mr lon strickler the ever man over at

10  
00:00:24,390 --> 00:00:21,199  
phantomsandmonsters.com

11  
00:00:26,710 --> 00:00:24,400  
admit your mr butch watkowski from the

12  
00:00:27,910 --> 00:00:26,720

00:00:30,070 --> 00:00:27,920

gentlemen welcome for

14

00:00:31,750 --> 00:00:30,080

welcome back to the program and thanks

15

00:00:33,590 --> 00:00:31,760

for joining us i'm a little rusty

16

00:00:35,030 --> 00:00:33,600

yeah we got to get our seat legs back

17

00:00:36,310 --> 00:00:35,040

with us you know um

18

00:00:38,709 --> 00:00:36,320

here's the swimming pool yeah we are

19

00:00:39,590 --> 00:00:38,719

finally back after two weeks of playing

20

00:00:43,270 --> 00:00:39,600

around

21

00:00:45,990 --> 00:00:43,280

but uh nothing ever goes like we planned

22

00:00:46,470 --> 00:00:46,000

so like as much as we'd like to be back

23

00:00:49,190 --> 00:00:46,480

live

24

00:00:51,430 --> 00:00:49,200

like it's always you know it's it's hard

25

00:00:53,110 --> 00:00:51,440

when you've got three guys and schedules

26

00:00:56,470 --> 00:00:53,120

and everything else and

27

00:01:00,470 --> 00:00:56,480

uh yeah like we're back by cbs so

28

00:01:03,590 --> 00:01:00,480

no no it isn't but um

29

00:01:04,149 --> 00:01:03,600

no things happen and uh you know well

30

00:01:06,520 --> 00:01:04,159

we're back

31

00:01:08,469 --> 00:01:06,530

anyhow

32

00:01:11,510 --> 00:01:08,479

[Music]

33

00:01:13,429 --> 00:01:11,520

boy that's a train yeah that's my train

34

00:01:14,870 --> 00:01:13,439

nice that's what i had to listen to

35

00:01:18,390 --> 00:01:14,880

every hour almost

36

00:01:19,670 --> 00:01:18,400

wow yeah

37

00:01:21,030 --> 00:01:19,680

i thought that was something paranormal

38

00:01:21,990 --> 00:01:21,040

for a second i was like what the hell

39

00:01:24,390 --> 00:01:22,000

was that

40

00:01:26,710 --> 00:01:24,400

yeah we i've got a train and i've got

41

00:01:28,789 --> 00:01:26,720

traffic out front and

42

00:01:30,469 --> 00:01:28,799

uh that's what you do when you live in

43

00:01:32,710 --> 00:01:30,479

an old house you hear everything

44

00:01:34,710 --> 00:01:32,720

that's true butch how you doing my man

45

00:01:38,710 --> 00:01:34,720

been a while

46

00:01:40,550 --> 00:01:38,720

uh busy ufos picked up

47

00:01:42,550 --> 00:01:40,560

yep keeping us stepping uh some

48

00:01:43,590 --> 00:01:42,560

paranormal stuff our crooked buddy up

49

00:01:47,910 --> 00:01:43,600

there wherever he's at

50

00:01:52,069 --> 00:01:47,920

and a new cryptid that popped up and um

51  
00:01:58,550 --> 00:01:55,030  
uh just a lot of stuff at one time a new

52  
00:02:01,109 --> 00:01:58,560  
crypt did you say tell me about this

53  
00:02:02,870 --> 00:02:01,119  
well i mean you're talking about you're

54  
00:02:06,789 --> 00:02:02,880  
talking about the one oh you're talking

55  
00:02:11,350 --> 00:02:06,799  
about that the candid yeah yeah

56  
00:02:14,630 --> 00:02:11,360  
yeah that was something came in to me um

57  
00:02:16,949 --> 00:02:14,640  
it was uh actually just north of

58  
00:02:20,949 --> 00:02:16,959  
tuscarora state forest

59  
00:02:23,110 --> 00:02:20,959  
this guy was uh hunting for deer

60  
00:02:25,190 --> 00:02:23,120  
this was on december 3rd which was a

61  
00:02:27,990 --> 00:02:25,200  
saturday morning

62  
00:02:30,630 --> 00:02:28,000  
uh he had a tree stand and it was on the

63  
00:02:32,390 --> 00:02:30,640

edge of a large field

64

00:02:34,630 --> 00:02:32,400

and he said he'd been hunting there

65

00:02:36,500 --> 00:02:34,640

about 20 years

66

00:02:38,070 --> 00:02:36,510

bagged a couple of deer there

67

00:02:40,790 --> 00:02:38,080

[Music]

68

00:02:42,150 --> 00:02:40,800

he said he saw something that morning he

69

00:02:45,190 --> 00:02:42,160

couldn't explain it was about

70

00:02:46,550 --> 00:02:45,200

7 10 a.m just turning light

71

00:02:48,390 --> 00:02:46,560

and he noticed a few deer in the

72

00:02:51,670 --> 00:02:48,400

distance running toward the

73

00:02:53,589 --> 00:02:51,680

state forest so i he said he looked

74

00:02:56,150 --> 00:02:53,599

through his scope and saw what he

75

00:02:57,910 --> 00:02:56,160

thought were too coyote following the

76

00:03:00,390 --> 00:02:57,920

deer

77

00:03:01,910 --> 00:03:00,400

but these coyote didn't look right they

78

00:03:06,869 --> 00:03:01,920

were larger and almost look like

79

00:03:09,509 --> 00:03:06,879

wolves so about 15 minutes later

80

00:03:12,229 --> 00:03:09,519

he said he was watching a buck about 600

81

00:03:15,430 --> 00:03:12,239

yards south of him in the open field

82

00:03:18,229 --> 00:03:15,440

when it bolted and toward the trees

83

00:03:18,869 --> 00:03:18,239

he then saw a large dog-like animal he

84

00:03:22,070 --> 00:03:18,879

said it was

85

00:03:22,470 --> 00:03:22,080

slowly walking or stalking so he wasn't

86

00:03:25,750 --> 00:03:22,480

sure

87

00:03:27,030 --> 00:03:25,760

but it was headed in his direction uh he

88

00:03:29,830 --> 00:03:27,040

was upwind from it

89

00:03:30,390 --> 00:03:29,840

and it soon knows to him the tree stand

90

00:03:33,350 --> 00:03:30,400

he said

91

00:03:34,390 --> 00:03:33,360

it stopped and looked at him for a few

92

00:03:37,670 --> 00:03:34,400

seconds

93

00:03:38,229 --> 00:03:37,680

and started walking towards him it was

94

00:03:40,710 --> 00:03:38,239

about

95

00:03:42,869 --> 00:03:40,720

a hundred yards or so from him and they

96

00:03:45,110 --> 00:03:42,879

he started hearing it growling

97

00:03:46,869 --> 00:03:45,120

instead of one of the dog our coyote he

98

00:03:48,949 --> 00:03:46,879

said he reminded him of a wolf but he

99

00:03:52,149 --> 00:03:48,959

said the back was arched

100

00:03:52,949 --> 00:03:52,159

and the head was huge uh the fur was

101  
00:03:56,390 --> 00:03:52,959  
very dark

102  
00:03:58,390 --> 00:03:56,400  
and the legs were eyed with sparse hair

103  
00:04:00,470 --> 00:03:58,400  
so i thought about shooting it but

104  
00:04:02,869 --> 00:04:00,480  
something told me not to

105  
00:04:05,110 --> 00:04:02,879  
he said i was shaking also he said this

106  
00:04:08,229 --> 00:04:05,120  
animal really scared me

107  
00:04:10,869 --> 00:04:08,239  
he said once again stopped moving and

108  
00:04:14,070 --> 00:04:10,879  
looked at me for a few seconds

109  
00:04:15,990 --> 00:04:14,080  
he said the face was that of a wolf but

110  
00:04:18,229 --> 00:04:16,000  
the snout was shorter than

111  
00:04:20,150 --> 00:04:18,239  
any wolf photo he had ever seen he said

112  
00:04:22,069 --> 00:04:20,160  
it had steely eyes

113  
00:04:24,070 --> 00:04:22,079

almost like those of a human he said

114

00:04:26,629 --> 00:04:24,080

really weird

115

00:04:28,950 --> 00:04:26,639

it says something caught its attention

116

00:04:30,790 --> 00:04:28,960

and it ran off towards the south he says

117

00:04:32,629 --> 00:04:30,800

state and stand for another hour

118

00:04:34,629 --> 00:04:32,639

and didn't see anything during that time

119

00:04:35,749 --> 00:04:34,639

when i did leave the stand i was very

120

00:04:39,270 --> 00:04:35,759

cautious

121

00:04:41,510 --> 00:04:39,280

i had no idea if it was in the area and

122

00:04:43,350 --> 00:04:41,520

he said he reached his car he took off

123

00:04:44,070 --> 00:04:43,360

so he talked to the game commission

124

00:04:47,030 --> 00:04:44,080

officer

125

00:04:48,710 --> 00:04:47,040

later and reported the animal he said

126

00:04:50,550 --> 00:04:48,720

that there had been a few reports of

127

00:04:53,749 --> 00:04:50,560

large dogs

128

00:04:57,990 --> 00:04:53,759

but they were most likely the coyote

129

00:05:01,590 --> 00:04:58,000

he said he told him it was not a coyote

130

00:05:05,350 --> 00:05:01,600

but he didn't seem to care so he uh

131

00:05:08,550 --> 00:05:05,360

he said he got my website my guy church

132

00:05:12,950 --> 00:05:10,870

you know i did talk to the guy he didn't

133

00:05:14,790 --> 00:05:12,960

really add a whole lot he said you know

134

00:05:16,230 --> 00:05:14,800

the arch back though is what intrigued

135

00:05:17,430 --> 00:05:16,240

me uh

136

00:05:19,749 --> 00:05:17,440

and he told me i'll finally kind of

137

00:05:23,110 --> 00:05:19,759

remind him of how like a hyenas back

138

00:05:26,469 --> 00:05:23,120

how the backside kind of looks lower

139

00:05:29,670 --> 00:05:26,479

and uh the back is arched uh

140

00:05:31,749 --> 00:05:29,680

you know it's interesting because stan

141

00:05:36,310 --> 00:05:31,759

gordon called me and he's gotten

142

00:05:40,790 --> 00:05:36,320

and i put out his 2016 report today

143

00:05:44,070 --> 00:05:40,800

and uh he got two sidings since that one

144

00:05:47,670 --> 00:05:44,080

of uh similar type of

145

00:05:50,710 --> 00:05:47,680

i mean several type of wolves

146

00:05:53,510 --> 00:05:50,720

uh these the one he said may look like

147

00:05:56,070 --> 00:05:53,520

may have been a coy wolf

148

00:05:57,990 --> 00:05:56,080

but the other one he wasn't sure about

149

00:06:05,430 --> 00:05:58,000

so

150

00:06:05,440 --> 00:06:09,670

butch is still with us

151

00:06:16,150 --> 00:06:12,710

you're there one yeah oh there we go

152

00:06:18,710 --> 00:06:16,160

now we got you wow anyway uh

153

00:06:20,230 --> 00:06:18,720

no i i think uh the thing is disturbing

154

00:06:23,510 --> 00:06:20,240

is the part that

155

00:06:26,309 --> 00:06:23,520

you know he had a clear shot at it

156

00:06:26,710 --> 00:06:26,319

that's for sure and then something told

157

00:06:29,749 --> 00:06:26,720

him

158

00:06:32,150 --> 00:06:29,759

not to shoot so

159

00:06:33,830 --> 00:06:32,160

what is that connection there that we

160

00:06:35,670 --> 00:06:33,840

have with every other report we have of

161

00:06:37,670 --> 00:06:35,680

the bipedal canine where people are told

162

00:06:39,189 --> 00:06:37,680

to get out of dodge

163

00:06:41,029 --> 00:06:39,199

or they have weapons in their hand and

164

00:06:42,550 --> 00:06:41,039

they don't use them because they're

165

00:06:45,670 --> 00:06:42,560

afraid

166

00:06:49,589 --> 00:06:45,680

that happens i mean we you get those uh

167

00:06:54,550 --> 00:06:49,599

we do get witnesses that tell us that

168

00:06:58,150 --> 00:06:54,560

so yeah so is it something that's

169

00:07:01,510 --> 00:06:58,160

being relayed telepathically or

170

00:07:04,710 --> 00:07:01,520

is it emotion is it imagination

171

00:07:07,189 --> 00:07:04,720

i i doubt very much imagination

172

00:07:09,990 --> 00:07:07,199

i mean the guy's 100 yards off with a

173

00:07:11,430 --> 00:07:10,000

high-powered rifle

174

00:07:13,270 --> 00:07:11,440

i mean he could have took out anything

175

00:07:16,230 --> 00:07:13,280

at that distance sure

176  
00:07:17,670 --> 00:07:16,240  
and he something something told him not

177  
00:07:19,270 --> 00:07:17,680  
to shoot

178  
00:07:21,350 --> 00:07:19,280  
now did the creature tell him not to

179  
00:07:24,230 --> 00:07:21,360  
shoot or did something else tell him not

180  
00:07:28,629 --> 00:07:26,710  
perhaps his instincts something

181  
00:07:30,629 --> 00:07:28,639  
psychological going on there

182  
00:07:32,070 --> 00:07:30,639  
it could be i'm hearing this a lot with

183  
00:07:33,510 --> 00:07:32,080  
uh folks that

184  
00:07:35,029 --> 00:07:33,520  
are experiencing something out of the

185  
00:07:36,629 --> 00:07:35,039  
ordinary they see something they can't

186  
00:07:37,909 --> 00:07:36,639  
explain and they have a weapon in their

187  
00:07:40,469 --> 00:07:37,919  
hand and

188  
00:07:41,029 --> 00:07:40,479

i was talking to mike freeman uh the son

189

00:07:43,189 --> 00:07:41,039

of uh

190

00:07:44,790 --> 00:07:43,199

legendary bigfoot tracker paul freeman

191

00:07:46,309 --> 00:07:44,800

who took the freeman film

192

00:07:47,909 --> 00:07:46,319

or a freeman video i guess it's not

193

00:07:50,550 --> 00:07:47,919

really a film but

194

00:07:51,510 --> 00:07:50,560

that's neither here no there uh and you

195

00:07:53,749 --> 00:07:51,520

know he has

196

00:07:54,950 --> 00:07:53,759

made a claim and at his point back in

197

00:07:58,950 --> 00:07:54,960

the day that

198

00:08:02,469 --> 00:07:58,960

when he experienced this he also

199

00:08:05,830 --> 00:08:02,479

uh was unable like something told him

200

00:08:08,629 --> 00:08:05,840

to leave it alone and go away

201  
00:08:09,909 --> 00:08:08,639  
and perhaps there's something to it

202  
00:08:11,909 --> 00:08:09,919  
rather there's some

203  
00:08:14,550 --> 00:08:11,919  
and i hate to say this as i roll my eyes

204  
00:08:15,830 --> 00:08:14,560  
thinking it albeit mind speak or maybe

205  
00:08:17,670 --> 00:08:15,840  
something somebody listening to their

206  
00:08:19,350 --> 00:08:17,680  
own better angels

207  
00:08:23,029 --> 00:08:19,360  
well they hadn't and maybe it's perhaps

208  
00:08:26,390 --> 00:08:24,869  
well i think that's a lot of it i think

209  
00:08:28,150 --> 00:08:26,400  
people are

210  
00:08:30,309 --> 00:08:28,160  
you know they don't know what kind of

211  
00:08:31,510 --> 00:08:30,319  
being a beast this is

212  
00:08:33,350 --> 00:08:31,520  
they just don't know how it's going to

213  
00:08:37,589 --> 00:08:33,360

react to a gunshot

214

00:08:39,350 --> 00:08:37,599

and uh i mean if it's big enough

215

00:08:41,029 --> 00:08:39,360

and you hear this with bigfoot people

216

00:08:41,670 --> 00:08:41,039

say they had a shop and they didn't take

217

00:08:43,269 --> 00:08:41,680

it

218

00:08:44,870 --> 00:08:43,279

well you know if you're walking around

219

00:08:47,350 --> 00:08:44,880

with a shotgun yeah i mean

220

00:08:48,070 --> 00:08:47,360

i wouldn't shoot that one with a shotgun

221

00:08:51,110 --> 00:08:48,080

you know

222

00:08:53,829 --> 00:08:52,470

i don't know if you had slugs or

223

00:08:55,670 --> 00:08:53,839

something but then again you just still

224

00:08:57,750 --> 00:08:55,680

had to be fairly close

225

00:08:58,710 --> 00:08:57,760

so i don't know i mean i you know of

226

00:09:01,670 --> 00:08:58,720

course i never

227

00:09:05,590 --> 00:09:01,680

had that experience but i don't know i

228

00:09:08,470 --> 00:09:07,110

you know i would think that you know you

229

00:09:10,550 --> 00:09:08,480

have a high powered weapon in your hand

230

00:09:15,430 --> 00:09:10,560

whether it be a pistol or rifle

231

00:09:19,509 --> 00:09:17,350

it could cross your mind that you know

232

00:09:20,870 --> 00:09:19,519

like i could shoot the whole clip

233

00:09:23,509 --> 00:09:20,880

and this thing is going to keep coming

234

00:09:25,190 --> 00:09:23,519

then what do i do

235

00:09:29,590 --> 00:09:25,200

so maybe i just don't shoot and just

236

00:09:35,110 --> 00:09:33,829

well yeah that's possibility i mean i

237

00:09:36,790 --> 00:09:35,120

i don't know i guess you have to be able

238

00:09:38,630 --> 00:09:36,800

to trust your own shot too because if

239

00:09:41,670 --> 00:09:38,640

you

240

00:09:44,790 --> 00:09:41,680

hot lunch and i don't know

241

00:09:48,070 --> 00:09:44,800

oh absolutely yeah

242

00:09:49,350 --> 00:09:48,080

yeah well that's true well he

243

00:09:51,350 --> 00:09:49,360

you know he was looking at it through a

244

00:09:54,389 --> 00:09:51,360

scope and i mean this thing

245

00:09:54,630 --> 00:09:54,399

this thing really scared him so i uh you

246

00:09:59,110 --> 00:09:54,640

know

247

00:10:00,630 --> 00:09:59,120

seen these things that has got an

248

00:10:03,110 --> 00:10:00,640

encounter with it

249

00:10:04,069 --> 00:10:03,120

really has their hackles go up with it

250

00:10:07,509 --> 00:10:04,079

because they're just

251  
00:10:09,750 --> 00:10:07,519  
so i don't know it kind of reminds them

252  
00:10:11,269 --> 00:10:09,760  
of werewolf or something that's

253  
00:10:13,110 --> 00:10:11,279  
they don't you know that they've heard

254  
00:10:16,069 --> 00:10:13,120  
about in horror movies and they just

255  
00:10:19,509 --> 00:10:16,079  
don't want anything to do with it

256  
00:10:21,910 --> 00:10:19,519  
and um you know so i don't know

257  
00:10:23,030 --> 00:10:21,920  
i don't know either yeah what else we

258  
00:10:24,550 --> 00:10:23,040  
got there's got to be some other things

259  
00:10:25,509 --> 00:10:24,560  
going on out there we've been off for a

260  
00:10:27,590 --> 00:10:25,519  
while so

261  
00:10:29,430 --> 00:10:27,600  
you've had some crazy [h\_\_h] come through

