8
00:00:36,310 --> 00:00:33,830

scary bigfoot incident near daniels

9
00:00:37,350 --> 00:00:36,320

maryland my son and i had an experience

10
00:00:39,270 --> 00:00:37,360

with bigfoot

11
00:00:41,190 --> 00:00:39,280

we were walking in an unpopular part of

12
00:00:42,950 --> 00:00:41,200

patapsco park in maryland

13
00:00:45,029 --> 00:00:42,960

at first we were searching for ruins of

14

00:00:47,110 --> 00:00:45,039

the town washed out in the 70s

15

00:00:48,150 --> 00:00:47,120

he was 15 at the time and we were not

16

00:00:49,590 --> 00:00:48,160

having luck

17

00:00:51,750 --> 00:00:49,600

right from the beginning i got the

18

00:00:53,670 --> 00:00:51,760

creeps we are in the middle of nowhere

19

00:00:55,670 --> 00:00:53,680

forest and we come across an empty ball

20

00:00:57,510 --> 00:00:55,680

field with metal bleachers and a shack

21

00:00:58,069 --> 00:00:57,520

that was open with dated equipment in

22

00:00:59,590 --> 00:00:58,079

there

23

00:01:01,510 --> 00:00:59,600

as we were walking through the field i

24

00:01:02,549 --> 00:01:01,520

felt scared like there were eyes on us

25

00:01:05,270 --> 00:01:02,559

all around

26

00:01:07,030 --> 00:01:05,280

i said nothing about 30 minutes in we

27

00:01:09,190 --> 00:01:07,040

realized we're in the wrong area

28

00:01:10,870 --> 00:01:09,200

i was thinking oh great i failed my

29

00:01:12,469 --> 00:01:10,880

angry teenager again

30

00:01:14,630 --> 00:01:12,479

he he's going to forever think i can't

31

00:01:17,190 --> 00:01:14,640

do anything right we see a burned up

32

00:01:20,390 --> 00:01:17,200

pine tree and i stop to take a picture

33

00:01:22,310 --> 00:01:20,400

my son says this is lame let's go this

34

00:01:25,429 --> 00:01:22,320

is where things get real fast

35

00:01:27,030 --> 00:01:25,439

we turn around walk 20 steps he picks up

36

00:01:29,109 --> 00:01:27,040

a stick and bangs a tree

37

00:01:30,469 --> 00:01:29,119

i look down and see deep footprints in

38

00:01:31,910 --> 00:01:30,479

the semi-dry mud

39

00:01:34,149 --> 00:01:31,920

those tracks were not there when we

40

00:01:35,990 --> 00:01:34,159

walked up we take pictures

41

00:01:37,990 --> 00:01:36,000

i jump up and down to try to recreate

42

00:01:39,830 --> 00:01:38,000

the indentation and i can't do it

43

00:01:41,910 --> 00:01:39,840

i then realize that we are being

44

00:01:44,389 --> 00:01:41,920

followed panic sets in

45

00:01:44,950 --> 00:01:44,399

i declare a swift departure i think to

46

00:01:46,870 --> 00:01:44,960

myself

47

00:01:49,109 --> 00:01:46,880

is my child safer in front of me or

48

00:01:49,990 --> 00:01:49,119

behind me that is a shitty thing to have

49

00:01:52,069 --> 00:01:50,000

to think

50

00:01:54,469 --> 00:01:52,079

i push him in front of me he has a

51
00:01:56,870 --> 00:01:54,479
machete and i have a stupid stick

52
00:01:57,749 --> 00:01:56,880
we start to run walk back this is what

53
00:01:59,749 --> 00:01:57,759
we hear

54
00:02:01,109 --> 00:01:59,759
wrestling along the side of the path my

55
00:02:03,270 --> 00:02:01,119
son sees an arm

56
00:02:04,950 --> 00:02:03,280
we hear the sound of a jug you know the

57
00:02:06,149 --> 00:02:04,960
sound you hear when someone is blowing

58
00:02:08,469 --> 00:02:06,159
on a jug top

59
00:02:09,990 --> 00:02:08,479
we see two different size prints small

60
00:02:11,589 --> 00:02:10,000
ones and large ones

61
00:02:13,990 --> 00:02:11,599
we run by what looks like bedding and

62
00:02:15,750 --> 00:02:14,000
