

ARCANE RADIO 

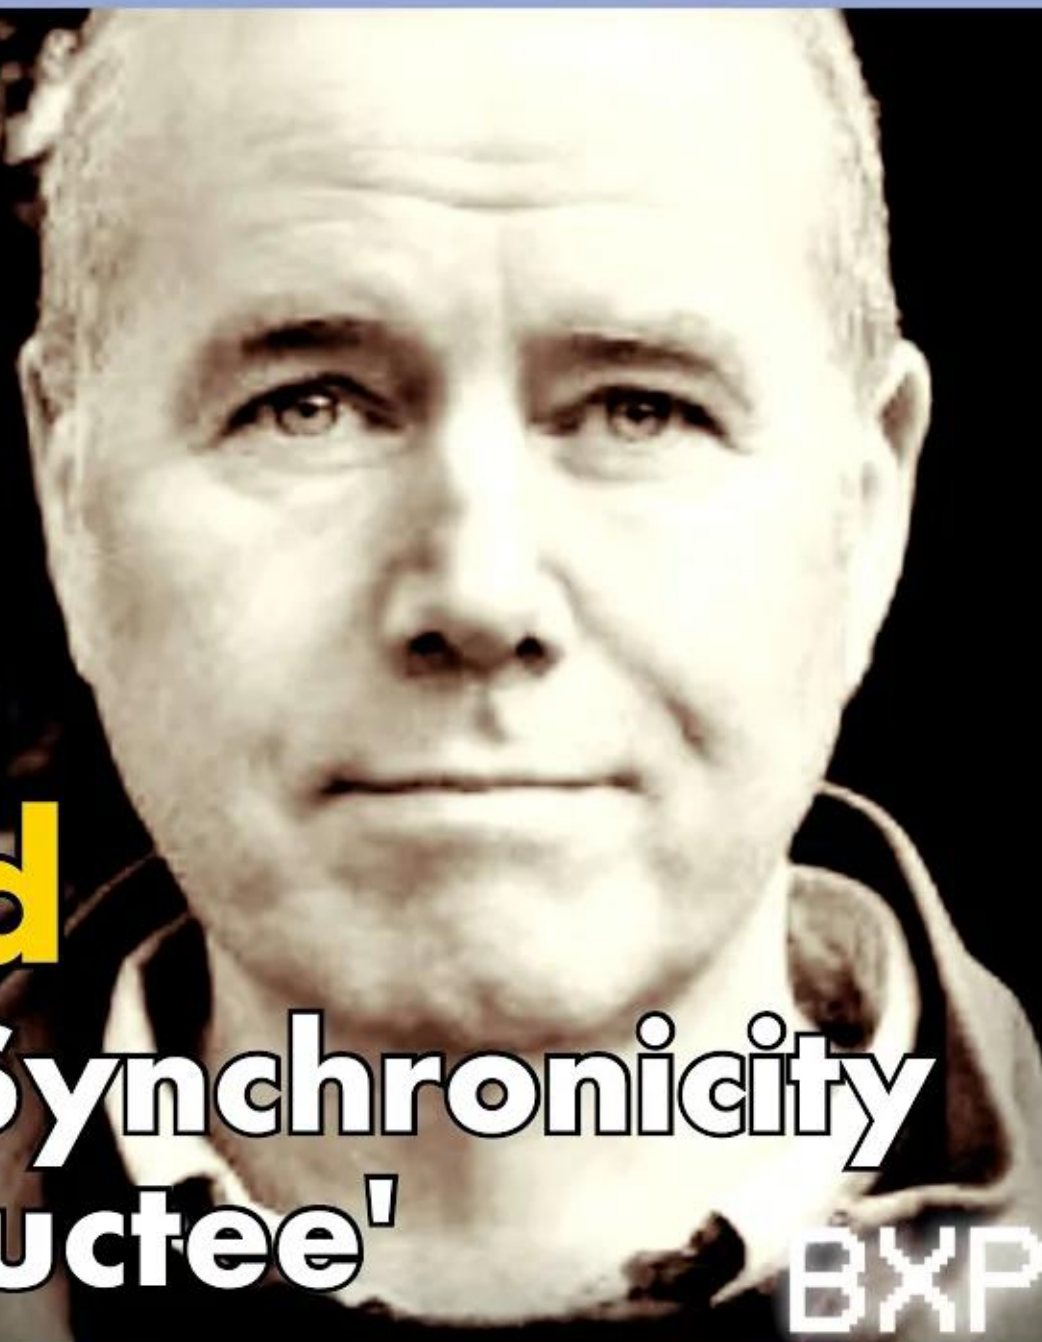

Exploring the Unexplained 

Jan. 25th, 2016

Mike Clelland

**Author, '...Owls, Synchronicity
and the UFO Abductee'**

BXP

1
00:00:03,830 --> 00:00:01,990
and good evening everyone welcome to

2
00:00:06,230 --> 00:00:03,840
arcane radio i'm sean the fort chop

3
00:00:08,230 --> 00:00:06,240
forker as always joined by lon strickler

4
00:00:10,310 --> 00:00:08,240
on this nice monday night

5
00:00:12,150 --> 00:00:10,320
here in the new studio lon how are you

6
00:00:15,190 --> 00:00:12,160
doing tonight big guy

7
00:00:18,710 --> 00:00:15,200
take it out my friend dig it out

8
00:00:20,230 --> 00:00:18,720
uh but hell is only 30 inches

9
00:00:23,590 --> 00:00:20,240
you got an awful lot of snow i didn't

10
00:00:27,589 --> 00:00:23,600
get any uh you're lucky

11
00:00:28,950 --> 00:00:27,599
yes we got snowzilla this year so um

12
00:00:31,269 --> 00:00:28,960
i don't know i hope we don't get any

13
00:00:33,590 --> 00:00:31,279

more but

14

00:00:34,709 --> 00:00:33,600
yeah we're going to deal with it

15

00:00:36,790 --> 00:00:34,719
unfortunately so

16

00:00:38,709 --> 00:00:36,800
i wish we didn't have so much snow uh

17

00:00:42,150 --> 00:00:38,719
well you did i didn't get any again like

18

00:00:46,869 --> 00:00:45,190
that's odd that is really odd uh

19

00:00:48,790 --> 00:00:46,879
you know as far as weather goes we're

20

00:00:51,990 --> 00:00:48,800
not really that far apart

21

00:00:53,590 --> 00:00:52,000
and uh you know if you get it i mean if

22

00:00:56,630 --> 00:00:53,600
i get it you usually get it

23

00:00:58,310 --> 00:00:56,640
and uh that didn't happen this time no

24

00:01:00,790 --> 00:00:58,320
blizzard jonas was really selective

25

00:01:03,110 --> 00:01:00,800
about what was going on let me tell you

26

00:01:04,310 --> 00:01:03,120

yeah that thing went up at 95 and just

27

00:01:08,550 --> 00:01:04,320

kept on going and

28

00:01:10,870 --> 00:01:08,560

um that's the way it was

29

00:01:11,590 --> 00:01:10,880

well hopefully people notice the

30

00:01:13,429 --> 00:01:11,600

difference

31

00:01:15,830 --> 00:01:13,439

in our sound tonight lon i think i sound

32

00:01:18,310 --> 00:01:15,840

a whole lot better what do you think

33

00:01:21,109 --> 00:01:18,320

i i think it sounds pretty good uh you

34

00:01:25,270 --> 00:01:21,119

know hopefully this will keep going

35

00:01:28,070 --> 00:01:25,280

uh you know of course you know always

36

00:01:29,270 --> 00:01:28,080

we're always at the whim of skype but uh

37

00:01:30,950 --> 00:01:29,280

as far as

38

00:01:33,030 --> 00:01:30,960

the equipment and everything and you

39

00:01:35,590 --> 00:01:33,040

know be you being in the new studio

40

00:01:36,710 --> 00:01:35,600

i i think it sounds pretty good no echo

41

00:01:40,149 --> 00:01:36,720

new microphone i

42

00:01:41,190 --> 00:01:40,159

invested in one of these new blue yeti

43

00:01:42,630 --> 00:01:41,200

microphones

44

00:01:44,149 --> 00:01:42,640

the blackout edition of course it's

45

00:01:45,350 --> 00:01:44,159

going to match my decor here really

46

00:01:47,350 --> 00:01:45,360

awesome i love it

47

00:01:48,469 --> 00:01:47,360

but the sound is fantastic i can't get

48

00:01:53,670 --> 00:01:48,479

enough

49

00:02:00,069 --> 00:01:57,590

yeah yep well that's great

50

00:02:01,510 --> 00:02:00,079

so tonight was the second night of

51
00:02:04,789 --> 00:02:01,520
x-files

52
00:02:05,190 --> 00:02:04,799
so what'd you think about it man i liked

53
00:02:07,429 --> 00:02:05,200
it

54
00:02:08,710 --> 00:02:07,439
um last night i watched the episode and

55
00:02:09,830 --> 00:02:08,720
of course anybody who follows me on

56
00:02:11,670 --> 00:02:09,840
facebook

57
00:02:14,150 --> 00:02:11,680
uh understood that i was pretty pissed

58
00:02:18,150 --> 00:02:14,160
that we had to watch the post game show

59
00:02:19,830 --> 00:02:18,160
up until like 24 minutes to the uh

60
00:02:21,589 --> 00:02:19,840
into the hour i was a little upset you

61
00:02:23,350 --> 00:02:21,599
know fox knew

62
00:02:24,949 --> 00:02:23,360
that there was a game and they've been

63
00:02:26,309 --> 00:02:24,959

promoting that the x-files was going to

64

00:02:27,830 --> 00:02:26,319

start at 10

65

00:02:29,510 --> 00:02:27,840

he should have started at 10. that's all

66

00:02:30,470 --> 00:02:29,520

i'm saying and instead i had to sit

67

00:02:32,150 --> 00:02:30,480

through

68

00:02:33,750 --> 00:02:32,160

terry bradshaw who now looks like

69

00:02:37,430 --> 00:02:33,760

herschel from the walking dead

70

00:02:39,110 --> 00:02:37,440

thanks to that beard he sprouted and uh

71

00:02:40,630 --> 00:02:39,120

jeff gordon whatever in the hell jeff

72

00:02:42,550 --> 00:02:40,640

gordon has to do with football i don't

73

00:02:44,309 --> 00:02:42,560

know but unless he was chasing ufos he

74

00:02:46,309 --> 00:02:44,319

didn't need to be on my tv

75

00:02:48,869 --> 00:02:46,319

it's fox it's [h__\h] i'll tell you what

76
00:02:51,990 --> 00:02:50,309
you know they're going to put the nascar

77
00:02:52,550 --> 00:02:52,000
crowd in there and all that other stuff

78
00:02:54,070 --> 00:02:52,560
it

79
00:02:55,990 --> 00:02:54,080
that's that's just the way they do

80
00:02:57,509 --> 00:02:56,000
things so um yeah

81
00:02:59,750 --> 00:02:57,519
i wasn't happy about it either because

82
00:03:00,790 --> 00:02:59,760
frankly i i taped it because i was doing

83
00:03:03,670 --> 00:03:00,800
the radio show

84
00:03:05,589 --> 00:03:03,680
the other radio show last night and i

85
00:03:07,509 --> 00:03:05,599
taped it and when i went to turn it on

86
00:03:10,229 --> 00:03:07,519
there's the football stuff

87
00:03:12,949 --> 00:03:10,239
and have to sure get lost so i actually

88
00:03:16,470 --> 00:03:12,959

did stay up to four o'clock this morning

89

00:03:18,229 --> 00:03:16,480

to watch the first episode on the band

90

00:03:20,390 --> 00:03:18,239

and like i said the first episode lawn

91

00:03:21,030 --> 00:03:20,400

to me good not great it got better

92

00:03:22,949 --> 00:03:21,040

tonight

93

00:03:24,309 --> 00:03:22,959

if you know folks tuned in to catch the

94

00:03:26,550 --> 00:03:24,319

second uh

95

00:03:28,390 --> 00:03:26,560

episode at the eight o'clock hour on uh

96

00:03:29,830 --> 00:03:28,400

eastern time on fox it was a good

97

00:03:30,949 --> 00:03:29,840

episode and next week looks like it's

98

00:03:33,190 --> 00:03:30,959

gonna be

99

00:03:34,789 --> 00:03:33,200

kind of back to the monster of the week

100

00:03:36,390 --> 00:03:34,799

so to speak episode so i'm looking

101
00:03:38,630 --> 00:03:36,400
forward to it it brings a lot of fun

102
00:03:40,869 --> 00:03:38,640
i enjoyed it i'm gonna have to warm up

103
00:03:44,070 --> 00:03:40,879
to it again

104
00:03:46,070 --> 00:03:44,080
well i you know i think they're i think

105
00:03:49,750 --> 00:03:46,080
they're gonna try to go more deep into

106
00:03:52,949 --> 00:03:49,760
government conspiracy as opposed to uh

107
00:03:56,149 --> 00:03:52,959
the single alien ufo

108
00:03:59,990 --> 00:03:56,159
conspiracy and

109
00:04:02,949 --> 00:04:00,000
if that's the case uh as what we would

110
00:04:03,830 --> 00:04:02,959
watch last night i think they're getting

111
00:04:07,030 --> 00:04:03,840
closer to

112
00:04:09,509 --> 00:04:07,040
what the reality of things are and i i

113
00:04:11,110 --> 00:04:09,519

put in the blog today that i think that

114

00:04:13,190 --> 00:04:11,120

because of it they're gonna be more

115

00:04:14,070 --> 00:04:13,200

actually more questions as a result of

116

00:04:16,870 --> 00:04:14,080

it

117

00:04:17,990 --> 00:04:16,880

uh i really do believe that and you know

118

00:04:20,710 --> 00:04:18,000

tonight's

119

00:04:22,550 --> 00:04:20,720

episode kind of reinforced that uh they

120

00:04:26,230 --> 00:04:22,560

were basically talking about the

121

00:04:29,350 --> 00:04:26,240

um about human manipulation

122

00:04:32,070 --> 00:04:29,360

it was more of a government than

123

00:04:34,150 --> 00:04:32,080

alien and it does seem that going back

124

00:04:34,790 --> 00:04:34,160

to the monsters was funny because i

125

00:04:38,550 --> 00:04:34,800

caught

126

00:04:40,710 --> 00:04:38,560

freebie for the next week and she

127

00:04:42,710 --> 00:04:40,720

mulder was telling skully and it's a

128

00:04:45,430 --> 00:04:42,720

monster uh it's a monster

129

00:04:46,230 --> 00:04:45,440

episode it's a monster case the next one

130

00:04:48,950 --> 00:04:46,240

and

131

00:04:49,990 --> 00:04:48,960

she tells him well you the the internet

132

00:04:52,150 --> 00:04:50,000

is not good for you

133

00:04:54,469 --> 00:04:52,160

yeah that's all he's reading fans and

134

00:04:57,270 --> 00:04:54,479

monsters so

135

00:04:59,270 --> 00:04:57,280

i'm afraid i'm to blame for that that's

136

00:05:02,070 --> 00:04:59,280

he was reading families and monsters

137

00:05:03,909 --> 00:05:02,080

yeah that's what that's fantastic that's

138

00:05:05,909 --> 00:05:03,919

fantastic and folks

139

00:05:07,670 --> 00:05:05,919

you can always go to faminesmonsters.com

140

00:05:08,469 --> 00:05:07,680

to catch up on the latest and greatest

141

00:05:09,590 --> 00:05:08,479

news

142

00:05:11,189 --> 00:05:09,600

in the world of the paranormal

143

00:05:12,710 --> 00:05:11,199

unexplained encrypted zoology but

144

00:05:14,629 --> 00:05:12,720

speaking of which lawn

145

00:05:16,230 --> 00:05:14,639

what do we have this week to talk about

146

00:05:20,150 --> 00:05:16,240

in terms of uh

147

00:05:22,629 --> 00:05:20,160

crazy crypto capers strange phenomena

148

00:05:25,110 --> 00:05:22,639

uh i did see you posted a little bit of

149

00:05:27,830 --> 00:05:25,120

an update on the todd c's case

150

00:05:29,909 --> 00:05:27,840

yeah you know it was funny uh somebody

151
00:05:31,430 --> 00:05:29,919
had thought started a thread

152
00:05:33,510 --> 00:05:31,440
i figured out what happened somebody had

153
00:05:36,550 --> 00:05:33,520
started a thread over at

154
00:05:40,469 --> 00:05:36,560
um over on reddit

155
00:05:42,950 --> 00:05:40,479
and uh it was in the um mysterious

156
00:05:44,070 --> 00:05:42,960
unexplained reddit i don't know which

157
00:05:47,189 --> 00:05:44,080
one it was but

158
00:05:49,029 --> 00:05:47,199
anyway they um

159
00:05:50,710 --> 00:05:49,039
i was questioning the tits these cases

160
00:05:56,309 --> 00:05:50,720
they put my uh

161
00:05:58,150 --> 00:05:56,319
i was getting all kinds of questions

162
00:05:59,990 --> 00:05:58,160
coming over on reddit then i was getting

163
00:06:02,309 --> 00:06:00,000

questions coming in the email

164

00:06:04,790 --> 00:06:02,319

about this about the todd c's case and

165

00:06:07,590 --> 00:06:04,800

what's been going on updates or anything

166

00:06:08,950 --> 00:06:07,600

so i basically i called butch and i told

167

00:06:11,510 --> 00:06:08,960

him look you know

168

00:06:12,309 --> 00:06:11,520

i wrote up an update i wrote up a little

169

00:06:13,830 --> 00:06:12,319

notice that

170

00:06:15,590 --> 00:06:13,840

we're going to have to post because

171

00:06:16,710 --> 00:06:15,600

we're getting a whole lot of inquiries

172

00:06:20,150 --> 00:06:16,720

now

173

00:06:23,189 --> 00:06:20,160

and basically what i posted

174

00:06:25,430 --> 00:06:23,199

was that all in all we're not

175

00:06:27,510 --> 00:06:25,440

done investigating there's more going on

176

00:06:29,510 --> 00:06:27,520

there's a lot more to be investigated

177

00:06:33,270 --> 00:06:29,520

uh we're hoping to get more evidence as

178

00:06:36,390 --> 00:06:33,280

we go but at this point

179

00:06:39,070 --> 00:06:36,400

we do believe that there's a fit greater

180

00:06:43,270 --> 00:06:39,080

than 50 percent

181

00:06:45,830 --> 00:06:43,280

probability that there is a ufo

182

00:06:51,510 --> 00:06:45,840

connection to

183

00:06:53,350 --> 00:06:51,520

fences and we base that on the evidence

184

00:06:55,270 --> 00:06:53,360

we base that on everything we've been

185

00:06:59,189 --> 00:06:55,280

able to

186

00:07:02,309 --> 00:06:59,199

uh gather including the forensics

187

00:07:04,070 --> 00:07:02,319

and the uh the autopsy report the full

188

00:07:06,950 --> 00:07:04,080

autopsy report

189

00:07:08,870 --> 00:07:06,960

other forensics and uh the actual

190

00:07:09,830 --> 00:07:08,880

situation and how things were handled

191

00:07:11,670 --> 00:07:09,840

and

192

00:07:13,029 --> 00:07:11,680

who was involved in the investigation

193

00:07:15,589 --> 00:07:13,039

the original investigation

194

00:07:16,550 --> 00:07:15,599

and right now that's what we're looking

195

00:07:20,230 --> 00:07:16,560

at

196

00:07:22,230 --> 00:07:20,240

so uh you know i'm i'm

197

00:07:23,909 --> 00:07:22,240

feel satisfied making that statement

198

00:07:25,589 --> 00:07:23,919

which was okay with it

199

00:07:26,950 --> 00:07:25,599

so you know people want a question to

200

00:07:28,710 --> 00:07:26,960

find but you know

201
00:07:30,790 --> 00:07:28,720
they got other evidence to the contrary

202
00:07:32,230 --> 00:07:30,800
hey let us know

203
00:07:33,830 --> 00:07:32,240
yeah i mean you guys met with some

204
00:07:35,510 --> 00:07:33,840
resistance too when you

205
00:07:37,270 --> 00:07:35,520
started going into this case and of

206
00:07:38,710 --> 00:07:37,280
course we've talked about it ad nauseam

207
00:07:39,749 --> 00:07:38,720
on the program and i don't want to bore

208
00:07:41,670 --> 00:07:39,759
everybody

209
00:07:42,950 --> 00:07:41,680
uh you know by going in and not really

210
00:07:44,469 --> 00:07:42,960
bore them i guess because if they were

211
00:07:46,070 --> 00:07:44,479
bored by it they wouldn't be listening

212
00:07:48,070 --> 00:07:46,080
but uh you know spending all the time to

213
00:07:49,830 --> 00:07:48,080

go back and go over this case but

214

00:07:51,589 --> 00:07:49,840

it hasn't actually actually been

215

00:07:53,430 --> 00:07:51,599

welcomed by the community

216

00:07:56,070 --> 00:07:53,440

hasn't been welcomed by the ufo

217

00:07:58,550 --> 00:07:56,080

community at all and you guys have been

218

00:08:00,469 --> 00:07:58,560

uh uh kind of kicked in the crotch a lot

219

00:08:02,070 --> 00:08:00,479

around on this

220

00:08:03,670 --> 00:08:02,080

well that's just it and that's what i

221

00:08:06,710 --> 00:08:03,680

told people i said look

222

00:08:08,950 --> 00:08:06,720

uh there's a reason why other people

223

00:08:11,270 --> 00:08:08,960

didn't investigate this thing

224

00:08:12,390 --> 00:08:11,280

uh and that the biggest reason is

225

00:08:15,830 --> 00:08:12,400

because

226

00:08:18,390 --> 00:08:15,840

there was a fear factor there it

227

00:08:19,830 --> 00:08:18,400

it seemed any time anybody started

228

00:08:23,350 --> 00:08:19,840

nosing around

229

00:08:26,230 --> 00:08:23,360

they got pushed back and also

230

00:08:26,629 --> 00:08:26,240

it was impossible to get information

231

00:08:29,749 --> 00:08:26,639

from

232

00:08:32,310 --> 00:08:29,759

government and local sources

233

00:08:34,149 --> 00:08:32,320

and in fact we we never knew anything

234

00:08:35,269 --> 00:08:34,159

about a social security number or any

235

00:08:38,790 --> 00:08:35,279

other

236

00:08:39,990 --> 00:08:38,800

information on seas until the day after

237

00:08:44,070 --> 00:08:40,000

we did the radio interview

238

00:08:47,670 --> 00:08:44,080

on bte back in february of 2014

239

00:08:50,710 --> 00:08:47,680

uh the next day ancestry.com

240

00:08:53,590 --> 00:08:50,720

stuff started popping up

241

00:08:54,710 --> 00:08:53,600

which was yeah and uh so something was

242

00:08:59,030 --> 00:08:54,720

going on there

243

00:09:01,509 --> 00:08:59,040

and uh uh

244

00:09:02,310 --> 00:09:01,519

i i don't think i don't think that was a

245

00:09:05,110 --> 00:09:02,320

coincidence

246

00:09:06,630 --> 00:09:05,120

i think that was you know i think the

247

00:09:09,030 --> 00:09:06,640

powers be figured they better give us a

248

00:09:09,670 --> 00:09:09,040

little bit before we start digging in

249

00:09:11,990 --> 00:09:09,680

too deep

250

00:09:14,150 --> 00:09:12,000

well you know we're still digging well i

251

00:09:15,829 --> 00:09:14,160

think people have to realize too that

252

00:09:18,150 --> 00:09:15,839

you know you've only been working on

253

00:09:20,070 --> 00:09:18,160

this case for about two years

254

00:09:21,750 --> 00:09:20,080

and uh the fact that you guys have done

255

00:09:22,070 --> 00:09:21,760

a ton of investigating on this in two

256

00:09:24,230 --> 00:09:22,080

years

257

00:09:26,150 --> 00:09:24,240

is uh phenomenal and there's been other

258

00:09:27,670 --> 00:09:26,160

people associated with too that we don't

259

00:09:29,350 --> 00:09:27,680

bring out to the forefront just for

260

00:09:31,990 --> 00:09:29,360

their own

261

00:09:33,190 --> 00:09:32,000

personal interests i've met a couple the

262

00:09:34,790 --> 00:09:33,200

uh or at least one of the other

263

00:09:37,509 --> 00:09:34,800

investigators on this case

264

00:09:39,430 --> 00:09:37,519
and a very professional guy law

265

00:09:41,829 --> 00:09:39,440
enforcement background again

266

00:09:42,630 --> 00:09:41,839
uh if anybody knows anything about lon

267

00:09:44,310 --> 00:09:42,640
and myself

268

00:09:45,670 --> 00:09:44,320
and the particular projects that we do

269

00:09:47,350 --> 00:09:45,680
we like to have people of the law

270

00:09:49,269 --> 00:09:47,360
enforcement background

271

00:09:50,949 --> 00:09:49,279
uh to assist us in some of these things

272

00:09:52,470 --> 00:09:50,959
because they you know

273

00:09:54,470 --> 00:09:52,480
are pretty good at the investigation

274

00:09:56,949 --> 00:09:54,480
part anyhow

275

00:09:57,990 --> 00:09:56,959
well of course butch has got his cold

276

00:10:00,470 --> 00:09:58,000

case

277

00:10:02,069 --> 00:10:00,480

and then he's got a lot of investigators

278

00:10:04,069 --> 00:10:02,079

on there that you know

279

00:10:06,710 --> 00:10:04,079

know what they're doing at court we we

280

00:10:08,710 --> 00:10:06,720

actually have gotten some assets now

281

00:10:09,829 --> 00:10:08,720

in the northumberland area which is

282

00:10:13,030 --> 00:10:09,839

fantastic

283

00:10:16,550 --> 00:10:13,040

yeah uh you know so um

284

00:10:18,550 --> 00:10:16,560

yeah anything pops up that you know

285

00:10:20,310 --> 00:10:18,560

that we can use we're going to use it

286

00:10:21,750 --> 00:10:20,320

and uh

287

00:10:23,590 --> 00:10:21,760

you know the biggest thing about this

288

00:10:26,470 --> 00:10:23,600

case was dispelling all

289

00:10:28,150 --> 00:10:26,480

the uh the conjecture because quite

290

00:10:30,550 --> 00:10:28,160

frankly the original

291

00:10:32,389 --> 00:10:30,560

the original case file from peter

292

00:10:33,829 --> 00:10:32,399

davenport though i gave him credit for

293

00:10:36,630 --> 00:10:33,839

doing it

294

00:10:38,150 --> 00:10:36,640

had a lot of uh had a lot of false

295

00:10:40,790 --> 00:10:38,160

information in it

296

00:10:41,509 --> 00:10:40,800

uh he thought you know he thought that

297

00:10:44,550 --> 00:10:41,519

it was

298

00:10:47,829 --> 00:10:44,560

good information but

299

00:10:51,110 --> 00:10:47,839

you know there were sources feeding

300

00:10:51,750 --> 00:10:51,120

a lot of uh a lot of false information

301
00:10:54,630 --> 00:10:51,760
and uh

302
00:10:56,310 --> 00:10:54,640
unfortunately most people think that's

303
00:10:58,790 --> 00:10:56,320
actually what had happened and that's

304
00:11:00,949 --> 00:10:58,800
just not what happened

305
00:11:02,069 --> 00:11:00,959
yeah but you have to kind of assume some

306
00:11:03,590 --> 00:11:02,079
of that stuff's going to happen in a

307
00:11:04,790 --> 00:11:03,600
case like this that the information

308
00:11:08,790 --> 00:11:04,800
you're going to be throwing down

309
00:11:12,310 --> 00:11:08,800
rabbit trails and uh led astray

310
00:11:13,509 --> 00:11:12,320
uh away from the you know the

311
00:11:16,230 --> 00:11:13,519
information you're actually trying to

312
00:11:19,190 --> 00:11:16,240
get supplant the fake information to

313
00:11:20,230 --> 00:11:19,200

kind of throw you off course yeah well i

314

00:11:21,670 --> 00:11:20,240

mean i've been

315

00:11:23,990 --> 00:11:21,680

i've been interested in this case from

316

00:11:24,470 --> 00:11:24,000

the day it happened the day i found out

317

00:11:28,310 --> 00:11:24,480

about it

318

00:11:29,590 --> 00:11:28,320

and uh uh you know i i like everybody

319

00:11:31,990 --> 00:11:29,600

else kind of let it go

320

00:11:33,829 --> 00:11:32,000

and uh you know i i really didn't decide

321

00:11:34,710 --> 00:11:33,839

to do it until that day we were talking

322

00:11:38,069 --> 00:11:34,720

about it

323

00:11:42,069 --> 00:11:38,079

up in gettysburg and uh i

324

00:11:43,829 --> 00:11:42,079

uh i said that day i said look

325

00:11:45,269 --> 00:11:43,839

i'm tired of screwing around with this i

326

00:11:48,310 --> 00:11:45,279

i want to get deep in this

327

00:11:50,230 --> 00:11:48,320

find out what happened and uh

328

00:11:52,230 --> 00:11:50,240

of course butch got a hold of me he was

