the

984

00:42:00,599 --> 00:41:56,200

world but they've been seeing them for

985

00:42:02,249 --> 00:42:00,609

years and years and it's a stranger

986

00:42:03,450 --> 00:42:02,259

aspect to it here's something else a lot

987

00:42:05,309 --> 00:42:03,460

of people don't know about the Bigfoot

988

00:42:07,319 --> 00:42:05,319

phenomena and I'm sure you've heard this

989

00:42:09,180 --> 00:42:07,329

too it's not only Pennsylvania been

990

00:42:11,219 --> 00:42:09,190

reported historically from around the

991

00:42:13,589 --> 00:42:11,229

country but again not well known not

992

00:42:16,680 --> 00:42:13,599

really talked very really talked about

993

00:42:19,999 --> 00:42:16,690

in some cases you have more than one

994

00:42:22,950 --> 00:42:20,009

cryptid seen together at the same time

995

00:42:24,959 --> 00:42:22,960

now you've got a Bigfoot sometimes with

996

00:42:28,190 --> 00:42:24,969

a black panther or another cryptid seen

997

00:42:30,569 --> 00:42:28,200

together and the other phenomena is this

998

00:42:33,989 --> 00:42:30,579

sometimes when you have a localized

999

00:42:36,690 --> 00:42:33,999

outbreak of Bigfoot activity you also

1000

00:42:38,880 --> 00:42:36,700

get an outbreak in the same area of

1001
00:42:42,059 --> 00:42:38,890
another cryptid very commonly a black

1002
00:42:43,830 --> 00:42:42,069
panther reports and this for example was

1003
00:42:48,450 --> 00:42:43,840
very common during the

1004
00:42:49,410 --> 00:42:48,460
outbreak here in 1979 through about 1982

1005
00:42:52,170 --> 00:42:49,420
as I recall

1006
00:42:55,760 --> 00:42:52,180
down around the Apollo PA area so in the

1007
00:42:59,130 --> 00:42:55,770
border of Armstrong a Westlaw County and

1008
00:43:00,630 --> 00:42:59,140
from my memory it began in the summer of

1009
00:43:03,150 --> 00:43:00,640
79

1010
00:43:04,470 --> 00:43:03,160
when an object fell from the sky into a

1011
00:43:06,750 --> 00:43:04,480
large wooded area

1012
00:43:10,110 --> 00:43:06,760
soon after the residents are under began

1013
00:43:11,820 --> 00:43:10,120

to report screams and cries and UFOs and

1014

00:43:14,700 --> 00:43:11,830

strange lights and strange footprints

1015

00:43:16,620 --> 00:43:14,710

and Bigfoot sightings and it went on for

1016

00:43:18,450 --> 00:43:16,630

months and months and months and there

1017

00:43:21,710 --> 00:43:18,460

were multiple witness involved in amid

1018

00:43:24,300 --> 00:43:21,720

the local and TV news and everything and

1019

00:43:26,070 --> 00:43:24,310

that's just one thing it keeps going on

1020

00:43:28,020 --> 00:43:26,080

and you know we talk about the

1021

00:43:29,490 --> 00:43:28,030

skinwalker ranch and all everybody knows

1022

00:43:33,240 --> 00:43:29,500

about skinwalker is very very

1023

00:43:36,650 --> 00:43:33,250

interesting but similar type of events

1024

00:43:39,390 --> 00:43:36,660

were going on into here in 73 and 74 and

1025

00:43:42,120 --> 00:43:39,400

there are other locations around the

1026

00:43:45,150 --> 00:43:42,130

country and around the world where

1027

00:43:46,920 --> 00:43:45,160

similar phenomena occurs a lot of the

1028

00:43:48,510 --> 00:43:46,930

Bigfoot sightings and crypt encounters

1029

00:43:50,880 --> 00:43:48,520

UFO sightings there just sporadic

1030

00:43:54,090 --> 00:43:50,890

reports they can occur anywhere but

1031

00:43:57,510 --> 00:43:54,100

sometimes this phenomena seems to focus

1032

00:43:59,490 --> 00:43:57,520

on a particular geographical location

1033

00:44:01,950 --> 00:43:59,500

mm-hmm and I can tell you there's

1034

