[Applause]

3  
00:00:21,990 --> 00:00:19,670

welcome to the best of first person

4  
00:00:24,870 --> 00:00:22,000

episodes of phantoms and monsters

5  
00:00:25,429 --> 00:00:24,880

please like subscribe and hit the bell

6  
00:00:28,830 --> 00:00:25,439

icon

7  
00:00:31,990 --> 00:00:28,840

so you'll be notified of all future

8  
00:00:36,389 --> 00:00:34,310

followed by the rakes i've been seeing

9  
00:00:36,950 --> 00:00:36,399

this strange creature for the last four

10  
00:00:39,750 --> 00:00:36,960

years

11  
00:00:40,310 --> 00:00:39,760

and it seems to follow me as far as i

12  
00:00:42,709 --> 00:00:40,320

know

13  
00:00:44,869 --> 00:00:42,719

the creature has never tried harming me

14

00:00:46,470 --> 00:00:44,879

but it has often times made me feel

15

00:00:48,950 --> 00:00:46,480

unsafe and threatened

16

00:00:50,150 --> 00:00:48,960

as the years have passed i began paying

17

00:00:52,069 --> 00:00:50,160

less mind to it

18

00:00:53,350 --> 00:00:52,079

and just putting the feeling in the back

19

00:00:56,310 --> 00:00:53,360

of my mind

20

00:00:58,470 --> 00:00:56,320

january 2012 i bought a horse and began

21

00:01:00,630 --> 00:00:58,480

boarding it at a very old barn

22

00:01:02,950 --> 00:01:00,640

it was a small tight-knit friendly barn

23

00:01:05,109 --> 00:01:02,960

community not far from my home

24

00:01:06,789 --> 00:01:05,119

it had been around since the 60s

25

00:01:08,950 --> 00:01:06,799

surrounded by woods

26

00:01:11,429 --> 00:01:08,960

there were three barns the main arena

27

00:01:13,270 --> 00:01:11,439

was entirely surrounded by thick woods

28

00:01:14,870 --> 00:01:13,280

and there were small trails in the woods

29

00:01:17,590 --> 00:01:14,880

behind the property

30

00:01:19,109 --> 00:01:17,600

fast forward to june 2012 i had two

31

00:01:21,190 --> 00:01:19,119

horses there now

32

00:01:23,590 --> 00:01:21,200

i was there every single day without

33

00:01:26,230 --> 00:01:23,600

from 2 pm to 10 pm

34

00:01:28,149 --> 00:01:26,240

i fed the horses and cared for them i

35

00:01:30,550 --> 00:01:28,159

rode one every night as well

36

00:01:31,510 --> 00:01:30,560

mainly in the arena but sometimes in the

37

00:01:33,910 --> 00:01:31,520

barnyard

38

00:01:35,510 --> 00:01:33,920

there were no fielder arena lights just

39

00:01:38,870 --> 00:01:35,520

the moon and stars

40

00:01:39,270 --> 00:01:38,880

one evening around 5 pm i was sitting on

41

00:01:42,710 --> 00:01:39,280

her

42

00:01:44,870 --> 00:01:42,720

snorting and backing up

43

00:01:46,389 --> 00:01:44,880

i looked up and saw this white or gray

44

00:01:47,590 --> 00:01:46,399

creature crawling out of the woods

45

00:01:50,069 --> 00:01:47,600

towards us

46

00:01:51,429 --> 00:01:50,079

it had a very small round head its eyes

47

00:01:53,830 --> 00:01:51,439

were just pits

48

00:01:55,030 --> 00:01:53,840

it had a very small mouth not much

49

00:01:57,670 --> 00:01:55,040

detail there

50

00:01:59,109 --> 00:01:57,680

its arms were very long and thin fingers

51  
00:02:01,190 --> 00:01:59,119  
also like that

52  
00:02:04,230 --> 00:02:01,200  
its rib cage was very pronounced and

53  
00:02:06,950 --> 00:02:04,240  
defined and its legs were long and lanky

54  
00:02:07,990 --> 00:02:06,960  
its movements were very jerky not smooth

55  
00:02:10,630 --> 00:02:08,000  
and fluid

56  
00:02:12,949 --> 00:02:10,640  
