

# **ALIEN ABDUCTION?**

A woman with long brown hair, wearing a sleeveless dress with a tropical print of green leaves and pink flowers, is floating horizontally in a blue, ethereal space. Her hair is blowing in the wind. In the background, a planet with a ring system is visible against a dark blue sky with some light streaks.

**Who are they?  
Where are they  
taking us?**

so you'll be notified of all future

8  
00:00:36,470 --> 00:00:34,870

experience a recall seduction i was in

9  
00:00:38,549 --> 00:00:36,480

nursing school at the time

10  
00:00:39,590 --> 00:00:38,559

renting a small room in the tower-like

11  
00:00:42,709 --> 00:00:39,600

school building

12  
00:00:43,990 --> 00:00:42,719

next to the chuv the university hospital

13  
00:00:46,470 --> 00:00:44,000

of lausanne

14

00:00:47,190 --> 00:00:46,480

at a personal level i wasn't doing very

15

00:00:48,950 --> 00:00:47,200

good

16

00:00:50,709 --> 00:00:48,960

i was struggling with the problem of

17

00:00:52,950 --> 00:00:50,719

bulimia anorexia

18

00:00:54,229 --> 00:00:52,960

i would have a binge eating crisis every

19

00:00:56,549 --> 00:00:54,239

evening and if

20

00:00:58,310 --> 00:00:56,559

for whatever reason i couldn't i would

21

00:01:00,950 --> 00:00:58,320

go into panic mode

22

00:01:01,430 --> 00:01:00,960

much like a junkie but one evening

23

00:01:03,830 --> 00:01:01,440

though

24

00:01:05,590 --> 00:01:03,840

while in my room i became aware that the

25

00:01:08,469 --> 00:01:05,600

compulsion wasn't there

26

00:01:10,070 --> 00:01:08,479

it simply was gone that was startling

27

00:01:12,070 --> 00:01:10,080

and very empowering

28

00:01:13,190 --> 00:01:12,080

i could feel that something was

29

00:01:15,830 --> 00:01:13,200

different in the air

30

00:01:16,870 --> 00:01:15,840

beside that fact without being able to

31

00:01:19,030 --> 00:01:16,880

say what

32

00:01:20,230 --> 00:01:19,040

eventually it was time to go to bed

33

00:01:22,870 --> 00:01:20,240

which i did

34

00:01:23,670 --> 00:01:22,880

as i recall as soon as i laid my head on

35

00:01:25,670 --> 00:01:23,680

the pillow

36

00:01:28,469 --> 00:01:25,680

without going into the phase of getting

37

00:01:29,590 --> 00:01:28,479

asleep i felt myself being powerfully

38

00:01:32,149 --> 00:01:29,600

sucked backwards

39

00:01:33,910 --> 00:01:32,159

extremely quickly with a strong vertigo

40

00:01:36,550 --> 00:01:33,920

feeling in my stomach

41

00:01:37,670 --> 00:01:36,560

next i was aware of being in a circular

42

00:01:39,990 --> 00:01:37,680

dimly lit room

43

00:01:41,190 --> 00:01:40,000

with several rectangular doors or what

44

00:01:44,230 --> 00:01:41,200

felt like doors

45

00:01:46,069 --> 00:01:44,240

along the curved wall unfortunately i

46

00:01:47,830 --> 00:01:46,079

can't describe the environment more

47

00:01:50,310 --> 00:01:47,840

precisely than that

48

00:01:51,109 --> 00:01:50,320

the type of materials how were the doors

49

00:01:53,749 --> 00:01:51,119

exactly

50

00:01:55,350 --> 00:01:53,759

the wall i don't remember i will say

51  
00:01:56,950 --> 00:01:55,360  
though that it didn't feel like i was

52  
