Exploring the Unexplained

Aug. 30th, 2019

Stan Gordon

Pennsylvania UFO

& Anomalies Investigator

BXP

1
00:00:08,030 --> 00:00:07,190
the oldest and strongest human emotion

2
00:00:11,390 --> 00:00:08,040
is fear

3
00:00:15,650 --> 00:00:11,400
the oldest as strong as tapeless fear

4
00:00:18,109 --> 00:00:15,660
this trepidation of young when we were

5
00:00:21,740 --> 00:00:18,119
children our parents told us that

6
00:00:24,679 --> 00:00:21,750
monsters didn't exist but we were sure

7
00:00:28,849 --> 00:00:24,689
that something is lurking under the bed

8
00:00:30,790 --> 00:00:28,859
or in the closet beer seats even if our

9
00:00:34,490 --> 00:00:30,800
eyes are closed

10
00:00:37,520 --> 00:00:34,500
welcome to the realm of your king my

11
00:00:40,369 --> 00:00:37,530
name is lon stripper join me as I

12
00:00:44,709 --> 00:00:40,379
examine unexplained creatures strange

13
00:00:48,020 --> 00:00:44,719

manifestations and remarkable realities

14

00:00:51,319 --> 00:00:48,030

imagine this next hour as a voyage of

15

00:00:54,439 --> 00:00:51,329

discovered to strange lands seeking not

16

00:00:57,500 --> 00:00:54,449

for new territory but for new knowledge

17

00:01:00,410 --> 00:00:57,510

of the supernatural come on board as we

18

00:01:05,700 --> 00:01:00,420

begin this adventure together

19

00:01:09,810 --> 00:01:07,230

you

20

00:01:12,210 --> 00:01:09,820

hey folks good evening and welcome to

21

00:01:14,580 --> 00:01:12,220

another episode of arcane radio where we

22

00:01:16,499 --> 00:01:14,590

explore the unexplained here on the

23

00:01:19,109 --> 00:01:16,509

paranormal king radio network

24

00:01:21,450 --> 00:01:19,119

I'm your host Ion Stricker coming to you

25

00:01:23,480 --> 00:01:21,460

with in a cannon shot of historic

26

00:01:25,789 --> 00:01:23,490

Gettysburg in a cryptid mecca

27

00:01:30,359 --> 00:01:25,799

Pennsylvania thank you for joining me

28

00:01:32,160 --> 00:01:30,369

now before we bring our guest on I want

29

00:01:35,730 --> 00:01:32,170

to talk about a case I recently received

30

00:01:39,870 --> 00:01:35,740

a telephone call from a witness who I'll

31

00:01:42,059 --> 00:01:39,880

refer to as DF who lives on his farm

32

00:01:43,740 --> 00:01:42,069

with his family near Freeport

33

00:01:50,100 --> 00:01:43,750

Pennsylvania in Armstrong County

34

00:01:52,550 --> 00:01:50,110

Pennsylvania on October 11th 2013 at

35

00:01:55,889 --> 00:01:52,560

approximately 5:30 p.m.

