texas couple receive sunburn from

00:00:37,510 --> 00:00:35,440

hovering ufo

10
00:00:40,069 --> 00:00:37,520

driving east on highway 80 out of

11
00:00:42,150 --> 00:00:40,079

gladewater toward the town of white oak

12
00:00:44,229 --> 00:00:42,160

passing across a bridge that divides

13
00:00:46,630 --> 00:00:44,239

gladewater clarksville city and white

14

00:00:48,709 --> 00:00:46,640

oak right next to lake divernia

15

00:00:50,470 --> 00:00:48,719

my wife and i noticed a bright white

16

00:00:51,110 --> 00:00:50,480

light in the rear-view mirror of my

17

00:00:53,510 --> 00:00:51,120

vehicle

18

00:00:55,670 --> 00:00:53,520

thought it was an aircraft of some sort

19

00:00:57,670 --> 00:00:55,680

as we crossed the bridge on divernia

20

00:00:59,270 --> 00:00:57,680

just prior to beginning a hill to come

21

00:01:01,110 --> 00:00:59,280

into the city of white oak

22

00:01:03,510 --> 00:01:01,120

the light went from what seemed like

23

00:01:05,910 --> 00:01:03,520

miles away to over my vehicle

24

00:01:07,990 --> 00:01:05,920

it resembled a helicopter spotlight and

25

00:01:09,670 --> 00:01:08,000

was directly on my vehicle

26

00:01:11,750 --> 00:01:09,680

thinking it was some form of law

27

00:01:11,990 --> 00:01:11,760

enforcement we pulled the vehicle over

28

00:01:14,630 --> 00:01:12,000

and

29

00:01:16,710 --> 00:01:14,640

rolled my window down it hovered right

30

00:01:17,350 --> 00:01:16,720

above the tree line and just over my

31

00:01:20,789 --> 00:01:17,360

vehicle

32

00:01:22,710 --> 00:01:20,799

guess

33

00:01:24,950 --> 00:01:22,720

i stuck my head out of the window and

34

00:01:25,990 --> 00:01:24,960

looked up and was absolutely blinded by

35

00:01:28,149 --> 00:01:26,000

the light

36

00:01:29,749 --> 00:01:28,159

my wife was screaming at me to stay in

37

00:01:32,069 --> 00:01:29,759

the car and just go

38

00:01:33,830 --> 00:01:32,079

i remember her telling me just go just

39

00:01:35,670 --> 00:01:33,840

go go go go go

40

00:01:37,670 --> 00:01:35,680

i used my thumb to block out the

41

00:01:40,069 --> 00:01:37,680

brightest light and noticed four

42

00:01:41,030 --> 00:01:40,079

white lights north south east west on

43

00:01:43,030 --> 00:01:41,040

the craft

44

00:01:44,149 --> 00:01:43,040

i opened the door to my vehicle and

45

00:01:46,149 --> 00:01:44,159

stepped out

46

00:01:48,310 --> 00:01:46,159

standing as if you were to be looking at

47

00:01:50,310 --> 00:01:48,320

an object in the sky during the day

48

00:01:52,230 --> 00:01:50,320

shielding my eyes with the back of my

49

00:01:54,950 --> 00:01:52,240

right hand right hand palm

50

00:01:56,389 --> 00:01:54,960

facing the object it felt somewhat like

51
00:01:59,670 --> 00:01:56,399
warm sunlight

52
00:02:01,990 --> 00:01:59,680
no burning sensation just a warm feeling

53
00:02:03,350 --> 00:02:02,000
i'm not sure how long i was standing

54
00:02:05,590 --> 00:02:03,360
outside the vehicle

55
00:02:07,030 --> 00:02:05,600
and this is where i begin to feel like i

56
00:02:09,270 --> 00:02:07,040
am going crazy

57
00:02:11,430 --> 00:02:09,280
i remember getting out of the vehicle i

58
00:02:12,790 --> 00:02:11,440
remember being in total shock and awe at

59
00:02:14,790 --> 00:02:12,800
the sight of this craft

60
00:02:16,790 --> 00:02:14,800
and then i remember what seems to be a

61
00:02:19,510 --> 00:02:16,800
snap back like from a daydream

62
00:02:20,550 --> 00:02:19,520
and a huge amount of fear set in i was

63
00:02:23,350 --> 00:02:20,560

telling myself

64

00:02:25,190 --> 00:02:23,360