329

00:11:53,269 --> 00:11:52,240

involved with as well and there we went

330

00:11:55,190 --> 00:11:53,279

from there

331

00:11:57,030 --> 00:11:55,200

and that was the genesis of this project

332

00:12:00,470 --> 00:11:57,040

and

333

00:12:01,910 --> 00:12:00,480

yeah here we are no closer to the truth

334

00:12:02,470 --> 00:12:01,920

but well i guess maybe we are a little

335

00:12:04,069 --> 00:12:02,480

closer together

336

00:12:06,710 --> 00:12:04,079

i think we are a little closer to truth

337

00:12:08,150 --> 00:12:06,720

i i think we're um

338

00:12:09,990 --> 00:12:08,160

i think we're a little closer to the

339

00:12:13,190 --> 00:12:10,000

truth more than what people

340

00:12:15,829 --> 00:12:13,200

thought we ever would get to honestly

341

00:12:17,750 --> 00:12:15,839

um you know we're still getting a little

342

00:12:21,829 --> 00:12:17,760

pushback every once in a while i hear a

343

00:12:25,509 --> 00:12:23,910

so it's uh you know that's the way it's

344

00:12:27,910 --> 00:12:25,519

just gonna be so

345

00:12:28,870 --> 00:12:27,920

you know we knew it wasn't gonna be

346

00:12:30,790 --> 00:12:28,880

popular right

347

00:12:32,389 --> 00:12:30,800

i mean before the get-go we talked about

348

00:12:33,910 --> 00:12:32,399

this it wasn't gonna be popular people

349

00:12:35,430 --> 00:12:33,920

were gonna be upset

350

00:12:37,269 --> 00:12:35,440

but at some point you have to look at

351
00:12:38,389 --> 00:12:37,279
these cases and wonder why people don't

352
00:12:41,590 --> 00:12:38,399
touch them

353
00:12:42,550 --> 00:12:41,600
like what's the stigma with some of

354
00:12:44,470 --> 00:12:42,560
these cases

355
00:12:46,550 --> 00:12:44,480
and lon we're starting you and i

356
00:12:48,949 --> 00:12:46,560
particularly off air

357
00:12:51,030 --> 00:12:48,959
uh are starting to talk more about these

358
00:12:52,949 --> 00:12:51,040
uh alien abduction phenomena

359
00:12:54,230 --> 00:12:52,959
and uh it's definitely something that

360
00:12:55,269 --> 00:12:54,240
needs looked into a little further

361
00:12:57,030 --> 00:12:55,279
there's a lot of people out there

362
00:13:00,230 --> 00:12:57,040
investigating it

363
00:13:01,590 --> 00:13:00,240

uh it's just a very interesting part of

364

00:13:02,389 --> 00:13:01,600

the realm of the paranormal and the

365

00:13:04,550 --> 00:13:02,399

unexplained

366

00:13:06,870 --> 00:13:04,560

and it's just there's got to be a reason

367

00:13:07,590 --> 00:13:06,880

behind it right well i'll tell you i i

368

00:13:11,509 --> 00:13:07,600

think

369

00:13:14,790 --> 00:13:11,519

tonight's guess is probably

370

00:13:15,990 --> 00:13:14,800

uh a big aspect of that i think what he

371

00:13:19,509 --> 00:13:16,000

has gone through

372

00:13:20,310 --> 00:13:19,519

and what he has written about is really

373

00:13:23,509 --> 00:13:20,320

uh

374

00:13:27,269 --> 00:13:23,519

a real connection to what is going on

375

00:13:27,910 --> 00:13:27,279

um tonight's guest folks is a mike

376

00:13:30,870 --> 00:13:27,920

clelland

377

00:13:31,910 --> 00:13:30,880

mike uh uh is drawing an interesting

378

00:13:35,509 --> 00:13:31,920

parallel between

379

00:13:37,190 --> 00:13:35,519

owls and uh ufo alien abduction

380

00:13:38,310 --> 00:13:37,200

situations and

381

00:13:39,509 --> 00:13:38,320

it's gonna be an interesting show

382

00:13:40,870 --> 00:13:39,519

tonight so you're gonna want to stay

383

00:13:42,550 --> 00:13:40,880

tuned for the latter part of our show

384

00:13:44,310 --> 00:13:42,560

when we're talking to mike

385

00:13:45,670 --> 00:13:44,320

and really getting into this we're gonna

386

00:13:48,870 --> 00:13:45,680

be talking about his book

387

00:13:50,629 --> 00:13:48,880

the messengers and uh lon and i

388

00:13:52,069 --> 00:13:50,639

are using evernote now a great new

389

00:13:52,389 --> 00:13:52,079

product well not new product but new to

390

00:13:54,230 --> 00:13:52,399

us

391

00:13:55,509 --> 00:13:54,240

and collaborating on notes and lon's

392

00:13:57,430 --> 00:13:55,519

done his homework here

393

00:13:58,550 --> 00:13:57,440

as he does for every show and my mind is

394

00:14:01,590 --> 00:13:58,560

just kind of blown

395

00:14:02,790 --> 00:14:01,600

just reading through some of the notes

396

00:14:04,629 --> 00:14:02,800

here so i'm really interested in what

397

00:14:07,350 --> 00:14:04,639

mike's going to have to say tonight lon

398

00:14:09,509 --> 00:14:07,360

and i don't know and and are also our

399

00:14:12,310 --> 00:14:09,519

own experiences with

400

00:14:13,350 --> 00:14:12,320

you know these kind of situations yeah i

401
00:14:15,269 --> 00:14:13,360
think uh you know

402
00:14:16,790 --> 00:14:15,279
this al thing has been something that's

403
00:14:19,430 --> 00:14:16,800
been going on with me

404
00:14:21,030 --> 00:14:19,440
for a little over a year now and uh i've

405
00:14:23,910 --> 00:14:21,040
got my

406
00:14:25,430 --> 00:14:23,920
my theories as to why but i'm gonna ask

407
00:14:26,310 --> 00:14:25,440
i'm gonna ask mike see what he has to

408
00:14:28,790 --> 00:14:26,320
say about it i

409
00:14:29,670 --> 00:14:28,800
am it's it's just something that's

410
00:14:32,470 --> 00:14:29,680
happened to me

411
00:14:35,350 --> 00:14:32,480
it's i've known people i know people

412
00:14:38,310 --> 00:14:35,360
that the same thing has happened to them

413
00:14:40,310 --> 00:14:38,320

uh maybe we have found a connection

414

00:14:43,110 --> 00:14:40,320

somehow

415

00:14:45,030 --> 00:14:43,120

i don't know you know is it that owls

416

00:14:46,790 --> 00:14:45,040

are actually alien beings or are they

417

00:14:49,829 --> 00:14:46,800

controlled by alien beings or

418

00:14:51,670 --> 00:14:49,839

a higher intelligence you know the book

419

00:14:54,310 --> 00:14:51,680

is fantastic i will say that

420

00:14:55,030 --> 00:14:54,320

and mike is actually writing another one

421

00:14:57,750 --> 00:14:55,040

uh

422

00:15:00,150 --> 00:14:57,760

with i think i think the new one's going

423

00:15:03,189 --> 00:15:00,160

to have a lot of um

424

00:15:06,470 --> 00:15:03,199

a lot of stories from other people

425

00:15:09,030 --> 00:15:06,480

as opposed to just his and uh

426

00:15:11,110 --> 00:15:09,040

though this the messengers has a lot of

427

00:15:13,910 --> 00:15:11,120

other stories in there from other people

428

00:15:15,269 --> 00:15:13,920

it's uh very well written and uh yeah

429

00:15:18,389 --> 00:15:15,279

i'll tell you it's good it's a

430

00:15:18,790 --> 00:15:18,399

it's an amazing reference it really is i

431

00:15:22,470 --> 00:15:18,800

think

432

00:15:27,189 --> 00:15:22,480

one of the things that intrigues me uh

433

00:15:28,550 --> 00:15:27,199

is the concept of perhaps that these

434

00:15:33,670 --> 00:15:28,560

owls are really just

435

00:15:36,470 --> 00:15:33,680

supplanted imagery uh as a smoke screen

436

00:15:38,150 --> 00:15:36,480

of you know possible encounters with

437

00:15:40,710 --> 00:15:38,160

extraterrestrials long

438

00:15:41,269 --> 00:15:40,720

yeah yeah it's very interesting to me

439

00:15:43,189 --> 00:15:41,279

yeah

440

00:15:45,509 --> 00:15:43,199

didn't they have something about owls in

441

00:15:46,949 --> 00:15:45,519

the movie the fourth kind

442

00:15:48,949 --> 00:15:46,959

yeah there was like a scene in that

443

00:15:51,110 --> 00:15:48,959

movie about that and i i didn't think

444

00:15:52,629 --> 00:15:51,120

about it until i

445

00:15:54,710 --> 00:15:52,639

you know i watched a video there's if

446

00:15:56,389 --> 00:15:54,720

you google or you go to youtube and you

447

00:15:59,269 --> 00:15:56,399

type in mike clelland there's a

448

00:16:00,389 --> 00:15:59,279

art um a presentation he did over in

449

00:16:01,990 --> 00:16:00,399

great britain

450

00:16:03,590 --> 00:16:02,000

uh it was a really good presentation

451
00:16:04,949 --> 00:16:03,600
about kind of his background and getting

452
00:16:08,470 --> 00:16:04,959
into this

453
00:16:10,310 --> 00:16:08,480
and uh definitely worth the watch

454
00:16:11,509 --> 00:16:10,320
and it gives you his background and

455
00:16:13,269 --> 00:16:11,519
really why

456
00:16:14,389 --> 00:16:13,279
this is important to him and i just i'm

457
00:16:15,430 --> 00:16:14,399
not going to give too much more away

458
00:16:17,030 --> 00:16:15,440
about it because we do have a couple

459
00:16:18,550 --> 00:16:17,040
things to talk about

460
00:16:20,550 --> 00:16:18,560
and i think that we want to save the

461
00:16:22,310 --> 00:16:20,560
meat and potatoes for this

462
00:16:23,990 --> 00:16:22,320
when we talk to mike i don't want to

463
00:16:25,269 --> 00:16:24,000

step too far into it but there are some

464

00:16:26,310 --> 00:16:25,279

other things that have happened phantoms

465

00:16:28,230 --> 00:16:26,320

and monsters

466

00:16:29,749 --> 00:16:28,240

you've really been posting some articles

467

00:16:31,269 --> 00:16:29,759

you were busy this weekend maybe because

468

00:16:33,829 --> 00:16:31,279

you were snowed in

469

00:16:35,430 --> 00:16:33,839

yeah well that may be uh now there's a

470

00:16:38,470 --> 00:16:35,440

mothman

471

00:16:40,790 --> 00:16:38,480

uh story i promised last week

472

00:16:42,470 --> 00:16:40,800

so uh and i didn't get time to do it so

473

00:16:45,749 --> 00:16:42,480

i'm gonna do that real quickly here

474

00:16:49,269 --> 00:16:45,759

go ahead um

475

00:16:51,670 --> 00:16:49,279

this uh i got this from a lady

476

00:16:53,189 --> 00:16:51,680

in texas she said how long this story

477

00:16:55,110 --> 00:16:53,199

was told me recently while i was

478

00:16:57,590 --> 00:16:55,120

visiting my cousin val

479

00:16:58,470 --> 00:16:57,600

in dallas texas now val said that when

480

00:17:01,749 --> 00:16:58,480

she was

481

00:17:03,509 --> 00:17:01,759

only she has only told friends a story

482

00:17:06,150 --> 00:17:03,519

because she never knew

483

00:17:07,990 --> 00:17:06,160

what it was she saw she had been reading

484

00:17:09,829 --> 00:17:08,000

stories from witnesses of mothman and

485

00:17:11,909 --> 00:17:09,839

was starting to believe that's what

486

00:17:13,669 --> 00:17:11,919

she saw many years ago now val can't

487

00:17:16,309 --> 00:17:13,679

remember what year was

488

00:17:16,870 --> 00:17:16,319

only that it was in the mid-1920s which

489

00:17:19,909 --> 00:17:16,880

is probably

490

00:17:21,829 --> 00:17:19,919

seven or eight she's 24 now uh

491

00:17:24,309 --> 00:17:21,839

one at new val was at her grandmother's

492

00:17:27,029 --> 00:17:24,319

house near san antonio

493

00:17:29,990 --> 00:17:27,039

uh which is saying to us a hot area

494

00:17:31,990 --> 00:17:30,000

there in the south is really hot

495

00:17:34,150 --> 00:17:32,000

she had a lot of friends and family over

496

00:17:35,669 --> 00:17:34,160

for her aunt's baby shower

497

00:17:38,549 --> 00:17:35,679

all the kids were outside while the

498

00:17:41,110 --> 00:17:38,559

adults were inside doing their thing

499

00:17:43,190 --> 00:17:41,120

now one of the local kids val was

500

00:17:46,470 --> 00:17:43,200

playing with kept telling her about

501
00:17:47,750 --> 00:17:46,480
the monster that lived next door now she

502
00:17:50,230 --> 00:17:47,760
never wanted to greet

503
00:17:51,750 --> 00:17:50,240
great detail but val was drawn in anyway

504
00:17:54,150 --> 00:17:51,760
val went along and looked

505
00:17:55,750 --> 00:17:54,160
through a hole in the fence waiting to

506
00:17:57,750 --> 00:17:55,760
see something appear

507
00:17:59,669 --> 00:17:57,760
and this hole was in the fence was in

508
00:18:01,510 --> 00:17:59,679
the fence was behind the shed

509
00:18:03,350 --> 00:18:01,520
in the lower part of the yard so none of

510
00:18:05,669 --> 00:18:03,360
the other kids noticed them

511
00:18:06,630 --> 00:18:05,679
about 15 minutes later val remembers

512
00:18:10,070 --> 00:18:06,640
sensing

513
00:18:12,230 --> 00:18:10,080

a giant huge giant shadow

514

00:18:14,230 --> 00:18:12,240

come over her and hearing a swooshing

515

00:18:16,870 --> 00:18:14,240

sound as this huge creature

516

00:18:18,789 --> 00:18:16,880

landed on the other side of the fence as

517

00:18:19,110 --> 00:18:18,799

it landed it moved away from the fence

518

00:18:21,990 --> 00:18:19,120

and

519

00:18:22,950 --> 00:18:22,000

vowel lost sight of it now val said she

520

00:18:28,630 --> 00:18:22,960

was standing on

521

00:18:29,909 --> 00:18:28,640

a short light brown furrow and all over

522

00:18:32,630 --> 00:18:29,919

the body

523

00:18:33,909 --> 00:18:32,640

the nails were like talons and very long

524

00:18:36,470 --> 00:18:33,919

she was

525

00:18:37,190 --> 00:18:36,480

never able to see the face but it was

526
00:18:40,310 --> 00:18:37,200
tall with

527
00:18:41,510 --> 00:18:40,320
huge butterfly like wings a muscular

528
00:18:44,470 --> 00:18:41,520
human body

529
00:18:46,950 --> 00:18:44,480
long stout legs and made a swishing

530
00:18:49,190 --> 00:18:46,960
sound when it breathed

531
00:18:51,190 --> 00:18:49,200
she felt paralyzed at first but soon

532
00:18:53,270 --> 00:18:51,200
regained her ability to react

533
00:18:55,190 --> 00:18:53,280
quickly running inside and staring out

534
00:18:57,270 --> 00:18:55,200
the window in horror

535
00:18:58,310 --> 00:18:57,280
she said that she had never known what

536
00:19:02,230 --> 00:18:58,320
she saw but

537
00:19:04,070 --> 00:19:02,240
doesn't deny it may have been a mothman

538
00:19:06,470 --> 00:19:04,080

now thinking about it still scares her

539

00:19:08,390 --> 00:19:06,480

to this day she believes whatever it was

540

00:19:09,190 --> 00:19:08,400

naval believes whatever what she saw was

541

00:19:13,830 --> 00:19:09,200

real

542

00:19:17,270 --> 00:19:13,840

and uh i believe she did see a mothman

543

00:19:21,590 --> 00:19:19,029

if she really did see a mothman i don't

544

00:19:22,950 --> 00:19:21,600

know that's kind of unusual

545

00:19:25,190 --> 00:19:22,960

you know something like that out in the

546

00:19:28,710 --> 00:19:25,200

open but

547

00:19:32,310 --> 00:19:28,720

then again who knows i i tell you i

548

00:19:34,070 --> 00:19:32,320

um there's some strange stories come out

549

00:19:35,590 --> 00:19:34,080

of san antonio and the environs

550

00:19:37,990 --> 00:19:35,600

uh they're the whole way down to the

551
00:19:40,230 --> 00:19:38,000
border that's that south texas

552
00:19:43,270 --> 00:19:40,240
area has just gotten some really strange

553
00:19:46,549 --> 00:19:43,280
things i have talked about it for years

554
00:19:46,870 --> 00:19:46,559
uh of course people we know live down

555
00:19:48,070 --> 00:19:46,880
there

556
00:19:51,029 --> 00:19:48,080
have experienced a lot of different

557
00:19:54,710 --> 00:19:51,039
things as well uh one

558
00:19:57,990 --> 00:19:54,720
would be uh be ken gerhart

559
00:20:01,029 --> 00:19:58,000
and and another would be uh uh well

560
00:20:02,549 --> 00:20:01,039
blackburn as well so i it it is a

561
00:20:06,070 --> 00:20:02,559
strange area and there's a lot of

562
00:20:10,789 --> 00:20:06,080
weird things that go on down there

563
00:20:15,669 --> 00:20:10,799

uh this week and actually today

564

00:20:22,310 --> 00:20:20,870

odd account uh hi mr strickler

565

00:20:24,470 --> 00:20:22,320

i have really enjoyed your fans of

566

00:20:26,310 --> 00:20:24,480

monsters e-books and blog the last few

567

00:20:27,430 --> 00:20:26,320

years i just finished the most recent

568

00:20:29,909 --> 00:20:27,440

book

569

00:20:32,070 --> 00:20:29,919

which had a number of dog and wolf

570

00:20:33,669 --> 00:20:32,080

humanoid encounters

571

00:20:35,669 --> 00:20:33,679

i like reading these encounters because

572

00:20:37,669 --> 00:20:35,679

it makes me feel better to know

573

00:20:39,029 --> 00:20:37,679

that there are others out there who have

574

00:20:42,149 --> 00:20:39,039

had encounters

575

00:20:44,470 --> 00:20:42,159

with something that they can't explain

576

00:20:46,390 --> 00:20:44,480

now i decided that i would send you my

577

00:20:47,590 --> 00:20:46,400

weirdest story which happened to me as a

578

00:20:50,070 --> 00:20:47,600

child

579

00:20:51,110 --> 00:20:50,080

i have seen and felt strange things

580

00:20:52,870 --> 00:20:51,120

since then

581

00:20:55,110 --> 00:20:52,880

but this encounter was both the

582

00:20:57,590 --> 00:20:55,120

strangest thing that i have ever

583

00:20:59,430 --> 00:20:57,600

has ever happened to me and i believe a

584

00:21:00,470 --> 00:20:59,440

catalyst for other unusual things in my

585

00:21:03,430 --> 00:21:00,480

life and an interest

586

00:21:04,549 --> 00:21:03,440

in them several years ago i sent an

587

00:21:06,630 --> 00:21:04,559

encounter

588

00:21:07,990 --> 00:21:06,640

to another well-known researcher but i

589

00:21:11,350 --> 00:21:08,000

never heard back

590

00:21:14,470 --> 00:21:11,360

i'm not surprised as it is pretty odd

591

00:21:14,950 --> 00:21:14,480

and seems made up but it did happen what

592

00:21:18,950 --> 00:21:14,960

it was

593

00:21:20,870 --> 00:21:18,960

i had no idea when i was a little girl

594

00:21:23,350 --> 00:21:20,880

my paw paw

595

00:21:26,630 --> 00:21:23,360

lived in an old farmhouse in the upper

596

00:21:29,430 --> 00:21:26,640

end of cleveland county north carolina

597

00:21:30,390 --> 00:21:29,440

we used used to go visit with him every

598

00:21:32,630 --> 00:21:30,400

saturday

599

00:21:33,510 --> 00:21:32,640

my dad my mom my baby brother and i

600

00:21:35,590 --> 00:21:33,520

along with

601
00:21:36,630 --> 00:21:35,600
usually several other my dad's brothers

602
00:21:37,990 --> 00:21:36,640
and sisters

603
00:21:41,590 --> 00:21:38,000
and their assorted children were

604
00:21:44,070 --> 00:21:41,600
congregated after lunch at papa's

605
00:21:46,070 --> 00:21:44,080
us cousins would play together outside

606
00:21:48,070 --> 00:21:46,080
and out in the woods

607
00:21:50,149 --> 00:21:48,080
which ran behind papa's farm and

608
00:21:51,430 --> 00:21:50,159
stretched for probably 10 miles to a

609
00:21:53,430 --> 00:21:51,440
dirt road

610
00:21:55,510 --> 00:21:53,440
beyond which was an apple orchard in a

611
00:21:58,630 --> 00:21:55,520
cattle pasture

612
00:22:00,789 --> 00:21:58,640
this was early 80s in a rural area back

613
00:22:02,230 --> 00:22:00,799

when kids could take care take off in

614

00:22:05,669 --> 00:22:02,240

the woods for hours and then be

615

00:22:07,830 --> 00:22:05,679

okay we would all have dinner together

616

00:22:11,029 --> 00:22:07,840

and then hang out until bedtime for us

617

00:22:14,549 --> 00:22:11,039

kids when we all head home

618

00:22:17,590 --> 00:22:14,559

at the time i had just turned eight

619

00:22:19,830 --> 00:22:17,600

my cousin jay was six

620

00:22:22,549 --> 00:22:19,840

my brother and jade's sister were both

621

00:22:24,950 --> 00:22:22,559

small toddlers barry walking

622

00:22:26,710 --> 00:22:24,960

the night in question jay and i and our

623

00:22:29,029 --> 00:22:26,720

other siblings were the only kids

624

00:22:31,669 --> 00:22:29,039

present at paw paws

625

00:22:32,710 --> 00:22:31,679

he and i would spend the day playing in

626

00:22:34,950 --> 00:22:32,720

the woods as usual

627

00:22:35,830 --> 00:22:34,960

and out in the yard where i was trying

628

00:22:37,830 --> 00:22:35,840

out his

629

00:22:40,230 --> 00:22:37,840

prize where jay was trying to surprise a

630

00:22:42,789 --> 00:22:40,240

brand new skateboard

631

00:22:44,710 --> 00:22:42,799

after supper we hung out in the back

632

00:22:45,430 --> 00:22:44,720

bedroom watching tv until our parents to

633

00:22:49,190 --> 00:22:45,440

form us

634

00:22:51,909 --> 00:22:49,200

it was time to go home now papa's house

635

00:22:52,630 --> 00:22:51,919

had a glaston porch was also served as a

636

00:22:55,990 --> 00:22:52,640

laundry room

637

00:22:58,630 --> 00:22:56,000

on the front right outside the kitchen

638

00:23:00,950 --> 00:22:58,640

this porch because of the way the lot

639

00:23:02,630 --> 00:23:00,960

was laid out and the house was built

640

00:23:04,630 --> 00:23:02,640

was fairly tall and looking out the

641

00:23:06,830 --> 00:23:04,640

windows gave you a panoramic

642

00:23:08,070 --> 00:23:06,840

and slightly elevated view of the

643

00:23:10,390 --> 00:23:08,080

backyard

644

00:23:12,549 --> 00:23:10,400

i would speculate that the porch windows

645

00:23:14,230 --> 00:23:12,559

were about 20 feet off the ground

646

00:23:17,590 --> 00:23:14,240

and the backyard sloped away from the

647

00:23:17,990 --> 00:23:17,600

porch the backyard was lit by two large

648

00:23:20,390 --> 00:23:18,000

lights

649

00:23:21,990 --> 00:23:20,400

one of which was mounted on a pole to

650

00:23:24,789 --> 00:23:22,000

the left of the yard the other mounted

651
00:23:26,549 --> 00:23:24,799
on the side of pawpaw's shop which is to

652
00:23:29,270 --> 00:23:26,559
the right

653
00:23:29,909 --> 00:23:29,280
they were very bright and each light lit

654
00:23:32,870 --> 00:23:29,919
up

655
00:23:35,270 --> 00:23:32,880
a fairly large area the only real

656
00:23:37,669 --> 00:23:35,280
shadowy part of the backyard

657