thick cool grass we start to feel safe

63
00:02:18,229 --> 00:02:15,760

getting closer to the car

64

00:02:20,150 --> 00:02:18,239

my son beats a stick against a tree at

65

00:02:21,190 --> 00:02:20,160

that point a giant roar scream erupts

66

00:02:23,110 --> 00:02:21,200

behind us

67

00:02:24,790 --> 00:02:23,120

so i grab the stick and scream at him

68

00:02:25,350 --> 00:02:24,800

stop hitting the effing tree we know it

69

00:02:27,990 --> 00:02:25,360

works

70

00:02:28,949 --> 00:02:28,000

run we make it back i'm repeating the

71

00:02:31,430 --> 00:02:28,959

words i wish

72

00:02:32,630 --> 00:02:31,440

that never happened to us he's repeating

73

00:02:35,190 --> 00:02:32,640

that's the best thing

74

00:02:35,990 --> 00:02:35,200

that ever happened to me we get home and

75

00:02:38,470 --> 00:02:36,000

i am virtually

76
00:02:39,750 --> 00:02:38,480
paralyzed with stress my son said we

77
00:02:42,630 --> 00:02:39,760
have to tell someone

78
00:02:43,589 --> 00:02:42,640
oh man i think i can't deny it my son

79
00:02:45,589 --> 00:02:43,599
was with me

80
00:02:47,670 --> 00:02:45,599
thus began my contact with a bigfoot

81
00:02:49,830 --> 00:02:47,680
specialist and a cryptozoologist

82
00:02:50,710 --> 00:02:49,840
i would say to my husband if the bigfoot

83
00:02:53,270 --> 00:02:50,720
person calls

84
00:02:54,390 --> 00:02:53,280
tell him i'll be back by 7 30. it was

85
00:02:56,550 --> 00:02:54,400
two years ago

86
00:02:57,430 --> 00:02:56,560
i have thought about it a lot i believe

87
00:02:59,990 --> 00:02:57,440
them to be real

88
00:03:01,990 --> 00:03:00,000

and not real at the same time somehow i

89

00:03:04,309 --> 00:03:02,000

think they are spirits of the forest

90

00:03:05,270 --> 00:03:04,319

i also no longer care if people believe

91

00:03:06,949 --> 00:03:05,280

me or not

92

00:03:09,350 --> 00:03:06,959

it happened and i have nothing to gain

93

00:03:10,149 --> 00:03:09,360

from the story also i told the bigfoot

94

00:03:12,309 --> 00:03:10,159

people to stop

95

00:03:19,990 --> 00:03:12,319

telling people to bang on trees they

96

00:03:23,350 --> 00:03:22,229

arkansas bigfoot encounter deeply haunts

97

00:03:25,990 --> 00:03:23,360

eyewitness

98

00:03:27,910 --> 00:03:26,000

it was back in 2010 right before the sun

99

00:03:29,990 --> 00:03:27,920

was coming up one morning while hunting

100

00:03:32,149 --> 00:03:30,000

with college buddies in arkansas

101
00:03:34,229 --> 00:03:32,159
we stayed overnight and i got up earlier

102
00:03:36,149 --> 00:03:34,239
and went out with my dog to try and view

103
00:03:38,309 --> 00:03:36,159
the path we would be taking that morning

104
00:03:40,710 --> 00:03:38,319
and get a general sense of the area

105
00:03:42,869 --> 00:03:40,720
we walked for about a mile and my dog

106
00:03:44,229 --> 00:03:42,879
out of nowhere stopped his hair raised

107
00:03:45,910 --> 00:03:44,239
up on the back of his neck

108
00:03:48,309 --> 00:03:45,920
ears went forward at attention and

109
00:03:50,149 --> 00:03:48,319
growled he then made a whimpering sound

110
00:03:51,910 --> 00:03:50,159
and looked at me and barked at me

111
00:03:53,509 --> 00:03:51,920
he then booked and i could hear him

112
00:03:56,309 --> 00:03:53,519
barking from a distance

113
00:03:58,149 --> 00:03:56,319

i felt very uneasy very motionless like

114

00:03:58,869 --> 00:03:58,159

i couldn't move and just a sense of

115

00:04:00,949 --> 00:03:58,879

terror

116

00:04:02,949 --> 00:04:00,959

i thought it was a cougar i had my

117

00:04:04,869 --> 00:04:02,959

