# FLYING HUMANOIDS?

California  
Georgia  
Missouri  
Illinois

BXP

1  
00:00:12,880 --> 00:00:10,600

[Music]

2  
00:00:17,830 --> 00:00:12,890

[Applause]

3  
00:00:21,990 --> 00:00:19,670

welcome to the best of first person

4  
00:00:24,870 --> 00:00:22,000

episodes of phantoms and monsters

5  
00:00:25,429 --> 00:00:24,880

please like subscribe and hit the bell

6  
00:00:28,830 --> 00:00:25,439

icon

7  
00:00:31,910 --> 00:00:28,840

so you'll be notified of all future

8  
00:00:35,510 --> 00:00:33,990

black winged humanoid encounter near

9  
00:00:37,350 --> 00:00:35,520

rockford illinois

10  
00:00:39,910 --> 00:00:37,360

i just found out about the flying

11  
00:00:42,150 --> 00:00:39,920

humanoid sightings around chicago

12  
00:00:44,069 --> 00:00:42,160

in fact i'm going to get the book and

13  
00:00:46,709 --> 00:00:44,079

see if there is anything related to what

14

00:00:49,270 --> 00:00:46,719

i encountered in the summer of 2010

15

00:00:50,790 --> 00:00:49,280

this took place in northern illinois not

16

00:00:52,869 --> 00:00:50,800

far from rockford

17

00:00:54,389 --> 00:00:52,879

my friend and i were just just riding

18

00:00:56,630 --> 00:00:54,399

around in my car

19

00:00:58,790 --> 00:00:56,640

as the day continued we decided to head

20

00:01:01,510 --> 00:00:58,800

out towards the country backroads

21

00:01:03,910 --> 00:01:01,520

we were both 17 and this was the summer

22

00:01:05,830 --> 00:01:03,920

before our senior year in high school

23

00:01:08,550 --> 00:01:05,840

we had been riding around for several

24

00:01:11,190 --> 00:01:08,560

hours at night and around 10 pm we are

25

00:01:13,030 --> 00:01:11,200

on a gravel road i wasn't familiar with

26

00:01:14,310 --> 00:01:13,040

it was a location that had lots of

27

00:01:16,789 --> 00:01:14,320

farmland all around

28

00:01:18,710 --> 00:01:16,799

and a few houses here and there we were

29

00:01:19,910 --> 00:01:18,720

talking while i'm speeding along this

30

00:01:22,630 --> 00:01:19,920

gravel road

31

00:01:24,789 --> 00:01:22,640

there was no drinking or drugs involved

32

00:01:25,590 --> 00:01:24,799

the corn on both sides of the road was

33

00:01:27,590 --> 00:01:25,600

high

34

00:01:28,710 --> 00:01:27,600

i looked ahead and noticed that the road

35

00:01:31,670 --> 00:01:28,720

was about to dip

36

00:01:33,429 --> 00:01:31,680

so i slowed back as i approached the dip

37

00:01:35,590 --> 00:01:33,439

i could see the corn shaking to the

38

00:01:37,590 --> 00:01:35,600

right of me as the headlight hit it

39

00:01:40,149 --> 00:01:37,600

we both stopped talking as we watched

40

00:01:42,069 --> 00:01:40,159

the corn i thought it was probably deer

41

00:01:44,950 --> 00:01:42,079

about to sprint out onto the road

42

00:01:46,789 --> 00:01:44,960

so i slowed down to a crawl the corn was

43

00:01:48,630 --> 00:01:46,799

now shaking violently

44

00:01:50,230 --> 00:01:48,640

we're staring at the corn waiting for

45

00:01:52,469 --> 00:01:50,240

the deer to jump out

46

00:01:54,789 --> 00:01:52,479

then all of a sudden the corn literally

47

00:01:57,429 --> 00:01:54,799

parts open just to the right of us

48

00:01:58,230 --> 00:01:57,439

this thing steps out it was the size of

49

00:02:00,630 --> 00:01:58,240

a large man

50

00:02:02,550 --> 00:02:00,640

and all black as it walked out of the

51  
00:02:03,510 --> 00:02:02,560  
corn it was well illuminated by my

52  
00:02:05,429 --> 00:02:03,520  
headlights

53  
00:02:07,990 --> 00:02:05,439  
it leaped and opened these huge set of

54  
00:02:10,309 --> 00:02:08,000  
wings and instantly went airborne

55  
00:02:12,070 --> 00:02:10,319  