00:44:03,960 --> 00:44:01,960

another location and Fayette counties

1035

00:44:07,230 --> 00:44:03,970

that's been active for several years now

1036

00:44:08,880 --> 00:44:07,240

and I've been up there and some of the

1037

00:44:11,490 --> 00:44:08,890

other investigators I know are still

1038

00:44:13,260 --> 00:44:11,500

going up there currently and there's

1039

00:44:15,510 --> 00:44:13,270

ongoing reports even in recent weeks up

1040

00:44:18,660 --> 00:44:15,520

there but this all began several years

1041

00:44:21,870 --> 00:44:18,670

ago and they begin the same thing they

1042

00:44:25,650 --> 00:44:21,880

begin to see strange light paranormal

1043

00:44:28,800 --> 00:44:25,660

phenomenon animal reactions UFOs screams

1044

00:44:30,960 --> 00:44:28,810

Bigfoot footprints and people visiting

1045

00:44:35,010 --> 00:44:30,970

the forum others have experienced it as

1046

00:44:38,310 --> 00:44:35,020

well so this phenomena is extremely

1047

00:44:40,740 --> 00:44:38,320

unusual it's far beyond our present

1048

00:44:42,000 --> 00:44:40,750

understanding I really don't think the

1049

00:44:43,380 --> 00:44:42,010

government knows what's going on either

1050

00:44:45,060 --> 00:44:43,390

I believe they know a lot more than

1051
00:44:47,550 --> 00:44:45,070
telling us but I think they're trying to

1052
00:44:49,910 --> 00:44:47,560
figure out themselves and you know I've

1053
00:44:52,770 --> 00:44:49,920
seen indication over many many years

1054
00:44:53,790 --> 00:44:52,780
with the investigation I've done that

1055
00:44:55,800 --> 00:44:53,800
the government appears to have the

1056
00:44:58,650 --> 00:44:55,810
interest on both UFOs and the big

1057
00:45:00,840 --> 00:44:58,660
phenomena oh I have no doubt of that I

1058
00:45:02,940 --> 00:45:00,850
really do I mean just like things I

1059
00:45:05,010 --> 00:45:02,950
verbs you know over the years you know

1060
00:45:07,850 --> 00:45:05,020
you were talking about the Black Panther

1061
00:45:10,770 --> 00:45:07,860
sightings and of course I've heard some

1062
00:45:13,170 --> 00:45:10,780
along the chest and ridge and in fact I

1063
00:45:13,950 --> 00:45:13,180

heard one firsthand but guy had just

1064

00:45:16,950 --> 00:45:13,960

seen one

1065

00:45:21,120 --> 00:45:16,960

why just east of Perryopolis right there

1066

00:45:22,680 --> 00:45:21,130

along yatta Haney and he had just seen

1067

00:45:24,870 --> 00:45:22,690

it before that and I was with several

1068

00:45:26,670 --> 00:45:24,880

the gentlemen because I was at a retreat

1069

00:45:29,820 --> 00:45:26,680

of a Linden Hall with the United

1070

00:45:32,550 --> 00:45:29,830

Steelworkers and this guy comes walking

1071

00:45:35,010 --> 00:45:32,560

into the bar there while we're sitting

1072

00:45:38,640 --> 00:45:35,020

there and he he is wise ghost and he's

1073

00:45:40,440 --> 00:45:38,650

telling us it was right along the the

1074

00:45:42,510 --> 00:45:40,450

golf course right there Linden Hall and

1075

00:45:44,580 --> 00:45:42,520

he said he swears he saw a black panther

1076

00:45:47,310 --> 00:45:44,590

and he described in the size and

1077

00:45:49,350 --> 00:45:47,320

everything and you know you know I was

1078

00:45:51,270 --> 00:45:49,360

the only one that there that was pretty

1079

00:45:53,730 --> 00:45:51,280

aware some of the slags i've been in the

1080

00:45:55,560 --> 00:45:53,740

area along Chestnut Ridge and you know

1081

00:45:57,690 --> 00:45:55,570

mostly other people just you know

1082

00:46:00,020 --> 00:45:57,700

thought the guy was nuts but man I'm

1083

00:46:02,910 --> 00:46:00,030

