9  
00:00:36,709 --> 00:00:33,920

can a rake humanoid attach its energy to

10  
00:00:37,670 --> 00:00:36,719

someone in 2012 my then boyfriend lived

11  
00:00:40,229 --> 00:00:37,680

in sweden

12  
00:00:41,990 --> 00:00:40,239

i live in canada he came to visit me and

13  
00:00:43,590 --> 00:00:42,000

during one of the evenings i woke up to

14

00:00:44,389 --> 00:00:43,600

something strange perched at the foot of

15

00:00:46,790 --> 00:00:44,399

the bed

16

00:00:48,069 --> 00:00:46,800

it was a pale thin humanoid figure it

17

00:00:49,750 --> 00:00:48,079

was completely hairless

18

00:00:51,910 --> 00:00:49,760

and the legs seemed to be bad in some

19

00:00:53,430 --> 00:00:51,920

way it seemed to walk on all fours

20

00:00:55,270 --> 00:00:53,440

despite looking human

21

00:00:56,790 --> 00:00:55,280

i couldn't see much of its face since it

22

00:00:58,310 --> 00:00:56,800

was looking away from me

23

00:01:00,389 --> 00:00:58,320

it looked a lot like the creature from

24

00:01:02,630 --> 00:01:00,399

the fictional story the rake

25

00:01:03,990 --> 00:01:02,640

when i gasped it hopped off the bed and

26

00:01:05,830 --> 00:01:04,000

into the darkness

27

00:01:07,030 --> 00:01:05,840

my partner heard me and woke to ask me

28

00:01:08,789 --> 00:01:07,040

what was wrong

29

00:01:10,310 --> 00:01:08,799

i didn't tell him as to not alarm him

30

00:01:12,950 --> 00:01:10,320

while trying to rest

31

00:01:13,910 --> 00:01:12,960

in 2014 he was visiting once more and we

32

00:01:16,230 --> 00:01:13,920

were once again

33

00:01:17,830 --> 00:01:16,240

in bed sleeping i woke up to hear my

34

00:01:18,950 --> 00:01:17,840

boyfriend screaming like i've never

35

00:01:20,630 --> 00:01:18,960

heard before

36

00:01:22,550 --> 00:01:20,640

i immediately turned on the light and

37

00:01:24,710 --> 00:01:22,560

shook him to try and snap him out of it

38

00:01:26,710 --> 00:01:24,720

but he just screamed and then cried

39

00:01:29,030 --> 00:01:26,720

after 30 or so minutes he finally was

40

00:01:31,190 --> 00:01:29,040

calm enough to explain what happened

41

00:01:32,950 --> 00:01:31,200

apparently he woke up to a pale humanoid

42

00:01:35,510 --> 00:01:32,960

figure with a gaping mouth and black

43

00:01:37,190 --> 00:01:35,520

sunken eyes basically on top of him as

44

00:01:39,109 --> 00:01:37,200

he screamed the figure slowly backed

45

00:01:39,350 --> 00:01:39,119

itself into the closet hole staring at

46

00:01:42,310 --> 00:01:39,360

him

47

00:01:44,149 --> 00:01:42,320

crawling on all fours i felt sick i

48

00:01:45,510 --> 00:01:44,159

never ever told him about what i saw a

49

00:01:46,950 --> 00:01:45,520

few years prior

50

00:01:49,590 --> 00:01:46,960

there's no way he could have known and

51  
00:01:52,069 --> 00:01:49,600  
described what i saw perfectly like that

52  
00:01:52,710 --> 00:01:52,079  
now it's shown up again my ex messaged

53  
00:01:54,469 --> 00:01:52,720  
me today

54  
00:01:56,469 --> 00:01:54,479  
we're friends and told me his now

55  
00:01:58,230 --> 00:01:56,479  
girlfriend has seen the pale man

56  
00:02:00,069 --> 00:01:58,240  
they were asleep and apparently she woke

57  
00:02:00,469 --> 00:02:00,079  
up to see this thing stalking around the

58  
00:02:02,630 --> 00:02:00,479  
room

59  
00:02:04,149 --> 00:02:02,640  
and it noticed her frozen in fear so it

60  
