

A close-up photograph of a woman's eyes, looking directly at the camera. Her eyes are dark, and there are small, bright blue reflections in the pupils, giving them a supernatural or 'black-eyed' appearance. The background is dark and out of focus.

so you'll be notified of all future

8  
00:00:37,750 --> 00:00:35,510

vanishing black eyed kids please don't

9  
00:00:39,430 --> 00:00:37,760

take this lightly and stay safe

10  
00:00:41,990 --> 00:00:39,440

here's what happened to me two nights

11  
00:00:43,430 --> 00:00:42,000

ago i was encouraged by friends who tell

12  
00:00:44,630 --> 00:00:43,440

me people need to know what i've

13  
00:00:46,630 --> 00:00:44,640

experienced

14

00:00:48,630 --> 00:00:46,640

i recently moved into a condo in

15

00:00:50,950 --> 00:00:48,640

southeast portland oregon

16

00:00:52,630 --> 00:00:50,960

outside of downtown it's pretty rural

17

00:00:55,029 --> 00:00:52,640

here and there are more houses and

18

00:00:56,869 --> 00:00:55,039

condos than apartment complexes

19

00:00:58,549 --> 00:00:56,879

i was out on my balcony smoking a

20

00:00:59,590 --> 00:00:58,559

cigarette when i noticed something

21

00:01:01,349 --> 00:00:59,600

strange

22

00:01:02,869 --> 00:01:01,359

now i'll preface this by saying i have

23

00:01:05,830 --> 00:01:02,879

heard of black-eyed kids

24

00:01:07,590 --> 00:01:05,840

children people whatever i don't usually

25

00:01:09,030 --> 00:01:07,600

get spooked by scary stories or

26

00:01:12,070 --> 00:01:09,040

creepypastas

27

00:01:13,910 --> 00:01:12,080

they're all fun and games right no harm

28

00:01:16,390 --> 00:01:13,920

i have had weird things happen to me i

29

00:01:18,789 --> 00:01:16,400

can't explain don't get me wrong

30

00:01:20,789 --> 00:01:18,799

my boyfriend swears i was possessed once

31

00:01:22,870 --> 00:01:20,799

i had an object thrown at me by no one

32

00:01:24,789 --> 00:01:22,880

when i was alone in a basement

33

00:01:26,710 --> 00:01:24,799

paranormal weirdness that i don't bother

34

00:01:29,429 --> 00:01:26,720

much to try and understand

35

00:01:31,270 --> 00:01:29,439

i dismiss it and go on with my life i

36

00:01:32,230 --> 00:01:31,280

never believed i'd be writing something

37

00:01:34,390 --> 00:01:32,240

like this

38

00:01:36,630 --> 00:01:34,400

i'm a graduate student on a professional

39

00:01:38,310 --> 00:01:36,640

track and i stay pretty firmly grounded

40

00:01:39,270 --> 00:01:38,320

in scientific and reasonable

41

00:01:41,109 --> 00:01:39,280

explanations

42

00:01:42,870 --> 00:01:41,119

whether i know what they are or not i

43

00:01:43,830 --> 00:01:42,880

favor the belief the underlying

44

00:01:46,389 --> 00:01:43,840

everything

45

00:01:48,710 --> 00:01:46,399

so on my balcony smoking across the

46

00:01:50,310 --> 00:01:48,720

condo complex on a neighbor's balcony i

47

00:01:52,710 --> 00:01:50,320

see two silhouettes

48

00:01:53,429 --> 00:01:52,720

it's late around 2 a.m and it's a week

49

00:01:55,350 --> 00:01:53,439

night

50

00:01:56,950 --> 00:01:55,360

one was slightly taller than the other

51  
00:01:58,389 --> 00:01:56,960  
but there looked to be females around

52  
00:02:01,109 --> 00:01:58,399  
the age of eight to twelve

53  
00:02:03,429 --> 00:02:01,119  
with one a bit older i saw movement and

54  
00:02:05,270 --> 00:02:03,439  
the two stood close to one another

55  
00:02:06,950 --> 00:02:05,280  
i could hear them knocking on the second

56  
00:02:08,790 --> 00:02:06,960  
story balcony door

57  
