

# Invasion of the **DOG MEN?**

**Four world-wide encounters  
with Upright Canids!**

**BXP**

1  
00:00:12,880 --> 00:00:10,600

[Music]

2  
00:00:17,830 --> 00:00:12,890

[Applause]

3  
00:00:21,990 --> 00:00:19,670

welcome to the best of first person

4  
00:00:24,870 --> 00:00:22,000

episodes of phantoms and monsters

5  
00:00:25,429 --> 00:00:24,880

please like subscribe and hit the bell

6  
00:00:28,830 --> 00:00:25,439

icon

7  
00:00:31,910 --> 00:00:28,840

so you'll be notified of all future

8  
00:00:34,950 --> 00:00:33,910

upright canine attack in northwest

9  
00:00:37,270 --> 00:00:34,960

wisconsin

10  
00:00:37,990 --> 00:00:37,280

i am an outdoorsman and very experienced

11  
00:00:41,110 --> 00:00:38,000

in hunting

12  
00:00:42,869 --> 00:00:41,120

camping hiking and general survival i'm

13  
00:00:45,510 --> 00:00:42,879

very familiar with wildlife

14

00:00:47,990 --> 00:00:45,520

especially locally i was charged by what

15

00:00:50,389 --> 00:00:48,000

i believe was a cryptid called a dogman

16

00:00:52,709 --> 00:00:50,399

it charged me and my cousin it was not a

17

00:00:54,630 --> 00:00:52,719

bear a bear could not move how it did

18

00:00:56,630 --> 00:00:54,640

it was not a normal wolf as they can't

19

00:00:58,549 --> 00:00:56,640

comfortably run on two legs

20

00:00:59,670 --> 00:00:58,559

whereas what charged us seemed natural

21

00:01:01,590 --> 00:00:59,680

as a biped

22

00:01:03,430 --> 00:01:01,600

this happened around june or july of

23

00:01:05,750 --> 00:01:03,440

2007 i believe

24

00:01:07,590 --> 00:01:05,760

i was around 17 years old but

25

00:01:09,429 --> 00:01:07,600

knowledgeable of the outdoors

26

00:01:11,030 --> 00:01:09,439

my family used to own the cabin in

27

00:01:13,270 --> 00:01:11,040

northwest wisconsin

28

00:01:14,550 --> 00:01:13,280

i basically grew up there in the summer

29

00:01:16,390 --> 00:01:14,560

i knew the woods well

30

00:01:18,469 --> 00:01:16,400

but at night it was wise to stay in the

31

00:01:19,109 --> 00:01:18,479

cabin or at least by the bonfire by

32

00:01:22,070 --> 00:01:19,119

the beach

33

00:01:23,830 --> 00:01:22,080

because of bears wolves and cougars one

34

00:01:25,030 --> 00:01:23,840

of the creepiest things was if you were

35

00:01:26,950 --> 00:01:25,040

having a bonfire

36

00:01:28,870 --> 00:01:26,960

the tree line was visible from the fire

37

00:01:30,390 --> 00:01:28,880

pit and beach and at night you always

38

00:01:31,510 --> 00:01:30,400

felt like you were being watched from

39

00:01:33,190 --> 00:01:31,520

that tree line

40

00:01:35,350 --> 00:01:33,200

but during the day the woods always

41

00:01:37,590 --> 00:01:35,360

seemed normal not so creepy

42

00:01:39,510 --> 00:01:37,600

that is until this incident so this

43

00:01:42,389 --> 00:01:39,520

happened somewhere between

44

00:01:44,069 --> 00:01:42,399

and 1400 hours my cousin and i were

45

00:01:47,030 --> 00:01:44,079

having an airsoft battle

46

00:01:49,350 --> 00:01:47,040

i was in full woodland camo he was not i

47

00:01:51,109 --> 00:01:49,360

retreated onto the atv trail into the

48

00:01:53,429 --> 00:01:51,119

woods for a tactical advantage

49

00:01:54,950 --> 00:01:53,439

and our battle took us about 200 meters

50

00:01:55,749 --> 00:01:54,960

into about a third of the way up the

51  
00:01:57,429 --> 00:01:55,759  