262  
00:10:30,069 --> 00:10:29,440  
i mean oh i have had a lot of stuff

263  
00:10:33,350 --> 00:10:30,079

coming in

264

00:10:37,110 --> 00:10:33,360

um i had a thing the other day about

265

00:10:40,790 --> 00:10:37,120

uh bks infesting

266

00:10:41,750 --> 00:10:40,800

lakota reservation up and the pine ridge

267

00:10:45,110 --> 00:10:41,760

indian reservation

268

00:10:47,110 --> 00:10:45,120

the lakota reservation in south

269

00:10:49,430 --> 00:10:47,120

um dakota that's black-eyed kids right

270

00:10:52,230 --> 00:10:49,440

now yeah

271

00:10:55,030 --> 00:10:52,240

investigation in the shamanic group on

272

00:10:57,829 --> 00:10:55,040

the pine ridge indian reservation

273

00:10:58,790 --> 00:10:57,839

was called in to investigate and bless a

274

00:11:00,870 --> 00:10:58,800

home

275

00:11:03,030 --> 00:11:00,880

okay now the instance began when two

276

00:11:04,310 --> 00:11:03,040

sisters observed a black-eyed boy

277

00:11:06,470 --> 00:11:04,320

outside the house or

278

00:11:07,750 --> 00:11:06,480

home or hogan or whatever it was they

279

00:11:10,470 --> 00:11:07,760

were living in

280

00:11:11,750 --> 00:11:10,480

not long later a group of ashen

281

00:11:14,550 --> 00:11:11,760

white-skinned

282

00:11:16,069 --> 00:11:14,560

children with black eyes were seen

283

00:11:18,790 --> 00:11:16,079

congregating around

284

00:11:19,910 --> 00:11:18,800

the property in an attempt to interact

285

00:11:22,949 --> 00:11:19,920

with the other children

286

00:11:25,350 --> 00:11:22,959

living around there the first two

287

00:11:27,430 --> 00:11:25,360

occasions there were only two of them

288

00:11:29,430 --> 00:11:27,440

and they asked to be let inside the

289

00:11:33,030 --> 00:11:29,440  
house to get food

290

00:11:35,750 --> 00:11:33,040  
the third time a third be k

291

00:11:36,790 --> 00:11:35,760  
showed up and this time they asked for

292

00:11:40,069 --> 00:11:36,800  
blood

293

00:11:42,150 --> 00:11:40,079  
what they were never granted access to

294

00:11:43,030 --> 00:11:42,160  
the house the children described their

295

00:11:46,949 --> 00:11:43,040  
voice

296

00:11:49,990 --> 00:11:46,959  
as not normal robotic and monotone

297

00:11:52,069 --> 00:11:50,000  
pets were also went missing around this

298

00:11:53,590 --> 00:11:52,079  
time around the property

299

00:11:55,990 --> 00:11:53,600  
the parents of the children also

300

00:11:57,910 --> 00:11:56,000  
recalled seeing the children

301  
00:12:00,150 --> 00:11:57,920  
they also claim to have noticed strange

302  
00:12:02,790 --> 00:12:00,160  
events around their home including

303  
00:12:05,030 --> 00:12:02,800  
poltergeist activity in the sighting of

304  
00:12:07,750 --> 00:12:05,040  
on at least two occasions

305  
00:12:10,710 --> 00:12:07,760  
strange entities that they later thought

306  
00:12:12,150 --> 00:12:10,720  
were alien

307  
00:12:14,790 --> 00:12:12,160  
is there precedent for that in these

308  
00:12:17,829 --> 00:12:14,800  
black-eyed kids encounters is asking for

309  
00:12:19,670 --> 00:12:17,839  
did you say a bowl of blood just ask for

310  
00:12:24,069 --> 00:12:19,680  
blood ask for blood

311  
00:12:27,269 --> 00:12:24,079  
nice that's you know tasteful

312  
00:12:31,670 --> 00:12:27,279  
um david weatherly put up put this

313  
00:12:34,550 --> 00:12:31,680

up on his website and uh

314

00:12:36,470 --> 00:12:34,560

he i mean i posted and commented that it

315

00:12:39,670 --> 00:12:36,480

was that was unusual

316

00:12:41,430 --> 00:12:39,680

and you know i you know for the like me

317

00:12:43,750 --> 00:12:41,440

i don't know

318

00:12:44,949 --> 00:12:43,760

how really how you can describe these

319

00:12:48,710 --> 00:12:44,959

these these kids

320

00:12:51,110 --> 00:12:48,720

i mean there are people who do say that

321

00:12:52,550 --> 00:12:51,120

well then they look like vampires well

322

00:12:54,150 --> 00:12:52,560

you know that's

323

00:12:55,750 --> 00:12:54,160

that's neither here or there but then

324

00:12:58,069 --> 00:12:55,760

again

325

00:12:59,269 --> 00:12:58,079

if somebody comes up to you and asks for

326

00:13:01,829 --> 00:12:59,279

blood

327

00:13:03,350 --> 00:13:01,839

and they they look like a vampire and

328

00:13:04,550 --> 00:13:03,360

there's something that seems to be wrong

329

00:13:06,389 --> 00:13:04,560

with them

330

00:13:07,829 --> 00:13:06,399

i mean he could kind of i guess it would

331

00:13:09,670 --> 00:13:07,839

make you think a bit

332

00:13:11,350 --> 00:13:09,680

well now come on this is the the year

333

00:13:13,350 --> 00:13:11,360

2017.

334

00:13:15,350 --> 00:13:13,360

uh it was just not too long ago we have

335

00:13:16,550 --> 00:13:15,360

people doing bath salts eating people's

336

00:13:18,389 --> 00:13:16,560

faces off in the

337

00:13:20,230 --> 00:13:18,399

street in the middle of the day so oh

338

00:13:21,990 --> 00:13:20,240

yeah if somebody comes up to me and asks

339

00:13:22,710 --> 00:13:22,000

for some blood i'm probably gonna haul

340

00:13:25,750 --> 00:13:22,720

off and

341

00:13:27,590 --> 00:13:25,760

pump them and then get the f out of d if

342

00:13:29,110 --> 00:13:27,600

you you know what i'm saying like i

343

00:13:30,710 --> 00:13:29,120

i'm not gonna mess around who the hell

344

00:13:32,150 --> 00:13:30,720

comes up and asks for some blood hey can

345

00:13:35,030 --> 00:13:32,160

you can i have some blood buddy

346

00:13:36,069 --> 00:13:35,040

you mind red cross you got a pint to

347

00:13:37,829 --> 00:13:36,079

spare yeah but you

348

00:13:39,590 --> 00:13:37,839

still most of the time but you got to go

349

00:13:41,430 --> 00:13:39,600

to a van for that of course you know

350

00:13:42,310 --> 00:13:41,440

players around he has a van of his own

351

00:13:45,430 --> 00:13:42,320

and

352

00:13:46,949 --> 00:13:45,440

every time every lawn brings up big eks

353

00:13:48,150 --> 00:13:46,959

i go check my front door to make sure

354

00:13:49,829 --> 00:13:48,160

it's locked

355

00:13:51,430 --> 00:13:49,839

[Laughter]

356

00:13:52,949 --> 00:13:51,440

yeah i know i'm like upstairs i don't

357

00:13:55,590 --> 00:13:52,959

want to go downstairs carry a product

358

00:13:56,550 --> 00:13:55,600

carry a cattle prod with you too jeez at

359

00:13:59,750 --> 00:13:56,560

least

360

00:14:01,990 --> 00:13:59,760

i'm going to tell you i mean you know

361

00:14:04,550 --> 00:14:02,000

now you know all the early be cas that

362

00:14:07,430 --> 00:14:04,560

we heard about and i'm talking about

363

00:14:09,990 --> 00:14:07,440

four or five years ago and before that

364

00:14:11,990 --> 00:14:10,000

it was always about kids

365

00:14:14,310 --> 00:14:12,000

black eyed kids coming to the door and

366

00:14:16,389 --> 00:14:14,320

asking to be let in

367

00:14:17,670 --> 00:14:16,399

now all of a sudden we've got these

368

00:14:22,069 --> 00:14:17,680

we've got black-eyed

369

00:14:25,590 --> 00:14:22,079

older black-eyed people and all kinds of

370

00:14:28,310 --> 00:14:25,600

i don't know even race different races

371

00:14:30,069 --> 00:14:28,320

and uh they're roaming all over the damn

372

00:14:32,550 --> 00:14:30,079

place i mean it's not just people coming

373

00:14:35,430 --> 00:14:32,560

to the you know kids coming to the door

374

00:14:35,829 --> 00:14:35,440

it's all kind of situation look at them

375

00:14:43,350 --> 00:14:35,839

uh

376

00:14:45,430 --> 00:14:43,360

jack harry had out at on the reservation

377

00:14:47,189 --> 00:14:45,440

oh about the uh the lady and i think it

378

00:14:50,230 --> 00:14:47,199

was in miami where they were coming

379

00:14:53,829 --> 00:14:50,240

to her second floor uh balcony wind

380

00:14:54,949 --> 00:14:53,839

uh sliding glass door yeah that's just

381

00:14:58,150 --> 00:14:54,959

horrifying

382

00:15:01,509 --> 00:14:58,160

yeah yeah

383

00:15:04,710 --> 00:15:01,519

well you know i i've had my

384

00:15:07,269 --> 00:15:04,720

share of a few odd things dude

385

00:15:08,550 --> 00:15:07,279

since we uh were on the radio i had the

386

00:15:10,710 --> 00:15:08,560

um

387

00:15:11,750 --> 00:15:10,720

i had some type of anti-attack at the

388

00:15:14,790 --> 00:15:11,760

hospital

389

00:15:16,870 --> 00:15:14,800

oh wow yeah it was kind of weird i was

390

00:15:20,629 --> 00:15:16,880

um

391

00:15:23,670 --> 00:15:20,639

i was in there a thursday

392

00:15:25,269 --> 00:15:23,680

before the last two weeks ago thursday

393

00:15:28,150 --> 00:15:25,279

two weeks ago

394

00:15:29,110 --> 00:15:28,160

and i was getting tests for uh my

395

00:15:33,829 --> 00:15:29,120

surgery tomorrow

396

00:15:36,870 --> 00:15:33,839

so um you know i'm in there you know i

397

00:15:39,990 --> 00:15:36,880

went to the hospital and uh

398

00:15:42,790 --> 00:15:40,000

was at the pre-surgery testing

399

00:15:43,990 --> 00:15:42,800

area and i uh checked right checked in

400

00:15:45,110 --> 00:15:44,000

so i'm just waiting for the nurse to

401  
00:15:48,710 --> 00:15:45,120  
come

402  
00:15:51,030 --> 00:15:48,720  
so i sat there and you know i it was

403  
00:15:52,310 --> 00:15:51,040  
weird because i experienced a flash of

404  
00:15:55,749 --> 00:15:52,320  
pink and light

405  
00:15:58,949 --> 00:15:55,759  
green color in my mind's eye and

406  
00:16:01,430 --> 00:15:58,959  
i've i've mentioned this before i

407  
00:16:04,389 --> 00:16:01,440  
usually sense this color combination

408  
00:16:05,670 --> 00:16:04,399  
when there's a strong spirit energy near

409  
00:16:07,030 --> 00:16:05,680  
me

410  
00:16:09,670 --> 00:16:07,040  
i don't know i can't explain it it's

411  
00:16:12,949 --> 00:16:09,680  
just something that happens to me

412  
00:16:14,710 --> 00:16:12,959  
uh after this happened it kind of

413  
00:16:17,509 --> 00:16:14,720

stunned me then suddenly i sensed the

414

00:16:21,749 --> 00:16:17,519

presence of a female spirit

415

00:16:25,670 --> 00:16:21,759

and at the same time i felt increasing

416

00:16:30,150 --> 00:16:28,470

um you know in fact i had the sensation

417

00:16:31,910 --> 00:16:30,160

something was wrapped around my neck and

418

00:16:34,230 --> 00:16:31,920

pressing hard on my throat

419

00:16:35,269 --> 00:16:34,240

i wasn't gagging but it was

420

00:16:38,069 --> 00:16:35,279

uncomfortable

421

00:16:39,350 --> 00:16:38,079

and it lasted for about 10 seconds we

422

00:16:40,710 --> 00:16:39,360

stopped

423

00:16:41,910 --> 00:16:40,720

now there were there was other people

424

00:16:43,269 --> 00:16:41,920

sitting there i don't know if they

425

00:16:45,910 --> 00:16:43,279

noticed me

426

00:16:46,310 --> 00:16:45,920

uh because i you know i tried not to you

427

00:16:49,990 --> 00:16:46,320

know

428

00:16:53,110 --> 00:16:50,000

flip out so i gained my bearings and

429

00:16:55,189 --> 00:16:53,120

attempted to pick up on the energy

430

00:16:56,629 --> 00:16:55,199

responsible for the attack but i i just

431

00:16:57,990 --> 00:16:56,639

didn't sense anything else

432

00:16:59,910 --> 00:16:58,000

it could have been so physical it wasn't

433

00:17:02,790 --> 00:16:59,920

blood sugar or anything long or just

434

00:17:04,630 --> 00:17:02,800

no you knew it was just something yeah

435

00:17:07,510 --> 00:17:04,640

it was just something

436

00:17:09,350 --> 00:17:07,520

yeah i mean and i sensed it too you know

437

00:17:11,350 --> 00:17:09,360

and uh a few months later

438

00:17:12,870 --> 00:17:11,360

i was calling to the examination room

439

00:17:15,029 --> 00:17:12,880

and the um

440

00:17:16,230 --> 00:17:15,039

nurse was asking me a few questions and

441

00:17:18,390 --> 00:17:16,240

then she looked at me and

442

00:17:19,990 --> 00:17:18,400

asked where'd you get those marks in

443

00:17:22,069 --> 00:17:20,000

your throat

444

00:17:23,189 --> 00:17:22,079

and i stood up and i walked over to the

445

00:17:25,110 --> 00:17:23,199

mirror

446

00:17:27,270 --> 00:17:25,120

and sure enough there were red marks in

447

00:17:31,590 --> 00:17:27,280

my lower throat

448

00:17:33,510 --> 00:17:31,600

pictures on the blog

449

00:17:34,630 --> 00:17:33,520

anyway you know this isn't the first

450

00:17:36,710 --> 00:17:34,640

time

451  
00:17:38,310 --> 00:17:36,720  
that i've been subjected to physic you

452  
00:17:40,390 --> 00:17:38,320  
know to an entity or

453  
00:17:42,310 --> 00:17:40,400  
psychic no i remember the scratches i i

454  
00:17:44,230 --> 00:17:42,320  
i showed you

455  
00:17:47,430 --> 00:17:44,240  
with them yeah that's that's the cards i

456  
00:17:49,350 --> 00:17:47,440  
mean yeah and uh

457  
00:17:50,950 --> 00:17:49,360  
but it's usually if i'm doing a clearing

458  
00:17:53,190 --> 00:17:50,960  
session

459  
00:17:55,029 --> 00:17:53,200  
or involved in a remote view or

460  
00:17:57,590 --> 00:17:55,039  
something where i'm actually doing

461  
00:17:59,350 --> 00:17:57,600  
something not just sitting around in a

462  
00:18:02,710 --> 00:17:59,360  
hospital now

463  
00:18:05,270 --> 00:18:02,720

granted hospitals are notorious for the

464

00:18:07,909 --> 00:18:05,280

presence of various earthbound

465

00:18:10,789 --> 00:18:07,919

entities um you know any other location

466

00:18:13,270 --> 00:18:10,799

where people pass waves gonna happen

467

00:18:15,830 --> 00:18:13,280

so uh but hospitals are notorious for

468

00:18:18,870 --> 00:18:15,840

that they're also the toys for

469

00:18:21,750 --> 00:18:18,880

pretty strong portals i mean

470

00:18:23,270 --> 00:18:21,760

we have sensed them before in hospitals

471

00:18:25,110 --> 00:18:23,280

and i talked to people who've had them

472

00:18:28,230 --> 00:18:25,120

you know since as well

473

00:18:31,350 --> 00:18:28,240

i mean the fact that people have um

474

00:18:33,990 --> 00:18:31,360

you know go into a surgery and you know

475

00:18:34,950 --> 00:18:34,000

and or especially if they've got a

476

00:18:37,430 --> 00:18:34,960

surgery where

477

00:18:39,270 --> 00:18:37,440

it's an emergency it's life-threatening

478

00:18:41,909 --> 00:18:39,280

and they talk about these near-death

479

00:18:43,350 --> 00:18:41,919

experiences and out-of-body experiences

480

00:18:46,470 --> 00:18:43,360

it does happen and at least

481

00:18:46,950 --> 00:18:46,480

it kind of does lead a person vulnerable

482

00:18:49,350 --> 00:18:46,960

for

483

00:18:51,110 --> 00:18:49,360

any type of malevolency that may be

484

00:18:54,470 --> 00:18:51,120

hanging around

485

00:18:55,909 --> 00:18:54,480

um so you know

486

00:18:58,470 --> 00:18:55,919

you know i kind of post this i mean

487

00:19:00,230 --> 00:18:58,480

posted as a warning that you know

488

00:19:01,669 --> 00:19:00,240

i ask people to protect themselves when

489

00:19:03,430 --> 00:19:01,679

they you know go in these type of

490

00:19:06,630 --> 00:19:03,440

situations especially

491

00:19:10,230 --> 00:19:06,640

in places like a hospital funeral home

492

00:19:13,270 --> 00:19:10,240

cemeteries anywhere where these

493

00:19:15,750 --> 00:19:13,280

spirits me that you know that they may

494

00:19:18,470 --> 00:19:15,760

be around

495

00:19:19,190 --> 00:19:18,480

so um well i'm sorry you had to go

496

00:19:22,710 --> 00:19:19,200

through that

497

00:19:23,270 --> 00:19:22,720

that's yeah that was uh i didn't expect

498

00:19:24,870 --> 00:19:23,280

that but

499

00:19:27,270 --> 00:19:24,880

you know you never know stuff like that

500

00:19:30,310 --> 00:19:27,280

does happen and it does happen to me

501  
00:19:32,310 --> 00:19:30,320  
and um and you know that and

502  
00:19:33,750 --> 00:19:32,320  
so well i've seen it i mean i've not

503  
00:19:34,070 --> 00:19:33,760  
seen you physically attack but i've seen

504  
00:19:38,070 --> 00:19:34,080  
the

505  
00:19:41,350 --> 00:19:38,080  
repercussions of um

506  
00:19:43,590 --> 00:19:41,360  
head down my belly that one time uh

507  
00:19:45,029 --> 00:19:43,600  
when we're up in gettysburg i mean this

508  
00:19:46,230 --> 00:19:45,039  
isn't new i mean we've been friends for

509  
00:19:48,630 --> 00:19:46,240  
a while now we've been

510  
00:19:50,710 --> 00:19:48,640  
yeah colleagues for a while now and i've

511  
00:19:54,390 --> 00:19:50,720  
seen you subjected to some pretty

512  
00:19:56,630 --> 00:19:54,400  
interesting uh uh some physical results

513  
00:19:58,710 --> 00:19:56,640

from some interesting situations so

514

00:20:00,390 --> 00:19:58,720

it happens and i it's not just solely

515

00:20:03,669 --> 00:20:00,400

you right there's other folks out there

516

00:20:09,669 --> 00:20:08,149

these uh physical attacks by non-visible

517

00:20:11,909 --> 00:20:09,679

entities and

518

00:20:13,830 --> 00:20:11,919

entities whatever you want to whatever

519

00:20:16,950 --> 00:20:13,840

you want to call them so

520

00:20:18,470 --> 00:20:16,960

oh i don't know it's it's

521

00:20:21,350 --> 00:20:18,480

part of the deal i mean you know when

522

00:20:23,590 --> 00:20:21,360

you get when you do this

523

00:20:25,350 --> 00:20:23,600

whether you you know you want to or not

524

00:20:28,630 --> 00:20:25,360

or you know if you

525

00:20:32,149 --> 00:20:28,640

etheral attacks are they do happen

526

00:20:37,830 --> 00:20:35,430

so well i wish i could say that my time

527

00:20:39,029 --> 00:20:37,840

away has been as eventful as use and and

528

00:20:41,430 --> 00:20:39,039

butches uh

529

00:20:42,630 --> 00:20:41,440

my english is so great too very tired

530

00:20:44,390 --> 00:20:42,640

bear with me

531

00:20:45,669 --> 00:20:44,400

it's been a traumatic week you know i

532

00:20:46,390 --> 00:20:45,679

you know i guess the only thing that's

533

00:20:50,310 --> 00:20:46,400

uh

534

00:20:53,669 --> 00:20:50,320

turns 14 tomorrow

535

00:20:56,070 --> 00:20:53,679

uh i told him butch i said uh 14.