sidearm on me so i grabbed it

118

00:04:06,550 --> 00:04:04,879

i checked to make sure i was ready to

119

00:04:09,030 --> 00:04:06,560

fire while looking around

120

00:04:11,270 --> 00:04:09,040

it was then ahead of me by the stream a

121

00:04:13,350 --> 00:04:11,280

full-sized male bigfoot stood up

122

00:04:15,589 --> 00:04:13,360

his breath was visible because it was so

123

00:04:17,909 --> 00:04:15,599

cold he was breathing heavy

124

00:04:20,069 --> 00:04:17,919

i could smell him the only way i can

125

00:04:21,110 --> 00:04:20,079

describe the smell is like a skunk but

126

00:04:23,670 --> 00:04:21,120

not a skunk

127

00:04:25,749 --> 00:04:23,680

it's as strong as a skunk smell after

128

00:04:27,110 --> 00:04:25,759

making eye contact he screeched at me in

129

00:04:29,430 --> 00:04:27,120

an absolute threat

130

00:04:31,030 --> 00:04:29,440

i looked down keeping him in my line of

131

00:04:33,670 --> 00:04:31,040

sight but not eye contact

132

00:04:35,749 --> 00:04:33,680

and slowly backed away facing him i knew

133

00:04:38,150 --> 00:04:35,759

if he came towards me i'd put him down

134

00:04:39,350 --> 00:04:38,160

i'm a good shot i'll never forget the

135

00:04:42,230 --> 00:04:39,360

eyes the smell

136

00:04:43,830 --> 00:04:42,240

the fear it haunts me in my dreams i

137

00:04:45,670 --> 00:04:43,840

don't go deep into the woods

138

00:04:47,430 --> 00:04:45,680

don't go camping or hiking anywhere

139

00:04:48,870 --> 00:04:47,440

there isn't a lot of people or tourists

140

00:04:51,350 --> 00:04:48,880

and traffic anymore

141

00:04:53,189 --> 00:04:51,360

don't stay overnight hunting refuse to

142

00:04:54,150 --> 00:04:53,199

hunt camp anywhere on the northwest of

143

00:04:55,909 --> 00:04:54,160

the country

144

00:04:58,469 --> 00:04:55,919

i believe they are everywhere in north

145

00:04:59,350 --> 00:04:58,479

america i basically duck hunt now and

146

00:05:01,110 --> 00:04:59,360

that's it

147

00:05:02,550 --> 00:05:01,120

i've found out since then that there are

148

00:05:03,510 --> 00:05:02,560

more people that have seen them in

149

00:05:05,270 --> 00:05:03,520

arkansas

150

00:05:07,990 --> 00:05:05,280

which is not where i'm from but where i

151
00:05:09,670 --> 00:05:08,000
went to college it changed my life

152
00:05:11,510 --> 00:05:09,680
and if it weren't for being a positive

153
00:05:13,749 --> 00:05:11,520
glass-half-full kind of guy

154
00:05:15,909 --> 00:05:13,759
it could have sent me down a dark path

155
00:05:16,870 --> 00:05:15,919
my experience was not one of wonder and

156
00:05:19,110 --> 00:05:16,880
amazement

157
00:05:20,550 --> 00:05:19,120
my encounter was sheer terror more

158
00:05:22,870 --> 00:05:20,560
detail of the incident

159
00:05:24,790 --> 00:05:22,880
i was up on a ridge he was at least

160
00:05:25,510 --> 00:05:24,800
three feet below me and met my line of

161
00:05:27,830 --> 00:05:25,520
sight

162
00:05:30,310 --> 00:05:27,840
i'm six foot three he was anywhere

163
00:05:32,790 --> 00:05:30,320

between eight to minus ten feet tall

164

00:05:35,270 --> 00:05:32,800

four hundred plus pounds of lean muscle

165

00:05:37,350 --> 00:05:35,280

eyes were dark like a great white shark

166

00:05:39,270 --> 00:05:37,360

forehead low back of head tall to a

167

00:05:41,909 --> 00:05:39,280

point flat nose

168

00:05:42,950 --> 00:05:41,919

and flat teeth dark hair it was still

169

00:05:46,230 --> 00:05:42,960

dark out

170

00:05:48,710 --> 00:05:46,240

the sun was just coming up i have ptsd

