

INTELLIGENT ORBS?

Natural Phenomena?
Creatures of Light?
Visitors From Another World?

BXP

1
00:00:12,880 --> 00:00:10,600

[Music]

2
00:00:17,830 --> 00:00:12,890

[Applause]

3
00:00:21,990 --> 00:00:19,670

welcome to the best of first person

4
00:00:24,870 --> 00:00:22,000

episodes of phantoms and monsters

5
00:00:25,429 --> 00:00:24,880

please like subscribe and hit the bell

6
00:00:28,830 --> 00:00:25,439

icon

7
00:00:31,910 --> 00:00:28,840

so you'll be notified of all future

8
00:00:36,229 --> 00:00:34,229

large intelligent green orb encounter

9
00:00:37,910 --> 00:00:36,239

i'm a 49 year old married man from

10
00:00:39,990 --> 00:00:37,920

connecticut who works outdoors and

11
00:00:40,630 --> 00:00:40,000

spends much of my free time outside as

12
00:00:42,950 --> 00:00:40,640

well

13
00:00:44,630 --> 00:00:42,960

between my job and my disposition i'm

14

00:00:45,670 --> 00:00:44,640

always extremely observant of my

15

00:00:47,670 --> 00:00:45,680

surroundings

16

00:00:49,750 --> 00:00:47,680

this allows me to pick up on things that

17

00:00:51,750 --> 00:00:49,760

most others would be oblivious to

18

00:00:53,350 --> 00:00:51,760

i recently found your show on youtube

19

00:00:54,950 --> 00:00:53,360

and thought i'd give you a shout

20

00:00:57,029 --> 00:00:54,960

i have always been interested in the

21

00:00:57,990 --> 00:00:57,039

supernatural youthful cryptid subject

22

00:00:59,750 --> 00:00:58,000

and i've been fortunate

23

00:01:01,590 --> 00:00:59,760

enough to have had a number of strange

24

00:01:03,990 --> 00:01:01,600

experiences briefly

25

00:01:06,070 --> 00:01:04,000

they are indian town gap army range

26

00:01:07,990 --> 00:01:06,080

pennsylvania mid-1990s

27

00:01:10,070 --> 00:01:08,000

with other witnesses watch lights high

28

00:01:11,190 --> 00:01:10,080

in the sky travel across the horizon at

29

00:01:13,030 --> 00:01:11,200

incredible speeds

30

00:01:15,350 --> 00:01:13,040

and change directions at impossible

31

00:01:16,630 --> 00:01:15,360

angles lake winnipesauk new hampshire

32

00:01:18,310 --> 00:01:16,640

early 2000s

33

00:01:20,070 --> 00:01:18,320

had rocks thrown at me by what i now

34

00:01:21,910 --> 00:01:20,080

assume was a bigfoot although at the

35

00:01:23,670 --> 00:01:21,920

time had no idea what was really

36

00:01:25,190 --> 00:01:23,680

happening beyond the unwelcome feeling

37

00:01:27,990 --> 00:01:25,200

that prompted me to leave

38

00:01:29,749 --> 00:01:28,000

new durham new hampshire mid-1990s while

39

00:01:31,510 --> 00:01:29,759

hiking i stumbled across a large

40

00:01:33,749 --> 00:01:31,520

perfectly round scoop out of the earth

41

00:01:35,990 --> 00:01:33,759

approximately eight feet in diameter

42

00:01:37,590 --> 00:01:36,000

not on a slope no rock crawled out of it

43

00:01:40,390 --> 00:01:37,600

no reason it would be there

44

00:01:41,910 --> 00:01:40,400

no machinery tracks not near any roads

45

00:01:44,230 --> 00:01:41,920

no good explanation

46

00:01:45,749 --> 00:01:44,240

i did not have a camera with me new cane

47

00:01:47,830 --> 00:01:45,759

in connecticut 2010

48

00:01:49,749 --> 00:01:47,840

i saw reflective shoes jog across the

49

00:01:51,270 --> 00:01:49,759

road adjacent to a cemetery when my

50

00:01:51,910 --> 00:01:51,280

vehicle reached the vicinity of the

51
00:01:53,429 --> 00:01:51,920
jogger

52
00:01:55,270 --> 00:01:53,439
no one was there and there wasn't

53
00:01:57,350 --> 00:01:55,280
