00:00:37,030 --> 00:00:34,960

winged cryptid magog quebec canada i

11
00:00:39,430 --> 00:00:37,040

live in a recently built house in magog

12
00:00:40,310 --> 00:00:39,440

quebec about one kilometer west of lake

13
00:00:42,310 --> 00:00:40,320

magog

14

00:00:43,990 --> 00:00:42,320

near my house is a forest and large

15

00:00:46,709 --> 00:00:44,000

marshy area approximately

16

00:00:48,150 --> 00:00:46,719

200 meters beyond my property i have

17

00:00:49,910 --> 00:00:48,160

lived here for two years

18

00:00:51,510 --> 00:00:49,920

many of my neighbors have been here the

19

00:00:53,430 --> 00:00:51,520

same amount of time

20

00:00:55,510 --> 00:00:53,440

since june of this year we have been

21

00:00:56,229 --> 00:00:55,520

hearing loud snarling sounds coming from

22

00:00:58,630 --> 00:00:56,239

the marsh

23

00:01:00,709 --> 00:00:58,640

mostly late at night at first i thought

24

00:01:01,430 --> 00:01:00,719

it may be a coyote or other canine of

25

00:01:03,510 --> 00:01:01,440

some kind

26
00:01:04,789 --> 00:01:03,520
but recently we've noticed activity that

27
00:01:06,630 --> 00:01:04,799
rules this out

28
00:01:08,789 --> 00:01:06,640
my neighbor three houses down had

29
00:01:09,830 --> 00:01:08,799
recently obtained a llama and kept it in

30
00:01:12,469 --> 00:01:09,840
a large railed pen

31
00:01:13,830 --> 00:01:12,479
behind their house this past weekend the

32
00:01:15,910 --> 00:01:13,840
llama disappeared

33
00:01:17,590 --> 00:01:15,920
the only evidence found were drag marks

34
00:01:18,550 --> 00:01:17,600
in the area around the pen leading to

35
00:01:20,710 --> 00:01:18,560
the marsh

36
00:01:22,789 --> 00:01:20,720
there were no tracks or blood anywhere

37
00:01:23,590 --> 00:01:22,799
in fact the police took a report and

38
00:01:26,310 --> 00:01:23,600

searched

39

00:01:28,070 --> 00:01:26,320

they found nothing on sunday night i was

40

00:01:29,990 --> 00:01:28,080

in my greenhouse cleaning up when i

41

00:01:31,270 --> 00:01:30,000

heard a loud thud come from behind my

42

00:01:33,429 --> 00:01:31,280

utility shed

43

00:01:35,510 --> 00:01:33,439

i started to walk out of my greenhouse

44

00:01:38,149 --> 00:01:35,520

when i heard that distinctive snarling

45

00:01:39,510 --> 00:01:38,159

and it was very close i immediately went

46

00:01:42,149 --> 00:01:39,520

back into the greenhouse

47

00:01:44,310 --> 00:01:42,159

cut off the lights and quietly watched i

48

00:01:45,590 --> 00:01:44,320

called my wife on my cell phone and told

49

00:01:47,270 --> 00:01:45,600

her what was going on

50

00:01:49,910 --> 00:01:47,280

and to make sure all the doors were

51
00:01:51,910 --> 00:01:49,920
locked i sat on a bench and waited

52
00:01:53,990 --> 00:01:51,920
i had been there for about 10 minutes or

53
00:01:55,910 --> 00:01:54,000
so when i heard this gnarling again

54
00:01:58,069 --> 00:01:55,920
there is a security light on a timer

55
00:01:59,670 --> 00:01:58,079
mounted outside of the back porch

56
00:02:01,749 --> 00:01:59,680
it was on and shining towards the

57
00:02:03,990 --> 00:02:01,759
greenhouse there is an additional

58
00:02:05,590 --> 00:02:04,000
security light by he driveway that comes

59
00:02:06,550 --> 00:02:05,600
on if triggered by something moving

60
00:02:08,550 --> 00:02:06,560
nearby

61
00:02:10,309 --> 00:02:08,560
i heard some movement near the utility