00:23:39,510 --> 00:23:37,679
was an area where a large tree stood

658
00:23:40,149 --> 00:23:39,520
casting a shadow that fell between the

659
00:23:42,070 --> 00:23:40,159
shop

660
00:23:44,070 --> 00:23:42,080
and the greenhouse which was the far

661
00:23:47,029 --> 00:23:44,080
left the yard

662
00:23:48,710 --> 00:23:47,039
it was under his this tree that jay had

663
00:23:51,590 --> 00:23:48,720

left his skateboard

664

00:23:53,110 --> 00:23:51,600

when we stopped playing to eat when we

665

00:23:54,870 --> 00:23:53,120

stopped playing eat supper

666

00:23:56,149 --> 00:23:54,880

and he and i decided that we should go

667

00:23:57,830 --> 00:23:56,159

out

668

00:23:59,350 --> 00:23:57,840

and get it while our parents were still

669

00:24:02,789 --> 00:23:59,360

saying their goodbyes

670

00:24:04,549 --> 00:24:02,799

in the kitchen well the wolf man was in

671

00:24:06,630 --> 00:24:04,559

the backyard

672

00:24:08,070 --> 00:24:06,640

we saw him at the same time as soon as

673

00:24:10,470 --> 00:24:08,080

we entered the porch

674

00:24:13,269 --> 00:24:10,480

he was man-sized and looked exactly like

675

00:24:17,190 --> 00:24:13,279

a werewolf from a bad bee movement

676

00:24:19,430 --> 00:24:17,200

he had a shaggy dark brown wolf man head

677

00:24:21,430 --> 00:24:19,440

with long-pointed ears and a lighter

678

00:24:23,750 --> 00:24:21,440

brown muzzle

679

00:24:24,710 --> 00:24:23,760

his hands were human-like as best as i

680

00:24:26,950 --> 00:24:24,720

can remember

681

00:24:28,789 --> 00:24:26,960

though they were covered in dark fur and

682

00:24:31,669 --> 00:24:28,799

he had long claws

683

00:24:32,789 --> 00:24:31,679

he was wearing a red and black checkered

684

00:24:35,830 --> 00:24:32,799

flannel shirt

685

00:24:38,230 --> 00:24:35,840

and blue jeans i don't remember anything

686

00:24:41,029 --> 00:24:38,240

about his feet whether he had

687

00:24:43,029 --> 00:24:41,039

uh shoes or claws but his legs were

688

00:24:45,110 --> 00:24:43,039

straight like a person not that backward

689

00:24:47,029 --> 00:24:45,120

like a dog

690

00:24:49,909 --> 00:24:47,039

he was walking back and forth and yard

691

00:24:52,630 --> 00:24:49,919

almost robot like as if he won the track

692

00:24:53,269 --> 00:24:52,640

i can't really describe it well it was

693

00:24:55,430 --> 00:24:53,279

like his

694

00:24:57,750 --> 00:24:55,440

legs were moving a little but not enough

695

00:25:00,549 --> 00:24:57,760

to actually count as walking

696

00:25:02,870 --> 00:25:00,559

it was more like he was gliding but in a

697

00:25:05,430 --> 00:25:02,880

jerky way his body

698

00:25:06,950 --> 00:25:05,440

was human in proportion he would move

699

00:25:08,310 --> 00:25:06,960

from edge to the light near the

700

00:25:10,470 --> 00:25:08,320

greenhouse across to the

701
00:25:11,510 --> 00:25:10,480
light near the shop stopping when he

702
00:25:13,909 --> 00:25:11,520
reached and ended

703
00:25:16,310 --> 00:25:13,919
the end an illuminated area and turn

704
00:25:17,510 --> 00:25:16,320
around a strange jerky way and gliding

705
00:25:21,430 --> 00:25:17,520
back

706
00:25:25,750 --> 00:25:21,440
his eyes were red and glued some

707
00:25:27,669 --> 00:25:25,760
um like like one of those laser lights

708
00:25:29,190 --> 00:25:27,679
that you used to tease cats

709
00:25:31,830 --> 00:25:29,200
that calling about the level of

710
00:25:32,710 --> 00:25:31,840
brightness the only time he was out of

711
00:25:35,350 --> 00:25:32,720
our sight

712
00:25:36,630 --> 00:25:35,360
was when he passed into the shadow area

713
00:25:38,390 --> 00:25:36,640

of the tree

714

00:25:39,909 --> 00:25:38,400

he seemed to be showing off for us

715

00:25:42,390 --> 00:25:39,919

wanting us to see him

716

00:25:43,909 --> 00:25:42,400

or at least that he was that's what it

717

00:25:46,310 --> 00:25:43,919

felt like

718

00:25:48,630 --> 00:25:46,320

the feeling that he carried with him was

719

00:25:51,029 --> 00:25:48,640

of overwhelming benevolence

720

00:25:51,830 --> 00:25:51,039

i felt like he knew we were there and

721

00:25:54,070 --> 00:25:51,840

could see us

722

00:25:55,590 --> 00:25:54,080

watching and feel that we were afraid

723

00:25:58,710 --> 00:25:55,600

and he was glad

724

00:26:01,110 --> 00:25:58,720

not sure if that makes any sense but

725

00:26:02,070 --> 00:26:01,120

it is what i felt at the time dreading

726

00:26:05,110 --> 00:26:02,080

fear and like

727

00:26:07,190 --> 00:26:05,120

he was aware of us and uh doing what he

728

00:26:08,789 --> 00:26:07,200

was doing on the purpose of scare us

729

00:26:10,789 --> 00:26:08,799

now of course we freaked out started

730

00:26:13,110 --> 00:26:10,799

screaming for her parents

731

00:26:15,510 --> 00:26:13,120

and of course once they rushed down into

732

00:26:17,430 --> 00:26:15,520

the porch only to hear us hysterical

733

00:26:19,110 --> 00:26:17,440

because the wolf man was in backyard

734

00:26:21,190 --> 00:26:19,120

they say the usual

735

00:26:24,390 --> 00:26:21,200

parent thing about overactive

736

00:26:27,430 --> 00:26:24,400

imagination too much scooby-doo

737

00:26:29,750 --> 00:26:27,440

well because even though he

738

00:26:30,789 --> 00:26:29,760

was there walking back and forth and in

739

00:26:32,390 --> 00:26:30,799

front of them

740

00:26:35,669 --> 00:26:32,400

and we were the only ones you could see

741

00:26:37,590 --> 00:26:35,679

him none of the adults goods

742

00:26:39,350 --> 00:26:37,600

i remember pointing and saying it's out

743

00:26:41,029 --> 00:26:39,360

there and being really frustrated

744

00:26:43,510 --> 00:26:41,039

because they couldn't see it

745

00:26:45,350 --> 00:26:43,520

finally my dad determined to put an end

746

00:26:47,430 --> 00:26:45,360

to the nonsense announce he was going

747

00:26:49,750 --> 00:26:47,440

out in the yard and get jay's

748

00:26:51,430 --> 00:26:49,760

skateboard from another tree we tried to

749

00:26:52,950 --> 00:26:51,440

stop him but it went anyway

750

00:26:55,029 --> 00:26:52,960

at that time the wolf man was still

751
00:26:57,350 --> 00:26:55,039
doing his strange gliding back and forth

752
00:26:58,870 --> 00:26:57,360
when my dad opened the door porch door

753
00:27:00,950 --> 00:26:58,880
and hit the steps

754
00:27:02,549 --> 00:27:00,960
that led to the porch to the yard he

755
00:27:05,029 --> 00:27:02,559
triggered ascension

756
00:27:06,470 --> 00:27:05,039
motion sensor light which was on the

757
00:27:08,950 --> 00:27:06,480
corner of the porch awning

758
00:27:10,549 --> 00:27:08,960
lighting up the shadowed area of the air

759
00:27:12,310 --> 00:27:10,559
on the shattered tree area

760
00:27:14,470 --> 00:27:12,320
just before this happened the wolf man

761
00:27:17,029 --> 00:27:14,480
had stepped into the shadowy area and

762
00:27:18,710 --> 00:27:17,039
disappeared from the view in the dark

763
00:27:21,430 --> 00:27:18,720

when the light came on lighting up the

764

00:27:24,950 --> 00:27:21,440

tree area the wall damage is gone

765

00:27:29,510 --> 00:27:27,430

for time i'm just gonna keep on i'm

766

00:27:31,909 --> 00:27:29,520

gonna skip a little bit here

767

00:27:33,909 --> 00:27:31,919

uh years past but i've always wondered

768

00:27:36,389 --> 00:27:33,919

about what we saw that night now my

769

00:27:38,710 --> 00:27:36,399

cousin jay forgot about it all together

770

00:27:41,269 --> 00:27:38,720

i asked him about it just a few months

771

00:27:43,029 --> 00:27:41,279

ago and he didn't remember at all

772

00:27:44,950 --> 00:27:43,039

what really brought it back to my memory

773

00:27:46,149 --> 00:27:44,960

was the story in linda godfrey's real

774

00:27:48,070 --> 00:27:46,159

wolfman

775

00:27:50,389 --> 00:27:48,080

about the girl who saw the hitchhiking

776

00:27:52,230 --> 00:27:50,399

werewolf wearing clothes before that

777

00:27:54,070 --> 00:27:52,240

i never seen a serious report of a

778

00:27:56,070 --> 00:27:54,080

canine or lupine

779

00:27:57,190 --> 00:27:56,080

humanoid wearing clothes in any

780

00:27:59,029 --> 00:27:57,200

publication

781

00:28:00,870 --> 00:27:59,039

i don't often tell anyone about the wolf

782

00:28:02,630 --> 00:28:00,880

man we saw because the sounds are

783

00:28:05,909 --> 00:28:02,640

completely crazy of course

784

00:28:09,110 --> 00:28:05,919

my parents and uh jay's parents never

785

00:28:10,710 --> 00:28:09,120

for one second believed it so she goes

786

00:28:12,710 --> 00:28:10,720

into some

787

00:28:14,230 --> 00:28:12,720

you know indian lore and a few other

788

00:28:17,110 --> 00:28:14,240

things that happen

789

00:28:17,430 --> 00:28:17,120

in the area and maybe that might be uh

790

00:28:20,149 --> 00:28:17,440

what

791

00:28:21,110 --> 00:28:20,159

happened but she said i appreciate you

792

00:28:23,669 --> 00:28:21,120

taking the time

793

00:28:25,750 --> 00:28:23,679

to read this uh we really enjoy your

794

00:28:28,950 --> 00:28:25,760

work good luck with your research

795

00:28:32,310 --> 00:28:28,960

kh well she wanted an answer

796

00:28:34,789 --> 00:28:32,320

i'll tell you as we know this entire

797

00:28:35,750 --> 00:28:34,799

upright canine phenomenon is truly an

798

00:28:38,950 --> 00:28:35,760

enigma

799

00:28:40,470 --> 00:28:38,960

not unlike bigfoot and

800

00:28:42,230 --> 00:28:40,480

you know i do believe they're flesh and

801
00:28:44,549 --> 00:28:42,240
blood bipedal canines

802
00:28:47,510 --> 00:28:44,559
within our existence i also believe that

803
00:28:50,950 --> 00:28:47,520
there may be a supernatural aspect

804
00:28:52,549 --> 00:28:50,960
to any of these beings but

805
00:28:54,470 --> 00:28:52,559
there are just too many eyewitnesses

806
00:28:57,029 --> 00:28:54,480
with varied descriptions

807
00:28:59,909 --> 00:28:57,039
though anecdotal to discount any degree

808
00:29:04,789 --> 00:29:02,630
i wonder if this wolf man may have been

809
00:29:07,430 --> 00:29:04,799
a zoo for manifestation

810
00:29:10,389 --> 00:29:07,440
uh it's possible but i don't think it's

811
00:29:14,950 --> 00:29:12,789
this is why we investigate in order to

812
00:29:19,430 --> 00:29:14,960
hone the conclusions

813
00:29:21,669 --> 00:29:19,440

as to what people are encountering so um

814

00:29:24,149 --> 00:29:21,679

there may never be definitive answers

815

00:29:26,230 --> 00:29:24,159

but we keep looking for the truth and

816

00:29:28,310 --> 00:29:26,240

that's why we keep doing it so if you've

817

00:29:30,149 --> 00:29:28,320

got any type of uh

818

00:29:31,909 --> 00:29:30,159

scenario or any type of account that you

819

00:29:35,350 --> 00:29:31,919

want to send to me just feel free to do

820

00:29:40,789 --> 00:29:38,389

all part of the collecting yeah

821

00:29:43,190 --> 00:29:40,799

we need to get more stories of these

822

00:29:47,350 --> 00:29:43,200

wolf man dog man

823

00:29:49,110 --> 00:29:47,360

type creatures lon yes we do

824

00:29:51,350 --> 00:29:49,120

we definitely have to have some sort of

825

00:29:55,269 --> 00:29:51,360

uh uh

826

00:29:57,750 --> 00:29:55,279

like a treasure chest full of these uh

827

00:29:59,029 --> 00:29:57,760

these encounters but talk about a little

828

00:30:00,149 --> 00:29:59,039

bit about our guests before i bring them

829

00:30:01,750 --> 00:30:00,159

out here because mike's actually

830

00:30:05,350 --> 00:30:01,760

standing by

831

00:30:07,909 --> 00:30:05,360

okay mike

832

00:30:09,430 --> 00:30:07,919

again is the author of the messengers

833

00:30:11,350 --> 00:30:09,440

and he's just got an

834

00:30:12,549 --> 00:30:11,360

excellent backstory so like i said we're

835

00:30:15,110 --> 00:30:12,559

not going to ruin too much

836

00:30:16,789 --> 00:30:15,120

of the show for you in fact i think i'm

837

00:30:18,950 --> 00:30:16,799

just going to bring them on right now on

838

00:30:20,230 --> 00:30:18,960

um we'll take a break here real fast and

839

00:30:22,230 --> 00:30:20,240

then we'll bring them on

840

00:30:23,669 --> 00:30:22,240

so stay tuned folks no musical interlude

841

00:30:25,990 --> 00:30:23,679

because i don't want to get sued

842

00:30:27,590 --> 00:30:26,000

so smoke them if you got them take this

843

00:30:30,389 --> 00:30:27,600

time to go and uh

844

00:30:35,350 --> 00:30:30,399

get yourself a snack and uh we'll be

845

00:30:39,190 --> 00:30:38,310

we're back arcane radio sean forker lon

846

00:30:41,750 --> 00:30:39,200

strickler

847

00:30:43,190 --> 00:30:41,760

and our guest tonight mike mcclellan

848

00:30:44,389 --> 00:30:43,200

mike thanks for joining us here on

849

00:30:46,950 --> 00:30:44,399

arcane radio

850

00:30:48,549 --> 00:30:46,960

lon and i are so incredibly so

851
00:30:51,350 --> 00:30:48,559
incredibly excited

852
00:30:52,950 --> 00:30:51,360
to listen to you and hear about these uh

853
00:30:56,549 --> 00:30:52,960
stories with the owls

854
00:30:58,789 --> 00:30:56,559
and lon take it away well mike

855
00:31:00,149 --> 00:30:58,799
thanks for joining us i uh i got your

856
00:31:02,630 --> 00:31:00,159
book as soon as it came out

857
00:31:04,310 --> 00:31:02,640
quite frankly i was uh this is something

858
00:31:06,389 --> 00:31:04,320
that i've been doing with as well

859
00:31:07,509 --> 00:31:06,399
so i'm going to have a few questions for

860
00:31:14,230 --> 00:31:07,519
you

861
00:31:17,990 --> 00:31:14,240
counter and what just

862
00:31:19,029 --> 00:31:18,000
what transpired uh shortly afterwards so

863
00:31:20,630 --> 00:31:19,039

you when you say the first i'll

864

00:31:21,750 --> 00:31:20,640

encounter you're talking about the story

865

00:31:23,909 --> 00:31:21,760

that opens the book

866

00:31:24,950 --> 00:31:23,919

yeah you and kristen yeah you know i had

867

00:31:27,430 --> 00:31:24,960

a few uh

868

00:31:29,350 --> 00:31:27,440

other smaller owl events actually in

869

00:31:31,029 --> 00:31:29,360

that same area curiously enough but

870

00:31:32,230 --> 00:31:31,039

those were just that was years before

871

00:31:34,149 --> 00:31:32,240

that event and

872

00:31:35,830 --> 00:31:34,159

um it was just you know walking down

873

00:31:37,750 --> 00:31:35,840

that trail i felt like i was followed by

874

00:31:42,310 --> 00:31:37,760

an owl or a couple owls

875

00:31:44,310 --> 00:31:42,320

um so that uh that story with kristen

876

00:31:46,149 --> 00:31:44,320

this was someone that i had worked with

877

00:31:47,990 --> 00:31:46,159

uh i didn't know her very well and

878

00:31:50,470 --> 00:31:48,000

and this was i lived in a town where i

879

00:31:53,190 --> 00:31:50,480

was working for an outdoor school doing

880

00:31:54,789 --> 00:31:53,200

uh you know teaching camping and such so

881

00:31:56,630 --> 00:31:54,799

i had been gone all summer and i

882

00:31:58,630 --> 00:31:56,640

just got back to the hometown i was

883

00:31:59,590 --> 00:31:58,640

living in which is right near jackson

884

00:32:01,909 --> 00:31:59,600

hole wyoming

885

00:32:03,350 --> 00:32:01,919

so right in the shadow of grand teton

886

00:32:06,950 --> 00:32:03,360

national park

887

00:32:08,389 --> 00:32:06,960

and um i was talking about camping and

888

00:32:09,590 --> 00:32:08,399

she said she hadn't camped at all that

889

00:32:11,509 --> 00:32:09,600

summer and i said oh we should go

890

00:32:14,070 --> 00:32:11,519

camping and she said okay and so

891

00:32:14,710 --> 00:32:14,080

a few days later we hiked into the woods

892

00:32:17,750 --> 00:32:14,720

and uh

893

00:32:19,029 --> 00:32:17,760

we i went with um well very little on

894

00:32:21,830 --> 00:32:19,039

our backs you know so it was a

895

00:32:23,269 --> 00:32:21,840

pleasant night and just one night and so

896

00:32:24,470 --> 00:32:23,279

given the weather conditions and such

897

00:32:26,070 --> 00:32:24,480

there was no reason for

898

00:32:27,509 --> 00:32:26,080

a shelter so we just slept out under the

899

00:32:29,269 --> 00:32:27,519

stars but there came a point when we

900

00:32:31,509 --> 00:32:29,279

were talking

901
00:32:32,630 --> 00:32:31,519
when i realized that this is somewhat

902
00:32:34,789 --> 00:32:32,640
this was

903
00:32:35,909 --> 00:32:34,799
in essence a stranger really and there

904
00:32:37,029 --> 00:32:35,919
came a point where we were talking that

905
00:32:39,590 --> 00:32:37,039
i was like well this

906
00:32:41,430 --> 00:32:39,600
is really incredible this is someone

907
00:32:44,149 --> 00:32:41,440
this is i'm impressed

908
00:32:47,110 --> 00:32:44,159
and it was at that moment that uh an owl

909
00:32:49,350 --> 00:32:47,120
flew over us this was at sunset

910
00:32:50,549 --> 00:32:49,360
and then another owl and then a third

911
00:32:53,909 --> 00:32:50,559
owl

912
00:32:56,950 --> 00:32:53,919
and for the next well over an

913
00:32:58,310 --> 00:32:56,960

hour you know the sun set we laid our

914

00:33:01,430 --> 00:32:58,320

sleeping bags out and

915

00:33:01,990 --> 00:33:01,440

this entire time these owls were flying

916

00:33:03,830 --> 00:33:02,000

around us

917

00:33:05,669 --> 00:33:03,840

landing near us landing on branches near

918

00:33:06,950 --> 00:33:05,679

us and they would swoop down we'd lie

919

00:33:08,870 --> 00:33:06,960

right on our backs and look up at the

920

00:33:10,870 --> 00:33:08,880

stars on our in our sleeping bags and

921

00:33:13,909 --> 00:33:10,880

and the owls would like blot out the

922

00:33:16,870 --> 00:33:13,919

stars for just one second

923

00:33:18,310 --> 00:33:16,880

so jump ahead to uh uh four days later

924

00:33:20,549 --> 00:33:18,320

you know what happened one night and

925

00:33:22,549 --> 00:33:20,559

i said to her afterwards i said wow you

926
00:33:24,070 --> 00:33:22,559
know if i go camping again which i might

927
00:33:25,350 --> 00:33:24,080
i'll give you a call she said great so i

928
00:33:27,350 --> 00:33:25,360
called her a few days later and said

929
00:33:31,029 --> 00:33:27,360
let's go and she set up wonderful

930
00:33:32,389 --> 00:33:31,039
so we went camping four days after that

931
00:33:35,509 --> 00:33:32,399
initial owl event

932
00:33:37,269 --> 00:33:35,519
and the same thing happened we was sun

933
00:33:38,870 --> 00:33:37,279
was setting and this owl landed on a

934
00:33:41,029 --> 00:33:38,880
branch near us and another i'll

935
00:33:41,990 --> 00:33:41,039
landed on the ground near us and then

936
00:33:44,470 --> 00:33:42,000
you know for the next

937
00:33:45,269 --> 00:33:44,480
uh probably less time probably 45

938
00:33:48,230 --> 00:33:45,279

minutes

939

00:33:49,590 --> 00:33:48,240

uh these owls flew around us and they

940

00:33:52,630 --> 00:33:49,600

landed close like

941

00:33:54,310 --> 00:33:52,640

really really close to us like really

942

00:33:57,990 --> 00:33:54,320

strange

943

00:34:01,350 --> 00:33:58,000

and uh and that

944

00:34:02,789 --> 00:34:01,360

event happened once was pretty cool it

945

00:34:03,669 --> 00:34:02,799

was pretty neat to see the owls close up

946

00:34:06,310 --> 00:34:03,679

like that

947

00:34:07,509 --> 00:34:06,320

but to have it happen four days later

948

00:34:08,470 --> 00:34:07,519

and now i'm this is we're in a

949

00:34:09,589 --> 00:34:08,480

completely different part of the

950

00:34:11,750 --> 00:34:09,599

mountains but

951
00:34:14,629 --> 00:34:11,760
you know it wasn't that far away and i'm

952
00:34:17,990 --> 00:34:14,639
convinced it was the same three owls

953
00:34:19,829 --> 00:34:18,000
and it was positively

954
00:34:22,230 --> 00:34:19,839
mystical to have it happen a second time

955
00:34:24,550 --> 00:34:22,240
and it really kind of knocked me off

956
00:34:25,750 --> 00:34:24,560
kilter in a way and i just got

957
00:34:27,990 --> 00:34:25,760
completely like

958
00:34:30,550 --> 00:34:28,000
obsessed and and and just trying to

959
00:34:32,470 --> 00:34:30,560
figure out this owl thing and

960
00:34:33,909 --> 00:34:32,480
you know looking up all totems and one

961
00:34:34,950 --> 00:34:33,919
of the things that happened to me after

962
00:34:38,550 --> 00:34:34,960
that is i pretty much

963
00:34:39,109 --> 00:34:38,560

would ask anyone with outdoor experience

964

00:34:41,030 --> 00:34:39,119

and then

965

00:34:42,149 --> 00:34:41,040

people with with ufo experience people

966

00:34:44,069 --> 00:34:42,159

who senior foes

967

00:34:46,710 --> 00:34:44,079

i would ask the same question have you

968

00:34:49,030 --> 00:34:46,720

ever had any odd experiences with owls

969

00:34:50,389 --> 00:34:49,040

and i was shocked at how many people

970

00:34:51,990 --> 00:34:50,399

would have these weird

971

00:34:54,550 --> 00:34:52,000

stories and i mean when you get right

972

00:34:57,829 --> 00:34:54,560

down to it but the story i just told

973

00:34:59,829 --> 00:34:57,839

isn't that strange but

974

00:35:01,030 --> 00:34:59,839

but it had an impact on me right the

975

00:35:02,390 --> 00:35:01,040

story itself is like

976

00:35:05,270 --> 00:35:02,400

some you know so i saw a bunch of novels

977

00:35:08,230 --> 00:35:05,280

so what but the what happened was it had

978

00:35:09,829 --> 00:35:08,240

a really profound impact on the way i

979

00:35:10,950 --> 00:35:09,839

basically the way i lived my life and it

980

00:35:12,150 --> 00:35:10,960

changed my life around

981