it slowly jerked out to us when my horse

57  
00:02:15,510 --> 00:02:12,959  
turned and bolted out of the arena

58  
00:02:17,990 --> 00:02:15,520  
she's a dead broke calm well manners

59  
00:02:21,030 --> 00:02:18,000  
horse who never spooked before this

60  
00:02:22,070 --> 00:02:21,040  
stubborn old mare but not spooky she

61  
00:02:24,550 --> 00:02:22,080  
would not go back

62  
00:02:25,910 --> 00:02:24,560  
into the arena that night i walked her

63  
00:02:28,309 --> 00:02:25,920

around the barnyard

64

00:02:30,470 --> 00:02:28,319

staying near the main barn put her up

65

00:02:32,550 --> 00:02:30,480

and ran out to peek into the arena

66

00:02:34,070 --> 00:02:32,560

to find nothing except some footprints

67

00:02:36,470 --> 00:02:34,080

where i saw the thing

68

00:02:37,750 --> 00:02:36,480

throughout the summer i saw it peeking

69

00:02:39,589 --> 00:02:37,760

almost dancing

70

00:02:41,110 --> 00:02:39,599

around the gate that lead into the woods

71

00:02:43,509 --> 00:02:41,120

where the trails were

72

00:02:44,470 --> 00:02:43,519

one night roughly a month later at about

73

00:02:46,710 --> 00:02:44,480

9 00 p.m

74

00:02:47,670 --> 00:02:46,720

i was riding that horse again in a front

75

00:02:49,910 --> 00:02:47,680

pasture

76  
00:02:52,150 --> 00:02:49,920  
the moon is full and bright and i looked

77  
00:02:54,470 --> 00:02:52,160  
to my left to see that creature running

78  
00:02:55,350 --> 00:02:54,480  
full spread by my side on the other side

79  
00:02:58,070 --> 00:02:55,360  
of the fence

80  
00:02:59,430 --> 00:02:58,080  
i slowed my horse to a stop and it took

81  
00:03:01,509 --> 00:02:59,440  
off around the corner

82  
00:03:03,350 --> 00:03:01,519  
and behind the side barn into the woods

83  
00:03:05,430 --> 00:03:03,360  
dot i continued seeing it

84  
00:03:07,830 --> 00:03:05,440  
mainly in the woods but it was always

85  
00:03:10,390 --> 00:03:07,840  
around summer 2013

86  
00:03:12,470 --> 00:03:10,400  
the barn shut down when the owner died

87  
00:03:13,670 --> 00:03:12,480  
we moved the horses to a friend's place

88  
00:03:16,309 --> 00:03:13,680

for the time being

89

00:03:17,670 --> 00:03:16,319

and i didn't see it there late summer

90

00:03:20,710 --> 00:03:17,680

fall 2013

91

00:03:22,309 --> 00:03:20,720

i found a new barn woods directly behind

92

00:03:25,110 --> 00:03:22,319

the barn and arena

93

00:03:26,390 --> 00:03:25,120

this place had lights and was much newer

94

00:03:28,070 --> 00:03:26,400

about a month later

95

00:03:29,830 --> 00:03:28,080

when i was getting ready to leave i

96

00:03:31,589 --> 00:03:29,840

heard something in the woods

97

00:03:33,509 --> 00:03:31,599

i looked down the barn island to the

98

00:03:35,110 --> 00:03:33,519

woods and saw the creature running down

99

00:03:37,270 --> 00:03:35,120

the road into the woods

100

00:03:40,149 --> 00:03:37,280

i saw it much less frequently for a

101  
00:03:42,390 --> 00:03:40,159  
while until later in fall 2014

102  
00:03:44,550 --> 00:03:42,400  
i began seeing it in the back pastures

103  
00:03:45,350 --> 00:03:44,560  
woods it darted in and out of the tree

104  
00:03:47,110 --> 00:03:45,360  
line

105  
00:03:49,509 --> 00:03:47,120  
i saw a second one sitting in a

106  
00:03:51,990 --> 00:03:49,519  
neighbor's yard it would sit in the same

107  
00:03:54,630 --> 00:03:52,000  
spot every day and watch me ride

108  
00:03:55,830 --> 00:03:54,640  
