7
00:00:38,180 --> 00:00:34,760

Nordic humanoid where are the stairs

8
00:00:40,250 --> 00:00:38,190

I was asleep one night in November 2006

9
00:00:43,100 --> 00:00:40,260

in my two-bedroom two-story detached

10
00:00:46,310 --> 00:00:43,110

house on the Canadian Forces Base cold

11
00:00:48,500 --> 00:00:46,320

Lake Alberta Canada at about 1:00 a.m. I

12
00:00:50,479 --> 00:00:48,510

was awakened by two human looking beings

13
00:00:53,090 --> 00:00:50,489

coming from the direction of the window

14

00:00:55,640 --> 00:00:53,100

and approaching my bed one was tall and

15

00:00:58,070 --> 00:00:55,650

slender dressed casually very neat and

16

00:01:00,950 --> 00:00:58,080

clean with an aura that illuminated the

17

00:01:03,440 --> 00:01:00,960

room he had short fair colored hair and

18

00:01:05,630 --> 00:01:03,450

light-colored clothing he had a Nordic

19

00:01:08,090 --> 00:01:05,640

appearance the light seemed to emanate

20

00:01:10,640 --> 00:01:08,100

from behind him and enabled me to see

21

00:01:12,770 --> 00:01:10,650

pictures on the wall in a room the room

22

00:01:15,320 --> 00:01:12,780

was normally pitch-black at night with

23

00:01:17,359 --> 00:01:15,330

the blind pulled down on this beings

24

00:01:19,040 --> 00:01:17,369

right was a shorter less visible being

25

00:01:21,440 --> 00:01:19,050

who didn't have a war of and appeared

26
00:01:23,780 --> 00:01:21,450
unkempt not sure because he was less

27
00:01:26,150 --> 00:01:23,790
visible they were talking to each other

28
00:01:28,100 --> 00:01:26,160
as they approached my bed as they

29
00:01:30,260 --> 00:01:28,110
reached the bed the taller being turned

30
00:01:32,300 --> 00:01:30,270
from the shorter being and spoke to me

31
00:01:35,419 --> 00:01:32,310
in calm voice and said where are the

32
00:01:37,340 --> 00:01:35,429
stairs thinking to myself where am I and

33
00:01:40,100 --> 00:01:37,350
why are there people walking here where

34
00:01:42,950 --> 00:01:40,110
I am laying down I tried to assess the

35
00:01:45,320 --> 00:01:42,960
situation i gestured toward the bedroom

36
00:01:46,730 --> 00:01:45,330
door to my left with my left hand in

37
00:01:48,949 --> 00:01:46,740
response to his question

38
00:01:50,690 --> 00:01:48,959

they turned toward the door and walked

39

00:01:52,490 --> 00:01:50,700

through the closed door which appeared

40

00:01:54,650 --> 00:01:52,500

open or see-through in the aura light

41

00:01:57,499 --> 00:01:54,660

which made even the hallway and stairs

42

00:01:59,180 --> 00:01:57,509

visible to me they continued talking to

43

00:02:01,460 --> 00:01:59,190

each other and walked down the stairs

44

00:02:03,740 --> 00:02:01,470

and as they walked their footsteps and

45

00:02:05,749 --> 00:02:03,750

voices faded and the light faded until

46

00:02:08,840 --> 00:02:05,759

there was complete darkness and silence

47

00:02:10,520 --> 00:02:08,850

I was left wondering what just happened

48

00:02:12,770 --> 00:02:10,530

and wondering if I had left my

49

00:02:15,290 --> 00:02:12,780

downstairs house entrance unlocked I

50

00:02:18,050 --> 00:02:15,300

thought to myself of course I didn't

51
00:02:20,750 --> 00:02:18,060
leave it unlocked and I thought I'm not

52
00:02:22,640 --> 00:02:20,760
going downstairs to follow them I was

53
00:02:24,949 --> 00:02:22,650
little fearful as I don't know what

54
00:02:27,410 --> 00:02:24,959
these being were during the encounter I

55
00:02:29,720 --> 00:02:27,420
didn't feel scared it was only in

56
00:02:31,550 --> 00:02:29,730
retrospect I started thinking about what

57