00:02:10,710 --> 00:02:08,800  
my light was off suicide from my

58  
00:02:12,470 --> 00:02:10,720  
cigarette burning i don't think anyone

59  
00:02:12,869 --> 00:02:12,480  
could see me well enough to know i was

60  
00:02:15,670 --> 00:02:12,879  
there

61  
00:02:16,470 --> 00:02:15,680  
and once i saw them i was frozen still i

62  
00:02:18,150 --> 00:02:16,480  
don't know why

63  
00:02:20,390 --> 00:02:18,160

but as soon as i could make out their

64

00:02:21,190 --> 00:02:20,400

shapes i felt an overwhelming sense of

65

00:02:22,949 --> 00:02:21,200

terror

66

00:02:25,190 --> 00:02:22,959

like something imminent and dangerous

67

00:02:27,589 --> 00:02:25,200

was preying on me and i couldn't move

68

00:02:29,190 --> 00:02:27,599

after some time 10 minutes of paralyzing

69

00:02:30,470 --> 00:02:29,200

fear and listening to their knocks the

70

00:02:33,270 --> 00:02:30,480

light and the condo came

71

00:02:34,550 --> 00:02:33,280

on and someone opened their blinds i was

72

00:02:36,630 --> 00:02:34,560

afraid for them

73

00:02:38,470 --> 00:02:36,640

i wanted to yell to the neighbor to stop

74

00:02:40,470 --> 00:02:38,480

but i was more afraid they'd see me and

75

00:02:42,470 --> 00:02:40,480

i can't explain it but i knew i didn't

76

00:02:43,990 --> 00:02:42,480

want them to know i was watching

77

00:02:45,910 --> 00:02:44,000

the neighbor stepped back i think

78

00:02:48,550 --> 00:02:45,920

confused and apprehensive

79

00:02:50,550 --> 00:02:48,560

i could understand why i heard the voice

80

00:02:51,670 --> 00:02:50,560

of the older taller one and it's burned

81

00:02:53,750 --> 00:02:51,680

in my mind

82

00:02:55,670 --> 00:02:53,760

it was completely monotone and seemed to

83

00:02:57,589 --> 00:02:55,680

be void of any life or cheer

84

00:02:58,949 --> 00:02:57,599

like a kid is usually happy sounding

85

00:03:01,190 --> 00:02:58,959

even if they aren't happy

86

00:03:03,509 --> 00:03:01,200

but it was so weird i knew it wasn't the

87

00:03:05,670 --> 00:03:03,519

voice of a child or a person

88

00:03:06,710 --> 00:03:05,680

it wasn't human something in this voice

89

00:03:08,470 --> 00:03:06,720

was wrong

90

00:03:10,550 --> 00:03:08,480

i couldn't hear exactly what she was

91

00:03:12,550 --> 00:03:10,560

saying but at one point the smaller one

92

00:03:14,869 --> 00:03:12,560

turned around and stared straight at me

93

00:03:17,830 --> 00:03:14,879

like she knew i was there the whole time

94

00:03:19,350 --> 00:03:17,840

i almost wet myself still paralyzed with

95

00:03:22,309 --> 00:03:19,360

fear i couldn't move

96

00:03:23,030 --> 00:03:22,319

i saw pale skin and huge black eyes it

97

00:03:25,589 --> 00:03:23,040

was dark

98

00:03:26,309 --> 00:03:25,599

it was far but i know what i saw when

99

00:03:27,910 --> 00:03:26,319

she turned

100

00:03:29,830 --> 00:03:27,920

the light from inside the neighbor's

101  
00:03:31,430 --> 00:03:29,840  
balcony shed light on them so i could

102  
00:03:32,550 --> 00:03:31,440  
see well enough to know her eyes were

103  
00:03:34,309 --> 00:03:32,560  
pitch black

104  
00:03:36,949 --> 00:03:34,319  
her clothes were strange and old

105  
00:03:38,789 --> 00:03:36,959  
outdated and she was expressionless

106  
00:03:40,869 --> 00:03:38,799  
the neighbor had the door open only an

107  
00:03:42,070 --> 00:03:40,879  
inch or two and her hand looked ready to

108  
00:03:44,229 --> 00:03:42,080  
slam it shut

109  
00:03:45,830 --> 00:03:44,239  
the taller girl became angry and she

