is fear and the oldest and strongest

3
00:00:18,290 --> 00:00:15,110
type of fear is trepidation of young men

4
00:00:21,040 --> 00:00:18,300
when we were children our parents told

5
00:00:24,259 --> 00:00:21,050
us that monsters didn't exist

6
00:00:27,080 --> 00:00:24,269
but we were sure that something is

7
00:00:31,450 --> 00:00:27,090
lurking to look better in the closet

8
00:00:35,180 --> 00:00:31,460
vier sees even if our eyes are closed

9
00:00:38,180 --> 00:00:35,190

00:00:48,680 --> 00:00:45,379
manifestations of remarkable realities

00:00:51,979 --> 00:00:48,690

imagine this next hour as a voyage of

14

00:00:54,830 --> 00:00:51,989

discovered to strange lands seeking not

15

00:00:58,160 --> 00:00:54,840

from new territory but for new knowledge

16

00:01:09,230 --> 00:00:58,170

of the supernatural come on board as we

17

00:01:11,180 --> 00:01:09,240

begin this adventure together hey folks

18

00:01:13,880 --> 00:01:11,190

good evening and welcome to another

19

00:01:15,889 --> 00:01:13,890

episode of arcane radio where we explore

20

00:01:18,290 --> 00:01:15,899

the unexplained here on the paranormal

21

00:01:20,660 --> 00:01:18,300

king radio network I'm your host launch

22

00:01:22,969 --> 00:01:20,670

strickler coming to you with in a cannon

23

00:01:26,389 --> 00:01:22,979

shot of historic Gettysburg Pennsylvania

24

00:01:29,150 --> 00:01:26,399

I thank you for sure for joining me now

25

00:01:32,029 --> 00:01:29,160

first off before I introduce my guests I

26

00:01:34,279 --> 00:01:32,039

want to talk about a the witness report

27

00:01:37,969 --> 00:01:34,289

I recently got from the witness who I

28

00:01:41,180 --> 00:01:37,979

referred to as jb who described her

29

00:01:45,410 --> 00:01:41,190

encounter with an angel winged gargoyle

30

00:01:50,270 --> 00:01:45,420

and this happened in babcock Wisconsin

31

00:01:52,760 --> 00:01:50,280

during the summer of 2002 now JB was in

32

00:01:54,880 --> 00:01:52,770

her mid mid-teens at the time the

33

00:01:57,980 --> 00:01:54,890

incident and they left an indelible

34

00:02:01,040 --> 00:01:57,990

impression on her for the 18 years since

35

00:02:02,870 --> 00:02:01,050

that encounter because of uniqueness of

36

00:02:07,669 --> 00:02:02,880

the winged being in the peaceful feeling

37

00:02:09,589 --> 00:02:07,679

that she had while watching it she said

38

00:02:13,250 --> 00:02:09,599

she only told a few people about the

39

00:02:16,250 --> 00:02:13,260

incident so in particular night in 2002

40

00:02:18,559 --> 00:02:16,260

JB was lying on her bed watching

41

00:02:21,050 --> 00:02:18,569

television and as she adjusted herself

42

00:02:23,300 --> 00:02:21,060

she caught movement from outside her

43

00:02:26,330 --> 00:02:23,310

bedroom window which was on the same

44

00:02:28,729 --> 00:02:26,340

wall as the bed the window was wide open

45

00:02:31,220 --> 00:02:28,739

in order to allow the cold fresh air to

46

00:02:34,190 --> 00:02:31,230

enter the room and she looked out the

47

00:02:36,530 --> 00:02:34,200

window she focused on a winged bean

48

00:02:39,930 --> 00:02:36,540

crouched down on the edge of the roof

49

00:02:43,480 --> 00:02:39,940

not more than 10 foot from a window

50

00:02:46,390 --> 00:02:43,490

now she said she felt no fear in fact

51
00:02:49,720 --> 00:02:46,400
she felt peaceful and not threatened by

52
00:02:52,960 --> 00:02:49,730
the presence of the entity she described

53
00:02:55,420 --> 00:02:52,970
it as gargoyle like body and head with

54
00:02:59,110 --> 00:02:55,430
thin arms hanging down between its thin

55
00:03:01,030 --> 00:02:59,120
legs the body was somewhat thin as well

56
00:03:03,790 --> 00:03:01,040
the facial features were mostly hidden

57
00:03:05,910 --> 00:03:03,800
by the wings that extended of the body

58
00:03:09,700 --> 00:03:05,920
and halfway around the crouching body

59
00:03:12,460 --> 00:03:09,710
she was amazed at the large perfectly

60
00:03:15,910 --> 00:03:12,470
feathered wings on the humanoid was she

61
00:03:18,280 --> 00:03:15,920
referred to as angel wings the body was

62
00:03:21,730 --> 00:03:18,290
hairless and bald with a pale gray

63
00:03:25,510 --> 00:03:21,740

coloring the wings were also pale color

64

00:03:28,180 --> 00:03:25,520

her pale green color and she said that

65

00:03:30,130 --> 00:03:28,190

she believes that if it would have been

66

00:03:33,940 --> 00:03:30,140

standing it could have reached five to

67

00:03:36,640 --> 00:03:33,950

five and a half foot in height now JB

68

00:03:39,070 --> 00:03:36,650

literally watched this being for almost

69

00:03:41,200 --> 00:03:39,080

a half an hour during which it never

70

00:03:43,840 --> 00:03:41,210

moved or made a sound it seemed to be

71

00:03:46,990 --> 00:03:43,850

focused on the yard below even though

72

00:03:48,190 --> 00:03:47,000

because she couldn't see its eyes she

73

00:03:51,220 --> 00:03:48,200

made an attempt to get its attention

74

00:03:54,310 --> 00:03:51,230

softly speaking to it but the being

75

00:03:56,770 --> 00:03:54,320

never responded the security lights

76
00:03:59,140 --> 00:03:56,780
below illuminated the being so JB was

77
00:04:01,150 --> 00:03:59,150
able to get an excellent view of it now

78
00:04:03,220 --> 00:04:01,160
after watching this wing beam for about

79
00:04:06,340 --> 00:04:03,230
a half an hour she became very sleepy

80
00:04:08,830 --> 00:04:06,350
and decided to go to bed she never felt

81
00:04:13,060 --> 00:04:08,840
threatened and left the window open in

82
00:04:16,000 --> 00:04:13,070
the morning about 6:00 a.m. JB was

83
00:04:18,520 --> 00:04:16,010
awakened by a loud radio frequency like

84
00:04:20,289 --> 00:04:18,530
sound that came from outside her window

85
00:04:23,409 --> 00:04:20,299
now when she looked out the window the

86
00:04:26,650 --> 00:04:23,419
winged being was gone she believes that

87
00:04:28,060 --> 00:04:26,660
the sound was was so loud that others in

88
00:04:30,880 --> 00:04:28,070

the neighborhood definitely could have

89

00:04:33,400 --> 00:04:30,890

heard it and but she you know never

90

00:04:34,960 --> 00:04:33,410

heard anybody talk about her a reference

91

00:04:37,990 --> 00:04:34,970

that her parents had never even heard a

92

00:04:41,500 --> 00:04:38,000

anything either so and she said she's

93

00:04:44,230 --> 00:04:41,510

never heard anything like it since so JB

94

00:04:44,890 --> 00:04:44,240

is very lucid very precise in her

95

00:04:48,159 --> 00:04:44,900

description

96

00:04:51,340 --> 00:04:48,169

and tip I believe she obviously saw

97

00:04:53,330 --> 00:04:51,350

something especially this quite

98

00:04:59,930 --> 00:04:53,340

remarkable wing

99

00:05:01,220 --> 00:04:59,940

now the loud radio frequency sound could

100

00:05:04,280 --> 00:05:01,230

have been that of a portal or gateway

101
00:05:06,950 --> 00:05:04,290
opening or closing in my opinion in the

102
00:05:10,100 --> 00:05:06,960
past myself and others have described a

103
00:05:12,800 --> 00:05:10,110
buzzing sound associated with portals

104
00:05:16,670 --> 00:05:12,810
opening or closing very similar to the

105
00:05:18,710 --> 00:05:16,680
loud swarming of bees I you know I don't

106
00:05:20,620 --> 00:05:18,720
remember anything anything similar

107
00:05:26,000 --> 00:05:20,630
described by the winged humanoid

108
00:05:28,970 --> 00:05:26,010
witnesses she did mention that bad-cop

109
00:05:33,650 --> 00:05:28,980
Wisconsin has a history of strange

110
00:05:36,410 --> 00:05:33,660
phenomena especially UFO activity so you

111
00:05:38,900 --> 00:05:36,420
know I have one of the other

112
00:05:40,820 --> 00:05:38,910
investigators on our team is going to

113
00:05:42,800 --> 00:05:40,830

talk to her so hopefully we can get some

114

00:05:44,780 --> 00:05:42,810

more information but this is pretty

115

00:05:46,550 --> 00:05:44,790

interesting sighting though I don't know

116

00:05:49,910 --> 00:05:46,560

if it's related as to what's been going

117

00:05:52,580 --> 00:05:49,920

on Chicago since was 18 years ago so

118

00:05:54,830 --> 00:05:52,590

tonight I welcome you foe research and

119

00:05:57,680 --> 00:05:54,840

author dr. Raymond Keller to arcane

120

00:05:59,930 --> 00:05:57,690

radio now cosmic ray is a retired

121