00:02:33,860 --> 00:02:31,560
just had happened I became a little

58
00:02:36,830 --> 00:02:33,870
spooked but not enough to stop me from

59
00:02:39,500 --> 00:02:36,840
sleeping they seemed nice not angry or

60
00:02:41,539 --> 00:02:39,510
mean I had a similar encounter about a

61
00:02:43,040 --> 00:02:41,549
year after when a similar being came

62
00:02:45,470 --> 00:02:43,050
through the closed bedroom

63
00:02:47,510 --> 00:02:45,480

no again again I think they wanted to

64

00:02:49,760 --> 00:02:47,520

know I think where the stairs were as

65

00:02:52,070 --> 00:02:49,770

they came through the window they moved

66

00:02:54,260 --> 00:02:52,080

the blind aside and popped their head in

67

00:02:56,960 --> 00:02:54,270

and looked at me like he recognized me

68

00:03:00,260 --> 00:02:56,970

then smiled and came in he approached

69

00:03:02,270 --> 00:03:00,270

the bed there was only one this time the

70

00:03:11,300 --> 00:03:02,280

beings weren't from another era or time

71

00:03:16,619 --> 00:03:13,979

Oklahoma is so Nordic aliens third kind

72

00:03:18,569 --> 00:03:16,629

close encounter this past weekend I was

73

00:03:20,550 --> 00:03:18,579

spending some time out by Lake Arcadia

74

00:03:22,619 --> 00:03:20,560

the fraternity that I am a member of

75

00:03:24,690 --> 00:03:22,629

which is part of a nearby University

76

00:03:26,399 --> 00:03:24,700

just finished having our back to school

77

00:03:28,709 --> 00:03:26,409

get together with some of our members

78

00:03:30,780 --> 00:03:28,719

the location of the site was right by

79

00:03:32,459 --> 00:03:30,790

the shore of the lake it was about one

80

00:03:34,349 --> 00:03:32,469

o'clock in the morning and I was the

81

00:03:36,569 --> 00:03:34,359

last one there and had been by myself

82

00:03:38,610 --> 00:03:36,579

for around thirty minutes it was my

83

00:03:40,770 --> 00:03:38,620

responsibility that night to let no one

84

00:03:42,720 --> 00:03:40,780

drive back home while intoxicated and

85

00:03:44,970 --> 00:03:42,730

make sure the campsite was in good shape

86

00:03:47,099 --> 00:03:44,980

when we were done as a result of my

87

00:03:48,960 --> 00:03:47,109

duties that night I was completely sober

88

00:03:49,559 --> 00:03:48,970

and had not been drinking or using any

89

00:03:51,509 --> 00:03:49,569

drugs

90

00:03:53,759 --> 00:03:51,519

right after I loaded the last bag of

91

00:03:55,830 --> 00:03:53,769

trash in the back of my truck I had this

92

00:03:57,899 --> 00:03:55,840

strange urge to look at the lake the

93

00:03:59,970 --> 00:03:57,909

best way to describe that feeling was as

94

00:04:01,890 --> 00:03:59,980

if I had been daydreaming there was

95

00:04:03,390 --> 00:04:01,900

nothing unusual going on out on then all

96

00:04:05,759 --> 00:04:03,400

of the sudden there was a bright glowing

97

00:04:07,860 --> 00:04:05,769

light under the water at this particular

98

00:04:10,289 --> 00:04:07,870

distance I could tell exactly how large

99

00:04:11,940 --> 00:04:10,299

the circle was but it was big the shape

100

00:04:14,099 --> 00:04:11,950

was circular and had a light green

101
00:04:16,319 --> 00:04:14,109
yellowish glow with occasional pulsating

102
00:04:18,029 --> 00:04:16,329
read and blue lights I start added

103
00:04:19,770 --> 00:04:18,039
dumbfounded as it was moving slowly

104
00:04:22,020 --> 00:04:19,780
under the water from one side of the

105
00:04:23,730 --> 00:04:22,030
lake to the opposite side the object

106
00:04:25,800 --> 00:04:23,740
moved from one side and back to the

107
00:04:27,750 --> 00:04:25,810
