is going to be joining us later

10
00:00:27,189 --> 00:00:24,880
legendary pennsylvania

11
00:00:29,269 --> 00:00:27,199
researcher and investigator of the

12
00:00:30,790 --> 00:00:29,279
unexplained stan gordon joining us at

13
00:00:32,709 --> 00:00:30,800

about 10 30

14

00:00:35,030 --> 00:00:32,719

for a good interview tonight going to be

15

00:00:37,110 --> 00:00:35,040

talking about the stranger cryptids

16

00:00:38,389 --> 00:00:37,120

of pennsylvania but i guess long before

17

00:00:40,069 --> 00:00:38,399

we get into that

18

00:00:41,830 --> 00:00:40,079

we got our own stuff to talk about

19

00:00:43,510 --> 00:00:41,840

tonight our canine

20

00:00:45,510 --> 00:00:43,520

friend made his appearance again here

21

00:00:48,950 --> 00:00:45,520

not too long ago

22

00:00:50,869 --> 00:00:48,960

yeah this um this central pennsylvania

23

00:00:53,990 --> 00:00:50,879

bipedal

24

00:00:58,150 --> 00:00:54,000

k-9 investigation is continuing as

25

00:01:00,470 --> 00:00:58,160

we you know as we promised

26

00:01:02,229 --> 00:01:00,480

uh we got rained out this past weekend

27

00:01:05,670 --> 00:01:02,239

because of

28

00:01:08,230 --> 00:01:05,680

storm and

29

00:01:09,429 --> 00:01:08,240

whatever but uh you know everybody had

30

00:01:12,070 --> 00:01:09,439

rain this weekend so

31

00:01:13,109 --> 00:01:12,080

they pushed it back up so it's going to

32

00:01:15,830 --> 00:01:13,119

be

33

00:01:17,350 --> 00:01:15,840

the week of the 23rd i think he's got it

34

00:01:18,390 --> 00:01:17,360

it's kind of raining around here

35

00:01:20,149 --> 00:01:18,400

i'm not going to yeah it was wet

36

00:01:21,190 --> 00:01:20,159

everywhere i mean it was you know down

37

00:01:24,710 --> 00:01:21,200

here was soaked

38

00:01:26,789 --> 00:01:24,720

so anyway we got a um

39

00:01:28,390 --> 00:01:26,799

and i'm not going to be specific but we

40

00:01:31,830 --> 00:01:28,400

got another report

41

00:01:35,030 --> 00:01:31,840

up in schuylkill county uh

42

00:01:38,149 --> 00:01:35,040

in the area of shimokin so that's

43

00:01:41,190 --> 00:01:38,159

two we've got from that area now um

44

00:01:43,350 --> 00:01:41,200

so you know the dog man or whatever you

45

00:01:46,469 --> 00:01:43,360

want to call him is making himself known

46

00:01:47,429 --> 00:01:46,479

and uh you know actually this this

47

00:01:50,469 --> 00:01:47,439

sighting was

48

00:01:52,389 --> 00:01:50,479

you know it was you know another one of

49

00:01:54,149 --> 00:01:52,399

those where this thing was seen on the

50

00:01:56,709 --> 00:01:54,159

side of the road again and

51
00:01:58,310 --> 00:01:56,719
uh you know i'm just wondering if it's

52
00:02:01,749 --> 00:01:58,320
what it's doing is picking up

53
00:02:03,109 --> 00:02:01,759
roadkill uh it's it's may seem that way

54
00:02:04,870 --> 00:02:03,119
i i don't know

55
00:02:06,469 --> 00:02:04,880
you know there was nothing specific

56
00:02:10,229 --> 00:02:06,479
about that

57
00:02:12,550 --> 00:02:10,239
but uh you know i've heard other reports

58
00:02:13,430 --> 00:02:12,560
in other areas about these things being

59
00:02:15,270 --> 00:02:13,440
seen

60
00:02:17,030 --> 00:02:15,280
on the side of the road so you know

61
00:02:18,790 --> 00:02:17,040
maybe that's what they're doing

62
00:02:20,470 --> 00:02:18,800
yeah that's if that's the only way we

63
00:02:22,229 --> 00:02:20,480

get to see them well that's at least we

64

00:02:22,869 --> 00:02:22,239

get to see them then i don't want to

65

00:02:25,990 --> 00:02:22,879

render one

66

00:02:28,790 --> 00:02:26,000

eating something alongside the road

67

00:02:30,470 --> 00:02:28,800

gross well you know i you know

68

00:02:32,309 --> 00:02:30,480

especially if you're driving run up on

69

00:02:35,670 --> 00:02:32,319

this thing

70

00:02:37,670 --> 00:02:35,680

you know so um

71

00:02:39,910 --> 00:02:37,680

so we're looking forward to that and

72

00:02:42,150 --> 00:02:39,920

seeing what we can

73

00:02:42,949 --> 00:02:42,160

you know see what we can find uh see

74

00:02:45,990 --> 00:02:42,959

what

75

00:02:47,509 --> 00:02:46,000

the team can find uh

76

00:02:49,030 --> 00:02:47,519

we had a little something happen this

77

00:02:51,910 --> 00:02:49,040

past weekend

78

00:02:53,750 --> 00:02:51,920

uh that we had our fingers and toes

79

00:02:55,030 --> 00:02:53,760

crossed but it just didn't work out we

80

00:02:56,550 --> 00:02:55,040

thought we might have had some good

81

00:02:59,110 --> 00:02:56,560

evidence but

82

00:03:01,430 --> 00:02:59,120

yeah it kind of petered out on us so an

83

00:03:02,229 --> 00:03:01,440

exciting 24 hours anyhow that we were

84

00:03:05,830 --> 00:03:02,239

wrong

85

00:03:09,190 --> 00:03:07,750

didn't work out that way but it was uh

86

00:03:12,949 --> 00:03:09,200

interesting nonetheless

87

00:03:15,350 --> 00:03:12,959

yeah yeah yeah it's going so um

88

00:03:15,990 --> 00:03:15,360

so we keep at it and uh keep taking

89

00:03:17,990 --> 00:03:16,000

reports

90

00:03:19,670 --> 00:03:18,000

p and like we said if anybody's got a

91

00:03:21,430 --> 00:03:19,680

report let us know about it

92

00:03:22,710 --> 00:03:21,440

you know you can contact me at fans of

93

00:03:26,149 --> 00:03:22,720

monsters or you can contact

94

00:03:31,350 --> 00:03:26,159

butch over it uh you fork

95

00:03:37,990 --> 00:03:35,190

ufo researchers of pennsylvania

96

00:03:38,470 --> 00:03:38,000

research center of pennsylvania you four

97

00:03:45,270 --> 00:03:38,480

cop

98

00:03:46,789 --> 00:03:45,280

and butch will respond because budget's

99

00:03:49,910 --> 00:03:46,799

pretty much the man

100

00:03:51,110 --> 00:03:49,920

he gets the job done yeah you know

101
00:03:52,789 --> 00:03:51,120
you know he's uh he's great

102
00:03:53,509 --> 00:03:52,799
investigators never financial butts about

103
00:03:56,070 --> 00:03:53,519
it

104
00:03:56,789 --> 00:03:56,080
and butch is going to be joining us on

105
00:03:59,990 --> 00:03:56,799
the show

106
00:04:02,710 --> 00:04:00,000
in near future so um uh

107
00:04:03,920 --> 00:04:02,720
that'll be interesting and uh you know

108
00:04:05,190 --> 00:04:03,930
what we'll be talking about

109
00:04:08,710 --> 00:04:05,200
[Music]

110
00:04:10,390 --> 00:04:08,720
that pesky mangy dog man

111
00:04:12,789 --> 00:04:10,400
you know it you know and you know of

112
00:04:14,470 --> 00:04:12,799
course uh

113
00:04:17,349 --> 00:04:14,480

stan's gonna be on with us tonight so

114

00:04:21,990 --> 00:04:17,359

we're gonna talk to him about this

115

00:04:25,510 --> 00:04:22,000

and uh you know he's in this case that

116

00:04:26,629 --> 00:04:25,520

we had out in denver he referred that to

117

00:04:30,150 --> 00:04:26,639

me

118

00:04:32,150 --> 00:04:30,160

interesting so

119

00:04:34,230 --> 00:04:32,160

and they're still working on that jack

120

00:04:38,230 --> 00:04:34,240

jack and the jc

121

00:04:41,110 --> 00:04:38,240

are still investigating that and um

122

00:04:41,990 --> 00:04:41,120

there's some areas out there outside of

123

00:04:44,629 --> 00:04:42,000

denver that they're

124

00:04:48,070 --> 00:04:44,639

looking at and apparently they have been

125

00:04:50,950 --> 00:04:48,080

some more sightings so we'll see

126
00:04:52,790 --> 00:04:50,960
yeah i hope so i mean we've really gone

127
00:04:54,070 --> 00:04:52,800
to great lengths to get information

128
00:04:56,230 --> 00:04:54,080
about this

129
00:04:57,110 --> 00:04:56,240
this creature but that denver sighting

130
00:04:59,350 --> 00:04:57,120
is what

131
00:05:01,029 --> 00:04:59,360
pretty much the genesis of all these

132
00:05:03,189 --> 00:05:01,039
setting reports that we've been

133
00:05:05,029 --> 00:05:03,199
receiving and that you and butch and the

134
00:05:06,310 --> 00:05:05,039
team have been investigating

135
00:05:07,830 --> 00:05:06,320
and i can't wait to get out there and

136
00:05:08,950 --> 00:05:07,840
actually do some investigating on this

137
00:05:12,150 --> 00:05:08,960
myself

138
00:05:13,990 --> 00:05:12,160

yeah you know we i i had uh well linda

139

00:05:15,670 --> 00:05:14,000

godfrey and i had both been getting a

140

00:05:18,230 --> 00:05:15,680

lot of

141

00:05:18,950 --> 00:05:18,240

reports out of southern canada southern

142

00:05:23,189 --> 00:05:18,960

ontario

143

00:05:26,469 --> 00:05:23,199

uh alberta manitoba

144

00:05:27,110 --> 00:05:26,479

and uh you know they were it was

145

00:05:29,270 --> 00:05:27,120

interesting

146

00:05:30,710 --> 00:05:29,280

how they were bunching up there uh

147

00:05:33,670 --> 00:05:30,720

especially the southern

148

00:05:36,469 --> 00:05:33,680

ontario but then all of a sudden we got

149

00:05:40,150 --> 00:05:36,479

this thing out in denver

150

00:05:42,150 --> 00:05:40,160

and for whatever reason

151
00:05:43,510 --> 00:05:42,160
you know that information came out then

152
00:05:46,390 --> 00:05:43,520
there was another sighting

153
00:05:47,830 --> 00:05:46,400
near denver and jack was checking that

154
00:05:49,590 --> 00:05:47,840
out then

155
00:05:50,950 --> 00:05:49,600
all of a sudden you know now we did have

156
00:05:51,270 --> 00:05:50,960
this we did like i said we had this

157
00:05:54,390 --> 00:05:51,280
thing

158
00:05:57,430 --> 00:05:54,400
last year from penn penfield that

159
00:05:59,270 --> 00:05:57,440
got butch received and then we got

160
00:06:00,070 --> 00:05:59,280
another one near penfield that was sent

161
00:06:02,390 --> 00:06:00,080
to me

162
00:06:03,990 --> 00:06:02,400
and just and right after that he just

163
00:06:05,909 --> 00:06:04,000

blew up

164

00:06:07,430 --> 00:06:05,919

so what i think's been going on you know

165

00:06:07,830 --> 00:06:07,440

we've been putting it out there and

166

00:06:10,150 --> 00:06:07,840

people

167

00:06:11,670 --> 00:06:10,160

who have seen these things are starting

168

00:06:14,710 --> 00:06:11,680

to come forward which is great

169

00:06:15,510 --> 00:06:14,720

you know uh the more we get the merrier

170

00:06:17,830 --> 00:06:15,520

and uh

171

00:06:18,830 --> 00:06:17,840

you know you know it's something we need

172

00:06:21,830 --> 00:06:18,840

to

173

00:06:22,870 --> 00:06:21,840

document and uh that's what we're trying

174

00:06:24,309 --> 00:06:22,880

to do and

175

00:06:26,870 --> 00:06:24,319

hopefully we're going to come up with

176
00:06:27,749 --> 00:06:26,880
something tangible to prove these things

177
00:06:30,870 --> 00:06:27,759
are

178
00:06:31,510 --> 00:06:30,880
not just figments of imagination so well

179
00:06:34,870 --> 00:06:31,520
you know

180
00:06:35,430 --> 00:06:34,880
we'll keep at it a pledge to keep on at

181
00:06:37,990 --> 00:06:35,440
it

182
00:06:39,510 --> 00:06:38,000
yep so uh you know as far as this week

183
00:06:42,309 --> 00:06:39,520
goes other than

184
00:06:44,390 --> 00:06:42,319
continuing with that i only got one

185
00:06:46,070 --> 00:06:44,400
decent report this week

186
00:06:48,629 --> 00:06:46,080
uh and that thing had something to do

187
00:06:51,909 --> 00:06:48,639
with that hurricane

188
00:06:53,430 --> 00:06:51,919

for uh for whatever it was worth it

189

00:06:54,710 --> 00:06:53,440

really didn't kind of pan out the way

190

00:06:57,909 --> 00:06:54,720

people thought it was

191

00:06:59,270 --> 00:06:57,919

thankfully yes very very thankfully but

192

00:07:03,830 --> 00:06:59,280

um

193

00:07:07,589 --> 00:07:03,840

down in mcclellanville south carolina

194

00:07:09,909 --> 00:07:07,599

uh a gentleman and his wife

195

00:07:12,150 --> 00:07:09,919

had an encounter down there and i think

196

00:07:14,469 --> 00:07:12,160

the reason

197

00:07:16,710 --> 00:07:14,479

these two bigfoot were on the move was

198

00:07:20,950 --> 00:07:16,720

because of the weather

199

00:07:22,469 --> 00:07:20,960

but anyway let me uh let me read this um

200

00:07:24,710 --> 00:07:22,479

he said i got your email off the

201
00:07:26,070 --> 00:07:24,720
internet we live in mcclellanville south

202
00:07:29,189 --> 00:07:26,080
carolina

203
00:07:32,469 --> 00:07:31,990
my wife and i were out back last evening

204
00:07:35,909 --> 00:07:32,479
moving

205
00:07:37,670 --> 00:07:35,919
lawn chairs and a table into the garage

206
00:07:40,550 --> 00:07:37,680
there was enough light to see into the

207
00:07:42,629 --> 00:07:40,560
woods it was raining steady

208
00:07:44,710 --> 00:07:42,639
when i heard a few grunt sounds coming

209
00:07:46,790 --> 00:07:44,720
from the woods

210
00:07:48,469 --> 00:07:46,800
so i looked out the door and saw two

211
00:07:50,629 --> 00:07:48,479
hairy forms

212
00:07:52,869 --> 00:07:50,639
quickly walking through the trees about

213
00:07:55,110 --> 00:07:52,879

a hundred foot away

214

00:07:55,990 --> 00:07:55,120

now as i caught a glimpse of them the

215

00:08:00,390 --> 00:07:56,000

biggest one

216

00:08:03,430 --> 00:08:00,400

turned stopped walking and stared at me

217

00:08:05,830 --> 00:08:03,440

that's when i realized it was a bigfoot

218

00:08:07,270 --> 00:08:05,840

for a few seconds it just stood there

219

00:08:10,550 --> 00:08:07,280

looking at me

220

00:08:13,589 --> 00:08:10,560

the other bigfoot kept walking then it

221

00:08:16,629 --> 00:08:13,599

shook its head and let out a grunt

222

00:08:18,869 --> 00:08:16,639

and took a few steps in my direction

223

00:08:19,909 --> 00:08:18,879

i slammed the door shut and locked it

224

00:08:22,070 --> 00:08:19,919

behind me

225

00:08:23,670 --> 00:08:22,080

my wife didn't see them and wondered why

226

00:08:26,710 --> 00:08:23,680

i was acting like i was

227

00:08:29,830 --> 00:08:26,720

and she still doesn't believe what i saw

228

00:08:31,670 --> 00:08:29,840

so the big one was very tall i'd say

229

00:08:34,790 --> 00:08:31,680

over eight foot in huge

230

00:08:38,310 --> 00:08:34,800

it was covered in ruddy brown hair

231

00:08:41,190 --> 00:08:38,320

and a dark colored face the other one

232

00:08:43,269 --> 00:08:41,200

was a few shorter i don't think i ever

233

00:08:44,870 --> 00:08:43,279

been so scared

234

00:08:46,470 --> 00:08:44,880

i've never seen anything like that in

235

00:08:49,829 --> 00:08:46,480

these woods or anywhere

236

00:08:52,949 --> 00:08:49,839

in this area we lived here for 27 years

237

00:08:55,110 --> 00:08:52,959

and i know the outdoors well i went back

238

00:08:56,790 --> 00:08:55,120

out this morning

239

00:08:58,710 --> 00:08:56,800

uh but there were no footprints even

240

00:08:59,590 --> 00:08:58,720

though it's muddy back or all this rain

241

00:09:02,550 --> 00:08:59,600

may have covered up

242

00:09:03,430 --> 00:09:02,560

any tracks we had something bust a

243

00:09:06,790 --> 00:09:03,440

garage window

244

00:09:09,350 --> 00:09:06,800

out a few months ago but i had no idea

245

00:09:10,710 --> 00:09:09,360

who or what did it now i believe was one

246

00:09:13,910 --> 00:09:10,720

of these bigfoot

247

00:09:16,710 --> 00:09:13,920

thanks for reading my email uh

248

00:09:18,070 --> 00:09:16,720

so it's you know i called the witness

249

00:09:22,150 --> 00:09:18,080

that afternoon and

250

00:09:23,670 --> 00:09:22,160

um he had contacted a local bigfoot

251
00:09:25,269 --> 00:09:23,680
group which is i was going to give him

252
00:09:26,870 --> 00:09:25,279
referral anyway

253
00:09:28,870 --> 00:09:26,880
uh so they're going to investigate

254
00:09:30,150 --> 00:09:28,880
whoever it is so

255
00:09:32,710 --> 00:09:30,160
he didn't have any additional

256
00:09:34,790 --> 00:09:32,720
information to the original account so

257
00:09:36,310 --> 00:09:34,800
that's all i got out of that

258
00:09:38,389 --> 00:09:36,320
so maybe i'll hear something i don't

259
00:09:40,630 --> 00:09:38,399
know you know so

260
00:09:42,310 --> 00:09:40,640
it's just seem to me that these they

261
00:09:43,590 --> 00:09:42,320
seem to be high tailing out for some

262
00:09:45,750 --> 00:09:43,600
reason

263
00:09:47,350 --> 00:09:45,760

oh i had 20 inches of rainfall there

264

00:09:49,430 --> 00:09:47,360

since last friday

265

00:09:52,550 --> 00:09:49,440

[Laughter]