00:06:02,390 --> 00:05:59,940

history professor who has lived and

122

00:06:04,490 --> 00:06:02,400

worked in 44 different countries has

123

00:06:08,480 --> 00:06:04,500

been raining by UFOs and paranormal

124

00:06:09,920 --> 00:06:08,490

activity since 1967 he was the founder

125

00:06:12,080 --> 00:06:09,930

director of the outer space

126
00:06:15,080 --> 00:06:12,090
international research and investigators

127
00:06:17,780 --> 00:06:15,090
Society he has also written several

128
00:06:21,080 --> 00:06:17,790
books including his Venus rising trilogy

129
00:06:23,870 --> 00:06:21,090
with the titles Venus rising a concise

130
00:06:26,600 --> 00:06:23,880
history of second planet final

131
00:06:29,690 --> 00:06:26,610
countdown' rockets to Venus and cosmic

132
00:06:31,880 --> 00:06:29,700
rays excellent Venus adventure now ray

133
00:06:33,920 --> 00:06:31,890
has written a new book and I'll let him

134
00:06:36,230 --> 00:06:33,930
talk about that with you so ray thanks

135
00:06:40,040 --> 00:06:36,240
for coming on the show oh thank you long

136
00:06:43,790 --> 00:06:40,050
it's always a pleasure to to be on on

137
00:06:50,720 --> 00:06:43,800
your program my new book is called the

138
00:06:53,540 --> 00:06:50,730

vast Venus conspiracy and its consists

139

00:07:00,730 --> 00:06:53,550

of accounts by very interesting and real

140

00:07:03,980 --> 00:07:00,740

individuals in the contemporary times

141

00:07:06,350 --> 00:07:03,990

astronomers and space scientists from

142

00:07:08,629 --> 00:07:06,360

around the world people that are

143

00:07:11,540 --> 00:07:08,639

really in the know about intelligent

144

00:07:14,450 --> 00:07:11,550

life existing on Venus Earth's sister

145

00:07:18,320 --> 00:07:14,460

planet disclosing evidence that's been

146

00:07:21,350 --> 00:07:18,330

hidden from the public at large over the

147

00:07:24,830 --> 00:07:21,360

past seventy three years and when I

148

00:07:28,540 --> 00:07:24,840

think back even to the first the 1st

149

00:07:37,540 --> 00:07:28,550

Mariner probe Mariner 2 that made it to

150

00:07:41,499 --> 00:07:37,550

within about 82,000 miles of Venus in a

151
00:07:44,420 --> 00:07:41,509
in a flyby it reported back that the

152
00:07:48,619 --> 00:07:44,430
temperature of Venus was like 800

153
00:07:51,649 --> 00:07:48,629
degrees Fahrenheit and that life

154
00:07:54,260 --> 00:07:51,659
couldn't exist there but I'm immediately

155
00:07:58,309 --> 00:07:54,270
back in the United States astronomers

156
00:08:01,879 --> 00:07:58,319
came out with information contrary to

157
00:08:06,230 --> 00:08:01,889
that one of them was dr. John strong of

158
00:08:09,010 --> 00:08:06,240
John Hopkins University and together

159
00:08:15,339 --> 00:08:09,020
with the Navy they were doing

160
00:08:19,180 --> 00:08:15,349
atmospheric tests with balloons about

161
00:08:24,110 --> 00:08:19,190
you know tens of thousands of miles

162
00:08:28,249 --> 00:08:24,120
above the earth above our own distortion

163
00:08:30,019 --> 00:08:28,259

of our own atmosphere and they they

164

00:08:33,649 --> 00:08:30,029

determined that the upper clouds

165

00:08:37,519 --> 00:08:33,659

surrounding Venus were composed of ice

166

00:08:40,819 --> 00:08:37,529

particles hmm so uh and with almost

167

00:08:43,639 --> 00:08:40,829

every mission that's gone that's gone to

168

00:08:47,319 --> 00:08:43,649

Venus or other other planets in this

169

00:08:51,199 --> 00:08:47,329

solar system or or or even to the moon

170

00:08:54,769 --> 00:08:51,209

there have always been there always been

171

00:08:57,410 --> 00:08:54,779

astronauts or astronomers that have

172

00:09:00,500 --> 00:08:57,420

leaked out information about what they

173

00:09:02,870 --> 00:09:00,510

really discovered but that they didn't

174

00:09:05,689 --> 00:09:02,880

reveal to the public so in the vast

175

00:09:09,710 --> 00:09:05,699

venus conspiracy i look at a lot of

176

00:09:13,180 --> 00:09:09,720

things like that can you i can you name

177

00:09:15,860 --> 00:09:13,190

some instances or individuals that are a

178

00:09:18,920 --> 00:09:15,870

part of the book you know I'll do know

179

00:09:20,120 --> 00:09:18,930

one thing it seems that the the Russians

180

00:09:24,140 --> 00:09:20,130

have shown more

181

00:09:25,370 --> 00:09:24,150

interest in Venus and the NASA has

182

00:09:29,870 --> 00:09:25,380

that's correct

183

00:09:35,260 --> 00:09:29,880

oh yeah yes it seems like there was been

184

00:09:44,360 --> 00:09:39,110

delineation of outer space as far as

185

00:09:48,830 --> 00:09:44,370

assignments go and like we were given a

186

00:09:52,280 --> 00:09:48,840

purview over Mars and they kept they

187

00:09:55,760 --> 00:09:52,290

kept a monopoly on on Venus for the

188

00:09:58,040 --> 00:09:55,770

longest time but now of course others

189

00:10:02,690 --> 00:09:58,050

have gotten into the game

190

00:10:05,150 --> 00:10:02,700

the Japanese have sent the Akatsuki

191

00:10:08,750 --> 00:10:05,160

probe to Venus

192

00:10:11,930 --> 00:10:08,760

India is planning on sending a probe to

193

00:10:17,270 --> 00:10:11,940

Venus and the European Union and sent

194

00:10:21,080 --> 00:10:17,280

the Venus Express there so it's it is

195

00:10:23,930 --> 00:10:21,090

that the popular planet more probes have

196

00:10:27,080 --> 00:10:23,940

been sent there than any other world are

197

00:10:30,260 --> 00:10:27,090

they are they providing much information

198

00:10:34,330 --> 00:10:30,270

as to what they're finding on Venus or

199

00:10:37,970 --> 00:10:34,340

is it just I know is a kind of a seeker

200

00:10:40,130 --> 00:10:37,980

it's a it's a secret do you have to you

201
00:10:44,290 --> 00:10:40,140
have to read between the lines and see

202
00:10:46,910 --> 00:10:44,300
what what other scientists are saying

203
00:10:51,710 --> 00:10:46,920
around the world and pay close attention

204
00:10:54,590 --> 00:10:51,720
to it as well as astronauts come out and

205
00:10:57,860 --> 00:10:54,600
leak information every once in a while I

206
00:11:01,360 --> 00:10:57,870
had the opportunity of meeting the

207
00:11:09,080 --> 00:11:01,370
Apollo 8 astronauts in the spring of

208
00:11:12,170 --> 00:11:09,090
1969 and when I was I was the editor of

209
00:11:16,130 --> 00:11:12,180
the Flying Saucer report and I was at

210
00:11:19,550 --> 00:11:16,140
this Cleveland City Club and they said

211
00:11:24,430 --> 00:11:19,560
that yes they've seen things in space as

212
00:11:27,170 --> 00:11:24,440
far as unidentified objects go but they

213
00:11:30,470 --> 00:11:27,180

aren't permitted to talk about it

214

00:11:32,690 --> 00:11:30,480

although some like Edgar Mitchell might

215

00:11:37,790 --> 00:11:32,700

come out and he's

216

00:11:42,110 --> 00:11:37,800

he's spoken extensively sometimes in

217

00:11:45,260 --> 00:11:42,120

conjunction with Paul Hellyer the former

218

00:11:48,650 --> 00:11:45,270

defense minister up in Canada about the

219

00:11:51,890 --> 00:11:48,660

the alien presence on the moon and other

220

00:11:54,050 --> 00:11:51,900

planets enter in our solar system so

221

00:11:58,700 --> 00:11:54,060

they they know they're they're out there

222

00:12:02,000 --> 00:11:58,710

because they've seen them yeah it seems

223

00:12:05,660 --> 00:12:02,010

that Buzz Aldrin has an unfrozen Firdous

224

00:12:07,700 --> 00:12:05,670

for a long time you know he's written

225

00:12:10,820 --> 00:12:07,710

several books he's not really come right

226

00:12:12,920 --> 00:12:10,830

out and said that there are aliens out

227

00:12:16,370 --> 00:12:12,930

there but he's inferred it

228

00:12:20,390 --> 00:12:16,380

oh yes Buzz Aldrin and I even had

229

00:12:24,920 --> 00:12:20,400

mentioned the possibility of of the two

230

00:12:28,670 --> 00:12:24,930

Martian moons Phobos and Deimos being

231

00:12:31,910 --> 00:12:28,680

artificial constructs oh okay and

232

00:12:36,980 --> 00:12:31,920

possibly being some kind of some kind of

233

00:12:39,520 --> 00:12:36,990

space Space Station so the book itself

234

00:12:42,310 --> 00:12:39,530

can you talk about some of the

235

00:12:49,150 --> 00:12:42,320

individuals and that you wrote about oh

236

00:12:53,480 --> 00:12:49,160