110  
00:03:47,750 --> 00:03:45,840  
seemed as though she was going to make

111  
00:03:49,350 --> 00:03:47,760  
her way into the damn door

112  
00:03:51,509 --> 00:03:49,360  
the neighbor slammed it and locked it

113  
00:03:53,270 --> 00:03:51,519

hard i could hear the fear of that woman

114

00:03:54,229 --> 00:03:53,280

with the intensity in which she locked

115

00:03:55,990 --> 00:03:54,239

that door

116

00:03:58,869 --> 00:03:56,000

she stepped back from the door leaving

117

00:04:00,630 --> 00:03:58,879

the blinds drawn and i lost sight of her

118

00:04:02,070 --> 00:04:00,640

they stood before the smaller one looked

119

00:04:03,750 --> 00:04:02,080

up at the taller one

120

00:04:05,830 --> 00:04:03,760

the two looked at each other said

121

00:04:07,830 --> 00:04:05,840

nothing no communication

122

00:04:09,750 --> 00:04:07,840

and in unison looked toward me and i

123

00:04:11,509 --> 00:04:09,760

broke free of my paralysis to bolt

124

00:04:13,110 --> 00:04:11,519

inside and lock the door

125

00:04:15,030 --> 00:04:13,120

still holding my cigarette with its

126

00:04:17,110 --> 00:04:15,040

filter burning at this point

127

00:04:19,030 --> 00:04:17,120

i kept the light off and kept my eyes on

128

00:04:21,189 --> 00:04:19,040

their shadowy silhouettes

129

00:04:23,110 --> 00:04:21,199

this is where it gets crazy sounding and

130

00:04:25,030 --> 00:04:23,120

i search desperately for a way to say

131

00:04:25,990 --> 00:04:25,040

this that anyone reading can comprehend

132

00:04:27,670 --> 00:04:26,000

the sheer shock

133

00:04:29,030 --> 00:04:27,680

terror and seriousness at what i

134

00:04:32,469 --> 00:04:29,040

witnessed with my own two

135

00:04:34,390 --> 00:04:32,479

eyes they often dematerialized i mean

136

00:04:35,749 --> 00:04:34,400

they just turned into almost a swarm of

137

00:04:39,270 --> 00:04:35,759

what could have been insects

138

00:04:40,950 --> 00:04:39,280

and disappeared swear to god on my life

139

00:04:42,870 --> 00:04:40,960

i watched the spot where they had been

140

00:04:45,189 --> 00:04:42,880

standing for what had to be the longest

141

00:04:47,189 --> 00:04:45,199

60 seconds or so of my life

142

00:04:49,189 --> 00:04:47,199

and i stepped back away from the window

143

00:04:50,070 --> 00:04:49,199

in fear of them popping up behind me or

144

00:04:52,070 --> 00:04:50,080

something

145

00:04:54,070 --> 00:04:52,080

i was shaking violently and my cat

146

00:04:54,950 --> 00:04:54,080

rubbed on my leg miang and some attempt

147

00:04:57,430 --> 00:04:54,960

to console me

148

00:04:59,430 --> 00:04:57,440

because he sensed my fear i noticed my

149

00:05:01,670 --> 00:04:59,440

cigarette filter still on my hand was

150

00:05:03,909 --> 00:05:01,680

flattened from me pinching it so hard

151  
00:05:06,230 --> 00:05:03,919  
i looked down at my cat and back outside

152  
00:05:07,749 --> 00:05:06,240  
because i wanted to try and find them

153  
00:05:10,070 --> 00:05:07,759  
i looked where they were on the porch to

154  
00:05:12,150 --> 00:05:10,080  
see if i'd gone insane temporarily and

155  
00:05:14,390 --> 00:05:12,160  
they were just hiding there or something

156  
00:05:16,390 --> 00:05:14,400  
they were gone my neighbor turned to

157  
00:05:18,390 --> 00:05:16,400  
where i could see her in her window

158  
00:05:20,390 --> 00:05:18,400  
she was on the phone probably with the

159  
00:05:20,950 --> 00:05:20,400  
police and that's when i noticed them

160  
00:05:23,670 --> 00:05:20,960  
again