00:01:58,789 --> 00:01:56,960  
inside of a craft

53  
00:02:01,590 --> 00:01:58,799  
that's about what i can say about the

54  
00:02:02,069 --> 00:02:01,600  
environment i was aware of lying on my

55  
00:02:04,389 --> 00:02:02,079  
back

56  
00:02:06,389 --> 00:02:04,399  
with a heavy weight on my chest no

57  
00:02:09,510 --> 00:02:06,399  
respiratory problems felt

58  
00:02:09,990 --> 00:02:09,520  
i was viewing afraid but not panicked i

59  
00:02:12,229 --> 00:02:10,000  
began

60  
00:02:13,350 --> 00:02:12,239  
feeling angry because i wanted to stand

61  
00:02:15,589 --> 00:02:13,360  
up and couldn't

62  
00:02:17,830 --> 00:02:15,599  
i was able to move my limbs freely and

63  
00:02:18,390 --> 00:02:17,840

began struggling mightily to try to get

64

00:02:21,350 --> 00:02:18,400

up

65

00:02:23,589 --> 00:02:21,360

i thought to myself gee i'm struggling

66

00:02:24,309 --> 00:02:23,599

so much that when i will open my eyes in

67

00:02:27,510 --> 00:02:24,319

my bed

68

00:02:29,430 --> 00:02:27,520

i will see the mess i'm making in fact i

69

00:02:30,630 --> 00:02:29,440

knew that i was in two places at the

70

00:02:32,869 --> 00:02:30,640

same time

71

00:02:35,190 --> 00:02:32,879

i had the awareness to be in that room

72

00:02:37,350 --> 00:02:35,200

and to still be lying in my bed

73

00:02:38,550 --> 00:02:37,360

i was convinced that the movements i was

74

00:02:41,589 --> 00:02:38,560

making in that room

75

00:02:42,550 --> 00:02:41,599

i or my body was making them in my bed

76

00:02:44,150 --> 00:02:42,560

also

77

00:02:46,869 --> 00:02:44,160

i think this is what is called

78

00:02:48,309 --> 00:02:46,879

billocation i was aware of the presence

79

00:02:50,390 --> 00:02:48,319

of one or more beings

80

00:02:51,670 --> 00:02:50,400

responsible for the weight i was feeling

81

00:02:53,670 --> 00:02:51,680

on my chest

82

00:02:55,670 --> 00:02:53,680

i didn't have the feeling that an entity

83

00:02:57,670 --> 00:02:55,680

was literally sitting on my chest

84

00:02:59,910 --> 00:02:57,680

though i don't remember either the

85

00:03:02,070 --> 00:02:59,920

number of beings nor how they looked

86

00:03:03,350 --> 00:03:02,080

to the most something that i could say

87

00:03:06,149 --> 00:03:03,360

would be a color

88

00:03:07,670 --> 00:03:06,159

brownish but with regard to their shape

89

00:03:10,309 --> 00:03:07,680

height and other details

90

00:03:12,070 --> 00:03:10,319

it's not in my memory i don't remember

91

00:03:13,350 --> 00:03:12,080

what might have happened further in that

92

00:03:15,589 --> 00:03:13,360

circular room

93

00:03:16,869 --> 00:03:15,599

what i do remember next is opening my

94

00:03:19,030 --> 00:03:16,879

eyes in my bedroom

95

00:03:21,190 --> 00:03:19,040

utterly shocked to find myself laying

96

00:03:23,270 --> 00:03:21,200

fine in my undisturbed bed

97

00:03:25,430 --> 00:03:23,280

that fact was even more shocking to me

98

00:03:27,750 --> 00:03:25,440

than the rest of the experience

99

00:03:28,470 --> 00:03:27,760

i spent the next day at school trying to

100

00:03:31,030 --> 00:03:28,480

understand

101  
00:03:31,670 --> 00:03:31,040  
