

**Five more
upright
canid cases!**

DOG MEN
On The Road

BXP

1
00:00:12,880 --> 00:00:10,600

[Music]

2
00:00:17,830 --> 00:00:12,890

[Applause]

3
00:00:21,990 --> 00:00:19,670

welcome to the best of first person

4
00:00:24,870 --> 00:00:22,000

episodes of phantoms and monsters

5
00:00:25,429 --> 00:00:24,880

please like subscribe and hit the bell

6
00:00:28,830 --> 00:00:25,439

icon

7
00:00:31,910 --> 00:00:28,840

so you'll be notified of all future

8
00:00:36,709 --> 00:00:34,870

upright canine encounter dwayo hexenwolf

9
00:00:38,709 --> 00:00:36,719

in frederick county maryland

10
00:00:40,389 --> 00:00:38,719

i am not making an official report

11
00:00:42,389 --> 00:00:40,399

because it was so long ago

12
00:00:45,590 --> 00:00:42,399

and i have always brushed this incident

13
00:00:48,029 --> 00:00:45,600

off at the time i was about 11 years old

14

00:00:49,830 --> 00:00:48,039

and i can't recall what year exactly

15

00:00:52,310 --> 00:00:49,840

1963 or so

16

00:00:54,470 --> 00:00:52,320

since this was many years ago and nobody

17

00:00:56,229 --> 00:00:54,480

believed me since i was a kid

18

00:00:58,069 --> 00:00:56,239

i was spending the summer at my

19

00:00:59,270 --> 00:00:58,079

grandma's house on shank road in

20

00:01:01,510 --> 00:00:59,280

middletown maryland

21

00:01:03,029 --> 00:01:01,520

frederick county as i had for a couple

22

00:01:05,030 --> 00:01:03,039

of years in a row

23

00:01:07,830 --> 00:01:05,040

i welcomed the summers i spent with

24

00:01:09,830 --> 00:01:07,840

grandma except for the darn outhouse

25

00:01:11,990 --> 00:01:09,840

if i had to go at night it was a

26
00:01:14,310 --> 00:01:12,000
nuisance having to take grandma with me

27
00:01:16,230 --> 00:01:14,320
which meant waking her up it was an

28
00:01:18,149 --> 00:01:16,240
awful part of being there

29
00:01:20,310 --> 00:01:18,159
one late night i had to get up to use

30
00:01:21,510 --> 00:01:20,320
the outhouse and it was stark black

31
00:01:23,990 --> 00:01:21,520
outside

32
00:01:25,190 --> 00:01:24,000
no lamp posts or outdoor lighting lined

33
00:01:27,590 --> 00:01:25,200
the main lane

34
00:01:28,870 --> 00:01:27,600
grandma had electricity but it was only

35
00:01:32,069 --> 00:01:28,880
for the house inside

36
00:01:34,469 --> 00:01:32,079
oven and appliances she had a tv

37
00:01:35,670 --> 00:01:34,479
a very old floor model and nobody

38
00:01:37,830 --> 00:01:35,680

watched it anyway

39

00:01:41,270 --> 00:01:37,840

since there was not much tv on the

40

00:01:43,109 --> 00:01:41,280

maryland airways back in the early 1960s

41

00:01:44,630 --> 00:01:43,119

it had to be like three am when i

42

00:01:46,950 --> 00:01:44,640

ventured outside

43

00:01:48,950 --> 00:01:46,960

i didn't take a flashlight and i didn't

44

00:01:50,950 --> 00:01:48,960

want to wake grandma up for finding the

45

00:01:51,990 --> 00:01:50,960

flashlight or for her to walk me to the

46

00:01:55,910 --> 00:01:52,000

outhouse

47

00:01:57,510 --> 00:01:55,920

main grouping of structures on the

48

00:02:00,310 --> 00:01:57,520

property and the main house

49

00:02:00,789 --> 00:02:00,320

for obvious reasons it was not a full

50

00:02:02,789 --> 00:02:00,799

moon

51
00:02:05,270 --> 00:02:02,799
but enough nighttime illumination in the

52
00:02:06,310 --> 00:02:05,280
sky that my eyes adjusted quickly to see

53
00:02:08,550 --> 00:02:06,320
the grounds

54
00:02:10,790 --> 00:02:08,560
i could easily navigate my way using

55
00:02:12,229 --> 00:02:10,800
grandma's long and narrow flower garden

56
00:02:14,550 --> 00:02:12,239
as a guiding trail

57
00:02:15,350 --> 00:02:14,560
my biggest fear was of black snakes and

58
00:02:17,510 --> 00:02:15,360
copperheads

59
00:02:18,550 --> 00:02:17,520
because i was warned constantly to look

60
00:02:20,710 --> 00:02:18,560
out for them

61
00:02:22,710 --> 00:02:20,720