161  
00:05:24,070 --> 00:05:23,680  
directly above her on the freaking roof

162  
00:05:26,790 --> 00:05:24,080  
just

163  
00:05:28,790 --> 00:05:26,800

standing above her holding hands then

164

00:05:30,790 --> 00:05:28,800

they got on their hands and knees

165

00:05:33,110 --> 00:05:30,800

i still was completely gripped by fear

166

00:05:35,430 --> 00:05:33,120

and horrified by what i was seeing

167

00:05:37,110 --> 00:05:35,440

back track a bit since we moved and we

168

00:05:39,189 --> 00:05:37,120

have been hearing things on the roof at

169

00:05:41,270 --> 00:05:39,199

night running back and forth

170

00:05:43,189 --> 00:05:41,280

footsteps dropping something heavy

171

00:05:44,950 --> 00:05:43,199

sounds which is weird because we are on

172

00:05:46,629 --> 00:05:44,960

the second and top floor

173

00:05:48,310 --> 00:05:46,639

we have been arguing with the neighbors

174

00:05:51,270 --> 00:05:48,320

who say we are making too much noise

175

00:05:53,670 --> 00:05:51,280

during quiet hours of 10 30 pm to 6 a.m

176

00:05:55,270 --> 00:05:53,680

which we definitely don't i am always

177

00:05:57,350 --> 00:05:55,280

sleeping due to medical school

178

00:05:58,950 --> 00:05:57,360

and my boyfriend stays up late but

179

00:06:01,430 --> 00:05:58,960

always by himself

180

00:06:03,029 --> 00:06:01,440

we don't have a tv so he just reads or

181

00:06:04,629 --> 00:06:03,039

looks stuff up on his phone

182

00:06:06,870 --> 00:06:04,639

he doesn't stomp around or move

183

00:06:08,469 --> 00:06:06,880

furniture so i always thought it was

184

00:06:10,390 --> 00:06:08,479

weird that it sounds like people are

185

00:06:11,189 --> 00:06:10,400

walking above us or running or whatever

186

00:06:12,870 --> 00:06:11,199

it is

187

00:06:14,550 --> 00:06:12,880

i chalked it up to trees hitting the

188

00:06:16,629 --> 00:06:14,560

rooftop and whatnot

189

00:06:17,990 --> 00:06:16,639

so these kids are on the roof somehow

190

00:06:19,110 --> 00:06:18,000

don't know how they could have even

191

00:06:20,790 --> 00:06:19,120

gotten up there

192

00:06:23,270 --> 00:06:20,800

they get on their hands and knees and

193

00:06:24,550 --> 00:06:23,280

are moving on top of this lady's roof

194

00:06:26,550 --> 00:06:24,560

it looks like they may have been

195

00:06:28,469 --> 00:06:26,560

scratching at it or digging at it but i

196

00:06:30,230 --> 00:06:28,479

could see their black eyes in contrast

197

00:06:31,670 --> 00:06:30,240

to their skin with their heads cranked

198

00:06:33,590 --> 00:06:31,680

up straight watching me through my

199

00:06:35,270 --> 00:06:33,600

window of my balcony door

200

00:06:37,029 --> 00:06:35,280

they were both looking right at me which

201

00:06:39,430 --> 00:06:37,039

was extremely unnerving

202

00:06:40,150 --> 00:06:39,440

i didn't even know wtf was happening or

203

00:06:42,070 --> 00:06:40,160

why

204

00:06:43,590 --> 00:06:42,080

i knew i had to get some kind of proof

205

00:06:45,590 --> 00:06:43,600

of what was happening but i was

206

00:06:46,950 --> 00:06:45,600

terrified to take my eyes off them and

207

00:06:48,710 --> 00:06:46,960

lose them from view

208

00:06:50,550 --> 00:06:48,720

i knew my phone was plugged into the

209

00:06:51,830 --> 00:06:50,560

charger in the kitchen and something in

210

00:06:54,230 --> 00:06:51,840

my head said to me

211

00:06:56,070 --> 00:06:54,240

not in my voice don't move you may not

212

00:06:57,909 --> 00:06:56,080

like where you see me next

213