other two or three times for about five

108
00:04:29,760 --> 00:04:27,760
minutes then it stopped almost near the

109
00:04:31,500 --> 00:04:29,770
center of the lake the object glowed

110
00:04:33,390 --> 00:04:31,510
brighter and brighter than shot straight

111
00:04:35,939 --> 00:04:33,400
out of the water and into the sky after

112
00:04:38,249 --> 00:04:35,949
that I turned around and ran as fast as

113
00:04:40,320 --> 00:04:38,259

I could to my truck once I got to my

114

00:04:42,300 --> 00:04:40,330

truck I stopped and fumbled around in my

115

00:04:44,310 --> 00:04:42,310

pockets for a couple of seconds looking

116

00:04:46,200 --> 00:04:44,320

for my keys and seemingly out of no

117

00:04:48,510 --> 00:04:46,210

where a bright light appeared above and

118

00:04:50,640 --> 00:04:48,520

slightly behind me I turned around to

119

00:04:53,010 --> 00:04:50,650

see what was behind me and there was was

120

00:04:55,439 --> 00:04:53,020

this giant ship it was two saucer-shaped

121

00:04:57,480 --> 00:04:55,449

one that everyone talks about but it had

122

00:04:59,790 --> 00:04:57,490

more of a cape shape it hadn't landed

123

00:05:01,710 --> 00:04:59,800

but just hovered around 20 to 30 feet

124

00:05:04,680 --> 00:05:01,720

off the ground for a couple of seconds

125

00:05:06,210 --> 00:05:04,690

then shot back up into the sky I turned

126
00:05:08,010 --> 00:05:06,220
back to my truck door and tried to

127
00:05:10,379 --> 00:05:08,020
unlock it when I caught something at the

128
00:05:12,659 --> 00:05:10,389
corner of my eye I jumped back against

129
00:05:14,610 --> 00:05:12,669
the side of my truck and about 15 feet

130
00:05:16,110 --> 00:05:14,620
away stood three people staring at me

131
00:05:18,390 --> 00:05:16,120
that had not been there prior to this

132
00:05:20,430 --> 00:05:18,400
incident there were two very attractive

133
00:05:22,920 --> 00:05:20,440
woman in one very tall man that was at

134
00:05:24,719 --> 00:05:22,930
least 10 feet high all of them had blond

135
00:05:26,939 --> 00:05:24,729
hair that was almost white in blue eyes

136
00:05:29,100 --> 00:05:26,949
they did not say anything to me directly

137
00:05:30,810 --> 00:05:29,110
but I heard one of the woman's voice in

138
00:05:33,510 --> 00:05:30,820

my head I know you're probably thinking

139

00:05:35,999 --> 00:05:33,520

that I am crazy but it did happen she

140

00:05:37,680 --> 00:05:36,009

said please do not be afraid you have an

141

00:05:38,460 --> 00:05:37,690

important role to play if you would like

142

00:05:41,159 --> 00:05:38,470

to help us

143

00:05:43,680 --> 00:05:41,169

I said out loud in a shaky voice okay

144

00:05:45,960 --> 00:05:43,690

but I don't know how then the woman said

145

00:05:47,460 --> 00:05:45,970

don't worry you will know in time right

146

00:05:47,999 --> 00:05:47,470

after she said that everything went

147

00:05:51,090 --> 00:05:48,009

black

148

00:05:52,830 --> 00:05:51,100

eventually I woke up around 2:30 laying

149

00:05:54,689 --> 00:05:52,840

about thirty feet away from my last

150

00:06:01,529 --> 00:05:54,699

remembered position at the side of my

151

00:06:06,070 --> 00:06:03,760

experiencer recalls abduction while

152

00:06:07,779 --> 00:06:06,080

camping first I will state that I have

153

00:06:10,540 --> 00:06:07,789

never been interested in aliens or UFOs

154

00:06:12,640 --> 00:06:10,550

I've honestly always been pretty scared

155

00:06:14,649 --> 00:06:12,650

of the whole thing I remember seeing the

156

00:06:16,869 --> 00:06:14,659

film signs when I was 12 and it

157

