

Four Frightening Encounters

with **Southwestern
Shapeshifters**

SKINWALKER PET CEMETERY?

BXP

1
00:00:12,880 --> 00:00:10,600

[Music]

2
00:00:17,830 --> 00:00:12,890

[Applause]

3
00:00:21,990 --> 00:00:19,670

welcome to the best of first person

4
00:00:24,870 --> 00:00:22,000

episodes of phantoms and monsters

5
00:00:25,429 --> 00:00:24,880

please like subscribe and hit the bell

6
00:00:28,830 --> 00:00:25,439

icon

7
00:00:31,910 --> 00:00:28,840

so you'll be notified of all future

8
00:00:35,350 --> 00:00:34,069

skinwalker appears twice in canyon to

9
00:00:37,110 --> 00:00:35,360

chili arizona

10
00:00:38,389 --> 00:00:37,120

there are lots of rumors out there about

11
00:00:40,790 --> 00:00:38,399

skinwalkers

12
00:00:42,630 --> 00:00:40,800

maybe i don't believe them maybe i think

13
00:00:44,150 --> 00:00:42,640

that coming from a different tribe makes

14

00:00:46,069 --> 00:00:44,160

me immune to their evil

15

00:00:48,069 --> 00:00:46,079

regardless of what i believe there are

16

00:00:50,310 --> 00:00:48,079

things i have seen in the lonely places

17

00:00:52,549 --> 00:00:50,320

of arizona that i cannot explain

18

00:00:54,470 --> 00:00:52,559

the business of my family often takes us

19

00:00:56,389 --> 00:00:54,480

deep into the navajo reservation

20

00:00:58,549 --> 00:00:56,399

and lends us to spending the night in a

21

00:01:00,630 --> 00:00:58,559

hotel or at a friend's place

22

00:01:02,709 --> 00:01:00,640

however superstitious or practical you

23

00:01:04,710 --> 00:01:02,719

are there can be no argument that those

24

00:01:06,630 --> 00:01:04,720

desolate desert roads are not always

25

00:01:08,070 --> 00:01:06,640

safe for travelers and locals alike

26

00:01:09,590 --> 00:01:08,080

after the sun sets

27

00:01:11,190 --> 00:01:09,600

i know many people who have had

28

00:01:13,030 --> 00:01:11,200

dangerous encounters

29

00:01:15,429 --> 00:01:13,040

on a trip to visit a relative near

30

00:01:17,109 --> 00:01:15,439

canyon de chelly we decided to attend an

31

00:01:18,870 --> 00:01:17,119

evening rug auction that took us a

32

00:01:21,109 --> 00:01:18,880

couple hours out of town

33

00:01:22,550 --> 00:01:21,119

i was riding with my friend jen whose

34

00:01:24,469 --> 00:01:22,560

mother we were visiting

35

00:01:26,550 --> 00:01:24,479

i would like to make a note that jen is

36

00:01:28,310 --> 00:01:26,560

not the most stalwart of souls and is

37

00:01:29,510 --> 00:01:28,320

one of the more superstitious native

38

00:01:31,830 --> 00:01:29,520

people i know

39

00:01:33,670 --> 00:01:31,840

on previous driving excursions she has

40

00:01:35,670 --> 00:01:33,680

begged me to stop the car and take a

41

00:01:37,190 --> 00:01:35,680

different route after noticing an owl

42

00:01:39,429 --> 00:01:37,200

flying towards the road

43

00:01:41,590 --> 00:01:39,439

i didn't stop owls are generally good

44

00:01:44,389 --> 00:01:41,600

luck for my people and in any case

45

00:01:47,030 --> 00:01:44,399

i don't put much stock in omens anyhow

46

00:01:49,350 --> 00:01:47,040

the auction hadn't ended by 9 pm or so

47

00:01:51,270 --> 00:01:49,360

and jen and i were getting antsy we

48

00:01:53,030 --> 00:01:51,280

opted to head back to her mother's place

49

00:01:54,389 --> 00:01:53,040

early and let the rest of the family

50

00:01:56,310 --> 00:01:54,399

