and good afternoon folks thank you for

00:00:05,670 --> 00:00:03,199  
tuning in

3  
00:00:07,030 --> 00:00:05,680  
to arcane radio the podcast of the

4  
00:00:09,110 --> 00:00:07,040  
paranormal that

00:00:11,509 --> 00:00:10,320  
latest

7  
00:00:13,430 --> 00:00:11,519  
in the world of the strange and

8  
00:00:15,669 --> 00:00:13,440  
unexplained i'm sean forker

9  
00:00:17,670 --> 00:00:15,679  
of course my good friend and your good

10  
00:00:19,429 --> 00:00:17,680  
friend the pulse of the paranormal long

11  
00:00:20,070 --> 00:00:19,439  
strickler is joining me lon how are you

12  
00:00:23,590 --> 00:00:20,080  
doing

13  
00:00:26,150 --> 00:00:23,600

day

14

00:00:27,830 --> 00:00:26,160

it is very lovely temperatures nice just

15

00:00:30,070 --> 00:00:27,840

a little cloudy here but

16

00:00:31,990 --> 00:00:30,080

otherwise uh pretty beautiful in the

17

00:00:33,670 --> 00:00:32,000

susquehanna river valley

18

00:00:35,190 --> 00:00:33,680

yeah we're down here in the chesapeake

19

00:00:37,750 --> 00:00:35,200

we're sunny and

20

00:00:38,709 --> 00:00:37,760

it's a little warmer what normally was

21

00:00:41,190 --> 00:00:38,719

but uh

22

00:00:43,030 --> 00:00:41,200

i love it you know what a tumultuous

23

00:00:45,670 --> 00:00:43,040

week for

24

00:00:47,510 --> 00:00:45,680

us here in the states you know another a

25

00:00:49,029 --> 00:00:47,520

sweeping victory by the republicans and

26  
00:00:50,229 --> 00:00:49,039  
i don't know what that means for us but

27  
00:00:52,069 --> 00:00:50,239  
uh

28  
00:00:54,869 --> 00:00:52,079  
i guess we'll find out i guess we'll

29  
00:00:56,950 --> 00:00:54,879  
find out but above and beyond that lon

30  
00:00:58,950 --> 00:00:56,960  
uh because i was following the news this

31  
00:01:02,069 --> 00:00:58,960  
week because of the politics

32  
00:01:04,070 --> 00:01:02,079  
how about that asinine story

33  
00:01:05,750 --> 00:01:04,080  
out of fort lauderdale that 90 year old

34  
00:01:08,789 --> 00:01:05,760  
man arrested

35  
00:01:11,990 --> 00:01:08,799  
for feeding the homeless yeah

36  
00:01:15,109 --> 00:01:12,000  
you know i i saw mention i did notice

37  
00:01:19,590 --> 00:01:15,119  
that and uh i don't know

38  
00:01:24,149 --> 00:01:19,600

you know we do live in this world where

39

00:01:27,190 --> 00:01:24,159

uh it seems like

40

00:01:30,149 --> 00:01:27,200

the the thing that you should do

41

00:01:30,789 --> 00:01:30,159

isn't standard now i mean it's uh you

42

00:01:33,910 --> 00:01:30,799

know it's

43

00:01:36,870 --> 00:01:33,920

all politically motivated and

44

00:01:39,030 --> 00:01:36,880

uh i don't know i i don't know what to

45

00:01:40,710 --> 00:01:39,040

think about it it's just sad

46

00:01:42,870 --> 00:01:40,720

well it irritates the hell out of me you

47

00:01:45,030 --> 00:01:42,880

know and and i guess it's kind of

48

00:01:45,990 --> 00:01:45,040

personal for me my grandparents at least

49

00:01:49,429 --> 00:01:46,000

three times a week

50

00:01:52,310 --> 00:01:49,439

volunteer at a local uh

51  
00:01:53,670 --> 00:01:52,320  
place where they feed the hungry uh

52  
00:01:54,950 --> 00:01:53,680  
three times a week to give them you know

53  
00:01:56,709 --> 00:01:54,960  
a decent meal

54  
00:01:58,550 --> 00:01:56,719  
and my grandparents volunteer there and

55  
00:02:00,310 --> 00:01:58,560  
they're in their seventies this man's 90

56  
00:02:02,630 --> 00:02:00,320  
co you know about 20 years their senior

57  
00:02:04,310 --> 00:02:02,640  
year and you know they're doing what

58  
00:02:05,670 --> 00:02:04,320  
they were taught to do when they were

59  
00:02:07,429 --> 00:02:05,680  
you know when they were kids and that's

60  
00:02:08,229 --> 00:02:07,439  
how you know love your neighbor help

61  
00:02:10,550 --> 00:02:08,239  
them out

62  
00:02:12,470 --> 00:02:10,560  
and now these people are being arrested

63  
00:02:14,150 --> 00:02:12,480

the man treated like a criminal mr

64

00:02:16,630 --> 00:02:14,160

arnold abbott

65

00:02:18,949 --> 00:02:16,640

uh he was arrested two times in one week

66

00:02:21,110 --> 00:02:18,959

along with two local pastors and he's

67

00:02:24,390 --> 00:02:21,120

the founder of the love thy neighbor

68

00:02:27,110 --> 00:02:24,400

foundation and he fought in 1999 against

69

00:02:28,869 --> 00:02:27,120

fort lauderdale for a very similar

70

00:02:30,550 --> 00:02:28,879

situation but when this man was arrested

71

00:02:32,309 --> 00:02:30,560

he was told to drop the plate

72

00:02:34,710 --> 00:02:32,319

immediately like it was some sort of

73

00:02:36,229 --> 00:02:34,720

weapon a plate of food that he had

74

00:02:39,589 --> 00:02:36,239

prepared for you know the people and

75

00:02:43,030 --> 00:02:39,599

they're feeding about 300 folks lon

76  
00:02:46,070 --> 00:02:43,040  
and on october 22nd fort lauderdale made

77  
00:02:49,190 --> 00:02:46,080  
a uh public food sharing against the law

78  
00:02:53,830 --> 00:02:49,200  
punishable by 60 days in jail in a 500

79  
00:02:56,869 --> 00:02:53,840  
fine well i i'm quite sure

80  
00:03:00,309 --> 00:02:56,879  
it's the powers to be in the town or the

81  
00:03:01,750 --> 00:03:00,319  
you know the uh the city because it's uh

82  
00:03:03,350 --> 00:03:01,760  
you know this just seems like one of

83  
00:03:05,270 --> 00:03:03,360  
these laws that

84  
00:03:07,670 --> 00:03:05,280  
somebody brought up at a council meeting

85  
00:03:09,430 --> 00:03:07,680  
and it got pushed through and

86  
00:03:10,869 --> 00:03:09,440  
you know then everybody's got to suffer

87  
00:03:12,949 --> 00:03:10,879  
for it because somebody didn't like to

88  
00:03:15,750 --> 00:03:12,959

see people sitting out

89  
00:03:16,869 --> 00:03:15,760  
you know seeing out and being an eyesore

90  
00:03:19,270 --> 00:03:16,879  
absolutely ridiculous

91  
00:03:21,110 --> 00:03:19,280  
you know and that's what it's coming to

92  
00:03:22,390 --> 00:03:21,120  
unfortunately and it's happened it does

93  
00:03:24,309 --> 00:03:22,400  
happen in other places

94  
00:03:25,509 --> 00:03:24,319  
yeah uh the national coalition for the

95  
00:03:27,509 --> 00:03:25,519  
homeless lawn

96  
00:03:30,070 --> 00:03:27,519  
report reported in october that there

97  
00:03:31,750 --> 00:03:30,080  
was a 47 percent increase

98  
00:03:34,550 --> 00:03:31,760  
in the number of cities that have passed

99  
00:03:37,270 --> 00:03:34,560  
legislation to restrict food sharing

100  
00:03:39,350 --> 00:03:37,280  
that's ridiculous it is 47 in a time

101  
00:03:41,190 --> 00:03:39,360  
where unemployment was on the rise

102  
00:03:42,550 --> 00:03:41,200  
uh the economy is still not in great

103  
00:03:43,670 --> 00:03:42,560  
shape people are having a hard time

104  
00:03:45,990 --> 00:03:43,680  
finding jobs

105  
00:03:48,309 --> 00:03:46,000  
and now it's illegal to help feed them

106  
00:03:49,670 --> 00:03:48,319  
which is just the biggest crock of [h\_\_\h]

107  
00:03:53,630 --> 00:03:49,680  
but if you want to make a difference

108  
00:03:56,390 --> 00:03:54,869  
954-828-5003

109  
00:03:58,149 --> 00:03:56,400  
and that's the number to the mayor's

110  
00:04:00,710 --> 00:03:58,159  
office of fort lauderdale

111  
00:04:01,429 --> 00:04:00,720  
and voice your displeasure with the

112  
00:04:03,589 --> 00:04:01,439  
rulings

113  
00:04:04,710 --> 00:04:03,599

and the treatment of mr arnold abbott

114

00:04:06,949 --> 00:04:04,720

and his uh

115

00:04:08,710 --> 00:04:06,959

fellow well and the two pastors that

116

00:04:10,470 --> 00:04:08,720

were arrested just ridiculous and i

117

00:04:11,110 --> 00:04:10,480

don't use this as a public forum too

118

00:04:14,229 --> 00:04:11,120

often

119

00:04:16,789 --> 00:04:14,239

to promote some sort of political clause

120

00:04:18,310 --> 00:04:16,799

or a cause but you know when something

121

00:04:20,710 --> 00:04:18,320

like that's going on

122

00:04:22,550 --> 00:04:20,720

you know people need food and you know

123

00:04:24,230 --> 00:04:22,560

they need their dignity and the last

124

00:04:26,230 --> 00:04:24,240

thing you need to do is arrest them

125

00:04:27,510 --> 00:04:26,240

because they can't afford to have food

126

00:04:29,189 --> 00:04:27,520

and you definitely shouldn't be

127

00:04:29,670 --> 00:04:29,199

arresting the people providing it for

128

00:04:32,629 --> 00:04:29,680

them

129

00:04:33,350 --> 00:04:32,639

well you know you see on tv all the time

130

00:04:34,870 --> 00:04:33,360

that uh

131

00:04:37,189 --> 00:04:34,880

you know they want you to send money to

132

00:04:38,469 --> 00:04:37,199

help kids and families in other

133

00:04:42,469 --> 00:04:38,479

countries

134

00:04:45,110 --> 00:04:42,479

and you know that's a big deal and

135

00:04:47,430 --> 00:04:45,120

you know then they then they don't even

136

00:04:49,909 --> 00:04:47,440

want you to feed the people that need it

137

00:04:51,510 --> 00:04:49,919

here in the united states that's it it

138

00:04:54,629 --> 00:04:51,520

is it is really sad

139

00:04:55,270 --> 00:04:54,639

and i i have noticed some of that around

140

00:04:57,510 --> 00:04:55,280

here i know

141

00:04:59,749 --> 00:04:57,520

less and less people have gotten

142

00:05:01,830 --> 00:04:59,759

involved with it you know i don't know

143

00:05:03,590 --> 00:05:01,840

for the exact reasons why i don't know

144

00:05:06,870 --> 00:05:03,600

if there's a liability

145

00:05:09,350 --> 00:05:06,880

reason behind it but um

146

00:05:11,270 --> 00:05:09,360

you know as far as jurisdictions doing

147

00:05:13,990 --> 00:05:11,280

this type of uh

148

00:05:15,510 --> 00:05:14,000

this type of thing is just it is just

149

00:05:18,550 --> 00:05:15,520

sad

150

00:05:22,150 --> 00:05:18,560

it is and you know i personally

151

00:05:23,909 --> 00:05:22,160

i don't believe that we should ever be

152

00:05:25,749 --> 00:05:23,919

legislating laws that make it more

153

00:05:28,790 --> 00:05:25,759

difficult for people or families

154

00:05:29,270 --> 00:05:28,800

to be fed or be comfortable well you

155

00:05:32,230 --> 00:05:29,280

know they

156

00:05:33,670 --> 00:05:32,240

they just wanted basically people that

157

00:05:35,350 --> 00:05:33,680

had the money in the area

158

00:05:36,950 --> 00:05:35,360

or you know had their nice homes and all

159

00:05:38,469 --> 00:05:36,960

just want a warehouse

160

00:05:40,070 --> 00:05:38,479

these people put them someplace where

161

00:05:42,310 --> 00:05:40,080

they can't see them they don't want to

162

00:05:43,909 --> 00:05:42,320

see them out on the street eating

163

00:05:45,270 --> 00:05:43,919

yeah we don't mind the fact that we have

164

00:05:46,710 --> 00:05:45,280

homeless in the hungry we just don't

165

00:05:48,629 --> 00:05:46,720

want to see them see them eating out on

166

00:05:51,029 --> 00:05:48,639

the beach or outside

167

00:05:53,029 --> 00:05:51,039

you know so it i don't know it's just

168

00:05:54,390 --> 00:05:53,039

you know hate to use so much of our

169

00:05:56,230 --> 00:05:54,400

precious time here in the show to talk

170

00:05:57,670 --> 00:05:56,240

about it but we needed to because it we

171

00:05:59,990 --> 00:05:57,680

we have to be talking about things like

172

00:06:02,870 --> 00:06:00,000

this it's it's a human

173

00:06:04,150 --> 00:06:02,880

rights you know issue it's a humanity

174

00:06:06,150 --> 00:06:04,160

issue and one thing you and i are

175

00:06:08,629 --> 00:06:06,160

passionate about lana's people

176

00:06:10,390 --> 00:06:08,639

and the world we live in but moving on

177

00:06:12,150 --> 00:06:10,400

uh you posted some interesting articles

178

00:06:13,830 --> 00:06:12,160

this week one you sent me via facebook

179

00:06:15,830 --> 00:06:13,840

messenger involving our good friend

180

00:06:19,830 --> 00:06:15,840

katie elizabeth and dennis

181

00:06:21,350 --> 00:06:19,840

up at lake champlain whale perhaps lugo

182

00:06:25,350 --> 00:06:21,360

will possibly

183

00:06:27,990 --> 00:06:25,360

you know um i i you know

184

00:06:28,950 --> 00:06:28,000

there may be something to that though uh

185

00:06:32,550 --> 00:06:28,960

the fact is

186

00:06:32,790 --> 00:06:32,560

that there is beluga whale activity in

187

00:06:34,550 --> 00:06:32,800

st

188

00:06:36,070 --> 00:06:34,560

lawrence seaweed there is a connection

189

00:06:39,990 --> 00:06:36,080

to the lake

190

00:06:43,350 --> 00:06:40,000

uh i don't know how

191

00:06:45,590 --> 00:06:43,360

you know how deep the connection is

192

00:06:47,590 --> 00:06:45,600

i think it's probably possible you know

193

00:06:50,309 --> 00:06:47,600

katie had talked about

194

00:06:51,510 --> 00:06:50,319

there being uh tunnels connecting to the

195

00:06:56,629 --> 00:06:51,520

seaway

196

00:07:00,950 --> 00:06:56,639

uh also that there were aquifers as well

197

00:07:03,909 --> 00:07:00,960

you know the the sonic readings they got

198

00:07:06,550 --> 00:07:03,919

did really sound a lot like belugas from

199

00:07:10,309 --> 00:07:06,560

you know from comparison with other uh

200

00:07:13,430 --> 00:07:10,319

other sonic readings and um

201  
00:07:16,469 --> 00:07:13,440  
they do know whatever is in there

202  
00:07:20,710 --> 00:07:16,479  
does move around in groups

203  
00:07:23,830 --> 00:07:20,720  
now the fact that they haven't seen any

204  
00:07:25,670 --> 00:07:23,840  
blowhole activity kind of makes it

205  
00:07:29,990 --> 00:07:25,680  
difficult to believe it in a way

206  
00:07:32,469 --> 00:07:30,000  
but then again i don't know you know

207  
00:07:35,110 --> 00:07:32,479  
i'm kind of stumped you know it kind of

208  
00:07:38,629 --> 00:07:35,120  
i saw it i saw it yesterday

209  
00:07:39,670 --> 00:07:38,639  
and it kind of surprised me so i i got a

210  
00:07:43,350 --> 00:07:39,680  
hold of katie

211  
00:07:44,309 --> 00:07:43,360  
and she says that they think it you know

212  
00:07:47,430 --> 00:07:44,319  
there's something

213  
00:07:48,869 --> 00:07:47,440

very similar to that there uh so

214

00:07:50,950 --> 00:07:48,879

i don't know i i guess it is a

215

00:07:54,070 --> 00:07:50,960

possibility but uh

216

00:07:55,670 --> 00:07:54,080

we'll see yeah i mean people have

217

00:07:58,950 --> 00:07:55,680

reported

218

00:08:01,430 --> 00:07:58,960

uh things surfacing at the lake briefly

219

00:08:02,070 --> 00:08:01,440

could be coming up to get that air maybe

220

00:08:03,909 --> 00:08:02,080

i don't know

221

00:08:05,670 --> 00:08:03,919

we're you know not close enough or

222

00:08:08,629 --> 00:08:05,680

paying attention enough to notice

223

00:08:09,029 --> 00:08:08,639

some sort of discharge from it but i i

224

00:08:10,790 --> 00:08:09,039

think

225

00:08:13,589 --> 00:08:10,800

that with the echolocation and

226

00:08:15,990 --> 00:08:13,599

everything is definitely a possibility

227

00:08:16,790 --> 00:08:16,000

it very well may be a very well maybe

228

00:08:18,070 --> 00:08:16,800

and uh

229

00:08:19,909 --> 00:08:18,080

but it's interesting and it's

230

00:08:22,070 --> 00:08:19,919

interesting to think about

231

00:08:23,830 --> 00:08:22,080

and the fact that they are getting these

232

00:08:26,629 --> 00:08:23,840

readings and

233

00:08:28,469 --> 00:08:26,639

that there has there have been so many

234

00:08:31,589 --> 00:08:28,479

sightings of whatever

235

00:08:33,190 --> 00:08:31,599

up there um maybe there's something to

236

00:08:36,230 --> 00:08:33,200

it

237

00:08:37,829 --> 00:08:36,240

pretty interesting uh

238

00:08:40,310 --> 00:08:37,839

interesting story and i know she'll keep

239

00:08:41,990 --> 00:08:40,320

us informed on the latest updates and

240

00:08:44,949 --> 00:08:42,000

another thing law and i saw

241

00:08:47,430 --> 00:08:44,959

on phantoms and monsters this week that

242

00:08:48,150 --> 00:08:47,440

horrendous infestation of orb weaver

243

00:08:51,190 --> 00:08:48,160

spiders

244

00:08:52,710 --> 00:08:51,200

in baltimore frightening as hell yeah

245

00:08:55,990 --> 00:08:52,720

you know i think those i think

246

00:08:57,030 --> 00:08:56,000

that picture those pictures are a couple

247

00:08:59,750 --> 00:08:57,040

years old but

248

00:09:01,350 --> 00:08:59,760

it um they finally got got around

249

00:09:06,470 --> 00:09:01,360

they're reporting it

250

00:09:08,790 --> 00:09:06,480

um yeah i used to work in a factory

251  
00:09:11,110 --> 00:09:08,800  
in baltimore near baltimore it was a

252  
00:09:12,710 --> 00:09:11,120  
paper mill recycling factory

253  
00:09:15,190 --> 00:09:12,720  
and we used to have the same problem

254  
00:09:17,350 --> 00:09:15,200  
with these things and they will get up

255  
00:09:19,910 --> 00:09:17,360  
there in the rafters and

256  
00:09:20,790 --> 00:09:19,920  
they are hell to get down uh they're

257  
00:09:25,829 --> 00:09:20,800  
very

258  
00:09:28,630 --> 00:09:25,839  
in the story it'll pull

259  
00:09:30,710 --> 00:09:28,640  
it'll pull fluorescent lighting down uh

260  
00:09:32,790 --> 00:09:30,720  
they're that thick

261  
00:09:34,630 --> 00:09:32,800  
it's got to be near water because of the

262  
00:09:37,590 --> 00:09:34,640  
uh the midge and

263  
00:09:38,550 --> 00:09:37,600

uh mayfly activity comes off the water

264

00:09:41,350 --> 00:09:38,560

so they you know be

265

00:09:43,430 --> 00:09:41,360

fed which you know where i worked at we

266

00:09:46,150 --> 00:09:43,440

were right beside patapsco

267

00:09:47,430 --> 00:09:46,160

so um yeah and they get to be a pro

268

00:09:49,110 --> 00:09:47,440

especially where i was

269

00:09:51,030 --> 00:09:49,120

they get to be a real problem because it

270

00:09:53,110 --> 00:09:51,040

was a paper recycling mill

271

00:09:54,630 --> 00:09:53,120

and paper dust would get up into the

272

00:09:57,430 --> 00:09:54,640

webs

273

00:09:59,590 --> 00:09:57,440

and you get the right conditions that

274

00:10:02,870 --> 00:09:59,600

things will light up

275

00:10:04,630 --> 00:10:02,880

up in smoke and smoke fires

276

00:10:05,990 --> 00:10:04,640

not in the cheech and chong kind of way

277

00:10:08,710 --> 00:10:06,000

either so i mean i guess

278

00:10:09,829 --> 00:10:08,720

i didn't think about that the paper dust

279

00:10:11,829 --> 00:10:09,839

being uh

280

00:10:13,030 --> 00:10:11,839

combustible but you did notate that in

281

00:10:14,949 --> 00:10:13,040

the blog

282

00:10:16,389 --> 00:10:14,959

that's got to be a pretty still just

283

00:10:18,230 --> 00:10:16,399

imagine walking into that place and

284

00:10:21,269 --> 00:10:18,240

seeing it it's like your most

285

00:10:22,949 --> 00:10:21,279

horrifying nightmare yeah

286

00:10:24,470 --> 00:10:22,959

i don't know if i could do it what do

287

00:10:26,630 --> 00:10:24,480

you got for this week

288

00:10:27,829 --> 00:10:26,640

oh i i don't know i got i got a few

289

00:10:29,990 --> 00:10:27,839

things uh

290

00:10:31,030 --> 00:10:30,000

well the most the most important one was

291

00:10:34,470 --> 00:10:31,040

an article written

292

00:10:36,230 --> 00:10:34,480

for me by david hose down in florida

293

00:10:38,470 --> 00:10:36,240

he's uh

294

00:10:39,670 --> 00:10:38,480

he has written a couple other stories

295

00:10:43,829 --> 00:10:39,680

about florida

296

00:10:46,949 --> 00:10:43,839

bizarre activity and uh he offered this

297

00:10:50,150 --> 00:10:46,959

this week he called it the return of the

298

00:10:52,949 --> 00:10:50,160

okeechobee ogre yeah i saw that

299

00:10:53,590 --> 00:10:52,959

yeah so um he wrote that a florida

300

00:10:57,190 --> 00:10:53,600

couple from

301  
00:10:59,269 --> 00:10:57,200  
palmdale had just reported their recent

302  
00:11:01,910 --> 00:10:59,279  
sighting of a large hairy

303  
00:11:02,550 --> 00:11:01,920  
bigfoot like creature they spotted the

304  
00:11:04,630 --> 00:11:02,560  
creature

305  
00:11:06,069 --> 00:11:04,640  
while they were camping along fish

306  
00:11:09,350 --> 00:11:06,079  
eating creek

307  
00:11:11,110 --> 00:11:09,360  
close to lakeport florida

308  
00:11:13,269 --> 00:11:11,120  
they were camping near some indian

309  
00:11:16,870 --> 00:11:13,279  
mounds not far from the site

310  
00:11:17,750 --> 00:11:16,880  
of fort center an area that saw heavy

311  
00:11:21,030 --> 00:11:17,760  
fighting

312  
00:11:22,710 --> 00:11:21,040  
during the second seminal wars lakeport

313  
00:11:23,750 --> 00:11:22,720

is a small retirement and fishing

314

00:11:27,509 --> 00:11:23,760

community

315

00:11:29,910 --> 00:11:27,519

on the west side of lake okeechobee

316

00:11:31,190 --> 00:11:29,920

the mounds are considered a sacred site

317

00:11:33,030 --> 00:11:31,200

sacred site

318

00:11:36,389 --> 00:11:33,040

for native americans and contain

319

00:11:39,910 --> 00:11:36,399

artifacts along with human remains

320

00:11:41,509 --> 00:11:39,920

there is a small artificial lake among

321

00:11:44,949 --> 00:11:41,519

the mounds that is believed to be a

322

00:11:47,430 --> 00:11:44,959

charnel pond for human corpses

323

00:11:49,110 --> 00:11:47,440

now this couple reported hearing and

324

00:11:51,750 --> 00:11:49,120

then seeing

325

00:11:52,629 --> 00:11:51,760

a large hairy beast outside of their

326

00:11:55,030 --> 00:11:52,639

tent

327

00:11:56,710 --> 00:11:55,040

in the middle of the night and the next

328

00:11:59,269 --> 00:11:56,720

morning they found a carcass of a

329

00:12:01,110 --> 00:11:59,279

partially eaten deer nearby

330

00:12:03,750 --> 00:12:01,120

just for the record my mother-in-law was

331

00:12:07,590 --> 00:12:03,760

in hazelton around that time

332

00:12:10,870 --> 00:12:07,600

oh okay um they also found

333

00:12:14,470 --> 00:12:10,880

some long-range brown hairs

334

00:12:16,750 --> 00:12:14,480

on a branch although it has now been

335

00:12:19,670 --> 00:12:16,760

mostly forgotten back in the late

336

00:12:22,069 --> 00:12:19,680

1990s the lakeport area was the

337

00:12:23,750 --> 00:12:22,079

epicenter of a wave of skunk cape

338

00:12:26,150 --> 00:12:23,760

sightings

339

00:12:27,829 --> 00:12:26,160

now the first sighting which wasn't

340

00:12:30,670 --> 00:12:27,839

widely reported

341

00:12:32,389 --> 00:12:30,680

happened early one morning in 1995 or

342

00:12:34,550 --> 00:12:32,399

1996.