i started taking pictures which are very

109  
00:03:57,910 --> 00:03:55,840  
poor and crappy

110  
00:03:59,589 --> 00:03:57,920  
and sent them to a friend who claimed he

111  
00:04:01,830 --> 00:03:59,599  
and some others have seen it

112  
00:04:03,830 --> 00:04:01,840  
kept seeing it occasionally but from a

113  
00:04:04,710 --> 00:04:03,840

much greater distance than at the first

114

00:04:08,309 --> 00:04:04,720

barn

115

00:04:10,710 --> 00:04:08,319

farm to get some stuff

116

00:04:12,789 --> 00:04:10,720

when i saw a very very large version of

117

00:04:15,350 --> 00:04:12,799

this creature run out from the woods

118

00:04:17,670 --> 00:04:15,360

right behind a tree i was 10 feet from

119

00:04:20,310 --> 00:04:17,680

while i was alone by the trailer

120

00:04:21,189 --> 00:04:20,320

last november i house at for the barn

121

00:04:23,670 --> 00:04:21,199

owners

122

00:04:25,749 --> 00:04:23,680

i went out around 2 a.m to fill water

123

00:04:26,550 --> 00:04:25,759

troughs and enjoy the full moon and cool

124

00:04:28,469 --> 00:04:26,560

night

125

00:04:29,990 --> 00:04:28,479

i was sitting in the back pasture when

126

00:04:32,230 --> 00:04:30,000

three of the creatures began

127

00:04:34,070 --> 00:04:32,240

coming from the woods one came up to the

128

00:04:35,749 --> 00:04:34,080

trees near the trough where i was

129

00:04:38,390 --> 00:04:35,759

the other two were walking along the

130

00:04:39,510 --> 00:04:38,400

tree line the horses were silently

131

00:04:41,830 --> 00:04:39,520

munching their hay

132

00:04:43,909 --> 00:04:41,840

pretty far from where the creatures were

133

00:04:45,670 --> 00:04:43,919

i messaged the guy from earlier and told

134

00:04:47,749 --> 00:04:45,680

him what was going on

135

00:04:48,790 --> 00:04:47,759

since that incident i haven't really

136

00:04:51,430 --> 00:04:48,800

seen them

137

00:04:53,510 --> 00:04:51,440

last summer i did see one outside my

138

00:04:55,990 --> 00:04:53,520

house staring into the windows

139

00:04:58,070 --> 00:04:56,000

a few weeks ago one was outside my

140

00:05:00,230 --> 00:04:58,080

bedroom windows tapping and making a

141

00:05:02,710 --> 00:05:00,240

strange vein shrieking sound

142

00:05:04,710 --> 00:05:02,720

this was a lot to type out but i hope

143

00:05:06,070 --> 00:05:04,720

someone reads this and helps me figure

144

00:05:08,310 --> 00:05:06,080

this out some more

145

00:05:09,909 --> 00:05:08,320

i'm very open and willing to discuss

146

00:05:11,029 --> 00:05:09,919

more paranormal things that have

147

00:05:13,430 --> 00:05:11,039

happened with this

148

00:05:15,270 --> 00:05:13,440

my friends experiences with this and

149

00:05:22,830 --> 00:05:15,280

anything else that could or could not be

150

00:05:26,710 --> 00:05:23,990

kp

151  
00:05:28,310 --> 00:05:26,720  
scary raker crawler humanoid repeatedly

152  
00:05:30,310 --> 00:05:28,320  
observed in florida

153  
00:05:32,230 --> 00:05:30,320  
i am still at the loss for words to

154  
00:05:33,990 --> 00:05:32,240  
explain how scary this is

155  
00:05:35,270 --> 00:05:34,000  
most all because it is no doubt

156  
00:05:38,230 --> 00:05:35,280  
something not human

157  
00:05:40,550 --> 00:05:38,240  
or any known animal this is taking place

158  
00:05:41,350 --> 00:05:40,560  
nightly behind a close friend's home not

159  
00:05:44,150 --> 00:05:41,360  
far away

160  