00:35:14,150 --> 00:35:12,160

one of the things that happened is i

982

00:35:16,710 --> 00:35:14,160

wrote up that story

983

00:35:18,069 --> 00:35:16,720

uh like like a diary entry and it was

984

00:35:19,829 --> 00:35:18,079

one of the first stories i put on my

985

00:35:21,589 --> 00:35:19,839

blog so this happened event this event

986

00:35:22,870 --> 00:35:21,599

happened in 2006

987

00:35:25,270 --> 00:35:22,880

that was three years later that i

988

00:35:26,950 --> 00:35:25,280

started my blog 2009

989

00:35:28,710 --> 00:35:26,960

and that was one of the first stories

990

00:35:32,630 --> 00:35:28,720

that i put up

991

00:35:34,710 --> 00:35:32,640

and uh the uh the thing that was

992

00:35:36,069 --> 00:35:34,720

so so after the story we went up online

993

00:35:37,349 --> 00:35:36,079

i got a hold of kristen i hadn't talked

994

00:35:38,069 --> 00:35:37,359

to her in a while but we were still

995

00:35:39,829 --> 00:35:38,079

friends

996

00:35:41,349 --> 00:35:39,839

and i said um listen do you remember

997

00:35:44,470 --> 00:35:41,359

what we were talking about

998

00:35:45,990 --> 00:35:44,480

the very first night when we first saw

999

00:35:47,030 --> 00:35:46,000

those owls because i remember thinking

1000

00:35:50,230 --> 00:35:47,040

at the time like

1001
00:35:51,750 --> 00:35:50,240
this is something this is intense and uh

1002
00:35:53,030 --> 00:35:51,760
and she said oh i remember exactly what

1003
00:35:54,470 --> 00:35:53,040
i was thinking about she said i was

1004
00:35:57,589 --> 00:35:54,480
giving my most heartfelt

1005
00:35:58,150 --> 00:35:57,599
definition of what god meant to me and

1006
00:36:01,109 --> 00:35:58,160
that

1007
00:36:03,349 --> 00:36:01,119
really sort of threw me for a loop so

1008
00:36:06,470 --> 00:36:03,359
this already

1009
00:36:08,950 --> 00:36:06,480
intense account just got that much more

1010
00:36:10,870 --> 00:36:08,960
intense and and it has i have to say it

1011
00:36:14,470 --> 00:36:10,880
has remained intense over these

1012
00:36:16,150 --> 00:36:14,480
you know now a decade later it's 2016

1013
00:36:16,710 --> 00:36:16,160

now so this has been 10 years later yeah

1014

00:36:17,829 --> 00:36:16,720

and so in

1015

00:36:21,910 --> 00:36:17,839

that 10 years i've done a lot of

1016

00:36:24,390 --> 00:36:21,920

research and collected a lot of stories

1017

00:36:25,430 --> 00:36:24,400

well there was a there was an incident

1018

00:36:27,430 --> 00:36:25,440

not that long

1019

00:36:29,270 --> 00:36:27,440

after that incident where you sold five

1020

00:36:31,270 --> 00:36:29,280

houses of nitro

1021

00:36:32,550 --> 00:36:31,280

that's correct yeah that was actually uh

1022

00:36:34,550 --> 00:36:32,560

so well actually that would have been

1023

00:36:36,870 --> 00:36:34,560

2009 that would have been in the autumn

1024

00:36:37,510 --> 00:36:36,880

or probably august late august of 2009 i

1025

00:36:38,710 --> 00:36:37,520

could figure

1026

00:36:39,829 --> 00:36:38,720

look it up exactly i was with a friend

1027

00:36:41,270 --> 00:36:39,839

of mine peter and we were in the

1028

00:36:42,870 --> 00:36:41,280

mountains and i was teaching for an

1029

00:36:46,310 --> 00:36:42,880

outdoor school again

1030

00:36:48,230 --> 00:36:46,320

and uh there uh we were camped as i

1031

00:36:49,829 --> 00:36:48,240

think there were seven of us total

1032

00:36:51,589 --> 00:36:49,839

and we were camped near a spot where the

1033

00:36:53,910 --> 00:36:51,599

water was kind of murky and brown

1034

00:36:55,270 --> 00:36:53,920

it was kind of in a pond and we were you

1035

00:36:56,550 --> 00:36:55,280

know that's we didn't want to drink that

1036

00:36:57,829 --> 00:36:56,560

and i'd been there before and i said you

1037

00:36:59,109 --> 00:36:57,839

know i think right around the corner

1038

00:36:59,750 --> 00:36:59,119

from here we can walk for a little bit

1039

00:37:04,230 --> 00:36:59,760

and

1040

00:37:04,950 --> 00:37:04,240

this guy peter this friend of mine who

1041

00:37:08,790 --> 00:37:04,960

we actually became

1042

00:37:10,150 --> 00:37:08,800

good friends on this trip um we

1043

00:37:11,670 --> 00:37:10,160

collected everyone's water bottles and

1044

00:37:13,109 --> 00:37:11,680

put them on our backpacks and they were

1045

00:37:14,310 --> 00:37:13,119

empty and we walked off to the spring

1046

00:37:15,829 --> 00:37:14,320

and filled them all up and carried them

1047

00:37:16,790 --> 00:37:15,839

all back and it was really pleasant sun

1048

00:37:17,990 --> 00:37:16,800

was setting and

1049

00:37:19,829 --> 00:37:18,000

so we get back to the camp and

1050

00:37:21,589 --> 00:37:19,839

everyone's off in the woods doing a bear

1051
00:37:22,950 --> 00:37:21,599
hang this would have been in montana so

1052
00:37:24,390 --> 00:37:22,960
you just there's a way you can take a

1053
00:37:27,030 --> 00:37:24,400
cord and throw it above a

1054
00:37:28,150 --> 00:37:27,040
tree branch and haul your food up it

1055
00:37:29,430 --> 00:37:28,160
sounds easy sometimes it gets

1056
00:37:30,710 --> 00:37:29,440
complicated so we could hear people off

1057
00:37:31,829 --> 00:37:30,720
in the woods laughing and we knew just

1058
00:37:33,030 --> 00:37:31,839
what they were doing they were putting

1059
00:37:35,670 --> 00:37:33,040
up the bear hang so

1060
00:37:37,510 --> 00:37:35,680
we did something now i've worked in the

1061
00:37:39,750 --> 00:37:37,520
outdoors i'm 53 and i've worked

1062
00:37:41,270 --> 00:37:39,760
like half my life doing outdoor work we

1063
00:37:44,470 --> 00:37:41,280

did something that i've never

1064

00:37:45,190 --> 00:37:44,480

done before we the shelters were all set

1065

00:37:48,630 --> 00:37:45,200

up in this little

1066

00:37:50,390 --> 00:37:48,640

small meadow it was real pretty we

1067

00:37:51,910 --> 00:37:50,400

peter and i just laid on our backs and

1068

00:37:53,990 --> 00:37:51,920

looked up at the that the setting it

1069

00:37:55,349 --> 00:37:54,000

wasn't the stars weren't quite out yet

1070

00:37:57,109 --> 00:37:55,359

so we just laid on our backs and looked

1071

00:38:00,230 --> 00:37:57,119

straight up

1072

00:38:01,589 --> 00:38:00,240

we kept on talking uh it was pleasant

1073

00:38:04,710 --> 00:38:01,599

calm summer night

1074

00:38:06,310 --> 00:38:04,720

and uh and while we were talking there

1075

00:38:07,750 --> 00:38:06,320

was like a crashing noise it was

1076
00:38:08,630 --> 00:38:07,760
actually really loud and all of a sudden

1077
00:38:10,950 --> 00:38:08,640
that the

1078
00:38:12,710 --> 00:38:10,960
the sky above us just like erupted in

1079
00:38:14,870 --> 00:38:12,720
this little tiny meadow right so it was

1080
00:38:16,230 --> 00:38:14,880
ringed by trees a round ring of trees

1081
00:38:18,470 --> 00:38:16,240
inside this tiny meadow

1082
00:38:19,670 --> 00:38:18,480
just uh like you know a flurry of these

1083
00:38:20,630 --> 00:38:19,680
things and we're trying to count them

1084
00:38:21,990 --> 00:38:20,640
you know like well how many are there

1085
00:38:23,190 --> 00:38:22,000
this and there's owls there's owls

1086
00:38:25,349 --> 00:38:23,200
everywhere and we've been talking about

1087
00:38:28,310 --> 00:38:25,359
owls earlier in that day

1088
00:38:29,430 --> 00:38:28,320

and uh and it was there were five owls

1089

00:38:32,470 --> 00:38:29,440

that just flew around

1090

00:38:35,829 --> 00:38:32,480

and uh and then flew off so that that

1091

00:38:37,109 --> 00:38:35,839

uh you know and that that that

1092

00:38:39,349 --> 00:38:37,119

that's the kind of thing that had been

1093

00:38:41,829 --> 00:38:39,359

happening to me

1094

00:38:43,349 --> 00:38:41,839

on and on and on it has calmed down

1095

00:38:44,550 --> 00:38:43,359

greatly since then and i think part of

1096

00:38:46,310 --> 00:38:44,560

the reason it's calmed down is i don't

1097

00:38:47,750 --> 00:38:46,320

really need to

1098

00:38:49,910 --> 00:38:47,760

whatever i don't need to be convinced of

1099

00:38:51,349 --> 00:38:49,920

anything anymore i feel like

1100

00:38:53,430 --> 00:38:51,359

so i feel like i've already like well

1101

00:38:54,550 --> 00:38:53,440

aware of the the issue so the owls

1102

00:38:55,670 --> 00:38:54,560

basically realized like oh

1103

00:38:57,589 --> 00:38:55,680

they don't need to show up in my life

1104

00:38:59,430 --> 00:38:57,599

anymore because i think they got nothing

1105

00:39:00,790 --> 00:38:59,440

to prove to me at this point so

1106

00:39:02,950 --> 00:39:00,800

well how did you make the connection

1107

00:39:06,230 --> 00:39:02,960

with the owls and the uh

1108

00:39:10,230 --> 00:39:06,240

ufo encounters uh because you did have a

1109

00:39:14,230 --> 00:39:10,240

you did have an alien experience in 1993

1110

00:39:15,990 --> 00:39:14,240

uh but how did you make the connection

1111

00:39:17,829 --> 00:39:16,000

well the connection was actually pretty

1112

00:39:19,589 --> 00:39:17,839

well established in the literature so i

1113

00:39:22,150 --> 00:39:19,599

mean you read books by

1114

00:39:23,510 --> 00:39:22,160

bud hopkins or or whitley strieber uh

1115

00:39:24,150 --> 00:39:23,520

whitley streepers book communion he

1116

00:39:28,710 --> 00:39:24,160

talks about

1117

00:39:31,190 --> 00:39:28,720

uh the very first night that he had what

1118

00:39:32,790 --> 00:39:31,200

has become sort of the prototypical

1119

00:39:36,470 --> 00:39:32,800

bedroom visitation

1120

00:39:38,390 --> 00:39:36,480

that night was uh uh he he remembered an

1121

00:39:39,829 --> 00:39:38,400

owl that he thought was in the house but

1122

00:39:42,630 --> 00:39:39,839

but then he convinced himself it was

1123

00:39:44,390 --> 00:39:42,640

just outside in the windowsill and

1124

00:39:46,230 --> 00:39:44,400

it was winter time in upstate new york

1125

00:39:46,630 --> 00:39:46,240

and he went out and uh he went with his

1126

00:39:47,829 --> 00:39:46,640

wife

1127

00:39:50,710 --> 00:39:47,839

up to the window and looked at the

1128

00:39:52,470 --> 00:39:50,720

windowsill and there had been

1129

00:39:54,069 --> 00:39:52,480

snow on the windowsill and on the on the

1130

00:39:56,870 --> 00:39:54,079

roof line below there and there was no

1131

00:39:58,470 --> 00:39:56,880

footprints so um you know the snow was a

1132

00:40:00,630 --> 00:39:58,480

few days old so if he had actually seen

1133

00:40:02,550 --> 00:40:00,640

an owl out the window

1134

00:40:04,710 --> 00:40:02,560

it would have had to have left prince so

1135

00:40:07,829 --> 00:40:04,720

he he got kind of

1136

00:40:09,670 --> 00:40:07,839

uh it freaked him out obviously because

1137

00:40:10,390 --> 00:40:09,680

he remembered one thing but it couldn't

1138

00:40:13,990 --> 00:40:10,400

be

1139

00:40:15,270 --> 00:40:14,000

there was an owl on the windowsill it

1140

00:40:16,230 --> 00:40:15,280

must have left footprints which it

1141

00:40:19,109 --> 00:40:16,240

didn't

1142

00:40:20,710 --> 00:40:19,119

so and then if you um if you read the

1143

00:40:22,790 --> 00:40:20,720

literature of uh

1144

00:40:24,790 --> 00:40:22,800

oh gosh it's all over the place now in

1145

00:40:26,309 --> 00:40:24,800

the in the abduction

1146

00:40:29,109 --> 00:40:26,319

lore as far as the books that are out

1147

00:40:32,470 --> 00:40:29,119

there um and it's been co-opted by

1148

00:40:33,750 --> 00:40:32,480

movies and and uh twin peaks and the

1149

00:40:37,349 --> 00:40:33,760

movie the fourth kind

1150

00:40:39,190 --> 00:40:37,359

is that people will see what appears to

1151

00:40:41,270 --> 00:40:39,200

be a very large owl

1152

00:40:43,750 --> 00:40:41,280

um not not always a very large all but

1153

00:40:46,230 --> 00:40:43,760

it seems to be a large howl

1154

00:40:47,270 --> 00:40:46,240

and then they might have a missing time

1155

00:40:49,910 --> 00:40:47,280

event

1156

00:40:51,589 --> 00:40:49,920

and under hypnosis perhaps which is

1157

00:40:53,109 --> 00:40:51,599

tricky and i've actually talked to some

1158

00:40:55,190 --> 00:40:53,119

folks who've kind of come to terms with

1159

00:40:56,710 --> 00:40:55,200

it themselves without hypnosis

1160

00:41:00,069 --> 00:40:56,720

you know they'll see an owl and then

1161

00:41:01,750 --> 00:41:00,079

they'll realize it was impossibly large

1162

00:41:03,589 --> 00:41:01,760

right and the context of the owl was

1163

00:41:05,190 --> 00:41:03,599

strange and and then later they'll

1164

00:41:06,550 --> 00:41:05,200

they'll realize that what they had seen

1165

00:41:09,670 --> 00:41:06,560

was a

1166

00:41:10,790 --> 00:41:09,680

quite probably a gray alien bald head in

1167

00:41:13,109 --> 00:41:10,800

the big black eyes

1168

00:41:15,030 --> 00:41:13,119

i mentioned the four or four foot house

1169

00:41:16,470 --> 00:41:15,040

people that were encountering

1170

00:41:17,829 --> 00:41:16,480

uh a lot of them were actually while

1171

00:41:18,870 --> 00:41:17,839

people were driving and they would see

1172

00:41:22,069 --> 00:41:18,880

them on the road or

1173

00:41:25,670 --> 00:41:22,079

side of the road and uh

1174

00:41:27,510 --> 00:41:25,680

you you attributed this to screen memory

1175

00:41:29,430 --> 00:41:27,520

can you kind of explain what screen

1176

00:41:31,829 --> 00:41:29,440

memory is

1177

00:41:32,870 --> 00:41:31,839

well so the stories that i've heard a

1178

00:41:35,910 --> 00:41:32,880

lot of

1179

00:41:37,109 --> 00:41:35,920

is people driving down the road at night

1180

00:41:38,790 --> 00:41:37,119

and i've actually heard other stories

1181

00:41:40,309 --> 00:41:38,800

where owls are you know standing around

1182

00:41:41,270 --> 00:41:40,319

their bed at night and that's you know

1183

00:41:42,309 --> 00:41:41,280

like four foot tall

1184

00:41:44,550 --> 00:41:42,319

standing around their bed which is

1185

00:41:46,790 --> 00:41:44,560

equally impossible uh so

1186

00:41:47,990 --> 00:41:46,800

they'll uh they'll be an owl in the

1187

00:41:50,710 --> 00:41:48,000

middle of the road they'll pull right

1188

00:41:51,030 --> 00:41:50,720

up to it slow down pull right up to it

1189

00:41:52,870 --> 00:41:51,040

or

1190

00:41:54,630 --> 00:41:52,880

they'll pull right next to it but if

1191

00:41:56,550 --> 00:41:54,640

they pull up to it the owl is

1192

00:41:58,230 --> 00:41:56,560

taller tall enough that it can look over

1193

00:41:58,710 --> 00:41:58,240

the hood of the car like it's standing

1194

00:42:00,630 --> 00:41:58,720

upright

1195

00:42:01,910 --> 00:42:00,640

and it looks straight at the you know

1196

00:42:03,109 --> 00:42:01,920

straight basically eye to eye to the

1197

00:42:06,470 --> 00:42:03,119

windshield

1198

00:42:09,510 --> 00:42:06,480

um and uh

1199

00:42:11,270 --> 00:42:09,520

which is impossible i mean a big owl

1200

00:42:12,630 --> 00:42:11,280

whatever i mean you know given all the

1201
00:42:14,390 --> 00:42:12,640
owls in the world

1202
00:42:15,670 --> 00:42:14,400
i suspect there's not a single owl

1203
00:42:19,030 --> 00:42:15,680
that's above

1204
00:42:21,109 --> 00:42:19,040
36 inches 33

1205
00:42:22,550 --> 00:42:21,119
is tip to tail is how they measure them

1206
00:42:25,190 --> 00:42:22,560
and that would be an owl in flight not

1207
00:42:27,910 --> 00:42:25,200
an owl standing on the ground

1208
00:42:29,349 --> 00:42:27,920
so you know not a big a two foot tall

1209
00:42:31,270 --> 00:42:29,359
owl is a big

1210
00:42:33,190 --> 00:42:31,280
big owl and i don't think there's many

1211
00:42:34,630 --> 00:42:33,200
of those in the world

1212
00:42:36,550 --> 00:42:34,640
so to say that someone saw something

1213
00:42:39,750 --> 00:42:36,560

double that a four foot tall owl

1214

00:42:43,190 --> 00:42:39,760

is unimaginable so uh

1215

00:42:46,470 --> 00:42:43,200

afterwards after this event they might

1216

00:42:48,230 --> 00:42:46,480

arrive home and say like oh i'm like

1217

00:42:49,190 --> 00:42:48,240

something weird you know the time is

1218

00:42:50,550 --> 00:42:49,200

wrong i should have been home at

1219

00:42:52,790 --> 00:42:50,560

midnight but it's 2 a.m

1220

00:42:54,390 --> 00:42:52,800

so you know in some form or another i've

1221

00:42:57,750 --> 00:42:54,400

heard this story a lot

1222

00:43:01,190 --> 00:42:59,910

what what's what plays out is that this

1223

00:43:04,230 --> 00:43:01,200

would be a

1224

00:43:08,550 --> 00:43:04,240

in that allotment of missing time

1225

00:43:10,230 --> 00:43:08,560

would be a a an abduction event

1226
00:43:12,710 --> 00:43:10,240
quite probably someone was taken on

1227
00:43:15,670 --> 00:43:12,720
board a craft

1228
00:43:16,230 --> 00:43:15,680
and uh so so those are the stories that

1229
00:43:20,309 --> 00:43:16,240
are

1230
00:43:21,750 --> 00:43:20,319
literature by multiple authors from

1231
00:43:24,150 --> 00:43:21,760
from different points of view and such

1232
00:43:25,910 --> 00:43:24,160
so people with different agendas will

1233
00:43:29,109 --> 00:43:25,920
will retell these same stories because

1234
00:43:32,470 --> 00:43:29,119
they're so commonly reported

1235
00:43:35,510 --> 00:43:32,480
well you know the the one

1236
00:43:38,230 --> 00:43:35,520
the one event that you talked about

1237
00:43:39,829 --> 00:43:38,240
that kind of surprised me was well it

1238
00:43:42,470 --> 00:43:39,839

wasn't surprising but it was

1239

00:43:45,109 --> 00:43:42,480

it was very vivid uh where you were at

1240

00:43:47,270 --> 00:43:45,119

an abductee support group meeting

1241

00:43:49,349 --> 00:43:47,280

at the ufo conference in walton where

1242

00:43:51,750 --> 00:43:49,359

you were sitting in

1243

00:43:53,750 --> 00:43:51,760

and uh there was one guy that was

1244

00:43:55,190 --> 00:43:53,760

sitting there silent for the entire

1245

00:43:57,030 --> 00:43:55,200

two-hour session

1246

00:43:58,230 --> 00:43:57,040

but near the end you ruined his hand and

1247

00:44:00,790 --> 00:43:58,240

asked that

1248

00:44:02,309 --> 00:44:00,800

had anybody had any experiences with

1249

00:44:05,349 --> 00:44:02,319

owls

1250

00:44:06,790 --> 00:44:05,359

and he even know you said he nearly told

1251
00:44:08,230 --> 00:44:06,800
himself out of the chair with pretty

1252
00:44:09,109 --> 00:44:08,240
much everybody in the room raised their

1253
00:44:10,790 --> 00:44:09,119
hand

1254
00:44:12,309 --> 00:44:10,800
yeah yeah everyone including me yeah

1255
00:44:13,670 --> 00:44:12,319
yeah so everyone raised their hand so

1256
00:44:15,829 --> 00:44:13,680
it's very common

1257
00:44:17,030 --> 00:44:15,839
and what's what i find more interesting

1258
00:44:18,950 --> 00:44:17,040
in the you know so he

1259
00:44:20,309 --> 00:44:18,960
he later he then told his story he was a

1260
00:44:21,349 --> 00:44:20,319
nice guy i spoke to him for a long time

1261
00:44:23,030 --> 00:44:21,359
afterwards

1262
00:44:24,550 --> 00:44:23,040
he's told a story to the group he said

1263
00:44:26,230 --> 00:44:24,560

listen i had the story i was

1264

00:44:28,550 --> 00:44:26,240

driving around at night and there was

1265

00:44:30,630 --> 00:44:28,560

this owl on the side of the road

1266

00:44:32,309 --> 00:44:30,640

and it was tall it was like four foot

1267

00:44:33,990 --> 00:44:32,319

tall and he kind of pulled up to it you

1268

00:44:35,750 --> 00:44:34,000

know and kind of rolled the window down

1269

00:44:35,990 --> 00:44:35,760

and like looked right at it and he got

1270

00:44:37,589 --> 00:44:36,000

this

1271

00:44:39,910 --> 00:44:37,599

really bad vibe like he wasn't supposed

1272

00:44:43,109 --> 00:44:39,920

to be there and he was like the owl was

1273

00:44:45,109 --> 00:44:43,119

angry at him so he left he drove off

1274

00:44:47,270 --> 00:44:45,119

and and later he's a photographer later

1275

00:44:49,030 --> 00:44:47,280

he went to take pictures of some owls in

1276

00:44:50,470 --> 00:44:49,040

a forest

1277

00:44:52,150 --> 00:44:50,480

got his camera out and he's looking at

1278

00:44:53,430 --> 00:44:52,160

these real owls and as soon as he saw a

1279

00:44:55,910 --> 00:44:53,440

real owl

1280

00:44:57,109 --> 00:44:55,920

he said ooh i don't think that was an

1281

00:44:58,230 --> 00:44:57,119

owl that i saw that night it was

1282

00:44:59,750 --> 00:44:58,240

something else

1283

00:45:01,829 --> 00:44:59,760

and he explored it he went through

1284

00:45:03,109 --> 00:45:01,839

hypnotic regression

1285

00:45:04,710 --> 00:45:03,119

and it was a therapist if i'm not

1286

00:45:06,230 --> 00:45:04,720

mistaken that had nothing to do with

1287

00:45:08,390 --> 00:45:06,240

with um

1288

00:45:11,109 --> 00:45:08,400

ufo research and so he said very little

1289

00:45:13,349 --> 00:45:11,119

came up in the hypnotic hypnosis session

1290

00:45:15,589 --> 00:45:13,359

except he felt that he the owl that he

1291

00:45:18,630 --> 00:45:15,599

saw was wearing boots

1292

00:45:19,670 --> 00:45:18,640

so uh which you know i'll obviously

1293

00:45:22,950 --> 00:45:19,680

don't wear our boots

1294

00:45:25,349 --> 00:45:22,960

so he was um you know that was a perfect

1295

00:45:26,390 --> 00:45:25,359

example of what the screen memory would

1296

00:45:29,750 --> 00:45:26,400

be

1297

00:45:32,550 --> 00:45:29,760

uh you know that that in in uh though