telling you I this guy saw something oh

1084

00:46:04,920 --> 00:46:02,920

yeah and I mean that there's so many I'm

1085

00:46:07,770 --> 00:46:04,930

I think I mentioned I'm working on my

1086

00:46:10,020 --> 00:46:07,780

fourth book y whole time it has some

1087

00:46:12,630 --> 00:46:10,030

amazing strange case including a lot of

1088

00:46:15,260 --> 00:46:12,640

black panther reports there is more and

1089

00:46:18,450 --> 00:46:15,270

more information coming in once again

1090

00:46:21,510 --> 00:46:18,460

and and reluctant again as I'm repeating

1091

00:46:23,400 --> 00:46:21,520

myself that I am saying this but there's

1092

00:46:25,170 --> 00:46:23,410

more data suggesting a lot of the

1093

00:46:26,910 --> 00:46:25,180

cryptids have a physical and

1094

00:46:29,310 --> 00:46:26,920

non-physical component to them that's

1095

00:46:31,260 --> 00:46:29,320

why there's no bodies and you remember

1096

00:46:33,600 --> 00:46:31,270

the one case on I talked about for

1097

00:46:37,410 --> 00:46:33,610

Fayette County it happened years ago

1098

00:46:39,570 --> 00:46:37,420

back in the 80s and I'm trying to

1099

00:46:43,380 --> 00:46:39,580

remember from memory but anyhow as it

1100

00:46:47,970 --> 00:46:43,390

was early morning this fella just got

1101
00:46:51,770 --> 00:46:47,980
back in his car was overheating he went

1102
00:46:55,530 --> 00:46:51,780
in the garage to get some antifreeze and

1103
00:46:58,740 --> 00:46:55,540
when he came out as I recall he heard

1104
00:47:01,940 --> 00:46:58,750
this loud growling and he happened to

1105
00:47:04,880 --> 00:47:01,950
look at her so there's a large black cat

1106
00:47:07,080 --> 00:47:04,890
and didn't pay much attention to it and

1107
00:47:09,270 --> 00:47:07,090
I went back to putting some more

1108
00:47:11,670 --> 00:47:09,280
antifreeze in a car

1109
00:47:14,430 --> 00:47:11,680
a short time later he hears a much much

1110
00:47:16,770 --> 00:47:14,440
louder growl and he turns around the

1111
00:47:19,790 --> 00:47:16,780
look and now this big house cat has

1112
00:47:22,740 --> 00:47:19,800
physically groaned about twice at sighs

1113
00:47:24,960 --> 00:47:22,750

okay yeah so anyhow he runs into grabs

1114

00:47:26,610 --> 00:47:24,970

his pistol grab a pistol he comes back

1115

00:47:29,970 --> 00:47:26,620

out and this thing is making us wake up

1116

00:47:32,130 --> 00:47:29,980

the road and he said now it looks like a

1117

00:47:34,140 --> 00:47:32,140

full-size black panther like you would

1118

00:47:36,300 --> 00:47:34,150

see in the zoo with glowing yellow eyes

1119

00:47:38,790 --> 00:47:36,310

I know he said I remember he said he

1120

00:47:41,130 --> 00:47:38,800

took a shot at it he said a growl turned

1121

00:47:42,690 --> 00:47:41,140

around walked up the road and physically

1122

00:47:43,140 --> 00:47:42,700

vanished and disappeared right in front

1123

00:47:48,360 --> 00:47:43,150

of him

1124

00:47:51,800 --> 00:47:48,370

Wow Wow you know I just recently saw a

1125

00:47:54,390 --> 00:47:51,810

film that was produced by Linda Godfrey

1126
00:47:58,320 --> 00:47:54,400
about these Black Panthers that being

1127
00:48:01,410 --> 00:47:58,330
seen in southwest Wisconsin around

1128
00:48:03,300 --> 00:48:01,420
Hillsborough of Wisconsin in that in a

1129
00:48:05,400 --> 00:48:03,310
general area and you know this thing's

1130
00:48:09,650 --> 00:48:05,410
but this has been going on for years now

1131
00:48:12,990 --> 00:48:09,660
and in fact many of the DNR people and

1132
00:48:15,600 --> 00:48:13,000
even a big cat expert live in the area

1133