266

00:09:54,470 --> 00:09:52,560

so he um now there was a gentleman who

267

00:09:58,389 --> 00:09:54,480

contacted me

268

00:10:01,509 --> 00:09:58,399

after he read this and said his family

269

00:10:04,630 --> 00:10:01,519

were actually some of the founding

270

00:10:05,670 --> 00:10:04,640

fathers of that town mcclellanville and

271

00:10:08,310 --> 00:10:05,680

he said that's

272

00:10:09,509 --> 00:10:08,320

that report doesn't surprise him because

273

00:10:11,190 --> 00:10:09,519

of the location

274

00:10:12,550 --> 00:10:11,200

it's right in the middle of a national

275

00:10:16,870 --> 00:10:12,560

forest

276

00:10:18,310 --> 00:10:16,880

got a lot of swampy area

277

00:10:20,310 --> 00:10:18,320

and it's kind of out in the middle of

278

00:10:22,150 --> 00:10:20,320

nowhere

279

00:10:23,829 --> 00:10:22,160

uh he said it you know it's near the

280

00:10:26,470 --> 00:10:23,839

coast but it's

281

00:10:27,590 --> 00:10:26,480

i don't know it's one of those coastal

282

00:10:30,870 --> 00:10:27,600

forests or whatever

283

00:10:32,310 --> 00:10:30,880

down carolina so um you know i think i

284

00:10:33,110 --> 00:10:32,320

know where the area i think i know the

285

00:10:37,030 --> 00:10:33,120

area

286

00:10:41,350 --> 00:10:37,040

it's just north of

287

00:10:43,269 --> 00:10:41,360

charleston so um

288

00:10:45,590 --> 00:10:43,279

yeah it does seem that it's a pretty

289

00:10:47,190 --> 00:10:45,600

remote area so

290

00:10:48,710 --> 00:10:47,200

you know maybe he did see something i

291

00:10:50,949 --> 00:10:48,720

think he did you know

292

00:10:51,750 --> 00:10:50,959

uh it does seem kind of unusual that the

293

00:10:54,710 --> 00:10:51,760

thing was

294

00:10:56,069 --> 00:10:54,720

took a stance like that and grunted and

295

00:10:58,389 --> 00:10:56,079

moved toward him

296

00:11:00,630 --> 00:10:58,399

uh that's kind of unusual especially if

297

00:11:03,110 --> 00:11:00,640

they were trying to get out of the area

298

00:11:03,829 --> 00:11:03,120

remember that episode of uh paranormal

299

00:11:06,870 --> 00:11:03,839

witness

300

00:11:07,430 --> 00:11:06,880

where they had the family at the farm

301
00:11:10,870 --> 00:11:07,440
that was

302
00:11:13,990 --> 00:11:10,880
surrounded by these wolf

303
00:11:16,150 --> 00:11:14,000
canid large canid type creatures

304
00:11:17,269 --> 00:11:16,160
yeah that was that uh uh that was that

305
00:11:20,389 --> 00:11:17,279
case that linda

306
00:11:21,190 --> 00:11:20,399
investigated that was up in maine i just

307
00:11:23,350 --> 00:11:21,200
watched that

308
00:11:25,350 --> 00:11:23,360
again and oh did you what what a

309
00:11:28,389 --> 00:11:25,360
situation

310
00:11:30,150 --> 00:11:28,399
yeah that was kind of scary um

311
00:11:32,389 --> 00:11:30,160
i think i think that guy was lucky he

312
00:11:34,550 --> 00:11:32,399
didn't get attacked i really am

313
00:11:35,430 --> 00:11:34,560

if you folks haven't seen it you need to

314

00:11:36,949 --> 00:11:35,440

watch

315

00:11:39,030 --> 00:11:36,959

i think it's the second season of

316

00:11:40,870 --> 00:11:39,040

paranormal witness i don't know the name

317

00:11:42,470 --> 00:11:40,880

of the episode per se but if you go

318

00:11:44,630 --> 00:11:42,480

through and look at the

319

00:11:45,590 --> 00:11:44,640

synopsises of each episode you'll see

320

00:11:47,509 --> 00:11:45,600

the uh

321

00:11:49,750 --> 00:11:47,519

encounter that we're talking about and

322

00:11:53,509 --> 00:11:49,760

it is a hair-raising

323

00:11:55,030 --> 00:11:53,519

encounter yeah they uh

324

00:11:57,829 --> 00:11:55,040

i don't know what they were i mean they

325

00:12:00,949 --> 00:11:57,839

were bipedal canines i don't know

326

00:12:02,629 --> 00:12:00,959

what exactly were though but uh they

327

00:12:03,269 --> 00:12:02,639

were big and they were scary and they

328

00:12:07,269 --> 00:12:03,279

were

329

00:12:09,190 --> 00:12:07,279

very aggressive and uh

330

00:12:10,550 --> 00:12:09,200

apparently they had going down in the

331

00:12:14,069 --> 00:12:10,560

woods

332

00:12:16,389 --> 00:12:14,079

and found uh

333

00:12:17,750 --> 00:12:16,399

i don't know what they were tunnels in

334

00:12:19,509 --> 00:12:17,760

the woods

335

00:12:21,030 --> 00:12:19,519

where they thought these things were

336

00:12:24,389 --> 00:12:21,040

residing where we're living at

337

00:12:26,389 --> 00:12:24,399

yeah so i don't know it it is a weird

338

00:12:28,230 --> 00:12:26,399

story but like i said yeah linda linda

339

00:12:30,230 --> 00:12:28,240

investigated she told me about it before

340

00:12:33,590 --> 00:12:30,240

the thing came on tv

341

00:12:34,870 --> 00:12:33,600

and uh much of his dram dramaticized but

342

00:12:37,750 --> 00:12:34,880

you know because they are gonna add a

343

00:12:39,829 --> 00:12:37,760

little bit to it but i i don't know

344

00:12:42,949 --> 00:12:39,839

from what i understand it was pretty

345

00:12:46,310 --> 00:12:42,959

close to what actually happened

346

00:12:48,470 --> 00:12:46,320

it was exciting yeah yeah it was

347

00:12:50,629 --> 00:12:48,480

yeah it kind of had me thinking there

348

00:12:51,829 --> 00:12:50,639

for a bit like i said we got stan coming

349

00:12:55,110 --> 00:12:51,839

on the night and stan

350

00:12:57,509 --> 00:12:55,120

actually posted some new information on

351

00:13:01,350 --> 00:12:57,519

his website today

352

00:13:03,350 --> 00:13:01,360

uh and he he's got a specific

353

00:13:05,670 --> 00:13:03,360

he's got a specific whatever i don't

354

00:13:08,150 --> 00:13:05,680

even know what this is that

355

00:13:09,670 --> 00:13:08,160

was reported to him from where else

356

00:13:13,190 --> 00:13:09,680

butler county

357

00:13:17,190 --> 00:13:13,200

and uh we'll have him talk about it

358

00:13:18,949 --> 00:13:17,200

he he's he wrote to me and said

359

00:13:20,389 --> 00:13:18,959

have you ever heard or seen anything

360

00:13:23,030 --> 00:13:20,399

like this i said no

361

00:13:25,190 --> 00:13:23,040

you know i don't know what that is so

362

00:13:28,069 --> 00:13:25,200

but we'll let him tell you about it

363

00:13:29,110 --> 00:13:28,079

it was uh pretty strange so no ruin a

364

00:13:32,949 --> 00:13:29,120

surprise

365

00:13:34,710 --> 00:13:32,959

no you know the so i think we want to

366

00:13:35,829 --> 00:13:34,720

talk to stan about some of the dogman

367

00:13:39,430 --> 00:13:35,839

sightings as well

368

00:13:41,350 --> 00:13:39,440

and uh you know this state

369

00:13:43,829 --> 00:13:41,360

you know as a whole even though it

370

00:13:46,150 --> 00:13:43,839

hasn't been as many as we're getting now

371

00:13:48,310 --> 00:13:46,160

i mean this these this phenomena has

372

00:13:50,870 --> 00:13:48,320

been going on here for

373

00:13:51,990 --> 00:13:50,880

oh god for at least a century so oh a

374

00:13:55,269 --> 00:13:52,000

long time definitely

375

00:13:57,590 --> 00:13:55,279

recording this stuff for a long time

376

00:14:00,710 --> 00:13:57,600

yeah so that's talking about it though

377

00:14:02,629 --> 00:14:00,720

the these citing reports have taken off

378

00:14:05,430 --> 00:14:02,639

yeah well and that's good i mean at

379

00:14:07,430 --> 00:14:05,440

least the words are getting out there

380

00:14:09,509 --> 00:14:07,440

and uh you know we're getting people

381

00:14:11,990 --> 00:14:09,519

that are

382

00:14:13,189 --> 00:14:12,000

you know coming out and not afraid to

383

00:14:14,710 --> 00:14:13,199

report it

384

00:14:16,949 --> 00:14:14,720

and i think it has a lot to do i mean

385

00:14:19,430 --> 00:14:16,959

people god you know

386

00:14:21,829 --> 00:14:19,440

if i i'd be quite hot this way if i saw

387

00:14:23,910 --> 00:14:21,839

one i don't think i'd want to report it

388

00:14:25,590 --> 00:14:23,920

uh i got to give people credit for doing

389

00:14:27,110 --> 00:14:25,600

it i really do

390

00:14:28,629 --> 00:14:27,120

well it's not like it's just a bigfoot

391

00:14:30,389 --> 00:14:28,639

report

392

00:14:31,910 --> 00:14:30,399

well you know you know that's something

393

00:14:33,030 --> 00:14:31,920

butch and i were talking about the other

394

00:14:35,990 --> 00:14:33,040

day

395

00:14:37,910 --> 00:14:36,000

you know we got all these bigfoot

396

00:14:39,990 --> 00:14:37,920

reports in pennsylvania of course

397

00:14:41,430 --> 00:14:40,000

you know we see the reports when they're

398

00:14:43,829 --> 00:14:41,440

when they're filed with

399

00:14:45,189 --> 00:14:43,839

pennsylvania bigfoot society as soon as

400

00:14:45,990 --> 00:14:45,199

they're filed you know they come right

401
00:14:49,110 --> 00:14:46,000
to

402
00:14:50,470 --> 00:14:49,120
everybody in the group but how many of

403
00:14:53,350 --> 00:14:50,480
these bigfoots

404
00:14:54,389 --> 00:14:53,360
supposedly bigfoot settings may actually

405
00:15:00,710 --> 00:14:54,399
be

406
00:15:06,389 --> 00:15:00,720
know

407
00:15:09,269 --> 00:15:06,399
descriptions could very well be that

408
00:15:11,670 --> 00:15:09,279
um it's something to think about i i

409
00:15:15,189 --> 00:15:11,680
actually i started going back

410
00:15:16,710 --> 00:15:15,199
and looking through all the reports i

411
00:15:19,990 --> 00:15:16,720
had received

412
00:15:23,189 --> 00:15:20,000
over the years and i did find one that

413
00:15:26,470 --> 00:15:23,199

may actually be

414

00:15:26,949 --> 00:15:26,480

not a bigfoot but an actual upright

415

00:15:30,230 --> 00:15:26,959

keynote

416

00:15:33,030 --> 00:15:30,240

so you know it's possible

417

00:15:35,030 --> 00:15:33,040

i assume it definitely is possible it's

418

00:15:37,350 --> 00:15:35,040

just not something that we've actively

419

00:15:39,749 --> 00:15:37,360

been looking for or something we've been

420

00:15:41,910 --> 00:15:39,759

trying to gather more detail on until

421

00:15:44,150 --> 00:15:41,920

recently

422

00:15:45,749 --> 00:15:44,160

well you know linda's about linda and

423

00:15:47,350 --> 00:15:45,759

stan are probably been about the only

424

00:15:48,949 --> 00:15:47,360

two researchers

425

00:15:51,350 --> 00:15:48,959

that have really concentrated on that

426

00:15:54,710 --> 00:15:51,360

only according to jhc as well

427

00:15:57,189 --> 00:15:54,720

but you know it's it's not encrypted

428

00:16:00,389 --> 00:15:59,350

i don't know it did make the top five i

429

00:16:01,829 --> 00:16:00,399

guess

430

00:16:03,590 --> 00:16:01,839

uh you know everybody talked about

431

00:16:05,350 --> 00:16:03,600

bigfoot and then we get all these flying

432

00:16:09,110 --> 00:16:05,360

humanoids and

433

00:16:13,670 --> 00:16:09,120

pterosaurs flying reptilian

434

00:16:15,749 --> 00:16:13,680

type beans and you know but

435

00:16:17,670 --> 00:16:15,759

you know the dog man thing kind of took

436

00:16:21,189 --> 00:16:17,680

a back seat to some of that

437

00:16:23,110 --> 00:16:21,199

but it's picking up and uh

438

00:16:24,389 --> 00:16:23,120

is there a reason upon it i don't know

439

00:16:26,069 --> 00:16:24,399

possible

440

00:16:28,790 --> 00:16:26,079

but i just think more people are coming

441

00:16:30,150 --> 00:16:28,800

forward i think people have seen these

442

00:16:34,470 --> 00:16:30,160

things but they've just been afraid to

443

00:16:38,790 --> 00:16:37,990

have we had anything in the spiritual

444

00:16:41,829 --> 00:16:38,800

realm

445

00:16:45,590 --> 00:16:41,839

come to light recently any new and

446

00:16:48,949 --> 00:16:48,230

i haven't received much of anything uh

447

00:16:52,230 --> 00:16:48,959

that's been

448

00:16:52,949 --> 00:16:52,240

really slow uh you know i'm still

449

00:16:54,949 --> 00:16:52,959

working

450

00:16:56,629 --> 00:16:54,959

with people from some of the older

451
00:16:59,990 --> 00:16:56,639
reports

452
00:17:03,430 --> 00:17:00,000
uh but the one i had

453
00:17:07,909 --> 00:17:03,440
up in pennsylvania uh that

454
00:17:09,510 --> 00:17:07,919
kind of worked itself out uh she was

455
00:17:11,270 --> 00:17:09,520
she she's not been bothered now for

456
00:17:14,230 --> 00:17:11,280
about two months

457
00:17:15,110 --> 00:17:14,240
and uh she was very relieved because god

458
00:17:20,789 --> 00:17:15,120
this thing has been

459
00:17:26,630 --> 00:17:23,909
what it was i you know i really

460
00:17:27,510 --> 00:17:26,640
can't put a finger on exactly what it

461
00:17:31,190 --> 00:17:27,520
was

462
00:17:34,470 --> 00:17:31,200
entity

463
00:17:35,350 --> 00:17:34,480

that was in a way malevolent it was but

464

00:17:38,230 --> 00:17:35,360

it was basically

465

00:17:40,390 --> 00:17:38,240

what i call a trickster uh i had

466

00:17:44,789 --> 00:17:40,400

something to do with

467

00:17:47,430 --> 00:17:44,799

uh obey religion creole religion some

468

00:17:49,750 --> 00:17:47,440

type of creole religion i'm not gonna

469

00:17:51,909 --> 00:17:49,760

come out and say it was voodoo

470

00:17:54,710 --> 00:17:51,919

though i guess you could say it could be

471

00:17:58,390 --> 00:17:54,720

some what related to that

472

00:18:00,470 --> 00:17:58,400

uh but you know we did a lot i did a lot

473

00:18:04,150 --> 00:18:00,480

of digging on it and

474

00:18:05,430 --> 00:18:04,160

did a lot of research and consulted a

475

00:18:07,590 --> 00:18:05,440

few people

476

00:18:10,070 --> 00:18:07,600

and i think the things that we did kind

477

00:18:13,590 --> 00:18:10,080

of stop this thing

478

00:18:16,549 --> 00:18:13,600

in its tracks and you know a lot of this

479

00:18:17,510 --> 00:18:16,559

you know and i told my clients look you

480

00:18:21,909 --> 00:18:17,520

you

481

00:18:24,070 --> 00:18:21,919

some of the stuff might sound bad [h__h]