1298

00:45:33,190 --> 00:45:32,560

that was a hypnotherapist couldn't get

1299

00:45:34,550 --> 00:45:33,200

past

1300

00:45:36,790 --> 00:45:34,560

it couldn't get much deeper than what

1301
00:45:38,550 --> 00:45:36,800
his conscious memory was of seeing an

1302
00:45:39,510 --> 00:45:38,560
owl that's what he consciously remembers

1303
00:45:41,670 --> 00:45:39,520
though though

1304
00:45:43,190 --> 00:45:41,680
my i suspect strongly that something

1305
00:45:45,990 --> 00:45:43,200
much more

1306
00:45:47,109 --> 00:45:46,000
happened that he he has no that is in

1307
00:45:50,390 --> 00:45:47,119
some form or another his

1308
00:45:51,589 --> 00:45:50,400
his memory had been has been erased in a

1309
00:45:53,109 --> 00:45:51,599
way that i don't understand how that

1310
00:45:54,069 --> 00:45:53,119
works but that's my sense that's what

1311
00:45:57,589 --> 00:45:54,079
happened to him

1312
00:45:59,430 --> 00:45:57,599
as well as many other folks now

1313
00:46:00,630 --> 00:45:59,440

you and you didn't mention in the book

1314

00:46:03,430 --> 00:46:00,640

as well

1315

00:46:05,750 --> 00:46:03,440

about um you know you had to ask people

1316

00:46:08,790 --> 00:46:05,760

who might have had abduction experiences

1317

00:46:10,790 --> 00:46:08,800

if they can wear a watch and you say

1318

00:46:14,390 --> 00:46:10,800

curiously many say they can't

1319

00:46:16,950 --> 00:46:14,400

now though you say you're able to do it

1320

00:46:18,790 --> 00:46:16,960

uh that inductees who also report that

1321

00:46:21,190 --> 00:46:18,800

street lights turn off

1322

00:46:23,190 --> 00:46:21,200

above them when they're driving at night

1323

00:46:24,790 --> 00:46:23,200

and walking under them

1324

00:46:27,510 --> 00:46:24,800

and that has happened to me a few times

1325

00:46:28,950 --> 00:46:27,520

yeah i i know people that has happened

1326

00:46:32,309 --> 00:46:28,960

to

1327

00:46:35,190 --> 00:46:32,319

and uh now what

1328

00:46:37,109 --> 00:46:35,200

causes that do you think wow i mean i

1329

00:46:40,790 --> 00:46:37,119

have no idea what causes that

1330

00:46:44,550 --> 00:46:40,800

my sense is that there's kind of a um

1331

00:46:46,630 --> 00:46:44,560

oh like a trickster-like power

1332

00:46:49,190 --> 00:46:46,640

to whatever's at the source of this kind

1333

00:46:52,870 --> 00:46:49,200

of uh this ufo

1334

00:46:54,069 --> 00:46:52,880

uh you know the the source of the

1335

00:46:56,390 --> 00:46:54,079

mystery

1336

00:46:58,230 --> 00:46:56,400

um and i think that uh personally i

1337

00:46:59,750 --> 00:46:58,240

think that little men in spaceships

1338

00:47:02,950 --> 00:46:59,760

coming from another planet

1339

00:47:05,589 --> 00:47:02,960

here to visit us isn't entirely

1340

00:47:07,109 --> 00:47:05,599

the whole story that may be a part of it

1341

00:47:07,589 --> 00:47:07,119

but i think something much weirder is

1342

00:47:10,069 --> 00:47:07,599

going on

1343

00:47:11,190 --> 00:47:10,079

that than that that's too simplistic

1344

00:47:17,030 --> 00:47:11,200

explanation

1345

00:47:20,950 --> 00:47:18,390

oh what we were just saying i just lost

1346

00:47:23,990 --> 00:47:20,960

my train of thought here

1347

00:47:25,670 --> 00:47:24,000

oh about the abduction experiences yeah

1348

00:47:27,670 --> 00:47:25,680

so oh the street lights that's right

1349

00:47:29,670 --> 00:47:27,680

exactly so my sense is that that like

1350

00:47:31,349 --> 00:47:29,680

there's some something planning out with

1351

00:47:34,549 --> 00:47:31,359

the street lights

1352

00:47:36,950 --> 00:47:34,559

that is um uh

1353

00:47:37,990 --> 00:47:36,960

like something's at play you know i

1354

00:47:41,349 --> 00:47:38,000

don't think

1355

00:47:44,150 --> 00:47:41,359

that the the the the person

1356

00:47:45,589 --> 00:47:44,160

is like emanating some electromagnetic

1357

00:47:47,589 --> 00:47:45,599

field that's turning off the

1358

00:47:49,030 --> 00:47:47,599

off the off the street light i don't

1359

00:47:51,349 --> 00:47:49,040

think that's the solution

1360

00:47:54,150 --> 00:47:51,359

or that's the cause i think that the

1361

00:47:55,829 --> 00:47:54,160

street light is being turned off

1362

00:47:57,670 --> 00:47:55,839

in some form i don't know how it's

1363

00:48:00,710 --> 00:47:57,680

happening but i sense it's happening

1364

00:48:04,390 --> 00:48:00,720

as a way to um

1365

00:48:06,470 --> 00:48:04,400

just uh give a a nudge to the to the

1366

00:48:08,710 --> 00:48:06,480

individual that that something

1367

00:48:09,990 --> 00:48:08,720

you know stranger is at play with

1368

00:48:11,910 --> 00:48:10,000

reality

1369

00:48:13,430 --> 00:48:11,920

um and i know people who who have driven

1370

00:48:14,870 --> 00:48:13,440

down the street it's happened to me

1371

00:48:15,910 --> 00:48:14,880

on one occasion where i've driven down

1372

00:48:17,510 --> 00:48:15,920

the street and the street lights have

1373

00:48:20,069 --> 00:48:17,520

gone off one after another

1374

00:48:21,589 --> 00:48:20,079

you know as i've gone under it now

1375

00:48:21,829 --> 00:48:21,599

that's only happened once for me and i

1376

00:48:23,349 --> 00:48:21,839

know

1377

00:48:25,670 --> 00:48:23,359

other folks who tell that's happened

1378

00:48:27,990 --> 00:48:25,680

many times

1379

00:48:29,670 --> 00:48:28,000

have you uh have you heard of people

1380

00:48:31,270 --> 00:48:29,680

experiencing other bizarre things like

1381

00:48:32,630 --> 00:48:31,280

that

1382

00:48:34,309 --> 00:48:32,640

oh yeah i mean there's all kinds of

1383

00:48:35,589 --> 00:48:34,319

things like that i mean i've collected a

1384

00:48:36,790 --> 00:48:35,599

few stories there's one in the book of

1385

00:48:39,430 --> 00:48:36,800

people getting phantom

1386

00:48:41,510 --> 00:48:39,440

text you know like these gobbledygook

1387

00:48:43,030 --> 00:48:41,520

texts that are kind of cryptic and with

1388

00:48:45,270 --> 00:48:43,040

misspellings and

1389

00:48:46,950 --> 00:48:45,280

and oftentimes it'll be the you know

1390

00:48:48,870 --> 00:48:46,960

boyfriend texting the girlfriend

1391

00:48:49,910 --> 00:48:48,880

and the girlfriend has seen a ufo and

1392

00:48:51,910 --> 00:48:49,920

the boyfriend is like what are you

1393

00:48:54,069 --> 00:48:51,920

sending me these texts for

1394

00:48:55,829 --> 00:48:54,079

and when she reads the text it doesn't

1395

00:48:56,630 --> 00:48:55,839

make any sense that's there's an account

1396

00:48:58,870 --> 00:48:56,640

of that in the book

1397

00:49:01,430 --> 00:48:58,880

this is someone who's seen both ufo and

1398

00:49:04,790 --> 00:49:01,440

seeing owls

1399

00:49:06,470 --> 00:49:04,800

so there's this odd stuff that plays out

1400

00:49:08,790 --> 00:49:06,480

uh yeah so that would be when i've got a

1401
00:49:12,950 --> 00:49:08,800
few examples of that

1402
00:49:18,549 --> 00:49:16,150
uh before we get too far can you talk

1403
00:49:20,870 --> 00:49:18,559
a bit about your uh first ailing

1404
00:49:24,150 --> 00:49:20,880
experience the one from 1993

1405
00:49:27,190 --> 00:49:24,160
and what you saw outside on your lawn

1406
00:49:30,390 --> 00:49:27,200
i was that would have been i was so i'm

1407
00:49:31,349 --> 00:49:30,400
53 now i would have been 30

1408
00:49:34,150 --> 00:49:31,359
because that would have been in the

1409
00:49:36,390 --> 00:49:34,160
winter of 92 93 it was probably january

1410
00:49:38,710 --> 00:49:36,400
or february of 1992. i don't know if i

1411
00:49:41,109 --> 00:49:38,720
can pinpoint it any better than that

1412
00:49:43,109 --> 00:49:41,119
and i was at home alone i was living at

1413
00:49:44,390 --> 00:49:43,119

a house in maine

1414

00:49:45,990 --> 00:49:44,400

and i woke up in the middle of the night

1415

00:49:47,829 --> 00:49:46,000

and there was a bright light shining

1416

00:49:50,390 --> 00:49:47,839

through the bedroom window

1417

00:49:52,069 --> 00:49:50,400

and i sat up on my elbow and and kind of

1418

00:49:53,910 --> 00:49:52,079

looked out the window

1419

00:49:55,430 --> 00:49:53,920

uh there's a motion sensor light out

1420

00:49:56,870 --> 00:49:55,440

there so i didn't really think too much

1421

00:49:59,510 --> 00:49:56,880

of it

1422

00:50:00,069 --> 00:49:59,520

uh but when i looked out there was a

1423

00:50:03,589 --> 00:50:00,079

bright

1424

00:50:04,230 --> 00:50:03,599

light in the yard but that was kind of

1425

00:50:07,270 --> 00:50:04,240

far away

1426
00:50:10,870 --> 00:50:07,280
but what was up close to the window were

1427
00:50:11,589 --> 00:50:10,880
five of the typical spindly gray aliens

1428
00:50:14,230 --> 00:50:11,599
that

1429
00:50:15,109 --> 00:50:14,240
you know we all recognize now and they

1430
00:50:18,230 --> 00:50:15,119
were

1431
00:50:19,910 --> 00:50:18,240
clearly moving towards the house and

1432
00:50:20,630 --> 00:50:19,920
they were backlit by something very

1433
00:50:23,349 --> 00:50:20,640
bright

1434
00:50:24,069 --> 00:50:23,359
so super spooky creepy image i've drawn

1435
00:50:26,950 --> 00:50:24,079
it

1436
00:50:28,710 --> 00:50:26,960
and the uh you know the images really

1437
00:50:29,670 --> 00:50:28,720
are resting and it was it was hard to

1438
00:50:33,109 --> 00:50:29,680

draw it was

1439

00:50:35,349 --> 00:50:33,119

you know so but even though the image

1440

00:50:39,270 --> 00:50:35,359

itself was frightening

1441

00:50:42,630 --> 00:50:41,109

almost without any emotion at all it was

1442

00:50:47,270 --> 00:50:42,640

actually like i was sucked dry

1443

00:50:51,430 --> 00:50:47,280

of any emotion so i was uh

1444

00:50:53,349 --> 00:50:51,440

um you know without any any

1445

00:50:55,030 --> 00:50:53,359

emotional response at all i should have

1446

00:50:56,630 --> 00:50:55,040

you know jumped out of the bed and

1447

00:50:57,990 --> 00:50:56,640

grabbed a baseball bat and locked all

1448

00:51:00,470 --> 00:50:58,000

the doors and

1449

00:51:01,829 --> 00:51:00,480

but i didn't and what happened was i i

1450

00:51:03,270 --> 00:51:01,839

heard a voice in my head now it could

1451

00:51:04,549 --> 00:51:03,280

have been my voice

1452

00:51:06,790 --> 00:51:04,559

but i definitely heard a very clear

1453

00:51:07,430 --> 00:51:06,800

voice in my head that said now is the

1454

00:51:09,109 --> 00:51:07,440

time

1455

00:51:10,549 --> 00:51:09,119

to shut down and put your head in the

1456

00:51:12,309 --> 00:51:10,559

pillow

1457

00:51:13,910 --> 00:51:12,319

wow excuse me let me rephrase that now

1458

00:51:15,589 --> 00:51:13,920

is the time to put your head on the

1459

00:51:17,030 --> 00:51:15,599

pillow and shut down

1460

00:51:18,390 --> 00:51:17,040

and that's exactly what i did i just

1461

00:51:20,710 --> 00:51:18,400

laid down and went to bed i went to

1462

00:51:22,630 --> 00:51:20,720

sleep like snap like i was gone asleep

1463

00:51:24,950 --> 00:51:22,640

and the next morning i just dismissed it

1464

00:51:28,069 --> 00:51:24,960

entirely as a dream

1465

00:51:29,030 --> 00:51:28,079

and um and since then you know i didn't

1466

00:51:31,589 --> 00:51:29,040

even go out and see if there were

1467

00:51:34,870 --> 00:51:31,599

footprints in the snow

1468

00:51:35,829 --> 00:51:34,880

and since then i've i have come to treat

1469

00:51:39,430 --> 00:51:35,839

that event is

1470

00:51:41,109 --> 00:51:39,440

probably a real event

1471

00:51:43,030 --> 00:51:41,119

where i probably saw something real out

1472

00:51:44,309 --> 00:51:43,040

the window though at the time i had no

1473

00:51:46,630 --> 00:51:44,319

way of

1474

00:51:48,230 --> 00:51:46,640

of uh i mean at the time i just was like

1475

00:51:48,950 --> 00:51:48,240

there was no way i was going down that

1476

00:51:51,589 --> 00:51:48,960

road it was

1477

00:51:52,309 --> 00:51:51,599

it was completely a dream how long did

1478

00:51:55,430 --> 00:51:52,319

it take you

1479

00:51:56,790 --> 00:51:55,440

to talk about that publicly you know

1480

00:51:58,230 --> 00:51:56,800

well publicly i mean i'm doing it on a

1481

00:51:59,829 --> 00:51:58,240

podcast now but i mean i would tell my

1482

00:52:01,349 --> 00:51:59,839

friends like wow i had this super trippy

1483

00:52:03,270 --> 00:52:01,359

dream last night you know like i would

1484

00:52:05,109 --> 00:52:03,280

be very vivid and tell you just exactly

1485

00:52:06,390 --> 00:52:05,119

what i told you and it was very clear

1486

00:52:06,870 --> 00:52:06,400

and very it was you know i could say

1487

00:52:09,030 --> 00:52:06,880

things like

1488

00:52:10,790 --> 00:52:09,040

you know i've had other dreams and boy

1489

00:52:12,230 --> 00:52:10,800

they they feel like a dream you know

1490

00:52:13,349 --> 00:52:12,240

there's kind of a dream logic and i

1491

00:52:15,109 --> 00:52:13,359

never dream that i'm

1492

00:52:17,270 --> 00:52:15,119

in the bed that i'm in right you know so

1493

00:52:18,710 --> 00:52:17,280

there i was in the bed in the bedroom

1494

00:52:20,230 --> 00:52:18,720

looking out the window right next to the

1495

00:52:22,150 --> 00:52:20,240

bed if i was in a dream there would be

1496

00:52:23,510 --> 00:52:22,160

some sort of distorted logic associated

1497

00:52:24,309 --> 00:52:23,520

with that the room wouldn't be shaped

1498

00:52:28,309 --> 00:52:24,319

right or

1499

00:52:29,990 --> 00:52:28,319

or i wouldn't you know so uh

1500

00:52:31,190 --> 00:52:30,000

so yeah so that was right away i mean i

1501
00:52:32,069 --> 00:52:31,200
remember talking about it right away

1502
00:52:35,829 --> 00:52:32,079
with folks

1503
00:52:37,510 --> 00:52:35,839
and uh but it never um

1504
00:52:39,030 --> 00:52:37,520
you know it was a few years later before

1505
00:52:45,349 --> 00:52:39,040
i really entertained the fact that

1506
00:52:48,790 --> 00:52:47,430
um experience you think that incident

1507
00:52:51,829 --> 00:52:48,800
might have led to

1508
00:52:53,750 --> 00:52:51,839
uh possible abduction or any further

1509
00:52:56,870 --> 00:52:53,760
type of uh

1510
00:52:57,990 --> 00:52:56,880
encounter with these aliens well that

1511
00:53:00,950 --> 00:52:58,000
and a handful of other

1512
00:53:02,230 --> 00:53:00,960
events in my life i mean i feel strongly

1513
00:53:02,790 --> 00:53:02,240

i mean guess the way i put it you know

1514

00:53:04,390 --> 00:53:02,800

like i mean i

1515

00:53:06,470 --> 00:53:04,400

you know so you watch late night cable

1516

00:53:08,390 --> 00:53:06,480

tv right now there's like this creepy

1517

00:53:10,549 --> 00:53:08,400

documentary about ufo abduction and

1518

00:53:13,190 --> 00:53:10,559

stuff and they have the

1519

00:53:14,150 --> 00:53:13,200

you know the corny reenactments and

1520

00:53:16,390 --> 00:53:14,160

scary music

1521

00:53:17,430 --> 00:53:16,400

and and uh you know people being taken

1522

00:53:18,710 --> 00:53:17,440

out of their bed at night or being

1523

00:53:20,470 --> 00:53:18,720

lifted out of their car or something

1524

00:53:22,549 --> 00:53:20,480

like that so i mean i think everyone in

1525

00:53:23,430 --> 00:53:22,559

the world has seen that in some form or

1526

00:53:27,589 --> 00:53:23,440

another due to

1527

00:53:29,750 --> 00:53:27,599

you know you know tacky tv documentaries

1528

00:53:31,430 --> 00:53:29,760

but i don't have any of those memories i

1529

00:53:33,910 --> 00:53:31,440

got none of that um

1530

00:53:34,870 --> 00:53:33,920

what i do have in a way is is like you

1531

00:53:37,349 --> 00:53:34,880

know if you put a

1532

00:53:38,390 --> 00:53:37,359

a puzzle on the table right and you can

1533

00:53:39,670 --> 00:53:38,400

and all the puzzle

1534

00:53:41,670 --> 00:53:39,680

most of the puzzle pieces are on there

1535

00:53:42,950 --> 00:53:41,680

but there's a few key puzzles pieces

1536

00:53:44,150 --> 00:53:42,960

that are missing right so the little

1537

00:53:45,750 --> 00:53:44,160

holes in the puzzle

1538

00:53:47,510 --> 00:53:45,760

you can still step back look at the

1539

00:53:47,990 --> 00:53:47,520

table and say oh that's a sailboat on a

1540

00:53:50,069 --> 00:53:48,000

lake

1541

00:53:51,510 --> 00:53:50,079

you know you can see it clearly and i'm

1542

00:53:52,630 --> 00:53:51,520

at the point now where i don't have

1543

00:53:54,150 --> 00:53:52,640

those memories

1544

00:53:56,309 --> 00:53:54,160

you know like what i just you know like

1545

00:53:57,589 --> 00:53:56,319

the the the pop culture memories as i

1546

00:53:59,750 --> 00:53:57,599

refer to those

1547

00:54:01,670 --> 00:53:59,760

but i seem to have all the puzzle pieces

1548

00:54:04,150 --> 00:54:01,680

around those memories

1549

00:54:06,150 --> 00:54:04,160

so so i can clearly stand back and look

1550

00:54:06,950 --> 00:54:06,160

at my own experiences and say well i

1551

00:54:10,150 --> 00:54:06,960

feel

1552

00:54:11,670 --> 00:54:10,160

highly probable okay

1553

00:54:12,870 --> 00:54:11,680

i'm pretty much convinced at that point

1554

00:54:13,990 --> 00:54:12,880

that's this point in my life that i've

1555

00:54:15,430 --> 00:54:14,000

had these experiences

1556

00:54:17,430 --> 00:54:15,440

though i don't have any kind of

1557

00:54:18,790 --> 00:54:17,440

conscious memory of being on board a

1558

00:54:21,510 --> 00:54:18,800

craft or something like that

1559

00:54:24,549 --> 00:54:21,520

oh okay okay you know there was one

1560

00:54:27,670 --> 00:54:24,559

particular story in the book that

1561

00:54:31,349 --> 00:54:27,680

that kind of got me thinking uh

1562

00:54:33,670 --> 00:54:31,359

louise's story as far as her and the

1563

00:54:34,549 --> 00:54:33,680

large owls that was standing at the edge

1564

00:54:36,470 --> 00:54:34,559

of the pier

1565

00:54:37,990 --> 00:54:36,480

yeah that was a beautiful one yeah that

1566

00:54:40,309 --> 00:54:38,000

was can you can you

1567

00:54:42,230 --> 00:54:40,319

uh describe that for the listening

1568

00:54:43,430 --> 00:54:42,240

audience it was really interesting

1569

00:54:44,630 --> 00:54:43,440

this has been this is funny because i

1570

00:54:46,390 --> 00:54:44,640

mean there's a father's like i don't

1571

00:54:48,069 --> 00:54:46,400

know the book's nearly 400 pages long

1572

00:54:48,950 --> 00:54:48,079

and there's just one story after another

1573

00:54:52,789 --> 00:54:48,960

after another so

1574

00:54:56,150 --> 00:54:52,799

so so louise um she was living in

1575

00:54:57,829 --> 00:54:56,160

canada i'm pretty sure and she had this

1576

00:54:59,190 --> 00:54:57,839

pole to go out and walk her dog

1577

00:55:01,270 --> 00:54:59,200

she's a big german shepherd i think the

1578

00:55:04,870 --> 00:55:01,280

dog was named stryker and

1579

00:55:06,470 --> 00:55:04,880

you know and she it was very unlike her

1580

00:55:08,870 --> 00:55:06,480

to go out in the pouring rain

1581

00:55:10,230 --> 00:55:08,880

and walk the dog but she got this kind

1582

00:55:11,589 --> 00:55:10,240

of like oh i'm gonna go walk the dog and

1583

00:55:12,150 --> 00:55:11,599

she just walked out there and just like

1584

00:55:15,030 --> 00:55:12,160

it was

1585

00:55:16,549 --> 00:55:15,040

unusual for her to walk the dog in the

1586

00:55:19,589 --> 00:55:16,559

rain

1587

00:55:20,870 --> 00:55:19,599

and she lived near the water near the

1588

00:55:22,470 --> 00:55:20,880

salt water the ocean

1589

00:55:23,270 --> 00:55:22,480

and there was a big jetty that went out

1590

00:55:25,030 --> 00:55:23,280

and that was one of the things they

1591

00:55:26,789 --> 00:55:25,040

would do on this walk there's this long

1592

00:55:28,630 --> 00:55:26,799

jetty that would go out into the to the

1593

00:55:30,150 --> 00:55:28,640

bay and then she would walk to the end

1594

00:55:32,150 --> 00:55:30,160

turn around come back so she

1595

00:55:33,670 --> 00:55:32,160

started walking down the jetty and then

1596

00:55:35,030 --> 00:55:33,680

she got kind of like

1597

00:55:37,190 --> 00:55:35,040

at a certain point and said what am i

1598

00:55:38,789 --> 00:55:37,200

doing i'm gonna turn around and go back

1599

00:55:40,870 --> 00:55:38,799

and as she turned around went back there

1600

00:55:44,150 --> 00:55:40,880

was a large owl

1601
00:55:46,150 --> 00:55:44,160
standing on so she was totally alone on

1602
00:55:49,109 --> 00:55:46,160
the jetty on this long

1603
00:55:50,950 --> 00:55:49,119
dock basically uh and she walked right

1604
00:55:53,670 --> 00:55:50,960
up to this owl

1605
00:55:55,510 --> 00:55:53,680
and it's so funny i mean this is you

1606
00:55:57,190 --> 00:55:55,520
know like you go back and forth i shared

1607
00:55:58,789 --> 00:55:57,200
the story with she shared the story with

1608
00:55:59,910 --> 00:55:58,799
me and i went back and forth with

1609
00:56:02,150 --> 00:55:59,920
correspondence

1610
00:56:03,430 --> 00:56:02,160
and i was just struck by the the words

1611
00:56:05,030 --> 00:56:03,440
she would use

1612
00:56:07,109 --> 00:56:05,040
you know she said basically said she was

1613
00:56:08,950 --> 00:56:07,119

like like it was like royalty

1614

00:56:11,750 --> 00:56:08,960

she walked right up to this owl stood

1615

00:56:14,470 --> 00:56:11,760

right before it and her dog

1616

00:56:16,549 --> 00:56:14,480

who was usually like would be [h__h]