just what had happened i knew it was not

102  
00:03:34,710 --> 00:03:31,680  
a dream

103  
00:03:37,110 --> 00:03:34,720  
it felt completely different at the time

104  
00:03:38,710 --> 00:03:37,120  
i had next to zero awareness of eastern

105  
00:03:41,270 --> 00:03:38,720  
times aliens

106  
00:03:43,350 --> 00:03:41,280  
zero awareness of abductions it was

107  
00:03:45,910 --> 00:03:43,360  
making sense to me that we humans were

108  
00:03:48,070 --> 00:03:45,920  
not the only sentient species out there

109  
00:03:50,470 --> 00:03:48,080  
but that was about it at the time

110  
00:03:52,550 --> 00:03:50,480  
in the evening of that second day i got

111  
00:03:53,750 --> 00:03:52,560  
the sensation that the experience would

112  
00:03:56,550 --> 00:03:53,760  
happen again

113  
00:03:57,509 --> 00:03:56,560

i was feeling somewhat afraid but again

114

00:04:00,229 --> 00:03:57,519

strangely

115

00:04:02,309 --> 00:04:00,239

not panicked nor terrorized when i went

116

00:04:05,750 --> 00:04:02,319

to bed and laid my head on the pillow

117

00:04:08,229 --> 00:04:05,760

it happened again i thought to myself oh

118

00:04:09,350 --> 00:04:08,239

no while feeling the sucking backwards

119

00:04:12,229 --> 00:04:09,360

phenomenon

120

00:04:13,750 --> 00:04:12,239

and the exact same scenario repeated i

121

00:04:16,150 --> 00:04:13,760

was in the same place

122

00:04:16,789 --> 00:04:16,160

laying on my back same weight on my

123

00:04:19,990 --> 00:04:16,799

chest

124

00:04:21,990 --> 00:04:20,000

again unable to free myself and stand up

125

00:04:25,189 --> 00:04:22,000

next thing i remember is like the night

126

00:04:27,030 --> 00:04:25,199

prior i open my eyes in my bedroom

127

00:04:28,629 --> 00:04:27,040

not recalling anything more of what

128

00:04:29,510 --> 00:04:28,639

might have happened in that circular

129

00:04:31,990 --> 00:04:29,520

room

130

00:04:32,629 --> 00:04:32,000

now on the third day i was feeling fed

131

00:04:35,030 --> 00:04:32,639

up

132

00:04:35,909 --> 00:04:35,040

i was mentally preparing for being able

133

00:04:39,430 --> 00:04:35,919

this time

134

00:04:41,270 --> 00:04:39,440

to stand up i was going to show them

135

00:04:43,510 --> 00:04:41,280

i was anticipating the night in the

136

00:04:45,590 --> 00:04:43,520

reoccurrence of the experience

137

00:04:47,749 --> 00:04:45,600

so when it did happen again i was

138

00:04:50,469 --> 00:04:47,759

satisfied and all pumped up

139

00:04:52,790 --> 00:04:50,479

however the same scenario repeated and i

140

00:04:53,510 --> 00:04:52,800

was unable to stand up in that circular

141

00:04:55,749 --> 00:04:53,520

room

142

00:04:57,110 --> 00:04:55,759

i prepared for a fourth occurrence but

143

00:04:59,670 --> 00:04:57,120

it didn't happen

144

00:05:01,029 --> 00:04:59,680

it never happened again since on the

145

00:05:03,350 --> 00:05:01,039

fifth or sixth day

146

00:05:12,310 --> 00:05:03,360

my eating compulsion came back and my

147

00:05:16,909 --> 00:05:14,950

alien abduction shocks eyewitness i

148

00:05:18,390 --> 00:05:16,919

witnessed an alien abduction back in

149

00:05:20,950 --> 00:05:18,400

2006.