482

00:18:25,750 --> 00:18:24,080

crazy to you that i tell you

483

00:18:28,390 --> 00:18:25,760

but you're gonna have to keep an open

484

00:18:29,350 --> 00:18:28,400

mind and you got to remain positive

485

00:18:35,830 --> 00:18:29,360

that's

486

00:18:36,710 --> 00:18:35,840

you know she took the heart the client

487

00:18:39,750 --> 00:18:36,720

took it to heart

488

00:18:42,310 --> 00:18:39,760

and um you know

489

00:18:43,830 --> 00:18:42,320

she's had some personal issues as well

490

00:18:44,710 --> 00:18:43,840

that she's getting straightened out as

491

00:18:46,630 --> 00:18:44,720

well so

492

00:18:48,549 --> 00:18:46,640

you know it all goes hand in hand but i

493

00:18:50,630 --> 00:18:48,559

think um

494

00:18:53,029 --> 00:18:50,640

but as far as this entity it hasn't been

495

00:18:54,830 --> 00:18:53,039

bothering her she's getting sleep now

496

00:18:56,630 --> 00:18:54,840

which is something she hadn't been

497

00:18:59,750 --> 00:18:56,640

getting uh

498

00:19:00,549 --> 00:18:59,760

so you know i think it's important it

499

00:19:02,150 --> 00:19:00,559

worked out

500

00:19:03,430 --> 00:19:02,160

i think it's important that you put that

501
00:19:05,590 --> 00:19:03,440
out there you know it's someone

502
00:19:08,710 --> 00:19:05,600
experiencing these things

503
00:19:09,190 --> 00:19:08,720
to remain positive once the negativity

504
00:19:13,909 --> 00:19:09,200
sets

505
00:19:16,230 --> 00:19:13,919
in it seems that these forces just

506
00:19:17,270 --> 00:19:16,240
suck it up like a sponge yeah it

507
00:19:20,470 --> 00:19:17,280
compounds it

508
00:19:23,590 --> 00:19:20,480
it's nuts and it just

509
00:19:27,430 --> 00:19:23,600
you know really aggravates and increases

510
00:19:29,669 --> 00:19:27,440
the uh abilities or the

511
00:19:31,029 --> 00:19:29,679
intensities of these attacks from

512
00:19:34,789 --> 00:19:31,039
whatever this

513
00:19:36,950 --> 00:19:34,799

entity is uh it's

514

00:19:38,630 --> 00:19:36,960
and a lot of these each type of

515

00:19:40,789 --> 00:19:38,640
incidents

516

00:19:43,990 --> 00:19:40,799
the clients themselves can do a lot to

517

00:19:47,430 --> 00:19:46,950
not only you know remaining positive but

518

00:19:51,510 --> 00:19:47,440
also

519

00:19:52,070 --> 00:19:51,520
using a few tools and affirmations and

520

00:19:56,710 --> 00:19:52,080
such

521

00:19:58,870 --> 00:19:56,720
to kind of lessen the effect

522

00:20:00,150 --> 00:19:58,880
it may sound simple when you talk about

523

00:20:00,390 --> 00:20:00,160
it you know if we're talking about like

524

00:20:06,149 --> 00:20:00,400
it

525

00:20:09,430 --> 00:20:06,159
client at the time

526

00:20:11,270 --> 00:20:09,440

but you know it takes a little bit of um

527

00:20:13,190 --> 00:20:11,280

you know i almost got to train them

528

00:20:15,430 --> 00:20:13,200

sometimes the clients

529

00:20:17,350 --> 00:20:15,440

you almost got to put them through like

530

00:20:19,990 --> 00:20:17,360

uh

531

00:20:21,270 --> 00:20:20,000

entity 101 class you know to explain

532

00:20:22,789 --> 00:20:21,280

everything to them

533

00:20:24,390 --> 00:20:22,799

and to explain what they should and

534

00:20:28,230 --> 00:20:24,400

should not do

535

00:20:31,029 --> 00:20:28,240

and uh you know it does seem to help

536

00:20:32,870 --> 00:20:31,039

and of course with these types of things

537

00:20:36,230 --> 00:20:32,880

there's always an aftercare with it

538

00:20:36,950 --> 00:20:36,240

and uh you know if you go back to the

539

00:20:38,870 --> 00:20:36,960

old ways

540

00:20:42,070 --> 00:20:38,880

you're gonna get yourself in trouble

541

00:20:45,190 --> 00:20:42,080

most of the time you know again so um

542

00:20:48,590 --> 00:20:45,200

you know you know it's all i i'd say

543

00:20:51,270 --> 00:20:48,600

90 of these

544

00:20:51,510 --> 00:20:51,280

oppressions and that's what it is it's

545

00:20:54,549 --> 00:20:51,520

an

546

00:20:57,029 --> 00:20:54,559

oppression are caused by something the

547

00:21:01,029 --> 00:20:57,039

client may have done inadvertently

548

00:21:01,590 --> 00:21:01,039

or uh you know so when it happens and

549

00:21:04,230 --> 00:21:01,600

you know

550

00:21:05,270 --> 00:21:04,240

it sometimes it does increase or remains

551
00:21:07,830 --> 00:21:05,280
the same

552
00:21:08,710 --> 00:21:07,840
you get the attachment and then you're

553
00:21:12,470 --> 00:21:08,720
really

554
00:21:15,110 --> 00:21:12,480
starting to have a problem um

555
00:21:16,549 --> 00:21:15,120
you know over the last couple years i

556
00:21:18,789 --> 00:21:16,559
received a lot of

557
00:21:19,909 --> 00:21:18,799
attachments more so than i had before

558
00:21:21,750 --> 00:21:19,919
that

559
00:21:24,070 --> 00:21:21,760
but for whatever reason you know a lot

560
00:21:26,149 --> 00:21:24,080
of this is seeming to me

561
00:21:27,830 --> 00:21:26,159
to be lessening now now i don't know if

562
00:21:30,149 --> 00:21:27,840
it's because of the time of year

563
00:21:32,230 --> 00:21:30,159

and i'll be honest with you summer is a

564

00:21:36,310 --> 00:21:32,240

summer is usually slow

565

00:21:37,830 --> 00:21:36,320

um it seems around the holidays and

566

00:21:39,590 --> 00:21:37,840

i guess when people are home or with

567

00:21:41,270 --> 00:21:39,600

their families and

568

00:21:43,669 --> 00:21:41,280

you know they're not out running around

569

00:21:47,029 --> 00:21:43,679

as much as they would be

570

00:21:50,630 --> 00:21:47,039

during the summer months um

571

00:21:53,350 --> 00:21:50,640

and i think they noticed things more and

572

00:21:54,870 --> 00:21:53,360

that that's that's normally when some of

573

00:21:56,310 --> 00:21:54,880

this stuff crops up so

574

00:21:59,510 --> 00:21:56,320

i'm quite certain i'm going to be

575

00:22:01,830 --> 00:21:59,520

getting calls within the near future

576
00:22:03,110 --> 00:22:01,840
for something or for some type of

577
00:22:06,549 --> 00:22:03,120
activity

578
00:22:09,029 --> 00:22:06,559
and we just go with it you know

579
00:22:10,870 --> 00:22:09,039
but you know my success rate with people

580
00:22:15,750 --> 00:22:10,880
has been pretty good

581
00:22:17,270 --> 00:22:15,760
and um you know i don't

582
00:22:19,270 --> 00:22:17,280
there's i mean there's a lot of factors

583
00:22:20,710 --> 00:22:19,280
involved with that but uh

584
00:22:22,310 --> 00:22:20,720
you know i'm not gonna sit here i mess

585
00:22:24,390 --> 00:22:22,320
up the back but it

586
00:22:25,990 --> 00:22:24,400
there are a lot of factors involved but

587
00:22:27,909 --> 00:22:26,000
it does take

588
00:22:31,029 --> 00:22:27,919

the biggest thing is an open mind by the

589

00:22:33,990 --> 00:22:31,039

client and being positive

590

00:22:35,029 --> 00:22:34,000

well there you go words of wisdom from

591

00:22:36,950 --> 00:22:35,039

lodge strickler

592

00:22:38,310 --> 00:22:36,960

and for next week's affirmations no i'm

593

00:22:40,310 --> 00:22:38,320

just kidding

594

00:22:42,070 --> 00:22:40,320

but no you make a good point and you

595

00:22:43,669 --> 00:22:42,080

know any little bit of uh

596

00:22:45,190 --> 00:22:43,679

information you can share with folks i'm

597

00:22:46,310 --> 00:22:45,200

glad they appreciate

598

00:22:48,710 --> 00:22:46,320

you know when i was doing an

599

00:22:49,830 --> 00:22:48,720

investigation down in uh

600

00:22:52,070 --> 00:22:49,840

outside of pittsburgh i don't want to

601
00:22:55,029 --> 00:22:52,080
give too much of the area away uh

602
00:22:55,830 --> 00:22:55,039
when myself and the team arrived just

603
00:23:08,070 --> 00:22:55,840
the

604
00:23:10,149 --> 00:23:08,080
like we're uncomfortable so before i

605
00:23:11,190 --> 00:23:10,159
really did any kind of investigating i

606
00:23:13,190 --> 00:23:11,200
really

607
00:23:14,390 --> 00:23:13,200
recommended that they get professional

608
00:23:16,870 --> 00:23:14,400
marriage counseling

609
00:23:17,990 --> 00:23:16,880
that whatever they were about to go

610
00:23:19,990 --> 00:23:18,000
through if they were going through

611
00:23:21,750 --> 00:23:20,000
anything and if it was as intense as she

612
00:23:23,830 --> 00:23:21,760
said it was

613
00:23:26,070 --> 00:23:23,840

that they're going to need all the help

614

00:23:27,350 --> 00:23:26,080

they can get from

615

00:23:29,110 --> 00:23:27,360

people that aren't paranormal

616

00:23:30,149 --> 00:23:29,120

investigators you know i'm not a

617

00:23:32,630 --> 00:23:30,159

marriage counselor

618

00:23:33,990 --> 00:23:32,640

i'm not a counselor i'm not a

619

00:23:36,549 --> 00:23:34,000

psychiatrist

620

00:23:38,070 --> 00:23:36,559

and i don't want to be in a one of those

621

00:23:38,789 --> 00:23:38,080

bad situations if you know what i'm

622

00:23:40,630 --> 00:23:38,799

talking about

623

00:23:42,789 --> 00:23:40,640

yeah it was very uncomfortable for us

624

00:23:44,390 --> 00:23:42,799

and after we left that night and we

625

00:23:46,070 --> 00:23:44,400

spoke our piece

626

00:23:47,430 --> 00:23:46,080

you know we were never contacted by them

627

00:23:50,630 --> 00:23:47,440

again

628

00:23:52,230 --> 00:23:50,640

it was sad well

629

00:23:54,549 --> 00:23:52,240

maybe that's all they needed you know

630

00:23:57,830 --> 00:23:54,559

maybe that's what they did in

631

00:23:59,830 --> 00:23:57,840

you know dysfunctional family

632

00:24:01,669 --> 00:23:59,840

can roy lent a lot of this stuff and

633

00:24:06,149 --> 00:24:01,679

i've seen it a lot of times

634

00:24:14,549 --> 00:24:10,710

you know raw emotion is

635

00:24:17,029 --> 00:24:14,559

it's some powerful stuff you know

636

00:24:18,549 --> 00:24:17,039

you know you say raw emotion well look

637

00:24:24,470 --> 00:24:18,559

look at all these

638

00:24:26,310 --> 00:24:24,480

uh all these domestic abuse and domestic

639

00:24:27,909 --> 00:24:26,320

things that you know problems happen we

640

00:24:31,590 --> 00:24:27,919

just had something in the

641

00:24:34,149 --> 00:24:31,600

paranormal community not long ago and uh

642

00:24:35,269 --> 00:24:34,159

where husband and wife died was murder

643

00:24:38,710 --> 00:24:35,279

suicide and

644

00:24:39,269 --> 00:24:38,720

uh you know that's that raw emotion is

645

00:24:42,390 --> 00:24:39,279

just

646

00:24:46,470 --> 00:24:42,400

really palpable and

647

00:24:49,669 --> 00:24:46,480

if there is if there is a

648

00:24:51,430 --> 00:24:49,679

entity you know in the in there

649

00:24:53,350 --> 00:24:51,440

or you know if it's something hanging

650

00:24:56,149 --> 00:24:53,360

around

651
00:24:59,669 --> 00:24:56,159
uh you know they feed off of that and it

652
00:25:02,390 --> 00:24:59,679
just makes things worse and um

653
00:25:04,549 --> 00:25:02,400
and of course you know unless you get

654
00:25:06,390 --> 00:25:04,559
your ducks in a row and

655
00:25:08,870 --> 00:25:06,400
start acting civil a lot of times it

656
00:25:11,669 --> 00:25:08,880
just won't go away

657
00:25:13,350 --> 00:25:11,679
yeah well i think it's time to break

658
00:25:14,470 --> 00:25:13,360
yeah let's take a break bring stan on

659
00:25:16,870 --> 00:25:14,480

664

00:25:28,710 --> 00:25:26,880

lon strickler and our guest tonight stan

665

00:25:30,149 --> 00:25:28,720

gordon stan how you doing thanks for

666

00:25:32,070 --> 00:25:30,159

joining us

667

00:25:34,070 --> 00:25:32,080

uh we're doing great guys good to be on

668

00:25:36,230 --> 00:25:34,080

the program again

669

00:25:38,549 --> 00:25:36,240

our pleasure folks uh if you're not

670

00:25:42,470 --> 00:25:38,559

familiar with stan gordon stan gordon

671

00:25:44,070 --> 00:25:42,480

is an author an investigator uh a

672

00:25:45,750 --> 00:25:44,080

long-time investigator stan how long

673

00:25:47,750 --> 00:25:45,760

have you been investigating

674

00:25:50,230 --> 00:25:47,760

uh the unexplained in pennsylvania and

675

00:25:54,630 --> 00:25:50,240

just you know pretty much everywhere

676
00:25:57,830 --> 00:25:57,110
started back in 1959 when i was 10 years

677
00:25:59,990 --> 00:25:57,840
old

678
00:26:01,110 --> 00:26:00,000
but i actually began doing in the field

679
00:26:04,310 --> 00:26:01,120
investigations

680
00:26:05,669 --> 00:26:04,320
uh back in 1965 after the kecksburg

681
00:26:07,590 --> 00:26:05,679
incident and i've been out the field

682
00:26:10,070 --> 00:26:07,600
ever since that time

683
00:26:11,990 --> 00:26:10,080
working on thousands of ufo cases

684
00:26:13,510 --> 00:26:12,000
hundreds of cryptid cases and all kind

685
00:26:15,430 --> 00:26:13,520
of other phenomena

686
00:26:16,630 --> 00:26:15,440
and it never ends i mean i get calls in

687
00:26:18,230 --> 00:26:16,640
here almost daily

688
00:26:21,029 --> 00:26:18,240

on current and past reports you know my

689

00:26:23,750 --> 00:26:21,039

hotline has been open since 1969

690

00:26:24,950 --> 00:26:23,760

and uh between the emails i get and the

691

00:26:26,710 --> 00:26:24,960

calls coming in

692

00:26:30,470 --> 00:26:26,720

it's just amazing what's going on out

693

00:26:34,390 --> 00:26:32,789

well that's not the truth definitely

694

00:26:36,549 --> 00:26:34,400

there's a lot of stuff rolling around

695

00:26:38,789 --> 00:26:36,559

pennsylvania

696

00:26:39,590 --> 00:26:38,799

uh yeah i mean stan you've been doing

697

00:26:42,870 --> 00:26:39,600

this now

698

00:26:44,230 --> 00:26:42,880

over 50 years i knew that um you're

699

00:26:47,110 --> 00:26:44,240

you're kind of the authority on the

700

00:26:49,750 --> 00:26:47,120

anonymous activity in the keystone state

701
00:26:50,789 --> 00:26:49,760
and uh you just put out your third case

702
00:26:53,909 --> 00:26:50,799
book

703
00:26:56,950 --> 00:26:53,919
uh titled astonishing encounters

704
00:27:01,510 --> 00:26:56,960
real real interesting stuff

705
00:27:04,230 --> 00:27:01,520
how's the uh how how the sale is going

706
00:27:05,669 --> 00:27:04,240
um i really don't know i've been i have

707
00:27:06,950 --> 00:27:05,679
heard a lot of reports that they've been

708
00:27:09,669 --> 00:27:06,960
out about a month

709
00:27:10,789 --> 00:27:09,679
and uh i've been doing some events and

710
00:27:13,110 --> 00:27:10,799
around here people were

711
00:27:14,950 --> 00:27:13,120
interested in it and uh so it's gonna

712
00:27:16,149 --> 00:27:14,960
take a little time but i think as people

713
00:27:18,950 --> 00:27:16,159

hear about it they'll find there's an

714

00:27:21,430 --> 00:27:18,960

interest in it because it has some very

715

00:27:22,549 --> 00:27:21,440

very strange unusual crypt there's a lot

716

00:27:24,950 --> 00:27:22,559

of stuff in there

717

00:27:27,029 --> 00:27:24,960

are cases that people have never heard

718

00:27:30,230 --> 00:27:27,039

of before are not well known

719

00:27:31,029 --> 00:27:30,240

and it's not just your bigfoot and black

720

00:27:33,190 --> 00:27:31,039

panthers

721

00:27:34,950 --> 00:27:33,200

and thunderbird reports which are some

722

00:27:36,950 --> 00:27:34,960

very strange ones in that book

723

00:27:38,549 --> 00:27:36,960

but there's a lot of other really weird

724

00:27:40,710 --> 00:27:38,559

entities and creatures a lot of people

725

00:27:42,549 --> 00:27:40,720

never even heard of before

726

00:27:44,630 --> 00:27:42,559

yeah well let's yeah let's get into one

727

00:27:46,549 --> 00:27:44,640

of those we uh

728

00:27:47,669 --> 00:27:46,559

you had a report you put on your website

729

00:27:50,070 --> 00:27:47,679

today

730

00:27:50,950 --> 00:27:50,080

and you directed to me and asked me if i

731

00:27:54,070 --> 00:27:50,960

had ever seen

732

00:27:55,830 --> 00:27:54,080

like this and i'd be quite frank i there

733

00:27:57,430 --> 00:27:55,840

was something new to me

734

00:27:58,950 --> 00:27:57,440

so why don't you uh once you tell

735

00:28:00,870 --> 00:27:58,960

everybody what's going on with this

736

00:28:02,230 --> 00:28:00,880

thing on button

737

00:28:04,070 --> 00:28:02,240

right i'll read the report and they can

738

00:28:06,710 --> 00:28:04,080

look at my website as well

739

00:28:08,789 --> 00:28:06,720

but uh this occurred i i talked to the

740

00:28:11,909 --> 00:28:08,799

witness did an extensive interview

741

00:28:16,149 --> 00:28:11,919

on september 30th and the witness was

742

00:28:17,830 --> 00:28:16,159

very reluctant to really talk about it

743

00:28:19,269 --> 00:28:17,840

was still even though we were discussing

744

00:28:20,630 --> 00:28:19,279

it she was still really afraid

745

00:28:22,149 --> 00:28:20,640

i was gonna i think laugh at her not

746

00:28:23,350 --> 00:28:22,159

believe her because she couldn't believe

747

00:28:26,070 --> 00:28:23,360

it herself

748

00:28:27,750 --> 00:28:26,080

but uh very credible it's an area where

749

00:28:29,510 --> 00:28:27,760

there's been a lot of history of

750

00:28:31,269 --> 00:28:29,520

other strange phenomena for many many

751
00:28:32,070 --> 00:28:31,279
years up in butler county north of

752
00:28:34,230 --> 00:28:32,080
pittsburgh

753
00:28:36,789 --> 00:28:34,240
but it occurred in late august or around

754
00:28:38,310 --> 00:28:36,799
the first week of september of this year

755
00:28:40,310 --> 00:28:38,320
and this is five o'clock in the

756
00:28:42,149 --> 00:28:40,320
afternoon so it's daylight

757
00:28:44,789 --> 00:28:42,159
and she's riding down this rural road in

758
00:28:46,950 --> 00:28:44,799
eastern buffalo county and she's just

759
00:28:48,549 --> 00:28:46,960
leisurely driving through this area and

760
00:28:50,149 --> 00:28:48,559
she's focusing on the road ahead but

761
00:28:51,510 --> 00:28:50,159
looking to her right and left looking at

762
00:28:53,190 --> 00:28:51,520
a stream to her right and

763
00:28:55,430 --> 00:28:53,200

there's woods off to the left but

764

00:28:57,350 --> 00:28:55,440

suddenly about 15 to 20 feet away

765

00:28:59,269 --> 00:28:57,360

in front of her and about three quarters

766

00:29:01,110 --> 00:28:59,279

of the way across the road

767

00:29:02,789 --> 00:29:01,120

the witness sees something that was

768

00:29:05,269 --> 00:29:02,799

really hard for her to describe moving

769

00:29:07,190 --> 00:29:05,279

from right to left they had a vehicle

770

00:29:08,789 --> 00:29:07,200

and she first thought it was a deer but

771

00:29:10,310 --> 00:29:08,799

then quickly realized it was like

772

00:29:12,149 --> 00:29:10,320

anything that she had ever seen before

773

00:29:14,070 --> 00:29:12,159

ever heard him before

774

00:29:15,750 --> 00:29:14,080

and that was because the first feature

775

00:29:17,750 --> 00:29:15,760

caught the attention with this

776

00:29:20,070 --> 00:29:17,760

looks similar to the head of a deer

777

00:29:22,149 --> 00:29:20,080

however the head was angled straight up

778

00:29:24,389 --> 00:29:22,159

and the head was not real pointy it

779

00:29:27,029 --> 00:29:24,399

narrowed at the top and then rounded off

780

00:29:28,310 --> 00:29:27,039

the body was similar in color to a deer

781

00:29:30,310 --> 00:29:28,320

and appeared to be between

782

00:29:32,070 --> 00:29:30,320

four to four and a half feet tall but

783

00:29:33,830 --> 00:29:32,080

the body appeared smooth and did not

784

00:29:35,750 --> 00:29:33,840

have any apparent hair

785

00:29:38,470 --> 00:29:35,760

the being was only observed from the

786

00:29:40,230 --> 00:29:38,480

side and never looked towards the car

787

00:29:42,710 --> 00:29:40,240

no details can be seen on the face

788

00:29:43,190 --> 00:29:42,720

because of that the arms look to be very

789

00:29:44,710 --> 00:29:43,200

short

790

00:29:46,710 --> 00:29:44,720

and add a portion to the rest of the

791

00:29:47,350 --> 00:29:46,720

body the arms were held very close to

792

00:29:49,750 --> 00:29:47,360

the chest

793

00:29:50,710 --> 00:29:49,760

area their hands were very small and

794

00:29:52,789 --> 00:29:50,720

gave the impression

795

00:29:54,870 --> 00:29:52,799

they were either being held together or

796

00:29:56,710 --> 00:29:54,880

possibly holding something

797

00:29:58,070 --> 00:29:56,720

the witness found it hard to describe

798

00:29:58,950 --> 00:29:58,080

but there appeared to be something

799

00:30:01,029 --> 00:29:58,960

hanging down

800

00:30:02,710 --> 00:30:01,039

possibly some type of fabric that was

801
00:30:05,350 --> 00:30:02,720
covering around the leg area

802
00:30:07,029 --> 00:30:05,360
and no legs or feet could be observed

803
00:30:09,830 --> 00:30:07,039
but the driver said this being

804
00:30:12,310 --> 00:30:09,840
collided above the roadway and even

805
00:30:14,710 --> 00:30:12,320
stranger was that behind the head

806
00:30:16,230 --> 00:30:14,720
an odd effect was noticed and according

807
00:30:16,870 --> 00:30:16,240
to what the witness tried to explain to

808
00:30:19,590 --> 00:30:16,880
me she said

809
00:30:21,430 --> 00:30:19,600
it looks sort of like time-lapse picture

810
00:30:21,990 --> 00:30:21,440
like in a cartoon when the character's

811
00:30:24,230 --> 00:30:22,000
moving so

812
00:30:25,830 --> 00:30:24,240
fast the body can't keep up with it the

813
00:30:26,870 --> 00:30:25,840

witness commented that it looked like

814

00:30:28,950 --> 00:30:26,880

the head portion

815

00:30:30,710 --> 00:30:28,960

was losing streaks of body matter as it

816

00:30:32,950 --> 00:30:30,720

glided across the road

817

00:30:35,029 --> 00:30:32,960

so within a couple of seconds the car

818

00:30:37,029 --> 00:30:35,039

reached the location on the road

819

00:30:38,549 --> 00:30:37,039

where the creature had been gliding the

820

00:30:40,230 --> 00:30:38,559

driver looked all around but the being

821

00:30:40,870 --> 00:30:40,240

was nowhere in sight and was not seen

822

00:30:42,789 --> 00:30:40,880

again

823

00:30:44,149 --> 00:30:42,799

the witness was stunned could not

824

00:30:45,430 --> 00:30:44,159

understand how this creature could be

825

00:30:47,510 --> 00:30:45,440

gone in seconds

826

00:30:48,549 --> 00:30:47,520

the entire observation lasts maybe seven

827

00:30:49,990 --> 00:30:48,559

eight seconds

828

00:30:52,230 --> 00:30:50,000

the witness also mentioned it was

829

00:30:53,750 --> 00:30:52,240

unusual that the creature wasn't seen

830

00:30:55,590 --> 00:30:53,760

as it came from the right side of the

831

00:30:57,110 --> 00:30:55,600

road was only first seen

832

00:30:59,350 --> 00:30:57,120

when it was already gliding about three

833

00:31:02,950 --> 00:30:59,360

quarters away across the red head

834

00:31:05,350 --> 00:31:02,960

so it's rather strange but it does have

835

00:31:06,950 --> 00:31:05,360

some similarities of other cases i've

836

00:31:07,590 --> 00:31:06,960

looked into and i'm sure you've heard of

837

00:31:09,830 --> 00:31:07,600

these

838

00:31:10,789 --> 00:31:09,840

but i haven't and i've mentioned some of

839

00:31:13,750 --> 00:31:10,799

my books

840

00:31:16,630 --> 00:31:13,760

we have reports of these gliding or

841

00:31:18,310 --> 00:31:16,640

floating beams

842

00:31:19,990 --> 00:31:18,320

some have been reported like one was

843

00:31:21,990 --> 00:31:20,000

reported in fayette county uh

844

00:31:23,110 --> 00:31:22,000

a number of years ago gliding above a

845

00:31:25,110 --> 00:31:23,120

field

846

00:31:26,710 --> 00:31:25,120

and uh there have been other reports of

847

00:31:28,310 --> 00:31:26,720

these things sometimes they're kind of

848

00:31:31,110 --> 00:31:28,320

glowing illuminous

849

00:31:33,029 --> 00:31:31,120

uh one case going back to 1972 i

850

00:31:36,389 --> 00:31:33,039

mentioned my cell invasion book

851
00:31:39,110 --> 00:31:36,399
was uh a strange incident in a home

852
00:31:40,230 --> 00:31:39,120
where this being was appearing to one

853
00:31:43,509 --> 00:31:40,240
member family

854
00:31:44,230 --> 00:31:43,519
and then to another one and uh this

855
00:31:46,870 --> 00:31:44,240
being would

856
00:31:48,389 --> 00:31:46,880
had no legs it would float and move

857
00:31:49,990 --> 00:31:48,399
around in the bedroom and go right

858
00:31:51,750 --> 00:31:50,000
through the wall and disappear

859
00:31:53,190 --> 00:31:51,760
and interestingly it seemed to be

860
00:31:55,190 --> 00:31:53,200
associated with a

861
00:31:56,950 --> 00:31:55,200
very strange bigfoot incident that

862
00:31:59,029 --> 00:31:56,960
happened to a member of the family

863
00:32:00,870 --> 00:31:59,039

it's you know i i've said for years and

864

00:32:01,590 --> 00:32:00,880

years long when you begin to study these

865

00:32:03,430 --> 00:32:01,600

cases

866

00:32:05,430 --> 00:32:03,440

and study the people and the backgrounds

867

00:32:06,310 --> 00:32:05,440

of the people you find that this

868

00:32:08,310 --> 00:32:06,320

phenomenon

869

00:32:09,909 --> 00:32:08,320

it's i said for years it's so strange to

870

00:32:12,830 --> 00:32:09,919

protect itself because who's going to

871

00:32:18,149 --> 00:32:14,549

um

872

00:32:20,070 --> 00:32:18,159

well you know just like a lot of

873

00:32:21,509 --> 00:32:20,080

these cryptic cases where these things

874

00:32:24,310 --> 00:32:21,519

are seen

875

00:32:25,509 --> 00:32:24,320

just for glimpses or whatever and then

876
00:32:27,350 --> 00:32:25,519
they disappear

877
00:32:28,870 --> 00:32:27,360
you know i kind of put them in that

878
00:32:32,230 --> 00:32:28,880
multiverse

879
00:32:35,269 --> 00:32:32,240
category you know that

880
00:32:37,750 --> 00:32:35,279
you know maybe there's something that's

881
00:32:39,029 --> 00:32:37,760
showing up in our plane our dimension

882
00:32:41,110 --> 00:32:39,039
and it goes away

883
00:32:42,630 --> 00:32:41,120
you know you know that's the only way i

884
00:32:45,669 --> 00:32:42,640
can explain it

885
00:32:46,389 --> 00:32:45,679
are you know even classified because

886
00:32:52,870 --> 00:32:46,399
it's

887
00:32:54,630 --> 00:32:52,880
that it was a flesh and blood type of

888
00:32:57,190 --> 00:32:54,640

being and you know we get so many of

889

00:33:01,509 --> 00:32:57,200

these things

890

00:33:02,630 --> 00:33:01,519

well you know going back to the 1973

891

00:33:03,830 --> 00:33:02,640

1974

892

00:33:06,230 --> 00:33:03,840

episodes were going on here in

893

00:33:08,070 --> 00:33:06,240

pennsylvania it was this amazing

894

00:33:10,870 --> 00:33:08,080

incredible time period

895

00:33:12,470 --> 00:33:10,880

and you know we had i had my teams back

896

00:33:14,230 --> 00:33:12,480

then and we were expanding

897

00:33:15,509 --> 00:33:14,240

24 hours a day with these cases and a

898

00:33:17,830 --> 00:33:15,519

lot of them were on the scene within

899

00:33:20,710 --> 00:33:17,840

minutes of hours after they occurred

900

00:33:22,549 --> 00:33:20,720

and prior to that i had always i had

901
00:33:23,750 --> 00:33:22,559
looked into bigfoot encounters

902
00:33:25,909 --> 00:33:23,760
i had been aware of the history of

903
00:33:27,669 --> 00:33:25,919
bigfoot in pennsylvania going back to

904
00:33:29,750 --> 00:33:27,679
fees going back to native americans and

905
00:33:31,350 --> 00:33:29,760
newspaper accounts in the 1800s talking

906
00:33:32,870 --> 00:33:31,360
about incidents in pennsylvania

907
00:33:34,630 --> 00:33:32,880
so things have been going on for a long

908
00:33:37,269 --> 00:33:34,640
time at a keystone state

909
00:33:38,470 --> 00:33:37,279
but i always felt after interviewing

910
00:33:40,870 --> 00:33:38,480
witnesses

911
00:33:42,389 --> 00:33:40,880
that if bigfoot was real and appeared

912
00:33:44,710 --> 00:33:42,399
that there was something out there

913
00:33:45,990 --> 00:33:44,720

that was very likely some type of

914

00:33:47,750 --> 00:33:46,000

unknown primates

915

00:33:49,430 --> 00:33:47,760

and i thought that years and years and i

916

00:33:51,029 --> 00:33:49,440

still keep an open mind all

917

00:33:54,870 --> 00:33:51,039

possibilities but

918

00:33:57,269 --> 00:33:54,880

as some of these cases unfolded in 1973

919

00:33:58,470 --> 00:33:57,279

i should say 72 but really 73 is when

920

00:34:01,350 --> 00:33:58,480

things really

921

00:34:02,149 --> 00:34:01,360

really began to get very very strange

922

00:34:04,710 --> 00:34:02,159

and then there been

923

00:34:06,470 --> 00:34:04,720

a number of incidents ever since then

924

00:34:07,669 --> 00:34:06,480

and i've been in touch with researchers

925

00:34:08,470 --> 00:34:07,679

throughout the country and around the

926
00:34:11,190 --> 00:34:08,480
world

927
00:34:12,069 --> 00:34:11,200
who have other very similar cases to

928
00:34:15,349 --> 00:34:12,079
what i've looked at

929
00:34:15,990 --> 00:34:15,359
here uh you know some of this case in 73

930
00:34:17,270 --> 00:34:16,000
i mean we can

931
00:34:18,950 --> 00:34:17,280
we could really get into it if you want

932
00:34:19,589 --> 00:34:18,960
to that's up to you so much to talk

933
00:34:21,909 --> 00:34:19,599
about

934
00:34:23,430 --> 00:34:21,919
but you know as these cases are

935
00:34:24,550 --> 00:34:23,440
unfolding you've got to remember back in

936
00:34:26,389 --> 00:34:24,560
those days

937
00:34:27,990 --> 00:34:26,399
there wasn't any internet there wasn't

938
00:34:30,790 --> 00:34:28,000

any cell phones

939

00:34:32,069 --> 00:34:30,800

when people had something unusual happen

940

00:34:33,990 --> 00:34:32,079

or they were frightened by something

941

00:34:35,190 --> 00:34:34,000

they called the police so a lot of these

942

00:34:36,950 --> 00:34:35,200

calls were coming in this

943

00:34:38,470 --> 00:34:36,960

the police department and these people

944

00:34:42,310 --> 00:34:38,480

were very serious

945

00:34:44,470 --> 00:34:42,320

um and we began to see a pattern where

946

00:34:46,869 --> 00:34:44,480

we would have a ufo sighting in one area

947

00:34:48,869 --> 00:34:46,879

and within minutes hours days later we'd

948

00:34:51,030 --> 00:34:48,879

have a bigfoot sighting or vice versa

949

00:34:53,270 --> 00:34:51,040

and then we began to have those cases

950

00:34:54,069 --> 00:34:53,280

where we had a ufo and a big machine

951
00:34:56,389 --> 00:34:54,079
together

952
00:34:57,829 --> 00:34:56,399
at the same time in place including a

953
00:35:01,349 --> 00:34:57,839
famous incident back in

954
00:35:02,790 --> 00:35:01,359
october 25th in 1973 in fayette county

955
00:35:03,349 --> 00:35:02,800