171

00:05:50,070 --> 00:05:48,720

and i can't tell people why even though

172

00:05:52,070 --> 00:05:50,080

i function fine

173

00:05:53,830 --> 00:05:52,080

the fact that i know other things exist

174

00:05:56,629 --> 00:05:53,840

means other things exist

175

00:05:58,390 --> 00:05:56,639

and it is terrifying as i left i felt i

176
00:05:59,270 --> 00:05:58,400
was being watched the rest of the time i

177
00:06:01,830 --> 00:05:59,280
was there

178
00:06:03,590 --> 00:06:01,840
i told my buds i was leaving i was

179
00:06:05,590 --> 00:06:03,600
shaken up and they could tell

180
00:06:07,270 --> 00:06:05,600
i ended up pulling my truck over and

181
00:06:09,909 --> 00:06:07,280
just crying uncontrollably

182
00:06:11,909 --> 00:06:09,919
not understanding why i now think it was

183
00:06:12,870 --> 00:06:11,919
able to get into my head or put me under

184
00:06:15,270 --> 00:06:12,880
a trance

185
00:06:16,629 --> 00:06:15,280
i don't know i just know they aren't to

186
00:06:18,830 --> 00:06:16,639
be taken lightly

187
00:06:25,749 --> 00:06:18,840
and they'll kill you if you disturb them

188
00:06:29,270 --> 00:06:27,830

bigfoot-like creature reported to rome

189

00:06:31,029 --> 00:06:29,280

yorkshire uk

190

00:06:32,550 --> 00:06:31,039

it has taken me a long time to come

191

00:06:32,950 --> 00:06:32,560

forward with what happened to me that

192

00:06:34,870 --> 00:06:32,960

day

193

00:06:36,950 --> 00:06:34,880

but i feel that i am ready to finally

194

00:06:39,590 --> 00:06:36,960

tell all it happened years ago in the

195

00:06:41,670 --> 00:06:39,600

month of october back in 1998

196

00:06:43,270 --> 00:06:41,680

myself and my family lived in the rural

197

00:06:44,070 --> 00:06:43,280

area of yorkshire in a village called

198

00:06:46,230 --> 00:06:44,080

bramham

199

00:06:47,990 --> 00:06:46,240

it's a countryside area with lots of

200

00:06:48,629 --> 00:06:48,000

farms a quarry in some rivers and

201
00:06:50,629 --> 00:06:48,639
streams

202
00:06:52,629 --> 00:06:50,639
i like to walk my dog around the lanes

203
00:06:54,390 --> 00:06:52,639
and tracks when i had finished work of

204
00:06:56,070 --> 00:06:54,400
an evening as it was a way for me to

205
00:06:57,670 --> 00:06:56,080
wind down and get some air

206
00:06:59,510 --> 00:06:57,680
on that particular evening i'm out

207
00:06:59,909 --> 00:06:59,520
walking with my dog down a long farm

208
00:07:02,150 --> 00:06:59,919
track

209
00:07:03,909 --> 00:07:02,160
a route we often take it was early

210
00:07:06,150 --> 00:07:03,919
evening so it was about 8 00 pm

211
00:07:08,309 --> 00:07:06,160
and it had gotten dark myself and the

212
00:07:09,830 --> 00:07:08,319
dog are just walking along i let the dog

213
00:07:11,670 --> 00:07:09,840

off the lead so he could have a run as

214

00:07:13,430 --> 00:07:11,680

we are about half a mile up this single

215

00:07:14,870 --> 00:07:13,440

farm track by then and there were no

216

00:07:17,189 --> 00:07:14,880

animals or people around

217

00:07:18,950 --> 00:07:17,199

so i let him have a sniff around as i

218

00:07:19,589 --> 00:07:18,960

walked the dog is just doing his own

219

00:07:21,430 --> 00:07:19,599

thing

220

00:07:23,430 --> 00:07:21,440

it was quiet with no sign of anyone

221

00:07:25,029 --> 00:07:23,440

around i was enjoying the walk

222

00:07:26,950 --> 00:07:25,039

there are hedges on both sides of the

223

00:07:28,629 --> 00:07:26,960

track the whole way so it's hard to see

224

00:07:30,469 --> 00:07:28,639

clearly into the fields and there are