get back in the car and go at this time

65

00:02:27,510 --> 00:02:25,200

i looked over the roof of the car and

66

00:02:28,869 --> 00:02:27,520

noticed my wife doing the exact same

67

00:02:30,949 --> 00:02:28,879

thing i was doing

68

00:02:32,630 --> 00:02:30,959

i yelled at her and she did the exact

69

00:02:34,869 --> 00:02:32,640

same motion i did

70

00:02:37,110 --> 00:02:34,879

almost as if you are concentrating on

71

00:02:39,430 --> 00:02:37,120

something and begin to daydream

72

00:02:41,350 --> 00:02:39,440

someone says your name and you snap back

73

00:02:43,589 --> 00:02:41,360

and she literally said huh

74

00:02:45,430 --> 00:02:43,599

i told her to get in the vehicle with me

75

00:02:47,670 --> 00:02:45,440

and we then left the scene

76
00:02:50,070 --> 00:02:47,680
the object returned to the same area we

77
00:02:52,949 --> 00:02:50,080
initially saw it and was then gone

78
00:02:53,830 --> 00:02:52,959
i feel like i am a crazy person i know

79
00:02:56,070 --> 00:02:53,840
what i saw

80
00:02:58,309 --> 00:02:56,080
i am of perfect mental health and have

81
00:03:00,470 --> 00:02:58,319
no issues with seeing little green men

82
00:03:02,550 --> 00:03:00,480
or even believe in aliens

83
00:03:03,990 --> 00:03:02,560
in fact i want to believe this may be

84
00:03:06,229 --> 00:03:04,000
something of ours

85
00:03:07,350 --> 00:03:06,239
i know beyond a shadow of a doubt it was

86
00:03:09,670 --> 00:03:07,360
no helicopter

87
00:03:11,589 --> 00:03:09,680
and last i checked no plane in east

88
00:03:13,670 --> 00:03:11,599

texas is able to hover

89

00:03:15,670 --> 00:03:13,680

it made no noise minus a small

90

00:03:17,509 --> 00:03:15,680

electrical discharge sound

91

00:03:19,750 --> 00:03:17,519

the same form of a hum that you would

92

00:03:20,550 --> 00:03:19,760

hear from a transformer on an electrical

93

00:03:22,790 --> 00:03:20,560

pole

94

00:03:23,750 --> 00:03:22,800

please please help me understand what

95

00:03:25,750 --> 00:03:23,760

this could have been

96

00:03:26,949 --> 00:03:25,760

and help me find someone that can make

97

00:03:29,990 --> 00:03:26,959

sense of this

98

00:03:31,350 --> 00:03:30,000

i am scared excited worried and thrilled

99

00:03:33,430 --> 00:03:31,360

at the same time

100

00:03:35,750 --> 00:03:33,440

i can't believe something like this has

101
00:03:37,990 --> 00:03:35,760
happened to my wife and myself

102
00:03:38,869 --> 00:03:38,000
we had what seemed to be minor sunburns

103
00:03:41,350 --> 00:03:38,879
on our face

104
00:03:43,589 --> 00:03:41,360
and the palm of our hands were red no

105
00:03:45,910 --> 00:03:43,599
blisters or scars or marks

106
00:03:47,030 --> 00:03:45,920
just a light red sunburn tinge to our

107
00:03:49,830 --> 00:03:47,040
face neck

108
00:03:51,270 --> 00:03:49,840
palms muffin is the only avenue i have

109
00:03:58,830 --> 00:03:51,280
found to go to

110
00:04:02,949 --> 00:04:00,470
jay

111
00:04:04,229 --> 00:04:02,959
ufo sighting results in possible men in

112
00:04:06,789 --> 00:04:04,239
black encounter

113
00:04:09,270 --> 00:04:06,799

hello sir i was directed to you by a

114

00:04:11,509 --> 00:04:09,280

forum contributor who reads your website

115

00:04:13,589 --> 00:04:11,519

i work as a night security officer at a

116

00:04:15,589 --> 00:04:13,599

warehouse in plainfield indiana

117

00:04:17,590 --> 00:04:15,599

the building is located about a mile

118

00:04:19,270 --> 00:04:17,600

west of the indianapolis international

119

00:04:20,949 --> 00:04:19,280

airport on reeves road

120

00:04:23,270 --> 00:04:20,959

at the time of the incident i was