which i'm sure we'll talk about a lot

956
00:35:05,990 --> 00:35:03,359
tonight

957
00:35:06,390 --> 00:35:06,000
which is and it was outside of uniontown

958
00:35:08,470 --> 00:35:06,400
and

959
00:35:09,750 --> 00:35:08,480
uh that night about 10 30 i got a call

960
00:35:11,270 --> 00:35:09,760
from a state trooper

961
00:35:14,470 --> 00:35:11,280
he had just come back from investigating

962
00:35:16,230 --> 00:35:14,480
this multiple witness ufo landing

963
00:35:17,750 --> 00:35:16,240

with two bigfoot type creatures in the

964

00:35:19,670 --> 00:35:17,760

field at the same time

965

00:35:21,990 --> 00:35:19,680

and it was just it's probably one of the

966

00:35:22,950 --> 00:35:22,000

strangest most interesting bizarre case

967

00:35:24,630 --> 00:35:22,960

on record which i'm

968

00:35:26,390 --> 00:35:24,640

sure you read about are familiar with

969

00:35:28,550 --> 00:35:26,400

and it's a long story

970

00:35:30,470 --> 00:35:28,560

but anyhow that and then other cases

971

00:35:33,550 --> 00:35:30,480

that came to our attention including

972

00:35:36,630 --> 00:35:33,560

that very interesting event february 6

973

00:35:38,790 --> 00:35:36,640

1974 up in the mountains up towards ohio

974

00:35:40,390 --> 00:35:38,800

pile up in fayette county again

975

00:35:42,310 --> 00:35:40,400

where the woman who lived deep in the

976
00:35:43,910 --> 00:35:42,320
mountains got a little cabin home

977
00:35:45,589 --> 00:35:43,920
a woman who had lived here all her life

978
00:35:47,589 --> 00:35:45,599
was a very good shot

979
00:35:49,030 --> 00:35:47,599
and i heard a commotion on her little

980
00:35:50,950 --> 00:35:49,040
porch because something was

981
00:35:52,310 --> 00:35:50,960
moving the paw can so some pumpkins on a

982
00:35:53,990 --> 00:35:52,320
little pile out there and

983
00:35:55,670 --> 00:35:54,000
she had been having trouble with a pack

984
00:35:57,750 --> 00:35:55,680
of wild dogs previously and

985
00:35:59,589 --> 00:35:57,760
figured these dogs were back so she

986
00:36:02,310 --> 00:35:59,599
grabbed her shotgun

987
00:36:03,910 --> 00:36:02,320
loaded one round and went over to the

988
00:36:05,750 --> 00:36:03,920

wall switched on the light

989

00:36:08,310 --> 00:36:05,760

opened the front door and stepped out on

990

00:36:09,190 --> 00:36:08,320

the porch but instead of any dogs just a

991

00:36:11,829 --> 00:36:09,200

few feet away

992

00:36:13,910 --> 00:36:11,839

with this huge hairy creature with his

993

00:36:15,349 --> 00:36:13,920

arms straight up over his head

994

00:36:16,870 --> 00:36:15,359

and you know it's interesting the many

995

00:36:18,150 --> 00:36:16,880

times i interviewed her she never ever

996

00:36:20,390 --> 00:36:18,160

called it a bigfoot she said

997

00:36:21,430 --> 00:36:20,400

it looked like a great big hairy ape and

998

00:36:23,910 --> 00:36:21,440

what did she do

999

00:36:25,510 --> 00:36:23,920

she fired right into that thing and she

1000

00:36:26,230 --> 00:36:25,520

said there was this bright flash of

1001

00:36:27,990 --> 00:36:26,240

light

1002

00:36:29,910 --> 00:36:28,000

like a strobe on a camera and it

1003

00:36:31,829 --> 00:36:29,920

disappeared right in front of her

1004

00:36:33,750 --> 00:36:31,839

and then you had her in-laws that lived

1005

00:36:35,109 --> 00:36:33,760

100 feet away and heard the gunshot

1006

00:36:36,950 --> 00:36:35,119

and they called her on the phone said

1007

00:36:39,589 --> 00:36:36,960

what happened she told them and the side

1008

00:36:41,109 --> 00:36:39,599

of the law grabs a pistol

1009

00:36:43,430 --> 00:36:41,119

starts walking up towards her little

1010

00:36:44,950 --> 00:36:43,440

cabin house and he sees some figures

1011

00:36:46,630 --> 00:36:44,960

walking up the dark road

1012

00:36:49,430 --> 00:36:46,640

as he gets close he said he's surrounded

1013

00:36:51,510 --> 00:36:49,440

by um i believe was four or five hairy

1014

00:36:53,430 --> 00:36:51,520

people with eyes like coals of fire

1015

00:36:54,790 --> 00:36:53,440

and starts shooting at him randomly and

1016

00:36:56,230 --> 00:36:54,800

runs into the house

1017

00:36:57,910 --> 00:36:56,240

at about the same time there's this

1018

00:36:59,349 --> 00:36:57,920

large object it says like a big

1019

00:37:01,349 --> 00:36:59,359

christmas ornament hovering over the

1020

00:37:03,829 --> 00:37:01,359

woods and

1021

00:37:04,550 --> 00:37:03,839

that's when they called the state police

1022

00:37:06,950 --> 00:37:04,560

and

1023

00:37:07,990 --> 00:37:06,960

you know back at that time as you recall

1024

00:37:10,230 --> 00:37:08,000

we had a major

1025

00:37:12,069 --> 00:37:10,240

national trucker strike there was gas

1026

00:37:14,230 --> 00:37:12,079

rationing going on

1027

00:37:15,589 --> 00:37:14,240

and uh because of the violence and the

1028

00:37:17,190 --> 00:37:15,599

shootings on the highway

1029

00:37:19,670 --> 00:37:17,200

back then the state police and the

1030

00:37:22,150 --> 00:37:19,680

national guard were patrolling together

1031

00:37:23,750 --> 00:37:22,160

so they both responded to this incident

1032

00:37:25,670 --> 00:37:23,760

and i couldn't get up early the next

1033

00:37:28,150 --> 00:37:25,680

morning because i couldn't get any gas

1034

00:37:29,349 --> 00:37:28,160

but you know i talked to the the chief

1035

00:37:31,109 --> 00:37:29,359

investigating officer

1036

00:37:33,190 --> 00:37:31,119

and he said i don't know what was going

1037

00:37:33,990 --> 00:37:33,200

up here but something really weird was

1038

00:37:35,349 --> 00:37:34,000

occurring

1039

00:37:37,030 --> 00:37:35,359

and he based that on the animal

1040

00:37:38,390 --> 00:37:37,040

reactions which you know

1041

00:37:40,310 --> 00:37:38,400

all the years i've been doing this and

1042

00:37:42,630 --> 00:37:40,320

i've mentioned this before i have never

1043

00:37:44,390 --> 00:37:42,640

seen a ufo or bigfoot myself

1044

00:37:46,310 --> 00:37:44,400

i think that may have been a big foot in

1045

00:37:47,589 --> 00:37:46,320

a couple occasions back in those days

1046

00:37:50,950 --> 00:37:47,599

but i never saw one

1047

00:37:51,910 --> 00:37:50,960

but i have seen and others of my team

1048

00:37:54,150 --> 00:37:51,920

back in those days

1049

00:37:56,630 --> 00:37:54,160

did see the animal reactions you could

1050

00:38:00,230 --> 00:37:56,640

fool people you can for the animals

1051
00:38:03,349 --> 00:38:00,240
and very commonly especially with dogs

1052
00:38:06,150 --> 00:38:03,359
even the vicious biggest dogs around

1053
00:38:06,950 --> 00:38:06,160
when these creatures were close by they

1054
00:38:10,069 --> 00:38:06,960
were

1055
00:38:12,310 --> 00:38:10,079
completely changed animals

1056
00:38:13,510 --> 00:38:12,320
they was like paralyzed in fear they

1057
00:38:15,750 --> 00:38:13,520
wouldn't bark they would

1058
00:38:17,270 --> 00:38:15,760
move they would cower they would hide

1059
00:38:19,109 --> 00:38:17,280
wherever they could

1060
00:38:20,790 --> 00:38:19,119
uh they wouldn't sometimes even eat

1061
00:38:22,230 --> 00:38:20,800
properly for two or three days after the

1062
00:38:25,109 --> 00:38:22,240
incident happened

1063
00:38:26,790 --> 00:38:25,119

and that reaction was seen that night by

1064

00:38:29,990 --> 00:38:26,800

the police on the scene

1065

00:38:32,069 --> 00:38:30,000

and other animals in the field cats in

1066

00:38:34,310 --> 00:38:32,079

the house even a little baby

1067

00:38:35,589 --> 00:38:34,320

who was extremely the people sat in the

1068

00:38:37,829 --> 00:38:35,599

house that child

1069

00:38:38,790 --> 00:38:37,839

just seemed so upset as the navy was

1070

00:38:40,470 --> 00:38:38,800

sensing something

1071

00:38:41,990 --> 00:38:40,480

but it was crying and upset like i've

1072

00:38:44,390 --> 00:38:42,000

never been anyway

1073

00:38:46,069 --> 00:38:44,400

anytime like that prior to it so that's

1074

00:38:48,470 --> 00:38:46,079

something that keeps showing up

1075

00:38:49,750 --> 00:38:48,480

quite often even in more recent years

1076

00:38:52,390 --> 00:38:49,760

you keep getting

1077

00:38:54,710 --> 00:38:52,400

animal reaction reports and uh that's

1078

00:38:55,990 --> 00:38:54,720

very interesting

1079

00:38:58,630 --> 00:38:56,000

you know you were talking about we were

1080

00:39:00,310 --> 00:38:58,640

talking about floating entities and

1081

00:39:01,910 --> 00:39:00,320

yeah you do have some lists in the book

1082

00:39:05,109 --> 00:39:01,920

but one in particular

1083

00:39:08,150 --> 00:39:05,119

because i saw the i saw the the drawing

1084

00:39:09,270 --> 00:39:08,160

and it reminded me so much of the

1085

00:39:12,470 --> 00:39:09,280

flatwoods

1086

00:39:15,829 --> 00:39:12,480

monster incident that salzburg

1087

00:39:18,390 --> 00:39:15,839

ufo abduction case do you think there

1088

00:39:21,829 --> 00:39:18,400

were any similarities between those two

1089

00:39:23,510 --> 00:39:21,839

those two cases you know what it's um

1090

00:39:25,109 --> 00:39:23,520

it's very interesting but you know what

1091

00:39:27,430 --> 00:39:25,119

also looked a lot like

1092

00:39:29,190 --> 00:39:27,440

was the incident that happened i believe

1093

00:39:32,950 --> 00:39:29,200

down at um

1094

00:39:36,630 --> 00:39:32,960

uh mississippi uh 1973

1095

00:39:38,630 --> 00:39:36,640

you remember with the two fishermen yeah

1096

00:39:39,990 --> 00:39:38,640

mississippi yeah and they had the

1097

00:39:43,349 --> 00:39:40,000

floating entity with

1098

00:39:46,150 --> 00:39:43,359

i believe the claw-like hands right

1099

00:39:47,510 --> 00:39:46,160

that was interesting and you remember a

1100

00:39:50,069 --> 00:39:47,520

little bit ago we were talking about the

1101

00:39:53,109 --> 00:39:50,079

floating entity in the house

1102

00:39:55,030 --> 00:39:53,119

um that occurred with some with a very

1103

00:39:56,950 --> 00:39:55,040

strange bigfoot case that

1104

00:39:58,630 --> 00:39:56,960

i go into the silent asian book and i

1105

00:40:00,550 --> 00:39:58,640

talk about it i have to go look at the

1106

00:40:01,990 --> 00:40:00,560

details it's been so long ago but as i

1107

00:40:05,589 --> 00:40:02,000

recall

1108

00:40:08,470 --> 00:40:05,599

um the one person in the house

1109

00:40:09,990 --> 00:40:08,480

uh had told her husband about seeing

1110

00:40:12,630 --> 00:40:10,000

this creature would have looked like

1111

00:40:13,910 --> 00:40:12,640

and it wasn't long after that that news

1112

00:40:15,670 --> 00:40:13,920

story broke

1113

00:40:18,069 --> 00:40:15,680

about what the creatures the fishermen

1114

00:40:24,550 --> 00:40:18,079

saw and it was they were very similar

1115

00:40:27,589 --> 00:40:24,560

what she described to her husband

1116

00:40:29,510 --> 00:40:27,599

yeah because i you know i i i had never

1117

00:40:31,829 --> 00:40:29,520

seen that drawing before

1118

00:40:33,589 --> 00:40:31,839

and when i was reading about i'm

1119

00:40:36,069 --> 00:40:33,599

thinking my god that thing looks

1120

00:40:37,910 --> 00:40:36,079

familiar yeah you know you're right but

1121

00:40:39,990 --> 00:40:37,920

that mississippi case i guess you could

1122

00:40:46,230 --> 00:40:40,000

kind of put that in there as well

1123

00:40:49,270 --> 00:40:47,990

a lot of it was in the book i've never

1124

00:40:49,990 --> 00:40:49,280

published before and that's the first

1125

00:40:51,990 --> 00:40:50,000

time

1126
00:40:53,030 --> 00:40:52,000
that i can recall ever publishing that

1127
00:40:55,349 --> 00:40:53,040
scam yeah

1128
00:40:56,230 --> 00:40:55,359
yeah i had never seen that that was

1129
00:40:59,670 --> 00:40:56,240
interesting

1130
00:41:01,430 --> 00:40:59,680
um yeah now of course you know

1131
00:41:04,630 --> 00:41:01,440
and everybody else knows that have been

1132
00:41:08,470 --> 00:41:04,640
reading fans and monsters about these uh

1133
00:41:10,630 --> 00:41:08,480
these dog men are upright candid

1134
00:41:12,790 --> 00:41:10,640
bipedal candid signings that we've been

1135
00:41:16,390 --> 00:41:12,800
getting recently

1136
00:41:17,270 --> 00:41:16,400
and uh you had uh you've had several of

1137
00:41:19,589 --> 00:41:17,280
these

1138
00:41:21,670 --> 00:41:19,599

tainted sightings but you know the one

1139

00:41:23,510 --> 00:41:21,680

that the one that interested me the most

1140

00:41:25,390 --> 00:41:23,520

was the one in bradford county that

1141

00:41:28,870 --> 00:41:25,400

werewolf studying at back in

1142

00:41:30,870 --> 00:41:28,880

2012 can you kind of can you kind of go

1143

00:41:33,750 --> 00:41:30,880

over that with us

1144

00:41:35,349 --> 00:41:33,760

you know that's um that case was one of

1145

00:41:36,309 --> 00:41:35,359

the case when i interviewed those people

1146

00:41:38,390 --> 00:41:36,319

this was a

1147

00:41:39,910 --> 00:41:38,400

a couple and they had broken up in the

1148

00:41:41,670 --> 00:41:39,920

meantime uh

1149

00:41:43,510 --> 00:41:41,680

since the event happened and it took me

1150

00:41:45,030 --> 00:41:43,520

a while to get a hold of the girlfriend

1151

00:41:46,710 --> 00:41:45,040

and i finally did i got a chance to

1152

00:41:49,589 --> 00:41:46,720

interview them both in detail

1153

00:41:51,430 --> 00:41:49,599

they were both so shook up and upset

1154

00:41:54,630 --> 00:41:51,440

over this thing i mean the man was

1155

00:41:57,109 --> 00:41:54,640

very very emotional over it and uh

1156

00:41:58,309 --> 00:41:57,119

but their stories were so identical what

1157

00:42:01,750 --> 00:41:58,319

happened that night

1158

00:42:03,829 --> 00:42:01,760

and uh you know if i have rarely ever

1159

00:42:07,430 --> 00:42:03,839

come across any what i would really call

1160

00:42:09,030 --> 00:42:07,440

werewolf reports but i'm not sure what

1161

00:42:10,870 --> 00:42:09,040

this thing was that they thought

1162

00:42:12,230 --> 00:42:10,880

but you know i'll be glad to go over

1163

00:42:13,510 --> 00:42:12,240

some of that account that happened

1164

00:42:16,870 --> 00:42:13,520

actually

1165

00:42:20,230 --> 00:42:16,880

uh november of 2011 outside of troy

1166

00:42:22,150 --> 00:42:20,240

pennsylvania bradford county right and

1167

00:42:23,430 --> 00:42:22,160

and anyhow i was about 11 o'clock that

1168

00:42:25,670 --> 00:42:23,440

night when they were driving down what

1169

00:42:28,150 --> 00:42:25,680

they called mud creek road

1170

00:42:29,030 --> 00:42:28,160

and that was a very dark narrow road as

1171

00:42:31,670 --> 00:42:29,040

i understand

1172

00:42:32,710 --> 00:42:31,680

and they're coming down the road and all

1173

00:42:34,790 --> 00:42:32,720

of a sudden

1174

00:42:35,990 --> 00:42:34,800

they see to the left side of the road

1175

00:42:38,390 --> 00:42:36,000

what looks appeared

1176
00:42:39,990 --> 00:42:38,400
what appears to be a naked man crawling

1177
00:42:42,470 --> 00:42:40,000
on the side of the road

1178
00:42:44,069 --> 00:42:42,480
so the guy decreases his feet and

1179
00:42:46,150 --> 00:42:44,079
swerves his truck around in the middle

1180
00:42:48,470 --> 00:42:46,160
of the road and directs his high beams

1181
00:42:50,710 --> 00:42:48,480
of his headlights towards the subject

1182
00:42:51,589 --> 00:42:50,720
and a driver stops about 30 feet to 40

1183
00:42:53,270 --> 00:42:51,599
feet away

1184
00:42:55,109 --> 00:42:53,280
and they soon realize this was not a

1185
00:42:57,670 --> 00:42:55,119
person but an aesthetic creature

1186
00:42:59,190 --> 00:42:57,680
that was crawling very low to the ground

1187
00:43:00,470 --> 00:42:59,200
as they watched the creature moved into

1188
00:43:02,230 --> 00:43:00,480

a squatting position

1189

00:43:04,710 --> 00:43:02,240

with his back completely straight

1190

00:43:06,069 --> 00:43:04,720

somewhat like a stance of kangaroo

1191

00:43:08,230 --> 00:43:06,079

the arms of the creature were held

1192

00:43:10,550 --> 00:43:08,240

tightly to his body what looked like

1193

00:43:12,069 --> 00:43:10,560

long claws resembled talons of an eagle

1194

00:43:13,589 --> 00:43:12,079

were easily visible

1195

00:43:15,190 --> 00:43:13,599

the claws were estimated to be about

1196

00:43:16,710 --> 00:43:15,200

eight to ten inches in length

1197

00:43:19,430 --> 00:43:16,720

one club was shorter than the other

1198

00:43:20,950 --> 00:43:19,440

three the creature had a muscular body

1199

00:43:23,670 --> 00:43:20,960

the head of the beast appeared to be

1200

00:43:25,510 --> 00:43:23,680

oversized and shaped like that of a wolf

1201
00:43:26,950 --> 00:43:25,520
at the top of the head there were two

1202
00:43:28,710 --> 00:43:26,960
pointed bat-like ears

1203
00:43:31,430 --> 00:43:28,720
that looked about four to six inches

1204
00:43:34,150 --> 00:43:31,440
long the entire creature

1205
00:43:35,190 --> 00:43:34,160
was covered with dull wrinkly dark black

1206
00:43:36,950 --> 00:43:35,200
skin

1207
00:43:39,190 --> 00:43:36,960
and the man described seeing large

1208
00:43:40,710 --> 00:43:39,200
canine-like teeth in its mouth

1209
00:43:43,349 --> 00:43:40,720
the eyes of the creature about the size

1210
00:43:45,109 --> 00:43:43,359
of a silver golem with shiny black

1211
00:43:46,950 --> 00:43:45,119
the man stated even though he had his

1212
00:43:49,750 --> 00:43:46,960
high beams directed at the creature

1213
00:43:51,270 --> 00:43:49,760

the eyes did not reflect at all the man

1214

00:43:52,710 --> 00:43:51,280

said he looked over the body during the

1215

00:43:55,829 --> 00:43:52,720

12-second encounter

1216

00:43:58,230 --> 00:43:55,839

and for some reason though the creature

1217

00:43:59,109 --> 00:43:58,240

[h__\h] i should say when he watches thing

1218

00:44:00,870 --> 00:43:59,119

he thought

1219

00:44:02,550 --> 00:44:00,880

that what do you think should have had

1220

00:44:04,790 --> 00:44:02,560

wings for some reason

1221

00:44:06,550 --> 00:44:04,800

but none were apparent in the squatting

1222

00:44:07,349 --> 00:44:06,560

position the creature seemed about five

1223

00:44:09,990 --> 00:44:07,359

feet tall

1224

00:44:11,510 --> 00:44:10,000

but at this point the creature walked in

1225

00:44:14,069 --> 00:44:11,520

the left lane of the road

1226
00:44:15,910 --> 00:44:14,079
and about one to two onto the pavement

1227
00:44:18,309 --> 00:44:15,920
as the couple watched in amazement

1228
00:44:20,069 --> 00:44:18,319
the creature began to stretch his body

1229
00:44:20,790 --> 00:44:20,079
the man said at that point the animal

1230
00:44:23,190 --> 00:44:20,800
started

1231
00:44:25,030 --> 00:44:23,200
to stand up on his black back legs while

1232
00:44:27,270 --> 00:44:25,040
also falling over on his front

1233
00:44:28,470 --> 00:44:27,280
feet the driver said in that position

1234
00:44:31,030 --> 00:44:28,480
the creature seemed to be

1235
00:44:33,109 --> 00:44:31,040
six to seven feet tall the animal then

1236
00:44:34,870 --> 00:44:33,119
fell over on all fours

1237
00:44:36,309 --> 00:44:34,880
the witness observed that the front

1238
00:44:38,069 --> 00:44:36,319

claws at a creature were now

1239

00:44:40,470 --> 00:44:38,079

two feet across the center line of the

1240

00:44:41,829 --> 00:44:40,480

highway while the back feet remain

1241

00:44:43,990 --> 00:44:41,839

one to two feet from the edge of the

1242

00:44:44,550 --> 00:44:44,000

road the creature then turns his head to

1243

00:44:47,109 --> 00:44:44,560

the right

1244

00:44:48,630 --> 00:44:47,119

and look towards the vehicle now this is

1245

00:44:49,349 --> 00:44:48,640

interesting and we've talked about this

1246

00:44:51,829 --> 00:44:49,359

again

1247

00:44:52,390 --> 00:44:51,839

what this what's common is the driver

1248

00:44:54,470 --> 00:44:52,400

told me

1249

00:44:55,829 --> 00:44:54,480

that it looked directly at them with a

1250

00:44:58,630 --> 00:44:55,839

horrific expression

1251
00:44:59,589 --> 00:44:58,640
like it was panicked the fellow saw take

1252
00:45:00,870 --> 00:44:59,599
a deep breath

1253
00:45:02,150 --> 00:45:00,880
he had this feeling that the creature

1254
00:45:02,790 --> 00:45:02,160
didn't realize that it was being

1255
00:45:05,190 --> 00:45:02,800
observed

1256
00:45:07,349 --> 00:45:05,200
and when it realized it was it was like

1257
00:45:09,190 --> 00:45:07,359
it was caught doing something

1258
00:45:10,630 --> 00:45:09,200
once it realized it was being observed

1259
00:45:12,950 --> 00:45:10,640
it leaned back slightly

1260
00:45:15,190 --> 00:45:12,960
then reached forward with its claws the

1261
00:45:17,190 --> 00:45:15,200
creature then took one tremendous leap

1262
00:45:19,270 --> 00:45:17,200
clearing a seven foot embankment and

1263
00:45:22,550 --> 00:45:19,280

moved out of sight into the woods

1264

00:45:24,069 --> 00:45:22,560

the benefit was about 40 feet long as it

1265

00:45:26,309 --> 00:45:24,079

was in the process of leaping

1266

00:45:27,829 --> 00:45:26,319

it was perfectly straight and held its

1267

00:45:30,550 --> 00:45:27,839

front claws forward

1268

00:45:31,510 --> 00:45:30,560

the legs as it was leaping were only

1269

00:45:33,829 --> 00:45:31,520

slightly

1270

00:45:36,950 --> 00:45:33,839

uh larger than broomsticks or about the

1271

00:45:38,550 --> 00:45:36,960

size of a walking crane were very long

1272

00:45:40,309 --> 00:45:38,560

then just a second after the creature

1273

00:45:41,510 --> 00:45:40,319

was glenn from sight something else

1274

00:45:44,230 --> 00:45:41,520

really hard happened

1275

00:45:46,069 --> 00:45:44,240

a large bird possibly an owl suddenly

1276

00:45:48,230 --> 00:45:46,079

rushed the passenger side window

1277

00:45:49,510 --> 00:45:48,240

almost hitting the glass that took off

1278

00:45:51,109 --> 00:45:49,520

and did not return

1279

00:45:53,190 --> 00:45:51,119

it happened so fast they aren't sure if

1280

00:45:54,710 --> 00:45:53,200

it was an owl or not the witnesses

1281

00:45:55,270 --> 00:45:54,720

indicated this creature appeared to be

1282

00:45:58,230 --> 00:45:55,280

changing

1283

00:46:00,069 --> 00:45:58,240

form the driver said its shape was

1284

00:46:02,309 --> 00:46:00,079

nothing like when it was squatted

1285

00:46:03,829 --> 00:46:02,319

the woman stated to me that it shaped

1286

00:46:06,150 --> 00:46:03,839

into another form

1287

00:46:08,230 --> 00:46:06,160

she thought it was a little dark brown

1288

00:46:09,670 --> 00:46:08,240

color and looked like a werewolf with a

1289

00:46:11,510 --> 00:46:09,680

little back hair

1290

00:46:13,109 --> 00:46:11,520

she estimated that when it was leaping

1291

00:46:14,470 --> 00:46:13,119

into the woods she thought it stood

1292

00:46:16,470 --> 00:46:14,480

about nine feet tall

1293

00:46:17,750 --> 00:46:16,480

the woman while reluctant to say it said

1294

00:46:20,150 --> 00:46:17,760

i think it was a man

1295

00:46:21,750 --> 00:46:20,160

chased into a werewolf it was just a

1296

00:46:23,670 --> 00:46:21,760

really interesting case and

1297

00:46:26,230 --> 00:46:23,680

when you talk when you heard the

1298

00:46:26,710 --> 00:46:26,240

emotions and described as a detail it

1299

00:46:30,470 --> 00:46:26,720

was

1300

00:46:35,349 --> 00:46:32,870

well you know you know what fascinates

1301

00:46:37,109 --> 00:46:35,359

me with this one in particular but

1302

00:46:38,950 --> 00:46:37,119

you know you and i talked about this the

1303

00:46:42,870 --> 00:46:38,960

last time you were on

1304

00:46:44,230 --> 00:46:42,880

is how some of these cryptids and

1305

00:46:46,069 --> 00:46:44,240

i think most of we're talking about

1306

00:46:49,190 --> 00:46:46,079

bigfoot show a lot of

1307

00:46:50,950 --> 00:46:49,200

human reaction to certain things like

1308

00:46:54,470 --> 00:46:50,960

you know we were talking about when

1309

00:46:57,829 --> 00:46:54,480

people you know when the people

1310

00:46:58,630 --> 00:46:57,839

are noticed noticing it when they look

1311

00:47:01,829 --> 00:46:58,640

at it and they

1312

00:47:04,630 --> 00:47:01,839

they can tell that the the person

1313

00:47:05,910 --> 00:47:04,640

sees it it kind of reacts like like it's

1314

00:47:10,069 --> 00:47:05,920

surprised

1315

00:47:12,630 --> 00:47:10,079

uh yeah yeah and now and now this this

1316

00:47:13,430 --> 00:47:12,640

werewolf aware was had like a human

1317

00:47:15,990 --> 00:47:13,440

reaction

1318

00:47:18,069 --> 00:47:16,000

as well and you know if it was a shape

1319

00:47:20,470 --> 00:47:18,079

shifter well then so be it but

1320

00:47:21,829 --> 00:47:20,480

you know some of these some of these

1321

00:47:23,670 --> 00:47:21,839

cryptids

1322

00:47:26,470 --> 00:47:23,680

are so interesting that they do show

1323

00:47:29,990 --> 00:47:26,480

like a human reaction to things

1324

00:47:32,790 --> 00:47:30,000

oh yeah and um you know

1325

00:47:33,510 --> 00:47:32,800

the one case other than a bigfoot was an

1326
00:47:35,270 --> 00:47:33,520
incident

1327
00:47:37,190 --> 00:47:35,280
that looked into it happened in the fall

1328
00:47:39,030 --> 00:47:37,200
of 2007

1329
00:47:40,790 --> 00:47:39,040
down in west virginia down near

1330
00:47:43,589 --> 00:47:40,800
clendenin

1331
00:47:44,870 --> 00:47:43,599
and uh this was a very interesting

1332
00:47:48,069 --> 00:47:44,880
thunderbird sighting

1333
00:47:49,430 --> 00:47:48,079
or a giant wing crypted and this

1334
00:47:50,150 --> 00:47:49,440
happened by eight o'clock in the morning

1335
00:47:52,630 --> 00:47:50,160
it was a

1336
00:47:54,069 --> 00:47:52,640
two-lane rural road outside of clem down

1337
00:47:56,470 --> 00:47:54,079
in west virginia

1338
00:47:58,470 --> 00:47:56,480

and the man was riding down the road

1339

00:48:00,870 --> 00:47:58,480

when he suddenly had to hit the brakes

1340

00:48:02,710 --> 00:48:00,880

because there's this huge bird only a

1341

00:48:04,390 --> 00:48:02,720

few yards ahead on the road

1342

00:48:06,230 --> 00:48:04,400

eating roadkill there you go again with

1343

00:48:08,150 --> 00:48:06,240

your roadkill

1344

00:48:10,230 --> 00:48:08,160

the man was strung by the size of the

1345

00:48:10,870 --> 00:48:10,240

creature and it stood at least four feet

1346

00:48:12,309 --> 00:48:10,880

tall

1347

00:48:14,309 --> 00:48:12,319

and his head extended above the roof

1348

00:48:15,030 --> 00:48:14,319

line of the vehicle the head was

1349

00:48:16,870 --> 00:48:15,040

dominant

1350

00:48:18,309 --> 00:48:16,880

was not overly proportioned to the body

1351
00:48:19,990 --> 00:48:18,319
the head was featherless

1352
00:48:21,990 --> 00:48:20,000
separated from the rest of the body by a

1353
00:48:24,230 --> 00:48:22,000
prominent yellowish orange color

1354
00:48:25,910 --> 00:48:24,240
of plumage the body was covered with

1355
00:48:26,630 --> 00:48:25,920
dark brown or black feathers which by

1356
00:48:28,710 --> 00:48:26,640
the way

1357
00:48:30,069 --> 00:48:28,720
is very common with a lot of the giant

1358
00:48:32,150 --> 00:48:30,079
bird reports

1359
00:48:33,510 --> 00:48:32,160
uh the beak appeared dark was quite

1360
00:48:35,750 --> 00:48:33,520
large and long

1361
00:48:37,270 --> 00:48:35,760
the eyes were dark in color the witness

1362
00:48:38,710 --> 00:48:37,280
did not recall much detail about the

1363
00:48:39,510 --> 00:48:38,720

feet however the legs were covered in

1364

00:48:41,829 --> 00:48:39,520

feathers

1365

00:48:43,670 --> 00:48:41,839

but the feet were bare the chest of the

1366

00:48:44,710 --> 00:48:43,680

giant fowl was distinct and that was

1367

00:48:46,549 --> 00:48:44,720

well formed

1368

00:48:48,950 --> 00:48:46,559

the witness point out the most striking

1369

00:48:50,950 --> 00:48:48,960

feature was a massive wingspan

1370

00:48:53,109 --> 00:48:50,960

which is easily as wide as a two-lane

1371

00:48:54,390 --> 00:48:53,119

road the man actually went back to the

1372

00:48:55,190 --> 00:48:54,400

site and measured the distance of the

1373

00:48:59,030 --> 00:48:55,200

roadway

1374

00:49:01,270 --> 00:48:59,040

from edge to edge it was 21 feet across

1375

00:49:03,270 --> 00:49:01,280

the width the wings were as i can

1376
00:49:03,750 --> 00:49:03,280
remember as arms of human are attached

1377
00:49:07,829 --> 00:49:03,760
it had

1378
00:49:08,790 --> 00:49:07,839
torso and the wings were as if they were

1379
00:49:12,390 --> 00:49:08,800
his arms

1380
00:49:13,349 --> 00:49:12,400
but the driver said we both start each

1381
00:49:15,750 --> 00:49:13,359
other it seems

1382
00:49:17,990 --> 00:49:15,760
for it looked as shocked as i was when

1383
00:49:19,990 --> 00:49:18,000
the bird became startled and pulled his

1384
00:49:21,750 --> 00:49:20,000
head back to stare at the driver

1385
00:49:23,670 --> 00:49:21,760
the bird then ran from the car as if it

1386
00:49:25,510 --> 00:49:23,680
was going to fly in an awkward manner

1387
00:49:27,109 --> 00:49:25,520
it ran jumping from one foot to the

1388
00:49:28,790 --> 00:49:27,119

other in a hopping manner

1389

00:49:30,549 --> 00:49:28,800

while flapping his wings to gain speed

1390

00:49:32,390 --> 00:49:30,559

for takeoff the witness said it was

1391

00:49:34,309 --> 00:49:32,400

similar to a jumping hopping run

1392

00:49:36,150 --> 00:49:34,319

and it moved about five yards then with

1393

00:49:37,750 --> 00:49:36,160

his huge wings i think finally lifted

1394

00:49:39,349 --> 00:49:37,760

off the road and went up

1395

00:49:41,589 --> 00:49:39,359

over the hill but the man said the

1396

00:49:43,349 --> 00:49:41,599

wingtips were stirring up the dust and

1397

00:49:43,750 --> 00:49:43,359

gravel on both sides of the road as it

1398

00:49:45,910 --> 00:49:43,760

ran

1399

00:49:47,109 --> 00:49:45,920

became airborne so that's where he could

1400

00:49:47,829 --> 00:49:47,119

measure it because you could see the

1401

00:49:49,829 --> 00:49:47,839

wingtips

1402

00:49:51,589 --> 00:49:49,839

right touching the edge of the rope and

1403

00:49:53,910 --> 00:49:51,599

it was 21 feet across

1404

00:49:55,589 --> 00:49:53,920

and when he did some research he went to

1405

00:49:56,790 --> 00:49:55,599

the library and he said the closest

1406

00:50:00,140 --> 00:49:56,800

thing he could find

1407

00:50:02,549 --> 00:50:00,150

was a picture of an extinct territory

1408

00:50:06,230 --> 00:50:02,559

[Music]