anywhere for them to have gone due to a

54
00:02:00,149 --> 00:01:57,360
large fence and no sidewalks

55
00:02:02,630 --> 00:02:00,159
trumbull connecticut 2017 i watched a

56
00:02:04,149 --> 00:02:02,640
massive object glide silently above me

57
00:02:06,230 --> 00:02:04,159
although i was staring at it with

58
00:02:08,070 --> 00:02:06,240
intense focus i could not determine

59
00:02:10,309 --> 00:02:08,080
exactly what i was looking at

60
00:02:12,070 --> 00:02:10,319
no sound far too large to have traveled

61
00:02:14,630 --> 00:02:12,080
at such a low speed in altitude

62
00:02:15,270 --> 00:02:14,640
no landing lights too big too slow too

63
00:02:17,030 --> 00:02:15,280

low

64

00:02:18,390 --> 00:02:17,040

i stared but could make out nothing as

65

00:02:20,949 --> 00:02:18,400

to fuselage your wings

66

00:02:21,990 --> 00:02:20,959

only two red and two white lights report

67

00:02:24,710 --> 00:02:22,000

it to muffin

68

00:02:26,070 --> 00:02:24,720

stratford connecticut summer 2019 while

69

00:02:28,070 --> 00:02:26,080

watering the garden at home

70

00:02:30,390 --> 00:02:28,080

i noticed a black and mobile object high

71

00:02:32,309 --> 00:02:30,400

in the sky despite a light breeze this

72

00:02:33,350 --> 00:02:32,319

object did not move at all but remain

73

00:02:35,509 --> 00:02:33,360

motionless

74

00:02:37,750 --> 00:02:35,519

i was able to take many photos in rapid

75

00:02:39,670 --> 00:02:37,760

succession and reported it to new fork

76

00:02:41,270 --> 00:02:39,680

upon further scrutiny i feel it is a

77

00:02:42,150 --> 00:02:41,280

whole or portal that changed shape

78

00:02:43,910 --> 00:02:42,160

rapidly

79

00:02:45,750 --> 00:02:43,920

i'd be happy to supply the original

80

00:02:47,190 --> 00:02:45,760

pictures and may send them to marc

81

00:02:49,110 --> 00:02:47,200

antonio as well

82

00:02:51,030 --> 00:02:49,120

lastly my most traumatizing and

83

00:02:52,949 --> 00:02:51,040

unforgettable encounter was with a green

84

00:02:55,190 --> 00:02:52,959

glowing orb while in the new hampshire

85

00:02:56,710 --> 00:02:55,200

army national guard mountain infantry

86

00:02:58,390 --> 00:02:56,720

we were training at the ethan allen

87

00:02:58,949 --> 00:02:58,400

firing range in jericho under hell

88

00:03:01,910 --> 00:02:58,959

vermont

89

00:03:03,509 --> 00:03:01,920
near stovsky area in the early 1990s my

90

00:03:04,630 --> 00:03:03,519
company was there to do our two-week

91

00:03:06,630 --> 00:03:04,640
summer training

92

00:03:08,630 --> 00:03:06,640
i was in my foxhole with my assistant

93

00:03:10,630 --> 00:03:08,640
gunner we were waiting for the opposing

94

00:03:12,869 --> 00:03:10,640
force to attack our perimeter at around

95

00:03:14,790 --> 00:03:12,879
4am on a drizzling dark morning

96

00:03:16,309 --> 00:03:14,800
as the attack began on the opposite side

97

00:03:18,550 --> 00:03:16,319
of the perimeter we knew that we

98

00:03:20,390 --> 00:03:18,560
wouldn't see any fighting it was at this

99

00:03:22,229 --> 00:03:20,400
time that a glowing green orb about the

100

00:03:23,990 --> 00:03:22,239
size of a basketball silently and

101
00:03:24,710 --> 00:03:24,000
methodically approached us from our left

102
00:03:26,390 --> 00:03:24,720
side

103
00:03:28,309 --> 00:03:26,400
my assistant gunner and i watched it

104
00:03:29,990 --> 00:03:28,319
come from a great distance and move past

105
00:03:32,149 --> 00:03:30,000
us then of into the distance

106
00:03:34,710 --> 00:03:32,159