150

00:05:22,710 --> 00:05:20,960

this occurred when i was 20 years old it

151  
00:05:24,710 --> 00:05:22,720  
was sometime during the week

152  
00:05:26,710 --> 00:05:24,720  
i was driving from work straight to my

153  
00:05:28,469 --> 00:05:26,720  
then girlfriend's house for dinner

154  
00:05:30,390 --> 00:05:28,479  
she lived with her mother grandmother

155  
00:05:32,310 --> 00:05:30,400  
and younger sister so it was just the

156  
00:05:34,469 --> 00:05:32,320  
four of them living at the house

157  
00:05:36,469 --> 00:05:34,479  
i helped set up the table for dinner

158  
00:05:38,550 --> 00:05:36,479  
after having dinner my girlfriend and i

159  
00:05:40,710 --> 00:05:38,560  
spent about two hours up in her room

160  
00:05:42,150 --> 00:05:40,720  
laying around talking and making plans

161  
00:05:44,070 --> 00:05:42,160  
for the coming weekend

162  
00:05:45,430 --> 00:05:44,080  
it was getting late and i had to be up

163  
00:05:48,070 --> 00:05:45,440

early the following morning

164

00:05:48,870 --> 00:05:48,080

so i decided to call it a night i put on

165

00:05:50,830 --> 00:05:48,880

my jacket

166

00:05:53,270 --> 00:05:50,840

kissed my girlfriend goodbye and headed

167

00:05:54,550 --> 00:05:53,280

downstairs i made my way towards the

168

00:05:55,350 --> 00:05:54,560

front door which lead through the

169

00:05:57,590 --> 00:05:55,360

kitchen

170

00:05:59,350 --> 00:05:57,600

before i could even make another move i

171

00:06:01,110 --> 00:05:59,360

saw two creatures leading the younger

172

00:06:03,350 --> 00:06:01,120

sister towards the front door

173

00:06:05,189 --> 00:06:03,360

i was absolutely stunned it was so

174

00:06:07,110 --> 00:06:05,199

shocking that i felt like i was out of

175

00:06:09,189 --> 00:06:07,120

my body watching this happen

176

00:06:10,390 --> 00:06:09,199

they were both small in size with long

177

00:06:12,950 --> 00:06:10,400

arms and a long neck

178

00:06:14,230 --> 00:06:12,960

and wore tight black jumpsuits i stood

179

00:06:15,270 --> 00:06:14,240

there watching them walk straight

180

00:06:17,350 --> 00:06:15,280

through the wall

181

00:06:19,270 --> 00:06:17,360

there was another one much taller his

182

00:06:21,029 --> 00:06:19,280

face looked scaled and brown

183

00:06:23,029 --> 00:06:21,039

he was wearing a robe with a hood over

184

00:06:23,830 --> 00:06:23,039

his head he honestly looked like a

185

00:06:25,350 --> 00:06:23,840

lizard

186

00:06:27,350 --> 00:06:25,360

he came out of the bedroom from where

187

00:06:28,870 --> 00:06:27,360

the other two came from leading the way

188

00:06:31,189 --> 00:06:28,880

for the younger sister

189

00:06:32,070 --> 00:06:31,199

at this point i was panting my heart was

190

00:06:33,749 --> 00:06:32,080

racing

191

00:06:35,590 --> 00:06:33,759

i don't remember anything else but

192

00:06:38,150 --> 00:06:35,600

waking up next to my girlfriend

193

00:06:39,670 --> 00:06:38,160

upstairs in her bedroom i remember so

194

00:06:41,590 --> 00:06:39,680

vividly that this happened

195

00:06:43,590 --> 00:06:41,600

i remember every detail and the fear

196

00:06:45,590 --> 00:06:43,600

that overtook my entire being

197

00:06:47,270 --> 00:06:45,600

the sister was spotted by neighbors

198

00:06:47,990 --> 00:06:47,280

laying naked and unconscious in the

199

00:06:50,309 --> 00:06:48,000

front yard

200

00:06:51,670 --> 00:06:50,319

the same night i told my girlfriend

201  
00:06:53,510 --> 00:06:51,680  
everything i saw

202  
00:06:54,790 --> 00:06:53,520  
she told me that this has been occurring

203  
00:06:57,270 --> 00:06:54,800  
since she was a child

204  
00:06:59,270 --> 00:06:57,280  
and they kept it as a family secret this