00:06:18,520 --> 00:06:16,879

literally terrified me for weeks I've

158

00:06:20,320 --> 00:06:18,530

thought of this phenomena as science

159

00:06:22,119 --> 00:06:20,330

fiction until I experienced something

160

00:06:24,670 --> 00:06:22,129

that I presume most of you won't believe

161

00:06:26,379 --> 00:06:24,680

and that's fine I'm posting my story

162

00:06:28,540 --> 00:06:26,389

here because I haven't talked to anyone

163

00:06:30,219 --> 00:06:28,550

about it at all and I just feel the need

164

00:06:32,170 --> 00:06:30,229

to put it out there dot three months ago

165

00:06:34,540 --> 00:06:32,180

I was camping with a friend in a very

166

00:06:36,760 --> 00:06:34,550

remote part of Northern California I'm a

167

00:06:38,740 --> 00:06:36,770

massive wilderness junkie I've been

168

00:06:40,809 --> 00:06:38,750

camping all my life and I spend much of

169

00:06:43,809 --> 00:06:40,819

my free time hiking rock-climbing

170

00:06:46,270 --> 00:06:43,819

hunting etc a buddy of mine who also

171

00:06:48,189 --> 00:06:46,280

enjoys the outdoors wanted to head up to

172

00:06:49,540 --> 00:06:48,199

the Sierra Nevadas for a weekend and

173

00:06:51,339 --> 00:06:49,550

asked me to go with him

174

00:06:53,350 --> 00:06:51,349

it was our second night and we were

175

00:06:55,540 --> 00:06:53,360

sitting up by the fire we weren't

176
00:06:57,610 --> 00:06:55,550
staying at a campsite we had hiked about

177
00:06:59,529 --> 00:06:57,620
ten miles from our cars to a clearing

178
00:07:01,779 --> 00:06:59,539
with a beautiful view he had stayed

179
00:07:03,999 --> 00:07:01,789
there once before it was around 10:00

180
00:07:06,370 --> 00:07:04,009
p.m. and we ate some food and were just

181
00:07:08,680 --> 00:07:06,380
checking out the stars he was tired and

182
00:07:11,170 --> 00:07:08,690
went to sleep in his tent I wanted to

183
00:07:13,300 --> 00:07:11,180
stay up for a while and about 45 minutes

184
00:07:15,790 --> 00:07:13,310
after he went to bed I saw this object

185
00:07:18,040 --> 00:07:15,800
coming up from the valley below it was a

186
00:07:19,870 --> 00:07:18,050
basic flying saucer shape with multiple

187
00:07:21,879 --> 00:07:19,880
circular lights rotating around the

188
00:07:24,700 --> 00:07:21,889

edges that changed colors over and over

189

00:07:27,339 --> 00:07:24,710

I was absolutely shocked I watched it

190

00:07:28,990 --> 00:07:27,349

for maybe 15 seconds then decided I had

191

00:07:31,360 --> 00:07:29,000

to wake him up so he could see it and

192

00:07:33,010 --> 00:07:31,370

wouldn't think I was crazy I stood and

193

00:07:35,260 --> 00:07:33,020

when I looked back towards it the thing

194

00:07:36,879 --> 00:07:35,270

was gone I called out his name and

195

00:07:39,129 --> 00:07:36,889

that's when everything got really messed

196

00:07:41,290 --> 00:07:39,139

up I didn't hear my own voice when I

197

00:07:44,050 --> 00:07:41,300

called out everything was completely

198

00:07:46,269 --> 00:07:44,060

silent I could move my eyes around but

199

00:07:47,909 --> 00:07:46,279

couldn't move my body I remember seeing

200

00:07:50,140 --> 00:07:47,919

the fire had completely frozen

201
00:07:52,119 --> 00:07:50,150
everything looked like a picture like

202
00:07:53,860 --> 00:07:52,129
time had stopped her something then

203
00:07:56,379 --> 00:07:53,870
there was a flash of light and I blacked

204
00:07:59,200 --> 00:07:56,389
out I woke up later just as the Sun was

205
00:08:00,760 --> 00:07:59,210
starting to rise I was outside laying in

206
00:08:03,159 --> 00:08:00,770