536

00:20:57,880 --> 00:20:56,080

like where's the time go it's not fair

537

00:20:59,830 --> 00:20:57,890

we don't get them long enough it's

538

00:21:01,190 --> 00:20:59,840

[Music]

539

00:21:03,110 --> 00:21:01,200

it sucks and without getting all

540

00:21:05,029 --> 00:21:03,120

sentimental and

541

00:21:07,029 --> 00:21:05,039

dad-like on our listeners who are here

542

00:21:08,390 --> 00:21:07,039

to talk about paranormal things

543

00:21:10,549 --> 00:21:08,400

uh you know i guess the only thing

544

00:21:12,390 --> 00:21:10,559

paranormal in my life is aging and

545

00:21:13,909 --> 00:21:12,400

we gotta all get used to that at some

546

00:21:16,630 --> 00:21:13,919

point another but it's been

547

00:21:18,710 --> 00:21:16,640

very dead for me no bigfoot reports no

548

00:21:20,310 --> 00:21:18,720

paranormal reports coming in i

549

00:21:22,390 --> 00:21:20,320

i thought folks forgot about me for a

550

00:21:24,390 --> 00:21:22,400

while but i'm glad that

551  
00:21:26,549 --> 00:21:24,400  
you're which i'm not complaining about

552  
00:21:27,990 --> 00:21:26,559  
it's not like i had the time

553  
00:21:30,230 --> 00:21:28,000  
the extra time to deal with that you

554  
00:21:32,470 --> 00:21:30,240  
know i started uh and i'm working with

555  
00:21:35,510 --> 00:21:32,480  
uh pennsylvania sasquatch research

556  
00:21:35,990 --> 00:21:35,520  
facebook group uh and my buddy maz adams

557  
00:21:38,070 --> 00:21:36,000  
and i

558  
00:21:39,430 --> 00:21:38,080  
and formerly dave groves have a podcast

559  
00:21:41,350 --> 00:21:39,440  
called the nocturnal journal

560  
00:21:43,270 --> 00:21:41,360  
something semi-regular nothing like this

561  
00:21:44,870 --> 00:21:43,280  
it's gonna be weekly

562  
00:21:46,710 --> 00:21:44,880  
and we talked to cliff barrickman a

563  
00:21:48,070 --> 00:21:46,720

couple weeks ago and uh well actually

564

00:21:50,470 --> 00:21:48,080

about a month ago

565

00:21:52,230 --> 00:21:50,480

and then over the weekend uh mazz and i

566

00:21:54,310 --> 00:21:52,240

spoke to

567

00:21:55,990 --> 00:21:54,320

uh mike freeman again the son of paul

568

00:21:57,669 --> 00:21:56,000

freeman and uh

569

00:21:59,430 --> 00:21:57,679

what a conversation i haven't laughed

570

00:22:01,510 --> 00:21:59,440

that hard in my life

571

00:22:03,430 --> 00:22:01,520

most of which you folks won't hear there

572

00:22:04,470 --> 00:22:03,440

is an edited and an unedited version of

573

00:22:06,310 --> 00:22:04,480

the program

574

00:22:07,990 --> 00:22:06,320

and for legal reasons i'm pretty sure

575

00:22:09,750 --> 00:22:08,000

you will never hear the unedited version

576

00:22:10,950 --> 00:22:09,760

but i assure you anybody who knows me

577

00:22:13,029 --> 00:22:10,960

personally

578

00:22:14,950 --> 00:22:13,039

uh knows i have a tendency to get a

579

00:22:16,710 --> 00:22:14,960

little out of control sometimes and that

580

00:22:18,149 --> 00:22:16,720

was one of those situations and by god

581

00:22:20,390 --> 00:22:18,159

was it funny

582

00:22:22,549 --> 00:22:20,400

but uh it would definitely make my

583

00:22:25,510 --> 00:22:22,559

mother blush so we're not gonna

584

00:22:26,390 --> 00:22:25,520

put that on the radio uh that being said

585

00:22:28,230 --> 00:22:26,400

um

586

00:22:29,590 --> 00:22:28,240

that's about it for me it's it's it's

587

00:22:32,710 --> 00:22:29,600

just been kind of

588

00:22:34,630 --> 00:22:32,720

kind of quiet and i got a lot of books

589

00:22:36,470 --> 00:22:34,640

to read i mean lon you keep piling up

590

00:22:38,470 --> 00:22:36,480

our guests and

591

00:22:40,070 --> 00:22:38,480

yeah i wish we could have a guest that

592

00:22:41,430 --> 00:22:40,080

would write a who the hell tells these

593

00:22:43,029 --> 00:22:41,440

people they have to write books that are

594

00:22:45,110 --> 00:22:43,039

like 300 pages long

595

00:22:46,390 --> 00:22:45,120

can anybody write a short book like a

596

00:22:49,270 --> 00:22:46,400

picture book

597

00:22:50,149 --> 00:22:49,280

or something for crying out loud like i

598

00:22:51,830 --> 00:22:50,159

see

599

00:22:53,510 --> 00:22:51,840

like the one like the one we're going to

600

00:22:55,669 --> 00:22:53,520

talk about tonight quite frankly

601  
00:22:56,870 --> 00:22:55,679  
that's that's a perfect size book really

602  
00:22:59,110 --> 00:22:56,880  
yeah it really is

603  
00:23:00,310 --> 00:22:59,120  
i see shannon rose in the chat room and

604  
00:23:02,149 --> 00:23:00,320  
uh you know she's the

605  
00:23:03,990 --> 00:23:02,159  
host over at into the fray radio

606  
00:23:05,270 --> 00:23:04,000  
fantastic podcast one of my favorites

607  
00:23:07,110 --> 00:23:05,280  
for anybody else who

608  
00:23:08,310 --> 00:23:07,120  
wants a show to listen to i love that

609  
00:23:10,230 --> 00:23:08,320  
program

610  
00:23:11,510 --> 00:23:10,240  
uh you know she reads an awful lot of

611  
00:23:12,470 --> 00:23:11,520  
books too and i just don't know where

612  
00:23:13,990 --> 00:23:12,480  
the and you

613  
00:23:15,270 --> 00:23:14,000

and i i don't know where the hell you

614

00:23:17,029 --> 00:23:15,280

guys find the time to read these books i

615

00:23:19,029 --> 00:23:17,039

need to get them on tape

616

00:23:21,430 --> 00:23:19,039

uh because there's a lot of them and

617

00:23:22,789 --> 00:23:21,440

they're so big

618

00:23:24,710 --> 00:23:22,799

hell the one guy we were going to have

619

00:23:30,149 --> 00:23:24,720

on the program his bibliography was like

620

00:23:36,950 --> 00:23:34,310

ah man yeah that's right i mean

621

00:23:38,310 --> 00:23:36,960

we do get some long ones but uh you know

622

00:23:40,710 --> 00:23:38,320

that's

623

00:23:41,750 --> 00:23:40,720

it's a lot of information for some of

624

00:23:44,470 --> 00:23:41,760

these subjects

625

00:23:45,990 --> 00:23:44,480

uh especially the ones we don't know

626  
00:23:46,870 --> 00:23:46,000  
anything about then we gotta read all of

627  
00:23:48,549 --> 00:23:46,880  
it but

628  
00:23:50,789 --> 00:23:48,559  
you know that's the way it goes you know

629  
00:23:54,070 --> 00:23:50,799  
we did but you know we did have

630  
00:23:57,350 --> 00:23:54,080  
one inquiry come in with keystone

631  
00:23:59,990 --> 00:23:57,360  
um keystone bigfoot project the

632  
00:24:01,990 --> 00:24:00,000  
thing down by the waynesboro uh

633  
00:24:03,669 --> 00:24:02,000  
reservoir that did come in didn't it and

634  
00:24:07,029 --> 00:24:03,679  
but yeah we had a

635  
00:24:09,750 --> 00:24:07,039  
gentleman and his wife uh

636  
00:24:11,029 --> 00:24:09,760  
heard all kinds of crazy sounds coming

637  
00:24:13,510 --> 00:24:11,039  
from down there

638  
00:24:16,230 --> 00:24:13,520

it's an area that's uh well i don't know

639

00:24:19,029 --> 00:24:16,240

it's about maybe

640

00:24:20,710 --> 00:24:19,039

oh 10 miles south of route 30 by

641

00:24:23,990 --> 00:24:20,720

caledonia state

642

00:24:27,350 --> 00:24:24,000

clark uh it's near the

643

00:24:29,590 --> 00:24:27,360

waynesboro reservoir which is infamous

644

00:24:34,470 --> 00:24:29,600

for the uh

645

00:24:37,669 --> 00:24:34,480

the bigfoot track from when was that

646

00:24:41,350 --> 00:24:37,679

oh that was early in the 2000s

647

00:24:44,630 --> 00:24:41,360

yeah yeah that was that was a big deal

648

00:24:45,350 --> 00:24:44,640

back then and uh 2004 maybe i want to

649

00:24:47,590 --> 00:24:45,360

say about

650

00:24:48,470 --> 00:24:47,600

about that time i could be off a year or

651  
00:24:50,470 --> 00:24:48,480  
two but

652  
00:24:53,830 --> 00:24:50,480  
uh i think they were found were they

653  
00:24:57,990 --> 00:24:56,390  
i don't you know i don't know i i don't

654  
00:25:00,710 --> 00:24:58,000  
know i i

655  
00:25:01,909 --> 00:25:00,720  
i still really can't make a judgment on

656  
00:25:04,470 --> 00:25:01,919  
that

657  
00:25:05,430 --> 00:25:04,480  
though there has been bigfoot activity

658  
00:25:07,430 --> 00:25:05,440  
in that area

659  
00:25:08,950 --> 00:25:07,440  
oh yeah well we know from from what's

660  
00:25:11,430 --> 00:25:08,960  
been going on the last couple of years

661  
00:25:13,669 --> 00:25:11,440  
that that southern area of pa

662  
00:25:14,630 --> 00:25:13,679  
really picking up with the activity and

663  
00:25:16,549 --> 00:25:14,640

yeah

664

00:25:18,310 --> 00:25:16,559

uh it's just sporadic though like

665

00:25:19,350 --> 00:25:18,320

there's and it's been that way with the

666

00:25:21,750 --> 00:25:19,360

whole damn state

667

00:25:23,350 --> 00:25:21,760

that you know it was in the past that

668

00:25:25,029 --> 00:25:23,360

you know everything was coming in from

669

00:25:26,390 --> 00:25:25,039

that uh southwestern part of

670

00:25:28,710 --> 00:25:26,400

pennsylvania

671

00:25:30,149 --> 00:25:28,720

um and then it kind of exploded all over

672

00:25:32,549 --> 00:25:30,159

the state and now it's

673

00:25:34,149 --> 00:25:32,559

here there it's piecemealed across the

674

00:25:36,390 --> 00:25:34,159

state there's no real

675

00:25:38,549 --> 00:25:36,400

i mean let's be honest we've had more

676

00:25:40,310 --> 00:25:38,559

consistency with these uh

677

00:25:41,990 --> 00:25:40,320

upright canine cryptids than we have

678

00:25:44,549 --> 00:25:42,000

with with the bigfoot this year

679

00:25:45,430 --> 00:25:44,559

last year yeah yeah yeah i mean in terms

680

00:25:48,630 --> 00:25:45,440

of

681

00:25:51,510 --> 00:25:48,640

sightings it is i mean it is but

682

00:25:53,269 --> 00:25:51,520

man it's getting it's getting hard to uh

683

00:25:54,789 --> 00:25:53,279

you know nail down a pattern which is

684

00:25:56,310 --> 00:25:54,799

you know i'm a pattern person i'd like

685

00:25:57,990 --> 00:25:56,320

to see if we can maybe there is not a

686

00:25:59,590 --> 00:25:58,000

pattern to it i don't know

687

00:26:01,029 --> 00:25:59,600

i don't know but of course you know for

688

00:26:02,870 --> 00:26:01,039

our folks who are turning in tonight

689

00:26:04,789 --> 00:26:02,880

they want to hear about our guest

690

00:26:07,190 --> 00:26:04,799

uh mr lyle blackburn we're going to have

691

00:26:08,310 --> 00:26:07,200

lyle on to talk about his book monstro

692

00:26:10,710 --> 00:26:08,320

bizarro

693

00:26:11,350 --> 00:26:10,720

uh of course the boggy creek documentary

694

00:26:13,190 --> 00:26:11,360

that he

695

00:26:15,909 --> 00:26:13,200

and my good friend seth breedlove and

696

00:26:19,510 --> 00:26:15,919

the genset uh small town monsters

697

00:26:19,909 --> 00:26:19,520

uh put out amazing isn't it fantastic i

698

00:26:21,750 --> 00:26:19,919

mean

699

00:26:23,269 --> 00:26:21,760

visually gorgeous i can't say enough

700

00:26:24,950 --> 00:26:23,279

about it and of course they're now

701  
00:26:27,669 --> 00:26:24,960  
working on a mothman

702  
00:26:28,789 --> 00:26:27,679  
uh documentary together as well uh and

703  
00:26:30,230 --> 00:26:28,799  
i'm really excited about that i

704  
00:26:31,510 --> 00:26:30,240  
kickstart all these and of course the

705  
00:26:33,669 --> 00:26:31,520  
kickstarter will be up i believe

706  
00:26:35,830 --> 00:26:33,679  
february first or february 2nd

707  
00:26:38,470 --> 00:26:35,840  
if you go to facebook.com and search

708  
00:26:40,230 --> 00:26:38,480  
small town monsters you'll be able to

709  
00:26:42,470 --> 00:26:40,240  
find all the information to

710  
00:26:43,830 --> 00:26:42,480  
get geared up for that and i've been

711  
00:26:45,510 --> 00:26:43,840  
very pleased

712  
00:26:47,190 --> 00:26:45,520  
with the quality of productions they put

713  
00:26:49,430 --> 00:26:47,200

out i've never been disappointed i know

714

00:26:51,430 --> 00:26:49,440

seth i know how hard he works

715

00:26:53,190 --> 00:26:51,440

and uh how diligent he is about putting

716

00:26:55,990 --> 00:26:53,200

out a quality product

717

00:26:57,830 --> 00:26:56,000

uh same with lyle and uh if you folks

718

00:27:00,230 --> 00:26:57,840

you know want to be part of uh something

719

00:27:01,990 --> 00:27:00,240

special and something

720

00:27:03,830 --> 00:27:02,000

i always say historic you know kick

721

00:27:05,029 --> 00:27:03,840

start these projects they do them

722

00:27:06,789 --> 00:27:05,039

justice

723

00:27:09,110 --> 00:27:06,799

there's not a lot of fluff they tell it

724

00:27:10,950 --> 00:27:09,120

how it is the stories are

725

00:27:12,549 --> 00:27:10,960

as told by the witnesses they're

726  
00:27:15,510 --> 00:27:12,559  
visually appealing and

727  
00:27:16,310 --> 00:27:15,520  
you know they just rock and i can't say

728  
00:27:17,669 --> 00:27:16,320  
enough

729  
00:27:19,269 --> 00:27:17,679  
good things about you know i have some

730  
00:27:19,990 --> 00:27:19,279  
very talented friends i'm very proud of

731  
00:27:22,710 --> 00:27:20,000  
them

732  
00:27:24,710 --> 00:27:22,720  
uh and whenever i have good people in my

733  
00:27:27,029 --> 00:27:24,720  
life that do some fantastic work

734  
00:27:27,990 --> 00:27:27,039  
i can't uh i cannot help myself but

735  
00:27:31,190 --> 00:27:28,000  
share it

736  
00:27:32,070 --> 00:27:31,200  
and lon you what wha uh you watched it

737  
00:27:34,230 --> 00:27:32,080  
today

738  
00:27:36,470 --> 00:27:34,240

uh yeah you know exactly how good it is

739

00:27:37,110 --> 00:27:36,480

like yeah it is it's really good i mean

740

00:27:39,669 --> 00:27:37,120

uh

741

00:27:41,190 --> 00:27:39,679

a lot of the denier narration as well

742

00:27:45,110 --> 00:27:41,200

and uh

743

00:27:49,190 --> 00:27:45,120

oh it is it's it's an excellent

744

00:27:49,990 --> 00:27:49,200

film yeah it is and i i can't wait to

745

00:27:50,630 --> 00:27:50,000

see what they're going to do with

746

00:27:52,310 --> 00:27:50,640

mothman

747

00:27:53,830 --> 00:27:52,320

you know after i smoke more cigarettes

748

00:27:56,389 --> 00:27:53,840

and drink some scotch maybe i can get

749

00:27:58,950 --> 00:27:56,399

into the narration business

750

00:28:01,190 --> 00:27:58,960

i don't smoke but uh the scotch i'm a

751  
00:28:03,190 --> 00:28:01,200  
fan of so maybe we can get more of that

752  
00:28:04,630 --> 00:28:03,200  
and you know just improve that voice a

753  
00:28:06,870 --> 00:28:04,640  
little bit uh but

754  
00:28:08,470 --> 00:28:06,880  
about do you have his bio upload do you

755  
00:28:11,510 --> 00:28:08,480  
want to read it you want me yes i do

756  
00:28:14,230 --> 00:28:11,520  
um you know while lyle

757  
00:28:15,510 --> 00:28:14,240  
of course is an author musician crypto

758  
00:28:17,669 --> 00:28:15,520

759  
00:28:19,269 --> 00:28:17,679

761  
00:28:23,430 --> 00:28:21,679  
the uh the beast of boggy creek and

762  
00:28:25,029 --> 00:28:23,440  
lizardman reflect his lifelong

763  
00:28:27,110 --> 00:28:25,039

fascination

764

00:28:28,789 --> 00:28:27,120  
with legends inside of reports of

765

00:28:31,110 --> 00:28:28,799  
real-life monsters

766

00:28:31,990 --> 00:28:31,120  
during his research lyle has often

767

00:28:34,149 --> 00:28:32,000  
explored

768

00:28:36,870 --> 00:28:34,159  
the remote reaches of the southern u.s

769

00:28:38,710 --> 00:28:36,880  
in search of shattered creatures said to

770

00:28:42,070 --> 00:28:38,720  
inhabit the dense backwoods

771

00:28:43,750 --> 00:28:42,080  
and swamps of these areas lyle served as

772

00:28:45,190 --> 00:28:43,760  
a consulting producer and special

773

00:28:47,190 --> 00:28:45,200  
episode host

774

00:28:48,230 --> 00:28:47,200  
for the tv show monsters and mysteries

in america

776

00:28:52,389 --> 00:28:50,880

and was featured in the documentary film

780

of mysterious monsters which can be

781

strickler butch witkowski

00:29:36,789 --> 00:29:35,279

and our special guest mr lyle blackburn

794

00:29:38,870 --> 00:29:36,799

lyle thanks for taking the time out to

795

00:29:41,430 --> 00:29:38,880

join us tonight

796

00:29:44,630 --> 00:29:41,440

hey guys no problem good to be here and

797

00:29:47,029 --> 00:29:44,640

uh we got a copy right here on my desk

798

00:29:48,630 --> 00:29:47,039

of monstro bizarro what a beautiful

799

00:29:50,549 --> 00:29:48,640

piece of work and not just from the

800

00:29:54,230 --> 00:29:50,559

content but it just looks stunning

801  
00:29:57,269 --> 00:29:54,240  
it's a fantastic piece oh thanks yeah

802  
00:29:57,909 --> 00:29:57,279  
they do some good uh graphically visual

803  
00:30:00,230 --> 00:29:57,919  
layouts

804  
00:30:01,190 --> 00:30:00,240  
uh room org so i was really excited when

805  
00:30:03,750 --> 00:30:01,200  
i saw the

806  
00:30:05,029 --> 00:30:03,760  
the end product of that so yeah a fun

807  
00:30:07,269 --> 00:30:05,039  
kind of a fun book to

808  
00:30:08,549 --> 00:30:07,279  
work on yeah i don't know where you find

809  
00:30:09,990 --> 00:30:08,559  
the time to work on all these books

810  
00:30:11,590 --> 00:30:10,000  
you're a busy man

811  
00:30:13,510 --> 00:30:11,600  
you got your hands in just about every

812  
00:30:16,230 --> 00:30:13,520  
form of media you can

813  
00:30:17,909 --> 00:30:16,240

uh involving cryptids you uh you wrapped

814

00:30:19,990 --> 00:30:17,919

up boggy creek monster which

815

00:30:21,269 --> 00:30:20,000

was fantastic by the way i can't say

816

00:30:21,990 --> 00:30:21,279

good enough things about it your

817

00:30:25,350 --> 00:30:22,000

experience with that

818

00:30:27,990 --> 00:30:25,360

was seemed to be a very good experience

819

00:30:30,149 --> 00:30:28,000

oh yeah i really enjoyed working on that

820

00:30:33,190 --> 00:30:30,159

and of course you know i thought that

821

00:30:34,630 --> 00:30:33,200

small town monsters and seth you know

822

00:30:36,230 --> 00:30:34,640

had the right approach to those

823

00:30:38,310 --> 00:30:36,240

kind of documentaries i've been

824

00:30:40,310 --> 00:30:38,320

approached before but just kind of shied

825

00:30:41,590 --> 00:30:40,320

away but i thought those guys

826

00:30:43,350 --> 00:30:41,600

you know they could really do it right

827

00:30:45,269 --> 00:30:43,360