catch up with us

51
00:01:57,590 --> 00:01:56,320
as jen drove the two of us home on the

52
00:01:59,270 --> 00:01:57,600
empty two-lane road

53
00:02:01,350 --> 00:01:59,280
we quickly left all semblance of

54
00:02:03,270 --> 00:02:01,360
civilization behind for sheer night

55
00:02:04,469 --> 00:02:03,280
which seemed even blacker in the shadow

56
00:02:06,630 --> 00:02:04,479
of the canyons

57
00:02:08,790 --> 00:02:06,640
jen had settled on the least fuzzy fm

58
00:02:10,469 --> 00:02:08,800
station she could find and i was staring

59
00:02:12,869 --> 00:02:10,479
aimlessly out the window

60
00:02:14,630 --> 00:02:12,879
that's when i noticed the dog at first

61
00:02:15,830 --> 00:02:14,640
it was just a flash of white in the

62
00:02:17,589 --> 00:02:15,840
corner of my vision

63
00:02:19,990 --> 00:02:17,599

and then i craned my neck to get a good

64

00:02:21,670 --> 00:02:20,000

look a big white german shepherd was

65

00:02:23,750 --> 00:02:21,680

running parallel to our car

66

00:02:25,190 --> 00:02:23,760

about 100 yards off the road and a

67

00:02:26,790 --> 00:02:25,200

little behind us

68

00:02:28,790 --> 00:02:26,800

something about it made the hair on the

69

00:02:31,509 --> 00:02:28,800

back of my neck stand on end

70

00:02:32,550 --> 00:02:31,519

i knew we must have been going 40 or 45

71

00:02:35,030 --> 00:02:32,560

miles per hour

72

00:02:37,350 --> 00:02:35,040

but it was gaining on us i could feel my

73

00:02:39,750 --> 00:02:37,360

heart rate pick up while i stared at it

74

00:02:41,670 --> 00:02:39,760

as it came perpendicular to us it began

75

00:02:43,670 --> 00:02:41,680

to draw up off of its front feet

76

00:02:45,750 --> 00:02:43,680

until it was running on two legs like a

77

00:02:47,270 --> 00:02:45,760

human when it turned its head to look at

78

00:02:49,270 --> 00:02:47,280

me my stomach dropped

79

00:02:51,190 --> 00:02:49,280

even from that distance i was sure i

80

00:02:53,670 --> 00:02:51,200

could see a red glint to its eyes

81

00:02:55,509 --> 00:02:53,680

and a feeling of dread washed over me i

82

00:02:57,910 --> 00:02:55,519

must have made a noise because jen

83

00:02:59,750 --> 00:02:57,920

touched my leg and asked what was wrong

84

00:03:01,830 --> 00:02:59,760

i glanced at her wordlessly and then

85

00:03:02,229 --> 00:03:01,840

gestured out the window but as i turned

86

00:03:04,790 --> 00:03:02,239

back

87

00:03:06,790 --> 00:03:04,800

the dog was gone not wanting to scare

88

00:03:07,589 --> 00:03:06,800

her i told her the dark was playing

89

00:03:09,910 --> 00:03:07,599

tricks on me

90

00:03:11,430 --> 00:03:09,920

and closed my eyes determined to sleep

91

00:03:13,509 --> 00:03:11,440

the rest of the way home

92

00:03:14,630 --> 00:03:13,519

the next night after a lot of food and

93

00:03:16,550 --> 00:03:14,640

even more visiting

94

00:03:18,710 --> 00:03:16,560

i had holed up in my room to get ready

95

00:03:19,670 --> 00:03:18,720

for bed i was staying in the second

96

00:03:21,910 --> 00:03:19,680

floor of the house

97

00:03:23,910 --> 00:03:21,920

and my window overlooked the street the

98

00:03:25,670 --> 00:03:23,920

houses are fairly spread out but the

99

00:03:27,270 --> 00:03:25,680

road is lined with street lamps

100

00:03:29,430 --> 00:03:27,280

the nearest of which is less than a

101
00:03:31,270 --> 00:03:29,440