00:48:17,040 --> 00:48:15,610
and have also seen these things so I

1134
00:48:21,120 --> 00:48:17,050
mean they they're saying they're

1135
00:48:24,030 --> 00:48:21,130
definitely some type of large black cat

1136
00:48:28,080 --> 00:48:24,040
so you know and then they were talking

1137
00:48:31,350 --> 00:48:28,090
to a gentleman who who had one of those

1138
00:48:34,170 --> 00:48:31,360

private zoos where he kept big cats and

1139

00:48:37,020 --> 00:48:34,180

you know he made you really believe that

1140

00:48:39,690 --> 00:48:37,030

if one of those things escaped what's

1141

00:48:42,000 --> 00:48:39,700

happening has happened many times that

1142

00:48:44,790 --> 00:48:42,010

they can survive I mean it's not like

1143

00:48:49,560 --> 00:48:44,800

you know they are from Central America

1144

00:48:49,770 --> 00:48:49,570

southern Mexico but these things can get

1145

00:48:58,680 --> 00:48:49,780

in

1146

00:49:03,630 --> 00:48:58,690

to do with what people are actually

1147

00:49:05,310 --> 00:49:03,640

seeing well I can tell you sir I just

1148

00:49:07,650 --> 00:49:05,320

told you about the one particular case

1149

00:49:08,850 --> 00:49:07,660

there's other incidents which suggest

1150

00:49:11,340 --> 00:49:08,860

again that there's something much

1151

00:49:13,800 --> 00:49:11,350

stranger and the relationship to the

1152

00:49:15,900 --> 00:49:13,810

fact that these things quite often show

1153

00:49:18,270 --> 00:49:15,910

up when there's Bigfoot activity going

1154

00:49:20,430 --> 00:49:18,280

on other areas I think that's very very

1155

00:49:22,140 --> 00:49:20,440

interesting but you know with the black

1156

00:49:23,069 --> 00:49:22,150

panther reports over the years here in

1157

00:49:24,809 --> 00:49:23,079

Pennsylvania turbine

1158

00:49:27,630 --> 00:49:24,819

any many of them in many of those cases

1159

00:49:29,880 --> 00:49:27,640

we've followed up and check places to

1160

00:49:32,339 --> 00:49:29,890

see if anything had escaped anywhere and

1161

00:49:34,650 --> 00:49:32,349

there's not that many of these type of

1162

00:49:37,170 --> 00:49:34,660

animals in Pennsylvania and there's it's

1163

00:49:38,940 --> 00:49:37,180

not easy for them to get out but we

1164

00:49:41,069 --> 00:49:38,950

never found any cases where any of those

1165

00:49:44,400 --> 00:49:41,079

have been missing and I can take a white

1166

00:49:46,469 --> 00:49:44,410

interesting cases back up to 1983 and

1167

00:49:50,910 --> 00:49:46,479

this made the news by the way

1168

00:49:52,949 --> 00:49:50,920

and this was an incident happened in a

1169

00:49:56,099 --> 00:49:52,959

suburb of Pittsburgh it was called

1170

00:49:57,900 --> 00:49:56,109

Bloomfield and there was a large wooded

1171

00:50:01,019 --> 00:49:57,910

area there but there was also a large

1172

00:50:03,059 --> 00:50:01,029

car dealership and it was right on the

1173

00:50:04,559 --> 00:50:03,069

opposite side of the woods and early

1174

00:50:06,749 --> 00:50:04,569

dad's morning about 9:30 I might the

1175

00:50:09,299 --> 00:50:06,759

mechanic was replacing a headliner on a

1176

00:50:12,359 --> 00:50:09,309

car when he has this loud thump and

1177

00:50:14,190 --> 00:50:12,369

here's this huge black panther leaping

1178

00:50:16,289 --> 00:50:14,200

over the fender and hood of the car and

1179

00:50:18,690 --> 00:50:16,299

the thing is carrying a dead animal in

1180

00:50:21,690 --> 00:50:18,700

its mouth and it lands like a few feet

1181

00:50:23,219 --> 00:50:21,700

away from him and I mean he's looking

1182

00:50:26,130 --> 00:50:23,229