i made it down to the outhouse and don't

62
00:02:24,949 --> 00:02:22,720
even remember hearing the usual night

63
00:02:27,990 --> 00:02:24,959

noises like crickets or owls

64

00:02:30,470 --> 00:02:28,000

it seemed almost too quiet i was a sharp

65

00:02:33,190 --> 00:02:30,480

and smart kid with a great imagination

66

00:02:33,670 --> 00:02:33,200

but not enough to make this story up i

67

00:02:36,309 --> 00:02:33,680

felt an

68

00:02:37,990 --> 00:02:36,319

uncanny sensation of being watched and i

69

00:02:40,790 --> 00:02:38,000

started to get scared

70

00:02:42,949 --> 00:02:40,800

i left the outhouse peaked outside first

71

00:02:43,830 --> 00:02:42,959

and for some reason i wanted to run back

72

00:02:46,550 --> 00:02:43,840

to the house

73

00:02:48,309 --> 00:02:46,560

getting to safety as quickly as possible

74

00:02:50,630 --> 00:02:48,319

it was a rough and long run

75

00:02:52,630 --> 00:02:50,640

and i tired quickly and began walking

76

00:02:53,750 --> 00:02:52,640

the last few hundred feet to the porch

77

00:02:55,830 --> 00:02:53,760

of the house

78

00:02:56,790 --> 00:02:55,840

something told me to look back where i

79

00:02:59,509 --> 00:02:56,800

had been

80

00:03:01,350 --> 00:02:59,519

to this day i wished i hadn't what i saw

81

00:03:02,790 --> 00:03:01,360

was an impossible sight

82

00:03:04,710 --> 00:03:02,800

this animal stepping through the

83

00:03:07,190 --> 00:03:04,720

backyard of grandma's property

84

00:03:08,390 --> 00:03:07,200

just past the garden about 10 feet past

85

00:03:10,550 --> 00:03:08,400

the outhouse

86

00:03:12,070 --> 00:03:10,560

it was this upright furry creature with

87

00:03:14,070 --> 00:03:12,080

a dog wolf head

88

00:03:16,309 --> 00:03:14,080

i have owned german shepherds from the

89

00:03:18,070 --> 00:03:16,319

age of seven so the head was almost

90

00:03:19,750 --> 00:03:18,080

similar to the ears and snoot of a

91

00:03:21,910 --> 00:03:19,760

german shepherd dog

92

00:03:23,670 --> 00:03:21,920

i stopped dead in my tracks not

93

00:03:24,789 --> 00:03:23,680

believing my eyes because it was

94

00:03:26,949 --> 00:03:24,799

impossible

95

00:03:28,789 --> 00:03:26,959

it had arms that had claw-like hands

96

00:03:30,550 --> 00:03:28,799

that hung out in front of it

97

00:03:32,789 --> 00:03:30,560

as it turned its head and looked right

98

00:03:33,910 --> 00:03:32,799

at me the eyes looked yellow and super

99

00:03:36,149 --> 00:03:33,920

reflective

100

00:03:37,509 --> 00:03:36,159

chills shot up my spine as it quickly

101
00:03:39,750 --> 00:03:37,519
walked on two legs

102
00:03:40,550 --> 00:03:39,760
that looked like real dog legs bending

103
00:03:42,869 --> 00:03:40,560
backwards

104
00:03:44,309 --> 00:03:42,879
traveling from left to right past her

105
00:03:46,630 --> 00:03:44,319
garden into the old

106
00:03:48,630 --> 00:03:46,640
gravel lane then across into the thicket

107
00:03:50,949 --> 00:03:48,640
of the woods where it disappeared

108
00:03:52,789 --> 00:03:50,959
i heard the rustling through the weeds

109
00:03:55,110 --> 00:03:52,799
it may have initially traveled from the

110
00:03:55,830 --> 00:03:55,120
usually full cow pasture that was up an

111
00:03:57,830 --> 00:03:55,840
incline

112
00:04:00,390 --> 00:03:57,840
past the spring and up to the cow

113
00:04:02,470 --> 00:04:00,400

pasture that was behind grandma's house

114

00:04:03,910 --> 00:04:02,480

i shudder to think it was hiding behind

115

00:04:06,149 --> 00:04:03,920

the outhouse i was in

116

00:04:07,030 --> 00:04:06,159

but that is a distinct possibility as

117

00:04:09,429 --> 00:04:07,040

well

118

00:04:11,830 --> 00:04:09,439

ever since that night after being teased

119

00:04:13,030 --> 00:04:11,840

of the cliché of seeing the big bad wolf

120

00:04:15,110 --> 00:04:13,040

at grandma's house

121

00:04:16,629 --> 00:04:15,120