trail

52  
00:01:59,109 --> 00:01:57,439  
we had enough at this point and were

53  
00:02:00,149 --> 00:01:59,119  
standing at the edge of a clearing on

54  
00:02:02,469 --> 00:02:00,159  
the trail talking

55  
00:02:04,069 --> 00:02:02,479  
and he was maybe 10 feet from me when i

56  
00:02:05,910 --> 00:02:04,079  
decided to mess with him

57  
00:02:08,469 --> 00:02:05,920  
i shushed him and said we're being

58  
00:02:09,749 --> 00:02:08,479  
watched he froze then i realized the

59  
00:02:11,750 --> 00:02:09,759  
woods were dead quite

60  
00:02:13,350 --> 00:02:11,760  
and i got spooked and started scanning

61  
00:02:14,949 --> 00:02:13,360  
the tree line and the other edge of the

62  
00:02:17,350 --> 00:02:14,959  
clearing from left to right

63  
00:02:17,990 --> 00:02:17,360

that's when i saw it its teeth gave it

64

00:02:20,470 --> 00:02:18,000

away

65

00:02:21,990 --> 00:02:20,480

it was panting and staring at my cousin

66

00:02:24,390 --> 00:02:22,000

i don't expect you to believe

67

00:02:25,190 --> 00:02:24,400

me but what i saw was a wolf as big as a

68

00:02:28,229 --> 00:02:25,200

black bear

69

00:02:30,470 --> 00:02:28,239

at least 300 pounds but it wasn't normal

70

00:02:32,630 --> 00:02:30,480

this wolf was on two legs crouching next

71

00:02:34,630 --> 00:02:32,640

to tree with its arm grasping the tree

72

00:02:36,150 --> 00:02:34,640

grasping with a clawed hand it had

73

00:02:38,710 --> 00:02:36,160

reddish brown fur

74

00:02:40,550 --> 00:02:38,720

i told my cousin that we have to go and

75

00:02:42,309 --> 00:02:40,560

next thing i know he is sprinting

76  
00:02:44,309 --> 00:02:42,319  
and i look back at the creature who had

77  
00:02:45,190 --> 00:02:44,319  
locked on and sprinted a few steps on

78  
00:02:47,030 --> 00:02:45,200  
two feet

79  
00:02:49,190 --> 00:02:47,040  
i turned and ran when it looked like the

80  
00:02:51,270 --> 00:02:49,200  
creature was dropping to all fours

81  
00:02:52,869 --> 00:02:51,280  
it charged us and sounded right on our

82  
00:02:54,790 --> 00:02:52,879  
asses barreling through the brush

83  
00:02:56,630 --> 00:02:54,800  
but for whatever reason let us go when

84  
00:02:57,670 --> 00:02:56,640  
we broke out of the tree line and headed

85  
00:02:59,270 --> 00:02:57,680  
for the cabin

86  
00:03:01,750 --> 00:02:59,280  
what stuck with me the most was the

87  
00:03:03,509 --> 00:03:01,760  
sheer size it appeared to be nearly

88  
00:03:05,350 --> 00:03:03,519

seven foot tall when upright

89

00:03:07,589 --> 00:03:05,360

it should have had front paws but it

90

00:03:09,910 --> 00:03:07,599

appeared to have large clawed hands

91

00:03:10,869 --> 00:03:09,920

now i'm not sure how to explain it away

92

00:03:12,710 --> 00:03:10,879

rationally

93

00:03:14,790 --> 00:03:12,720

i have heard wolves will occasionally

94

00:03:17,030 --> 00:03:14,800

kind of walk upright but as far as i

95

00:03:17,990 --> 00:03:17,040

know they can't sprint on two legs nor

96

00:03:21,030 --> 00:03:18,000

do wolves get that

97

00:03:22,710 --> 00:03:21,040

big black bears waddle on two legs the

98

00:03:25,589 --> 00:03:22,720

closest description is silly

99

00:03:27,800 --> 00:03:25,599

a werewolf or dogman i have no idea what

100

00:03:30,830 --> 00:03:27,810

this really was

101  
00:03:33,750 --> 00:03:30,840

[Music]