00:07:00,629 --> 00:06:57,919

like someone was talking to me in my

214

00:07:02,550 --> 00:07:00,639

mind it scared me so much i felt like my

215

00:07:04,390 --> 00:07:02,560

heart was going to explode

216

00:07:06,309 --> 00:07:04,400

i wish someone other than my cat was

217

00:07:07,990 --> 00:07:06,319

there so i could validate what i saw and

218

00:07:10,230 --> 00:07:08,000

ask them to bring me my phone

219

00:07:12,230 --> 00:07:10,240

so i didn't lose sight of them but the

220

00:07:13,350 --> 00:07:12,240

phone is important and i must prove i'm

221

00:07:15,350 --> 00:07:13,360

not crazy

222

00:07:17,350 --> 00:07:15,360

i broke our staring match and ran to the

223

00:07:18,309 --> 00:07:17,360

kitchen just breaking the gaze eased a

224

00:07:20,710 --> 00:07:18,319

bit of the terror

225

00:07:22,790 --> 00:07:20,720

but i was still shaking i grabbed my

226

00:07:25,029 --> 00:07:22,800

phone and went back to the window

227

00:07:26,150 --> 00:07:25,039

they stood up in unison i pulled up my

228

00:07:28,550 --> 00:07:26,160

camera and snapped

229

00:07:30,629 --> 00:07:28,560

but the flash reflected on my window and

230

00:07:32,950 --> 00:07:30,639

it was a crappy nothing picture

231

00:07:34,870 --> 00:07:32,960

i think it upset them i was trying to

232

00:07:36,070 --> 00:07:34,880

photograph them and again they started

233

00:07:38,309 --> 00:07:36,080

disappearing

234

00:07:39,670 --> 00:07:38,319

like i said earlier dematerializing or

235

00:07:41,830 --> 00:07:39,680

something because you could see like

236

00:07:43,589 --> 00:07:41,840

pieces of them all fading sporadically

237

00:07:44,309 --> 00:07:43,599

lessening into them not being there at

238

00:07:46,230 --> 00:07:44,319

all

239

00:07:48,150 --> 00:07:46,240

i continued looking at the roof the

240

00:07:50,550 --> 00:07:48,160

balconies even down below

241

00:07:52,150 --> 00:07:50,560

and couldn't see anything or anyone my

242

00:07:52,550 --> 00:07:52,160

neighbor was still on the phone at the

243

00:07:54,550 --> 00:07:52,560

door

244

00:07:55,830 --> 00:07:54,560

her husband or significant other male

245

00:07:57,670 --> 00:07:55,840

roommate was there with her

246

00:07:59,909 --> 00:07:57,680

and she was pointing up and talking to

247

00:08:02,469 --> 00:07:59,919

either him or whoever was on the phone

248

00:08:04,230 --> 00:08:02,479

she pointed outside and stomped her foot

249

00:08:06,230 --> 00:08:04,240

he was shaking his head in what seemed

250

00:08:08,309 --> 00:08:06,240

like disbelief and she passed him the

251  
00:08:09,189 --> 00:08:08,319  
phone and left my line of sight into her

252  
00:08:11,430 --> 00:08:09,199  
condo

253  
00:08:13,110 --> 00:08:11,440  
i wanted to go out on my balcony but i

254  
00:08:15,510 --> 00:08:13,120  
was still very afraid

255  
00:08:17,510 --> 00:08:15,520  
i felt wrong sick to my stomach from the

256  
00:08:19,350 --> 00:08:17,520  
intensity of the experience

257  
00:08:21,670 --> 00:08:19,360  
i told my boyfriend about it when he

258  
00:08:23,430 --> 00:08:21,680  
came home and he was very freaked out

259  
00:08:25,029 --> 00:08:23,440  
he has never seen me get upset for

260  
00:08:27,110 --> 00:08:25,039  
literal tears about anything

261  
00:08:28,390 --> 00:08:27,120  
and knows i am a die hard skeptic of

262  
00:08:30,869 --> 00:08:28,400  
aliens ghosts

263  
00:08:32,550 --> 00:08:30,879

and anything paranormal i dismiss every

264

00:08:34,230 --> 00:08:32,560

photo or video as a hoax