00:02:06,630 --> 00:02:04,159  
crawled up next to her

61  
00:02:08,070 --> 00:02:06,640  
my ex woke up and tried to console her

62  
00:02:10,229 --> 00:02:08,080  
she described what she saw

63  
00:02:11,830 --> 00:02:10,239

it apparently was a perfect exact match

64

00:02:13,750 --> 00:02:11,840

to the thing we both saw

65

00:02:15,670 --> 00:02:13,760

i only ever told him what i saw after

66

00:02:17,670 --> 00:02:15,680

his experience and she has never heard

67

00:02:19,270 --> 00:02:17,680

of either of our experiences

68

00:02:21,110 --> 00:02:19,280

is this just a mass coincidence of

69

00:02:23,430 --> 00:02:21,120

hallucinating while waking up

70

00:02:24,949 --> 00:02:23,440

is it a demon or some sort of haunting

71

00:02:32,229 --> 00:02:24,959

i'm really freaked out

72

00:02:35,350 --> 00:02:34,390

possible rake encounter in north central

73

00:02:37,190 --> 00:02:35,360

alabama

74

00:02:39,270 --> 00:02:37,200

two of my friends who are a married

75

00:02:39,990 --> 00:02:39,280

couple and i were walking on my family

76

00:02:42,869 --> 00:02:40,000

land

77

00:02:44,550 --> 00:02:42,879

it's about 170 acres and heavily wooded

78

00:02:47,190 --> 00:02:44,560

with both pines and hardwoods

79

00:02:48,790 --> 00:02:47,200

and heavily trailed it was dark but my

80

00:02:50,390 --> 00:02:48,800

friends wanted me to take them out

81

00:02:52,630 --> 00:02:50,400

walking on the trails

82

00:02:54,390 --> 00:02:52,640

a couple of neighbors dogs followed us a

83

00:02:56,150 --> 00:02:54,400

coonhound and a great pyrenees

84

00:02:58,470 --> 00:02:56,160

and we walked south then east to my

85

00:03:00,070 --> 00:02:58,480

camping area we were hanging out at my

86

00:03:02,229 --> 00:03:00,080

camping spot when behind us

87

00:03:04,470 --> 00:03:02,239

further back the trail we had come down

88

00:03:06,309 --> 00:03:04,480

the dogs started acting strange

89

00:03:07,990 --> 00:03:06,319

we were looking back and they came out

90

00:03:08,869 --> 00:03:08,000

of the woods to our left and stood on

91

00:03:10,949 --> 00:03:08,879

the trail

92

00:03:12,869 --> 00:03:10,959

the great pyrenees started growling real

93

00:03:14,869 --> 00:03:12,879

low and looking defensive

94

00:03:17,270 --> 00:03:14,879

the coonhound is a goofball but he was

95

00:03:18,869 --> 00:03:17,280

also acting disturbed about something

96

00:03:21,270 --> 00:03:18,879

they were both looking back down the

97

00:03:23,350 --> 00:03:21,280

trail to the west i immediately got

98

00:03:24,710 --> 00:03:23,360

quite a strange and serious feeling it

99

00:03:26,630 --> 00:03:24,720

was a bit ominous

100

00:03:28,470 --> 00:03:26,640

i've learned to trust my gut which i

101  
00:03:30,550 --> 00:03:28,480  
recommend to anybody in the woods

102  
00:03:32,630 --> 00:03:30,560  
or if around a person or animal that you

103  
00:03:34,949 --> 00:03:32,640  
feel instinctively is threatening

104  
00:03:36,470 --> 00:03:34,959  
anyway i said to my friends we better

105  
00:03:38,710 --> 00:03:36,480  
get back to the house

106  
00:03:39,910 --> 00:03:38,720  
to get my point across i sort of grimly

107  
00:03:42,070 --> 00:03:39,920  
added now

108  
00:03:43,030 --> 00:03:42,080  
well we were heading west on the trail

109  
00:03:45,110 --> 00:03:43,040  
and the dogs

110  
00:03:46,630 --> 00:03:45,120  
if i remember correctly had vacated the

111  