102  
00:03:35,910 --> 00:03:33,760

tea

103  
00:03:37,589 --> 00:03:35,920

upright canine observed in lackawanna

104  
00:03:40,710 --> 00:03:37,599

county pennsylvania

105  
00:03:42,789 --> 00:03:40,720

in january 2019 i noticed something

106  
00:03:45,030 --> 00:03:42,799

lumbering down my driveway

107  
00:03:46,229 --> 00:03:45,040

the window i was looking out faces over

108  
00:03:48,949 --> 00:03:46,239

and above the drive

109  
00:03:50,149 --> 00:03:48,959

if that's clear for example i can see

110  
00:03:52,710 --> 00:03:50,159

the roof of your car

111  
00:03:53,589 --> 00:03:52,720

but not always the bottom of the tire

112  
00:03:56,309 --> 00:03:53,599

regardless

113  
00:03:58,309 --> 00:03:56,319

i notice movement i look out and see

114

00:04:00,710 --> 00:03:58,319

what i initially thought was a bear

115

00:04:02,309 --> 00:04:00,720

nose to the ground kind of snuffling its

116

00:04:04,550 --> 00:04:02,319

head side to side

117

00:04:05,509 --> 00:04:04,560

casually walking down the drive on all

118

00:04:08,550 --> 00:04:05,519

fours

119

00:04:09,429 --> 00:04:08,560

a little geographical clarity i live in

120

00:04:11,350 --> 00:04:09,439

town

121

00:04:13,910 --> 00:04:11,360

the front of my neighborhood faces a

122

00:04:15,270 --> 00:04:13,920

major highway but the back is all state

123

00:04:17,909 --> 00:04:15,280

game lands

124

00:04:19,030 --> 00:04:17,919

i've seen some wildlife turkeys a deer

125

00:04:21,270 --> 00:04:19,040

here and there

126  
00:04:22,950 --> 00:04:21,280  
and every skunk in the county apparently

127  
00:04:25,749 --> 00:04:22,960  
lives on my street

128  
00:04:26,870 --> 00:04:25,759  
i don't see many squirrels groundhogs or

129  
00:04:29,909 --> 00:04:26,880  
chipmunks

130  
00:04:31,670 --> 00:04:29,919  
which is a bit odd i'm not very far from

131  
00:04:34,710 --> 00:04:31,680  
the city of scranton

132  
00:04:36,710 --> 00:04:34,720  
about seven miles from downtown so i'm

133  
00:04:38,790 --> 00:04:36,720  
not exactly in the sticks

134  
00:04:40,790 --> 00:04:38,800  
i watch this bear mosey down toward the

135  
00:04:42,629 --> 00:04:40,800  
street its head lowered

136  
00:04:43,909 --> 00:04:42,639  
i moved from the living room window to

137  
00:04:46,469 --> 00:04:43,919  
my bedroom window

138  
00:04:46,950 --> 00:04:46,479

that has a full view of the street sure

139

00:04:50,150 --> 00:04:46,960

enough

140

00:04:52,550 --> 00:04:50,160

here it comes but something is wrong i

141

00:04:54,870 --> 00:04:52,560

watch this beast stand on two legs and

142

00:04:57,909 --> 00:04:54,880

casually walk out into the road

143

00:05:00,070 --> 00:04:57,919

i see pointed ears and a long snout

144

00:05:02,469 --> 00:05:00,080

it's got its head raised smelling the

145

00:05:04,469 --> 00:05:02,479

air this was no bear

146

00:05:05,990 --> 00:05:04,479

i saw it in perfect silhouette under the

147

00:05:08,469 --> 00:05:06,000

yellow street light

148

00:05:10,070 --> 00:05:08,479

it was either dark gray or black the

149

00:05:12,870 --> 00:05:10,080

yellow light threw off the true

150

00:05:14,629 --> 00:05:12,880