265

00:08:36,230 --> 00:08:34,240

and just think with everything anyone

266

00:08:38,870 --> 00:08:36,240

can do technology wise today

267

00:08:40,149 --> 00:08:38,880

there has to be a reasonable explanation

268

00:08:42,790 --> 00:08:40,159

it shook me to my core

269

00:08:45,110 --> 00:08:42,800

and i wish the story ends there the next

270

00:08:47,590 --> 00:08:45,120

night i was smoking on my balcony

271

00:08:49,509 --> 00:08:47,600

this was last night it was earlier than

272

00:08:50,230 --> 00:08:49,519

before and this time my boyfriend was

273

00:08:52,389 --> 00:08:50,240

home

274

00:08:54,150 --> 00:08:52,399

i fell creeped out but okay to go out

275

00:08:56,070 --> 00:08:54,160

with him within screams reach

276

00:08:57,190 --> 00:08:56,080

so i was going to have a quick cigarette

277

00:08:59,350 --> 00:08:57,200

before bed

278

00:09:01,190 --> 00:08:59,360

i was in a robe in slippers and this

279

00:09:03,190 --> 00:09:01,200

time i turned my light on

280

00:09:05,030 --> 00:09:03,200

i sat down and lit my cigarette with the

281

00:09:07,190 --> 00:09:05,040

balcony door still open

282

00:09:09,190 --> 00:09:07,200

i took a long drag and exhaled and heard

283

00:09:12,389 --> 00:09:09,200

two coughs somewhere above me

284

00:09:14,550 --> 00:09:12,399

holy crap i knew exactly what it was

285

00:09:16,550 --> 00:09:14,560

i froze in a deep sense of dread boiled

286

00:09:18,470 --> 00:09:16,560

up just like the night before

287

00:09:20,550 --> 00:09:18,480

i threw my cigarette and almost tripped

288

00:09:22,630 --> 00:09:20,560

sliding inside the open door

289

00:09:24,550 --> 00:09:22,640

i locked it immediately at which point

290

00:09:26,470 --> 00:09:24,560

my cat began freaking out because he

291

00:09:27,509 --> 00:09:26,480

hates being locked out and followed me

292

00:09:29,750 --> 00:09:27,519

outside

293

00:09:31,670 --> 00:09:29,760

he was going bananas screaming

294

00:09:33,030 --> 00:09:31,680

pathetically and frantically i gave in

295

00:09:35,190 --> 00:09:33,040

and opened the door

296

00:09:36,550 --> 00:09:35,200

he bolted inside and i slid it closed

297

00:09:38,230 --> 00:09:36,560

and locked it again

298

00:09:40,550 --> 00:09:38,240

i kept the light on and called my

299

00:09:41,269 --> 00:09:40,560

boyfriend over they are on the freaking

300

00:09:44,070 --> 00:09:41,279

roof

301  
00:09:45,030 --> 00:09:44,080  
i said and we both got quiet we heard

302  
00:09:47,590 --> 00:09:45,040  
footsteps above

303  
00:09:49,750 --> 00:09:47,600  
us and his eyes got big we stood there

304  
00:09:51,190 --> 00:09:49,760  
silent and still just listening

305  
00:09:53,670 --> 00:09:51,200  
they sounded like they were heading

306  
00:09:55,430 --> 00:09:53,680  
toward our front door i ran over to it

307  
00:09:57,350 --> 00:09:55,440  
to double lock it using the top block

308  
00:09:59,350 --> 00:09:57,360  
which we always leave open

309  
00:10:01,509 --> 00:09:59,360  
as soon as i touched it i felt this cold

310  
00:10:02,630 --> 00:10:01,519  
creeping depressing sadness come over me

311  
00:10:05,110 --> 00:10:02,640  
like a wave

312  
00:10:07,430 --> 00:10:05,120  
and there it was a knock knock knock

313  
00:10:09,829 --> 00:10:07,440

they were waiting for me to open my door

314

00:10:11,509 --> 00:10:09,839

i meekly said who's there timid and way

315

00:10:12,470 --> 00:10:11,519

less courageous sounding than i would

316

00:10:14,550 --> 00:10:12,480

have liked

317