it quickly flew right in front of my car

56  
00:02:14,070 --> 00:02:12,080  
and swooped up into the air as it

57  
00:02:16,470 --> 00:02:14,080  
reached the other side of the road

58  
00:02:19,030 --> 00:02:16,480  
i swear the first thing that came to my

59  
00:02:21,510 --> 00:02:19,040  
mind was the jeepers creepers monster

60  
00:02:23,589 --> 00:02:21,520  
i didn't see any facial features but the

61  
00:02:25,270 --> 00:02:23,599  
wings were very wide and looked like

62  
00:02:28,070 --> 00:02:25,280  
that of a giant bat

63  
00:02:29,750 --> 00:02:28,080

i floored the gas pedal my friend was

64

00:02:32,070 --> 00:02:29,760

yelling to get out of there

65

00:02:34,790 --> 00:02:32,080

i drove as fast as i could trying to

66

00:02:37,110 --> 00:02:34,800

maintain control on the gravel surface

67

00:02:38,309 --> 00:02:37,120

we drove for a good five minutes before

68

00:02:40,390 --> 00:02:38,319

saying a word

69

00:02:42,710 --> 00:02:40,400

the whole time we were looking around us

70

00:02:45,110 --> 00:02:42,720

hoping that thing was in chasing us

71

00:02:46,550 --> 00:02:45,120

we began to calm down and soon ended up

72

00:02:48,470 --> 00:02:46,560

on a road i knew

73

00:02:51,110 --> 00:02:48,480

as i thought about it that thing looked

74

00:02:53,670 --> 00:02:51,120

like it was covered in shiny black tar

75

00:02:55,750 --> 00:02:53,680

it had a weird sheen to it the fact that

76

00:02:57,030 --> 00:02:55,760

it accelerated into flight so quickly

77

00:02:58,869 --> 00:02:57,040

had me stumped

78

00:03:00,309 --> 00:02:58,879

my friend and i talked about it through

79

00:03:02,390 --> 00:03:00,319

our entire senior year

80

00:03:05,030 --> 00:03:02,400

and never did have a clue as to what we

81

00:03:05,430 --> 00:03:05,040

saw we referred to it as the flying tar

82

00:03:07,430 --> 00:03:05,440

man

83

00:03:10,390 --> 00:03:07,440

we didn't dare tell anyone else at

84

00:03:12,309 --> 00:03:10,400

school i recently told my wife about it

85

00:03:13,910 --> 00:03:12,319

but she's a skeptic and doesn't believe

86

00:03:16,149 --> 00:03:13,920

in the supernatural

87

00:03:17,270 --> 00:03:16,159

anyway after i heard about the sightings

88

00:03:19,350 --> 00:03:17,280

around chicago

89

00:03:22,229 --> 00:03:19,360

i figured i'd track you down and write

90

00:03:30,949 --> 00:03:22,239

about it i live in texas currently

91

00:03:33,990 --> 00:03:32,869

large black fallen angel encountered in

92

00:03:35,910 --> 00:03:34,000

north georgia

93

00:03:37,910 --> 00:03:35,920

the incident happened a couple years ago

94

00:03:40,710 --> 00:03:37,920

while traveling back to atlanta

95

00:03:42,630 --> 00:03:40,720

it occurred on i-75 about 30 minutes

96

00:03:45,350 --> 00:03:42,640

south of chattanooga tennessee

97

00:03:45,990 --> 00:03:45,360

it was 1am driving 70 miles per hour

98

00:03:48,710 --> 00:03:46,000

when i noticed

99

00:03:49,509 --> 00:03:48,720

a dot exit sign maybe a half mile or so

100

00:03:51,910 --> 00:03:49,519

down the road

101  
00:03:53,270 --> 00:03:51,920  
go completely black as if the giant

102  
00:03:55,110 --> 00:03:53,280  
cloak was draped over it

103  
00:03:57,270 --> 00:03:55,120  
this creature made it be lying down the

104  
00:03:59,270 --> 00:03:57,280  
berm and directly towards my car

105  
00:04:00,789 --> 00:03:59,280  
it made a 90 degree right turn and cut

106  
00:04:03,110 --> 00:04:00,799  
right across my car

107  
00:04:04,949 --> 00:04:03,120  
i thought it was going to hit me it flew

108  
00:04:06,229 --> 00:04:04,959  
about five feet in front of me at the

109  
00:04:07,910 --> 00:04:06,239  
roofline level

110  
