00:00:36,790 --> 00:00:33,920

alien abduction the night they took my

10
00:00:38,709 --> 00:00:36,800

sister in 1988 our family lived in a

11
00:00:39,910 --> 00:00:38,719

small apartment in a town in aglais

12
00:00:41,670 --> 00:00:39,920

county ohio

13
00:00:43,190 --> 00:00:41,680

i don't want to give the location or our

14

00:00:45,750 --> 00:00:43,200

name at the time

15

00:00:47,590 --> 00:00:45,760

i was 11 years old and my 10 month old

16

00:00:49,750 --> 00:00:47,600

sister and i shared a bedroom

17

00:00:51,670 --> 00:00:49,760

one night while we were asleep i noticed

18

00:00:53,029 --> 00:00:51,680

a constant droning sound coming from

19

00:00:54,950 --> 00:00:53,039

outside our window

20

00:00:56,310 --> 00:00:54,960

it continued for several minutes then

21

00:00:58,150 --> 00:00:56,320

eventually stopped

22

00:01:00,229 --> 00:00:58,160

a few nights later the same sound

23

00:01:00,790 --> 00:01:00,239

started i looked at the clock and it

24

00:01:03,990 --> 00:01:00,800

read 3

25

00:01:05,030 --> 00:01:04,000

24 am this time the sound continued for

26

00:01:06,630 --> 00:01:05,040

many minutes

27

00:01:08,870 --> 00:01:06,640

i got out of bed and looked out the

28

00:01:10,630 --> 00:01:08,880

window i noticed a small bright white

29

00:01:11,350 --> 00:01:10,640

light high in the sky that seemed to

30

00:01:13,590 --> 00:01:11,360

pulse

31

00:01:15,670 --> 00:01:13,600

i watched the light for a few minutes it

32

00:01:17,270 --> 00:01:15,680

never moved except for the pulsing

33

00:01:19,830 --> 00:01:17,280

then it disappeared and the droning

34

00:01:21,910 --> 00:01:19,840

sound stopped the next morning i told my

35

00:01:23,350 --> 00:01:21,920

mother about the sound and the light

36

00:01:25,590 --> 00:01:23,360

she said that she hadn't noticed

37

00:01:27,990 --> 00:01:25,600

anything a couple of nights later

38

00:01:29,910 --> 00:01:28,000

i was getting ready for bed my sister

39

00:01:31,749 --> 00:01:29,920

was already asleep in her crib

40

00:01:34,310 --> 00:01:31,759

i walked into the bedroom and noticed a

41

00:01:35,030 --> 00:01:34,320

weird odor it reminded me of antiseptic

42

00:01:36,950 --> 00:01:35,040

cleaner

43

00:01:39,190 --> 00:01:36,960

i looked toward my sister's crib and it

44

00:01:41,109 --> 00:01:39,200

was empty i had been in the bathroom

45

00:01:43,590 --> 00:01:41,119

previously so i thought my mother had

46

00:01:45,670 --> 00:01:43,600

taken my sister to my parents bedroom

47

00:01:47,270 --> 00:01:45,680

i laid on my bed reading a magazine with

48

00:01:49,749 --> 00:01:47,280

the radio very low

49

00:01:51,429 --> 00:01:49,759

after a while i looked at the clock it

50

00:01:53,590 --> 00:01:51,439

was 10 20 pm

51
00:01:55,429 --> 00:01:53,600
i figured that my mother fell asleep and

52
00:01:57,270 --> 00:01:55,439
my sister would sleep with her

53
00:01:59,109 --> 00:01:57,280
my father worked night shift so

54
00:02:00,149 --> 00:01:59,119
occasionally my sister stayed the night

55
00:02:02,149 --> 00:02:00,159
with my mother

56
00:02:03,749 --> 00:02:02,159
i was getting sleepy so i turned the

57
00:02:05,910 --> 00:02:03,759
light off and laid down

58
00:02:07,990 --> 00:02:05,920
at some point i was startled by a weird

59
00:02:10,309 --> 00:02:08,000
