

# Startled by a **SASQUATCH FAMILY?**

The image is a composite graphic. At the top, the text 'Startled by a SASQUATCH FAMILY?' is written in a bold, yellow, outlined font. Below this, the background is a collage. On the left, a Sasquatch family is shown in a forest setting. In the center, a large, ethereal pair of eyes is superimposed over a misty forest scene. On the right, a person wearing a yellow poncho is seen from behind, looking towards the forest. The overall color palette is dominated by yellows, oranges, and greens.

eight to nine foot black sasquatch

9  
00:00:37,030 --> 00:00:36,000

observed near beaver bend state park

10  
00:00:39,590 --> 00:00:37,040

oklahoma

11  
00:00:40,150 --> 00:00:39,600

a friend and i both saw what we believe

12  
00:00:43,510 --> 00:00:40,160

to be

13  
00:00:45,750 --> 00:00:43,520

a sasquatch on may 14 2016.

14

00:00:47,830 --> 00:00:45,760

it wasn't inside the beaver bend state

15

00:00:50,069 --> 00:00:47,840

park but was on a trail that was in the

16

00:00:51,510 --> 00:00:50,079

surrounding uichita national forest in

17

00:00:53,430 --> 00:00:51,520

eastern oklahoma

18

00:00:56,150 --> 00:00:53,440

as we were hiking we heard a strange

19

00:00:58,630 --> 00:00:56,160

noise it was a very loud call that

20

00:01:01,430 --> 00:00:58,640

sounded like it was from something big

21

00:01:02,310 --> 00:01:01,440

the voice seemed almost horse sounding

22

00:01:04,390 --> 00:01:02,320

as it called

23

00:01:06,390 --> 00:01:04,400

i noticed a glimpse of something black

24

00:01:08,950 --> 00:01:06,400

slip out of view behind some trees

25

00:01:11,270 --> 00:01:08,960

growing along the creek bed between us

26  
00:01:12,950 --> 00:01:11,280  
a second later the black form came out

27  
00:01:15,590 --> 00:01:12,960  
from the other side of the trees

28  
00:01:17,109 --> 00:01:15,600  
and appeared to be strafing to its right

29  
00:01:18,950 --> 00:01:17,119  
it stopped for a second

30  
00:01:21,190 --> 00:01:18,960  
and i could faintly see the glistening

31  
00:01:21,910 --> 00:01:21,200  
of its eyes contrasting its entirely

32  
00:01:24,310 --> 00:01:21,920  
matted black

33  
00:01:26,630 --> 00:01:24,320  
figure it only stopped for a short

34  
00:01:28,230 --> 00:01:26,640  
moment before vanishing from view again

35  
00:01:30,469 --> 00:01:28,240  
behind more trees

36  
00:01:31,350 --> 00:01:30,479  
at that point i was really confused what

37  
00:01:33,190 --> 00:01:31,360  
i was seeing

38  
00:01:34,550 --> 00:01:33,200

and we were trying to judge what could

39

00:01:37,350 --> 00:01:34,560

have made the sound

40

00:01:39,910 --> 00:01:37,360

after what was probably only 15 seconds

41

00:01:41,990 --> 00:01:39,920

my friend exclaims that he could see it

42

00:01:44,069 --> 00:01:42,000

it was obstructed from my view until the

43

00:01:45,990 --> 00:01:44,079

last few moments when it appeared out

44

00:01:47,030 --> 00:01:46,000

from behind the trees that were blocking

45

00:01:48,710 --> 00:01:47,040

my view

46

00:01:51,350 --> 00:01:48,720

it looked like an eight or nine foot

47

00:01:53,429 --> 00:01:51,360

person who was totally covered in black

48

00:01:55,429 --> 00:01:53,439

it was running up a considerably steep

49

00:01:57,350 --> 00:01:55,439