yes well I looked at the Idaho civilian

237

00:12:57,470 --> 00:12:53,490

pilot who started the UFO craze flying

238

00:13:01,700 --> 00:12:57,480

saucer craze 73 years ago Kenneth Arnold

239

00:13:07,580 --> 00:13:01,710

and we all know his story Allen the 24th

240

00:13:10,850 --> 00:13:07,590

of June 1947 he reported nine objects

241

00:13:13,030 --> 00:13:10,860

like saucers skipping across water so

242

00:13:17,410 --> 00:13:13,040

when the newspapers got a hold of his

243

00:13:27,520 --> 00:13:17,420

story that began the applying saucer era

244

00:13:27,530 --> 00:13:33,580

actually investigated lots of reports of

245

00:13:41,840 --> 00:13:36,710

flying saucers and UFOs all throughout

246

00:13:46,500 --> 00:13:41,850

the West all throughout the west up and

247

00:13:52,290 --> 00:13:46,510

tilted up until the mid 1950s when

248

00:13:56,350 --> 00:13:52,300

civilian UFO groups took took hold and

249

00:13:59,350 --> 00:13:56,360

some of their reports especially

250

00:14:04,510 --> 00:13:59,360

concerning the landing of Venusian Scout

251
00:14:08,860 --> 00:14:04,520
ships are in the vast Venus

252
00:14:12,700 --> 00:14:08,870
conspiracy book there is one on the

253
00:14:17,230 --> 00:14:12,710
Washington State Coast on the Pacific

254
00:14:20,470 --> 00:14:17,240
Coast a little ways a little ways inland

255
00:14:23,710 --> 00:14:20,480
from the coast a few few hundred feet

256
00:14:28,150 --> 00:14:23,720
into the tree tree lying on a beach

257
00:14:35,350 --> 00:14:28,160
where a carpenter and a retired railroad

258
00:14:38,140 --> 00:14:35,360
worker encountered occupants from landed

259
00:14:41,740 --> 00:14:38,150
craft and they identified themselves as

260
00:14:45,400 --> 00:14:41,750
being from the planet Venus and being

261
00:14:49,660 --> 00:14:45,410
tourists being tourists unearthed and

262
00:14:52,600 --> 00:14:49,670
there's another encounter in there that

263
00:14:55,860 --> 00:14:52,610

Kenneth Arnold investigated where there

264

00:15:01,210 --> 00:14:55,870

were all these reports in a California

265

00:15:05,530 --> 00:15:01,220

National Park and including from the

266

00:15:07,660 --> 00:15:05,540

ranger station but also found there

267

00:15:11,140 --> 00:15:07,670

later found their way into one of Donald

268

00:15:13,650 --> 00:15:11,150

iki home sports but there were two

269

00:15:18,420 --> 00:15:13,660

couples that were camping out and they

270

00:15:24,820 --> 00:15:18,430

they encountered a mysterious horseman

271

00:15:28,750 --> 00:15:24,830

who emerged after all these all these

272

00:15:35,830 --> 00:15:28,760

orbs were hovering over over a mountain

273

00:15:40,180 --> 00:15:35,840

valley and he could hardly speak in any

274

00:15:43,530 --> 00:15:40,190

English with a very strange accent and

275

00:15:47,590 --> 00:15:43,540

and announced that he was a tourist

276

00:15:50,680 --> 00:15:47,600

there from from Venus and he that he

277

00:15:55,920 --> 00:15:50,690

loved horses and he loves horseback

278

00:16:00,740 --> 00:15:58,370

interesting

279

00:16:03,290 --> 00:16:00,750

man you seem to come up a lot a lot of

280

00:16:09,260 --> 00:16:03,300

these different references the Venus I'm

281

00:16:12,860 --> 00:16:09,270

amazed at what you research so is there

282

00:16:15,170 --> 00:16:12,870

anything else as far as individuals and

283

00:16:20,450 --> 00:16:15,180

some strange stories like that you come

284

00:16:24,230 --> 00:16:20,460

up come up with oh oh yes well there are

285

00:16:28,900 --> 00:16:24,240

many many accounts from various various

286

00:16:31,700 --> 00:16:28,910

contactees and the communications from

287

00:16:34,910 --> 00:16:31,710

brothers and sisters of Venus that are

288

00:16:42,670 --> 00:16:34,920

that are in the book so it answers a lot

289

00:16:46,820 --> 00:16:42,680

of questions about Venus and then some

290

00:16:50,710 --> 00:16:46,830

some very unique photographs of Long

291

00:16:54,440 --> 00:16:50,720

John Neville at the giant rock

292

00:16:58,820 --> 00:16:54,450

convention that was held out at Landers

293

00:17:01,460 --> 00:16:58,830

field in in California and a lot of the

294

00:17:06,740 --> 00:17:01,470

controversy surrounding his program that

295

00:17:09,260 --> 00:17:06,750

was on nightly long before there was art

296

00:17:15,290 --> 00:17:09,270

Dell or George Noory there was long John

297

00:17:17,390 --> 00:17:15,300

Neville on wor in New York and he

298

00:17:22,540 --> 00:17:17,400

interviewed all the contactees of the

299

00:17:28,100 --> 00:17:22,550

day Howard manager oldest oldest car

300

00:17:30,680 --> 00:17:28,110

George Adamski all these people and a

301

00:17:31,760 --> 00:17:30,690

lot of prestigious contactees and

302

00:17:35,930 --> 00:17:31,770

ufologists

303

00:17:41,810 --> 00:17:35,940

Frank Edwards let's see dr. Frank

304

00:17:46,160 --> 00:17:41,820

strangers was on there and so a lot of

305

00:17:51,350 --> 00:17:46,170

documentation from from his program from

306

00:17:57,010 --> 00:17:51,360

the 1950s into the mid-1960s and his

307

00:17:59,900 --> 00:17:57,020

long battle against UFO secrecy and the

308

00:18:05,180 --> 00:17:59,910

attempts by the government to downplay

309

00:18:08,660 --> 00:18:05,190

the the contactees and efforts at spying

310

00:18:10,880 --> 00:18:08,670

on them and trying to reduce their

311

00:18:13,850 --> 00:18:10,890

credibility and so and so for

312

00:18:18,590 --> 00:18:13,860

so it as it turned out a long time and a

313

00:18:22,190 --> 00:18:18,600

lot of a lot of respect for the the

314

00:18:26,780 --> 00:18:22,200

contactees and there's photographs in

315

00:18:30,800 --> 00:18:26,790

there with Evelyn Smith otherwise known

316

00:18:32,810 --> 00:18:30,810

as a Zora reigns she was the science

317

00:18:37,120 --> 00:18:32,820

fiction writer wealth while here on

318

00:18:43,970 --> 00:18:37,130

earth and in the photographs of him with

319

00:18:49,460 --> 00:18:43,980

George Adamski and and some other other

320

00:18:53,720 --> 00:18:49,470

of the contactees Dominic Luchessi was

321

00:18:56,570 --> 00:18:53,730

one of them his story is in the is in

322

00:19:01,070 --> 00:18:56,580

the book I got to he was in New Jersey

323

00:19:04,910 --> 00:19:01,080

ham operator and he worked very closely

324

00:19:09,800 --> 00:19:04,920

with Gray Barker and publishing the

325

00:19:14,900 --> 00:19:09,810

saucer news and also on the East Coast

326

00:19:18,140 --> 00:19:14,910

there with with James Mosely and he

327

00:19:23,360 --> 00:19:18,150

worked with also with all those UFO

328

00:19:28,220 --> 00:19:23,370

groups in New Jersey and leamanczyk who

329

00:19:33,950 --> 00:19:28,230

was working with civilian saucer

330

00:19:38,240 --> 00:19:33,960

intelligence and nightcap and his story

331

00:19:42,950 --> 00:19:38,250

is very very interesting because he and

332

00:19:45,470 --> 00:19:42,960

he and a friend had received a

333

00:19:51,170 --> 00:19:45,480

communication on their shortwave radio

334

00:19:57,890 --> 00:19:51,180

under ham radio from aura Raines first

335

00:20:00,350 --> 00:19:57,900

an encoded message and then later to go

336

00:20:03,230 --> 00:20:00,360

to the coordinates out in the New Jersey

337

00:20:05,990 --> 00:20:03,240

countryside where they met her and the

338

00:20:12,770 --> 00:20:06,000

landed saucer and when it went on board

339

00:20:20,000 --> 00:20:12,780

the saucer and and then he drew he drew

340

00:20:24,240 --> 00:20:20,010

pictures of her as well as from pictures

341

00:20:27,810 --> 00:20:24,250

base and others encounters with her and

342

00:20:30,419 --> 00:20:27,820

and her spaceship and so all that

343

00:20:34,110 --> 00:20:30,429

information is there in it's entirely

344

00:20:37,529 --> 00:20:34,120

for the first time that that people can

345

00:20:40,799 --> 00:20:37,539

see it in the vast Venus conspiracy so

346

00:20:44,850 --> 00:20:40,809

just in a couple weeks it'll be out in

347

00:20:49,620 --> 00:20:44,860

Kindle it'll be a kindle version as well

348

00:20:52,140 --> 00:20:49,630

as a hardcover book on on Amazon

349

00:20:54,779 --> 00:20:52,150

well I'd ever look forward to reading it

350

00:20:57,260 --> 00:20:54,789