00:04:09,509 --> 00:04:07,920  
it cut across to the median and made

111  
00:04:11,350 --> 00:04:09,519  
another right turn going straight up

112  
00:04:13,270 --> 00:04:11,360  
vertically and then out of sight

113  
00:04:15,589 --> 00:04:13,280

my first thought was a pterodactyl but

114

00:04:17,509 --> 00:04:15,599

the wife said that it had human legs

115

00:04:19,349 --> 00:04:17,519

i was able to see the underside of this

116

00:04:20,310 --> 00:04:19,359

creature but never got a good look at

117

00:04:22,150 --> 00:04:20,320

its face

118

00:04:24,230 --> 00:04:22,160

i know many mothman sightings claim

119

00:04:25,909 --> 00:04:24,240

those beasts have burning red eyes but

120

00:04:27,430 --> 00:04:25,919

if this creature had red eyes

121

00:04:29,830 --> 00:04:27,440

i would have noticed something when it

122

00:04:31,590 --> 00:04:29,840

was hovering in front of the dot side

123

00:04:33,749 --> 00:04:31,600

the skin was black and appeared to

124

00:04:34,230 --> 00:04:33,759

absorb light this creature had to be

125

00:04:35,909 --> 00:04:34,240

between

126

00:04:38,310 --> 00:04:35,919

six foot to eight foot tall with a

127

00:04:39,270 --> 00:04:38,320

wingspan that had to be 15 feet to 20

128

00:04:41,830 --> 00:04:39,280

feet wide

129

00:04:42,710 --> 00:04:41,840

i feel ephesians 6 12 best describes

130

00:04:45,110 --> 00:04:42,720

this creature

131

00:04:47,189 --> 00:04:45,120

i feel it was a fallen angel a true

132

00:04:48,710 --> 00:04:47,199

demon as described in the bible as a

133

00:04:50,629 --> 00:04:48,720

disembodied spirit

134

00:04:52,469 --> 00:04:50,639

georgia doesn't get talked about as much

135

00:04:54,310 --> 00:04:52,479

as other hot spots for paranormal

136

00:04:56,070 --> 00:04:54,320

demonic spiritual creatures

137

00:04:57,670 --> 00:04:56,080

but i have had a few incidents on the

138

00:05:00,230 --> 00:04:57,680

interstates of georgia

139

00:05:02,150 --> 00:05:00,240

i saw eufault driving on i-16 heading

140

00:05:03,990 --> 00:05:02,160

west coming into macon georgia

141

00:05:05,270 --> 00:05:04,000

it was a silver metallic ball just

142

00:05:07,749 --> 00:05:05,280

floating in the air

143

00:05:09,110 --> 00:05:07,759

made no noise it floated into a cloud

144

00:05:11,110 --> 00:05:09,120

and just disappeared

145

00:05:13,510 --> 00:05:11,120

then literally in 60 seconds three

146

00:05:15,270 --> 00:05:13,520

fighter jets i believe f-16s

147

00:05:17,510 --> 00:05:15,280

come into view and fly right through the

148

00:05:19,029 --> 00:05:17,520

very cloud where the ufo disappeared

149

00:05:20,550 --> 00:05:19,039

they were obviously scrambled to

150

00:05:22,469 --> 00:05:20,560

intercept this evo

151

00:05:24,310 --> 00:05:22,479

those three fighter jets criss-crossed

152

00:05:26,469 --> 00:05:24,320

the skies in a checkerboard pattern of

153

00:05:28,629 --> 00:05:26,479

control searching for the sifo

154

00:05:30,390 --> 00:05:28,639

i believe this ufo was interdimensional

155

00:05:32,870 --> 00:05:30,400

because it disappeared in a wink of an

156

00:05:34,390 --> 00:05:32,880

eye and once again i was driving with my

157

00:05:36,150 --> 00:05:34,400

wife down the interstate

158

00:05:43,830 --> 00:05:36,160

there are many weird things happening in

159

00:05:47,990 --> 00:05:45,670

huge winged humanoid encountered in

160

00:05:50,070 --> 00:05:48,000

joplin missouri butterfly people

161

00:05:52,550 --> 00:05:50,080

i'm writing to report a flying humanoid

162

00:05:54,550 --> 00:05:52,560

sighting i actually feel guilty for just

163

00:05:57,110 --> 00:05:54,560

now reaching out as my sighting was

164