ridge at incredible speeds

50

00:01:59,109 --> 00:01:57,360

the oddest part is that it almost

51  
00:02:00,069 --> 00:01:59,119  
appeared to be gliding up the steep

52  
00:02:02,630 --> 00:02:00,079  
incline

53  
00:02:03,910 --> 00:02:02,640  
it was moving incredibly fast but it was

54  
00:02:06,469 --> 00:02:03,920  
perfectly smooth

55  
00:02:08,229 --> 00:02:06,479  
almost like being on a conveyor belt

56  
00:02:09,830 --> 00:02:08,239  
each stride it took with its legs

57  
00:02:11,910 --> 00:02:09,840  
allowed it to cover a seemingly

58  
00:02:13,990 --> 00:02:11,920  
impossible amount of distance

59  
00:02:15,110 --> 00:02:14,000  
it seriously almost looked like some

60  
00:02:18,070 --> 00:02:15,120  
crouching tiger

61  
00:02:20,150 --> 00:02:18,080  
hidden dragon nonsense at first we tried

62  
00:02:20,470 --> 00:02:20,160  
to brush it off as just an incredibly

63  
00:02:23,190 --> 00:02:20,480

fit

64

00:02:25,589 --> 00:02:23,200

jogger we expected the trail to lead up

65

00:02:27,830 --> 00:02:25,599

the way where we saw the humanoid form

66

00:02:29,510 --> 00:02:27,840

but once we realized the trail led in a

67

00:02:31,670 --> 00:02:29,520

completely different direction

68

00:02:33,509 --> 00:02:31,680

it became hard to rationalize that we

69

00:02:35,589 --> 00:02:33,519

saw a human moving that gracefully

70

00:02:37,670 --> 00:02:35,599

through brush at such high speed

71

00:02:39,750 --> 00:02:37,680

i haven't told many people because i

72

00:02:41,670 --> 00:02:39,760

don't expect them to believe me

73

00:02:43,910 --> 00:02:41,680

i wouldn't believe me if i hadn't been

74

00:02:45,509 --> 00:02:43,920

there i was always skeptical of

75

00:02:47,910 --> 00:02:45,519

sasquatch existing

76

00:02:50,390 --> 00:02:47,920

i never thought a species of large apes

77

00:02:52,550 --> 00:02:50,400

could possibly evade capture for so long

78

00:02:53,589 --> 00:02:52,560

in a country as densely populated as

79

00:02:55,750 --> 00:02:53,599

america

80

00:02:57,990 --> 00:02:55,760

the whole experience has only left me

81

00:03:00,550 --> 00:02:58,000

with more questions than answers

82

00:03:01,750 --> 00:03:00,560

why haven't we found bones yet even if

83

00:03:03,589 --> 00:03:01,760

they bury their dead

84

00:03:05,509 --> 00:03:03,599

we'd have eventually unearthed something

85

00:03:07,509 --> 00:03:05,519

accidentally at some point

86

00:03:09,750 --> 00:03:07,519

there's lots of points to be made about

87

00:03:10,070 --> 00:03:09,760

how seemingly unlikely their existence

88

00:03:16,830 --> 00:03:10,080

is

89

92

00:03:26,710 --> 00:03:24,319

bigfoot vanishes later a flash of light

93

00:03:29,110 --> 00:03:26,720

i saw something about three months ago

94

00:03:31,030 --> 00:03:29,120

it all lasted no more than five seconds

95

00:03:33,910 --> 00:03:31,040

but it is etched into my memory

96

00:03:36,710 --> 00:03:33,920

uneventful but very real and spectacular

97

00:03:38,550 --> 00:03:36,720

i've told nobody yet i never felt like i

98

00:03:39,350 --> 00:03:38,560

should bring it up and it was meant just

99

00:03:42,070 --> 00:03:39,360

for me

100

00:03:44,550 --> 00:03:42,080

it was august 2018 at 6 10 a.m in

101  