62
00:02:11,910 --> 00:02:10,319
shed again then another thought and a

63
00:02:13,670 --> 00:02:11,920

brief shrieking sound

64

00:02:15,110 --> 00:02:13,680

suddenly the security light above the

65

00:02:16,949 --> 00:02:15,120

driveway came on

66

00:02:18,150 --> 00:02:16,959

it was a huge winged creature with a

67

00:02:20,229 --> 00:02:18,160

long thin tail

68

00:02:22,550 --> 00:02:20,239

it was hideous looked like it had bat

69

00:02:23,190 --> 00:02:22,560

skin and short horns on weird snake-like

70

00:02:25,430 --> 00:02:23,200

head

71

00:02:27,750 --> 00:02:25,440

it opened its wings at one point i say

72

00:02:30,150 --> 00:02:27,760

the wingspan was at least eight meters

73

00:02:32,229 --> 00:02:30,160

i didn't notice feathers it stood about

74

00:02:34,070 --> 00:02:32,239

three to four meters high as well

75

00:02:36,390 --> 00:02:34,080

it was snarling and thrashing its head

76

00:02:38,710 --> 00:02:36,400

as it ran towards the marsh i really

77

00:02:40,790 --> 00:02:38,720

know of no animal to reference it to

78

00:02:41,910 --> 00:02:40,800

one of my neighbors came running out but

79

00:02:44,070 --> 00:02:41,920

he didn't see it

80

00:02:45,750 --> 00:02:44,080

i described what i witnessed he looked

81

00:02:48,229 --> 00:02:45,760

shocked at what i was saying

82

00:02:50,470 --> 00:02:48,239

i don't know if he believed me or not we

83

00:02:52,390 --> 00:02:50,480

decided to call the police and report an

84

00:02:54,309 --> 00:02:52,400

unknown animal on the property

85

00:02:56,070 --> 00:02:54,319

i didn't want to describe what i'm sure

86

00:02:58,710 --> 00:02:56,080

i saw the next day

87

00:03:00,630 --> 00:02:58,720

i contacted a zoologist in montreal and

88

00:03:01,430 --> 00:03:00,640

was referred to a cryptozoologist in

89

00:03:03,270 --> 00:03:01,440

sherbrooke

90

00:03:05,270 --> 00:03:03,280

neither of them offered much help and

91

00:03:06,070 --> 00:03:05,280

neither volunteered to come and examine

92

00:03:08,149 --> 00:03:06,080

the area

93

00:03:10,229 --> 00:03:08,159

the police found nothing though my yard

94

00:03:12,149 --> 00:03:10,239

had four dig marks in it but looked like

95

00:03:12,949 --> 00:03:12,159

someone took a shovel and overturned the

96

00:03:14,949 --> 00:03:12,959

soil

97

00:03:17,350 --> 00:03:14,959

i haven't heard any sound since that

98

00:03:24,869 --> 00:03:17,360

incident if you like to contact me

99

00:03:28,949 --> 00:03:26,949

i wanted to tell a story of what i

100

00:03:29,990 --> 00:03:28,959

experienced in the vicinity of rio

101
00:03:33,750 --> 00:03:30,000
arriba county

102
00:03:37,110 --> 00:03:33,760
abiquiu tierra zoll i was 15 at the time

103
00:03:39,110 --> 00:03:37,120
so this was in 2005. my cousin and i

104
00:03:41,670 --> 00:03:39,120
were the only ones together

105
00:03:43,990 --> 00:03:41,680
there was a car in front of us all of a

106
00:03:46,229 --> 00:03:44,000
sudden i see this black figure

107
00:03:47,990 --> 00:03:46,239
it looked like trash flying in the wind

108
00:03:49,910 --> 00:03:48,000
but then as it got closer

109
00:03:51,430 --> 00:03:49,920
it started to look like a runner with

110
00:03:54,229 --> 00:03:51,440
its hands in front of it

111
00:03:56,229 --> 00:03:54,239
flat like runners when they are running

112
00:03:58,149 --> 00:03:56,239
