7
00:00:36,160 --> 00:00:34,240

below the superstition mountains I have

8
00:00:38,170 --> 00:00:36,170

heard of and seen reptoid beings in the

9
00:00:40,750 --> 00:00:38,180

area five miles east of Phoenix Arizona

10
00:00:42,730 --> 00:00:40,760

the Superstition Mountains have been an

11
00:00:44,620 --> 00:00:42,740

area of encounters and is said to have

12
00:00:46,870 --> 00:00:44,630

both an alien base and laboratories

13
00:00:48,760 --> 00:00:46,880

under it the military also have an

14

00:00:51,370 --> 00:00:48,770

underground base there and interact on

15

00:00:53,290 --> 00:00:51,380

experiments with the aliens about 20

16

00:00:55,150 --> 00:00:53,300

years ago I encountered an individual

17

00:00:57,280 --> 00:00:55,160

that spent time exploring some of the

18

00:00:59,710 --> 00:00:57,290

old mines in the area he had vanished

19

00:01:01,540 --> 00:00:59,720

for months before I ran into him again I

20

00:01:04,630 --> 00:01:01,550

asked him where he had been all this

21

00:01:06,280 --> 00:01:04,640

time here is his story he spotted a mine

22

00:01:08,469 --> 00:01:06,290

entrance on the west side of the main

23

00:01:10,630 --> 00:01:08,479

mountainside he said that the mine

24

00:01:12,820 --> 00:01:10,640

looked to be in good shape so he started

25

00:01:14,530 --> 00:01:12,830

walking in the shaft he had gone about a

26
00:01:16,990 --> 00:01:14,540
half mile and when he saw a sign that

27
00:01:18,999 --> 00:01:17,000
said no entrance beyond this point the

28
00:01:21,760 --> 00:01:19,009
mine shaft was still in good shape

29
00:01:23,230 --> 00:01:21,770
so he went in a 100 yards he told me

30
00:01:25,810 --> 00:01:23,240
that people seemed to come out of the

31
00:01:27,370 --> 00:01:25,820
walls of the shaft men in black uniforms

32
00:01:29,920 --> 00:01:27,380
questioned him and then took him to a

33
00:01:32,050 --> 00:01:29,930
holding area in Mesa Arizona for 72

34
00:01:33,969 --> 00:01:32,060
hours they questioned him again and

35
00:01:36,280 --> 00:01:33,979
found out that his home was in Colorado

36
00:01:38,440 --> 00:01:36,290
they gave him a plane ticket to Denver

37
00:01:40,750 --> 00:01:38,450
Colorado and told him never to come back

38
00:01:42,969 --> 00:01:40,760

to the Phoenix area he asked me not to

39

00:01:44,740 --> 00:01:42,979

tell anyone that I had seen him he

40

00:01:46,960 --> 00:01:44,750

wanted to pick up personal items that

41

00:01:49,090 --> 00:01:46,970

got left behind I have never seen him

42

00:01:50,830 --> 00:01:49,100

after that there are other stories of

43

00:01:52,990 --> 00:01:50,840

treasure hunters going into old mine

44

00:01:55,120 --> 00:01:53,000

shafts and finding holographic walls in

45

00:01:57,010 --> 00:01:55,130

the shaft they did not try to enter the

46

00:01:58,840 --> 00:01:57,020

area behind the wall as they feared that

47

00:02:01,210 --> 00:01:58,850

they may not be able to get back out

48

00:02:02,800 --> 00:02:01,220

they told me that they took a round rock

49

00:02:05,109 --> 00:02:02,810

and rolled it through the screen and

50

00:02:06,370 --> 00:02:05,119

heard it roll for some distance one of

51
00:02:08,620 --> 00:02:06,380
them reached through the screen with a

52
00:02:10,600 --> 00:02:08,630
flashlight in his hand he turned the

53
00:02:12,820 --> 00:02:10,610
flashlight back toward the screen but

54
00:02:14,530 --> 00:02:12,830
could not see any light he said that he

55
00:02:16,270 --> 00:02:14,540