the dirt shivering next to fire that

207
00:08:04,990 --> 00:08:03,169
that had long gone out I felt like I had

208
00:08:07,300 --> 00:08:05,000
been drugged totally in this haze I

209
00:08:09,610 --> 00:08:07,310
sluggishly yelled out his name a couple

210
00:08:11,589 --> 00:08:09,620
of times and he came out of the tent he

211
00:08:13,060 --> 00:08:11,599
was really confused to say the least I

212
00:08:14,920 --> 00:08:13,070
tried to explain

213
00:08:17,170 --> 00:08:14,930

what happened but my memory was really

214

00:08:20,110 --> 00:08:17,180

foggy and I just couldn't articulate it

215

00:08:22,240 --> 00:08:20,120

we left within 30 minutes I was totally

216

00:08:24,490 --> 00:08:22,250

silent on the car ride back falling in

217

00:08:26,380 --> 00:08:24,500

and out of sleep for seven hours he

218

00:08:28,930 --> 00:08:26,390

dropped me off at my house and I passed

219

00:08:30,880 --> 00:08:28,940

out for basically an entire day a few

220

00:08:32,560 --> 00:08:30,890

weeks later I was messing around with an

221

00:08:35,320 --> 00:08:32,570

amp and it released this static sound

222

00:08:37,150 --> 00:08:35,330

when I unplugged my guitar for some

223

00:08:39,550 --> 00:08:37,160

reason the sound somehow triggered my

224

00:08:41,529 --> 00:08:39,560

memory and I remembered everything when

225

00:08:43,330 --> 00:08:41,539

I came back into consciousness I was

226

00:08:45,550 --> 00:08:43,340

suspended laterally in the circular

227

00:08:47,890 --> 00:08:45,560

mechanism in a position very similar to

228

00:08:49,900 --> 00:08:47,900

da Vinci's Vitruvian Man these clear

229

00:08:52,120 --> 00:08:49,910

glass like shackle type restraints were

230

00:08:53,980 --> 00:08:52,130

holding me in place I was completely

231

00:08:56,170 --> 00:08:53,990

nude and standing above me were three

232

00:08:57,970 --> 00:08:56,180

typical Gray's they were around four

233

00:09:00,520 --> 00:08:57,980

foot tall and were wearing white spandex

234

00:09:02,380 --> 00:09:00,530

like suits two were just standing there

235

00:09:04,270 --> 00:09:02,390

observing the other who was extracting

236

00:09:06,460 --> 00:09:04,280

blood from a vein under my armpit with

237

00:09:08,410 --> 00:09:06,470

this weird-looking syringe although they

238

00:09:09,970 --> 00:09:08,420

didn't show a real reaction I could just

239

00:09:10,510 --> 00:09:09,980

tell that they were surprised that I was

240

00:09:12,430 --> 00:09:10,520

awake

241

00:09:14,950 --> 00:09:12,440

I couldn't move at all except for my

242

00:09:17,170 --> 00:09:14,960

eyes and lips I was absolutely terrified

243

00:09:19,150 --> 00:09:17,180

in a sort of fight-or-flight mode

244

00:09:21,580 --> 00:09:19,160

my heart began pounding from an influx

245

00:09:23,620 --> 00:09:21,590

of adrenaline I can't even begin to tell

246

00:09:26,350 --> 00:09:23,630

you how scared I was but I also felt

247

00:09:28,210 --> 00:09:26,360

total rage I wanted to kill them wanted

248

00:09:30,340 --> 00:09:28,220

to rip out of this device and completely

249

00:09:32,920 --> 00:09:30,350

destroy them my brain went totally

250

00:09:34,720 --> 00:09:32,930

primal just animal instinct and I could

251
00:09:36,300 --> 00:09:34,730
just tell that they could sense my anger

252
00:09:40,210 --> 00:09:36,310
because they all stepped back

253
00:09:42,160 --> 00:09:40,220
simultaneously I'm 6 foot 3 inches 185

254
00:09:43,990 --> 00:09:42,170
pounds and I was hoping I looked as

255
00:09:45,940 --> 00:09:44,000
threatening as possible which is silly

256
00:09:48,190 --> 00:09:45,950