00:05:45,189 --> 00:05:44,160  
and started last fall the area is in

161  
00:05:48,070 --> 00:05:45,199  
north florida

162  
00:05:50,230 --> 00:05:48,080  
near wakula in a very rural area and

163  
00:05:52,310 --> 00:05:50,240

behind her house is wild bamboo

164

00:05:54,469 --> 00:05:52,320

that is completely overgrown the land

165

00:05:56,790 --> 00:05:54,479

surrounding the ruins of the old house

166

00:05:59,670 --> 00:05:56,800

that literally collapsed or imploded

167

00:06:01,670 --> 00:05:59,680

somewhere approximately 15 years ago

168

00:06:03,909 --> 00:06:01,680

these things have not only taken over

169

00:06:04,469 --> 00:06:03,919

back there but have been seen by several

170

00:06:06,950 --> 00:06:04,479

of us

171

00:06:08,950 --> 00:06:06,960

but never in the daylight this started

172

00:06:11,430 --> 00:06:08,960

with a mound appearing that wasn't there

173

00:06:11,990 --> 00:06:11,440

prior to last fall that was fairly large

174

00:06:14,230 --> 00:06:12,000

size

175

00:06:16,070 --> 00:06:14,240

and built entirely of heavy debris from

176

00:06:18,150 --> 00:06:16,080

that house and broken bamboo

177

00:06:20,070 --> 00:06:18,160

which alone is scary considering no

178

00:06:22,309 --> 00:06:20,080

person can break that in such a way

179

00:06:24,390 --> 00:06:22,319

due to the strength since it first

180

00:06:26,230 --> 00:06:24,400

appeared this mound has constantly

181

00:06:27,350 --> 00:06:26,240

expanded in width and height to an

182

00:06:29,830 --> 00:06:27,360

alarming size

183

00:06:30,790 --> 00:06:29,840

and has several cave-like openings in it

184

00:06:32,550 --> 00:06:30,800

now they have dug

185

00:06:33,990 --> 00:06:32,560

pretty large size tunnels going

186

00:06:35,830 --> 00:06:34,000

underneath it now

187

00:06:37,670 --> 00:06:35,840

i'm concerned as one of them has been

188

00:06:39,590 --> 00:06:37,680

seen coming out of the bamboo

189

00:06:40,790 --> 00:06:39,600

and underneath her house under the

190

00:06:43,029 --> 00:06:40,800

addition in the back

191

00:06:45,510 --> 00:06:43,039

where her dogs at night will not go

192

00:06:48,070 --> 00:06:45,520

alone and act purely terrified

193

00:06:50,150 --> 00:06:48,080

even though still inside the house we

194

00:06:51,830 --> 00:06:50,160

now know that's because these dogs have

195

00:06:53,830 --> 00:06:51,840

known this thinger more than one has

196

00:06:55,430 --> 00:06:53,840

been under her kitchen floor nightly for

197

00:06:57,589 --> 00:06:55,440

who knows how long

198

00:06:59,830 --> 00:06:57,599

the land around the old house alone has

199

00:07:00,469 --> 00:06:59,840

a very strong and bothersome vibe to it

200

00:07:03,430 --> 00:07:00,479

alone

201  
00:07:03,990 --> 00:07:03,440  
now this what we have seen is a very

202  
00:07:06,150 --> 00:07:04,000  
thin

203  
00:07:07,350 --> 00:07:06,160  
and pale figure which doesn't appear to

204  
00:07:09,990 --> 00:07:07,360  
have normal legs

205  
00:07:12,309 --> 00:07:10,000  
and very elusive and hostile feeling

206  
00:07:13,990 --> 00:07:12,319  
aside from very sinister looking yellow

207  
00:07:15,990 --> 00:07:14,000  
glowing eyes i haven't seen

208  
00:07:18,230 --> 00:07:16,000  
or has anyone else any other facial

209  
00:07:20,629 --> 00:07:18,240  
features what do we do

210  
00:07:22,550 --> 00:07:20,639  
i want to get documentation of this

211  
00:07:23,909 --> 00:07:22,560  