let the witnesses tell the story so it

828

00:30:47,669 --> 00:30:45,279

was a lot of fun to

829

00:30:48,950 --> 00:30:47,679

you know work on that and take them down

830

00:30:51,510 --> 00:30:48,960

to the area

831

00:30:52,630 --> 00:30:51,520

and get all the filming done and and it

832

00:30:53,830 --> 00:30:52,640

you know turned out really

833

00:30:56,389 --> 00:30:53,840

really good and we've had a great

834

00:30:57,430 --> 00:30:56,399

response so it was very good experience

835

00:31:00,310 --> 00:30:57,440

yeah and i guess you're going to be

836

00:31:04,230 --> 00:31:00,320

working with them on the new mothman

837

00:31:05,029 --> 00:31:04,240

documentary coming out yeah that i think

838

00:31:08,070 --> 00:31:05,039

you know we

839

00:31:10,870 --> 00:31:08,080

apparently had a you know a great uh

840

00:31:12,470 --> 00:31:10,880

collaboration as far as working on boggy

841

00:31:14,230 --> 00:31:12,480

creek monsters so they wanted to

842

00:31:17,110 --> 00:31:14,240

continue that and bring me in

843

00:31:19,750 --> 00:31:17,120

in some some form on the others you know

844

00:31:21,590 --> 00:31:19,760

while you know i won't appear on film as

845

00:31:24,870 --> 00:31:21,600

i did in boggy creek i still

846

00:31:27,269 --> 00:31:24,880

uh would be involved in you know just uh

847

00:31:29,350 --> 00:31:27,279

the decisions and helping to write the

848

00:31:30,389 --> 00:31:29,360

script for the narration and things like

849

00:31:32,389 --> 00:31:30,399

that so you know

850

00:31:34,310 --> 00:31:32,399

i'm excited about that as well well i

851

00:31:35,590 --> 00:31:34,320

think part of the thing that made uh

852

00:31:38,070 --> 00:31:35,600

part of the elements that made boggy

853

00:31:39,269 --> 00:31:38,080

creek so good was uh your narration was

854

00:31:41,269 --> 00:31:39,279

very good we just talked about that

855

00:31:43,669 --> 00:31:41,279

briefly before we came back on the air

856

00:31:45,990 --> 00:31:43,679

but you really did uh really did the

857

00:31:48,230 --> 00:31:46,000

movie justice i thought it was a great

858

00:31:50,070 --> 00:31:48,240

part besides the music it was one of the

859

00:31:53,909 --> 00:31:50,080

elements that really brought the

860

00:31:57,269 --> 00:31:53,919

the uh film to life it was well done

861

00:31:59,269 --> 00:31:57,279

yeah thank you yeah it was uh you know

862

00:32:00,310 --> 00:31:59,279

it's a learning curve on the narration

863

00:32:02,549 --> 00:32:00,320

i'd done

864

00:32:04,230 --> 00:32:02,559

a tv episode on monsters and mysteries

865

00:32:06,630 --> 00:32:04,240

in america where they did the blackburn

866

00:32:08,470 --> 00:32:06,640

files and i narrated that and

867

00:32:11,269 --> 00:32:08,480

obviously i sing in a band so i've had

868

00:32:13,110 --> 00:32:11,279

some experience in it but really

869

00:32:15,029 --> 00:32:13,120

once i got to boggy creek you know this

870

00:32:18,310 --> 00:32:15,039

was something that i could really

871

00:32:21,029 --> 00:32:18,320

uh you know work on in

872

00:32:21,750 --> 00:32:21,039

and make it my own and of course it is

873

00:32:26,070 --> 00:32:21,760

actually

874

00:32:29,110 --> 00:32:26,080

very close to my to my heart and home so

875

00:32:31,669 --> 00:32:29,120

it was something that i i thought uh

876

00:32:33,430 --> 00:32:31,679

came out very well in the end and

877

00:32:35,509 --> 00:32:33,440

and when i watched it i thought it it

878

00:32:40,389 --> 00:32:35,519

went well with the you know with the

879

00:32:42,870 --> 00:32:40,399

film so i was happy i completely agree

880

00:32:44,070 --> 00:32:42,880

yeah you know i'm going to ask you lyle

881

00:32:46,149 --> 00:32:44,080

um

882

00:32:47,909 --> 00:32:46,159

now i know you have been investigating

883

00:32:51,190 --> 00:32:47,919

the uh

884

00:32:53,029 --> 00:32:51,200

the the boggy creek monster for a long

885

00:32:54,630 --> 00:32:53,039

time well you know they gave you a bit

886

00:32:58,630 --> 00:32:54,640

of a biography

887

00:33:00,149 --> 00:32:58,640

in the film um did you run across any

888

00:33:03,190 --> 00:33:00,159

new witnesses while you were doing a

889

00:33:08,070 --> 00:33:06,149

uh it seems like every time i go up

890

00:33:10,230 --> 00:33:08,080

there that you know i hear

891

00:33:11,830 --> 00:33:10,240

something from somebody some tidbits

892

00:33:13,029 --> 00:33:11,840

here and there they don't always turn

893

00:33:16,789 --> 00:33:13,039

out to be

894

00:33:19,990 --> 00:33:16,799

uh you know lengthy sightings or

895

00:33:21,430 --> 00:33:20,000

necessarily good sightings but it seems

896

00:33:24,230 --> 00:33:21,440

like every time i'm up there

897

00:33:25,990 --> 00:33:24,240

i hear something new and of course uh

898

00:33:29,350 --> 00:33:26,000

you know i do come across

899

00:33:30,549 --> 00:33:29,360

new very credible very uh substantial

900

00:33:33,909 --> 00:33:30,559

sightings

901  
00:33:37,190 --> 00:33:33,919  
you know every every year they they

902  
00:33:39,190 --> 00:33:37,200  
you know they they pile up so definitely

903  
00:33:40,630 --> 00:33:39,200  
there wasn't anything necessarily new

904  
00:33:42,310 --> 00:33:40,640  
that we found while we were working on

905  
00:33:45,509 --> 00:33:42,320  
the film you know all the

906  
00:33:47,830 --> 00:33:45,519  
the witnesses that we presented there

907  
00:33:48,870 --> 00:33:47,840  
were ones that i had already interviewed

908  
00:33:50,470 --> 00:33:48,880  
and had

909  
00:33:52,789 --> 00:33:50,480  
you know thought these are the folks

910  
00:33:54,389 --> 00:33:52,799  
that have you know what i consider the

911  
00:33:56,230 --> 00:33:54,399  
best stories and

912  
00:33:57,430 --> 00:33:56,240  
uh the people that would even agree to

913  
00:33:58,950 --> 00:33:57,440

talk i mean there's

914

00:34:01,350 --> 00:33:58,960

there's a number of witnesses down there

915

00:34:02,149 --> 00:34:01,360

that just you know they just don't want

916

00:34:05,590 --> 00:34:02,159

to

917

00:34:07,430 --> 00:34:05,600

appear on camera and and uh it's it's

918

00:34:09,750 --> 00:34:07,440

you know i respect that privacy so

919

00:34:11,829 --> 00:34:09,760

there's a lot of them that you don't see

920

00:34:13,589 --> 00:34:11,839

and then some i can include in my books

921

00:34:15,909 --> 00:34:13,599

that you know you just can't

922

00:34:17,750 --> 00:34:15,919

include everybody in the film so

923

00:34:21,270 --> 00:34:17,760

definitely it's always a

924

00:34:24,550 --> 00:34:21,280

growing investigation

925

00:34:28,470 --> 00:34:24,560

it was an excellent film i um and i

926

00:34:31,030 --> 00:34:28,480

i repeat what sean says um

927

00:34:34,629 --> 00:34:31,040

seth does a fantastic job with these

928

00:34:36,230 --> 00:34:34,639

cryptid films and uh yeah moth

929

00:34:38,069 --> 00:34:36,240

man i i can just imagine what that's

930

00:34:40,069 --> 00:34:38,079

gonna be like i uh

931

00:34:41,589 --> 00:34:40,079

and since the mothman is my favorite

932

00:34:42,710 --> 00:34:41,599

crypt that i don't know if anybody knows

933

00:34:48,230 --> 00:34:42,720

that but it is i

934

00:34:48,629 --> 00:34:48,240

uh i'm looking forward to that um yeah

935

00:34:52,069 --> 00:34:48,639

you know

936

00:34:55,270 --> 00:34:52,079

and this monster bizarro book i tell you

937

00:34:57,910 --> 00:34:55,280

i i was really surprised

938

00:34:58,630 --> 00:34:57,920

how good it was when i started going

939

00:35:01,670 --> 00:34:58,640

through it

940

00:35:03,349 --> 00:35:01,680

i um i in fact i put it on my on my

941

00:35:07,030 --> 00:35:03,359

notable list

942

00:35:08,710 --> 00:35:07,040

for for books uh it's it really is one

943

00:35:11,270 --> 00:35:08,720

of my new favorite books

944

00:35:13,109 --> 00:35:11,280

it's got the the detail and the way that

945

00:35:16,710 --> 00:35:13,119

it's presented

946

00:35:19,589 --> 00:35:16,720

uh and in the variety as well it's just

947

00:35:20,790 --> 00:35:19,599

it's really good i mean you just don't

948

00:35:22,550 --> 00:35:20,800

see a lot of that

949

00:35:23,829 --> 00:35:22,560

in in a crypt you know when you when you

950

00:35:27,589 --> 00:35:23,839

got buy a book

951  
00:35:29,990 --> 00:35:27,599  
that's got listings of cryptids in it

952  
00:35:31,750 --> 00:35:30,000  
it you know it's kind of a bland you

953  
00:35:33,109 --> 00:35:31,760  
know it's kind of a bland presentation

954  
00:35:36,630 --> 00:35:33,119  
for the most part

955  
00:35:36,950 --> 00:35:36,640  
but you know this with the artwork in

956  
00:35:47,430 --> 00:35:36,960  
the

957  
00:35:49,670 --> 00:35:47,440  
it really is uh it really is a

958  
00:35:53,589 --> 00:35:49,680  
spectacular and

959  
00:35:55,670 --> 00:35:53,599  
very different type of presentation

960  
00:35:58,069 --> 00:35:55,680  
yeah yeah i think i just want to tell

961  
00:36:01,349 --> 00:35:58,079  
you that that that it

962  
00:36:03,750 --> 00:36:01,359  
it is one of my new favorite books

963  
00:36:05,109 --> 00:36:03,760

oh cool yeah it's it's definitely one of

964

00:36:07,190 --> 00:36:05,119

those it's kind of

965

00:36:08,310 --> 00:36:07,200

it's different and it's obviously

966

00:36:10,870 --> 00:36:08,320

different than

967

00:36:12,150 --> 00:36:10,880

the books that i write you know just as

968

00:36:14,870 --> 00:36:12,160

me and they're

969

00:36:15,589 --> 00:36:14,880

you know written with primarily with

970

00:36:18,710 --> 00:36:15,599

words

971

00:36:20,390 --> 00:36:18,720

uh not so many visuals but you know for

972

00:36:22,150 --> 00:36:20,400

for those that haven't seen of course

973

00:36:23,910 --> 00:36:22,160

it's it's part of my

974

00:36:26,150 --> 00:36:23,920

i write for the horror magazine rue

975

00:36:27,670 --> 00:36:26,160

morgan i'm i sort of specialize

976

00:36:29,750 --> 00:36:27,680

in cryptids they're very into the

977

00:36:32,630 --> 00:36:29,760

cryptozoology thing and

978

00:36:34,870 --> 00:36:32,640

uh i kind of bridge the gap between the

979

00:36:36,470 --> 00:36:34,880

real world of cryptozoology real life

980

00:36:37,190 --> 00:36:36,480

sightings and the histories of these

981

00:36:40,310 --> 00:36:37,200

creatures

982

00:36:42,470 --> 00:36:40,320

and what many portray them in films

983

00:36:44,870 --> 00:36:42,480

there's a lot of bigfoot movies and

984

00:36:45,589 --> 00:36:44,880

other cryptids and films so i'm i'm sort

985

00:36:47,430 --> 00:36:45,599

of the

986

00:36:49,190 --> 00:36:47,440

go-between with that and it's a lot of

987

00:36:52,790 --> 00:36:49,200

fun to write that kind of stuff

988

00:36:55,829 --> 00:36:52,800

and as a fan of horror movies myself

989

00:36:57,430 --> 00:36:55,839

and to kind of add that sort of element

990

00:36:59,510 --> 00:36:57,440

and perspective on real-life

991

00:37:01,670 --> 00:36:59,520

cryptozoology so with this book

992

00:37:03,349 --> 00:37:01,680

they just said you know it's it's part

993

00:37:05,829 --> 00:37:03,359

of their library series and they just

994

00:37:08,550 --> 00:37:05,839

gave me the reins just

995

00:37:10,550 --> 00:37:08,560

bring in some what i wanted it reprints

996

00:37:12,390 --> 00:37:10,560

a few articles from room org and then i

997

00:37:15,030 --> 00:37:12,400

had new content and

998

00:37:16,069 --> 00:37:15,040

uh just very different like you say yeah

999

00:37:18,870 --> 00:37:16,079

i can cover

1000

00:37:20,710 --> 00:37:18,880

bigfoot in films and you know weird

1001

00:37:22,550 --> 00:37:20,720

chupacabra films and

1002

00:37:24,550 --> 00:37:22,560

lake monsters and a whole lot of stuff

1003

00:37:25,829 --> 00:37:24,560

that

1004

00:37:27,829 --> 00:37:25,839

you know really doesn't get a lot of

1005

00:37:30,550 --> 00:37:27,839

recognition and then the way they lay

1006

00:37:32,550 --> 00:37:30,560

out that graphics and include all the

1007

00:37:34,310 --> 00:37:32,560

the visuals it just makes a really cool

1008

00:37:37,190 --> 00:37:34,320

book and it was it was quite

1009

00:37:39,349 --> 00:37:37,200

you know a successful i think as far as

1010

00:37:39,829 --> 00:37:39,359

their library series of books go they

1011

00:37:43,589 --> 00:37:39,839

print

1012

00:37:46,470 --> 00:37:43,599

those get shipped out to

1013

00:37:47,510 --> 00:37:46,480

uh an audience and it's a way for me to

1014

00:37:50,550 --> 00:37:47,520

write also to an

1015

00:37:52,710 --> 00:37:50,560

audience that doesn't normally uh follow

1016

00:37:54,230 --> 00:37:52,720

cryptozoology necessarily this could be

1017

00:37:57,030 --> 00:37:54,240

a horror movie

1018

00:37:58,470 --> 00:37:57,040

uh enthusiast that you know that you

1019

00:38:00,950 --> 00:37:58,480

know they've seen some bigfoot movies

1020

00:38:03,109 --> 00:38:00,960

but they probably don't get

1021

00:38:05,990 --> 00:38:03,119

to understand the world of cryptozoology

1022

00:38:08,790 --> 00:38:06,000

so that's what's fun for me is to really

1023

00:38:10,470 --> 00:38:08,800

pull somebody in who's not necessarily

1024

00:38:12,390 --> 00:38:10,480

into the subject

1025

00:38:13,510 --> 00:38:12,400

and so that that was a fun part of that

1026  
00:38:15,349 --> 00:38:13,520  
project

1027  
00:38:17,109 --> 00:38:15,359  
yeah i like how you added the uh the

1028  
00:38:20,710 --> 00:38:17,119  
humanoids and filming

1029  
00:38:23,670 --> 00:38:20,720  
reality that was pretty cool um

1030  
00:38:24,950 --> 00:38:23,680  
you know and it's it's funny how some of

1031  
00:38:28,310 --> 00:38:24,960  
the reports

1032  
00:38:30,630 --> 00:38:28,320  
we get are you know that are

1033  
00:38:31,430 --> 00:38:30,640  
they're so they're so parallel to some

1034  
00:38:35,030 --> 00:38:31,440  
of the

1035  
00:38:37,829 --> 00:38:35,040  
the film creatures from the 50s and 60s

1036  
00:38:38,870 --> 00:38:37,839  
i mean to a degree but i mean it does

1037  
00:38:42,630 --> 00:38:38,880  
kind of remind you

1038  
00:38:45,750 --> 00:38:42,640

some of them uh of course with the uh

1039

00:38:47,510 --> 00:38:45,760

the bishopville monster and the uh the

1040

00:38:49,829 --> 00:38:47,520

creature from the black lagoon

1041

00:38:51,589 --> 00:38:49,839

comparison that you know that's

1042

00:38:54,630 --> 00:38:51,599

absolutely

1043

00:38:56,870 --> 00:38:54,640

you know that that's really spot on

1044

00:38:57,990 --> 00:38:56,880

and uh you know some of this other some

1045

00:39:00,950 --> 00:38:58,000

of the other

1046

00:39:01,670 --> 00:39:00,960

uh the mongolian death worm you know

1047

00:39:06,069 --> 00:39:01,680

that was

1048

00:39:08,069 --> 00:39:06,079

stories i did when i started the blog

1049

00:39:09,670 --> 00:39:08,079

and i thought it was so unusual and you

1050

00:39:10,630 --> 00:39:09,680

don't really see a whole lot about it

1051  
00:39:12,829 --> 00:39:10,640  
but

1052  
00:39:13,990 --> 00:39:12,839  
putting it in this in your book that

1053  
00:39:17,829 --> 00:39:14,000  
just

1054  
00:39:19,430 --> 00:39:17,839  
different things that you know

1055  
00:39:22,470 --> 00:39:19,440  
the way you're thinking the way it's put

1056  
00:39:24,870 --> 00:39:22,480  
together uh

1057  
00:39:26,390 --> 00:39:24,880  
lizard i mean excuse me the uh the

1058  
00:39:30,150 --> 00:39:26,400  
spider monsters

1059  
00:39:32,950 --> 00:39:30,160  
and even had pictures of toys

1060  
00:39:34,950 --> 00:39:32,960  
that have legendary toys and some other

1061  
00:39:37,670 --> 00:39:34,960  
things to come out

1062  
00:39:38,230 --> 00:39:37,680  
and uh yeah i really highly recommend it

1063  
00:39:45,750 --> 00:39:38,240

i

1064

00:39:48,630 --> 00:39:45,760

should really

1065

00:39:50,069 --> 00:39:48,640

get this book i'm quite sure and i know

1066

00:39:53,109 --> 00:39:50,079

sean was saying that his

1067

00:39:55,109 --> 00:39:53,119

his kids were reading it too so it's uh

1068

00:39:57,190 --> 00:39:55,119

yeah i think it's for everybody really

1069

00:39:59,109 --> 00:39:57,200

do

1070

00:40:00,550 --> 00:39:59,119

yeah yeah exactly it's it's definitely

1071

00:40:03,190 --> 00:40:00,560

written in when i approach

1072

00:40:04,630 --> 00:40:03,200

that stuff i i do keep in mind the

1073

00:40:07,030 --> 00:40:04,640

audience could be literally

1074

00:40:08,550 --> 00:40:07,040

anybody they could just be maybe kids it

1075

00:40:09,670 --> 00:40:08,560

could be somebody who's unjust into

1076

00:40:12,230 --> 00:40:09,680

horror movies

1077

00:40:14,150 --> 00:40:12,240

or somebody who's in the cryptozoology

1078

00:40:15,349 --> 00:40:14,160

so i sort of keep that mind as the

1079

00:40:17,829 --> 00:40:15,359

audience

1080

00:40:19,670 --> 00:40:17,839

um you know and and really try to use it

1081

00:40:22,630 --> 00:40:19,680

as a platform to

1082

00:40:23,349 --> 00:40:22,640

you know to show how much cryptozoology

1083

00:40:25,430 --> 00:40:23,359

really is

1084

00:40:26,790 --> 00:40:25,440

out there in culture from toys and

1085

00:40:30,150 --> 00:40:26,800

movies and

1086

00:40:30,790 --> 00:40:30,160

even music uh it's just everywhere and

1087

00:40:34,069 --> 00:40:30,800

it's

1088

00:40:35,910 --> 00:40:34,079

you know for us you know we we know the

1089

00:40:38,390 --> 00:40:35,920

the side of getting the real life

1090

00:40:40,390 --> 00:40:38,400

reports and that just really makes

1091

00:40:41,829 --> 00:40:40,400

makes it even more intriguing if i can

1092

00:40:43,670 --> 00:40:41,839

get somebody to

1093

00:40:46,870 --> 00:40:43,680

uh read one of those reports like the

1094

00:40:48,069 --> 00:40:46,880

giant spider one and stuff i mean that's

1095

00:40:49,589 --> 00:40:48,079

you know it sounds like something out of

1096

00:40:49,990 --> 00:40:49,599

a movie but this is something that you

1097

00:40:52,309 --> 00:40:50,000

know

1098

00:40:53,990 --> 00:40:52,319

a witness reported to david weatherly

1099

00:40:57,190 --> 00:40:54,000

that's real stuff so

1100

00:41:00,230 --> 00:40:57,200

it's uh life is stranger than

1101  
00:41:03,430 --> 00:41:00,240  