205  
00:07:00,070 --> 00:06:59,280  
also was a big reason why their father

206  
00:07:02,550 --> 00:07:00,080  
had left them

207  
00:07:04,469 --> 00:07:02,560  
years ago after this experience there's

208  
00:07:04,950 --> 00:07:04,479  
been other paranormal happenings at that

209  
00:07:06,950 --> 00:07:04,960  
house

210  
00:07:08,710 --> 00:07:06,960  
particularly with the sister we

211  
00:07:10,390 --> 00:07:08,720  
continued to date for a little over a

212  
00:07:11,510 --> 00:07:10,400  
year after the first occurrence and

213  
00:07:13,670 --> 00:07:11,520

finally broke up

214

00:07:15,670 --> 00:07:13,680

but kept in touch for several years and

215

00:07:16,870 --> 00:07:15,680

the strange happenings only got more and

216

00:07:18,870 --> 00:07:16,880

more intense

217

00:07:20,390 --> 00:07:18,880

it's been eight years now since i last

218

00:07:27,909 --> 00:07:20,400

spoke to the girlfriend

219

00:07:32,230 --> 00:07:31,350

alien abduction 32 years of constant

220

00:07:35,029 --> 00:07:32,240

fear

221

00:07:37,830 --> 00:07:35,039

in october 1988 a friend and i had an

222

00:07:39,909 --> 00:07:37,840

astonishing ufo sighting and encounter

223

00:07:41,029 --> 00:07:39,919

we were both in our sophomore year of

224

00:07:42,950 --> 00:07:41,039

high school

225

00:07:45,510 --> 00:07:42,960

i will talk about that incident later in

226

00:07:48,309 --> 00:07:45,520

my story but first i want to relate

227

00:07:50,950 --> 00:07:48,319

other experiences two years later

228

00:07:53,270 --> 00:07:50,960

strange things started to happen to me

229

00:07:55,110 --> 00:07:53,280

on my 18th birthday i went to bed about

230

00:07:58,070 --> 00:07:55,120

11 30 p.m

231

00:08:00,390 --> 00:07:58,080

all i remember was laying down sometime

232

00:08:03,110 --> 00:08:00,400

around 3 am i woke up in the backyard

233

00:08:05,029 --> 00:08:03,120

freezing and absolutely terrified

234

00:08:07,589 --> 00:08:05,039

what i don't understand is if i was

235

00:08:08,309 --> 00:08:07,599

sleepwalking why didn't my parents wake

236

00:08:10,309 --> 00:08:08,319

up

237

00:08:12,869 --> 00:08:10,319

i know my mom should have because she

238

00:08:14,710 --> 00:08:12,879

has always been a very light sleeper

239

00:08:16,629 --> 00:08:14,720

after the incident i couldn't sleep at

240

00:08:19,589 --> 00:08:16,639

all for the next three nights

241

00:08:21,270 --> 00:08:19,599

in november 1994 i was living alone in a

242

00:08:22,550 --> 00:08:21,280

house that a friend's grandmother had

243

00:08:24,469 --> 00:08:22,560

rented to me

244

00:08:26,150 --> 00:08:24,479

one night i was laying on the couch

245

00:08:28,390 --> 00:08:26,160

watching television

246

00:08:29,510 --> 00:08:28,400

after the program i rolled over and went

247

00:08:31,749 --> 00:08:29,520

to sleep

248

00:08:33,829 --> 00:08:31,759

not long after i was awakened by very

249

00:08:35,589 --> 00:08:33,839

intense bright white lights

250

00:08:36,870 --> 00:08:35,599

at first i thought someone had pulled

251

00:08:38,870 --> 00:08:36,880

into my driveway

252

00:08:40,790 --> 00:08:38,880

and i started to get up to see who it

253

00:08:42,469 --> 00:08:40,800

was i thought it might have been a

254

00:08:42,949 --> 00:08:42,479

friend of mine who lived right up the

255

00:08:44,550 --> 00:08:42,959

road

256

00:08:46,710 --> 00:08:44,560

because he had come to the house that

257

00:08:48,550 --> 00:08:46,720

laid on a number of occasions because he

258

00:08:50,470 --> 00:08:48,560

worked the second shift

259

00:08:52,310 --> 00:08:50,480

as i was starting to get out of bed to

260

00:08:53,670 --> 00:08:52,320