121

00:04:25,270 --> 00:04:23,280

working with another security officer

122

00:04:27,030 --> 00:04:25,280

over the past year or so i and others

123

00:04:28,230 --> 00:04:27,040

have noticed many strange lights in the

124

00:04:29,990 --> 00:04:28,240

sky at night

125

00:04:31,990 --> 00:04:30,000

actually some of these lights were

126

00:04:32,870 --> 00:04:32,000

distinctive v-shaped but most were

127

00:04:35,430 --> 00:04:32,880

circular

128

00:04:36,310 --> 00:04:35,440

on the night of february 1 1st around 10

129

00:04:38,150 --> 00:04:36,320

30 pm

130

00:04:39,990 --> 00:04:38,160

there was an array of bright red lights

131

00:04:41,270 --> 00:04:40,000

traveling over the airport heading west

132

00:04:43,350 --> 00:04:41,280

over plainfield

133

00:04:45,189 --> 00:04:43,360

i tried to get photos but the light

134

00:04:46,629 --> 00:04:45,199

pollution from the airport and business

135

00:04:49,110 --> 00:04:46,639

park were too heavy

136

00:04:51,270 --> 00:04:49,120

i counted 34 red lights traveling back

137

00:04:52,310 --> 00:04:51,280

to back and moving very slow but in a

138

00:04:54,310 --> 00:04:52,320

straight line

139

00:04:55,430 --> 00:04:54,320

the other security officer witnessed the

140

00:04:57,430 --> 00:04:55,440

same lights

141

00:04:59,909 --> 00:04:57,440

i reported what i saw to a friend in

142

00:05:01,670 --> 00:04:59,919

cincinnati who interested in eufos

143

00:05:04,070 --> 00:05:01,680

he said that he would file a report with

144

00:05:06,790 --> 00:05:04,080

a youthful group this was the next day

145

00:05:08,870 --> 00:05:06,800

february 2nd he told me that he received

146

00:05:10,150 --> 00:05:08,880

a similar report from another witness in

147

00:05:12,550 --> 00:05:10,160

indianapolis

148

00:05:13,749 --> 00:05:12,560

on february 8th early sunday morning 1

149

00:05:15,749 --> 00:05:13,759

15 a.m or so

150

00:05:16,950 --> 00:05:15,759

the security guard at the gate called me

151
00:05:18,790 --> 00:05:16,960
on his radio

152
00:05:21,510 --> 00:05:18,800
he said that someone wanted to talk to

153
00:05:23,510 --> 00:05:21,520
me this was very unusual because people

154
00:05:25,590 --> 00:05:23,520
rarely drive up to the gate that late

155
00:05:27,510 --> 00:05:25,600
and no one has ever asked for me

156
00:05:30,230 --> 00:05:27,520
i was in the back lot so it took me a

157
00:05:32,310 --> 00:05:30,240
while to reach the front even by vehicle

158
00:05:34,390 --> 00:05:32,320
while making my way to the gatehouse the

159
00:05:36,950 --> 00:05:34,400
security guard called me again

160
00:05:38,870 --> 00:05:36,960
he sounded frantic and asked me to hurry

161
00:05:40,790 --> 00:05:38,880
when i reached the gatehouse there was a

162
00:05:41,189 --> 00:05:40,800
black chevrolet impala parked at the

163
00:05:44,230 --> 00:05:41,199

gate

164

00:05:45,990 --> 00:05:44,240

door i

165

00:05:48,469 --> 00:05:46,000

parked my truck and walked over to the

166

00:05:50,150 --> 00:05:48,479

gatehouse the first thing i noticed was

167

00:05:52,150 --> 00:05:50,160

how tall these individuals were

168

00:05:54,710 --> 00:05:52,160

and that they were dressed the same they

169

00:05:57,189 --> 00:05:54,720

both wore black attire which were slacks

170

00:05:59,110 --> 00:05:57,199

heavy bomber jackets and leather gloves

171

00:05:59,990 --> 00:05:59,120

they also had beret-like hats with

172

00:06:02,070 --> 00:06:00,000

sunglasses

173

00:06:03,990 --> 00:06:02,080

even though it was dark there was no

174

00:06:06,469 --> 00:06:04,000

