7
00:00:37,350 --> 00:00:34,530

mothman of Newton Abbot my adventure

8
00:00:39,600 --> 00:00:37,360

into the unknown began back in 1990 I

9
00:00:41,700 --> 00:00:39,610

remember it was very hot that year in

10
00:00:44,790 --> 00:00:41,710

Devon and the heatwave lasted for weeks

11
00:00:46,890 --> 00:00:44,800

I think it was August I'm not sure of

12
00:00:48,840 --> 00:00:46,900

the exact date but I do remember there

13
00:00:50,070 --> 00:00:48,850

being a hosepipe ban in Devon and other

14

00:00:52,410 --> 00:00:50,080

parts of the country

15

00:00:55,350 --> 00:00:52,420

I remember the grass being dry just like

16

00:00:57,240 --> 00:00:55,360

straw I will never forget it I was

17

00:00:59,100 --> 00:00:57,250

standing in the back garden of my old

18

00:01:00,900 --> 00:00:59,110

house when I just happened to look up

19

00:01:03,270 --> 00:01:00,910

and see something black far off in the

20

00:01:05,009 --> 00:01:03,280

distance whatever it was it appeared to

21

00:01:07,140 --> 00:01:05,019

be descending from the sky gliding

22

00:01:09,420 --> 00:01:07,150

through the air at great speed it was

23

00:01:11,340 --> 00:01:09,430

heading in my direction and I was having

24

00:01:14,070 --> 00:01:11,350

real trouble identifying what it could

25

00:01:15,750 --> 00:01:14,080

be it was too large to be a bird and it

26

00:01:18,300 --> 00:01:15,760

looked like it was the size of a large

27

00:01:20,880 --> 00:01:18,310

man I was very perplexed as it got

28

00:01:22,830 --> 00:01:20,890

closer I thought it was a skydiver this

29

00:01:25,530 --> 00:01:22,840

is where my life changed forever

30

00:01:27,540 --> 00:01:25,540

the creature unfolded its large bat-like

31

00:01:28,560 --> 00:01:27,550

wings and began to flap them with

32

00:01:30,690 --> 00:01:28,570

tremendous force

33

00:01:32,580 --> 00:01:30,700

I could hear a whooshing sound as the

34

00:01:34,890 --> 00:01:32,590

wings of the Mothman type creature made

35

00:01:37,020 --> 00:01:34,900

contact with the air I was holding the

36

00:01:38,580 --> 00:01:37,030

glass of coca-cola in my right hand and

37

00:01:41,400 --> 00:01:38,590

which shocked I dropped it on the ground

38

00:01:44,250 --> 00:01:41,410

I was so scared I did not know what to

39

00:01:46,710 --> 00:01:44,260

do I just stood there gazing intently at

40

00:01:48,750 --> 00:01:46,720

the creature time seemed to slow down as

41

00:01:50,760 --> 00:01:48,760

the Mothman flew right over me casting a

42

00:01:53,070 --> 00:01:50,770

large black shadow on the ground around

43

00:01:55,320 --> 00:01:53,080

me I got a really good look at the

44

00:01:57,450 --> 00:01:55,330

creature there was no visible head on

45

00:01:59,640 --> 00:01:57,460

its body and on its chest there were two

46

00:02:01,980 --> 00:01:59,650

large round glowing red lights which I

47

00:02:03,540 --> 00:02:01,990

fought were probably its eyes I could

48

00:02:05,700 --> 00:02:03,550

see the veins in the wings of the

49

00:02:08,160 --> 00:02:05,710

creature that is how low it had been

50

00:02:10,410 --> 00:02:08,170

over my head its body was black all over

51
00:02:12,300 --> 00:02:10,420
and it looked like it was wearing some

52
00:02:14,070 --> 00:02:12,310
type of tightly fitted all-in-one

53
00:02:16,500 --> 00:02:14,080
clothing that has the appearance of

54
00:02:19,229 --> 00:02:16,510
spandex which had seams that ran down

55
00:02:20,910 --> 00:02:19,239
both side of the legs what really caught