dream i remember being frozen

60
00:02:11,990 --> 00:02:10,319
and not being able to move i suddenly

61
00:02:14,390 --> 00:02:12,000
woke and opened my eyes

62
00:02:15,990 --> 00:02:14,400
i felt very cold even though it was july

63
00:02:16,790 --> 00:02:16,000

and we didn't have air conditioning at

64

00:02:19,270 --> 00:02:16,800

the time

65

00:02:21,190 --> 00:02:19,280

the droning sound had started again i

66

00:02:22,150 --> 00:02:21,200

tried to get out of bed but was unable

67

00:02:24,630 --> 00:02:22,160

to do so

68

00:02:26,710 --> 00:02:24,640

i felt very weak and disoriented the

69

00:02:28,869 --> 00:02:26,720

droning sound was getting much louder

70

00:02:30,470 --> 00:02:28,879

and it was beginning to get a headache i

71

00:02:33,030 --> 00:02:30,480

tried to call out to my mother

72

00:02:34,070 --> 00:02:33,040

but no sound came out of my mouth then

73

00:02:36,150 --> 00:02:34,080

suddenly the bedroom

74

00:02:38,470 --> 00:02:36,160

started to fill up with white light it

75

00:02:40,309 --> 00:02:38,480

was brightest above my sister's crib

76

00:02:42,070 --> 00:02:40,319

as the light intensified i noticed

77

00:02:44,710 --> 00:02:42,080

something coming through the wall

78

00:02:46,710 --> 00:02:44,720

as i watched the form became visible it

79

00:02:47,910 --> 00:02:46,720

was my sister floating above the crib in

80

00:02:49,350 --> 00:02:47,920

the prone position

81

00:02:51,350 --> 00:02:49,360

she had come through the light and

82

00:02:53,190 --> 00:02:51,360

through the wall her body slowly

83

00:02:55,270 --> 00:02:53,200

descended into the crib and the light

84

00:02:56,229 --> 00:02:55,280

as well as the droning sound began to

85

00:02:58,949 --> 00:02:56,239

diminish

86

00:03:01,030 --> 00:02:58,959

instantly i regained all of my faculties

87

00:03:01,830 --> 00:03:01,040

i jumped out of bed and went over to my

88

00:03:04,390 --> 00:03:01,840

sister

89

00:03:06,070 --> 00:03:04,400

she was asleep and seemed fine i stood

90

00:03:07,670 --> 00:03:06,080

there by the crib and watched her while

91

00:03:08,550 --> 00:03:07,680

thinking i should tell my mother what i

92

00:03:11,030 --> 00:03:08,560

witnessed

93

00:03:13,270 --> 00:03:11,040

i decided that this would be my secret

94

00:03:14,149 --> 00:03:13,280

not long after that we moved to a larger

95

00:03:16,710 --> 00:03:14,159

apartment

96

00:03:18,070 --> 00:03:16,720

my sister and i both had our own rooms

97

00:03:20,149 --> 00:03:18,080

now to the present

98

00:03:21,589 --> 00:03:20,159

last week my sister and i got together

99

00:03:23,430 --> 00:03:21,599

at her home in michigan

100

00:03:25,750 --> 00:03:23,440

she has her own family and two great

101
00:03:26,309 --> 00:03:25,760
kids as we sat in her living room

102
00:03:28,070 --> 00:03:26,319
talking

103
00:03:30,149 --> 00:03:28,080
she started to tell me about something

104
00:03:31,670 --> 00:03:30,159
her five-year-old daughter told her

105
00:03:33,830 --> 00:03:31,680
it seems that her daughter had an

106
00:03:35,990 --> 00:03:33,840
experience very similar to my sister's

107
00:03:37,670 --> 00:03:36,000
incident when she was 10 years old

108
00:03:39,670 --> 00:03:37,680
i detailed to her what had happened to

109
00:03:41,190 --> 00:03:39,680