because I was totally paralyzed and

257
00:09:49,750 --> 00:09:48,200
therefore completely harmless two of

258
00:09:51,880 --> 00:09:49,760
them disappeared from my view and

259
00:09:53,560 --> 00:09:51,890
presumably left the room the other one

260
00:09:56,260 --> 00:09:53,570
was just staring at me void of any

261
00:09:58,450 --> 00:09:56,270
emotion I wanted so badly to just shut

262
00:10:00,640 --> 00:09:58,460
my eyes but I forced myself to just

263
00:10:03,070 --> 00:10:00,650

stare right back at it trying my hardest

264

00:10:04,750 --> 00:10:03,080

not to blink then the two Grey's came

265

00:10:06,510 --> 00:10:04,760

back and now they weren't alone I

266

00:10:09,010 --> 00:10:06,520

honestly couldn't believe my eyes

267

00:10:11,380 --> 00:10:09,020

standing behind them were two very tall

268

00:10:13,690 --> 00:10:11,390

very human looking beans a male and

269

00:10:15,490 --> 00:10:13,700

female they looked like Norse gods they

270

00:10:17,950 --> 00:10:15,500

both had bright golden hair and massive

271

00:10:20,740 --> 00:10:17,960

eyes the male's eyes were dark blue and

272

00:10:22,720 --> 00:10:20,750

females eyes were violet I suppose they

273

00:10:24,970 --> 00:10:22,730

are what the UFO community refers to as

274

00:10:26,889 --> 00:10:24,980

Nordiques this was quite bizarre to me

275

00:10:28,780 --> 00:10:26,899

my family descended from

276

00:10:31,629 --> 00:10:28,790

Weedon and I am very Nordic looking

277

00:10:33,879 --> 00:10:31,639

blonde hair blue eyes the works I know

278

00:10:36,309 --> 00:10:33,889

this is cliché but I heard a feminine

279

00:10:37,749 --> 00:10:36,319

voice in my mind for some reason I could

280

00:10:39,549 --> 00:10:37,759

understand what she was telling me

281

00:10:41,889 --> 00:10:39,559

although it wasn't like she was saying

282

00:10:44,319 --> 00:10:41,899

anything in English it's really hard to

283

00:10:46,299 --> 00:10:44,329

explain but I just knew she told me

284

00:10:48,699 --> 00:10:46,309

something like become you are not in

285

00:10:50,559 --> 00:10:48,709

danger I relaxed and asked her what they

286

00:10:51,939 --> 00:10:50,569

wanted with me she said that they were

287

00:10:53,980 --> 00:10:51,949

just checking up on me

288

00:10:56,769 --> 00:10:53,990

I practically black out after hearing

289

00:10:58,540 --> 00:10:56,779

that I asked her what she meant she said

290

00:11:00,819 --> 00:10:58,550

that they had saved me when I first came

291

00:11:03,280 --> 00:11:00,829

into being I immediately knew exactly

292

00:11:04,900 --> 00:11:03,290

what she was talking about I was born

293

00:11:07,540 --> 00:11:04,910

practically two months premature

294

00:11:10,780 --> 00:11:07,550

my mother was horribly sick during labor

295

00:11:12,609 --> 00:11:10,790

we both had fevers of 104 degrees the

296

00:11:14,650 --> 00:11:12,619

strange thing is the doctors had

297

00:11:17,590 --> 00:11:14,660

absolutely no idea what was wrong with

298

00:11:20,019 --> 00:11:17,600

us I was given two spinal taps my mother

299

00:11:22,329 --> 00:11:20,029

was given three I spent four nights in

300

00:11:24,790 --> 00:11:22,339

that bubble housing ICU thing there was

301
00:11:26,559 --> 00:11:24,800
a decent chance I was going to die then

302
00:11:28,660 --> 00:11:26,569
one day I started getting better and

303
00:11:30,460 --> 00:11:28,670
made a full recovery the doctors were

304
00:11:32,290 --> 00:11:30,470
very worried that the whole ordeal might

305
00:11:34,569 --> 00:11:32,300
have permanently damaged my body and