00:05:58,710 --> 00:05:57,120  
almost a year ago in june 2019

165

00:06:00,469 --> 00:05:58,720  
the sighting took place in joplin

166

00:06:02,790 --> 00:06:00,479  
missouri as i was driving from

167

00:06:04,550 --> 00:06:02,800  
springfield missouri to kansas city

168

00:06:06,550 --> 00:06:04,560  
normally when i make this drive i go

169

00:06:07,590 --> 00:06:06,560  
straight up highway 13 through bolivar

170

00:06:09,670 --> 00:06:07,600  
and clinton

171

00:06:11,909 --> 00:06:09,680  
however on this night there were tornado

172

00:06:13,350 --> 00:06:11,919  
warnings and my stepfather told me to go

173

00:06:14,950 --> 00:06:13,360  
through joplin instead

174

00:06:16,870 --> 00:06:14,960  
the approximate time was somewhere

175

00:06:19,430 --> 00:06:16,880  
between 7 to 8 pm

176

00:06:21,909 --> 00:06:19,440

it was not yet dark it usually gets dark

177

00:06:23,510 --> 00:06:21,919

between 8 30 and 9 this time of year

178

00:06:24,950 --> 00:06:23,520

while the tornadoes weren't going to be

179

00:06:26,230 --> 00:06:24,960

in my route there were scattered

180

00:06:27,830 --> 00:06:26,240

thunderstorms

181

00:06:29,590 --> 00:06:27,840

at the time of my sighting it was in

182

00:06:30,469 --> 00:06:29,600

between one storm and just before

183

00:06:32,870 --> 00:06:30,479

another

184

00:06:34,390 --> 00:06:32,880

i mentioned this for a couple of reasons

185

00:06:36,309 --> 00:06:34,400

one because i think there's some

186

00:06:37,350 --> 00:06:36,319

correlation between the electric charges

187

00:06:39,749 --> 00:06:37,360

of a thunderstorm

188

00:06:41,990 --> 00:06:39,759

and the ability to see this creature i

189

00:06:43,990 --> 00:06:42,000

have no idea why i suspect this

190

00:06:46,469 --> 00:06:44,000

and two to acknowledge that while it was

191

00:06:48,390 --> 00:06:46,479

not dark it was grey due to the storm

192

00:06:50,710 --> 00:06:48,400

at the time of my sighting i was driving

193

00:06:52,469 --> 00:06:50,720

a 2005 chevy blazer

194

00:06:54,790 --> 00:06:52,479

the one that's two door with the s10

195

00:06:56,710 --> 00:06:54,800

body style i mentioned this because i

196

00:06:57,589 --> 00:06:56,720

used my vehicle as a way to measure this

197

00:06:59,430 --> 00:06:57,599

creature

198

00:07:01,350 --> 00:06:59,440

i was driving down the highway going a

199

00:07:03,430 --> 00:07:01,360

little slower than the limit of 70

200

00:07:06,070 --> 00:07:03,440

due to the wetness of the road if i were

201  
00:07:06,790 --> 00:07:06,080  
to guess i'd save 50 or 55 miles per

202  
00:07:08,629 --> 00:07:06,800  
hour

203  
00:07:10,230 --> 00:07:08,639  
i did not see the creature until he was

204  
00:07:12,150 --> 00:07:10,240  
pretty much right over me

205  
00:07:14,230 --> 00:07:12,160  
i say he because that's the feeling i

206  
00:07:16,150 --> 00:07:14,240  
got the creature was flying over me

207  
00:07:18,070 --> 00:07:16,160  
perpendicular to my direction and over

208  
00:07:19,110 --> 00:07:18,080  
to my right into the wooded area next to

209  
00:07:21,189 --> 00:07:19,120  
the highway

210  
00:07:22,950 --> 00:07:21,199  
he was so close on top over my vehicle

211  
00:07:24,710 --> 00:07:22,960  
that i could close up see the texture of

212  
00:07:25,589 --> 00:07:24,720  
his wings through my driver's window and

213  
00:07:29,270 --> 00:07:25,599

sunroof

214

00:07:30,870 --> 00:07:29,280

had the shape pulled back

215

00:07:33,110 --> 00:07:30,880

so it was just glass for me to look

216

00:07:34,950 --> 00:07:33,120

through i do not remember any feeder

217

00:07:36,790 --> 00:07:34,960

arms and i did not see the head

218

00:07:38,710 --> 00:07:36,800