00:03:48,869 --> 00:03:46,640  
area while walking

112  
00:03:50,630 --> 00:03:48,879  
i looked back and saw my one friend the

113  
00:03:53,030 --> 00:03:50,640

wife looking into the woods off the

114

00:03:55,190 --> 00:03:53,040

trail and staggered back a few steps

115

00:03:56,470 --> 00:03:55,200

her husband had walked ahead and i asked

116

00:03:58,470 --> 00:03:56,480

her what was wrong

117

00:04:00,869 --> 00:03:58,480

by the way this is the area where the

118

00:04:02,949 --> 00:04:00,879

dogs had previously been growling at

119

00:04:04,789 --> 00:04:02,959

she said to me i'll tell you when we get

120

00:04:07,270 --> 00:04:04,799

back i don't want to scare him

121

00:04:08,390 --> 00:04:07,280

her husband he's kind of easily spooked

122

00:04:11,350 --> 00:04:08,400

hello

123

00:04:13,270 --> 00:04:11,360

so we get back and i asked what she saw

124

00:04:14,309 --> 00:04:13,280

she tells us that she felt she needed to

125

00:04:16,310 --> 00:04:14,319

look off the trail

126  
00:04:17,749 --> 00:04:16,320  
into the trees and she saw something

127  
00:04:20,229 --> 00:04:17,759  
halfway behind a tree

128  
00:04:22,390 --> 00:04:20,239  
looking at her we all had headlamps on

129  
00:04:24,469 --> 00:04:22,400  
she said it was human-like pale whitish

130  
00:04:26,390 --> 00:04:24,479  
with an oval kind of shaped head

131  
00:04:28,870 --> 00:04:26,400  
looked like it was crouching with long

132  
00:04:29,189 --> 00:04:28,880  
limbs she kept stressing how skinny it

133  
00:04:31,670 --> 00:04:29,199  
was

134  
00:04:33,350 --> 00:04:31,680  
particularly the limbs she said it had a

135  
00:04:35,590 --> 00:04:33,360  
surprised look on its face

136  
00:04:37,430 --> 00:04:35,600  
like it didn't expect us to be there

137  
00:04:39,749 --> 00:04:37,440  
myself and friends relatives used the

138  
00:04:41,670 --> 00:04:39,759

trails regularly but not at night

139

00:04:43,830 --> 00:04:41,680

she said that the thing was bobbing back

140

00:04:45,830 --> 00:04:43,840

and forth in kind of a creepy way

141

00:04:47,670 --> 00:04:45,840

it moved its head behind the tree and

142

00:04:49,189 --> 00:04:47,680

then swaying its head and shoulders back

143

00:04:50,550 --> 00:04:49,199

rhythmically to look at her

144

00:04:52,230 --> 00:04:50,560

she said it didn't appear to be

145

00:04:53,030 --> 00:04:52,240

aggressive at the moment but looked

146

00:04:55,110 --> 00:04:53,040

scary

147

00:04:56,710 --> 00:04:55,120

i pulled up the famous trail cam pick of

148

00:04:58,710 --> 00:04:56,720

the rake or whatever it is

149

00:05:00,230 --> 00:04:58,720

and she got a shocked look on her face

150

00:05:02,310 --> 00:05:00,240

and nodded yes

151  
00:05:03,749 --> 00:05:02,320  
however she made clear that it wasn't

152  
00:05:05,990 --> 00:05:03,759  
exactly the same

153  
00:05:08,070 --> 00:05:06,000  
the next night i was on the back porch

154  
00:05:09,350 --> 00:05:08,080  
and heard a freaky very shrill scream

155  
00:05:11,270 --> 00:05:09,360  
come from the woods

156  
00:05:13,110 --> 00:05:11,280  
i don't know if the two were related but

157  
00:05:13,590 --> 00:05:13,120  
i've lived in the country for most of my

158  
00:05:15,670 --> 00:05:13,600  
life

159  
00:05:17,430 --> 00:05:15,680  
and i've never heard anything like it

160  
00:05:18,469 --> 00:05:17,440  
this is one of multiple things that have