which i do have pics of this structure

212  
00:07:25,909 --> 00:07:23,919  
they built over time

213  
00:07:28,150 --> 00:07:25,919

but none of them is none of us will dare

214

00:07:29,909 --> 00:07:28,160

attempt to even go out our back door at

215

00:07:31,990 --> 00:07:29,919

night as the edge of the bamboo and

216

00:07:32,400 --> 00:07:32,000

ruins are very close by

217

00:07:38,870 --> 00:07:32,410

yui

218

00:07:43,270 --> 00:07:41,589

possible rake encounter laredo texas my

219

00:07:45,589 --> 00:07:43,280

wife and i were returning from san

220

00:07:46,950 --> 00:07:45,599

antonio texas on a sunday night sometime

221

00:07:48,790 --> 00:07:46,960

around may or june

222

00:07:50,710 --> 00:07:48,800

my wife had fallen asleep and so i

223

00:07:53,670 --> 00:07:50,720

turned up the radio and drove south

224

00:07:54,869 --> 00:07:53,680

taking i-35 into laredo as we approached

225

00:07:56,710 --> 00:07:54,879

the north side of town

226

00:07:59,029 --> 00:07:56,720

i turned the cruise control off and

227

00:08:00,550 --> 00:07:59,039

dropped down from 65 to 60

228

00:08:02,070 --> 00:08:00,560

to negotiate the curve under the

229

00:08:02,950 --> 00:08:02,080

railroad bridge that crossed the

230

00:08:04,869 --> 00:08:02,960

interstate

231

00:08:06,150 --> 00:08:04,879

i was in the right hand lane as i came

232

00:08:07,749 --> 00:08:06,160

close to the bridge

233

00:08:09,189 --> 00:08:07,759

that's when i spotted what at first

234

00:08:11,270 --> 00:08:09,199

looked like a homeless guy

235

00:08:12,710 --> 00:08:11,280

completely naked scuffling along the

236

00:08:15,110 --> 00:08:12,720

embankment of the road

237

00:08:16,390 --> 00:08:15,120

he was skinny pale-skinned and his arms

238

00:08:18,469 --> 00:08:16,400

looked emaciated

239

00:08:20,390 --> 00:08:18,479

as i passed him i had a creepy feeling

240

00:08:21,029 --> 00:08:20,400

that something about this person was all

241

00:08:23,110 --> 00:08:21,039

wrong

242

00:08:25,029 --> 00:08:23,120

the way he moved as well is the way his

243

00:08:25,749 --> 00:08:25,039

arms and legs were more animalistic than

244

00:08:28,070 --> 00:08:25,759

human

245

00:08:29,830 --> 00:08:28,080

with 26 years in law enforcement i

246

00:08:31,350 --> 00:08:29,840

thought about stopping and going back to

247

00:08:33,589 --> 00:08:31,360

see what this guy was doing

248

00:08:34,630 --> 00:08:33,599

however with my wife along and it was

249

00:08:36,949 --> 00:08:34,640

close to midnight

250

00:08:37,829 --> 00:08:36,959

so i just kept going figuring the guy

251

00:08:39,829 --> 00:08:37,839

was drunk

252

00:08:41,430 --> 00:08:39,839

i told my wife about what i had seen

253

00:08:43,269 --> 00:08:41,440

when we arrived at her home

254

00:08:44,870 --> 00:08:43,279

she thought it sounded like some drunken

255

00:08:46,389 --> 00:08:44,880

guy living under the bridge

256

00:08:48,630 --> 00:08:46,399

after meeting you folks and hearing

257

00:08:50,070 --> 00:08:48,640

about the show you do i began listening

258

00:08:51,190 --> 00:08:50,080

when i have a chance

259

00:08:53,110 --> 00:08:51,200

when you mentioned the rake and

260

00:08:55,030 --> 00:08:53,120

described what people were reporting

261

00:08:56,790 --> 00:08:55,040

i looked at the images on the internet

262

00:08:59,269 --> 00:08:56,800

that are reported to be of the rake

263

00:09:01,269 --> 00:08:59,279