306
00:11:37,569 --> 00:11:34,579
possibly my brain but I was totally fine

307
00:11:39,610 --> 00:11:37,579
I asked her why did you save me this

308
00:11:41,530 --> 00:11:39,620
time I heard a deep male voice stating

309
00:11:44,319 --> 00:11:41,540
that this is a conversation for a later

310
00:11:46,809 --> 00:11:44,329
time I asked them if they are human he

311
00:11:48,939 --> 00:11:46,819
said no I was confused considering that

312
00:11:51,460 --> 00:11:48,949
they looked quite human I asked him if

313
00:11:53,619 --> 00:11:51,470

man had come from them he said yes what

314

00:11:55,840 --> 00:11:53,629

they had come here 200,000 years ago

315

00:11:58,119 --> 00:11:55,850

and created mankind by combining their

316

00:11:59,769 --> 00:11:58,129

DNA with that of our primate ancestors I

317

00:12:01,540 --> 00:11:59,779

wanted to know why they looked

318

00:12:02,110 --> 00:12:01,550

especially similar to me more than other

319

00:12:04,269 --> 00:12:02,120

humans

320

00:12:06,429 --> 00:12:04,279

he stated that many males of their kind

321

00:12:08,619 --> 00:12:06,439

found female humans attractive and mated

322

00:12:10,179 --> 00:12:08,629

with them this directly passed on some

323

00:12:12,579 --> 00:12:10,189

of their physical features to Nordic

324

00:12:14,259 --> 00:12:12,589

peoples I wanted to know more but they

325

00:12:16,869 --> 00:12:14,269

declined and said it was time for me to

326

00:12:19,059 --> 00:12:16,879

go back I blacked out instantly and woke

327

00:12:21,400 --> 00:12:19,069

up by the extinguished campfire clothes

328

00:12:23,470 --> 00:12:21,410

on and shivering I understand that this

329

00:12:26,079 --> 00:12:23,480

sounds absolutely ridiculous and very

330

00:12:28,269 --> 00:12:26,089

impossible but it happened I don't know

331

00:12:30,460 --> 00:12:28,279

what to do I've been completely lost

332

00:12:32,590 --> 00:12:30,470

since the encounter I've been looking

333

00:12:34,329 --> 00:12:32,600

into a lot theories on alien human links

334

00:12:36,249 --> 00:12:34,339

practically day and night since this

335

00:12:41,840 --> 00:12:36,259

happened w

336

00:12:47,669 --> 00:12:45,030

abducted assaulted by nude Pleiadians it

337

00:12:49,919 --> 00:12:47,679

was around 10 o'clock and I was getting

338

00:12:52,710 --> 00:12:49,929

ready for bed so I had to take my dog

339

00:12:54,600 --> 00:12:52,720

for a walk I took her to the end of the

340

00:12:57,090 --> 00:12:54,610

street which is usually where we turn

341

00:12:59,819 --> 00:12:57,100

around and go back home but it started

342

00:13:02,639 --> 00:12:59,829

to rain both of us loved the rain so I

343

00:13:05,069 --> 00:13:02,649

decided to keep going we walked about 10

344

00:13:06,929 --> 00:13:05,079

more minutes down to Highland Park and

345

00:13:10,139 --> 00:13:06,939

just sat at a picnic table for a while

346

00:13:12,389 --> 00:13:10,149

just enjoying the rain that was when I

347

00:13:14,400 --> 00:13:12,399

started feeling this weird sort of fear

348

00:13:15,269 --> 00:13:14,410

as if there was some predator watching

349

00:13:17,970 --> 00:13:15,279

me from the woods

350

00:13:20,819 --> 00:13:17,980

eventually the fear grew too strong and

351

00:13:23,189 --> 00:13:20,829

I got up in speed walked away from there

352

00:13:25,169 --> 00:13:23,199

we went down to the lagoon a retired

353

00:13:27,479 --> 00:13:25,179

sewage pond which had been recently

354

00:13:29,819 --> 00:13:27,489

drained and I decided to walk all the

355

00:13:32,280 --> 00:13:29,829