withdrew his arm as he had the feeling

56
00:02:17,890 --> 00:02:16,280
that something was back there and he

57
00:02:19,990 --> 00:02:17,900
didn't want it to grab his arm and

58
00:02:22,150 --> 00:02:20,000
dragged him in I asked the men to take

59
00:02:24,130 --> 00:02:22,160
me up there and show me the mine they

60
00:02:26,470 --> 00:02:24,140
all said no way they were going back in

61
00:02:27,789 --> 00:02:26,480
there we got a topo map out and they

62
00:02:29,890 --> 00:02:27,799
showed me the area that they had

63
00:02:31,810 --> 00:02:29,900

encountered the wall I did go into the

64

00:02:34,240 --> 00:02:31,820

area to search but was never able to

65

00:02:35,890 --> 00:02:34,250

find the mine this is not strange as

66

00:02:37,449 --> 00:02:35,900

other people have found opening and

67

00:02:39,640 --> 00:02:37,459

marked the entrance with a pyramid of

68

00:02:41,710 --> 00:02:39,650

large rocks and left to get lights and

69

00:02:43,690 --> 00:02:41,720

more people and equipment when they got

70

00:02:44,650 --> 00:02:43,700

back the rocks are still there as they

71

00:02:46,540 --> 00:02:44,660

had stacked them

72

00:02:48,250 --> 00:02:46,550

the entrance is gone there have been

73

00:02:50,950 --> 00:02:48,260

sighting of Reptoids about nine feet

74

00:02:52,480 --> 00:02:50,960

tall in that area as soon as they sense

75

00:02:54,820 --> 00:02:52,490

that they are being watched they vanish

76

00:02:56,770 --> 00:02:54,830

people have also seen lizard beings

77

00:02:59,380 --> 00:02:56,780

about the size of a man with bat-like

78

00:03:01,150 --> 00:02:59,390

wings and a tail they fly out to opening

79

00:03:02,740 --> 00:03:01,160

in the cliffs at Twilight and also

80

00:03:04,930 --> 00:03:02,750

vanishes since that they are being

81

00:03:06,640 --> 00:03:04,940

watched the Native Americans have seen

82

00:03:08,770 --> 00:03:06,650

these things for hundreds of years and

83

00:03:10,540 --> 00:03:08,780

have legends about them they say that

84

00:03:12,820 --> 00:03:10,550

they are shapeshifters and can make you

85

00:03:14,590 --> 00:03:12,830

see them in any form they want I found

86

00:03:17,110 --> 00:03:14,600

this out on a personal encounter with a

87

00:03:18,730 --> 00:03:17,120

Reptoid I encountered on a trail as I

88

00:03:20,440 --> 00:03:18,740

was walking up an inner trail in the

89

00:03:22,600 --> 00:03:20,450

mountains I looked up and saw a man

90

00:03:24,610 --> 00:03:22,610

coming towards me on the trail he had

91

00:03:26,290 --> 00:03:24,620

appeared out of thin air as I walked

92

00:03:28,960 --> 00:03:26,300

toward him I noticed his eyes they were

93

00:03:30,670 --> 00:03:28,970

reptoid vertical slits when he sensed

94

00:03:32,680 --> 00:03:30,680

that I knew what he was he hit me with a

95

00:03:33,700 --> 00:03:32,690

psychic blow that I can only describe as

96

00:03:36,160 --> 00:03:33,710

being hit in the head with a

97

00:03:38,680 --> 00:03:36,170

sledgehammer that stunned me and almost

98

00:03:40,870 --> 00:03:38,690

drove me to my knees as I shook this off

99

00:03:42,640 --> 00:03:40,880

I looked up and he was gone I had a

100

00:03:44,170 --> 00:03:42,650

headache for two days after that and

101
00:03:46,240 --> 00:03:44,180
think that he could have killed me if he

102
00:03:47,680 --> 00:03:46,250
wanted to this is just some of the

103
00:03:49,780 --> 00:03:47,690
strange thing that have been seen up

104
00:03:51,550 --> 00:03:49,790