I mean I I'm amazed at some of the

351

00:21:01,980 --> 00:20:57,270

information that you're able to uncover

352

00:21:05,789 --> 00:21:01,990

I you're a crew ufologist I mean you

353

00:21:09,450 --> 00:21:05,799

know the lore do you arm do you believe

354

00:21:11,029 --> 00:21:09,460

that the government I mean this is just

355

00:21:15,029 --> 00:21:11,039

an opinion do you believe the government

356

00:21:16,980 --> 00:21:15,039

worked harder back in the day with

357

00:21:20,630 --> 00:21:16,990

trying to keep the lid on the UFO

358

00:21:23,970 --> 00:21:20,640

phenomena more so than they do now I

359

00:21:30,409 --> 00:21:23,980

think initially they were they were open

360

00:21:33,510 --> 00:21:30,419

to assistance when people check out

361

00:21:36,840 --> 00:21:33,520

check out the Phantom's and monsters

362

00:21:39,389 --> 00:21:36,850

website they can read about the early

363

00:21:43,460 --> 00:21:39,399

foundations of the aerial phenomena

364

00:21:47,700 --> 00:21:43,470

research organization established by a

365

00:21:51,600 --> 00:21:47,710

coral or ensign and she tell us about

366

00:21:56,100 --> 00:21:51,610

that about the the air force's the air

367

00:21:58,440 --> 00:21:56,110

force was formed in 1948 and it used to

368

00:22:00,870 --> 00:21:58,450

be the Army Air Corps

369

00:22:06,139 --> 00:22:00,880

almost immediately after the Air Force

370

00:22:09,450 --> 00:22:06,149

was was formed they had switched from

371

00:22:13,440 --> 00:22:09,460

from project grudge to powerlessly

372

00:22:17,430 --> 00:22:13,450

project project sign to project grudge

373

00:22:22,549 --> 00:22:17,440

and then to project Bluebook within the

374

00:22:29,399 --> 00:22:22,559

first couple of years and during the

375

00:22:35,790 --> 00:22:29,409

Bluebook era that began in 1952 or 48

376

00:22:40,650 --> 00:22:35,800

and then by 1952 it was

377

00:22:44,350 --> 00:22:40,660

captain Edward J ruppelt he was the the

378

00:22:48,100 --> 00:22:44,360

director of it and dr. J Allen Hynek was

379

00:22:52,240 --> 00:22:48,110

his chief consult consulting officer

380

00:22:57,160 --> 00:22:52,250

they actually sought the assistance of

381

00:23:01,750 --> 00:22:57,170

civilian UFO groups in recruiting their

382

00:23:05,020 --> 00:23:01,760

members to be to be sky watchers and

383

00:23:08,050 --> 00:23:05,030

then as as you know that the radar net

384

00:23:10,690 --> 00:23:08,060

around the United States and not been

385

00:23:13,000 --> 00:23:10,700

fully established so there were lots of

386

00:23:18,520 --> 00:23:13,010

gaps and they figured that they had

387

00:23:22,600 --> 00:23:18,530

about 20 23 states where they they were

388

00:23:26,470 --> 00:23:22,610

lacking coverage so they needed they

389

00:23:32,290 --> 00:23:26,480

needed people on the ground as spotters

390

00:23:39,640 --> 00:23:32,300

for four unidentified aircraft and Cora

391

00:23:43,780 --> 00:23:39,650

Lorenzen who founded a pro in in 1952

392

00:23:47,470 --> 00:23:43,790

and Sturgeon Bay Wisconsin already had

393

00:23:49,720 --> 00:23:47,480

an international operation going with

394

00:23:52,810 --> 00:23:49,730

contacts worldwide and of course all

395

00:23:55,630 --> 00:23:52,820

across the United States and and Canada

396

00:24:02,800 --> 00:23:55,640

and she recruited members in the United

397

00:24:08,490 --> 00:24:02,810

States to service as as spotters but but

398

00:24:13,890 --> 00:24:08,500

what had happened as as you look at the

399

00:24:16,990 --> 00:24:13,900

the archives of a pro as well as the

400

00:24:21,700 --> 00:24:17,000

IFSP International Flying Saucer Bureau

401
00:24:25,500 --> 00:24:21,710
of Albert K bender and Connecticut what

402
00:24:28,420 --> 00:24:25,510
we see is that there was a gradual

403
00:24:33,040 --> 00:24:28,430
diminishing of cooperation between the

404
00:24:35,650 --> 00:24:33,050
government and the government and the

405
00:24:39,490 --> 00:24:35,660
civilian UFO groups and what Cora

406
00:24:44,230 --> 00:24:39,500
Lorenzen thought was was happening was

407
00:24:47,710 --> 00:24:44,240
that that even Blue Book was being left

408
00:24:49,450 --> 00:24:47,720
in the dark and being fed a lot of bogus

409
00:24:57,519 --> 00:24:49,460
reports

410
00:25:03,610 --> 00:24:57,529
as as as we see various various sections

411
00:25:09,029 --> 00:25:03,620
of operations within the CIA were we're

412
00:25:12,789 --> 00:25:09,039
taking charge of the real high level UFO

413
00:25:19,560 --> 00:25:12,799

investigations and coral was able to get

414

00:25:23,560 --> 00:25:19,570

a hold of the Robertson panel report and

415

00:25:25,990 --> 00:25:23,570

she was also able to discover through

416

00:25:28,090 --> 00:25:26,000

her own channels of people in the

417

00:25:32,289 --> 00:25:28,100

military that would leak her various

418

00:25:35,879 --> 00:25:32,299

information that dr. Menzel Donald

419

00:25:39,629 --> 00:25:35,889

Menzel and others were on the payroll of

420

00:25:42,850 --> 00:25:39,639

the CIA and I had a lot of their their

421

00:25:46,810 --> 00:25:42,860

projects at various universities that

422

00:25:50,259 --> 00:25:46,820

were funded by the government and

423

00:25:56,379 --> 00:25:50,269

working through the working through the

424

00:26:02,500 --> 00:25:56,389

CIA on a recent program to I did was up

425

00:26:10,169 --> 00:26:02,510

in Canada with the yuphoria Chronicles I

426

00:26:16,659 --> 00:26:10,179

revealed a document a CIA document where

427

00:26:19,330 --> 00:26:16,669

dr. Stanton Friedman was working through

428

00:26:22,600 --> 00:26:19,340

the CIA with the dispatch from the

429

00:26:27,129 --> 00:26:22,610

Atomic Energy Commission to go to West

430

00:26:34,269 --> 00:26:27,139

Africa in pursuit of an object that had

431

00:26:38,019 --> 00:26:34,279

crashed in in a in a small West African

432

00:26:43,389 --> 00:26:38,029

country it was cut then known as the

433

00:26:48,700 --> 00:26:43,399

upper volta and to retrieve the retrieve

434

00:26:56,100 --> 00:26:48,710

this object and so we see that that his

435

00:27:00,720 --> 00:26:56,110

interest in in UFOs goes way back and

436

00:27:02,499 --> 00:27:00,730

his involvement in it is is a lot

437

00:27:06,879 --> 00:27:02,509

steeper than any

438

00:27:09,639 --> 00:27:06,889

but I have a copy of that of that CIA

439

00:27:13,589 --> 00:27:09,649

report with all the actionable agencies

440

00:27:17,949 --> 00:27:13,599

on it and Stanton Friedman features

441

00:27:21,999 --> 00:27:17,959

prominently prominently in it so you

442

00:27:29,459 --> 00:27:22,009

know there was a there's definitely an

443

00:27:32,949 --> 00:27:29,469

increased a an increased level of

444

00:27:37,499 --> 00:27:32,959

government control over that and by the

445

00:27:39,729 --> 00:27:37,509

by the CIA that was even marginalizing

446

00:27:45,939 --> 00:27:39,739

project project Bluebook

447

00:27:49,719 --> 00:27:45,949

so choral notice that that they were

448

00:27:52,959 --> 00:27:49,729

getting reports a Pro aerial phenomena

449

00:27:55,449 --> 00:27:52,969

research organization we're getting all

450

00:27:58,199 --> 00:27:55,459

the good supports you know cryptid

451
00:28:02,979 --> 00:27:58,209
sightings and occupants and everything

452
00:28:05,279 --> 00:28:02,989
contact these and Project Blue Book was

453
00:28:09,849 --> 00:28:05,289
just getting basically lights and the

454
00:28:16,119 --> 00:28:09,859
lights in the sky and that started to

455
00:28:19,799 --> 00:28:16,129
happen and started to intensify that

456
00:28:23,499 --> 00:28:19,809
rift after the summer of 1952 because

457
00:28:27,339 --> 00:28:23,509
June 1952 is when the Washington

458
00:28:30,189 --> 00:28:27,349
National sightings took place right that

459
00:28:33,399 --> 00:28:30,199
was that was really the start of the

460
00:28:36,159 --> 00:28:33,409
Flying Saucer controversy in America

461
00:28:44,019 --> 00:28:36,169
because all the major newspapers look

462
00:28:47,889 --> 00:28:44,029
like they were all publishing articles

463
00:28:50,259 --> 00:28:47,899

about flying saucers you know it's

464

00:28:53,109 --> 00:28:50,269

interesting that you mentioned that my

465