161  
00:05:20,310 --> 00:05:18,479  
happened around here

162  
00:05:21,830 --> 00:05:20,320  
but this is the only one that i know of

163  
00:05:31,189 --> 00:05:21,840

involving this creature

164

00:05:35,670 --> 00:05:33,270

child-sized rake slowly crawled through

165

00:05:37,670 --> 00:05:35,680

witnesses garden in berkshire england

166

00:05:40,469 --> 00:05:37,680

as a teen i just refused to sleep at

167

00:05:42,790 --> 00:05:40,479

normal hours especially on weekends

168

00:05:44,390 --> 00:05:42,800

why well that's because the house i

169

00:05:45,830 --> 00:05:44,400

lived in in the land the house was on

170

00:05:47,670 --> 00:05:45,840

was haunted as crap

171

00:05:49,670 --> 00:05:47,680

staying up usually meant seeing some

172

00:05:51,430 --> 00:05:49,680

freaky activity and growing up in a

173

00:05:54,070 --> 00:05:51,440

small english town in berkshire

174

00:05:55,990 --> 00:05:54,080

well that's as exciting as life got so

175

00:05:58,070 --> 00:05:56,000

one night when i was around 14

176  
00:05:59,909 --> 00:05:58,080  
i was staying up staring out my window

177  
00:06:01,510 --> 00:05:59,919  
when i started seeing blowing blue and

178  
00:06:02,550 --> 00:06:01,520  
purple lights coming from the forest

179  
00:06:05,189 --> 00:06:02,560  
behind my house

180  
00:06:06,150 --> 00:06:05,199  
we don't have fireflies where i lived i

181  
00:06:08,150 --> 00:06:06,160  
thought they were cool

182  
00:06:10,309 --> 00:06:08,160  
so i just continued staring at them

183  
00:06:12,550 --> 00:06:10,319  
trying to figure out what they were

184  
00:06:14,629 --> 00:06:12,560  
now the way my house was set up my

185  
00:06:15,510 --> 00:06:14,639  
bedroom window faced the forest and my

186  
00:06:17,670 --> 00:06:15,520  
back garden

187  
00:06:19,510 --> 00:06:17,680  
and directly next to my room is a side

188  
00:06:20,309 --> 00:06:19,520

gate that links to the front part of the

189

00:06:22,390 --> 00:06:20,319

house

190

00:06:23,590 --> 00:06:22,400

on either side of the gates are motion

191

00:06:25,430 --> 00:06:23,600

sensor lights

192

00:06:27,670 --> 00:06:25,440

so the lights in the forest may not have

193

00:06:29,350 --> 00:06:27,680

been paranormal but what happened next

194

00:06:30,950 --> 00:06:29,360

most definitely was

195

00:06:33,189 --> 00:06:30,960

the motion at the front of the gate

196

00:06:33,990 --> 00:06:33,199

triggers casting a faint light into my

197

00:06:36,469 --> 00:06:34,000

garden

198

00:06:39,110 --> 00:06:36,479

the night grows really silent no more

199

00:06:41,110 --> 00:06:39,120

owls or crickets and just really eerie

200

00:06:42,550 --> 00:06:41,120

the lights in the forest seem to ebb and

201  
00:06:44,469 --> 00:06:42,560  
then just die out

202  
00:06:46,309 --> 00:06:44,479  
i listen carefully as i start to hear

203  
00:06:48,629 --> 00:06:46,319  
scuffling on the wood of the gate

204  
00:06:50,950 --> 00:06:48,639  
it's muffled so i slightly crack open my

205  
00:06:53,029 --> 00:06:50,960  
window to get a better look and listen

206  
00:06:54,469 --> 00:06:53,039  
now that gate is always locked with a

207  
00:06:56,629 --> 00:06:54,479  
heavy padlock at that

208  
00:06:58,629 --> 00:06:56,639  
to this day i have asked my dad if he

209  
00:07:00,550 --> 00:06:58,639  
ever left the gate unlocked that night

210  
00:07:02,870 --> 00:07:00,560  