but it didn't look like a man

113
00:04:00,789 --> 00:03:58,159

the car in front swerved and in that

114

00:04:02,630 --> 00:04:00,799

next seconds everything slowed down

115

00:04:04,710 --> 00:04:02,640

the creature in front of the car to

116

00:04:05,509 --> 00:04:04,720

right of the shoulder started coming at

117

00:04:07,750 --> 00:04:05,519

our car

118

00:04:10,309 --> 00:04:07,760

and it jumped when it did that it spread

119

00:04:12,869 --> 00:04:10,319

its arms and these wings came out

120

00:04:14,949 --> 00:04:12,879

about the size of the car with wise from

121

00:04:17,110 --> 00:04:14,959

driver to passenger door

122

00:04:17,990 --> 00:04:17,120

its face was freaky because it wasn't

123

00:04:20,789 --> 00:04:18,000

human at all

124

00:04:22,069 --> 00:04:20,799

and had beady yellow eyes two fangs but

125

00:04:24,390 --> 00:04:22,079

it now that i look back

126

00:04:25,189 --> 00:04:24,400

it reminds me of the mothman it didn't

127

00:04:27,590 --> 00:04:25,199

have ears

128

00:04:28,950 --> 00:04:27,600

and its face looked almost blank besides

129

00:04:30,710 --> 00:04:28,960

eyes and fangs

130

00:04:32,870 --> 00:04:30,720

the fangs looked like three to six

131

00:04:35,510 --> 00:04:32,880

inches sticking out of its mouth

132

00:04:37,590 --> 00:04:35,520

its chest had a white v its fur was

133

00:04:38,550 --> 00:04:37,600

something similar to a deer like grayish

134

00:04:41,110 --> 00:04:38,560

white and brown

135

00:04:42,150 --> 00:04:41,120

or an all the legs were weird and looked

136

00:04:44,710 --> 00:04:42,160

like goat legs

137

00:04:47,270 --> 00:04:44,720

i now know they are called hawks the

138

00:04:49,110 --> 00:04:47,280

height was like four to five feet tall

139

00:04:50,870 --> 00:04:49,120

the wings looked like they came out of

140

00:04:53,270 --> 00:04:50,880

its sides rib cage

141

00:04:55,590 --> 00:04:53,280

like a glider but they extended longer

142

00:04:58,150 --> 00:04:55,600

than the arms and looked like bad wings

143

00:04:59,749 --> 00:04:58,160

except they were big my aunt told me

144

00:05:01,990 --> 00:04:59,759

that she thinks my cousin

145

00:05:03,749 --> 00:05:02,000

who witnessed the being with me saw it

146

00:05:06,390 --> 00:05:03,759

again a few years ago

147

00:05:08,629 --> 00:05:06,400

this is her story is told to me my

148

00:05:11,110 --> 00:05:08,639

cousin was checking on her double wide

149

00:05:13,270 --> 00:05:11,120

because it was not connected to the grid

150

00:05:13,990 --> 00:05:13,280

she told my aunt that she had a weird

151
00:05:16,550 --> 00:05:14,000
feeling

152
00:05:17,909 --> 00:05:16,560
so she stayed in her van it literally

153
00:05:19,590 --> 00:05:17,919
came out of nowhere

154
00:05:21,510 --> 00:05:19,600
and her youngest daughter started

155
00:05:22,950 --> 00:05:21,520
screaming and pulling on her headrest

156
00:05:25,270 --> 00:05:22,960
from behind her and said

157
00:05:27,590 --> 00:05:25,280
it's going to get us there by her

158
00:05:29,430 --> 00:05:27,600
trailer she said she saw the yellow eyes

159
00:05:29,990 --> 00:05:29,440
peeking around a tree looking at them

160
00:05:32,550 --> 00:05:30,000
both

161
00:05:34,390 --> 00:05:32,560
then hiding again she said that right

162
00:05:36,310 --> 00:05:34,400
away she got out of there

163
00:05:38,310 --> 00:05:36,320