56
00:02:23,160 --> 00:02:20,920
my eyes were the boots that it was

57
00:02:25,380 --> 00:02:23,170
wearing they were heavy looking well

58
00:02:27,750 --> 00:02:25,390
made and had extra thick treads on them

59
00:02:29,550 --> 00:02:27,760
the boots had protruding downward facing

60
00:02:31,740 --> 00:02:29,560
triangles that were running down the

61
00:02:33,630 --> 00:02:31,750
sides of each boot this Mothman

62
00:02:35,910 --> 00:02:33,640
creatures sure was very strange-looking

63
00:02:38,250 --> 00:02:35,920

I have never seen anything like it

64

00:02:40,649 --> 00:02:38,260

before the Mothman creature flew off

65

00:02:42,660 --> 00:02:40,659

directly over Newton Abbot town center

66

00:02:44,820 --> 00:02:42,670

and off towards a wooded area were

67

00:02:47,100 --> 00:02:44,830

then lost sight of it I was left

68

00:02:50,280 --> 00:02:47,110

standing shocked shaking and paralyzed

69

00:02:51,809 --> 00:02:50,290

by fear what had I just witnessed after

70

00:02:53,699 --> 00:02:51,819

this Mothman incident I have been

71

00:02:56,040 --> 00:02:53,709

encountering UFOs and other strange

72

00:02:58,170 --> 00:02:56,050

phenomena on a daily basis I have

73

00:03:00,270 --> 00:02:58,180

witnessed things that should not exist I

74

00:03:02,880 --> 00:03:00,280

have photographed many different types

75

00:03:05,010 --> 00:03:02,890

of UEFA's all across Devon I have even

76

00:03:07,199 --> 00:03:05,020

photographed us are centering and

77

00:03:09,509 --> 00:03:07,209

leaving the sea off the English coast in

78

00:03:11,330 --> 00:03:09,519

previous reports I have wrongly stated

79

00:03:14,520 --> 00:03:11,340

that this Mothman incident took place in

80

00:03:16,740 --> 00:03:14,530

1993 but I now know I was mistaken I

81

00:03:18,630 --> 00:03:16,750

found some polaroid photos that I

82

00:03:21,360 --> 00:03:18,640

remember taking days after this incident

83

00:03:21,990 --> 00:03:21,370

and they have August 1990 written on the

84

00:03:24,030 --> 00:03:22,000

back of them

85

00:03:26,910 --> 00:03:24,040

I now know this incident took place in

86

00:03:28,860 --> 00:03:26,920

August of 1990 and I only wish I know

87

00:03:36,670 --> 00:03:28,870

the date all the best

88

00:03:41,660 --> 00:03:39,170

mothman witness believes sighting was a

89

00:03:44,660 --> 00:03:41,670

warning before 1990 Plainfield Illinois

90

00:03:47,120 --> 00:03:44,670

tornado my mothman experience happened

91

00:03:49,640 --> 00:03:47,130

in 1990 before I even heard of the thing

92

00:03:51,860 --> 00:03:49,650

long after I watched the movie the

93

00:03:53,300 --> 00:03:51,870

Mothman Prophecies and decided to buy

94

00:03:53,960 --> 00:03:53,310

the book to learn more about this

95

00:03:56,900 --> 00:03:53,970

Mothman

96

00:03:59,120 --> 00:03:56,910

I completely forgot all about my 1990

97

00:04:00,920 --> 00:03:59,130

experience then all of a sudden I

98

00:04:03,470 --> 00:04:00,930

remembered what I simply put out of my

99

00:04:06,110 --> 00:04:03,480

head long ago I had fallen asleep at my

100

00:04:08,750 --> 00:04:06,120

friend's house at 3:00 a.m. I woke and

101
00:04:11,420 --> 00:04:08,760
decided to drive home it was August and

102
00:04:13,340 --> 00:04:11,430
extremely hot outside as I got to the

103
00:04:15,800 --> 00:04:13,350
end of the street I stopped at the stop

104
00:04:17,990 --> 00:04:15,810
sign I got this really strange feeling

105
00:04:20,990 --> 00:04:18,000