way around it but the fear still went on

356

00:13:34,859 --> 00:13:32,290

and getting stronger I could have sworn

357

00:13:37,949 --> 00:13:34,869

something was stalking me so I just

358

00:13:40,439 --> 00:13:37,959

bolted I ran as fast as I could for as

359

00:13:43,139 --> 00:13:40,449

long as I could but being as fat as I am

360

00:13:45,150 --> 00:13:43,149

that wasn't very far when I stopped to

361

00:13:47,369 --> 00:13:45,160

catch my breath I looked around to check

362

00:13:49,439 --> 00:13:47,379

for predators and saw nothing until I

363

00:13:51,689 --> 00:13:49,449

looked up when I looked up there were

364

00:13:54,449 --> 00:13:51,699

two triangular-shaped for lack of a

365

00:13:56,819 --> 00:13:54,459

better term flying machines they were a

366

00:13:59,189 --> 00:13:56,829

dark sort of hazy grey with a faintly

367

00:14:01,139 --> 00:13:59,199

glowing red dome on the bottom and three

368

00:14:03,449 --> 00:14:01,149

bright white lights coming off of each

369

00:14:05,489 --> 00:14:03,459

corner the two of them circled each

370

00:14:08,309 --> 00:14:05,499

other in what appeared to be very well

371

00:14:10,350 --> 00:14:08,319

organized I stood still and stared at

372

00:14:13,139 --> 00:14:10,360

them for approximately three minutes I

373

00:14:15,239 --> 00:14:13,149

found watching them very calming until

374

00:14:17,819 --> 00:14:15,249

one of them stopped and suddenly I was

375

00:14:19,739 --> 00:14:17,829

engulfed in a white light I could not

376

00:14:22,019 --> 00:14:19,749

see anything and I was frightened out of

377

00:14:22,829 --> 00:14:22,029

my wits but then I suddenly calmed

378

00:14:25,350 --> 00:14:22,839

instantly

379

00:14:27,329 --> 00:14:25,360

I wasn't even out of breath anymore and

380

00:14:29,909 --> 00:14:27,339

the light went away and by that time

381

00:14:31,949 --> 00:14:29,919

both of them were gone I thought nothing

382

00:14:34,769 --> 00:14:31,959

of it at first and just speed walked

383

00:14:37,979 --> 00:14:34,779

home but when I got home it was 3:17

384

00:14:39,869 --> 00:14:37,989

a.m. five hours after I left from my

385

00:14:43,109 --> 00:14:39,879

perspective I thought I had been gone

386

00:14:45,269 --> 00:14:43,119

maybe 45 minutes the next day while at

387

00:14:47,309 --> 00:14:45,279

work I kept getting memory flashes of

388

00:14:49,949 --> 00:14:47,319

being on a platform in an all-white room

389

00:14:52,470 --> 00:14:49,959

surrounded by tall naked blonde people I

390

00:14:54,610 --> 00:14:52,480

also had memory flashes of being

391

00:14:56,380 --> 00:14:54,620

released from the platform and

392

00:14:58,390 --> 00:14:56,390

trying to mingle with the tall naked

393

00:15:00,370 --> 00:14:58,400

blonde people who I suspect to have been

394

00:15:02,620 --> 00:15:00,380

Nordic aliens and they all looked like

395

00:15:04,510 --> 00:15:02,630

they were scared of me one of their

396

00:15:07,210 --> 00:15:04,520

hands glowed blue and slapped me in the

397

00:15:09,670 --> 00:15:07,220

face for now that's all I remember

398

00:15:14,960 --> 00:15:09,680

but every second day or so I get another

399

00:15:20,519 --> 00:15:18,179

this is lawn Strickler if you like this

400

00:15:23,129 --> 00:15:20,529

program it would help us if you would

401

00:15:25,860 --> 00:15:23,139

give it a thumbs up then subscribe and

402

00:15:28,259 --> 00:15:25,870

click the bell icon so you get

403

00:15:30,960 --> 00:15:28,269

notification when we upload new first

404

00:15:34,170 --> 00:15:30,970

person encounters we have many more to