00:28:57,879 --> 00:28:53,119

father was in was in the Air Force from

466

00:28:59,649 --> 00:28:57,889

52 to 56 and he was with the five of the

467

00:29:03,609 --> 00:28:59,659

night the same bomber group that was a

468

00:29:08,199 --> 00:29:03,619

Roswell in 47 and so he knew a few

469

00:29:10,419 --> 00:29:08,209

people that were at Roswell and it's

470

00:29:13,989 --> 00:29:10,429

interesting he never wanted to talk

471

00:29:16,210 --> 00:29:13,999

about Blue Book or anything else

472

00:29:17,770 --> 00:29:16,220

associated with UFOs I'm not

473

00:29:20,230 --> 00:29:17,780

to get him to talk about it for years

474

00:29:23,710 --> 00:29:20,240

and he just wouldn't do it and he was

475

00:29:27,669 --> 00:29:23,720

actually stationed in Morocco for

476

00:29:30,360 --> 00:29:27,679

several years after he got in and it was

477

00:29:34,450 --> 00:29:30,370

working with the Strategic Air Command

478

00:29:37,330 --> 00:29:34,460

so I don't know you I don't know what

479

00:29:39,549 --> 00:29:37,340

exactly was going on but from things

480

00:29:42,430 --> 00:29:39,559

that I have heard from other people and

481

00:29:45,789 --> 00:29:42,440

from what I've read it did seem that the

482

00:29:48,090 --> 00:29:45,799

Air Force and I guess the government in

483

00:29:52,750 --> 00:29:48,100

general became much more secretive about

484

00:29:58,450 --> 00:29:52,760

UFO activity as time went on oh yes they

485

00:30:01,840 --> 00:29:58,460

sure did because the the CIA was what

486

00:30:06,850 --> 00:30:01,850

was concerned because the UFOs were

487

00:30:09,810 --> 00:30:06,860

appearing over military bases in all

488

00:30:13,380 --> 00:30:09,820

across the United States and across the

489

00:30:19,419 --> 00:30:13,390

the Soviet Union and also in China

490

00:30:24,460 --> 00:30:19,429

hmm and there was also this neutralizing

491

00:30:27,450 --> 00:30:24,470

of atomic stockpiles with these with the

492

00:30:31,890 --> 00:30:27,460

deployment of these green fireballs

493

00:30:34,539 --> 00:30:31,900

mm-hmm and so it was a big national

494

00:30:38,130 --> 00:30:34,549

security concern and it's interesting

495

00:30:42,549 --> 00:30:38,140

too that you mentioned Morocco because

496

00:30:44,940 --> 00:30:42,559

out of Spain there was there was a

497

00:30:52,149 --> 00:30:44,950

bomber that had totally disappeared

498

00:30:56,500 --> 00:30:52,159

brain and it's flying over over the

499

00:30:59,950 --> 00:30:56,510

Mediterranean out of Spain I headed over

500

00:31:04,570 --> 00:30:59,960

a North Africa and it just disappeared

501
00:31:06,669 --> 00:31:04,580
completely and nobody's ever found it

502
00:31:10,210 --> 00:31:06,679
and it's really hard to get information

503
00:31:18,299 --> 00:31:10,220
on that case but but I do have some of

504
00:31:21,640 --> 00:31:18,309
it that that that I've published I'm I

505
00:31:24,130 --> 00:31:21,650
think I think it's in one of these I

506
00:31:27,070 --> 00:31:24,140
think it's in the new Venus book - right

507
00:31:28,760 --> 00:31:27,080
okay yeah you know I always thought it

508
00:31:33,100 --> 00:31:28,770
was interesting you know

509
00:31:36,020 --> 00:31:33,110
because I knew your station there and

510
00:31:39,320 --> 00:31:36,030
but when I went I would ever bring the

511
00:31:41,510 --> 00:31:39,330
subject of UFOs up through the book or

512
00:31:44,450 --> 00:31:41,520
you know he would he would absolutely

513
00:31:48,590 --> 00:31:44,460

refuse to talk about it even to his

514

00:31:51,080 --> 00:31:48,600

dying day he wouldn't talk about it it

515

00:31:53,810 --> 00:31:51,090

may it may have been it wouldn't it

516

00:31:58,100 --> 00:31:53,820

wasn't anything personal but when you're

517

00:32:02,180 --> 00:31:58,110

in the military and then when you when

518

00:32:06,440 --> 00:32:02,190

you leave they have you sign a yeah they

519

00:32:09,460 --> 00:32:06,450

have you sign you have a briefing and

520

00:32:12,200 --> 00:32:09,470

then he's signed under penalty of

521

00:32:17,240 --> 00:32:12,210

penalty of law and a twenty thousand

522

00:32:19,430 --> 00:32:17,250

dollar fine that that anything of a

523

00:32:25,190 --> 00:32:19,440

classified nature day that he worked

524

00:32:27,110 --> 00:32:25,200

with that you won't talk about it yeah

525

00:32:28,340 --> 00:32:27,120

it was kind of frustrating because I

526

00:32:30,590 --> 00:32:28,350

tell you you know since I've been

527

00:32:33,050 --> 00:32:30,600

involved with a lot of freezing

528

00:32:34,610 --> 00:32:33,060

phenomena over the years he had he

529

00:32:38,570 --> 00:32:34,620

didn't want to have anything to do with

530

00:32:42,320 --> 00:32:38,580

it talk about any of it and you know of

531

00:32:45,130 --> 00:32:42,330

course I used to have his reunion so

532

00:32:49,010 --> 00:32:45,140

they used to have the reunions are read

533

00:32:53,030 --> 00:32:49,020

over in Dayton every year over at ray

534

00:32:56,210 --> 00:32:53,040

Patterson and I did tag along with him

535

00:32:58,190 --> 00:32:56,220

on two occasions and it was very

536

00:33:02,150 --> 00:32:58,200

interesting talking some of the people

537

00:33:05,270 --> 00:33:02,160

that were there some would say things

538

00:33:08,660 --> 00:33:05,280

and I overall pressing that I got from

539

00:33:11,570 --> 00:33:08,670

people was that yeah Roswell was real

540

00:33:14,150 --> 00:33:11,580

that that whole incident happened what

541

00:33:15,140 --> 00:33:14,160

you hear probably did happen but of

542

00:33:19,670 --> 00:33:15,150

course they're not going to go into

543

00:33:23,500 --> 00:33:19,680

detail but you know it but as far as he

544

00:33:27,650 --> 00:33:23,510

went he just would not talk about it

545

00:33:31,490 --> 00:33:27,660

well I think I could understand I I

546

00:33:38,330 --> 00:33:31,500

could understand his his trepidation to

547

00:33:41,560 --> 00:33:38,340

how to do that what what coral did to

548

00:33:45,820 --> 00:33:41,570

protect protect sources

549

00:33:48,520 --> 00:33:45,830

she from the early days of the APRA

550

00:33:55,180 --> 00:33:48,530

bullets and she began to to publish a

551
00:33:59,680 --> 00:33:55,190
rumors column okay and so airmen and

552
00:34:02,380 --> 00:33:59,690
other people that didn't want their

553
00:34:04,690 --> 00:34:02,390
identity disclosed or you know any

554
00:34:06,400 --> 00:34:04,700
chance of ruining their career or

555
00:34:10,470 --> 00:34:06,410
anything at that time

556
00:34:14,410 --> 00:34:10,480
maybe out of fear of ridicule or or just

557
00:34:20,470 --> 00:34:14,420
security could concerns could tell their

558
00:34:23,380 --> 00:34:20,480
story and then she would publish the the

559
00:34:25,900 --> 00:34:23,390
basic elements of it and so what I did

560
00:34:29,130 --> 00:34:25,910
in that series of articles was to take

561
00:34:34,810 --> 00:34:29,140
the rumors and then to correlate it with

562
00:34:37,330 --> 00:34:34,820
with other known facts about about UFO

563
00:34:43,360 --> 00:34:37,340

cases that were emerging at that

564

00:34:45,840 --> 00:34:43,370

particular time and so there was a lot

565

00:34:50,280 --> 00:34:45,850

of connections there that I found with

566

00:34:57,180 --> 00:34:50,290

the Aztec New Mexico crash in March of

567

00:35:02,400 --> 00:34:57,190

1948 brain and other incidents that

568

00:35:06,930 --> 00:35:02,410

contrary to popular belief really happen

569

00:35:13,060 --> 00:35:06,940

and in the risk they read that article

570

00:35:15,790 --> 00:35:13,070

on your on your webpage or if they check

571

00:35:19,120 --> 00:35:15,800

out my second book the final countdown

572

00:35:23,740 --> 00:35:19,130

Rockets to Venus they can read about the

573

00:35:27,100 --> 00:35:23,750

the president of the shale company in in

574

00:35:31,720 --> 00:35:27,110

Colorado who was dispatched dispatching

575

00:35:36,430 --> 00:35:31,730

equipment to halt the saucer out at

576

00:35:39,670 --> 00:35:36,440

Aztec and transported to Los Alamos in

577

00:35:42,510 --> 00:35:39,680

New Mexico the the the immigrant

578

00:35:45,310 --> 00:35:42,520

photographer from Lithuania and the

579

00:35:52,480 --> 00:35:45,320

refugees from the communist country who