right through this thing Spacey those

1183

00:50:29,069 --> 00:50:26,140

beautiful solid black shiny boy he had a

1184

00:50:31,140 --> 00:50:29,079

large head the ears were upright and I

1185

00:50:33,719 --> 00:50:31,150

mean he could smell it was so close you

1186

00:50:36,239 --> 00:50:33,729

could smell like a putrid urine smell

1187

00:50:39,479 --> 00:50:36,249

coming from the animal very deep heavy

1188

00:50:41,699 --> 00:50:39,489

breathing sound and he said the sound

1189

00:50:43,410 --> 00:50:41,709

was making it was not a growl and not a

1190

00:50:46,650 --> 00:50:43,420

Meowth but like a deep heavy breathing

1191

00:50:48,930 --> 00:50:46,660

and he said moments later it turns and

1192

00:50:52,349 --> 00:50:48,940

jumped back over the fence into the

1193

00:50:55,039 --> 00:50:52,359

woods a short time later several people

1194

00:50:57,630 --> 00:50:55,049

saw a big one and a small one together

1195

00:50:59,519 --> 00:50:57,640

dad led to a major search by the

1196

00:51:02,670 --> 00:50:59,529

Pittsburgh police and the animal

1197

00:51:04,650 --> 00:51:02,680

protectors of tranquilizer guns and

1198

00:51:07,019 --> 00:51:04,660

actually one of my guys in my group was

1199

00:51:09,900 --> 00:51:07,029

a special I believe with special forces

1200

00:51:11,999 --> 00:51:09,910

guy years and years ago and he was a

1201
00:51:14,729 --> 00:51:12,009
real good tracker and he was out there

1202
00:51:16,949 --> 00:51:14,739
as well anyhow they made a thorough

1203
00:51:19,319 --> 00:51:16,959
search of that area other people saw it

1204
00:51:21,779 --> 00:51:19,329
never found the trail I mean they found

1205
00:51:24,209 --> 00:51:21,789
some tracks never found it nothing was

1206
00:51:26,249 --> 00:51:24,219
missing and I mean those are the kind of

1207
00:51:29,309 --> 00:51:26,259
things that go on whenever people see

1208
00:51:31,170 --> 00:51:29,319
them we never find any trace I mean we

1209
00:51:34,469 --> 00:51:31,180
never find the animal once again and

1210
00:51:36,410 --> 00:51:34,479
there's nothing missing so it makes you

1211
00:51:38,600 --> 00:51:36,420
wonder I'm sure as an expert

1212
00:51:40,520 --> 00:51:38,610
for some of these sightings but some of

1213
00:51:43,850 --> 00:51:40,530

them again have some very strange

1214

00:51:45,710 --> 00:51:43,860

elements to the reports well there's

1215

00:51:48,680 --> 00:51:45,720

definitely something going on and I mean

1216

00:51:51,050 --> 00:51:48,690

and that's why I believe as you do for

1217

00:51:54,470 --> 00:51:51,060

the most part there's some supernatural

1218

00:51:56,780 --> 00:51:54,480

aspect to some of this phenomena and you

1219

00:52:00,050 --> 00:51:56,790

know we haven't figured out yet maybe

1220

00:52:02,210 --> 00:52:00,060

one day we will yeah you know just like

1221

00:52:04,880 --> 00:52:02,220

you're talking about winged humanoids

1222

00:52:07,010 --> 00:52:04,890

and this gargoyle from from Butler

1223

00:52:09,440 --> 00:52:07,020

County well down here in southeast south

1224

00:52:11,720 --> 00:52:09,450

central Pennsylvania and Adams in York

1225

00:52:14,630 --> 00:52:11,730

Canada we have had a lot of winged

1226
00:52:18,920 --> 00:52:14,640
humanoid sightings between myself and

1227
00:52:22,040 --> 00:52:18,930
Tim Renner I I think if I just off top

1228
00:52:25,520 --> 00:52:22,050
my head we've got nine cases over the

1229
00:52:28,430 --> 00:52:25,530
years that have been reported to us so

1230
00:52:31,280 --> 00:52:28,440
there's something being seen not just in

1231
00:52:33,110 --> 00:52:31,290