it was approximately 15 feet off of the

107
00:03:36,789 --> 00:03:34,720
ground and about 40 feet away from us

108
00:03:38,550 --> 00:03:36,799
the entire time we watched the orb was

109
00:03:40,390 --> 00:03:38,560
dodging trees and branches

110
00:03:41,830 --> 00:03:40,400
i immediately got the sense that it was

111
00:03:43,990 --> 00:03:41,840
ancient and was bothered by the

112
00:03:45,830 --> 00:03:44,000
artillery and grenade simulators

113
00:03:47,670 --> 00:03:45,840

my assistant gunner and i immediately

114

00:03:48,710 --> 00:03:47,680

turned to one another and asked what the

115

00:03:50,869 --> 00:03:48,720

f was that

116

00:03:51,830 --> 00:03:50,879

again and again i think about these

117

00:03:53,750 --> 00:03:51,840

things often

118

00:03:55,670 --> 00:03:53,760

i do not have any friends family or

119

00:03:56,869 --> 00:03:55,680

co-workers that are open to discussing

120

00:03:58,309 --> 00:03:56,879

these subjects

121

00:04:00,149 --> 00:03:58,319

there is much more to our world than

122

00:04:01,260 --> 00:04:00,159

most people can comprehend

123

00:04:07,750 --> 00:04:01,270

thank you andy

124

00:04:12,070 --> 00:04:10,229

be careful of what you wish for about

125

00:04:13,190 --> 00:04:12,080

three and a half years ago i had an

126
00:04:15,110 --> 00:04:13,200
experience

127
00:04:17,110 --> 00:04:15,120
i'm from knoxville tennessee and i've

128
00:04:19,430 --> 00:04:17,120
been working in the yard all day

129
00:04:20,949 --> 00:04:19,440
it was late june and i had just got my

130
00:04:23,430 --> 00:04:20,959
daughter one of the big pools

131
00:04:24,550 --> 00:04:23,440
you know like the 18 foot around above

132
00:04:27,430 --> 00:04:24,560
ground pool

133
00:04:28,469 --> 00:04:27,440
it is about five feet deep and i said

134
00:04:31,510 --> 00:04:28,479
hey come in

135
00:04:32,310 --> 00:04:31,520
you know it's 10 o'clock come out i'm

136
00:04:34,950 --> 00:04:32,320
done

137
00:04:35,749 --> 00:04:34,960
come get in the pool with me well she

138
00:04:38,310 --> 00:04:35,759

didn't

139

00:04:39,350 --> 00:04:38,320

she was on the phone whatever so i got

140

00:04:41,430 --> 00:04:39,360

in the pool

141

00:04:43,909 --> 00:04:41,440

so i'm lying on my back looking at the

142

00:04:46,070 --> 00:04:43,919

stars and it's a beautiful clear night

143

00:04:47,350 --> 00:04:46,080

and as i always do when i look at the

144

00:04:50,310 --> 00:04:47,360

stars i think

145

00:04:52,310 --> 00:04:50,320

oh my gosh i wish i could see something

146

00:04:54,790 --> 00:04:52,320

i wish i could see a ufo

147

00:04:55,749 --> 00:04:54,800

i stood up i had a float that i was

148

00:04:58,230 --> 00:04:55,759

hanging on to

149

00:04:59,030 --> 00:04:58,240

and i was gonna lay on my stomach and as

150

00:05:01,350 --> 00:04:59,040

i stood up

151
00:05:02,310 --> 00:05:01,360
directly across from me about a hundred

152
00:05:05,430 --> 00:05:02,320
yards away

153
00:05:06,230 --> 00:05:05,440
was this huge red about 25 to 30 feet in

154
00:05:08,870 --> 00:05:06,240
diameter

155
00:05:09,830 --> 00:05:08,880
or plasma-like thing in my yard floating

156
00:05:11,990 --> 00:05:09,840
through the trees

157
00:05:14,310 --> 00:05:12,000
along the tree line but in between the

158
00:05:15,350 --> 00:05:14,320
trees there was no possible way that

159
00:05:17,909 --> 00:05:15,360
could happen

160
00:05:18,390 --> 00:05:17,919
and behind the house and of course i

161
00:05:21,670 --> 00:05:18,400
said

162