1409

00:50:08,710 --> 00:50:06,240

there you go you know the whole thing

1410

00:50:09,510 --> 00:50:08,720

is as you said and i've said where these

1411

00:50:11,750 --> 00:50:09,520

things come from

1412

00:50:13,270 --> 00:50:11,760

where do they go it seems as though in

1413

00:50:15,510 --> 00:50:13,280

some of these events

1414

00:50:18,549 --> 00:50:15,520

these things seem to have the ability

1415

00:50:20,870 --> 00:50:18,559

that they come into our physical reality

1416

00:50:22,470 --> 00:50:20,880

they look physically solid they can at

1417

00:50:24,870 --> 00:50:22,480

times leave physical evidence and then

1418

00:50:28,309 --> 00:50:24,880

they're gone

1419

00:50:30,790 --> 00:50:28,319

yeah yeah i am you know i kind of had to

1420

00:50:33,670 --> 00:50:30,800

subscribe to that multiverse

1421

00:50:35,190 --> 00:50:33,680

explanation you know i can't be specific

1422

00:50:36,390 --> 00:50:35,200

because you know i have no idea where

1423

00:50:39,109 --> 00:50:36,400

they're coming from

1424

00:50:40,549 --> 00:50:39,119

but you know you know is there a

1425

00:50:41,750 --> 00:50:40,559

possibility that they're coming from

1426

00:50:44,150 --> 00:50:41,760

another

1427

00:50:44,790 --> 00:50:44,160

you know dimension yeah you know it may

1428

00:50:47,750 --> 00:50:44,800

be or

1429

00:50:48,870 --> 00:50:47,760

another alternative uh alternate

1430

00:50:52,230 --> 00:50:48,880

universe

1431

00:50:54,790 --> 00:50:52,240

it's very possible yeah and you know

1432

00:50:56,069 --> 00:50:54,800

just like um as that woman was

1433

00:50:58,790 --> 00:50:56,079

describing with that

1434

00:51:00,790 --> 00:50:58,800

skinny floating entity in bumper county

1435

00:51:02,549 --> 00:51:00,800

it was hard for her to try to even

1436

00:51:05,349 --> 00:51:02,559

explain what she saw

1437

00:51:05,990 --> 00:51:05,359

but you know as i mentioned uh in other

1438

00:51:08,630 --> 00:51:06,000

cases

1439

00:51:09,430 --> 00:51:08,640

and uh and we've discussed some other

1440

00:51:10,630 --> 00:51:09,440

cases over here

1441

00:51:13,190 --> 00:51:10,640

some of these things even with some of

1442

00:51:14,069 --> 00:51:13,200

those bigfoot cases there are instances

1443

00:51:18,390 --> 00:51:14,079

where these things

1444

00:51:20,390 --> 00:51:18,400

are not completely physically solid um

1445

00:51:21,990 --> 00:51:20,400

there have been cases where you people

1446

00:51:23,829 --> 00:51:22,000

only saw parts of the

1447

00:51:26,150 --> 00:51:23,839

of the torso of the body that was not a

1448

00:51:29,349 --> 00:51:26,160

complete creature as weird as it sounds

1449

00:51:31,349 --> 00:51:29,359

they're very far few between um

1450

00:51:33,589 --> 00:51:31,359

some of these things you know again they

1451

00:51:35,829 --> 00:51:33,599

suddenly appear and disappear

1452

00:51:37,750 --> 00:51:35,839

there's odd cases going back years and

1453

00:51:39,030 --> 00:51:37,760

years not in pennsylvania but i knew

1454

00:51:40,470 --> 00:51:39,040

other researchers have looked at some of

1455

00:51:42,790 --> 00:51:40,480

these cases where

1456

00:51:45,750 --> 00:51:42,800

these things uh was physically changed

1457

00:51:49,589 --> 00:51:45,760

allegedly into another form

1458

00:51:52,710 --> 00:51:49,599

and uh it's so strange and unusual

1459

00:51:54,470 --> 00:51:52,720

and the one case i mentioned in my my

1460

00:51:55,670 --> 00:51:54,480

new book the astonishing encounters is a

1461

00:51:57,750 --> 00:51:55,680

case uh

1462

00:51:59,190 --> 00:51:57,760

i got to know the witness very well is a

1463

00:52:00,390 --> 00:51:59,200

great guy who passed away a number of

1464

00:52:03,109 --> 00:52:00,400

years ago this was on

1465

00:52:05,270 --> 00:52:03,119

cambria county outside of johnstown and

1466

00:52:07,589 --> 00:52:05,280

it was a really detailed

1467

00:52:11,349 --> 00:52:07,599

to witness a bigfoot encounter back in

1468

00:52:14,790 --> 00:52:11,359

1995 around 422 outside of revlock

1469

00:52:15,910 --> 00:52:14,800

and uh very detailed description of this

1470

00:52:19,109 --> 00:52:15,920

bigfoot walking

1471

00:52:20,549 --> 00:52:19,119

but interestingly as the wizard is

1472

00:52:22,710 --> 00:52:20,559

describing he's talking about

1473

00:52:24,390 --> 00:52:22,720

it's um you know the the size of this

1474

00:52:26,150 --> 00:52:24,400

thing and how it's moving with his long

1475

00:52:27,829 --> 00:52:26,160

arms going up the hill

1476
00:52:29,510 --> 00:52:27,839
and then he states that the chest area

1477
00:52:31,109 --> 00:52:29,520
of the animal is wide and deep

1478
00:52:33,270 --> 00:52:31,119
but the lower half of the body appear to

1479
00:52:34,950 --> 00:52:33,280
be slightly out of focus

1480
00:52:36,390 --> 00:52:34,960
that out of phase appearance followed

1481
00:52:38,630 --> 00:52:36,400
the creature as it walked

1482
00:52:40,230 --> 00:52:38,640
to witness stress that was not flogged

1483
00:52:41,829 --> 00:52:40,240
and that was a clear night at the time

1484
00:52:44,150 --> 00:52:41,839
of the observation

1485
00:52:45,750 --> 00:52:44,160
so here you go again it seems as though

1486
00:52:48,069 --> 00:52:45,760
maybe it was a process of

1487
00:52:51,109 --> 00:52:48,079
materializing and dematerializing who

1488
00:52:54,710 --> 00:52:53,589

oh by the way i want i i don't know if

1489

00:52:57,910 --> 00:52:54,720

you realize this and

1490

00:53:01,990 --> 00:52:57,920

now you mentioned cambria county now

1491

00:53:05,910 --> 00:53:02,000

we've had three dog man reports

1492

00:53:08,950 --> 00:53:05,920

come out of portage portis pennsylvania

1493

00:53:12,150 --> 00:53:08,960

yeah and all three of them were in that

1494

00:53:14,790 --> 00:53:12,160

town park and i think well now

1495

00:53:15,270 --> 00:53:14,800

the one was a case that somebody else

1496

00:53:17,750 --> 00:53:15,280

had

1497

00:53:18,309 --> 00:53:17,760

mentioned but the two two other ones

1498

00:53:20,549 --> 00:53:18,319

were

1499

00:53:21,589 --> 00:53:20,559

witnesses that our investigators talked

1500

00:53:24,390 --> 00:53:21,599

to

1501
00:53:25,670 --> 00:53:24,400
and they've all been going on now just

1502
00:53:28,790 --> 00:53:25,680
within the last

1503
00:53:31,510 --> 00:53:28,800
maybe two three years yep so that's

1504
00:53:31,829 --> 00:53:31,520
also the same general area where there's

1505
00:53:34,230 --> 00:53:31,839
been

1506
00:53:34,870 --> 00:53:34,240
a lot of historical bigfoot activity

1507
00:53:38,150 --> 00:53:34,880
going on

1508
00:53:40,309 --> 00:53:38,160
going back to least 70s and in the last

1509
00:53:41,750 --> 00:53:40,319
few years as well so i'm hearing that

1510
00:53:43,589 --> 00:53:41,760
i've talked a lot of witnesses

1511
00:53:45,349 --> 00:53:43,599
over the last several years who have had

1512
00:53:46,069 --> 00:53:45,359
bigfoot encounters up there so once

1513
00:53:48,630 --> 00:53:46,079

again

1514

00:53:51,030 --> 00:53:48,640

you know it has a lot to do with how far

1515

00:53:53,270 --> 00:53:51,040

you were from the creature the lighting

1516

00:53:55,030 --> 00:53:53,280

in a lot of different not everybody may

1517

00:53:56,309 --> 00:53:55,040

have seen some of the details that other

1518

00:53:59,750 --> 00:53:56,319

people did

1519

00:54:01,190 --> 00:53:59,760

yeah yeah wow so we were we were talking

1520

00:54:03,829 --> 00:54:01,200

about that earlier

1521

00:54:05,630 --> 00:54:03,839

how many of these bigfoot sightings

1522

00:54:09,109 --> 00:54:05,640

could actually be

1523

00:54:11,510 --> 00:54:09,119

misinterpreted uh quote-unquote dogman

1524

00:54:12,470 --> 00:54:11,520

sightings william vice versa i mean yeah

1525

00:54:17,030 --> 00:54:12,480

i mean

1526

00:54:20,309 --> 00:54:18,630

yeah that you know you're right that

1527

00:54:24,630 --> 00:54:20,319

might be

1528

00:54:27,349 --> 00:54:24,640

in imported

1529

00:54:28,870 --> 00:54:27,359

uh from what i understand i i i don't

1530

00:54:30,470 --> 00:54:28,880

know if you've been in the area before

1531

00:54:34,069 --> 00:54:30,480

stan but

1532

00:54:35,589 --> 00:54:34,079

i was told that behind that park there's

1533

00:54:41,670 --> 00:54:35,599

a lot of um

1534

00:54:45,910 --> 00:54:43,910

let me go in i was just gonna say

1535

00:54:47,750 --> 00:54:45,920

there's there's a lot of caves

1536

00:54:49,750 --> 00:54:47,760

all throughout that area and throughout

1537

00:54:50,230 --> 00:54:49,760

that part of pennsylvania southwest pa

1538

00:54:53,109 --> 00:54:50,240

it's

1539

00:54:53,990 --> 00:54:53,119

covered with case i can tell you this

1540

00:54:55,829 --> 00:54:54,000

back again

1541

00:54:57,589 --> 00:54:55,839

during the 70s when all this activity

1542

00:54:59,829 --> 00:54:57,599

was going on and we have reports of

1543

00:55:02,710 --> 00:54:59,839

these things on occasion

1544

00:55:04,710 --> 00:55:02,720

going near caves or mines and we

1545

00:55:05,750 --> 00:55:04,720

searched many of those caves in mind at

1546

00:55:07,430 --> 00:55:05,760

the time

1547

00:55:08,789 --> 00:55:07,440

but never found any evidence that these

1548

00:55:10,390 --> 00:55:08,799

creatures were staying inside of there

1549

00:55:11,510 --> 00:55:10,400

they may have gotten them temporarily

1550

00:55:14,069 --> 00:55:11,520

but they weren't staying in there

1551

00:55:17,990 --> 00:55:16,789

okay well i yeah i want to ask you

1552

00:55:20,470 --> 00:55:18,000

because i didn't know

1553

00:55:21,430 --> 00:55:20,480

you know i didn't know if you had known

1554

00:55:23,589 --> 00:55:21,440

about that but

1555

00:55:25,510 --> 00:55:23,599

apparently you all had checked that out

1556

00:55:27,109 --> 00:55:25,520

uh yeah there's a lot a lot of caves a

1557

00:55:30,630 --> 00:55:27,119

lot of mining in there and all

1558

00:55:31,910 --> 00:55:30,640

and um you know i i thought well maybe

1559

00:55:34,150 --> 00:55:31,920

there's a possibility that

1560

00:55:35,670 --> 00:55:34,160

these things are staying in it maybe it

1561

00:55:37,829 --> 00:55:35,680

may still be yet

1562

00:55:39,910 --> 00:55:37,839

but uh that's interesting that's

1563

00:55:41,829 --> 00:55:39,920

interesting that these

1564

00:55:43,829 --> 00:55:41,839

these cryptic cases are showing up in

1565

00:55:47,510 --> 00:55:43,839

the same areas like that

1566

00:55:50,630 --> 00:55:47,520

um now you uh

1567

00:55:54,150 --> 00:55:50,640

you had directed me to a

1568

00:55:56,470 --> 00:55:54,160

report that was sent to you out of uh

1569

00:55:57,910 --> 00:55:56,480

out of denver colorado well it was uh

1570

00:55:59,670 --> 00:55:57,920

lakewood colorado

1571

00:56:00,950 --> 00:55:59,680

and then you forwarded to me then those

1572

00:56:04,230 --> 00:56:00,960

guys looked and then

1573

00:56:06,950 --> 00:56:04,240

jc and jack kerry looked into this

1574

00:56:07,829 --> 00:56:06,960

i and i tell you now i know you talked

1575

00:56:11,109 --> 00:56:07,839

to the witness

1576
00:56:13,430 --> 00:56:11,119
course

1577
00:56:17,030 --> 00:56:13,440
jack and jc talked to one of the best

1578
00:56:20,710 --> 00:56:17,040
witnesses we ever had i'm incredible

1579
00:56:23,270 --> 00:56:20,720
very credible and uh this guy was

1580
00:56:24,789 --> 00:56:23,280
you know a professional guy he didn't

1581
00:56:25,829 --> 00:56:24,799
want his name and stuff going out there

1582
00:56:29,430 --> 00:56:25,839
but i tell you

1583
00:56:30,069 --> 00:56:29,440
the way he described things uh the way

1584
00:56:32,309 --> 00:56:30,079
he described

1585
00:56:33,589 --> 00:56:32,319
the incident the actual description of

1586
00:56:36,230 --> 00:56:33,599
this thing

1587
00:56:37,349 --> 00:56:36,240
uh boy you just wish you could get more

1588
00:56:40,230 --> 00:56:37,359

of those like that

1589

00:56:41,829 --> 00:56:40,240

and uh they're still checking out there

1590

00:56:43,109 --> 00:56:41,839

there's definitely something going on

1591

00:56:45,349 --> 00:56:43,119

out there

1592

00:56:46,950 --> 00:56:45,359

oh yeah it's and that you know i deal

1593

00:56:49,829 --> 00:56:46,960

with this all the time

1594

00:56:51,510 --> 00:56:49,839

you know people who are so reluctant to

1595

00:56:53,670 --> 00:56:51,520

even today people so reluctant

1596

00:56:55,030 --> 00:56:53,680

to want to use their name some of them

1597

00:56:56,630 --> 00:56:55,040

don't want me to give out the exact

1598

00:56:58,309 --> 00:56:56,640

location where these things took place

1599

00:57:01,829 --> 00:56:58,319

for various reasons

1600

00:57:03,430 --> 00:57:01,839

um they're just it's something i felt

1601
00:57:05,349 --> 00:57:03,440
like long ago and i'm sure you have too

1602
00:57:05,910 --> 00:57:05,359
that some of the best witnesses are

1603
00:57:07,349 --> 00:57:05,920
people

1604
00:57:08,710 --> 00:57:07,359
who never would believe these things

1605
00:57:11,109 --> 00:57:08,720
exist so they had their own personal

1606
00:57:13,589 --> 00:57:11,119
experience

1607
00:57:15,589 --> 00:57:13,599
it's a life-changing event i mean some

1608
00:57:17,750 --> 00:57:15,599
witnesses i'm still in touch with from

1609
00:57:19,190 --> 00:57:17,760
probably 20 30 years ago and some of

1610
00:57:21,190 --> 00:57:19,200
these people today

1611
00:57:24,069 --> 00:57:21,200
they still can't deal with what they

1612
00:57:26,870 --> 00:57:24,079
encountered so many years ago

1613
00:57:28,950 --> 00:57:26,880

well i just look at myself you know what

1614

00:57:30,870 --> 00:57:28,960

i saw i didn't believe what it was

1615

00:57:32,150 --> 00:57:30,880

and i really didn't know i really still

1616

00:57:36,789 --> 00:57:32,160

don't know what it was but

1617

00:57:38,549 --> 00:57:36,799

you know it got the ball wrong with me

1618

00:57:40,150 --> 00:57:38,559

you know i had to keep i had to keep

1619

00:57:41,990 --> 00:57:40,160

digging and trying to find out what it

1620

00:57:44,789 --> 00:57:42,000

was i actually saw

1621

00:57:45,349 --> 00:57:44,799

but uh you know there was a there was a

1622

00:57:49,430 --> 00:57:45,359

case

1623

00:57:51,990 --> 00:57:49,440

uh a sighting that i had reported on

1624

00:57:54,230 --> 00:57:52,000

that you went into detail in the book

1625

00:57:56,630 --> 00:57:54,240

and i'd like for you to talk about it

1626

00:57:57,910 --> 00:57:56,640

it was uh it was john john fennell

1627

00:58:00,309 --> 00:57:57,920

jonathan fennell

1628

00:58:02,309 --> 00:58:00,319

out in butler county and this is that

1629

00:58:05,030 --> 00:58:02,319

butler county ferry

1630

00:58:05,670 --> 00:58:05,040

yeah that was a great story oh man you

1631

00:58:07,190 --> 00:58:05,680

know

1632

00:58:08,710 --> 00:58:07,200

and the way he described it and

1633

00:58:11,750 --> 00:58:08,720

everything because he you know he did

1634

00:58:13,910 --> 00:58:11,760

do the sketch but it was

1635

00:58:16,069 --> 00:58:13,920

it was really i i thought it was i

1636

00:58:17,670 --> 00:58:16,079

thought it was a fantastic description

1637

00:58:19,670 --> 00:58:17,680

and the way he went back because it was

1638

00:58:22,870 --> 00:58:19,680

multiple witnesses and such

1639

00:58:25,030 --> 00:58:22,880

uh talk to it about about that uh

1640

00:58:26,150 --> 00:58:25,040

and i want to i'd like to get your take

1641

00:58:28,230 --> 00:58:26,160

on that that's

1642

00:58:30,470 --> 00:58:28,240

the truth you know i got the story as i

1643

00:58:33,349 --> 00:58:30,480

mentioned t i i first heard of it three

1644

00:58:35,109 --> 00:58:33,359

through your uh website for your blog

1645

00:58:37,349 --> 00:58:35,119

then i was able to contact jonathan

1646

00:58:39,670 --> 00:58:37,359

we uh communicated about it and he gave

1647

00:58:43,990 --> 00:58:39,680

me permission to reuse it in the book

1648

00:58:47,349 --> 00:58:44,000

and you know i i've heard stories of

1649

00:58:51,589 --> 00:58:47,359

these small little meat entities

1650

00:58:53,190 --> 00:58:51,599

fairy reports and i was really kind of

1651
00:58:54,789 --> 00:58:53,200
not really accepting these type of

1652
00:58:56,069 --> 00:58:54,799
things it was really hard but you know

1653
00:58:57,430 --> 00:58:56,079
what

1654
00:58:59,270 --> 00:58:57,440
maybe we're dealing with something to

1655
00:59:00,309 --> 00:58:59,280
take on any form it wants to then we're

1656
00:59:01,990 --> 00:59:00,319
dealing with some yet

1657
00:59:03,589 --> 00:59:02,000
you know seven eight foot tall and hairy

1658
00:59:04,069 --> 00:59:03,599
and we're dealing with giant flying

1659
00:59:05,510 --> 00:59:04,079
things

1660
00:59:08,470 --> 00:59:05,520
why couldn't you have something like

1661
00:59:10,470 --> 00:59:08,480
this but in the last few years

1662
00:59:13,109 --> 00:59:10,480
i've had a number of other people

1663
00:59:14,630 --> 00:59:13,119

approach me and tell me stories of very

1664

00:59:17,670 --> 00:59:14,640

similar encounters with these

1665

00:59:20,150 --> 00:59:17,680

fairy-like creatures and what

1666

00:59:21,430 --> 00:59:20,160

his encounter and his detailed

1667

00:59:23,990 --> 00:59:21,440

description

1668

00:59:25,349 --> 00:59:24,000

in in the account that he wrote it was

1669

00:59:26,950 --> 00:59:25,359

so amazing

1670

00:59:28,230 --> 00:59:26,960

that uh that's why i was interested in

1671

00:59:30,470 --> 00:59:28,240

putting in the book because it was so

1672

00:59:33,270 --> 00:59:30,480

different

1673

00:59:34,069 --> 00:59:33,280

yeah you know when he first told me

1674

00:59:35,750 --> 00:59:34,079

about it

1675

00:59:37,190 --> 00:59:35,760

he was kind of reluctant about me

1676

00:59:39,510 --> 00:59:37,200

putting it out there

1677

00:59:40,549 --> 00:59:39,520

and uh then he started sending the

1678

00:59:42,870 --> 00:59:40,559

sketches

1679

00:59:44,630 --> 00:59:42,880

and i i i begged him i said look man

1680

00:59:46,470 --> 00:59:44,640

this has got to get out i said you're in

1681

00:59:48,309 --> 00:59:46,480

an area anyway that's

1682

00:59:49,910 --> 00:59:48,319

it's a hot area i mean there's a lot of

1683

00:59:52,710 --> 00:59:49,920

stuff being seen out there

1684

00:59:54,069 --> 00:59:52,720

and in fact you know it wasn't too long

1685

00:59:57,030 --> 00:59:54,079

ago that somebody

1686

00:59:58,710 --> 00:59:57,040

said that they had a uh i had a gnome

1687

01:00:00,870 --> 00:59:58,720

sighting out in butler county i think

1688

01:00:04,150 --> 01:00:00,880

that was i think uh

1689

01:00:05,990 --> 01:00:04,160

um oh god i'm trying to remember who the

1690

01:00:10,230 --> 01:00:06,000

investigator was

1691

01:00:11,829 --> 01:00:10,240

it was linda howe and uh you know

1692

01:00:13,589 --> 01:00:11,839

you know that that's something else of

1693

01:00:14,789 --> 01:00:13,599

people but you're right these little

1694

01:00:17,910 --> 01:00:14,799

people