and sure enough that is what i saw the

264

00:09:03,509 --> 00:09:01,279

creature was paralleling the road so i

265

00:09:05,269 --> 00:09:03,519

never saw its face her eyes but the body

266

00:09:07,590 --> 00:09:05,279

shape was as close to the drawings

267

00:09:09,430 --> 00:09:07,600

as i care to get every time i approach

268

00:09:11,590 --> 00:09:09,440

that railroad bridge i slow down and

269

00:09:13,030 --> 00:09:11,600

take a second look but so far i've only

270

00:09:20,070 --> 00:09:13,040

seen it the one time

271

00:09:23,670 --> 00:09:21,910

break like humanoid encountered in

272

00:09:26,070 --> 00:09:23,680

sheboygan county michigan

273

00:09:26,790 --> 00:09:26,080

i lived most of my life up to the age of

274

00:09:29,190 --> 00:09:26,800

14

275

00:09:31,509 --> 00:09:29,200

in michigan we lived in the saint joseph

276

00:09:33,509 --> 00:09:31,519

area if anyone is familiar with it

277

00:09:35,590 --> 00:09:33,519

anyway my grandparents lived in the

278

00:09:36,870 --> 00:09:35,600

northern areas of michigan and we would

279

00:09:39,190 --> 00:09:36,880

regularly drive the four

280

00:09:41,110 --> 00:09:39,200

to five plus hour drive and go visit

281

00:09:43,030 --> 00:09:41,120

them either on the way to our lake house

282

00:09:43,990 --> 00:09:43,040

which was a little farther north or just

283

00:09:45,590 --> 00:09:44,000

to see them

284

00:09:47,829 --> 00:09:45,600

they lived in the middle of nowhere you

285

00:09:49,750 --> 00:09:47,839

know 25 minutes to town

286

00:09:51,430 --> 00:09:49,760

sort of thing both of their neighbors

287

00:09:53,750 --> 00:09:51,440

were a mile in each direction

288

00:09:55,190 --> 00:09:53,760

and their property is huge they live in

289

00:09:56,070 --> 00:09:55,200

a small trailer in the middle of the

290

00:09:57,910 --> 00:09:56,080

property

291

00:09:59,829 --> 00:09:57,920

they have two pastures to each side of

292

00:10:01,430 --> 00:09:59,839

the property and in the back they had

293

00:10:02,550 --> 00:10:01,440

miles of trails that would take you

294

00:10:04,550 --> 00:10:02,560

through the woods

295

00:10:06,870 --> 00:10:04,560

my grandfather usually used this for

296

00:10:09,030 --> 00:10:06,880

hunting i was hitting golf balls from

297

00:10:10,790 --> 00:10:09,040

the front of the house into the pasture

298

00:10:13,110 --> 00:10:10,800

i hid all my balls and went to go

299

00:10:13,990 --> 00:10:13,120

collect them i opened the gate and shut

300

00:10:15,829 --> 00:10:14,000

it behind me

301  
00:10:18,230 --> 00:10:15,839  
so none of the dogs could get through

302  
00:10:19,990 --> 00:10:18,240  
and i walked around picking up balls

303  
00:10:22,230 --> 00:10:20,000  
a couple of them went farther than

304  
00:10:24,389 --> 00:10:22,240  
normal so i had to walk back behind the

305  
00:10:26,230 --> 00:10:24,399  
pasture area and into the woods

306  
00:10:27,829 --> 00:10:26,240  
as i was walking i could hear leaves

307  
00:10:29,509 --> 00:10:27,839  
being crushed but they were like a

308  
00:10:31,509 --> 00:10:29,519  
little off from my steps

309  
00:10:33,509 --> 00:10:31,519  
i kept hearing this weird noise come

310  
00:10:34,710 --> 00:10:33,519  
from behind me kind of like a watery

311  
00:10:36,630 --> 00:10:34,720  
sound i guess

312  
00:10:38,550 --> 00:10:36,640  
it was like someone just got out of the

313  
00:10:40,310 --> 00:10:38,560