343

00:12:35,750 --> 00:12:34,560

two hunters and their dogs are traveling

344

00:12:38,550 --> 00:12:35,760

by boat

345

00:12:38,870 --> 00:12:38,560

down fish eating creek intending to hunt

346

00:12:40,629 --> 00:12:38,880

on

347

00:12:42,150 --> 00:12:40,639

ranch land that boarded both sides of

348

00:12:45,430 --> 00:12:42,160

the creek

349

00:12:47,590 --> 00:12:45,440

they were hunting without

350

00:12:49,509 --> 00:12:47,600

they were hunting illegally so they were

351  
00:12:52,870 --> 00:12:49,519  
trying to sneak in and out

352  
00:12:53,910 --> 00:12:52,880  
without being seen as they traveled down

353  
00:12:55,670 --> 00:12:53,920  
the creek

354  
00:12:57,110 --> 00:12:55,680  
in their boat they heard something on

355  
00:13:00,069 --> 00:12:57,120  
the shore

356  
00:13:02,069 --> 00:13:00,079  
and then caught a bad scent thinking it

357  
00:13:03,750 --> 00:13:02,079  
might be wild hogs the hunters steered a

358  
00:13:06,150 --> 00:13:03,760  
boat to the shore

359  
00:13:07,590 --> 00:13:06,160  
and the hunter up front prepared to jump

360  
00:13:10,870 --> 00:13:07,600  
out however

361  
00:13:12,550 --> 00:13:10,880  
the dog refused to leave the boat

362  
00:13:14,310 --> 00:13:12,560  
the hunter finally jumped on the shore

363  
00:13:17,190 --> 00:13:14,320

and his flashlight shown

364

00:13:19,750 --> 00:13:17,200

on a large creature covered in dark hair

365

00:13:21,670 --> 00:13:19,760

that was standing on its high and legs

366

00:13:23,590 --> 00:13:21,680

the hunter immediately jumped back into

367

00:13:25,190 --> 00:13:23,600

the boat and the other hunter threw the

368

00:13:28,629 --> 00:13:25,200

boat into reverse

369

00:13:30,069 --> 00:13:28,639

and headed back into deeper water

370

00:13:33,110 --> 00:13:30,079

now they could hear the creature trying

371

00:13:36,470 --> 00:13:33,120

to follow them according to the hunters

372

00:13:37,110 --> 00:13:36,480

that wasn't no bear the first widely

373

00:13:42,470 --> 00:13:37,120

reported

374

00:13:45,590 --> 00:13:42,480

shouting was on november the 2nd 1997

375

00:13:47,590 --> 00:13:45,600

fishing guide ronald mosely was taking a

376

00:13:48,069 --> 00:13:47,600

young couple on an airboat door when the

377

00:13:50,629 --> 00:13:48,079

woman

378

00:13:53,430 --> 00:13:50,639

saw what she described as someone in an

379

00:13:57,509 --> 00:13:55,430

neither moseley nor her husband saw the

380

00:13:58,870 --> 00:13:57,519

creature which disappeared into the

381

00:14:01,750 --> 00:13:58,880

woods

382

00:14:03,030 --> 00:14:01,760

although the woman's claim was not taken

383

00:14:05,350 --> 00:14:03,040

seriously

384

00:14:07,509 --> 00:14:05,360

two local fishermen had a sighting a few

385

00:14:09,990 --> 00:14:07,519

weeks later

386

00:14:12,389 --> 00:14:10,000

brian hammock claimed that he and his

387

00:14:15,430 --> 00:14:12,399

companion saw a creature emerged

388

00:14:17,110 --> 00:14:15,440

from an alligator hole in the bank

389

00:14:19,910 --> 00:14:17,120

the creature was reported as being

390

00:14:22,389 --> 00:14:19,920

hearing about six to seven foot tall

391

00:14:24,389 --> 00:14:22,399

it left the water and disappeared into

392

00:14:26,870 --> 00:14:24,399

the sawgrass

393

00:14:29,430 --> 00:14:26,880

brian reported going to the area after

394

00:14:33,990 --> 00:14:29,440

his sighting and seeing tracks

395

00:14:39,350 --> 00:14:37,430

by the summer of 1998 there have been

396

00:14:40,310 --> 00:14:39,360

quite a few more sightings of what came

397

00:14:44,069 --> 00:14:40,320

to be known

398

00:14:45,829 --> 00:14:44,079

as yokichobi ogre locals were selling

399

00:14:48,790 --> 00:14:45,839

memorabilia and guides were taking

400

00:14:51,110 --> 00:14:48,800

visitors on skunk ape tours

401  
00:14:52,790 --> 00:14:51,120  
there was even an ogre webcam according

402  
00:14:55,829 --> 00:14:52,800  
to the fish camp owner

403  
00:14:58,710 --> 00:14:55,839  
jim smith his camp was skulk ape

404  
00:15:00,470 --> 00:14:58,720  
central smith had several sightings of

405  
00:15:01,590 --> 00:15:00,480  
the creature and made several plastic

406  
00:15:04,949 --> 00:15:01,600  
casts

407  
00:15:06,790 --> 00:15:04,959  
of prince now according to smith the

408  
00:15:09,590 --> 00:15:06,800  
creature was about

409  
00:15:10,629 --> 00:15:09,600  
it is about seven foot tall and has a

410  
00:15:13,350 --> 00:15:10,639  
horrible smell

411  
00:15:15,350 --> 00:15:13,360  
smith claimed to be leaving fish guts

412  
00:15:17,350 --> 00:15:15,360  
after the creature eat

413  
00:15:19,350 --> 00:15:17,360

over time the settings dropped off the

414

00:15:22,629 --> 00:15:19,360

webcam was taken down

415

00:15:26,150 --> 00:15:22,639

and the t-shirt stopped selling

416

00:15:27,990 --> 00:15:26,160

the creature disappeared until now

417

00:15:29,269 --> 00:15:28,000

so that's the report i got so apparently

418

00:15:30,710 --> 00:15:29,279

something's roaming around down there

419

00:15:35,110 --> 00:15:30,720

again

420

00:15:36,870 --> 00:15:35,120

um i don't know of this specific area

421

00:15:38,150 --> 00:15:36,880

i don't know if you've ever heard of it

422

00:15:42,389 --> 00:15:38,160

or not

423

00:15:45,749 --> 00:15:42,399

uh where you know there being the um

424

00:15:48,470 --> 00:15:45,759

um these swampy site of course you know

425

00:15:50,629 --> 00:15:48,480

we hear these things all over the place

426

00:15:53,189 --> 00:15:50,639

down in southern florida

427

00:15:54,790 --> 00:15:53,199

so you know i don't know if i ever heard

428

00:15:57,110 --> 00:15:54,800

of the okeechobee ogre

429

00:15:57,829 --> 00:15:57,120

but you know we do get a lot of reports

430

00:15:59,910 --> 00:15:57,839

of the

431

00:16:02,790 --> 00:15:59,920

you know i guess we would call it the

432

00:16:05,829 --> 00:16:02,800

generic skunk ape

433

00:16:07,990 --> 00:16:05,839

uh coming across uh all parts of

434

00:16:09,670 --> 00:16:08,000

florida and uh these are some pretty

435

00:16:10,870 --> 00:16:09,680

good reports i'd like to hear more from

436

00:16:14,550 --> 00:16:10,880

david

437

00:16:16,710 --> 00:16:14,560

yeah he does uh he he puts a lot of um

438

00:16:17,749 --> 00:16:16,720

effort into his you know in the report

439

00:16:19,430 --> 00:16:17,759

she does it's

440

00:16:21,030 --> 00:16:19,440

it's not all and it's not always cryptid

441

00:16:23,829 --> 00:16:21,040

he does uh

442

00:16:25,670 --> 00:16:23,839

he did he did a thing about uh some

443

00:16:28,230 --> 00:16:25,680

hauntings in some areas

444

00:16:28,949 --> 00:16:28,240

down where he lives that too so uh he's

445

00:16:30,230 --> 00:16:28,959

done some

446

00:16:33,509 --> 00:16:30,240

i think this is maybe the third or

447

00:16:34,870 --> 00:16:33,519

fourth uh article he's submitted to me

448

00:16:37,509 --> 00:16:34,880

i've got a couple people that submit

449

00:16:40,470 --> 00:16:37,519

articles which i'm grateful for

450

00:16:41,350 --> 00:16:40,480

grateful for because it brings light a

451  
00:16:43,509 --> 00:16:41,360  
lot of things

452  
00:16:45,110 --> 00:16:43,519  
a lot of stories that are not as well

453  
00:16:47,030 --> 00:16:45,120  
known as uh

454  
00:16:48,629 --> 00:16:47,040  
you know something it doesn't really hit

455  
00:16:51,030 --> 00:16:48,639  
the news that much

456  
00:16:52,629 --> 00:16:51,040  
uh you know as far as maybe crypto or

457  
00:16:55,509 --> 00:16:52,639  
paranormal world

458  
00:16:57,670 --> 00:16:55,519  
so um yeah i i'm grateful for that but

459  
00:17:00,470 --> 00:16:57,680  
this is very fairly interesting

460  
00:17:02,550 --> 00:17:00,480  
um you know not a lot last so i think it

461  
00:17:04,630 --> 00:17:02,560  
was last summer where the uh

462  
00:17:07,029 --> 00:17:04,640  
where they had that multiple sighting of

463  
00:17:09,750 --> 00:17:07,039

the uh the skunk cape

464

00:17:11,189 --> 00:17:09,760

down in uh just outside of um i think it

465

00:17:14,470 --> 00:17:11,199

was just outside the

466

00:17:15,829 --> 00:17:14,480

clear water not too far in area uh which

467

00:17:19,350 --> 00:17:15,839

is a known area for

468

00:17:22,069 --> 00:17:19,360

skunking settings so um i don't know

469

00:17:23,510 --> 00:17:22,079

you know maybe the maybe something that

470

00:17:26,789 --> 00:17:23,520

else come up from this area

471

00:17:28,309 --> 00:17:26,799

you know uh yokojiri lake

472

00:17:30,390 --> 00:17:28,319

maybe something else will be coming up

473

00:17:33,590 --> 00:17:30,400

from there

474

00:17:35,270 --> 00:17:33,600

i don't know we got a lot to talk about

475

00:17:38,710 --> 00:17:35,280

today though with our upcoming guest

476

00:17:40,390 --> 00:17:38,720

uh lon stan gordon

477

00:17:43,510 --> 00:17:40,400

yeah you know stan got a hold of me

478

00:17:46,549 --> 00:17:43,520

about uh about three or four weeks ago

479

00:17:48,870 --> 00:17:46,559

and was asking me about uh

480

00:17:50,230 --> 00:17:48,880

flying cryptid reports if i had seen or

481

00:17:52,950 --> 00:17:50,240

heard anything

482

00:17:54,390 --> 00:17:52,960

and i really hadn't at the time i i had

483

00:17:56,710 --> 00:17:54,400

mentioned

484

00:17:58,150 --> 00:17:56,720

that uh on the on the blog that i

485

00:17:58,630 --> 00:17:58,160

haven't been really been seeing that

486

00:18:03,830 --> 00:17:58,640

much

487

00:18:05,750 --> 00:18:03,840

at a conference

488

00:18:07,430 --> 00:18:05,760

and he had people coming up to him

489

00:18:10,070 --> 00:18:07,440

through the whole conference

490

00:18:11,190 --> 00:18:10,080

giving him reports of these and i think

491

00:18:14,310 --> 00:18:11,200

most of them are these

492

00:18:16,230 --> 00:18:14,320

giant bat reports in pennsylvania and he

493

00:18:18,630 --> 00:18:16,240

also got one in massachusetts

494

00:18:20,150 --> 00:18:18,640

if i remember correctly so you know he

495

00:18:21,190 --> 00:18:20,160

got a hold of me and wanted to know you

496

00:18:23,590 --> 00:18:21,200

know what

497

00:18:25,110 --> 00:18:23,600

i have been hearing now i did get one

498

00:18:26,830 --> 00:18:25,120

last week

499

00:18:29,350 --> 00:18:26,840

of course with that sighting up near

500

00:18:31,110 --> 00:18:29,360

erie uh

501  
00:18:32,870 --> 00:18:31,120  
i don't know you know i still don't know

502  
00:18:36,070 --> 00:18:32,880  
what that was all about

503  
00:18:37,510 --> 00:18:36,080  
uh this thing looked like a i don't know

504  
00:18:39,669 --> 00:18:37,520  
what it looked like

505  
00:18:41,669 --> 00:18:39,679  
it looked like it looked like the wings

506  
00:18:43,510 --> 00:18:41,679  
looked like it was a bat

507  
00:18:44,710 --> 00:18:43,520  
but the body itself was kind of odd

508  
00:18:47,190 --> 00:18:44,720  
looking

509  
00:18:48,549 --> 00:18:47,200  
and for whatever reason the eyes kind of

510  
00:18:51,350 --> 00:18:48,559  
showed up

511  
00:18:52,630 --> 00:18:51,360  
though the photo was left a lot to be

512  
00:18:55,750 --> 00:18:52,640  
desired

513  
00:18:57,830 --> 00:18:55,760

so you know i don't know what that is so

514

00:18:59,510 --> 00:18:57,840

but i haven't talked to stan about it

515

00:19:02,070 --> 00:18:59,520

so i'm interested to think to hear what

516

00:19:03,830 --> 00:19:02,080

he has to say about that

517

00:19:06,150 --> 00:19:03,840

me too you know reports of these flying

518

00:19:08,630 --> 00:19:06,160

cryptids in pa have picked up

519

00:19:09,750 --> 00:19:08,640

over the last uh last few years in fact

520

00:19:12,310 --> 00:19:09,760

you know i live in the

521

00:19:13,830 --> 00:19:12,320

northern central part of the state and

522

00:19:17,029 --> 00:19:13,840

this area is becoming a

523

00:19:19,029 --> 00:19:17,039

hot spot for flying cryptid uh sightings

524

00:19:22,310 --> 00:19:19,039

and i when i was on my way up to

525

00:19:23,510 --> 00:19:22,320

uh uh an investigation a couple weeks

526

00:19:24,710 --> 00:19:23,520

well actually it's more about a couple

527

00:19:27,590 --> 00:19:24,720

weeks ago it's been about a month

528

00:19:29,029 --> 00:19:27,600

a month and a half ago uh there's some

529

00:19:29,750 --> 00:19:29,039

cars pulled off to the side of the road

530

00:19:31,430 --> 00:19:29,760

and up and they were

531

00:19:32,789 --> 00:19:31,440

looking at some eagles flying and one

532

00:19:34,390 --> 00:19:32,799

roosting

533

00:19:37,350 --> 00:19:34,400

in a tree and i thought that was pretty

534

00:19:38,789 --> 00:19:37,360

cool and it just kind of struck me as

535

00:19:41,350 --> 00:19:38,799

we're starting to get an awful lot of

536

00:19:43,110 --> 00:19:41,360

eagles and seeing an awful lot of eagles

537

00:19:44,630 --> 00:19:43,120

up this way so sometimes i wonder maybe

538

00:19:46,310 --> 00:19:44,640

perhaps this is something some of the

539

00:19:49,990 --> 00:19:46,320

people are seeing

540

00:19:53,270 --> 00:19:50,000

that very well may be i mean um i've had

541

00:19:55,190 --> 00:19:53,280

people that have seen these uh you know

542

00:19:55,590 --> 00:19:55,200

have seen turkey buzzards and just flip

543

00:19:58,390 --> 00:19:55,600

out

544

00:20:00,630 --> 00:19:58,400

and you know if you if you've never been

545

00:20:01,990 --> 00:20:00,640

close to turkey buzzard

546

00:20:03,430 --> 00:20:02,000

you really don't know how big those

547

00:20:04,070 --> 00:20:03,440

things are when they spread their wings

548

00:20:07,270 --> 00:20:04,080

out

549

00:20:11,270 --> 00:20:07,280

and uh they they can get quite big

550

00:20:13,830 --> 00:20:11,280

but you know not to the point where

551  
00:20:15,350 --> 00:20:13,840  
it's something that's cryptid you know

552  
00:20:18,149 --> 00:20:15,360  
but uh

553  
00:20:19,110 --> 00:20:18,159  
people haven't seen some large birds now

554  
00:20:21,350 --> 00:20:19,120  
i don't know

555  
00:20:23,830 --> 00:20:21,360  
if it's another type of natural species

556  
00:20:26,870 --> 00:20:23,840  
that's that's coming into the area

557  
00:20:28,710 --> 00:20:26,880  
i you know i don't know you know some of

558  
00:20:32,070 --> 00:20:28,720  
the reports i've read

559  
00:20:34,230 --> 00:20:32,080  
don't seem to suggest that uh

560  
00:20:36,870 --> 00:20:34,240  
but you know maybe stan has some

561  
00:20:39,350 --> 00:20:36,880  
thoughts on that

562  
00:20:40,870 --> 00:20:39,360  
yeah i mean he's been doing this for a

563  
00:20:42,470 --> 00:20:40,880

long time

564

00:20:44,950 --> 00:20:42,480

you know a little bit about stan gordon

565

00:20:46,789 --> 00:20:44,960

he's got a a pretty decent bio so i'll

566

00:20:49,110 --> 00:20:46,799

go ahead and read that now

567

00:20:50,630 --> 00:20:49,120

so folks can get familiar with stan

568

00:20:52,470 --> 00:20:50,640

before we bring him on the program you

569

00:20:54,710 --> 00:20:52,480

know stan gordon was trained

stan was a keynote speaker at the 2011

672

00:24:16,470 --> 00:24:14,880

uh for a discover channel called alien

673

00:24:19,110 --> 00:24:16,480

mysteries and he went

674

00:24:20,549 --> 00:24:19,120

675

00:24:23,909 --> 00:24:20,559

with new road media for an upcoming

676

00:24:26,789 --> 00:24:23,919

series called close encounters

677

00:24:28,470 --> 00:24:26,799

and that's a lot about stan gordon yeah

678

00:24:33,029 --> 00:24:28,480

yeah stan's got quite

679

00:24:35,990 --> 00:24:33,039

quite a bio and uh uh

680

00:24:37,029 --> 00:24:36,000

he does a lot there it really is uh he's

681

00:24:39,430 --> 00:24:37,039

been around forever

682

00:24:41,190 --> 00:24:39,440

and uh you know i've been oh my god i've

683

00:24:43,110 --> 00:24:41,200

known about stan

684

00:24:44,789 --> 00:24:43,120

guy when i even started getting just

685

00:24:45,430 --> 00:24:44,799

when i started even getting into this

686

00:24:48,870 --> 00:24:45,440

back in the mid

687

00:24:50,630 --> 00:24:48,880

70s uh he you know there were not a

688

00:24:51,350 --> 00:24:50,640

whole lot of people doing this type of

689

00:24:53,669 --> 00:24:51,360

thing

690

00:24:55,510 --> 00:24:53,679

no it was ballsy at that time no i mean

691

00:24:58,630 --> 00:24:55,520

you know and

692

00:24:59,990 --> 00:24:58,640

back then you know it's funny i wasn't

693

00:25:02,789 --> 00:25:00,000

really into the ufos

694

00:25:04,230 --> 00:25:02,799

you know of course i would you know it

695

00:25:07,510 --> 00:25:04,240

interested me

696

00:25:09,510 --> 00:25:07,520

uh i would read all kinds of

697

00:25:11,269 --> 00:25:09,520

crazy stuff that was available like the

698

00:25:13,350 --> 00:25:11,279

george adamski he

699

00:25:15,750 --> 00:25:13,360

hit some of the stuff he had written and

700

00:25:17,110 --> 00:25:15,760

uh but you know when it came to actual

701  
00:25:20,630 --> 00:25:17,120  
reports

702  
00:25:24,549 --> 00:25:20,640  
uh stan was putting stuff out back then

703  
00:25:26,310 --> 00:25:24,559  
and uh yeah that was

704  
00:25:28,149 --> 00:25:26,320  
he was kind of he was kind of one of the

705  
00:25:29,830 --> 00:25:28,159  
only people other than

706  
00:25:31,590 --> 00:25:29,840  
some of the bigger names like valet or

707  
00:25:33,269 --> 00:25:31,600  
some of the other ones that were

708  
00:25:35,269 --> 00:25:33,279  
actually putting this type of material

709  
00:25:37,750 --> 00:25:35,279  
out so

710  
00:25:38,789 --> 00:25:37,760  
of course that's where i you know i

711  
00:25:42,230 --> 00:25:38,799  
started learning from

712  
00:25:44,470 --> 00:25:42,240  
stan a long time ago me too 55 years

713  
00:25:47,430 --> 00:25:44,480

long a 55-year career

714

00:25:48,950 --> 00:25:47,440

investigating the strange and unusual in

715

00:25:50,710 --> 00:25:48,960

the state of pennsylvania and getting

716

00:25:52,950 --> 00:25:50,720

himself some recognition along the way

717

00:25:55,269 --> 00:25:52,960

and i know stan personally

718

00:25:56,870 --> 00:25:55,279

he's a good friend and you know i when i

719

00:25:58,149 --> 00:25:56,880

go to some conferences occasionally i'll

720

00:26:00,789 --> 00:25:58,159

have the opportunity to have dinner with

721

00:26:03,510 --> 00:26:00,799

him and his wife who's such a sweet lady

722

00:26:05,110 --> 00:26:03,520

and it's just for me it's an honor and a

723

00:26:06,710 --> 00:26:05,120

privilege to know him because stan is

724

00:26:08,950 --> 00:26:06,720

such a down-to-earth guy

725

00:26:10,950 --> 00:26:08,960

and he just has been somebody that's

726

00:26:13,190 --> 00:26:10,960

follows her passion

727

00:26:15,029 --> 00:26:13,200

for now 55 years started at the age of

728

00:26:15,990 --> 00:26:15,039

10 or just about around the age i

729

00:26:18,310 --> 00:26:16,000

started

730

00:26:20,230 --> 00:26:18,320

uh following all this kind of stuff so

731

00:26:23,269 --> 00:26:20,240

that seems to be like the catalyst age

732

00:26:25,430 --> 00:26:23,279

like you start to learn to reason

733

00:26:27,029 --> 00:26:25,440

and be interested in the strange and the

734

00:26:28,310 --> 00:26:27,039

spooky and the unknown and it becomes

735

00:26:30,149 --> 00:26:28,320

less scary

736

00:26:32,230 --> 00:26:30,159

and more fascinating so you start to

737

00:26:34,230 --> 00:26:32,240

explore things and

738

00:26:36,230 --> 00:26:34,240

for some of us it's it's been so far a

739

00:26:38,950 --> 00:26:36,240

lifetime of fun and for stan

740

00:26:40,710 --> 00:26:38,960

it's definitely a lifetime of fun he's

741

00:26:42,149 --> 00:26:40,720

been doing this for twice as long as

742

00:26:43,750 --> 00:26:42,159

i've been on planet earth

743

00:26:45,830 --> 00:26:43,760

you know i'm kind of it kind of started

744

00:26:48,710 --> 00:26:45,840

for me too you know

745

00:26:51,029 --> 00:26:48,720

i went out and would be hunting at age

746

00:26:53,669 --> 00:26:51,039

12 i'd be out there in the woods

747

00:26:54,070 --> 00:26:53,679

and you never you know so you see some

748

00:26:56,230 --> 00:26:54,080

things

749

00:26:57,430 --> 00:26:56,240

that would kind of get you thinking

750

00:26:58,149 --> 00:26:57,440

especially you'd be out there at

751  
00:27:01,269 --> 00:26:58,159  
nighttime

752  
00:27:02,710 --> 00:27:01,279  
snooping around and uh yeah

753  
00:27:04,390 --> 00:27:02,720  
yeah this kind of yeah you start

754  
00:27:06,630 --> 00:27:04,400  
thinking about things

755  
00:27:08,149 --> 00:27:06,640  
uh i start getting interested then of

756  
00:27:09,909 --> 00:27:08,159  
course when i got

757  
00:27:11,669 --> 00:27:09,919  
when i got out of high school that's

758  
00:27:12,710 --> 00:27:11,679  
when i really started going into it but

759  
00:27:15,269 --> 00:27:12,720  
then again

760  
00:27:17,269 --> 00:27:15,279  
back then very few people were doing it

761  
00:27:18,830 --> 00:27:17,279  