580

00:35:54,980 --> 00:35:52,490

was also a doctor a PhD and he went

581

00:35:59,690 --> 00:35:54,990

inside the saucer and took pictures

582

00:36:03,410 --> 00:35:59,700

it like honeycomb lattice the type of

583

00:36:07,280 --> 00:36:03,420

array the measurements of the saucer the

584

00:36:10,850 --> 00:36:07,290

significance of the magnetic principles

585

00:36:13,130 --> 00:36:10,860

and the number nine and everything that

586

00:36:16,750 --> 00:36:13,140

Frank Scully wrote about in behind the

587

00:36:20,900 --> 00:36:16,760

flying saucers it's all there for the

588

00:36:27,220 --> 00:36:20,910

for the first time and one of this

589

00:36:31,220 --> 00:36:27,230

information that it comes from from very

590

00:36:34,870 --> 00:36:31,230

very reliable sources and I do document

591

00:36:39,160 --> 00:36:34,880

everything so people can follow up on it

592

00:36:43,310 --> 00:36:39,170

dr. Leo sprinkle was one of this

593

00:36:47,000 --> 00:36:43,320

scientific consultants to a pro from

594

00:36:54,020 --> 00:36:47,010

early on and he wrote the introduction

595

00:36:57,170 --> 00:36:54,030

to to the very first Venus book a Venus

596

00:36:59,560 --> 00:36:57,180

rising a concise history of the second

597

00:37:02,870 --> 00:36:59,570

planet so since my early days and

598

00:37:08,720 --> 00:37:02,880

ufology going back like fifty five years

599

00:37:11,240 --> 00:37:08,730

I was a member of of a pro and proud to

600

00:37:15,590 --> 00:37:11,250

be a have been a member of that

601
00:37:18,050 --> 00:37:15,600
prestigious UFO group yeah you have

602
00:37:20,210 --> 00:37:18,060
probably seen a lot more than you have

603
00:37:28,160 --> 00:37:20,220
one that you've actually talked about

604
00:37:31,040 --> 00:37:28,170
I'm quite sure oh oh yes and I realized

605
00:37:36,140 --> 00:37:31,050
that you know that there's a certain

606
00:37:40,030 --> 00:37:36,150
woowoo factor yeah in all this but but I

607
00:37:43,520 --> 00:37:40,040
kind of take my cue from one of the

608
00:37:48,859 --> 00:37:43,530
early pioneers of ufology that I admired

609
00:37:53,990 --> 00:37:48,869
very much was George Adamski and right I

610
00:37:57,170 --> 00:37:54,000
have one of his one of his books that

611
00:37:59,750 --> 00:37:57,180
very few few people have seen just

612
00:38:07,890 --> 00:37:59,760
before he died a few months before he

613
00:38:09,809 --> 00:38:07,900

died in 1965 he he was concerned

614

00:38:13,700 --> 00:38:09,819

about his health and he didn't know if

615

00:38:18,210 --> 00:38:13,710

he was going to you know how long he was

616

00:38:20,760 --> 00:38:18,220

going to go on so what he did was he put

617

00:38:22,079 --> 00:38:20,770

together a pamphlet and he gave it to

618

00:38:24,900 --> 00:38:22,089

its inner circle

619

00:38:27,299 --> 00:38:24,910

it's called answers to questions most

620

00:38:30,059 --> 00:38:27,309

frequently asked about our space

621

00:38:32,519 --> 00:38:30,069

visitors and other another planets and

622

00:38:35,039 --> 00:38:32,529

the first question that they asked him

623

00:38:38,010 --> 00:38:35,049

was have you published in other books

624

00:38:41,059 --> 00:38:38,020

and supplying saucers farewell and that

625

00:38:45,269 --> 00:38:41,069

was his third his third book about

626
00:38:50,519 --> 00:38:45,279
flying saucers from Venus and he said no

627
00:38:53,190 --> 00:38:50,529
but I hope to if if time permits and

628
00:38:56,670 --> 00:38:53,200
that's kind of how I feel because as a

629
00:39:02,130 --> 00:38:56,680
as a survivor of open-heart surgery at

630
00:39:05,910 --> 00:39:02,140
the Pittsburgh VA hospital I don't know

631
00:39:09,120 --> 00:39:05,920
you know exactly like I'm just on

632
00:39:13,289 --> 00:39:09,130
borrowed time so to speak so I want to

633
00:39:16,799 --> 00:39:13,299
get all these books out as as as much as

634
00:39:20,010 --> 00:39:16,809
I can to to get this information out

635
00:39:23,609 --> 00:39:20,020
there before it gets lost well I tell

636
00:39:27,000 --> 00:39:23,619
you and I and I do appreciate I do

637
00:39:29,490 --> 00:39:27,010
appreciate you a lot great cuz you and I

638
00:39:31,440 --> 00:39:29,500

have been in the car together going to

639

00:39:34,260 --> 00:39:31,450

locations and some of the conversations

640

00:39:36,269 --> 00:39:34,270

we have had those times are quite

641

00:39:37,319 --> 00:39:36,279

interesting they have been very

642

00:39:41,490 --> 00:39:37,329

interesting

643

00:39:45,180 --> 00:39:41,500

oh yes yes oh I really appreciate you

644

00:39:49,559 --> 00:39:45,190

long and I appreciate your column and

645

00:39:53,130 --> 00:39:49,569

the and the and the program I think it's

646

00:39:58,980 --> 00:39:53,140

it's it's it's really great because

647

00:40:02,670 --> 00:39:58,990

you're giving a voice to do to a lot of

648

00:40:05,190 --> 00:40:02,680

people that that need to be heard one of

649

00:40:09,480 --> 00:40:05,200

the people that you had on one of your

650

00:40:12,299 --> 00:40:09,490

programs is really outstanding Diane

651
00:40:15,210 --> 00:40:12,309
Tessman who protested The Time

652
00:40:18,230 --> 00:40:15,220
Traveller's she's also in a group of

653
00:40:21,180 --> 00:40:18,240
people that work very closely with

654
00:40:24,780 --> 00:40:21,190
through the through the years we talked

655
00:40:30,780 --> 00:40:24,790
Oh spring Paul yeah she didn't mention

656
00:40:33,240 --> 00:40:30,790
Leo sprinkle she did I believe he wrote

657
00:40:35,309 --> 00:40:33,250
an introduction to one of her books yes

658
00:40:38,099 --> 00:40:35,319
he did yeah absolutely he did

659
00:40:45,120 --> 00:40:38,109
yeah she I think she's published like

660
00:40:49,410 --> 00:40:45,130
five five books so far yes let me ask

661
00:40:51,960 --> 00:40:49,420
you this now of course Roswell was in 47

662
00:40:55,430 --> 00:40:51,970
you mentioned the Aztec incident was in

663
00:41:00,390 --> 00:40:55,440

48 you know is it is it coincidental

664

00:41:06,390 --> 00:41:00,400

just happenstance that the Cold War the

665

00:41:09,599 --> 00:41:06,400

nuclear age these UFO crashes and such

666

00:41:11,760 --> 00:41:09,609

Arnold settings all happen around the

667

00:41:16,160 --> 00:41:11,770

same time is that just coincidental is

668

00:41:19,730 --> 00:41:16,170

there something behind that I know it's

669

00:41:26,760 --> 00:41:19,740

it's there's nothing there's nothing

670

00:41:30,780 --> 00:41:26,770

coincidental about it because well it to

671

00:41:37,069 --> 00:41:30,790

my understanding all of all of space is

672

00:41:40,500 --> 00:41:37,079

filled with intelligences and many at

673

00:41:42,630 --> 00:41:40,510

higher dimensional levels and we just

674

00:41:46,589 --> 00:41:42,640

can't see it because it's operating at a

675

00:41:49,740 --> 00:41:46,599

higher vibration it's moving that the

676
00:41:52,950 --> 00:41:49,750
molecular structure of beings are moving

677
00:41:55,319 --> 00:41:52,960
much faster for example if you you know

678
00:41:58,620 --> 00:41:55,329
if you look at the blades of a fan when

679
00:42:00,720 --> 00:41:58,630
it's turned on and spinning at a high

680
00:42:03,480 --> 00:42:00,730
speed you could see right through it

681
00:42:07,800 --> 00:42:03,490
mm-hmm so it's you know basically the

682
00:42:11,430 --> 00:42:07,810
the same kind of the same kind of

683
00:42:14,309 --> 00:42:11,440
principle so all the planets of our

684
00:42:17,670 --> 00:42:14,319
solar system are inhabited either with

685
00:42:20,910 --> 00:42:17,680
indigenous life or her life that was

686
00:42:26,130 --> 00:42:20,920
brought there from from from somewhere

687
00:42:30,599 --> 00:42:26,140
else and Venus being the planet that's

688
00:42:32,880 --> 00:42:30,609

nearest to to the earth would have the

689

00:42:34,010 --> 00:42:32,890

greatest concern as we enter the space

690

00:42:40,970 --> 00:42:34,020

age

691

00:42:45,140 --> 00:42:40,980

taking that we're taking our aggressions

692

00:42:47,960 --> 00:42:45,150

into into our space because it's kind of

693

00:42:50,990 --> 00:42:47,970

there goes the neighborhood type all

694

00:42:54,350 --> 00:42:51,000

right there goes the neighborhood type

695