my hair was sticking up on my neck

106
00:04:22,940 --> 00:04:21,000
nevertheless I'm thinking this can't be

107
00:04:25,580 --> 00:04:22,950
good I looked and there was what looked

108
00:04:27,770 --> 00:04:25,590
like a man walking down the sidewalk not

109
00:04:29,540 --> 00:04:27,780
unheard of but he stood nearly seven

110
00:04:31,790 --> 00:04:29,550
feet tall as I saw this man in the

111
00:04:34,130 --> 00:04:31,800
streetlights clearly now being that it

112
00:04:36,320 --> 00:04:34,140
was nearly 90 degrees out he had a very

113
00:04:39,200 --> 00:04:36,330

long trench leather jacket on and a

114

00:04:41,150 --> 00:04:39,210

cowboy hat now already it's way too hot

115

00:04:43,070 --> 00:04:41,160

for that outfit getting more of a

116

00:04:45,700 --> 00:04:43,080

fight-or-flight feeling I watched as he

117

00:04:48,290 --> 00:04:45,710

kept his head down I saw no face

118

00:04:50,900 --> 00:04:48,300

suddenly it turned and started to rush

119

00:04:53,030 --> 00:04:50,910

at me in my car so I hit reverse and

120

00:04:55,550 --> 00:04:53,040

backed up super fast just hoping it

121

00:04:58,610 --> 00:04:55,560

wasn't really going come after me I say

122

00:05:01,160 --> 00:04:58,620

it due to the fact I am now 99.9 percent

123

00:05:03,620 --> 00:05:01,170

sure that's not human so I put my car

124

00:05:05,240 --> 00:05:03,630

into drive and hit the pedal I hit that

125

00:05:08,060 --> 00:05:05,250

thing and it flew over the hood and the

126
00:05:10,610 --> 00:05:08,070
top of my car I went drove 90 miles per

127
00:05:13,040 --> 00:05:10,620
hour all the way home I figured if it

128
00:05:15,740 --> 00:05:13,050
was 1% human I'd see a hit-and-run

129
00:05:17,810 --> 00:05:15,750
report on the news but nothing later

130
00:05:19,970 --> 00:05:17,820
within the next week without any warning

131
00:05:23,480 --> 00:05:19,980
Plainfield had the worst tornado in its

132
00:05:25,760 --> 00:05:23,490
history an f5 tornado people died in the

133
00:05:29,390 --> 00:05:25,770
was town destroyed absolute major

134
00:05:32,030 --> 00:05:29,400
disaster the August 28th 1990 Plainfield

135
00:05:33,890 --> 00:05:32,040
tornado so was it there to warn that

136
00:05:36,170 --> 00:05:33,900
something awful was about to happen I

137
00:05:41,480 --> 00:05:36,180
know there were many UFO sightings right

138
00:05:43,190 --> 00:05:41,490

before also Newfoundland human this

139

00:05:45,910 --> 00:05:43,200

occurred before I ever heard of this

140

00:05:50,070 --> 00:05:45,920

Mothman ad

141

00:05:55,150 --> 00:05:52,270

new sighting near Huntington West

142

00:05:58,089 --> 00:05:55,160

Virginia I am divorced and have two boys

143

00:06:00,249 --> 00:05:58,099

15 and 12 years old both of my sons were

144

00:06:02,559 --> 00:06:00,259

with me at the time of the incident we

145

00:06:04,629 --> 00:06:02,569

live in Huntington West Virginia moved

146

00:06:07,540 --> 00:06:04,639

here in 2009 from Milwaukee Wisconsin

147

00:06:09,730 --> 00:06:07,550

because of my job on March 2nd

148

00:06:10,540 --> 00:06:09,740

we were traveling south on route to Ohio

149

00:06:12,460 --> 00:06:10,550

River Road

150

00:06:15,820 --> 00:06:12,470

just outside of Huntington near Cox

151
00:06:17,230 --> 00:06:15,830
Landing Road it was around 8:30 p.m. we

152
00:06:19,839 --> 00:06:17,240
were on our way back home after visiting

153
00:06:21,640 --> 00:06:19,849
a co-worker about a mile past the

154
00:06:24,159 --> 00:06:21,650