and uh

762  
00:27:20,630 --> 00:27:18,840  
you know it was almost like a taboo

763  
00:27:23,590 --> 00:27:20,640

subject it was like

764

00:27:24,070 --> 00:27:23,600

definitely a pub book subject at that

765

00:27:28,310 --> 00:27:24,080

time

766

00:27:30,630 --> 00:27:28,320

and um especially ghost hunting you know

767

00:27:31,990 --> 00:27:30,640

that was you know that was kind of

768

00:27:37,269 --> 00:27:32,000

frowned upon

769

00:27:39,669 --> 00:27:37,279

and um you know i i guess until

770

00:27:41,110 --> 00:27:39,679

people like barry taft and uh barry

771

00:27:44,230 --> 00:27:41,120

gordon and those

772

00:27:45,350 --> 00:27:44,240

out in los angeles got involved with the

773

00:27:47,350 --> 00:27:45,360

um

774

00:27:49,190 --> 00:27:47,360

you know with the parapsychology and

775

00:27:51,909 --> 00:27:49,200

actually going into

776

00:27:53,110 --> 00:27:51,919

uh people's homes and trying to figure

777

00:27:54,389 --> 00:27:53,120

out what was going on

778

00:27:56,870 --> 00:27:54,399

that's when it started coming to the

779

00:27:59,750 --> 00:27:56,880

forefront and um

780

00:28:00,070 --> 00:27:59,760

you know and then it exploded you know i

781

00:28:03,110 --> 00:28:00,080

guess

782

00:28:06,870 --> 00:28:03,120

from the mid 90s on but uh yeah

783

00:28:08,950 --> 00:28:06,880

it's uh how much longer it's got

784

00:28:11,590 --> 00:28:08,960

you know to be as popular as it has been

785

00:28:15,110 --> 00:28:11,600

i don't know i hope it ends soon

786

00:28:18,310 --> 00:28:15,120

well popularity yeah i i think it

787

00:28:20,310 --> 00:28:18,320

i i think it's a two-headed sword really

788

00:28:23,350 --> 00:28:20,320

uh it's good it's out there that people

789

00:28:25,029 --> 00:28:23,360

are aware of it but then again

790

00:28:26,630 --> 00:28:25,039

you know everybody and their brother

791

00:28:30,070 --> 00:28:26,640

want to be a ghost hunter and

792

00:28:33,190 --> 00:28:30,080

it kind of tends to not only

793

00:28:36,710 --> 00:28:33,200

take take it into the absurdity

794

00:28:38,310 --> 00:28:36,720

to some point but uh

795

00:28:40,630 --> 00:28:38,320

you know some of the stuff you read is

796

00:28:44,389 --> 00:28:40,640

just absolutely ridiculous so

797

00:28:45,750 --> 00:28:44,399

um you know maybe maybe it'll actually

798

00:28:47,909 --> 00:28:45,760

get to the point where

799

00:28:49,190 --> 00:28:47,919

it kind of whittles itself down to

800

00:28:51,029 --> 00:28:49,200

people that are

801

00:28:53,269 --> 00:28:51,039

just real serious about what they're

802

00:28:56,310 --> 00:28:53,279

doing and uh

803

00:28:58,950 --> 00:28:56,320

it'll be you know it won't be watered

804

00:29:00,230 --> 00:28:58,960

down as much as it is now

805

00:29:01,669 --> 00:29:00,240

well that's what i always hope and i

806

00:29:03,190 --> 00:29:01,679

always kind of sound categorised like

807

00:29:05,590 --> 00:29:03,200

the good tankers old man and i'm not

808

00:29:10,230 --> 00:29:08,630

and i'm not even old yet uh but the one

809

00:29:11,830 --> 00:29:10,240

thing that

810

00:29:13,350 --> 00:29:11,840

you know it's not that there's so many

811

00:29:14,870 --> 00:29:13,360

people involved in it it's just that

812

00:29:16,870 --> 00:29:14,880

it's so popular

813

00:29:19,350 --> 00:29:16,880

that everybody wants to be involved in

814

00:29:21,029 --> 00:29:19,360

it and when people finally realize that

815

00:29:21,990 --> 00:29:21,039

it's not as exciting as it's made to be

816

00:29:24,549 --> 00:29:22,000

out on tv

817

00:29:26,630 --> 00:29:24,559

then they lose their edge and then it

818

00:29:28,310 --> 00:29:26,640

was all for nothing

819

00:29:30,389 --> 00:29:28,320

oh yeah but for some of us that have

820

00:29:32,710 --> 00:29:30,399

been doing this for a long time lon

821

00:29:34,070 --> 00:29:32,720

that we know it's boring most of the

822

00:29:37,110 --> 00:29:34,080

time but

823

00:29:38,710 --> 00:29:37,120

it's a passionate pursuit that

824

00:29:41,190 --> 00:29:38,720

for some reason i think a part of us

825

00:29:45,510 --> 00:29:41,200

have to we just have to follow

826  
00:29:49,029 --> 00:29:47,269  
a group of people group of friends will

827  
00:29:53,269 --> 00:29:49,039  
get together start a

828  
00:29:55,029 --> 00:29:53,279  
start a group start a paranormal group

829  
00:29:57,909 --> 00:29:55,039  
start putting money into it getting

830  
00:30:01,510 --> 00:29:57,919  
equipment start advertising

831  
00:30:03,750 --> 00:30:01,520  
um expecting they're gonna

832  
00:30:04,549 --> 00:30:03,760  
they're gonna rock the world get

833  
00:30:07,590 --> 00:30:04,559  
themselves

834  
00:30:09,750 --> 00:30:07,600  
some some uh

835  
00:30:11,590 --> 00:30:09,760  
some notoriety out of it and it just

836  
00:30:12,950 --> 00:30:11,600  
doesn't happen that way of course some

837  
00:30:15,669 --> 00:30:12,960  
people do

838  
00:30:16,149 --> 00:30:15,679

um unfortunately a lot to do they really

839

00:30:19,590 --> 00:30:16,159

shouldn't

840

00:30:21,190 --> 00:30:19,600

but anyway that being said they're

841

00:30:22,950 --> 00:30:21,200

you know then they'll they'll do it for

842

00:30:24,789 --> 00:30:22,960

a year or two and then they'll just

843

00:30:26,470 --> 00:30:24,799

fall by the wayside and not see that

844

00:30:30,310 --> 00:30:26,480

happen all the time

845

00:30:33,430 --> 00:30:30,320

so uh it's not only paranormal groups or

846

00:30:33,750 --> 00:30:33,440

ghost hunting groups or spirit groups

847

00:30:37,510 --> 00:30:33,760

it's

848

00:30:41,029 --> 00:30:37,520

yeah

849

00:30:42,630 --> 00:30:41,039

things where you've got to

850

00:30:44,230 --> 00:30:42,640

in you know i know when i was out in the

851  
00:30:45,190 --> 00:30:44,240  
field you had to be out there and you

852  
00:30:49,750 --> 00:30:45,200  
got to be out there

853  
00:30:52,870 --> 00:30:49,760  
expecting not to see anything

854  
00:30:53,190 --> 00:30:52,880  
and uh you gotta be vigilant and that's

855  
00:30:55,510 --> 00:30:53,200  
just

856  
00:30:57,509 --> 00:30:55,520  
the name of the game and uh you know

857  
00:31:00,070 --> 00:30:57,519  
it's kind of the same with what i do i

858  
00:31:01,750 --> 00:31:00,080  
don't get reports all the time and i

859  
00:31:04,470 --> 00:31:01,760  
gotta be digging and digging here and

860  
00:31:06,789 --> 00:31:04,480  
there and uh

861  
00:31:07,830 --> 00:31:06,799  
it's really good to have connections

862  
00:31:11,430 --> 00:31:07,840  
it's good

863  
00:31:13,110 --> 00:31:11,440

that you have people you can trust that

864

00:31:15,110 --> 00:31:13,120

you know if you have a question like

865

00:31:15,590 --> 00:31:15,120

stan and i got to give stan a lot of

866

00:31:18,870 --> 00:31:15,600

credit

867

00:31:19,509 --> 00:31:18,880

when i need something he can go right to

868

00:31:21,990 --> 00:31:19,519

him

869

00:31:24,149 --> 00:31:22,000

butch is the same with butch with caskey

870

00:31:27,509 --> 00:31:24,159

a lot of a lot of

871

00:31:29,909 --> 00:31:27,519

my associates a lot of my colleagues and

872

00:31:31,430 --> 00:31:29,919

uh i've always been i've always been

873

00:31:34,389 --> 00:31:31,440

grateful for that

874

00:31:34,789 --> 00:31:34,399

definitely some really good uh people

875

00:31:38,389 --> 00:31:34,799

that

876

00:31:39,430 --> 00:31:38,399

uh you know we have to touch with if we

877

00:31:42,389 --> 00:31:39,440

need that

878

00:31:44,470 --> 00:31:42,399

you know kind of in the moment uh

879

00:31:46,070 --> 00:31:44,480

assistance but lon what i guess one last

880

00:31:48,549 --> 00:31:46,080

thing we have some time to talk about

881

00:31:49,990 --> 00:31:48,559

before we move on and actually bring

882

00:31:51,509 --> 00:31:50,000

stan on the show

883

00:31:52,920 --> 00:31:51,519

how about all this flak you've been

884

00:31:54,230 --> 00:31:52,930

receiving lately

885

00:31:57,350 --> 00:31:54,240

[Music]

886

00:32:00,710 --> 00:31:57,360

yeah you're talking about the uh the

887

00:32:04,070 --> 00:32:00,720

uh the bushman the boyd bushman flack

888

00:32:05,830 --> 00:32:04,080

yeah boy bushman yeah well

889

00:32:07,669 --> 00:32:05,840

you know boyd bushman's been around a

890

00:32:12,230 --> 00:32:07,679

while now

891

00:32:15,509 --> 00:32:12,240

this guy he uh

892

00:32:20,870 --> 00:32:15,519

he used to be a senior scientist with uh

893

00:32:24,230 --> 00:32:20,880

with lockheed and what happened was

894

00:32:25,750 --> 00:32:24,240

last august past august or maybe a

895

00:32:29,269 --> 00:32:25,760

little before that but anyway he

896

00:32:31,509 --> 00:32:29,279

he had done a deathbed what they call a

897

00:32:34,789 --> 00:32:31,519

deathbed confession

898

00:32:37,669 --> 00:32:34,799

on on video and basically what he did

899

00:32:38,710 --> 00:32:37,679

he went back and rehashed a lot of the

900

00:32:41,509 --> 00:32:38,720

things that

901  
00:32:43,509 --> 00:32:41,519  
he actually presented before you know he

902  
00:32:45,909 --> 00:32:43,519  
did a video

903  
00:32:47,110 --> 00:32:45,919  
four or five years ago with a lot of the

904  
00:32:50,149 --> 00:32:47,120  
same information

905  
00:32:51,110 --> 00:32:50,159  
and for whatever reason you know now

906  
00:32:53,350 --> 00:32:51,120  
that he got

907  
00:32:54,389 --> 00:32:53,360  
put out there right before he's he

908  
00:32:57,590 --> 00:32:54,399  
passed away

909  
00:32:58,549 --> 00:32:57,600  
he received a whole lot of uh not a lot

910  
00:33:02,070 --> 00:32:58,559  
of scrutiny

911  
00:33:04,070 --> 00:33:02,080  
and uh a lot of skeptics jumped on it

912  
00:33:06,389 --> 00:33:04,080  
you know quite frankly

913  
00:33:07,909 --> 00:33:06,399

a lot of what he said a lot of what he's

914

00:33:09,110 --> 00:33:07,919

been saying for the past four or five

915

00:33:10,870 --> 00:33:09,120

years

916

00:33:12,310 --> 00:33:10,880

kind of rings true with some of the

917

00:33:14,789 --> 00:33:12,320

things that i've been

918

00:33:15,909 --> 00:33:14,799

privy to over those years as well you

919

00:33:18,630 --> 00:33:15,919

know this guy

920

00:33:19,830 --> 00:33:18,640

he was senior scientist like lockheed

921

00:33:22,230 --> 00:33:19,840

martin

922

00:33:23,669 --> 00:33:22,240

you know he he did this stuff for 40

923

00:33:27,350 --> 00:33:23,679

years he worked for

924

00:33:32,549 --> 00:33:27,360

howard hughes aircraft general dynamics

925

00:33:35,590 --> 00:33:32,559

texas instruments he got 26 patents

926

00:33:38,230 --> 00:33:35,600

some some of which are still classified

927

00:33:39,909 --> 00:33:38,240

he these a lot of these patents were for

928

00:33:43,350 --> 00:33:39,919

missile systems

929

00:33:45,110 --> 00:33:43,360

smart bombs and imaging systems magnetic

930

00:33:46,549 --> 00:33:45,120

related technology

931

00:33:48,389 --> 00:33:46,559

which i think is his biggest

932

00:33:51,509 --> 00:33:48,399

contribution

933

00:33:54,710 --> 00:33:51,519

you know impeccable credentials

934

00:33:57,669 --> 00:33:54,720

and that he stated

935

00:33:58,950 --> 00:33:57,679

that he worked firsthand with alien

936

00:34:02,070 --> 00:33:58,960

visitors

937

00:34:05,590 --> 00:34:02,080

and technology that

938

00:34:09,510 --> 00:34:05,600

was located at area 51.

939

00:34:11,829 --> 00:34:09,520

now i believe a lot of what the guy said

940

00:34:13,909 --> 00:34:11,839

now people are saying well

941

00:34:15,589 --> 00:34:13,919

they got this guy before he died you

942

00:34:17,669 --> 00:34:15,599

know he wanted to be known

943

00:34:20,389 --> 00:34:17,679

well known for this and that well you

944

00:34:22,950 --> 00:34:20,399

know see the biggest

945

00:34:24,149 --> 00:34:22,960

the the biggest thing is the biggest

946

00:34:29,510 --> 00:34:24,159

critic

947

00:34:31,109 --> 00:34:29,520

this alien the pictures of the aliens

948

00:34:33,899 --> 00:34:31,119

that he showed

949

00:34:35,349 --> 00:34:33,909

and you know i you know i i'd suppose

950

00:34:38,470 --> 00:34:35,359

[Music]

951  
00:34:41,909 --> 00:34:38,480  
the similarities to

952  
00:34:45,669 --> 00:34:41,919  
a um to a

953  
00:34:48,790 --> 00:34:45,679  
doll or plastic figure that was

954  
00:34:51,589 --> 00:34:48,800  
sold in kmart or other locations

955  
00:34:53,909 --> 00:34:51,599  
and i guess that's i would say that's a

956  
00:34:57,430 --> 00:34:53,919  
fair game for criticism

957  
00:34:58,310 --> 00:34:57,440  
the the the images that he showed in the

958  
00:35:02,310 --> 00:34:58,320  
video

959  
00:35:07,270 --> 00:35:02,320  
had some age and wear to him now

960  
00:35:09,829 --> 00:35:07,280  
this doll wasn't a mass marketed item

961  
00:35:11,270 --> 00:35:09,839  
and it from what i found out it seemed

962  
00:35:12,150 --> 00:35:11,280  
to be initially manufactured and

963  
00:35:15,270 --> 00:35:12,160

distributed

964

00:35:18,630 --> 00:35:15,280  
in the 1960s now that information

965

00:35:20,550 --> 00:35:18,640  
was provided to me by a source

966

00:35:22,710 --> 00:35:20,560  
he was a toy and juvenile items

967

00:35:24,069 --> 00:35:22,720  
distributor i went out and checked with

968

00:35:25,670 --> 00:35:24,079  
a few people

969

00:35:30,069 --> 00:35:25,680  
and that's what i was told by one

970

00:35:32,310 --> 00:35:30,079  
individual now if that is the case the

971

00:35:35,670 --> 00:35:32,320  
only thing i can figure is and then

972

00:35:37,829 --> 00:35:35,680  
you know it this is just speculation but

973

00:35:39,589 --> 00:35:37,839  
you know the powers to be

974

00:35:42,470 --> 00:35:39,599  
may have been responsible for this

975

00:35:44,950 --> 00:35:42,480  
hidden in plain sight that's my campaign

976  
00:35:45,589 --> 00:35:44,960  
to debunk disclosures now always

977  
00:35:47,030 --> 00:35:45,599  
possible

978  
00:35:48,790 --> 00:35:47,040  
you know there have been claims for

979  
00:35:52,470 --> 00:35:48,800  
several decades that

980  
00:35:55,589 --> 00:35:52,480  
you know alien technology and design

981  
00:35:57,589 --> 00:35:55,599  
has been leaked to the film industry

982  
00:35:59,270 --> 00:35:57,599  
in an attempt to soften the blow in case

983  
00:36:02,470 --> 00:35:59,280  
there is a disclosure

984  
00:36:05,030 --> 00:36:02,480  
or god forbid an invasion

985  
00:36:05,750 --> 00:36:05,040  
and that the general public you know

986  
00:36:08,069 --> 00:36:05,760  
kind of

987  
00:36:09,270 --> 00:36:08,079  
doesn't freak out to the point where

988  
00:36:10,390 --> 00:36:09,280

they could they're going to freak out

989

00:36:13,990 --> 00:36:10,400

anyway

990

00:36:17,349 --> 00:36:14,000

but it's kind of being spoon-fed to them

991

00:36:20,630 --> 00:36:17,359

now i don't know how true that is but

992

00:36:23,670 --> 00:36:20,640

some i have people don't tell me

993

00:36:27,750 --> 00:36:23,680

that are very big into ufos

994

00:36:30,950 --> 00:36:27,760

and big into uh government military

995

00:36:32,710 --> 00:36:30,960

um it's

996

00:36:34,310 --> 00:36:32,720

it's participating behind the scenes

997

00:36:37,349 --> 00:36:34,320

stuff uh

998

00:36:39,829 --> 00:36:37,359

say that that's that's actually true

999

00:36:40,550 --> 00:36:39,839

so i don't know that you know it just

1000

00:36:42,470 --> 00:36:40,560

could be but

1001

00:36:46,069 --> 00:36:42,480

i think the guys i think the guy's

1002

00:36:47,910 --> 00:36:46,079

giving a lot of gave a lot of facts

1003

00:36:50,230 --> 00:36:47,920

there are some other videos if you if

1004

00:36:54,470 --> 00:36:50,240

you go to youtube

1005

00:36:56,310 --> 00:36:54,480

and uh search boyd bushman

1006

00:36:58,150 --> 00:36:56,320

all these other older videos especially

1007

00:37:01,829 --> 00:36:58,160

the ones with magnetism

1008

00:37:03,510 --> 00:37:01,839

will come out um i think the guy

1009

00:37:07,990 --> 00:37:03,520

i think the guy was really involved with

1010

00:37:09,990 --> 00:37:08,000

something and i i believe what he said

1011

00:37:11,750 --> 00:37:10,000

well there you have it lon's official

1012

00:37:14,470 --> 00:37:11,760

word on boyd bushman

1013

00:37:16,310 --> 00:37:14,480

and now you can quit threatening them

1014

00:37:18,310 --> 00:37:16,320

and

1015

00:37:19,510 --> 00:37:18,320

boy i'm telling you some of the emails i

1016

00:37:21,030 --> 00:37:19,520

got i

1017

00:37:22,870 --> 00:37:21,040

you know i woke up that next morning

1018

00:37:26,310 --> 00:37:22,880

after i posted that

1019

00:37:27,109 --> 00:37:26,320

and i forgot how many i said like 160

1020

00:37:30,390 --> 00:37:27,119

emails

1021

00:37:31,589 --> 00:37:30,400

there's quite a few uh and i'd say half

1022

00:37:35,430 --> 00:37:31,599

of them

1023

00:37:38,150 --> 00:37:35,440

half that's like 80 emails were

1024

00:37:39,349 --> 00:37:38,160

giving me a bunch of crap about i must

1025

00:37:41,910 --> 00:37:39,359

be crazy or

1026

00:37:43,589 --> 00:37:41,920

this and that and you know i'm you know

1027

00:37:46,150 --> 00:37:43,599

i've never had that before

1028

00:37:47,510 --> 00:37:46,160

so there's a lot of people with some you

1029

00:37:49,270 --> 00:37:47,520

know with some uh

1030

00:37:50,870 --> 00:37:49,280

definite feelings about this type of

1031

00:37:53,109 --> 00:37:50,880

thing i

1032

00:37:54,069 --> 00:37:53,119

i don't know who these people were some

1033

00:37:57,829 --> 00:37:54,079

some of the letters

1034

00:37:59,270 --> 00:37:57,839

some of the emails were anonymous

1035

00:38:01,510 --> 00:37:59,280

there's nothing where i think it would

1036

00:38:02,950 --> 00:38:01,520

be an official email from somebody

1037

00:38:04,550 --> 00:38:02,960

who really knew what they were talking

1038

00:38:08,310 --> 00:38:04,560

about but

1039

00:38:10,390 --> 00:38:08,320

uh you know i struck a nerve so it

1040

00:38:11,829 --> 00:38:10,400

happens

1041

00:38:13,510 --> 00:38:11,839

well folks at any time you have

1042

00:38:16,589 --> 00:38:13,520

questions comments concerns you can

1043

00:38:19,109 --> 00:38:16,599

arcaneradio.com and we do get them in

1045

00:38:23,109 --> 00:38:21,280

fact we're starting to get

1046

00:38:24,870 --> 00:38:23,119

emails from believe it or not around the

1047

00:38:25,829 --> 00:38:24,880

world of folks wanting to know how they

1048

00:38:27,990 --> 00:38:25,839

can listen to

1049

00:38:29,030 --> 00:38:28,000

arcane radio so we have a couple

1050

00:38:31,109 --> 00:38:29,040

different options here for

1051  
00:38:32,550 --> 00:38:31,119  
multi-platform listening and as always

1052  
00:38:35,109 --> 00:38:32,560  
lon and i prefer

1053  
00:38:37,190 --> 00:38:35,119

on ios your apple device or you can also

1058  
00:38:48,630 --> 00:38:45,760  
go right to the radio

1059  
00:38:50,630 --> 00:38:48,640  
website [stitcherradio.com](http://stitcherradio.com) and search for

1060  
00:38:51,270 --> 00:38:50,640  
arcane radio and listen to the show via

1061  
00:38:54,310 --> 00:38:51,280  
web

1062  
00:38:56,069 --> 00:38:54,320  
or through the uh apps that

1063  
00:38:58,829 --> 00:38:56,079

that company provides you also you can

1064

00:39:01,190 --> 00:38:58,839

go right to our podbean site

1065

00:39:03,190 --> 00:39:01,200

arcaneaudio.podbean.com where you can

1066

00:39:04,870 --> 00:39:03,200

download and listen to our latest show

1067

00:39:05,589 --> 00:39:04,880

right there on the web page or through

1068

00:39:08,069 --> 00:39:05,599

their different

1069

00:39:10,390 --> 00:39:08,079

forms of downloading and that's as

1070

00:39:12,230 --> 00:39:10,400

simple as lon and i can make it

1071

00:39:13,750 --> 00:39:12,240

for you so couple different ways we have

1072

00:39:15,510 --> 00:39:13,760

for you to listen and enjoy

1073

00:39:17,190 --> 00:39:15,520

arcane radio and i know lately some of

1074

00:39:18,870 --> 00:39:17,200

our episodes have been infrequent and i

1075

00:39:21,030 --> 00:39:18,880

apologize for that

1076

00:39:23,030 --> 00:39:21,040

uh we're real people and we also have

1077

00:39:26,069 --> 00:39:23,040

real jobs that have to pay real bills

1078

00:39:28,230 --> 00:39:26,079

so we can afford to have real lives so

1079

00:39:30,069 --> 00:39:28,240

sometimes they do come in sporadically

1080

00:39:31,190 --> 00:39:30,079

but be rest assured lon and i have not

1081

00:39:34,790 --> 00:39:31,200

lost our flair

1082

00:39:36,390 --> 00:39:34,800

or uh love for arcane radio or all of

1083

00:39:38,150 --> 00:39:36,400

you and more shows are coming

1084

00:39:40,630 --> 00:39:38,160

just i ask that you be patient in

1085

00:39:43,430 --> 00:39:40,640

between and send us your feedback

1086

00:39:45,750 --> 00:39:43,440

again arcane info at [arcane.radio.com](http://arcane.radio.com)