225

00:07:32,150 --> 00:07:30,479

some woods to one side of me

226

00:07:34,309 --> 00:07:32,160

as we walked even further along the

227

00:07:35,830 --> 00:07:34,319

track the dog suddenly stops he freezes

228

00:07:36,950 --> 00:07:35,840

and looks up the track in the direction

229

00:07:38,550 --> 00:07:36,960

we are walking

230

00:07:40,309 --> 00:07:38,560

he must be aware of something up there

231

00:07:40,870 --> 00:07:40,319

as he starts growling and acting all

232

00:07:42,830 --> 00:07:40,880

strange

233

00:07:45,110 --> 00:07:42,840

his hackles are up and he growls

234

00:07:47,110 --> 00:07:45,120

continuously at that point i'm thinking

235

00:07:49,270 --> 00:07:47,120

it must be a fox which is the way he's

236

00:07:50,950 --> 00:07:49,280

acted before if we came across one

237

00:07:54,070 --> 00:07:50,960

so i'm looking at the track to try and

238

00:07:57,110 --> 00:07:54,080

see a fox i can't see anything anywhere

239

00:07:59,110 --> 00:07:57,120

no fox no cat or any other animal i can

240

00:08:01,430 --> 00:07:59,120

see how worked up he is as now he is

241

00:08:03,189 --> 00:08:01,440

going mad and starts barking loudly

242

00:08:05,350 --> 00:08:03,199

i had carried on walking so by this

243

00:08:07,110 --> 00:08:05,360

point he was a short way behind me

244

00:08:09,110 --> 00:08:07,120

so i turned to the dog to try and calm

245

00:08:10,230 --> 00:08:09,120

him but he won't stop if anything he's

246

00:08:11,909 --> 00:08:10,240

getting worse

247

00:08:13,510 --> 00:08:11,919

something has really spooked him so i

248

00:08:15,189 --> 00:08:13,520

turned to look up the track and i

249

00:08:16,710 --> 00:08:15,199

couldn't believe my eyes

250

00:08:18,790 --> 00:08:16,720

standing there looking at us was this

251
00:08:20,550 --> 00:08:18,800
thing a massive creature stood there

252
00:08:22,150 --> 00:08:20,560
looking back in our direction

253
00:08:24,150 --> 00:08:22,160
it must have walked between eight to

254
00:08:26,070 --> 00:08:24,160
nine foot steps out onto the field track

255
00:08:27,990 --> 00:08:26,080
before i had seen it and now i can see

256
00:08:29,830 --> 00:08:28,000
it clearly and it can see us

257
00:08:31,029 --> 00:08:29,840
at this point i'm in complete shock at

258
00:08:33,509 --> 00:08:31,039
what i was seeing

259
00:08:35,269 --> 00:08:33,519
i kept thinking it can't be real i

260
00:08:36,709 --> 00:08:35,279
honestly don't think my brain couldn't

261
00:08:38,230 --> 00:08:36,719
process what i was seeing

262
00:08:40,469 --> 00:08:38,240
because standing there in the field

263
00:08:42,149 --> 00:08:40,479

track was a huge creature of some kind

264

00:08:44,070 --> 00:08:42,159

it was massively built and was about

265

00:08:45,509 --> 00:08:44,080

five foot wide across the shoulders and

266

00:08:47,430 --> 00:08:45,519

about eight foot tall

267

00:08:49,269 --> 00:08:47,440

i couldn't make out any facial features

268

00:08:50,949 --> 00:08:49,279

as the face was in shadow but i could

269

00:08:53,190 --> 00:08:50,959

make out that it was covered in hair

270

00:08:55,030 --> 00:08:53,200

it was standing about 30 meters from me

271

00:08:57,030 --> 00:08:55,040

so i could see it clearly but i could

272

00:08:57,910 --> 00:08:57,040

not make out any features even from that

273

00:08:59,990 --> 00:08:57,920

distance

274

00:09:00,949 --> 00:09:00,000

it made no sound and i never smelled or

275

00:09:02,790 --> 00:09:00,959

heard anything

276

00:09:04,389 --> 00:09:02,800

to my disbelief at that moment the dog