Chicago and other places but also in in

1232
00:52:37,090 --> 00:52:33,120
south-central Pennsylvania where I live

1233
00:52:39,140 --> 00:52:37,100
at yeah yeah it goes on everywhere

1234
00:52:41,660 --> 00:52:39,150
there's no doubt about it I mean these

1235
00:52:45,650 --> 00:52:41,670
cases occur all over the country and

1236
00:52:48,560 --> 00:52:45,660
around the world and I'm seeing a very

1237
00:52:50,930 --> 00:52:48,570
big increase in interest in these cases

1238
00:52:54,020 --> 00:52:50,940

now yeah I've been doing a lot of radio

1239

00:52:56,990 --> 00:52:54,030

shows I'm getting a lot of input and I

1240

00:52:58,460 --> 00:52:57,000

can see that now people are beginning to

1241

00:53:00,530 --> 00:52:58,470

be a little more open-minded

1242

00:53:02,150 --> 00:53:00,540

they're starting to realize that there

1243

00:53:03,560 --> 00:53:02,160

are things out there which we just don't

1244

00:53:06,470 --> 00:53:03,570

understand right

1245

00:53:09,020 --> 00:53:06,480

and I believe someday you know we'll

1246

00:53:11,300 --> 00:53:09,030

have a lot better technology we'll have

1247

00:53:12,740 --> 00:53:11,310

a lot more data to work with and

1248

00:53:14,780 --> 00:53:12,750

probably is not going to be in our

1249

00:53:16,430 --> 00:53:14,790

lifetime but I think someday we're going

1250

00:53:19,730 --> 00:53:16,440

to know a lot more about this phenomena

1251
00:53:22,310 --> 00:53:19,740
and and once again you know what I'm

1252
00:53:24,500 --> 00:53:22,320
seeing is it's an energy connected

1253
00:53:26,270 --> 00:53:24,510
phenomena there's a physical and a

1254
00:53:28,790 --> 00:53:26,280
non-physical aspect to it so these

1255
00:53:30,320 --> 00:53:28,800
things whatever they are they under

1256
00:53:32,570 --> 00:53:30,330
certain conditions they come into our

1257
00:53:34,670 --> 00:53:32,580
physical reality sometimes it looks

1258
00:53:36,800 --> 00:53:34,680
physically solid sometimes they're not

1259
00:53:38,780 --> 00:53:36,810
completely physically solid as in many

1260
00:53:40,400 --> 00:53:38,790
cases we've had in recent years they can

1261
00:53:43,280 --> 00:53:40,410
leave evidence at times and then they're

1262
00:53:45,080 --> 00:53:43,290
gone they come and they go and it alone

1263
00:53:48,170 --> 00:53:45,090

you'll remember we talked about this and

1264

00:53:50,150 --> 00:53:48,180

other shows we've done but something I

1265

00:53:52,789 --> 00:53:50,160

noticed number of years ago

1266

00:53:54,529 --> 00:53:52,799

with big threat and other cryptids and

1267

00:53:57,349 --> 00:53:54,539

some even some of the dog man type

1268

00:53:59,750 --> 00:53:57,359

reports and some instances people will

1269

00:54:02,059 --> 00:53:59,760

tell me that they're very close to the

1270

00:54:05,180 --> 00:54:02,069

creatures and are watching these things

1271

00:54:07,940 --> 00:54:05,190

and when the creature notices them the

1272

00:54:10,130 --> 00:54:07,950

creature seems very startled as if they

1273

00:54:11,660 --> 00:54:10,140

realize that they can be seen and I

1274

00:54:13,670 --> 00:54:11,670

remember the last couple weeks I

1275

00:54:15,740 --> 00:54:13,680

remember reading one your daily reports

1276

00:54:17,510 --> 00:54:15,750

and one your cryptic encounters the

1277

00:54:20,720 --> 00:54:17,520

witness said exactly the same thing I

1278

00:54:22,430 --> 00:54:20,730

know I remember what it was and that

1279

00:54:23,990 --> 00:54:22,440

that is happening more and more I know

1280

00:54:26,390 --> 00:54:24,000

you mentioned that to me or two or three

1281