36

00:01:58,699 --> 00:01:55,899

DTF was in his recording studio which is

37

00:02:01,469 --> 00:01:58,709

a separate building on the property a

38

00:02:06,330 --> 00:02:01,479

client was playing the piano at the time

39

00:02:09,449 --> 00:02:06,340

and DF walked to the adjoining kitchen

40

00:02:12,090 --> 00:02:09,459

to get a glass of water when he looked

41

00:02:15,560 --> 00:02:12,100

out the window he noticed a large wing

42

00:02:18,630 --> 00:02:15,570

being descending from the sky he

43

00:02:21,150 --> 00:02:18,640

described it as an almond with wide

44

00:02:24,840 --> 00:02:21,160

feathered wings that had a longer

45

00:02:27,780 --> 00:02:24,850

feather spaced six to seven inches along

46

00:02:31,580 --> 00:02:27,790

the bottom edge of the wings the head

47

00:02:34,860 --> 00:02:31,590

was round with large black circular eyes

48

00:02:38,160 --> 00:02:34,870

small a like ears and a short hooked

49

00:02:40,710 --> 00:02:38,170

beak the body was five foot in height

50

00:02:44,880 --> 00:02:40,720

and shaped like that of a human with

51
00:02:47,759 --> 00:02:44,890
legs ending in three toed Talon feet the

52
00:02:52,590 --> 00:02:47,769
feathered body was like too dark tan and

53
00:02:56,220 --> 00:02:52,600
the wingspan was 18 to 20 foot it was a

54
00:02:59,129 --> 00:02:56,230
huge impressive sight now the wing beam

55
00:03:02,729 --> 00:02:59,139
seemed to be drawn by the piano music

56
00:03:03,990 --> 00:03:02,739
India's opinion it landed briefly near

57
00:03:06,569 --> 00:03:04,000
the back of the studio

58
00:03:09,479 --> 00:03:06,579
then flapped its wings through time it

59
00:03:11,220 --> 00:03:09,489
quickly ascended into the sky he

60
00:03:13,199 --> 00:03:11,230
mentioned the sighting to his wife and

61
00:03:16,830 --> 00:03:13,209
children who said that he should report

62
00:03:19,170 --> 00:03:16,840
the encounter a few days later DF was

63
00:03:21,070 --> 00:03:19,180

once again in the recording studio

64

00:03:25,960 --> 00:03:21,080

there was another client play

65

00:03:29,530 --> 00:03:25,970

a piano as DF briefly stepped outside he

66

00:03:33,010 --> 00:03:29,540

noticed same wing beam descending near

67

00:03:37,000 --> 00:03:33,020

the studio this time it must have seen

68

00:03:38,260 --> 00:03:37,010

DF then it quickly flew away IDF was bit

69

00:03:40,840 --> 00:03:38,270

of old school and didn't have a

70

00:03:43,480 --> 00:03:40,850

cellphone with him at the time but he

71

00:03:46,180 --> 00:03:43,490

did sketch the wing being after each

72

00:03:48,250 --> 00:03:46,190

occasion which I had displayed in the in

73

00:03:51,130 --> 00:03:48,260

the in the report I posted it on the

74

00:03:53,020 --> 00:03:51,140

blogger day now after six years he was

75

00:03:55,740 --> 00:03:53,030

finally convinced to come forward with

76
00:04:00,750 --> 00:03:55,750
his sighting now any further information

77
00:04:04,750 --> 00:04:00,760
that we get will be added to this report

78
00:04:07,000 --> 00:04:04,760
so you know its first out setting Alma

79
00:04:10,330 --> 00:04:07,010
and Sally have gotten in Pennsylvania I

80
00:04:12,430 --> 00:04:10,340
believe but it's an area where there's

81
00:04:15,750 --> 00:04:12,440
been a lot of reports a lot of different

82
00:04:18,370 --> 00:04:15,760
things and my guest is probably gonna be

83
00:04:21,070 --> 00:04:18,380
talking about that as well so let's get

84
00:04:23,470 --> 00:04:21,080
started with the show tonight I welcome

85
00:04:25,480 --> 00:04:23,480
Pennsylvania UFO anomalies investigator

86
00:04:28,480 --> 00:04:25,490
and colleagues Stan Gordon - arcane

87
00:04:31,480 --> 00:04:28,490
radio mast and began his interest in the

88
00:04:36,400 --> 00:04:31,490

UFO subject another strange distance at

89

00:04:38,500 --> 00:04:36,410

the age of 10 in 1959 he began in field

90

00:04:42,400 --> 00:04:38,510

investigations of UFOs and others

91

00:04:45,270 --> 00:04:42,410

mysterious events in 1965 and is the

92

00:04:49,030 --> 00:04:45,280

primary investigator of the December 9th

93

00:04:51,210 --> 00:04:49,040

1965 UFO crash recovery and since that

94

00:04:54,159 --> 00:04:51,220

occurred near Kecksburg Pennsylvania

95

00:04:56,680 --> 00:04:54,169

Stan is a former PA state director for

96

00:04:58,780 --> 00:04:56,690

move on and has been involved with the

97

00:05:01,030 --> 00:04:58,790

investigation of thousands of mysterious

98

00:05:03,400 --> 00:05:01,040

encounters throughout the Commonwealth

99

00:05:06,670 --> 00:05:03,410

of Pennsylvania there's three books

100

00:05:09,250 --> 00:05:06,680

really mysterious Pennsylvania silent

101
00:05:12,690 --> 00:05:09,260
invasion the Pennsylvania UFO Bigfoot

102
00:05:15,219 --> 00:05:12,700
case book and the estai she encounters

103
00:05:17,950 --> 00:05:15,229
Pennsylvania's unknown creatures or the

104
00:05:21,100 --> 00:05:17,960
collimation of his defensive recent

105
00:05:24,010 --> 00:05:21,110
field research stan has researcher that

106
00:05:28,750 --> 00:05:24,020
documentary film invasion on Chestnut

107
00:05:32,770 --> 00:05:28,760
Ridge his website can be found it's WWN

108
00:05:34,310 --> 00:05:32,780
Gordon dot info so Stan thanks again for

109
00:05:35,720 --> 00:05:34,320
joining me

110
00:05:37,790 --> 00:05:35,730
one thanks for having me back on the

111
00:05:39,020 --> 00:05:37,800
program bear with me I've got a somewhat

112
00:05:42,280 --> 00:05:39,030
of a cold trying to come on

113
00:05:46,580 --> 00:05:42,290

oh it's well I could understand that

114

00:05:49,790 --> 00:05:46,590

I've been losing my voice all week yeah

115

00:05:51,770 --> 00:05:49,800

now that is yeah so what's to deal with

116

00:05:53,330 --> 00:05:51,780

Armstrong County what is going on you

117

00:05:56,450 --> 00:05:53,340

know I know you begin a lot of reports

118

00:05:58,510 --> 00:05:56,460

up there and we've had some past reports

119

00:06:02,060 --> 00:05:58,520

up there as well so what's been going on

120

00:06:04,100 --> 00:06:02,070

well you know Armstrong County is one of

121

00:06:05,180 --> 00:06:04,110

them the counties outside of Pittsburgh

122

00:06:07,910 --> 00:06:05,190

where there has always been a lot of

123

00:06:09,860 --> 00:06:07,920

history of sightings and as I had talked

124

00:06:13,190 --> 00:06:09,870

to you about this we're having the

125

00:06:14,540 --> 00:06:13,200

largest surge of UFO sightings Bigfoot

126
00:06:17,150 --> 00:06:14,550
cryptid encounters we've had for years

127
00:06:19,730 --> 00:06:17,160
and years I mean it started in January

128
00:06:21,830 --> 00:06:19,740
of last year 2018 and it continued

129
00:06:23,810 --> 00:06:21,840
through the winter all all throughout

130
00:06:25,070 --> 00:06:23,820
the year right through to this year

131
00:06:27,350 --> 00:06:25,080
right through the winter right through

132
00:06:29,450 --> 00:06:27,360
the last couple of weeks and we're not

133
00:06:32,120 --> 00:06:29,460
getting the huge numbers of reports like

134
00:06:35,060 --> 00:06:32,130
we had during that 73 outbreak but we're

135
00:06:36,590 --> 00:06:35,070
getting continuous very detailed

136
00:06:39,020 --> 00:06:36,600
accounts from a lot of very credible

137
00:06:41,390 --> 00:06:39,030
witnesses of some very very strange

138
00:06:42,320 --> 00:06:41,400

cases which we'll talk about but I've

139

00:06:44,360 --> 00:06:42,330

been up in Armstrong County

140

00:06:46,040 --> 00:06:44,370

investigating sightings I'm going to

141

00:06:49,370 --> 00:06:46,050

guess going back to leads police late

142

00:06:51,440 --> 00:06:49,380

1960s and there's always been a lot of

143

00:06:53,410 --> 00:06:51,450

UFO history I had a report of a day like

144

00:06:58,100 --> 00:06:53,420

UFO sighting up in Armstrong County

145

00:06:59,600 --> 00:06:58,110

within the last week actually and but

146

00:07:01,820 --> 00:06:59,610

there's been a lot of history a Bigfoot

147

00:07:04,400 --> 00:07:01,830

activity up there there's a lot of

148

00:07:07,940 --> 00:07:04,410

reports of the mystery cat sightings on

149

00:07:10,400 --> 00:07:07,950

Panthers mountain lions which that's not

150

00:07:13,550 --> 00:07:10,410

that unusual but of course officially

151
00:07:15,260 --> 00:07:13,560
they're not there they're long gone from

152
00:07:16,300 --> 00:07:15,270
Pennsylvania for many many years of

153
00:07:19,250 --> 00:07:16,310
course we all know they're out there

154
00:07:21,290 --> 00:07:19,260
across three but people continue report

155
00:07:22,970 --> 00:07:21,300
above us here late but Black Panther

156
00:07:25,010 --> 00:07:22,980
reports are much stranger that's another

157
00:07:27,950 --> 00:07:25,020
story and we've had Thunderbird

158
00:07:31,370 --> 00:07:27,960
sightings in that area all kind of other

159
00:07:33,440 --> 00:07:31,380
phenomena and I've been up there in the

160
00:07:35,270 --> 00:07:33,450
last two years of Vesta gating a Bigfoot

161
00:07:37,790 --> 00:07:35,280
incidence up in Armstrong County I know

162
00:07:39,620 --> 00:07:37,800
in the last few weeks and months we've

163
00:07:41,240 --> 00:07:39,630

had numerous reports from right over the

164

00:07:43,909 --> 00:07:41,250

border of Westmoreland there Armstrong

165

00:07:45,560 --> 00:07:43,919

County of screams and howls and strange

166

00:07:47,309 --> 00:07:45,570

footprints being seen and photographed

167

00:07:55,170 --> 00:07:47,319

and

168

00:07:57,779 --> 00:07:55,180

going on here in southwest Pennsylvania

169

00:07:59,969 --> 00:07:57,789

and a lot of the reports were getting

170

00:08:01,529 --> 00:07:59,979

are in daylight and many of these

171

00:08:04,019 --> 00:08:01,539

encounters even with Bigfoot have been

172

00:08:06,989 --> 00:08:04,029

at very close range so we've got some

173

00:08:09,719 --> 00:08:06,999

very amazing stories we can discuss

174

00:08:12,209 --> 00:08:09,729

tonight and then we've talked in

175

00:08:14,369 --> 00:08:12,219

previous shows about some of the very

176

00:08:19,109 --> 00:08:14,379

strange aspects of Bigfoot that I began

177

00:08:21,029 --> 00:08:19,119

to uncover back in 1973 and I wrote my

178

00:08:23,459 --> 00:08:21,039

Sol invasion book about it and I got

179

00:08:25,230 --> 00:08:23,469

into great detail about certain

180

00:08:28,189 --> 00:08:25,240

indications that there may be more to

181

00:08:31,109 --> 00:08:28,199

Bigfoot in just an unknown primate and

182

00:08:32,879 --> 00:08:31,119

interestingly so many of the reports

183

00:08:35,399 --> 00:08:32,889

from the general public last year

184

00:08:37,319 --> 00:08:35,409

through this year in recent months the

185

00:08:39,209 --> 00:08:37,329

same thing is coming in from so many

186

00:08:41,459 --> 00:08:39,219

different people who don't really know

187

00:08:43,290 --> 00:08:41,469

anything about the subject a reluctant

188

00:08:45,629 --> 00:08:43,300

even discuss what they encountered and

189

00:08:49,439 --> 00:08:45,639

they're bringing up that strange element

190

00:08:50,189 --> 00:08:49,449

to so many of these reports hmmm yeah I

191

00:08:52,949 --> 00:08:50,199

know

192

00:08:54,420 --> 00:08:52,959

I've been receiving Bigfoot reports up

193

00:08:57,389 --> 00:08:54,430

there in Armstrong County as well

194

00:09:01,730 --> 00:08:57,399

especially on the Allegheny River areas

195

00:09:04,050 --> 00:09:01,740

North Buffalo Ford City Kittanning

196

00:09:07,290 --> 00:09:04,060

people have seen them fishing in the

197

00:09:09,780 --> 00:09:07,300

river they've had rocks thrown at them

198

00:09:12,569 --> 00:09:09,790

fishermen have been on the bank and have

199

00:09:14,280 --> 00:09:12,579

been have had rocks thrown at them it's

200

00:09:17,309 --> 00:09:14,290

been a lot of activity that I've been

201
00:09:18,870 --> 00:09:17,319
reported in there oh yeah and I mean

202
00:09:21,319 --> 00:09:18,880
we're hearing more reports of people

203
00:09:23,879 --> 00:09:21,329
telling us that large branches very

204
00:09:26,340 --> 00:09:23,889
heavy larger rocks act like small

205
00:09:28,500 --> 00:09:26,350
borders in some cases they're really too

206
00:09:29,970 --> 00:09:28,510
heavy for people to even lift and yet

207
00:09:32,639 --> 00:09:29,980
these creatures apparently are

208
00:09:35,220 --> 00:09:32,649
propelling them with ease at people

209
00:09:38,220 --> 00:09:35,230
different areas even at canoes and at

210
00:09:40,980 --> 00:09:38,230
small boats closer to shore and that's

211
00:09:42,960 --> 00:09:40,990