there we have seen different types of

105
00:03:54,190 --> 00:03:51,560
alien craft that appeared to enter the

106
00:03:55,750 --> 00:03:54,200
main mountain orbs and UFO orbs that

107
00:03:57,460 --> 00:03:55,760
have been seen in different area for

108
00:03:59,710 --> 00:03:57,470
hundreds of years that disappear at

109
00:04:01,840 --> 00:03:59,720
different old mines wells and some just

110
00:04:02,860 --> 00:04:01,850
enter the face of the mountains I would

111
00:04:04,660 --> 00:04:02,870
love to get in touch with a

112
00:04:06,400 --> 00:04:04,670
well-equipped investigative group and

113
00:04:08,230 --> 00:04:06,410

have them check out some of the strong

114

00:04:10,210 --> 00:04:08,240

magnetic fields that may act as

115

00:04:12,370 --> 00:04:10,220

dimensional portals where some of these

116

00:04:14,080 --> 00:04:12,380

creatures come and go one day our

117

00:04:15,940 --> 00:04:14,090

government may tell us the truth on

118

00:04:17,710 --> 00:04:15,950

their involvement with alien encounters

119

00:04:24,960 --> 00:04:17,720

and tech that has been traded for their

120

00:04:28,869 --> 00:04:27,820

possible Lizardman seem in Tangipahoa

121

00:04:31,450 --> 00:04:28,879

Parish Louisiana

122

00:04:33,730 --> 00:04:31,460

I was driving north on Interstate 55

123

00:04:36,279 --> 00:04:33,740

about a half mile south of the route 10

124

00:04:39,730 --> 00:04:36,289

overpass this occurred last Wednesday

125

00:04:42,520 --> 00:04:39,740

August 10th around 11:15 p.m. this was

126
00:04:45,129 --> 00:04:42,530
as an upper Tangipahoa Parish I was on

127
00:04:46,540 --> 00:04:45,139
my way home in Jackson Mississippi about

128
00:04:48,219 --> 00:04:46,550
100 yards ahead

129
00:04:50,709 --> 00:04:48,229
I saw something crossing the highway

130
00:04:52,719 --> 00:04:50,719
from my left to right when my headlights

131
00:04:55,300 --> 00:04:52,729
lightened it up I swear I saw walking

132
00:04:57,580 --> 00:04:55,310
Lizardman it walked like a human on its

133
00:04:59,920 --> 00:04:57,590
feet and was greenish brown shiny skin

134
00:05:02,080 --> 00:04:59,930
the huge thick tail was prominent and

135
00:05:05,649 --> 00:05:02,090
reached the roadway the body was that of

136
00:05:08,230 --> 00:05:05,659
a man same arms legs and head maybe six

137
00:05:10,869 --> 00:05:08,240
feet tall it swiftly crossed the highway

138
00:05:13,390 --> 00:05:10,879

I lost track of it when I passed by I

139

00:05:15,369 --> 00:05:13,400

still can't believe what I saw I saw

140

00:05:17,439 --> 00:05:15,379

some stories you had on someone's

141

00:05:20,260 --> 00:05:17,449

website and found your telephone number

142

00:05:22,719 --> 00:05:20,270

I haven't told a soul about this thank

143

00:05:23,499 --> 00:05:22,729

you for talking to me I wish I had more

144

00:05:25,480 --> 00:05:23,509

to tell you

145

00:05:31,739 --> 00:05:25,490

but I definitely saw what I described

146

00:05:37,270 --> 00:05:34,629

the Chilean hunting party encounter I

147

00:05:39,730 --> 00:05:37,280

was between 4 and 5 years of age when I

148

00:05:41,439 --> 00:05:39,740

had my encounter my family and I were

149

00:05:43,510 --> 00:05:41,449

living in small town west end of

150

00:05:46,300 --> 00:05:43,520

Montrose County called Yerevan Colorado

151

00:05:48,040 --> 00:05:46,310

in the early morning June of 69 I was

152

00:05:50,170 --> 00:05:48,050

awakened by the barking of family dog

153

00:05:52,480 --> 00:05:50,180

named to be outside by bedroom window