insignia or lettering on the vehicle

175

00:06:08,309 --> 00:06:06,479

though it had ohio license plates one of

176

00:06:10,230 --> 00:06:08,319

the men asked me if i had witnessed

177

00:06:11,110 --> 00:06:10,240

anything unusual in the sky above the

178

00:06:13,189 --> 00:06:11,120

airport

179

00:06:14,950 --> 00:06:13,199

i mentioned what we had seen on february

180

00:06:16,710 --> 00:06:14,960

1st and that there have been a lot of

181

00:06:17,350 --> 00:06:16,720

different lights seen the past year or

182

00:06:19,029 --> 00:06:17,360

so

183

00:06:21,029 --> 00:06:19,039

he said he wasn't interested in the

184

00:06:21,990 --> 00:06:21,039

other sightings just what was seen over

185

00:06:24,150 --> 00:06:22,000

the airport

186

00:06:26,790 --> 00:06:24,160

then he wanted to know if i told anyone

187

00:06:28,150 --> 00:06:26,800

else by that time i was a bit perturbed

188

00:06:30,629 --> 00:06:28,160

and asked who they were

189

00:06:32,309 --> 00:06:30,639

they both smiled then the guy apologized

190

00:06:34,230 --> 00:06:32,319

for taking up my time

191

00:06:36,550 --> 00:06:34,240

they got back into their car and backed

192

00:06:38,950 --> 00:06:36,560

out that kind of freaked me out because

193

00:06:40,950 --> 00:06:38,960

i have no idea who these guys were

194

00:06:42,070 --> 00:06:40,960

i have heard some stories about men in

195

00:06:44,150 --> 00:06:42,080

black from my friend

196

00:06:45,270 --> 00:06:44,160

but these guys looked normal other than

197

00:06:47,749 --> 00:06:45,280

the weird garb

198

00:06:49,110 --> 00:06:47,759

a few nights ago i swear i saw the same

199

00:06:50,309 --> 00:06:49,120

vehicle in my neighborhood in

200

00:06:52,070 --> 00:06:50,319

indianapolis

201
00:06:54,230 --> 00:06:52,080
it was parked down the street from my

202
00:06:55,430 --> 00:06:54,240
house then pulled off as i passed it on

203
00:06:57,670 --> 00:06:55,440
my way to work

204
00:06:59,749 --> 00:06:57,680
at this point i don't know what to think

205
00:07:01,270 --> 00:06:59,759
i'm not scared but curious as to what

206
00:07:03,430 --> 00:07:01,280
they think i witnessed

207
00:07:05,270 --> 00:07:03,440
incidentally the other security guard

208
00:07:07,110 --> 00:07:05,280
who witnessed the lights did not receive

209
00:07:09,189 --> 00:07:07,120
a visit from these guys

210
00:07:11,029 --> 00:07:09,199
my report must have sparked something

211
00:07:12,950 --> 00:07:11,039
though i don't think my friend used my

212
00:07:15,029 --> 00:07:12,960
name or specific location

213
00:07:17,029 --> 00:07:15,039

i wonder if these were men in black and

214

00:07:17,830 --> 00:07:17,039

why they showed so much interest in my

215

00:07:26,150 --> 00:07:17,840

sighting

216

00:07:30,790 --> 00:07:28,790

the gas plant entity may be back i live

217

00:07:32,790 --> 00:07:30,800

near beeville texas and want to report

218

00:07:35,110 --> 00:07:32,800

an incident from a few weeks ago

219

00:07:37,430 --> 00:07:35,120

it was about 9 30 pm when i heard

220

00:07:39,110 --> 00:07:37,440

swishing sounds coming from outside

221

00:07:41,510 --> 00:07:39,120

i went to the back door in the kitchen

222

00:07:43,749 --> 00:07:41,520

and looked out my yard was illuminated

223

00:07:45,510 --> 00:07:43,759

so i walked outside onto the porch and

224

00:07:47,510 --> 00:07:45,520

suddenly noticed a wide disc shaped

225

00:07:50,070 --> 00:07:47,520

craft hovering above the house

226

00:07:51,990 --> 00:07:50,080

it was at least 100 feet wide in an

227

00:07:54,469 --> 00:07:52,000

instant i was hit by a beam of light