1087

00:39:47,829 --> 00:39:45,760

and make some suggestions for guests and

1088

00:39:50,390 --> 00:39:47,839

we'll do our best to make again the best

1089

00:39:53,430 --> 00:39:50,400

show for you and this one more technical

1090

00:39:54,150 --> 00:39:53,440

technical production piece uh for now

1091

00:39:56,310 --> 00:39:54,160

the show

1092

00:39:57,990 --> 00:39:56,320

as it's mixed down goes into two-channel

1093

00:39:59,030 --> 00:39:58,000

audio and lon you're familiar with this

1094

00:40:00,550 --> 00:39:59,040

issue

1095

00:40:02,310 --> 00:40:00,560

so when you're listening you have to

1096

00:40:02,790 --> 00:40:02,320

have both earphones in or listening to

1097

00:40:05,829 --> 00:40:02,800

it on

1098

00:40:07,589 --> 00:40:05,839

on a stereo speaker system uh

1099

00:40:09,430 --> 00:40:07,599

so you'll hear lon and i are you're only

1100

00:40:11,190 --> 00:40:09,440

going to have one-sided conversations

1101  
00:40:12,630 --> 00:40:11,200  
what sounds like fun but it can be a

1102  
00:40:14,470 --> 00:40:12,640  
little odd

1103  
00:40:15,990 --> 00:40:14,480  
to listen to so make sure you have both

1104  
00:40:17,430 --> 00:40:16,000  
headphones in for now and as soon as we

1105  
00:40:20,069 --> 00:40:17,440  
get a fix for that

1106  
00:40:21,990 --> 00:40:20,079  
uh i'll put a notice up there and let

1107  
00:40:23,990 --> 00:40:22,000  
everybody know that the audio issue is

1108  
00:40:26,390 --> 00:40:24,000  
fixed and we're not using a professional

1109  
00:40:28,550 --> 00:40:26,400  
team right now it's just old fork chop

1110  
00:40:33,670 --> 00:40:28,560  
mixing it down and putting it out so

1111  
00:40:36,950 --> 00:40:36,230  
yeah well it'll get fixed that's right

1112  
00:40:38,550 --> 00:40:36,960  
but the shell

1113  
00:40:41,030 --> 00:40:38,560

on the quality of the show is a lot

1114

00:40:43,829 --> 00:40:41,040

better than anything we used to do on

1115

00:40:45,270 --> 00:40:43,839

uh blog talk radio not that i'm knocking

1116

00:40:47,109 --> 00:40:45,280

that platform but the

1117

00:40:48,630 --> 00:40:47,119

the quality is much better folks like

1118

00:40:51,109 --> 00:40:48,640

our sound more and

1119

00:40:51,990 --> 00:40:51,119

we're just having fun doing this oh yeah

1120

00:40:54,309 --> 00:40:52,000

you know this is

1121

00:40:55,750 --> 00:40:54,319

uh this is something we don't have to do

1122

00:40:57,349 --> 00:40:55,760

but it's something we want to do

1123

00:40:59,270 --> 00:40:57,359

so that's right because you deserve the

1124

00:41:00,790 --> 00:40:59,280

latest and greatest in the world of the

1125

00:41:02,790 --> 00:41:00,800

paranormal

1126  
00:41:04,710 --> 00:41:02,800  
lon anything else before we stop here to

1127  
00:41:06,710 --> 00:41:04,720  
bring stan gordon on the show

1128  
00:41:08,870 --> 00:41:06,720  
no i can't think of anything all right

1129  
00:41:09,829 --> 00:41:08,880  
folks hang tight we'll be back in a

1130  
00:41:13,270 --> 00:41:09,839  
little bit

1131  
00:41:14,550 --> 00:41:13,280  
with stan gordon and folks you're

1132  
00:41:17,190 --> 00:41:14,560  
listening to arcane radio

1133  
00:41:18,550 --> 00:41:17,200  
sean forker lon strickler and our very

1134  
00:41:22,309 --> 00:41:18,560  
special guest

1135  
00:41:24,950 --> 00:41:22,319  
mr stan gordon from the wonderful world

1136  
00:41:27,270 --> 00:41:24,960  
the crazy strange world of pennsylvania

1137  
00:41:29,349 --> 00:41:27,280  
stan welcome to arcane radio

1138  
00:41:31,349 --> 00:41:29,359

i appreciate having you back on again

1139

00:41:34,630 --> 00:41:31,359

guys

1140

00:41:35,510 --> 00:41:34,640

so stan we we know you've been following

1141

00:41:37,349 --> 00:41:35,520

uh

1142

00:41:39,670 --> 00:41:37,359

some strange creatures but lately it's

1143

00:41:41,430 --> 00:41:39,680

been flying creatures flying cryptids in

1144

00:41:44,870 --> 00:41:41,440

pa

1145

00:41:47,190 --> 00:41:44,880

yeah i mean this year's been steadily

1146

00:41:48,550 --> 00:41:47,200

busy with a lot of the reports of ufos

1147

00:41:49,910 --> 00:41:48,560

and various cryptis including some

1148

00:41:52,230 --> 00:41:49,920

bigfoot activity

1149

00:41:53,510 --> 00:41:52,240

but uh more recently it's been that

1150

00:41:56,710 --> 00:41:53,520

increase in

1151  
00:41:57,910 --> 00:41:56,720  
giant flying cryptid reports and uh yeah

1152  
00:41:59,430 --> 00:41:57,920  
there's been a history of

1153  
00:42:02,790 --> 00:41:59,440  
thunderbird sightings on pennsylvania

1154  
00:42:04,550 --> 00:42:02,800  
going back for many many years

1155  
00:42:07,430 --> 00:42:04,560  
but it seems just from the top of my

1156  
00:42:09,430 --> 00:42:07,440  
head it seems maybe around the year 2000

1157  
00:42:11,190 --> 00:42:09,440  
began to see a little more steady flow

1158  
00:42:13,030 --> 00:42:11,200  
of reports coming in

1159  
00:42:15,109 --> 00:42:13,040  
and but more recently especially this

1160  
00:42:17,750 --> 00:42:15,119  
past september

1161  
00:42:19,270 --> 00:42:17,760  
there was uh some interesting uh little

1162  
00:42:20,630 --> 00:42:19,280  
surge reports

1163  
00:42:22,630 --> 00:42:20,640

and uh there have been a number of other

1164

00:42:23,190 --> 00:42:22,640

sightings in the past few months as well

1165

00:42:24,630 --> 00:42:23,200

so

1166

00:42:26,230 --> 00:42:24,640

it seems as though we're getting more

1167

00:42:28,550 --> 00:42:26,240

and more people calling in about seeing

1168

00:42:30,470 --> 00:42:28,560

these giant birds

1169

00:42:32,309 --> 00:42:30,480

yeah you know you contacted me a couple

1170

00:42:34,309 --> 00:42:32,319

weeks ago and asked me about

1171

00:42:35,990 --> 00:42:34,319

you know if i've been any any of these

1172

00:42:38,950 --> 00:42:36,000

things been coming across

1173

00:42:40,790 --> 00:42:38,960

you know on my desk and i and i then i

1174

00:42:42,870 --> 00:42:40,800

did i hadn't been getting any

1175

00:42:44,390 --> 00:42:42,880

so uh i was kind of interested to see

1176

00:42:47,349 --> 00:42:44,400

what you had so

1177

00:42:49,510 --> 00:42:47,359

i i looked you know last week i posted

1178

00:42:52,230 --> 00:42:49,520

what you had posted on your website and

1179

00:42:54,230 --> 00:42:52,240

it's pretty amazing some deciding so why

1180

00:42:57,109 --> 00:42:54,240

don't you go through some of these

1181

00:42:59,349 --> 00:42:57,119

and uh let us know what's been going on

1182

00:43:00,069 --> 00:42:59,359

yeah well if you want to go back a

1183

00:43:03,109 --> 00:43:00,079

little bit

1184

00:43:03,589 --> 00:43:03,119

um back um a few years ago you know

1185

00:43:05,349 --> 00:43:03,599

again

1186

00:43:08,069 --> 00:43:05,359

a lot of reports of these things being

1187

00:43:10,390 --> 00:43:08,079

seen and very commonly

1188

00:43:12,069 --> 00:43:10,400

when people first see these things their

1189

00:43:15,589 --> 00:43:12,079

first flight is they're seeing

1190

00:43:17,349 --> 00:43:15,599

a small aircraft they begin to see that

1191

00:43:19,270 --> 00:43:17,359

it's flapping its wings they realize

1192

00:43:20,550 --> 00:43:19,280

this is not an aircraft but it's a very

1193

00:43:22,470 --> 00:43:20,560

huge bird

1194

00:43:24,390 --> 00:43:22,480

and there are many many instances back

1195

00:43:27,190 --> 00:43:24,400

in may of 2008

1196

00:43:28,550 --> 00:43:27,200

on route 43 down to washington county pa

1197

00:43:30,950 --> 00:43:28,560

in the afternoon

1198

00:43:33,030 --> 00:43:30,960

apparently on this busy highway people

1199

00:43:35,589 --> 00:43:33,040

have seen this huge

1200

00:43:36,630 --> 00:43:35,599

dark bat like creature with leathery

1201

00:43:38,790 --> 00:43:36,640

skin

1202

00:43:40,470 --> 00:43:38,800

and it came down to within 20 feet of

1203

00:43:41,990 --> 00:43:40,480

some of the cars and reportedly people

1204

00:43:42,630 --> 00:43:42,000

were stopping their cars on this busy

1205

00:43:44,550 --> 00:43:42,640

road

1206

00:43:46,390 --> 00:43:44,560

and pulling off to see this thing and

1207

00:43:47,670 --> 00:43:46,400

there was a fella down that was seen by

1208

00:43:49,910 --> 00:43:47,680

people who apparently taken

1209

00:43:51,990 --> 00:43:49,920

photographs of it but whoever that fell

1210

00:43:55,270 --> 00:43:52,000

is he's never come forward

1211

00:43:58,390 --> 00:43:55,280

and so you know who's to say and then

1212

00:44:01,829 --> 00:43:58,400

many reports since that time um

1213

00:44:02,470 --> 00:44:01,839

may 17th of 2013 down in dairy township

1214

00:44:04,470 --> 00:44:02,480

again

1215

00:44:06,230 --> 00:44:04,480

dairy might ring a bell because it's

1216

00:44:08,069 --> 00:44:06,240

that little community along the chestnut

1217

00:44:10,069 --> 00:44:08,079

ridge in westmoreland county

1218

00:44:11,670 --> 00:44:10,079

which for whatever reason almost year

1219

00:44:14,790 --> 00:44:11,680

after year produces

1220

00:44:16,710 --> 00:44:14,800

a lot of bigfoot activity around that

1221

00:44:19,829 --> 00:44:16,720

general area historically

1222

00:44:20,470 --> 00:44:19,839

thunderbirds ufo sightings other weird

1223

00:44:22,230 --> 00:44:20,480

events

1224

00:44:23,510 --> 00:44:22,240

but you know that chestnut ridge which

1225

00:44:25,510 --> 00:44:23,520

i'm sure we'll talk about

1226  
00:44:27,910 --> 00:44:25,520  
it's a hundred miles long it stretches

1227  
00:44:29,910 --> 00:44:27,920  
from preston county west virginia

1228  
00:44:31,270 --> 00:44:29,920  
through west morning indiana county and

1229  
00:44:34,309 --> 00:44:31,280  
southwest pa

1230  
00:44:36,390 --> 00:44:34,319  
that area along that ridge is yearly

1231  
00:44:38,309 --> 00:44:36,400  
active with all kind of phenomena from

1232  
00:44:40,710 --> 00:44:38,319  
cryptid reports to ufos

1233  
00:44:43,270 --> 00:44:40,720  
to other type of paranormal events it

1234  
00:44:46,550 --> 00:44:43,280  
just goes on and on every year

1235  
00:44:47,190 --> 00:44:46,560  
so may 17th of 2013 the seller recall

1236  
00:44:50,470 --> 00:44:47,200  
was

1237  
00:44:52,550 --> 00:44:50,480  
on his motorcycle

1238  
00:44:54,230 --> 00:44:52,560

and he came around a bend and about 50

1239

00:44:54,710 --> 00:44:54,240

feet in front of him about eight to ten

1240

00:44:58,230 --> 00:44:54,720

feet

1241

00:45:00,630 --> 00:44:58,240

above the road there's this huge dark

1242

00:45:02,069 --> 00:45:00,640

monstrous bird he said it was dark short

1243

00:45:04,230 --> 00:45:02,079

neck a long tail

1244

00:45:06,710 --> 00:45:04,240

but he said that thing easily had a

1245

00:45:08,309 --> 00:45:06,720

wingspan of 20 feet

1246

00:45:09,990 --> 00:45:08,319

and he said he said it just took a

1247

00:45:11,990 --> 00:45:10,000

matter of seconds to speed up

1248

00:45:13,510 --> 00:45:12,000

to get up to the area towards the woods

1249

00:45:15,670 --> 00:45:13,520

where it was disappearing to

1250

00:45:18,230 --> 00:45:15,680

and it was completely gone and he said i

1251

00:45:19,750 --> 00:45:18,240

just can't really understand

1252

00:45:22,150 --> 00:45:19,760

why i couldn't see it further where it

1253

00:45:22,470 --> 00:45:22,160

could have gone to at that close range

1254

00:45:24,790 --> 00:45:22,480

and

1255

00:45:26,309 --> 00:45:24,800

being in daylight so there's a lot of

1256

00:45:28,550 --> 00:45:26,319

weird stuff and then again

1257

00:45:30,470 --> 00:45:28,560

you know we have these these series of

1258

00:45:33,030 --> 00:45:30,480

events of all places here at

1259

00:45:35,510 --> 00:45:33,040

south greensburg pennsylvania a

1260

00:45:39,990 --> 00:45:35,520

populated area on a major road

1261

00:45:42,390 --> 00:45:40,000

rough 119 and back in september of 2001

1262

00:45:43,829 --> 00:45:42,400

fellas outside walking and he hears the

1263

00:45:44,550 --> 00:45:43,839

sound of jackson look up he said it

1264

00:45:47,109 --> 00:45:44,560

sounded like

1265

00:45:48,309 --> 00:45:47,119

flags flapping in a thunderstorm to see

1266

00:45:50,390 --> 00:45:48,319

this huge

1267

00:45:51,510 --> 00:45:50,400

kind of dark maybe grayish brown or

1268

00:45:54,309 --> 00:45:51,520

black bird

1269

00:45:55,910 --> 00:45:54,319

with a 10 to 15 foot wingspan 50 to 60

1270

00:45:56,790 --> 00:45:55,920

feet above the trucks and the cars on

1271

00:45:58,710 --> 00:45:56,800

the road

1272

00:46:00,150 --> 00:45:58,720

and it's flying above and then it turns

1273

00:46:03,109 --> 00:46:00,160

and goes down the road

1274

00:46:04,470 --> 00:46:03,119

and comes down in this big old tree and

1275

00:46:06,069 --> 00:46:04,480

he said you can see the branches of this

1276  
00:46:07,510 --> 00:46:06,079  
thing just bending and bending from the

1277  
00:46:09,270 --> 00:46:07,520  
huge amount of weight from it

1278  
00:46:10,790 --> 00:46:09,280  
and then it finally accelerates and goes

1279  
00:46:14,470 --> 00:46:10,800  
off into the woods

1280  
00:46:16,630 --> 00:46:14,480  
and then in august of 2010 maybe oh

1281  
00:46:18,390 --> 00:46:16,640  
probably within a half mile there four

1282  
00:46:19,829 --> 00:46:18,400  
people having a barbecue

1283  
00:46:21,589 --> 00:46:19,839  
and they're sitting on the back porch

1284  
00:46:23,750 --> 00:46:21,599  
and they'll suddenly have this wild

1285  
00:46:25,270 --> 00:46:23,760  
whooshing swooshing sound to look up at

1286  
00:46:26,470 --> 00:46:25,280  
40 feet above their head is this

1287  
00:46:29,430 --> 00:46:26,480  
monstrous bird

1288  
00:46:31,430 --> 00:46:29,440

with the beak looking down at them and

1289

00:46:32,309 --> 00:46:31,440

it takes a couple big flaps of its wing

1290

00:46:34,950 --> 00:46:32,319

and it's gone

1291

00:46:37,109 --> 00:46:34,960

in seconds down the road over the woods

1292

00:46:40,470 --> 00:46:37,119

and then to make it even stranger

1293

00:46:41,990 --> 00:46:40,480

january of 2013 would have been over

1294

00:46:44,710 --> 00:46:42,000

that general area where where

1295

00:46:46,710 --> 00:46:44,720

that bird was flying towards uh we had

1296

00:46:47,589 --> 00:46:46,720

just had a big snowstorm a couple days

1297

00:46:49,190 --> 00:46:47,599

before

1298

00:46:51,190 --> 00:46:49,200

so these two women a little boy decided

1299

00:46:52,150 --> 00:46:51,200

to take a walk because it was beautiful

1300

00:46:54,309 --> 00:46:52,160

out there

1301

00:46:55,670 --> 00:46:54,319

there's a woods there's trees but the

1302

00:46:57,190 --> 00:46:55,680

trees are not thick

1303

00:46:59,109 --> 00:46:57,200

so you can easily see when they're

1304

00:47:00,630 --> 00:46:59,119

walking through this area a little boy's

1305

00:47:02,150 --> 00:47:00,640

not paying attention all of a sudden the

1306

00:47:04,950 --> 00:47:02,160

two women yell out loud

1307

00:47:05,430 --> 00:47:04,960

did you see the size of that huge bird

1308

00:47:07,990 --> 00:47:05,440

and they

1309

00:47:08,630 --> 00:47:08,000

described him it was described that they

1310

00:47:10,870 --> 00:47:08,640

saw this

1311

00:47:12,470 --> 00:47:10,880

huge bird with this massive wingspan

1312

00:47:15,030 --> 00:47:12,480

open up on the ground

1313

00:47:16,950 --> 00:47:15,040

so it's 20 to 25 feet away from them

1314

00:47:20,069 --> 00:47:16,960

there's fresh snow on the ground

1315

00:47:22,069 --> 00:47:20,079

it walks behind the trees they run over

1316

00:47:24,390 --> 00:47:22,079

immediately to try to see it

1317

00:47:25,589 --> 00:47:24,400

it's not there there's gear track

1318

00:47:27,750 --> 00:47:25,599

there's deer tracks

1319

00:47:29,270 --> 00:47:27,760

there's no other tracks there's no place

1320

00:47:30,630 --> 00:47:29,280

for this thing to fly off to

1321

00:47:32,710 --> 00:47:30,640

they would have seen it fly off because

1322

00:47:33,430 --> 00:47:32,720

the trees were not thick like where did

1323

00:47:35,430 --> 00:47:33,440

it go

1324

00:47:37,109 --> 00:47:35,440

so it adds more and more to the mystery

1325

00:47:38,549 --> 00:47:37,119

and then there's been other reports

1326  
00:47:42,069 --> 00:47:38,559  
since then

1327  
00:47:43,910 --> 00:47:42,079  
but in the last year this is down

1328  
00:47:45,510 --> 00:47:43,920  
off of route 30 east this is only

1329  
00:47:47,510 --> 00:47:45,520  
several miles from greensburg this is a

1330  
00:47:50,870 --> 00:47:47,520  
little town of ginette pa

1331  
00:47:52,390 --> 00:47:50,880  
and that particular afternoon march 25th

1332  
00:47:54,390 --> 00:47:52,400  
this fellow was taking a walk and he had

1333  
00:47:56,069 --> 00:47:54,400  
to look up in the sky now

1334  
00:47:57,589 --> 00:47:56,079  
he like so many around here are really

1335  
00:47:58,870 --> 00:47:57,599  
familiar with seeing small aircraft

1336  
00:48:00,470 --> 00:47:58,880  
because we have a lot of small landing

1337  
00:48:02,069 --> 00:48:00,480  
strips and major

1338  
00:48:03,670 --> 00:48:02,079

airports around this area so you see him

1339

00:48:05,430 --> 00:48:03,680

all the time

1340

00:48:07,190 --> 00:48:05,440

see he looks up in the sky towards the

1341

00:48:08,630 --> 00:48:07,200

east kind of cloudy

1342

00:48:10,870 --> 00:48:08,640

and he thought he saw what would look

1343

00:48:12,549 --> 00:48:10,880

like a piper cub but as he's looking at

1344

00:48:13,270 --> 00:48:12,559

this thing he realizes this thing is

1345

00:48:15,829 --> 00:48:13,280

moving too

1346

00:48:17,270 --> 00:48:15,839

fast too smooth and the wings are turned

1347

00:48:19,430 --> 00:48:17,280

up at the end

1348

00:48:20,549 --> 00:48:19,440

and then he rises his dark object was

1349

00:48:22,549 --> 00:48:20,559

not an aircraft but

1350

00:48:24,309 --> 00:48:22,559

appeared to be a huge bird and he

1351  
00:48:27,349 --> 00:48:24,319  
watches gliding towards the west and

1352  
00:48:30,710 --> 00:48:27,359  
brushed the clouds and

1353  
00:48:32,390 --> 00:48:30,720  
he never saw it flap its wings and

1354  
00:48:33,990 --> 00:48:32,400  
he said he would estimate from seeing

1355  
00:48:36,470 --> 00:48:34,000  
aircraft all the time this thing easily

1356  
00:48:37,750 --> 00:48:36,480  
had about a 15-foot wingspan he ran into

1357  
00:48:39,750 --> 00:48:37,760  
his house to get binoculars

1358  
00:48:40,790 --> 00:48:39,760  
when he came out it was gliding off the

1359  
00:48:44,069 --> 00:48:40,800  
distance

1360  
00:48:45,750 --> 00:48:44,079  
and then july 21st up in indiana county

1361  
00:48:47,510 --> 00:48:45,760  
now this guy i talked to and he was

1362  
00:48:48,950 --> 00:48:47,520  
really reluctant to call me he said

1363  
00:48:50,470 --> 00:48:48,960

he went through all his bird books

1364

00:48:51,270 --> 00:48:50,480

released a couple days where he called

1365

00:48:53,589 --> 00:48:51,280

in he said

1366

00:48:55,109 --> 00:48:53,599

because he has been since a kid he has

1367

00:48:55,670 --> 00:48:55,119

been a bird watcher that's one of his

1368

00:48:57,990 --> 00:48:55,680

hobbies

1369

00:48:59,109 --> 00:48:58,000

he knows the birds of pennsylvania and

1370

00:49:02,069 --> 00:48:59,119

he was just

1371

00:49:03,910 --> 00:49:02,079

mystified of what he saw on the

1372

00:49:06,309 --> 00:49:03,920

afternoon of july 21st

1373

00:49:07,829 --> 00:49:06,319

this year uh he was in a rural area of

1374

00:49:10,230 --> 00:49:07,839

indiana county

1375

00:49:12,069 --> 00:49:10,240

and um all of a sudden he saw what he

1376

00:49:13,750 --> 00:49:12,079

thought was a low-flying aircraft

1377

00:49:15,109 --> 00:49:13,760

then he noticed the wings were flapping

1378

00:49:17,750 --> 00:49:15,119

very slowly

1379

00:49:19,349 --> 00:49:17,760

and he realized that this was unlike any

1380

00:49:20,150 --> 00:49:19,359

giant anybody had ever seen it was like

1381

00:49:22,150 --> 00:49:20,160

it was dark

1382

00:49:24,390 --> 00:49:22,160

maybe brown of color he's kind of kind

1383

00:49:25,190 --> 00:49:24,400

of a broad semicircular tail with a rump

1384

00:49:28,309 --> 00:49:25,200

area

1385

00:49:31,030 --> 00:49:28,319

and this guy's familiar with all the

1386

00:49:31,510 --> 00:49:31,040

the larger birds of pennsylvania and he

1387

00:49:33,109 --> 00:49:31,520

said

1388

00:49:34,950 --> 00:49:33,119

it dwarfed that of an eagle and he

1389

00:49:35,589 --> 00:49:34,960

estimated the wingspan would easily have

1390

00:49:38,230 --> 00:49:35,599

been

1391

00:49:38,950 --> 00:49:38,240

at least 12 foot in length so there's

1392

00:49:40,790 --> 00:49:38,960

another one

1393

00:49:42,230 --> 00:49:40,800

now an interesting thing is and i've

1394

00:49:45,430 --> 00:49:42,240

talked to you about this on

1395

00:49:48,390 --> 00:49:45,440

shows in the past but i found

1396

00:49:49,750 --> 00:49:48,400

many years ago we're talking 30 40 years

1397

00:49:53,109 --> 00:49:49,760

ago

1398

00:49:54,390 --> 00:49:53,119

that i began to see some type of a

1399

00:49:57,030 --> 00:49:54,400

pattern in that

1400

00:49:57,750 --> 00:49:57,040

a lot of close range low level ufo

1401  
00:50:01,109 --> 00:49:57,760  
sightings

1402  
00:50:03,829 --> 00:50:01,119  
and a lot of close cryptid accounts

1403  
00:50:04,630 --> 00:50:03,839  
incidents would happen in the vicinity

1404  
00:50:09,030 --> 00:50:04,640  
of

1405  
00:50:12,309 --> 00:50:09,040  
settings around like power plants

1406  
00:50:15,030 --> 00:50:12,319  
uh high tension power lines gas wells uh

1407  
00:50:16,230 --> 00:50:15,040  
you know gas lines radio transmission

1408  
00:50:18,630 --> 00:50:16,240  
towers uh

1409  
00:50:20,790 --> 00:50:18,640  
water railroad tracks things like that

1410  
00:50:22,390 --> 00:50:20,800  
and that particular incident happened

1411  
00:50:24,150 --> 00:50:22,400  
only

1412  
00:50:25,990 --> 00:50:24,160  
i believe it was about a mile and a half

1413  
00:50:28,950 --> 00:50:26,000

or so from the homer city power station

1414

00:50:30,069 --> 00:50:28,960

which has had a long history of ufo