color it stood without effort looked

151  
00:05:16,950 --> 00:05:14,639  
like one fluid movement

152  
00:05:17,670 --> 00:05:16,960  
it then walked across the road casual as

153  
00:05:19,830 --> 00:05:17,680  
you please

154  
00:05:20,710 --> 00:05:19,840  
and kind of hunkered down in some scrub

155  
00:05:22,629 --> 00:05:20,720  
brush

156  
00:05:24,070 --> 00:05:22,639  
then i realized it was looking right

157  
00:05:26,790 --> 00:05:24,080  
into my bedroom

158  
00:05:29,270 --> 00:05:26,800  
it had blue eyes i'm not sure if that

159  
00:05:31,990 --> 00:05:29,280  
was reflected light if they were glowing

160  
00:05:32,710 --> 00:05:32,000  
it looked right at me i lost my legs at

161  
00:05:35,909 --> 00:05:32,720  
that moment

162  
00:05:36,790 --> 00:05:35,919  
and sat down under my window absolutely

163  
00:05:39,350 --> 00:05:36,800

panicked

164

00:05:41,670 --> 00:05:39,360

i was home alone with five cats and a

165

00:05:44,550 --> 00:05:41,680

dog who slept through the whole thing

166

00:05:45,830 --> 00:05:44,560

i didn't know what to do my window is a

167

00:05:48,150 --> 00:05:45,840

big picture window

168

00:05:49,270 --> 00:05:48,160

and if it wanted me it easily could have

169

00:05:51,270 --> 00:05:49,280

gotten me

170

00:05:53,749 --> 00:05:51,280

i cautiously got on my knees to peek

171

00:05:56,309 --> 00:05:53,759

over the sill and i lost it

172

00:05:58,469 --> 00:05:56,319

didn't see eiser it anywhere it seemed

173

00:06:01,270 --> 00:05:58,479

to be either moving away from the forest

174

00:06:02,870 --> 00:06:01,280

behind my house or it decided to rest up

175

00:06:04,710 --> 00:06:02,880

in that scrub rush

176

00:06:06,309 --> 00:06:04,720

what i saw under the street light is as

177

00:06:09,830 --> 00:06:06,319

follows darkish fur

178

00:06:10,150 --> 00:06:09,840

high pointed ears long muzzle i never

179

00:06:12,950 --> 00:06:10,160

saw

180

00:06:14,070 --> 00:06:12,960

teeth or if it had a tail it had hands

181

00:06:16,629 --> 00:06:14,080

with long claws

182

00:06:17,909 --> 00:06:16,639

that tongue kind of limp wrist if they

183

00:06:20,309 --> 00:06:17,919

were fully extended

184

00:06:22,070 --> 00:06:20,319

they would hang below the knee it walked

185

00:06:24,150 --> 00:06:22,080

on hot dog legs

186

00:06:25,510 --> 00:06:24,160

it looked heavily muscled but had a

187

00:06:27,670 --> 00:06:25,520

tapered waist

188

00:06:29,830 --> 00:06:27,680

it was about seven to seven and a half

189

00:06:31,830 --> 00:06:29,840

feet tall judging from where it stood in

190

00:06:34,230 --> 00:06:31,840

relation to the street light

191

00:06:35,670 --> 00:06:34,240

it was non-aggressive even when i felt

192

00:06:38,230 --> 00:06:35,680

it look right at me

193

00:06:40,150 --> 00:06:38,240

i was terrified but i didn't get a sense

194

00:06:42,950 --> 00:06:40,160

that it was pissed off it had been seen

195

00:06:45,670 --> 00:06:42,960

as some people report i didn't take a

196

00:06:47,990 --> 00:06:45,680

picture because i simply didn't think to

197

00:06:50,070 --> 00:06:48,000

i was in a fair amount of shock but

198