shower and they were dripping wet

314

00:10:42,230 --> 00:10:40,320

but this noise kept stopping and

315

00:10:44,389 --> 00:10:42,240

starting so i just thought it was the

316

00:10:46,470 --> 00:10:44,399

wind blowing water out of the trees

317

00:10:47,829 --> 00:10:46,480

i found my last ball and turned around

318

00:10:49,910 --> 00:10:47,839

to start walking back

319

00:10:52,230 --> 00:10:49,920

and i saw something tallish move behind

320

00:10:54,630 --> 00:10:52,240

a tree i could tell it was taller than

321

00:10:56,389 --> 00:10:54,640

me but didn't really know what it was

322

00:10:58,150 --> 00:10:56,399

being from michigan we've got our fair

323

00:11:00,310 --> 00:10:58,160

share of scary animals that would love

324

00:11:02,470 --> 00:11:00,320

to bite into your meaty flesh but this

325

00:11:03,350 --> 00:11:02,480

was definitely not a wolf and could not

326

00:11:05,350 --> 00:11:03,360

have been a bear

327

00:11:07,030 --> 00:11:05,360

so i kind of stood there frozen just

328

00:11:07,990 --> 00:11:07,040

looking at the tree and bushes the thing

329

00:11:09,670 --> 00:11:08,000

was near

330

00:11:11,990 --> 00:11:09,680

after a while the things started to

331

00:11:12,949 --> 00:11:12,000

creep out it crawled out on its hands

332

00:11:15,190 --> 00:11:12,959

and legs

333

00:11:16,550 --> 00:11:15,200

first i saw its long skinny arms which

334

00:11:18,230 --> 00:11:16,560

followed by its head

335

00:11:20,310 --> 00:11:18,240

it looked up and around and finally

336

00:11:20,870 --> 00:11:20,320

looked at me it crawled the rest of the

337

00:11:23,030 --> 00:11:20,880

way out

338

00:11:24,870 --> 00:11:23,040

and i could see the thing whole it had

339

00:11:25,670 --> 00:11:24,880

skinny arms like it hadn't eaten in a

340

00:11:27,670 --> 00:11:25,680

while

341

00:11:29,030 --> 00:11:27,680

dark looking skin that had a shine to it

342

00:11:31,750 --> 00:11:29,040

like it was slimy

343

00:11:33,350 --> 00:11:31,760

its body was just like a mass of flesh

344

00:11:35,269 --> 00:11:33,360

it didn't look to have a stomach or

345

00:11:36,230 --> 00:11:35,279

chest it was just kinda twisted up and

346

00:11:38,470 --> 00:11:36,240

misformed

347

00:11:39,829 --> 00:11:38,480

its legs were just as long enough kept

348

00:11:41,670 --> 00:11:39,839

up looking as its arms

349

00:11:44,230 --> 00:11:41,680

and both the thing's feet and hands were

350

00:11:45,829 --> 00:11:44,240

elongated not massively or anything

351  
00:11:47,350 --> 00:11:45,839  
but you could tell it was longer than

352  
00:11:49,190 --> 00:11:47,360  
your average foot hand

353  
00:11:51,110 --> 00:11:49,200  
its head was the part i have a really

354  
00:11:53,670 --> 00:11:51,120  
hard time pinpointing down

355  
00:11:54,790 --> 00:11:53,680  
it had eyes no hair and a long mouth

356  
00:11:57,190 --> 00:11:54,800  
that wouldn't open

357  
00:11:59,030 --> 00:11:57,200  
the nose was just two holes and it had a

358  
00:12:01,430 --> 00:11:59,040  
very long exaggerated chin

359  
00:12:03,350 --> 00:12:01,440  
but it kind of looked normal in a way it

360  
00:12:03,750 --> 00:12:03,360  
stared at me and without opening its

361  
00:12:05,509 --> 00:12:03,760  
mouth

362  
00:12:07,590 --> 00:12:05,519  
it made the sounds i had been hearing

363  
00:12:08,790 --> 00:12:07,600

which seemed to be made by its nose as

364

00:12:11,509 --> 00:12:08,800