1695

01:00:19,990 --> 01:00:17,920

sightings are um do pop

1696

01:00:21,589 --> 01:00:20,000

up once well and of course i'm i'm like

1697

01:00:25,109 --> 01:00:21,599

you at first i

1698

01:00:28,710 --> 01:00:25,119

i really gotta question them and uh

1699

01:00:32,069 --> 01:00:28,720

but you know his description was so

1700

01:00:35,270 --> 01:00:32,079

so amazing and uh they basically were

1701

01:00:37,829 --> 01:00:35,280

they were on on the deck of the house

1702

01:00:40,150 --> 01:00:37,839

and some one evening and this thing kind

1703

01:00:42,470 --> 01:00:40,160

of popped up out of a

1704

01:00:43,589 --> 01:00:42,480

uh planner or something on the uh on the

1705

01:00:45,430 --> 01:00:43,599

forge

1706

01:00:47,510 --> 01:00:45,440

and they all got a good look at this

1707

01:00:49,190 --> 01:00:47,520

thing

1708

01:00:51,270 --> 01:00:49,200

right there watering the right in front

1709

01:00:53,430 --> 01:00:51,280

of them and they had a great detail look

1710

01:00:56,870 --> 01:00:53,440

at this thing and it was very intriguing

1711

01:00:58,309 --> 01:00:56,880

yeah yeah wow

1712

01:01:00,710 --> 01:00:58,319

and you know the other thing that's very

1713

01:01:02,630 --> 01:01:00,720

curious is that that wing humanoid case

1714

01:01:05,030 --> 01:01:02,640

we had up in buffalo county

1715

01:01:06,150 --> 01:01:05,040

back in uh march of 2011. yeah the

1716

01:01:09,750 --> 01:01:06,160

gargoyle

1717

01:01:11,430 --> 01:01:09,760

wrestling case yeah if you remember that

1718

01:01:12,789 --> 01:01:11,440

or not with the the leathery creature

1719

01:01:15,430 --> 01:01:12,799

with the wings tucked into the side

1720

01:01:20,470 --> 01:01:15,440

walked out in front of the car

1721

01:01:25,670 --> 01:01:23,750

well you know that you know

1722

01:01:28,069 --> 01:01:25,680

there's in fact that thing's been was

1723

01:01:30,150 --> 01:01:28,079

seen twice wasn't it

1724

01:01:31,270 --> 01:01:30,160

well it was seen apparently you know

1725

01:01:35,190 --> 01:01:31,280

this guy reported

1726

01:01:37,510 --> 01:01:35,200

but um deanne hackman has that had that

1727

01:01:39,589 --> 01:01:37,520

boru the uh research group there butler

1728

01:01:41,190 --> 01:01:39,599

and he received several reports

1729

01:01:43,430 --> 01:01:41,200

from different people within the same

1730

01:01:46,150 --> 01:01:43,440

time period in the same area who saw it

1731

01:01:46,789 --> 01:01:46,160

and that was very interesting i i've

1732

01:01:49,349 --> 01:01:46,799

been

1733

01:01:51,109 --> 01:01:49,359

with that witness ever since it happened

1734

01:01:54,230 --> 01:01:51,119

and got to know him pretty well

1735

01:01:57,109 --> 01:01:54,240

and i mean he's a very credible person

1736

01:01:57,829 --> 01:01:57,119

and there's just a lot of weird stuff

1737

01:01:59,270 --> 01:01:57,839

going on

1738

01:02:01,430 --> 01:01:59,280

i've been hearing reports of the last

1739

01:02:02,710 --> 01:02:01,440

year of you know bigfoot activity up in

1740

01:02:05,430 --> 01:02:02,720

that general area and

1741

01:02:06,069 --> 01:02:05,440

a lot of ufo activity and just weird

1742

01:02:09,750 --> 01:02:06,079

weird stuff

1743

01:02:12,789 --> 01:02:09,760

going on well we had a dog man up there

1744

01:02:16,390 --> 01:02:12,799

um uh

1745

01:02:20,630 --> 01:02:16,400

your graveyard up there in oh god it was

1746

01:02:23,750 --> 01:02:20,640

amy shawn

1747

01:02:24,150 --> 01:02:23,760

and amy had this dog man up there in the

1748

01:02:27,190 --> 01:02:24,160

in this

1749

01:02:28,309 --> 01:02:27,200

the cemetery where her daughter had seen

1750

01:02:30,630 --> 01:02:28,319

it and such and she

1751

01:02:32,309 --> 01:02:30,640

told me about it now i did there was a

1752

01:02:33,990 --> 01:02:32,319

just quick glimpse of it

1753

01:02:35,430 --> 01:02:34,000

but i know it freaked her daughter out

1754

01:02:37,990 --> 01:02:35,440

and the dog in the car

1755

01:02:38,950 --> 01:02:38,000

freaked out as well so it was something

1756

01:02:42,950 --> 01:02:38,960

they saw

1757

01:02:45,349 --> 01:02:42,960

or something showed up and uh

1758

01:02:47,510 --> 01:02:45,359

bacchus that was butler county as well

1759

01:02:49,589 --> 01:02:47,520

so yeah with butler county you know it's

1760

01:02:51,789 --> 01:02:49,599

just

1761

01:02:54,470 --> 01:02:51,799

i've been up in that area since the late

1762

01:02:56,549 --> 01:02:54,480

1960s investigating incidents

1763

01:02:58,470 --> 01:02:56,559

yeah it was an area where there was a

1764

01:02:59,029 --> 01:02:58,480

lot of ufo activities there was reports

1765

01:03:02,069 --> 01:02:59,039

of

1766

01:03:03,430 --> 01:03:02,079

ufo landings and humanoid entities seen

1767

01:03:06,870 --> 01:03:03,440

back in those days

1768

01:03:08,150 --> 01:03:06,880

yeah um here's an interesting

1769

01:03:11,190 --> 01:03:08,160

story you've probably never heard of

1770

01:03:13,349 --> 01:03:11,200

before i was aware of it with a group i

1771

01:03:16,470 --> 01:03:13,359

was working with back in those days

1772

01:03:19,029 --> 01:03:16,480

and one this is a lot

1773

01:03:21,349 --> 01:03:19,039

going back many years with memory but

1774

01:03:24,470 --> 01:03:21,359

they were getting calls

1775

01:03:28,069 --> 01:03:24,480

in the outside of rural area above

1776

01:03:28,870 --> 01:03:28,079

reports of these big radio communication

1777

01:03:32,150 --> 01:03:28,880

towers

1778

01:03:34,230 --> 01:03:32,160

at night that would rise up

1779

01:03:35,829 --> 01:03:34,240

and they would have these discs come

1780

01:03:38,150 --> 01:03:35,839

down and hover around the

1781

01:03:39,430 --> 01:03:38,160

radio towers at night but they were not

1782

01:03:41,109 --> 01:03:39,440

there in the daytime

1783

01:03:42,710 --> 01:03:41,119

and there were i mean some of the guys

1784

01:03:43,430 --> 01:03:42,720

involved these guys were engineers or

1785

01:03:45,990 --> 01:03:43,440

whatever

1786

01:03:47,990 --> 01:03:46,000

and they're checking the navigational

1787

01:03:50,309 --> 01:03:48,000

and all the aeronautical maps

1788

01:03:51,510 --> 01:03:50,319

and interviewing people and you couldn't

1789

01:03:53,430 --> 01:03:51,520

see them in the daytime and they tried

1790

01:03:54,870 --> 01:03:53,440

to triangulate it at night

1791

01:03:56,630 --> 01:03:54,880

and you could see them but they could

1792

01:03:59,190 --> 01:03:56,640

never get to them and i saw

1793

01:04:01,029 --> 01:03:59,200

pictures of some of the uh radio towers

1794

01:04:02,870 --> 01:04:01,039

that they had taken but they were never

1795

01:04:04,150 --> 01:04:02,880

could be located where they were

1796

01:04:05,910 --> 01:04:04,160

originating from

1797

01:04:08,069 --> 01:04:05,920

and there were a lot of ufo sightings

1798

01:04:10,630 --> 01:04:08,079

going on for apparently months up there

1799

01:04:14,549 --> 01:04:10,640

around these towers that didn't exist

1800

01:04:17,589 --> 01:04:15,990

well you know and you know we were

1801

01:04:20,549 --> 01:04:17,599

talking about you were talking about

1802

01:04:22,549 --> 01:04:20,559

flying humanoids as well and you know

1803

01:04:26,150 --> 01:04:22,559

pennsylvania has had its share of

1804

01:04:27,029 --> 01:04:26,160

mothman type sightings as well uh i

1805

01:04:30,710 --> 01:04:27,039

guess maybe

1806

01:04:33,829 --> 01:04:30,720

the most intriguing one

1807

01:04:37,589 --> 01:04:33,839

was the one in 66 up near pittsburgh

1808

01:04:37,599 --> 01:04:41,589

good yeah

1809

01:04:45,349 --> 01:04:43,270

i believe this is the first time anybody

1810

01:04:48,470 --> 01:04:45,359

ever published a story about it

1811

01:04:51,190 --> 01:04:48,480

and that was in november 66

1812

01:04:52,069 --> 01:04:51,200

during the same time that the mothman

1813

01:04:53,750 --> 01:04:52,079

creature was

1814

01:04:55,589 --> 01:04:53,760

terrifying residents down around point

1815

01:04:55,990 --> 01:04:55,599

pleasant west virginia and making the

1816

01:04:58,630 --> 01:04:56,000

news

1817

01:05:00,630 --> 01:04:58,640

around the country and i had heard

1818

01:05:01,270 --> 01:05:00,640

rumors circulating around the pittsburgh

1819

01:05:03,589 --> 01:05:01,280

area

1820

01:05:06,069 --> 01:05:03,599

that something strange some kind of

1821

01:05:09,349 --> 01:05:06,079

strange creature had been seen

1822

01:05:11,589 --> 01:05:09,359

and all kind of rumors going around

1823

01:05:12,710 --> 01:05:11,599

you know something was you know had harm

1824

01:05:15,670 --> 01:05:12,720

somebody

1825

01:05:17,510 --> 01:05:15,680

but you could never track it down and

1826
01:05:19,270 --> 01:05:17,520
then years later i

1827
01:05:21,430 --> 01:05:19,280
was able to find a person who was

1828
01:05:24,710 --> 01:05:21,440
directly involved in the incident

1829
01:05:25,910 --> 01:05:24,720
and uh so it's a very very fascinating

1830
01:05:27,670 --> 01:05:25,920
story of this

1831
01:05:29,349 --> 01:05:27,680
thing it was seen in this large wooded

1832
01:05:31,270 --> 01:05:29,359
area and apparently

1833
01:05:32,789 --> 01:05:31,280
it was a big hush actually in the area

1834
01:05:36,069 --> 01:05:32,799
the police and everybody

1835
01:05:39,589 --> 01:05:36,079
uh kept it very very quiet

1836
01:05:41,510 --> 01:05:39,599
allegedly after i guess several weeks of

1837
01:05:42,470 --> 01:05:41,520
this thing being seen and scaring a lot

1838
01:05:45,510 --> 01:05:42,480

of people

1839

01:05:48,789 --> 01:05:45,520

people claim to have seen

1840

01:05:50,710 --> 01:05:48,799

air force mark blockades

1841

01:05:52,390 --> 01:05:50,720

on the roads around some of those uh

1842

01:05:53,589 --> 01:05:52,400

rural roads going into that wooded area

1843

01:05:55,270 --> 01:05:53,599

for a period of time

1844

01:05:57,190 --> 01:05:55,280

can't confirm that that's what i was

1845

01:06:00,390 --> 01:05:57,200

told and um

1846

01:06:02,549 --> 01:06:00,400

this this huge hairy feathery thing

1847

01:06:04,069 --> 01:06:02,559

was apparently scaring a lot of people

1848

01:06:07,990 --> 01:06:04,079

around that part of the allegheny

1849

01:06:11,670 --> 01:06:11,349

well you know i mean it's nothing new to

1850

01:06:15,829 --> 01:06:11,680

me

1851

01:06:18,230 --> 01:06:15,839

had this encounter with an 88

1852

01:06:20,789 --> 01:06:18,240

up there in outside new oxford

1853

01:06:23,829 --> 01:06:20,799

pennsylvania which is in adams county

1854

01:06:27,190 --> 01:06:23,839

and they've seen it as as

1855

01:06:29,670 --> 01:06:27,200

the conewago creek as it empties into uh

1856

01:06:31,190 --> 01:06:29,680

goes east into the susquehanna river so

1857

01:06:33,190 --> 01:06:31,200

that goes into york county

1858

01:06:34,470 --> 01:06:33,200

but then a couple weeks ago we had

1859

01:06:37,589 --> 01:06:34,480

another sighting of

1860

01:06:39,670 --> 01:06:37,599

something in adams county in littlestown

1861

01:06:40,470 --> 01:06:39,680

near littlestown near the pennsylvania

1862

01:06:44,390 --> 01:06:40,480

line

1863

01:06:47,750 --> 01:06:44,400

can't

1864

01:06:49,910 --> 01:06:47,760

i just don't know what it was uh

1865

01:06:51,990 --> 01:06:49,920

yeah i don't know i mean in the way it

1866

01:06:53,190 --> 01:06:52,000

was described i was courses described

1867

01:06:56,390 --> 01:06:53,200

like this

1868

01:06:59,109 --> 01:06:56,400

no feathers and kind of the uh

1869

01:06:59,990 --> 01:06:59,119

the membrane type wings like a bat would

1870

01:07:02,230 --> 01:07:00,000

have but they were

1871

01:07:03,029 --> 01:07:02,240

huge and they kind of said it looked

1872

01:07:06,710 --> 01:07:03,039

like

1873

01:07:07,750 --> 01:07:06,720

a butterfly even though one of the girls

1874

01:07:09,190 --> 01:07:07,760

there was three witnesses

1875

01:07:11,029 --> 01:07:09,200

one the girl said that kind of looked

1876

01:07:14,470 --> 01:07:11,039

like an angel's wing without

1877

01:07:15,190 --> 01:07:14,480

feathers but they didn't have a head on

1878

01:07:19,109 --> 01:07:15,200

it

1879

01:07:21,270 --> 01:07:19,119

shoulders

1880

01:07:22,390 --> 01:07:21,280

and it was kind of lightish color or

1881

01:07:26,069 --> 01:07:22,400

light each pinky

1882

01:07:27,349 --> 01:07:26,079

white hue whatever it was so i have no

1883

01:07:30,870 --> 01:07:27,359

idea what they saw

1884

01:07:32,950 --> 01:07:30,880

now uh now i haven't been up there

1885

01:07:35,349 --> 01:07:32,960

and i haven't talked again to the

1886

01:07:37,670 --> 01:07:35,359

witnesses but i haven't heard anything

1887

01:07:39,190 --> 01:07:37,680

uh but i think the thing was moving down

1888

01:07:42,069 --> 01:07:39,200

toward maryland

1889

01:07:43,109 --> 01:07:42,079

just you know it was so near the line

1890

01:07:44,870 --> 01:07:43,119

you know what i'm saying

1891

01:07:46,950 --> 01:07:44,880

and there's not really a whole lot of

1892

01:07:48,710 --> 01:07:46,960

woods in there

1893

01:07:50,069 --> 01:07:48,720

if it was hiding somewhere they didn't

1894

01:07:50,950 --> 01:07:50,079

have a lot didn't have a lot of places

1895

01:07:52,630 --> 01:07:50,960

to hide

1896

01:07:54,390 --> 01:07:52,640

so but there again you know maybe this

1897

01:07:56,069 --> 01:07:54,400

is something that just popped in and

1898

01:07:59,109 --> 01:07:56,079

popped out

1899

01:08:00,390 --> 01:07:59,119

but yeah pennsylvania has its share of

1900

01:08:05,190 --> 01:08:00,400

flying humanoids there's

1901

01:08:09,349 --> 01:08:07,829

you know but i i think there's a lot

1902

01:08:12,230 --> 01:08:09,359

more out there for people

1903

01:08:14,230 --> 01:08:12,240

that people are seeing and it's just not

1904

01:08:16,709 --> 01:08:14,240

getting reported

1905

01:08:18,229 --> 01:08:16,719

well you know people want they're very

1906

01:08:19,829 --> 01:08:18,239

reluctant to report it

1907

01:08:21,669 --> 01:08:19,839

i mean sometimes i'll get reports in

1908

01:08:22,470 --> 01:08:21,679

from 20 30 30 years ago and i'm sure you

1909

01:08:25,030 --> 01:08:22,480

do as well

1910

01:08:26,070 --> 01:08:25,040

oh yeah or they don't know where to

1911

01:08:27,269 --> 01:08:26,080

report to

1912

01:08:29,749 --> 01:08:27,279

you know there's a lot of place you can

1913

01:08:31,430 --> 01:08:29,759

report ufo sightings but a lot of people

1914

01:08:33,110 --> 01:08:31,440

wonder where they can report seeing some

1915

01:08:36,550 --> 01:08:33,120

of these cryptid reports

1916

01:08:37,590 --> 01:08:36,560

and i find today that people are more

1917

01:08:40,390 --> 01:08:37,600

willing to

1918

01:08:41,349 --> 01:08:40,400

report ufos but they're still extremely

1919

01:08:43,030 --> 01:08:41,359

hesitant

1920

01:08:47,590 --> 01:08:43,040

to report having encounters with these

1921

01:08:52,070 --> 01:08:51,110

yeah well there's another report in here

1922

01:08:55,430 --> 01:08:52,080

that i thought was

1923

01:08:56,309 --> 01:08:55,440

interesting with the uh the the giant

1924

01:08:58,550 --> 01:08:56,319

insects in

1925

01:08:59,669 --> 01:08:58,560

mount pleasant township oh not the

1926

01:09:02,390 --> 01:08:59,679

insects

1927

01:09:04,789 --> 01:09:02,400

oh yeah here we go ins insectoids again

1928

01:09:07,829 --> 01:09:07,349

what do you make of that one stan do you

1929

01:09:11,669 --> 01:09:07,839

was this

1930

01:09:14,070 --> 01:09:11,679

this insectoid thing like the the mantis

1931

01:09:15,990 --> 01:09:14,080

uh was it described like that or what do

1932

01:09:18,789 --> 01:09:16,000

you think

1933

01:09:20,550 --> 01:09:18,799

i i think the one you're referring to

1934

01:09:22,309 --> 01:09:20,560

that was um

1935

01:09:24,229 --> 01:09:22,319

actually what they were saying was some

1936

01:09:25,749 --> 01:09:24,239

kind of looked like oversized

1937

01:09:27,430 --> 01:09:25,759

caterpillars is that the one yeah

1938

01:09:33,189 --> 01:09:27,440

oversized caterpillars yeah i just

1939

01:09:36,470 --> 01:09:34,870

and again that's an area where there's a

1940

01:09:37,430 --> 01:09:36,480

lot of history a lot of weird things

1941

01:09:39,910 --> 01:09:37,440

going on

1942

01:09:41,030 --> 01:09:39,920

and um these people were driving down

1943

01:09:43,110 --> 01:09:41,040

this road in mount

1944

01:09:44,789 --> 01:09:43,120

pleasant township and they saw something

1945

01:09:45,669 --> 01:09:44,799

strange crawling across the road ahead

1946

01:09:47,669 --> 01:09:45,679

of them

1947

01:09:48,789 --> 01:09:47,679

and they said it was like a giant

1948

01:09:50,470 --> 01:09:48,799

caterpillar

1949

01:09:52,229 --> 01:09:50,480

the oversized hits that crawl from right

1950

01:09:53,910 --> 01:09:52,239

to left across the road

1951

01:09:55,430 --> 01:09:53,920

described as about seven inches of

1952

01:09:56,470 --> 01:09:55,440

length from tip to tip appear to be

1953

01:09:59,350 --> 01:09:56,480

segmented movement

1954

01:10:00,310 --> 01:09:59,360

gruff but it was primarily an iridescent

1955

01:10:02,790 --> 01:10:00,320

white collar

1956

01:10:04,790 --> 01:10:02,800

with a bluish tint but witnesses

1957

01:10:06,950 --> 01:10:04,800

emphasize that it was not glowing

1958

01:10:09,270 --> 01:10:06,960

the the creature showed no signs of legs

1959

01:10:11,030 --> 01:10:09,280

or feet had no apparent head or tail

1960

01:10:12,550 --> 01:10:11,040

the body was skinnier at the ends of

1961

01:10:14,390 --> 01:10:12,560

saturn the center of the body

1962

01:10:15,990 --> 01:10:14,400

and as they continued driving just

1963

01:10:18,070 --> 01:10:16,000

seconds later a second

1964

01:10:19,510 --> 01:10:18,080

similar looking creature was observed as

1965

01:10:21,830 --> 01:10:19,520

a move from right to left

1966

01:10:22,790 --> 01:10:21,840

then reverse direction on the road and

1967

01:10:24,870 --> 01:10:22,800

the car of

1968

01:10:26,630 --> 01:10:24,880

people who were startled they said when

1969

01:10:27,910 --> 01:10:26,640

a very short distance observed a total

1970

01:10:30,149 --> 01:10:27,920

of six or seven

1971

01:10:31,910 --> 01:10:30,159

similar creatures some on the road while

1972

01:10:33,669 --> 01:10:31,920

others along the side of the road

1973

01:10:35,270 --> 01:10:33,679

one of the last ones they saw was in the

1974

01:10:36,950 --> 01:10:35,280

middle of the road in front of witnesses

1975

01:10:39,189 --> 01:10:36,960

which they drove over but they did not

1976

01:10:40,870 --> 01:10:39,199

get it the driver refused to slow down

1977

01:10:42,070 --> 01:10:40,880

and take a closer look for what these

1978

01:10:44,870 --> 01:10:42,080

things were

1979

01:10:46,950 --> 01:10:44,880

so i don't know it's it's just one of

1980

01:10:49,990 --> 01:10:46,960

those oddball reports

1981

01:10:52,229 --> 01:10:50,000

[Music]