154

00:05:54,129 --> 00:05:52,490

tippy never really barked unless someone

155

00:05:56,679 --> 00:05:54,139

or something was in the yard that wasn't

156

00:05:58,600 --> 00:05:56,689

supposed to be I remember waking up out

157

00:06:00,519 --> 00:05:58,610

at sleep and hearing tippy constant

158

00:06:02,649 --> 00:06:00,529

barking and wondering why older brother

159

00:06:04,240 --> 00:06:02,659

who's sleeping bunk above and my parents

160

00:06:06,939 --> 00:06:04,250

sleeping in the bedroom joining ours

161

00:06:08,800 --> 00:06:06,949

word gets held to be to be quick finally

162

00:06:10,899 --> 00:06:08,810

I had enough it and decided to turn over

163

00:06:12,969 --> 00:06:10,909

in my bed and look out the window myself

164

00:06:15,159 --> 00:06:12,979

when I did I couldn't believe what saw

165

00:06:17,170 --> 00:06:15,169

there it was a small circle ship with

166

00:06:19,600 --> 00:06:17,180

its landing gear down and hatch with

167

00:06:21,369 --> 00:06:19,610

stairs full down to the ground next to

168

00:06:23,529 --> 00:06:21,379

ship were green kinder lizard looking

169

00:06:25,179 --> 00:06:23,539

aliens their eyes were bright yellow

170

00:06:27,279 --> 00:06:25,189

into some tanks on their backs in

171

00:06:29,379 --> 00:06:27,289

another back they didn't have fingers

172

00:06:31,149 --> 00:06:29,389

but kinder web hands that look like to a

173

00:06:33,519 --> 00:06:31,159

bow and arrow dot their body were thin

174

00:06:35,740 --> 00:06:33,529

and scholly and legs also been their

175

00:06:37,659 --> 00:06:35,750

feet at v-shape toes I remember thinking

176
00:06:39,820 --> 00:06:37,669
to myself this was some kinder hunting

177
00:06:42,159 --> 00:06:39,830
party because my dad was Bo hunter

178
00:06:43,899 --> 00:06:42,169
himself and that kinder gave the idea I

179
00:06:45,550 --> 00:06:43,909
could tell the we're searching for

180
00:06:47,679 --> 00:06:45,560
something then all the sudden another

181
00:06:49,510 --> 00:06:47,689
alien came to the ship he was much

182
00:06:50,740 --> 00:06:49,520
bigger than the others and seemed to

183
00:06:53,079 --> 00:06:50,750
give the others orders

184
00:06:55,360 --> 00:06:53,089
Tippie again began her barking and the

185
00:06:57,459 --> 00:06:55,370
alien closest to her house seemed to be

186
00:06:59,350 --> 00:06:57,469
upset with her barking I could see

187
00:07:01,179 --> 00:06:59,360
looking over at tippy finally it

188
00:07:03,219 --> 00:07:01,189

appeared to had a problem with tippy

189

00:07:05,529 --> 00:07:03,229

barking and started walking over her I

190

00:07:07,480 --> 00:07:05,539

then jump of my bed and headed into my

191

00:07:09,459 --> 00:07:07,490

parents room to wake my mother up I

192

00:07:11,260 --> 00:07:09,469

remember how hard it was to wake my

193

00:07:13,420 --> 00:07:11,270

mother up and she acted like she was

194

00:07:15,700 --> 00:07:13,430

heavy drugged or something I couldn't

195

00:07:17,379 --> 00:07:15,710

get her wake up finally was able to get

196

00:07:19,329 --> 00:07:17,389

her up and told something was going on

197

00:07:21,550 --> 00:07:19,339

outside that it was going her tippy

198

00:07:23,709 --> 00:07:21,560

she's still not wake and sluggish my

199

00:07:26,200 --> 00:07:23,719

mother followed me to bed once there I

200

00:07:27,820 --> 00:07:26,210

showed what I was seeing outside I don't

201
00:07:29,980 --> 00:07:27,830
know what they did to my mom but she