her she looked at me and mentioned that

110
00:03:42,309 --> 00:03:41,200
she thought that she had experienced

111
00:03:44,070 --> 00:03:42,319
several abductions

112
00:03:46,309 --> 00:03:44,080
and that she had an odd encounter a few

113
00:03:48,229 --> 00:03:46,319

years back that involved a strange being

114

00:03:50,149 --> 00:03:48,239

that confronted her in her bedroom

115

00:03:52,550 --> 00:03:50,159

she had no further recollection beyond

116

00:03:53,990 --> 00:03:52,560

that that's basically the story

117

00:04:02,710 --> 00:03:54,000

i don't think that any of this has

118

00:04:06,390 --> 00:04:04,550

the night they came for me i was

119

00:04:08,229 --> 00:04:06,400

referred to your sight by my grandson

120

00:04:09,350 --> 00:04:08,239

after i mentioned an incident i had in

121

00:04:11,190 --> 00:04:09,360

1958

122

00:04:13,030 --> 00:04:11,200

when i was a young man going to college

123

00:04:14,949 --> 00:04:13,040

in mont alto pennsylvania

124

00:04:16,870 --> 00:04:14,959

it was late evening and i was in my room

125

00:04:19,030 --> 00:04:16,880

sitting in a lounge chair trying to read

126
00:04:21,030 --> 00:04:19,040
and stay awake at the same time i was

127
00:04:21,990 --> 00:04:21,040
near graduation and had a lot of things

128
00:04:24,150 --> 00:04:22,000
on my mind

129
00:04:25,670 --> 00:04:24,160
as i sat there i had a strange feeling

130
00:04:28,230 --> 00:04:25,680
like someone was watching me

131
00:04:29,990 --> 00:04:28,240
and i became very restless after a few

132
00:04:31,670 --> 00:04:30,000
minutes i sensed that something was on

133
00:04:32,310 --> 00:04:31,680
the other side of the closed door to my

134
00:04:34,710 --> 00:04:32,320
room

135
00:04:36,310 --> 00:04:34,720
i still can't explain it so i got up

136
00:04:38,310 --> 00:04:36,320
from the chair and went to the door

137
00:04:40,310 --> 00:04:38,320
opened it a bit in the towel there were

138
00:04:41,350 --> 00:04:40,320

two men dressed in black suits and black

139

00:04:43,670 --> 00:04:41,360

fury hats

140

00:04:45,830 --> 00:04:43,680

they look like identical twins they were

141

00:04:46,950 --> 00:04:45,840

dark complexion with asian eyes but they

142

00:04:49,030 --> 00:04:46,960

were not asian

143

00:04:50,629 --> 00:04:49,040

as i stood there they didn't set a word

144

00:04:51,510 --> 00:04:50,639

but i knew that they were talking to me

145

00:04:53,830 --> 00:04:51,520

through my mind

146

00:04:55,590 --> 00:04:53,840

saying are you ready for some unknown

147

00:04:56,629 --> 00:04:55,600

reason i knew deep down what they were

148

00:04:58,310 --> 00:04:56,639

referring to

149

00:05:00,550 --> 00:04:58,320

i was shirtless with only a pair of

150

00:05:02,070 --> 00:05:00,560

shorts so i reached for a jacket that

151
00:05:04,070 --> 00:05:02,080
will not be necessary

152
00:05:05,590 --> 00:05:04,080
no one will see you they said the three

153
00:05:07,510 --> 00:05:05,600
of us walked out in the hallway

154
00:05:09,430 --> 00:05:07,520
and suddenly we were standing on a small

155
00:05:11,350 --> 00:05:09,440
hill behind the student hall

156
00:05:13,189 --> 00:05:11,360
i noticed the headlights of a car coming

157
00:05:13,749 --> 00:05:13,199
down the road and ducked behind the two

158
00:05:15,670 --> 00:05:13,759
men

159