see you it was an overwhelming terror

261

00:08:55,750 --> 00:08:53,680

came over me

262

00:08:56,949 --> 00:08:55,760

i laid back down and pulled the covers

263

00:08:58,790 --> 00:08:56,959

over my head

264

00:09:00,870 --> 00:08:58,800

that's all i remember until the next

265

00:09:02,630 --> 00:09:00,880

morning when i woke up with my feet on

266

00:09:04,710 --> 00:09:02,640

the back of the couch and my head and

267

00:09:06,070 --> 00:09:04,720

body on the floor with my shirt on the

268

00:09:09,030 --> 00:09:06,080

wrong side out

269

00:09:10,630 --> 00:09:09,040

i had a similar experience in 1996 at a

270

00:09:11,750 --> 00:09:10,640

different house in a different part of

271

00:09:14,310 --> 00:09:11,760

the country

272

00:09:16,710 --> 00:09:14,320

now it's happened again early this

273

00:09:19,110 --> 00:09:16,720

morning at around 5 00 a.m i woke and

274

00:09:20,389 --> 00:09:19,120

swear i saw three small figures standing

275

00:09:22,470 --> 00:09:20,399

next to the bed

276

00:09:23,670 --> 00:09:22,480

it was pitch black because the power had

277

00:09:25,750 --> 00:09:23,680

gone off

278

00:09:27,509 --> 00:09:25,760

i immediately rolled back over and put

279

00:09:28,310 --> 00:09:27,519

the covers over my head and thought to

280

00:09:31,030 --> 00:09:28,320

myself

281

00:09:31,910 --> 00:09:31,040

i didn't see that i don't want to see

282

00:09:33,829 --> 00:09:31,920

that

283

00:09:35,910 --> 00:09:33,839

after a few minutes and without taking

284

00:09:36,949 --> 00:09:35,920

the covers off of my head i reached over

285

00:09:39,430 --> 00:09:36,959

on the nightstand

286

00:09:41,670 --> 00:09:39,440

and got my flashlight raised up out of

287

00:09:42,790 --> 00:09:41,680

bed and simultaneously turned on the

288

00:09:45,509 --> 00:09:42,800

flashlight

289

00:09:47,269 --> 00:09:45,519

there was nothing there i was terrified

290

00:09:48,310 --> 00:09:47,279

because it felt like someone was in the

291

00:09:50,790 --> 00:09:48,320

bedroom with me

292

00:09:52,710 --> 00:09:50,800

even though i could not see anything

293

00:09:54,470 --> 00:09:52,720

oddly enough as soon as i clicked on the

294

00:09:56,389 --> 00:09:54,480

flashlight the power came back on

295

00:09:57,829 --> 00:09:56,399

immediately afterwards

296

00:10:00,150 --> 00:09:57,839

i'm not claiming that i have been

297

00:10:01,910 --> 00:10:00,160

abducted but if i was i simply don't

298

00:10:03,509 --> 00:10:01,920

want to know the details

299

00:10:05,269 --> 00:10:03,519

i'm overly concerned that these

300

00:10:07,269 --> 00:10:05,279

experiences will continue

301  
00:10:09,269 --> 00:10:07,279  
and that i will eventually become aware

302  
00:10:11,829 --> 00:10:09,279  
that an abduction is occurring

303  
00:10:14,870 --> 00:10:11,839  
i have never received any communication

304  
00:10:17,110 --> 00:10:14,880  
and i cannot find any marks on my body

305  
00:10:19,910 --> 00:10:17,120  
the only symptoms i have are insomnia

306  
00:10:22,630 --> 00:10:19,920  
for several days and loss of appetite

307  
00:10:24,470 --> 00:10:22,640  
but i don't get tired or sleepy i have

308  
00:10:25,590 --> 00:10:24,480  
noticed that some items in the house are

309  
00:10:28,069 --> 00:10:25,600  
moved around and

310  
00:10:29,750 --> 00:10:28,079  
in fact a few things have gone missing

311  
00:10:32,389 --> 00:10:29,760  
including a perfume bottle

312  
00:10:33,030 --> 00:10:32,399  
a hairbrush and a blanket to be honest

313  
00:10:35,509 --> 00:10:33,040

with you

314

00:10:38,949 --> 00:10:35,519

my real concern centers around my father

315

00:10:40,389 --> 00:10:38,959

and the ufo incident in october 1988.