00:03:46,949 --> 00:03:44,560  
upstate new york in the adirondacks area

102  
00:03:49,030 --> 00:03:46,959  
i often left bread nuts fruit and

103  
00:03:51,670 --> 00:03:49,040  
vegetable scraps thrown in the yard

104  
00:03:52,390 --> 00:03:51,680  
i enjoyed watching the birds squirrels

105  
00:03:55,429 --> 00:03:52,400  
chipmunks

106  
00:03:56,630 --> 00:03:55,439  
rabbits deer fox raven and crows eat the

107  
00:03:58,309 --> 00:03:56,640  
food i fed them

108  
00:04:00,470 --> 00:03:58,319  
i could sit out there with my morning

109  
00:04:01,350 --> 00:04:00,480  
coffee the critters did not mind me

110  
00:04:02,949 --> 00:04:01,360  
being there

111  
00:04:05,190 --> 00:04:02,959  
i would talk and pretend i was

112  
00:04:05,990 --> 00:04:05,200  
conversing with them this went on for

113  
00:04:07,830 --> 00:04:06,000

months

114

00:04:10,149 --> 00:04:07,840

i would sit here in the yard as the sun

115

00:04:10,949 --> 00:04:10,159

would go down another animal feeding

116

00:04:14,550 --> 00:04:10,959

time

117

00:04:16,550 --> 00:04:14,560

late for a smoke

118

00:04:18,390 --> 00:04:16,560

again i would walk around in silence

119

00:04:20,710 --> 00:04:18,400

listening and enjoying nature

120

00:04:21,590 --> 00:04:20,720

a remote and wooded area the woods if

121

00:04:23,830 --> 00:04:21,600

you will

122

00:04:26,070 --> 00:04:23,840

sounds like i'm rambling but i'm setting

123

00:04:27,990 --> 00:04:26,080

the scene in my pattern of behavior

124

00:04:29,270 --> 00:04:28,000

not uncommon for me to be here day or

125

00:04:31,189 --> 00:04:29,280

night so

126

00:04:32,629 --> 00:04:31,199

one morning i go out the back door for

127

00:04:34,629 --> 00:04:32,639

coffee and a smoke

128

00:04:35,909 --> 00:04:34,639

i'm standing at the back door breathing

129

00:04:38,390 --> 00:04:35,919

in the fresh morning air

130

00:04:39,350 --> 00:04:38,400

and take a sip of coffee nothing is out

131

00:04:41,749 --> 00:04:39,360

of normal

132

00:04:44,230 --> 00:04:41,759

birds chirping and critters moving about

133

00:04:46,790 --> 00:04:44,240

then i hear a snort like a deer would do

134

00:04:48,710 --> 00:04:46,800

i look exactly where it came from maybe

135

00:04:50,550 --> 00:04:48,720

100 or less feet away

136

00:04:51,749 --> 00:04:50,560

the woods have the morning light shining

137

00:04:54,310 --> 00:04:51,759

on the line of trees

138

00:04:56,310 --> 00:04:54,320

but beyond that was still mostly dark i

139

00:04:56,950 --> 00:04:56,320

could see about 20 feet into the tree

140

00:04:59,590 --> 00:04:56,960

line

141

00:05:01,510 --> 00:04:59,600

i don't see a deer within two seconds of

142

00:05:02,469 --> 00:05:01,520

the first snort i hear another one as i

143

00:05:04,950 --> 00:05:02,479

am still looking

144

00:05:06,469 --> 00:05:04,960

but not seeing a deer something steps

145

00:05:09,110 --> 00:05:06,479

out from behind a tree

146

00:05:09,510 --> 00:05:09,120

its left side is facing me all i could

147

00:05:11,990 --> 00:05:09,520

see

148

00:05:14,390 --> 00:05:12,000

was a large black shaped step out it

149

00:05:16,469 --> 00:05:14,400

stands there for maybe a few seconds

150

00:05:18,790 --> 00:05:16,479

i know what i was looking at but i had