00:06:51,830 --> 00:06:50,080

sometimes your phone is the absolute

199

00:06:53,990 --> 00:06:51,840

last thing on your mind

200

00:06:54,950 --> 00:06:54,000

there have been some odd sounds tapping

201  
00:06:57,589 --> 00:06:54,960  
at my window

202  
00:06:59,589 --> 00:06:57,599  
i can hear scratching of the siding i

203  
00:07:00,629 --> 00:06:59,599  
don't see that many animals around the

204  
00:07:02,550 --> 00:07:00,639  
neighborhood

205  
00:07:03,990 --> 00:07:02,560  
there used to be about seven straight

206  
00:07:06,710 --> 00:07:04,000  
cats high fed

207  
00:07:07,029 --> 00:07:06,720  
all gone once the weather broke it's

208  
00:07:09,830 --> 00:07:07,039  
been

209  
00:07:11,749 --> 00:07:09,840  
quiet i installed motion lights and

210  
00:07:13,589 --> 00:07:11,759  
bought two game cameras

211  
00:07:16,309 --> 00:07:13,599  
i'm hoping they are in a sense like

212  
00:07:18,150 --> 00:07:16,319  
sasquatch they avoid game cams

213  
00:07:20,710 --> 00:07:18,160

i don't ever want to see this thing

214

00:07:23,430 --> 00:07:20,720

again those of you who want to see one

215

00:07:24,710 --> 00:07:23,440

pray you never do my encounter was

216

00:07:26,870 --> 00:07:24,720

non-aggressive

217

00:07:28,309 --> 00:07:26,880

i can't imagine having to deal with this

218

00:07:30,629 --> 00:07:28,319

thing pissed off

219

00:07:32,629 --> 00:07:30,639

i still can't sleep a full night and

220

00:07:33,830 --> 00:07:32,639

every sound scares the hell out of me

221

00:07:36,309 --> 00:07:33,840

after dark

222

00:07:42,830 --> 00:07:36,319

i live alone and the pistol i own would

223

00:07:48,230 --> 00:07:45,670

bc

224

00:07:48,869 --> 00:07:48,240

i played canine in finland so about two

225

00:07:50,550 --> 00:07:48,879

years ago

226

00:07:52,710 --> 00:07:50,560

i had an encounter with something i

227

00:07:53,029 --> 00:07:52,720

can't explain and the reason i'm writing

228

00:07:55,110 --> 00:07:53,039

this

229

00:07:56,950 --> 00:07:55,120

is because i saw some strange footprints

230

00:07:58,950 --> 00:07:56,960

yesterday where i encountered it two

231

00:08:01,430 --> 00:07:58,960

years ago i live in finland

232

00:08:03,430 --> 00:08:01,440

near the coast two years ago i was out

233

00:08:05,830 --> 00:08:03,440

hunting and it was getting late and dark

234

00:08:07,510 --> 00:08:05,840

so i decided to head back home i had

235

00:08:09,270 --> 00:08:07,520

about two three kilometer walk through

236

00:08:11,110 --> 00:08:09,280

the forest to get to my car

237

00:08:13,510 --> 00:08:11,120

it had gotten pitch black outside at

238

00:08:14,790 --> 00:08:13,520

this point so i had an led headline for

239

00:08:17,029 --> 00:08:14,800

light as i want

240

00:08:17,909 --> 00:08:17,039

as i woke i kept hearing unusually loud

241

00:08:20,309 --> 00:08:17,919

sounds

242

00:08:21,270 --> 00:08:20,319

i knew something big was moving i was

243

00:08:23,189 --> 00:08:21,280

100

244

00:08:24,550 --> 00:08:23,199

sure it was a new since i've encountered

245

00:08:25,990 --> 00:08:24,560

lots of them in the forest

246

00:08:27,749 --> 00:08:26,000