316

00:10:43,110 --> 00:10:40,399

the night i had the sighting and

317

00:10:44,949 --> 00:10:43,120

encounter my father went missing

318

00:10:47,350 --> 00:10:44,959

he has never been seen or heard from

319

00:10:49,590 --> 00:10:47,360

again he had previously claimed that he

320

00:10:51,269 --> 00:10:49,600

has been abducted by extraterrestrials

321

00:10:52,870 --> 00:10:51,279

and that these beings performed

322

00:10:55,110 --> 00:10:52,880

experiments on him

323

00:10:57,190 --> 00:10:55,120

the encounter my friend and i had was

324

00:10:59,350 --> 00:10:57,200

very scary and confusing

325

00:11:01,110 --> 00:10:59,360

we have never been able to talk about to

326

00:11:03,590 --> 00:11:01,120

each other even though we are still

327

00:11:04,790 --> 00:11:03,600

close i have an awful feeling something

328

00:11:06,790 --> 00:11:04,800

may happen to me

329

00:11:08,470 --> 00:11:06,800

and that i may actually find out what

330

00:11:10,150 --> 00:11:08,480

became of my father

331

00:11:13,670 --> 00:11:10,160

i've seen psychiatrists and

332

00:11:15,990 --> 00:11:13,680

psychologists for almost 25 years now

333

00:11:16,949 --> 00:11:16,000

no one has been able to alleviate my

334

00:11:24,470 --> 00:11:16,959

fear

335

00:11:28,790 --> 00:11:26,550

appalling alien abduction i just know

336

00:11:30,949 --> 00:11:28,800

that they will be back one early morning

337

00:11:31,990 --> 00:11:30,959

in the winter of 1990 i awoke from a

338

00:11:33,750 --> 00:11:32,000

very deep sleep

339

00:11:35,110 --> 00:11:33,760

feeling nervous as my heart pounded

340

00:11:38,150 --> 00:11:35,120

heavily it was 3

341

00:11:39,910 --> 00:11:38,160

35 am and still dark outside i sensed

342

00:11:41,509 --> 00:11:39,920

that there was someone in my bedroom but

343

00:11:41,990 --> 00:11:41,519

all i could see was a spot of light in

344

00:11:44,230 --> 00:11:42,000

the corner

345

00:11:46,230 --> 00:11:44,240

by the dresser suddenly several hands

346

00:11:48,150 --> 00:11:46,240

grabbed me from all around the bed

347

00:11:50,069 --> 00:11:48,160

i attempted to scream but could not move

348

00:11:50,790 --> 00:11:50,079

or say anything nothing came out of my

349

00:11:52,949 --> 00:11:50,800

mouth

350

00:11:54,790 --> 00:11:52,959

within seconds i found myself lying on a

351  
00:11:56,310 --> 00:11:54,800  
cold hard table completely nude and

352  
00:11:57,910 --> 00:11:56,320  
terribly uncomfortable

353  
00:11:59,829 --> 00:11:57,920  
i looked around me and there were four

354  
00:12:01,110 --> 00:11:59,839  
small beings and hoods and loose robes

355  
00:12:02,949 --> 00:12:01,120  
standing around me

356  
00:12:04,470 --> 00:12:02,959  
they were conversing with each other but

357  
00:12:04,949 --> 00:12:04,480  
i could not understand what they were

358  
00:12:06,629 --> 00:12:04,959  
saying

359  
00:12:08,870 --> 00:12:06,639  
since it sounded like a young child's

360  
00:12:09,990 --> 00:12:08,880  
gibberish i felt something touching me

361  
00:12:12,310 --> 00:12:10,000  
all over my body but

362  
00:12:13,910 --> 00:12:12,320  
could see nothing the being's faces had

363  
00:12:15,030 --> 00:12:13,920

a weird glow with sagging folds of

364

00:12:16,629 --> 00:12:15,040

shining skin

365

00:12:18,470 --> 00:12:16,639

after what seemed like forever these

366

00:12:20,710 --> 00:12:18,480

beings slowing move the side and this

367

00:12:23,590 --> 00:12:20,720

human-like man walk up to my side

368

00:12:25,590 --> 00:12:23,600

he was tall bald and had very pale skin

369

00:12:26,629 --> 00:12:25,600

he also had large round eyes and was

370

00:12:28,470 --> 00:12:26,639

very slim

371

00:12:29,910 --> 00:12:28,480

he came over to the table and started to

372

00:12:31,590 --> 00:12:29,920

talk to me in english

373

00:12:33,430 --> 00:12:31,600

he calmly said that he was perplexed

374

00:12:35,110 --> 00:12:33,440

that i was so scared since he made it

375

00:12:37,509 --> 00:12:35,120

clear the last time that they had met

376

00:12:38,949 --> 00:12:37,519

he would return to ask a favor he then

377

00:12:40,710 --> 00:12:38,959

turned and raised his hand

378

00:12:42,710 --> 00:12:40,720