and he stands by the fact that unless

211  
00:07:04,710 --> 00:07:02,880  
he's gardening the gate stays closed

212  
00:07:06,790 --> 00:07:04,720  
this was spring so he might have started

213  
00:07:09,350 --> 00:07:06,800

seeding so for my own comfort of mind

214

00:07:11,670 --> 00:07:09,360

i'm gonna assume he left the gate open

215

00:07:12,390 --> 00:07:11,680

anyways i hear the gate slowly swing

216

00:07:14,070 --> 00:07:12,400

open

217

00:07:15,510 --> 00:07:14,080

the creeks of the wood were so loud

218

00:07:18,070 --> 00:07:15,520

against the silent knight

219

00:07:20,390 --> 00:07:18,080

so the sound was very distinctive the

220

00:07:21,830 --> 00:07:20,400

motion light right underneath my bedroom

221

00:07:23,830 --> 00:07:21,840

window switches on

222

00:07:25,510 --> 00:07:23,840

honestly to this day i really can't

223

00:07:27,749 --> 00:07:25,520

explain what i saw

224

00:07:29,749 --> 00:07:27,759

it was this off-white veiny kind of skin

225

00:07:30,550 --> 00:07:29,759

texture and was about the size of a

226  
00:07:32,790 --> 00:07:30,560  
child

227  
00:07:33,589 --> 00:07:32,800  
it walked on all fours and looked just

228  
00:07:35,990 --> 00:07:33,599  
sickly

229  
00:07:37,189 --> 00:07:36,000  
its hind legs were significantly longer

230  
00:07:39,670 --> 00:07:37,199  
than its front legs

231  
00:07:41,909 --> 00:07:39,680  
and it looked to have hand claws i hate

232  
00:07:43,990 --> 00:07:41,919  
having to link back to creepypasta but

233  
00:07:45,909 --> 00:07:44,000  
it honestly looked like the rake

234  
00:07:47,510 --> 00:07:45,919  
now i've gone through the possibilities

235  
00:07:49,270 --> 00:07:47,520  
in my head trust me

236  
00:07:50,710 --> 00:07:49,280  
it was too small to be the deer that

237  
00:07:52,790 --> 00:07:50,720  
frequented our garden

238  
00:07:55,670 --> 00:07:52,800

also it had no remotely deer like

239

00:07:58,390 --> 00:07:55,680

features a badger or fox with a disease

240

00:08:00,629 --> 00:07:58,400

possible however i've never seen badgers

241

00:08:01,990 --> 00:08:00,639

or foxes with such long limbs and so

242

00:08:04,230 --> 00:08:02,000

disproportionate

243

00:08:05,430 --> 00:08:04,240

also this thing was completely hairless

244

00:08:07,350 --> 00:08:05,440

and human-like

245

00:08:09,749 --> 00:08:07,360

the worst part about it to me was how it

246

00:08:11,990 --> 00:08:09,759

slowly and silently moved up my garden

247

00:08:14,070 --> 00:08:12,000

path before disappearing into the woods

248

00:08:16,070 --> 00:08:14,080

the noises of the night started back up

249

00:08:18,070 --> 00:08:16,080

after that but i was so shook that i

250

00:08:20,070 --> 00:08:18,080

didn't sleep that entire night

251  
00:08:22,550 --> 00:08:20,080  
i'm from england so i haven't heard of

252  
00:08:24,469 --> 00:08:22,560  
any folklore that matches what i saw

253  
00:08:26,150 --> 00:08:24,479  
i know there were occult practices done

254  
00:08:28,550 --> 00:08:26,160  
in the woods behind my house

255  
00:08:30,950 --> 00:08:28,560  
but i'm pretty sure it was pagan hence

256  
00:08:40,310 --> 00:08:30,960  
not inherently bad or demonic

257  
00:08:42,230 --> 00:08:40,320  
i don't know what i saw lb

258  
00:08:43,350 --> 00:08:42,240  
rake humanoid encounter in eastern

259  
00:08:46,470 --> 00:08:43,360  
kentucky

260  
00:08:48,630 --> 00:08:46,480  