fascinating and many many years ago this

212
00:09:45,600 --> 00:09:42,970
is from memory I remember one in the UFO

213
00:09:49,139 --> 00:09:45,610

cases I looked into my gosh 20 30 years

214

00:09:51,780 --> 00:09:49,149

ago was right there in Freeport Oh at

215

00:09:54,030 --> 00:09:51,790

the kiski Menace River and it was a

216

00:09:56,280 --> 00:09:54,040

large UFO hovering over the river and

217

00:10:01,250 --> 00:09:56,290

sucking water up out of the river to the

218

00:10:03,710 --> 00:10:01,260

object Wow Wow you

219

00:10:05,870 --> 00:10:03,720

it is it's very experienced well you

220

00:10:08,630 --> 00:10:05,880

like even mentioned to me also this um

221

00:10:11,360 --> 00:10:08,640

the butter gargoye sighting wasn't that

222

00:10:13,160 --> 00:10:11,370

far from when there as well no I mean

223

00:10:14,269 --> 00:10:13,170

that's one of the bordering counties up

224

00:10:16,579 --> 00:10:14,279

in that general area

225

00:10:18,170 --> 00:10:16,589

Arthur County is another extremely

226

00:10:20,870 --> 00:10:18,180

active there again I've been up there

227

00:10:23,240 --> 00:10:20,880

since the 60s and some amazing very

228

00:10:25,850 --> 00:10:23,250

weird UFO cases were occurring in the

229

00:10:28,400 --> 00:10:25,860

late 60's up there we've had multitudes

230

00:10:30,800 --> 00:10:28,410

of Bigfoot encounters and cryptids and

231

00:10:33,440 --> 00:10:30,810

UFO reports and all kinds of strange

232

00:10:36,560 --> 00:10:33,450

incidents throughout bunker County they

233

00:10:38,930 --> 00:10:36,570

go on year after year but this case in

234

00:10:42,139 --> 00:10:38,940

particular debunker gargoyle

235

00:10:43,820 --> 00:10:42,149

discord back in March of 2011 and I got

236

00:10:45,740 --> 00:10:43,830

to another witness and his family very

237

00:10:47,900 --> 00:10:45,750

very well he's very professional and

238

00:10:50,300 --> 00:10:47,910

what was interesting was within days

239

00:10:52,820 --> 00:10:50,310

after his observation apparently other

240

00:10:54,350 --> 00:10:52,830

people independently reported seeing the

241

00:10:56,570 --> 00:10:54,360

same creature up in the same general

242

00:10:58,910 --> 00:10:56,580

area but he was riding down the road

243

00:11:02,360 --> 00:10:58,920

that night early morning hours courses

244

00:11:03,980 --> 00:11:02,370

dark yes his um headlights on and he

245

00:11:05,990 --> 00:11:03,990

notices something on the right side of

246

00:11:07,519 --> 00:11:06,000

the field as these are approaching and

247

00:11:08,720 --> 00:11:07,529

he thought it was a deer knee and he

248

00:11:11,720 --> 00:11:08,730

moved a little closer puts his

249

00:11:15,050 --> 00:11:11,730

headlights on and this huge creature

250

00:11:17,569 --> 00:11:15,060

rises from the ground it's over eight

251
00:11:18,980 --> 00:11:17,579
feet tall but when I interviewed him he

252
00:11:20,540 --> 00:11:18,990
said you know I said people talk about

253
00:11:23,480 --> 00:11:20,550
seeing Bigfoot around here he said when

254
00:11:26,840 --> 00:11:23,490
I saw this was not a big flip he said

255
00:11:28,819 --> 00:11:26,850
this was a very humanoid figure but it

256
00:11:30,710 --> 00:11:28,829
stood over eight feet tall but it had

257
00:11:33,590 --> 00:11:30,720
smooth leather like skin there was

258
00:11:35,000 --> 00:11:33,600
either dark tan or light brown and it

259
00:11:37,310 --> 00:11:35,010
never looked at the witness he saw it

260
00:11:39,260 --> 00:11:37,320
from the one side he said they had

261
00:11:41,449 --> 00:11:39,270
appeared to be flat front section

262
00:11:45,110 --> 00:11:41,459
rounded out it was kind of a herald like

263
00:11:47,240 --> 00:11:45,120

an aerodynamic helmet actually and the

264

00:11:48,829 --> 00:11:47,250

face was flat and the eyes were not

265

00:11:51,410 --> 00:11:48,839

clearly defined but they appeared to be

266

00:11:52,699 --> 00:11:51,420

like pointed in the corner the year of

267

00:11:55,340 --> 00:11:52,709

course there's only observed on the one

268

00:11:57,530 --> 00:11:55,350

side was long flat came up and back was

269

00:12:00,350 --> 00:11:57,540

pointed backwards like a flap but the

270

00:12:02,389 --> 00:12:00,360

arms were muscular and a little longer

271

00:12:05,600 --> 00:12:02,399

than that of a human the hands had claws

272

00:12:07,550 --> 00:12:05,610

on them one trait to really stood out

273

00:12:11,120 --> 00:12:07,560

where to the legs the legs were

274

00:12:12,370 --> 00:12:11,130

extremely muscular but he said the legs

275

00:12:13,750 --> 00:12:12,380

did not move like that

276

00:12:16,060 --> 00:12:13,760

they looked like they were bent

277

00:12:18,700 --> 00:12:16,070

backwards and I was getting very

278

00:12:21,310 --> 00:12:18,710

muscular and it had what appeared to be

279

00:12:23,680 --> 00:12:21,320

wings on its back which were tucked into

280

00:12:25,630 --> 00:12:23,690

its body where the wing tips extended

281

00:12:27,490 --> 00:12:25,640

towards the side of the head there were

282

00:12:30,400 --> 00:12:27,500

no sounds or smells it took several

283

00:12:31,840 --> 00:12:30,410

steps in front of his vehicle went

284

00:12:34,390 --> 00:12:31,850

across the road into the woods and then

285

00:12:37,810 --> 00:12:34,400

of course as I mentioned a number of

286

00:12:40,660 --> 00:12:37,820

other witnesses within days reported to

287

00:12:43,960 --> 00:12:40,670

local abbey oru group up there seeing

288

00:12:45,820 --> 00:12:43,970

the same type of creature and reportedly

289

00:12:49,000 --> 00:12:45,830

I can't confirm it but from a good

290

00:12:50,800 --> 00:12:49,010

source a similar creature was reportedly

291

00:12:51,220 --> 00:12:50,810

seen earlier this year up in Armstrong

292

00:12:53,500 --> 00:12:51,230

County

293

00:12:57,550 --> 00:12:53,510

so not forth where the other one took

294

00:12:59,230 --> 00:12:57,560

place yeah you know you talk to people

295

00:13:01,060 --> 00:12:59,240

and you mentioned Pennsylvania they

296

00:13:03,700 --> 00:13:01,070

don't really associate Pennsylvania with

297

00:13:06,100 --> 00:13:03,710

with winged cryptid or anomaly sightings

298

00:13:07,870 --> 00:13:06,110

but you know and you know we've had

299

00:13:11,530 --> 00:13:07,880

these things going on around here for

300

00:13:14,950 --> 00:13:11,540

many many years oh yeah I mean all these

301
00:13:17,110 --> 00:13:14,960
reports go way way back and you know

302
00:13:18,490 --> 00:13:17,120
anybody does any historical studies of

303
00:13:20,110 --> 00:13:18,500
these cases I mean there's even many

304
00:13:22,300 --> 00:13:20,120
newspaper accounts of a lot of the

305
00:13:24,880 --> 00:13:22,310
experienced phenomena in the newspapers

306
00:13:26,740 --> 00:13:24,890
going back for many years and I mean the

307
00:13:29,770 --> 00:13:26,750
earliest first-hand account I have of a

308
00:13:32,080 --> 00:13:29,780
Bigfoot encounter goes back to 1931 from

309
00:13:33,520 --> 00:13:32,090
Indian had up in Fayette County will

310
00:13:35,590 --> 00:13:33,530
probably mention Fayette County a lot

311
00:13:37,270 --> 00:13:35,600
tonight that's one of the areas along

312
00:13:39,490 --> 00:13:37,280
the Chestnut Ridge and we've talked

313
00:13:42,790 --> 00:13:39,500

about this in the past the Chestnut

314

00:13:44,560 --> 00:13:42,800

Ridge has been and continues to be one

315

00:13:46,840 --> 00:13:44,570

of the most active areas in the country

316

00:13:48,880 --> 00:13:46,850

for repeated phenomena year after year

317

00:13:51,250 --> 00:13:48,890

so the Chestnut Ridge is that mountain

318

00:13:53,080 --> 00:13:51,260

range it extends through Westmoreland

319

00:13:55,000 --> 00:13:53,090

Fayette Indiana County in southwest

320

00:13:58,210 --> 00:13:55,010

Pennsylvania and it goes down towards

321

00:14:01,090 --> 00:13:58,220

Preston County West Virginia around 100

322

00:14:02,680 --> 00:14:01,100

miles long but for years and years I

323

00:14:05,110 --> 00:14:02,690

heard documenting these cases back in

324

00:14:07,120 --> 00:14:05,120

the 60s and apparently I found there's a

325

00:14:09,220 --> 00:14:07,130

lot of history even before that but

326

00:14:11,500 --> 00:14:09,230

there have been sightings every year of

327

00:14:15,220 --> 00:14:11,510

Bigfoot sightings all kind of creature

328

00:14:17,860 --> 00:14:15,230

sightings UFO sightings objects on top

329

00:14:19,630 --> 00:14:17,870

of the ridge going up vertically from

330

00:14:22,000 --> 00:14:19,640

the sky coming down from the sky to the

331

00:14:24,240 --> 00:14:22,010

ridge underground sounds and mystery

332

00:14:26,370 --> 00:14:24,250

booms other strange orphan

333

00:14:28,590 --> 00:14:26,380

being reported by people up on top of

334

00:14:30,960 --> 00:14:28,600

the ridge all kind of people who are

335

00:14:33,510 --> 00:14:30,970

into paranormal ghosts there's a lot of

336

00:14:35,370 --> 00:14:33,520

haunting reports along the ridge people

337

00:14:37,170 --> 00:14:35,380

talking about the small little orbs I've

338

00:14:39,420 --> 00:14:37,180

been calling a menu of those for years

339

00:14:41,310 --> 00:14:39,430

and these are generally anywhere from a

340

00:14:43,590 --> 00:14:41,320

few it's about a foot in diameter

341

00:14:47,130 --> 00:14:43,600

some are luminous some a solid metallic

342

00:14:49,890 --> 00:14:47,140

but interestingly they've come very

343

00:14:51,390 --> 00:14:49,900

close to people don't bother anybody and

344

00:14:53,640 --> 00:14:51,400

I had Reapers over the years that I'm

345

00:14:56,070 --> 00:14:53,650

entering people's homes and cars through

346

00:14:58,050 --> 00:14:56,080

open windows and they floated around

347

00:15:00,210 --> 00:14:58,060

went back out the window but in some

348

00:15:02,070 --> 00:15:00,220

cases over the years we've heard reports

349

00:15:03,630 --> 00:15:02,080

that you think inside a residence and

350

00:15:08,340 --> 00:15:03,640

they actually go right through the walls

351

00:15:11,910 --> 00:15:08,350

of people's homes yeah it's a lot it

352

00:15:13,380 --> 00:15:11,920

really is and you know I'd be honest

353

00:15:15,030 --> 00:15:13,390

with you I'm beyond being surprised

354

00:15:17,910 --> 00:15:15,040

about things that people see in this

355

00:15:21,390 --> 00:15:17,920

state quite frank with you I mean I've

356

00:15:23,130 --> 00:15:21,400

seen a few things but yeah it there

357

00:15:26,360 --> 00:15:23,140

always seems to be something going on it

358

00:15:29,460 --> 00:15:26,370

and like you said it's been quite busy I

359

00:15:31,950 --> 00:15:29,470

you know we've been getting now this one

360

00:15:33,810 --> 00:15:31,960

there's one phenomena I did want to ask

361

00:15:37,310 --> 00:15:33,820

you about before you talk about it in

362

00:15:41,610 --> 00:15:37,320

new cases or anything I've been getting

363

00:15:47,250 --> 00:15:41,620

these reports of these white humanoid

364

00:15:51,120 --> 00:15:47,260

like beings you know the description is

365

00:15:54,480 --> 00:15:51,130

very similar to what the wind dingo is

366

00:15:57,650 --> 00:15:54,490

described at or what people call rakes

367

00:16:02,040 --> 00:15:57,660

but I tell you I I have been getting

368

00:16:04,290 --> 00:16:02,050

reports of these beings a little more

369

00:16:05,730 --> 00:16:04,300

consistent than I had been before

370

00:16:08,130 --> 00:16:05,740

I was just wondering have you been

371

00:16:10,890 --> 00:16:08,140

hearing anything about that yes I have

372

00:16:13,560 --> 00:16:10,900

and in fact I've caught I've kind of

373

00:16:15,960 --> 00:16:13,570

given a nickname a Pennsylvania is a

374

00:16:18,870 --> 00:16:15,970

weird scraggy cryptid because these

375

00:16:21,540 --> 00:16:18,880

things are generally tall very skinny

376

00:16:23,400 --> 00:16:21,550

very bony and sickly looking according

377

00:16:26,190 --> 00:16:23,410

to many of the reports were getting yeah

378

00:16:30,060 --> 00:16:26,200

and I've heard these accounts for a

379

00:16:34,079 --> 00:16:30,070

number of years but this more active way

380

00:16:36,270 --> 00:16:34,089

seem to begin in August I believe a

381

00:16:37,510 --> 00:16:36,280

20-17 and the whole reports on my

382

00:16:39,040 --> 00:16:37,520

website of people scrolled

383

00:16:41,770 --> 00:16:39,050

through it and this was actually a

384

00:16:45,820 --> 00:16:41,780

police officer on patrol here in western