than horror fiction in some ways

1102  
00:41:04,390 --> 00:41:03,440  
yeah and you know i i i think well of

1103  
00:41:06,630 --> 00:41:04,400  
course i get

1104  
00:41:07,829 --> 00:41:06,640  
when i get this stuff i i write about it

1105  
00:41:11,349 --> 00:41:07,839  
i post it

1106  
00:41:12,950 --> 00:41:11,359  
and uh you know people i guess a lot of

1107  
00:41:13,270 --> 00:41:12,960  
people roll their eyes at it but you

1108  
00:41:17,190 --> 00:41:13,280  
know

1109  
00:41:19,270 --> 00:41:17,200  
settings

1110  
00:41:22,230 --> 00:41:19,280  
and uh that's just the uh you know it's

1111  
00:41:24,150 --> 00:41:22,240  
just the nature of the beast basically

1112  
00:41:26,230 --> 00:41:24,160  
we're just reporting the news here you

1113  
00:41:28,870 --> 00:41:26,240

know yeah we report what we get that's

1114

00:41:30,870 --> 00:41:28,880

it you know i mean you can screen you

1115

00:41:32,390 --> 00:41:30,880

know screen it to try to see what as

1116

00:41:35,910 --> 00:41:32,400

best you can to

1117

00:41:38,870 --> 00:41:35,920

yeah to read out the the really crazy

1118

00:41:40,230 --> 00:41:38,880

stuff but i mean ultimately it's it's

1119

00:41:41,589 --> 00:41:40,240

you know these are

1120

00:41:43,990 --> 00:41:41,599

as you know if you follow these

1121

00:41:45,589 --> 00:41:44,000

witnesses they they have seen something

1122

00:41:47,109 --> 00:41:45,599

and they have seen something strange and

1123

00:41:50,470 --> 00:41:47,119

unexplainable and

1124

00:41:53,030 --> 00:41:50,480

and that is that is the report

1125

00:41:53,910 --> 00:41:53,040

yep so your new book is coming out

1126  
00:41:56,950 --> 00:41:53,920  
beyond

1127  
00:42:01,030 --> 00:41:56,960  
boggy creek uh

1128  
00:42:03,750 --> 00:42:01,040  
the southern sasquatch so how

1129  
00:42:05,270 --> 00:42:03,760  
how broad of uh how broad of an area are

1130  
00:42:07,109 --> 00:42:05,280  
you going to uh

1131  
00:42:09,190 --> 00:42:07,119  
are you going to encompass in this next

1132  
00:42:11,990 --> 00:42:09,200  
book

1133  
00:42:13,030 --> 00:42:12,000  
well i i basically started with the

1134  
00:42:15,589 --> 00:42:13,040  
premise that

1135  
00:42:16,870 --> 00:42:15,599  
uh you know boggy creek is quite famous

1136  
00:42:19,109 --> 00:42:16,880  
and

1137  
00:42:20,870 --> 00:42:19,119  
you know i've become notable for that

1138  
00:42:23,910 --> 00:42:20,880

subject matter but

1139

00:42:26,870 --> 00:42:23,920

i've also researched and

1140

00:42:28,230 --> 00:42:26,880

and there's a long history of sightings

1141

00:42:31,829 --> 00:42:28,240

of similar creatures

1142

00:42:34,150 --> 00:42:31,839

all over the south and

1143

00:42:35,030 --> 00:42:34,160

i sort of used that as a guide to sort

1144

00:42:37,670 --> 00:42:35,040

of

1145

00:42:39,510 --> 00:42:37,680

follow the waterways and the terrain out

1146

00:42:41,510 --> 00:42:39,520

from augie creek and start exploring

1147

00:42:43,670 --> 00:42:41,520

these other

1148

00:42:45,030 --> 00:42:43,680

you know cases which in you know in many

1149

00:42:47,829 --> 00:42:45,040

cases are just

1150

00:42:48,390 --> 00:42:47,839

just as fascinating and some frightening

1151

00:42:50,550 --> 00:42:48,400

and

1152

00:42:52,550 --> 00:42:50,560

has all the elements that you know the

1153

00:42:56,069 --> 00:42:52,560

legend of boggy creek has

1154

00:42:57,270 --> 00:42:56,079

um you know it it was a huge undertaking

1155

00:42:59,190 --> 00:42:57,280

and i kind of

1156

00:43:00,710 --> 00:42:59,200

i thought at times i've bitten off more

1157

00:43:03,349 --> 00:43:00,720

than i could chew but

1158

00:43:05,510 --> 00:43:03,359

i basically wanted to cover the whole

1159

00:43:08,069 --> 00:43:05,520

deep south which

1160

00:43:10,230 --> 00:43:08,079

if you look at southern united states

1161

00:43:13,829 --> 00:43:10,240

give or take you know you're looking at

1162

00:43:14,790 --> 00:43:13,839

13 14 states i finally narrowed that

1163

00:43:17,589 --> 00:43:14,800

down to what i

1164

00:43:19,510 --> 00:43:17,599

what it's considered the deep deep south

1165

00:43:23,589 --> 00:43:19,520

and so i'm looking at about 10

1166

00:43:26,069 --> 00:43:23,599

states um from you know oklahoma

1167

00:43:27,589 --> 00:43:26,079

over to florida and just sort of that

1168

00:43:31,430 --> 00:43:27,599

southeast chunk of

1169

00:43:34,710 --> 00:43:31,440

territory which has just tons of great

1170

00:43:37,190 --> 00:43:34,720

history and of course modern reports of

1171

00:43:39,109 --> 00:43:37,200

bigfoot like creatures and so that

1172

00:43:42,470 --> 00:43:39,119

that's really what it encompasses

1173

00:43:45,430 --> 00:43:42,480

and uh the book is i mean

1174

00:43:46,230 --> 00:43:45,440

what i would venture to say would be the

1175

00:43:48,950 --> 00:43:46,240

definitive

1176

00:43:50,390 --> 00:43:48,960

book on southern sasquatch because i do

1177

00:43:53,589 --> 00:43:50,400

try to cover

1178

00:43:55,829 --> 00:43:53,599

uh you know everything and try to

1179

00:43:57,670 --> 00:43:55,839

you know offer the oldest reports kind

1180

00:43:58,870 --> 00:43:57,680

of the basis of the history and then

1181

00:44:02,630 --> 00:43:58,880

carry it up

1182

00:44:05,829 --> 00:44:02,640

with examples from uh the modern day

1183

00:44:09,990 --> 00:44:05,839

and to sort of you know anal

1184

00:44:12,230 --> 00:44:10,000

contrast and analyze the similarities

1185

00:44:13,030 --> 00:44:12,240

between the reports that you get from

1186

00:44:15,990 --> 00:44:13,040

say

1187

00:44:16,950 --> 00:44:16,000

you know north carolina versus arkansas

1188

00:44:19,990 --> 00:44:16,960

for example

1189

00:44:22,390 --> 00:44:20,000

and sort of put it in that context so

1190

00:44:23,030 --> 00:44:22,400

it was it's a big undertaking but i'm

1191

00:44:24,470 --> 00:44:23,040

i'm

1192

00:44:26,150 --> 00:44:24,480

pretty excited about the book and i

1193

00:44:26,790 --> 00:44:26,160

think everybody's going to really enjoy

1194

00:44:29,829 --> 00:44:26,800

it

1195

00:44:33,510 --> 00:44:29,839

if they like my style and my my

1196

00:44:35,750 --> 00:44:33,520

uh investigative approach this is just

1197

00:44:37,589 --> 00:44:35,760

you know this is just on a grand scale

1198

00:44:37,910 --> 00:44:37,599

of me going all through the south and i

1199

00:44:40,069 --> 00:44:37,920

do

1200

00:44:41,190 --> 00:44:40,079

go to these places i mean there's tons

1201  
00:44:43,510 --> 00:44:41,200  
of pictures in the book

1202  
00:44:45,109 --> 00:44:43,520  
and most of the pictures i took myself

1203  
00:44:48,150 --> 00:44:45,119  
on location in

1204  
00:44:48,870 --> 00:44:48,160  
you know florida or wherever i was so i

1205  
00:44:51,910 --> 00:44:48,880  
try to

1206  
00:44:54,069 --> 00:44:51,920  
continue that personal touch

1207  
00:44:55,190 --> 00:44:54,079  
with the investigations in this book as

1208  
00:45:00,710 --> 00:44:55,200  
well

1209  
00:45:02,470 --> 00:45:00,720  
if it's anything like uh the bishopville

1210  
00:45:05,750 --> 00:45:02,480  
book but the

1211  
00:45:07,430 --> 00:45:05,760  
bishopville monster and uh the original

1212  
00:45:09,510 --> 00:45:07,440  
boggy creek

1213  
00:45:11,109 --> 00:45:09,520

uh book i i am definitely looking

1214

00:45:11,430 --> 00:45:11,119

forward to it i'm quite sure it's gonna

1215

00:45:14,630 --> 00:45:11,440

be

1216

00:45:18,309 --> 00:45:17,030

yeah i'm excited and you know with the

1217

00:45:19,270 --> 00:45:18,319

with the title i mean i could have

1218

00:45:21,030 --> 00:45:19,280

called it you know

1219

00:45:23,030 --> 00:45:21,040

the southern sasquatch or something but

1220

00:45:25,829 --> 00:45:23,040

i thought yeah i thought it

1221

00:45:27,349 --> 00:45:25,839

made a perfect sense to kind of continue

1222

00:45:30,550 --> 00:45:27,359

uh

1223

00:45:33,270 --> 00:45:30,560

that boggy creek sort of vibe and

1224

00:45:34,550 --> 00:45:33,280

go go beyond boggy creek so to speak so

1225

00:45:39,030 --> 00:45:34,560

the the cover art

1226

00:45:40,870 --> 00:45:39,040

is going to uh reflect

1227

00:45:44,150 --> 00:45:40,880

what i'm doing is a series here i guess

1228

00:45:46,470 --> 00:45:44,160

so it got a similar vibe to the first

1229

00:45:47,990 --> 00:45:46,480

beast of boggy creek book so you know

1230

00:45:52,550 --> 00:45:48,000

it's the next

1231

00:45:56,630 --> 00:45:55,349

without giving too much away or without

1232

00:45:58,950 --> 00:45:56,640

talking about any of the cases that are

1233

00:46:00,790 --> 00:45:58,960

going to be in the book

1234

00:46:05,030 --> 00:46:00,800

what kind of uh cases have come across

1235

00:46:08,710 --> 00:46:07,829

uh well there's there's been several

1236

00:46:12,069 --> 00:46:08,720

there was

1237

00:46:14,309 --> 00:46:12,079

we've kind of been looking into this uh

1238

00:46:15,670 --> 00:46:14,319

what we call a gorilla sighting from the

1239

00:46:17,829 --> 00:46:15,680

60s up here very

1240

00:46:20,630 --> 00:46:17,839

not too far about an hour from outside

1241

00:46:23,109 --> 00:46:20,640

of dallas where i live

1242

00:46:26,829 --> 00:46:23,119

in which some people reported seeing

1243

00:46:29,430 --> 00:46:26,839

what they described as a gorilla

1244

00:46:32,710 --> 00:46:29,440

um and

1245

00:46:36,069 --> 00:46:32,720

uh you know those those reports to me

1246

00:46:37,190 --> 00:46:36,079

are very good ones because you know back

1247

00:46:38,870 --> 00:46:37,200

in the early

1248

00:46:40,470 --> 00:46:38,880

this is the early 60s they didn't have

1249

00:46:42,230 --> 00:46:40,480

the context of bigfoot

1250

00:46:44,230 --> 00:46:42,240

in which to report you know nobody had

1251

00:46:46,390 --> 00:46:44,240

bigfoot on the brain

1252

00:46:48,390 --> 00:46:46,400

they saw something strange the best they

1253

00:46:50,309 --> 00:46:48,400

could do was describe it as a gorilla

1254

00:46:52,790 --> 00:46:50,319

of course we look at it now and say well

1255

00:46:55,910 --> 00:46:52,800

it probably plus into gorilla

1256

00:46:57,750 --> 00:46:55,920

and of course they you know they say it

1257

00:46:59,910 --> 00:46:57,760

walked upright it was tall

1258

00:47:01,430 --> 00:46:59,920

and man-like in any way of course it

1259

00:47:03,349 --> 00:47:01,440

sounds like bigfoot so

1260

00:47:04,630 --> 00:47:03,359

that's one that's come up i mean it's an

1261

00:47:06,950 --> 00:47:04,640

old one

1262

00:47:09,270 --> 00:47:06,960

but one that you just keep getting these

1263

00:47:09,990 --> 00:47:09,280

very cool tidbits of information that

1264

00:47:12,630 --> 00:47:10,000

you just keep

1265

00:47:13,750 --> 00:47:12,640

adding to that those pinpoints on the

1266

00:47:17,030 --> 00:47:13,760

map

1267

00:47:19,990 --> 00:47:17,040

all throughout the south and uh you know

1268

00:47:20,710 --> 00:47:20,000

my book has you know a ton of those as

1269

00:47:23,589 --> 00:47:20,720

well as

1270

00:47:24,950 --> 00:47:23,599

in in addition to that a lot more recent

1271

00:47:27,670 --> 00:47:24,960

sightings

1272

00:47:30,470 --> 00:47:27,680

i investigated some or spoke to some

1273

00:47:33,670 --> 00:47:30,480

witnesses up in arkansas that had a

1274

00:47:35,589 --> 00:47:33,680

really eerie encounter there was three

1275

00:47:38,790 --> 00:47:35,599

of them they were they were hunting

1276

00:47:40,470 --> 00:47:38,800

and they were out at this uh hunting

1277

00:47:43,430 --> 00:47:40,480

lease and it was an old

1278

00:47:44,790 --> 00:47:43,440

like an abandoned house it had no power

1279

00:47:46,390 --> 00:47:44,800

in it but it was some place where

1280

00:47:48,630 --> 00:47:46,400

hunters could you know sleep for the

1281

00:47:50,630 --> 00:47:48,640

night and so forth and

1282

00:47:52,549 --> 00:47:50,640

they had gone out there and they were

1283

00:47:54,790 --> 00:47:52,559

looking at their uh

1284

00:47:56,150 --> 00:47:54,800

their uh feeders they noticed something

1285

00:47:57,589 --> 00:47:56,160

standing in the woods and

1286

00:47:59,510 --> 00:47:57,599

and you know they weren't quite sure

1287

00:48:01,190 --> 00:47:59,520

what it was and kind of dismissed it but

1288

00:48:02,230 --> 00:48:01,200

later on they got up to this hunting

1289

00:48:04,710 --> 00:48:02,240

cabin and kind of got

1290

00:48:05,990 --> 00:48:04,720

settled in in there and it's you know

1291

00:48:07,750 --> 00:48:06,000

it's dark it's spooky

1292

00:48:09,270 --> 00:48:07,760

and that i've slept in those hunters

1293

00:48:11,349 --> 00:48:09,280

cabins before

1294

00:48:13,109 --> 00:48:11,359

they're already kind of spooky and then

1295

00:48:13,829 --> 00:48:13,119

you know they hear something uh moving

1296

00:48:16,870 --> 00:48:13,839

around and

1297

00:48:19,829 --> 00:48:16,880

ended up going outside and seeing this

1298

00:48:21,670 --> 00:48:19,839

huge like seven foot tall hairy creature

1299

00:48:25,030 --> 00:48:21,680

run around the side of the

1300

00:48:27,190 --> 00:48:25,040

house and the two guys were alarmed and

1301

00:48:29,589 --> 00:48:27,200

the third person in the house

1302

00:48:31,270 --> 00:48:29,599

was in there and apparently this thing

1303

00:48:33,030 --> 00:48:31,280

went into the cabin

1304

00:48:35,990 --> 00:48:33,040

and this other the other hunter didn't

1305

00:48:39,109 --> 00:48:36,000

know it and had quite a close call

1306

00:48:39,910 --> 00:48:39,119

with the creature before it uh ended up

1307

00:48:43,430 --> 00:48:39,920

running out

1308

00:48:45,030 --> 00:48:43,440

so that was one that in my mind was

1309

00:48:46,630 --> 00:48:45,040

i mean it could have been on a screen

1310

00:48:48,069 --> 00:48:46,640

for the legend of boggy creek you know

1311

00:48:50,950 --> 00:48:48,079

what i mean it's it's

1312

00:48:53,829 --> 00:48:50,960

one of those cases that's uh it was

1313

00:48:56,230 --> 00:48:53,839

spooky and here i am talking to the

1314

00:48:57,910 --> 00:48:56,240

i spoke to two of those hunters myself

1315

00:48:59,030 --> 00:48:57,920

so i felt confident that they were

1316

00:49:01,750 --> 00:48:59,040

telling me

1317

00:49:03,109 --> 00:49:01,760

uh you know a true story they were very

1318

00:49:05,750 --> 00:49:03,119

credible type witnesses

1319

00:49:07,430 --> 00:49:05,760

and those are the kind of cases that

1320

00:49:10,470 --> 00:49:07,440

just keep coming across the desk

1321

00:49:12,549 --> 00:49:10,480

so to speak i guess that's always the

1322

00:49:15,910 --> 00:49:12,559

best thing about investigating

1323

00:49:17,270 --> 00:49:15,920

so many is after a while when you talk

1324

00:49:20,150 --> 00:49:17,280

to these uh

1325

00:49:22,630 --> 00:49:20,160

experiencers that you can just tell by

1326

00:49:25,990 --> 00:49:22,640

their demeanor their body language

1327

00:49:29,349 --> 00:49:26,000

uh how honest uh they really are

1328

00:49:31,030 --> 00:49:29,359

and it's uh it's just amazing to get

1329

00:49:33,349 --> 00:49:31,040

these stories in these encounters i had

1330

00:49:36,390 --> 00:49:33,359

one similar up here in

1331

00:49:39,430 --> 00:49:36,400

potter county pennsylvania with a hunter

1332

00:49:41,670 --> 00:49:39,440

on a private hunting lease and

1333

00:49:44,549 --> 00:49:41,680

his job of course we need to afford him

1334

00:49:46,309 --> 00:49:44,559

the anonymity he deserves but a very

1335

00:49:48,230 --> 00:49:46,319

experienced outdoorsman and he saw

1336

00:49:50,710 --> 00:49:48,240

something he couldn't explain and

1337

00:49:51,349 --> 00:49:50,720

i those are always my favorite uh

1338

00:49:53,270 --> 00:49:51,359

reports

1339

00:49:55,270 --> 00:49:53,280

and encounters we get are from gentlemen

1340

00:49:56,710 --> 00:49:55,280

or you know gentlemen ladies

1341

00:49:58,549 --> 00:49:56,720

that work in uh you know the

1342

00:50:00,390 --> 00:49:58,559

professional fields

1343

00:50:01,589 --> 00:50:00,400

and uh they can't explain what they see

1344

00:50:05,270 --> 00:50:01,599

that just even adds

1345

00:50:07,750 --> 00:50:05,280

more to the mystery uh i feel

1346

00:50:08,790 --> 00:50:07,760

yeah definitely and that that's you know

1347

00:50:12,950 --> 00:50:08,800

the more

1348

00:50:14,870 --> 00:50:12,960

that cross-section of society everybody

1349

00:50:17,910 --> 00:50:14,880

kind of has this impression that

1350

00:50:20,150 --> 00:50:17,920

bigfoot witnesses are you know

1351  
00:50:22,470 --> 00:50:20,160  
you know rednecks that live in the woods

1352  
00:50:24,069 --> 00:50:22,480  
and i mean in some cases sure if you

1353  
00:50:25,190 --> 00:50:24,079  
live in the woods you're more likely to

1354  
00:50:28,069 --> 00:50:25,200  
see an animal who

1355  
00:50:30,870 --> 00:50:28,079  
lives in the woods but you know you've

1356  
00:50:33,750 --> 00:50:30,880  
got those cross-section of doctors and

1357  
00:50:34,790 --> 00:50:33,760  
and dentists and guys out hunting and

1358  
00:50:38,390 --> 00:50:34,800  
people with

1359  
00:50:40,309 --> 00:50:38,400  
you know these are your average people

1360  
00:50:41,750 --> 00:50:40,319  
intelligent people that have these

1361  
00:50:43,750 --> 00:50:41,760  
experiences and it

1362  
00:50:45,589 --> 00:50:43,760  
you know it goes to show you and

1363  
00:50:47,750 --> 00:50:45,599

probably would surprise some people at

1364

00:50:52,150 --> 00:50:47,760

how many different

1365

00:50:54,390 --> 00:50:52,160

types of people and career people

1366

00:50:55,829 --> 00:50:54,400

see these and and you just it's hard to

1367

00:50:59,030 --> 00:50:55,839

dismiss

1368

00:51:02,230 --> 00:50:59,040

uh those credible type reports yeah

1369

00:51:04,230 --> 00:51:02,240

definitely uh so along with the uh

1370

00:51:05,270 --> 00:51:04,240

uh you know bigfoot creatures lyle you

1371

00:51:07,990 --> 00:51:05,280

investigate

1372

00:51:08,630 --> 00:51:08,000

you know just about any strange uh

1373

00:51:10,790 --> 00:51:08,640

cryptid

1374

00:51:11,670 --> 00:51:10,800

unknown animal that kind of comes across

1375

00:51:13,829 --> 00:51:11,680

your way