202
00:07:32,320 --> 00:07:29,990
couldn't see them all she wanted to do

203
00:07:34,329 --> 00:07:32,330
is sleep finally my mother got up from

204
00:07:36,730 --> 00:07:34,339
my bed and told me crawl to other side

205
00:07:38,980 --> 00:07:36,740
my bed away from the window I did what I

206
00:07:40,629 --> 00:07:38,990
told the last thing remember before

207
00:07:42,639 --> 00:07:40,639
going to sleep was looking over in

208
00:07:43,120 --> 00:07:42,649
closet where window casted light on my

209
00:07:45,070 --> 00:07:43,130
clothes

210
00:07:47,560 --> 00:07:45,080
and saw the dark figure trying to look

211
00:07:49,390 --> 00:07:47,570
in window no other sound came from tippy

212
00:07:51,520 --> 00:07:49,400
my mother wasn't drinking or taking

213
00:07:54,070 --> 00:07:51,530

anything that would cause sedation I

214

00:07:56,680 --> 00:07:54,080

firmly they did something to family make

215

00:07:58,360 --> 00:07:56,690

sleep it just didn't work on me the

216

00:08:00,940 --> 00:07:58,370

morning the first I did was to run out

217

00:08:02,470 --> 00:08:00,950

check on tippy and pajamas oh sure

218

00:08:04,300 --> 00:08:02,480

enough she was lying in front yard

219

00:08:06,310 --> 00:08:04,310

waiting for kids to come play with her

220

00:08:12,440 --> 00:08:06,320

she acted like nothing happened the

221

00:08:17,520 --> 00:08:15,210

reptilians and shadow beings reality or

222

00:08:20,040 --> 00:08:17,530

illusion when I was 10 I contracted

223

00:08:21,750 --> 00:08:20,050

hepatitis A I was really ill like for a

224

00:08:24,120 --> 00:08:21,760

month didn't say anything to anyone

225

00:08:25,680 --> 00:08:24,130

I mean I was just a kid well it

226

00:08:28,290 --> 00:08:25,690

progressed and by the time they caught

227

00:08:30,900 --> 00:08:28,300

it I was close to death I was all yellow

228

00:08:33,090 --> 00:08:30,910

my eyes skin everything and in severe

229

00:08:35,850 --> 00:08:33,100

pain I was admitted to the hospital

230

00:08:38,130 --> 00:08:35,860

didn't have parents my sister had

231

00:08:40,440 --> 00:08:38,140

guardianship of me she like dropped me

232

00:08:42,810 --> 00:08:40,450

off and I never saw her again I was

233

00:08:45,420 --> 00:08:42,820

hospitalized for a month or more I was

234

00:08:47,550 --> 00:08:45,430

on pain meds my liver was inflamed and

235

00:08:49,440 --> 00:08:47,560

it was impossible to eat one night I

236

00:08:51,210 --> 00:08:49,450

awoke because I felt a presence at the

237

00:08:53,490 --> 00:08:51,220

foot of my hospital bed were two little

238

00:08:55,800 --> 00:08:53,500

reptilian men they were about 4 feet

239

00:08:58,590 --> 00:08:55,810

tall needless to say I jumped out of my

240

00:09:00,450 --> 00:08:58,600

hospital bed tearing out my IVs making

241

00:09:03,030 --> 00:09:00,460

the alarms going off at the nurses desk

242

00:09:05,520 --> 00:09:03,040

I crawled under my bed the nurses had to

243

00:09:07,440 --> 00:09:05,530

coax me out think of it a ten-year-old

244

00:09:09,420 --> 00:09:07,450

child awaking to see lizard-men in their

245

00:09:11,820 --> 00:09:09,430

room as fast as it occurred they were

246

00:09:14,100 --> 00:09:11,830

just gone I've not spoken of this in

247

00:09:16,260 --> 00:09:14,110

years only told two other people in my

248

00:09:19,950 --> 00:09:16,270

life there was another time in about

249

00:09:21,720 --> 00:09:19,960

2006 or 2007 my husband fell asleep on

250

00:09:24,390 --> 00:09:21,730