nobody believed me and thought i made up

122

00:04:18,710 --> 00:04:16,639

this story for attention

123

00:04:20,789 --> 00:04:18,720

like the imaginary friend syndrome of

124

00:04:23,189 --> 00:04:20,799

kids from those teasing me

125

00:04:24,230 --> 00:04:23,199

i just put it all behind me buried the

126
00:04:26,310 --> 00:04:24,240
story forever

127
00:04:28,910 --> 00:04:26,320
and never told another human being this

128
00:04:33,909 --> 00:04:28,920
tale until now

129
00:04:37,030 --> 00:04:35,909
dorker shoots upright canine near reed

130
00:04:39,030 --> 00:04:37,040
city michigan

131
00:04:40,469 --> 00:04:39,040
my uncle had an encounter in the summer

132
00:04:42,550 --> 00:04:40,479
several years back

133
00:04:44,469 --> 00:04:42,560
only reason i believe him is because his

134
00:04:45,110 --> 00:04:44,479
whole life he's always been a super

135
00:04:47,670 --> 00:04:45,120
serious

136
00:04:48,230 --> 00:04:47,680
no bullcrap kind of guy when he told the

137
00:04:50,629 --> 00:04:48,240
story

138
00:04:52,550 --> 00:04:50,639

he sounded genuinely upset about it he

139

00:04:54,150 --> 00:04:52,560

is a long haul truck driver and was

140

00:04:55,510 --> 00:04:54,160

stopped on the side of the highway in a

141

00:04:57,270 --> 00:04:55,520

heavily wooded area

142

00:04:59,110 --> 00:04:57,280

this was somewhere several miles in the

143

00:05:01,029 --> 00:04:59,120

middle of nowhere but he said it was

144

00:05:03,029 --> 00:05:01,039

closest to reach city michigan

145

00:05:04,790 --> 00:05:03,039

i can't recall what he said he was doing

146

00:05:05,990 --> 00:05:04,800

but he had to fix something before he

147

00:05:08,150 --> 00:05:06,000

could take off

148

00:05:10,790 --> 00:05:08,160

also he didn't have a trailer on at the

149

00:05:11,430 --> 00:05:10,800

time he had just gotten done fixing up

150

00:05:13,590 --> 00:05:11,440

his stuff

151
00:05:15,350 --> 00:05:13,600
and was about to climb into his vehicle

152
00:05:16,390 --> 00:05:15,360
when he saw a deer come towards him from

153
00:05:17,749 --> 00:05:16,400
the tree line

154
00:05:19,670 --> 00:05:17,759
he said it looked like it might have

155
00:05:21,029 --> 00:05:19,680
been running from something he assumed

156
00:05:22,870 --> 00:05:21,039
it might have been a bear

157
00:05:24,550 --> 00:05:22,880
he was just getting ready to leave when

158
00:05:26,629 --> 00:05:24,560
he suddenly sees something looking at

159
00:05:28,790 --> 00:05:26,639
him through the passenger side window

160
00:05:30,070 --> 00:05:28,800
he described it as having jet black fur

161
00:05:32,150 --> 00:05:30,080
and bright yellow eyes

162
00:05:34,230 --> 00:05:32,160
as well as vicious looking snarling

163
00:05:35,670 --> 00:05:34,240

teeth it was so close to him that he

164

00:05:37,670 --> 00:05:35,680

could see its fur blowing with the

165

00:05:39,670 --> 00:05:37,680

slight breeze that was coming through

166

00:05:41,430 --> 00:05:39,680

the window was open but it didn't seem

167

00:05:43,430 --> 00:05:41,440

to notice as was evident when the

168

00:05:45,510 --> 00:05:43,440

creature put its paw up to the window

169

00:05:47,510 --> 00:05:45,520

as if to press it against the window but

170

00:05:49,749 --> 00:05:47,520

pulled it back in shock when it realized

171

00:05:51,990 --> 00:05:49,759

its paw actually entered the vehicle

172

00:05:54,150 --> 00:05:52,000

my uncle typically carries a gun on him

173

00:05:56,309 --> 00:05:54,160

at this time he had a heavy revolver

174

00:05:57,590 --> 00:05:56,319

the exact name and caliber is beyond my

175

00:05:59,510 --> 00:05:57,600

memory right now

176
00:06:01,270 --> 00:05:59,520
he pointed it at the dogman and pulled

177
00:06:02,870 --> 00:06:01,280
the trigger effectively shooting it

178
00:06:05,110 --> 00:06:02,880
directly in the face

179
00:06:05,990 --> 00:06:05,120