1617

00:56:18,710 --> 00:56:16,559

around a bird a big bird you know

1618

00:56:19,670 --> 00:56:18,720

chase a bird and get all hyper the dog

1619

00:56:23,190 --> 00:56:19,680

was absolutely

1620

00:56:24,470 --> 00:56:23,200

like calm and reverent

1621

00:56:26,870 --> 00:56:24,480

you know she describes it as like

1622

00:56:29,510 --> 00:56:26,880

meeting royalty

1623

00:56:30,630 --> 00:56:29,520

so she meets and this is the woman who

1624

00:56:33,990 --> 00:56:30,640

had had a lot of

1625

00:56:34,870 --> 00:56:34,000

ufo contact in her life she's very clear

1626

00:56:38,390 --> 00:56:34,880

that she's had

1627

00:56:40,230 --> 00:56:38,400

um ufo experiences and you know it would

1628

00:56:41,910 --> 00:56:40,240

fall into the category of abductee or

1629

00:56:42,870 --> 00:56:41,920

contactee or whatever word you would

1630

00:56:45,349 --> 00:56:42,880

want to use

1631

00:56:47,990 --> 00:56:45,359

so and then after that there came a

1632

00:56:49,430 --> 00:56:48,000

point when the owl just flew off

1633

00:56:51,589 --> 00:56:49,440

and then she went and this is very

1634

00:56:53,990 --> 00:56:51,599

interesting she's she said it was

1635

00:56:54,870 --> 00:56:54,000

you know as big a bird as she's ever

1636

00:56:56,870 --> 00:56:54,880

seen

1637

00:56:58,230 --> 00:56:56,880

and she went through all the books and

1638

00:57:01,270 --> 00:56:58,240

she's seen great

1639

00:57:02,630 --> 00:57:01,280

uh or great gray owls and she'd seen

1640

00:57:03,670 --> 00:57:02,640

snowy owls and

1641

00:57:04,789 --> 00:57:03,680

she went through all these books and

1642

00:57:06,470 --> 00:57:04,799

tried to figure out what kind of owl it

1643

00:57:08,150 --> 00:57:06,480

was she lived near the ocean and she was

1644

00:57:09,270 --> 00:57:08,160

familiar with all kinds of sea birds and

1645

00:57:10,309 --> 00:57:09,280

things like that and there was there's

1646

00:57:12,630 --> 00:57:10,319

nothing it didn't match

1647

00:57:15,270 --> 00:57:12,640

didn't match anything in the books

1648

00:57:18,870 --> 00:57:15,280

although she's convinced it was an owl

1649

00:57:21,910 --> 00:57:18,880

now she right after that

1650

00:57:25,030 --> 00:57:21,920

she was diagnosed with a very

1651
00:57:29,030 --> 00:57:25,040
dangerous form of cancer and

1652
00:57:29,750 --> 00:57:29,040
they uh they operated on her remove the

1653
00:57:31,349 --> 00:57:29,760
cancer and they

1654
00:57:33,270 --> 00:57:31,359
well she just went right up to death's

1655
00:57:35,589 --> 00:57:33,280
door and so she

1656
00:57:37,589 --> 00:57:35,599
feels she's doing great now she's been

1657
00:57:40,630 --> 00:57:37,599
cancer-free for many years now

1658
00:57:44,069 --> 00:57:40,640
she feels that that meeting that owl was

1659
00:57:45,589 --> 00:57:44,079
was like um like an announcement like

1660
00:57:47,109 --> 00:57:45,599
that a new chapter of her life would

1661
00:57:51,190 --> 00:57:47,119
begin and that chapter would be

1662
00:57:53,270 --> 00:57:51,200
very difficult uh so

1663
00:57:54,549 --> 00:57:53,280

yeah this this is this kind of things

1664

00:57:56,150 --> 00:57:54,559

that i've been

1665

00:57:58,069 --> 00:57:56,160

encountering when receiving these

1666

00:58:01,109 --> 00:57:58,079

stories these very

1667

00:58:02,390 --> 00:58:01,119

you know almost beautiful stories these

1668

00:58:05,270 --> 00:58:02,400

very very powerful

1669

00:58:05,990 --> 00:58:05,280

mystical stories and and they sound like

1670

00:58:08,150 --> 00:58:06,000

they follow

1671

00:58:09,510 --> 00:58:08,160

dream logic they sound like uh like

1672

00:58:11,430 --> 00:58:09,520

something from a fable

1673

00:58:13,670 --> 00:58:11,440

though though the people you know are

1674

00:58:15,510 --> 00:58:13,680

very forceful that these things truly

1675

00:58:19,030 --> 00:58:15,520

happened

1676
00:58:22,789 --> 00:58:19,040
yeah it kind of touched me i um i i knew

1677
00:58:26,390 --> 00:58:22,799
you had uh you had talked to uh

1678
00:58:28,789 --> 00:58:26,400
uh whitley and anna streeter for years

1679
00:58:30,230 --> 00:58:28,799
and she saw a connection with al's in

1680
00:58:33,430 --> 00:58:30,240
death

1681
00:58:34,390 --> 00:58:33,440
and i've been having sight i'm gonna get

1682
00:58:36,230 --> 00:58:34,400
personal now

1683
00:58:37,510 --> 00:58:36,240
i've been having settings in the

1684
00:58:40,470 --> 00:58:37,520
recognition around

1685
00:58:42,710 --> 00:58:40,480
starting about a time when my wife was

1686
00:58:48,069 --> 00:58:42,720
diagnosed with colon cancer this was

1687
00:58:51,109 --> 00:58:48,079
in january of this past last year 2015

1688
00:58:54,950 --> 00:58:51,119

of which she succumbed to it in november

1689

00:58:57,750 --> 00:58:54,960

2015 two months ago my grandmother

1690

00:58:58,069 --> 00:58:57,760

also passed several weeks later as well

1691

00:59:03,430 --> 00:58:58,079

as

1692

00:59:06,789 --> 00:59:03,440

two of my pet dogs all within 2015.

1693

00:59:08,789 --> 00:59:06,799

do you believe that it's possible that

1694

00:59:10,230 --> 00:59:08,799

there was like a death warning or a

1695

00:59:13,510 --> 00:59:10,240

connection with me

1696

00:59:15,430 --> 00:59:13,520

starting to see these owls

1697

00:59:17,109 --> 00:59:15,440

well they okay so first let me say i'm

1698

00:59:19,109 --> 00:59:17,119

very sorry to hear your loss that's

1699

00:59:20,470 --> 00:59:19,119

it's really i didn't i didn't know that

1700

00:59:24,950 --> 00:59:20,480

at all so

1701

00:59:28,390 --> 00:59:24,960

um throughout all the mythologies

1702

00:59:32,549 --> 00:59:28,400

of the world uh owls have some

1703

00:59:33,910 --> 00:59:32,559

sort of identification with death uh

1704

00:59:35,750 --> 00:59:33,920

like the native americans in the

1705

00:59:38,870 --> 00:59:35,760

southwest in particular

1706

00:59:42,470 --> 00:59:38,880

have in mexico have a very

1707

00:59:46,230 --> 00:59:42,480

ominous folklore about the owls um

1708

00:59:47,510 --> 00:59:46,240

and death now other places um

1709

00:59:49,750 --> 00:59:47,520

you know in the norse countries

1710

00:59:53,349 --> 00:59:49,760

scandinavian countries they have

1711

00:59:55,030 --> 00:59:53,359

much less ominous accounts of

1712

00:59:56,549 --> 00:59:55,040

of owls and death but there's certainly

1713

00:59:58,390 --> 00:59:56,559

plenty of i mean

1714

01:00:00,710 --> 00:59:58,400

it's part of the lore but it's not as

1715

01:00:02,230 --> 01:00:00,720

ominous

1716

01:00:04,230 --> 01:00:02,240

i'll tell you a story from my own

1717

01:00:08,230 --> 01:00:04,240

experience so

1718

01:00:11,430 --> 01:00:08,240

my mom died

1719

01:00:13,510 --> 01:00:11,440

in 2013

1720

01:00:15,990 --> 01:00:13,520

and she had she had alzheimer's she was

1721

01:00:18,950 --> 01:00:16,000

living in an assisted living facility

1722

01:00:19,990 --> 01:00:18,960

very near my sister in north carolina

1723

01:00:22,230 --> 01:00:20,000

and

1724

01:00:23,270 --> 01:00:22,240

my brother called me up early one

1725

01:00:26,549 --> 01:00:23,280

morning and said mom

1726

01:00:27,829 --> 01:00:26,559

had an aneurysm get on a plane and i

1727

01:00:29,030 --> 01:00:27,839

knew just what he meant and i was on the

1728

01:00:32,789 --> 01:00:29,040

plane later that same

1729

01:00:33,750 --> 01:00:32,799

day uh so i flew my mom was still alive

1730

01:00:35,589 --> 01:00:33,760

and she was

1731

01:00:37,349 --> 01:00:35,599

uh you know she hadn't regained

1732

01:00:39,270 --> 01:00:37,359

consciousness and she where i think were

1733

01:00:40,630 --> 01:00:39,280

there for two or three days and then she

1734

01:00:42,230 --> 01:00:40,640

passed very early in the morning my

1735

01:00:43,030 --> 01:00:42,240

sister was there with her and i was

1736

01:00:44,230 --> 01:00:43,040

there with her

1737

01:00:46,710 --> 01:00:44,240

my brother was out of the room at the

1738

01:00:49,190 --> 01:00:46,720

time so i have one brother one sister

1739

01:00:50,549 --> 01:00:49,200

and then myself so that was my only two

1740

01:00:52,390 --> 01:00:50,559

siblings

1741

01:00:53,589 --> 01:00:52,400

my father had passed away some years

1742

01:00:55,990 --> 01:00:53,599

earlier but my mom's

1743

01:00:57,670 --> 01:00:56,000

was the last few years of her life were

1744

01:00:59,670 --> 01:00:57,680

terribly

1745

01:01:01,430 --> 01:00:59,680

sad and she was frightened and she

1746

01:01:04,470 --> 01:01:01,440

didn't understand what was happening

1747

01:01:06,309 --> 01:01:04,480

so so none of us felt it was a sad event

1748

01:01:09,349 --> 01:01:06,319

when she passed

1749

01:01:11,349 --> 01:01:09,359

uh it happened very early in the morning

1750

01:01:12,789 --> 01:01:11,359

like we had been up all night and and so

1751

01:01:14,150 --> 01:01:12,799

my brother and sister and i were all

1752

01:01:17,910 --> 01:01:14,160

kind of strung out and

1753

01:01:18,390 --> 01:01:17,920

and and trying to plan things and take

1754

01:01:21,190 --> 01:01:18,400

care of

1755

01:01:22,710 --> 01:01:21,200

you know the mundane stuff that you need

1756

01:01:25,670 --> 01:01:22,720

to deal with after this kind of thing so

1757

01:01:27,750 --> 01:01:25,680

but at the same time we were tired and

1758

01:01:29,910 --> 01:01:27,760

and trying to sleep and so but later

1759

01:01:33,190 --> 01:01:29,920

that evening

1760

01:01:36,549 --> 01:01:33,200

and i tell this in the book i i sat

1761

01:01:37,190 --> 01:01:36,559

on my sister's back porch and i was on a

1762

01:01:39,349 --> 01:01:37,200

couch

1763

01:01:40,630 --> 01:01:39,359

kind of on a you know lounge chair kind

1764

01:01:41,589 --> 01:01:40,640

of thing on the back porch with my

1765

01:01:43,030 --> 01:01:41,599

sister

1766

01:01:44,789 --> 01:01:43,040

on one side and my brother on the other

1767

01:01:48,870 --> 01:01:44,799

and i was in the middle i'm the youngest

1768

01:01:50,710 --> 01:01:48,880

i was 50 at the time um my

1769

01:01:52,390 --> 01:01:50,720

sister's friend was sitting directly

1770

01:01:54,470 --> 01:01:52,400

across from us her name is ruthie she's

1771

01:01:59,270 --> 01:01:54,480

given me permission to use her name

1772

01:02:01,349 --> 01:01:59,280

um and she looked at us

1773

01:02:03,349 --> 01:02:01,359

and that you know the situation was very

1774

01:02:05,670 --> 01:02:03,359

somber and she said i

1775

01:02:07,270 --> 01:02:05,680

know there's an afterlife i need to tell

1776

01:02:08,950 --> 01:02:07,280

you this i need to tell all of you this

1777

01:02:11,510 --> 01:02:08,960

i'm convinced i know

1778

01:02:14,470 --> 01:02:11,520

there's an afterlife and i know because

1779

01:02:16,150 --> 01:02:14,480

of an experience i had with an owl

1780

01:02:17,750 --> 01:02:16,160

now my brother and sister both knew i

1781

01:02:19,430 --> 01:02:17,760

was doing this owl research

1782

01:02:20,870 --> 01:02:19,440

and my sister was kind of like oh my god

1783

01:02:22,150 --> 01:02:20,880

an owl what what are you trying to say

1784

01:02:23,750 --> 01:02:22,160

and so and my brother kind of looked at

1785

01:02:23,990 --> 01:02:23,760

me like sideways like what is going on

1786

01:02:25,190 --> 01:02:24,000

and

1787

01:02:27,829 --> 01:02:25,200

one more what is this where did this

1788

01:02:29,510 --> 01:02:27,839

come from and um

1789

01:02:31,109 --> 01:02:29,520

and i kind of said you know ruthie

1790

01:02:32,390 --> 01:02:31,119

recognized right away that like

1791

01:02:34,549 --> 01:02:32,400

why why did this what's this weird

1792

01:02:36,230 --> 01:02:34,559

reaction i said listen i've been doing

1793

01:02:38,870 --> 01:02:36,240

this research

1794

01:02:40,950 --> 01:02:38,880

i've been researching owls what you're

1795

01:02:42,630 --> 01:02:40,960

saying is something i've heard before

1796

01:02:45,910 --> 01:02:42,640

they're related to highly charged

1797

01:02:47,270 --> 01:02:45,920

moments like death

1798

01:02:49,349 --> 01:02:47,280

and i want to hear we need to hear your

1799

01:02:51,589 --> 01:02:49,359

story so she said she had been

1800

01:02:53,109 --> 01:02:51,599

when her father had died she was

1801
01:02:55,829 --> 01:02:53,119
grieving

1802
01:02:56,630 --> 01:02:55,839
and she would walk on a path on this

1803
01:02:58,230 --> 01:02:56,640
nature walk

1804
01:03:00,470 --> 01:02:58,240
near her house is the path i've walked

1805
01:03:01,829 --> 01:03:00,480
on with my sister

1806
01:03:03,589 --> 01:03:01,839
and it loops around the neighborhood and

1807
01:03:05,670 --> 01:03:03,599
it's in the trees and

1808
01:03:07,910 --> 01:03:05,680
and uh in each day she would pass this

1809
01:03:09,109 --> 01:03:07,920
owl now she had never seen an owl before

1810
01:03:09,990 --> 01:03:09,119
she didn't know that owls would come out

1811
01:03:11,589 --> 01:03:10,000
in the day

1812
01:03:13,670 --> 01:03:11,599
so she would pass this big brown owl and

1813
01:03:15,029 --> 01:03:13,680

then one day she passed it was hooting

1814

01:03:17,220 --> 01:03:15,039

and she looked up

1815

01:03:20,150 --> 01:03:17,230

and she

1816

01:03:23,349 --> 01:03:20,160

[Music]