and they do make lots of noise

247

00:08:29,189 --> 00:08:27,759

vibrations when they walk

248

00:08:30,869 --> 00:08:29,199

i couldn't see anything though and it

249

00:08:32,870 --> 00:08:30,879

was getting closer to me

250

00:08:35,029 --> 00:08:32,880

all of a sudden this super awful smell

251  
00:08:36,469 --> 00:08:35,039  
hits me it smells like feces and

252  
00:08:38,870 --> 00:08:36,479  
something really wrong

253  
00:08:41,029 --> 00:08:38,880  
my hair stands up and i raise my shotgun

254  
00:08:41,829 --> 00:08:41,039  
as my whole body instinctively tells me

255  
00:08:44,310 --> 00:08:41,839  
to look

256  
00:08:46,230 --> 00:08:44,320  
i just stand still and listen as the

257  
00:08:48,470 --> 00:08:46,240  
sounds get closer i see what looks like

258  
00:08:49,269 --> 00:08:48,480  
a humanoid figure standing on two feet

259  
00:08:51,430 --> 00:08:49,279  
really tall

260  
00:08:53,670 --> 00:08:51,440  
had to be easily over two meters but

261  
00:08:55,910 --> 00:08:53,680  
slender and muscular at the same time

262  
00:08:57,590 --> 00:08:55,920  
and kind of crouched down posture it

263  
00:08:58,150 --> 00:08:57,600

looked almost like a werewolf from

264

00:09:00,470 --> 00:08:58,160

movies

265

00:09:01,190 --> 00:09:00,480

but at the same time not it was quite

266

00:09:03,350 --> 00:09:01,200

far away

267

00:09:04,230 --> 00:09:03,360

so my light barely went so far but i

268

00:09:06,710 --> 00:09:04,240

could see

269

00:09:07,509 --> 00:09:06,720

its eyes shined red from my led headlamp

270

00:09:09,590 --> 00:09:07,519

as well

271

00:09:10,710 --> 00:09:09,600

it looked at me for about three seconds

272

00:09:12,710 --> 00:09:10,720

made no sounds

273

00:09:14,470 --> 00:09:12,720

it was breathing weirdly i think it

274

00:09:15,430 --> 00:09:14,480

could smell the two ducks i had in my

275

00:09:17,910 --> 00:09:15,440

backpack

276

00:09:19,990 --> 00:09:17,920

it slowly walked away i even filmed a

277

00:09:21,910 --> 00:09:20,000

bit as it started walking with my phone

278

00:09:23,750 --> 00:09:21,920

but its poor quality is my phone at the

279

00:09:25,670 --> 00:09:23,760

time was old and it was dark

280

00:09:26,949 --> 00:09:25,680

so you can't really see it just hear

281

00:09:29,110 --> 00:09:26,959

lots of noise

282

00:09:29,990 --> 00:09:29,120

anyway i told some friends and fellow

283

00:09:31,670 --> 00:09:30,000

hunters

284

00:09:34,829 --> 00:09:31,680

the couple have heard her seen strange

285

00:09:40,790 --> 00:09:34,839

things as well but nothing like this

286

00:09:43,990 --> 00:09:42,870

upright canine encounter in rural

287

00:09:45,750 --> 00:09:44,000

mississippi

288

00:09:48,310 --> 00:09:45,760

i live in a very rural part of

289

00:09:51,350 --> 00:09:48,320

mississippi i believe my town has

290

00:09:53,829 --> 00:09:51,360

something like 247 people in it

291

00:09:55,110 --> 00:09:53,839

everybody knows everybody weird things

292

00:09:57,030 --> 00:09:55,120

have happened before

293

00:09:59,190 --> 00:09:57,040

like animals being slaughtered or going

294

00:10:01,430 --> 00:09:59,200

missing that sort of thing