gesturing to a woman who walked into the

379

00:12:44,389 --> 00:12:42,720

room she seemed to be a normal human

380

00:12:46,230 --> 00:12:44,399

female and quite beautiful

381

00:12:47,509 --> 00:12:46,240

she had a small bundle in her arms and

382

00:12:49,430 --> 00:12:47,519

walked over to me

383

00:12:50,870 --> 00:12:49,440

it was an infant but it had pale skin

384

00:12:52,470 --> 00:12:50,880

and didn't look quite human

385

00:12:54,150 --> 00:12:52,480

the tall man instructed me that he

386

00:12:54,870 --> 00:12:54,160

wanted me to take the infant and care

387

00:12:56,629 --> 00:12:54,880

for it

388

00:12:58,470 --> 00:12:56,639

it needed the love of a human mother

389

00:12:59,750 --> 00:12:58,480

since their race did not understand the

390

00:13:01,350 --> 00:12:59,760

emotion of love

391

00:13:03,030 --> 00:13:01,360

i told him that i couldn't because i

392

00:13:04,710 --> 00:13:03,040

already had a child and it was hard

393

00:13:06,230 --> 00:13:04,720

enough raising my son alone

394

00:13:08,629 --> 00:13:06,240

since times were difficult for me

395

00:13:10,230 --> 00:13:08,639

currently he raised his head up and down

396

00:13:12,470 --> 00:13:10,240

as if agreeing with what i said and

397

00:13:14,310 --> 00:13:12,480

passed his hands across my eyes

398

00:13:16,069 --> 00:13:14,320

i must have passed out because i awoke

399

00:13:17,910 --> 00:13:16,079

and found myself in my bed

400

00:13:20,470 --> 00:13:17,920

it was daylight and i figured that i had

401  
00:13:22,550 --> 00:13:20,480  
been gone for about five hours

402  
00:13:24,550 --> 00:13:22,560  
when i tried to get out of bed my legs

403  
00:13:26,230 --> 00:13:24,560  
and hips were very stiff and sore

404  
00:13:27,910 --> 00:13:26,240  
i carefully stood up and noticed two

405  
00:13:28,710 --> 00:13:27,920  
large spots of wet blood on the bed

406  
00:13:30,470 --> 00:13:28,720  
sheets

407  
00:13:32,790 --> 00:13:30,480  
the experience with the beans was still

408  
00:13:35,030 --> 00:13:32,800  
fresh on my mind but i had no idea that

409  
00:13:37,509 --> 00:13:35,040  
i had endured any probing or surgery

410  
00:13:39,269 --> 00:13:37,519  
a few days later i decided to schedule a

411  
00:13:40,230 --> 00:13:39,279  
doctor's appointment just to make sure i

412  
00:13:42,310 --> 00:13:40,240  
was okay

413  
00:13:44,069 --> 00:13:42,320

the doctor recommended a full physical

414

00:13:44,629 --> 00:13:44,079

since my blood pressure was higher than

415

00:13:46,470 --> 00:13:44,639

usual

416

00:13:47,990 --> 00:13:46,480

and my ankles were swollen an

417

00:13:50,470 --> 00:13:48,000

appointment was made at my local

418

00:13:52,710 --> 00:13:50,480

hospital for x-rays and blood work to

419

00:13:54,550 --> 00:13:52,720

make a long story short i returned to my

420

00:13:55,910 --> 00:13:54,560

doctor's office a few days after the

421

00:13:57,910 --> 00:13:55,920

tests were performed

422

00:13:59,990 --> 00:13:57,920

when i walked into her office she asked

423

00:14:01,350 --> 00:14:00,000

me to sit down and explain that my right

424

00:14:03,030 --> 00:14:01,360

kidney was missing

425

00:14:05,430 --> 00:14:03,040

she said that it was probably missing

426  
00:14:07,269 --> 00:14:05,440  
since birth and was just never noticed

427  
00:14:08,710 --> 00:14:07,279  
i found this hard to believe since i had

428  
00:14:11,269 --> 00:14:08,720  
given birth to my child

429  
00:14:13,030 --> 00:14:11,279  
and have had other x-rays in the past i

430  
00:14:14,629 --> 00:14:13,040  
just agreed with her assessment and was

431  
00:14:16,550 --> 00:14:14,639  
instructed that i would need to start

432  
00:14:18,710 --> 00:14:16,560  
taking hypertension medication

433  
00:14:20,710 --> 00:14:18,720  
and would need to be regularly monitored

434  
00:14:22,550 --> 00:14:20,720  
i am positive that the beings removed my

435  
00:14:23,670 --> 00:14:22,560  
kidney and performed other experiments

436  
00:14:25,430 --> 00:14:23,680  
on my body

437  
00:14:27,269 --> 00:14:25,440  
though it has been almost 20 years since

438  
00:14:28,310 --> 00:14:27,279

that encounter i just know that they

439

00:14:29,829 --> 00:14:28,320

will be back

440