1415

00:50:31,510 --> 00:50:30,079

incidents up there

1416

00:50:34,470 --> 00:50:31,520

from the time they were going in the

1417

00:50:39,589 --> 00:50:34,480

late 60s up to the present

1418

00:50:42,870 --> 00:50:39,599

and then over to scotland august 24th

1419

00:50:43,750 --> 00:50:42,880

1 15 the afternoon uh and you guys know

1420

00:50:45,270 --> 00:50:43,760

roger marsh

1421

00:50:46,870 --> 00:50:45,280

and i know he's published it we talked

1422

00:50:49,430 --> 00:50:46,880

about it and we talked about it

1423

00:50:50,790 --> 00:50:49,440

and uh he was moving some furniture that

1424

00:50:51,829 --> 00:50:50,800

day when they looked up he said to see

1425

00:50:53,910 --> 00:50:51,839

that the biggest

1426  
00:50:55,589 --> 00:50:53,920  
monstrous birdie had ever seen nasa

1427  
00:50:59,030 --> 00:50:55,599  
winksman making circles

1428  
00:51:00,470 --> 00:50:59,040  
right over the area and um he was able

1429  
00:51:01,910 --> 00:51:00,480  
to see the beak in the body and the

1430  
00:51:02,950 --> 00:51:01,920  
wings and that was thing was this

1431  
00:51:05,990 --> 00:51:02,960  
massive

1432  
00:51:07,109 --> 00:51:06,000  
and reportedly two men were overheard

1433  
00:51:08,790 --> 00:51:07,119  
that day

1434  
00:51:10,549 --> 00:51:08,800  
in a local convenience store saying that

1435  
00:51:12,710 --> 00:51:10,559  
they had seen a huge thunderbird like

1436  
00:51:14,950 --> 00:51:12,720  
creature in the area earlier that day

1437  
00:51:16,230 --> 00:51:14,960  
then we get a little closer what we we i

1438  
00:51:18,710 --> 00:51:16,240

called you about

1439

00:51:21,190 --> 00:51:18,720

and actually interestingly this series

1440

00:51:23,910 --> 00:51:21,200

of events september for whatever reason

1441

00:51:25,109 --> 00:51:23,920

was unusually active in the state with a

1442

00:51:27,349 --> 00:51:25,119

ufo activity

1443

00:51:28,390 --> 00:51:27,359

and with encrypted reports in fact the

1444

00:51:30,230 --> 00:51:28,400

interesting thing is

1445

00:51:32,470 --> 00:51:30,240

the day before i got the call on the

1446

00:51:33,910 --> 00:51:32,480

thunderbird i got a report of a black

1447

00:51:37,430 --> 00:51:33,920

panther sighting

1448

00:51:39,589 --> 00:51:37,440

not far from that same area so this is

1449

00:51:41,750 --> 00:51:39,599

now september 23rd

1450

00:51:43,670 --> 00:51:41,760

and this guy is outside of jeannette and

1451  
00:51:45,910 --> 00:51:43,680  
he's standing there in the afternoon

1452  
00:51:47,270 --> 00:51:45,920  
and he hears the sound very very strange

1453  
00:51:48,150 --> 00:51:47,280  
sound that attracts him to look up in

1454  
00:51:50,069 --> 00:51:48,160  
the sky

1455  
00:51:51,270 --> 00:51:50,079  
he said it was very loud and he said it

1456  
00:51:53,829 --> 00:51:51,280  
was kind of like a ra

1457  
00:51:55,349 --> 00:51:53,839  
ra ra sound and he said it's really hard

1458  
00:51:57,910 --> 00:51:55,359  
for me to explain but he said

1459  
00:51:59,109 --> 00:51:57,920  
if dinosaurs could were living today i

1460  
00:52:00,150 --> 00:51:59,119  
would think they would make a sound

1461  
00:52:01,910 --> 00:52:00,160  
something like this

1462  
00:52:03,270 --> 00:52:01,920  
and he looked up to see this gigantic

1463  
00:52:06,309 --> 00:52:03,280

and he said it was

1464

00:52:07,109 --> 00:52:06,319

very black a very very black colored

1465

00:52:09,430 --> 00:52:07,119

bird

1466

00:52:10,630 --> 00:52:09,440

about 200 feet off the ground and he

1467

00:52:12,390 --> 00:52:10,640

said this thing

1468

00:52:14,069 --> 00:52:12,400

the body was about six feet or more in

1469

00:52:16,549 --> 00:52:14,079

length from head to tail

1470

00:52:17,990 --> 00:52:16,559

but the wingspan was easily 12 feet or

1471

00:52:20,309 --> 00:52:18,000

more in width

1472

00:52:21,109 --> 00:52:20,319

and he was a little hesitant to talk

1473

00:52:23,510 --> 00:52:21,119

about it

1474

00:52:25,510 --> 00:52:23,520

but he said this thing looked more like

1475

00:52:27,750 --> 00:52:25,520

a prehistoric bird than any other

1476  
00:52:29,670 --> 00:52:27,760  
bird he's ever seen and then he went on

1477  
00:52:32,549 --> 00:52:29,680  
to tell me he said

1478  
00:52:34,950 --> 00:52:32,559  
that it had no feathers on it but it was

1479  
00:52:36,630 --> 00:52:34,960  
skin-like like that of a giant bat

1480  
00:52:39,190 --> 00:52:36,640  
but you know we've heard these reports

1481  
00:52:42,549 --> 00:52:39,200  
in the past from other people as well

1482  
00:52:43,910 --> 00:52:42,559  
and then the next day not far from there

1483  
00:52:46,230 --> 00:52:43,920  
only a few miles away over the little

1484  
00:52:48,470 --> 00:52:46,240  
community of penn

1485  
00:52:49,510 --> 00:52:48,480  
two people saw that afternoon what

1486  
00:52:53,750 --> 00:52:49,520  
appeared to be

1487  
00:52:55,430 --> 00:52:53,760  
a huge bird following a helicopter

1488  
00:52:56,870 --> 00:52:55,440

and they said this thing got very close

1489

00:53:00,150 --> 00:52:56,880

to helicopter and they said

1490

00:53:01,829 --> 00:53:00,160

at times it seemed to be even bigger

1491

00:53:03,349 --> 00:53:01,839

in size at the same distance than the

1492

00:53:05,750 --> 00:53:03,359

helicopter was

1493

00:53:06,630 --> 00:53:05,760

and they watched it uh fly around the

1494

00:53:08,390 --> 00:53:06,640

area

1495

00:53:10,069 --> 00:53:08,400

and it got pretty close to it and then

1496

00:53:11,109 --> 00:53:10,079

it flew out over a group of trees and

1497

00:53:13,190 --> 00:53:11,119

disappeared

1498

00:53:15,190 --> 00:53:13,200

but the one woman i talked to and she

1499

00:53:17,589 --> 00:53:15,200

drew me a schedule and she said

1500

00:53:18,630 --> 00:53:17,599

i've seen him on tv but she said i never

1501  
00:53:21,109 --> 00:53:18,640  
thought i'd ever

1502  
00:53:22,950 --> 00:53:21,119  
live to see a dragon and she said that's

1503  
00:53:24,790 --> 00:53:22,960  
the only way i can describe

1504  
00:53:26,150 --> 00:53:24,800  
the way the wings were and the way the

1505  
00:53:28,230 --> 00:53:26,160  
wings flap that that

1506  
00:53:30,630 --> 00:53:28,240  
huge bird that was behind the helicopter

1507  
00:53:33,990 --> 00:53:30,640  
looked like a dragon

1508  
00:53:35,349 --> 00:53:34,000  
and then september 24th which is that

1509  
00:53:37,510 --> 00:53:35,359  
same day

1510  
00:53:39,589 --> 00:53:37,520  
i get a call from another fella who

1511  
00:53:42,230 --> 00:53:39,599  
lived a few miles from there down near

1512  
00:53:44,069 --> 00:53:42,240  
irwin or north huntington

1513  
00:53:45,349 --> 00:53:44,079

he was a big fella he was going to work

1514

00:53:47,190 --> 00:53:45,359

that night and he

1515

00:53:48,390 --> 00:53:47,200

and he parked in a pretty heavily wooded

1516

00:53:50,470 --> 00:53:48,400

area

1517

00:53:52,069 --> 00:53:50,480

and he said he's going over this car

1518

00:53:54,549 --> 00:53:52,079

which he does all the time

1519

00:53:55,430 --> 00:53:54,559

and he heard about 50 to 80 feet away he

1520

00:53:59,430 --> 00:53:55,440

estimated

1521

00:54:02,150 --> 00:53:59,440

very loud noises like something very big

1522

00:54:02,710 --> 00:54:02,160

with snapping tree limbs and then he

1523

00:54:05,510 --> 00:54:02,720

heard this

1524

00:54:07,030 --> 00:54:05,520

really loud shrill sound he said that

1525

00:54:09,430 --> 00:54:07,040

really scared the heck out of him

1526  
00:54:10,150 --> 00:54:09,440  
and the sound he made me was very

1527  
00:54:11,910 --> 00:54:10,160  
similar

1528  
00:54:13,589 --> 00:54:11,920  
to what that fellow told me two days

1529  
00:54:15,510 --> 00:54:13,599  
before right down the road

1530  
00:54:17,589 --> 00:54:15,520  
of what that giant bird sound like that

1531  
00:54:19,589 --> 00:54:17,599  
rah-rah-rah sound

1532  
00:54:20,950 --> 00:54:19,599  
sound so i went out with another

1533  
00:54:22,150 --> 00:54:20,960  
investigator we searched through that

1534  
00:54:23,510 --> 00:54:22,160  
wooded area

1535  
00:54:25,589 --> 00:54:23,520  
really couldn't find any trace of

1536  
00:54:28,790 --> 00:54:25,599  
anything but the guy was

1537  
00:54:31,270 --> 00:54:28,800  
legitimately frightened and

1538  
00:54:33,829 --> 00:54:31,280

something scared him pretty badly and

1539

00:54:34,630 --> 00:54:33,839

then i get a report october 4th now this

1540

00:54:36,309 --> 00:54:34,640

is back

1541

00:54:37,990 --> 00:54:36,319

this is almost between the border of

1542

00:54:40,630 --> 00:54:38,000

indiana county westmoreland

1543

00:54:41,190 --> 00:54:40,640

up near new florence which again it's

1544

00:54:43,750 --> 00:54:41,200

within

1545

00:54:45,030 --> 00:54:43,760

about two miles from the power stations

1546

00:54:46,870 --> 00:54:45,040

new florence

1547

00:54:48,230 --> 00:54:46,880

where this fellow that afternoon and

1548

00:54:49,270 --> 00:54:48,240

this guy's live in the woods all his

1549

00:54:51,349 --> 00:54:49,280

life

1550

00:54:53,109 --> 00:54:51,359

those turkey vultures those blue herons

1551  
00:54:56,230 --> 00:54:53,119  
and he said

1552  
00:54:58,549 --> 00:54:56,240  
he was startled by this huge bird

1553  
00:55:00,710 --> 00:54:58,559  
that was no more than maybe about 15

1554  
00:55:03,030 --> 00:55:00,720  
feet over the top of his vehicle

1555  
00:55:04,870 --> 00:55:03,040  
when he first saw it it was black maybe

1556  
00:55:07,190 --> 00:55:04,880  
extremely dark brown

1557  
00:55:08,230 --> 00:55:07,200  
he said had elongated neck similar to a

1558  
00:55:10,549 --> 00:55:08,240  
goose

1559  
00:55:12,549 --> 00:55:10,559  
and it was covered with feathers and the

1560  
00:55:14,309 --> 00:55:12,559  
beak looked similar to our raptor

1561  
00:55:15,990 --> 00:55:14,319  
he was not certain but he thought the

1562  
00:55:17,750 --> 00:55:16,000  
beak was light brown of color

1563  
00:55:19,589 --> 00:55:17,760

and he said easily had a 12 foot

1564

00:55:20,470 --> 00:55:19,599

wingspan he couldn't hear any sound but

1565

00:55:22,150 --> 00:55:20,480

he thought they have been

1566

00:55:24,069 --> 00:55:22,160

that may have been from the engines

1567

00:55:27,030 --> 00:55:24,079

running out the noise

1568

00:55:27,910 --> 00:55:27,040

and so anyhow that's what we've been

1569

00:55:31,430 --> 00:55:27,920

getting

1570

00:55:31,829 --> 00:55:31,440

and you know historically we may follow

1571

00:55:35,430 --> 00:55:31,839

these

1572

00:55:38,710 --> 00:55:35,440

the term a thunderbird

1573

00:55:40,870 --> 00:55:38,720

but the reports while some are similar

1574

00:55:42,150 --> 00:55:40,880

some are different and some of them are

1575

00:55:46,230 --> 00:55:42,160

just very very

1576  
00:55:47,270 --> 00:55:46,240  
massive big oversized birds with massive

1577  
00:55:48,789 --> 00:55:47,280  
wingspans

1578  
00:55:51,670 --> 00:55:48,799  
others describe something like more

1579  
00:55:53,670 --> 00:55:51,680  
leathery like a huge giant bat

1580  
00:55:55,510 --> 00:55:53,680  
others have talked to me and said what

1581  
00:55:57,910 --> 00:55:55,520  
they saw they felt like more

1582  
00:56:00,710 --> 00:55:57,920  
prehistoric like a pterodacter or a

1583  
00:56:04,549 --> 00:56:02,390  
more than one person in the last few

1584  
00:56:06,230 --> 00:56:04,559  
years has mentioned the word

1585  
00:56:08,630 --> 00:56:06,240  
dragon that what they saw looked like a

1586  
00:56:11,670 --> 00:56:08,640  
dragon and some have over years even

1587  
00:56:12,630 --> 00:56:11,680  
luckily brought up gargoyle so there's

1588  
00:56:14,870 --> 00:56:12,640

differences yet

1589

00:56:16,870 --> 00:56:14,880

similarities and different reports over

1590

00:56:18,630 --> 00:56:16,880

the years and you know we talked about

1591

00:56:21,910 --> 00:56:18,640

this before whether we're talking about

1592

00:56:24,710 --> 00:56:21,920

these huge flying cryptids or bigfoot

1593

00:56:25,990 --> 00:56:24,720

or the black panther reports we get or a

1594

00:56:28,950 --> 00:56:26,000

whole variety of other

1595

00:56:29,270 --> 00:56:28,960

cryptids we look into where they come

1596

00:56:31,349 --> 00:56:29,280

from

1597

00:56:33,109 --> 00:56:31,359

and where do they go you know sometimes

1598

00:56:35,589 --> 00:56:33,119

there's some physical evidence

1599

00:56:36,309 --> 00:56:35,599

and you know credible people are seeing

1600

00:56:39,190 --> 00:56:36,319

them

1601  
00:56:40,630 --> 00:56:39,200  
99 of these people want no publicity so

1602  
00:56:42,549 --> 00:56:40,640  
what are we dealing with is the big

1603  
00:56:44,390 --> 00:56:42,559  
question

1604  
00:56:45,670 --> 00:56:44,400  
well see that's what fascinates me the

1605  
00:56:48,150 --> 00:56:45,680  
most is

1606  
00:56:49,589 --> 00:56:48,160  
they just seem to show up but the the

1607  
00:56:51,190 --> 00:56:49,599  
the biggest thing is

1608  
00:56:52,630 --> 00:56:51,200  
where the hell they go to because they

1609  
00:56:54,789 --> 00:56:52,640  
just seemed to vantage

1610  
00:56:56,150 --> 00:56:54,799  
and you know you talked about the one

1611  
00:56:57,510 --> 00:56:56,160  
behind the tree

1612  
00:56:59,190 --> 00:56:57,520  
and you know it's just like another it's

1613  
00:57:01,270 --> 00:56:59,200

just like other cryptids

1614

00:57:02,950 --> 00:57:01,280

that we get reports on these things just

1615

00:57:06,789 --> 00:57:02,960

seem to disappear

1616

00:57:08,950 --> 00:57:06,799

yeah yeah and uh you know is is it the

1617

00:57:10,390 --> 00:57:08,960

this inter-dimensional thing that we've

1618

00:57:12,309 --> 00:57:10,400

always talked about

1619

00:57:13,990 --> 00:57:12,319

i mean is it does it apply to all of

1620

00:57:16,390 --> 00:57:14,000

them all cryptids

1621

00:57:18,309 --> 00:57:16,400

are these all are these all these

1622

00:57:19,190 --> 00:57:18,319

creatures coming from another plane

1623

00:57:22,390 --> 00:57:19,200

somewhere

1624

00:57:24,150 --> 00:57:22,400

i mean it makes you think uh but

1625

00:57:26,870 --> 00:57:24,160

then again they seem to come back where

1626

00:57:28,870 --> 00:57:26,880

other people are seeing them

1627

00:57:30,470 --> 00:57:28,880

oh yeah well again over the years it

1628

00:57:31,990 --> 00:57:30,480

happened you know just like the black

1629

00:57:33,190 --> 00:57:32,000

panther report so the black panther

1630

00:57:34,230 --> 00:57:33,200

reports are very intriguing in

1631

00:57:36,789 --> 00:57:34,240

pennsylvania

1632

00:57:38,390 --> 00:57:36,799

they're they're not an animal that is

1633

00:57:38,950 --> 00:57:38,400

ever excited to exist in this part of

1634

00:57:40,390 --> 00:57:38,960

the world

1635

00:57:42,470 --> 00:57:40,400

generally what people describe as a

1636

00:57:45,670 --> 00:57:42,480

black jaguar or a black

1637

00:57:47,589 --> 00:57:45,680

uh leopard but of course

1638

00:57:48,870 --> 00:57:47,599

they've never existed scientifically in

1639

00:57:49,430 --> 00:57:48,880

this part of the world but they've been

1640

00:57:51,349 --> 00:57:49,440

seen for

1641

00:57:53,109 --> 00:57:51,359

multitudes of years or multitudes of

1642

00:57:54,390 --> 00:57:53,119

reports of them i mean i've interviewed

1643

00:57:55,190 --> 00:57:54,400

hunters the last couple years in

1644

00:57:58,309 --> 00:57:55,200

daylight that

1645

00:58:00,549 --> 00:57:58,319

within 30 feet of them and uh

1646

00:58:01,589 --> 00:58:00,559

i mean some of these cases are extremely

1647

00:58:03,750 --> 00:58:01,599

detailed

1648

00:58:06,150 --> 00:58:03,760

very interesting back by the way back in

1649

00:58:08,549 --> 00:58:06,160

march of 1983

1650

00:58:09,510 --> 00:58:08,559

in a heavily populated suburb of

1651

00:58:11,829 --> 00:58:09,520

pittsburgh

1652

00:58:13,030 --> 00:58:11,839

there was a massive search for a black

1653

00:58:14,710 --> 00:58:13,040

panther

1654

00:58:16,470 --> 00:58:14,720

and it was a really interesting and it

1655

00:58:17,829 --> 00:58:16,480

actually made big news in the papers

1656

00:58:19,589 --> 00:58:17,839

believe it or not down there

1657

00:58:21,109 --> 00:58:19,599

because you know the first thing we

1658

00:58:22,309 --> 00:58:21,119

checked when we people get reported

1659

00:58:24,150 --> 00:58:22,319

these things is

1660

00:58:26,150 --> 00:58:24,160

as one of these animals escape from a

1661

00:58:27,750 --> 00:58:26,160

zoo or a carnival

1662

00:58:29,589 --> 00:58:27,760

that first of all there's not a lot of

1663

00:58:32,309 --> 00:58:29,599

them around secondly it's

1664

00:58:32,950 --> 00:58:32,319

very rare these things ever escape and

1665

00:58:34,390 --> 00:58:32,960

when they do

1666

00:58:36,069 --> 00:58:34,400

generally hear about it you can figure

1667

00:58:37,030 --> 00:58:36,079

it out pretty well but that's never been

1668

00:58:38,470 --> 00:58:37,040

the case

1669

00:58:40,710 --> 00:58:38,480

and in this particular case it was

1670

00:58:42,789 --> 00:58:40,720

interesting because this happened

1671

00:58:44,390 --> 00:58:42,799

in a rural area right excuse me rather

1672

00:58:46,230 --> 00:58:44,400

in a suburb of pittsburgh

1673

00:58:47,829 --> 00:58:46,240

whereas all quite a lot of people around

1674

00:58:51,190 --> 00:58:47,839

it was at a large car

1675

00:58:53,030 --> 00:58:51,200

dealership where this thing there was a

1676  
00:58:54,230 --> 00:58:53,040  
fence that separated this large wooded

1677  
00:58:56,870 --> 00:58:54,240  
area from

1678  
00:58:58,870 --> 00:58:56,880  
the uh company there and this thing it

1679  
00:59:00,789 --> 00:58:58,880  
had dived over the fence

1680  
00:59:02,309 --> 00:59:00,799  
where a mechanic was working on a car he

1681  
00:59:03,589 --> 00:59:02,319  
was replacing a headlight in the car at

1682  
00:59:06,150 --> 00:59:03,599  
9 30 that morning

1683  
00:59:07,190 --> 00:59:06,160  
here's this loud thump and there's this

1684  
00:59:11,430 --> 00:59:07,200  
huge

1685  
00:59:13,990 --> 00:59:11,440  
fender and hood of the car

1686  
00:59:15,670 --> 00:59:14,000  
and it has a dead animal in its mouth

1687  
00:59:18,069 --> 00:59:15,680  
and it's looking at him

1688  
00:59:19,270 --> 00:59:18,079

and he said the animal itself had a body

1689

00:59:20,789 --> 00:59:19,280

at least two and a half feet long and

1690

00:59:23,589 --> 00:59:20,799

the tail was about four feet long

1691

00:59:24,789 --> 00:59:23,599

and it was beautiful solid black and the

1692

00:59:27,109 --> 00:59:24,799

ears were upright

1693

00:59:28,230 --> 00:59:27,119

and i mean he could smell this terrible

1694

00:59:30,470 --> 00:59:28,240

stench like

1695

00:59:32,549 --> 00:59:30,480

rotten urine and he can hear like they

1696

00:59:33,510 --> 00:59:32,559

have very deep heavy breathing sounds

1697

00:59:36,069 --> 00:59:33,520

from it

1698

00:59:38,150 --> 00:59:36,079

and the thing turned around took another

1699

00:59:39,910 --> 00:59:38,160

jump one back over the woods well

1700

00:59:41,750 --> 00:59:39,920

apparently a short time later more than

1701  
00:59:42,950 --> 00:59:41,760  
one person saw a big one and a little

1702  
00:59:45,190 --> 00:59:42,960  
one together

1703  
00:59:47,430 --> 00:59:45,200  
so they notified the police well that

1704  
00:59:49,430 --> 00:59:47,440  
led to a massive search by the

1705  
00:59:50,630 --> 00:59:49,440  
pittsburgh police and animal control

1706  
00:59:54,230 --> 00:59:50,640  
officers

1707  
00:59:57,190 --> 00:59:54,240  
that had tranquilizer guns and

1708  
00:59:58,470 --> 00:59:57,200  
of course they never found it and

1709  
01:00:00,390 --> 00:59:58,480  
interestingly

1710  
01:00:01,910 --> 01:00:00,400  
historically the area is called panther

1711  
01:00:03,750 --> 01:00:01,920  
hollow

1712  
01:00:05,430 --> 01:00:03,760  
now one of the guys in my research group

1713  
01:00:06,150 --> 01:00:05,440

at the time he was a special forces guy

1714

01:00:08,870 --> 01:00:06,160

he was a

1715

01:00:09,430 --> 01:00:08,880

experienced professional tracker he got

1716

01:00:10,950 --> 01:00:09,440

out there

1717

01:00:14,069 --> 01:00:10,960

and he tracked it for quite a distance

1718

01:00:15,750 --> 01:00:14,079

and lost track of it but uh

1719

01:00:17,670 --> 01:00:15,760

the whole thing is the same thing where

1720

01:00:19,510 --> 01:00:17,680

do they come from where do they go

1721

01:00:21,270 --> 01:00:19,520

and then to add to the mystery and you

1722

01:00:22,069 --> 01:00:21,280

may have heard this over the years in

1723

01:00:25,589 --> 01:00:22,079

other cases

1724

01:00:28,630 --> 01:00:25,599

there have been instances where bigfoot

1725

01:00:31,190 --> 01:00:28,640

has been seen in the accompanied by what

1726

01:00:32,470 --> 01:00:31,200

to describe as a black panther

1727

01:00:35,030 --> 01:00:32,480

i don't know if you've ever had cases

1728

01:00:35,750 --> 01:00:35,040

like that or in some cases like we had

1729

01:00:37,910 --> 01:00:35,760

an incident

1730

01:00:39,030 --> 01:00:37,920

back in the 80s where we had an outbreak

1731

01:00:40,230 --> 01:00:39,040

of bigfoot sightings here in

1732

01:00:41,910 --> 01:00:40,240

westmoreland county

1733

01:00:43,910 --> 01:00:41,920

and then people began to report black

1734

01:00:45,430 --> 01:00:43,920

panther sightings in the same area

1735

01:00:50,870 --> 01:00:45,440

so there's a lot more of this mystery

1736

01:00:54,150 --> 01:00:52,630

i totally agree with both you guys here

1737

01:00:56,870 --> 01:00:54,160

this and you know

1738

01:00:57,349 --> 01:00:56,880

i i've been in that area and gary you

1739

01:00:58,710 --> 01:00:57,359

know you

1740

01:01:01,829 --> 01:00:58,720

you told me you had a case in

1741

01:01:07,270 --> 01:01:04,710

yeah um i don't have a lot of details

1742

01:01:10,549 --> 01:01:07,280

right from but it happened

1743

01:01:12,309 --> 01:01:10,559

early october this year and uh

1744

01:01:13,750 --> 01:01:12,319

this guy was riding down the road i