385

00:16:47,650 --> 00:16:45,830

Pennsylvania and again a dis from from

386

00:16:49,360 --> 00:16:47,660

when I recall it's a very detailed

387

00:16:52,360 --> 00:16:49,370

report

388

00:16:55,000 --> 00:16:52,370

he's on patrol in a dark area that he

389

00:16:57,640 --> 00:16:55,010

commonly was familiar with and he sees

390

00:17:00,520 --> 00:16:57,650

what appears to be a small ball of light

391

00:17:02,200 --> 00:17:00,530

on the ground and he stops he's looking

392

00:17:03,970 --> 00:17:02,210

because he's thinking I've understood

393

00:17:05,470 --> 00:17:03,980

the artificial lighting like that here

394

00:17:08,290 --> 00:17:05,480

before is he stopped and watches this

395

00:17:13,060 --> 00:17:08,300

thing and suddenly it rises up and

396

00:17:14,760 --> 00:17:13,070

realizes this is actually the head of a

397

00:17:19,449 --> 00:17:14,770

creature about six and a half feet Paul

398

00:17:23,680 --> 00:17:19,459

that's a skeletal thin very bony looking

399

00:17:25,480 --> 00:17:23,690

very long arms and legs and the head is

400

00:17:27,610 --> 00:17:25,490

glowing on the upper part of the body

401
00:17:30,070 --> 00:17:27,620
and it's illuminating the upper part of

402
00:17:32,620 --> 00:17:30,080
the of the creature and he only saw it

403
00:17:35,500 --> 00:17:32,630
for a very short time at a turn to one

404
00:17:37,510 --> 00:17:35,510
point and he said I never saw a move so

405
00:17:40,390 --> 00:17:37,520
fast in my life it was here it was going

406
00:17:42,460 --> 00:17:40,400
which interestingly is almost the same

407
00:17:44,260 --> 00:17:42,470
warning that other people told me with

408
00:17:47,230 --> 00:17:44,270
cryptids including Bigfoot sightings in

409
00:17:48,880 --> 00:17:47,240
some cases and soon as this thing was

410
00:17:50,770 --> 00:17:48,890
going he pulled his vehicle up put a

411
00:17:53,620 --> 00:17:50,780
spotlight on was no bar setting on the

412
00:17:56,500 --> 00:17:53,630
ground and that was I believe about two

413
00:17:58,180 --> 00:17:56,510

weeks later then I got another report

414

00:18:00,490 --> 00:17:58,190

from a person who didn't know about that

415

00:18:03,460 --> 00:18:00,500

and reported to think basically the same

416

00:18:04,810 --> 00:18:03,470

thing but not the glowing head but it

417

00:18:07,540 --> 00:18:04,820

came out of the woods and approached

418

00:18:09,130 --> 00:18:07,550

this person about 35 feet away or there

419

00:18:10,870 --> 00:18:09,140

have been numerous other reports and you

420

00:18:13,180 --> 00:18:10,880

had one report from outside of

421

00:18:14,680 --> 00:18:13,190

Pittsburgh but it was a darker creature

422

00:18:18,670 --> 00:18:14,690

but a similar description that you

423

00:18:20,530 --> 00:18:18,680

recall and that was up around Allison

424

00:18:22,630 --> 00:18:20,540

Park if you remember that right yeah

425

00:18:25,030 --> 00:18:22,640

okay and there have been other reports

426

00:18:27,220 --> 00:18:25,040

there's another report from February

427

00:18:30,250 --> 00:18:27,230

last year person couldn't sleep was

428

00:18:32,470 --> 00:18:30,260

outside smoking a bleep and it was a

429

00:18:34,990 --> 00:18:32,480

very rural area notices eight-foot tall

430

00:18:37,600 --> 00:18:35,000

skinny figure with a round head and very

431

00:18:40,450 --> 00:18:37,610

long arms running very fast across the

432

00:18:42,880 --> 00:18:40,460

field it took one step across over a

433

00:18:46,360 --> 00:18:42,890

very I sense then continued to run off

434

00:18:48,580 --> 00:18:46,370

in the distance but one of the most

435

00:18:50,810 --> 00:18:48,590

amazing reports and I'm I'm still

436

00:18:53,510 --> 00:18:50,820

putting information together

437

00:18:55,460 --> 00:18:53,520

this happened all in a rural area I'm

438

00:18:58,820 --> 00:18:55,470

gonna guess 30 40 miles outside of

439

00:19:01,460 --> 00:18:58,830

Pittsburgh the end of last year and I

440

00:19:03,470 --> 00:19:01,470

saw where it occurred and I interviewed

441

00:19:05,960 --> 00:19:03,480

the person a number of times and this

442

00:19:08,750 --> 00:19:05,970

guy and his family verified the story

443

00:19:10,580 --> 00:19:08,760

he's been a winter in his battle out in

444

00:19:11,720 --> 00:19:10,590

the woods all his life he won't go back

445

00:19:14,270 --> 00:19:11,730

in the woods anymore

446

00:19:16,760 --> 00:19:14,280

apparently this thing followed him from

447

00:19:20,450 --> 00:19:16,770

the woods down to his home which is in a

448

00:19:21,050 --> 00:19:20,460

wooded area and described it the same

449

00:19:25,190 --> 00:19:21,060

way

450

00:19:26,870 --> 00:19:25,200

however in that particular case I mean

451

00:19:29,300 --> 00:19:26,880

the physical description was very

452

00:19:31,370 --> 00:19:29,310

similar to others and I don't have a

453

00:19:34,280 --> 00:19:31,380

report right in front of as I recall it

454

00:19:35,900 --> 00:19:34,290

has luminous glowing yellow eyes with

455

00:19:37,850 --> 00:19:35,910

some of the other cryptid reports were

456

00:19:42,460 --> 00:19:37,860

getting is the same thing by what's

457

00:19:45,650 --> 00:19:42,470

interesting was it was crouched down

458

00:19:48,050 --> 00:19:45,660

staring at him ten feet away he sitting

459

00:19:50,510 --> 00:19:48,060

at a table eating it's sitting it's

460

00:19:52,730 --> 00:19:50,520

crushed at in this open back door

461

00:19:55,370 --> 00:19:52,740

looking directly at him right into his

462

00:19:57,770 --> 00:19:55,380

face and then when he turned and moved

463

00:19:59,390 --> 00:19:57,780

the thing crouched down on all fours the

464

00:20:02,450 --> 00:19:59,400

scoot along the side of the house and

465

00:20:06,080 --> 00:20:02,460

was gone but it's a very very detailed

466

00:20:07,580 --> 00:20:06,090

account and I understand in in the last

467

00:20:09,890 --> 00:20:07,590

month month and a half there have been

468

00:20:12,800 --> 00:20:09,900

at least one or two other reports here

469

00:20:14,900 --> 00:20:12,810

in Southwest Pennsylvania in the Western

470

00:20:17,420 --> 00:20:14,910

one County area of something similar now

471

00:20:19,670 --> 00:20:17,430

at least two reports I understand had

472

00:20:21,800 --> 00:20:19,680

reports of glowing Ed's in other cases

473

00:20:24,080 --> 00:20:21,810

they were not but the descriptions are

474

00:20:26,510 --> 00:20:24,090

all very very similar and I'm hearing

475

00:20:28,970 --> 00:20:26,520

them as with your reports I'm hearing

476
00:20:34,940 --> 00:20:28,980
reports from other parts of the country

477
00:20:37,040 --> 00:20:34,950
as well mm-hmm yeah the the the few

478
00:20:38,690 --> 00:20:37,050
reports of that that I really thought

479
00:20:41,840 --> 00:20:38,700
were interesting were the ones I got a

480
00:20:45,860 --> 00:20:41,850
buddy a year ago out in Cambria County

481
00:20:50,870 --> 00:20:45,870
by will Wilmore reservoir which is just

482
00:20:53,990 --> 00:20:50,880
north of portage yeah and now butch and

483
00:20:56,540 --> 00:20:54,000
I had had some upright canine reports in

484
00:21:01,040 --> 00:20:56,550
Portage and in fact we had three or four

485
00:21:03,630 --> 00:21:01,050
reports of sightings within within the

486
00:21:05,760 --> 00:21:03,640
town itself and there

487
00:21:08,160 --> 00:21:05,770
are a lot of coal mines around there

488
00:21:12,060 --> 00:21:08,170

sore we're thinking that maybe this is

489

00:21:15,240 --> 00:21:12,070

where they're hiding at but anyway it

490

00:21:18,840 --> 00:21:15,250

will more reservoir I had a total of

491

00:21:21,270 --> 00:21:18,850

four reports of these white humanoid

492

00:21:24,090 --> 00:21:21,280

like beings on the shore of the

493

00:21:27,480 --> 00:21:24,100

reservoir and two of them were near the

494

00:21:29,130 --> 00:21:27,490

dam and another one a little further up

495

00:21:31,500 --> 00:21:29,140

and then there was one in the woods

496

00:21:35,160 --> 00:21:31,510

toward the north part of the the

497

00:21:38,940 --> 00:21:35,170

reservoir the one was described as

498

00:21:42,960 --> 00:21:38,950

looking like a like a dog man or upright

499

00:21:46,560 --> 00:21:42,970

canine but the other ones were this like

500

00:21:50,730 --> 00:21:46,570

you said the scraggly looking emaciated

501
00:21:52,370 --> 00:21:50,740
type humanoid so I don't know what this

502
00:21:55,200 --> 00:21:52,380
is running around you know of course

503
00:21:59,220 --> 00:21:55,210
every time I start talking about this

504
00:22:01,530 --> 00:21:59,230
people start saying when dingo our rakes

505
00:22:04,680 --> 00:22:01,540
or flesh gates or whatever you want to

506
00:22:07,740 --> 00:22:04,690
call them I I don't know what they are

507
00:22:11,130 --> 00:22:07,750
you know but I do know that more people

508
00:22:12,420 --> 00:22:11,140
are seeing them well I can tell you the

509
00:22:14,070 --> 00:22:12,430
lawn is a no you know I've been doing

510
00:22:15,930 --> 00:22:14,080
this for a long time but this is 60

511
00:22:17,730 --> 00:22:15,940
years of research for me this year and

512
00:22:19,740 --> 00:22:17,740
surprising to most people I've never

513
00:22:21,840 --> 00:22:19,750

personally seen a Bigfoot or UFO myself

514

00:22:23,940 --> 00:22:21,850

it's a lot of evidence over the years

515

00:22:26,250 --> 00:22:23,950

interview thousands of witnesses but I

516

00:22:28,320 --> 00:22:26,260

can tell you in the last few years the

517

00:22:31,020 --> 00:22:28,330

strange reports are getting stranger and

518

00:22:33,660 --> 00:22:31,030

you're getting more cryptid reports of

519

00:22:36,240 --> 00:22:33,670

things that are not either never been

520

00:22:39,480 --> 00:22:36,250

reported before or are not commonly

521

00:22:41,970 --> 00:22:39,490

known and again I'm getting everything

522

00:22:45,090 --> 00:22:41,980

you're getting we're getting the this

523

00:22:47,760 --> 00:22:45,100

type of scrawny looking bony creature to

524

00:22:50,550 --> 00:22:47,770

that what some people call the dog man

525

00:22:53,100 --> 00:22:50,560

reports of course are getting

526

00:22:55,200 --> 00:22:53,110

Thunderbird reports we're getting

527

00:22:57,240 --> 00:22:55,210

floating cryptid sightings I mean just

528

00:23:00,000 --> 00:22:57,250

all kind of words and they're really

529

00:23:01,290 --> 00:23:00,010

good detailed reports and the witnesses

530

00:23:03,930 --> 00:23:01,300

are all appeared to be very credible

531

00:23:05,940 --> 00:23:03,940

none of what a publicity they're giving

532

00:23:09,600 --> 00:23:05,950

me very detailed accounts and many other

533

00:23:12,990 --> 00:23:09,610

giving me interesting details that is

534

00:23:14,610 --> 00:23:13,000

not a commonly known thing and various

535

00:23:16,560 --> 00:23:14,620

people are describing the same thing and

536

00:23:17,280 --> 00:23:16,570

I'll be telling in the last several

537

00:23:18,840 --> 00:23:17,290

months that even

538

00:23:21,600 --> 00:23:18,850

last couple weeks I mean I've

539

00:23:22,860 --> 00:23:21,610

interviewed hunters I've interviewed

540

00:23:24,660 --> 00:23:22,870

people went out the woods all their

541

00:23:26,610 --> 00:23:24,670

lives and I'm telling you I'm some of

542

00:23:30,890 --> 00:23:26,620

these people I look at face to face and

543

00:23:33,440 --> 00:23:30,900

I mean some are almost in tears many

544

00:23:36,840 --> 00:23:33,450

emotionally very very shook up I

545

00:23:38,160 --> 00:23:36,850

remember 100 of experienced hunter I

546

00:23:40,560 --> 00:23:38,170

interviewed several months ago from

547

00:23:42,330 --> 00:23:40,570

northern PA I mean they encountered

548

00:23:47,730 --> 00:23:42,340

something that was more like a dark man

549

00:23:49,950 --> 00:23:47,740

in daylight and very close range but

550

00:23:52,110 --> 00:23:49,960

interestingly as I'm getting with more

551
00:23:53,490 --> 00:23:52,120
the Bigfoot report and again I don't

552
00:23:54,960 --> 00:23:53,500
have a whole report right in front of me

553
00:23:57,800 --> 00:23:54,970
but I have a lot of notes that I took

554
00:24:00,690 --> 00:23:57,810
with them and this thing was visibly

555
00:24:02,790 --> 00:24:00,700
visibly observed the whole time and then

556
00:24:05,340 --> 00:24:02,800
suddenly it disappeared to vanish to

557
00:24:08,130 --> 00:24:05,350
disappear and we're getting so many

558
00:24:10,200 --> 00:24:08,140
reports like this with Bigfoot and [h__h]