finally the truck started moving fast

180
00:06:07,350 --> 00:06:06,000
enough for him to be

181
00:06:08,950 --> 00:06:07,360
confident that the thing wasn't

182
00:06:09,749 --> 00:06:08,960
following him should it have survived

183
00:06:11,749 --> 00:06:09,759
the shot

184
00:06:14,150 --> 00:06:11,759
he didn't bother waiting around to find

185
00:06:15,830 --> 00:06:14,160
out he said he still gets disturbed when

186
00:06:17,909 --> 00:06:15,840
he thinks back to that event

187
00:06:19,510 --> 00:06:17,919
he described it as giving off this aura

188
00:06:21,909 --> 00:06:19,520

of pure evil and ill intent

189

00:06:23,749 --> 00:06:21,919

in only the few seconds he faced it he

190

00:06:24,469 --> 00:06:23,759

has nightmares about this creature to

191

00:06:26,469 --> 00:06:24,479

this day

192

00:06:28,309 --> 00:06:26,479

and he refused to tell anyone about it

193

00:06:30,230 --> 00:06:28,319

until several years after it happened

194

00:06:31,189 --> 00:06:30,240

for fear of people thinking he had lost

195

00:06:33,189 --> 00:06:31,199

his mind

196

00:06:34,870 --> 00:06:33,199

another reason i am able to buy his

197

00:06:36,070 --> 00:06:34,880

story is because he has never been

198

00:06:39,110 --> 00:06:36,080

interested in the occult

199

00:06:40,950 --> 00:06:39,120

supernatural paranormal cryptids etc

200

00:06:42,950 --> 00:06:40,960

he had no idea what to make of this

201
00:06:45,430 --> 00:06:42,960
thing i saw him but when he told me the

202
00:06:47,110 --> 00:06:45,440
story i told him to look into the dogman

203
00:06:48,790 --> 00:06:47,120
when he looked online he said the

204
00:06:50,870 --> 00:06:48,800
artist's depictions of the dogman

205
00:06:57,670 --> 00:06:50,880
perfectly for what he saw that day

206
00:07:02,070 --> 00:06:59,670
upright canine possible skinwalker

207
00:07:03,350 --> 00:07:02,080
observed in albuquerque new mexico i

208
00:07:05,350 --> 00:07:03,360
grew up in new mexico

209
00:07:06,950 --> 00:07:05,360
and still live in the state my whole

210
00:07:09,350 --> 00:07:06,960
life i've heard stories about

211
00:07:11,430 --> 00:07:09,360
skinwalkers and i consider myself to be

212
00:07:13,189 --> 00:07:11,440
somewhat knowledgeable on the subject

213
00:07:15,110 --> 00:07:13,199

i've always been interested in the men

214

00:07:17,029 --> 00:07:15,120

find and creepy yet fascinating

215

00:07:19,270 --> 00:07:17,039

and i talk about them a lot even though

216

00:07:19,749 --> 00:07:19,280

one of my navajo friends insists that i

217

00:07:21,430 --> 00:07:19,759

shouldn't

218

00:07:23,270 --> 00:07:21,440

and always leaves the room when i bring

219

00:07:25,029 --> 00:07:23,280

up the topic anyways

220

00:07:26,390 --> 00:07:25,039

i live in a third-story apartment in

221

00:07:28,309 --> 00:07:26,400

north albuquerque

222

00:07:30,629 --> 00:07:28,319

the area of the city i live in is rather

223

00:07:31,430 --> 00:07:30,639

busy even at night there are lots of

224

00:07:33,270 --> 00:07:31,440

restaurants

225

00:07:35,830 --> 00:07:33,280

businesses and even a shopping mall

226

00:07:36,550 --> 00:07:35,840

nearby one night i was chilling alone in

227

00:07:39,110 --> 00:07:36,560

my place

228

00:07:40,870 --> 00:07:39,120

eating some cereal and watching netflix

229

00:07:42,950 --> 00:07:40,880

it was late about 1am

230

00:07:43,990 --> 00:07:42,960

and i was about ready to go to bed when

231

00:07:46,550 --> 00:07:44,000

i hear barking from

232

00:07:47,909 --> 00:07:46,560

outside my window this isn't uncommon in

233

00:07:50,070 --> 00:07:47,919

my apartment complex

234

00:07:52,469 --> 00:07:50,080

as they do allow dogs that are under 40

235

00:07:54,390 --> 00:07:52,479

pounds but something was seriously wrong

236

00:07:56,469 --> 00:07:54,400

with the way this sparking sounded

237

00:07:58,309 --> 00:07:56,479