151

00:05:20,950 --> 00:05:18,800

no reaction other than just watching

152

00:05:23,510 --> 00:05:20,960

it made a noise but not the snorting

153

00:05:25,749 --> 00:05:23,520

kind then it walked into the woods

154

00:05:27,590 --> 00:05:25,759

not only did i see and hear it walk away

155

00:05:29,830 --> 00:05:27,600

but i felt it in the ground

156

00:05:31,670 --> 00:05:29,840

like it was hollow and vibrated no

157

00:05:32,790 --> 00:05:31,680

breaking or snapping branches just

158

00:05:35,270 --> 00:05:32,800

footsteps

159

00:05:37,350 --> 00:05:35,280

almost like an echo in the ground after

160

00:05:39,990 --> 00:05:37,360

about six steps it was gone

161

00:05:41,110 --> 00:05:40,000

nothing changed same birds and critters

162

00:05:43,670 --> 00:05:41,120

moving about

163

00:05:45,350 --> 00:05:43,680

unaffected i stood there processing what

164

00:05:46,230 --> 00:05:45,360

had just happened over the last few

165

00:05:47,590 --> 00:05:46,240

seconds

166

00:05:49,270 --> 00:05:47,600

other than the echoing thuds of

167

00:05:51,350 --> 00:05:49,280

footsteps it was silent

168

00:05:52,790 --> 00:05:51,360

when i realized that i walked forward

169

00:05:55,590 --> 00:05:52,800

slowly to the spot

170

00:05:57,350 --> 00:05:55,600

not sure what i would see nothing where

171

00:05:59,189 --> 00:05:57,360

it was standing the ground was covered

172

00:06:01,189 --> 00:05:59,199

with fallen and old branches

173

00:06:02,629 --> 00:06:01,199

you nor iron ninja could have walked

174

00:06:04,390 --> 00:06:02,639

through here silently

175

00:06:06,710 --> 00:06:04,400

i judged the height and easy eight feet

176  
00:06:08,629 --> 00:06:06,720  
tall based on its head height relative

177  
00:06:10,469 --> 00:06:08,639  
to the tree it stood next to

178  
00:06:13,029 --> 00:06:10,479  
i stood there looking around with no

179  
00:06:14,150 --> 00:06:13,039  
sounds i walked back to the picnic table

180  
00:06:16,469 --> 00:06:14,160  
and sat on it

181  
00:06:17,590 --> 00:06:16,479  
still everything is as normal after the

182  
00:06:19,990 --> 00:06:17,600  
coffee and smoke

183  
00:06:20,870 --> 00:06:20,000  
and observing the wildlife i go and head

184  
00:06:22,950 --> 00:06:20,880  
inside

185  
00:06:24,390 --> 00:06:22,960  
as i reach for the doorknob i feel like

186  
00:06:27,270 --> 00:06:24,400  
i should turn around

187  
00:06:28,070 --> 00:06:27,280  
so i do and scan the treeline again

188  
00:06:30,390 --> 00:06:28,080

nothing

189

00:06:32,150 --> 00:06:30,400

just as i turn the knob while facing the

190

00:06:33,430 --> 00:06:32,160

door i see a flash of light like a

191

00:06:35,270 --> 00:06:33,440

camera flash

192

00:06:38,070 --> 00:06:35,280

like someone behind me just took a

193

00:06:40,150 --> 00:06:38,080

picture instantly i got goosebumps

194

00:06:42,230 --> 00:06:40,160

my hair stood right up and felt like i

195

00:06:43,990 --> 00:06:42,240

couldn't get inside quick enough

196

00:06:46,309 --> 00:06:44,000

strange but uneventful and very

197

00:06:48,710 --> 00:06:46,319

memorable it had to have watched me for

198

00:06:51,029 --> 00:06:48,720

at least 10 seconds before it moved

199

00:06:52,230 --> 00:06:51,039