00:54:29,930 --> 00:54:26,400

years ago that you are noticing these

1282

00:54:32,870 --> 00:54:29,940

reports were in particular Bigfoot that

1283

00:54:35,870 --> 00:54:32,880

they you know when the Bigfoot looked at

1284

00:54:39,109 --> 00:54:35,880

the witness and and realized that it was

1285

00:54:41,329 --> 00:54:39,119

being seen it acted shocked and took off

1286

00:54:43,490 --> 00:54:41,339

and it's you know that's something

1287

00:54:46,520 --> 00:54:43,500

that's becoming more prevalent with the

1288

00:54:49,130 --> 00:54:46,530

reports are beginning yeah and again

1289

00:54:52,370 --> 00:54:49,140

it's with various type of cryptids not

1290

00:54:54,710 --> 00:54:52,380

just one type yeah I think that that may

1291

00:54:58,690 --> 00:54:54,720

be an important clue to what we're

1292

00:55:01,490 --> 00:54:58,700

dealing with and it you know every day

1293

00:55:03,319 --> 00:55:01,500

when as I hear these reports I can't say

1294

00:55:06,680 --> 00:55:03,329

every day but very calmly I get reports

1295

00:55:08,269 --> 00:55:06,690

to coming in and so many people tell me

1296

00:55:10,849 --> 00:55:08,279

again those little details that are so

1297

00:55:13,010 --> 00:55:10,859

startling because why would you bring

1298

00:55:15,109 --> 00:55:13,020

that up and how did you know because

1299

00:55:17,450 --> 00:55:15,119

very few people would even know that so

1300

00:55:20,000 --> 00:55:17,460

that's what's so amazing you get so many

1301

00:55:21,410 --> 00:55:20,010

similar little details to so many people

1302

00:55:24,019 --> 00:55:21,420

and that's why you have to pay attention

1303

00:55:25,190 --> 00:55:24,029

to those reports because if only one or

1304

00:55:27,260 --> 00:55:25,200

two people were telling you these things

1305

00:55:29,630 --> 00:55:27,270

but when you have so many credible

1306

00:55:31,670 --> 00:55:29,640

people who I mean why would a police

1307

00:55:33,799 --> 00:55:31,680

officer on patrol reported seeing

1308

00:55:35,750 --> 00:55:33,809

something so strange unusual as we

1309

00:55:38,299 --> 00:55:35,760

talked about earlier you know what are

1310

00:55:41,569 --> 00:55:38,309

hunters and businessmen and people from

1311

00:55:43,880 --> 00:55:41,579

all backgrounds avila and their lives of

1312

00:55:46,430 --> 00:55:43,890

so many different people who have been

1313

00:55:47,809 --> 00:55:46,440

affected by these encounters why would

1314

00:55:51,019 --> 00:55:47,819

you make up these stories when you have

1315

00:55:52,910 --> 00:55:51,029

nothing to gain exactly you know we've

1316

00:55:57,349 --> 00:55:52,920

been getting more more reports from

1317

00:55:59,769 --> 00:55:57,359

police officers officials even people it

1318

00:56:03,650 --> 00:55:59,779

even here in Pennsylvania we've gotten

1319

00:56:06,049 --> 00:56:03,660

reports from from game

1320

00:56:07,099 --> 00:56:06,059

Commission officers and you know of

1321

00:56:08,390 --> 00:56:07,109

course they're not gonna make it

1322

00:56:09,770 --> 00:56:08,400

well-known you know because their

1323

00:56:10,430 --> 00:56:09,780

superiors aren't gonna want to talk

1324

00:56:13,069 --> 00:56:10,440

about it

1325

00:56:17,870 --> 00:56:13,079

but we're hearing it from them directly

1326
00:56:21,440 --> 00:56:17,880
from them so you know and another thing

1327
00:56:23,900 --> 00:56:21,450
you know more and more and I quite sure

1328
00:56:26,770 --> 00:56:23,910
you're getting into I'm not being asked

1329
00:56:29,510 --> 00:56:26,780
to be on more networks on radio shows

1330