1376

00:51:15,109 --> 00:51:13,839

uh have any interesting reports of

1377

00:51:18,150 --> 00:51:15,119

anything other than uh

1378

00:51:22,230 --> 00:51:20,470

uh yeah there's there's been a few

1379

00:51:24,549 --> 00:51:22,240

things there was one

1380

00:51:26,630 --> 00:51:24,559

one little thing i was investigating

1381

00:51:30,069 --> 00:51:26,640

recently uh

1382

00:51:31,990 --> 00:51:30,079

in which this is a town sort of in the

1383

00:51:33,510 --> 00:51:32,000

middle of texas and i've gotten a few of

1384

00:51:35,910 --> 00:51:33,520

these

1385

00:51:37,270 --> 00:51:35,920

lizard man type reports i guess once i

1386

00:51:39,190 --> 00:51:37,280

wrote the

1387

00:51:41,190 --> 00:51:39,200

the bishopville lizard man book you know

1388

00:51:42,790 --> 00:51:41,200

a few things started coming at me

1389

00:51:45,270 --> 00:51:42,800

that i wasn't aware of at the time and

1390

00:51:47,910 --> 00:51:45,280

there was actually a couple from texas

1391

00:51:48,829 --> 00:51:47,920

where people had reported seeing you

1392

00:51:51,990 --> 00:51:48,839

know some kind of

1393

00:51:55,270 --> 00:51:52,000

upright reptilian type creature

1394

00:51:58,549 --> 00:51:55,280

in in one of these cases uh

1395

00:52:00,549 --> 00:51:58,559

myself and my colleague

1396

00:52:01,910 --> 00:52:00,559

ken gerhart who lives here in texas as

1397

00:52:04,950 --> 00:52:01,920

well we went to

1398

00:52:08,069 --> 00:52:04,960

a small town and followed up one on a

1399

00:52:09,109 --> 00:52:08,079

sort of a we weren't sure it was

1400

00:52:11,109 --> 00:52:09,119

somebody had reported

1401  
00:52:12,549 --> 00:52:11,119  
so-called lizard man but it turned out

1402  
00:52:16,309 --> 00:52:12,559  
that there really was

1403  
00:52:17,990 --> 00:52:16,319  
uh some sightings of a creature and

1404  
00:52:20,470 --> 00:52:18,000  
several people in this neighborhood had

1405  
00:52:23,510 --> 00:52:20,480  
called 9-1-1

1406  
00:52:26,230 --> 00:52:23,520  
and i ended up talking to

1407  
00:52:27,270 --> 00:52:26,240  
the 9-1-1 dispatcher who received the

1408  
00:52:29,990 --> 00:52:27,280  
calls

1409  
00:52:31,910 --> 00:52:30,000  
and that really brought it home because

1410  
00:52:35,030 --> 00:52:31,920  
he said yeah these people were calling

1411  
00:52:36,790 --> 00:52:35,040  
they saw something that had come up from

1412  
00:52:39,349 --> 00:52:36,800  
this wooded area where there was some

1413  
00:52:41,670 --> 00:52:39,359

train tracks and whatever it was had cut

1414

00:52:43,670 --> 00:52:41,680

cut through i'm going to say a

1415

00:52:45,349 --> 00:52:43,680

neighborhood but it was there was houses

1416

00:52:47,589 --> 00:52:45,359

around i mean it's not

1417

00:52:48,870 --> 00:52:47,599

this is a very small town you know what

1418

00:52:50,390 --> 00:52:48,880

i mean it's

1419

00:52:52,230 --> 00:52:50,400

you know edging all the wood on the

1420

00:52:55,589 --> 00:52:52,240

woods but it had come up

1421

00:52:58,470 --> 00:52:55,599

a street and about uh five or six

1422

00:53:00,069 --> 00:52:58,480

kids had first seen it as it walked up

1423

00:53:01,510 --> 00:53:00,079

and they ran in the house scared to

1424

00:53:03,430 --> 00:53:01,520

death and of course the mom didn't

1425

00:53:04,710 --> 00:53:03,440

believe them but

1426

00:53:07,430 --> 00:53:04,720

some of the parents came out of the

1427

00:53:09,990 --> 00:53:07,440

house and they also saw this thing

1428

00:53:10,630 --> 00:53:10,000

and uh called called the police the

1429

00:53:12,230 --> 00:53:10,640

police

1430

00:53:14,950 --> 00:53:12,240

of course by the time they showed up

1431

00:53:17,030 --> 00:53:14,960

nothing they couldn't find it but

1432

00:53:18,470 --> 00:53:17,040

then on subsequent nights they got more

1433

00:53:20,549 --> 00:53:18,480

calls and

1434

00:53:23,670 --> 00:53:20,559

some of the railway guys had seen it as

1435

00:53:25,910 --> 00:53:23,680

well so i thought that was a

1436

00:53:26,870 --> 00:53:25,920

had good credibility to it and the way

1437

00:53:28,549 --> 00:53:26,880

that the best

1438

00:53:30,150 --> 00:53:28,559

way they could describe it was a lizard

1439

00:53:31,750 --> 00:53:30,160

man and

1440

00:53:33,430 --> 00:53:31,760

i'm still looking into that i need to

1441

00:53:34,470 --> 00:53:33,440

talk to the newspapers there's always

1442

00:53:36,230 --> 00:53:34,480

seems like

1443

00:53:37,510 --> 00:53:36,240

something else you can you can go with

1444

00:53:39,829 --> 00:53:37,520

these things but uh

1445

00:53:42,790 --> 00:53:39,839

you know so i get things like that uh

1446

00:53:42,800 --> 00:53:47,190

you know strange reports of uh

1447

00:53:53,190 --> 00:53:50,390

i even got a pig man report

1448

00:53:55,190 --> 00:53:53,200

some sort something some something and i

1449

00:53:57,349 --> 00:53:55,200

of course my first question was

1450

00:53:59,349 --> 00:53:57,359

did it have the head of a pig in the

1451

00:54:01,990 --> 00:53:59,359

body of a human or

1452

00:54:04,150 --> 00:54:02,000

the head of a man in the body of a pig

1453

00:54:06,230 --> 00:54:04,160

but apparently it was a pig-headed

1454

00:54:10,710 --> 00:54:06,240

creature of some sort that

1455

00:54:13,910 --> 00:54:10,720

had run across the road in arkansas so

1456

00:54:16,470 --> 00:54:13,920

i didn't know i didn't find too much

1457

00:54:17,990 --> 00:54:16,480

too much more on that but it goes in the

1458

00:54:20,390 --> 00:54:18,000

pig man file i'm

1459

00:54:22,950 --> 00:54:20,400

i'm looking to build that one up i think

1460

00:54:24,870 --> 00:54:22,960

i'd rather see the

1461

00:54:26,150 --> 00:54:24,880

body of a man with the head of a pig

1462

00:54:27,589 --> 00:54:26,160

than the body of a pig with the head of

1463

00:54:30,150 --> 00:54:27,599

a man

1464

00:54:33,430 --> 00:54:30,160

yeah yeah now that yeah that is creepy

1465

00:54:36,470 --> 00:54:33,440

if he said that i'd have been

1466

00:54:38,150 --> 00:54:36,480

man but you know i don't i don't get a

1467

00:54:40,789 --> 00:54:38,160

lot of lake monster reports

1468

00:54:41,510 --> 00:54:40,799

we don't down here in the in the texas

1469

00:54:43,990 --> 00:54:41,520

area

1470

00:54:46,789 --> 00:54:44,000

i mean there's a few i don't know the

1471

00:54:48,789 --> 00:54:46,799

giant catfish sort of reports but

1472

00:54:50,710 --> 00:54:48,799

and i never get too many lake monster

1473

00:54:52,950 --> 00:54:50,720

type things it's usually

1474

00:54:54,549 --> 00:54:52,960

usually along the lines of bigfoot

1475

00:54:56,470 --> 00:54:54,559

wizard man and

1476

00:54:58,950 --> 00:54:56,480

obviously pig man and you get the

1477

00:55:02,069 --> 00:54:58,960

chupacabra thing which

1478

00:55:05,030 --> 00:55:02,079

it never really goes and goes too far

1479

00:55:09,190 --> 00:55:07,109

you know mangy made you something

1480

00:55:10,789 --> 00:55:09,200

another but you know those things do

1481

00:55:13,430 --> 00:55:10,799

come across the table every once in a

1482

00:55:14,230 --> 00:55:13,440

while you know chupacabra again there's

1483

00:55:15,670 --> 00:55:14,240

another

1484

00:55:17,349 --> 00:55:15,680

interesting cryptid what are your

1485

00:55:18,710 --> 00:55:17,359

thoughts on this do you think it's a

1486

00:55:20,549 --> 00:55:18,720

standalone

1487

00:55:22,309 --> 00:55:20,559

uh creature in itself or do you think

1488

00:55:24,390 --> 00:55:22,319

it's been one of these uh

1489

00:55:28,309 --> 00:55:24,400

misidentified mangy mutts that have been

1490

00:55:33,430 --> 00:55:31,270

well i it's a con the chupacabra is kind

1491

00:55:36,069 --> 00:55:33,440

of confusing one because

1492

00:55:37,750 --> 00:55:36,079

i think it's two two separate cases what

1493

00:55:40,069 --> 00:55:37,760

you have in

1494

00:55:41,109 --> 00:55:40,079

the original reports from puerto rico

1495

00:55:43,670 --> 00:55:41,119

and latin america

1496

00:55:45,750 --> 00:55:43,680

from the from the mid 90s the

1497

00:55:48,789 --> 00:55:45,760

description of that creature is quite

1498

00:55:52,789 --> 00:55:48,799

different from what was

1499

00:55:55,349 --> 00:55:52,799

later called chupacabras

1500

00:55:57,030 --> 00:55:55,359

you know here in texas in other places

1501  
00:56:01,349 --> 00:55:57,040  
in the south when

1502  
00:56:04,630 --> 00:56:01,359  
um you know when people first saw these

1503  
00:56:05,670 --> 00:56:04,640  
hairless creepy dog-like creatures the

1504  
00:56:07,750 --> 00:56:05,680  
media

1505  
00:56:09,109 --> 00:56:07,760  
you know oh it's a chupacabra someone

1506  
00:56:11,990 --> 00:56:09,119  
called it that and then it just

1507  
00:56:13,910 --> 00:56:12,000  
became that but it's it's not the same

1508  
00:56:14,789 --> 00:56:13,920  
thing that was reported in the initial

1509  
00:56:17,990 --> 00:56:14,799  
cases so

1510  
00:56:22,309 --> 00:56:20,870  
whatever was taking place in puerto rico

1511  
00:56:25,990 --> 00:56:22,319  
is a separate case

1512  
00:56:29,990 --> 00:56:26,000  
and um the

1513  
00:56:32,870 --> 00:56:30,000

you know these four-legged hairless

1514

00:56:33,750 --> 00:56:32,880

canids that are running around in texas

1515

00:56:37,190 --> 00:56:33,760

uh

1516

00:56:41,349 --> 00:56:37,200

to me i think they very well could be

1517

00:56:45,109 --> 00:56:41,359

a you know hybrid or a

1518

00:56:48,710 --> 00:56:45,119

uh you know mutated

1519

00:56:50,950 --> 00:56:48,720

version of you know a known

1520

00:56:51,750 --> 00:56:50,960

canid but it certainly could be

1521

00:56:53,829 --> 00:56:51,760

something new

1522

00:56:55,190 --> 00:56:53,839

and different and in some of these cases

1523

00:56:58,309 --> 00:56:55,200

these creatures have

1524

00:56:59,910 --> 00:56:58,319

had uh characteristics like nodules on

1525

00:57:02,309 --> 00:56:59,920

the back of their

1526

00:57:03,190 --> 00:57:02,319

hind quarters that just can't be

1527

00:57:05,829 --> 00:57:03,200

explained

1528

00:57:08,069 --> 00:57:05,839

they're just not normal even if you're

1529

00:57:09,910 --> 00:57:08,079

talking about a hybrid of a coyote and a

1530

00:57:13,510 --> 00:57:09,920

red wolf or something

1531

00:57:14,549 --> 00:57:13,520

um so you know the jury to me is still

1532

00:57:17,990 --> 00:57:14,559

out on those

1533

00:57:22,309 --> 00:57:18,000

uh as far as what those are and

1534

00:57:25,750 --> 00:57:22,319

it may be less monstrous than

1535

00:57:26,230 --> 00:57:25,760

we may you know fantasize or romanticize

1536

00:57:30,789 --> 00:57:26,240

that it

1537

00:57:33,030 --> 00:57:30,799

different kind of creature and it

1538

00:57:34,870 --> 00:57:33,040

uh has unique characteristics then it is

1539

00:57:36,950 --> 00:57:34,880

certainly equipped

1540

00:57:38,870 --> 00:57:36,960

and you know something that's worth

1541

00:57:39,990 --> 00:57:38,880

investigating when you can find those

1542

00:57:41,589 --> 00:57:40,000

cases of

1543

00:57:43,750 --> 00:57:41,599

of good ones most of the time people

1544

00:57:45,430 --> 00:57:43,760

send me a picture of a hairless

1545

00:57:47,349 --> 00:57:45,440

you know raccoon or whatever hey have

1546

00:57:50,870 --> 00:57:47,359

you seen this i'm like yeah it's

1547

00:57:54,069 --> 00:57:50,880

another hairless raccoon um that's

1548

00:57:56,710 --> 00:57:54,079

not the same as some of these uh

1549

00:57:57,510 --> 00:57:56,720

you know blanco texas where they've seen

1550

00:58:00,789 --> 00:57:57,520

some of these more

1551

00:58:04,950 --> 00:58:00,799

unique painted so so jury's still out on

1552

00:58:09,750 --> 00:58:08,069

definitely uh quite a conundrum when

1553

00:58:11,349 --> 00:58:09,760

dealing with some of these uh

1554

00:58:13,190 --> 00:58:11,359

strange cryptid creatures but you know

1555

00:58:14,630 --> 00:58:13,200

one that's been coming across our desk a

1556

00:58:17,430 --> 00:58:14,640

lot

1557

00:58:20,230 --> 00:58:17,440

lyle is the good old dog man he's been

1558

00:58:22,390 --> 00:58:20,240

popping up everywhere again

1559

00:58:23,910 --> 00:58:22,400

yeah i know it that the dog man's having

1560

00:58:26,230 --> 00:58:23,920

its day here in the last

1561

00:58:27,030 --> 00:58:26,240

couple of years and really there we go

1562

00:58:33,030 --> 00:58:27,040

and

1563

00:58:34,150 --> 00:58:33,040

participated in kim gerhard's dog man

1564

00:58:37,910 --> 00:58:34,160

symposium

1565

00:58:39,829 --> 00:58:37,920

uh that we had last year and that uh

1566

00:58:41,270 --> 00:58:39,839

you know brought me into contact with

1567

00:58:44,309 --> 00:58:41,280

with some more of the

1568

00:58:46,789 --> 00:58:44,319

uh people who were knowledgeable on that

1569

00:58:49,829 --> 00:58:46,799

subject and i got to hear some

1570

00:58:51,750 --> 00:58:49,839

um i was just the emcee at that event

1571

00:58:53,109 --> 00:58:51,760

which was kind of fun just being the mc

1572

00:58:55,670 --> 00:58:53,119

i didn't do a presentation

1573

00:58:56,150 --> 00:58:55,680

but but just some great interesting

1574

00:58:59,190 --> 00:58:56,160

stuff

1575

00:59:01,109 --> 00:58:59,200

and meeting linda godfrey and uh hearing

1576

00:59:04,309 --> 00:59:01,119

about some of her research

1577

00:59:06,309 --> 00:59:04,319

you know dogman is super super creepy

1578

00:59:09,750 --> 00:59:06,319

and very intriguing it's something i've

1579

00:59:12,309 --> 00:59:09,760

definitely been following as i can

1580

00:59:13,990 --> 00:59:12,319

her latest book had just some real

1581

00:59:18,870 --> 00:59:14,000

incredible stories

1582

00:59:22,069 --> 00:59:18,880

of uh these uh dog men beings uh

1583

00:59:24,230 --> 00:59:22,079

not just so much as just being large

1584

00:59:25,270 --> 00:59:24,240

upright canid creatures but some of them

1585

00:59:27,430 --> 00:59:25,280

also

1586

00:59:28,950 --> 00:59:27,440

shape-shifting and really gotten to some

1587

00:59:31,829 --> 00:59:28,960

bizarre elements

1588

00:59:32,309 --> 00:59:31,839

that really don't fit the profile of uh

1589

00:59:34,470 --> 00:59:32,319

you know

1590

00:59:36,230 --> 00:59:34,480

many of the cryptids we investigate do

1591

00:59:36,630 --> 00:59:36,240

you think there's a lot more to some of

1592

00:59:38,390 --> 00:59:36,640

these

1593

00:59:40,870 --> 00:59:38,400

creatures than meets the eye or do you

1594

00:59:44,829 --> 00:59:40,880

think it might just be

1595

00:59:46,230 --> 00:59:44,839

uh witness embellishment or just

1596

00:59:47,910 --> 00:59:46,240

confusion

1597

00:59:50,150 --> 00:59:47,920

think it could be a little bit of

1598

00:59:55,190 --> 00:59:50,160

everything i mean to me

1599

01:00:02,309 --> 00:59:59,589

we people we we try to create

1600

01:00:02,950 --> 01:00:02,319

scenarios that can explain these things

1601  
01:00:06,789 --> 01:00:02,960  
because

1602  
01:00:09,109 --> 01:00:06,799  
a lot of a lot of these sightings are

1603  
01:00:10,950 --> 01:00:09,119  
are quite hard to explain in physical

1604  
01:00:14,230 --> 01:00:10,960  
terms you know i mean the thing is

1605  
01:00:16,789 --> 01:00:14,240  
just the fact that it's a canine-like

1606  
01:00:19,109 --> 01:00:16,799  
creature wolf-like creature walking

1607  
01:00:21,589 --> 01:00:19,119  
on two legs for any length of time is

1608  
01:00:27,670 --> 01:00:24,710  
hard to reconcile and then

1609  
01:00:28,230 --> 01:00:27,680  
you know if it has some strange behavior

1610  
01:00:31,030 --> 01:00:28,240  
if it

1611  
01:00:32,789 --> 01:00:31,040  
seems to disappear or move move from

1612  
01:00:35,910 --> 01:00:32,799  
place to place or

1613  
01:00:39,589 --> 01:00:35,920

any of that i think that

1614

01:00:42,710 --> 01:00:39,599

you start to get people theorizing

1615

01:00:44,630 --> 01:00:42,720

more in in the realms of paranormal or

1616

01:00:49,990 --> 01:00:44,640

supernatural

1617

01:00:53,430 --> 01:00:52,470

it's just a way to try to come to grips

1618

01:00:55,910 --> 01:00:53,440

of just

1619

01:00:57,510 --> 01:00:55,920

what is it you know and people throw out

1620

01:01:00,630 --> 01:00:57,520

all the theories and

1621

01:01:03,510 --> 01:01:00,640

you know people have their opinions

1622

01:01:04,069 --> 01:01:03,520

about all of it and i kind of try to

1623

01:01:06,710 --> 01:01:04,079

stay

1624

01:01:10,230 --> 01:01:06,720

more with a you know the base opinion of

1625

01:01:12,950 --> 01:01:10,240

a biological creature in these cases but

1626

01:01:13,829 --> 01:01:12,960

um you know i think it's it's just a

1627

01:01:17,829 --> 01:01:13,839

result of

1628

01:01:20,309 --> 01:01:17,839

the phenomenon being very strange being

1629

01:01:22,309 --> 01:01:20,319

you know otherworldly in some regards

1630

01:01:25,349 --> 01:01:22,319

and then people applying

1631

01:01:26,950 --> 01:01:25,359

uh the best explanations they can to

1632

01:01:28,230 --> 01:01:26,960

these and i think

1633

01:01:30,309 --> 01:01:28,240

you know you can't have some

1634

01:01:31,109 --> 01:01:30,319

embellishment or confusion by the

1635

01:01:33,990 --> 01:01:31,119

witness

1636

01:01:36,390 --> 01:01:34,000

i mean most of these sightings are in

1637

01:01:38,870 --> 01:01:36,400

darkly lit scenarios they're

1638

01:01:40,150 --> 01:01:38,880

they're fast they're probably scary

1639

01:01:43,270 --> 01:01:40,160

unexpected

1640

01:01:46,390 --> 01:01:43,280

and you know witness witness

1641

01:01:49,910 --> 01:01:46,400

eyewitnesses is not the most reliable

1642

01:01:52,150 --> 01:01:49,920

you know evidence unfortunately so

1643

01:01:54,069 --> 01:01:52,160

some of that you gotta chalk up to you

1644

01:01:55,670 --> 01:01:54,079

know the circumstances in which these

1645

01:01:58,470 --> 01:01:55,680

things may be seen but

1646

01:01:59,270 --> 01:01:58,480

to me it all it it does boil down to

1647

01:02:01,029 --> 01:01:59,280

this

1648

01:02:02,950 --> 01:02:01,039

especially if you look at linda

1649

01:02:05,430 --> 01:02:02,960

godfrey's research

1650

01:02:06,950 --> 01:02:05,440

something's going on these all these