00:10:16,870 --> 00:10:14,560

that voice from a prior night that dead

318

00:10:19,030 --> 00:10:16,880

lifeless voice was being directed at me

319

00:10:21,430 --> 00:10:19,040

ma'am you have to let us in please help

320

00:10:23,430 --> 00:10:21,440

us i didn't say anything

321

00:10:26,389 --> 00:10:23,440

i wished my door had a peephole but it

322

00:10:28,550 --> 00:10:26,399

doesn't so i started backing a way

323

00:10:30,630 --> 00:10:28,560

number at number knock knock knock

324

00:10:32,470 --> 00:10:30,640

my boyfriend came up behind me and gave

325

00:10:34,310 --> 00:10:32,480

me his phone he said

326

00:10:36,470 --> 00:10:34,320

we have to get a picture or no one will

327

00:10:38,470 --> 00:10:36,480

believe this is softly in my ear

328

00:10:40,389 --> 00:10:38,480

i shook my head knowing he was right and

329

00:10:42,230 --> 00:10:40,399

started to approach the door again

330

00:10:44,069 --> 00:10:42,240

hoping to sneak a photo through the high

331

00:10:45,910 --> 00:10:44,079

window to the right of the door

332

00:10:47,829 --> 00:10:45,920

when i was just a few steps away the

333

00:10:48,630 --> 00:10:47,839

taller one lifted her face up to the f

334

00:10:51,030 --> 00:10:48,640

king window

335

00:10:52,710 --> 00:10:51,040

and shook her head in a disapproving no

336

00:10:55,030 --> 00:10:52,720

the blinds were mostly down

337

00:10:57,350 --> 00:10:55,040

but i could see her face almost entirely

338

00:10:59,590 --> 00:10:57,360

with the exception of her lips and chin

339

00:11:00,630 --> 00:10:59,600

those big black eyes with absolutely no

340

00:11:03,269 --> 00:11:00,640

white anywhere

341

00:11:04,150 --> 00:11:03,279

they were huge like too big to be human

342

00:11:05,910 --> 00:11:04,160

eyes

343

00:11:07,910 --> 00:11:05,920

and there was no way she could reach my

344

00:11:08,389 --> 00:11:07,920

window she had to be floating there to

345

00:11:10,949 --> 00:11:08,399

look in

346

00:11:13,030 --> 00:11:10,959

which made me really confused and scared

347

00:11:14,470 --> 00:11:13,040

i had my camera up and ready and snapped

348

00:11:17,509 --> 00:11:14,480

the picture without flash

349

00:11:20,310 --> 00:11:17,519

and when i looked at it she was nt unit

350

00:11:22,150 --> 00:11:20,320

i'm serious she should have been i

351  
00:11:24,069 --> 00:11:22,160  
snapped it while she was there

352  
00:11:26,150 --> 00:11:24,079  
she was still there after i took it but

353  
00:11:28,389 --> 00:11:26,160  
she wasn't in the f king picture

354  
00:11:30,470 --> 00:11:28,399  
i looked back at her solo's creepy face

355  
00:11:31,350 --> 00:11:30,480  
and she somehow smiled without smiling

356  
00:11:33,670 --> 00:11:31,360  
like ha ha

357  
00:11:35,670 --> 00:11:33,680  
you can't prove this happened i almost

358  
00:11:36,710 --> 00:11:35,680  
wanted to open the door and be like wait

359  
00:11:38,790 --> 00:11:36,720  
hell are you

360  
00:11:40,470 --> 00:11:38,800  
and that's when it happened again and my

361  
00:11:42,150 --> 00:11:40,480  
boyfriend saw it too

362  
00:11:43,829 --> 00:11:42,160  
she just slowly fell apart into

363  
00:11:45,750 --> 00:11:43,839

nothingness and vanished

364

00:11:47,030 --> 00:11:45,760

the heaviness lifted and my boyfriend

365

00:11:48,870 --> 00:11:47,040

and i were floored

366

00:11:51,670 --> 00:11:48,880

he asked if we should open the door and

367

00:11:54,230 --> 00:11:51,680

look he asked if i got the picture

368

00:11:57,030 --> 00:11:54,240

i gave him the phone to see for himself