it was almost as if the dog was drowning

238

00:07:59,749 --> 00:07:58,319

or something like half the barks were

239

00:08:02,230 --> 00:07:59,759

coming from underwater

240

00:08:03,909 --> 00:08:02,240

i creep outside onto my balcony and i

241

00:08:06,070 --> 00:08:03,919

see the source of the noise

242

00:08:07,510 --> 00:08:06,080

it certainly looks like a dog except for

243

00:08:09,270 --> 00:08:07,520

the fact that it's enormous

244

00:08:11,029 --> 00:08:09,280

like the size of one of those fresh and

245

00:08:13,189 --> 00:08:11,039

caucasian mountain dogs

246

00:08:14,469 --> 00:08:13,199

i've seriously never seen a dog that big

247

00:08:16,390 --> 00:08:14,479

before in person

248

00:08:18,950 --> 00:08:16,400

it was standing in a dimly lit grassy

249

00:08:20,790 --> 00:08:18,960

courtyard area of my apartment complex

250

00:08:22,070 --> 00:08:20,800

the lights are the still yellow and the

251

00:08:23,749 --> 00:08:22,080

bulbs are really old

252

00:08:26,070 --> 00:08:23,759

so i couldn't make out the details of

253

00:08:27,430 --> 00:08:26,080

this animal all i could honestly tell

254

00:08:29,270 --> 00:08:27,440

was that it was really big

255

00:08:30,790 --> 00:08:29,280

really furry and that it seemed to be

256

00:08:32,790 --> 00:08:30,800

pointed in my direction

257

00:08:34,630 --> 00:08:32,800

when i stepped out into my balcony the

258

00:08:36,790 --> 00:08:34,640

barking immediately stopped

259

00:08:38,630 --> 00:08:36,800

i stared at the dog for a while and it

260

00:08:39,589 --> 00:08:38,640

almost seemed like it was staring right

261

00:08:41,190 --> 00:08:39,599

back at me

262

00:08:43,190 --> 00:08:41,200

we stayed like this for maybe two

263

00:08:45,269 --> 00:08:43,200

minutes or so when i hear a loud honk

264

00:08:47,350 --> 00:08:45,279

from the car on the nearby highway

265

00:08:49,350 --> 00:08:47,360

at this point the dog stands up on its

266

00:08:51,430 --> 00:08:49,360

hind legs and sprints off toward the

267

00:08:53,910 --> 00:08:51,440

small royal near my complex

268

00:08:55,829 --> 00:08:53,920

it was honestly extremely terrifying

269

00:08:57,430 --> 00:08:55,839

i've never come that close to actually

270

00:08:59,269 --> 00:08:57,440

pooping my own pants

271

00:09:01,110 --> 00:08:59,279

of course my first thought is that i

272

00:09:02,870 --> 00:09:01,120

just witnessed a skinwalker

273

00:09:04,630 --> 00:09:02,880

the only thing is that i've never ever

274

00:09:06,790 --> 00:09:04,640

heard and read about skinwalkers being

275

00:09:08,630 --> 00:09:06,800

in such a busy city urban area

276

00:09:10,550 --> 00:09:08,640

the scariest thing is that my navajo

277

00:09:12,550 --> 00:09:10,560

friend has always told me that i need to

278

00:09:14,710 --> 00:09:12,560

stop talking about skinwalkers

279

00:09:23,350 --> 00:09:14,720

because that attracts their attention so

280

00:09:25,509 --> 00:09:23,360

now i feel paranoid

281

00:09:27,030 --> 00:09:25,519

upright canine encounter monongalia

282

00:09:29,430 --> 00:09:27,040

county west virginia

283

00:09:31,269 --> 00:09:29,440

hi thank you for reading my email i am

284

00:09:33,110 --> 00:09:31,279

reaching out to you for an opinion

285

00:09:35,350 --> 00:09:33,120

it has to do with an experience i had a

286

00:09:35,990 --> 00:09:35,360

few weeks ago i was driving west on

287

00:09:37,910 --> 00:09:36,000

morgan run

288

00:09:39,350 --> 00:09:37,920

road near lubbock lane in mongalia

289

00:09:41,590 --> 00:09:39,360

county west virginia

290

00:09:43,910 --> 00:09:41,600

this is close to cheat lake it happened

291

00:09:45,670 --> 00:09:43,920

on june 8 around 7 30 pm

292

00:09:48,230 --> 00:09:45,680

i was on my way back to my friend's

293

00:09:50,230 --> 00:09:48,240

house after i drove past lubbock lane

294

00:09:51,590 --> 00:09:50,240