intersection I noticed something flying

155
00:06:26,140 --> 00:06:24,169
from behind a house on the right side it

156
00:06:27,610 --> 00:06:26,150
was hard to make out at first but as it

157
00:06:29,980 --> 00:06:27,620
came towards the road it looked like a

158
00:06:31,300 --> 00:06:29,990
huge butterfly even though it was dark

159
00:06:32,950 --> 00:06:31,310
the light from the side of the house

160
00:06:35,529 --> 00:06:32,960
illuminated it enough that I could make

161
00:06:37,540 --> 00:06:35,539
out a shape I sped up to avoid coming in

162
00:06:39,400 --> 00:06:37,550
contact with this thing but as I did it

163
00:06:41,379 --> 00:06:39,410

circled around and flew just ahead of us

164

00:06:42,820 --> 00:06:41,389

on our right side the wings were

165

00:06:45,279 --> 00:06:42,830

enormous and broad like that of a

166

00:06:47,469 --> 00:06:45,289

butterfly it was strange because I never

167

00:06:49,990 --> 00:06:47,479

saw a flap the wings almost like it was

168

00:06:52,270 --> 00:06:50,000

gliding my boys were now aware of it and

169

00:06:54,279 --> 00:06:52,280

were terrified I didn't want to stop the

170

00:06:56,890 --> 00:06:54,289

car so I decided to speed up some more

171

00:06:59,050 --> 00:06:56,900

after about 20 seconds it suddenly shot

172

00:07:00,610 --> 00:06:59,060

up into the air and disappeared one

173

00:07:02,379 --> 00:07:00,620

thing I want to mention is that we were

174

00:07:04,330 --> 00:07:02,389

under severe storm and flash flood

175

00:07:06,490 --> 00:07:04,340

warnings that evening there were some

176

00:07:08,379 --> 00:07:06,500

high wind gusts and hail there had been

177

00:07:10,450 --> 00:07:08,389

several tornadoes southwest of us in

178

00:07:12,700 --> 00:07:10,460

Kentucky when we got home we talked

179

00:07:14,409 --> 00:07:12,710

about it my oldest boy said it looked

180

00:07:17,170 --> 00:07:14,419

like a person dressed in a black shiny

181

00:07:18,850 --> 00:07:17,180

suit he didn't see legs or feet but said

182

00:07:21,189 --> 00:07:18,860

the body shape looked like a tall thin

183

00:07:23,170 --> 00:07:21,199

man my youngest boy said he didn't get a

184

00:07:25,659 --> 00:07:23,180

very good look but felt like something

185

00:07:27,939 --> 00:07:25,669

bad was going to happen my description

186

00:07:30,219 --> 00:07:27,949

is very similar to my oldest son's but

187

00:07:31,899 --> 00:07:30,229

the wings were massive and broad I'd say

188

00:07:34,120 --> 00:07:31,909

the wings may have been over twice the

189

00:07:35,740 --> 00:07:34,130

size of the body the entire thing was

190

00:07:38,140 --> 00:07:35,750

dark-colored but there was a faint

191

00:07:40,540 --> 00:07:38,150

orange glow from the head area I never

192

00:07:42,520 --> 00:07:40,550

noticed a face or other features last

193

00:07:44,589 --> 00:07:42,530

week I was talking to a friend and told

194

00:07:46,270 --> 00:07:44,599

her about the incident she found your

195

00:07:48,159 --> 00:07:46,280

name and contact information and

196

00:07:49,839 --> 00:07:48,169

forwarded it to me she mentioned

197

00:07:51,969 --> 00:07:49,849

something about Mothman sightings in

198

00:07:54,249 --> 00:07:51,979

this area and I read some of the stories

199

00:07:56,560 --> 00:07:54,259

I'm not sure if this is the same thing

200

00:07:58,750 --> 00:07:56,570

but it does fit the description there

201
00:08:00,730 --> 00:07:58,760
were a few drawings on Google some are

202