they think it was the same creature

164

00:05:40,150 --> 00:05:38,320

since her trailer is one mile from where

165

00:05:40,950 --> 00:05:40,160

we saw the winged creature the first

166

00:05:42,870 --> 00:05:40,960

time

167

00:05:43,990 --> 00:05:42,880

it's strange that she saw with me all

168

00:05:53,189 --> 00:05:44,000

those years ago

169

00:05:55,270 --> 00:05:53,199

then again 10 years later m

170

00:05:56,790 --> 00:05:55,280

large dark wing being encountered on

171

00:05:59,430 --> 00:05:56,800

i-90 near illinois

172

00:06:01,350 --> 00:05:59,440

wisconsin state line i've been meaning

173

00:06:02,629 --> 00:06:01,360

to reach out for some time now and

174

00:06:04,710 --> 00:06:02,639

finally am

175

00:06:06,950 --> 00:06:04,720

i became aware of you from a chicago

176
00:06:08,150 --> 00:06:06,960
mothman video on youtube around a year

177
00:06:10,150 --> 00:06:08,160
and half ago

178
00:06:11,990 --> 00:06:10,160
i have occasionally shared my story

179
00:06:13,029 --> 00:06:12,000
through the years which isn't a whole

180
00:06:15,990 --> 00:06:13,039
lot with others

181
00:06:18,309 --> 00:06:16,000
when paranormal topics arise my wife

182
00:06:18,870 --> 00:06:18,319
recently purchased mothman dynasty as a

183
00:06:21,510 --> 00:06:18,880
gift

184
00:06:23,510 --> 00:06:21,520
and i did feel it was very thoughtful

185
00:06:26,150 --> 00:06:23,520
i'm roughly halfway through it

186
00:06:28,469 --> 00:06:26,160
i also listened to a podcast by members

187
00:06:29,670 --> 00:06:28,479
of your team while extensively traveling

188
00:06:31,909 --> 00:06:29,680

last month

189

00:06:33,670 --> 00:06:31,919

the slight difference between my story

190

00:06:35,110 --> 00:06:33,680

and many of the others in your book is

191

00:06:38,230 --> 00:06:35,120

the time frame

192

00:06:40,230 --> 00:06:38,240

my sighting was december 2007 it

193

00:06:42,469 --> 00:06:40,240

occurred about a mile or two past the

194

00:06:44,150 --> 00:06:42,479

illinois state line from wisconsin on

195

00:06:47,510 --> 00:06:44,160

i-90 southbound around

196

00:06:49,270 --> 00:06:47,520

4 or 5 a.m i was very tired while making

197

00:06:51,510 --> 00:06:49,280

an attempt to travel from northern

198

00:06:53,830 --> 00:06:51,520

minnesota to western new york with my

199

00:06:55,990 --> 00:06:53,840

son who i picked up for the holidays

200

00:06:58,309 --> 00:06:56,000

i basically wasn't trying to pay for a

201
00:07:01,350 --> 00:06:58,319
hotel and did eventually stop at the

202
00:07:03,830 --> 00:07:01,360
rest area a couple hours later i believe

203
00:07:05,270 --> 00:07:03,840
i saw a dark silhouette on my front left

204
00:07:07,189 --> 00:07:05,280
side in the darkness ahead

205
00:07:09,350 --> 00:07:07,199
and didn't really think anything of it

206
00:07:11,830 --> 00:07:09,360
until it came into my headlights

207
00:07:12,550 --> 00:07:11,840
what i saw flew straight across the road

208
00:07:15,029 --> 00:07:12,560
like a cross

209
00:07:15,990 --> 00:07:15,039
street at a decent speed but not in a

210
00:07:18,550 --> 00:07:16,000
flash

211
00:07:20,230 --> 00:07:18,560
from what i recall it was dark brown and

212
00:07:23,270 --> 00:07:20,240
it was possibly the length

213
00:07:24,550 --> 00:07:23,280

top to bottom as the width of my car i

214

00:07:26,710 --> 00:07:24,560

don't recall a body