00:42:56,660 --> 00:42:54,360

scenario so naturally they're concerned

696

00:43:01,580 --> 00:42:56,670

about that and especially the moon

697

00:43:06,890 --> 00:43:01,590

because the moon has been an observation

698

00:43:09,470 --> 00:43:06,900

post for the saucer intelligences for

699

00:43:13,940 --> 00:43:09,480

for countless millennia as they've been

700

00:43:17,090 --> 00:43:13,950

closely observing our progress here on

701
00:43:20,980 --> 00:43:17,100
earth and they they have intervened from

702
00:43:24,430 --> 00:43:20,990
time to time contacting governments

703
00:43:27,920 --> 00:43:24,440
government officials in high places

704
00:43:33,430 --> 00:43:27,930
trusted government officials working for

705
00:43:36,770 --> 00:43:33,440
peace and scientists in areas that can

706
00:43:37,810 --> 00:43:36,780
benefit humankind and the progress of

707
00:43:43,160 --> 00:43:37,820
humankind

708
00:43:51,410 --> 00:43:43,170
like valiant Thor was contributing

709
00:43:57,290 --> 00:43:51,420
information about peaceful development

710
00:44:00,500 --> 00:43:57,300
of space and space medicine and and and

711
00:44:04,730 --> 00:44:00,510
so forth but not sharing any technology

712
00:44:09,130 --> 00:44:04,740
that were there that would increase you

713
00:44:11,600 --> 00:44:09,140

know what mentation of weaponry right

714

00:44:15,350 --> 00:44:11,610

you know we're gonna we're gonna have to

715

00:44:17,420 --> 00:44:15,360

do a show one time in relation to a

716

00:44:21,140 --> 00:44:17,430

valiant Thor and the Pentagon and that

717

00:44:25,310 --> 00:44:21,150

whole story behind all that because that

718

00:44:28,850 --> 00:44:25,320

is a fascinating story and I personally

719

00:44:31,700 --> 00:44:28,860

believe there's still a lot that's still

720

00:44:36,310 --> 00:44:31,710

going on in relation to even though I've

721

00:44:41,510 --> 00:44:36,320

so many years ago to the value of Thor's

722

00:44:46,310 --> 00:44:41,520

presence and Pentagon oh yes well and

723

00:44:49,280 --> 00:44:46,320

the the rent.com website

724

00:44:52,310 --> 00:44:49,290

I published a series of articles and on

725

00:44:55,040 --> 00:44:52,320

the promise revealed that has the

726

00:45:01,010 --> 00:44:55,050

notebook that valiant Thor was writing

727

00:45:03,650 --> 00:45:01,020

in on that day in 1958 at the at the

728

00:45:06,080 --> 00:45:03,660

Menger farm on angered farm at

729

00:45:10,720 --> 00:45:06,090

Highbridge and then the other photos

730

00:45:15,110 --> 00:45:10,730

that were taken that day at the farm of

731

00:45:17,030 --> 00:45:15,120

the Tharp sisters and other people that

732

00:45:20,720 --> 00:45:17,040

were in attendance inside Howard

733

00:45:24,500 --> 00:45:20,730

managers house late at night in the sky

734

00:45:27,740 --> 00:45:24,510

watch and Howard mangers son talking

735

00:45:32,210 --> 00:45:27,750

about the cigar shape ship and all of

736

00:45:36,440 --> 00:45:32,220

our GISI Roberts the photographer that

737

00:45:40,550 --> 00:45:36,450

day his his typed comments and his feel

738

00:45:49,430 --> 00:45:40,560

on the back of of of all those photos

739

00:45:52,100 --> 00:45:49,440

and I was helping Greg Campobasso he did

740

00:45:54,950 --> 00:45:52,110

allow those blaxploitation films and

741

00:45:57,500 --> 00:45:54,960

Rhine Sky Captain and the World of

742

00:46:00,980 --> 00:45:57,510

Tomorrow but he was also working he's

743

00:46:04,190 --> 00:46:00,990

got a 23 minute segment on valiant Thor

744

00:46:07,280 --> 00:46:04,200

that he's done so far and he's looking

745

00:46:10,580 --> 00:46:07,290

to do a full-length feature on the

746

00:46:13,970 --> 00:46:10,590

valiant Thor story yeah that would be

747

00:46:17,720 --> 00:46:13,980

interesting a Pentagon and so I was

748

00:46:21,140 --> 00:46:17,730

-serving as a consultant oh no I think I

749

00:46:24,190 --> 00:46:21,150

mean information on that and I'd be

750

00:46:28,280 --> 00:46:24,200

happy to do a program on on just on

751

00:46:30,560 --> 00:46:28,290

valiant pour anytime you'd like what

752

00:46:32,690 --> 00:46:30,570

okay that sounds great I mean I'm going

753

00:46:36,680 --> 00:46:32,700

to take you up on that because it is a

754

00:46:39,560 --> 00:46:36,690

quite interesting story now not too long

755

00:46:43,340 --> 00:46:39,570

ago and you and I talked about this a

756

00:46:46,370 --> 00:46:43,350

bit on one of our trips you were at the

757

00:46:50,840 --> 00:46:46,380

you were in China tell us a bit about

758

00:46:54,880 --> 00:46:50,850

your adventure in China okay well we

759

00:46:58,940 --> 00:46:54,890

were sponsored by by a consortium of

760

00:47:00,260 --> 00:46:58,950

metaphysical and and UFO groups there

761

00:47:05,390 --> 00:47:00,270

myself and Rob

762

00:47:07,850 --> 00:47:05,400

water to come and talk about flying

763

00:47:14,660 --> 00:47:07,860

saucers the history of flying saucers

764

00:47:20,780 --> 00:47:14,670

over over China and life on Venus and

765

00:47:24,590 --> 00:47:20,790

and other planets and so forth and we

766

00:47:30,970 --> 00:47:24,600

went two to three cities in in China and

767

00:47:34,220 --> 00:47:30,980

the two of them in the North Tianjin and

768

00:47:41,770 --> 00:47:34,230

some other ones we didn't have any

769

00:47:46,130 --> 00:47:41,780

problem but when we got down to Chengdu

770

00:47:51,050 --> 00:47:46,140

we we started off as a metaphysical

771

00:47:57,350 --> 00:47:51,060

center there's a group like golden rose

772

00:48:05,920 --> 00:47:57,360

study group and as soon as I got set up

773

00:48:09,790 --> 00:48:08,690

immigration officers and police and

774

00:48:14,660 --> 00:48:09,800

everything

775

00:48:24,530 --> 00:48:14,670

rated it and shut us down and charged us

776

00:48:28,310 --> 00:48:24,540

with religious propaganda and then we

777

00:48:32,420 --> 00:48:28,320

were who we were in detention therefore

778

00:48:37,190 --> 00:48:32,430

the police station in Chengdu for 13

779

00:48:40,070 --> 00:48:37,200

hours and we we called the American

780

00:48:48,650 --> 00:48:40,080

consulate and that they advised us to

781

00:48:50,720 --> 00:48:48,660

just cooperate with them and he and hear

782

00:48:55,930 --> 00:48:50,730

that or just don't volunteer any

783

00:48:58,490 --> 00:48:55,940

information right at all but I told them

784

00:49:02,510 --> 00:48:58,500

you know we're not involved in any

785

00:49:05,360 --> 00:49:02,520

halting activity I said you could you

786

00:49:08,840 --> 00:49:05,370

could check you could check it out on

787

00:49:13,400 --> 00:49:08,850

Amazon or check B check the internet I

788

00:49:13,760 --> 00:49:13,410

don't represent any organisation I'm

789

00:49:22,930 --> 00:49:13,770

just

790

00:49:25,880 --> 00:49:22,940

represent me myself and I they let us go

791

00:49:29,390 --> 00:49:25,890

yeah you were detained in China for how

792

00:49:32,480 --> 00:49:29,400

long 13 hours yeah but you're you're

793

00:49:35,900 --> 00:49:32,490

actually grounded oh don't believe the

794

00:49:36,590 --> 00:49:35,910

country right right for like a week and

795

00:49:40,670 --> 00:49:36,600

a half

796

00:49:44,210 --> 00:49:40,680

oh my lord so the stories are true I

797

00:49:52,040 --> 00:49:44,220

mean they don't play around when it

798

00:49:56,230 --> 00:49:52,050

comes to I guess alternative culture you

799

00:50:02,690 --> 00:49:56,240

go it right there they're worried about

800

00:50:07,510 --> 00:50:02,700

all kind of ideas new ideas coming in

801
00:50:12,910 --> 00:50:07,520
there I know that there was some kind of

802
00:50:16,250 --> 00:50:12,920
some kind of religion or some kind of

803
00:50:19,040 --> 00:50:16,260
some kind of metaphysical study or where

804
00:50:22,490 --> 00:50:19,050
they do kind of movements and these kind

805
00:50:24,530 --> 00:50:22,500
of graceful movements and times but they

806
00:50:29,450 --> 00:50:24,540
were they were even worried about that

807
00:50:32,470 --> 00:50:29,460
and and conducted a campaign all over

808
00:50:37,400 --> 00:50:32,480
China to stop it and then they had the

809
00:50:41,090 --> 00:50:37,410
you know interfering and in all kind of

810
00:50:42,830 --> 00:50:41,100