00:05:17,510 --> 00:05:15,680
i heard them laughing at me in my mind

160
00:05:19,350 --> 00:05:17,520
we told you no one would see you

161
00:05:21,670 --> 00:05:19,360
i was scared and turned away from my

162
00:05:23,430 --> 00:05:21,680
nude wondering if i should try to run

163
00:05:25,029 --> 00:05:23,440

i thought better of it turned to say

164

00:05:26,070 --> 00:05:25,039

something to them and noticed that they

165

00:05:28,070 --> 00:05:26,080

were looking up

166

00:05:30,070 --> 00:05:28,080

i followed their gaze and realized that

167

00:05:31,749 --> 00:05:30,080

something was suspended above us

168

00:05:33,590 --> 00:05:31,759

i continued to look when an opening

169

00:05:35,350 --> 00:05:33,600

appeared in its center and blue white

170

00:05:37,510 --> 00:05:35,360

light came tumbling out of it

171

00:05:39,189 --> 00:05:37,520

i started to feel dizzy and nauseated

172

00:05:41,270 --> 00:05:39,199

like when you are on a roller coaster

173

00:05:42,950 --> 00:05:41,280

airplane that is dropping too fast

174

00:05:44,790 --> 00:05:42,960

then i realized we were floating up

175

00:05:46,469 --> 00:05:44,800

toward whatever the object was

176

00:05:48,230 --> 00:05:46,479

i must have fainted because i only

177

00:05:49,270 --> 00:05:48,240

remember that i was lying on my side

178

00:05:51,590 --> 00:05:49,280

when i woke

179

00:05:53,350 --> 00:05:51,600

i raised up and looked around the entire

180

00:05:55,110 --> 00:05:53,360

room was empty except for the small

181

00:05:57,110 --> 00:05:55,120

table on which i was sitting

182

00:05:58,870 --> 00:05:57,120

the room was bathed in a soft glow but

183

00:05:59,830 --> 00:05:58,880

there was no apparent light source that

184

00:06:01,830 --> 00:05:59,840

i could see

185

00:06:04,070 --> 00:06:01,840

then i heard a female voice say he's

186

00:06:06,390 --> 00:06:04,080

awake i looked around to see if i could

187

00:06:07,510 --> 00:06:06,400

see anyone but saw nothing about this

188

00:06:09,430 --> 00:06:07,520

time on the far wall

189

00:06:10,870 --> 00:06:09,440

door appeared and opened although the

190

00:06:12,790 --> 00:06:10,880

hallway was dark there was a

191

00:06:15,029 --> 00:06:12,800

bluish-white illumination that appeared

192

00:06:16,870 --> 00:06:15,039

as though something was materializing

193

00:06:18,550 --> 00:06:16,880

two shadows seemed to move across the

194

00:06:20,870 --> 00:06:18,560

doorway but i couldn't tell anything

195

00:06:22,469 --> 00:06:20,880

about the shapes i received a mental

196

00:06:24,390 --> 00:06:22,479

image of two people approaching

197

00:06:26,710 --> 00:06:24,400

when carrying a tray full of some kind

198

00:06:29,270 --> 00:06:26,720

of surgical instruments and syringes

199

00:06:31,110 --> 00:06:29,280

then i went blank my next memory was of

200

00:06:31,830 --> 00:06:31,120

being back in my room and in my chair

201
00:06:33,749 --> 00:06:31,840
reading

202
00:06:35,029 --> 00:06:33,759
i got up and felt like i had just woke

203
00:06:36,710 --> 00:06:35,039
from a deep sleep

204
00:06:38,390 --> 00:06:36,720
then i noticed several items were

205
00:06:40,230 --> 00:06:38,400
missing including three books and a

206
00:06:42,390 --> 00:06:40,240
framed photo of my parents

207
00:06:43,830 --> 00:06:42,400