the only part of the anatomy i saw

219

00:07:40,230 --> 00:07:38,720

besides the wings was a small quadrant

220

00:07:41,830 --> 00:07:40,240

of the torso region

221

00:07:43,749 --> 00:07:41,840

i'm guessing it was somewhere above the

222

00:07:45,830 --> 00:07:43,759

navel if there were even a naval and

223

00:07:47,749 --> 00:07:45,840

before the petrol region as i did not

224

00:07:49,670 --> 00:07:47,759

see anything like human nipples

225

00:07:51,670 --> 00:07:49,680

the wingspan of this creature had to be

226

00:07:53,670 --> 00:07:51,680

between 12 to 16 feet

227

00:07:55,189 --> 00:07:53,680

i mean i'm not great with measurements

228

00:07:56,869 --> 00:07:55,199

but the creature easily could have had

229

00:07:58,710 --> 00:07:56,879

the tip of one wing down on the ground

230

00:08:00,230 --> 00:07:58,720

in front of my car and the other tip on

231

00:08:01,909 --> 00:08:00,240

the ground behind my car

232

00:08:03,990 --> 00:08:01,919

providing it had been in park and you

233

00:08:05,749 --> 00:08:04,000

were not flying and remember

234

00:08:07,029 --> 00:08:05,759

this is tipped to tip perpendicular to

235

00:08:09,029 --> 00:08:07,039

me not parallel

236

00:08:10,790 --> 00:08:09,039

my point is it was like my car was

237

00:08:13,110 --> 00:08:10,800

entirely enveloped in his wings

238

00:08:14,790 --> 00:08:13,120

even though it was for a split second i

239

00:08:16,469 --> 00:08:14,800

did not hear any noise

240

00:08:18,230 --> 00:08:16,479

this does seem kind of weird to me

241

00:08:19,430 --> 00:08:18,240

considering i don't remember seeing more

242

00:08:21,350 --> 00:08:19,440

of his body

243

00:08:23,189 --> 00:08:21,360

but what i find the most interesting is

244

00:08:25,110 --> 00:08:23,199

the apparent control the creature seemed

245

00:08:27,350 --> 00:08:25,120

to have over my state of mind

246

00:08:29,110 --> 00:08:27,360

as this was happening i was not scared i

247

00:08:31,189 --> 00:08:29,120

was so completely calm

248

00:08:32,949 --> 00:08:31,199

now not calm as ensued or comforted but

249

00:08:34,870 --> 00:08:32,959

calm as if i were just looking at a

250

00:08:36,630 --> 00:08:34,880

field of cows or something instead of a

251  
00:08:39,029 --> 00:08:36,640  
huge creature that's supposedly not

252  
00:08:41,029 --> 00:08:39,039  
supposed to exist in our dimension

253  
00:08:42,790 --> 00:08:41,039  
similarly i mentioned i didn't see his

254  
00:08:43,670 --> 00:08:42,800  
head but an image of his head appeared

255  
00:08:45,910 --> 00:08:43,680  
into my mind

256  
00:08:47,990 --> 00:08:45,920  
as if he was planting it there so i know

257  
00:08:49,990 --> 00:08:48,000  
i saw the wings with mario and sober

258  
00:08:50,630 --> 00:08:50,000  
eyes but his head i believe i only saw

259  
00:08:52,710 --> 00:08:50,640  
in my mind

260  
00:08:54,949 --> 00:08:52,720  
shortly after he passed over and via

261  
00:08:57,110 --> 00:08:54,959  
some kind of controller telepathy

262  
00:08:58,949 --> 00:08:57,120  
anyway i remained unaffected by my

263  
00:09:01,030 --> 00:08:58,959

sighting until i had gotten about 30 to

264

00:09:02,630 --> 00:09:01,040

50 miles more down the road

265

00:09:04,949 --> 00:09:02,640

that's when the holy craps and what the

266

00:09:06,389 --> 00:09:04,959

hell started part of my language

267

00:09:08,949 --> 00:09:06,399

i'm going to assume you've heard it

268

00:09:09,829 --> 00:09:08,959

before so i called my boyfriend and told

269

00:09:11,829 --> 00:09:09,839

him what happened

270

00:09:13,910 --> 00:09:11,839

and i texted my friend kelly to tell her

271

00:09:15,750 --> 00:09:13,920