295

00:10:02,470 --> 00:10:01,440

naturally we chalked it up to coyotes or

296

00:10:04,790 --> 00:10:02,480

other critters

297

00:10:06,230 --> 00:10:04,800

i'm an avid hunter so i was heading out

298

00:10:09,110 --> 00:10:06,240

to the woods with my bow

299

00:10:10,790 --> 00:10:09,120

a fully decked out matthews creed i got

300

00:10:13,269 --> 00:10:10,800

out a little earlier than usual

301  
00:10:14,710 --> 00:10:13,279  
so it was still pretty dark i've never

302  
00:10:16,949 --> 00:10:14,720  
minded the woods before

303  
00:10:17,990 --> 00:10:16,959  
so all i planned on doing was relaxing

304  
00:10:20,069 --> 00:10:18,000  
in my stand for a

305  
00:10:22,470 --> 00:10:20,079  
while as i didn't feel like stalking

306  
00:10:23,110 --> 00:10:22,480  
today it's not too far away from

307  
00:10:25,190 --> 00:10:23,120  
daylight

308  
00:10:27,350 --> 00:10:25,200  
so the birds and other wildlife are

309  
00:10:30,310 --> 00:10:27,360  
starting to make their morning calls

310  
00:10:30,790 --> 00:10:30,320  
usually pretty peaceful right i swear to

311  
00:10:32,790 --> 00:10:30,800  
god

312  
00:10:34,790 --> 00:10:32,800  
in the span of a second everything in

313  
00:10:36,150 --> 00:10:34,800

that patch of woods shut up at the same

314

00:10:38,710 --> 00:10:36,160

exact time

315

00:10:39,190 --> 00:10:38,720

dead silence it didn't even try to be

316

00:10:41,829 --> 00:10:39,200

subtle

317

00:10:43,910 --> 00:10:41,839

that alone scared the piss out of me so

318

00:10:46,470 --> 00:10:43,920

naturally my scared self froze

319

00:10:47,190 --> 00:10:46,480

and just listened for anything my first

320

00:10:49,509 --> 00:10:47,200

thought was

321

00:10:51,509 --> 00:10:49,519

oh crap something's out here with me

322

00:10:53,350 --> 00:10:51,519

which freaked me out even more

323

00:10:54,949 --> 00:10:53,360

then i started to think maybe it was

324

00:10:57,030 --> 00:10:54,959

just a bear or a bobcat

325

00:10:59,190 --> 00:10:57,040

which i still was terrified to meet up

326

00:11:00,069 --> 00:10:59,200

with but at least it gave me a logical

327

00:11:02,310 --> 00:11:00,079

answer

328

00:11:04,230 --> 00:11:02,320

i figured i could hear a bear coming but

329

00:11:06,310 --> 00:11:04,240

i knew big cats were renowned for

330

00:11:08,710 --> 00:11:06,320

stalking people without their knowing

331

00:11:11,269 --> 00:11:08,720

which scared the daylights out of me i

332

00:11:13,590 --> 00:11:11,279

decided to keep moving towards my stand

333

00:11:14,389 --> 00:11:13,600

post up and just point my bow down the

334

00:11:16,310 --> 00:11:14,399

tree

335

00:11:17,509 --> 00:11:16,320

after what seemed like forever i

336

00:11:19,829 --> 00:11:17,519

freaking made it

337

00:11:21,110 --> 00:11:19,839

i shuffled up the stand pulled out my

338

00:11:23,590 --> 00:11:21,120

knife just in case

339

00:11:26,150 --> 00:11:23,600

and just listened dawn was definitely

340

00:11:28,550 --> 00:11:26,160

breaking now which made me feel better

341

00:11:30,389 --> 00:11:28,560

still no sounds of wildlife which was

342

00:11:32,870 --> 00:11:30,399