00:08:02,769 --> 00:08:00,740
close to what I saw but don't generally

203
00:08:03,430 --> 00:08:02,779
match the wing size if you have

204
00:08:05,710 --> 00:08:03,440
questions

205
00:08:07,240 --> 00:08:05,720
please use my email and more curious of

206
00:08:09,190 --> 00:08:07,250
what I saw and anything else you can

207
00:08:11,200 --> 00:08:09,200
offer I don't want to believe the

208
00:08:13,600 --> 00:08:11,210
mothman's stories but maybe you have an

209
00:08:19,980 --> 00:08:13,610
explanation thank you for your time and

210
00:08:24,490 --> 00:08:23,170
Czech Republic flying humanoid I live in

211
00:08:27,040 --> 00:08:24,500
a town north of Prague in the Czech

212
00:08:29,830 --> 00:08:27,050
Republic my family and I have lived here

213
00:08:31,840 --> 00:08:29,840

for many generations my homeland is full

214

00:08:34,300 --> 00:08:31,850

of stories about legends myths and

215

00:08:36,219 --> 00:08:34,310

ghosts I had never taken these legends

216

00:08:38,260 --> 00:08:36,229

seriously until I had an encounter with

217

00:08:40,240 --> 00:08:38,270

this unknown thing I looked on the

218

00:08:42,610 --> 00:08:40,250

internet and most of what I found led me

219

00:08:44,890 --> 00:08:42,620

to your site phantoms and monsters my

220

00:08:46,930 --> 00:08:44,900

home is near the Vltava River I can look

221

00:08:49,180 --> 00:08:46,940

out from my second floor and observe the

222

00:08:50,950 --> 00:08:49,190

entire waterway the time was close to

223

00:08:53,410 --> 00:08:50,960

10:00 p.m. and I was sitting on the

224

00:08:55,180 --> 00:08:53,420

terrace on the second floor I noticed a

225

00:08:57,490 --> 00:08:55,190

red light floating over the river it

226

00:08:59,350 --> 00:08:57,500

continued for several minutes I have

227

00:09:01,210 --> 00:08:59,360

seen many white and yellow Warp UFOs

228

00:09:01,720 --> 00:09:01,220

over the river at night but this was

229

00:09:03,760 --> 00:09:01,730

different

230

00:09:05,320 --> 00:09:03,770

I then observed the red light moved

231

00:09:07,690 --> 00:09:05,330

towards the riverbank in my direction

232

00:09:09,880 --> 00:09:07,700

the light was gaining altitude and

233

00:09:11,800 --> 00:09:09,890

moving towards me when the light started

234

00:09:13,630 --> 00:09:11,810

to pass over me I could tell from the

235

00:09:15,970 --> 00:09:13,640

moonlit sky that it was a large bird

236

00:09:18,160 --> 00:09:15,980

with huge wings the entire front of the

237

00:09:20,770 --> 00:09:18,170

spirit was glowing bright red there was

238

00:09:22,540 --> 00:09:20,780

no sound as I watched it started to

239

00:09:24,520 --> 00:09:22,550

circle above me without flapping the

240

00:09:26,650 --> 00:09:24,530

wings and was descending towards me

241

00:09:28,720 --> 00:09:26,660

it slowly flew lower until it finally

242

00:09:30,790 --> 00:09:28,730

landed on the roadway beside my house

243

00:09:32,620 --> 00:09:30,800

about 60 meters from me

244

00:09:34,180 --> 00:09:32,630

the street lamp illuminated the bird

245

00:09:34,840 --> 00:09:34,190

enough to where I got a very good look

246

00:09:37,270 --> 00:09:34,850

at it

247

00:09:39,490 --> 00:09:37,280

I can only describe it as a human bird I

248

00:09:41,710 --> 00:09:39,500

read your stories about the Mothman and

249

00:09:44,530 --> 00:09:41,720

these match closely one difference is

250

00:09:46,900 --> 00:09:44,540

the size this human bird was very tall I

251
00:09:48,970 --> 00:09:46,910