00:05:23,670 --> 00:05:21,680
what the f is that out loud so i start

163
00:05:25,749 --> 00:05:23,680

to swim to the other side of the pool

164

00:05:27,830 --> 00:05:25,759

so i could hurry and see if it comes out

165

00:05:28,870 --> 00:05:27,840

the other side and it did then it goes

166

00:05:31,189 --> 00:05:28,880

through the woods

167

00:05:32,150 --> 00:05:31,199

it's about three to five miles per hour

168

00:05:35,510 --> 00:05:32,160

very slow

169

00:05:36,310 --> 00:05:35,520

very big but not mechanical not of this

170

00:05:38,550 --> 00:05:36,320

world

171

00:05:39,430 --> 00:05:38,560

and so it goes on up and i live near a

172

00:05:41,029 --> 00:05:39,440

cemetery

173

00:05:43,430 --> 00:05:41,039

and it goes up the hill towards the

174

00:05:45,189 --> 00:05:43,440

cemetery and turns right and cuts across

175

00:05:46,230 --> 00:05:45,199

the cemetery on the little drive through

176

00:05:48,790 --> 00:05:46,240

the cemetery

177

00:05:49,990 --> 00:05:48,800

but now it's something mechanical it is

178

00:05:51,590 --> 00:05:50,000

not the red orb

179

00:05:53,510 --> 00:05:51,600

it has white and red lights on the

180

00:05:55,830 --> 00:05:53,520

bottom small

181

00:05:57,029 --> 00:05:55,840

almost looks like a car's lights but it

182

00:05:59,110 --> 00:05:57,039

wasn't a car

183

00:06:00,710 --> 00:05:59,120

they locked the cemetery gates at dusk

184

00:06:03,189 --> 00:06:00,720

so it was not that

185

00:06:05,270 --> 00:06:03,199

but i could see nothing but the lights i

186

00:06:07,350 --> 00:06:05,280

could see no metallic shade

187

00:06:08,390 --> 00:06:07,360

nothing but it did turn into something

188

00:06:10,629 --> 00:06:08,400

like that

189

00:06:11,749 --> 00:06:10,639

it goes all the way across the cemetery

190

00:06:13,590 --> 00:06:11,759

and then turns again

191

00:06:14,870 --> 00:06:13,600

and cuts across the highway and heads

192

00:06:17,350 --> 00:06:14,880

west towards oak ridge

193

00:06:19,430 --> 00:06:17,360

in that direction they had just gone in

194

00:06:21,189 --> 00:06:19,440

the house because when i first saw it

195

00:06:23,029 --> 00:06:21,199

i turned to look across the street and

196

00:06:25,670 --> 00:06:23,039

yell at them do you see this

197

00:06:26,710 --> 00:06:25,680

and they're not home or rather they were

198

00:06:28,950 --> 00:06:26,720

inside

199

00:06:30,070 --> 00:06:28,960

they've already gone in but i did share

200

00:06:32,710 --> 00:06:30,080

it with my daughter

201
00:06:33,189 --> 00:06:32,720
and she was about 13 at the time and she

202
00:06:44,070 --> 00:06:33,199
said

203
00:06:47,749 --> 00:06:46,230
lights in the sky growling creature and

204
00:06:49,990 --> 00:06:47,759
voices in the woods

205
00:06:51,589 --> 00:06:50,000
i live near peavely missouri not far

206
00:06:53,830 --> 00:06:51,599
from the mississippi river

207
00:06:54,790 --> 00:06:53,840
this incident took place on june 30th

208
00:06:57,749 --> 00:06:54,800
2018

209
00:06:59,830 --> 00:06:57,759
about 1am my time i was having trouble

210
00:07:01,029 --> 00:06:59,840
sleeping since it was very warm and i

211
00:07:03,189 --> 00:07:01,039
was restless

212
00:07:05,110 --> 00:07:03,199
i went outside onto the back porch to

213
00:07:05,589 --> 00:07:05,120

smoke and saw a small yellow light in

214

00:07:07,909 --> 00:07:05,599

the sky

215

00:07:09,510 --> 00:07:07,919

in front of me i didn't think much of it

216

00:07:11,670 --> 00:07:09,520