1817

01:03:28,309 --> 01:03:23,359

she basically asked the owl aloud

1818

01:03:30,230 --> 01:03:28,319

are you sending me news from my dad

1819

01:03:32,390 --> 01:03:30,240

and she was overcome with this complete

1820

01:03:34,710 --> 01:03:32,400

feeling of

1821

01:03:37,190 --> 01:03:34,720

peace she had been grieving she was feel

1822

01:03:38,710 --> 01:03:37,200

overwhelmed with this feeling of peace

1823

01:03:40,789 --> 01:03:38,720

the owl flew off and she never saw it

1824

01:03:44,390 --> 01:03:40,799

again and she had she had

1825

01:03:46,549 --> 01:03:44,400

you know come to some sort of closure

1826
01:03:48,789 --> 01:03:46,559
with the with the grieving that she had

1827
01:03:50,710 --> 01:03:48,799
had and it happened with this owl

1828
01:03:52,549 --> 01:03:50,720
and she even said it she said the owl

1829
01:03:54,150 --> 01:03:52,559
was there she said it straight up she

1830
01:03:55,349 --> 01:03:54,160
said the owl was there to deliver a

1831
01:04:00,230 --> 01:03:55,359
message

1832
01:04:02,630 --> 01:04:00,240
um so that is the story that i'm finding

1833
01:04:04,710 --> 01:04:02,640
um yeah that people are having these owl

1834
01:04:06,789 --> 01:04:04,720
experiences and they tend to be very

1835
01:04:08,230 --> 01:04:06,799
positive and according to some native

1836
01:04:11,109 --> 01:04:08,240
traditions

1837
01:04:13,190 --> 01:04:11,119
owls will or if you see an owl after

1838
01:04:15,430 --> 01:04:13,200

someone has died it's a sign of

1839

01:04:16,789 --> 01:04:15,440

successful passing from our world into

1840

01:04:17,910 --> 01:04:16,799

the into this better world this

1841

01:04:20,630 --> 01:04:17,920

afterlife

1842

01:04:21,750 --> 01:04:20,640

um you know and i've heard this in one

1843

01:04:24,470 --> 01:04:21,760

form or another

1844

01:04:26,390 --> 01:04:24,480

so many times at this point um and often

1845

01:04:29,670 --> 01:04:26,400

what happens is people will talk

1846

01:04:30,309 --> 01:04:29,680

to these owls as if they are their lost

1847

01:04:32,390 --> 01:04:30,319

loved ones

1848

01:04:33,990 --> 01:04:32,400

they'll talk to the owl as as if it's

1849

01:04:35,829 --> 01:04:34,000

their mother or father

1850

01:04:37,349 --> 01:04:35,839

or sibling or wife or you know i mean

1851

01:04:40,230 --> 01:04:37,359

whoever it is and

1852

01:04:42,789 --> 01:04:40,240

and they'll they'll and these are very

1853

01:04:44,870 --> 01:04:42,799

conservative

1854

01:04:46,150 --> 01:04:44,880

you know people who wouldn't step it

1855

01:04:47,589 --> 01:04:46,160

beyond the boundaries of this kind of

1856

01:04:49,990 --> 01:04:47,599

thing and they'll see an owl and then

1857

01:04:51,990 --> 01:04:50,000

say like thank you you know literally

1858

01:04:54,150 --> 01:04:52,000

i've had this one person that i'll uh

1859

01:04:57,349 --> 01:04:54,160

it's in the book

1860

01:04:57,589 --> 01:04:57,359

where an owl uh someone's mother died

1861

01:05:00,549 --> 01:04:57,599

and

1862

01:05:02,390 --> 01:05:00,559

all ended up in their garage shortly

1863

01:05:04,789 --> 01:05:02,400

after they had said i need a sign

1864

01:05:06,150 --> 01:05:04,799

to i'm i'm so i'm worried about mom you

1865

01:05:07,670 --> 01:05:06,160

know mom had died and i'm worried about

1866

01:05:08,150 --> 01:05:07,680

her i need a sign so this al shows up in

1867

01:05:10,150 --> 01:05:08,160

the garage

1868

01:05:12,630 --> 01:05:10,160

and she literally gets on the phone and

1869

01:05:14,789 --> 01:05:12,640

and talks to the owl

1870

01:05:16,950 --> 01:05:14,799

and says you know like she calls all her

1871

01:05:19,109 --> 01:05:16,960

family says you know basically mom's

1872

01:05:20,870 --> 01:05:19,119

in the garage you know i'm gonna you

1873

01:05:22,870 --> 01:05:20,880

want to say goodbye to her kind of thing

1874

01:05:24,309 --> 01:05:22,880

and then the owl wouldn't leave and then

1875

01:05:26,630 --> 01:05:24,319

finally she said listen

1876

01:05:28,069 --> 01:05:26,640

mom it's been too long you gotta go you

1877

01:05:29,750 --> 01:05:28,079

gotta leave i understand

1878

01:05:31,109 --> 01:05:29,760

the message is very clear thank you for

1879

01:05:31,750 --> 01:05:31,119

coming and saying goodbye now you have

1880

01:05:34,150 --> 01:05:31,760

to go

1881

01:05:35,190 --> 01:05:34,160

and the owl flew off so those are the

1882

01:05:36,150 --> 01:05:35,200

stories don't have anything to do with

1883

01:05:37,829 --> 01:05:36,160

ufos

1884

01:05:39,910 --> 01:05:37,839

there are normal size owls these aren't

1885

01:05:42,309 --> 01:05:39,920

four foot tall owls but this is the lore

1886

01:05:43,589 --> 01:05:42,319

this is the the mythology that is in

1887

01:05:46,710 --> 01:05:43,599

place

1888

01:05:49,349 --> 01:05:46,720

in most cultures of our planet

1889

01:05:50,870 --> 01:05:49,359

and it's playing out today in the same

1890

01:05:54,950 --> 01:05:50,880

way that it has

1891

01:05:58,390 --> 01:05:54,960

in you know ancient times well

1892

01:05:59,990 --> 01:05:58,400

you know the one connection that well i

1893

01:06:01,910 --> 01:06:00,000

don't know if it's connection but

1894

01:06:04,069 --> 01:06:01,920

the day of my grandmother's funeral

1895

01:06:07,430 --> 01:06:04,079

which was between

1896

01:06:10,069 --> 01:06:07,440

uh christmas and new year's this year

1897

01:06:12,630 --> 01:06:10,079

uh i went to i went to pennsylvania to

1898

01:06:15,109 --> 01:06:12,640

the funeral and i was talking to my dad

1899

01:06:16,710 --> 01:06:15,119

and he was telling me you know what was

1900

01:06:18,470 --> 01:06:16,720

going on i was asking how he's making

1901

01:06:20,789 --> 01:06:18,480

out and everything he said well

1902

01:06:21,910 --> 01:06:20,799

i i'd be fine but one for that damn al

1903

01:06:24,230 --> 01:06:21,920

out there in the tree

1904

01:06:25,270 --> 01:06:24,240

hooting all night long and i'm thinking

1905

01:06:28,390 --> 01:06:25,280

myself

1906

01:06:30,950 --> 01:06:28,400

oh that's interesting

1907

01:06:31,510 --> 01:06:30,960

uh i don't ever remember now being out

1908

01:06:34,309 --> 01:06:31,520

there

1909

01:06:35,109 --> 01:06:34,319

i now i asked him i said do you ever

1910

01:06:37,829 --> 01:06:35,119

remember an

1911

01:06:40,549 --> 01:06:37,839

owl being here in town or in that tree

1912

01:06:42,710 --> 01:06:40,559

or around the house right and he said no

1913

01:06:44,950 --> 01:06:42,720

they said definitely now he's i haven't

1914

01:06:48,950 --> 01:06:44,960

seen it but i've heard it

1915

01:06:50,710 --> 01:06:48,960

that is very common and if it had been

1916

01:06:52,230 --> 01:06:50,720

if he had been in a you know if we had

1917

01:06:55,190 --> 01:06:52,240

all been living in

1918

01:06:55,430 --> 01:06:55,200

you know our teepees in the village yeah

1919

01:06:59,029 --> 01:06:55,440

and

1920

01:07:02,390 --> 01:06:59,039

hooting everyone in the village

1921

01:07:03,990 --> 01:07:02,400

would recognize the deeper meaning

1922

01:07:05,589 --> 01:07:04,000

and you know we don't live in that world

1923

01:07:08,470 --> 01:07:05,599

anymore so

1924

01:07:09,029 --> 01:07:08,480

uh so i feel that that these things are

1925

01:07:11,510 --> 01:07:09,039

are

1926

01:07:13,109 --> 01:07:11,520

struggling to emerge and make themselves

1927

01:07:15,910 --> 01:07:13,119

known and sometimes we recognize them

1928

01:07:17,670 --> 01:07:15,920

and sometimes we don't

1929

01:07:20,069 --> 01:07:17,680

the you know i have one story that was

1930

01:07:22,150 --> 01:07:20,079

told to me it's not in the book

1931

01:07:23,349 --> 01:07:22,160

it's a woman who's a ufo researcher she

1932

01:07:26,630 --> 01:07:23,359

said her

1933

01:07:29,670 --> 01:07:26,640

father was dying i think this is right

1934

01:07:30,710 --> 01:07:29,680

and her mother had already died uh some

1935

01:07:32,950 --> 01:07:30,720

years before

1936

01:07:34,470 --> 01:07:32,960

and as literally like they're they're

1937

01:07:37,029 --> 01:07:34,480

holding in the hospice care

1938

01:07:40,309 --> 01:07:37,039

in the house in the house they lived in

1939

01:07:43,670 --> 01:07:40,319

there's a owl hooting out the window

1940

01:07:46,630 --> 01:07:43,680

and hooting away this is as the

1941

01:07:48,069 --> 01:07:46,640

as the father is passing and they're

1942

01:07:50,069 --> 01:07:48,079

holding his hand he takes his last

1943

01:07:52,069 --> 01:07:50,079

breath as soon as he dies as soon as he

1944

01:07:55,990 --> 01:07:52,079

takes his last breath his heart stops

1945

01:07:57,910 --> 01:07:56,000

there's two owls outside hooting

1946

01:07:59,750 --> 01:07:57,920

and this is everyone in the family said

1947

01:08:03,029 --> 01:07:59,760

exactly the same thing

1948

01:08:05,910 --> 01:08:03,039

that was that was mom outside

1949

01:08:06,870 --> 01:08:05,920

calling dad and then when dad left his

1950

01:08:10,150 --> 01:08:06,880

body

1951

01:08:15,349 --> 01:08:10,160

you know he that he became that other

1952

01:08:17,910 --> 01:08:16,550

you know i don't know if that's i don't

1953

01:08:19,590 --> 01:08:17,920

know if that's actually what's playing

1954

01:08:22,390 --> 01:08:19,600

out but that is certainly

1955

01:08:23,990 --> 01:08:22,400

what brought solace and a sense of peace

1956

01:08:26,309 --> 01:08:24,000

to everyone in that room

1957

01:08:27,829 --> 01:08:26,319

you know uh you know it's interesting

1958

01:08:29,430 --> 01:08:27,839

because

1959

01:08:31,669 --> 01:08:29,440

you know i was telling colleagues and

1960

01:08:32,229 --> 01:08:31,679

all i told sean as well and another

1961

01:08:34,390 --> 01:08:32,239

friend

1962

01:08:36,149 --> 01:08:34,400

and a lot of people that were reading my

1963

01:08:37,669 --> 01:08:36,159

blog that you know i've been i kept

1964

01:08:40,309 --> 01:08:37,679

getting these

1965

01:08:42,309 --> 01:08:40,319

these owl signs i'd see it now or i'd

1966

01:08:42,789 --> 01:08:42,319

see something pertaining out or somebody

1967

01:08:45,829 --> 01:08:42,799

would

1968

01:08:46,789 --> 01:08:45,839

mention something about it now i had

1969

01:08:50,870 --> 01:08:46,799

just started some

1970

01:08:52,870 --> 01:08:50,880

shamanic journeying at that time and

1971

01:08:55,910 --> 01:08:52,880

when i learned that a power my power

1972

01:08:57,990 --> 01:08:55,920

animal was a great horn now

1973

01:08:59,910 --> 01:08:58,000

uh i had a friend who's actually a

1974

01:09:03,349 --> 01:08:59,920

navajo shaman

1975

01:09:06,550 --> 01:09:03,359

who told me that the owl or the

1976

01:09:07,510 --> 01:09:06,560

great horned out was my power animal not

1977

01:09:08,950 --> 01:09:07,520

knowing that i had

1978

01:09:11,189 --> 01:09:08,960

done any of this with the shamanic

1979

01:09:14,789 --> 01:09:11,199

journey as well

1980

01:09:17,829 --> 01:09:14,799

lakota shaman several years ago

1981

01:09:19,590 --> 01:09:17,839

mentioned it to me though i never really

1982

01:09:23,430 --> 01:09:19,600

thought much about it

1983

01:09:26,870 --> 01:09:23,440

and in the last on the last

1984

01:09:30,070 --> 01:09:26,880

five or six years i have received

1985

01:09:32,789 --> 01:09:30,080

three al totems as gifts from three

1986

01:09:34,789 --> 01:09:32,799

different people

1987

01:09:36,630 --> 01:09:34,799

not knowing there being a connection or

1988

01:09:37,669 --> 01:09:36,640

anything i mean i was told by the shaman

1989

01:09:39,510 --> 01:09:37,679

that the owl

1990

01:09:42,550 --> 01:09:39,520

was usually a female you know

1991

01:09:44,709 --> 01:09:42,560

represented female mystic power

1992

01:09:45,829 --> 01:09:44,719

though that mystic males can also be

1993

01:09:48,309 --> 01:09:45,839

connected

1994

01:09:49,110 --> 01:09:48,319

now i don't know how true that is i i

1995

01:09:52,789 --> 01:09:49,120

know in their

1996

01:09:54,630 --> 01:09:52,799

their lore that's what it is yeah

1997

01:09:56,229 --> 01:09:54,640

so oh this is interesting oh god this

1998

01:09:57,830 --> 01:09:56,239

book is you should joke i'm glad you're

1999

01:10:00,470 --> 01:09:57,840

reading the book this book is free

2000

01:10:02,070 --> 01:10:00,480

basically i told sean yeah i said this

2001

01:10:03,910 --> 01:10:02,080

book was great for me

2002

01:10:05,270 --> 01:10:03,920

i mean i you know i started reading as

2003

01:10:07,990 --> 01:10:05,280

soon as i heard about it

2004

01:10:09,030 --> 01:10:08,000

and uh it's all there's a lot of uh

2005

01:10:10,709 --> 01:10:09,040

there's gonna be a lot of reference

2006

01:10:13,270 --> 01:10:10,719

material in there and in fact you're

2007

01:10:14,550 --> 01:10:13,280

you are writing another book are you not

2008

01:10:14,870 --> 01:10:14,560

i'm working on another book right now

2009

01:10:18,149 --> 01:10:14,880

and

2010

01:10:20,790 --> 01:10:18,159

what happened was the um the

2011

01:10:22,229 --> 01:10:20,800

stories i had collected i had too many

2012

01:10:22,709 --> 01:10:22,239

of them i mean they're too many you know

2013

01:10:24,790 --> 01:10:22,719

like

2014

01:10:26,550 --> 01:10:24,800

the books nearly 400 pages long it was

2015

01:10:27,990 --> 01:10:26,560

kind of a mistake in some ways to make a

2016

01:10:31,750 --> 01:10:28,000

book that long it's a little

2017

01:10:34,390 --> 01:10:31,760

intimidating to pick up but um

2018

01:10:35,030 --> 01:10:34,400

you know so i had all these long stories

2019

01:10:37,830 --> 01:10:35,040

you know it's

2020

01:10:38,149 --> 01:10:37,840

some of these stories that people have

2021

01:10:40,390 --> 01:10:38,159

are

2022

01:10:42,149 --> 01:10:40,400

they have a kind of um i almost want to

2023

01:10:42,630 --> 01:10:42,159

say like a dream logic to them you know

2024

01:10:45,030 --> 01:10:42,640

they just

2025

01:10:46,630 --> 01:10:45,040

get long and then there's you pull on

2026

01:10:47,750 --> 01:10:46,640

one little thread and there's little

2027

01:10:51,669 --> 01:10:47,760

threads that go off

2028

01:10:52,630 --> 01:10:51,679

everywhere uh as if as if every little

2029

01:10:59,189 --> 01:10:52,640

clue

2030

01:11:02,070 --> 01:10:59,199

um and so i couldn't just

2031

01:11:02,950 --> 01:11:02,080

you know write these stories off as um

2032

01:11:05,430 --> 01:11:02,960

as uh

2033

01:11:06,310 --> 01:11:05,440

uh you know like a couple sentences you

2034

01:11:07,750 --> 01:11:06,320

know like you know here's the

2035

01:11:08,870 --> 01:11:07,760

interesting part of this really long

2036

01:11:10,229 --> 01:11:08,880

story i'm gonna sum it up in two

2037

01:11:11,750 --> 01:11:10,239

sentences that would have been unfair to

2038

01:11:13,510 --> 01:11:11,760

everyone involved in these stories

2039

01:11:15,030 --> 01:11:13,520

so i kind of kept those it was one point

2040

01:11:16,390 --> 01:11:15,040

i thought i'll just put an appendix in

2041

01:11:17,990 --> 01:11:16,400

and just have these long stories at the

2042

01:11:19,910 --> 01:11:18,000

end and that didn't work at all

2043

01:11:21,669 --> 01:11:19,920

um so there's going to be a follow-up

2044

01:11:23,590 --> 01:11:21,679

book and the working titles is stories

2045

01:11:25,030 --> 01:11:23,600

from the messengers and a companion book

2046

01:11:27,270 --> 01:11:25,040

to the to the main book

2047

01:11:28,790 --> 01:11:27,280

and it'll read like a collection of

2048

01:11:30,149 --> 01:11:28,800

short stories it'll just be a short

2049

01:11:34,070 --> 01:11:30,159

stories

2050

01:11:35,189 --> 01:11:34,080

book now

2051

01:11:37,350 --> 01:11:35,199

there's a couple in there that are kind

2052

01:11:37,990 --> 01:11:37,360

of long but i and some of those are mine

2053

01:11:40,310 --> 01:11:38,000

but

2054

01:11:41,669 --> 01:11:40,320

um owen as far as the owl being uh

2055

01:11:45,590 --> 01:11:41,679

feminine energy that's

2056

01:11:48,630 --> 01:11:45,600

kind of oh that's a more european

2057

01:11:48,950 --> 01:11:48,640

notion in a lot of ways or or uh but but

2058

01:11:57,110 --> 01:11:48,960

the

2059

01:11:59,590 --> 01:11:57,120

dominant

2060

01:12:02,149 --> 01:11:59,600

daylight bird totem right now zeus you

2061

01:12:06,149 --> 01:12:02,159

know sat on his throne a man and he

2062

01:12:09,510 --> 01:12:06,159

had um uh you know an eagle as his totem

2063

01:12:11,990 --> 01:12:09,520

um athena uh you know

2064

01:12:12,790 --> 01:12:12,000

the night the moon the moon is symbolic

2065

01:12:15,030 --> 01:12:12,800

of the of the

2066

01:12:16,149 --> 01:12:15,040

you know the the feminine cycle the 28

2067

01:12:18,630 --> 01:12:16,159

day cycle

2068

01:12:19,350 --> 01:12:18,640

um so the night time the moon the

2069

01:12:22,630 --> 01:12:19,360

mystical

2070

01:12:25,750 --> 01:12:22,640

is much more of a feminine energy than

2071

01:12:28,709 --> 01:12:25,760

the masculine power energy of of

2072

01:12:29,510 --> 01:12:28,719

you know conquest and and uh you know

2073

01:12:32,390 --> 01:12:29,520

sort of the

2074

01:12:34,310 --> 01:12:32,400

the the the god of zeus kind of thing so

2075

01:12:36,229 --> 01:12:34,320

yes so those so

2076

01:12:37,510 --> 01:12:36,239

and i guess that also goes back to the

2077

01:12:40,870 --> 01:12:37,520

uh

2078

01:12:43,189 --> 01:12:40,880

such

2079

01:12:44,709 --> 01:12:43,199

where she was represented in the uh and

2080

01:12:46,070 --> 01:12:44,719

i forget the name of the relief but it

2081

01:12:47,990 --> 01:12:46,080

had the two owls in it

2082

01:12:49,669 --> 01:12:48,000

yeah the bernie relief yeah yeah which

2083

01:12:51,669 --> 01:12:49,679

is which as i saw him i went to

2084

01:12:52,790 --> 01:12:51,679

england a couple of summers ago and it's

2085

01:12:54,070 --> 01:12:52,800

really small there's this

2086

01:12:55,350 --> 01:12:54,080

little clay tablet and it's funny

2087

01:12:56,149 --> 01:12:55,360

because if you do what i do which is you

2088

01:12:58,630 --> 01:12:56,159

know you google

2089

01:13:00,310 --> 01:12:58,640

ufos mythology yeah the first thing you

2090

01:13:01,510 --> 01:13:00,320

get all this the same stuff come

2091

01:13:04,149 --> 01:13:01,520

over and over again and one of them is

2092

01:13:06,310 --> 01:13:04,159

this thing this this clay tablet from

2093

01:13:08,229 --> 01:13:06,320

and it's it's uh you know it's funny

2094

01:13:09,669 --> 01:13:08,239

because it's like a

2095

01:13:11,270 --> 01:13:09,679

no one really knows the source of this

2096

01:13:13,750 --> 01:13:11,280

tablet so it's just this kind of

2097

01:13:15,590 --> 01:13:13,760

rorschach test and like everything comes

2098

01:13:19,270 --> 01:13:15,600

up it could be this it could be that

2099

01:13:22,070 --> 01:13:19,280

it's but it's a it's a woman with owls

2100

01:13:22,709 --> 01:13:22,080

she has a owl feet talon's his feet and

2101

01:13:26,149 --> 01:13:22,719

she's got

2102

01:13:28,310 --> 01:13:26,159

uh an owl right and left of her um

2103

01:13:29,590 --> 01:13:28,320

and she's uh standing by two lions and

2104

01:13:32,550 --> 01:13:29,600

stuff like this beautiful little

2105

01:13:34,790 --> 01:13:32,560

terracotta thing and and um but it's not

2106

01:13:37,110 --> 01:13:34,800

very big and it's just it's uh

2107

01:13:38,950 --> 01:13:37,120

yeah so that that one piece yeah lilith

2108

01:13:40,390 --> 01:13:38,960

and lilith was a

2109

01:13:42,550 --> 01:13:40,400

you know kind of a blurring between a

2110

01:13:43,750 --> 01:13:42,560

vampire and a witch and shape-shifted

2111

01:13:45,669 --> 01:13:43,760

into an owl at night

2112

01:13:47,430 --> 01:13:45,679

so you know perfect you know monster

2113

01:13:49,750 --> 01:13:47,440

movie demon in a way

2114

01:13:52,310 --> 01:13:49,760

yeah well i guess in the uh in the

2115

01:13:55,110 --> 01:13:52,320

hebrew sense it was the actual first

2116

01:13:57,750 --> 01:13:55,120

woman that the first woman in the garden

2117

01:13:59,350 --> 01:13:57,760

of eden that turned into the demon

2118

01:14:00,709 --> 01:13:59,360

depending on the scriptures you've read

2119

01:14:02,550 --> 01:14:00,719

yeah i mean there's these different

2120

01:14:06,550 --> 01:14:02,560

versions of the old testament yeah

2121

01:14:10,550 --> 01:14:06,560

yeah it's interesting very interesting

2122

01:14:12,470 --> 01:14:10,560

i guess my question for mike is you know

2123

01:14:15,270 --> 01:14:12,480

what prompted you to write the book what

2124

01:14:16,630 --> 01:14:15,280

was your did you have a focus for this

2125

01:14:17,990 --> 01:14:16,640

you i mean you spent a lot of time

2126

01:14:20,870 --> 01:14:18,000

gathering the stories

2127

01:14:22,630 --> 01:14:20,880

what was the purpose for you to write it

2128

01:14:24,149 --> 01:14:22,640

well you know what happened was i was

2129

01:14:25,750 --> 01:14:24,159

collecting these stories and i just

2130

01:14:27,110 --> 01:14:25,760

started collecting them and i had a blog

2131

01:14:27,990 --> 01:14:27,120

and i would write them down and i would

2132

01:14:29,990 --> 01:14:28,000

share these stories

2133

01:14:31,189 --> 01:14:30,000

and i was writing down my own stories so

2134

01:14:32,470 --> 01:14:31,199

people would tell me a story and i'd

2135

01:14:33,910 --> 01:14:32,480

just make an effort to write it and some

2136

01:14:35,350 --> 01:14:33,920

of those are in the blog as

2137

01:14:37,030 --> 01:14:35,360

as actual blog posts you know they're

2138

01:14:39,669 --> 01:14:37,040

nice if you you know whatever couple

2139

01:14:41,510 --> 01:14:39,679

typewritten pages

2140

01:14:43,669 --> 01:14:41,520

and then it was the summer of it was

2141

01:14:46,550 --> 01:14:43,679

actually while my mom

2142

01:14:47,030 --> 01:14:46,560

was dying and it was right at that time

2143

01:14:50,070 --> 01:14:47,040

my

2144

01:14:51,189 --> 01:14:50,080

was uh i was working on this essay so i

2145

01:14:53,110 --> 01:14:51,199

wrote an essay

2146

01:14:55,189 --> 01:14:53,120

that's it's on the online in the blog

2147

01:14:56,550 --> 01:14:55,199

it's called owls in the ufo abductee

2148

01:14:59,990 --> 01:14:56,560

it's about

2149

01:15:01,669 --> 01:15:00,000

35 pages long printed out and that

2150

01:15:03,270 --> 01:15:01,679

and when i wrote that up and i treated

2151

01:15:03,830 --> 01:15:03,280

it really seriously i really tried to

2152

01:15:07,110 --> 01:15:03,840

write a

2153

01:15:10,149 --> 01:15:07,120

very competent serious minded

2154

01:15:13,030 --> 01:15:10,159

account of of uh you know

2155

01:15:15,510 --> 01:15:13,040

this overlap between owls and and the

2156

01:15:19,030 --> 01:15:15,520

ufo contact experience

2157

01:15:23,030 --> 01:15:19,040

and as soon as i finished that

2158

01:15:25,189 --> 01:15:23,040

i realized uh uh this has to be its own

2159

01:15:26,950 --> 01:15:25,199

book and you know actually a few people

2160

01:15:27,430 --> 01:15:26,960

commented right away like wow this

2161

01:15:29,830 --> 01:15:27,440

you've got

2162

01:15:31,350 --> 01:15:29,840

this is a book waiting to happen and i

2163

01:15:33,189 --> 01:15:31,360

knew it full on and so so i

2164

01:15:34,790 --> 01:15:33,199

so then it was just like oh gosh now i

2165

01:15:35,990 --> 01:15:34,800

what i made the terrible mistake of just

2166

01:15:37,669 --> 01:15:36,000

kind of like writing

2167

01:15:39,030 --> 01:15:37,679

just writing you know someone's got an

2168

01:15:40,470 --> 01:15:39,040

owl story i'll write it up as a long

2169

01:15:41,510 --> 01:15:40,480

essay and you can kind of sense a little

2170

01:15:43,030 --> 01:15:41,520

bit at that in there these

2171

01:15:44,870 --> 01:15:43,040

little sub chapters that kind of stand

2172

01:15:47,510 --> 01:15:44,880

alone um

2173

01:15:49,030 --> 01:15:47,520

but uh at a certain point in the middle

2174

01:15:51,270 --> 01:15:49,040

of it i just was like

2175

01:15:52,470 --> 01:15:51,280

i was just drowning in these stories and

2176

01:15:53,910 --> 01:15:52,480

i didn't know you know how to

2177

01:15:55,910 --> 01:15:53,920

make sense of them and it took a long

2178

01:15:57,510 --> 01:15:55,920

time for me to kind of

2179

01:15:59,590 --> 01:15:57,520

put them in some sort of order and some

2180

01:15:59,990 --> 01:15:59,600

sort of progression so that reader could

2181

01:16:01,990 --> 01:16:00,000

be

2182

01:16:03,270 --> 01:16:02,000

pulled along yep so that was my impetus

2183

01:16:07,590 --> 01:16:03,280

to write the thing and

2184

01:16:09,270 --> 01:16:07,600

quite honestly i was awash in so many

2185

01:16:10,229 --> 01:16:09,280

synchronicities during the writing

2186

01:16:13,669 --> 01:16:10,239

process

2187

01:16:16,630 --> 01:16:13,679

that it was like the the cosmic

2188

01:16:17,590 --> 01:16:16,640

forces of reality were prodding me like

2189

01:16:19,830 --> 01:16:17,600

to to

2190

01:16:21,270 --> 01:16:19,840

to proceed forward you know like i would

2191

01:16:22,470 --> 01:16:21,280

get just the perfect story at just the

2192

01:16:24,229 --> 01:16:22,480

perfect time you know

2193

01:16:25,990 --> 01:16:24,239

it was it was a really amazing process

2194

01:16:27,430 --> 01:16:26,000

to work on the book

2195

01:16:29,350 --> 01:16:27,440

you know there was a there's another

2196

01:16:32,470 --> 01:16:29,360

phenomenon that

2197

01:16:34,390 --> 01:16:32,480

uh i i think you maybe

2198

01:16:35,910 --> 01:16:34,400

found out or discovered why you were

2199

01:16:37,910 --> 01:16:35,920

writing a book was

2200

01:16:39,510 --> 01:16:37,920

how many of the incidents happened to

2201

01:16:42,149 --> 01:16:39,520

people named chris

2202

01:16:42,550 --> 01:16:42,159

and in fact i i know two of the people

2203

01:16:45,430 --> 01:16:42,560

uh

2204

01:16:47,030 --> 01:16:45,440

chris bledsoe and chris holly who were

2205

01:16:49,990 --> 01:16:47,040

in the book

2206

01:16:51,350 --> 01:16:50,000

that just seems very strange to me you

2207

01:16:52,149 --> 01:16:51,360

know it's funny because i don't have i

2208

01:16:53,669 --> 01:16:52,159

mean chris is

2209

01:16:55,830 --> 01:16:53,679

obviously a common name so then there's

2210

01:16:57,750 --> 01:16:55,840

this story started with kristin

2211

01:16:59,510 --> 01:16:57,760

um there's the people you know like so i

2212

01:17:01,189 --> 01:16:59,520

just you know like i didn't i didn't

2213

01:17:01,590 --> 01:17:01,199

took me a while to kind of figure it out

2214

01:17:08,390 --> 01:17:01,600

and

2215

01:17:10,709 --> 01:17:08,400

like like a like a tidy spreadsheet

2216

01:17:12,870 --> 01:17:10,719

of all the names you know to formal

2217

01:17:15,910 --> 01:17:12,880

breakdown like if i was doing you know

2218

01:17:17,510 --> 01:17:15,920

you know if someone at a college wanted

2219

01:17:20,310 --> 01:17:17,520

me to research this i would be

2220

01:17:22,149 --> 01:17:20,320

you know confined in to be that

2221