i have never had any effects that i know

208
00:06:45,590 --> 00:06:43,840
of from my experience

209
00:06:47,029 --> 00:06:45,600
though i have had a remarkable healthy

210
00:06:49,110 --> 00:06:47,039
life as well

211
00:06:51,110 --> 00:06:49,120
i am constantly told i look 20 years

212
00:06:53,350 --> 00:06:51,120
younger than my actual age

213
00:06:54,309 --> 00:06:53,360

now the reason i am now writing about my

214

00:06:56,790 --> 00:06:54,319

encounter

215

00:06:58,309 --> 00:06:56,800

a few days ago a large box arrived at my

216

00:06:58,870 --> 00:06:58,319

daughter's house that was addressed to

217

00:07:00,790 --> 00:06:58,880

me

218

00:07:02,550 --> 00:07:00,800

the reason why it was sent to her dress

219

00:07:04,469 --> 00:07:02,560

as a mystery as well

220

00:07:06,390 --> 00:07:04,479

there was no return address and it was

221

00:07:08,070 --> 00:07:06,400

shipped from oakland california the

222

00:07:09,909 --> 00:07:08,080

state where i now reside

223

00:07:11,189 --> 00:07:09,919

my grandson brought the package to me a

224

00:07:13,670 --> 00:07:11,199

day or so later

225

00:07:15,270 --> 00:07:13,680

well he watched i opened the box it

226

00:07:17,270 --> 00:07:15,280

contained the three missing books and

227

00:07:19,189 --> 00:07:17,280

the framed photo of my parents that went

228

00:07:21,110 --> 00:07:19,199

missing the night of my encounter

229

00:07:22,469 --> 00:07:21,120

there was also a battered shoebox that

230

00:07:24,309 --> 00:07:22,479

looked very familiar

231

00:07:25,909 --> 00:07:24,319

when i opened the shoebox there were a

232

00:07:29,110 --> 00:07:25,919

variety of small items

233

00:07:31,510 --> 00:07:29,120

pens buttons coins etc that i realized i

234

00:07:33,189 --> 00:07:31,520

had lost at some period in my young life

235

00:07:35,749 --> 00:07:33,199

that is when i revealed my past

236

00:07:37,749 --> 00:07:35,759

experience with my astonished grandson

237

00:07:39,430 --> 00:07:37,759

i'm still confused after receiving that

238

00:07:40,950 --> 00:07:39,440

package a few months ago

239

00:07:42,830 --> 00:07:40,960

who were these men and what did they

240

00:07:45,110 --> 00:07:42,840

want have you heard of a similar

241

00:07:46,390 --> 00:07:45,120

experience you have my permission to

242

00:07:48,790 --> 00:07:46,400

copy this email

243

00:07:49,589 --> 00:07:48,800

i really need some answers thank you so

244

00:07:56,629 --> 00:07:49,599

much

245

00:08:00,869 --> 00:07:59,029

abduction in tennessee i was in bed

246

00:08:01,990 --> 00:08:00,879

asleep and awoke to floating out my

247

00:08:04,230 --> 00:08:02,000

bedroom window

248

00:08:05,749 --> 00:08:04,240

the wind was blowing my gown i saw

249

00:08:07,350 --> 00:08:05,759

myself at the treetops

250

00:08:09,589 --> 00:08:07,360

and reached to a limb to grab some

251

00:08:11,270 --> 00:08:09,599

leaves they fell from my hand

252

00:08:13,110 --> 00:08:11,280

i then realized the light was towards

253

00:08:14,309 --> 00:08:13,120

where i was floating i looked to the

254

00:08:16,309 --> 00:08:14,319

path i was floating

255

00:08:18,629 --> 00:08:16,319

and saw a disc shaped object just above

256

00:08:20,390 --> 00:08:18,639

the trees i was floating closer to the

257

00:08:22,309 --> 00:08:20,400