getting more and more eerie

343

00:11:33,670 --> 00:11:32,880

now my stand is perched on the side of a

344

00:11:37,670 --> 00:11:33,680

creek

345

00:11:39,509 --> 00:11:37,680

the top of your ankle

346

00:11:41,269 --> 00:11:39,519

about the only sound i could hear was

347

00:11:43,430 --> 00:11:41,279

the slight noise of the running water

348

00:11:46,150 --> 00:11:43,440

dot then i hear something to my right

349

00:11:47,509 --> 00:11:46,160

and it is running fast i instantly raise

350

00:11:49,750 --> 00:11:47,519

my bow and weight

351  
00:11:50,550 --> 00:11:49,760  
it's getting louder and louder closer as

352  
00:11:52,389 --> 00:11:50,560  
well

353  
00:11:54,389 --> 00:11:52,399  
i almost screamed when i saw this

354  
00:11:56,069 --> 00:11:54,399  
creature it literally looked like

355  
00:11:58,550 --> 00:11:56,079  
something out of dog soldiers

356  
00:11:59,430 --> 00:11:58,560  
only more muscular this thing busted

357  
00:12:01,509 --> 00:11:59,440  
through the brush

358  
00:12:03,750 --> 00:12:01,519  
ran down the slope and through the creek

359  
00:12:05,990 --> 00:12:03,760  
then disappeared on the other side

360  
00:12:08,470 --> 00:12:06,000  
i have seen some [h\_\_h] let me tell you

361  
00:12:10,710 --> 00:12:08,480  
but i was shaking like a newborn babe

362  
00:12:11,509 --> 00:12:10,720  
i didn't ease off my drawstring for like

363  
00:12:14,069 --> 00:12:11,519

10 minutes

364

00:12:14,550 --> 00:12:14,079

which is a long time to hold a bow i

365

00:12:17,350 --> 00:12:14,560

mean

366

00:12:19,110 --> 00:12:17,360

this thing was huge like six and a half

367

00:12:21,990 --> 00:12:19,120

foot to seven and a half foot

368

00:12:23,430 --> 00:12:22,000

three hundred pounds of no and i've seen

369

00:12:26,310 --> 00:12:23,440

bears and the like before

370

00:12:26,629 --> 00:12:26,320

they do not run like that anyways after

371

00:12:28,790 --> 00:12:26,639

that

372

00:12:30,470 --> 00:12:28,800

the sun really started to show and the

373

00:12:33,030 --> 00:12:30,480

birds started chirping

374

00:12:34,230 --> 00:12:33,040

i had calmed myself down so i got out of

375

00:12:36,389 --> 00:12:34,240

there in a hurry

376

00:12:38,389 --> 00:12:36,399

while i was terrified at the time it's

377

00:12:40,310 --> 00:12:38,399

definitely going to be one of my coolest

378

00:12:42,389 --> 00:12:40,320

memories to look back on

379

00:12:43,350 --> 00:12:42,399

i'm just going to move my stand and hunt

380

00:12:49,110 --> 00:12:43,360

elsewhere

381

00:12:52,550 --> 00:12:51,670

this is lon strickler if you like this

382

00:12:54,310 --> 00:12:52,560

program

383

00:12:55,670 --> 00:12:54,320

it would help us if you would give it a

384

00:12:58,550 --> 00:12:55,680

thumbs up

385

00:12:59,030 --> 00:12:58,560

then subscribe and click the bell icon

386

00:13:01,350 --> 00:12:59,040

so you

387

00:13:03,509 --> 00:13:01,360

get notification when we upload new

388

00:13:06,629 --> 00:13:03,519

first-person encounters

389

00:13:09,030 --> 00:13:06,639

we have many more to come very soon and

390

00:13:11,430 --> 00:13:09,040

by the way if you have a suggestion