as well both of them had no issue

272

00:09:17,910 --> 00:09:15,760

believing me because i somehow tend to

273

00:09:19,430 --> 00:09:17,920

be a magnet for strange experiences

274

00:09:22,230 --> 00:09:19,440

and plenty of times there have been

275

00:09:24,230 --> 00:09:22,240

witnesses with me i am a contactee

276

00:09:26,630 --> 00:09:24,240

but apart from the aliens i had seen and

277

00:09:28,870 --> 00:09:26,640

recorded during my 2013 encounter

278

00:09:31,030 --> 00:09:28,880

i have only seen a glimmer man as far as

279

00:09:33,030 --> 00:09:31,040

humanoid or cryptid beans is concerned

280

00:09:35,269 --> 00:09:33,040

until this encounter last year

281

00:09:37,110 --> 00:09:35,279

further down the road i pulled over i

282

00:09:38,150 --> 00:09:37,120

wanted to see if anyone in the area had

283

00:09:40,630 --> 00:09:38,160

seen anything like i

284

00:09:42,150 --> 00:09:40,640

just had but i didn't want to describe

285

00:09:43,910 --> 00:09:42,160

it in my google search as to not

286

00:09:45,910 --> 00:09:43,920

manipulate the results

287

00:09:47,269 --> 00:09:45,920

so i just googled cryptid sightings near

288

00:09:49,110 --> 00:09:47,279

joplin missouri

289

00:09:50,630 --> 00:09:49,120

interestingly the search yielded a bunch

290

00:09:52,550 --> 00:09:50,640

of articles about children

291

00:09:54,070 --> 00:09:52,560

seeing what they described as butterfly

292

00:09:56,230 --> 00:09:54,080

people who protected them from the

293

00:09:58,949 --> 00:09:56,240

rubble during the devastating 2011

294

00:10:00,310 --> 00:09:58,959

tornado which demolished the joplin area

295

00:10:02,230 --> 00:10:00,320

sketches were done following the

296

00:10:04,389 --> 00:10:02,240

children's descriptions but they didn't

297

00:10:06,150 --> 00:10:04,399

seem to match exactly what i saw

298

00:10:07,590 --> 00:10:06,160

but on the second or third page of

299

00:10:09,509 --> 00:10:07,600

google there was another sketch

300

00:10:10,550 --> 00:10:09,519

apparently drawn by a person back in

301  
00:10:12,310 --> 00:10:10,560  
2003

302  
00:10:13,910 --> 00:10:12,320  
whose description matched as best i

303  
00:10:15,670 --> 00:10:13,920  
could tell from what i saw

304  
00:10:17,190 --> 00:10:15,680  
to my memory i think the sketch had a

305  
00:10:18,710 --> 00:10:17,200  
less leathery look to the body

306  
00:10:20,389 --> 00:10:18,720  
but what grabbed me was the way they

307  
00:10:21,829 --> 00:10:20,399  
drew the head because it matched the

308  
00:10:24,069 --> 00:10:21,839  
image of the head that i believe the

309  
00:10:25,910 --> 00:10:24,079  
creature gave to me telepathically

310  
00:10:27,190 --> 00:10:25,920  
i want to point out one distinction in

311  
00:10:29,350 --> 00:10:27,200  
this creature's defense

312  
00:10:31,590 --> 00:10:29,360  
i was never terrified even after the

313  
00:10:33,910 --> 00:10:31,600

encounter when i realized what happened

314

00:10:35,509 --> 00:10:33,920

i got absolutely zero evil or demonic

315

00:10:37,350 --> 00:10:35,519

feelings associated by him

316

00:10:39,030 --> 00:10:37,360

and i have been proven over time to be

317

00:10:40,790 --> 00:10:39,040

able to really trust my intuition

318

00:10:42,470 --> 00:10:40,800

involving the supernatural

319

00:10:44,150 --> 00:10:42,480

i wanted to mention this because the

320

00:10:45,990 --> 00:10:44,160

sightings i've heard about talk about

321

00:10:47,910 --> 00:10:46,000

people screaming like lunatics and being

322

00:10:48,790 --> 00:10:47,920

traumatized to their core are calling it

323

00:10:50,230 --> 00:10:48,800

a demon

324

00:10:52,069 --> 00:10:50,240