haven't seen it since it wanted me to

200

00:07:01,350 --> 00:06:52,240

know it was there

201  
00:07:04,469 --> 00:07:03,110  
bigfoot observed while fishing at lake

202  
00:07:06,150 --> 00:07:04,479  
barkley kentucky

203  
00:07:08,550 --> 00:07:06,160  
i currently live in southern illinois

204  
00:07:10,309 --> 00:07:08,560  
with my husband i grew up in rural lyon

205  
00:07:11,589 --> 00:07:10,319  
county kentucky and at home in the woods

206  
00:07:14,230 --> 00:07:11,599  
and around the water

207  
00:07:16,550 --> 00:07:14,240  
my dad and i spent many weekends fishing

208  
00:07:17,350 --> 00:07:16,560  
one early april 2000 one morning when i

209  
00:07:18,950 --> 00:07:17,360  
was 14

210  
00:07:20,950 --> 00:07:18,960  
we pulled a boat out of the slip and

211  
00:07:22,790 --> 00:07:20,960  
headed south into late barkley

212  
00:07:25,430 --> 00:07:22,800  
it was an extremely overcast day with a

213  
00:07:26,309 --> 00:07:25,440

heavy fog in fact we almost canceled

214

00:07:27,990 --> 00:07:26,319

that day

215

00:07:29,909 --> 00:07:28,000

about an hour after we moved into the

216

00:07:31,430 --> 00:07:29,919

river the sun broke through the clouds

217

00:07:33,189 --> 00:07:31,440

and the fog started to lift

218

00:07:35,029 --> 00:07:33,199

so dad said he wanted to try out the

219

00:07:37,189 --> 00:07:35,039

brush piles in one of the shallow bays

220

00:07:38,870 --> 00:07:37,199

off the land between the lake's area

221

00:07:41,110 --> 00:07:38,880

dad pulled in into one of the bays and

222

00:07:42,629 --> 00:07:41,120

dropped anchor we then started fishing

223

00:07:44,070 --> 00:07:42,639

off the brush piles

224

00:07:45,830 --> 00:07:44,080

i can remember that we were landing

225

00:07:46,629 --> 00:07:45,840

crappies and were having a very good

226

00:07:48,710 --> 00:07:46,639

morning

227

00:07:50,469 --> 00:07:48,720

after an hour things slowed down so we

228

00:07:52,710 --> 00:07:50,479

decided to have some lunch

229

00:07:53,670 --> 00:07:52,720

we sat in the boat eating about 100 feet

230

00:07:55,670 --> 00:07:53,680

from shore

231

00:07:58,150 --> 00:07:55,680

i think it was close to noon but i'm not

232

00:07:59,670 --> 00:07:58,160

positive we have finished eating and dad

233

00:08:00,950 --> 00:07:59,680

started to pull the anchor when we heard

234

00:08:02,950 --> 00:08:00,960

a loud splash

235

00:08:05,589 --> 00:08:02,960

we looked towards the brush pile and

236

00:08:07,510 --> 00:08:05,599

again there was a large and loud splash

237

00:08:09,270 --> 00:08:07,520

dad thought someone was throwing rocks

238

00:08:10,309 --> 00:08:09,280

so he said that we need to find another

239

00:08:12,070 --> 00:08:10,319

location

240

00:08:13,749 --> 00:08:12,080

we started to pull off towards the main

241

00:08:15,589 --> 00:08:13,759

lake when i happened to catch a look at

242

00:08:17,510 --> 00:08:15,599

a man walking along the shore after a

243

00:08:19,270 --> 00:08:17,520

walk from behind the brush pile

244

00:08:21,589 --> 00:08:19,280

then i noticed that this was not a man

245

00:08:23,830 --> 00:08:21,599

because it had hair over its entire body

246

00:08:25,589 --> 00:08:23,840

it was a bigfoot i yelled at dad and he

247