i noticed a tall figure move out then

295

00:09:53,829 --> 00:09:51,600

back into the trees

296

00:09:55,509 --> 00:09:53,839

i wasn't driving fast so i got a good

297

00:09:56,870 --> 00:09:55,519

look at it though it's still hard for me

298

00:09:59,030 --> 00:09:56,880

to believe what i saw

299

00:10:01,190 --> 00:09:59,040

it turned back and looked at me i swear

300

00:10:03,350 --> 00:10:01,200

it was a wolf standing on two legs

301
00:10:04,949 --> 00:10:03,360
the head was huge with dark long hair

302
00:10:05,750 --> 00:10:04,959
the body was almost like that of a

303
00:10:07,430 --> 00:10:05,760
powerful man

304
00:10:09,509 --> 00:10:07,440
but it still had the characteristics of

305
00:10:11,269 --> 00:10:09,519
a wolf i didn't get a good look at the

306
00:10:12,310 --> 00:10:11,279
legs but they were definitely shaped

307
00:10:14,389 --> 00:10:12,320
like wolves

308
00:10:16,389 --> 00:10:14,399
very muscular arms with humanlike hands

309
00:10:17,990 --> 00:10:16,399
and very long fingers or claws

310
00:10:19,990 --> 00:10:18,000
when it looked at me the eyes seemed to

311
00:10:22,630 --> 00:10:20,000
twinkle or shine as the head moved

312
00:10:24,150 --> 00:10:22,640
the face was a wolf's face same snout

313
00:10:25,750 --> 00:10:24,160

and ears with a thick neck

314

00:10:27,590 --> 00:10:25,760

i believe it had something in the right

315

00:10:28,230 --> 00:10:27,600

hand but the body blocked it from my

316

00:10:29,990 --> 00:10:28,240

view

317

00:10:32,230 --> 00:10:30,000

it just looked at me for a few seconds

318

00:10:34,550 --> 00:10:32,240

and then took a few steps into the brush

319

00:10:36,550 --> 00:10:34,560

that was all i saw i found some of the

320

00:10:38,550 --> 00:10:36,560

sightings reported to you on google

321

00:10:40,710 --> 00:10:38,560

i didn't notice any from west virginia

322

00:10:42,310 --> 00:10:40,720

but since this is near pennsylvania so i

323

00:10:44,470 --> 00:10:42,320

thought you may be interested

324

00:10:45,750 --> 00:10:44,480

i haven't talked to anyone about this

325

00:10:47,190 --> 00:10:45,760

this beast looked evil

326

00:10:48,870 --> 00:10:47,200

and i'm not really sure i should have

327

00:10:50,389 --> 00:10:48,880

reported this but it would be

328

00:10:51,990 --> 00:10:50,399

interesting if others had reported

329

00:10:52,710 --> 00:10:52,000

seeing something like this in the same

330

00:10:59,829 --> 00:10:52,720

area

331

00:11:03,269 --> 00:11:02,069

upright canine encounter hidden valley

332

00:11:05,590 --> 00:11:03,279

lake indiana

333

00:11:07,350 --> 00:11:05,600

this is basically a beast of barrow-type

334

00:11:07,990 --> 00:11:07,360

siding but it happened in southern

335

00:11:10,230 --> 00:11:08,000

indiana

336

00:11:11,430 --> 00:11:10,240

far from brair-out i'm wondering if

337

00:11:13,990 --> 00:11:11,440

anyone else has had

338

00:11:15,110 --> 00:11:14,000

or heard of sightings in the same area

339

00:11:17,590 --> 00:11:15,120

for the record this

340

00:11:18,310 --> 00:11:17,600

is not a werewolf story what i saw was

341

00:11:20,790 --> 00:11:18,320

an animal

342

00:11:22,790 --> 00:11:20,800

not a shapeshifter i know the beast is

343

00:11:24,230 --> 00:11:22,800

often called a werewolf but i don't buy

344

00:11:26,829 --> 00:11:24,240

that explanation

345

00:11:29,509 --> 00:11:26,839

my sighting happened between 1992 and

346

00:11:30,790 --> 00:11:29,519

1995 because i only lived in the area

347

00:11:34,389 --> 00:11:30,800

during that time

348

00:11:36,389 --> 00:11:34,399

my best guess is that it was 1992-1993

349

00:11:38,150 --> 00:11:36,399

because i was coming home late at night

350

00:11:40,230 --> 00:11:38,160

around one or two a.m without my

351
00:11:42,150 --> 00:11:40,240
then-fiance and she would have been with

352
00:11:44,389 --> 00:11:42,160
me after 1993.