would say four meters the head was very

252
00:09:51,400 --> 00:09:48,980
large and red light glowed all around

253
00:09:53,740 --> 00:09:51,410
the circumference it had long legs in

254
00:09:55,840 --> 00:09:53,750
the torso like a man it didn't walk but

255
00:09:57,520 --> 00:09:55,850
hop like a bird the wings were shaped

256
00:09:59,590 --> 00:09:57,530
like those of a flying fox

257
00:10:01,810 --> 00:09:59,600
I watched it hop along the road for

258
00:10:04,420 --> 00:10:01,820
several minutes then it disappeared just

259
00:10:06,820 --> 00:10:04,430
vanished this incident took place in

260
00:10:08,890 --> 00:10:06,830
June 2013 I have not heard of other

261
00:10:10,720 --> 00:10:08,900
people seeing this human bird though I'd

262
00:10:13,390 --> 00:10:10,730
be surprised if any of the local people

263
00:10:21,600 --> 00:10:13,400

would mention such an experience I now

264

00:10:27,490 --> 00:10:24,460

humanoid owls seen by two witnesses in

265

00:10:29,410 --> 00:10:27,500

Hoffman Estates Illinois hello I am

266

00:10:33,580 --> 00:10:29,420

writing to you today in regards to the

267

00:10:35,080 --> 00:10:33,590

Mothman human owl this is D G and JG we

268

00:10:37,810 --> 00:10:35,090

live at the reserve in Hoffman Estates

269

00:10:40,300 --> 00:10:37,820

in Illinois and our apartment complex is

270

00:10:42,280 --> 00:10:40,310

next to an empty cornfield and across

271

00:10:45,280 --> 00:10:42,290

from Barrington Illinois there is a

272

00:10:47,050 --> 00:10:45,290

Forest Preserve my husband and I live on

273

00:10:49,540 --> 00:10:47,060

the third floor of the complex as we

274

00:10:52,120 --> 00:10:49,550

face another building but can also see

275

00:10:54,040 --> 00:10:52,130

towards the cornfield to our right we

276

00:10:56,110 --> 00:10:54,050

also have lots of trees around our

277

00:10:58,420 --> 00:10:56,120

building almost as tall as the building

278

00:11:00,250 --> 00:10:58,430

itself we would normally go out to our

279

00:11:03,130 --> 00:11:00,260

porch every night to smoke a cigarette

280

00:11:06,280 --> 00:11:03,140

and about a month and two weeks ago late

281

00:11:08,920 --> 00:11:06,290

October 2019 we went out at about 9:00

282

00:11:11,440 --> 00:11:08,930

or 10:00 p.m. we usually leave our

283

00:11:14,170 --> 00:11:11,450

phones inside so we can enjoy some chat

284

00:11:16,150 --> 00:11:14,180

and gaze upon at the stars or even see a

285

00:11:18,460 --> 00:11:16,160

pack of coyotes roaming around the

286

00:11:20,560 --> 00:11:18,470

streets and apartments or sometimes even

287

00:11:23,230 --> 00:11:20,570

heading back into the field towards the

288

00:11:25,480 --> 00:11:23,240

forest keep in mind this field has no

289

00:11:28,120 --> 00:11:25,490

crops so it is empty and you can see

290

00:11:30,280 --> 00:11:28,130

towards the street well that specific

291

00:11:32,890 --> 00:11:30,290

night my husband was to my right and he

292

00:11:34,780 --> 00:11:32,900

is taller than me so I was talking to

293

00:11:36,850 --> 00:11:34,790

him taking a puff when I noticed

294

00:11:39,460 --> 00:11:36,860

something in the pine tree I believe it

295

00:11:41,920 --> 00:11:39,470

is pine behind him right at the top of

296

00:11:43,480 --> 00:11:41,930

the tree not in between the branches or

297

00:11:45,550 --> 00:11:43,490

nothing right at the top

298

00:11:47,590 --> 00:11:45,560

he noticed I wasn't paying attention so

299

00:11:49,690 --> 00:11:47,600