00:08:27,350 --> 00:08:25,599

looked as i pointed towards it

248

00:08:28,950 --> 00:08:27,360

he cut the motor off and we sat there

249

00:08:29,749 --> 00:08:28,960

watching the bigfoot throw rocks into

250

00:08:31,189 --> 00:08:29,759

the water

251

00:08:33,350 --> 00:08:31,199

it looked like it was trying to hit

252

00:08:34,870 --> 00:08:33,360

something we watched for several minutes

253

00:08:36,149 --> 00:08:34,880

as the bigfoot moved in and out of the

254

00:08:37,829 --> 00:08:36,159

brush i'm sure

255

00:08:39,269 --> 00:08:37,839

dad wanted to get closer so he could

256

00:08:41,509 --> 00:08:39,279

take a picture on his phone

257

00:08:43,350 --> 00:08:41,519

but i was scared and begged him to leave

258

00:08:45,190 --> 00:08:43,360

the water was shallow and i was afraid

259

00:08:47,030 --> 00:08:45,200

it would get mad and attack us

260

00:08:48,470 --> 00:08:47,040

he tried to get a photo but for some

261

00:08:49,350 --> 00:08:48,480

reason the phone wasn't working

262

00:08:50,870 --> 00:08:49,360

correctly

263

00:08:52,470 --> 00:08:50,880

we then noticed that there was smaller

264

00:08:54,630 --> 00:08:52,480

boat heading towards us

265

00:08:56,389 --> 00:08:54,640

there was a man on the motor as he came

266

00:08:57,350 --> 00:08:56,399

near he cut the motor and looked towards

267

00:08:59,030 --> 00:08:57,360

the bigfoot

268

00:09:00,870 --> 00:08:59,040

he definitely saw it because he looked

269

00:09:01,750 --> 00:09:00,880

back at us with a surprise look on his

270

00:09:03,269 --> 00:09:01,760

face

271

00:09:05,829 --> 00:09:03,279

dad was alarmed and said that we're

272

00:09:07,430 --> 00:09:05,839

leaving by this time he was upset that

273

00:09:08,310 --> 00:09:07,440

someone else had seen us observing the

274

00:09:10,790 --> 00:09:08,320

bigfoot

275

00:09:12,150 --> 00:09:10,800

he recognized the man on the boat my dad

276

00:09:13,829 --> 00:09:12,160

was well known in the area

277

00:09:15,750 --> 00:09:13,839

and he was worried what would happen if

278

00:09:16,550 --> 00:09:15,760

his name was associated with a bigfoot

279

00:09:18,389 --> 00:09:16,560

sighting

280

00:09:19,670 --> 00:09:18,399

when we got home that evening we told

281

00:09:21,990 --> 00:09:19,680

mom what we saw

282

00:09:23,190 --> 00:09:22,000

she was upset as well that's as far as

283

00:09:25,110 --> 00:09:23,200

the story went

284

00:09:26,470 --> 00:09:25,120

i was told to never tell anyone what we

285

00:09:27,430 --> 00:09:26,480

had seen because it would create

286

00:09:29,509 --> 00:09:27,440

problems

287

00:09:30,790 --> 00:09:29,519

i told the story to my husband not long

288

00:09:32,870 --> 00:09:30,800

after we were married

289

00:09:34,710 --> 00:09:32,880

his reaction was favorable and he has

290

00:09:36,470 --> 00:09:34,720

showed interest in what we saw

291

00:09:37,990 --> 00:09:36,480

i guess we can refer to ourselves as

292

00:09:40,230 --> 00:09:38,000

bigfoot enthusiasts

293

00:09:42,310 --> 00:09:40,240

that's my story i wish to remain

294

00:09:43,670 --> 00:09:42,320

anonymous mostly because of my parents

295

00:09:50,930 --> 00:09:43,680

fears of ridicule

296

00:09:52,310 --> 00:09:50,940

thanks for reading

297

[Music]