277

00:09:06,550 --> 00:09:04,399

runs straight towards it the dog's

278

00:09:08,790 --> 00:09:06,560

barking as he runs in its direction

279

00:09:10,550 --> 00:09:08,800

but the dog stopped about 15 meters away

280

00:09:12,550 --> 00:09:10,560

from this thing he was clearly scared

281

00:09:14,550 --> 00:09:12,560

and just didn't know how to react

282

00:09:16,310 --> 00:09:14,560

he had completely forgotten about me and

283

00:09:18,389 --> 00:09:16,320

that's a first for my dog

284

00:09:20,070 --> 00:09:18,399

usually he would put my needs first and

285

00:09:22,070 --> 00:09:20,080

maybe that what he was doing as he was

286

00:09:23,829 --> 00:09:22,080

by now and between me and this creature

287

00:09:25,190 --> 00:09:23,839

but i could tell i was the last thing on

288

00:09:27,269 --> 00:09:25,200

his mind at this point

289

00:09:29,269 --> 00:09:27,279

the dog barks a few more times then he

290

00:09:31,110 --> 00:09:29,279

turns and runs straight past me and back

291

00:09:31,990 --> 00:09:31,120

up the farm track to safety the way we

292

00:09:33,990 --> 00:09:32,000

came in

293

00:09:36,470 --> 00:09:34,000

no doubt now you can imagine how stunned

294

00:09:37,030 --> 00:09:36,480

i was the whole incident had lasted only

295

00:09:39,030 --> 00:09:37,040

seconds

296

00:09:41,430 --> 00:09:39,040

and i was just stood there paralyzed and

297

00:09:43,430 --> 00:09:41,440

trying to process what i had just seen

298

00:09:45,430 --> 00:09:43,440

i must have been in shock because what i

299

00:09:47,670 --> 00:09:45,440

did next i did without conscious thought

300

00:09:49,110 --> 00:09:47,680

and i can't explain why i did it

301
00:09:51,430 --> 00:09:49,120
but as i stood there looking at this

302
00:09:54,150 --> 00:09:51,440
creature i nod my head quickly and i say

303
00:09:55,430 --> 00:09:54,160
all right to it i know that's crazy but

304
00:09:57,190 --> 00:09:55,440
that's what i did

305
00:09:59,190 --> 00:09:57,200
then i just can't be turned around and

306
00:10:00,310 --> 00:09:59,200
just started walking back down the field

307
00:10:01,990 --> 00:10:00,320
track after my dog

308
00:10:03,350 --> 00:10:02,000
all the time listening for this creature

309
00:10:06,069 --> 00:10:03,360
coming behind me

310
00:10:07,750 --> 00:10:06,079
i was completely crapping myself i think

311
00:10:09,430 --> 00:10:07,760
i acted without thinking as i never

312
00:10:09,910 --> 00:10:09,440
looked back up that track until i got to

313
00:10:11,670 --> 00:10:09,920

the dog

314

00:10:13,030 --> 00:10:11,680

and i couldn't see anything in the field

315

00:10:14,949 --> 00:10:13,040

anymore when i did

316

00:10:16,710 --> 00:10:14,959

i didn't report this for years and years

317

00:10:18,230 --> 00:10:16,720

until other people came forward in

318

00:10:20,069 --> 00:10:18,240

secret and started to share their

319

00:10:22,150 --> 00:10:20,079

accounts online with each other

320

00:10:24,310 --> 00:10:22,160

i had no idea what a bigfoot was back

321

00:10:24,870 --> 00:10:24,320

then now years on from seeing them

322

00:10:26,630 --> 00:10:24,880

online

323

00:10:28,230 --> 00:10:26,640

i can say without doubt it looked like

324

00:10:29,750 --> 00:10:28,240

it was an exact match

325

00:10:31,670 --> 00:10:29,760

i have spoken with this witness on

326

00:10:31,990 --> 00:10:31,680

numerous occasions and i did get in

327

00:10:33,750 --> 00:10:32,000

touch

328

00:10:35,829 --> 00:10:33,760

this week to let him know another person

329