1745

01:01:14,950 --> 01:01:13,760

interviewed him sounds very very

1746

01:01:16,870 --> 01:01:14,960

credible

1747

01:01:18,789 --> 01:01:16,880

and apparently this thing was when i'm

1748

01:01:19,990 --> 01:01:18,799

remembering he thought at first it was a

1749

01:01:22,150 --> 01:01:20,000

big bird like an eagle

1750

01:01:23,430 --> 01:01:22,160

but then a drop down feet first towards

1751  
01:01:25,270 --> 01:01:23,440  
the ground

1752  
01:01:27,109 --> 01:01:25,280  
and it was only about 30 feet away from

1753  
01:01:30,150 --> 01:01:27,119  
him but he estimated this thing stood

1754  
01:01:33,430 --> 01:01:30,160  
like four to five feet tall as i recall

1755  
01:01:35,349 --> 01:01:33,440  
and um i'm trying to remember a little

1756  
01:01:38,230 --> 01:01:35,359  
bit it was dark in color

1757  
01:01:38,549 --> 01:01:38,240  
and it had a it was he described it as a

1758  
01:01:41,990 --> 01:01:38,559  
just

1759  
01:01:45,109 --> 01:01:42,000  
like a gigantic bat with a tail

1760  
01:01:47,270 --> 01:01:45,119  
and uh so it was a very very unusual he

1761  
01:01:48,789 --> 01:01:47,280  
was very very shook up by it

1762  
01:01:50,710 --> 01:01:48,799  
he said he didn't stop to get a picture

1763  
01:01:52,549 --> 01:01:50,720

and regrets it but he was almost in

1764

01:01:54,870 --> 01:01:52,559

shock when he saw it

1765

01:01:56,069 --> 01:01:54,880

and he had contacted me after hearing

1766

01:01:56,630 --> 01:01:56,079

some of the other research i've been

1767

01:01:58,309 --> 01:01:56,640

doing

1768

01:01:59,589 --> 01:01:58,319

but these things are going on all over

1769

01:02:01,029 --> 01:01:59,599

the country which you know about in

1770

01:02:03,910 --> 01:02:01,039

other parts of the world

1771

01:02:04,549 --> 01:02:03,920

and it's the same thing we don't have

1772

01:02:08,150 --> 01:02:04,559

anything

1773

01:02:17,430 --> 01:02:08,160

like that scientifically today and

1774

01:02:23,750 --> 01:02:20,549

well that's just it where they go and uh

1775

01:02:26,630 --> 01:02:23,760

now i got this um i got this sighting

1776

01:02:28,789 --> 01:02:26,640

that was sent to me last week from uh

1777

01:02:29,910 --> 01:02:28,799

near area and actually robin swoop got a

1778

01:02:33,190 --> 01:02:29,920

hold of me

1779

01:02:34,390 --> 01:02:33,200

and said that area around uh six mile

1780

01:02:36,390 --> 01:02:34,400

creek park

1781

01:02:39,750 --> 01:02:36,400

where this thing was supposed to be seen

1782

01:02:42,150 --> 01:02:39,760

at has had other settings before

1783

01:02:44,150 --> 01:02:42,160

now you know i don't i don't know what

1784

01:02:48,230 --> 01:02:44,160

to make of this photo now you saw it

1785

01:02:49,670 --> 01:02:48,240

stand yes does this kind of sync up with

1786

01:02:51,589 --> 01:02:49,680

some of the other sightings you've been

1787

01:02:53,750 --> 01:02:51,599

getting yeah

1788

01:02:55,349 --> 01:02:53,760

it's interesting and the picture is

1789

01:02:57,349 --> 01:02:55,359

interesting but

1790

01:02:58,630 --> 01:02:57,359

you know there's a lot of questions need

1791

01:03:00,069 --> 01:02:58,640

a lot more investigation on the

1792

01:03:02,230 --> 01:03:00,079

photograph

1793

01:03:04,230 --> 01:03:02,240

you know it's you know you and i see a

1794

01:03:06,950 --> 01:03:04,240

lot of quad pictures come in

1795

01:03:08,950 --> 01:03:06,960

all the time i get them quite often and

1796

01:03:11,510 --> 01:03:08,960

you got to be really careful today

1797

01:03:13,430 --> 01:03:11,520

you know with the technology out there

1798

01:03:14,789 --> 01:03:13,440

plus the fact that and i've had

1799

01:03:18,069 --> 01:03:14,799

experiences myself

1800

01:03:20,470 --> 01:03:18,079

just by sure sheer coincidence

1801

01:03:22,230 --> 01:03:20,480

and problems with my digital camera

1802

01:03:24,309 --> 01:03:22,240

taking photographs which

1803

01:03:25,750 --> 01:03:24,319

i can easily submit for example with ufo

1804

01:03:26,470 --> 01:03:25,760

pictures and people think wow they look

1805

01:03:28,710 --> 01:03:26,480

really great

1806

01:03:30,390 --> 01:03:28,720

and it's nothing but the you know the

1807

01:03:31,430 --> 01:03:30,400

way the electronics when the digital

1808

01:03:33,589 --> 01:03:31,440

cameras work

1809

01:03:35,190 --> 01:03:33,599

under certain conditions under the wrong

1810

01:03:36,870 --> 01:03:35,200

lighting on the wrong focusing

1811

01:03:39,750 --> 01:03:36,880

they can create some very very weird

1812

01:03:42,150 --> 01:03:39,760

effects so you can't just go by that

1813

01:03:42,870 --> 01:03:42,160

but um you know another thing is

1814

01:03:44,549 --> 01:03:42,880

interesting

1815

01:03:45,910 --> 01:03:44,559

and i believe you've had a couple cases

1816

01:03:48,789 --> 01:03:45,920

like this where

1817

01:03:50,549 --> 01:03:48,799

people have seen flying cryptids that

1818

01:03:52,950 --> 01:03:50,559

appear to have a glow to them

1819

01:03:53,829 --> 01:03:52,960

they're luminous and they're not that

1820

01:03:55,910 --> 01:03:53,839

common

1821

01:04:04,309 --> 01:03:55,920

but uh have you not had some cases like

1822

01:04:10,789 --> 01:04:08,230

yeah yeah i've had these supposedly

1823

01:04:12,870 --> 01:04:10,799

large flying mothman lake creatures

1824

01:04:15,510 --> 01:04:12,880

these human flying humanoids

1825

01:04:18,069 --> 01:04:15,520

and they're being like a either an

1826

01:04:21,109 --> 01:04:18,079

orange or red luminescence

1827

01:04:22,390 --> 01:04:21,119

near the head area and uh you know now

1828

01:04:24,870 --> 01:04:22,400

there have been others where they've

1829

01:04:26,789 --> 01:04:24,880

seen this luminescence but they couldn't

1830

01:04:27,990 --> 01:04:26,799

quite pinpoint what part of the body it

1831

01:04:31,109 --> 01:04:28,000

was coming from

1832

01:04:32,630 --> 01:04:31,119

yeah well back in march 18th of 2012 and

1833

01:04:34,390 --> 01:04:32,640

if you go back to my website you can

1834

01:04:36,950 --> 01:04:34,400

find some of these little reports

1835

01:04:39,270 --> 01:04:36,960

but this again is up in fayette county

1836

01:04:40,870 --> 01:04:39,280

i'm sure we already mentioned it once

1837

01:04:42,470 --> 01:04:40,880

fayette county is among those counties

1838

01:04:44,710 --> 01:04:42,480

along the chestnut ridge

1839

01:04:46,710 --> 01:04:44,720

where year after year there's a long

1840

01:04:49,109 --> 01:04:46,720

history and some of the strangest

1841

01:04:51,270 --> 01:04:49,119

most interesting bigfoot encounters have

1842

01:04:53,750 --> 01:04:51,280

been happening for years and years

1843

01:04:55,510 --> 01:04:53,760

up in fayette county so this incident

1844

01:04:57,109 --> 01:04:55,520

happened march 18th of 2012 in the

1845

01:04:59,430 --> 01:04:57,119

southern part of fayette county

1846

01:05:01,750 --> 01:04:59,440

is an area that has a lot of history of

1847

01:05:03,349 --> 01:05:01,760

bigfoot sightings and other weird stuff

1848

01:05:05,029 --> 01:05:03,359

but that this particular evening a

1849

01:05:07,029 --> 01:05:05,039

fellow is walking his dog

1850

01:05:09,349 --> 01:05:07,039

about quarter 12 at night he's in the

1851  
01:05:11,029 --> 01:05:09,359  
front yard when he hears this whooshing

1852  
01:05:11,670 --> 01:05:11,039  
sound again coming from above him and he

1853  
01:05:15,670 --> 01:05:11,680  
looks up

1854  
01:05:18,950 --> 01:05:15,680  
at about 55 feet uh away

1855  
01:05:20,870 --> 01:05:18,960  
he sees what he describes as a dragon

1856  
01:05:23,750 --> 01:05:20,880  
and he says this flying creature passes

1857  
01:05:25,109 --> 01:05:23,760  
over an automatic dust of dawn light

1858  
01:05:27,510 --> 01:05:25,119  
and he gets a good look at this thing he

1859  
01:05:30,069 --> 01:05:27,520  
said the body is about 22 feet long

1860  
01:05:31,670 --> 01:05:30,079  
and the wing spans about 18 feet wide

1861  
01:05:32,870 --> 01:05:31,680  
and it looked to be shiny with almost

1862  
01:05:35,990 --> 01:05:32,880  
reflective body

1863  
01:05:39,109 --> 01:05:36,000

with no scales and um

1864

01:05:41,829 --> 01:05:39,119

the color was kind of a dark brown

1865

01:05:43,510 --> 01:05:41,839

red kind of an all-born brown at the end

1866

01:05:45,109 --> 01:05:43,520

tips of the wings fear to be tall like

1867

01:05:47,430 --> 01:05:45,119

fingers about three to four

1868

01:05:48,309 --> 01:05:47,440

the arms of the wing structure appeared

1869

01:05:50,549 --> 01:05:48,319

muscular

1870

01:05:52,309 --> 01:05:50,559

the wings were quite thick and like skin

1871

01:05:53,750 --> 01:05:52,319

appeared to be a rear fin on both sides

1872

01:05:54,710 --> 01:05:53,760

of the body and the creatures played an

1873

01:05:56,870 --> 01:05:54,720

arrowhead

1874

01:05:58,950 --> 01:05:56,880

shaped tail he also said it appeared to

1875

01:06:00,870 --> 01:05:58,960

have two extended rear legs

1876  
01:06:02,470 --> 01:06:00,880  
the the creature itself had a cone shape

1877  
01:06:04,549 --> 01:06:02,480  
around the head and

1878  
01:06:07,029 --> 01:06:04,559  
stopped flat on the base of the neck but

1879  
01:06:10,950 --> 01:06:07,039  
the oddest feature was he said

1880  
01:06:13,190 --> 01:06:10,960  
that around the mouth and eyes

1881  
01:06:14,950 --> 01:06:13,200  
it was illuminated with a very ominous

1882  
01:06:16,870 --> 01:06:14,960  
orange glow

1883  
01:06:18,710 --> 01:06:16,880  
it has a flew over the trees down

1884  
01:06:20,870 --> 01:06:18,720  
towards the bottom of the yard

1885  
01:06:23,829 --> 01:06:20,880  
he could hear this deep throaty sound he

1886  
01:06:26,390 --> 01:06:23,839  
said similar to a foghorn on a boat

1887  
01:06:29,349 --> 01:06:26,400  
and he saw this thing to talk total

1888  
01:06:31,109 --> 01:06:29,359

observations about 20 seconds

1889

01:06:39,510 --> 01:06:31,119

so just another one of those strange

1890

01:06:44,829 --> 01:06:42,230

gentlemen hear me now yeah go ahead all

1891

01:06:46,390 --> 01:06:44,839

right sorry guys i had a problem with my

1892

01:06:48,870 --> 01:06:46,400

microphone

1893

01:06:50,470 --> 01:06:48,880

as i was uh saying earlier stan i've

1894

01:06:50,950 --> 01:06:50,480

been to your neck of the woods i've been

1895

01:06:54,549 --> 01:06:50,960

up in

1896

01:06:57,109 --> 01:06:54,559

in derry i've been in the chestnut ridge

1897

01:06:57,910 --> 01:06:57,119

and it's a different place there's a lot

1898

01:07:00,549 --> 01:06:57,920

of strange

1899

01:07:00,950 --> 01:07:00,559

unusual happenings up there why do you

1900

01:07:03,270 --> 01:07:00,960

think

1901

01:07:04,950 --> 01:07:03,280

dairy in the chestnut ridge is such an

1902

01:07:07,029 --> 01:07:04,960

active area

1903

01:07:10,069 --> 01:07:07,039

you know i wish i had that answer yeah

1904

01:07:12,789 --> 01:07:10,079

going back to the 73 and 74 we had that

1905

01:07:14,789 --> 01:07:12,799

massive weird ufo bigfoot outbreak and a

1906

01:07:16,309 --> 01:07:14,799

lot of it was a lot of activity was

1907

01:07:16,950 --> 01:07:16,319

concentrated around that area and we

1908

01:07:19,430 --> 01:07:16,960

spent

1909

01:07:20,950 --> 01:07:19,440

many days and nights investigating

1910

01:07:22,470 --> 01:07:20,960

spending nights out

1911

01:07:24,950 --> 01:07:22,480

searching for evidence searching for the

1912

01:07:28,309 --> 01:07:24,960

creatures and we looked for that

1913

01:07:30,230 --> 01:07:28,319

information ever since and

1914

01:07:31,589 --> 01:07:30,240

i've never been able to find anything

1915

01:07:33,190 --> 01:07:31,599

outstanding

1916

01:07:34,870 --> 01:07:33,200

that would tell us why you know you have

1917

01:07:36,870 --> 01:07:34,880

these areas around the country

1918

01:07:37,910 --> 01:07:36,880

where you have just more activity than

1919

01:07:40,950 --> 01:07:37,920

normal

1920

01:07:43,029 --> 01:07:40,960

and i mean there's a an in

1921

01:07:45,109 --> 01:07:43,039

uh an act of earthquake fault going

1922

01:07:47,430 --> 01:07:45,119

through the ridge but i don't see any

1923

01:07:49,190 --> 01:07:47,440

really connection there but i just don't

1924

01:07:50,789 --> 01:07:49,200

have the answer for it i wish we did

1925

01:07:53,109 --> 01:07:50,799

you know there are people who live on

1926

01:07:54,390 --> 01:07:53,119

top of that ridge people reporting all

1927

01:07:56,470 --> 01:07:54,400

kind of phenomena

1928

01:07:58,710 --> 01:07:56,480

and there's and we've been finding other

1929

01:08:00,309 --> 01:07:58,720

in recent years i'm getting reports of

1930

01:08:01,750 --> 01:08:00,319

other odd phenomena

1931

01:08:03,349 --> 01:08:01,760

that you wouldn't even think about that

1932

01:08:05,270 --> 01:08:03,359

people have been relating

1933

01:08:08,470 --> 01:08:05,280

which might be somehow associated with

1934

01:08:11,910 --> 01:08:10,390

it's just so many strengths and people

1935

01:08:14,150 --> 01:08:11,920

claim they have seen

1936

01:08:16,309 --> 01:08:14,160

what they would call maybe vortexes up

1937

01:08:18,950 --> 01:08:16,319

on top of the ridge over the years

1938

01:08:20,229 --> 01:08:18,960

so it might be another clue of is there

1939

01:08:23,030 --> 01:08:20,239

some type of

1940

01:08:24,309 --> 01:08:23,040

pathway or entry way for various

1941

01:08:25,829 --> 01:08:24,319

phenomena to come in and out our

1942

01:08:27,590 --> 01:08:25,839

physical reality and

1943

01:08:29,110 --> 01:08:27,600

is there something special about certain

1944

01:08:32,470 --> 01:08:29,120

areas where this

1945

01:08:35,110 --> 01:08:32,480

uh this type of event

1946

01:08:36,630 --> 01:08:35,120

can exist we just don't know one of the

1947

01:08:38,470 --> 01:08:36,640

things i found pretty funny when i was

1948

01:08:40,630 --> 01:08:38,480

up there on the ridge stand was we were

1949

01:08:42,789 --> 01:08:40,640

up there on a bigfoot investigation

1950

01:08:44,390 --> 01:08:42,799

and we were talking about vocalizations

1951

01:08:46,709 --> 01:08:44,400

and these people had stopped us

1952

01:08:48,070 --> 01:08:46,719

along the way up to the top of the ridge

1953

01:08:50,070 --> 01:08:48,080

and we were asking you guys heard

1954

01:08:51,590 --> 01:08:50,080

anything strange you're like oh yeah

1955

01:08:54,149 --> 01:08:51,600

we hear this stuff all the time it was

1956

01:08:55,269 --> 01:08:54,159

just so funny how comfortable they were

1957

01:08:58,550 --> 01:08:55,279

with that

1958

01:09:00,470 --> 01:08:58,560

oh yeah and and you know i mean a lot of

1959

01:09:01,990 --> 01:09:00,480

people will contact me along and most of

1960

01:09:04,229 --> 01:09:02,000

them still want no publicity

1961

01:09:06,789 --> 01:09:04,239

but when you're out in in events i mean

1962

01:09:08,390 --> 01:09:06,799

i do a lot of uh

1963

01:09:09,829 --> 01:09:08,400

lectures and you know i've been trying

1964

01:09:11,349 --> 01:09:09,839

to educate the public on these matters

1965

01:09:13,910 --> 01:09:11,359

since the late 60s

1966

01:09:15,349 --> 01:09:13,920

and everywhere i go every year including

1967

01:09:17,269 --> 01:09:15,359

in recent weeks and months

1968

01:09:18,630 --> 01:09:17,279

people local people come up and and tell

1969

01:09:19,349 --> 01:09:18,640

me other experiences even though they

1970

01:09:21,990 --> 01:09:19,359

don't want it

1971

01:09:23,829 --> 01:09:22,000

publicly know who they are but when

1972

01:09:25,430 --> 01:09:23,839

you're out to talk to these people it's

1973

01:09:26,709 --> 01:09:25,440

almost like a common thing that they

1974

01:09:27,349 --> 01:09:26,719

know about these things and it's been

1975

01:09:31,189 --> 01:09:27,359

going on

1976

01:09:33,030 --> 01:09:31,199

for years and years yeah i hear that all

1977

01:09:36,550 --> 01:09:33,040

the time

1978

01:09:37,510 --> 01:09:36,560

something that's been going on they know

1979

01:09:39,430 --> 01:09:37,520

about

1980

01:09:41,669 --> 01:09:39,440

uh that they're kind of surprised other

1981

01:09:46,070 --> 01:09:41,679

people haven't said something about it

1982

01:09:47,990 --> 01:09:46,080

and uh yeah yeah i i understand that

1983

01:09:50,149 --> 01:09:48,000

yeah well you know i i kind of

1984

01:09:52,390 --> 01:09:50,159

understand their position you know one

1985

01:09:54,870 --> 01:09:52,400

in about uh well that's a couple weeks

1986

01:09:56,390 --> 01:09:54,880

ago mark 55 years i've been doing this

1987

01:09:58,470 --> 01:09:56,400

research now

1988

01:09:59,990 --> 01:09:58,480

and uh i have still have never

1989

01:10:00,870 --> 01:10:00,000

personally seen a ufo or a bigfoot

1990

01:10:02,709 --> 01:10:00,880

rather cryptid

1991

01:10:04,550 --> 01:10:02,719

i've seen a lot of evidence but i've

1992

01:10:07,189 --> 01:10:04,560

never personally seen one

1993

01:10:08,870 --> 01:10:07,199

and there's so many people that i run

1994

01:10:11,910 --> 01:10:08,880

into

1995

01:10:14,149 --> 01:10:11,920

that you know would never believe it

1996

01:10:15,830 --> 01:10:14,159

until they see something for themselves

1997

01:10:18,070 --> 01:10:15,840

yeah absolutely and so many of the

1998

01:10:19,669 --> 01:10:18,080

witnesses i run into were people who

1999

01:10:21,510 --> 01:10:19,679

years and years would laugh at other

2000

01:10:22,709 --> 01:10:21,520

people or laugh at their friends who

2001  
01:10:23,110 --> 01:10:22,719  
were hunters do the same things that

2002  
01:10:24,390 --> 01:10:23,120  
would

2003  
01:10:26,470 --> 01:10:24,400  
until they had their own personal

2004  
01:10:27,270 --> 01:10:26,480  
experience and many of them i mean it's

2005  
01:10:29,590 --> 01:10:27,280  
a life-changing

2006  
01:10:30,390 --> 01:10:29,600  
event for them because they can't handle

2007  
01:10:32,070 --> 01:10:30,400  
the fact that

2008  
01:10:34,390 --> 01:10:32,080  
they saw something out there that this

2009  
01:10:37,990 --> 01:10:34,400  
shouldn't exist

2010  
01:10:40,229 --> 01:10:38,000  
well that's just it you know and i can

2011  
01:10:42,630 --> 01:10:40,239  
you know i can understand that and it's

2012  
01:10:44,310 --> 01:10:42,640  
uh it is it's life-changing

2013  
01:10:46,229 --> 01:10:44,320

and you never forget about it and it's

2014

01:10:48,070 --> 01:10:46,239

something that sticks with you

2015

01:10:50,950 --> 01:10:48,080

and it you know you know in the thought

2016

01:10:53,910 --> 01:10:50,960

about it will just come back to you

2017

01:10:54,630 --> 01:10:53,920

to miss you know at any time and you

2018

01:10:57,430 --> 01:10:54,640

know i still

2019

01:10:57,990 --> 01:10:57,440

question myself about it you know the

2020

01:11:00,149 --> 01:10:58,000

bigfoot

2021

01:11:01,669 --> 01:11:00,159

sighting or whatever this thing was down

2022

01:11:04,149 --> 01:11:01,679

in sykesville

2023

01:11:05,110 --> 01:11:04,159

i still questioned myself about it what

2024

01:11:09,110 --> 01:11:05,120

was this

2025

01:11:13,030 --> 01:11:09,120

was it a bigfoot was it um some type of

2026  
01:11:15,830 --> 01:11:13,040  
human but you know it i know it wasn't

2027  
01:11:16,709 --> 01:11:15,840  
i just don't know what exactly it was

2028  
01:11:18,550 --> 01:11:16,719  
yeah

2029  
01:11:20,390 --> 01:11:18,560  
but what's intriguing about your story

2030  
01:11:22,229 --> 01:11:20,400  
as i recall was the fact that

2031  
01:11:24,149 --> 01:11:22,239  
it appeared that there was an official

2032  
01:11:25,590 --> 01:11:24,159  
response to that area very quickly after

2033  
01:11:27,430 --> 01:11:25,600  
you add your sighting

2034  
01:11:29,430 --> 01:11:27,440  
well you know what i have been doing

2035  
01:11:32,870 --> 01:11:29,440  
some investigating about that

2036  
01:11:36,070 --> 01:11:32,880  
since the tv show and from what i

2037  
01:11:36,870 --> 01:11:36,080  
can from what i have gathered this thing

2038  
01:11:40,229 --> 01:11:36,880

may have been

2039

01:11:43,430 --> 01:11:40,239

seen a couple hours before

2040

01:11:45,270 --> 01:11:43,440

my sighting that would make sense and

2041

01:11:46,709 --> 01:11:45,280

it was up and i think the sighting was

2042

01:11:49,910 --> 01:11:46,719

up near marriageville

2043

01:11:52,070 --> 01:11:49,920

which is downstream from sykesville and

2044

01:11:53,030 --> 01:11:52,080

uh i think they were already out looking

2045

01:11:55,189 --> 01:11:53,040

for it because

2046

01:11:57,110 --> 01:11:55,199

that's the only explanation because

2047

01:11:58,470 --> 01:11:57,120

there's no way they could have got onto

2048

01:12:01,430 --> 01:11:58,480

it that quick

2049

01:12:03,590 --> 01:12:01,440

right i agree with that yeah and you

2050

01:12:04,070 --> 01:12:03,600

know i've had other similar cases over

2051

01:12:05,790 --> 01:12:04,080

the years

2052

01:12:07,350 --> 01:12:05,800

you know going back to the events of

2053

01:12:09,430 --> 01:12:07,360

1973

2054

01:12:10,709 --> 01:12:09,440

and talking about you know all these

2055

01:12:12,229 --> 01:12:10,719

different cryptids you know

2056

01:12:13,669 --> 01:12:12,239

when i got involved with all this

2057

01:12:15,830 --> 01:12:13,679

investigation of bigfoot you know i

2058

01:12:17,350 --> 01:12:15,840

started this in 1959

2059

01:12:19,350 --> 01:12:17,360

and i got out in the field after the

2060

01:12:20,470 --> 01:12:19,360

kicks for gifted in 1955 so i've been

2061

01:12:23,189 --> 01:12:20,480

out in the field doing

2062

01:12:24,149 --> 01:12:23,199

first-hand investigations in 1965 and i

2063

01:12:26,149 --> 01:12:24,159

worked on

2064

01:12:27,590 --> 01:12:26,159

thousands of thousands of cases of all

2065

01:12:28,550 --> 01:12:27,600

kind of phenomena here in pennsylvania

2066

01:12:31,830 --> 01:12:28,560

from that time

2067

01:12:32,790 --> 01:12:31,840

up to the present and i've always taken

2068

01:12:34,830 --> 01:12:32,800

open-minded

2069

01:12:36,550 --> 01:12:34,840

attitude as to what we might be dealing