1651  
01:02:07,349 --> 01:02:06,960  
people didn't just simply make this

1652  
01:02:09,910 --> 01:02:07,359  
stuff

1653  
01:02:12,230 --> 01:02:09,920  
up there has been seen some creatures

1654  
01:02:15,990 --> 01:02:12,240  
that fit the description of

1655  
01:02:17,990 --> 01:02:16,000  
you know dog men and

1656  
01:02:19,829 --> 01:02:18,000  
you know again the jury's still out what

1657  
01:02:21,910 --> 01:02:19,839  
are these things we've just got to keep

1658  
01:02:24,390 --> 01:02:21,920  
following up on it to

1659  
01:02:26,230 --> 01:02:24,400  
to sort it out but you can't say that

1660  
01:02:28,470 --> 01:02:26,240  
people haven't seen that they certainly

1661  
01:02:29,750 --> 01:02:28,480  
have and it is a phenomenon that seems

1662  
01:02:33,510 --> 01:02:29,760  
to be

1663  
01:02:34,630 --> 01:02:33,520

increasing yeah some of these reports

1664

01:02:37,270 --> 01:02:34,640

again very vivid

1665

01:02:39,829 --> 01:02:37,280

too from the the witness description uh

1666

01:02:41,829 --> 01:02:39,839

i know the ones we've received up here

1667

01:02:43,430 --> 01:02:41,839

and lana butch you guys can correct me

1668

01:02:44,150 --> 01:02:43,440

if i'm wrong and of course both of you

1669

01:02:47,430 --> 01:02:44,160

will

1670

01:02:49,190 --> 01:02:47,440

uh they've been

1671

01:02:51,430 --> 01:02:49,200

you know pretty flesh and blood they've

1672

01:02:54,470 --> 01:02:51,440

been pretty uh large

1673

01:02:57,990 --> 01:02:54,480

large creatures uh

1674

01:03:01,029 --> 01:02:58,000

but not a whole lot of uh paranormal

1675

01:03:04,470 --> 01:03:01,039

kind of uh supernatural presence about

1676

01:03:07,829 --> 01:03:06,789

well you think butch i mean i i i know

1677

01:03:13,430 --> 01:03:07,839

we had at least

1678

01:03:15,430 --> 01:03:13,440

one one uh witness the one up in um

1679

01:03:16,710 --> 01:03:15,440

in blair county well the two witnesses

1680

01:03:19,190 --> 01:03:16,720

actually had the

1681

01:03:20,950 --> 01:03:19,200

the same multiple witnesses in that one

1682

01:03:23,670 --> 01:03:20,960

that they

1683

01:03:25,349 --> 01:03:23,680

they they were describing this thing as

1684

01:03:26,870 --> 01:03:25,359

having a sheen to it

1685

01:03:29,109 --> 01:03:26,880

to almost made it like it was a

1686

01:03:32,069 --> 01:03:29,119

supernatural being

1687

01:03:33,190 --> 01:03:32,079

uh eating root kill inside or you know

1688

01:03:36,710 --> 01:03:33,200

side of the highway

1689

01:03:37,910 --> 01:03:36,720

um i mean if you look into some of the

1690

01:03:41,349 --> 01:03:37,920

reports

1691

01:03:44,069 --> 01:03:41,359

you

1692

01:03:45,190 --> 01:03:44,079

may find some things in the reports that

1693

01:03:48,230 --> 01:03:45,200

may

1694

01:03:50,069 --> 01:03:48,240

seem to think it's something very

1695

01:03:53,109 --> 01:03:50,079

unusual i mean um

1696

01:03:55,349 --> 01:03:53,119

the initial report we got in uh

1697

01:03:58,150 --> 01:03:55,359

in pen you know near penfield where this

1698

01:04:00,309 --> 01:03:58,160

thing just suddenly showed up

1699

01:04:02,069 --> 01:04:00,319

and you wrote about you you made a

1700

01:04:04,630 --> 01:04:02,079

mention of in the monstro

1701

01:04:07,109 --> 01:04:04,640

azara book where this thing just sh

1702

01:04:09,029 --> 01:04:07,119

showed up the guy was walking these dogs

1703

01:04:10,150 --> 01:04:09,039

well that's a report the butch that

1704

01:04:13,829 --> 01:04:10,160

butch got

1705

01:04:15,990 --> 01:04:13,839

and uh you know i mean something like

1706

01:04:21,430 --> 01:04:16,000

that

1707

01:04:23,270 --> 01:04:21,440

really can't

1708

01:04:25,349 --> 01:04:23,280

you know that's very similar to you know

1709

01:04:28,950 --> 01:04:25,359

following bigfoot tracks in the snow

1710

01:04:33,750 --> 01:04:30,789

and how many times we heard that i mean

1711

01:04:36,789 --> 01:04:33,760

you know we hear that all the time

1712

01:04:38,829 --> 01:04:36,799

no i'm not saying it's

1713

01:04:39,990 --> 01:04:38,839

you know vanishes in the thin air but

1714

01:04:41,750 --> 01:04:40,000

there's

1715

01:04:45,109 --> 01:04:41,760

got to be something but i don't know

1716

01:04:46,950 --> 01:04:45,119

beyond my level of comprehension guys

1717

01:04:49,910 --> 01:04:46,960

and i think that's what leads to the

1718

01:04:54,150 --> 01:04:49,920

theories that start to play in with

1719

01:04:57,750 --> 01:04:54,160

with i don't know dimensions and uh

1720

01:05:00,230 --> 01:04:57,760

you know all the all the other stuff

1721

01:05:02,309 --> 01:05:00,240

some ways to try to explain just how

1722

01:05:04,950 --> 01:05:02,319

that can happen because

1723

01:05:05,750 --> 01:05:04,960

you know under the assumption that was a

1724

01:05:07,829 --> 01:05:05,760

bigfoot

1725

01:05:10,309 --> 01:05:07,839

how did it you know how did it walk here

1726

01:05:13,029 --> 01:05:10,319

and then the footprint stopped or

1727

01:05:14,309 --> 01:05:13,039

you know what was the the glow around

1728

01:05:17,510 --> 01:05:14,319

the dog man it's just

1729

01:05:19,670 --> 01:05:17,520

i think you get all these i don't know

1730

01:05:20,829 --> 01:05:19,680

spitball theories to try to explain it

1731

01:05:24,069 --> 01:05:20,839

and

1732

01:05:25,109 --> 01:05:24,079

um you know lack of a body i guess it's

1733

01:05:30,590 --> 01:05:25,119

all

1734

01:05:32,870 --> 01:05:30,600

pa researchers is what i do

1735

01:05:34,710 --> 01:05:32,880

[Laughter]

1736

01:05:36,710 --> 01:05:34,720

well you live in another state like this

1737

01:05:39,270 --> 01:05:36,720

state i mean you tend to get a few

1738

01:05:41,029 --> 01:05:39,280

weird things and i don't know it just

1739

01:05:42,710 --> 01:05:41,039

seems like we get some weird stuff here

1740

01:05:48,069 --> 01:05:42,720

and

1741

01:05:49,670 --> 01:05:48,079

any type of crypt any encrypted

1742

01:05:53,430 --> 01:05:49,680

researcher up here

1743

01:05:54,789 --> 01:05:53,440

well i mean they will everyone's gotten

1744

01:05:56,230 --> 01:05:54,799

something weird i mean something that

1745

01:05:58,710 --> 01:05:56,240

just can't be explained

1746

01:05:59,750 --> 01:05:58,720

oh yeah every everybody everybody up

1747

01:06:02,549 --> 01:05:59,760

here has one that

1748

01:06:03,430 --> 01:06:02,559

just something that boggles their mind

1749

01:06:06,470 --> 01:06:03,440

and

1750

01:06:08,309 --> 01:06:06,480

uh you know i guess

1751

01:06:10,150 --> 01:06:08,319

when we try to find the most rational

1752

01:06:11,910 --> 01:06:10,160

explanation we end up scratching our

1753

01:06:13,270 --> 01:06:11,920

heads even harder because we we just

1754

01:06:15,270 --> 01:06:13,280

can't find one

1755

01:06:17,270 --> 01:06:15,280

and and these reports tend to get a

1756

01:06:18,150 --> 01:06:17,280

little bizarre but lon you know in your

1757

01:06:20,789 --> 01:06:18,160

work with uh

1758

01:06:22,150 --> 01:06:20,799

skin skin walkers and all the other

1759

01:06:24,309 --> 01:06:22,160

reports you know there again is a whole

1760

01:06:27,349 --> 01:06:24,319

nother subject that a whole other

1761

01:06:31,109 --> 01:06:27,359

area that's just bizarre

1762

01:06:32,309 --> 01:06:31,119

well you know in in and lyle knows this

1763

01:06:35,109 --> 01:06:32,319

because

1764

01:06:37,270 --> 01:06:35,119

in ken as well you know that that area

1765

01:06:40,549 --> 01:06:37,280

in the area of texas

1766

01:06:42,710 --> 01:06:40,559

uh south of san antonio down to the uh

1767

01:06:44,470 --> 01:06:42,720

to laredo and then around there that

1768

01:06:46,309 --> 01:06:44,480

that whole area

1769

01:06:47,589 --> 01:06:46,319

to me has gotten some of the most

1770

01:06:53,029 --> 01:06:47,599

strangest reports

1771

01:06:56,789 --> 01:06:53,039

i've ever seen you know little dinosaurs

1772

01:07:01,430 --> 01:06:56,799

upright lizards and uh these uh

1773

01:07:04,309 --> 01:07:01,440

you know the mana race-shaped flying

1774

01:07:05,109 --> 01:07:04,319

animals whatever they are cryptids that

1775

01:07:07,430 --> 01:07:05,119

are you know

1776

01:07:08,549 --> 01:07:07,440

i get these reports from that specific

1777

01:07:10,789 --> 01:07:08,559

area

1778

01:07:12,150 --> 01:07:10,799

all the time and i'm quite sure now i

1779

01:07:16,230 --> 01:07:12,160

know ken does

1780

01:07:20,950 --> 01:07:18,630

yeah i was i was actually in laredo

1781

01:07:24,069 --> 01:07:20,960

which is right on the border of

1782

01:07:25,109 --> 01:07:24,079

mexico and texas and gotta spoke to some

1783

01:07:28,309 --> 01:07:25,119

people down there

1784

01:07:30,470 --> 01:07:28,319

and uh got it basically an eyewitness

1785

01:07:33,829 --> 01:07:30,480

account of a lechuza which is

1786

01:07:34,710 --> 01:07:33,839

sort of a flying howl kind of kind of a

1787

01:07:37,589 --> 01:07:34,720

creature so

1788

01:07:38,150 --> 01:07:37,599

you know that one that was very unique

1789

01:07:44,230 --> 01:07:38,160

and

1790

01:07:45,910 --> 01:07:44,240

i mean he was just you know regular guy

1791

01:07:47,270 --> 01:07:45,920

i mean i i felt like what he was telling

1792

01:07:50,150 --> 01:07:47,280

me was true and

1793

01:07:51,829 --> 01:07:50,160

uh yeah really really strange one and

1794

01:07:53,829 --> 01:07:51,839

yeah you're right down there it's

1795

01:07:55,349 --> 01:07:53,839

there's just all kinds of crazy stuff

1796

01:07:57,109 --> 01:07:55,359

going on and there's a lot i mean

1797

01:07:58,789 --> 01:07:57,119

there's just a lot of landscape out

1798

01:07:59,829 --> 01:07:58,799

there where there really is nothing i

1799

01:08:02,630 --> 01:07:59,839

mean

1800

01:08:03,109 --> 01:08:02,640

you know there's things could yeah i

1801  
01:08:06,870 --> 01:08:03,119  
don't know

1802  
01:08:09,829 --> 01:08:06,880  
exist and dwell in those areas

1803  
01:08:11,349 --> 01:08:09,839  
that you know would be hard to find or

1804  
01:08:13,910 --> 01:08:11,359  
just hard to explain

1805  
01:08:15,270 --> 01:08:13,920  
but but yeah definitely you get down in

1806  
01:08:18,950 --> 01:08:15,280  
there some weird stuff

1807  
01:08:23,430 --> 01:08:18,960  
east texas and south texas yeah

1808  
01:08:27,189 --> 01:08:23,440  
crazy yeah i uh and i've even said that

1809  
01:08:30,309 --> 01:08:27,199  
that that area specifically

1810  
01:08:33,590 --> 01:08:30,319  
i have gotten more reports from us that

1811  
01:08:35,749 --> 01:08:33,600  
area than any other area in the country

1812  
01:08:37,669 --> 01:08:35,759  
of weird stuff i mean i'm just talking

1813  
01:08:41,030 --> 01:08:37,679

all kinds of weird stuff

1814

01:08:43,349 --> 01:08:41,040

even paranormal you know uh and you talk

1815

01:08:45,669 --> 01:08:43,359

about laredo i had gotten you know i had

1816

01:08:48,789 --> 01:08:45,679

also gotten a lot of flying

1817

01:08:51,269 --> 01:08:48,799

type cryptids in that in in laredo

1818

01:08:52,149 --> 01:08:51,279

uh i got up you know i've been

1819

01:08:55,829 --> 01:08:52,159

investigating

1820

01:08:58,789 --> 01:08:55,839

these manta ray cryptids for years now

1821

01:09:00,390 --> 01:08:58,799

and i got a i got an amazing sighting

1822

01:09:04,309 --> 01:09:00,400

down there in laredo

1823

01:09:04,789 --> 01:09:04,319

i had a um i also had like a mothman

1824

01:09:08,550 --> 01:09:04,799

type

1825

01:09:09,990 --> 01:09:08,560

creature scene in narrator i don't know

1826

01:09:11,990 --> 01:09:10,000

i don't know if it's coming up across

1827

01:09:13,749 --> 01:09:12,000

the border or what it is but it's just

1828

01:09:16,870 --> 01:09:13,759

it just seems there's a lot of strange

1829

01:09:22,870 --> 01:09:20,950

yeah that's uh yeah that's true i mean

1830

01:09:23,990 --> 01:09:22,880

you know it's it's it's hard you know

1831

01:09:26,390 --> 01:09:24,000

sometimes i look at it

1832

01:09:27,510 --> 01:09:26,400

is it is it a cultural thing because you

1833

01:09:32,229 --> 01:09:27,520

know where you have the

1834

01:09:33,990 --> 01:09:32,239

the uh the latino culture

1835

01:09:36,229 --> 01:09:34,000

you know and some of the things like

1836

01:09:37,430 --> 01:09:36,239

lechuza the interpretations of these

1837

01:09:40,709 --> 01:09:37,440

creatures can be

1838

01:09:43,749 --> 01:09:40,719

yeah take a spin if depending on

1839

01:09:46,829 --> 01:09:43,759

on the background of the person and the

1840

01:09:48,070 --> 01:09:46,839

culture of the person describing it but

1841

01:09:50,070 --> 01:09:48,080

nonetheless

1842

01:09:52,390 --> 01:09:50,080

boil it down it's still some weird

1843

01:09:56,470 --> 01:09:52,400

unexplained big flying thing

1844

01:09:58,390 --> 01:09:56,480

that you just

1845

01:10:00,470 --> 01:09:58,400

you know in any language it's still a

1846

01:10:03,830 --> 01:10:00,480

weird

1847

01:10:05,270 --> 01:10:03,840

there's a lot of those down there i wish

1848

01:10:07,189 --> 01:10:05,280

i could get down there more even though

1849

01:10:09,910 --> 01:10:07,199

i do live in texas it's like

1850

01:10:11,110 --> 01:10:09,920

10 hours just to drive that is a long

1851

01:10:14,790 --> 01:10:11,120

way down there yeah

1852

01:10:17,830 --> 01:10:14,800

i know um i've only never been down

1853

01:10:19,990 --> 01:10:17,840

one time but uh

1854

01:10:21,669 --> 01:10:20,000

i you know it it just it just astounds

1855

01:10:23,430 --> 01:10:21,679

me how many

1856

01:10:25,350 --> 01:10:23,440

how many weird reports around san

1857

01:10:28,630 --> 01:10:25,360

antonio then south from there

1858

01:10:31,669 --> 01:10:28,640

in in to onto the border you know

1859

01:10:34,310 --> 01:10:31,679

and uh it it is it's a it's amazing and

1860

01:10:35,350 --> 01:10:34,320

and these people swear to god that

1861

01:10:37,030 --> 01:10:35,360

they've seen something

1862

01:10:38,390 --> 01:10:37,040

and they just cannot explain it and

1863

01:10:40,070 --> 01:10:38,400

they're uh

1864

01:10:42,950 --> 01:10:40,080

and they're looking for answers just

1865

01:10:44,950 --> 01:10:42,960

like anybody else but uh

1866

01:10:46,709 --> 01:10:44,960

oh like you said all he can do is report

1867

01:10:48,550 --> 01:10:46,719

it and

1868

01:10:51,270 --> 01:10:48,560

talk to the witnesses and go with what

1869

01:10:54,709 --> 01:10:52,630

yeah and i think you know one of the

1870

01:10:56,550 --> 01:10:54,719

things that you know by

1871

01:10:59,030 --> 01:10:56,560

collecting these reports and having a

1872

01:11:02,070 --> 01:10:59,040

network like like you guys and

1873

01:11:03,990 --> 01:11:02,080

and speaking to each other you know if

1874

01:11:05,910 --> 01:11:04,000

one person gets a report

1875

01:11:07,430 --> 01:11:05,920

then you kind of go hey wait a minute

1876

01:11:09,270 --> 01:11:07,440

you know i remember

1877

01:11:11,350 --> 01:11:09,280

you know so and so got one from here and

1878

01:11:14,310 --> 01:11:11,360

you can sort of see a

1879

01:11:15,430 --> 01:11:14,320

kind of start mapping out places where

1880

01:11:17,669 --> 01:11:15,440

it would corroborate

1881

01:11:19,590 --> 01:11:17,679

sightings and that's happened plenty of

1882

01:11:21,990 --> 01:11:19,600

times where somebody

1883

01:11:22,950 --> 01:11:22,000

that would have would have had no

1884

01:11:25,590 --> 01:11:22,960

knowledge

1885

01:11:26,870 --> 01:11:25,600

of you know this other report that had

1886

01:11:30,229 --> 01:11:26,880

been received by me

1887

01:11:32,149 --> 01:11:30,239

or a colleague and

1888

01:11:33,990 --> 01:11:32,159

you know and then you put it together

1889

01:11:36,070 --> 01:11:34,000

and you say well man not you know this

1890

01:11:37,990 --> 01:11:36,080

wasn't just one person that saw this

1891

01:11:40,070 --> 01:11:38,000

you know several years later somebody

1892

01:11:41,270 --> 01:11:40,080

else in a totally different area totally

1893

01:11:43,830 --> 01:11:41,280

didn't know that guy

1894

01:11:45,830 --> 01:11:43,840

described a similar thing and those are

1895

01:11:47,510 --> 01:11:45,840

the kind of things that

1896

01:11:48,950 --> 01:11:47,520

like in your database you can start

1897

01:11:50,790 --> 01:11:48,960

building up and

1898

01:11:52,790 --> 01:11:50,800

and you know it's it's good to have

1899

01:11:55,990 --> 01:11:52,800

these reports and to kind of

1900

01:11:57,270 --> 01:11:56,000

spitball pollen because it always turns

1901  
01:11:59,350 --> 01:11:57,280  
out that

1902  
01:12:01,350 --> 01:11:59,360  
it's not necessarily a single witness

1903  
01:12:02,070 --> 01:12:01,360  
that's all one weird thing it's

1904  
01:12:04,229 --> 01:12:02,080  
something that

1905  
01:12:06,149 --> 01:12:04,239  
could be corroborated by others and that

1906  
01:12:06,870 --> 01:12:06,159  
always fascinates me when i find one

1907  
01:12:09,669 --> 01:12:06,880  
where

1908  
01:12:10,390 --> 01:12:09,679  
oh man well did you know i had a guy you

1909  
01:12:11,750 --> 01:12:10,400  
know and

1910  
01:12:13,750 --> 01:12:11,760  
and when you tell the witness that

1911  
01:12:14,630 --> 01:12:13,760  
they're like really i'm like yeah you're

1912  
01:12:17,270 --> 01:12:14,640  
not the only one

1913  
01:12:19,590 --> 01:12:17,280

so i think they feel relieved you know

1914

01:12:21,430 --> 01:12:19,600

when i tell them

1915

01:12:23,350 --> 01:12:21,440

yeah i always enjoy that as well say

1916

01:12:26,310 --> 01:12:23,360

i'll get a report and

1917

01:12:28,709 --> 01:12:26,320

and i'll i know i got something else

1918

01:12:30,950 --> 01:12:28,719

from years ago that was similar to that

1919

01:12:33,350 --> 01:12:30,960

and i usually tack it on or attack a

1920

01:12:35,910 --> 01:12:33,360

link back to it on you know on the blog

1921

01:12:37,510 --> 01:12:35,920

but uh yeah your witnesses that's they

1922

01:12:40,550 --> 01:12:37,520

want to hear that they want to they

1923

01:12:41,920 --> 01:12:40,560

they want us to uh they want somebody to

1924

01:12:43,830 --> 01:12:41,930

tell that they're not crazy

1925

01:12:45,990 --> 01:12:43,840

[Laughter]