the couch so I left him and went

251
00:09:27,270 --> 00:09:24,400
upstairs to bed mind you my room was

252
00:09:29,670 --> 00:09:27,280
dark okay really dark I said my prayers

253
00:09:31,560 --> 00:09:29,680
went to sleep sometime during the night

254
00:09:33,780 --> 00:09:31,570
I woke to this thing sitting on top of

255
00:09:35,460 --> 00:09:33,790
me I started to wrestle with this thing

256
00:09:38,700 --> 00:09:35,470
and let me tell you it was darker than

257
00:09:40,710 --> 00:09:38,710
my room it was not sleep paralyzes I was

258
00:09:43,320 --> 00:09:40,720
awake this thing was tangible

259
00:09:44,010 --> 00:09:43,330
I could feel it all of a sudden it was

260
00:09:46,530 --> 00:09:44,020
just gone

261
00:09:48,120 --> 00:09:46,540
as the green lizard-men I jumped up and

262
00:09:50,310 --> 00:09:48,130
grabbed the cross I had hanging in my

263
00:09:52,620 --> 00:09:50,320

wall laid back down prayed and fell back

264

00:09:54,600 --> 00:09:52,630

to sleep I don't care if people believe

265

00:09:56,640 --> 00:09:54,610

these things happened in fact I've had

266

00:09:59,280 --> 00:09:56,650

lots of experiences with weird things

267

00:10:00,840 --> 00:09:59,290

I've only been scared to times the time

268

00:10:02,940 --> 00:10:00,850

the lizard-men were in my room and

269

00:10:05,010 --> 00:10:02,950

another when I awoken felt a presence in

270

00:10:07,080 --> 00:10:05,020

our home was turned facing the wall and

271

00:10:08,400 --> 00:10:07,090

in my heart I knew if I turned to look

272

00:10:10,740 --> 00:10:08,410

there was going to be something or

273

00:10:16,550 --> 00:10:10,750

someone there ignoring it I fell back

274

00:10:22,340 --> 00:10:19,949

burp Tilian at bedroom door have seen a

275

00:10:25,079 --> 00:10:22,350

number of UFOs over the past 50 years

276

00:10:27,030 --> 00:10:25,089

have also had the misfortune to see a

277

00:10:29,910 --> 00:10:27,040

few of the beings that apparently go

278

00:10:32,160 --> 00:10:29,920

along with them in August of 2008 I

279

00:10:35,130 --> 00:10:32,170

encountered a being unlike I had ever

280

00:10:37,050 --> 00:10:35,140

seen before was late in the afternoon I

281

00:10:39,120 --> 00:10:37,060

was in the kitchen getting a soda when I

282

00:10:41,519 --> 00:10:39,130

looked up and out into the hallway in

283

00:10:44,280 --> 00:10:41,529

the open bedroom door was an entity that

284

00:10:46,170 --> 00:10:44,290

literally made my heart skip a beat it

285

00:10:48,510 --> 00:10:46,180

was a little taller than I am

286

00:10:50,460 --> 00:10:48,520

looked to be a reptile of some sort had

287

00:10:52,889 --> 00:10:50,470

bright yellow eyes with vertical pupils

288

00:10:55,680 --> 00:10:52,899

it was wearing what appeared to be a

289

00:10:58,260 --> 00:10:55,690

one-piece dark blue jumpsuit there was

290

00:11:00,690 --> 00:10:58,270

some kind of insignia on the lower arm I

291

00:11:03,180 --> 00:11:00,700

could not take my eyes away from its

292

00:11:05,519 --> 00:11:03,190

eyes it seemed to have an expression of

293

00:11:08,010 --> 00:11:05,529

disdain or disgust or possibly anger

294

00:11:10,590 --> 00:11:08,020

hard to tell but it did not give off a

295

00:11:12,870 --> 00:11:10,600

good feeling we were maybe eight feet

296

00:11:13,350 --> 00:11:12,880

apart and just continued to stare at one

297

00:11:16,050 --> 00:11:13,360

another

298

00:11:18,410 --> 00:11:16,060

I finally lowered my head and closed my