00:10:42,630 --> 00:10:35,839

had come forward from the same area

330

00:10:46,069 --> 00:10:45,030

bigfoot ufo encounter in chase county

331

00:10:47,990 --> 00:10:46,079

kansas

332

00:10:50,389 --> 00:10:48,000

until you experience bigfoot for

333

00:10:52,630 --> 00:10:50,399

yourself those who have made claims will

334

00:10:53,829 --> 00:10:52,640

no longer be crazy to those who have not

335

00:10:55,750 --> 00:10:53,839

witnessed them

336

00:10:57,190 --> 00:10:55,760

bigfoot is regarded as a tribe for

337

00:10:59,350 --> 00:10:57,200

native americans

338

00:11:01,110 --> 00:10:59,360

there are still tribes in south america

339

00:11:02,550 --> 00:11:01,120

in the deep untouched areas that are

340

00:11:05,350 --> 00:11:02,560

being discovered

341

00:11:06,069 --> 00:11:05,360

and many species of mammals appearing

342

00:11:08,790 --> 00:11:06,079

for me

343

00:11:10,389 --> 00:11:08,800

i am from hawaii and was skeptical but

344

00:11:12,550 --> 00:11:10,399

when i lived in kansas

345

00:11:13,990 --> 00:11:12,560

i changed my mind after it happened to

346

00:11:18,470 --> 00:11:14,000

me it happened

347

00:11:20,949 --> 00:11:18,480

in 2009 i tried to contact bfro about it

348

00:11:23,190 --> 00:11:20,959

it was in october at chase county lake

349

00:11:26,470 --> 00:11:23,200

near cottonwood falls kansas

350

00:11:28,069 --> 00:11:26,480

before 10 p.m my ex-boyfriend and i made

351

00:11:30,150 --> 00:11:28,079

a fire at almost the far

352

00:11:31,509 --> 00:11:30,160

end of the lake and i sensed something

353

00:11:33,829 --> 00:11:31,519

was behind me

354

00:11:35,750 --> 00:11:33,839

the fireflies were out and the glow of

355

00:11:36,710 --> 00:11:35,760

the fire was casting its light on the

356

00:11:38,150 --> 00:11:36,720

tall grass

357

00:11:40,710 --> 00:11:38,160

and the silhouette of the hill was

358

00:11:42,870 --> 00:11:40,720

noticeable because it was a full moon

359

00:11:43,910 --> 00:11:42,880

my ex and i kept seeing what you call

360

00:11:45,750 --> 00:11:43,920

ufos

361

00:11:47,030 --> 00:11:45,760

they would look like satellites coming

362

00:11:48,870 --> 00:11:47,040

from one direction

363

00:11:51,190 --> 00:11:48,880

then they zip fast towards the other

364

00:11:52,710 --> 00:11:51,200

direction like a shooting star

365

00:11:54,790 --> 00:11:52,720

there were objects that would blow

366

00:11:55,990 --> 00:11:54,800

bright out of nowhere and then all of

367

00:11:58,790 --> 00:11:56,000

sudden disappear

368

00:12:01,110 --> 00:11:58,800

then come back in different colors now

369

00:12:03,269 --> 00:12:01,120

that was going on for a while and i then

370

00:12:05,509 --> 00:12:03,279

heard something brush in the grass

371

00:12:06,470 --> 00:12:05,519

i looked and kept seeing the black large

372

00:12:08,870 --> 00:12:06,480

object move

373

00:12:09,990 --> 00:12:08,880

but it was silent as it moved i was

374

00:12:12,550 --> 00:12:10,000

thinking or my eyes

375

00:12:13,509 --> 00:12:12,560

playing tricks on me i still felt a

376

00:12:16,629 --> 00:12:13,519

presence

377

00:12:18,949 --> 00:12:16,639

it was very unsettling i kept telling my

378

00:12:21,509 --> 00:12:18,959

ex about it and he did not know what it

379

00:12:23,269 --> 00:12:21,519

was but i truly felt he was fixated on

380

00:12:25,829 --> 00:12:23,279

the objects in the sky

381

00:12:26,949 --> 00:12:25,839

i kept seeing this large mass and i was

382

00:12:29,350 --> 00:12:26,959

getting frightened

383