1926

01:12:47,990 --> 01:12:46,000

and uh you know yeah i enjoy doing that

1927

01:12:49,350 --> 01:12:48,000

as well

1928

01:12:52,470 --> 01:12:49,360

in some ways we're kind of like

1929

01:12:54,550 --> 01:12:52,480

counselors you know like yeah

1930

01:12:56,070 --> 01:12:54,560

you know these people are like oh yeah

1931

01:12:57,510 --> 01:12:56,080

really relieved that

1932

01:12:59,189 --> 01:12:57,520

you know because some of them are

1933

01:13:01,910 --> 01:12:59,199

questioning their own sanity

1934

01:13:03,830 --> 01:13:01,920

like i'm like no trust me you know you

1935

01:13:05,830 --> 01:13:03,840

know happens more in the bigfoot realm i

1936

01:13:08,149 --> 01:13:05,840

just get more bigfoot reports but

1937

01:13:09,350 --> 01:13:08,159

yeah where i assure some lady that i i

1938

01:13:11,350 --> 01:13:09,360

promise you

1939

01:13:13,590 --> 01:13:11,360

plenty of people have seen this you are

1940

01:13:14,870 --> 01:13:13,600

not crazy and i appreciate you telling

1941

01:13:18,790 --> 01:13:14,880

me you know

1942

01:13:20,550 --> 01:13:18,800

so yeah well butch which could tell you

1943

01:13:22,149 --> 01:13:20,560

that's what we've been getting up here i

1944

01:13:23,750 --> 01:13:22,159

mean you know

1945

01:13:26,550 --> 01:13:23,760

people first thing people say you know i

1946

01:13:29,350 --> 01:13:26,560

saw something i know it's not

1947

01:13:31,110 --> 01:13:29,360

real but this thing looked like a dog

1948

01:13:33,110 --> 01:13:31,120

that was standing up or a

1949

01:13:34,310 --> 01:13:33,120

wolf that was standing behind legs and

1950

01:13:37,430 --> 01:13:34,320

you just like

1951

01:13:38,070 --> 01:13:37,440

yeah well you know welcome to the club

1952

01:13:39,669 --> 01:13:38,080

you know

1953

01:13:41,750 --> 01:13:39,679

you're preaching to the choir i mean we

1954

01:13:45,030 --> 01:13:41,760

get this stuff all the time

1955

01:13:46,630 --> 01:13:45,040

right so yeah i always love it when long

1956

01:13:48,709 --> 01:13:46,640

gets something new because then my phone

1957

01:13:50,310 --> 01:13:48,719

starts going off the hook

1958

01:13:52,550 --> 01:13:50,320

he had something exciting he's like holy

1959

01:13:54,870 --> 01:13:52,560

crap i gotta share this i love it like

1960

01:13:56,070 --> 01:13:54,880

uh i that's what long gets so excited

1961

01:13:57,350 --> 01:13:56,080

about this stuff and he gets the

1962

01:14:01,270 --> 01:13:57,360

weirdest crap man

1963

01:14:03,030 --> 01:14:01,280

let me he gets some really bizarre yeah

1964

01:14:05,350 --> 01:14:03,040

yeah i love it i want to look i want to

1965

01:14:06,390 --> 01:14:05,360

do some if i want something weird i i

1966

01:14:09,590 --> 01:14:06,400

gotta

1967

01:14:12,149 --> 01:14:09,600

i got a lawn site just to see what's up

1968

01:14:13,669 --> 01:14:12,159

yeah it's often something quite

1969

01:14:16,070 --> 01:14:13,679

fascinating but

1970

01:14:17,030 --> 01:14:16,080

it's uh it's good stuff it always starts

1971

01:14:18,550 --> 01:14:17,040

the same way

1972

01:14:23,270 --> 01:14:18,560

you're not going to believe this but

1973

01:14:27,189 --> 01:14:25,270

like those flying i still can't figure

1974

01:14:29,590 --> 01:14:27,199

those out those are

1975

01:14:31,510 --> 01:14:29,600

no that that's that's some of the that's

1976

01:14:33,910 --> 01:14:31,520

one of the weirdest things

1977

01:14:36,310 --> 01:14:33,920

and uh you know they all caught they

1978

01:14:38,709 --> 01:14:36,320

come different sizes

1979

01:14:40,709 --> 01:14:38,719

uh they all look like manta rays but

1980

01:14:42,709 --> 01:14:40,719

they're flying

1981

01:14:44,790 --> 01:14:42,719

and they've got the same type of texture

1982

01:14:47,990 --> 01:14:44,800

as a manta ray

1983

01:14:51,030 --> 01:14:48,000

but you know

1984

01:14:51,430 --> 01:14:51,040

first of all how they propel nobody can

1985

01:14:54,630 --> 01:14:51,440

ever

1986

01:14:55,990 --> 01:14:54,640

explain how they propel i've i've had

1987

01:14:57,430 --> 01:14:56,000

pictures that almost look

1988

01:14:59,110 --> 01:14:57,440

like these things but you know it's hard

1989

01:15:00,709 --> 01:14:59,120

to you know people think you know

1990

01:15:02,470 --> 01:15:00,719

they move so fast people can't really

1991

01:15:04,870 --> 01:15:02,480

get a good picture of it

1992

01:15:06,149 --> 01:15:04,880

but uh the descriptions of it and just

1993

01:15:07,350 --> 01:15:06,159

where they turn up and a lot of these

1994

01:15:08,390 --> 01:15:07,360

things turned up in the middle of the

1995

01:15:10,790 --> 01:15:08,400

city

1996

01:15:13,110 --> 01:15:10,800

it's it's just that's strange but it's

1997

01:15:15,910 --> 01:15:13,120

always near water

1998

01:15:19,590 --> 01:15:15,920

it always either heading toward water or

1999

01:15:25,270 --> 01:15:23,350

i don't know yeah it's uh

2000

01:15:27,590 --> 01:15:25,280

you say conundrum it's exactly what it

2001

01:15:31,830 --> 01:15:30,950

lyle with uh boggy uh beyond buggy creek

2002

01:15:34,630 --> 01:15:31,840

coming out

2003

01:15:35,990 --> 01:15:34,640

and uh the the new small town monsters

2004

01:15:37,590 --> 01:15:36,000

production you're associated with what

2005

01:15:41,110 --> 01:15:37,600

else you got going on this year what

2006

01:15:45,430 --> 01:15:43,669

yeah i know it's it's it's it's pretty

2007

01:15:49,350 --> 01:15:45,440

crazy you just started adding

2008

01:15:51,430 --> 01:15:49,360

well i'm also a

2009

01:15:53,669 --> 01:15:51,440

i guess professional musician and i have

2010

01:15:56,070 --> 01:15:53,679

a band so i do have an album coming out

2011

01:15:58,550 --> 01:15:56,080

in march with my band ghoultown

2012

01:15:59,110 --> 01:15:58,560

something that i haven't had time to

2013

01:16:01,910 --> 01:15:59,120

record

2014

01:16:02,630 --> 01:16:01,920

once i sort of got into writing the

2015

01:16:04,950 --> 01:16:02,640

books and

2016

01:16:06,950 --> 01:16:04,960

tv shows and all this other stuff that

2017

01:16:09,189 --> 01:16:06,960

came with it i sort of

2018

01:16:10,470 --> 01:16:09,199

it's i love doing this stuff and i kind

2019

01:16:12,390 --> 01:16:10,480

of uh

2020

01:16:13,510 --> 01:16:12,400

put the band aside or at least we didn't

2021

01:16:15,910 --> 01:16:13,520

tour and

2022

01:16:18,470 --> 01:16:15,920

things like well like we used to but our

2023

01:16:21,590 --> 01:16:18,480

fan base i think is revolted and

2024

01:16:22,229 --> 01:16:21,600

i i had enough songs to do an album so

2025

01:16:24,070 --> 01:16:22,239

we

2026

01:16:25,830 --> 01:16:24,080

finally recorded that so i'm doing that

2027

01:16:27,669 --> 01:16:25,840

as well we've got

2028

01:16:30,310 --> 01:16:27,679

tour dates lining up for the summer in

2029

01:16:33,430 --> 01:16:30,320

the uk and other places so

2030

01:16:36,390 --> 01:16:33,440

cool and gonna be yeah

2031

01:16:39,510 --> 01:16:36,400

just i don't know maybe the last album i

2032

01:16:42,070 --> 01:16:39,520

ever record i mean the band is

2033

01:16:43,669 --> 01:16:42,080

still somewhat popular and i think has

2034

01:16:46,870 --> 01:16:43,679

actually gotten

2035

01:16:47,350 --> 01:16:46,880

more life because once i started doing

2036

01:16:50,470 --> 01:16:47,360

this

2037

01:16:52,229 --> 01:16:50,480

and gotta you know have a tv tv profile

2038

01:16:53,590 --> 01:16:52,239

and things like this a lot of new people

2039

01:16:55,669 --> 01:16:53,600

were turned on by the bands

2040

01:16:57,189 --> 01:16:55,679

the band was actually selling even more

2041

01:17:01,110 --> 01:16:57,199

than ever so

2042

01:17:01,990 --> 01:17:01,120

oh great so um you know i love doing all

2043

01:17:03,750 --> 01:17:02,000

these these different

2044

01:17:06,630 --> 01:17:03,760

things so i'm kind of doing that this

2045

01:17:08,630 --> 01:17:06,640

year and um

2046

01:17:10,070 --> 01:17:08,640

you know but i'm starting work on a new

2047

01:17:13,350 --> 01:17:10,080

book and we'll just see

2048

01:17:15,110 --> 01:17:13,360

see how much i can get done without uh

2049

01:17:17,750 --> 01:17:15,120

falling over we're going to see you at

2050

01:17:21,110 --> 01:17:17,760

math this year

2051

01:17:23,430 --> 01:17:21,120

uh i'm i'm i'm putting that on

2052

01:17:24,870 --> 01:17:23,440

the priority to try to do it last year i

2053

01:17:26,550 --> 01:17:24,880

just i just

2054

01:17:27,990 --> 01:17:26,560

physically couldn't make it i got so

2055

01:17:30,790 --> 01:17:28,000

many events going on at

2056

01:17:32,229 --> 01:17:30,800

usually that time of fall but i try to

2057

01:17:33,110 --> 01:17:32,239

get up there every other year so i'm

2058

01:17:34,790 --> 01:17:33,120

trying to

2059

01:17:37,110 --> 01:17:34,800

i need to make a decision on that i'm

2060

01:17:39,030 --> 01:17:37,120

already booked like crazy

2061

01:17:41,750 --> 01:17:39,040

uh doing that international bigfoot

2062

01:17:44,950 --> 01:17:41,760

conference on september 1st or

2063

01:17:47,430 --> 01:17:44,960

whatever that that date is and uh

2064

01:17:48,870 --> 01:17:47,440

then the week after that i do cryptid

2065

01:17:52,870 --> 01:17:48,880

con in kentucky so

2066

01:17:55,189 --> 01:17:52,880

september is already getting crazy

2067

01:17:57,189 --> 01:17:55,199

yeah september is a huge month for uh

2068

01:17:59,110 --> 01:17:57,199

cryptid events going on mothman and

2069

01:18:01,270 --> 01:17:59,120

cryptidcon

2070

01:18:02,390 --> 01:18:01,280

i i just don't know how i don't know how

2071

01:18:04,630 --> 01:18:02,400

long we got to figure out which one to

2072

01:18:06,870 --> 01:18:04,640

get you too

2073

01:18:08,550 --> 01:18:06,880

yeah well i get myself straightened out

2074

01:18:11,189 --> 01:18:08,560

i probably will start

2075

01:18:12,310 --> 01:18:11,199

hitting a few of these uh i did want to

2076

01:18:15,510 --> 01:18:12,320

go to the dog man

2077

01:18:19,910 --> 01:18:15,520

symposium last year and

2078

01:18:21,990 --> 01:18:19,920

uh linda and ken did ask me but

2079

01:18:23,030 --> 01:18:22,000

i you know had so much going on with me

2080

01:18:25,510 --> 01:18:23,040

so

2081

01:18:26,390 --> 01:18:25,520

but i i would love to go up up there and

2082

01:18:29,110 --> 01:18:26,400

i would love to go

2083

01:18:29,910 --> 01:18:29,120

over the mothman one time getting to it

2084

01:18:33,030 --> 01:18:29,920

so

2085

01:18:35,990 --> 01:18:33,040

man is an experience uh yeah i bet

2086

01:18:38,470 --> 01:18:36,000

last year it was killer like that little

2087

01:18:39,510 --> 01:18:38,480

town had so many people packed into it

2088

01:18:42,229 --> 01:18:39,520

and you've been there a while you know

2089

01:18:45,270 --> 01:18:42,239

the town's not very big to begin with

2090

01:18:47,830 --> 01:18:45,280

and it was just loaded uh

2091

01:18:49,189 --> 01:18:47,840

with people which was you know fantastic

2092

01:18:50,470 --> 01:18:49,199

and of course this year i imagine it'll

2093

01:18:53,430 --> 01:18:50,480

be similar

2094

01:18:54,950 --> 01:18:53,440

uh but matt lyle we're just glad you

2095

01:18:56,630 --> 01:18:54,960

took the time to join us tonight we we

2096

01:18:57,510 --> 01:18:56,640

appreciate it you know folks check out

2097

was that limited is there still some

2106

01:19:17,830 --> 01:19:16,000

available do you know

2107

01:19:19,030 --> 01:19:17,840

i think it's still available and that

2108

01:19:23,030 --> 01:19:19,040

that you can get through

2109

01:19:25,669 --> 01:19:23,040

blue morg magazine site boo

2110

01:19:26,070 --> 01:19:25,679

is the only way i think to get that

2111

01:19:27,990 --> 01:19:26,080

unless

2112

01:19:29,110 --> 01:19:28,000

somebody sees me at a an event i've got

2113

01:19:31,110 --> 01:19:29,120

a few copies but

2114

01:19:34,390 --> 01:19:31,120

2118

01:19:45,430 --> 01:19:41,600

interesting site

and uh uh i suggest you go there if

2120

01:19:47,830 --> 01:19:45,840

you're

2121

01:19:49,110 --> 01:19:47,840

interested in lyle and what he does and

2122

01:19:50,790 --> 01:19:49,120

everything's there

2123

01:19:52,870 --> 01:19:50,800

very interesting for a very interesting

2124

01:19:55,510 --> 01:19:52,880

man anyway do go

2125

01:19:57,189 --> 01:19:55,520

2127

01:20:04,149 --> 01:20:01,360

uh toboggan creek monster that

2128

01:20:05,830 --> 01:20:04,159

that is it is a very good film and i

2129

01:20:09,590 --> 01:20:05,840

highly suggest

2130

01:20:11,430 --> 01:20:09,600

and uh recommend it it's uh

2131

01:20:13,669 --> 01:20:11,440

i was sitting here watching this

2132

01:20:15,910 --> 01:20:13,679

afternoon and uh

2133

01:20:17,189 --> 01:20:15,920

it's very well done and it's something

2134

01:20:20,470 --> 01:20:17,199

you don't normally see

2135

01:20:21,110 --> 01:20:20,480

in a cryptic documentary it's just that

2136

01:20:23,030 --> 01:20:21,120

good

2137

01:20:24,709 --> 01:20:23,040

well it got my wife's attention lawn and

2138

01:20:26,470 --> 01:20:24,719

you know if i can get her to watch

2139

01:20:28,790 --> 01:20:26,480

anything

2140

01:20:30,390 --> 01:20:28,800

related to my hobbies it's a miracle but

2141

01:20:33,910 --> 01:20:30,400

she really enjoyed it so that's

2142

01:20:36,149 --> 01:20:33,920

yeah that's a good uh plug right there

2143

01:20:38,310 --> 01:20:36,159

if if forker's wife likes it you know

2144

01:20:39,830 --> 01:20:38,320

you guaranteed it's it's a good one

2145

01:20:41,189 --> 01:20:39,840

but again lyle thanks very much for

2146

01:20:43,030 --> 01:20:41,199

2156  
01:21:08,550 --> 01:21:05,760

2157  
01:21:10,550 --> 01:21:08,560  
the uh todd c's case we're going to be

2158  
01:21:12,470 --> 01:21:10,560  
talking about an update on the upright

2159  
01:21:13,910 --> 01:21:12,480  
canada cryptids of pennsylvania as if we

2160  
01:21:16,229 --> 01:21:13,920  
don't talk about them enough every week

2161  
01:21:17,590 --> 01:21:16,239  
but next week

2162  
01:21:19,110 --> 01:21:17,600  
hey you know but it's our show we write

2163  
01:21:20,070 --> 01:21:19,120

the program we can talk about anything

2164

01:21:21,270 --> 01:21:20,080

and we could have a whole shoe on

2165

01:21:23,669 --> 01:21:21,280

cucumbers

2166

01:21:25,510 --> 01:21:23,679

and butch and i i guess we can talk

2167

01:21:27,030 --> 01:21:25,520

about the ufo sightings as well we're

2168

01:21:29,110 --> 01:21:27,040

getting right butch

2169

01:21:30,870 --> 01:21:29,120

yes sir hell yeah let's talk about it

2170

01:21:33,110 --> 01:21:30,880

all yeah like

2171

01:21:34,390 --> 01:21:33,120

northern lancaster county some strange

2172

01:21:37,990 --> 01:21:34,400

stuff going on

2173

01:21:38,310 --> 01:21:38,000

well well what yeah paranormal we got it

2174

01:21:40,229 --> 01:21:38,320

all

2175

01:21:41,510 --> 01:21:40,239

it's a kind of a menagerie here on

2176

01:21:43,189 --> 01:21:41,520

arcane radio

2177

01:21:44,629 --> 01:21:43,199

you can check us out every week

2178

01:21:47,669 --> 01:21:44,639

wednesday nights

2179

01:21:50,310 --> 01:21:47,679

10 p.m eastern uh live

2180

01:21:52,229 --> 01:21:50,320

shows posted in live shows archive shows

2181

01:21:53,750 --> 01:21:52,239

posted usually on fridays

2182

01:21:56,550 --> 01:21:53,760

apparently we have some catching up to

2183

01:21:57,750 --> 01:21:56,560

do but uh yeah you know it's it's a

2184

01:21:59,430 --> 01:21:57,760

three-man team

2185

01:22:02,310 --> 01:21:59,440

uh we do the best we can we don't have

2186

01:22:05,030 --> 01:22:02,320

any fancy outlets or producers we just

2187

01:22:07,030 --> 01:22:05,040

uh you know as soon as i can get my

2188

01:22:09,510 --> 01:22:07,040

hands going and my ears going editing

2189

01:22:14,390 --> 01:22:13,110

i hate it i really do well we have a

2190

01:22:16,390 --> 01:22:14,400

clean show

2191

01:22:17,510 --> 01:22:16,400

it doesn't it's not a whole lot this

2192

01:22:19,189 --> 01:22:17,520

one's not going to be bad

2193

01:22:21,590 --> 01:22:19,199

this one's going to be easy to just put

2194

01:22:23,350 --> 01:22:21,600

out there so uh

2195

01:22:24,950 --> 01:22:23,360

yeah it all depends on how foul we

2196

01:22:27,030 --> 01:22:24,960

decided no i'm kidding

2197

01:22:28,550 --> 01:22:27,040

on how it's going and of course you know

2198

01:22:29,990 --> 01:22:28,560

new episode of the nocturnal journal

2199

01:22:31,750 --> 01:22:30,000

will be dropping soon

2200

01:22:33,910 --> 01:22:31,760

i got to edit that one still in the

2201  
01:22:36,070 --> 01:22:33,920  
process uh what do you guys got what

2202  
01:22:37,990 --> 01:22:36,080  
would you like to plug shamelessly

2203  
01:22:39,510 --> 01:22:38,000  
i got a train coming i know that i hear

2204  
01:22:42,550 --> 01:22:39,520  
him down down

2205  
01:22:46,470 --> 01:22:44,470  
yeah as first you got that got on the

2206  
01:22:47,590 --> 01:22:46,480  
radio i think yeah it is i was like what

2207  
01:22:49,590 --> 01:22:47,600  
the hell was it

2208  
01:22:51,830 --> 01:22:49,600  
it's that loud i mean it's pretty

2209  
01:22:54,390 --> 01:22:51,840  
remarkable and i live

2210  
01:22:55,830 --> 01:22:54,400  
i don't know i'm about 200 yards away

2211  
01:22:58,149 --> 01:22:55,840  
from the track

2212  
01:22:59,590 --> 01:22:58,159  
and uh it's loud they come they come

2213  
01:23:03,270 --> 01:22:59,600

through here are hell and i mean

2214

01:23:05,350 --> 01:23:03,280

even even it's a small town i live in

2215

01:23:06,870 --> 01:23:05,360

and the ambulance and fire trucks come

2216

01:23:12,390 --> 01:23:06,880

through here like

2217

01:23:16,229 --> 01:23:14,470

you know i moved away from i moved away

2218

01:23:18,870 --> 01:23:16,239

from the city i thought geez

2219

01:23:19,990 --> 01:23:18,880

it's going to be quiet not quite anymore

2220

01:23:24,149 --> 01:23:20,000

not your lifelong

2221

01:23:25,910 --> 01:23:24,159

everything follows you everything

2222

01:23:27,990 --> 01:23:25,920

and we'll talk more about that on other

2223

01:23:31,350 --> 01:23:28,000

programs no but i don't know

2224

01:23:33,669 --> 01:23:31,360

i don't know well good yeah it should be

2225

01:23:36,470 --> 01:23:33,679

an interesting show next week uh

2226

01:23:36,950 --> 01:23:36,480

i mean we don't have a whole lot to to

2227

01:23:40,229 --> 01:23:36,960

to go

2228

01:23:42,470 --> 01:23:40,239

over as far as new information uh

2229

01:23:44,229 --> 01:23:42,480

on the todd sea's case but there's some

2230

01:23:45,910 --> 01:23:44,239

there but you know what i'm talking

2231

01:23:48,310 --> 01:23:45,920

about it every once in a while never

2232

01:23:51,910 --> 01:23:48,320

hurts to keep yeah

2233

01:23:54,229 --> 01:23:51,920

absolutely i mean you know butch and i

2234

01:23:56,149 --> 01:23:54,239

are you know we're still working out the

2235

01:23:56,709 --> 01:23:56,159

theories and every once in a while

2236

01:23:59,750 --> 01:23:56,719

somebody

2237

01:24:01,430 --> 01:23:59,760

will come up with something else and

2238

01:24:03,750 --> 01:24:01,440

we'll go back and start looking at it

2239

01:24:05,510 --> 01:24:03,760

again but you know it's not like it was

2240

01:24:07,270 --> 01:24:05,520

when we were

2241

01:24:08,950 --> 01:24:07,280

trying to you know butchers out there

2242

01:24:10,470 --> 01:24:08,960

like every day he was getting all kinds

2243

01:24:12,870 --> 01:24:10,480

of stuff we were trying to

2244

01:24:14,470 --> 01:24:12,880

we were on the phone for hours and hours

2245

01:24:15,189 --> 01:24:14,480

all those days just trying to figure out

2246

01:24:19,990 --> 01:24:15,199

what the hell

2247

01:24:22,550 --> 01:24:20,000

was going on but yeah it's um

2248

01:24:24,149 --> 01:24:22,560

you know it there there there is some

2249

01:24:27,990 --> 01:24:24,159

workable theory there

2250

01:24:29,669 --> 01:24:28,000

that isn't too outrageous but you know

2251

01:24:31,189 --> 01:24:29,679

i guess that's that's a matter of

2252

01:24:33,350 --> 01:24:31,199

interpretation whoever

2253

01:24:35,110 --> 01:24:33,360

listens to it and they you know they can

2254

01:24:37,830 --> 01:24:35,120

uh they can think what they want

2255

01:24:39,430 --> 01:24:37,840

but um yeah and and we're gonna talk

2256

01:24:41,270 --> 01:24:39,440

about all kinds of different stuff so it

2257

01:24:42,950 --> 01:24:41,280

should be an interesting show

2258

01:24:45,830 --> 01:24:42,960