perhaps they are seeing something

325

00:10:53,670 --> 00:10:52,079

different than i did or perhaps they

326

00:10:55,430 --> 00:10:53,680

just haven't had to cope with other

327

00:10:56,710 --> 00:10:55,440

paranormal or worldview shattering

328

00:10:59,030 --> 00:10:56,720

experiences before

329

00:10:59,990 --> 00:10:59,040

and are thusly more threatened it didn't

330

00:11:01,590 --> 00:11:00,000

occur to me to reach

331

00:11:03,430 --> 00:11:01,600

out when this happened as i have never

332

00:11:04,310 --> 00:11:03,440

reached out with my experiences until

333

00:11:06,069 --> 00:11:04,320

this year

334

00:11:07,829 --> 00:11:06,079

i think it's because i've had so many

335

00:11:09,430 --> 00:11:07,839

strange things happen to me recently

336

00:11:10,710 --> 00:11:09,440

that they are starting to outnumber my

337

00:11:13,030 --> 00:11:10,720

normal experiences

338

00:11:14,389 --> 00:11:13,040

and are increasingly harder to ignore

339

00:11:16,389 --> 00:11:14,399

i've heard of your work from many

340

00:11:17,910 --> 00:11:16,399

platforms but was just never listening

341

00:11:18,710 --> 00:11:17,920

to some episodes of expanded

342

00:11:20,949 --> 00:11:18,720

perspectives

343

00:11:22,150 --> 00:11:20,959

and the episode from 2017 when they

344

00:11:24,310 --> 00:11:22,160

interviewed you came on

345

00:11:26,150 --> 00:11:24,320

and i thought it must be time to share

346

00:11:28,389 --> 00:11:26,160

by the way joplin i think is like eight

347

00:11:30,389 --> 00:11:28,399

or nine hours to chicago i could be

348

00:11:31,990 --> 00:11:30,399

mistaken but i've never driven from

349

00:11:33,509 --> 00:11:32,000

joplin to chicago

350

00:11:35,430 --> 00:11:33,519

thank you for safeguarding everyone's

351

00:11:36,470 --> 00:11:35,440

encounters and maybe i'll get to hear

352

00:11:44,389 --> 00:11:36,480

back from you

353

00:11:48,710 --> 00:11:46,710

large wing cat-like humanoid encountered

354

00:11:51,030 --> 00:11:48,720

in de las california

355

00:11:53,110 --> 00:11:51,040

my husband and i own two dogs and we

356

00:11:55,910 --> 00:11:53,120

walk them for an hour every evening

357

00:11:57,190 --> 00:11:55,920

after work we live in a rural area de

358

00:11:59,269 --> 00:11:57,200

las california

359

00:12:01,269 --> 00:11:59,279

and it can be a bit creepy at night

360

00:12:02,069 --> 00:12:01,279

especially when there's no moon out for

361

00:12:04,629 --> 00:12:02,079

some light

362

00:12:05,509 --> 00:12:04,639

and it's pitch dark this happened a few

363

00:12:08,710 --> 00:12:05,519

weeks ago

364

00:12:09,990 --> 00:12:08,720

before daylight saving time changed my

365

00:12:12,389 --> 00:12:10,000

husband and i were on our

366

00:12:13,590 --> 00:12:12,399

nightly walk as usual on a particularly

367

00:12:15,350 --> 00:12:13,600

dark night

368

00:12:18,470 --> 00:12:15,360

we were on the most rural part of the

369

00:12:20,949 --> 00:12:18,480

trail about two miles from many homes

370

00:12:23,190 --> 00:12:20,959

we suddenly got an unnerving feeling and

371

00:12:25,590 --> 00:12:23,200

just then nature went silent

372

00:12:27,829 --> 00:12:25,600

the frogs completely stopped croaking

373

00:12:29,110 --> 00:12:27,839

and the bug noises just stopped and it

374

00:12:31,269 --> 00:12:29,120

was silent

375

00:12:32,870 --> 00:12:31,279

i said that's weird there must be a

376

00:12:34,870 --> 00:12:32,880

predator nearby

377

00:12:36,949 --> 00:12:34,880

seconds after i uttered those words we

378

00:12:39,750 --> 00:12:36,959

heard the sound of huge wings flapping

379

00:12:41,829 --> 00:12:39,760

as if something was about to land we