1982

01:10:54,229 --> 01:10:52,239

now yeah one thing one that i noticed

1983

01:10:56,390 --> 01:10:54,239

and

1984

01:10:57,669 --> 01:10:56,400

i thought might really be important

1985

01:11:00,149 --> 01:10:57,679

years and years ago

1986

01:11:02,709 --> 01:11:00,159

and i'm saying it more recent reports of

1987

01:11:05,430 --> 01:11:02,719

of cryptids and ufos is that

1988

01:11:06,550 --> 01:11:05,440

you keep consistently seeing and i know

1989

01:11:09,669 --> 01:11:06,560

this is back

1990

01:11:10,709 --> 01:11:09,679

at least in early seventies on and on

1991

01:11:13,910 --> 01:11:10,719

had many

1992

01:11:17,110 --> 01:11:13,920

low level close-range ufo encounters

1993

01:11:17,830 --> 01:11:17,120

and many very close-range cryptid

1994

01:11:20,709 --> 01:11:17,840

encounters

1995

01:11:22,070 --> 01:11:20,719

bigfoot thunderbirds black panthers

1996

01:11:24,310 --> 01:11:22,080

other weird entities

1997

01:11:25,510 --> 01:11:24,320

occur in the vicinity of high energy

1998

01:11:27,830 --> 01:11:25,520

sources

1999

01:11:29,910 --> 01:11:27,840

a lot of them are around power plants

2000

01:11:33,030 --> 01:11:29,920

high tension power lines

2001

01:11:33,830 --> 01:11:33,040

radio communication towers gas wells gas

2002

01:11:36,790 --> 01:11:33,840

lines

2003

01:11:37,510 --> 01:11:36,800

railroad tracks reservoirs sources of

2004

01:11:39,430 --> 01:11:37,520

energy

2005

01:11:40,550 --> 01:11:39,440

and i don't think it's a coincidence i

2006

01:11:42,630 --> 01:11:40,560

really believe

2007

01:11:44,709 --> 01:11:42,640

somehow and i don't understand exactly

2008

01:11:46,550 --> 01:11:44,719

how it works but i believe there's an

2009

01:11:49,110 --> 01:11:46,560

energy connection to a lot of the

2010

01:11:52,149 --> 01:11:49,120

phenomena we're dealing with

2011

01:11:54,790 --> 01:11:52,159

well i i agree with you um you know

2012

01:11:56,870 --> 01:11:54,800

kind of getting off track i mean you

2013

01:12:00,709 --> 01:11:56,880

look at the tide seas

2014

01:12:03,990 --> 01:12:00,719

incident and where that

2015

01:12:04,390 --> 01:12:04,000

supposed craft was over the power lines

2016

01:12:09,590 --> 01:12:04,400

and

2017

01:12:12,310 --> 01:12:09,600

seemed like it was

2018

01:12:15,030 --> 01:12:12,320

taking some type of energy off of there

2019

01:12:17,590 --> 01:12:15,040

off of those power lines well

2020

01:12:19,110 --> 01:12:17,600

you know more recently there have been

2021

01:12:23,110 --> 01:12:19,120

two or three other

2022

01:12:24,310 --> 01:12:23,120

sightings of ufos on that same power

2023

01:12:28,070 --> 01:12:24,320

line within them like a

2024

01:12:30,310 --> 01:12:28,080

mile of that of that ridge

2025

01:12:33,110 --> 01:12:30,320

so i mean is it or they're being drawn

2026

01:12:38,550 --> 01:12:33,120

there because of the high power

2027

01:12:44,790 --> 01:12:40,630

it's interesting speaking of ufos stan

2028

01:12:47,910 --> 01:12:44,800

what's recent in ufo sightings in pa

2029

01:12:50,310 --> 01:12:47,920

um there have been a lot of interesting

2030

01:12:54,630 --> 01:12:50,320

reports over the last several months

2031

01:12:58,709 --> 01:12:54,640

seems like from august through september

2032

01:13:00,790 --> 01:12:58,719

we've had some steady reports coming in

2033

01:13:02,310 --> 01:13:00,800

uh one was outside of pittsburgh in a

2034

01:13:05,590 --> 01:13:02,320

little area called springdale

2035

01:13:07,350 --> 01:13:05,600

september 1st and

2036

01:13:10,470 --> 01:13:07,360

that was around 10 30 at night when a

2037

01:13:13,270 --> 01:13:10,480

witness observed this very bright light

2038

01:13:14,709 --> 01:13:13,280

moving towards the west now this person

2039

01:13:17,110 --> 01:13:14,719

was extremely

2040

01:13:18,470 --> 01:13:17,120

familiar with medical helicopters

2041

01:13:20,709 --> 01:13:18,480

helicopters

2042

01:13:21,910 --> 01:13:20,719

in the area and the sound was very loud

2043

01:13:23,669 --> 01:13:21,920

but it was unlike

2044

01:13:25,189 --> 01:13:23,679

that of a metal helicopter or other

2045

01:13:26,550 --> 01:13:25,199

propeller driven aircraft like a

2046

01:13:29,030 --> 01:13:26,560

military helicopter

2047

01:13:29,750 --> 01:13:29,040

didn't sound like a jet engine and the

2048

01:13:32,390 --> 01:13:29,760

light was

2049

01:13:33,669 --> 01:13:32,400

low in altitude maybe around a thousand

2050

01:13:35,510 --> 01:13:33,679

feet up they estimated

2051
01:13:37,189 --> 01:13:35,520
it was so bright and huge as it passed

2052
01:13:39,270 --> 01:13:37,199
overhead they were able to determine

2053
01:13:40,870 --> 01:13:39,280
that it definitely was not a helicopter

2054
01:13:42,310 --> 01:13:40,880
the witness looked up and observed the

2055
01:13:44,470 --> 01:13:42,320
bottom of a very large

2056
01:13:46,229 --> 01:13:44,480
boomerang-shaped object they're what

2057
01:13:48,470 --> 01:13:46,239
appear to be evenly split space

2058
01:13:49,990 --> 01:13:48,480
dim white spotlight along the edge of

2059
01:13:53,030 --> 01:13:50,000
the underside of the object

2060
01:13:55,430 --> 01:13:53,040
the lights each had a pale yellow tin

2061
01:13:57,910 --> 01:13:55,440
pins were non-blinking the underbelly

2062
01:14:00,229 --> 01:13:57,920
the object had a greenish tinge to it

2063
01:14:02,070 --> 01:14:00,239

something like the color of an avocado

2064

01:14:03,669 --> 01:14:02,080

the object continued to miss this loud

2065

01:14:05,350 --> 01:14:03,679

noise as it moved towards the east

2066

01:14:07,030 --> 01:14:05,360

then a bank towards the south and

2067

01:14:10,229 --> 01:14:07,040

quickly moved out of sight

2068

01:14:11,110 --> 01:14:10,239

and the witnesses still baffled by what

2069

01:14:14,149 --> 01:14:11,120

they saw

2070

01:14:14,630 --> 01:14:14,159

another odd case was up in cambria

2071

01:14:18,709 --> 01:14:14,640

county

2072

01:14:21,189 --> 01:14:18,719

again this was uh august 28th

2073

01:14:23,270 --> 01:14:21,199

and about 9 50 when a group of people

2074

01:14:24,790 --> 01:14:23,280

outside near johnstown

2075

01:14:26,790 --> 01:14:24,800

and these people are very familiar with

2076

01:14:28,390 --> 01:14:26,800

aircraft because a lot of planes

2077

01:14:30,390 --> 01:14:28,400

continually fly out of the uh

2078

01:14:32,070 --> 01:14:30,400

john mirth or johnstown cambria airport

2079

01:14:33,030 --> 01:14:32,080

up there so they're really familiar with

2080

01:14:35,110 --> 01:14:33,040

the aircraft

2081

01:14:36,630 --> 01:14:35,120

and they see the series of light appear

2082

01:14:39,350 --> 01:14:36,640

to be attached to an object

2083

01:14:40,870 --> 01:14:39,360

but there was no defined shape what was

2084

01:14:42,709 --> 01:14:40,880

observed appear to be in the altitude of

2085

01:14:44,550 --> 01:14:42,719

a small aircraft such as piper cub

2086

01:14:46,229 --> 01:14:44,560

ascending from the airport moving

2087

01:14:48,470 --> 01:14:46,239

towards the direction of pittsburgh

2088

01:14:50,550 --> 01:14:48,480

saw a bright red non-blinking light in

2089

01:14:52,149 --> 01:14:50,560

the center that looked to be elongated

2090

01:14:54,470 --> 01:14:52,159

on each side of the red light was a

2091

01:14:55,990 --> 01:14:54,480

non-blinking cream-colored light

2092

01:14:57,910 --> 01:14:56,000

as the lights passed over he had there

2093

01:14:59,350 --> 01:14:57,920

had absolutely no sound

2094

01:15:01,750 --> 01:14:59,360

the witnesses ran out towards the

2095

01:15:03,430 --> 01:15:01,760

driveway to fall the path of the object

2096

01:15:05,910 --> 01:15:03,440

as it moved out of sight and it was

2097

01:15:09,430 --> 01:15:05,920

moving uh actually towards

2098

01:15:11,030 --> 01:15:09,440

um it'll be towards the west out towards

2099

01:15:12,550 --> 01:15:11,040

the laurel ridge near ligonier which

2100

01:15:14,709 --> 01:15:12,560

right there is your hotbed

2101
01:15:16,390 --> 01:15:14,719
going out towards the chestnut ridge

2102
01:15:18,229 --> 01:15:16,400
which is one of the most active places

2103
01:15:21,030 --> 01:15:18,239
in the country year after year

2104
01:15:22,630 --> 01:15:21,040
for a phenomena ufo sightings bigfoot

2105
01:15:24,070 --> 01:15:22,640
other cryptid encounters

2106
01:15:25,910 --> 01:15:24,080
all kind of weird phenomenal report

2107
01:15:28,149 --> 01:15:25,920
along the ridge but

2108
01:15:29,350 --> 01:15:28,159
anyhow in the distance at that point the

2109
01:15:30,709 --> 01:15:29,360
object looked different

2110
01:15:33,350 --> 01:15:30,719
and they said it looked something that

2111
01:15:34,950 --> 01:15:33,360
looked like a clear bubble with a fuzzy

2112
01:15:36,709 --> 01:15:34,960
looking outside edge

2113
01:15:38,390 --> 01:15:36,719

but the interesting thing is as they're

2114

01:15:40,790 --> 01:15:38,400

walking suddenly the object

2115

01:15:41,910 --> 01:15:40,800

which is high in the sky drops straight

2116

01:15:43,750 --> 01:15:41,920

down from the sky

2117

01:15:45,669 --> 01:15:43,760

towards the ground and they're sitting

2118

01:15:46,550 --> 01:15:45,679

there expecting to hear an impact or

2119

01:15:48,070 --> 01:15:46,560

explosion

2120

01:15:51,350 --> 01:15:48,080

but they heard and saw nothing after

2121

01:15:53,750 --> 01:15:51,360

that so that's very interesting because

2122

01:15:54,630 --> 01:15:53,760

i believe i've had one maybe two weeks

2123

01:15:57,510 --> 01:15:54,640

last year

2124

01:15:59,510 --> 01:15:57,520

of something similar get high in the sky

2125

01:16:01,430 --> 01:15:59,520

and then dropping straight down

2126
01:16:04,070 --> 01:16:01,440
there's a one case i have and i'm going

2127
01:16:06,550 --> 01:16:04,080
from memory again this is april 2013

2128
01:16:07,669 --> 01:16:06,560
this was actually in that general area

2129
01:16:09,669 --> 01:16:07,679
near latrobe

2130
01:16:11,750 --> 01:16:09,679
where several witnesses were looking

2131
01:16:13,350 --> 01:16:11,760
further west in the distance

2132
01:16:14,870 --> 01:16:13,360
and they saw as i recall was like a

2133
01:16:17,030 --> 01:16:14,880
black fuselage

2134
01:16:17,990 --> 01:16:17,040
of a helicopter with no blood with no

2135
01:16:19,990 --> 01:16:18,000
blades

2136
01:16:21,270 --> 01:16:20,000
but it was dropping straight down out of

2137
01:16:22,709 --> 01:16:21,280
the sky

2138
01:16:24,550 --> 01:16:22,719

straight towards the ground from a high

2139

01:16:25,110 --> 01:16:24,560

altitude have lights along the side of

2140

01:16:29,750 --> 01:16:25,120

it

2141

01:16:32,630 --> 01:16:29,760

different directions

2142

01:16:34,229 --> 01:16:32,640

and they both approached the object and

2143

01:16:35,430 --> 01:16:34,239

the witnesses were pretty far away and

2144

01:16:35,750 --> 01:16:35,440

they couldn't tell exactly what happened

2145

01:16:38,390 --> 01:16:35,760

but

2146

01:16:39,030 --> 01:16:38,400

the one jet looked like it either fired

2147

01:16:42,070 --> 01:16:39,040

on it

2148

01:16:43,510 --> 01:16:42,080

or somehow touched it because at the

2149

01:16:46,550 --> 01:16:43,520

moment that happened

2150

01:16:48,550 --> 01:16:46,560

that black fuselage thing began to spin

2151
01:16:50,149 --> 01:16:48,560
faster and faster and was dropping

2152
01:16:52,310 --> 01:16:50,159
faster towards the ground

2153
01:16:53,910 --> 01:16:52,320
far in the distance but we never had any

2154
01:16:57,910 --> 01:16:53,920
reports of any crashes

2155
01:17:01,189 --> 01:17:00,149
hey we got a question uh we got a

2156
01:17:05,270 --> 01:17:01,199
question uh

2157
01:17:08,390 --> 01:17:05,280
uh stan um these creature reports

2158
01:17:09,590 --> 01:17:08,400
any of them that you've had has there

2159
01:17:13,750 --> 01:17:09,600
been any aggression

2160
01:17:15,910 --> 01:17:13,760
showed toward the witnesses at all

2161
01:17:17,350 --> 01:17:15,920
you know it's nothing that's that common

2162
01:17:18,790 --> 01:17:17,360
especially with all the the bigfoot

2163
01:17:20,550 --> 01:17:18,800

cases i mean i was looking at the

2164

01:17:22,149 --> 01:17:20,560

hundreds of bigfoot reports going back

2165

01:17:25,430 --> 01:17:22,159

to this late 60s

2166

01:17:26,870 --> 01:17:25,440

and as so many witnesses told me that if

2167

01:17:27,990 --> 01:17:26,880

these things wanted to hurt them

2168

01:17:30,310 --> 01:17:28,000

especially from hunters

2169

01:17:32,550 --> 01:17:30,320

these things easily kind of outrun them

2170

01:17:34,070 --> 01:17:32,560

could have could have hurt them badly

2171

01:17:35,669 --> 01:17:34,080

but they don't seem to be aggressive

2172

01:17:38,950 --> 01:17:35,679

towards people they seem to be

2173

01:17:41,669 --> 01:17:38,960

very curious of human activity

2174

01:17:42,870 --> 01:17:41,679

um they seem to be curious you know of

2175

01:17:45,270 --> 01:17:42,880

even youngsters

2176
01:17:47,110 --> 01:17:45,280
but not in any way harming them but

2177
01:17:48,550 --> 01:17:47,120
we've had cases over the years

2178
01:17:50,709 --> 01:17:48,560
and it's been years ago we have some

2179
01:17:51,910 --> 01:17:50,719
cases where they should be very curious

2180
01:17:53,990 --> 01:17:51,920
of maybe like young

2181
01:17:56,310 --> 01:17:54,000
very young children like babies crying

2182
01:17:58,550 --> 01:17:56,320
maybe because they made a similar sound

2183
01:18:00,229 --> 01:17:58,560
because as you're aware with some of the

2184
01:18:02,390 --> 01:18:00,239
bigfoot case we had over the years

2185
01:18:03,590 --> 01:18:02,400
they seemed to make a number of

2186
01:18:06,950 --> 01:18:03,600
different prominent

2187
01:18:09,430 --> 01:18:06,960
sounds one was like a woman screaming

2188
01:18:10,950 --> 01:18:09,440

one's like a baby crying was like a

2189

01:18:13,189 --> 01:18:10,960

high-pitched whistle

2190

01:18:14,709 --> 01:18:13,199

another one very common in which which

2191

01:18:16,470 --> 01:18:14,719

we taped the sound

2192

01:18:18,310 --> 01:18:16,480

uh some nights when we're staking out

2193

01:18:19,110 --> 01:18:18,320

back in those days it's like somebody

2194

01:18:21,669 --> 01:18:19,120

with asthma

2195

01:18:23,430 --> 01:18:21,679

like very heavy deep breathing like they

2196

01:18:25,590 --> 01:18:23,440

can't catch their breath

2197

01:18:26,470 --> 01:18:25,600

in fact one night on a farm in derry

2198

01:18:28,310 --> 01:18:26,480

township

2199

01:18:29,990 --> 01:18:28,320

which has a long history of these

2200

01:18:33,189 --> 01:18:30,000

ongoing bigfoot reports

2201

01:18:35,270 --> 01:18:33,199

and during 73 these things were there

2202

01:18:36,870 --> 01:18:35,280

you know reportedly quite often we're

2203

01:18:38,550 --> 01:18:36,880

staking out farms in different areas

2204

01:18:40,630 --> 01:18:38,560

where these things have been seen

2205

01:18:42,149 --> 01:18:40,640

and i got a call from this one farm that

2206

01:18:44,470 --> 01:18:42,159

this thing had just been

2207

01:18:46,149 --> 01:18:44,480

at the farm in the barn and there were

2208

01:18:46,950 --> 01:18:46,159

very strange three-toed footprints in

2209

01:18:49,669 --> 01:18:46,960

the barn

2210

01:18:50,470 --> 01:18:49,679

the animals were very fearful just like

2211

01:18:52,950 --> 01:18:50,480

we mentioned

2212

01:18:53,750 --> 01:18:52,960

and they had a big cornfield and it was

2213

01:18:56,470 --> 01:18:53,760

dark

2214

01:18:58,390 --> 01:18:56,480

and something very heavy was running

2215

01:18:59,750 --> 01:18:58,400

ahead of us in the cornfield making that

2216

01:19:01,990 --> 01:18:59,760

very loud

2217

01:19:03,590 --> 01:19:02,000

um sound like somewhat asthma and we

2218

01:19:08,870 --> 01:19:03,600

chased after it we could never catch up

2219

01:19:11,910 --> 01:19:08,880

to whatever it was now

2220

01:19:15,270 --> 01:19:11,920

uh yeah and i'm i i think particularly

2221

01:19:18,790 --> 01:19:15,280

dog man or the uh the bipedal canine

2222

01:19:19,669 --> 01:19:18,800

the question is uh are the yellow and

2223

01:19:21,669 --> 01:19:19,679

amber eyes

2224

01:19:24,709 --> 01:19:21,679

is that is that fairly prevalent in

2225

01:19:27,590 --> 01:19:24,719

these cases of these reports

2226

01:19:28,229 --> 01:19:27,600

they're not common in all reports um

2227

01:19:29,910 --> 01:19:28,239

there are some

2228

01:19:31,750 --> 01:19:29,920

very interesting cases with these things

2229

01:19:32,310 --> 01:19:31,760

reportedly have self-luminescent glowing

2230

01:19:36,149 --> 01:19:32,320

eyes

2231

01:19:38,310 --> 01:19:36,159

and interestingly they weren't occurring

2232

01:19:40,149 --> 01:19:38,320

where you had a lot of reflective light

2233

01:19:41,350 --> 01:19:40,159

you didn't have a bright moon that night

2234

01:19:44,790 --> 01:19:41,360

you didn't have any

2235

01:19:47,189 --> 01:19:44,800

lights near it to reflect and glare um

2236

01:19:48,550 --> 01:19:47,199

some of these cases they were glowing

2237

01:19:51,910 --> 01:19:48,560

you know your your typical

2238

01:19:54,390 --> 01:19:51,920

kind of amber reddish orange orange some

2239

01:19:55,750 --> 01:19:54,400

very bright green colored like the the

2240

01:19:57,110 --> 01:19:55,760

creatures were seen on the field that

2241

01:19:58,550 --> 01:19:57,120

night in uniontown they had the bright

2242

01:20:01,189 --> 01:19:58,560

green glowing eyes

2243

01:20:03,110 --> 01:20:01,199

i said cases where these creatures would

2244

01:20:04,870 --> 01:20:03,120

change the direction of her head

2245

01:20:06,709 --> 01:20:04,880

and the eye color would change from one

2246

01:20:09,910 --> 01:20:06,719

color to the other

2247

01:20:10,470 --> 01:20:09,920

and uh just it's just amazing what

2248

01:20:12,550 --> 01:20:10,480

you're going to

2249

01:20:14,390 --> 01:20:12,560

it's just like with the smell there is

2250

01:20:15,189 --> 01:20:14,400

not always an odor attributed with

2251
01:20:17,350 --> 01:20:15,199
bigfoot

2252
01:20:19,830 --> 01:20:17,360
yes in many cases with that featured

2253
01:20:23,110 --> 01:20:19,840
smell which i have smelled

2254
01:20:24,950 --> 01:20:23,120
uh but in some cases there is no smell

2255
01:20:27,110 --> 01:20:24,960
whatsoever

2256
01:20:28,149 --> 01:20:27,120
i've got a theory on that and i don't

2257
01:20:30,790 --> 01:20:28,159
know exactly

2258
01:20:32,790 --> 01:20:30,800
how it fits in but my theory for years

2259
01:20:35,910 --> 01:20:32,800
is that the smell

2260
01:20:36,709 --> 01:20:35,920
is somehow is involved with the process

2261
01:20:38,709 --> 01:20:36,719
of these things

2262
01:20:40,790 --> 01:20:38,719
coming into our physical reality

2263
01:20:42,149 --> 01:20:40,800

becoming into that physical state or

2264

01:20:45,669 --> 01:20:42,159

period disappearing

2265

01:20:49,830 --> 01:20:47,910

that's interesting that that is

2266

01:20:52,070 --> 01:20:49,840

interesting i never even thought about

2267

01:21:00,310 --> 01:20:52,080

that

2268

01:21:02,629 --> 01:21:00,320

god and then you just kind of threw me

2269

01:21:05,350 --> 01:21:02,639

one there i didn't even think about that

2270

01:21:07,110 --> 01:21:05,360

i i guess well i guess that could be for

2271

01:21:08,950 --> 01:21:07,120

any cryptid i guess

2272

01:21:10,550 --> 01:21:08,960

uh some type of uh physical

2273

01:21:13,750 --> 01:21:10,560

manifestation

2274

01:21:14,070 --> 01:21:13,760

could be caused when it moves in and out

2275

01:21:17,270 --> 01:21:14,080

or

2276

01:21:18,149 --> 01:21:17,280

when it comes in to our plane maybe

2277

01:21:22,870 --> 01:21:18,159

there's something

2278

01:21:25,430 --> 01:21:22,880

never even thought about that

2279

01:21:26,550 --> 01:21:25,440

yeah it's interesting and uh and i was

2280

01:21:28,229 --> 01:21:26,560

just kind of mentioning this let me see

2281

01:21:33,350 --> 01:21:28,239

i lost my trend of thought so we'll

2282

01:21:38,310 --> 01:21:36,310

i don't know that's what happens at old

2283

01:21:40,470 --> 01:21:38,320

oh my god don't say that you know my

2284

01:21:41,430 --> 01:21:40,480

i hear the same thing my son says that

2285

01:21:43,189 --> 01:21:41,440

to me

2286

01:21:45,510 --> 01:21:43,199

and i said i take you telling him i said

2287

01:21:47,430 --> 01:21:45,520

well you'll find out one day

2288

01:21:48,950 --> 01:21:47,440

oh i know what i want to mention to you

2289

01:21:50,870 --> 01:21:48,960

you know when you're out there in the

2290

01:21:52,870 --> 01:21:50,880

field and you spent

2291

01:21:55,110 --> 01:21:52,880

days and nights and years doing this you

2292

01:21:57,990 --> 01:21:55,120

hear a lot of interesting little tidbits

2293

01:21:58,709 --> 01:21:58,000

and we found something years ago that

2294

01:22:01,350 --> 01:21:58,719

witnesses

2295

01:22:03,189 --> 01:22:01,360

uh kept bringing up and you don't hear

2296

01:22:04,550 --> 01:22:03,199

about it very often but on occasion i

2297

01:22:06,070 --> 01:22:04,560

have people still bring it up

2298

01:22:07,669 --> 01:22:06,080

because they don't know how it relates

2299

01:22:09,510 --> 01:22:07,679

and nor do i

2300

01:22:10,709 --> 01:22:09,520

but people who are having bigfoot

2301

01:22:12,870 --> 01:22:10,719

sightings and sometimes

2302

01:22:14,310 --> 01:22:12,880

reoccurring sightings on their property

2303

01:22:17,830 --> 01:22:14,320

were reporting

2304

01:22:19,430 --> 01:22:17,840

what sounded like tearing metal or metal

2305

01:22:21,750 --> 01:22:19,440

on metal sound when these things

2306

01:22:22,470 --> 01:22:21,760

were around yeah you mentioned that down

2307

01:22:37,750 --> 01:22:22,480

in

2308

01:22:38,790 --> 01:22:37,760

i really don't know i don't know how it

2309

01:22:41,830 --> 01:22:38,800

relates to it

2310

01:22:42,550 --> 01:22:41,840

but uh it's it's very interesting and

2311

01:22:44,149 --> 01:22:42,560

and we get

2312

01:22:46,229 --> 01:22:44,159

we've got a lot of these interesting

2313

01:22:49,270 --> 01:22:46,239

tidbits down there around dairy township

2314

01:22:50,870 --> 01:22:49,280

excuse me out around the ridge again

2315

01:22:52,310 --> 01:22:50,880

back in the 70s

2316

01:22:54,550 --> 01:22:52,320

and then you know i had that really

2317

01:22:56,790 --> 01:22:54,560

weird case that happened back in march

2318

01:22:58,390 --> 01:22:56,800

of 97

2319

01:23:00,390 --> 01:22:58,400

i wrote about in my real mysterious

2320

01:23:03,830 --> 01:23:00,400

pennsylvania book

2321

01:23:06,229 --> 01:23:03,840

yeah go ahead no i'm

2322

01:23:07,030 --> 01:23:06,239

you know i don't have a question okay i

2323

01:23:11,510 --> 01:23:07,040

thought i heard somebody

2324

01:23:13,910 --> 01:23:11,520

say something no no okay but this was uh

2325

01:23:15,270 --> 01:23:13,920

oh this was a case where early morning

2326

01:23:16,390 --> 01:23:15,280

hours

2327

01:23:18,550 --> 01:23:16,400

it was around three o'clock in the

2328

01:23:20,390 --> 01:23:18,560

morning out from derry township this is

2329

01:23:21,990 --> 01:23:20,400

a very rural area

2330

01:23:23,510 --> 01:23:22,000

these fellows work at night and they

2331

01:23:25,189 --> 01:23:23,520

were coming through the area and i think

2332

01:23:28,629 --> 01:23:25,199

it was a little van

2333

01:23:31,430 --> 01:23:28,639

and um they lost

2334

01:23:32,229 --> 01:23:31,440

expensive hubcap and it rolled across

2335

01:23:34,550 --> 01:23:32,239

the road

2336

01:23:37,750 --> 01:23:34,560

into an area over there which had a

2337

01:23:40,870 --> 01:23:37,760

bunch of old car bodies laying around

2338

01:23:43,990 --> 01:23:40,880

and um the one

2339

01:23:45,270 --> 01:23:44,000

one fellow stayed in the vehicle in fact

2340

01:23:46,470 --> 01:23:45,280

he had a walkie-talkie or something he

2341

01:23:47,990 --> 01:23:46,480

was just checking out they had muscle

2342

01:23:49,510 --> 01:23:48,000

walkie-talkies and they the other

2343

01:23:51,669 --> 01:23:49,520

two guys were out in the field they took

2344

01:23:53,910 --> 01:23:51,679

a walkie-talkie with them as i recall

2345

01:23:55,669 --> 01:23:53,920

and they were walking around out there

2346

01:23:58,390 --> 01:23:55,679

and um

2347

01:24:00,229 --> 01:23:58,400

anyhow they they also heard that like

2348

01:24:01,669 --> 01:24:00,239

metal on metals

2349

01:24:04,070 --> 01:24:01,679

that's one of the keys that brought that

2350

01:24:07,510 --> 01:24:04,080

up and they're also hearing

2351

01:24:09,830 --> 01:24:07,520

the noise and they are in shock

2352

01:24:11,910 --> 01:24:09,840

because what they see is not a dog but a

2353

01:24:12,629 --> 01:24:11,920

huge white hair covered eight flight

2354

01:24:16,149 --> 01:24:12,639

creature

2355

01:24:19,030 --> 01:24:16,159

rising up from the ground and

2356

01:24:19,910 --> 01:24:19,040

the one guy is panicking he runs out of

2357

01:24:21,270 --> 01:24:19,920

the air

2358

01:24:22,629 --> 01:24:21,280

and the other guy stood there for

2359

01:24:23,750 --> 01:24:22,639

several seconds trying to get a better

2360

01:24:25,669 --> 01:24:23,760

look at this thing to figure out what

2361

01:24:27,350 --> 01:24:25,679

he's seeing and he finally runs off

2362

01:24:29,189 --> 01:24:27,360

and i think he radioed that a guy hurry

2363

01:24:31,430 --> 01:24:29,199

up struck the engine start the engine

2364

01:24:32,470 --> 01:24:31,440

well the one guy running out of there i

2365

01:24:35,990 --> 01:24:32,480

believe he dropped

2366

01:24:39,030 --> 01:24:36,000

a set of keys and he had his dad's

2367

01:24:40,470 --> 01:24:39,040

really really good knife or something it

2368

01:24:41,110 --> 01:24:40,480

was a special knife they didn't want to

2369