2070

01:12:39,110 --> 01:12:36,560

with and

2071

01:12:41,189 --> 01:12:39,120

you know i've always found that when you

2072

01:12:44,229 --> 01:12:41,199

look into any of these cases

2073

01:12:46,310 --> 01:12:44,239

many of them seem very odd or unusual

2074

01:12:47,830 --> 01:12:46,320

initially but when you investigate them

2075

01:12:50,070 --> 01:12:47,840

most of the eternal beings are natural

2076

01:12:52,149 --> 01:12:50,080

man-made origin there's explanations

2077

01:12:53,590 --> 01:12:52,159

but there are incidents are going year

2078

01:12:55,430 --> 01:12:53,600

after year

2079

01:12:57,189 --> 01:12:55,440

incredible people are seeing them you've

2080

01:12:59,189 --> 01:12:57,199

got physical evidence some cases some of

2081

01:13:01,110 --> 01:12:59,199

these cases you cannot easily dismiss

2082

01:13:02,229 --> 01:13:01,120

something is going on out there but with

2083

01:13:03,030 --> 01:13:02,239

bigfoot you know i started looking at

2084

01:13:04,390 --> 01:13:03,040

the bigfoot

2085

01:13:05,910 --> 01:13:04,400

back in the early days and there's been

2086

01:13:07,030 --> 01:13:05,920

a history of bigfoot in pennsylvania

2087

01:13:09,189 --> 01:13:07,040

going back to

2088

01:13:11,350 --> 01:13:09,199

the native americans and the newspaper

2089

01:13:14,070 --> 01:13:11,360

accounts in the 1800s

2090

01:13:15,669 --> 01:13:14,080

uh the earliest first-hand account of

2091

01:13:16,149 --> 01:13:15,679

person i've interviewed in pennsylvania

2092

01:13:17,830 --> 01:13:16,159

was

2093

01:13:21,350 --> 01:13:17,840

back in fayette county again up in

2094

01:13:23,350 --> 01:13:21,360

indian head goes back to 1931

2095

01:13:24,390 --> 01:13:23,360

and uh so these things have been seen

2096

01:13:26,790 --> 01:13:24,400

for a long time

2097

01:13:28,950 --> 01:13:26,800

i had always felt and always believed

2098

01:13:30,630 --> 01:13:28,960

that if bigfoot was real and i felt

2099

01:13:31,990 --> 01:13:30,640

from interviewing eyewitnesses and now

2100

01:13:33,110 --> 01:13:32,000

i've interviewed hundreds of alleged

2101

01:13:36,470 --> 01:13:33,120

bigfoot witnesses

2102

01:13:39,990 --> 01:13:36,480

from pennsylvania that they're probably

2103

01:13:44,830 --> 01:13:40,000

some type of unknown zoological creature

2104

01:13:47,910 --> 01:13:44,840

until those events that unfolded in 1973

2105

01:13:49,350 --> 01:13:47,920

and some of the cases that i still

2106

01:13:51,669 --> 01:13:49,360

continue to hear

2107

01:13:53,750 --> 01:13:51,679

from the public from not just in

2108

01:13:57,110 --> 01:13:53,760

pennsylvania but around the country

2109

01:13:59,510 --> 01:13:57,120

that suggests more and more that

2110

01:14:00,709 --> 01:13:59,520

there's much more to this mystery and we

2111

01:14:03,110 --> 01:14:00,719

may be dealing with something for a

2112

01:14:05,430 --> 01:14:03,120

better term as interdimensional

2113

01:14:06,550 --> 01:14:05,440

that whatever we're dealing with it

2114

01:14:08,630 --> 01:14:06,560

appears physically

2115

01:14:11,910 --> 01:14:08,640

solid under certain conditions leaves

2116

01:14:14,630 --> 01:14:11,920

physical evidence and then it's gone

2117

01:14:18,709 --> 01:14:14,640

and had i not been involved in that

2118

01:14:20,390 --> 01:14:18,719

series of events in 73 and 74

2119

01:14:22,229 --> 01:14:20,400

i would never i would never be able to

2120

01:14:25,189 --> 01:14:22,239

accept that but

2121

01:14:25,510 --> 01:14:25,199

i tell you it seems like that was around

2122

01:14:29,510 --> 01:14:25,520

the

2123

01:14:32,149 --> 01:14:29,520

basically

2124

01:14:33,110 --> 01:14:32,159

you know i'm going over what you have

2125

01:14:36,070 --> 01:14:33,120

you

2126

01:14:37,590 --> 01:14:36,080

investigated back then it seemed since

2127

01:14:40,390 --> 01:14:37,600

that time there have been

2128

01:14:42,390 --> 01:14:40,400

some similar type sightings where you

2129

01:14:44,149 --> 01:14:42,400

know people have noticed other types of

2130

01:14:46,790 --> 01:14:44,159

anomalies

2131

01:14:48,630 --> 01:14:46,800

where bigfoot sightings have been or if

2132

01:14:50,790 --> 01:14:48,640

ufos have been

2133

01:14:51,990 --> 01:14:50,800

uh it seems like it's tied somewhat

2134

01:14:55,669 --> 01:14:52,000

together

2135

01:14:56,709 --> 01:14:55,679

and uh yeah i agree with you and you

2136

01:14:58,470 --> 01:14:56,719

know you and i

2137

01:15:00,070 --> 01:14:58,480

even mentioned the last time we thought

2138

01:15:03,270 --> 01:15:00,080

that but you know

2139

01:15:04,950 --> 01:15:03,280

this the the regular bigfoot hunter now

2140

01:15:06,630 --> 01:15:04,960

is starting to open their mind up to

2141

01:15:08,870 --> 01:15:06,640

this as well oh

2142

01:15:10,950 --> 01:15:08,880

there's there's no doubt since my book

2143

01:15:13,830 --> 01:15:10,960

my book came out style invasion

2144

01:15:15,510 --> 01:15:13,840

and a lot of discussion we've had out

2145

01:15:17,590 --> 01:15:15,520

there publicly about this

2146

01:15:19,350 --> 01:15:17,600

i'm seeing quite an interest in people

2147

01:15:21,590 --> 01:15:19,360

deeply involved in the bigfoot field

2148

01:15:22,790 --> 01:15:21,600

who are now beginning to be a little

2149

01:15:24,070 --> 01:15:22,800

more open-minded

2150

01:15:25,990 --> 01:15:24,080

they're beginning to ask the same

2151

01:15:27,590 --> 01:15:26,000

questions i have for years like

2152

01:15:29,910 --> 01:15:27,600

if these creatures have been around for

2153

01:15:31,189 --> 01:15:29,920

so long something similar has been seen

2154

01:15:32,950 --> 01:15:31,199

throughout the world

2155

01:15:34,950 --> 01:15:32,960

and yet we have hardly any physical

2156

01:15:36,709 --> 01:15:34,960

evidence no bodies it just doesn't make

2157

01:15:38,310 --> 01:15:36,719

any sense

2158

01:15:40,229 --> 01:15:38,320

and when you looked at some of the cases

2159

01:15:42,870 --> 01:15:40,239

that we had in 73

2160

01:15:43,590 --> 01:15:42,880

74 that were extremely well documented

2161

01:15:45,430 --> 01:15:43,600

because

2162

01:15:48,070 --> 01:15:45,440

our teams were on the scene within you

2163

01:15:51,430 --> 01:15:48,080

know minutes hours after they occurred

2164

01:15:51,990 --> 01:15:51,440

and uh you know i surely wasn't looking

2165

01:15:53,590 --> 01:15:52,000

for those type

2166

01:15:55,110 --> 01:15:53,600

of cases to show up that's not what i

2167

01:15:55,669 --> 01:15:55,120

was looking we're out there gathering

2168

01:15:57,669 --> 01:15:55,679

data

2169

01:15:59,669 --> 01:15:57,679

documenting the information and that's

2170

01:16:01,990 --> 01:15:59,679

where the evidence began to lead us now

2171

01:16:03,669 --> 01:16:02,000

i keep open in mind all possibilities

2172

01:16:06,310 --> 01:16:03,679

with bigfoot and other cryptids

2173

01:16:08,390 --> 01:16:06,320

but there's there's definitely some

2174

01:16:11,189 --> 01:16:08,400

aspects of this that are extremely

2175

01:16:12,709 --> 01:16:11,199

very high strangeness cases and i and i

2176  
01:16:13,750 --> 01:16:12,719  
continue to hear these reports i mean

2177  
01:16:16,790 --> 01:16:13,760  
for example

2178  
01:16:18,070 --> 01:16:16,800  
um early winter of this year

2179  
01:16:19,750 --> 01:16:18,080  
when they were having those big snow

2180  
01:16:20,390 --> 01:16:19,760  
storms down east there was a series of

2181  
01:16:21,990 --> 01:16:20,400  
bigfoot

2182  
01:16:23,189 --> 01:16:22,000  
sightings going on down in the

2183  
01:16:24,390 --> 01:16:23,199  
mountainous area down in eastern

2184  
01:16:27,910 --> 01:16:24,400  
pennsylvania

2185  
01:16:29,510 --> 01:16:27,920  
and one person i talked to um

2186  
01:16:31,030 --> 01:16:29,520  
they lived up on top of a mountain there

2187  
01:16:32,470 --> 01:16:31,040  
have been some bigfoot activity

2188  
01:16:34,070 --> 01:16:32,480

they got this huge snow i think it was

2189

01:16:34,870 --> 01:16:34,080

like a foot foot and a half of snow at

2190

01:16:36,149 --> 01:16:34,880

the time

2191

01:16:38,470 --> 01:16:36,159

and it was in the news about all the

2192

01:16:41,590 --> 01:16:38,480

snow down there and um

2193

01:16:42,950 --> 01:16:41,600

the friend had his huge dog with her and

2194

01:16:44,950 --> 01:16:42,960

i believe she had a dog she told me

2195

01:16:47,590 --> 01:16:44,960

seven or eight years and but

2196

01:16:50,070 --> 01:16:47,600

only time she ever saw that dog cower

2197

01:16:52,149 --> 01:16:50,080

was when she was down there

2198

01:16:53,590 --> 01:16:52,159

she was down there they heard a noise it

2199

01:16:55,510 --> 01:16:53,600

was in the evening

2200

01:16:58,070 --> 01:16:55,520

heard a noise in front of her the dog

2201  
01:17:00,950 --> 01:16:58,080  
was behind her growling and shaking

2202  
01:17:03,030 --> 01:17:00,960  
and her beam of white hit this huge

2203  
01:17:05,270 --> 01:17:03,040  
seven eight foot tall hairy creature

2204  
01:17:06,870 --> 01:17:05,280  
taking huge strides through the snow

2205  
01:17:10,149 --> 01:17:06,880  
well apparently the next morning there's

2206  
01:17:11,270 --> 01:17:10,159  
this huge series of cracks in the snow

2207  
01:17:13,189 --> 01:17:11,280  
that just suddenly stopped and

2208  
01:17:14,950 --> 01:17:13,199  
disappeared

2209  
01:17:16,950 --> 01:17:14,960  
and this is the kind of stuff that i was

2210  
01:17:17,830 --> 01:17:16,960  
coming up with in the summer where we

2211  
01:17:19,510 --> 01:17:17,840  
would have

2212  
01:17:20,550 --> 01:17:19,520  
trails of tracks under all type of

2213  
01:17:21,270 --> 01:17:20,560

ground conditions and you got to

2214

01:17:22,790 --> 01:17:21,280

remember

2215

01:17:24,310 --> 01:17:22,800

a lot of people i was working with back

2216

01:17:26,149 --> 01:17:24,320

in those days and my teams they were

2217

01:17:27,270 --> 01:17:26,159

they were scientists and engineers and

2218

01:17:28,950 --> 01:17:27,280

research people

2219

01:17:31,110 --> 01:17:28,960

former military intelligence people

2220

01:17:32,790 --> 01:17:31,120

police officers and anthropologists

2221

01:17:34,630 --> 01:17:32,800

these were people who knew how to

2222

01:17:36,229 --> 01:17:34,640

investigate and

2223

01:17:37,669 --> 01:17:36,239

you know a lot of these guys came in

2224

01:17:40,310 --> 01:17:37,679

with my investigations

2225

01:17:41,350 --> 01:17:40,320

very skeptical and many of them after

2226

01:17:43,510 --> 01:17:41,360

years of research

2227

01:17:45,270 --> 01:17:43,520

realized that you know what the patterns

2228

01:17:46,950 --> 01:17:45,280

there the evidence of their

2229

01:17:49,590 --> 01:17:46,960

something is going on here you cannot

2230

01:17:50,310 --> 01:17:49,600

dismiss all this and the cases we came

2231

01:17:53,430 --> 01:17:50,320

up with

2232

01:17:55,510 --> 01:17:53,440

suggested that there's more to this and

2233

01:17:57,110 --> 01:17:55,520

you know we had some of those cases

2234

01:17:59,270 --> 01:17:57,120

that were coming in from widespread

2235

01:18:00,229 --> 01:17:59,280

areas of state where we had ufos and

2236

01:18:02,550 --> 01:18:00,239

bigfoots

2237

01:18:04,390 --> 01:18:02,560

seat together at the same time in place

2238

01:18:06,070 --> 01:18:04,400

but before that we began to see a

2239

01:18:08,310 --> 01:18:06,080

pattern where we would have for example

2240

01:18:09,189 --> 01:18:08,320

a ufo sighting in a certain area then

2241

01:18:11,830 --> 01:18:09,199

within minutes

2242

01:18:13,189 --> 01:18:11,840

hours days later we would have a bigfoot

2243

01:18:15,830 --> 01:18:13,199

sighting or vice versa

2244

01:18:17,910 --> 01:18:15,840

ufo sighting in bigfoot bigfoot or ufo

2245

01:18:20,870 --> 01:18:17,920

and then some together

2246

01:18:22,709 --> 01:18:20,880

and some of those cases were amazing and

2247

01:18:24,149 --> 01:18:22,719

there were some of those cases which

2248

01:18:26,149 --> 01:18:24,159

highly suggested

2249

01:18:27,990 --> 01:18:26,159

that whatever this creature or creatures

2250

01:18:29,669 --> 01:18:28,000

were we have to say creatures

2251

01:18:31,590 --> 01:18:29,679

because of some of those cases we had

2252

01:18:35,350 --> 01:18:31,600

more than one creature seen together

2253

01:18:36,630 --> 01:18:35,360

at the same time and those cases suggest

2254

01:18:40,470 --> 01:18:36,640

that we are dealing with something

2255

01:18:43,910 --> 01:18:42,870

well you know jc johnson out in new

2256

01:18:46,149 --> 01:18:43,920

mexico

2257

01:18:48,310 --> 01:18:46,159

he's been getting these tracks these

2258

01:18:51,430 --> 01:18:48,320

track lines now recently

2259

01:18:54,310 --> 01:18:51,440

where they just suddenly end

2260

01:18:55,750 --> 01:18:54,320

you know and it's it's like you know

2261

01:18:57,030 --> 01:18:55,760

like where in the hell these things

2262

01:19:00,390 --> 01:18:57,040

going to

2263

01:19:01,590 --> 01:19:00,400

yeah yeah it's amazing these reports are

2264

01:19:03,430 --> 01:19:01,600

much more common

2265

01:19:05,350 --> 01:19:03,440

yeah when i start i start publishing

2266

01:19:06,790 --> 01:19:05,360

some of this information back in the 70s

2267

01:19:08,870 --> 01:19:06,800

after this outbreak

2268

01:19:10,070 --> 01:19:08,880

and back then there was a tremendous

2269

01:19:12,550 --> 01:19:10,080

more

2270

01:19:13,430 --> 01:19:12,560

areas of ridicule than there is today

2271

01:19:16,229 --> 01:19:13,440

and

2272

01:19:16,790 --> 01:19:16,239

you know i i was in contact with many

2273

01:19:18,950 --> 01:19:16,800

key

2274

01:19:20,870 --> 01:19:18,960

researchers back in the 70s 80s from

2275

01:19:23,350 --> 01:19:20,880

many countries in the united states and

2276

01:19:24,950 --> 01:19:23,360

so many of these researchers said look

2277

01:19:26,550 --> 01:19:24,960

we've heard the same thing we have the

2278

01:19:28,950 --> 01:19:26,560

same thing going on out here we've had

2279

01:19:30,229 --> 01:19:28,960

ufos in the bigfoot scene together some

2280

01:19:31,830 --> 01:19:30,239

areas out in the

2281

01:19:33,990 --> 01:19:31,840

western states you had cattle

2282

01:19:35,590 --> 01:19:34,000

mutilations bigfoot ufos other

2283

01:19:37,350 --> 01:19:35,600

paranormal stuff going on

2284

01:19:38,709 --> 01:19:37,360

it was going on all over the world but

2285

01:19:40,630 --> 01:19:38,719

they were telling me you know what

2286

01:19:41,830 --> 01:19:40,640

we're reluctant to publish it because

2287

01:19:43,669 --> 01:19:41,840

i'm afraid of being left

2288

01:19:45,750 --> 01:19:43,679

out by my colleagues you know and

2289

01:19:49,030 --> 01:19:45,760

there's not enough information to go on

2290

01:19:50,790 --> 01:19:49,040

and you know it may be much more common

2291

01:19:53,350 --> 01:19:50,800

than we realize out there

2292

01:19:54,470 --> 01:19:53,360

and uh and these reports still keep

2293

01:19:57,830 --> 01:19:54,480

coming in

2294

01:19:59,590 --> 01:19:57,840

very few bigfoot reports have any

2295

01:20:00,790 --> 01:19:59,600

association with the ufo sighting and

2296

01:20:03,189 --> 01:20:00,800

vice versa but

2297

01:20:05,189 --> 01:20:03,199

there is that percentage of cases to do

2298

01:20:06,629 --> 01:20:05,199

and one thing let me make it plainly

2299

01:20:07,669 --> 01:20:06,639

clear because i think a lot of people

2300

01:20:09,110 --> 01:20:07,679

out there

2301

01:20:11,270 --> 01:20:09,120

maybe are a little confused what i'm

2302

01:20:13,350 --> 01:20:11,280

saying first of all let's

2303

01:20:15,510 --> 01:20:13,360

make this clear when we're talking about

2304

01:20:17,110 --> 01:20:15,520

an unexplained ufo sighting

2305

01:20:19,110 --> 01:20:17,120

you know after you eliminate everything

2306

01:20:21,750 --> 01:20:19,120

you can explain all this identifications

2307

01:20:24,070 --> 01:20:21,760

you get that percentage of ufo reports

2308

01:20:26,229 --> 01:20:24,080

you cannot easily dismiss

2309

01:20:27,750 --> 01:20:26,239

i felt for years that there's probably

2310

01:20:30,550 --> 01:20:27,760

more than one origin

2311

01:20:32,070 --> 01:20:30,560

for the unknown category you know maybe

2312

01:20:33,189 --> 01:20:32,080

a small percentage maybe they are

2313

01:20:35,990 --> 01:20:33,199

extraterrestrial

2314

01:20:37,350 --> 01:20:36,000

maybe some natural unknown natural

2315

01:20:40,229 --> 01:20:37,360

phenomena

2316

01:20:42,149 --> 01:20:40,239

i think more and more for a better term

2317

01:20:45,270 --> 01:20:42,159

we're dealing with some phenomena

2318

01:20:45,990 --> 01:20:45,280

that's interdimensional in nature and it

2319

01:20:49,270 --> 01:20:46,000

has an energy

2320

01:20:50,950 --> 01:20:49,280

connection to it and you know

2321

01:20:53,910 --> 01:20:50,960

so the point i'm trying to make is i'm

2322

01:20:57,430 --> 01:20:53,920

not saying that extraterrestrials

2323

01:20:59,750 --> 01:20:57,440

are landing and bigfoot are et's

2324

01:21:01,669 --> 01:20:59,760

i'm saying there's some association

2325

01:21:03,510 --> 01:21:01,679

there i don't know what if any direct

2326

01:21:06,310 --> 01:21:03,520

connection exists between the two

2327

01:21:07,270 --> 01:21:06,320

i mean maybe whatever that ufo

2328

01:21:10,390 --> 01:21:07,280

intelligence is

2329

01:21:13,430 --> 01:21:10,400

it's interesting bigfoot or vice versa

2330

01:21:15,110 --> 01:21:13,440

maybe somehow that this phenomenon and

2331

01:21:16,390 --> 01:21:15,120

the other cryptids may originate from

2332

01:21:19,510 --> 01:21:16,400

the same stimulus

2333

01:21:23,350 --> 01:21:19,520

we just don't understand yet

2334

01:21:26,629 --> 01:21:23,360

well you know the the extraterrestrial

2335

01:21:28,390 --> 01:21:26,639

uh theory has kind of been weaning on me

2336

01:21:30,709 --> 01:21:28,400

for years anyway

2337

01:21:31,990 --> 01:21:30,719

i i've the more and more i hear from

2338

01:21:33,669 --> 01:21:32,000

people

2339

01:21:36,550 --> 01:21:33,679

that you know come forward with

2340

01:21:39,910 --> 01:21:36,560

abduction cases or come forward with

2341

01:21:42,870 --> 01:21:39,920

contact cases it just seems to me

2342

01:21:43,510 --> 01:21:42,880

that we're dealing with something that's

2343

01:21:48,510 --> 01:21:43,520

more

2344

01:21:54,229 --> 01:21:51,430

inter-dimensionally

2345

01:21:56,149 --> 01:21:54,239

from earth it actually comes from earth

2346

01:21:57,110 --> 01:21:56,159

if it's underground or someplace where

2347

01:22:00,390 --> 01:21:57,120

it's hidden

2348

01:22:03,910 --> 01:22:00,400

or it's in another dimension beside

2349

01:22:04,390 --> 01:22:03,920

our plane but it's moving in and out but

2350

01:22:06,149 --> 01:22:04,400

it's

2351

01:22:08,310 --> 01:22:06,159

not necessarily coming from another

2352

01:22:10,550 --> 01:22:08,320

planet right

2353

01:22:12,950 --> 01:22:10,560

right and that's you know what i want to

2354

01:22:14,470 --> 01:22:12,960

express i don't have the answers i don't

2355

01:22:15,750 --> 01:22:14,480

know what it all means

2356

01:22:17,750 --> 01:22:15,760

but there's something happening out

2357

01:22:20,070 --> 01:22:17,760

there oh yeah

2358

01:22:20,870 --> 01:22:20,080

yeah and and remember juan we talked a

2359

01:22:22,550 --> 01:22:20,880

while back

2360

01:22:24,390 --> 01:22:22,560

that something i was noticing and some

2361

01:22:25,590 --> 01:22:24,400

encrypted reports and you i think you

2362

01:22:26,629 --> 01:22:25,600

had mentioned you have seen them some of

2363

01:22:29,030 --> 01:22:26,639

these cases

2364

01:22:30,870 --> 01:22:29,040

where people had encountered cryptids at

2365

01:22:32,709 --> 01:22:30,880

extremely close range

2366

01:22:34,709 --> 01:22:32,719

so we're talking within feet in some

2367

01:22:35,590 --> 01:22:34,719

cases and they think it was so

2368

01:22:37,430 --> 01:22:35,600

interesting that

2369

01:22:39,510 --> 01:22:37,440

the little detail came up in some cases

2370

01:22:41,830 --> 01:22:39,520

to me from the witness was that

2371

01:22:43,910 --> 01:22:41,840

the creature upon seeing that the

2372

01:22:45,510 --> 01:22:43,920

witness had observed them

2373

01:22:47,990 --> 01:22:45,520

appeared to be startled that they could

2374

01:22:48,709 --> 01:22:48,000

be seen that this feature appeared to be

2375

01:22:50,550 --> 01:22:48,719

upset

2376

01:22:52,310 --> 01:22:50,560

when realized it was being observed by a

2377

01:22:54,709 --> 01:22:52,320

human yeah and i think that

2378

01:22:55,590 --> 01:22:54,719

that may well be a key to a part of the

2379

01:22:57,510 --> 01:22:55,600

phenomena

2380

01:22:59,270 --> 01:22:57,520

yeah you brought that up the last time i

2381

01:23:01,750 --> 01:22:59,280

talked to you and i was

2382

01:23:04,070 --> 01:23:01,760

i was kind of i was really fascinated by

2383

01:23:07,030 --> 01:23:04,080

that but you know you're right because

2384

01:23:08,390 --> 01:23:07,040

i have i have been receiving more

2385

01:23:11,030 --> 01:23:08,400

reports

2386

01:23:12,310 --> 01:23:11,040

to where the actual witness would say

2387

01:23:13,990 --> 01:23:12,320

that

2388

01:23:15,590 --> 01:23:14,000

you know it was either the bigfoot or

2389

01:23:17,830 --> 01:23:15,600

whatever it was

2390

01:23:18,950 --> 01:23:17,840

seemed to notice that they were being

2391

01:23:22,629 --> 01:23:18,960

watched

2392

01:23:26,870 --> 01:23:25,910

so um yeah that's true that's absolutely

2393

01:23:29,669 --> 01:23:26,880

true

2394

01:23:31,510 --> 01:23:29,679

yeah one of the uh interesting k one the

2395

01:23:33,590 --> 01:23:31,520

first case that turned up in

2396

01:23:35,110 --> 01:23:33,600

at least that stuck out in my mind was a

2397

01:23:36,550 --> 01:23:35,120

fellaini interview from nearby west

2398

01:23:37,990 --> 01:23:36,560

virginia it happened back in the fall

2399

01:23:39,430 --> 01:23:38,000

2007.