380

00:12:43,110 --> 00:12:41,839

felt the wind power generated by this

381

00:12:44,870 --> 00:12:43,120

massive thing

382

00:12:46,470 --> 00:12:44,880

we heard an enormous sycamore tree

383

00:12:48,069 --> 00:12:46,480

branch crack under the weight of the

384

00:12:50,150 --> 00:12:48,079

thing landing on it

385

00:12:51,269 --> 00:12:50,160

i can't even describe how powerful the

386

00:12:53,750 --> 00:12:51,279

wings were

387

00:12:55,750 --> 00:12:53,760

it was a calm still night with no wind

388

00:12:57,829 --> 00:12:55,760

and the wings had created enough force

389

00:12:58,710 --> 00:12:57,839

to actually make my long hair blow

390

00:13:00,629 --> 00:12:58,720

around

391

00:13:02,230 --> 00:13:00,639

we both felt the presence of something

392

00:13:04,230 --> 00:13:02,240

evil and menacing

393

00:13:05,430 --> 00:13:04,240

we started running and neither of us was

394

00:13:08,069 --> 00:13:05,440

brave enough to look

395

00:13:09,030 --> 00:13:08,079

back just then we saw it flying away

396

00:13:11,910 --> 00:13:09,040

overhead

397

00:13:13,829 --> 00:13:11,920

it wasn't a large bird its wings flapped

398

00:13:14,790 --> 00:13:13,839

in an unnatural way as it lurched

399

00:13:16,949 --> 00:13:14,800

upwards

400

00:13:19,269 --> 00:13:16,959

my husband is a true skeptic but

401  
00:13:21,030 --> 00:13:19,279  
couldn't rationalize or begin to explain

402  
00:13:23,110 --> 00:13:21,040  
what we had just seen

403  
00:13:24,470 --> 00:13:23,120  
he even told his fellow workers and

404  
00:13:26,629 --> 00:13:24,480  
friends about it

405  
00:13:28,069 --> 00:13:26,639  
he has downright refused to walk in that

406  
00:13:30,150 --> 00:13:28,079  
area since then

407  
00:13:31,829 --> 00:13:30,160  
this is not the first time i've seen

408  
00:13:33,990 --> 00:13:31,839  
something in that area

409  
00:13:35,030 --> 00:13:34,000  
last summer i saw blacker than black

410  
00:13:36,870 --> 00:13:35,040  
shadow figure

411  
00:13:38,550 --> 00:13:36,880  
that looked like a large cat human

412  
00:13:40,310 --> 00:13:38,560  
hybrid emerge from the creek

413  
00:13:43,110 --> 00:13:40,320

and climb up the massive tree and

414

00:13:45,509 --> 00:13:43,120

disappear after that we had really bad

415

00:13:48,069 --> 00:13:45,519

things happen in a series of three

416

00:13:49,750 --> 00:13:48,079

that's a story for another time but my

417

00:13:50,550 --> 00:13:49,760

point is that there is something in that

418

00:13:52,069 --> 00:13:50,560

area

419

00:13:54,230 --> 00:13:52,079

any thoughts on what that could have

420

00:13:56,629 --> 00:13:54,240

been the week it happened i had been

421

00:13:59,509 --> 00:13:56,639

telling my husband about shape shifters

422

00:14:01,189 --> 00:13:59,519

so i wonder if i attracted something i

423

00:14:03,829 --> 00:14:01,199

have abilities as it is and have been

424

00:14:12,069 --> 00:14:03,839

susceptible to experiences like this

425

00:14:15,509 --> 00:14:14,629

this is lon strickler if you like this

426  
00:14:17,269 --> 00:14:15,519  
program

427  
00:14:18,629 --> 00:14:17,279  
it would help us if you would give it a

428  
00:14:21,509 --> 00:14:18,639  
thumbs up

429  
00:14:21,990 --> 00:14:21,519  
then subscribe and click the bell icon

430  
00:14:24,310 --> 00:14:22,000  
so you

431  
00:14:26,389 --> 00:14:24,320  
get notification when we upload new

432  
00:14:29,509 --> 00:14:26,399  
first-person encounters

433  
00:14:30,230 --> 00:14:29,519  
we have many more to come very soon and

434  
00:14:32,389 --> 00:14:30,240  
by the way

435  
00:14:33,990 --> 00:14:32,399  
if you have a suggestion or an