beam of light that was emitting from the

258

00:08:24,390 --> 00:08:22,319

bottom of the disk the next thing i knew

259

00:08:26,070 --> 00:08:24,400

i was on a table in a round room

260

00:08:27,670 --> 00:08:26,080

it was very white in the room and the

261

00:08:28,629 --> 00:08:27,680

light was a better quality than i have

262

00:08:31,189 --> 00:08:28,639

ever seen

263

00:08:32,230 --> 00:08:31,199

i then saw three human like creatures one

264

00:08:34,310 --> 00:08:32,240

was below my feet

265

00:08:35,589 --> 00:08:34,320

the second of my right near my legs the

266

00:08:37,829 --> 00:08:35,599

third was at my left

267

00:08:39,509 --> 00:08:37,839

and up closer to me i looked around at

268

00:08:39,990 --> 00:08:39,519

them then the one on my left took my

269

00:08:42,469 --> 00:08:40,000

hand

270

00:08:44,389 --> 00:08:42,479

i was not afraid i had an overwhelming

271

00:08:45,110 --> 00:08:44,399

feeling of love and compassion from this

272

00:08:46,710 --> 00:08:45,120

entity

273

00:08:48,870 --> 00:08:46,720

we look each other in the eyes and i

274

00:08:50,790 --> 00:08:48,880

felt totally relaxed and at ease

275

00:08:52,310 --> 00:08:50,800

suddenly a fourth entity came in that

276

00:08:54,310 --> 00:08:52,320

was taller than the rest

277

00:08:55,509 --> 00:08:54,320

he came to my right side just as a

278

00:08:57,030 --> 00:08:55,519

surgeon would do

279

00:08:58,790 --> 00:08:57,040

the one of the right of me that was at

280

00:08:59,590 --> 00:08:58,800

my legs placed a thing on the fourth

281

00:09:01,030 --> 00:08:59,600

one's head

282

00:09:02,790 --> 00:09:01,040

it looked like one of those things

283

00:09:04,630 --> 00:09:02,800

children look into to see pictures

284

00:09:05,990 --> 00:09:04,640

to push the handle down and the picture

285

00:09:07,750 --> 00:09:06,000

changes well

286

00:09:09,670 --> 00:09:07,760

anyway the taller one that had the

287

00:09:11,670 --> 00:09:09,680

gadget on his head pulled it down over

288

00:09:13,350 --> 00:09:11,680

his eyes to bend down over my chest

289

00:09:14,790 --> 00:09:13,360

and a small red beam emerged from the

290

00:09:16,949 --> 00:09:14,800

gadget and hit my chest

291

00:09:18,790 --> 00:09:16,959

i felt pain and i could not breath i

292

00:09:20,949 --> 00:09:18,800

felt like i was passing out

293

00:09:22,630 --> 00:09:20,959

the next thing i know i awake in my bed

294

00:09:24,710 --> 00:09:22,640

sweating and feeling panic

295

00:09:25,750 --> 00:09:24,720

i have not shared this story to but a

296

00:09:27,269 --> 00:09:25,760

few people

297

00:09:29,670 --> 00:09:27,279

some of which looked at me like i was

298

00:09:31,350 --> 00:09:29,680

crazy i know muffin are believers

299

00:09:33,590 --> 00:09:31,360

so i thought i'd share this story with

300

00:09:34,150 --> 00:09:33,600

you some people have told me it was just

301
00:09:36,310 --> 00:09:34,160
a dream

302
00:09:37,990 --> 00:09:36,320
but i feel it was real i looked so

303
00:09:39,829 --> 00:09:38,000
closely into the eyes of the one

304
00:09:41,910 --> 00:09:39,839
that was the tallest which i will call

305
00:09:43,509 --> 00:09:41,920
the surgeon and so closely into the eyes

306
00:09:44,150 --> 00:09:43,519
of the one on the left of me that held

307