228

00:07:56,790 --> 00:07:54,479

and lifted off the top step of the porch

229

00:07:58,629 --> 00:07:56,800

i was mid-air for almost 20 seconds

230

00:08:00,950 --> 00:07:58,639

then slowly set down by the side of the

231

00:08:03,430 --> 00:08:00,960

tool barn i was very groggy

232

00:08:05,029 --> 00:08:03,440

almost like i was drunk i then noticed a

233

00:08:06,790 --> 00:08:05,039

figure moving out of a beam of blue

234

00:08:07,670 --> 00:08:06,800

light that came directly from below the

235

00:08:09,589 --> 00:08:07,680

craft

236

00:08:11,589 --> 00:08:09,599

this figure was about five foot tall and

237

00:08:13,029 --> 00:08:11,599

looked human but the extremities in head

238

00:08:13,749 --> 00:08:13,039

looked as though it had been burned and

239

00:08:16,390 --> 00:08:13,759

charred

240

00:08:17,830 --> 00:08:16,400

it reminded me of a zombie from tv it

241

00:08:20,390 --> 00:08:17,840

moved closer to me

242

00:08:21,990 --> 00:08:20,400

i was literally frozen stiff as it got

243

00:08:24,710 --> 00:08:22,000

closer i became nauseated

244

00:08:26,469 --> 00:08:24,720

it looked awful and had a putrid odor it

245

00:08:28,150 --> 00:08:26,479

backed away as i started to wretch

246

00:08:30,070 --> 00:08:28,160

then vanished into the blue beam of

247

00:08:32,790 --> 00:08:30,080

light without hesitation

248

00:08:34,469 --> 00:08:32,800

the craft ascended swiftly so fast that

249

00:08:35,990 --> 00:08:34,479

it created an instant vacuum that

250

00:08:38,870 --> 00:08:36,000

dropped me to my knees

251

00:08:40,550 --> 00:08:38,880

i got my feet and ran into the house i

252

00:08:41,509 --> 00:08:40,560

was scared and worried something else

253

00:08:44,870 --> 00:08:41,519

may happen

254

00:08:47,509 --> 00:08:44,880

then i noticed the time it was 10 40 pm

255

00:08:49,190 --> 00:08:47,519

i had lost almost one hour of time i

256

00:08:50,310 --> 00:08:49,200

still don't understand what happened to

257

00:08:53,269 --> 00:08:50,320

me at the time

258

00:08:55,269 --> 00:08:53,279

i feel fine but i'm still very concerned

259

00:08:57,590 --> 00:08:55,279

i never believed in ufos or other weird

260

00:08:59,430 --> 00:08:57,600

experiences people have said they had

261

00:09:00,790 --> 00:08:59,440

now it has happened to me and i have a

262

00:09:02,949 --> 00:09:00,800

deep sense of dread

263

00:09:04,550 --> 00:09:02,959

i talked to my close friend and she told

264

00:09:06,870 --> 00:09:04,560

me to search the internet

265

00:09:08,150 --> 00:09:06,880

i don't know if she believed me but she

266

00:09:10,310 --> 00:09:08,160

was willing to help

267

00:09:12,389 --> 00:09:10,320

to be frank i am still concerned about

268

00:09:14,310 --> 00:09:12,399

contacting anyone about this

269

00:09:16,150 --> 00:09:14,320

my friend gave me several contacts to

270

00:09:18,550 --> 00:09:16,160

try i sent emails

271

00:09:19,990 --> 00:09:18,560

and filled a few forms i never heard

272

00:09:21,670 --> 00:09:20,000

back from any of them

273

00:09:23,910 --> 00:09:21,680

then i found the photo of the entity

274

00:09:24,870 --> 00:09:23,920

from kennedy texas that was posted on

275

00:09:26,949 --> 00:09:24,880

your blog

276

00:09:29,030 --> 00:09:26,959

that is what i encountered i know that

277

00:09:31,670 --> 00:09:29,040

it is the same thing or another like it

278

00:09:32,710 --> 00:09:31,680

i can feel it deep inside me that gas

279

00:09:35,670 --> 00:09:32,720

plant in kennedy

280

00:09:36,710 --> 00:09:35,680

is only 20 miles from me just yesterday

281