353
00:11:46,550 --> 00:11:44,399
the sighting happened on state line road

354
00:11:47,190 --> 00:11:46,560
just off route 50 in southern indiana

355
00:11:49,590 --> 00:11:47,200
ohio

356
00:11:51,509 --> 00:11:49,600
right by hidden valley lake you can see

357
00:11:52,230 --> 00:11:51,519
on google maps that the area is still

358
00:11:55,430 --> 00:11:52,240
pretty wooded

359
00:11:56,230 --> 00:11:55,440
even 25 years later the usual caveats

360
00:11:58,230 --> 00:11:56,240
apply

361
00:12:00,949 --> 00:11:58,240
i had not been drinking and i wasn't on

362
00:12:02,150 --> 00:12:00,959
drugs i had just turned into state line

363
00:12:04,629 --> 00:12:02,160

road from route 50

364

00:12:06,470 --> 00:12:04,639

and i saw a large animal in the road it

365

00:12:07,430 --> 00:12:06,480

looked like a huge dog hunched over

366

00:12:09,750 --> 00:12:07,440

roadkill

367

00:12:11,829 --> 00:12:09,760

as i neared it i began to suspect it was

368

00:12:13,190 --> 00:12:11,839

one of my neighbor's dogs he had two

369

00:12:15,430 --> 00:12:13,200

irish wolfhounds

370

00:12:17,110 --> 00:12:15,440

if you don't know those are huge dogs

371

00:12:17,990 --> 00:12:17,120

that stand about three foot at the

372

00:12:20,310 --> 00:12:18,000

shoulders

373

00:12:22,389 --> 00:12:20,320

i assumed one of them had got out by

374

00:12:23,990 --> 00:12:22,399

this time i was slowing down because the

375

00:12:27,030 --> 00:12:24,000

animal didn't seem aware of my

376

00:12:29,030 --> 00:12:27,040

car and i was about 30 yards away i was

377

00:12:30,870 --> 00:12:29,040

starting to plan how i was going to get

378

00:12:32,870 --> 00:12:30,880

a dog that big into my car

379

00:12:34,710 --> 00:12:32,880

so i could drive it home and also

380

00:12:36,310 --> 00:12:34,720

wondering if wolfhounds were typically

381

00:12:38,389 --> 00:12:36,320

dangerous to approach

382

00:12:40,310 --> 00:12:38,399

i was also trying to figure out if i

383

00:12:42,790 --> 00:12:40,320

should wake the neighbors up or just try

384

00:12:44,870 --> 00:12:42,800

and tie the dog up outside or something

385

00:12:47,030 --> 00:12:44,880

as my mind raced through these thoughts

386

00:12:48,949 --> 00:12:47,040

this all happened in just a few seconds

387

00:12:51,670 --> 00:12:48,959

the animal finally turned and looked at

388

00:12:53,509 --> 00:12:51,680

my car so i stopped the car completely

389

00:12:55,269 --> 00:12:53,519

its face looked more like the shape of

390

00:12:57,509 --> 00:12:55,279

the police dogs than a wolfhound

391

00:13:00,150 --> 00:12:57,519

and that threw me i remember wondering

392

00:13:02,069 --> 00:13:00,160

why my neighbor's dog looked so strange

393

00:13:04,150 --> 00:13:02,079

and then the animal simply stood up on

394

00:13:04,629 --> 00:13:04,160

two legs and calmly walked off to the

395

00:13:07,269 --> 00:13:04,639

west

396

00:13:08,949 --> 00:13:07,279

into the tall grass off the road my mind

397

00:13:10,790 --> 00:13:08,959

at this point was still trying to

398

00:13:11,750 --> 00:13:10,800

reconcile how this was my neighbor's

399

00:13:13,350 --> 00:13:11,760

wolfhound

400

00:13:15,670 --> 00:13:13,360

i literally thought he had trained his

401
00:13:16,629 --> 00:13:15,680
dogs to walk on two legs and had never

402
00:13:18,949 --> 00:13:16,639
told us

403
00:13:19,990 --> 00:13:18,959