215

00:07:27,589 --> 00:07:26,720

but may i maybe intentionally blanking

216

00:07:29,909 --> 00:07:27,599

it out

217

00:07:30,950 --> 00:07:29,919

i saw a leather-like wing flapping down

218

00:07:33,670 --> 00:07:30,960

for sure

219

00:07:34,469 --> 00:07:33,680

that seemed oval i don't recall a tailor

220

00:07:36,629 --> 00:07:34,479

head

221

00:07:38,870 --> 00:07:36,639

the one picture behind the big indian in

222

00:07:39,990 --> 00:07:38,880

chicago may be the closest thing to what

223

00:07:41,909 --> 00:07:40,000

i recall

224

00:07:44,070 --> 00:07:41,919

most descriptions in your book don't

225

00:07:46,390 --> 00:07:44,080

seem to represent what i saw

226

00:07:47,990 --> 00:07:46,400

i say this because what i saw didn't fly

227

00:07:50,070 --> 00:07:48,000

fluidly or smoothly

228

00:07:51,029 --> 00:07:50,080

it was awkward and far from the flap of

229

00:07:53,029 --> 00:07:51,039

an eagle

230

00:07:55,029 --> 00:07:53,039

when it left my headlights view i could

231

00:07:56,070 --> 00:07:55,039

see the same silhouette on my right in

232

00:07:57,830 --> 00:07:56,080

the dark

233

00:07:59,110 --> 00:07:57,840

my first impression was something

234

00:08:00,629 --> 00:07:59,120

prehistoric but

235

00:08:02,390 --> 00:08:00,639

not the wing of what i believe a

236

00:08:04,150 --> 00:08:02,400

pteranodon would look like

237

00:08:05,909 --> 00:08:04,160

another first impression that was

238

00:08:07,270 --> 00:08:05,919

immediate was the hair on the back of

239

00:08:10,070 --> 00:08:07,280

neck my standing up

240

00:08:12,070 --> 00:08:10,080

realizing i saw something unexplained i

241

00:08:14,070 --> 00:08:12,080

was scared but not terrified

242

00:08:16,309 --> 00:08:14,080

and can't recall how long i stayed on

243

00:08:17,270 --> 00:08:16,319

the road after but do you recall as long

244

00:08:19,510 --> 00:08:17,280

as i could

245

00:08:21,909 --> 00:08:19,520

i did try an internet search a couple

246

00:08:23,830 --> 00:08:21,919

months later that had an interactive map

247

00:08:25,990 --> 00:08:23,840

and the closest thing i found was a

248

00:08:28,869 --> 00:08:26,000

sighting probably 20 miles south from

249

00:08:30,710 --> 00:08:28,879

mine someone described an awkward flying

250

00:08:31,270 --> 00:08:30,720

creature flying away from them during

251
00:08:33,269 --> 00:08:31,280
dusk

252
00:08:38,829 --> 00:08:33,279
and that's about the closest description

253
00:08:38,839 --> 00:08:42,310
st

254
00:08:47,509 --> 00:08:44,310
winged humanoid encountered in selena

255
00:08:49,829 --> 00:08:47,519
utah i would say around june 2013

256
00:08:51,430 --> 00:08:49,839
in salina utah i was walking under a

257
00:08:53,509 --> 00:08:51,440
street lamp with a friend

258
00:08:54,949 --> 00:08:53,519
he was talking and i was looking at the

259
00:08:56,790 --> 00:08:54,959
stars as we walked

260
00:08:58,790 --> 00:08:56,800
we walked under a street lamp that was

261
00:09:01,430 --> 00:08:58,800
also shining light upwards

262
00:09:01,990 --> 00:09:01,440
plain as day i saw a flying humanoid

263
00:09:04,870 --> 00:09:02,000

head

264

00:09:06,790 --> 00:09:04,880

body arms and legs almost like human fly

265

00:09:08,870 --> 00:09:06,800

above the street lamp flying about 10

266

00:09:11,190 --> 00:09:08,880

feet from the edge of the asphalt road