block away on the opposite side

102
00:03:33,030 --> 00:03:31,280
i turned out my light and went to the

103
00:03:35,190 --> 00:03:33,040
window to pull down the shades

104
00:03:37,270 --> 00:03:35,200
so the light wouldn't keep me up fear

105
00:03:38,869 --> 00:03:37,280
hit me like a sucker punch when my eyes

106
00:03:40,390 --> 00:03:38,879
drafted across the road

107
00:03:42,630 --> 00:03:40,400
there in the light of the street lamp

108
00:03:44,630 --> 00:03:42,640
was the german shepherd it was standing

109
00:03:45,990 --> 00:03:44,640
on its hind legs in a way that i knew

110
00:03:47,990 --> 00:03:46,000
canine anatomy should not

111
00:03:49,750 --> 00:03:48,000
allow and it was staring straight back

112
00:03:51,830 --> 00:03:49,760
at me from that close

113
00:03:53,830 --> 00:03:51,840

it was obvious that it had deep red eyes

114

00:03:55,589 --> 00:03:53,840

and fur that was a yellowish white

115

00:03:57,750 --> 00:03:55,599

i don't know how long we watched each

116

00:03:59,990 --> 00:03:57,760

other i knew better than to stare it in

117

00:04:02,470 --> 00:04:00,000

the eyes but i was too terrified to turn

118

00:04:03,990 --> 00:04:02,480

away finally it dropped down to all

119

00:04:06,229 --> 00:04:04,000

fours and walked away

120

00:04:08,229 --> 00:04:06,239

i slept with a knife next to my bed and

121

00:04:09,670 --> 00:04:08,239

the bedroom door locked that night

122

00:04:11,589 --> 00:04:09,680

some part of me thinks it was a

123

00:04:12,869 --> 00:04:11,599

skinwalker that i saw a witch out

124

00:04:15,350 --> 00:04:12,879

hunting for trouble

125

00:04:22,390 --> 00:04:15,360

i haven't been back to canyon de chelly

126
00:04:27,030 --> 00:04:25,030
skinwalker from the navajo reservation i

127
00:04:27,990 --> 00:04:27,040
dated a navajo guy for three and a half

128
00:04:30,150 --> 00:04:28,000
years when i was in

129
00:04:31,990 --> 00:04:30,160
college we would go back to the rest

130
00:04:33,110 --> 00:04:32,000
pretty frequently to visit his family or

131
00:04:35,030 --> 00:04:33,120
for holidays

132
00:04:36,870 --> 00:04:35,040
it is taboo for them to talk about it

133
00:04:38,550 --> 00:04:36,880
but i was able to get the ex-boyfriend

134
00:04:39,749 --> 00:04:38,560
to tell me a lot of stories and lore

135
00:04:41,749 --> 00:04:39,759
about skinwalkers

136
00:04:43,670 --> 00:04:41,759
because i was really fascinated by them

137
00:04:44,310 --> 00:04:43,680
and i guess he wasn't too scared to tell

138
00:04:46,230 --> 00:04:44,320

me

139

00:04:47,830 --> 00:04:46,240

every person in his family had their own

140

00:04:49,990 --> 00:04:47,840

skinwalker experiences

141

00:04:51,749 --> 00:04:50,000

and they were normal honest people it's

142

00:04:54,950 --> 00:04:51,759

not something they would make up

143

00:04:57,350 --> 00:04:54,960

so i 100 believe skinwalkers exist

144

00:04:58,629 --> 00:04:57,360

i possibly had experiences like hearing

145

00:05:00,150 --> 00:04:58,639

footsteps on the roof

146

00:05:02,310 --> 00:05:00,160

and thinking i heard chanting coming

147

00:05:04,150 --> 00:05:02,320

from outside the window but i guess so

148

00:05:05,670 --> 00:05:04,160

much time has passed there's room for

149

00:05:07,909 --> 00:05:05,680

doubt in my mind now

150

00:05:09,749 --> 00:05:07,919

the one definite experience i had which

151