then it started to sink in the shape of

404
00:13:22,069 --> 00:13:20,000
the head was wrong

405
00:13:24,150 --> 00:13:22,079
the build of the dog was too muscular

406
00:13:24,870 --> 00:13:24,160
and it walked like a human not a circus

407
00:13:27,590 --> 00:13:24,880
dog

408
00:13:29,990 --> 00:13:27,600
my mind looked back to that of course it

409
00:13:31,990 --> 00:13:30,000
had walked off like a human on two legs

410
00:13:33,509 --> 00:13:32,000
and its gaze had lingered on me as if

411
00:13:35,990 --> 00:13:33,519
its attitude was telling me

412
00:13:37,750 --> 00:13:36,000
i didn't have to move you know the fur

413
00:13:39,350 --> 00:13:37,760

was long and shaggy and gray

414

00:13:41,509 --> 00:13:39,360

although in the darkness i could have

415

00:13:43,350 --> 00:13:41,519

misjudged the color and my mind filled

416

00:13:45,269 --> 00:13:43,360

it in with the color i was expecting to

417

00:13:47,750 --> 00:13:45,279

see on my neighbor's wolfhound

418

00:13:49,430 --> 00:13:47,760

i watched it walk still casually until

419

00:13:51,189 --> 00:13:49,440

it was swallowed by the shadows and

420

00:13:51,910 --> 00:13:51,199

trees on the other side of the small

421

00:13:53,910 --> 00:13:51,920

field

422

00:13:56,470 --> 00:13:53,920

i was terrified to drive the rest of the

423

00:13:58,550 --> 00:13:56,480

way home i never mentioned it to anyone

424

00:14:00,710 --> 00:13:58,560

but in the morning i asked my mom if the

425

00:14:02,310 --> 00:14:00,720

neighbor's dogs had got out and when she

426

00:14:04,710 --> 00:14:02,320

asked why i wanted to know

427

00:14:06,550 --> 00:14:04,720

i just said i thought i'd seen one but

428

00:14:09,189 --> 00:14:06,560

both dogs were accounted for

429

00:14:09,990 --> 00:14:09,199

and neither had got out then about 10

430

00:14:12,310 --> 00:14:10,000

years later

431

00:14:14,230 --> 00:14:12,320

i heard linda godfrey on coast to coast

432

00:14:17,030 --> 00:14:14,240

talking about the beast of brerod

433

00:14:18,470 --> 00:14:17,040

and i was like that's exactly what i saw

434

00:14:20,790 --> 00:14:18,480

it was even the same time

435

00:14:22,150 --> 00:14:20,800

period as the original barrowed flap

436

00:14:24,310 --> 00:14:22,160

with that confirmation

437

00:14:25,910 --> 00:14:24,320

i finally started to tell people about

438

00:14:27,110 --> 00:14:25,920

it to see if anyone else had seen

439

00:14:30,389 --> 00:14:27,120

anything like it

440

00:14:32,069 --> 00:14:30,399

no one had of course so that's my story

441

00:14:34,230 --> 00:14:32,079

are there historical sightings of the

442

00:14:35,269 --> 00:14:34,240

beast in the southern indiana ohio state

443

00:14:41,189 --> 00:14:35,279

line area

444

00:14:44,629 --> 00:14:43,750

this is lon strickler if you like this

445

00:14:46,389 --> 00:14:44,639

program

446

00:14:47,750 --> 00:14:46,399

it would help us if you would give it a

447

00:14:50,550 --> 00:14:47,760

thumbs up

448

00:14:51,030 --> 00:14:50,560

then subscribe and click the bell icon

449

00:14:53,430 --> 00:14:51,040

so you

450

00:14:55,509 --> 00:14:53,440

get notification when we upload new

451

00:14:58,629 --> 00:14:55,519

first person encounters

452

00:14:59,350 --> 00:14:58,639

we have many more to come very soon and

453

00:15:01,509 --> 00:14:59,360

by the way

454

00:15:03,110 --> 00:15:01,519

if you have a suggestion or an