369

00:11:58,870 --> 00:11:57,040

he was like no way what the hell

370

00:12:00,470 --> 00:11:58,880

i don't know what they are but there's a

371

00:12:01,509 --> 00:12:00,480

reason there are no pictures of them

372

00:12:03,670 --> 00:12:01,519

that are real

373

00:12:05,910 --> 00:12:03,680

they can't be photographed does that

374

00:12:09,030 --> 00:12:05,920

mean they exist in another dimension

375

00:12:10,870 --> 00:12:09,040

or they're dead or vampires i never

376

00:12:12,790 --> 00:12:10,880

would have believed anyone if i heard my

377

00:12:14,389 --> 00:12:12,800

story from anyone else

378

00:12:16,550 --> 00:12:14,399

if it didn't happen to me there would be

379

00:12:18,470 --> 00:12:16,560

no way i'd give at the time of day

380

00:12:20,310 --> 00:12:18,480

but it did happen to me and i'm really

381

00:12:23,509 --> 00:12:20,320

scared it's going to keep happening

382

00:12:24,470 --> 00:12:23,519

or worse what do i do i am so grateful

383

00:12:26,470 --> 00:12:24,480

to be alive

384

00:12:28,150 --> 00:12:26,480

but the terror i felt around these girls

385

00:12:29,990 --> 00:12:28,160

really has me on edge

386

00:12:31,910 --> 00:12:30,000

i am so scared of going out on my

387

00:12:33,750 --> 00:12:31,920

balcony or even leaving my house at

388

00:12:35,829 --> 00:12:33,760

night or going to my house

389

00:12:37,590 --> 00:12:35,839

it doesn't feel safe and i have no way

390

00:12:37,990 --> 00:12:37,600

to legitimize what happened or do

391

00:12:41,110 --> 00:12:38,000

anything

392

00:12:42,150 --> 00:12:41,120

about it i want answers i want to know

393

00:12:44,310 --> 00:12:42,160

what they are

394

00:12:46,389 --> 00:12:44,320

i want to ask them if i see them again

395

00:12:47,030 --> 00:12:46,399

but it's like i can't even speak around

396

00:12:49,829 --> 00:12:47,040

them

397

00:12:51,670 --> 00:12:49,839

i am just almost completely immobilized

398

00:12:52,550 --> 00:12:51,680

how does someone combat something like

399

00:12:54,310 --> 00:12:52,560

this

400

00:12:56,629 --> 00:12:54,320

it's like something from a stephen king

401  
00:12:58,470 --> 00:12:56,639  
novel but it actually happened

402  
00:13:00,069 --> 00:12:58,480  
i feel like they are really upset that i

403  
00:13:01,829 --> 00:13:00,079  
tried to take pictures of them

404  
00:13:04,069 --> 00:13:01,839  
and i don't know what is going to happen

405  
00:13:06,710 --> 00:13:04,079  
next if anything but i had to get it out

406  
00:13:08,470 --> 00:13:06,720  
somehow because it is real it does exist

407  
00:13:10,949 --> 00:13:08,480  
and it's changed everything i've ever

408  
00:13:13,350 --> 00:13:10,959  
thought about paranormal experiences

409  
00:13:15,269 --> 00:13:13,360  
so scared i hope they don't ever come

410  
00:13:16,949 --> 00:13:15,279  
back but i know from hearing things at

411  
00:13:18,069 --> 00:13:16,959  
night they may be here more often than

412  
00:13:19,829 --> 00:13:18,079  
i'd like to believe

413  
00:13:22,150 --> 00:13:19,839

and whether i see them or not they're

414

00:13:24,470 --> 00:13:22,160

there and i have no way to prove it

415

00:13:25,670 --> 00:13:24,480

really frustrating and soul shaking

416

00:13:28,790 --> 00:13:25,680

anyone help

417

00:13:30,949 --> 00:13:28,800

answers advice what are they

418

00:13:33,030 --> 00:13:30,959

what do they want has this happened to

419

00:13:33,850 --> 00:13:33,040

anyone else or something similar

420

00:13:38,949 --> 00:13:33,860