00:05:11,510 --> 00:05:09,759
still i'm the only person who didn't

152
00:05:13,430 --> 00:05:11,520
definitively see the skinwalker

153
00:05:15,270 --> 00:05:13,440
my ex-boyfriend and his family were

154
00:05:17,029 --> 00:05:15,280
driving on the road between their houses

155
00:05:19,670 --> 00:05:17,039
and the city in a kind of convoy

156
00:05:20,469 --> 00:05:19,680
pretty late at night car one boyfriend

157
00:05:23,270 --> 00:05:20,479
and me

158
00:05:23,990 --> 00:05:23,280
cartoon boyfriend's sister and her kids

159
00:05:26,550 --> 00:05:24,000
car 3

160
00:05:28,310 --> 00:05:26,560
boyfriend's younger brother cartoon the

161
00:05:29,510 --> 00:05:28,320
sister calls and says to pull over

162
00:05:30,870 --> 00:05:29,520
because there's something running

163
00:05:32,710 --> 00:05:30,880

alongside her car

164

00:05:34,469 --> 00:05:32,720

all three vehicles pull over on the side

165

00:05:35,909 --> 00:05:34,479

of the road she's frightened because she

166

00:05:37,270 --> 00:05:35,919

looked outside her window

167

00:05:39,590 --> 00:05:37,280

and there was a skinwalker running

168

00:05:41,350 --> 00:05:39,600

beside her but the kids didn't see it

169

00:05:42,629 --> 00:05:41,360

the younger brother saw it too because

170

00:05:44,390 --> 00:05:42,639

he was behind them

171

00:05:46,469 --> 00:05:44,400

we're all standing overlooking a small

172

00:05:48,070 --> 00:05:46,479

valley with very little coverage

173

00:05:49,990 --> 00:05:48,080

boyfriend and younger brother pull out

174

00:05:52,230 --> 00:05:50,000

their guns and decide to shoot to see if

175

00:05:52,629 --> 00:05:52,240

they can scare whatever it was when they

176

00:05:54,230 --> 00:05:52,639

shoot

177

00:05:56,150 --> 00:05:54,240

something in the valley does take off

178

00:05:57,110 --> 00:05:56,160

running but it's too far for me to tell

179

00:05:59,029 --> 00:05:57,120

what it is

180

00:06:01,510 --> 00:05:59,039

that's as close as i ever was to seeing

181

00:06:03,430 --> 00:06:01,520

one i always kept my eyes peeled when we

182

00:06:05,510 --> 00:06:03,440

were driving on the back roads

183

00:06:07,430 --> 00:06:05,520

and it's been so long seven to nine

184

00:06:09,110 --> 00:06:07,440

years since i've heard everyone else's

185

00:06:10,309 --> 00:06:09,120

stories that i feel like i wouldn't do

186

00:06:11,260 --> 00:06:10,319

them justice

187

00:06:17,830 --> 00:06:11,270

they are

188

00:06:22,070 --> 00:06:20,309

possible skinwalker encounter i haven't

189

00:06:23,430 --> 00:06:22,080

really heard many stories of native

190

00:06:25,909 --> 00:06:23,440

american skinwalkers

191

00:06:27,590 --> 00:06:25,919

so i thought i would share my experience

192

00:06:30,070 --> 00:06:27,600

my sighting happened in the summer of

193

00:06:32,309 --> 00:06:30,080

2007 when i was working the night shift

194

00:06:34,150 --> 00:06:32,319

to the surface coal mining facility

195

00:06:35,430 --> 00:06:34,160

i used to drive a coal hauling truck

196

00:06:37,430 --> 00:06:35,440

which was pretty huge

197

00:06:38,870 --> 00:06:37,440

and required a series of steps just to

198

00:06:41,350 --> 00:06:38,880

climb into the cab

199

00:06:43,110 --> 00:06:41,360

i just completed my pre-shift inspection

200

00:06:43,909 --> 00:06:43,120

and i noticed that my radiator was

201
00:06:46,070 --> 00:06:43,919