00:12:31,509 --> 00:12:29,360

so i tried to concentrate on the fire

384

00:12:33,030 --> 00:12:31,519

burning and staring at the embers flying

385

00:12:35,269 --> 00:12:33,040

up to the blue black sky

386

00:12:36,069 --> 00:12:35,279

on the left the moon cast its bright

387

00:12:38,710 --> 00:12:36,079

light

388

00:12:40,629 --> 00:12:38,720

as i was finally easing down a sound

389

00:12:42,790 --> 00:12:40,639

behind us roared so loud

390

00:12:45,190 --> 00:12:42,800

it was so powerful that i could view my

391

00:12:47,269 --> 00:12:45,200

entire body to the bone vibrate

392

00:12:49,910 --> 00:12:47,279

it was a long roar and raoul mix into

393

00:12:52,069 --> 00:12:49,920

one there was absolutely no one on the

394

00:12:54,069 --> 00:12:52,079

lake as we would have seen a car pass

395

00:12:55,509 --> 00:12:54,079

and before that we checked to see if

396

00:12:58,389 --> 00:12:55,519

anyone was there

397

00:13:00,470 --> 00:12:58,399

my ex he does not get scared by anything

398

00:13:01,269 --> 00:13:00,480

but this made him jump out of his chair

399

00:13:04,230 --> 00:13:01,279

and said

400

00:13:06,550 --> 00:13:04,240

hurry up and get into the van he was so

401
00:13:08,310 --> 00:13:06,560
terrified he kept dropping things

402
00:13:09,590 --> 00:13:08,320
so we got into van and as we were

403
00:13:11,990 --> 00:13:09,600
driving off

404
00:13:14,150 --> 00:13:12,000
we saw no one parked on the side coming

405
00:13:15,750 --> 00:13:14,160
in but as we booked it down the dusty

406
00:13:18,069 --> 00:13:15,760
road filled with potholes

407
00:13:19,990 --> 00:13:18,079
before we hit a bend we saw what looked

408
00:13:22,550 --> 00:13:20,000
like two very large headlights

409
00:13:24,470 --> 00:13:22,560
come out of nowhere and it came at us so

410
00:13:25,269 --> 00:13:24,480
fast that we kept looking at the rear

411
00:13:27,269 --> 00:13:25,279
view mirror

412
00:13:30,550 --> 00:13:27,279
and it separated from each side of the

413
00:13:32,389 --> 00:13:30,560

van then just out of nowhere disappeared

414

00:13:33,670 --> 00:13:32,399

when we got home and we noticed that

415

00:13:36,069 --> 00:13:33,680

there were lights in the sky

416

00:13:38,310 --> 00:13:36,079

following us we were in silence and

417

00:13:40,389 --> 00:13:38,320

disbelief at all we had witnessed

418

00:13:41,990 --> 00:13:40,399

then we went into the house and told his

419

00:13:44,949 --> 00:13:42,000

mom she said

420

00:13:45,670 --> 00:13:44,959

oh yeah they are here when my ex was a

421

00:13:47,829 --> 00:13:45,680

baby

422

00:13:49,189 --> 00:13:47,839

his mom and sister were driving down a

423

00:13:51,750 --> 00:13:49,199

road near that area

424

00:13:53,430 --> 00:13:51,760

and had a ufo encounter i have heard

425

00:13:55,990 --> 00:13:53,440

many eyewitness years after

426
00:13:56,790 --> 00:13:56,000
experiencing similar accounts that along

427
00:14:00,790 --> 00:13:56,800
with bigfoot

428
00:14:02,790 --> 00:14:00,800
so are ufos present why i have no clue

429
00:14:04,870 --> 00:14:02,800
but to think we are the only creatures

430
00:14:06,870 --> 00:14:04,880
on this planet and those discovered

431
00:14:08,870 --> 00:14:06,880
it would be absurd to think there is no

432
00:14:10,069 --> 00:14:08,880
other life that has had to manage being

433
00:14:15,509 --> 00:14:10,079
undetected

434
00:14:18,949 --> 00:14:18,069
this is lon strickler if you like this

435
00:14:20,710 --> 00:14:18,959
program

436
00:14:22,069 --> 00:14:20,720
it would help us if you would give it a