00:09:38,230 --> 00:09:36,720

there was some talk

282

00:09:39,990 --> 00:09:38,240

that weird looking people were seen

283

00:09:40,870 --> 00:09:40,000

moving through a local field this past

284

00:09:42,710 --> 00:09:40,880

weekend

285

00:09:45,190 --> 00:09:42,720

there was also a series of lights seen

286

00:09:53,190 --> 00:09:45,200

above the horizon at the same location

287

00:09:57,670 --> 00:09:55,990

cylinder ufo in oklahoma i want to share

288

00:09:59,350 --> 00:09:57,680

something strange and unusual that

289

00:10:00,470 --> 00:09:59,360

happened on this easter sunday night

290

00:10:03,030 --> 00:10:00,480

april 24

291

00:10:05,269 --> 00:10:03,040

2011. i had been to a church's easter

292

00:10:07,030 --> 00:10:05,279

service night cantata in texas

293

00:10:09,030 --> 00:10:07,040

i was driving to get back home on a

294

00:10:11,269 --> 00:10:09,040

desolate farm to market road as there

295

00:10:13,350 --> 00:10:11,279

was not much traffic on a day or night

296

00:10:14,710 --> 00:10:13,360

the night was very clear and stars were

297

00:10:16,949 --> 00:10:14,720

bright and beautiful

298

00:10:18,550 --> 00:10:16,959

i saw the east as i was driving east a

299

00:10:20,470 --> 00:10:18,560

very bright star at least

300

00:10:21,910 --> 00:10:20,480

that is what i first perceived but then

301
00:10:24,470 --> 00:10:21,920
i noticed that this star

302
00:10:26,310 --> 00:10:24,480
object was moving so i in turn pulled my

303
00:10:27,509 --> 00:10:26,320
vehicle off on the side of the road to

304
00:10:29,269 --> 00:10:27,519
get a better view

305
00:10:31,110 --> 00:10:29,279
it kept approaching and getting larger

306
00:10:32,230 --> 00:10:31,120
as it came forward and finally to a

307
00:10:34,230 --> 00:10:32,240
complete stop

308
00:10:35,670 --> 00:10:34,240
i got out of my vehicle to get a better

309
00:10:37,509 --> 00:10:35,680
look i realized

310
00:10:38,870 --> 00:10:37,519
that this was not a star and it was

311
00:10:40,870 --> 00:10:38,880
rather a huge object

312
00:10:42,150 --> 00:10:40,880
sort of like a silver cylinder and it

313
00:10:44,470 --> 00:10:42,160

had red orange

314

00:10:46,470 --> 00:10:44,480

green and white lights on top of it i

315

00:10:48,310 --> 00:10:46,480

thought this was strange by this object

316

00:10:50,710 --> 00:10:48,320

coming to a complete stance still

317

00:10:52,470 --> 00:10:50,720

and i could not hear any noise i just

318

00:10:54,230 --> 00:10:52,480

first second glance to my left

319

00:10:56,389 --> 00:10:54,240

which was north and i saw this other

320

00:10:58,230 --> 00:10:56,399

bright star again that is what i again

321

00:11:00,310 --> 00:10:58,240

perceived coming from the north and as

322

00:11:01,269 --> 00:11:00,320

it came closer it had the same color

323

00:11:03,030 --> 00:11:01,279

lights on it

324

00:11:05,430 --> 00:11:03,040

well it approached the other stand still

325

00:11:07,190 --> 00:11:05,440

object it came to a standstill also

326

00:11:09,829 --> 00:11:07,200

i was amazed and i happened to look at

327

00:11:12,069 --> 00:11:09,839

my watch and it was 10 15 p.m

328

00:11:13,750 --> 00:11:12,079

the two objects remained stationary and

329

00:11:16,069 --> 00:11:13,760

the only thing that was active were the

330

00:11:18,150 --> 00:11:16,079

rotating lights on both objects

331

00:11:20,150 --> 00:11:18,160

after about 10 minutes the object that

332

00:11:22,230 --> 00:11:20,160

came from the north extended a white red

333

00:11:24,389 --> 00:11:22,240

laser or something similar to the other

334