00:09:46,470 --> 00:09:44,160
my hand

308
00:09:48,150 --> 00:09:46,480
which i will call the anesthesiologist i

309
00:09:50,389 --> 00:09:48,160
know they did not look like eyes

310
00:09:51,269 --> 00:09:50,399
they look like lens of some sort maybe

311
00:09:53,269 --> 00:09:51,279
it was a dream

312
00:09:54,310 --> 00:09:53,279
but i will always believe it was real i

313
00:09:56,630 --> 00:09:54,320

will never forget it

314

00:09:58,150 --> 00:09:56,640

i know that for sure i wonder how many

315

00:10:02,829 --> 00:09:58,160

times this has happened to me

316

00:10:02,839 --> 00:10:07,829

done

317

00:10:12,150 --> 00:10:10,069

the small bump i am giving you

318

00:10:14,230 --> 00:10:12,160

permission to publish my incident

319

00:10:15,990 --> 00:10:14,240

but i do not want any personal

320

00:10:18,550 --> 00:10:16,000

information disclosed

321

00:10:21,190 --> 00:10:18,560

to begin i an strange incident when i

322

00:10:23,430 --> 00:10:21,200

was a child living in south florida

323

00:10:25,750 --> 00:10:23,440

i could never explain it and i did not

324

00:10:28,150 --> 00:10:25,760

want my family to know about it

325

00:10:29,829 --> 00:10:28,160

it involved what i believe an abduction

326

00:10:31,670 --> 00:10:29,839

by alien beings

327

00:10:32,949 --> 00:10:31,680

i don't remember the specifics other

328

00:10:35,110 --> 00:10:32,959

than i went to bed

329

00:10:37,190 --> 00:10:35,120

got up to go to the bathroom but don't

330

00:10:39,190 --> 00:10:37,200

remember returning to my bed

331

00:10:41,190 --> 00:10:39,200

when i woke in the morning there was an

332

00:10:42,630 --> 00:10:41,200

ache in my neck and a small bump at the

333

00:10:45,110 --> 00:10:42,640

base of my skull

334

00:10:46,310 --> 00:10:45,120

the pain went away quickly but the small

335

00:10:48,389 --> 00:10:46,320

bump remained

336

00:10:50,150 --> 00:10:48,399

i never told my parents about it and

337

00:10:53,190 --> 00:10:50,160

they never noticed it

338

00:10:55,110 --> 00:10:53,200

that incident occurred 54 years ago

339

00:10:56,790 --> 00:10:55,120

i now live in a rural township in

340

00:10:58,630 --> 00:10:56,800

eastern ohio

341

00:11:00,870 --> 00:10:58,640

my husband and i have lived here for

342

00:11:02,069 --> 00:11:00,880

over 40 years and are well known within

343

00:11:04,389 --> 00:11:02,079

the community

344

00:11:06,630 --> 00:11:04,399

my husband owns a business and employs

345

00:11:08,630 --> 00:11:06,640

several of the area's residents

346

00:11:10,310 --> 00:11:08,640

we have raised four children and are

347

00:11:13,030 --> 00:11:10,320

also grandparents

348

00:11:14,550 --> 00:11:13,040

we have been very happy with our life

349

00:11:17,269 --> 00:11:14,560

this past christmas eve

350

00:11:19,030 --> 00:11:17,279

i was alone at home during the day my

351
00:11:20,710 --> 00:11:19,040
husband was at work and some of my

352
00:11:22,470 --> 00:11:20,720
children and their families were

353
00:11:24,470 --> 00:11:22,480
visiting for the holidays

354
00:11:25,910 --> 00:11:24,480
they had all gone out to visit friends

355
00:11:29,190 --> 00:11:25,920
and to do some shopping

356
00:11:31,269 --> 00:11:29,200
so i was the only one at home around 1pm

357
00:11:31,829 --> 00:11:31,279
i decided to sit down in the club room