i'm not sure that what i saw names in

261  
00:08:50,070 --> 00:08:48,640  
the details leading up to this encounter

262  
00:08:53,110 --> 00:08:50,080  
aren't very important

263  
00:08:55,110 --> 00:08:53,120

so i'll just set the scene two 14 year

264

00:08:57,350 --> 00:08:55,120

old girls on an isolated eastern

265

00:09:00,070 --> 00:08:57,360

kentucky mountaintop a few hours

266

00:09:01,190 --> 00:09:00,080

after i flipped the atv injuring my

267

00:09:03,750 --> 00:09:01,200

friend's leg

268

00:09:06,870 --> 00:09:03,760

i had tried to act quickly but i was too

269

00:09:08,870 --> 00:09:06,880

weak to get the atv upright by myself

270

00:09:10,790 --> 00:09:08,880

once the both of us lifted it we

271

00:09:13,430 --> 00:09:10,800

promptly flooded the engine

272

00:09:15,430 --> 00:09:13,440

i helped my friend up put it in neutral

273

00:09:17,110 --> 00:09:15,440

and decided to push the atv

274

00:09:19,269 --> 00:09:17,120

down the mountain with my friend

275

00:09:22,070 --> 00:09:19,279

occasionally tapping the brake

276  
00:09:23,829 --> 00:09:22,080  
suddenly she halts our progress and asks

277  
00:09:26,550 --> 00:09:23,839  
me to jump on the back

278  
00:09:28,710 --> 00:09:26,560  
in front of us was a monster of a snake

279  
00:09:29,910 --> 00:09:28,720  
it was the fattest angriest hog snake

280  
00:09:32,949 --> 00:09:29,920  
i've ever seen

281  
00:09:35,990 --> 00:09:32,959  
right across our path blocking us

282  
00:09:38,710 --> 00:09:36,000  
by this time it was almost dusk because

283  
00:09:41,030 --> 00:09:38,720  
the snake was easily the size of my arm

284  
00:09:43,910 --> 00:09:41,040  
we decided to just stare it down

285  
00:09:45,110 --> 00:09:43,920  
waiting on it to crawl on finally i

286  
00:09:46,949 --> 00:09:45,120  
could push again

287  
00:09:48,630 --> 00:09:46,959  
though i wasn't thrilled about walking

288  
00:09:50,949 --> 00:09:48,640

next to this monster

289

00:09:52,710 --> 00:09:50,959

i didn't have a long way to go and we'd

290

00:09:54,949 --> 00:09:52,720

be able to coast on down

291

00:09:55,829 --> 00:09:54,959

or maybe my parents would come searching

292

00:09:57,990 --> 00:09:55,839

for us

293

00:10:00,310 --> 00:09:58,000

there was still plenty of light but the

294

00:10:02,710 --> 00:10:00,320

sky was pink from sunset

295

00:10:05,590 --> 00:10:02,720

simultaneously our head snapped look

296

00:10:06,630 --> 00:10:05,600

behind us i'm not entirely sure why we

297

00:10:09,990 --> 00:10:06,640

even looked

298

00:10:11,670 --> 00:10:10,000

there wasn't a sound no twig snap it had

299

00:10:13,350 --> 00:10:11,680

to be something instinctual

300

00:10:15,910 --> 00:10:13,360

because we both looked back at the

301  
00:10:19,030 --> 00:10:15,920  
tree-lined path we'd slowly come through

302  
00:10:20,790 --> 00:10:19,040  
every hair that i own raised my blood

303  
00:10:23,350 --> 00:10:20,800  
ran cold in an instant

304  
00:10:25,990 --> 00:10:23,360  
i spared one quick glance at my friend

305  
00:10:29,350 --> 00:10:26,000  
mostly because i hadn't seen it yet

306  
00:10:31,430 --> 00:10:29,360  
she had she was completely frozen and i

307  
00:10:32,550 --> 00:10:31,440  
followed her gaze to about 15 feet

308  
00:10:35,430 --> 00:10:32,560  
behind me

309  
00:10:36,150 --> 00:10:35,440  
there sat this creature hunched over

310  