00:11:24,949 --> 00:11:24,399

object and that went on for about 15

335

00:11:26,790 --> 00:11:24,959

minutes

336

00:11:29,030 --> 00:11:26,800

they seemed to be a distance between the

337

00:11:31,030 --> 00:11:29,040

objects when this white red laser went

338

00:11:32,630 --> 00:11:31,040

to the other object and it reminded me

339

00:11:33,750 --> 00:11:32,640

of someone or something rolling out a

340

00:11:35,670 --> 00:11:33,760

red carpet

341

00:11:37,990 --> 00:11:35,680

at times i saw will look like little

342

00:11:40,470 --> 00:11:38,000

black dots within the spread whatever

343

00:11:42,389 --> 00:11:40,480

after about 15 minutes this red carpet

344

00:11:43,190 --> 00:11:42,399

started retracting back into the north

345

00:11:47,190 --> 00:11:43,200

object

346

00:11:49,269 --> 00:11:47,200

east after close to five minutes

347

00:11:51,030 --> 00:11:49,279

started moving sideways to the south

348

00:11:52,550 --> 00:11:51,040

then moved upward and then shot to the

349

00:11:54,470 --> 00:11:52,560

south at a high rate of speed

350

00:11:56,550 --> 00:11:54,480

and finally disappeared the other

351
00:11:58,550 --> 00:11:56,560
northern object after the other object

352
00:11:59,430 --> 00:11:58,560
had disappeared going south it started

353
00:12:01,110 --> 00:11:59,440
to lift high

354
00:12:03,030 --> 00:12:01,120
and then it shot off at a high rate of

355
00:12:04,389 --> 00:12:03,040
speed back to the north once it came

356
00:12:06,310 --> 00:12:04,399
from and disappeared

357
00:12:07,430 --> 00:12:06,320
i don't know what i saw that night but i

358
00:12:09,350 --> 00:12:07,440
will never forget it

359
00:12:11,509 --> 00:12:09,360
i have not spoke to anyone about what i

360
00:12:13,509 --> 00:12:11,519
saw so i figured they were making a

361
00:12:15,110 --> 00:12:13,519
transfer of something or maybe not but i

362
00:12:16,949 --> 00:12:15,120
have thought about this red carpet

363
00:12:19,110 --> 00:12:16,959

scenario several times since

364

00:12:21,110 --> 00:12:19,120

as well as what these two objects were

365

00:12:22,310 --> 00:12:21,120

that came together side by side and

366

00:12:24,310 --> 00:12:22,320

became stationary

367

00:12:26,150 --> 00:12:24,320

and after the red carpet whatever both

368

00:12:27,670 --> 00:12:26,160

objects left at a very high rate of

369

00:12:30,150 --> 00:12:27,680

speed and disappeared

370

00:12:32,310 --> 00:12:30,160

very strange indeed but anyway this is

371

00:12:34,069 --> 00:12:32,320

what i saw on easter sunday night

372

00:12:36,150 --> 00:12:34,079

i eventually made it home but my

373

00:12:36,629 --> 00:12:36,160

thoughts of these two objects were on my

374

00:12:38,790 --> 00:12:36,639

mind

375

00:12:40,389 --> 00:12:38,800

and for days to come i still think about

376

00:12:42,069 --> 00:12:40,399

them from time to time

377

00:12:43,990 --> 00:12:42,079

thank you for taking the time to read

378

00:12:45,430 --> 00:12:44,000

whatever encounter i had with two

379

00:12:54,310 --> 00:12:45,440

unknown objects

380

00:12:59,269 --> 00:12:57,350

ufo mystery in the pine barrens i kept

381

00:13:01,190 --> 00:12:59,279

quiet about the following described

382

00:13:03,750 --> 00:13:01,200

incident for about four years

383

00:13:05,350 --> 00:13:03,760

and have decided to come forward mostly

384

00:13:07,190 --> 00:13:05,360

because i heard that someone had a

385

00:13:09,829 --> 00:13:07,200

similar experience recently

386

00:13:11,990 --> 00:13:09,839

and is looking for answers my mother and

387

00:13:13,750 --> 00:13:12,000

i were driving in south new jersey in