358
00:11:34,230 --> 00:11:31,839
and watch

359
00:11:36,310 --> 00:11:34,240
television i had been busy all day

360
00:11:39,269 --> 00:11:36,320
cooking and doing a few other things

361
00:11:41,190 --> 00:11:39,279
so i decided to take a break i sat on

362
00:11:41,990 --> 00:11:41,200
the sofa and turned on the television

363
00:11:44,710 --> 00:11:42,000

with the remote

364

00:11:46,150 --> 00:11:44,720

control as i was surfing channels the

365

00:11:48,630 --> 00:11:46,160

television suddenly went

366

00:11:50,230 --> 00:11:48,640

off i just figured i had accidentally

367

00:11:53,190 --> 00:11:50,240

turned it off with the remote

368

00:11:54,949 --> 00:11:53,200

but i was unable to turn it back on i

369

00:11:57,430 --> 00:11:54,959

got up and starting walking toward the

370

00:11:59,590 --> 00:11:57,440

television when everything went black

371

00:12:00,870 --> 00:11:59,600

the next thing i remember is waking up

372

00:12:03,269 --> 00:12:00,880

on the sofa

373

00:12:05,430 --> 00:12:03,279

my neck was very sore and i was laying

374

00:12:07,350 --> 00:12:05,440

on the sofa completely nude

375

00:12:09,430 --> 00:12:07,360

my clothes were folded neatly and

376

00:12:11,190 --> 00:12:09,440

setting on the coffee table

377

00:12:12,470 --> 00:12:11,200

i quickly dressed to notice that the

378

00:12:15,509 --> 00:12:12,480

television was on

379

00:12:17,590 --> 00:12:15,519

and that the time was 2 48 p.m

380

00:12:19,990 --> 00:12:17,600

i went to rob my sore neck and noticed

381

00:12:21,750 --> 00:12:20,000

that the small bum that i had for 54

382

00:12:23,590 --> 00:12:21,760

years was now gone

383

00:12:25,190 --> 00:12:23,600

i went into the bathroom in order to

384

00:12:26,550 --> 00:12:25,200

look at the back of my neck with a

385

00:12:28,790 --> 00:12:26,560

handheld mirror

386

00:12:31,430 --> 00:12:28,800

there was a two-inch vertical red scar

387

00:12:35,190 --> 00:12:31,440

where the small bump had previously been

388

00:12:37,750 --> 00:12:35,200

today is thursday december 27th 2012.

389

00:12:39,110 --> 00:12:37,760

my neck no longer hurts and the scar has

390

00:12:41,990 --> 00:12:39,120

healed nicely

391

00:12:44,470 --> 00:12:42,000

it is barely noticeable i had never told

392

00:12:46,790 --> 00:12:44,480

my husband about my incident as a child

393

00:12:49,670 --> 00:12:46,800

but yesterday i explained everything to

394

00:12:52,230 --> 00:12:49,680

him he is very open-minded and believes

395

00:12:54,870 --> 00:12:52,240

in ufos and other strange things

396

00:12:56,949 --> 00:12:54,880

i also told my older son about it and he

397

00:12:58,790 --> 00:12:56,959

suggested i contact you

398

00:13:01,190 --> 00:12:58,800

i believe he reads your articles and

399

00:13:03,509 --> 00:13:01,200

that you have talked to him in the past

400

00:13:04,790 --> 00:13:03,519

my older son believes that i experience

401
00:13:07,190 --> 00:13:04,800
an abduction

402
00:13:07,990 --> 00:13:07,200
in fact my husband agrees with him as

403
00:13:09,990 --> 00:13:08,000
well

404
00:13:11,750 --> 00:13:10,000

406
00:13:15,910 --> 00:13:13,519
details are removed

407
00:13:16,870 --> 00:13:15,920
i have included my contact information

408
00:13:25,110 --> 00:13:16,880
below

409
00:13:28,550 --> 00:13:27,670