leaking

202
00:06:48,309 --> 00:06:46,080
i called my supervisor and he asked me

203
00:06:50,230 --> 00:06:48,319
to drive the truck to the shop the shop

204
00:06:52,230 --> 00:06:50,240
was about six miles to the north from

205
00:06:54,550 --> 00:06:52,240
the coal pits which was located in a

206
00:06:56,550 --> 00:06:54,560
remote part of the navajo reservation

207
00:06:58,710 --> 00:06:56,560
i drove the truck to the shop called the

208
00:07:00,390 --> 00:06:58,720
shop foreman and he radio requested that

209
00:07:01,270 --> 00:07:00,400
i park the truck at the south side of

210
00:07:02,870 --> 00:07:01,280
the shop

211
00:07:04,870 --> 00:07:02,880
i parked the truck and i lowered the

212
00:07:06,950 --> 00:07:04,880
ladder and i descended the ladder

213
00:07:08,070 --> 00:07:06,960

i wanted to see how much fluid was left

214

00:07:10,070 --> 00:07:08,080

in the radiator

215

00:07:11,749 --> 00:07:10,080

so i lowered the rear ladder and climbed

216

00:07:13,589 --> 00:07:11,759

into the engine compartment

217

00:07:15,430 --> 00:07:13,599

the leak was pretty bad so i climbed

218

00:07:16,629 --> 00:07:15,440

down the ladder and that is when i saw

219

00:07:18,309 --> 00:07:16,639

the skinwalker

220

00:07:21,029 --> 00:07:18,319

it was the weirdest thing that i've ever

221

00:07:21,670 --> 00:07:21,039

seen i seen it was about 200 feet from

222

00:07:23,430 --> 00:07:21,680

me

223

00:07:26,070 --> 00:07:23,440

it was walking around the other mining

224

00:07:28,150 --> 00:07:26,080

equipment it looked like a huge dog

225

00:07:29,510 --> 00:07:28,160

the fur was beige in color and it walked

226

00:07:31,350 --> 00:07:29,520

on all four legs

227

00:07:33,430 --> 00:07:31,360

the coat was pretty patchy missing

228

00:07:35,189 --> 00:07:33,440

clumps of fur and bold spots

229

00:07:36,550 --> 00:07:35,199

it smelled really bad like a rotting

230

00:07:38,230 --> 00:07:36,560

roadside corpse

231

00:07:40,710 --> 00:07:38,240

it had seen me and started to walk

232

00:07:42,550 --> 00:07:40,720

towards me i pulled out my flashlight

233

00:07:44,070 --> 00:07:42,560

and i noticed that the dog's eyes did

234

00:07:46,469 --> 00:07:44,080

not reflect any light

235

00:07:48,070 --> 00:07:46,479

its eyes were black and lifeless its

236

00:07:50,390 --> 00:07:48,080

head made a bobbing motion

237

00:07:51,350 --> 00:07:50,400

and it was walking towards me its head

238

00:07:53,110 --> 00:07:51,360

was huge

239

00:07:54,550 --> 00:07:53,120

it looked like a bull mastiff which was

240

00:07:56,869 --> 00:07:54,560

my first impression

241

00:07:57,990 --> 00:07:56,879

i initially thought this is a huge dog

242

00:08:00,390 --> 00:07:58,000

and it's probably sick

243

00:08:02,629 --> 00:08:00,400

and hungry it got to within 20 feet of

244

00:08:04,710 --> 00:08:02,639

me and i pulled out my pocket knife

245

00:08:06,230 --> 00:08:04,720

i was ready to defend myself if this

246

00:08:08,230 --> 00:08:06,240

thing wanted to attack

247

00:08:10,710 --> 00:08:08,240

i started to walk carefully towards the

248

00:08:13,270 --> 00:08:10,720

shop and i kept my eyes on the creature

249

00:08:15,430 --> 00:08:13,280

it followed me paralleled my every step

250

00:08:16,469 --> 00:08:15,440

its walk wasn't natural and fluid like a

251
00:08:18,869 --> 00:08:16,479
normal dog

252