299

00:11:21,389 --> 00:11:18,420

eyes and when I looked up it was gone

300

00:11:23,790 --> 00:11:21,399

needless to say I slept with most of the

301
00:11:28,860 --> 00:11:23,800
lights on that night this was not a

302
00:11:36,540 --> 00:11:34,170
I mean you no harm a few nights ago I

303
00:11:38,430 --> 00:11:36,550
was outside and walking around my farm

304
00:11:41,130 --> 00:11:38,440
where I live alone when I saw a series

305
00:11:43,710 --> 00:11:41,140
of lights moving across the sky at first

306
00:11:45,570 --> 00:11:43,720
I thought nothing of it but then one of

307
00:11:47,430 --> 00:11:45,580
the lights stopped moving in something

308
00:11:50,430 --> 00:11:47,440
dropped from it like a pot or something

309
00:11:53,460 --> 00:11:50,440
I freaked out and ran to my house and

310
00:11:56,280 --> 00:11:53,470
locked the door being a woman of only 35

311
00:11:58,290 --> 00:11:56,290
years old I'm easy to spook the next

312
00:12:00,660 --> 00:11:58,300
morning I woke up with a figure sitting

313
00:12:02,130 --> 00:12:00,670

at the foot of my bed the figure was

314

00:12:05,460 --> 00:12:02,140

ripped iliyam like a lizard or something

315

00:12:08,670 --> 00:12:05,470

it spoke English but had a deep his in

316

00:12:11,730 --> 00:12:08,680

his voice it told me this I mean you no

317

00:12:14,460 --> 00:12:11,740

harm warning I only seek to explore your

318

00:12:16,440 --> 00:12:14,470

world and it's life forms I am only a

319

00:12:19,380 --> 00:12:16,450

male scout in which I am looking for

320

00:12:21,210 --> 00:12:19,390

samples I asked how are you talking to

321

00:12:24,090 --> 00:12:21,220

me where did you come from

322

00:12:27,269 --> 00:12:24,100

his reply you only hear the tongue you

323

00:12:30,329 --> 00:12:27,279

understand but I cannot say too much may

324

00:12:32,460 --> 00:12:30,339

I take a sample for near hair my reply I

325

00:12:35,190 --> 00:12:32,470

guess but where did you come from and

326

00:12:37,530 --> 00:12:35,200

what are you he went over to me and put

327

00:12:40,230 --> 00:12:37,540

his hand on my head it felt very cold

328

00:12:42,120 --> 00:12:40,240

and scaly then he plucked a strand of

329

00:12:44,850 --> 00:12:42,130

hair from my head and put it in some

330

00:12:47,280 --> 00:12:44,860

sort of cylinder after that he told me

331

00:12:50,579 --> 00:12:47,290

thank you my overlord will be pleased

332

00:12:52,740 --> 00:12:50,589

then he just vanished my skin turned

333

00:12:55,560 --> 00:12:52,750

numb where he had touched me and I have

334

00:12:58,260 --> 00:12:55,570

had a cold ever since I did not know how

335

00:13:00,840 --> 00:12:58,270

to feel toward this encounter I did not

336

00:13:03,630 --> 00:13:00,850

feel threatened but rather curious the

337

00:13:06,120 --> 00:13:03,640

reptilian was lime-green stood maybe six

338

00:13:08,400 --> 00:13:06,130

feet tall and looked muscular he wore

339

00:13:10,620 --> 00:13:08,410

all black from his neck down and had

340

00:13:13,620 --> 00:13:10,630

some sword a belt lined with gadgets of

341

00:13:15,540 --> 00:13:13,630

sorts the face had a snout like a normal

342

00:13:17,940 --> 00:13:15,550

lizard and his eyes were large and

343

00:13:19,530 --> 00:13:17,950

purple what was this thing and does it

344

00:13:22,050 --> 00:13:19,540

have anything to do with the lights I

345

00:13:27,050 --> 00:13:22,060

had seen before will hear any of his

346

00:13:32,610 --> 00:13:30,300