he turned around to look and sure enough

300

00:11:51,550 --> 00:11:49,700

there was what we thought was a huge owl

301
00:11:54,310 --> 00:11:51,560
looking out towards the field then

302
00:11:57,070 --> 00:11:54,320
looking back around so after a couple of

303
00:11:58,240 --> 00:11:57,080
seconds maybe thirty seconds we started

304
00:12:01,390 --> 00:11:58,250
to question each other

305
00:12:03,640 --> 00:12:01,400
what is that is that an owl this thing

306
00:12:05,740 --> 00:12:03,650
was pitch black but its wings and shape

307
00:12:07,630 --> 00:12:05,750
were huge as you can see that from the

308
00:12:10,510 --> 00:12:07,640
reflection of the sky which was lighter

309
00:12:12,450 --> 00:12:10,520
I recall continuing to smoke as we tried

310
00:12:15,550 --> 00:12:12,460
to examine this creature looking around

311
00:12:18,280 --> 00:12:15,560
once we had noticed it I don't recall it

312
00:12:20,770 --> 00:12:18,290
ever looking at us we were already a few

313
00:12:22,870 --> 00:12:20,780

minutes outside before I noticed it so

314

00:12:25,720 --> 00:12:22,880

I'm not sure if he ever looked down at

315

00:12:28,630 --> 00:12:25,730

us I was more focused on the body shape

316

00:12:31,390 --> 00:12:28,640

though I could see huge long black wings

317

00:12:33,940 --> 00:12:31,400

we couldn't really see any details as it

318

00:12:35,860 --> 00:12:33,950

was super dark my husband was

319

00:12:37,750 --> 00:12:35,870

trying to get closer to the edge to get

320

00:12:39,910 --> 00:12:37,760

a good look at it but we could really

321

00:12:43,150 --> 00:12:39,920

just see the long wings in huge shape

322

00:12:45,880 --> 00:12:43,160

well after a while we said yeah it might

323

00:12:48,730 --> 00:12:45,890

just be an owl a pretty big one for sure

324

00:12:49,770 --> 00:12:48,740

we came inside our complex which is the

325

00:12:51,970 --> 00:12:49,780

roof of the building

326

00:12:53,980 --> 00:12:51,980

normally at night we could hear the

327

00:12:56,650 --> 00:12:53,990

animals climbing on the rails and roof

328

00:12:58,510 --> 00:12:56,660

but our roommate whose room is next to

329

00:13:00,700 --> 00:12:58,520

the porch states he always hears

330

00:13:03,190 --> 00:13:00,710

something walking at night by his window

331

00:13:06,010 --> 00:13:03,200

or above it I'm not sure if it's that

332

00:13:08,740 --> 00:13:06,020

creature the tree is right next to us so

333

00:13:10,210 --> 00:13:08,750

he can easily climb onto the building we

334

00:13:12,190 --> 00:13:10,220

thought nothing of it until we read the

335

00:13:13,990 --> 00:13:12,200

article about a semi-truck driver who

336

00:13:17,050 --> 00:13:14,000

spotted something similar at O'Hare

337

00:13:18,940 --> 00:13:17,060

Airport which is not far from here once

338

00:13:21,940 --> 00:13:18,950

we saw that we just stared at each other

339

00:13:23,800 --> 00:13:21,950

because we recall what we saw so we now

340

00:13:24,700 --> 00:13:23,810

know we weren't seeing things like this

341

00:13:26,980 --> 00:13:24,710

was legit

342

00:13:29,470 --> 00:13:26,990

we sometimes step out for a moment to

343

00:13:32,260 --> 00:13:29,480

see if we find it again but so far it's

344

00:13:35,620 --> 00:13:32,270

been gone that's her story about seeing

345

00:13:37,660 --> 00:13:35,630

this unknown flying human owl feel free

346

00:13:44,400 --> 00:13:37,670

to email me back with any questions

347

00:13:49,960 --> 00:13:47,650