267

00:09:13,430 --> 00:09:11,200

30 to 40 off the ground flying in the

268

00:09:15,269 --> 00:09:13,440

opposite direction as we were walking

269

00:09:16,870 --> 00:09:15,279

the creature was traveling south on the

270

00:09:18,870 --> 00:09:16,880

west side of the road

271

00:09:20,630 --> 00:09:18,880

the height i would say is around the

272

00:09:23,110 --> 00:09:20,640

size of an adult human

273

00:09:25,030 --> 00:09:23,120

its arms legs and body were athletic

274

00:09:26,070 --> 00:09:25,040

looking but looked like it hardly had

275

00:09:28,310 --> 00:09:26,080

any muscle

276

00:09:29,430 --> 00:09:28,320

it had five fingers like us but had

277

00:09:31,670 --> 00:09:29,440

three toes

278

00:09:33,030 --> 00:09:31,680

the toes narrowed down to a point like a

279

00:09:35,350 --> 00:09:33,040

corner triangle

280

00:09:36,230 --> 00:09:35,360

it had two wings one coming off each

281

00:09:37,990 --> 00:09:36,240

shoulder

282

00:09:39,750 --> 00:09:38,000

the length of the wing was about the

283

00:09:41,670 --> 00:09:39,760

length of the creature's arm

284

00:09:43,190 --> 00:09:41,680

the wings were narrow and had very

285

00:09:45,030 --> 00:09:43,200

little surface area

286

00:09:46,310 --> 00:09:45,040

i did not see the creature flap its

287

00:09:48,389 --> 00:09:46,320

wings to fly

288

00:09:50,070 --> 00:09:48,399

its wings look too small to support its

289

00:09:51,910 --> 00:09:50,080

body plus the body

290

00:09:54,070 --> 00:09:51,920

was parallel to the ground and was

291

00:09:54,630 --> 00:09:54,080

elongated like it was laying down while

292

00:09:56,310 --> 00:09:54,640

flying

293

00:09:58,310 --> 00:09:56,320

the weight of the hips leg's feet should

294

00:10:00,630 --> 00:09:58,320

have been sagging towards the ground

295

00:10:01,990 --> 00:10:00,640

it had small hooks like things that came

296

00:10:04,630 --> 00:10:02,000

off from the creature's leg

297

00:10:06,790 --> 00:10:04,640

mid calf area and faced outward i did

298

00:10:09,269 --> 00:10:06,800

not see any breasts or penis

299

00:10:10,710 --> 00:10:09,279

i don't know what sex it was hopefully

300

00:10:13,269 --> 00:10:10,720

it does not reproduce

301
00:10:15,190 --> 00:10:13,279
but i am sure it does i have told many

302
00:10:17,509 --> 00:10:15,200
people about what i saw that night

303
00:10:19,430 --> 00:10:17,519
most people don't believe me although i

304
00:10:22,069 --> 00:10:19,440
did run into a guy that saw one

305
00:10:24,470 --> 00:10:22,079
i'd say the same species of the creature

306
00:10:25,190 --> 00:10:24,480
he was camping also around salina utah

307
00:10:27,190 --> 00:10:25,200
area

308
00:10:28,470 --> 00:10:27,200
it flew down swooped at him and made a

309
00:10:34,550 --> 00:10:28,480
creepy noise

310
00:10:37,990 --> 00:10:37,110
this is lon strickler if you like this

311
00:10:39,750 --> 00:10:38,000
program

312
00:10:41,110 --> 00:10:39,760
it would help us if you would give it a

313
00:10:43,990 --> 00:10:41,120

thumbs up

314

00:10:44,470 --> 00:10:44,000

then subscribe and click the bell icon

315

00:10:46,790 --> 00:10:44,480

so you

316

00:10:48,949 --> 00:10:46,800

get notification when we upload new

317

00:10:52,069 --> 00:10:48,959

first-person encounters

318

00:10:54,470 --> 00:10:52,079

we have many more to come very soon and