01:17:23,669 --> 01:17:22,159

strictness the way i documented this

2222

01:17:26,229 --> 01:17:23,679

stuff i don't have any of that

2223

01:17:26,870 --> 01:17:26,239

um but what i just noticed is oh my god

2224

01:17:28,229 --> 01:17:26,880

these people

2225

01:17:30,310 --> 01:17:28,239

you know when i noticed it actually this

2226

01:17:33,350 --> 01:17:30,320

one story in the book about a woman who

2227

01:17:33,669 --> 01:17:33,360

took mushrooms and and her boyfriend got

2228

01:17:36,229 --> 01:17:33,679

his

2229

01:17:38,709 --> 01:17:36,239

hat knocked off by an owl as they were

2230

01:17:40,630 --> 01:17:38,719

just about to step into a herd of bison

2231

01:17:41,750 --> 01:17:40,640

in yellowstone national park in the dark

2232

01:17:43,270 --> 01:17:41,760

and and

2233

01:17:44,950 --> 01:17:43,280

so she's like you know all saved our

2234

01:17:45,430 --> 01:17:44,960

lives you know you know which is i mean

2235

01:17:48,229 --> 01:17:45,440

a little

2236

01:17:49,830 --> 01:17:48,239

overkill maybe but definitely they they

2237

01:17:51,830 --> 01:17:49,840

were stepping into a dangerous situation

2238

01:17:53,590 --> 01:17:51,840

and owl basically knocked his hat off

2239

01:17:55,270 --> 01:17:53,600

now this is actually not uncommon for

2240

01:17:56,950 --> 01:17:55,280

owls to knock people's hats off it gets

2241

01:17:59,990 --> 01:17:56,960

reported all the time

2242

01:18:01,669 --> 01:18:00,000

um but his name was chris

2243

01:18:03,030 --> 01:18:01,679

and she also told me it was not in the

2244

01:18:04,310 --> 01:18:03,040

book it's basically it's not as

2245

01:18:04,870 --> 01:18:04,320

interesting as the other story but she

2246

01:18:06,390 --> 01:18:04,880

had been

2247

01:18:08,310 --> 01:18:06,400

had another owl experience with another

2248

01:18:10,630 --> 01:18:08,320

boyfriend a completely different person

2249

01:18:13,030 --> 01:18:10,640

but his name was also chris

2250

01:18:14,470 --> 01:18:13,040

so i was like chris chris and i from

2251

01:18:15,910 --> 01:18:14,480

that point on i was like

2252

01:18:17,590 --> 01:18:15,920

there's these names it's popping up

2253

01:18:20,630 --> 01:18:17,600

everywhere you know it's not

2254

01:18:21,990 --> 01:18:20,640

it's statistically whatever it's

2255

01:18:24,149 --> 01:18:22,000

it's unusual that there's that many

2256

01:18:27,590 --> 01:18:24,159

chris's yeah

2257

01:18:29,189 --> 01:18:27,600

you know now we we have about 10 minutes

2258

01:18:30,870 --> 01:18:29,199

left but i'll tell you that and the one

2259

01:18:31,990 --> 01:18:30,880

the one thing i i would like you to

2260

01:18:34,630 --> 01:18:32,000

touch on

2261

01:18:35,270 --> 01:18:34,640

was the dolores colorado natasha and

2262

01:18:37,910 --> 01:18:35,280

navajo

2263

01:18:39,750 --> 01:18:37,920

shaman incidents uh that you have in the

2264

01:18:41,510 --> 01:18:39,760

back of the book and it basically gets

2265

01:18:43,669 --> 01:18:41,520

confirmed your confirmation

2266

01:18:44,630 --> 01:18:43,679

what was your confirmation of the al ufo

2267

01:18:46,070 --> 01:18:44,640

connection

2268

01:18:47,669 --> 01:18:46,080

can you kind of explain a little bit

2269

01:18:49,590 --> 01:18:47,679

what happened to you

2270

01:18:51,189 --> 01:18:49,600

hey yeah okay this is this is a big

2271

01:18:53,110 --> 01:18:51,199

story this takes

2272

01:18:54,870 --> 01:18:53,120

like 30 pages to tell this properly and

2273

01:18:58,070 --> 01:18:54,880

i got need pictures so

2274

01:19:01,750 --> 01:18:58,080

uh so

2275

01:19:05,189 --> 01:19:01,760

that there's so i had us

2276

01:19:06,550 --> 01:19:05,199

i'll try to tell this quickly so i had

2277

01:19:08,550 --> 01:19:06,560

except on the side of the road coming

2278

01:19:10,070 --> 01:19:08,560

home from a ufo convention and saw this

2279

01:19:11,590 --> 01:19:10,080

thing in a hill a bunch of odd things

2280

01:19:13,750 --> 01:19:11,600

were connected with us including a

2281

01:19:15,669 --> 01:19:13,760

coyote howling right next to me now

2282

01:19:17,189 --> 01:19:15,679

i started these things that i worked

2283

01:19:18,470 --> 01:19:17,199

outside so it's very common for me to

2284

01:19:21,669 --> 01:19:18,480

sleep out under the stars

2285

01:19:24,950 --> 01:19:21,679

southern utah and it's cold it was march

2286

01:19:26,550 --> 01:19:24,960

and um and a totally glorious clear

2287

01:19:27,990 --> 01:19:26,560

night and i just love it i love that

2288

01:19:29,830 --> 01:19:28,000

kind of thing so i'm sleeping out

2289

01:19:31,189 --> 01:19:29,840

under the stars and i see this up in

2290

01:19:33,430 --> 01:19:31,199

this hilltop i look up there and i said

2291

01:19:34,870 --> 01:19:33,440

that looks just like a landed flying

2292

01:19:36,630 --> 01:19:34,880

saucer

2293

01:19:38,229 --> 01:19:36,640

and i think to myself listen i'm like

2294

01:19:40,470 --> 01:19:38,239

whatever like i've got like my own

2295

01:19:42,149 --> 01:19:40,480

psychic mojo like i'd know right if that

2296

01:19:42,630 --> 01:19:42,159

was like a flying saucer i would know it

2297

01:19:44,550 --> 01:19:42,640

wouldn't i

2298

01:19:46,310 --> 01:19:44,560

like feel it in my bones or something

2299

01:19:48,470 --> 01:19:46,320

and i looked up at this thing nothing

2300

01:19:50,470 --> 01:19:48,480

nothing as bland as it could be so i'm

2301

01:19:51,830 --> 01:19:50,480

like okay so somebody's house is up

2302

01:19:52,630 --> 01:19:51,840

there on that hillside then this is way

2303

01:19:54,070 --> 01:19:52,640

out in dusty

2304

01:19:56,870 --> 01:19:54,080

utah there's nothing that much around

2305

01:19:58,149 --> 01:19:56,880

there so i um

2306

01:19:59,990 --> 01:19:58,159

got up the next morning drove home and

2307

01:20:01,510 --> 01:20:00,000

it really bugged me

2308

01:20:03,510 --> 01:20:01,520

so i looked up on google maps and was

2309

01:20:05,110 --> 01:20:03,520

nothing you know there would if there

2310

01:20:06,390 --> 01:20:05,120

was a big house there and i

2311

01:20:07,990 --> 01:20:06,400

figured out where i was sleeping and

2312

01:20:10,470 --> 01:20:08,000

where the only spot it could have been

2313

01:20:13,590 --> 01:20:10,480

and i'm good with maps and it was 1.6

2314

01:20:17,030 --> 01:20:13,600

miles away so whatever i saw was big

2315

01:20:19,270 --> 01:20:17,040

and uh and then i

2316

01:20:21,189 --> 01:20:19,280

at that point i i had what i can only

2317

01:20:22,070 --> 01:20:21,199

call a psychic flash and i saw this map

2318

01:20:25,270 --> 01:20:22,080

in my mind with

2319

01:20:27,270 --> 01:20:25,280

three dots on this map a perfectly

2320

01:20:31,430 --> 01:20:27,280

straight line

2321

01:20:35,270 --> 01:20:31,440

now the one dot on the westernmost side

2322

01:20:36,790 --> 01:20:35,280

of the map or the or the left side

2323

01:20:38,870 --> 01:20:36,800

would have been that event that i just

2324

01:20:40,229 --> 01:20:38,880

stole with uh with a round structure on

2325

01:20:43,270 --> 01:20:40,239

the top of the hill

2326

01:20:44,550 --> 01:20:43,280

on the and i knew exactly what was on

2327

01:20:46,709 --> 01:20:44,560

the eastern side and that would have

2328

01:20:48,550 --> 01:20:46,719

been in dolores colorado

2329

01:20:50,550 --> 01:20:48,560

and i was camping with a friend of mine

2330

01:20:54,310 --> 01:20:50,560

her name is natasha

2331

01:20:54,629 --> 01:20:54,320

and um i had met her to ufo convention

2332

01:20:57,830 --> 01:20:54,639

and

2333

01:20:59,910 --> 01:20:57,840

should be very careful what i say

2334

01:21:01,669 --> 01:20:59,920

she's very cautious how she describes

2335

01:21:03,270 --> 01:21:01,679

her own experiences but she would fall

2336

01:21:04,629 --> 01:21:03,280

into the category of let's say maybe

2337

01:21:06,229 --> 01:21:04,639

people where

2338

01:21:07,669 --> 01:21:06,239

maybe she's had some weird stuff happen

2339

01:21:09,110 --> 01:21:07,679

in her life she'll agree with that right

2340

01:21:10,390 --> 01:21:09,120

away and some of the stuff has to do

2341

01:21:13,590 --> 01:21:10,400

with ufos

2342

01:21:14,870 --> 01:21:13,600

so uh we're sleeping in a tent and wake

2343

01:21:15,750 --> 01:21:14,880

up in the middle of the night both of us

2344

01:21:20,070 --> 01:21:15,760

screaming

2345

01:21:21,510 --> 01:21:20,080

i've worked outside a lot and i've spent

2346

01:21:21,910 --> 01:21:21,520

a lot of nights in tents and i know just

2347

01:21:24,790 --> 01:21:21,920

what

2348

01:21:25,510 --> 01:21:24,800

it means to have i mean i've never felt

2349

01:21:27,430 --> 01:21:25,520

this scared

2350

01:21:29,510 --> 01:21:27,440

ever you know we're at this little

2351

01:21:30,950 --> 01:21:29,520

campsite like near a little road and

2352

01:21:32,390 --> 01:21:30,960

everything like that i mean i've camped

2353

01:21:34,149 --> 01:21:32,400

in grizzly bear country and never been

2354

01:21:37,669 --> 01:21:34,159

as scared as i was at that moment

2355

01:21:40,709 --> 01:21:37,679

um so uh this lasts like

2356

01:21:42,550 --> 01:21:40,719

10 minutes and poof we're both asleep

2357

01:21:43,990 --> 01:21:42,560

uh you know so we went from absolutely

2358

01:21:45,590 --> 01:21:44,000

panic to poof being asleep and the next

2359

01:21:46,870 --> 01:21:45,600

thing i know this is now this is it's

2360

01:21:48,790 --> 01:21:46,880

very dream like

2361

01:21:50,390 --> 01:21:48,800

i mean it wasn't a dream but it's dream

2362

01:21:51,030 --> 01:21:50,400

like and i'm then i'm floating out of

2363

01:21:55,990 --> 01:21:51,040

the

2364

01:21:58,149 --> 01:21:56,000

up in this white realm and i have that

2365

01:22:00,390 --> 01:21:58,159

elevator up feeling as i'm floating and

2366

01:22:01,830 --> 01:22:00,400

this is just there's so much weird stuff

2367

01:22:03,910 --> 01:22:01,840

connected to this and

2368

01:22:05,270 --> 01:22:03,920

and then uh you know i'm saying i have

2369

01:22:06,390 --> 01:22:05,280

to remember this i have to remember this

2370

01:22:08,870 --> 01:22:06,400

the next thing i'm saying is

2371

01:22:09,990 --> 01:22:08,880

am i on a table am i on a table i don't

2372

01:22:11,830 --> 01:22:10,000

have any memories at

2373

01:22:14,070 --> 01:22:11,840

all of being on a table but i do clearly

2374

01:22:16,070 --> 01:22:14,080

remember saying that

2375

01:22:17,590 --> 01:22:16,080

and the next thing i know is i'm back in

2376

01:22:19,990 --> 01:22:17,600

my tent and then

2377

01:22:20,870 --> 01:22:20,000

it's the next morning and and i you know

2378

01:22:23,189 --> 01:22:20,880

i'm like

2379

01:22:24,870 --> 01:22:23,199

what happened last night what happened

2380

01:22:26,310 --> 01:22:24,880

she's like i don't know and it was just

2381

01:22:27,590 --> 01:22:26,320

weird stuff that she remembered and

2382

01:22:28,790 --> 01:22:27,600

weird stuff that i remembered i got out

2383

01:22:30,310 --> 01:22:28,800

of the tent and i walked around

2384

01:22:31,750 --> 01:22:30,320

and i was looking for a burn mark or

2385

01:22:33,030 --> 01:22:31,760

something and then where ufo had landed

2386

01:22:34,870 --> 01:22:33,040

i didn't find anything

2387

01:22:36,310 --> 01:22:34,880

totally calm beautiful morning birds are

2388

01:22:39,350 --> 01:22:36,320

chirping and just

2389

01:22:42,149 --> 01:22:39,360

normal and then uh

2390

01:22:43,750 --> 01:22:42,159

i'm later on that day i take my shirt

2391

01:22:45,030 --> 01:22:43,760

off and i have this big scratch

2392

01:22:47,350 --> 01:22:45,040

it goes from my left shoulder to my

2393

01:22:49,270 --> 01:22:47,360

belly button and it looks like a

2394

01:22:52,070 --> 01:22:49,280

cat claw like a single cat claw a single

2395

01:22:54,790 --> 01:22:52,080

rose thorn had scratched me

2396

01:22:55,830 --> 01:22:54,800

but when you looked at it really closely

2397

01:23:03,510 --> 01:22:55,840

it was a

2398

01:23:06,070 --> 01:23:03,520

itty-bitty blisters these little tiny

2399

01:23:09,510 --> 01:23:06,080

blisters all lined up in a row

2400

01:23:14,070 --> 01:23:12,310

so in in they healed up in a few days i

2401

01:23:16,550 --> 01:23:14,080

took a shower and they washed off

2402

01:23:19,030 --> 01:23:16,560

now leading up to this whole thing we

2403

01:23:21,510 --> 01:23:19,040

were trapped in dolores colorado

2404

01:23:22,550 --> 01:23:21,520

because my car broke down my car broke

2405

01:23:24,470 --> 01:23:22,560

down i had this

2406

01:23:26,070 --> 01:23:24,480

old subaru and it was just acting a

2407

01:23:26,709 --> 01:23:26,080

little funny where i pulled into this

2408

01:23:28,310 --> 01:23:26,719

town of

2409

01:23:29,990 --> 01:23:28,320

cortez which is the next town over from

2410

01:23:33,990 --> 01:23:30,000

dolores

2411

01:23:35,910 --> 01:23:34,000

and um went into the auto mechanic and

2412

01:23:37,110 --> 01:23:35,920

said uh well i can take a look at he

2413

01:23:38,870 --> 01:23:37,120

said sure shirley so we

2414

01:23:41,750 --> 01:23:38,880

sit outside and so natasha are sitting

2415

01:23:42,870 --> 01:23:41,760

outside this lovely day

2416

01:23:44,390 --> 01:23:42,880

guy comes out of the back of the

2417

01:23:45,830 --> 01:23:44,400

mechanics shop and he says i can't leave

2418

01:23:49,189 --> 01:23:45,840

i can't let you leave town

2419

01:23:51,430 --> 01:23:49,199

or you'll die and we're like what so

2420

01:23:53,030 --> 01:23:51,440

so that's he explained no no i can't let

2421

01:23:55,270 --> 01:23:53,040

you legally i can't let you leave the

2422

01:23:57,270 --> 01:23:55,280

town or or um you know if you get an

2423

01:23:59,189 --> 01:23:57,280

accident and i'll be liable and such so

2424

01:24:00,790 --> 01:23:59,199

so that's the beginning of this this

2425

01:24:02,790 --> 01:24:00,800

that that account

2426

01:24:04,470 --> 01:24:02,800

the end of it is so we're there we could

2427

01:24:05,910 --> 01:24:04,480

we could get a cheap rent a car actually

2428

01:24:07,430 --> 01:24:05,920

it was a super cheap rental car it was

2429

01:24:09,270 --> 01:24:07,440

really nice and we had a great time

2430

01:24:11,510 --> 01:24:09,280

after that so we drove around and

2431

01:24:12,950 --> 01:24:11,520

and went and had a we went to a navajo

2432

01:24:15,430 --> 01:24:12,960

excuse me

2433

01:24:17,430 --> 01:24:15,440

yes it was it was on hopi land right no

2434

01:24:20,070 --> 01:24:17,440

no excuse me it's on navajo land because

2435

01:24:21,350 --> 01:24:20,080

the the canyon de shea is on the navajo

2436

01:24:25,030 --> 01:24:21,360

reservation so

2437

01:24:26,790 --> 01:24:25,040

we did a um arizona arizona yeah so

2438

01:24:29,350 --> 01:24:26,800

we're right at four corners there so

2439

01:24:31,110 --> 01:24:29,360

so colorado if you look at dolores

2440

01:24:32,629 --> 01:24:31,120

colorado it's right there near the four

2441

01:24:34,629 --> 01:24:32,639

corners area so we just went

2442

01:24:35,910 --> 01:24:34,639

to drove through new mexico to get to

2443

01:24:39,270 --> 01:24:35,920

arizona and then

2444

01:24:40,950 --> 01:24:39,280

um did a uh sweat lodge ceremony

2445

01:24:42,470 --> 01:24:40,960

now there's nothing at all paranormal

2446

01:24:43,430 --> 01:24:42,480

about the sweat lodge ceremony it was

2447

01:24:44,629 --> 01:24:43,440

interesting because i mean i was there

2448

01:24:46,390 --> 01:24:44,639

with bare shirt and

2449

01:24:47,750 --> 01:24:46,400

without a shirt bear chested and had

2450

01:24:48,470 --> 01:24:47,760

this big scratch and everything like

2451

01:24:50,070 --> 01:24:48,480

that and

2452

01:24:51,669 --> 01:24:50,080

it was really beautiful ceremony it's

2453

01:24:54,870 --> 01:24:51,679

really wonderful so

2454

01:24:56,790 --> 01:24:54,880

you know so here this story begins

2455

01:24:59,030 --> 01:24:56,800

with a guy saying you can't leave town

2456

01:24:59,910 --> 01:24:59,040

or you'll die that night we have this

2457

01:25:02,149 --> 01:24:59,920

experience that

2458

01:25:03,430 --> 01:25:02,159

certainly plays out like a ufo abduction

2459

01:25:08,070 --> 01:25:03,440

experience so i have no

2460

01:25:11,189 --> 01:25:08,080

memories of abduction and then

2461

01:25:14,629 --> 01:25:11,199

it ends with this metaphoric

2462

01:25:17,030 --> 01:25:14,639

death and rebirth ceremony

2463

01:25:18,629 --> 01:25:17,040

were performed by this shaman in in

2464

01:25:19,430 --> 01:25:18,639

native american language was really

2465

01:25:21,430 --> 01:25:19,440

powerful

2466

01:25:23,430 --> 01:25:21,440

and you know in its scope this thing now

2467

01:25:25,669 --> 01:25:23,440

so those are the two points on the map

2468

01:25:27,270 --> 01:25:25,679

now in the middle i'll tell this very

2469

01:25:29,189 --> 01:25:27,280

quick because natasha and again we're

2470

01:25:32,229 --> 01:25:29,199

camping this was years after

2471

01:25:34,070 --> 01:25:32,239

and we're sleeping out under the stars

2472

01:25:35,669 --> 01:25:34,080

just like i always do just like natasha

2473

01:25:39,910 --> 01:25:35,679

and i have done many times

2474

01:25:41,990 --> 01:25:39,920

and there's a there's a hooting owl near

2475

01:25:43,350 --> 01:25:42,000

my head while natasha is taking a little

2476

01:25:46,470 --> 01:25:43,360

walk she's jet lagged

2477

01:25:48,709 --> 01:25:46,480

she's been coming from germany and uh

2478

01:25:49,669 --> 01:25:48,719

so there's a hooting owl like near my

2479

01:25:51,189 --> 01:25:49,679

head like i

2480

01:25:52,470 --> 01:25:51,199

can't believe i didn't see it i'm lying

2481

01:25:53,910 --> 01:25:52,480

there looking at the stars listening to

2482

01:25:55,350 --> 01:25:53,920

this owl she's done a little walk she

2483

01:25:56,310 --> 01:25:55,360

runs back and she said mike i saw

2484

01:25:58,390 --> 01:25:56,320

something we gotta go

2485

01:25:59,350 --> 01:25:58,400

she describes seeing a floating white

2486

01:26:01,910 --> 01:25:59,360

orb

2487

01:26:03,590 --> 01:26:01,920

so here's like a ufo an unidentified

2488

01:26:04,470 --> 01:26:03,600

flying object and a white orb it was

2489

01:26:08,149 --> 01:26:04,480

about the size of a

2490

01:26:10,629 --> 01:26:08,159

beach ball or basketball and uh

2491

01:26:12,070 --> 01:26:10,639

and so spooky scary we're out there

2492

01:26:13,430 --> 01:26:12,080

alone in the desert and okay let's get

2493

01:26:14,709 --> 01:26:13,440

out of here so we started driving so we

2494

01:26:15,590 --> 01:26:14,719

started driving like four or five in the

2495

01:26:18,390 --> 01:26:15,600

morning

2496

01:26:19,350 --> 01:26:18,400

uh and that was the middle point on the

2497

01:26:22,470 --> 01:26:19,360

map now what's

2498

01:26:25,990 --> 01:26:22,480

eerie about this is that these three

2499

01:26:28,070 --> 01:26:26,000

events line up to the millionth of a

2500

01:26:29,830 --> 01:26:28,080

millimeter i am convinced when you put a

2501

01:26:32,629 --> 01:26:29,840

straight line on the map

2502

01:26:33,510 --> 01:26:32,639

using google maps they line up with a

2503

01:26:36,950 --> 01:26:33,520

precision

2504

01:26:38,629 --> 01:26:36,960

that just freaked me out

2505

01:26:41,270 --> 01:26:38,639

and this is something that that happened

2506

01:26:43,910 --> 01:26:41,280

as a as a psychic

2507

01:26:44,629 --> 01:26:43,920

vision i had the psychic vision i then

2508

01:26:48,390 --> 01:26:44,639

put together

2509

01:26:49,590 --> 01:26:48,400

this map then i very carefully align the

2510

01:26:50,070 --> 01:26:49,600

points i'm good with maps i knew right

2511

01:26:52,149 --> 01:26:50,080

where i was

2512

01:26:53,910 --> 01:26:52,159

these three nights and it lines up with

2513

01:26:57,030 --> 01:26:53,920

an exactitude that

2514

01:26:58,709 --> 01:26:57,040

that just toppled my brain

2515

01:27:00,550 --> 01:26:58,719

and from that point on this would have

2516

01:27:03,030 --> 01:27:00,560

been march

2517

01:27:04,470 --> 01:27:03,040

12th i mean the event uh the round

2518

01:27:06,149 --> 01:27:04,480

structure on the hill was march 10th

2519

01:27:07,910 --> 01:27:06,159

march 12th a couple days later when i

2520

01:27:09,830 --> 01:27:07,920

actually put all these things together

2521

01:27:12,229 --> 01:27:09,840

um you know basically the old chapter of

2522

01:27:14,629 --> 01:27:12,239

my life of doubting was gone

2523

01:27:15,350 --> 01:27:14,639

in this new chapter of i don't know what

2524

01:27:18,310 --> 01:27:15,360

you would call it

2525

01:27:19,270 --> 01:27:18,320

you know i still don't have an answer

2526

01:27:21,910 --> 01:27:19,280

i'm still questioning

2527

01:27:23,189 --> 01:27:21,920

the sources but i no longer question

2528

01:27:26,950 --> 01:27:23,199

that something

2529

01:27:29,030 --> 01:27:26,960

uh has intersected with my life wow

2530

01:27:30,149 --> 01:27:29,040

what is an owl right in the middle yeah

2531

01:27:32,629 --> 01:27:30,159

right in the middle

2532

01:27:33,430 --> 01:27:32,639

that's interesting it's a great story

2533

01:27:35,189 --> 01:27:33,440

well mike

2534

01:27:37,189 --> 01:27:35,199

i we've come to the end of the interview

2535

01:27:38,070 --> 01:27:37,199

and can you tell people how they can get

2536

01:27:40,870 --> 01:27:38,080

your book and

2537

01:27:41,750 --> 01:27:40,880

uh the website they can possibly contact

2538

01:27:44,709 --> 01:27:41,760

you if they've got

2539

01:27:46,229 --> 01:27:44,719

a story they think you can use sure i'm

2540

01:27:47,030 --> 01:27:46,239

loving it in the story so so go to my

2541

01:27:50,790 --> 01:27:47,040

website which is

2542

01:27:54,390 --> 01:27:50,800

uh a hidden experience

2543

01:27:55,910 --> 01:27:54,400

all one word dot blogspot dot com that's

2544

01:27:58,229 --> 01:27:55,920

hidden experience

2545

01:27:59,030 --> 01:27:58,239

dot blogspot dot com or you can just

2546

01:28:02,390 --> 01:27:59,040

google my name

2547

01:28:04,870 --> 01:28:02,400

mike clelland and then owls it'll

2548

01:28:06,390 --> 01:28:04,880

come right up that's like now uh and

2549

01:28:07,430 --> 01:28:06,400

from that site you can then click on

2550

01:28:08,870 --> 01:28:07,440

something you can get the book

2551
01:28:10,629 --> 01:28:08,880
the messengers title of the book is the

2552
01:28:12,950 --> 01:28:10,639
messenger subtitles owls

2553
01:28:15,189 --> 01:28:12,960
synchronies synchronicity and the ufo

2554
01:28:18,070 --> 01:28:15,199
abductee and you can get that book on

2555
01:28:19,590 --> 01:28:18,080
uh amazon easy enough or through the

2556
01:28:21,750 --> 01:28:19,600
publishers with or excuse me the

2557
01:28:24,790 --> 01:28:21,760
publisher is richard dolan

2558
01:28:25,350 --> 01:28:24,800
and on richard dolan site you can uh you

2559
01:28:27,830 --> 01:28:25,360
can

2560
01:28:28,870 --> 01:28:27,840
uh there's links there too so all right

2561
01:28:31,510 --> 01:28:28,880
well i'll tell you

2562
01:28:33,669 --> 01:28:31,520
when you get your new book done please

2563
01:28:34,390 --> 01:28:33,679

reserve some time to come back and join

2564

01:28:35,750 --> 01:28:34,400

us

2565

01:28:37,430 --> 01:28:35,760

i i would definitely love to have you

2566

01:28:39,030 --> 01:28:37,440

come back

2567

01:28:40,470 --> 01:28:39,040

i would be happy to this was this was

2568

01:28:41,750 --> 01:28:40,480

great and thanks for sharing your owl

2569

01:28:44,229 --> 01:28:41,760

experience because that's i mean

2570

01:28:46,310 --> 01:28:44,239

what you're describing is something that

2571

01:28:47,910 --> 01:28:46,320

is very common but is not

2572

01:28:50,550 --> 01:28:47,920

really reported that often so i feel

2573

01:28:53,510 --> 01:28:50,560

like i've taken it on the role of the

2574

01:28:55,189 --> 01:28:53,520

uh describe or something yeah yeah i

2575

01:28:57,669 --> 01:28:55,199

appreciate you uh listening to it and

2576

01:29:01,270 --> 01:28:57,679

and give me your thoughts that

2577

01:29:04,550 --> 01:29:01,280

yeah it was a profound time and uh

2578

01:29:06,950 --> 01:29:04,560

it kind of did ease things you know so

2579

01:29:08,629 --> 01:29:06,960

i appreciate hey come back again and uh

2580

01:29:11,510 --> 01:29:08,639

thanks again for joining us

2581

01:29:12,470 --> 01:29:11,520

oh definitely thanks so much sleep well

2582

01:29:18,229 --> 01:29:12,480

thank you

2583

01:29:22,390 --> 01:29:20,470

and folks that was mike clelland author

2584

01:29:23,430 --> 01:29:22,400

of the messengers what a good interview

2585

01:29:25,270 --> 01:29:23,440

lon

2586

01:29:27,430 --> 01:29:25,280

yeah that was you know the book is

2587

01:29:31,110 --> 01:29:27,440

fantastic i mean i

2588

01:29:33,189 --> 01:29:31,120

you know i have uh recommended books

2589

01:29:34,310 --> 01:29:33,199

a lot of books over the years but i tell

2590

01:29:37,430 --> 01:29:34,320

you

2591

01:29:39,270 --> 01:29:37,440

this book is just amazing

2592

01:29:41,189 --> 01:29:39,280

it's really even if you haven't had an

2593

01:29:44,070 --> 01:29:41,199

owl experience or anything

2594

01:29:46,229 --> 01:29:44,080

to the contract i mean it is just

2595

01:29:49,750 --> 01:29:46,239

interesting that the stories

2596

01:29:51,990 --> 01:29:49,760

and uh yeah you should definitely get it

2597

01:29:52,870 --> 01:29:52,000

i know you have a copy of it it's it's

2598

01:29:58,310 --> 01:29:52,880

it's just a great

2599

01:30:01,030 --> 01:29:58,320

but it's very interesting

2600

01:30:02,070 --> 01:30:01,040

absolutely all right who do we got next

2601
01:30:05,910 --> 01:30:02,080
week long

2602
01:30:06,790 --> 01:30:05,920
next week let's see here i'm looking at

2603
01:30:09,910 --> 01:30:06,800
it now

2604
01:30:10,950 --> 01:30:09,920
next week we have a jay pocket chain on

2605
01:30:14,629 --> 01:30:10,960
with us

2606
01:30:17,750 --> 01:30:14,639
our friend jay from uh

2607
01:30:20,229 --> 01:30:17,760
wisconsin wpi haunts

2608
01:30:21,110 --> 01:30:20,239
truth that's the truth and uh from

2609
01:30:24,149 --> 01:30:21,120
wisconsin

2610
01:30:27,590 --> 01:30:24,159
uh he has done work with uh

2611
01:30:30,149 --> 01:30:27,600
linda godfrey and uh

2612
01:30:31,669 --> 01:30:30,159
he's independent researcher and he will

2613
01:30:34,870 --> 01:30:31,679

be joining us next week

2614

01:30:36,070 --> 01:30:34,880

and a hell of a nice guy yes he is

2615

01:30:38,310 --> 01:30:36,080

going to be good to have jay on the

2616

01:30:39,270 --> 01:30:38,320

program folks you've been listening to

2617

01:30:41,830 --> 01:30:39,280

arcane radio

2618

01:30:46,830 --> 01:30:41,840

you can learn more about lawn by going

2619

01:30:50,550 --> 01:30:48,229

phantomsandmonsters.com

2620

01:30:52,430 --> 01:30:50,560

you can find out more about me by going

2621

01:30:55,189 --> 01:30:52,440

to my website

2622

01:30:56,310 --> 01:30:55,199

theforkchop.net and that's all we got

2623

01:30:59,390 --> 01:30:56,320

for this week