00:08:21,029 --> 00:08:18,879
it moved in an unnatural way i walked

253
00:08:23,510 --> 00:08:21,039
about 150 yards to the shop

254
00:08:25,510 --> 00:08:23,520
and it kept its distance i finally got

255
00:08:27,670 --> 00:08:25,520
to the shop and the skinwalker stopped

256
00:08:29,670 --> 00:08:27,680
at the driveway of the shop baitors

257
00:08:31,270 --> 00:08:29,680
i went inside and i told the shop

258
00:08:32,230 --> 00:08:31,280
foreman and to come see this weird

259
00:08:34,310 --> 00:08:32,240
looking dog

260
00:08:36,149 --> 00:08:34,320
and we both went outside to see walk

261
00:08:37,509 --> 00:08:36,159
away from the shop and turn around the

262
00:08:39,909 --> 00:08:37,519
corner of the building

263
00:08:42,070 --> 00:08:39,919

a few seconds later my supervisor drove

264

00:08:44,310 --> 00:08:42,080

around that very corner and i asked him

265

00:08:46,550 --> 00:08:44,320

if he had seen that weird looking animal

266

00:08:48,070 --> 00:08:46,560

he said that he didn't see it i told him

267

00:08:49,829 --> 00:08:48,080

that he had to have seen it

268

00:08:51,190 --> 00:08:49,839

he drove in the very direction that it

269

00:08:53,190 --> 00:08:51,200

walked off towards

270

00:08:55,750 --> 00:08:53,200

i described what i had seen and my

271

00:08:57,910 --> 00:08:55,760

supervisor said that it was a skinwalker

272

00:08:59,190 --> 00:08:57,920

that night my supervisor made me ride

273

00:09:00,150 --> 00:08:59,200

with him throughout the rest of the

274

00:09:02,070 --> 00:09:00,160

night shift

275

00:09:03,990 --> 00:09:02,080

he opened me up to a world and told me

276

00:09:04,790 --> 00:09:04,000

of his experiences while he worked at

277

00:09:06,949 --> 00:09:04,800

the mine

278

00:09:09,110 --> 00:09:06,959

i haven't had any more experiences since

279

00:09:10,710 --> 00:09:09,120

that encounter but i've seen mysterious

280

00:09:12,610 --> 00:09:10,720

lights around the mining area that

281

00:09:18,630 --> 00:09:12,620

didn't make any noises

282

00:09:24,470 --> 00:09:21,190

possible skin walker related incident

283

00:09:27,350 --> 00:09:24,480

i'm a 16 year old girl who lives in utah

284

00:09:29,110 --> 00:09:27,360

i'm navajo and half men in hidatsa i

285

00:09:30,949 --> 00:09:29,120

have been curious to see what other

286

00:09:33,990 --> 00:09:30,959

skinwalker stories are about

287

00:09:36,150 --> 00:09:34,000

and i can kind of relate my family never

288

00:09:38,870 --> 00:09:36,160

mentions skinwalkers are witches to me

289

00:09:40,949 --> 00:09:38,880

so i knew nothing about them my grandpa

290

00:09:42,949 --> 00:09:40,959

died a few months ago this summer

291

00:09:45,430 --> 00:09:42,959

so my parents sent me to live with my

292

00:09:47,910 --> 00:09:45,440

grandma to help her around her ranch

293

00:09:48,790 --> 00:09:47,920

well i brought my cat along his name is

294

00:09:50,949 --> 00:09:48,800

cheese

295

00:09:53,269 --> 00:09:50,959

well just after two weeks of living

296

00:09:54,389 --> 00:09:53,279

there my cat went missing i figured that

297

00:09:56,870 --> 00:09:54,399

he would come back

298

00:09:57,509 --> 00:09:56,880

but he never did i called him and looked

299

00:10:00,070 --> 00:09:57,519

for him but

300

00:10:02,150 --> 00:10:00,080

nothing so i went to go put some hay

301
00:10:04,389 --> 00:10:02,160