the holes flared

365

00:12:13,190 --> 00:12:11,519

it started to walk around not at me but

366

00:12:15,509 --> 00:12:13,200

just around where it was

367

00:12:17,590 --> 00:12:15,519

then it stood up on two legs it was

368

00:12:18,069 --> 00:12:17,600

probably on about six and a half feet

369

00:12:19,910 --> 00:12:18,079

tall

370

00:12:21,110 --> 00:12:19,920

but its look and appearance made it look

371

00:12:23,190 --> 00:12:21,120

a lot scarier

372

00:12:24,949 --> 00:12:23,200

the thing moved its neck in an unnatural

373

00:12:28,150 --> 00:12:24,959

way and then it looked at me

374

00:12:30,310 --> 00:12:28,160

it was only about 25 yards away way too

375

00:12:32,629 --> 00:12:30,320

close for comfort but i was not about to

376

00:12:34,470 --> 00:12:32,639

move and have this creature charge me

377

00:12:36,949 --> 00:12:34,480

all of a sudden it just bolts right at

378

00:12:37,990 --> 00:12:36,959

me i opened my eyes wide and just

379

00:12:39,750 --> 00:12:38,000

prepared myself

380

00:12:41,509 --> 00:12:39,760

but it ran right by me and through the

381

00:12:43,670 --> 00:12:41,519

woods i turned around

382

00:12:45,990 --> 00:12:43,680

and sure enough it just kept running

383

00:12:46,710 --> 00:12:46,000

sometimes on all fours sometimes on two

384

00:12:49,750 --> 00:12:46,720

legs

385

00:12:50,389 --> 00:12:49,760

its run both ways was unnatural its body

386

00:12:52,870 --> 00:12:50,399

contorted

387

00:12:54,629 --> 00:12:52,880

and just looked so off i ran out of the

388

00:12:55,430 --> 00:12:54,639

pasture and shut the gate behind me

389

00:12:57,750 --> 00:12:55,440

again

390

00:12:59,829 --> 00:12:57,760

i didn't tell my grandparents right away

391

00:13:02,710 --> 00:12:59,839

but a couple months later i did

392

00:13:04,470 --> 00:13:02,720

this was in the summer of 2018. i didn't

393

00:13:05,190 --> 00:13:04,480

tell them until about full of the same

394

00:13:07,350 --> 00:13:05,200

year

395

00:13:08,949 --> 00:13:07,360

my grandfather pulled me aside after i

396

00:13:09,269 --> 00:13:08,959

told him and asked me what it looked

397

00:13:11,910 --> 00:13:09,279

like

398

00:13:13,670 --> 00:13:11,920

exactly i told him and he said he'd seen

399

00:13:15,670 --> 00:13:13,680

it before out on the trails

400

00:13:16,710 --> 00:13:15,680

he didn't say any more just for me not

401  
00:13:19,030 --> 00:13:16,720  
to be worried

402  
00:13:20,550 --> 00:13:19,040  
i haven't really told anyone but family

403  
00:13:22,870 --> 00:13:20,560  
and close friends about this

404  
00:13:24,870 --> 00:13:22,880  
but i guess that has changed now this

405  
00:13:27,350 --> 00:13:24,880  
really messed me up for a while

406  
00:13:28,629 --> 00:13:27,360  
scary thing is too i've seen it after

407  
00:13:31,509 --> 00:13:28,639  
several times

408  
00:13:32,790 --> 00:13:31,519  
in different places never at my home but

409  
00:13:34,870 --> 00:13:32,800  
anywhere up north

410  
00:13:36,230 --> 00:13:34,880  
even at a late cabin an hour away from

411  
00:13:38,710 --> 00:13:36,240  
my grandparents

412  
00:13:40,710 --> 00:13:38,720  
this one was by far the scariest though

413  
00:13:42,310 --> 00:13:40,720

i don't know but does anyone have any

414

00:13:44,790 --> 00:13:42,320

possible thing it could be

415

00:13:46,870 --> 00:13:44,800

please help me figure this out this took

416

00:13:48,069 --> 00:13:46,880