559
00:24:11,880 --> 00:24:10,210
and other cryptid reports and you know

560
00:24:13,890 --> 00:24:11,890
we talked about this and as you

561
00:24:16,410 --> 00:24:13,900
mentioned the sightings up and around

562
00:24:18,390 --> 00:24:16,420
Cambria County Blair County I'm getting

563
00:24:20,130 --> 00:24:18,400

a lot of reports even a recent weeks up

564

00:24:23,340 --> 00:24:20,140

there there's a lot of sightings around

565

00:24:25,170 --> 00:24:23,350

that area always has been but the more

566

00:24:29,070 --> 00:24:25,180

reports we're getting the stranger

567

00:24:31,470 --> 00:24:29,080

reports and the details are and many

568

00:24:35,010 --> 00:24:31,480

sightings around lakes and reservoirs

569

00:24:38,250 --> 00:24:35,020

and rivers and as I've mentioned a long

570

00:24:39,810 --> 00:24:38,260

time ago when I first found with my

571

00:24:43,440 --> 00:24:39,820

investigation back in the seventy and

572

00:24:46,350 --> 00:24:43,450

it's still ongoing many close encounters

573

00:24:49,370 --> 00:24:46,360

with UFOs so we're talking not lights in

574

00:24:53,370 --> 00:24:49,380

the sky very low-level detailed

575

00:24:55,710 --> 00:24:53,380

descriptions a large solid craft learn

576
00:24:57,410 --> 00:24:55,720
the ground and many accounts where

577
00:24:59,610 --> 00:24:57,420
people encounter big threat and

578
00:25:02,340 --> 00:24:59,620
Thunderbirds and Panthers and other

579
00:25:04,950 --> 00:25:02,350
entities commonly occur in the vicinity

580
00:25:07,680 --> 00:25:04,960
of high energy sources senators many

581
00:25:09,540 --> 00:25:07,690
sightings again around the gas wells and

582
00:25:12,420 --> 00:25:09,550
the gas lines and the high-tension power

583
00:25:14,460 --> 00:25:12,430
lines and power plants and radio towers

584
00:25:16,830 --> 00:25:14,470
and reservoirs and lakes and railroad

585
00:25:18,300 --> 00:25:16,840
tracks and goes on and on and on and

586
00:25:20,250 --> 00:25:18,310
I've said it for a long time whatever

587
00:25:24,840 --> 00:25:20,260
we're dealing with it appears to have an

588
00:25:27,870 --> 00:25:24,850

energy connection to the phenomena you

589

00:25:29,430 --> 00:25:27,880

know yeah you mentioned about daylight

590

00:25:30,900 --> 00:25:29,440

signs it is interesting how many

591

00:25:35,280 --> 00:25:30,910

daylight sighting

592

00:25:40,740 --> 00:25:35,290

of everything that didn't used to be the

593

00:25:42,030 --> 00:25:40,750

case but it is now I seem I'd say 70

594

00:25:45,900 --> 00:25:42,040

percent of what we gets during the

595

00:25:47,940 --> 00:25:45,910

daytime yeah a lot lot of reports are in

596

00:25:49,590 --> 00:25:47,950

daylight and I mean there's all these

597

00:25:53,310 --> 00:25:49,600

different type reports that are coming

598

00:25:55,470 --> 00:25:53,320

in and it's just amazing I mean when I'm

599

00:25:57,240 --> 00:25:55,480

talking about Close Encounters in

600

00:26:00,600 --> 00:25:57,250

daylight I mean especially Bigfoot I

601
00:26:03,690 --> 00:26:00,610
mean you know you watch these TV shows a

602
00:26:06,150 --> 00:26:03,700
lot of people you get the impression you

603
00:26:10,110 --> 00:26:06,160
get a see Bigfoot at night using

604
00:26:11,760 --> 00:26:10,120
night-vision equipment and actually so

605
00:26:14,550 --> 00:26:11,770
many of the reports to get are very

606
00:26:16,140 --> 00:26:14,560
close range and we're talking 5 10 20

607
00:26:19,470 --> 00:26:16,150
feet away from these creatures and I go

608
00:26:21,360 --> 00:26:19,480
to some of the reports mm-hmm one of the

609
00:26:23,370 --> 00:26:21,370
sightings last year was in November down

610
00:26:25,260 --> 00:26:23,380
in the Mon Valley area and there's been

611
00:26:27,420 --> 00:26:25,270
a lot of history of sightings all along

612
00:26:30,270 --> 00:26:27,430
the Moines Valley so these are the small

613
00:26:32,250 --> 00:26:30,280

a lot of these are mining towns or small

614

00:26:34,200 --> 00:26:32,260

towns at parallel along the long antler

615

00:26:36,210 --> 00:26:34,210

River outside of Pittsburgh so you're

616

00:26:38,910 --> 00:26:36,220

looking at like Fayette County again

617

00:26:41,070 --> 00:26:38,920

impressed Allegheny and especially

618

00:26:44,580 --> 00:26:41,080

during that that waves of sightings in

619

00:26:46,290 --> 00:26:44,590

73 and 74 I was down there many days and

620

00:26:48,990 --> 00:26:46,300

nights investigating sighting reports

621

00:26:51,030 --> 00:26:49,000

and there have been many many scents but

622

00:26:52,620 --> 00:26:51,040

there's been reports even in recent

623

00:26:54,930 --> 00:26:52,630

weeks and months down in that area and

624

00:26:56,490 --> 00:26:54,940

one of the ones that was really

625

00:27:00,060 --> 00:26:56,500

interesting happened November of last

626

00:27:04,170 --> 00:27:00,070

year so here's a fella riding down this

627

00:27:06,920 --> 00:27:04,180

two-lane Farm Road and it's rain pouring

628

00:27:09,690 --> 00:27:06,930

down rain and he's riding down the road

629

00:27:11,880 --> 00:27:09,700

about 50 feet ahead up he has those low

630

00:27:14,310 --> 00:27:11,890

beams on he notices something standing

631

00:27:15,990 --> 00:27:14,320

on the left side of the road he turns on

632

00:27:18,510 --> 00:27:16,000

his high beams and moves forward and

633

00:27:21,300 --> 00:27:18,520

this huge seven-foot tall here covered

634

00:27:23,520 --> 00:27:21,310

Bigfoot just gentle just steps out in

635

00:27:25,200 --> 00:27:23,530

front of his car literally five feet in

636

00:27:27,120 --> 00:27:25,210

front of it stands there in the middle

637

00:27:30,660 --> 00:27:27,130

of the road with luminous glowing red

638

00:27:32,430 --> 00:27:30,670

eyes staring into his face and he just

639

00:27:34,140 --> 00:27:32,440

couldn't believe what he's seeing I mean

640

00:27:35,610 --> 00:27:34,150

it was so close at that point that he

641

00:27:37,320 --> 00:27:35,620

couldn't see the bottom of its legs or

642

00:27:40,080 --> 00:27:37,330

arms because they're so close and then

643

00:27:43,680 --> 00:27:40,090

it turned and began to take long strides

644

00:27:44,649 --> 00:27:43,690

up this little hill and that's when he

645

00:27:46,060 --> 00:27:44,659

got a good look at

646

00:27:48,279 --> 00:27:46,070

even the geek saw the hands as a

647

00:27:50,799 --> 00:27:48,289

creature I mean he he described this

648

00:27:53,979 --> 00:27:50,809

thing from head to toe and we were down

649

00:27:55,539 --> 00:27:53,989

there the next day looking over the area

650

00:27:56,859 --> 00:27:55,549

for evidence but it poured all night was

651
00:28:00,159 --> 00:27:56,869
covered with leaves with nothing there

652
00:28:02,109 --> 00:28:00,169
this poor fellow was very very shook up

653
00:28:04,149 --> 00:28:02,119
and very emotional but he was able to

654
00:28:06,159 --> 00:28:04,159
give us a very very detailed description

655
00:28:08,259 --> 00:28:06,169
but one element of the case is

656
00:28:10,629 --> 00:28:08,269
interesting as so many other reports

657
00:28:12,460 --> 00:28:10,639
similar things are showing up so this

658
00:28:15,879 --> 00:28:12,470
thing turns and starts walking up this

659
00:28:17,529 --> 00:28:15,889
little hill he falls it in his car grabs

660
00:28:19,779 --> 00:28:17,539
his camera to try to get a picture this

661
00:28:22,570 --> 00:28:19,789
thing and within seconds it's gone

662
00:28:24,700 --> 00:28:22,580
he said I know it start it's in my

663
00:28:27,070 --> 00:28:24,710

headlights but he said suddenly it's

664

00:28:29,169 --> 00:28:27,080

just not there anymore and you know

665

00:28:30,700 --> 00:28:29,179

trying to rationalize this and you know

666

00:28:32,529 --> 00:28:30,710

you think different things will maybe

667

00:28:34,719 --> 00:28:32,539

moved out of the headlights but this

668

00:28:36,039 --> 00:28:34,729

thing is pretty wide should've and will

669

00:28:39,070 --> 00:28:36,049

see something and he just couldn't

670

00:28:40,960 --> 00:28:39,080

explain that but anyhow he said it's a

671

00:28:43,659 --> 00:28:40,970

measly seven foot tall covered with

672

00:28:45,909 --> 00:28:43,669

shaggy brown and black hair but

673

00:28:47,560 --> 00:28:45,919

interestingly this is something you

674

00:28:49,509 --> 00:28:47,570

don't hear very often we've had other

675

00:28:51,639 --> 00:28:49,519

reports he said the creature looked on

676

00:28:53,619 --> 00:28:51,649

the altie as though was sick he said

677

00:28:55,810 --> 00:28:53,629

there areas on the body where the hair

678

00:28:59,889 --> 00:28:55,820

was missing or very sparse like I had

679

00:29:03,339 --> 00:28:59,899

made and went on to describe the head

680

00:29:07,089 --> 00:29:03,349

the the nose the cheeks the hair

681

00:29:08,680 --> 00:29:07,099

covering you know all kind of great

682

00:29:10,899 --> 00:29:08,690

details about what this thing look like

683

00:29:12,759 --> 00:29:10,909

but he said the eyes were larger than a

684

00:29:14,799 --> 00:29:12,769

human and were luminous and they were

685

00:29:17,409 --> 00:29:14,809

beet red and they shined like

686

00:29:19,119 --> 00:29:17,419

flashlights and you're getting subtle

687

00:29:21,039 --> 00:29:19,129

many reports over the years of so many

688

00:29:23,109 --> 00:29:21,049

people describing this bright

689

00:29:25,599 --> 00:29:23,119

illumination I've interviewed many

690

00:29:29,229 --> 00:29:25,609

hunters who are very familiar with night

691

00:29:30,669 --> 00:29:29,239

shine or I shine from course rabbits and

692

00:29:33,849 --> 00:29:30,679

deer and other animals and they said

693

00:29:36,129 --> 00:29:33,859

this was completely different much much

694

00:29:40,330 --> 00:29:36,139

more luminous much brighter look almost

695

00:29:43,119 --> 00:29:40,340

artificial and just so many reports

696

00:29:46,629 --> 00:29:43,129

coming in of strange aspects to and then

697

00:29:50,200 --> 00:29:46,639

to give you some other cases again along

698

00:29:52,989 --> 00:29:50,210

the Chestnut Ridge so in November of

699

00:29:55,089 --> 00:29:52,999

last year now this is below the ridge

700

00:29:56,860 --> 00:29:55,099

little sum of areas that parallel on the

701

00:29:59,260 --> 00:29:56,870

bottom of the ridge so side

702

00:30:01,870 --> 00:29:59,270

all along on the ridge near the ridge

703

00:30:05,940 --> 00:30:01,880

from so many different people so in

704

00:30:09,580 --> 00:30:05,950

November I believe October last year

705

00:30:13,600 --> 00:30:09,590

fellows riding down the road it's it's

706

00:30:17,920 --> 00:30:13,610

heavy rain and he said about seventy

707

00:30:19,840 --> 00:30:17,930

five feet in front of them that this

708

00:30:22,450 --> 00:30:19,850

thing suddenly appears out of nowhere

709

00:30:23,680 --> 00:30:22,460

and he said it's a it's around six and

710

00:30:26,320 --> 00:30:23,690

half feet tall yesterday at that

711

00:30:29,890 --> 00:30:26,330

distance he said you can see this hole

712

00:30:32,799 --> 00:30:29,900

very broad shouldered humanoid creature

713

00:30:35,380 --> 00:30:32,809

and he said look it was kind of stooped

714

00:30:36,940 --> 00:30:35,390

over like I had bad posture and he said

715

00:30:39,880 --> 00:30:36,950

you could see the whole outline of it

716

00:30:41,770 --> 00:30:39,890

but it wasn't solid it was like misty or

717

00:30:44,320 --> 00:30:41,780

foggy only it right there in that area

718

00:30:45,760 --> 00:30:44,330

nowhere else and he said that was

719

00:30:48,070 --> 00:30:45,770

strange it up and it looked like it was

720

00:30:50,980 --> 00:30:48,080

floating above the road flooded into the

721

00:30:53,799 --> 00:30:50,990

field and disappeared and then two weeks

722

00:30:57,250 --> 00:30:53,809

later on top of the ridge a beautiful

723

00:31:00,400 --> 00:30:57,260

morning persons taking a leisurely walk

724

00:31:03,160 --> 00:31:00,410

along the top of the ridge and hears

725

00:31:05,919 --> 00:31:03,170

this noise in the woods so she she

726
00:31:09,549 --> 00:31:05,929
walked into the wood area and about 20

727
00:31:14,500 --> 00:31:09,559
feet away she comes across this large

728
00:31:17,320 --> 00:31:14,510
old dark tree tree stump and she's

729
00:31:21,690 --> 00:31:17,330
looking at it and realizes that there's

730
00:31:27,280 --> 00:31:24,490
right next to it actually it had his

731
00:31:30,130 --> 00:31:27,290
arms completely wrapped around the tree

732
00:31:32,070 --> 00:31:30,140
it had his cheek against the tree

733
00:31:34,330 --> 00:31:32,080
looking directly at it with dark eyes

734
00:31:37,750 --> 00:31:34,340
just staring at her like was trying to

735
00:31:40,060 --> 00:31:37,760
camouflage itself so she grabbed she ran

736
00:31:41,860 --> 00:31:40,070
about ten feet away to another tree to

737
00:31:43,840 --> 00:31:41,870
get a composure back and a load of her

738
00:31:47,470 --> 00:31:43,850

camera to try to run back to get a

739

00:31:49,840 --> 00:31:47,480

picture and she stood there just for a

740

00:31:52,990 --> 00:31:49,850

short time ran back to get a picture and

741

00:31:55,750 --> 00:31:53,000

it was gone so it's only ten feet or so

742

00:31:58,090 --> 00:31:55,760

away 20 feet or where's 10 20 feet away

743

00:32:01,120 --> 00:31:58,100

she heard nothing coming nothing going

744

00:32:02,919 --> 00:32:01,130

and then the reports got stranger and

745

00:32:07,510 --> 00:32:02,929

stranger I mean from so many different

746

00:32:09,760 --> 00:32:07,520

areas and all around the Pittsburgh area

747

00:32:11,770 --> 00:32:09,770

multiple counties other

748

00:32:14,770 --> 00:32:11,780

areas of the state in November of last

749

00:32:16,210 --> 00:32:14,780

year on a four lane toll road between

750

00:32:18,430 --> 00:32:16,220

Greensburg and Delmont

751

00:32:20,290 --> 00:32:18,440

I talked to the fellow who's driving one

752

00:32:22,390 --> 00:32:20,300

of the cars and he had a passenger and

753

00:32:24,250 --> 00:32:22,400

apparently that evening another car

754

00:32:26,320 --> 00:32:24,260

pulled up next to him they had two high

755

00:32:29,470 --> 00:32:26,330

beams on because standing in the middle

756

00:32:31,810 --> 00:32:29,480

of a highway is the 7 8 foot tall wide

757

00:32:34,210 --> 00:32:31,820

shoulder warm warm creatures standing

758

00:32:37,090 --> 00:32:34,220

there and he said the weirdest thing was

759

00:32:38,590 --> 00:32:37,100

it never walked off it just suddenly

760

00:32:42,430 --> 00:32:38,600

vanished and disappeared right in front

761

00:32:46,210 --> 00:32:42,440

of us and it keeps going on and on and

762

00:32:47,350 --> 00:32:46,220

then in January this year in an area

763

00:32:49,300 --> 00:32:47,360

where there's been sightings for years

764

00:32:51,760 --> 00:32:49,310

here's a couple who didn't want to tell

765

00:32:54,160 --> 00:32:51,770

anybody they talked to a relative who

766

00:32:56,950 --> 00:32:54,170

said you need to report it so the

767

00:32:58,690 --> 00:32:56,960

relative contacted me and I'm asking

768

00:33:01,300 --> 00:32:58,700

questions and I realized that one of the

769

00:33:02,860 --> 00:33:01,310

key witnesses is there her daughter is

770

00:33:05,380 --> 00:33:02,870

she finally gone on the phone and talked

771