behind the barn for the horses when i

302
00:10:06,389 --> 00:10:04,399
saw my orange cat's remains

303
00:10:07,509 --> 00:10:06,399
i thought maybe something attacked him

304
00:10:09,750 --> 00:10:07,519
like a coyote

305
00:10:11,430 --> 00:10:09,760
so i picked it up and i saw that there

306
00:10:13,829 --> 00:10:11,440
were no bones just skin

307
00:10:15,590 --> 00:10:13,839
and the outside of his fur there was red

308
00:10:16,870 --> 00:10:15,600
and yellow even white paint on the

309
00:10:19,350 --> 00:10:16,880
outside of him

310
00:10:21,110 --> 00:10:19,360
i couldn't figure out what it was i

311
00:10:23,269 --> 00:10:21,120
buried him behind a hill with a little

312
00:10:26,470 --> 00:10:23,279
stone with his name carved on it

313
00:10:27,910 --> 00:10:26,480

i was so heartbroken my grandma said she

314

00:10:30,710 --> 00:10:27,920

could get me a new cat

315

00:10:33,110 --> 00:10:30,720

but i didn't want a new cat soon enough

316

00:10:34,870 --> 00:10:33,120

i kept hearing meows outside the hogan

317

00:10:37,110 --> 00:10:34,880

in scratches at the door

318

00:10:38,870 --> 00:10:37,120

my grandma doesn't have any other cats

319

00:10:39,750 --> 00:10:38,880

so i would open the door and find

320

00:10:41,990 --> 00:10:39,760

nothing

321

00:10:44,150 --> 00:10:42,000

and when i went to go check on my cat's

322

00:10:45,509 --> 00:10:44,160

grave and dig it up to make sure he was

323

00:10:48,069 --> 00:10:45,519

still there he was gone

324

00:10:49,110 --> 00:10:48,079

but his bones were there i just couldn't

325

00:10:51,430 --> 00:10:49,120

believe it

326

00:10:52,710 --> 00:10:51,440

why were his bones there i thought i

327

00:10:54,389 --> 00:10:52,720

buried his skin

328

00:10:56,550 --> 00:10:54,399

and ever since i lived there and

329

00:10:57,750 --> 00:10:56,560

experienced some of the strangest things

330

00:11:00,470 --> 00:10:57,760

in my life

331

00:11:02,550 --> 00:11:00,480

i don't want to go back and live there i

332

00:11:03,829 --> 00:11:02,560

can't even share what kind of crazy

333

00:11:06,389 --> 00:11:03,839

things happen to me

334

00:11:08,790 --> 00:11:06,399

because from there i drew the line i was

335

00:11:11,110 --> 00:11:08,800

confused and scared about these people

336

00:11:12,310 --> 00:11:11,120

but at the same time i knew i was one of

337

00:11:14,550 --> 00:11:12,320

these people

338

00:11:16,389 --> 00:11:14,560

i have a greater respect for the navajo

339

00:11:18,389 --> 00:11:16,399

people which is why i don't think

340

00:11:19,670 --> 00:11:18,399

getting involved with skinwalkers is a

341

00:11:21,430 --> 00:11:19,680

good idea

342

00:11:27,590 --> 00:11:21,440

just don't mess with them and they won't

343

00:11:31,030 --> 00:11:30,150

this is lon strickler if you like this

344

00:11:32,790 --> 00:11:31,040

program

345

00:11:34,150 --> 00:11:32,800

it would help us if you would give it a

346

00:11:37,030 --> 00:11:34,160

thumbs up

347

00:11:37,509 --> 00:11:37,040

then subscribe and click the bell icon

348

00:11:39,829 --> 00:11:37,519

so you

349

00:11:41,990 --> 00:11:39,839

get notification when we upload new

350

00:11:45,110 --> 00:11:42,000

first person encounters

351

00:11:47,509 --> 00:11:45,120

we have many more to come very soon and

352

00:11:49,910 --> 00:11:47,519

by the way if you have a suggestion