00:56:33,620 --> 00:56:29,520
because it's being taken more seriously

1331
00:56:36,020 --> 00:56:33,630
now than it ever has been oh definitely

1332
00:56:37,730 --> 00:56:36,030
yeah I mean I'm I've got many many shows

1333
00:56:40,130 --> 00:56:37,740
already scheduled next few weeks and

1334
00:56:43,130 --> 00:56:40,140
yeah the interest is getting bigger and

1335
00:56:45,200 --> 00:56:43,140
bigger the reaction is getting more

1336
00:56:47,150 --> 00:56:45,210
positive you're seeing a lot of the

1337
00:56:49,069 --> 00:56:47,160
national news media of course talking

1338
00:56:50,599 --> 00:56:49,079

about the UFO subject now but a lot of

1339

00:56:53,690 --> 00:56:50,609

them are talking about Bigfoot as well

1340

00:56:55,339 --> 00:56:53,700

and people want to know people are

1341

00:56:57,400 --> 00:56:55,349

curious especially now when they're home

1342

00:56:59,750 --> 00:56:57,410

they want to have something else to

1343

00:57:01,460 --> 00:56:59,760

bring take their attention off of what

1344

00:57:02,750 --> 00:57:01,470

we're all dealing with and very

1345

00:57:05,859 --> 00:57:02,760

interesting they have more knowledge

1346

00:57:09,349 --> 00:57:05,869

about these strange phenomena yeah

1347

00:57:13,660 --> 00:57:09,359

well Stan why I know the kerbin 19

1348

00:57:16,460 --> 00:57:13,670

lockdown has caused issues as far as

1349

00:57:18,440 --> 00:57:16,470

conferences and showing up at events and

1350

00:57:20,450 --> 00:57:18,450

stuff because you know we were talking

1351
00:57:23,150 --> 00:57:20,460
about before the show everything's being

1352
00:57:25,880 --> 00:57:23,160
canceled so but what do you think you

1353
00:57:27,440 --> 00:57:25,890
could be doing with during the year that

1354
00:57:30,579 --> 00:57:27,450
may actually get done I know you're

1355
00:57:32,690 --> 00:57:30,589
writing a book I'm doing that again

1356
00:57:34,880 --> 00:57:32,700
surprisingly we'd have time to even go

1357
00:57:38,150 --> 00:57:34,890
over it but there have been quite a lot

1358
00:57:41,140 --> 00:57:38,160
of reports through 2024 the last several

1359
00:57:44,089 --> 00:57:41,150
weeks a lot of UFO reports has been

1360
00:57:46,160 --> 00:57:44,099
strange sounds footprint some cryptid

1361
00:57:48,380 --> 00:57:46,170
encounters so some people were getting

1362
00:57:50,390 --> 00:57:48,390
out the woods and they're reporting same

1363
00:57:52,370 --> 00:57:50,400

things and of course some of the UFO

1364

00:57:53,900 --> 00:57:52,380

cases we've been able to already figure

1365

00:57:56,900 --> 00:57:53,910

out there's been a lot of small links

1366

00:57:58,460 --> 00:57:56,910

satellites going over and planet Venus

1367

00:58:00,799 --> 00:57:58,470

of course is attracted people's

1368

00:58:02,870 --> 00:58:00,809

attention but some reports are much more

1369

00:58:05,000 --> 00:58:02,880

interesting so the reports are still

1370

00:58:06,829 --> 00:58:05,010

coming in I still get many calls and

1371

00:58:08,990 --> 00:58:06,839

emails coming in so I'm busy with that

1372

00:58:10,539 --> 00:58:09,000

I'm doing a lot of radio shows I guess

1373

00:58:13,010 --> 00:58:10,549

I'm working on my fourth book so

1374

00:58:15,440 --> 00:58:13,020

hopefully it'll be out hopefully later

1375

00:58:17,299 --> 00:58:15,450

this year but now things are slowed down

1376

00:58:20,210 --> 00:58:17,309

so we'll just have to wait and see when

1377

00:58:22,069 --> 00:58:20,220

we can get it out well I'll stand once

1378

00:58:25,670 --> 00:58:22,079

again thanks for coming on the show and

1379

00:58:28,250 --> 00:58:25,680