00:33:07,060 --> 00:33:05,390

to me and we talked for a long time we

772

00:33:09,580 --> 00:33:07,070

had a detailed interview she sent me a

773

00:33:11,830 --> 00:33:09,590

four-page statement and she said this

774

00:33:14,140 --> 00:33:11,840

was so bizarre I said we got to work

775

00:33:16,990 --> 00:33:14,150

every morning and all of a sudden were

776

00:33:20,680 --> 00:33:17,000

coming down the hill and this huge 70

777

00:33:23,380 --> 00:33:20,690

foot tall hairy creature steps out 50

778

00:33:26,230 --> 00:33:23,390

feet in front of our vehicle and she

779

00:33:29,080 --> 00:33:26,240

said we I saw I saw clearly from head to

780

00:33:32,050 --> 00:33:29,090

toe it has dark brown hair long arms

781

00:33:34,420 --> 00:33:32,060

barely moving hands folded back no neck

782

00:33:36,670 --> 00:33:34,430

but she said in the statement when she

783

00:33:38,650 --> 00:33:36,680

said to me said what was so bizarre she

784

00:33:39,130 --> 00:33:38,660

said it was like watching a predator

785

00:33:41,140 --> 00:33:39,140

movie

786

00:33:43,210 --> 00:33:41,150

she said it suddenly appeared out of

787

00:33:45,460 --> 00:33:43,220

nowhere and walked in front of us and

788

00:33:47,860 --> 00:33:45,470

disappeared and it's gone and these are

789

00:33:50,680 --> 00:33:47,870

the kind of reports more and more than

790

00:33:52,660 --> 00:33:50,690

forgetting and then in May of this year

791

00:33:54,520 --> 00:33:52,670

outside of Pittsburgh a man

792

00:33:56,950 --> 00:33:54,530

early morning was looking at his back

793

00:33:58,720 --> 00:33:56,960

window in a rural area and he sees a

794

00:34:00,370 --> 00:33:58,730

smaller Bigfoot we're getting reports of

795

00:34:02,620 --> 00:34:00,380

smaller ones - about four to five feet

796

00:34:05,310 --> 00:34:02,630

tall so he's watching this thing walking

797

00:34:09,300 --> 00:34:05,320

through the yard and it enters a

798

00:34:13,389 --> 00:34:09,310

particular area of the woods and he said

799

00:34:17,050 --> 00:34:13,399

within seconds after the creature

800

00:34:20,590 --> 00:34:17,060

entered that area of the woods that this

801
00:34:23,690 --> 00:34:20,600
small sphere of light suddenly came on

802
00:34:26,059 --> 00:34:23,700
is just a few feet above the ground

803
00:34:28,159 --> 00:34:26,069
and moved a little bit that disappeared

804
00:34:29,930 --> 00:34:28,169
then it came back on project on a long

805
00:34:32,720 --> 00:34:29,940
beam of light and the advantage had

806
00:34:35,629 --> 00:34:32,730
disappeared and again it just goes on

807
00:34:38,210 --> 00:34:35,639
and on so many reports for so many

808
00:34:40,970 --> 00:34:38,220
different people but more more reports

809
00:34:41,899 --> 00:34:40,980
indicating that we may would be willing

810
00:34:43,760 --> 00:34:41,909
with something that's not a

811
00:34:46,159 --> 00:34:43,770
flesh-and-blood animal and like I said

812
00:34:47,000 --> 00:34:46,169
before for lack of a better term we may

813
00:34:48,859 --> 00:34:47,010

be dealing with something this

814

00:34:53,059 --> 00:34:48,869

interdimensional which is why there's

815

00:34:57,670 --> 00:34:53,069

nobody's absolutely yeah I guess you and

816

00:35:02,839 --> 00:35:00,680

it's not just with the Bigfoot when you

817

00:35:04,490 --> 00:35:02,849

start interviewing all these deep these

818

00:35:06,710 --> 00:35:04,500

detailed accounts interviewing witnesses

819

00:35:09,859 --> 00:35:06,720

of the Thunderbirds and the black

820

00:35:11,930 --> 00:35:09,869

panther reports and all these are they

821

00:35:14,809 --> 00:35:11,940

may all be a part of the same phenomena

822

00:35:17,839 --> 00:35:14,819

you cannot have so many type of unknown

823

00:35:20,000 --> 00:35:17,849

creatures out there for so many years

824

00:35:22,400 --> 00:35:20,010

and not find any of them but you've got

825

00:35:24,589 --> 00:35:22,410

so many credible people seeing them you

826

00:35:26,780 --> 00:35:24,599

can't dismiss it so there's got to be

827

00:35:29,420 --> 00:35:26,790

some other explanation that we just

828

00:35:31,309 --> 00:35:29,430

don't understand and like I'm saying

829

00:35:32,539 --> 00:35:31,319

more and more the data we're seeing is

830

00:35:34,730 --> 00:35:32,549

and we may be dealing with something

831

00:35:36,799 --> 00:35:34,740

that so beyond our present scientific

832

00:35:38,660 --> 00:35:36,809

understanding we're just not there yet

833

00:35:40,460 --> 00:35:38,670

we don't have the capability or the

834

00:35:43,130 --> 00:35:40,470

instrumentation to detect what we're

835

00:35:45,020 --> 00:35:43,140

dealing with well hopefully one day

836

00:35:47,539 --> 00:35:45,030

we're going to find answers I know I

837

00:35:49,849 --> 00:35:47,549

know with this win you monoid thing that

838

00:35:56,539 --> 00:35:49,859

we've been dealing with out in Illinois

839

00:35:58,730 --> 00:35:56,549

and Wisconsin you know it seems to be

840

00:36:01,520 --> 00:35:58,740

that these things are coming in and out

841

00:36:04,130 --> 00:36:01,530

of some type of portal or gateway or

842

00:36:05,420 --> 00:36:04,140

whatever because we have had witnesses

843

00:36:08,660 --> 00:36:05,430

act to see them disappear

844

00:36:11,450 --> 00:36:08,670

you know just yeah and it's the same way

845

00:36:15,010 --> 00:36:11,460

with Bigfoot upright canines the same

846

00:36:16,730 --> 00:36:15,020

deal butchers have heard the same thing

847

00:36:18,230 --> 00:36:16,740

we've all heard it

848

00:36:22,460 --> 00:36:18,240

I mean these things just suddenly

849

00:36:25,370 --> 00:36:22,470

disappear and and it's not a new

850

00:36:27,589 --> 00:36:25,380

phenomena no I I can mention I started

851

00:36:29,329 --> 00:36:27,599

writing about this back in the 70s well

852

00:36:31,640 --> 00:36:29,339

back then there was a lot more ridicule

853

00:36:33,260 --> 00:36:31,650

now in the last few years because you

854

00:36:35,099 --> 00:36:33,270

know I do a lot of radio shows I'm gonna

855

00:36:37,319 --> 00:36:35,109

grow a lot of people and I

856

00:36:39,329 --> 00:36:37,329

see a big difference from the response

857

00:36:40,799 --> 00:36:39,339

of the people in the Bigfoot field who

858

00:36:43,140 --> 00:36:40,809

used to dismiss all these type of

859

00:36:44,970 --> 00:36:43,150

reports but now they're beginning to ask

860

00:36:47,099 --> 00:36:44,980

the same questions like where are the

861

00:36:49,829 --> 00:36:47,109

bodies and they're getting the same kind

862

00:36:51,390 --> 00:36:49,839

of reports and in the last few years all

863

00:36:54,120 --> 00:36:51,400

over Pennsylvania all throughout the

864

00:36:55,979 --> 00:36:54,130

country many Bigfoot researchers are out

865

00:36:57,960 --> 00:36:55,989

in the areas where there's a lot of

866

00:37:00,930 --> 00:36:57,970

history of Bigfoot activity or seeing

867

00:37:03,299 --> 00:37:00,940

weird strange light phenomena so they're

868

00:37:07,380 --> 00:37:03,309

experiencing things themselves yes sir

869

00:37:09,779 --> 00:37:07,390

you're right and it is it is astounding

870

00:37:11,970 --> 00:37:09,789

how the Bigfoot community has kind of

871

00:37:15,420 --> 00:37:11,980

opened minded that become open more

872

00:37:17,910 --> 00:37:15,430

open-minded with this and yeah you and I

873

00:37:20,430 --> 00:37:17,920

I've been tired of getting criticized

874

00:37:22,950 --> 00:37:20,440

for measuring it all these years but uh

875

00:37:23,970 --> 00:37:22,960

you know yeah people are starting to go

876

00:37:26,130 --> 00:37:23,980

with it

877

00:37:30,599 --> 00:37:26,140

you know we can't really prove anything

878

00:37:34,970 --> 00:37:30,609

yet but you know you got to you got to

879

00:37:38,130 --> 00:37:34,980

think that something else is going on so

880

00:37:40,319 --> 00:37:38,140

there you go anyway I've got people in

881

00:37:42,390 --> 00:37:40,329

the in the chat room that would like to

882

00:37:47,130 --> 00:37:42,400

like to have you talk about Kecksburg

883

00:37:49,620 --> 00:37:47,140

and if you know talk a bit about what

884

00:37:53,759 --> 00:37:49,630

happened beginning and such but is there

885

00:37:55,680 --> 00:37:53,769

any new information I know you had to

886

00:37:56,299 --> 00:37:55,690

Kecksburg festival a little over a month

887

00:37:59,970 --> 00:37:56,309

ago

888

00:38:03,329 --> 00:37:59,980

was there anything brought up there that

889

00:38:06,720 --> 00:38:03,339

could be part of what was going on back

890

00:38:08,460 --> 00:38:06,730

then well we I mean it was probably the

891

00:38:10,410 --> 00:38:08,470

biggest festival they've ever had I mean

892

00:38:12,779 --> 00:38:10,420

the firemen I mean this has turned to a

893

00:38:13,200 --> 00:38:12,789

huge internet or I should say national

894

00:38:14,849 --> 00:38:13,210

event

895

00:38:16,799 --> 00:38:14,859

people from all over the country keep

896

00:38:18,120 --> 00:38:16,809

coming in for we had thousands and

897

00:38:21,180 --> 00:38:18,130

thousands of people that are literally

898

00:38:22,589 --> 00:38:21,190

and I mean I was just so jammed I was

899

00:38:24,390 --> 00:38:22,599

losing my voice there because I was

900

00:38:27,749 --> 00:38:24,400

talking for so many hours for three days

901

00:38:29,609 --> 00:38:27,759

and but got a lot of interesting new

902

00:38:31,559 --> 00:38:29,619

cases of all kind of things going on and

903

00:38:34,109 --> 00:38:31,569

many witnesses who had seen things in

904

00:38:36,269 --> 00:38:34,119

recent weeks and months I did run into a

905

00:38:39,470 --> 00:38:36,279

few new Kecksburg witnesses so these are

906

00:38:41,729 --> 00:38:39,480

people probably in their 70s and 80s and

907

00:38:43,440 --> 00:38:41,739

you know they didn't make any big dude

908

00:38:45,839 --> 00:38:43,450

over they said I was good that night you

909

00:38:46,530 --> 00:38:45,849

know I was a kid I saw the military and

910

00:38:48,660 --> 00:38:46,540

all that stuff

911

00:38:52,350 --> 00:38:48,670

it basically it was just confirming

912

00:38:55,610 --> 00:38:52,360

other information we had and that's what

913

00:38:58,530 --> 00:38:55,620

it is I mean we've heard so many stories

914

00:39:00,690 --> 00:38:58,540

yeah there's so much interest in the

915

00:39:03,300 --> 00:39:00,700

case regardless of what it was and we

916

00:39:04,980 --> 00:39:03,310

may never know the truth and I can only

917

00:39:08,130 --> 00:39:04,990

say and I'll give you a little bit of

918

00:39:12,240 --> 00:39:08,140

history of it too but sure December 9th

919

00:39:14,430 --> 00:39:12,250

1965 Thursday night I'm 16 years old I'm

920

00:39:17,520 --> 00:39:14,440

already interested in the phenomena I'm

921

00:39:19,440 --> 00:39:17,530

tuned into KDK radio in Pittsburgh they

922

00:39:22,500 --> 00:39:19,450

have a talk radio show called contact

923

00:39:25,200 --> 00:39:22,510

and Mike Levine is the host he's not

924

00:39:27,300 --> 00:39:25,210

deceased unfortunately he had a guest on

925

00:39:30,120 --> 00:39:27,310

with Frank Edwards who you recognize the

926

00:39:32,100 --> 00:39:30,130

name right and Frank Edwards had written

927

00:39:34,320 --> 00:39:32,110

some books on strange occurrences and

928

00:39:36,390 --> 00:39:34,330

UFOs and then quantum UFOs then he

929

00:39:37,650 --> 00:39:36,400

called mainly flying saucers and I

930

00:39:39,660 --> 00:39:37,660

wanted to listen to see what he had to

931

00:39:42,510 --> 00:39:39,670

say well the interesting thing about

932

00:39:45,360 --> 00:39:42,520

that show was almost the entire program

933

00:39:48,810 --> 00:39:45,370

was now concentrating on the breaking

934

00:39:52,110 --> 00:39:48,820

news story coming in of just brilliant

935

00:39:56,670 --> 00:39:52,120

fiery objects seen from Ontario Canada /

936

00:39:58,860 --> 00:39:56,680

Michigan Ohio Pennsylvania and initial

937

00:40:00,330 --> 00:39:58,870

reports were that whenever this thing

938

00:40:03,840 --> 00:40:00,340

was that Kelly came in over the

939

00:40:07,050 --> 00:40:03,850

Pittsburgh area about 4:47 p.m. so it's

940

00:40:09,330 --> 00:40:07,060

just getting dark in this area and the

941

00:40:11,430 --> 00:40:09,340

radio stations TV stations newspapers

942

00:40:13,560 --> 00:40:11,440

police departments were jammed with

943

00:40:16,200 --> 00:40:13,570

calls from people who saw the subject

944

00:40:19,470 --> 00:40:16,210

and some people actually thought it was

945

00:40:21,990 --> 00:40:19,480

an aircraft was on fire and so reports

946

00:40:26,340 --> 00:40:22,000

were very prevalent well again there was

947

00:40:27,990 --> 00:40:26,350

a lot we didn't know that night and but

948

00:40:31,590 --> 00:40:28,000

the reports got even more fascinating

949

00:40:33,390 --> 00:40:31,600

that evening as reports came in now

950

00:40:36,090 --> 00:40:33,400

whatever the object was that apparently

951
00:40:39,390 --> 00:40:36,100
fell to Witter ravine in Westmoreland

952
00:40:42,330 --> 00:40:39,400
County so it's about 12 miles from

953
00:40:44,340 --> 00:40:42,340
Greensburg 40-round 40 miles from

954
00:40:47,070 --> 00:40:44,350
Pittsburgh depending with karate go and

955
00:40:49,440 --> 00:40:47,080
if they apparently fell and the reports

956
00:40:51,630 --> 00:40:49,450
were coming in that the military was now

957
00:40:53,520 --> 00:40:51,640
arriving the Kecksburg area to search

958
00:40:55,980 --> 00:40:53,530
for an unidentified flying object

959
00:40:58,470 --> 00:40:55,990
well that was an amazing stories I think

960
00:40:59,370 --> 00:40:58,480
and I wasn't even driving yet I could

961
00:41:02,039 --> 00:40:59,380
get out there

962
00:41:04,019 --> 00:41:02,049
and I'm running back and forth between

963
00:41:05,640 --> 00:41:04,029

the old black and white console TV and a

964

00:41:07,680 --> 00:41:05,650

radio trying to get the latest reports

965

00:41:10,289 --> 00:41:07,690

but I'm documenting everything else it's

966

00:41:13,109 --> 00:41:10,299

coming over the news and the next day I

967

00:41:14,490 --> 00:41:13,119

try to start to find information about

968

00:41:16,380 --> 00:41:14,500

it but there was very little information

969

00:41:19,799 --> 00:41:16,390

and out there was very few names in a

970

00:41:22,289 --> 00:41:19,809

paper but I began to collect all the

971

00:41:24,299 --> 00:41:22,299

information it was the headlines and all

972

00:41:25,890 --> 00:41:24,309

the local papers to the pittsburgh

973

00:41:28,980 --> 00:41:25,900

papers the great secret paper made

974

00:41:32,430 --> 00:41:28,990

national news and then within a couple

975

00:41:34,920 --> 00:41:32,440

days and actually the next day the

976

00:41:37,170 --> 00:41:34,930

official explanation already wasn't yes

977

00:41:39,269 --> 00:41:37,180

there was a thorough search of woods by

978

00:41:43,410 --> 00:41:39,279

the authorities at night they found

979

00:41:46,950 --> 00:41:43,420

absolutely nothing and authority said it

980

00:41:48,599 --> 00:41:46,960

was just imagination witnesses they had

981

00:41:51,089 --> 00:41:48,609

seen a brave meteor in the sky but

982

00:41:56,009 --> 00:41:51,099

nothing had fallen to the ground and so

983

00:41:57,359 --> 00:41:56,019