01:24:42,550 --> 01:24:41,120

lose

2370

01:24:44,310 --> 01:24:42,560

but he dropped it on the scene when they

2371

01:24:45,590 --> 01:24:44,320

were running so they went back out there

2372

01:24:47,189 --> 01:24:45,600

and they glide out that area really

2373

01:24:48,950 --> 01:24:47,199

quick well here's the interesting little

2374

01:24:51,110 --> 01:24:48,960

bit

2375

01:24:53,350 --> 01:24:51,120

as they're riding down this country road

2376

01:24:56,390 --> 01:24:53,360

three o'clock in the morning

2377

01:24:57,590 --> 01:24:56,400

um they're run they're leaving that area

2378

01:24:58,950 --> 01:24:57,600

very quickly

2379

01:25:01,430 --> 01:24:58,960

and all of a sudden coming from the

2380

01:25:02,470 --> 01:25:01,440

opposite direction is this upscale red

2381

01:25:05,669 --> 01:25:02,480

and silver chevy

2382

01:25:07,030 --> 01:25:05,679

dually chevy uh goalie truck

2383

01:25:09,189 --> 01:25:07,040

that passes them in the opposite

2384

01:25:12,470 --> 01:25:09,199

direction at a really fast rate of speed

2385

01:25:13,510 --> 01:25:12,480

and they watched door he pulls off on

2386

01:25:16,070 --> 01:25:13,520

the side road

2387

01:25:18,149 --> 01:25:16,080

and turns around and begins to fall and

2388

01:25:20,149 --> 01:25:18,159

fall them down the road

2389

01:25:21,990 --> 01:25:20,159

and this chevy truck increased its speed

2390

01:25:23,910 --> 01:25:22,000

and came up right on the rear bumper of

2391

01:25:26,229 --> 01:25:23,920

their vehicle

2392

01:25:27,750 --> 01:25:26,239

kept that position about half a mile and

2393

01:25:28,870 --> 01:25:27,760

each man in the car had to show you that

2394

01:25:30,470 --> 01:25:28,880

whoever was in the truck

2395

01:25:32,070 --> 01:25:30,480

was trying to obtain their license

2396

01:25:34,070 --> 01:25:32,080

number and the truck

2397

01:25:35,270 --> 01:25:34,080

finally stopped abruptly in the road

2398

01:25:36,870 --> 01:25:35,280

started backing up

2399

01:25:39,350 --> 01:25:36,880

turned off its lights and back into a

2400

01:25:40,390 --> 01:25:39,360

side road when the three witnesses

2401
01:25:42,709 --> 01:25:40,400
continued on

2402
01:25:44,629 --> 01:25:42,719
to their residence so one guy lived not

2403
01:25:46,390 --> 01:25:44,639
too far from her down the road

2404
01:25:47,590 --> 01:25:46,400
and i can't remember i don't remember

2405
01:25:48,470 --> 01:25:47,600
with camera one the other fellas are the

2406
01:25:50,070 --> 01:25:48,480
ones

2407
01:25:53,189 --> 01:25:50,080
oh one of the other fellas that dropped

2408
01:25:55,430 --> 01:25:53,199
the knife and the keys i believe it was

2409
01:25:57,110 --> 01:25:55,440
and he wanted to go back to the site

2410
01:25:58,149 --> 01:25:57,120
later on well the one guy said he's not

2411
01:26:00,870 --> 01:25:58,159
going back

2412
01:26:02,390 --> 01:26:00,880
so he and another guy they go back down

2413
01:26:05,750 --> 01:26:02,400

there now this guy

2414

01:26:06,790 --> 01:26:05,760

has a very nice car at the time that was

2415

01:26:09,030 --> 01:26:06,800

modified for

2416

01:26:10,390 --> 01:26:09,040

with a high-speed engine for racing so

2417

01:26:11,350 --> 01:26:10,400

it's put a lot of money into this

2418

01:26:13,350 --> 01:26:11,360

vehicle

2419

01:26:14,950 --> 01:26:13,360

and they go off to that scene and they

2420

01:26:16,870 --> 01:26:14,960

had one of those 12-volt

2421

01:26:18,229 --> 01:26:16,880

high-powered spotlights so they're

2422

01:26:20,229 --> 01:26:18,239

shining it all around

2423

01:26:22,070 --> 01:26:20,239

looking on the ground and shining around

2424

01:26:24,310 --> 01:26:22,080

those car bar things in there

2425

01:26:25,430 --> 01:26:24,320

and suddenly the creature comes around

2426
01:26:27,030 --> 01:26:25,440
the corner

2427
01:26:29,350 --> 01:26:27,040
and they hit the beam of light directly

2428
01:26:30,390 --> 01:26:29,360
on the creature and they get a really

2429
01:26:32,870 --> 01:26:30,400
good look at this thing

2430
01:26:33,590 --> 01:26:32,880
and the blinding light was concentrated

2431
01:26:35,270 --> 01:26:33,600
on the head

2432
01:26:37,750 --> 01:26:35,280
and the beast appear to be getting

2433
01:26:39,990 --> 01:26:37,760
agitated by the concentrated bright beam

2434
01:26:40,870 --> 01:26:40,000
walking upright on two legs began to

2435
01:26:42,790 --> 01:26:40,880
chase the car

2436
01:26:44,149 --> 01:26:42,800
down the road got within about three

2437
01:26:46,310 --> 01:26:44,159
feet from the rear bumper

2438
01:26:47,270 --> 01:26:46,320

and continued to fall down for for a

2439

01:26:50,629 --> 01:26:47,280

short distance

2440

01:26:54,470 --> 01:26:50,639

as they pulled away down down the road

2441

01:26:57,270 --> 01:26:54,480

so anyhow and it gets even better so

2442

01:26:58,149 --> 01:26:57,280

as they're watching this um they said

2443

01:27:01,270 --> 01:26:58,159

this thing

2444

01:27:01,990 --> 01:27:01,280

um first stoop then later down was on

2445

01:27:04,550 --> 01:27:02,000

all fours

2446

01:27:06,149 --> 01:27:04,560

and was walking upright like a man the

2447

01:27:07,430 --> 01:27:06,159

sound of something heavy was apparent

2448

01:27:08,310 --> 01:27:07,440

when the creature moved across the

2449

01:27:10,390 --> 01:27:08,320

ground

2450

01:27:12,229 --> 01:27:10,400

and they were going in the description

2451

01:27:15,430 --> 01:27:12,239

this thing how big it was

2452

01:27:16,870 --> 01:27:15,440

the um the eyes seemed to be uh

2453

01:27:18,629 --> 01:27:16,880

pinkish in color almost appeared on

2454

01:27:22,070 --> 01:27:18,639

almost egg shapes

2455

01:27:24,070 --> 01:27:22,080

and uh anyhow so there's a third time

2456

01:27:25,030 --> 01:27:24,080

when the guy goes back by himself the

2457

01:27:26,950 --> 01:27:25,040

guy with the high

2458

01:27:28,550 --> 01:27:26,960

powered vehicle because he's the one who

2459

01:27:30,550 --> 01:27:28,560

lost the keys in the knife

2460

01:27:32,070 --> 01:27:30,560

and he pulls an area to turn he opens

2461

01:27:33,669 --> 01:27:32,080

his door and he sees the keys

2462

01:27:35,350 --> 01:27:33,679

he's afraid to get out he just reaches

2463

01:27:38,390 --> 01:27:35,360

down and grabs the keys

2464

01:27:40,550 --> 01:27:38,400

um then all of a sudden

2465

01:27:41,510 --> 01:27:40,560

he look um i'm trying to remember all

2466

01:27:43,669 --> 01:27:41,520

the details here

2467

01:27:45,030 --> 01:27:43,679

he's here there's a big thump towards

2468

01:27:47,110 --> 01:27:45,040

the rear of his car

2469

01:27:49,110 --> 01:27:47,120

he looks into the rear view mirror and

2470

01:27:50,709 --> 01:27:49,120

shocked to see that this huge hairy

2471

01:27:51,430 --> 01:27:50,719

creature is landing on the back of the

2472

01:27:54,390 --> 01:27:51,440

car

2473

01:27:56,149 --> 01:27:54,400

peering it into the rear window its eyes

2474

01:27:57,990 --> 01:27:56,159

seem to have a reddish glow

2475

01:27:59,750 --> 01:27:58,000

the driver pushed down hard on the gas

2476

01:28:01,350 --> 01:27:59,760

trying to quickly exit the area but the

2477

01:28:03,830 --> 01:28:01,360

car wouldn't move

2478

01:28:05,750 --> 01:28:03,840

as a man continues to hit the gas the

2479

01:28:06,709 --> 01:28:05,760

sound from his tail pipes are getting so

2480

01:28:09,030 --> 01:28:06,719

loud by the moment

2481

01:28:10,229 --> 01:28:09,040

and suddenly the creature was no longer

2482

01:28:12,470 --> 01:28:10,239

in the car he was on

2483

01:28:13,990 --> 01:28:12,480

and he was able to make a quick getaway

2484

01:28:15,990 --> 01:28:14,000

and the man felt certain there was

2485

01:28:18,390 --> 01:28:16,000

the car side pitch noise that finally

2486

01:28:20,950 --> 01:28:18,400

made the creature leave the vehicle

2487

01:28:22,229 --> 01:28:20,960

the man later after that happened he ran

2488

01:28:24,310 --> 01:28:22,239

down the road was a little one of those

2489

01:28:25,990 --> 01:28:24,320

24-hour convenience stores

2490

01:28:27,350 --> 01:28:26,000

and he just stopped there i guess get a

2491

01:28:29,430 --> 01:28:27,360

coffee just to try to

2492

01:28:31,430 --> 01:28:29,440

recover from what happened and he had

2493

01:28:32,790 --> 01:28:31,440

his eye on it on the car and of course

2494

01:28:33,590 --> 01:28:32,800

that time in the morning we threw a few

2495

01:28:35,669 --> 01:28:33,600

people around

2496

01:28:36,790 --> 01:28:35,679

but i called it a teenager pulled up

2497

01:28:37,750 --> 01:28:36,800

near his car

2498

01:28:39,990 --> 01:28:37,760

and they were going over there and

2499

01:28:43,270 --> 01:28:40,000

apparently admiring his car

2500

01:28:45,669 --> 01:28:43,280

and he's walking out the door and

2501
01:28:47,189 --> 01:28:45,679
um so well the guys mentioned what a

2502
01:28:49,430 --> 01:28:47,199
nice card was

2503
01:28:51,350 --> 01:28:49,440
and um and one of the guys still telling

2504
01:28:51,669 --> 01:28:51,360
you about were you attacked by some kind

2505
01:28:54,470 --> 01:28:51,679
of an

2506
01:28:56,149 --> 01:28:54,480
animal and the man looked and at the bet

2507
01:29:02,070 --> 01:28:56,159
on the back

2508
01:29:04,070 --> 01:29:02,080
on in the back of the car there were

2509
01:29:06,709 --> 01:29:04,080
these deep scratches

2510
01:29:08,550 --> 01:29:06,719
um cut into the metal and the paint as a

2511
01:29:10,390 --> 01:29:08,560
rear vehicle and there was like two very

2512
01:29:13,350 --> 01:29:10,400
long scratches

2513
01:29:14,229 --> 01:29:13,360

and anyhow there's a picture of it in

2514

01:29:16,950 --> 01:29:14,239

the book

2515

01:29:18,870 --> 01:29:16,960

and it got more interesting because i

2516

01:29:20,390 --> 01:29:18,880

got a call about uh

2517

01:29:21,830 --> 01:29:20,400

around 3 30 4 in the morning i can't

2518

01:29:23,110 --> 01:29:21,840

remember exactly when it was very early

2519

01:29:24,870 --> 01:29:23,120

morning hours

2520

01:29:26,629 --> 01:29:24,880

and found out what happened interviewed

2521

01:29:28,070 --> 01:29:26,639

couple of witnesses told me i want to

2522

01:29:28,870 --> 01:29:28,080

meet with them as soon as i could that

2523

01:29:31,590 --> 01:29:28,880

day

2524

01:29:33,510 --> 01:29:31,600

and i made plans to go out and meet them

2525

01:29:34,709 --> 01:29:33,520

take pictures photographs whatever which

2526

01:29:39,110 --> 01:29:34,719

i did

2527

01:29:41,270 --> 01:29:39,120

and the uh interesting little thing came

2528

01:29:42,709 --> 01:29:41,280

up because one of the key witnesses

2529

01:29:44,310 --> 01:29:42,719

didn't show up that day and i said to

2530

01:29:45,669 --> 01:29:44,320

his buddy well he was able to meet me

2531

01:29:47,590 --> 01:29:45,679

and he said well

2532

01:29:49,430 --> 01:29:47,600

uh he was a little hesitant to meet you

2533

01:29:53,270 --> 01:29:49,440

but he later did

2534

01:29:55,189 --> 01:29:53,280

and he went on to say that

2535

01:29:56,790 --> 01:29:55,199

about 10 minutes after i had talked to

2536

01:29:59,510 --> 01:29:56,800

him on the phone

2537

01:30:01,590 --> 01:29:59,520

he received a disturbing phone call and

2538

01:30:05,350 --> 01:30:01,600

he said the best he could remember

2539

01:30:06,149 --> 01:30:05,360

it was a fella that said something about

2540

01:30:10,149 --> 01:30:06,159

um

2541

01:30:12,229 --> 01:30:10,159

that he was uh with the fbi

2542

01:30:14,229 --> 01:30:12,239

and uh he said about the incident last

2543

01:30:15,990 --> 01:30:14,239

night forget about what you saw

2544

01:30:21,110 --> 01:30:16,000

and i strongly suggest you don't talk

2545

01:30:27,910 --> 01:30:24,629

anyhow uh that was interesting the guy

2546

01:30:29,910 --> 01:30:27,920

later met with me and

2547

01:30:32,470 --> 01:30:29,920

the other fellow who still lived with

2548

01:30:34,709 --> 01:30:32,480

his parents apparently that day

2549

01:30:35,590 --> 01:30:34,719

to uh chevy caprices like which the

2550

01:30:36,870 --> 01:30:35,600

government the

2551
01:30:38,790 --> 01:30:36,880
law enforcement people used to you quite

2552
01:30:41,510 --> 01:30:38,800
a bit back in the day

2553
01:30:42,310 --> 01:30:41,520
two men in each vehicle showed up at his

2554
01:30:43,990 --> 01:30:42,320
house

2555
01:30:45,669 --> 01:30:44,000
and wanted to talk to him about the

2556
01:30:49,110 --> 01:30:45,679
incident and i guess

2557
01:30:50,870 --> 01:30:49,120
he was left with a similar message and

2558
01:30:53,669 --> 01:30:50,880
anyhow it was a very very intriguing

2559
01:30:56,790 --> 01:30:53,679
case i did write to the fbi

2560
01:30:58,070 --> 01:30:56,800
and because i was interested to see if

2561
01:31:00,149 --> 01:30:58,080
they may have been involved

2562
01:31:01,189 --> 01:31:00,159
we have no way to confirm if they were

2563
01:31:02,950 --> 01:31:01,199

but they never

2564

01:31:04,470 --> 01:31:02,960

they never contacted me which i thought

2565

01:31:07,750 --> 01:31:04,480

was a little unusual

2566

01:31:08,149 --> 01:31:07,760

and um anyhow it was a very interesting

2567

01:31:10,550 --> 01:31:08,159

case

2568

01:31:11,430 --> 01:31:10,560

the whole thing is how did they know

2569

01:31:12,950 --> 01:31:11,440

about the incident

2570

01:31:15,110 --> 01:31:12,960

how they know these guys were involved

2571

01:31:18,149 --> 01:31:15,120

it was either they got their license

2572

01:31:20,390 --> 01:31:18,159

number and were tracing the phone or

2573

01:31:21,830 --> 01:31:20,400

were they possibly already listening to

2574

01:31:23,110 --> 01:31:21,840

some of the conversations that were

2575

01:31:26,550 --> 01:31:23,120

coming into my house

2576

01:31:28,149 --> 01:31:26,560

which there there have been indications

2577

01:31:29,270 --> 01:31:28,159

of that over the years with some of the

2578

01:31:31,270 --> 01:31:29,280

incidents i worked on

2579

01:31:32,790 --> 01:31:31,280

which i'm reluctant to say but there

2580

01:31:33,510 --> 01:31:32,800

were other people that were able to

2581

01:31:36,470 --> 01:31:33,520

confirm

2582

01:31:38,470 --> 01:31:36,480

what was happening over the years well

2583

01:31:39,350 --> 01:31:38,480

welcome to the club i've had i've had it

2584

01:31:42,390 --> 01:31:39,360

happen too

2585

01:31:45,270 --> 01:31:42,400

just give me a heads up

2586

01:31:45,830 --> 01:31:45,280

i had him come to the door as fact uh

2587

01:31:49,430 --> 01:31:45,840

one

2588

01:31:51,830 --> 01:31:49,440

occasion uh yeah i mean you know

2589

01:31:53,990 --> 01:31:51,840

you hear this and i heard somebody

2590

01:31:56,870 --> 01:31:54,000

talking about on rail the other night

2591

01:31:58,709 --> 01:31:56,880

uh about the government knowing about

2592

01:32:00,310 --> 01:31:58,719

these uh

2593

01:32:02,790 --> 01:32:00,320

you know about these cryptids in

2594

01:32:04,629 --> 01:32:02,800

particular these bigfoot type creatures

2595

01:32:07,270 --> 01:32:04,639

they know about it i mean come on you

2596

01:32:09,270 --> 01:32:07,280

know it how couldn't they know about it

2597

01:32:10,390 --> 01:32:09,280

and the protective of it the inner

2598

01:32:13,990 --> 01:32:10,400

information and

2599

01:32:15,830 --> 01:32:14,000

uh you know i it doesn't seem to bother

2600

01:32:17,350 --> 01:32:15,840

them with certain reports and such come

2601

01:32:19,350 --> 01:32:17,360

out but boy i'm telling you

2602

01:32:20,709 --> 01:32:19,360

if if the right one comes out they're

2603

01:32:22,390 --> 01:32:20,719

gonna hop on and they're gonna try to

2604

01:32:24,709 --> 01:32:22,400

stop it

2605

01:32:25,669 --> 01:32:24,719

well i've i've seen indication for many

2606

01:32:27,350 --> 01:32:25,679

years

2607

01:32:29,510 --> 01:32:27,360

that the government has an interest

2608

01:32:31,910 --> 01:32:29,520

about ufo and bigfoot cases

2609

01:32:33,830 --> 01:32:31,920

yeah and um there is no doubt that in

2610

01:32:34,470 --> 01:32:33,840

some of the cases i was involved in some

2611

01:32:36,870 --> 01:32:34,480

of them were

2612

01:32:38,470 --> 01:32:36,880

really spectacular events that there was

2613

01:32:38,950 --> 01:32:38,480

in indications that there was a

2614

01:32:40,629 --> 01:32:38,960

government

2615

01:32:42,229 --> 01:32:40,639

involvement in some of those cases later

2616

01:32:45,910 --> 01:32:42,239

on um

2617

01:32:48,470 --> 01:32:45,920

going away back to that case um

2618

01:32:49,510 --> 01:32:48,480

the ufo landing case in october 73 in

2619

01:32:51,830 --> 01:32:49,520

uniontown

2620

01:32:53,189 --> 01:32:51,840

you know that was just an amazing case

2621

01:32:55,110 --> 01:32:53,199

and

2622

01:32:57,430 --> 01:32:55,120

there were some oddball aspects to it

2623

01:32:59,430 --> 01:32:57,440

including the fact that um

2624

01:33:01,270 --> 01:32:59,440

you know years after that event happened

2625

01:33:03,030 --> 01:33:01,280

like in some of these important cases

2626

01:33:05,590 --> 01:33:03,040

we would quite often keep in touch with

2627

01:33:08,790 --> 01:33:05,600

witnesses and came in contact with them

2628

01:33:12,149 --> 01:33:08,800

for years to see if anything happened or

2629

01:33:14,310 --> 01:33:12,159

anything new took place and um

2630

01:33:17,189 --> 01:33:14,320

on a follow-up back to probably about

2631

01:33:19,830 --> 01:33:17,199

the 1980s and that happened in 73

2632

01:33:20,790 --> 01:33:19,840

my assistant george lutz and i went up

2633

01:33:23,830 --> 01:33:20,800

to fault with this

2634

01:33:25,590 --> 01:33:23,840

with the key eyewitness we never ever

2635

01:33:26,709 --> 01:33:25,600

hypnotized him and again i

2636

01:33:29,030 --> 01:33:26,719

don't have time to get into the whole

2637

01:33:31,110 --> 01:33:29,040

story but dr brookholt shorts was a

2638

01:33:33,030 --> 01:33:31,120

famous psychiatrist at the time

2639

01:33:34,550 --> 01:33:33,040

who was interested in these cases a week

2640

01:33:36,070 --> 01:33:34,560

up here on his own time

2641

01:33:37,189 --> 01:33:36,080

interviewing all the witnesses and the

2642

01:33:38,229 --> 01:33:37,199

state trooper and the people were

2643

01:33:40,149 --> 01:33:38,239

involved

2644

01:33:41,430 --> 01:33:40,159

and uh he went away convinced these

2645

01:33:43,830 --> 01:33:41,440

people all telling the truth

2646

01:33:45,669 --> 01:33:43,840

but he recommended not to do any

2647

01:33:48,629 --> 01:33:45,679

hypnosis at that time

2648

01:33:50,629 --> 01:33:48,639

years later situation changed a little

2649

01:33:51,590 --> 01:33:50,639

and we disconsidered the possibility

2650

01:33:53,669 --> 01:33:51,600

because we had some

2651
01:33:55,350 --> 01:33:53,679
professionals in our group who were well

2652
01:33:57,750 --> 01:33:55,360
trained to do that type of thing

2653
01:33:58,870 --> 01:33:57,760
and we just talked to the witness steve

2654
01:34:00,790 --> 01:33:58,880
and we just said

2655
01:34:02,550 --> 01:34:00,800
you know we find him and see if he had

2656
01:34:04,550 --> 01:34:02,560
an interest in it and he looked at

2657
01:34:05,189 --> 01:34:04,560
myself and george very strange and he

2658
01:34:09,350 --> 01:34:05,199
said

2659
01:34:13,270 --> 01:34:11,750
and we look like whoa what do you mean

2660
01:34:15,350 --> 01:34:13,280
well

2661
01:34:17,189 --> 01:34:15,360
an incident happened to him within a

2662
01:34:19,189 --> 01:34:17,199
week or two after the actual event

2663
01:34:19,510 --> 01:34:19,199

happened because you know my team was up

2664

01:34:21,830 --> 01:34:19,520

there

2665

01:34:23,750 --> 01:34:21,840

quite often yeah he interviewed him and

2666

01:34:24,709 --> 01:34:23,760

other people in doing investigation for

2667

01:34:27,830 --> 01:34:24,719

weeks

2668

01:34:29,750 --> 01:34:27,840

and these two men who visited him

2669

01:34:30,950 --> 01:34:29,760

he always thought they were somehow part

2670

01:34:33,189 --> 01:34:30,960

of my research group

2671

01:34:34,470 --> 01:34:33,199

but they weren't i guess he knew that my

2672

01:34:36,550 --> 01:34:34,480

sister george

2673

01:34:38,629 --> 01:34:36,560

was in the it was a major in the air

2674

01:34:40,390 --> 01:34:38,639

force reserves but of course

2675

01:34:42,149 --> 01:34:40,400

he never wore his air force uniform

2676

01:34:45,990 --> 01:34:42,159

we're out of investigations

2677

01:34:48,390 --> 01:34:46,000

and anyhow he he told us that

2678

01:34:50,310 --> 01:34:48,400

these two men came to the house one man

2679

01:34:51,830 --> 01:34:50,320

was in a dark suit

2680

01:34:53,189 --> 01:34:51,840

the other man was in an air force

2681

01:34:54,070 --> 01:34:53,199

uniform and a guy in the air force

2682

01:34:58,149 --> 01:34:54,080

uniform

2683

01:34:59,830 --> 01:34:58,159

was carrying a briefcase and

2684

01:35:01,510 --> 01:34:59,840

they wanted to interview him and they

2685

01:35:03,510 --> 01:35:01,520

wanted him to recall

2686

01:35:05,910 --> 01:35:03,520

all the information about what he saw in

2687

01:35:09,030 --> 01:35:05,920

the field what the creatures looked like

2688

01:35:11,270 --> 01:35:09,040

talk describe the ufo and then

2689

01:35:12,790 --> 01:35:11,280

interestingly the air force guy opens

2690

01:35:13,669 --> 01:35:12,800

his briefcase and pulls out a bunch of

2691

01:35:18,950 --> 01:35:13,679

pictures

2692

01:35:20,629 --> 01:35:18,960

and they wanted to know if any of the

2693

01:35:21,189 --> 01:35:20,639

bigfoot pictures look similar to what he

2694

01:35:22,950 --> 01:35:21,199

saw

2695

01:35:24,310 --> 01:35:22,960

and i remember him telling me one

2696

01:35:26,870 --> 01:35:24,320

specific picture

2697

01:35:28,629 --> 01:35:26,880

was a bigfoot carrying a i believe it

2698

01:35:31,430 --> 01:35:28,639

was the dead pig

2699

01:35:32,870 --> 01:35:31,440

over a fence from georgia and they want

2700

01:35:33,910 --> 01:35:32,880

to know if it looks similar to what he

2701

01:35:37,990 --> 01:35:33,920

saw

2702

01:35:40,470 --> 01:35:38,000

they wanted to know if it looked similar

2703

01:35:41,669 --> 01:35:40,480

and then as they continued the research

2704

01:35:42,870 --> 01:35:41,679

investigation

2705

01:35:44,950 --> 01:35:42,880

they asked permission they could

2706

01:35:47,350 --> 01:35:44,960

hypnotize them and apparently they did

2707

01:35:49,510 --> 01:35:47,360

and after it was all over the guys said

2708

01:35:51,750 --> 01:35:49,520

that they would be in touch with him

2709

01:35:52,870 --> 01:35:51,760

and he never heard from him again and of

2710

01:35:54,950 --> 01:35:52,880

course i

2711

01:35:56,790 --> 01:35:54,960

sent a request to the air force but you

2712

01:35:58,709 --> 01:35:56,800

got to remember the government the air

2713

01:36:01,270 --> 01:35:58,719

force was officially

2714

01:36:03,030 --> 01:36:01,280

out of ufo research actually in early

2715

01:36:07,030 --> 01:36:03,040

night in january 1970

2716

01:36:10,229 --> 01:36:07,040

when the project was done right so

2717

01:36:13,590 --> 01:36:10,239

who these guys were we don't know

2718

01:36:15,189 --> 01:36:13,600

i can also tell you that um

2719

01:36:16,310 --> 01:36:15,199

there was no doubt there was some other

2720

01:36:18,550 --> 01:36:16,320

government interest in our

2721

01:36:21,430 --> 01:36:18,560

investigations at the time

2722

01:36:23,830 --> 01:36:21,440

i had received the phone call during the

2723

01:36:24,790 --> 01:36:23,840

the really active time in 73 from a man

2724

01:36:26,870 --> 01:36:24,800

who told me he was

2725

01:36:28,709 --> 01:36:26,880

working for the government that they

2726

01:36:30,390 --> 01:36:28,719

were aware of the investigation we were

2727

01:36:33,030 --> 01:36:30,400

doing

2728

01:36:34,629 --> 01:36:33,040

i was provided a phone number a

2729

01:36:35,590 --> 01:36:34,639

washington dc phone number for a

2730

01:36:38,149 --> 01:36:35,600

laboratory

2731

01:36:39,669 --> 01:36:38,159

the name of a contact an address there

2732

01:36:41,510 --> 01:36:39,679

in the event that we would come up with

2733

01:36:43,750 --> 01:36:41,520

a body or any really

2734

01:36:44,950 --> 01:36:43,760

conclusive evidence which we didn't have

2735

01:36:47,990 --> 01:36:44,960

enough to really work with

2736

01:36:48,950 --> 01:36:48,000

i never called it but later on it wasn't

2737

01:36:52,229 --> 01:36:48,960

long after that

2738

01:36:54,470 --> 01:36:52,239

i did have a call from a government

2739

01:36:56,149 --> 01:36:54,480

representative's office and two of those

2740

01:36:56,790 --> 01:36:56,159

government people did come to my house

2741

01:36:59,109 --> 01:36:56,800

and we had

2742

01:37:00,790 --> 01:36:59,119

long conversations and i got to know

2743

01:37:02,149 --> 01:37:00,800

them quite well and we kept in touch for

2744

01:37:04,550 --> 01:37:02,159

many many years

2745

01:37:06,470 --> 01:37:04,560

and they were very open minded to what

2746

01:37:07,990 --> 01:37:06,480

we were doing they were very helpful

2747

01:37:09,590 --> 01:37:08,000

they were very interested in what was

2748

01:37:10,870 --> 01:37:09,600

going on they wanted to be kept updated

2749

01:37:12,709 --> 01:37:10,880

which they were

2750

01:37:14,709 --> 01:37:12,719

but they also i gave them the phone

2751

01:37:17,270 --> 01:37:14,719

number that that i was provided

2752

01:37:18,390 --> 01:37:17,280

and they confirmed that it was a uh an

2753

01:37:22,550 --> 01:37:18,400

actual government

2754

01:37:25,910 --> 01:37:24,390

well stan i think we're going to wrap it

2755

01:37:27,590 --> 01:37:25,920

up and uh

2756

01:37:29,270 --> 01:37:27,600

how can how can people get in touch with

2757

01:37:31,189 --> 01:37:29,280