but it was getting closer

217

00:07:13,990 --> 00:07:11,680

i moved a bit to my left in order to get

218

00:07:16,550 --> 00:07:14,000

a better look and it suddenly stopped

219

00:07:17,749 --> 00:07:16,560

i stood still and continued watching it

220

00:07:19,589 --> 00:07:17,759

about a minute later

221

00:07:21,029 --> 00:07:19,599

i noticed two more lights approaching

222

00:07:23,189 --> 00:07:21,039

from the same direction

223

00:07:24,629 --> 00:07:23,199

there was now large dim yellow light and

224

00:07:27,029 --> 00:07:24,639

two smaller bright lights

225

00:07:29,110 --> 00:07:27,039

one was white and the other was orange

226

00:07:30,950 --> 00:07:29,120

the orange light then flashed brightly

227

00:07:33,270 --> 00:07:30,960

and then there was a loud bang a second

228

00:07:35,189 --> 00:07:33,280

later the white light disappeared but

229

00:07:35,589 --> 00:07:35,199

the orange light started to come towards

230

00:07:38,790 --> 00:07:35,599

me

231

00:07:39,670 --> 00:07:38,800

observe what was going on from a

232

00:07:41,430 --> 00:07:39,680

distance

233

00:07:43,510 --> 00:07:41,440

i was becoming more curious and

234

00:07:45,510 --> 00:07:43,520

attempted to signal it to come closer

235

00:07:46,950 --> 00:07:45,520

but it stopped and started to back away

236

00:07:49,110 --> 00:07:46,960

until it disappeared

237

00:07:50,629 --> 00:07:49,120

i was mesmerized by this activity and

238

00:07:52,390 --> 00:07:50,639

continued to observe

239

00:07:54,230 --> 00:07:52,400

the orange light then reappeared

240

00:07:56,469 --> 00:07:54,240

accompanied by the white light

241

00:07:58,550 --> 00:07:56,479

the lights were dancing around the sky

242

00:08:00,629 --> 00:07:58,560

going in all different directions

243

00:08:03,110 --> 00:08:00,639

i stood there lit another cigarette and

244

00:08:05,110 --> 00:08:03,120

watched the lights for about 15 minutes

245

00:08:07,430 --> 00:08:05,120

then i heard a distinct growling sound

246

00:08:08,869 --> 00:08:07,440

coming from the woods behind the house

247

00:08:10,869 --> 00:08:08,879

i could literally hear this thing

248

00:08:12,309 --> 00:08:10,879

walking through the brush cracking limbs

249

00:08:14,950 --> 00:08:12,319

as it moved closer

250

00:08:15,830 --> 00:08:14,960

it was growling and snarling as it moved

251
00:08:17,990 --> 00:08:15,840
closer to me

252
00:08:19,589 --> 00:08:18,000
i could see wide orbs of various sizes

253
00:08:21,830 --> 00:08:19,599
flying throughout the woods

254
00:08:23,189 --> 00:08:21,840
then the growling and footfalls stopped

255
00:08:25,110 --> 00:08:23,199
after a few seconds

256
00:08:27,110 --> 00:08:25,120
i heard what sounded like someone was

257
00:08:28,790 --> 00:08:27,120
calling my name from a distance

258
00:08:30,150 --> 00:08:28,800
there was another call coming another

259
00:08:32,149 --> 00:08:30,160
direction as well

260
00:08:33,909 --> 00:08:32,159
i was beginning to get scared but i

261
00:08:35,990 --> 00:08:33,919
wanted to know what this was

262
00:08:37,269 --> 00:08:36,000
then suddenly a low drawer emanated from

263
00:08:39,350 --> 00:08:37,279

the edge of the woods

264

00:08:40,709 --> 00:08:39,360

it was so terrifying that also lost the

265

00:08:42,949 --> 00:08:40,719

use of my legs

266

00:08:44,630 --> 00:08:42,959

i quickly gathered myself and ran into

267

00:08:46,389 --> 00:08:44,640

the house and locked the door

268

00:08:48,470 --> 00:08:46,399

i peeked out the kitchen window and