officially today it's listed as Astro so

984

00:42:00,120 --> 00:41:57,369

it was a meteor according to the

985

00:42:01,829 --> 00:42:00,130

government but there was a lot we found

986

00:42:03,569 --> 00:42:01,839

out since then and I tracked down

987

00:42:07,589 --> 00:42:03,579

hundreds of people who were involved in

988

00:42:10,499 --> 00:42:07,599

the case over the years and what I found

989

00:42:12,450 --> 00:42:10,509

out later was that this thing was seen

990

00:42:14,549 --> 00:42:12,460

again over a large area I've

991

00:42:17,130 --> 00:42:14,559

concentrated most of my investigation

992

00:42:19,309 --> 00:42:17,140

from the pittsburgh area for the

993

00:42:21,930 --> 00:42:19,319

sightings into the activity took place

994

00:42:25,380 --> 00:42:21,940

around the impact site around the crash

995

00:42:27,329 --> 00:42:25,390

site because it's so fascinating the

996

00:42:30,210 --> 00:42:27,339

multitudes of people I interviewed to

997

00:42:32,940 --> 00:42:30,220

track down so these included witnesses

998

00:42:35,190 --> 00:42:32,950

saw the object in the sky people who saw

999

00:42:37,620 --> 00:42:35,200

the object come overhead and drop into

1000

00:42:39,599 --> 00:42:37,630

the woods people who went down it from

1001
00:42:42,749 --> 00:42:39,609
which soon after it fell and came across

1002
00:42:45,599 --> 00:42:42,759
as large metallic acorn shaped objects

1003
00:42:47,670 --> 00:42:45,609
semi bared in the ground that was big

1004
00:42:50,069 --> 00:42:47,680
enough for a human to stand inside I may

1005
00:42:52,559 --> 00:42:50,079
be 10 to 12 feet or more length about

1006
00:42:55,380 --> 00:42:52,569
eight to ten feet in diameter shaped

1007
00:42:58,410 --> 00:42:55,390
like a big metallic acorn kind of an off

1008
00:43:00,150 --> 00:42:58,420
gold bronze color but interesting and

1009
00:43:01,859 --> 00:43:00,160
there were witnesses standing within

1010
00:43:05,519 --> 00:43:01,869
feet of it I mean close enough to touch

1011
00:43:07,620 --> 00:43:05,529
it and there's no raw works no seams the

1012
00:43:09,960 --> 00:43:07,630
rivet marks on it mm-hmm or they're

1013
00:43:11,630 --> 00:43:09,970

raised apart like a burn back of an

1014

00:43:13,000 --> 00:43:11,640

acorn

1015

00:43:16,060 --> 00:43:13,010

witnesses said

1016

00:43:20,230 --> 00:43:16,070

saw what to be raised up marking to look

1017

00:43:22,660 --> 00:43:20,240

more like symbols on the surface and I

1018

00:43:25,210 --> 00:43:22,670

mean it's a fascinating story so what we

1019

00:43:28,120 --> 00:43:25,220

know happened was first hands of

1020

00:43:30,130 --> 00:43:28,130

civilians come in then he had volunteer

1021

00:43:32,440 --> 00:43:30,140

firemen coming in because they were

1022

00:43:34,360 --> 00:43:32,450

activated because all the reports around

1023

00:43:36,100 --> 00:43:34,370

the area people thought it was a

1024

00:43:37,930 --> 00:43:36,110

possible downed aircraft

1025

00:43:39,910 --> 00:43:37,940

so the firemen around looking for a

1026

00:43:44,560 --> 00:43:39,920

possible downed aircraft in this very

1027

00:43:46,120 --> 00:43:44,570

large wooded area but some of the

1028

00:43:47,980 --> 00:43:46,130

civilians and of course they didn't know

1029

00:43:49,750 --> 00:43:47,990

this at the time it's some locals had

1030

00:43:52,030 --> 00:43:49,760

already found it but then some of the

1031

00:43:54,730 --> 00:43:52,040

firemen came across the object and then

1032

00:43:57,100 --> 00:43:54,740

the military came in and once the

1033

00:43:58,780 --> 00:43:57,110

military came in the whole area was

1034

00:44:01,660 --> 00:43:58,790

cordoned off and everybody was told to

1035

00:44:03,190 --> 00:44:01,670

leave the military didn't know that

1036

00:44:05,850 --> 00:44:03,200

others had already gone down there

1037

00:44:08,950 --> 00:44:05,860

before they arrived and I can tell you

1038

00:44:11,170 --> 00:44:08,960

you couldn't possibly see where this

1039

00:44:14,020 --> 00:44:11,180

thing fell from any it's and around the

1040

00:44:15,370 --> 00:44:14,030

hills or highways he had to be standing

1041

00:44:17,380 --> 00:44:15,380

down there at the bottom of the ravine

1042

00:44:21,550 --> 00:44:17,390

in the woods to see where it came down

1043

00:44:23,520 --> 00:44:21,560

so until some of the locals could

1044

00:44:25,810 --> 00:44:23,530

pinpoint the location for some of the

1045

00:44:31,930 --> 00:44:25,820

authorities they would not have known

1046

00:44:34,450 --> 00:44:31,940

where it came down yeah you know what do

1047

00:44:36,670 --> 00:44:34,460

you think of this theory and that's what

1048

00:44:38,680 --> 00:44:36,680

I'm calling it a theory that this may

1049

00:44:42,100 --> 00:44:38,690

have been the Nazi bill or something to

1050

00:44:44,320 --> 00:44:42,110

do with the Soviets well there are

1051
00:44:47,500 --> 00:44:44,330
multitudes of theories from the time it

1052
00:44:51,640 --> 00:44:47,510
happened and you know the 50th

1053
00:44:53,890 --> 00:44:51,650
anniversary is 54 years later but after

1054
00:44:56,050 --> 00:44:53,900
the 50th anniversary I believe from what

1055
00:44:58,620 --> 00:44:56,060
I remember now I believe were 4

1056
00:45:01,540 --> 00:44:58,630
different theories brought forth again

1057
00:45:03,340 --> 00:45:01,550
from different people who all believe

1058
00:45:07,660 --> 00:45:03,350
they have the right theory of what the

1059
00:45:09,790 --> 00:45:07,670
Kecksburg object was but again theories

1060
00:45:12,100 --> 00:45:09,800
are wonderful ideas are wonderful but if

1061
00:45:15,070 --> 00:45:12,110
you don't have the proof and evidence it

1062
00:45:17,470 --> 00:45:15,080
means nothing and the theories go back

1063
00:45:20,530 --> 00:45:17,480

from the time it happened one of the

1064

00:45:22,450 --> 00:45:20,540

first things we heard at the summit

1065

00:45:25,180 --> 00:45:22,460

witnesses who were there at the time and

1066

00:45:26,089 --> 00:45:25,190

it was a family who I interviewed that

1067

00:45:28,519 --> 00:45:26,099

had a military

1068

00:45:30,319 --> 00:45:28,529

so come and interview them and he told

1069

00:45:32,539 --> 00:45:30,329

them there was a Gemini capsule

1070

00:45:34,430 --> 00:45:32,549

that had been expelled in the area and

1071

00:45:37,009 --> 00:45:34,440

of course we found out that was not the

1072

00:45:39,739 --> 00:45:37,019

case and then with many theories since

1073

00:45:42,979 --> 00:45:39,749

then another guy told me he was certain

1074

00:45:45,019 --> 00:45:42,989

it was a law it was a projectile fired

1075

00:45:47,539 --> 00:45:45,029

from a giant gun from a railroad car in

1076

00:45:49,700 --> 00:45:47,549

Canada which of course we found that out

1077

00:45:53,569 --> 00:45:49,710

and checked into it nothing to it there

1078

00:45:55,700 --> 00:45:53,579

are many many other theories one of the

1079

00:45:58,249 --> 00:45:55,710

most common theories for years was that

1080

00:46:01,160 --> 00:45:58,259

it could have been a Soviet Venus probe

1081

00:46:03,529 --> 00:46:01,170

that had a technical malfunction but

1082

00:46:06,499 --> 00:46:03,539

interestingly we entered the atmosphere

1083

00:46:08,299 --> 00:46:06,509

on the same day that this occurred but

1084

00:46:11,089 --> 00:46:08,309

it occurred around 3:18 in the morning

1085

00:46:12,099 --> 00:46:11,099

over Canada this happened about 447 the

1086

00:46:14,299 --> 00:46:12,109

afternoon

1087

00:46:17,299 --> 00:46:14,309

anyhow I can just tell you in the last

1088

00:46:20,029 --> 00:46:17,309

20-some years or so a lot more data has

1089

00:46:22,789 --> 00:46:20,039

come up and it's pretty much been ruled

1090

00:46:25,880 --> 00:46:22,799

out it was cosmos 96 right and then

1091

00:46:29,749 --> 00:46:25,890

another theory among others is the Glock

1092

00:46:32,059 --> 00:46:29,759

the the German Dell but I see no

1093

00:46:34,459 --> 00:46:32,069

evidence or two related and I'm no

1094

00:46:36,140 --> 00:46:34,469

expert on the Bell but I talk to people

1095

00:46:40,519 --> 00:46:36,150

who claim that want a knowledge of it

1096

00:46:42,799 --> 00:46:40,529

over the years and I've seen no evidence

1097

00:46:44,809 --> 00:46:42,809

that it became a reality there's no

1098

00:46:47,959 --> 00:46:44,819

doubt that the Germans were working on

1099

00:46:49,309 --> 00:46:47,969

their project but of course depending

1100

00:46:50,569 --> 00:46:49,319

what you read it was either some type of

1101

00:46:53,749 --> 00:46:50,579

time machine or some type of

1102

00:46:55,670 --> 00:46:53,759

anti-gravity device but it just doesn't

1103

00:46:58,160 --> 00:46:55,680

fit with what we know from what I

1104

00:47:00,620 --> 00:46:58,170

witnesses tell it and you know Laurent

1105

00:47:02,329 --> 00:47:00,630

I've always been very careful with this

1106

00:47:03,979 --> 00:47:02,339

case because I keep it open mind all

1107

00:47:07,400 --> 00:47:03,989

possibilities for what this thing may

1108

00:47:09,620 --> 00:47:07,410

have been right and there was a lot of

1109

00:47:12,519 --> 00:47:09,630

little details over the years that for

1110

00:47:14,630 --> 00:47:12,529

years I didn't reveal until I had enough

1111

00:47:18,079 --> 00:47:14,640

independent confirmation from different

1112

00:47:20,180 --> 00:47:18,089

people to confirm certain details one of

1113

00:47:25,489 --> 00:47:20,190

the details three years I kept quiet

1114

00:47:28,609 --> 00:47:25,499

dogs able to verify that people saw 1

1115

00:47:30,349 --> 00:47:28,619

plus c2 military jets pursuing the path

1116

00:47:32,709 --> 00:47:30,359

of the object now they weren't right

1117

00:47:35,029 --> 00:47:32,719

behind it but soon after it passed

1118

00:47:37,549 --> 00:47:35,039

military jets were formed along the same

1119

00:47:38,720 --> 00:47:37,559

path so I have reports from Ohio into

1120

00:47:41,120 --> 00:47:38,730

that general area

1121

00:47:43,040 --> 00:47:41,130

were people reporting that but one of

1122

00:47:45,950 --> 00:47:43,050

the things that's very interesting that

1123

00:47:48,200 --> 00:47:45,960

I was able years later to confirm you

1124

00:47:50,180 --> 00:47:48,210

know people talked about seeing this

1125

00:47:52,040 --> 00:47:50,190

object being taken away from the area

1126

00:47:53,870 --> 00:47:52,050

late that night earlier next morning I

1127

00:47:55,700 --> 00:47:53,880

had a large military flat that

1128

00:47:57,859 --> 00:47:55,710

tractor-trailer with a tarp over it and

1129

00:48:02,660 --> 00:47:57,869

there numerous independent eyewitnesses

1130

00:48:05,599 --> 00:48:02,670

and in the summer of 1990 before we did

1131

00:48:08,930 --> 00:48:05,609

the untold mysteries TV show tower

1132

00:48:12,620 --> 00:48:08,940

contacted me his background it was

1133

00:48:14,150 --> 00:48:12,630

checked extensively and others have now

1134

00:48:16,790 --> 00:48:14,160

confirmed the same thing independently

1135

00:48:18,290 --> 00:48:16,800

who don't know each other but he told me

1136

00:48:20,780 --> 00:48:18,300

he said I was a member of the Air Force

1137

00:48:23,060 --> 00:48:20,790

police that guarded the object from Tex

1138

00:48:25,250 --> 00:48:23,070

Berg when it came in during the early

1139

00:48:27,290 --> 00:48:25,260

morning hours of December 10th to lock

1140

00:48:30,020 --> 00:48:27,300

board Air Force Base near Columbus Ohio

1141

00:48:31,370 --> 00:48:30,030

and he talked about how was binding on

1142

00:48:33,770 --> 00:48:31,380

the large military flatbed

1143

00:48:39,040 --> 00:48:33,780

tractor-trailer did backed into a hangar

1144

00:48:41,690 --> 00:48:39,050

a security team was set up the guard and

1145

00:48:43,880 --> 00:48:41,700

surrounded Hager and they were given a

1146

00:48:45,290 --> 00:48:43,890

shoot-to-kill order to anybody as

1147

00:48:48,020 --> 00:48:45,300

approach to Hague without the proper

1148

00:48:49,490 --> 00:48:48,030

clearance now he told me he didn't stay

1149

00:48:51,620 --> 00:48:49,500

on the team much longer but he heard

1150

00:48:53,150 --> 00:48:51,630

that FEMA called the object didn't stay

1151

00:48:55,040 --> 00:48:53,160

there long it continued on the

1152

00:48:57,560 --> 00:48:55,050

wright-patterson Air Force Base and

1153

00:48:58,970 --> 00:48:57,570

later I was able to confirm exactly what

1154

00:49:01,160 --> 00:48:58,980

Gurley went to wright-patterson

1155

00:49:04,370 --> 00:49:01,170

it was not a core 18 people talk about

1156

00:49:07,040 --> 00:49:04,380

the other building so the interesting

1157

00:49:09,470 --> 00:49:07,050

thing is I was able to confirm that were

1158

00:49:11,270 --> 00:49:09,480

not one but there were two flatbed

1159

00:49:14,690 --> 00:49:11,280

military tractor trailers at the scene

1160

00:49:17,330 --> 00:49:14,700

that night so what was on the first load

1161

00:49:19,910 --> 00:49:17,340

that went out earlier that was longer

1162

00:49:23,180 --> 00:49:19,920

and lower and this thing was higher and

1163

00:49:25,070 --> 00:49:23,190

more vertical and all kind of

1164

00:49:30,370 --> 00:49:25,080

interesting speculation which we don't

1165

00:49:33,560 --> 00:49:30,380

know but in the last 25 years or so and

1166

00:49:35,300 --> 00:49:33,570

this is very detailed and and I probably

1167

00:49:37,160 --> 00:49:35,310

don't even have time to get into it all

1168

00:49:38,990 --> 00:49:37,170

and maybe someday we can talk more about

1169

00:49:42,040 --> 00:49:39,000

it but there's some very interesting

1170

00:49:44,599 --> 00:49:42,050

information from independent sources

1171

00:49:46,190 --> 00:49:44,609

which indicate the possibility that

1172

00:49:50,060 --> 00:49:46,200

there was someone or something inside of

1173

00:49:51,340 --> 00:49:50,070

the object and is that right it gives

1174

00:49:53,980 --> 00:49:51,350

you a whole different

1175

00:49:56,630 --> 00:49:53,990

idea what you might be dealing with and

1176

00:49:59,090 --> 00:49:56,640

there are some other details that I have

1177

00:50:01,430 --> 00:49:59,100

that I'm still not ready to talk about -

1178

00:50:02,810 --> 00:50:01,440

I can confirm but I'm just telling you

1179

00:50:07,880 --> 00:50:02,820

it could be bored of the stories and

1180

00:50:10,250 --> 00:50:07,890

realize do you think that the object is

1181

00:50:12,710 --> 00:50:10,260

still at wright-patterson or you think

1182

00:50:14,930 --> 00:50:12,720

they moved it on heard all kinds of

1183

00:50:16,460 --> 00:50:14,940

stories I've heard one that is still

1184

00:50:18,200 --> 00:50:16,470

there but I've also heard from others

1185

00:50:21,470 --> 00:50:18,210

they bleed was moved to another base and

1186

00:50:24,950 --> 00:50:21,480

we've heard that other alleged UFO

1187

00:50:27,200 --> 00:50:24,960

residues Roswell and other alleged cases

1188

00:50:28,550 --> 00:50:27,210

where the the object ended up at

1189

00:50:30,800 --> 00:50:28,560

wright-patterson which of course is

1190

00:50:32,420 --> 00:50:30,810

where they probably would have ended up

1191

00:50:34,550 --> 00:50:32,430

because back in those days you had the

1192

00:50:36,440 --> 00:50:34,560

Air Force foreign technology division

1193

00:50:39,500 --> 00:50:36,450