religious activities and just calling

811
00:50:49,340 --> 00:50:42,840
everything a cult if they don't

812
00:50:54,109 --> 00:50:49,350
understand it and it's a it's a serious

813
00:50:56,630 --> 00:50:54,119

it's a serious problem but but while we

814

00:50:59,720 --> 00:50:56,640

were in China they had a lot of

815

00:51:04,099 --> 00:50:59,730

questions about about life on other

816

00:51:09,140 --> 00:51:04,109

planets so we answered we answered them

817

00:51:13,370 --> 00:51:09,150

it's as best we could and it caused it

818

00:51:16,190 --> 00:51:13,380

caused quite a sensation Wow yeah I you

819

00:51:18,740 --> 00:51:16,200

know you sent that article over to me

820

00:51:20,540 --> 00:51:18,750

the other day and I saw the photographs

821

00:51:24,920 --> 00:51:20,550

in there I'm well it was quite a group

822

00:51:26,960 --> 00:51:24,930

of people oh oh yes that was the that's

823

00:51:32,930 --> 00:51:26,970

the group in

824

00:51:37,640 --> 00:51:32,940

in chengdu on the on the first page

825

00:51:40,549 --> 00:51:37,650

right now you were sponsored by a

826
00:51:45,079 --> 00:51:40,559
religious organization when you went

827
00:51:47,299 --> 00:51:45,089
over there um it was not a religious

828
00:51:52,000 --> 00:51:47,309
organization per se it's just a

829
00:51:56,270 --> 00:51:52,010
metaphysical study group okay okay

830
00:51:59,690 --> 00:51:56,280
and but there were you know some

831
00:52:02,690 --> 00:51:59,700
Tibetans in there and uh some others

832
00:52:07,549 --> 00:52:02,700
that are that are persecuted minorities

833
00:52:10,670 --> 00:52:07,559
when within China so I suppose that

834
00:52:16,190 --> 00:52:10,680
didn't go over too yeah I can imagine

835
00:52:21,470 --> 00:52:16,200
you know I probably can do it it's in

836
00:52:27,200 --> 00:52:21,480
the in the province adjacent to Tibet

837
00:52:31,880 --> 00:52:27,210
right so I think it it may have been you

838
00:52:35,569 --> 00:52:31,890

know just kind of getting in the mid in

839

00:52:39,859 --> 00:52:35,579

the middle of a sticky situation yeah

840

00:52:42,680 --> 00:52:39,869

yeah well I mean you and you told me

841

00:52:43,130 --> 00:52:42,690

about that that story I thought oh my

842

00:52:47,750 --> 00:52:43,140

lord

843

00:52:49,339 --> 00:52:47,760

I mean how you the fact that they held

844

00:52:51,019 --> 00:52:49,349

you like to die and I you couldn't get

845

00:52:52,160 --> 00:52:51,029

out of the country because there was no

846

00:52:54,859 --> 00:52:52,170

flights out of there

847

00:52:57,769 --> 00:52:54,869

and then you had to wait an extra amount

848

00:53:00,890 --> 00:52:57,779

of time I don't know what I'd have been

849

00:53:05,660 --> 00:53:00,900

thinking but uh I guess you were pretty

850

00:53:10,750 --> 00:53:05,670

cool with oh well we had to just keep

851
00:53:16,130 --> 00:53:10,760
our composure because yeah if you know

852
00:53:18,019 --> 00:53:16,140
fighting it or or it beats like being in

853
00:53:21,260 --> 00:53:18,029
quicksand and you just you don't want to

854
00:53:25,569 --> 00:53:21,270
get deeper into it yeah oh absolutely

855
00:53:29,180 --> 00:53:25,579
no I can understand that so you've got a

856
00:53:33,829 --> 00:53:29,190
conference coming up again in Mount

857
00:53:37,779 --> 00:53:33,839

883

00:55:17,520 --> 00:55:14,050

two so you know you went to the

884

00:55:19,410 --> 00:55:17,530

conference last year or the year before

885

00:55:21,710 --> 00:55:19,420

I don't know which was I remember you

886

00:55:24,420 --> 00:55:21,720

were there

887

00:55:29,460 --> 00:55:24,430

what is this Congress going to be like

888

00:55:37,880 --> 00:55:29,470

compared to that one well when we were

889

00:55:48,970 --> 00:55:37,890

there in 2018 we had we had a great time

890

00:55:52,460 --> 00:55:48,980

there was sky watches meditations music

891

00:55:56,090 --> 00:55:52,470

lectures panels and so forth the same

892

00:56:02,080 --> 00:55:56,100

thing will will will take place we also

893

00:56:07,300 --> 00:56:02,090

had some we also had some some unusual

894

00:56:13,010 --> 00:56:07,310

some unusual visitors and we also had

895

00:56:19,370 --> 00:56:13,020

some forest fires that were that were

896

00:56:21,950 --> 00:56:19,380

going on Wow yeah so that that had to we

897

00:56:25,630 --> 00:56:21,960

had to cut things a little a little

898

00:56:30,530 --> 00:56:25,640

short because of that to get everybody

899

00:56:36,650 --> 00:56:30,540

out of there but but this year this year

900

00:56:38,390 --> 00:56:36,660

the the the the weather is good and it

901
00:56:43,940 --> 00:56:38,400
doesn't look like there's going to be

902
00:56:47,390 --> 00:56:43,950
any any worry about forest fires right

903
00:56:50,900 --> 00:56:47,400
that was also the year that in the pre

904
00:56:54,830 --> 00:56:50,910
and the year previous to that after I

905
00:56:56,900 --> 00:56:54,840
came out with the book cosmic rays

906
00:57:03,130 --> 00:56:56,910
excellent Venus adventure there's a

907
00:57:07,600 --> 00:57:03,140
whole chapter there that's in 2017 about

908
00:57:12,400 --> 00:57:07,610
Paradise California and the history

909
00:57:16,760 --> 00:57:12,410
interplanetary spaceship study group and

910
00:57:22,640 --> 00:57:16,770
the vincit of les Crandall Venusian

911
00:57:25,580 --> 00:57:22,650
contactee and whole history of sky

912
00:57:29,650 --> 00:57:25,590
watches and and one of the earliest UFO

913
00:57:32,300 --> 00:57:29,660

clubs associated with Daniel Frye's

914

00:57:38,390 --> 00:57:32,310

understanding group that was up there in

915

00:57:42,520 --> 00:57:38,400

in Paradise California and then I was

916

00:57:45,320 --> 00:57:42,530

sponsored by the the Public Library in

917

00:57:48,500 --> 00:57:45,330

Paradise to come and give lectures about

918

00:57:54,020 --> 00:57:48,510

the history of Paradise and flying

919

00:57:57,470 --> 00:57:54,030

saucers which is very successful and not

920

00:58:02,550 --> 00:57:57,480

long after that about a year after that

921

00:58:08,700 --> 00:58:02,560

the whole city burned town sure did that

922

00:58:10,590 --> 00:58:08,710

first fire in American history and I I

923

00:58:14,700 --> 00:58:10,600

did want to mention the last time you

924

00:58:17,910 --> 00:58:14,710

were on the show your accomplice on a

925

00:58:22,230 --> 00:58:17,920

Duran and unfortunately she has passed

926

00:58:25,800 --> 00:58:22,240

away since then because of the Kovan 19

927

00:58:31,020 --> 00:58:25,810

virus and she will be missed

928

00:58:35,600 --> 00:58:31,030

she will greatly she she assisted with

929

00:58:39,420 --> 00:58:35,610

the the research in in Paradise

930

00:58:43,070 --> 00:58:39,430

California and also the exploring the

931

00:58:48,240 --> 00:58:43,080

Native American connection right she was

932

00:58:52,740 --> 00:58:48,250

she was Cherokee originally from from

933

00:58:56,220 --> 00:58:52,750

Oklahoma who went up to live in Montana

934

00:58:59,070 --> 00:58:56,230

and then work for the University of

935

00:59:03,090 --> 00:58:59,080

Montana there at Missoula and then

936

00:59:06,540 --> 00:59:03,100

eventually made her way to to Morgantown

937

00:59:11,370 --> 00:59:06,550

West Virginia where I'm at she was also

938

00:59:14,970 --> 00:59:11,380

in that very group that that worked

939

00:59:19,680 --> 00:59:14,980

closely with we worked with talk to

940

00:59:22,290 --> 00:59:19,690

sprinkle Brian very interestingly I've

941

00:59:26,820 --> 00:59:22,300

gotten all her books and they are very

942

00:59:29,910 --> 00:59:26,830

very interesting yes they're terrific it

943

00:59:31,610 --> 00:59:29,920

she also edited the work by a lyric

944

00:59:35,910 --> 00:59:31,620

Annenberg about The Time Traveller's

945

00:59:41,960 --> 00:59:35,920

right that's why that I think it's

946

00:59:45,120 --> 00:59:41,970

important to this is very important to

947

00:59:49,200 --> 00:59:45,130

now that well now the Chiefs not around

948

00:59:53,040 --> 00:59:49,210

anymore but but Diane is still around so

949

00:59:56,520 --> 00:59:53,050

yeah sort to for people to hear her

950

00:59:57,750 --> 00:59:56,530

message as well well rain I appreciate

951

952

01:00:04,980 --> 01:00:01,090