269

00:08:49,910 --> 00:08:48,480

attempted to take photos of the orbs but

270

00:08:52,070 --> 00:08:49,920

the phone went dead

271

00:08:53,990 --> 00:08:52,080

i had just charged the damn thing i

272

00:08:56,310 --> 00:08:54,000

didn't hear any more roars or sounds

273

00:08:57,670 --> 00:08:56,320

and the orbs soon disappeared the next

274

00:08:59,509 --> 00:08:57,680

day july 1st

275

00:09:01,030 --> 00:08:59,519

i called my neighbor who lives down the

276

00:09:02,790 --> 00:09:01,040

road on a small farm

277

00:09:04,470 --> 00:09:02,800

i asked her if she had heard or seen

278

00:09:06,550 --> 00:09:04,480

anything the previous night

279

00:09:08,710 --> 00:09:06,560

she replied by telling me that something

280

00:09:10,790 --> 00:09:08,720

got into her barn and killed two turkeys

281

00:09:12,550 --> 00:09:10,800

but she never heard her saw anything

282

00:09:14,550 --> 00:09:12,560

i asked her if i could come over and

283

00:09:16,310 --> 00:09:14,560

look around and she agreed

284

00:09:18,550 --> 00:09:16,320

as i looked around the bar and i didn't

285

00:09:19,990 --> 00:09:18,560

see anything unusual but her livestock

286

00:09:22,389 --> 00:09:20,000

was very skittish

287

00:09:24,230 --> 00:09:22,399

her dogs and cat never came outside and

288

00:09:26,150 --> 00:09:24,240

were hunkered down in the barn

289

00:09:28,070 --> 00:09:26,160

i don't know what killed the turkeys but

290

00:09:29,829 --> 00:09:28,080

i have no doubt it was the same thing in

291

00:09:31,509 --> 00:09:29,839

the woods behind my house

292

00:09:33,430 --> 00:09:31,519

i later walked through the woods and

293

00:09:34,870 --> 00:09:33,440

didn't see anything out of the ordinary

294

00:09:36,790 --> 00:09:34,880

but there was what i would call an

295

00:09:37,110 --> 00:09:36,800

electric or static charge that affected

296

00:09:40,790 --> 00:09:37,120

me

297

00:09:43,110 --> 00:09:40,800

bad headache

298

00:09:44,070 --> 00:09:43,120

i decided to contact you in regards to

299

00:09:46,389 --> 00:09:44,080

this experience

300

00:09:48,310 --> 00:09:46,399

because i haven't felt well since then

301
00:09:49,509 --> 00:09:48,320
i'm very weak and have trouble keeping

302
00:09:51,750 --> 00:09:49,519
my foot down

303
00:09:52,630 --> 00:09:51,760
if it gets worse i may need to go to the

304
00:09:54,310 --> 00:09:52,640
doctor

305
00:09:56,070 --> 00:09:54,320
have you heard or read any similar

306
00:09:57,750 --> 00:09:56,080
situations like this

307
00:09:59,910 --> 00:09:57,760
my brother believes that this was a

308
00:10:00,389 --> 00:09:59,920
bigfoot but it still doesn't explain the

309
00:10:02,949 --> 00:10:00,399
lights

310
00:10:04,310 --> 00:10:02,959
the orbs the voices and how i feel

311
00:10:09,990 --> 00:10:04,320
thanks for reading

312
00:10:13,430 --> 00:10:12,550
this is lon strickler if you like this

313
00:10:15,190 --> 00:10:13,440

program

314

00:10:16,550 --> 00:10:15,200

it would help us if you would give it a

315

00:10:19,350 --> 00:10:16,560

thumbs up

316

00:10:19,829 --> 00:10:19,360

then subscribe and click the bell icon

317

00:10:22,230 --> 00:10:19,839

so you

318

00:10:24,310 --> 00:10:22,240

get notification when we upload new

319

00:10:27,430 --> 00:10:24,320

first-person encounters

320

00:10:28,150 --> 00:10:27,440

we have many more to come very soon and

321

00:10:30,310 --> 00:10:28,160

by the way

322

00:10:33,069 --> 00:10:30,320

if you have a suggestion or an