and you had Air Force project Bluebook

1194

00:50:41,780 --> 00:50:39,510

headquarter there right so that would be

1195

00:50:43,370 --> 00:50:41,790

the place that we would go but we've

1196

00:50:45,590 --> 00:50:43,380

heard reports that they've been sent to

1197

00:50:49,400 --> 00:50:45,600

other bases for security for study we

1198

00:50:53,270 --> 00:50:49,410

have no way to confirm that hmm well I

1199

00:50:56,120 --> 00:50:53,280

have heard reports over the years that a

1200

00:50:59,660 --> 00:50:56,130

lot of the objects that were originally

1201
00:51:02,840 --> 00:50:59,670
sent to wright-patterson ended up down

1202
00:51:05,390 --> 00:51:02,850
at Eglin or MacDill down in Florida now

1203
00:51:08,330 --> 00:51:05,400
I don't have any confirmation for that

1204
00:51:12,380 --> 00:51:08,340
all I have were people who were actually

1205
00:51:14,540 --> 00:51:12,390
in the Air Force at that time who I was

1206
00:51:17,690 --> 00:51:14,550
able to talk to through my father he was

1207
00:51:19,010 --> 00:51:17,700
in the five of the ninth which is my dad

1208
00:51:20,630 --> 00:51:19,020
was in the five hour night there in the

1209
00:51:23,210 --> 00:51:20,640
Korean War and many of the guys he

1210
00:51:24,560 --> 00:51:23,220
served with were at Roswell when the

1211
00:51:29,270 --> 00:51:24,570
five and ninth was stationed there

1212
00:51:33,670 --> 00:51:29,280
during the crash and I had been told

1213
00:51:37,730 --> 00:51:33,680

that those are two locations that either

1214

00:51:40,010 --> 00:51:37,740

equipment craft are even bodies have

1215

00:51:42,050 --> 00:51:40,020

been sent over the years but I don't

1216

00:51:44,630 --> 00:51:42,060

like I said I that's only from what

1217

00:51:47,360 --> 00:51:44,640

people have told me yeah and and I've

1218

00:51:49,580 --> 00:51:47,370

heard the same story and of course

1219

00:51:51,590 --> 00:51:49,590

there's many accounts from people who

1220

00:51:53,690 --> 00:51:51,600

used to work at wright-patterson who

1221

00:51:55,310 --> 00:51:53,700

talked about bodies being recovered as

1222

00:51:57,260 --> 00:51:55,320

one I mean I've talked to people years

1223

00:51:59,720 --> 00:51:57,270

and years ago who told me they'd seen

1224

00:52:01,040 --> 00:51:59,730

the bodies hmm and it was lent strength

1225

00:52:03,120 --> 00:52:01,050

field you probably recognize the name

1226

00:52:06,420 --> 00:52:03,130

Glenn and I went there we go

1227

00:52:09,360 --> 00:52:06,430

and led was the I guess you'd say kind

1228

00:52:11,730 --> 00:52:09,370

of the Godfather of UFO crash retrievals

1229

00:52:13,740 --> 00:52:11,740

he's the one who began to bring all this

1230

00:52:16,320 --> 00:52:13,750

out back many many years ago about the

1231

00:52:17,760 --> 00:52:16,330

fact that there were other UFO crash and

1232

00:52:20,430 --> 00:52:17,770

recoveries around the country and around

1233

00:52:22,950 --> 00:52:20,440

the world and he talked to many people

1234

00:52:24,450 --> 00:52:22,960

who had allegedly inside information -

1235

00:52:28,470 --> 00:52:24,460

some of these were very credible people

1236

00:52:30,930 --> 00:52:28,480

and let and I work very closely and you

1237

00:52:32,640 --> 00:52:30,940

know we talked quite a bit and he was on

1238

00:52:36,630 --> 00:52:32,650

to something and I've had similar

1239

00:52:37,680 --> 00:52:36,640

accounts over the years as well mm-hmm

1240

00:52:42,690 --> 00:52:37,690

hey um

1241

00:52:44,820 --> 00:52:42,700

back at that time back in the 60s when

1242

00:52:48,270 --> 00:52:44,830

when they had those type of recoveries

1243

00:52:53,280 --> 00:52:48,280

of something like that was NASA actually

1244

00:52:56,100 --> 00:52:53,290

in charge of that at the time I'm no

1245

00:52:59,730 --> 00:52:56,110

expert in this area but there were

1246

00:53:01,740 --> 00:52:59,740

projects going on that documents and

1247

00:53:04,530 --> 00:53:01,750

other information came forth that NASA

1248

00:53:06,120 --> 00:53:04,540

played a part with other agencies in

1249

00:53:09,390 --> 00:53:06,130

some of the recoveries but they were not

1250

00:53:11,580 --> 00:53:09,400

the primary source okay because I have

1251
00:53:14,490 --> 00:53:11,590
heard a few things over the years about

1252
00:53:16,500 --> 00:53:14,500
NASA being involved somehow I actually

1253
00:53:20,190 --> 00:53:16,510
talked to a guy that lived down at Cocoa

1254
00:53:21,360 --> 00:53:20,200
Beach who worked for NASA and he brought

1255
00:53:26,570 --> 00:53:21,370
up something about the Kecksburg

1256
00:53:31,170 --> 00:53:26,580
incident to me and he said to me that he

1257
00:53:34,230 --> 00:53:31,180
was told that NASA was actually part of

1258
00:53:36,990 --> 00:53:34,240
the team or V team that was working on

1259
00:53:38,610 --> 00:53:37,000
that recovery so you know and he's not

1260
00:53:41,430 --> 00:53:38,620
the only person that told me that I am

1261
00:53:44,870 --> 00:53:41,440
heard I heard a few odds and ends over

1262
00:53:49,640 --> 00:53:44,880
the years so I didn't I just didn't know

1263
00:53:52,200 --> 00:53:49,650

okay well but it regards the Kecksburg I

1264

00:53:53,520 --> 00:53:52,210

tracked our many people of course even

1265

00:53:55,170 --> 00:53:53,530

though many of the reporters who are on

1266

00:53:57,600 --> 00:53:55,180

the scene that night who is our

1267

00:54:00,780 --> 00:53:57,610

interacted or saw military equipment or

1268

00:54:02,940 --> 00:54:00,790

personnel so many people and again this

1269

00:54:05,310 --> 00:54:02,950

made national news at the time hmm we

1270

00:54:08,310 --> 00:54:05,320

know the Air Force and Army personnel at

1271

00:54:10,500 --> 00:54:08,320

the scene but I also many many years ago

1272

00:54:12,300 --> 00:54:10,510

interviewed people who told me they

1273

00:54:15,109 --> 00:54:12,310

either saw or interact or what appear to

1274

00:54:19,789 --> 00:54:15,119

be NASA personnel also on the scene

1275

00:54:21,650 --> 00:54:19,799

Wow and the whole point is what was so

1276

00:54:24,710 --> 00:54:21,660

important down there that the government

1277

00:54:27,559 --> 00:54:24,720

responded the way they did and they have

1278

00:54:28,999 --> 00:54:27,569

armed soldiers and some of these people

1279

00:54:31,549 --> 00:54:29,009

went public over the years by the way

1280

00:54:33,829 --> 00:54:31,559

but yet armed soldiers according to

1281

00:54:36,069 --> 00:54:33,839

these accounts they're on other people's

1282

00:54:38,900 --> 00:54:36,079

private property on farms out there

1283

00:54:40,880 --> 00:54:38,910

aiming the weapons allegedly at certain

1284

00:54:43,339 --> 00:54:40,890

businesses trying to get down to the

1285

00:54:45,109 --> 00:54:43,349

crash site to stop them yeah where'd

1286

00:54:50,150 --> 00:54:45,119

that kind of jurisdiction come from

1287

00:54:51,920 --> 00:54:50,160

yeah that's wrong woman was the you

1288

00:54:55,249 --> 00:54:51,930

believe the state was notified at the

1289

00:55:00,499 --> 00:54:55,259

time the state yeah

1290

00:55:04,549 --> 00:55:00,509

you mean like oh yeah okay well that's

1291

00:55:07,220 --> 00:55:04,559

another whole story and grand Cameron I

1292

00:55:09,319 --> 00:55:07,230

your primary grant up in Canada mm-hmm

1293

00:55:12,739 --> 00:55:09,329

okay well grant you know is a very good

1294

00:55:14,599 --> 00:55:12,749

investigator and on his website you can

1295

00:55:16,999 --> 00:55:14,609

find his whole investigation into the

1296

00:55:18,289 --> 00:55:17,009

Kecksburg incident and I don't have it

1297

00:55:22,039 --> 00:55:18,299

all right in front of me now it's been a

1298

00:55:24,589 --> 00:55:22,049

while so I looked at it but he based on

1299

00:55:29,450 --> 00:55:24,599

research that I did on the case and

1300

00:55:32,269 --> 00:55:29,460

Leslie octane and others he went to now

1301

00:55:35,329 --> 00:55:32,279

his expertise is he would go to the

1302

00:55:36,769 --> 00:55:35,339

libraries of US presidents to see if

1303

00:55:39,950 --> 00:55:36,779

there's any documents that would

1304

00:55:43,130 --> 00:55:39,960

associate the president with UFO cases

1305

00:55:46,160 --> 00:55:43,140

during their time period so he went to

1306

00:55:48,799 --> 00:55:46,170

the Lyndon Johnson library and found

1307

00:55:52,009 --> 00:55:48,809

something very fascinating and I've seen

1308

00:55:54,410 --> 00:55:52,019

the documents and it was what happened

1309

00:55:57,259 --> 00:55:54,420

the next morning at the Lyndon Johnson

1310

00:56:00,259 --> 00:55:57,269

ranch after the Kecksburg incident and

1311

00:56:03,819 --> 00:56:00,269

from memory who was there the next

1312

00:56:08,799 --> 00:56:03,829

morning all the Joint Chiefs of Staff

1313

00:56:12,650 --> 00:56:08,809

the director of NASA his science adviser

1314

00:56:14,779 --> 00:56:12,660

the governor of Pennsylvania and I blues

1315

00:56:16,940 --> 00:56:14,789

a couple days later he met with what was

1316

00:56:19,549 --> 00:56:16,950

the director of what was in the probe

1317

00:56:22,849 --> 00:56:19,559

the person who was in charge the agency

1318

00:56:25,850 --> 00:56:22,859

that I blew was precursor to the civil

1319

00:56:28,790 --> 00:56:25,860

defense so there were a lot of

1320

00:56:30,590 --> 00:56:28,800

players that would have been involved in

1321

00:56:32,300 --> 00:56:30,600

the situation like an S coincidentally

1322

00:56:34,220 --> 00:56:32,310

at the ranch the next morning but you

1323

00:56:35,750 --> 00:56:34,230

can go back and get all the details up

1324

00:56:37,700 --> 00:56:35,760

on his website

1325

00:56:38,510 --> 00:56:37,710

who's the government back it was a

1326

00:56:40,910 --> 00:56:38,520

Scranton

1327

00:56:45,410 --> 00:56:40,920

I believe that's who it was I believe

1328

00:56:47,630 --> 00:56:45,420

that too it was yeah mmm interesting yep

1329

00:56:48,920 --> 00:56:47,640

yeah I always wondered that I had I

1330

00:56:54,110 --> 00:56:48,930

wanted to ask you that once before

1331

00:56:55,310 --> 00:56:54,120

because you would think the you would

1332

00:56:58,690 --> 00:56:55,320

definitely think the government been

1333

00:57:03,710 --> 00:56:58,700

involved somehow but I just wasn't sure

1334

00:57:05,600 --> 00:57:03,720

interesting well Stan okay we're gonna

1335

00:57:09,650 --> 00:57:05,610

have to probably do a whole show on that

1336

00:57:12,610 --> 00:57:09,660

one day because what I'm gonna do is I'm

1337

00:57:15,950 --> 00:57:12,620

gonna dig into everything I've got and

1338

00:57:17,570 --> 00:57:15,960

try to pull some things out so I can ask

1339

00:57:19,670 --> 00:57:17,580

you about because I'd be quite frank

1340

00:57:23,030 --> 00:57:19,680

with you I've heard so many bits and

1341

00:57:24,800 --> 00:57:23,040

pieces over the years it's kind of hard

1342

00:57:29,000 --> 00:57:24,810

to quarterly at any of it to be honest

1343

00:57:32,870 --> 00:57:29,010

with you yeah yes there's so much to it

1344

00:57:35,270 --> 00:57:32,880

and like I said there's somebody we

1345

00:57:37,300 --> 00:57:35,280

learned a lot about it but there's no

1346

00:57:39,590 --> 00:57:37,310

many unanswered questions and

1347

00:57:40,940 --> 00:57:39,600

unfortunately we may never know the

1348

00:57:41,290 --> 00:57:40,950

entire truth about what happened out

1349

00:57:46,190 --> 00:57:41,300

there

1350

00:57:48,850 --> 00:57:46,200

yeah well stand where did you tell us

1351

00:57:50,990 --> 00:57:48,860

about what you got coming up and

1352

00:57:52,460 --> 00:57:51,000

anything else that you want to tell us

1353

00:57:55,370 --> 00:57:52,470

about and how people can get a hold of

1354

00:57:57,710 --> 00:57:55,380

you yeah well they can reach me go to my

1355

00:58:00,890 --> 00:57:57,720

website which is Stan Gordon dot info

1356

00:58:03,770 --> 00:58:00,900

INF oh and there's a phone number and

1357

00:58:05,390 --> 00:58:03,780

email information on there they can keep

1358

00:58:08,180 --> 00:58:05,400

checking the website for a lot of the

1359

00:58:10,010 --> 00:58:08,190

events still coming up this year and a

1360

00:58:13,280 --> 00:58:10,020

lot of citing is that I keep updating it

1361

00:58:15,350 --> 00:58:13,290

but I've been very busy all year doing a

1362

00:58:17,780 --> 00:58:15,360

lot of different lectures different

1363

00:58:20,150 --> 00:58:17,790

places and actually next Friday

1364

00:58:22,100 --> 00:58:20,160

September 6th I'll be speaking at the

1365

00:58:24,830 --> 00:58:22,110

Grand Theatre and Elizabeth PA down on

1366

00:58:27,500 --> 00:58:24,840

the Mon Valley and September the 8th

1367

00:58:29,360 --> 00:58:27,510

I'll be at the Apollo Historical Society

1368

00:58:31,130 --> 00:58:29,370

so you're right there in the Armstrong

1369

00:58:34,550 --> 00:58:31,140

County area talking about all these

1370

00:58:35,549 --> 00:58:34,560

subjects and then there's a very large

1371

00:58:37,890 --> 00:58:35,559

new parent

1372

00:58:39,719 --> 00:58:37,900

only event scheduled for November 9th

1373

00:58:41,429 --> 00:58:39,729

and 10th this year it's the first

1374

00:58:43,410 --> 00:58:41,439

western Pennsylvania conference on the

1375

00:58:45,959 --> 00:58:43,420

unexplained at the Ramada Inn in

1376

00:58:48,120 --> 00:58:45,969

Greensburg there'll be local and

1377

00:58:50,429 --> 00:58:48,130

national speakers Nick Redford is coming

1378

00:58:52,469 --> 00:58:50,439

in I think the mountain monster guys are

1379

00:58:54,779 --> 00:58:52,479

coming I'll be speaking there but it'll

1380

00:58:56,549 --> 00:58:54,789

be a fascinating Saturday and Sunday and

1381

00:58:58,890 --> 00:58:56,559

there's information on my website about

1382

00:59:00,329 --> 00:58:58,900

it now and as many other events being

1383

00:59:02,699 --> 00:59:00,339

planned for this year next year already

1384

00:59:05,099 --> 00:59:02,709

there's a huge public interest in these

1385

00:59:08,549 --> 00:59:05,109

topics oh absolutely

1386

00:59:12,150 --> 00:59:08,559

there definitely is well Stan thanks

1387

00:59:14,999 --> 00:59:12,160

again for coming on and I'll be talking

1388

00:59:16,349 --> 00:59:15,009

to you very soon quite sure all right

1389

00:59:17,999 --> 00:59:16,359

one have a good evening thanks for

1390

00:59:22,529 --> 00:59:18,009

having me back on the program you take

1391

00:59:24,299 --> 00:59:22,539

care now right good night now if you

1392

00:59:25,829 --> 00:59:24,309

have an unexplained encounter sighting

1393

00:59:28,739 --> 00:59:25,839

feel free to contact me through the

1394

00:59:30,929 --> 00:59:28,749

phantoms of monsters blog site my recent

1395

00:59:33,569 --> 00:59:30,939

book alien disclosure experiences

1396

00:59:36,179 --> 00:59:33,579

exposed reality is available on

1397

00:59:36,959 --> 00:59:36,189

amazon.com just search my name long

1398

00:59:40,380 --> 00:59:36,969

Strickler

1399

00:59:42,329 --> 00:59:40,390

and all the titles will appear I want to

1400

00:59:45,179 --> 00:59:42,339

again thanks Stan Gordon for joining me

1401

00:59:47,729 --> 00:59:45,189

this evening and I want to thank you for

1402

00:59:57,160 --> 00:59:47,739

listening to the show good night and

1403

00:59:57,170 --> 01:00:11,270

[Music]