298

00:09:55,350 --> 00:09:54,000

bigfoot encounters in the american

299

00:09:57,430 --> 00:09:55,360

heartland kansas

300

00:09:59,190 --> 00:09:57,440

when i was in high school my uncle and i

301  
00:10:00,070 --> 00:09:59,200  
would hunt deer in turkey in eastern

302  
00:10:02,470 --> 00:10:00,080  
kansas

303  
00:10:04,470 --> 00:10:02,480  
in 1999 we were new to the mary's stay

304  
00:10:05,990 --> 00:10:04,480  
sequence refuge bull hunting for deer in

305  
00:10:07,910 --> 00:10:06,000  
a swampy woodland area

306  
00:10:09,590 --> 00:10:07,920  
we had been in the same location before

307  
00:10:11,430 --> 00:10:09,600  
and familiar with the layout

308  
00:10:13,030 --> 00:10:11,440  
both of us had portable tree stands

309  
00:10:14,870 --> 00:10:13,040  
overlooking the bottom land

310  
00:10:16,389 --> 00:10:14,880  
we had been in our stance for about an

311  
00:10:18,630 --> 00:10:16,399  
hour it was early morning

312  
00:10:20,710 --> 00:10:18,640  
but i don't remember the time my ankle

313  
00:10:22,470 --> 00:10:20,720

was to the right of me about 50 yards

314

00:10:24,550 --> 00:10:22,480

so we could both see anything moving

315

00:10:26,790 --> 00:10:24,560

below i heard splashing from his

316

00:10:29,190 --> 00:10:26,800

direction and notice and waving at me

317

00:10:30,870 --> 00:10:29,200

the splashing was getting louder i first

318

00:10:31,990 --> 00:10:30,880

thought it may be a small herd of deer

319

00:10:33,829 --> 00:10:32,000

moving my way

320

00:10:35,910 --> 00:10:33,839

as i look through the thickest i noticed

321

00:10:36,710 --> 00:10:35,920

something tall and bulky standing beside

322

00:10:38,710 --> 00:10:36,720

a tree

323

00:10:40,389 --> 00:10:38,720

i then saw something similar a few feet

324

00:10:42,310 --> 00:10:40,399

away from the other figure

325

00:10:43,910 --> 00:10:42,320

i looked over at my uncle he was

326

00:10:45,750 --> 00:10:43,920

crouched down and still

327

00:10:48,310 --> 00:10:45,760

the two figures started to move towards

328

00:10:50,550 --> 00:10:48,320

me then one worked its way into clearing

329

00:10:52,870 --> 00:10:50,560

and i was able to get a good look it was

330

00:10:54,470 --> 00:10:52,880

definitely a bigfoot and it was huge

331

00:10:56,470 --> 00:10:54,480

it was around eight feet tall and

332

00:10:57,110 --> 00:10:56,480

covered head to toe in matted muddy dark

333

00:10:58,630 --> 00:10:57,120

hair

334

00:11:00,790 --> 00:10:58,640

it was reaching into the water and

335

00:11:03,030 --> 00:11:00,800

putting whatever it found in its mouth

336

00:11:05,110 --> 00:11:03,040

i didn't see the other bigfoot it must

337

00:11:07,190 --> 00:11:05,120

have moved off in the other direction

338

00:11:09,430 --> 00:11:07,200

i was as still as possible though i was

339

00:11:10,790 --> 00:11:09,440

shaking this bigfoot was no more than

340

00:11:13,190 --> 00:11:10,800

100 feet from me

341

00:11:13,990 --> 00:11:13,200

though i was 12 foot in the tree i must

342

00:11:15,750 --> 00:11:14,000

have watched it for

343

00:11:17,829 --> 00:11:15,760

10 minutes or so as it waded through the

344

00:11:19,509 --> 00:11:17,839

water eating whatever it pulled out

345

00:11:21,829 --> 00:11:19,519

it eventually walked away from us

346

00:11:23,670 --> 00:11:21,839

towards the woods on the opposite rise

347

00:11:24,949 --> 00:11:23,680

my uncle and i looked at each other but

348

00:11:26,870 --> 00:11:24,959

didn't make a sound

349

00:11:28,630 --> 00:11:26,880

i was ready to get out of there but he

350

00:11:30,710 --> 00:11:28,640

remained in his stand holding his hand

351

00:11:32,470 --> 00:11:30,720

palm out to let me know to hang on

352

00:11:34,150 --> 00:11:32,480

i wasn't even thinking about hunting

353

00:11:37,030 --> 00:11:34,160

deer any further that day

354

00:11:39,269 --> 00:11:37,040

about 15 to 20 minutes had gone by my

355

00:11:41,190 --> 00:11:39,279

uncle started moving off his stand

356

00:11:43,269 --> 00:11:41,200

i did the same dropping the ladder and

357

00:11:44,790 --> 00:11:43,279

climbing down we walked towards each

358

00:11:45,990 --> 00:11:44,800

other and agreed to come back for the

359

00:11:48,710 --> 00:11:46,000

stance later

360

00:11:50,790 --> 00:11:48,720

in fact i didn't go back that afternoon

361

00:11:52,470 --> 00:11:50,800

my dad and grandfather went back with my

362

00:11:53,350 --> 00:11:52,480

uncle to look around and retrieve the

363

00:11:55,509 --> 00:11:53,360

stance

364

00:11:57,190 --> 00:11:55,519

both of them believed we saw the bigfoot

365

00:11:58,870 --> 00:11:57,200

my grandfather said he believes they

366

00:11:59,750 --> 00:11:58,880

were eating freshwater mussels and

367

00:12:01,670 --> 00:11:59,760

snails