388

00:13:16,470 --> 00:13:13,760

the middle of nowhere as we were in the

389

00:13:19,030 --> 00:13:16,480

process of moving to where we live now

390

00:13:20,230 --> 00:13:19,040

the location was in the area of shaman

391

00:13:22,470 --> 00:13:20,240

new jersey

392

00:13:24,310 --> 00:13:22,480

it's out in the pine barrens notoriously

393

00:13:26,550 --> 00:13:24,320

known for the jersey devil

394

00:13:28,470 --> 00:13:26,560

we were on jackson road which is deep in

395

00:13:29,269 --> 00:13:28,480

the middle of a thick forest with very

396

00:13:31,910 --> 00:13:29,279

few lights

397

00:13:34,230 --> 00:13:31,920

though there is a raceway nearby i wish

398

00:13:36,310 --> 00:13:34,240

i remembered the exact time and the date

399

00:13:38,710 --> 00:13:36,320

because i'm sure others had to have seen

400

00:13:41,269 --> 00:13:38,720

it since there was car in front of us

401
00:13:43,430 --> 00:13:41,279
and the raceway was packed with people

402
00:13:45,590 --> 00:13:43,440
it was july and had to have been late in

403
00:13:46,310 --> 00:13:45,600
the evening as the sun was starting to

404
00:13:48,310 --> 00:13:46,320
set

405
00:13:50,710 --> 00:13:48,320
so we are driving down the road we

406
00:13:52,310 --> 00:13:50,720
noticed a huge dark object flying from a

407
00:13:54,310 --> 00:13:52,320
very high distance to simply

408
00:13:56,470 --> 00:13:54,320
disappearing into the trees

409
00:13:58,629 --> 00:13:56,480
the driver in front of us slammed on the

410
00:14:00,470 --> 00:13:58,639
brakes since it appeared that the object

411
00:14:01,670 --> 00:14:00,480
was going to crash into the road in

412
00:14:03,670 --> 00:14:01,680
front of us

413
00:14:05,590 --> 00:14:03,680

my mother almost collided with them

414

00:14:07,509 --> 00:14:05,600

because she was looking at the object

415

00:14:09,590 --> 00:14:07,519

but it traveled above and across the

416

00:14:11,990 --> 00:14:09,600

road it was about the height of a

417

00:14:13,189 --> 00:14:12,000

typical two-story home and flew straight

418

00:14:15,590 --> 00:14:13,199

into the woods

419

00:14:16,949 --> 00:14:15,600

we were expecting to hear a loud crash

420

00:14:19,750 --> 00:14:16,959

see an explosion

421

00:14:21,189 --> 00:14:19,760

something but nothing happened we sat

422

00:14:23,910 --> 00:14:21,199

there staring until a car

423

00:14:26,069 --> 00:14:23,920

approached from behind so we left we

424

00:14:27,509 --> 00:14:26,079

were both confused and since my mother

425

00:14:29,590 --> 00:14:27,519

fears things like this

426
00:14:30,710 --> 00:14:29,600
she just refuses to talk about the

427
00:14:33,750 --> 00:14:30,720
encounter

428
00:14:36,069 --> 00:14:33,760
also fort dix and maguire air force base

429
00:14:38,470 --> 00:14:36,079
aren't too far from that location

430
00:14:40,629 --> 00:14:38,480
did the military cover this up but it

431
00:14:42,870 --> 00:14:40,639
looked mechanical and too big to be a

432
00:14:44,790 --> 00:14:42,880
drone or anything similar to that

433
00:14:46,949 --> 00:14:44,800
the raceway was near there and the

434
00:14:48,230 --> 00:14:46,959
bleachers were facing the same direction

435
00:14:49,750 --> 00:14:48,240
as this object

436
00:14:51,590 --> 00:14:49,760
could there be an explanation or

437
00:14:52,629 --> 00:14:51,600
rational reason why this was never

438
00:15:00,150 --> 00:14:52,639

reported

439

00:15:03,590 --> 00:15:02,710

this is lon strickler if you like this

440

00:15:05,350 --> 00:15:03,600

441

00:15:06,710 --> 00:15:05,360

it would help us if you would give it a