00:10:39,430 --> 00:10:36,160  
boneless

311  
00:10:42,550 --> 00:10:39,440  
yet with some humanoid form it was skin

312  
00:10:43,990 --> 00:10:42,560  
pale white skin at first i thought that

313  
00:10:46,630 --> 00:10:44,000

was all that it was

314

00:10:47,670 --> 00:10:46,640

then barely a second after that panicked

315

00:10:51,110 --> 00:10:47,680

observation

316

00:10:52,069 --> 00:10:51,120

i noticed its face its eyes they were so

317

00:10:54,470 --> 00:10:52,079

deeply set

318

00:10:56,310 --> 00:10:54,480

that i at first terrified plants i

319

00:10:57,190 --> 00:10:56,320

thought that they were only empty black

320

00:10:59,590 --> 00:10:57,200

pits

321

00:11:01,670 --> 00:10:59,600

the setting sun struck them just enough

322

00:11:05,110 --> 00:11:01,680

that i could see the refraction

323

00:11:07,190 --> 00:11:05,120

its nose was flat this hunched naked

324

00:11:09,350 --> 00:11:07,200

pale creature was studying me just the

325

00:11:11,990 --> 00:11:09,360

same its lips were pale

326

00:11:12,949 --> 00:11:12,000

pink and trembling a horrifying thought

327

00:11:14,949 --> 00:11:12,959

informed me

328

00:11:15,990 --> 00:11:14,959

that this gaunt creature was famished or

329

00:11:18,230 --> 00:11:16,000

starving

330

00:11:19,750 --> 00:11:18,240

as if it hurt my inner dialogue it

331

00:11:22,710 --> 00:11:19,760

raised its skin wrapped

332

00:11:25,350 --> 00:11:22,720

skeletal hand to silence me then it

333

00:11:27,910 --> 00:11:25,360

waved its claws one finger at a time

334

00:11:28,470 --> 00:11:27,920

then the sweetest sound that i'd ever

335

00:11:31,350 --> 00:11:28,480

heard

336

00:11:33,829 --> 00:11:31,360

the atv started my friend must have

337

00:11:37,030 --> 00:11:33,839

turned away long enough to try it

338

00:11:38,630 --> 00:11:37,040

so i risked it as well i leaped onto the

339

00:11:41,030 --> 00:11:38,640

back of the atv

340

00:11:42,630 --> 00:11:41,040

sobbing and wrapped my arms around my

341

00:11:45,430 --> 00:11:42,640

body so tightly

342

00:11:46,470 --> 00:11:45,440

when i glanced back it was gone halfway

343

00:11:49,110 --> 00:11:46,480

down the mountain

344

00:11:50,710 --> 00:11:49,120

we ran into my parents it was pitch

345

00:11:52,949 --> 00:11:50,720

black by that time

346

00:11:54,150 --> 00:11:52,959

we survived and talked about it later at

347

00:11:56,470 --> 00:11:54,160

the hospital

348

00:11:58,230 --> 00:11:56,480

turns out she didn't even know how to

349

00:12:00,710 --> 00:11:58,240

start the atv

350

00:12:02,150 --> 00:12:00,720

it wasn't her it's been a few years

351  
00:12:04,790 --> 00:12:02,160  
since this happened

352  
00:12:05,190 --> 00:12:04,800  
i haven't been back on the mountain i'm

353  
00:12:07,110 --> 00:12:05,200  
still

354  
00:12:08,550 --> 00:12:07,120  
friends with her and we've talked about

355  
00:12:11,190 --> 00:12:08,560  
it a few times

356  
00:12:12,470 --> 00:12:11,200  
we've theorized various possibilities as

357  
00:12:15,190 --> 00:12:12,480  
to what it could have been

358  
00:12:16,470 --> 00:12:15,200  
but we can't agree i've tried to find

359  
00:12:19,350 --> 00:12:16,480  
similar encounters

360  
00:12:20,949 --> 00:12:19,360  
even in mythology i'm sure that i've not

361  
00:12:23,750 --> 00:12:20,959  
explained it very well

362  
00:12:25,430 --> 00:12:23,760  
but i did try my best do you have any

363