2400

01:23:41,350 --> 01:23:39,440

it was eight o'clock in the morning this

2401

01:23:44,310 --> 01:23:41,360

guy's driving down a two-lane

2402

01:23:46,709 --> 01:23:44,320

road outside of clinton west virginia

2403

01:23:49,030 --> 01:23:46,719

and he had to hit his brakes really hard

2404

01:23:50,149 --> 01:23:49,040

because there's this giant bird only a

2405

01:23:52,870 --> 01:23:50,159

few yards ahead

2406

01:23:54,229 --> 01:23:52,880

with a dead animal in its mouth blocking

2407

01:23:55,830 --> 01:23:54,239

the road

2408

01:23:57,910 --> 01:23:55,840

and he said this thing easily was at

2409

01:23:59,590 --> 01:23:57,920

least four feet tall because it had been

2410

01:24:00,870 --> 01:23:59,600

extended up above the roof line of his

2411

01:24:02,550 --> 01:24:00,880

car

2412

01:24:03,990 --> 01:24:02,560

and he gave a very detailed script he

2413

01:24:05,189 --> 01:24:04,000

said it was covered with dark brown or

2414

01:24:07,990 --> 01:24:05,199

black feathers

2415

01:24:08,390 --> 01:24:08,000

neck was long and crooked beak was dark

2416

01:24:14,149 --> 01:24:08,400

and

2417

01:24:16,550 --> 01:24:14,159

um the legs were covered in feathers the

2418

01:24:17,910 --> 01:24:16,560

feet were bare and

2419

01:24:19,430 --> 01:24:17,920

he went on to give a really really

2420

01:24:20,470 --> 01:24:19,440

detailed account but he went on to

2421

01:24:23,110 --> 01:24:20,480

describe

2422

01:24:24,149 --> 01:24:23,120

how as he's watching this thing he said

2423

01:24:27,030 --> 01:24:24,159

that

2424

01:24:27,669 --> 01:24:27,040

they each were looking at each other and

2425

01:24:33,669 --> 01:24:27,679

it looked

2426

01:24:34,790 --> 01:24:33,679

it could that it apparently that he

2427

01:24:36,470 --> 01:24:34,800

could see it

2428

01:24:38,070 --> 01:24:36,480

and when the birth became struggle it

2429

01:24:40,790 --> 01:24:38,080

pulled its head back

2430

01:24:42,950 --> 01:24:40,800

to stare at the driver and then it ran

2431

01:24:45,110 --> 01:24:42,960

from the cars that was trying to fly off

2432

01:24:46,390 --> 01:24:45,120

in an awkward manner it was jumping from

2433

01:24:48,229 --> 01:24:46,400

one foot to the other

2434

01:24:49,430 --> 01:24:48,239

in a hopping manner flapping its wings

2435

01:24:51,750 --> 01:24:49,440

and trying to get off the ground

2436

01:24:53,350 --> 01:24:51,760

it was so big it was having a heck of a

2437

01:24:54,470 --> 01:24:53,360

time trying to get off the ground but it

2438

01:24:55,910 --> 01:24:54,480

finally did

2439

01:24:57,750 --> 01:24:55,920

and he said he's watching the thing he

2440

01:24:59,270 --> 01:24:57,760

said the most amazing things was this

2441

01:25:01,430 --> 01:24:59,280

monstrous wingspan

2442

01:25:02,870 --> 01:25:01,440

and he said the wing tips you can see

2443

01:25:03,350 --> 01:25:02,880

the ends of them on each side of the

2444

01:25:05,030 --> 01:25:03,360

road

2445

01:25:07,510 --> 01:25:05,040

and it was stirring up the dust and the

2446

01:25:08,629 --> 01:25:07,520

gravel and when it flew off he watches

2447

01:25:11,189 --> 01:25:08,639

him real clearly

2448

01:25:12,629 --> 01:25:11,199

he went back the next day to measure the

2449

01:25:16,550 --> 01:25:12,639

width of that roadway

2450

01:25:20,149 --> 01:25:19,030

that's a big yeah that's a big set of

2451

01:25:24,229 --> 01:25:20,159

wings

2452

01:25:28,070 --> 01:25:24,239

yeah yeah you know you know when you

2453

01:25:31,110 --> 01:25:28,080

you talk about that it makes you wonder

2454

01:25:34,070 --> 01:25:31,120

why you know is it possible

2455

01:25:35,270 --> 01:25:34,080

that these these creatures or whatever

2456

01:25:38,070 --> 01:25:35,280

they are

2457

01:25:39,669 --> 01:25:38,080

are coming into our dimension

2458

01:25:42,870 --> 01:25:39,679

accidentally

2459

01:25:44,950 --> 01:25:42,880

yeah that's a possibility too are they

2460

01:25:47,590 --> 01:25:44,960

coming in some for some reason

2461

01:25:49,430 --> 01:25:47,600

you know are all the or all these these

2462

01:25:52,310 --> 01:25:49,440

so many reports that

2463

01:25:54,550 --> 01:25:52,320

have been coming out is there something

2464

01:25:57,270 --> 01:25:54,560

changing the dynamic to where

2465

01:25:58,310 --> 01:25:57,280

they are coming into this plane or this

2466

01:26:00,870 --> 01:25:58,320

dimension

2467

01:26:02,550 --> 01:26:00,880

accidentally and they're realizing that

2468

01:26:04,629 --> 01:26:02,560

they are

2469

01:26:08,790 --> 01:26:04,639

or it's something that's never hasn't

2470

01:26:11,510 --> 01:26:08,800

happened to them before

2471

01:26:12,390 --> 01:26:11,520

yeah it just like i said so many

2472

01:26:14,310 --> 01:26:12,400

questions and

2473

01:26:16,550 --> 01:26:14,320

not enough answers we just don't know

2474

01:26:18,629 --> 01:26:16,560

yeah but it appears as though

2475

01:26:20,390 --> 01:26:18,639

that there has been you know an increase

2476

01:26:22,470 --> 01:26:20,400

in these type of reports

2477

01:26:23,990 --> 01:26:22,480

and um the last few years of course

2478

01:26:26,790 --> 01:26:24,000

we've had some very interesting

2479

01:26:28,070 --> 01:26:26,800

cryptid reports especially since 2011.

2480

01:26:29,910 --> 01:26:28,080

uh

2481

01:26:31,430 --> 01:26:29,920

you recall that case we had at that

2482

01:26:33,189 --> 01:26:31,440

leveling eight foot tall creature with

2483

01:26:35,910 --> 01:26:33,199

the wings tucked in that side up

2484

01:26:37,510 --> 01:26:35,920

north of pittsburgh in butler yeah

2485

01:26:38,790 --> 01:26:37,520

apparently there were several people saw

2486

01:26:41,990 --> 01:26:38,800

that thing

2487

01:26:45,270 --> 01:26:42,000

and uh 2011 had some really

2488

01:26:48,629 --> 01:26:45,280

fine odd cases uh here in pennsylvania

2489

01:26:50,709 --> 01:26:48,639

um and of course you know we still get

2490

01:26:51,750 --> 01:26:50,719

occasional bigfoot reports or other

2491

01:26:54,070 --> 01:26:51,760

entities

2492

01:26:55,750 --> 01:26:54,080

that appear to have self-luminescent

2493

01:26:57,830 --> 01:26:55,760

glowing eyes

2494

01:27:00,870 --> 01:26:57,840

we just had this case down near west

2495

01:27:03,030 --> 01:27:00,880

newton pa may 17th of this year

2496

01:27:05,990 --> 01:27:03,040

so west newton's in westmoreland county

2497

01:27:08,550 --> 01:27:06,000

has a lot of history of bigfoot activity

2498

01:27:09,189 --> 01:27:08,560

um one of the first cases i looked into

2499

01:27:12,709 --> 01:27:09,199

was late

2500

01:27:14,629 --> 01:27:12,719

60s probably about 66 or 67 where people

2501

01:27:16,470 --> 01:27:14,639

had seen a very large

2502

01:27:17,910 --> 01:27:16,480

hair covered creature with dirty white

2503

01:27:19,350 --> 01:27:17,920

hair in the woods down there and they

2504

01:27:20,870 --> 01:27:19,360

had found some tracks

2505

01:27:23,030 --> 01:27:20,880

that was one of the first case i look

2506

01:27:24,790 --> 01:27:23,040

into but

2507

01:27:26,550 --> 01:27:24,800

in may of this year a fella and his

2508

01:27:27,030 --> 01:27:26,560

teenage daughter were driving down the

2509

01:27:29,110 --> 01:27:27,040

road

2510

01:27:30,629 --> 01:27:29,120

back running around 11 o'clock and they

2511

01:27:32,390 --> 01:27:30,639

noticed off to the right would appear to

2512

01:27:33,189 --> 01:27:32,400

be a person stooped down on the side of

2513

01:27:36,470 --> 01:27:33,199

the road

2514

01:27:38,950 --> 01:27:36,480

and as they got closer it stood up and a

2515

01:27:40,709 --> 01:27:38,960

walk down right in front of the car

2516

01:27:42,229 --> 01:27:40,719

and the guy had to swerve to the left

2517

01:27:43,030 --> 01:27:42,239

lane to miss hitting what he thought was

2518

01:27:45,350 --> 01:27:43,040

a person

2519

01:27:46,229 --> 01:27:45,360

then realized that this thing was very

2520

01:27:48,790 --> 01:27:46,239

large

2521

01:27:50,709 --> 01:27:48,800

come with a long dark dark black fur

2522

01:27:52,390 --> 01:27:50,719

appeared to be black for all of the body

2523

01:27:53,830 --> 01:27:52,400

and the eyes were soft luminescent

2524

01:27:56,709 --> 01:27:53,840

glowing

2525

01:27:58,149 --> 01:27:56,719

and his daughter started screaming and

2526

01:27:59,430 --> 01:27:58,159

he went down the river

2527

01:28:00,709 --> 01:27:59,440

he told me he said look in the rear view

2528

01:28:01,750 --> 01:28:00,719

mirror and i could still see it stand in

2529

01:28:03,430 --> 01:28:01,760

the middle of the road looking at me as

2530

01:28:05,030 --> 01:28:03,440

i'm riding down and he said i can still

2531

01:28:07,270 --> 01:28:05,040

see the glowing eyes

2532

01:28:08,950 --> 01:28:07,280

so he said that was it wasn't reflection

2533

01:28:11,350 --> 01:28:08,960

off the headlights for example

2534

01:28:13,270 --> 01:28:11,360

and in so many of these cases there's no

2535

01:28:15,510 --> 01:28:13,280

reflective light there's no moon

2536

01:28:17,350 --> 01:28:15,520

there's no lights in the area so these

2537

01:28:20,229 --> 01:28:17,360

seem to be very intense

2538

01:28:20,870 --> 01:28:20,239

very brilliant self-illumination cases

2539

01:28:22,790 --> 01:28:20,880

we have it

2540

01:28:25,750 --> 01:28:22,800

in the reports that we have i had one

2541

01:28:27,030 --> 01:28:25,760

incident years ago of two hunters

2542

01:28:28,790 --> 01:28:27,040

and that in fact they made an official

2543

01:28:32,229 --> 01:28:28,800

report on this and i got it

2544

01:28:33,750 --> 01:28:32,239

um they were out hunting down near um

2545

01:28:36,709 --> 01:28:33,760

irwin i believe was irwin north

2546

01:28:38,790 --> 01:28:36,719

huntington and they saw this creature

2547

01:28:39,990 --> 01:28:38,800

oh i believe like 20 30 feet away it

2548

01:28:41,910 --> 01:28:40,000

wasn't very forward

2549

01:28:43,270 --> 01:28:41,920

but interestingly they could see it very

2550

01:28:46,709 --> 01:28:43,280

easily where it was

2551

01:28:48,550 --> 01:28:46,719

standing and when it would turn its head

2552

01:28:53,669 --> 01:28:48,560

the eye color would change from bright

2553

01:28:59,590 --> 01:28:57,510

wow just strange stuff

2554

01:29:01,990 --> 01:28:59,600

well you know i i could attest to the

2555

01:29:04,550 --> 01:29:02,000

ico or or luminescence

2556

01:29:05,990 --> 01:29:04,560

because you know 88 i had that thing i

2557

01:29:06,310 --> 01:29:06,000

called the konawaena phantom and that

2558

01:29:10,070 --> 01:29:06,320

thing

2559

01:29:13,110 --> 01:29:10,080

definitely had eyes illuminated and uh

2560

01:29:15,270 --> 01:29:13,120

you know so i i'll attest to that myself

2561

01:29:17,910 --> 01:29:15,280

that does happen and i mean you know

2562

01:29:21,750 --> 01:29:17,920

it's been seen

2563

01:29:23,110 --> 01:29:21,760

so but you do hear a lot you know

2564

01:29:25,030 --> 01:29:23,120

it's something about those eyes they

2565

01:29:27,910 --> 01:29:25,040

they're you know

2566

01:29:28,310 --> 01:29:27,920

and it's just not one type of being it's

2567

01:29:32,470 --> 01:29:28,320

it's

2568

01:29:33,350 --> 01:29:32,480

anomalies that have a luminescence about

2569

01:29:36,870 --> 01:29:33,360

them

2570

01:29:39,750 --> 01:29:36,880

and uh yeah yeah it is it's consistent

2571

01:29:39,760 --> 01:29:43,189

oh my

2572

01:29:47,189 --> 01:29:46,070

god it never stops you know people

2573

01:29:49,910 --> 01:29:47,199

always seeing things

2574

01:29:51,669 --> 01:29:49,920

and it's just a continuous phenomena the

2575

01:29:53,910 --> 01:29:51,679

usrb reports coming in i mean there's

2576

01:29:57,030 --> 01:29:53,920

been a lot of ufo activity

2577

01:30:00,149 --> 01:29:57,040

in the last few years we've had amazing

2578

01:30:01,830 --> 01:30:00,159

cases of ufos probably one of the best

2579

01:30:06,550 --> 01:30:01,840

cases i've had more recent years was

2580

01:30:09,189 --> 01:30:06,560

june 1st of 2013 uh

2581

01:30:10,870 --> 01:30:09,199

on a major highway in north huntington

2582

01:30:12,310 --> 01:30:10,880

township we brought that name up a

2583

01:30:13,910 --> 01:30:12,320

couple times because of some of the

2584

01:30:17,030 --> 01:30:13,920

other stuff that's going on around there

2585

01:30:19,030 --> 01:30:17,040

more recently but a woman who did not

2586

01:30:19,990 --> 01:30:19,040

believe in ufos and her three-year-old

2587

01:30:21,510 --> 01:30:20,000

child

2588

01:30:23,270 --> 01:30:21,520

had just come out of a convenience store

2589

01:30:24,870 --> 01:30:23,280

around 10 o'clock at night on the and

2590

01:30:27,430 --> 01:30:24,880

they made a left on to uh

2591

01:30:29,110 --> 01:30:27,440

ralph 30 eastbound and she just went up

2592

01:30:30,310 --> 01:30:29,120

the road a short waist and suddenly she

2593

01:30:31,350 --> 01:30:30,320

had to almost stop in the middle of the

2594

01:30:34,149 --> 01:30:31,360

road

2595

01:30:36,390 --> 01:30:34,159

here's this huge metallic rectangular

2596

01:30:39,430 --> 01:30:36,400

object about 60 feet above the highway

2597

01:30:41,030 --> 01:30:39,440

taking up all four lanes it made no

2598

01:30:42,950 --> 01:30:41,040

sound the lighting on it

2599

01:30:44,550 --> 01:30:42,960

and she she drew me a sketch it's on my

2600

01:30:46,550 --> 01:30:44,560

website and

2601  
01:30:48,709 --> 01:30:46,560  
the the coloring the lighting on it was

2602  
01:30:49,350 --> 01:30:48,719  
unlike navigational lighting it made no

2603  
01:30:51,669 --> 01:30:49,360  
sound

2604  
01:30:53,669 --> 01:30:51,679  
her three-year-old baby yells mommy

2605  
01:30:56,229 --> 01:30:53,679  
flying ipad in the sky

2606  
01:30:56,950 --> 01:30:56,239  
and she had to pass underneath the

2607  
01:30:59,189 --> 01:30:56,960  
object

2608  
01:31:01,189 --> 01:30:59,199  
she was on her cell phone as she passed

2609  
01:31:03,350 --> 01:31:01,199  
underneath the object

2610  
01:31:04,470 --> 01:31:03,360  
the digital displays on her dash and her

2611  
01:31:07,270 --> 01:31:04,480  
car all went out

2612  
01:31:09,590 --> 01:31:07,280  
her digital clock went out her fm radio

2613  
01:31:11,830 --> 01:31:09,600

station she was just went off the air

2614

01:31:13,669 --> 01:31:11,840

she uh lost her cell phone signal and

2615

01:31:15,830 --> 01:31:13,679

she tried to take a picture

2616

01:31:17,189 --> 01:31:15,840

and this has come up in the past too she

2617

01:31:19,110 --> 01:31:17,199

tried to take a picture

2618

01:31:20,950 --> 01:31:19,120

with her iphone and it wouldn't let her

2619

01:31:23,750 --> 01:31:20,960

go into the photo mode

2620

01:31:25,830 --> 01:31:23,760

and as she's driving down the road all

2621

01:31:27,510 --> 01:31:25,840

the electronics come back on

2622

01:31:29,750 --> 01:31:27,520

and i talked to her recently she said

2623

01:31:33,189 --> 01:31:29,760

you know what since that night

2624

01:31:34,950 --> 01:31:33,199

my car which was relatively new has not

2625

01:31:36,390 --> 01:31:34,960

operated properly has been in another

2626

01:31:37,430 --> 01:31:36,400

shop many times and they can't find it

2627

01:31:39,750 --> 01:31:37,440

yeah

2628

01:31:41,669 --> 01:31:39,760

and uh so that's interesting that was

2629

01:31:43,270 --> 01:31:41,679

one of the more classic kind of cases

2630

01:31:47,750 --> 01:31:43,280

you don't hear about those as often as

2631

01:31:49,350 --> 01:31:47,760

we did back in the 60s and 70s

2632

01:31:51,350 --> 01:31:49,360

yeah that seemed to happen more back

2633

01:31:53,830 --> 01:31:51,360

then yeah that's true

2634

01:31:55,350 --> 01:31:53,840

that's true yeah yeah and there's

2635

01:31:58,149 --> 01:31:55,360

something i've always wanted i wanted to

2636

01:32:01,350 --> 01:31:58,159

ask you and i never thought about it but

2637

01:32:02,629 --> 01:32:01,360

i wanted to get your take on this todd

2638

01:32:04,950 --> 01:32:02,639

sees incident

2639

01:32:06,310 --> 01:32:04,960

now i don't know how familiar with it i

2640

01:32:09,510 --> 01:32:06,320

know you are familiar with

2641

01:32:12,950 --> 01:32:09,520

respect that there was supposedly

2642

01:32:15,110 --> 01:32:12,960

some ufo sighting attached to it

2643

01:32:17,590 --> 01:32:15,120

what do you think about it well you know

2644

01:32:20,709 --> 01:32:17,600

it was unfortunate situation with me

2645

01:32:21,430 --> 01:32:20,719

the day it happened my stepson was

2646

01:32:25,110 --> 01:32:21,440

involved in

2647

01:32:26,950 --> 01:32:25,120

a serious head-on collision and uh

2648

01:32:28,950 --> 01:32:26,960

he was in a pretty bad shape so for

2649

01:32:30,950 --> 01:32:28,960

weeks i was tied up in the hospital

2650

01:32:32,790 --> 01:32:30,960

so i couldn't get involved in it by the

2651  
01:32:33,430 --> 01:32:32,800  
time i got out and i knew about it i

2652  
01:32:35,430 --> 01:32:33,440  
knew

2653  
01:32:36,870 --> 01:32:35,440  
others have already pursued it and i

2654  
01:32:38,229 --> 01:32:36,880  
just let others who were already

2655  
01:32:40,470 --> 01:32:38,239  
involved get involved in it because i

2656  
01:32:43,189 --> 01:32:40,480  
knew i was gonna be tied up here so i

2657  
01:32:43,750 --> 01:32:43,199  
i only got to read what i've seen out

2658  
01:32:47,830 --> 01:32:43,760  
there

2659  
01:32:49,430 --> 01:32:47,840  
controversy it's interesting

2660  
01:32:51,910 --> 01:32:49,440  
you know i'm not sure what happened

2661  
01:32:53,830 --> 01:32:51,920  
there i think we need a lot more data

2662  
01:32:54,629 --> 01:32:53,840  
more evidence or really be sure because

2663  
01:32:56,870 --> 01:32:54,639

there could be

2664

01:32:58,390 --> 01:32:56,880

more than one explanation for it but

2665

01:33:02,390 --> 01:32:58,400

it's definitely interesting

2666

01:33:05,030 --> 01:33:02,400

it's not the kind of case that has

2667

01:33:06,709 --> 01:33:05,040

typically shown up you know i mean there

2668

01:33:08,310 --> 01:33:06,719

have been a few oddball cases

2669

01:33:10,709 --> 01:33:08,320

somewhat similar especially from south

2670

01:33:12,950 --> 01:33:10,719

america going back to the 60s

2671

01:33:15,590 --> 01:33:12,960

right but it's not something that you

2672

01:33:18,390 --> 01:33:15,600

saw as a part of a pattern of

2673

01:33:19,350 --> 01:33:18,400

incidents you know with ufo cases over

2674

01:33:21,669 --> 01:33:19,360

the years

2675

01:33:22,550 --> 01:33:21,679

but who's to say i mean who's to say it

2676

01:33:24,550 --> 01:33:22,560

couldn't happen

2677

01:33:27,350 --> 01:33:24,560

something happened there the question is

2678

01:33:29,270 --> 01:33:27,360

what was it it's a distinct case

2679

01:33:31,669 --> 01:33:29,280

yeah uh basically because there was a

2680

01:33:35,110 --> 01:33:31,679

body you know somebody died

2681

01:33:38,709 --> 01:33:35,120

yeah if it was a ufo if it was alien

2682

01:33:40,070 --> 01:33:38,719

involvement a human was involved and

2683

01:33:43,510 --> 01:33:40,080

died because of it

2684

01:33:45,750 --> 01:33:43,520

now yeah i'm not saying that in

2685

01:33:47,590 --> 01:33:45,760

well i probably am saying that you know

2686

01:33:49,430 --> 01:33:47,600

there have been abductions

2687

01:33:51,669 --> 01:33:49,440

where people i believe people just never

2688

01:33:53,350 --> 01:33:51,679

should back up

2689

01:33:55,110 --> 01:33:53,360

now you know i think that people have

2690

01:33:57,910 --> 01:33:55,120

disappeared for good

2691

01:33:59,910 --> 01:33:57,920

for whatever reason and you know but the

2692

01:34:03,510 --> 01:33:59,920

fact that this

2693

01:34:07,189 --> 01:34:03,520

that todd c's body ended up

2694

01:34:09,270 --> 01:34:07,199

in fan was found 36 hours later makes it

2695

01:34:10,390 --> 01:34:09,280

absolutely unique now i'm not going to

2696

01:34:12,709 --> 01:34:10,400

come out and say

2697

01:34:14,229 --> 01:34:12,719

that he was absolutely abducted but the

2698

01:34:21,110 --> 01:34:14,239

circumstances

2699

01:34:24,870 --> 01:34:23,189

it was at a power line a power you know

2700

01:34:27,189 --> 01:34:24,880

where it actually occurred

2701

01:34:29,030 --> 01:34:27,199

and where the two witnesses saw his

2702

01:34:31,430 --> 01:34:29,040

supposedly saw his body

2703

01:34:33,110 --> 01:34:31,440

or him being drawn up into a light beam

2704

01:34:37,030 --> 01:34:33,120

into this graph

2705

01:34:38,790 --> 01:34:37,040

now who knows

2706

01:34:40,629 --> 01:34:38,800

it's very intriguing it's very

2707

01:34:43,510 --> 01:34:40,639

interesting you know

2708

01:34:44,790 --> 01:34:43,520

and like i said somebody out there

2709

01:34:45,990 --> 01:34:44,800

probably knows a lot more than they're

2710

01:34:48,790 --> 01:34:46,000

saying about it

2711

01:34:51,669 --> 01:34:48,800

and uh you know like i said i like so

2712

01:34:53,669 --> 01:34:51,679

many of the very oddball case i ran into

2713

01:34:54,950 --> 01:34:53,679

many many high strangers cases over the

2714

01:34:57,430 --> 01:34:54,960

years in pennsylvania

2715

01:34:58,550 --> 01:34:57,440

that would fall into that category and

2716

01:35:00,229 --> 01:34:58,560

unfortunately you know

2717

01:35:01,830 --> 01:35:00,239

i wasn't able to get involved in it at

2718

01:35:04,229 --> 01:35:01,840

the time i wish i had

2719

01:35:05,910 --> 01:35:04,239

um but i think a lot of people have been

2720

01:35:07,109 --> 01:35:05,920

doing well not but a few of you guys

2721

01:35:07,830 --> 01:35:07,119

have been out there doing some research

2722

01:35:09,830 --> 01:35:07,840

on it

2723

01:35:11,910 --> 01:35:09,840

and uh there may well be other people

2724

01:35:15,109 --> 01:35:11,920

out there that know something

2725

01:35:18,709 --> 01:35:15,119

well it is frustrating we've been trying

2726

01:35:20,310 --> 01:35:18,719

to hit a lot of different channels and

2727

01:35:22,070 --> 01:35:20,320

we're you know a lot of it has been

2728

01:35:25,510 --> 01:35:22,080

suppressed and it's it

2729

01:35:27,590 --> 01:35:25,520

it's obvious yeah so well you know i've

2730

01:35:29,510 --> 01:35:27,600

over the years i get a lot of this from

2731

01:35:32,310 --> 01:35:29,520

memory but going back especially

2732

01:35:33,990 --> 01:35:32,320

70s to 80s there were significant

2733

01:35:35,990 --> 01:35:34,000

incidents in pennsylvania

2734

01:35:37,109 --> 01:35:36,000

and some of these cases suggested that

2735

01:35:40,390 --> 01:35:37,119

there had been

2736

01:35:41,990 --> 01:35:40,400

some government involvement and

2737

01:35:43,510 --> 01:35:42,000

the public didn't hear a lot of the

2738

01:35:44,310 --> 01:35:43,520

details about what really had taken

2739

01:35:45,910 --> 01:35:44,320

place we

2740

01:35:47,430 --> 01:35:45,920

we ran to a number of different cases

2741

01:35:49,109 --> 01:35:47,440

where we were stonewalled

2742

01:35:51,350 --> 01:35:49,119

and uh we thought there was something

2743

01:35:54,070 --> 01:35:51,360

going on but kecksburg's a perfect

2744

01:35:55,910 --> 01:35:54,080

example i mean you know

2745

01:35:58,709 --> 01:35:55,920

although there was definitely

2746

01:36:02,390 --> 01:35:58,719

suppression as far as kecksburg goes

2747

01:36:03,669 --> 01:36:02,400

oh yeah well you know well that case we

2748

01:36:06,070 --> 01:36:03,679

could talk about for days

2749

01:36:07,109 --> 01:36:06,080

i know and and there's no doubt that you

2750

01:36:09,350 --> 01:36:07,119

know the government

2751  
01:36:10,950 --> 01:36:09,360  
knew and knows a lot more about that

2752  
01:36:13,030 --> 01:36:10,960  
case they've ever told the public

2753  
01:36:14,390 --> 01:36:13,040  
do you think do you think that they're

2754  
01:36:17,830 --> 01:36:14,400  
really that

2755  
01:36:21,109 --> 01:36:17,840  
this crap was actually seen again later

2756  
01:36:22,470 --> 01:36:21,119  
over at uh wright patterson oh yeah

2757  
01:36:24,470 --> 01:36:22,480  
and the reason i'll tell you that is

2758  
01:36:27,669 --> 01:36:24,480  
because i have i have

2759  
01:36:29,350 --> 01:36:27,679  
uh i had really good separate

2760  
01:36:31,750 --> 01:36:29,360  
information from different people who

2761  
01:36:32,790 --> 01:36:31,760  
had contacted me about it first went

2762  
01:36:35,590 --> 01:36:32,800  
actually to

2763  
01:36:37,189 --> 01:36:35,600

lockport air force base it how it came

2764

01:36:41,030 --> 01:36:37,199

about and i found this out

2765

01:36:42,550 --> 01:36:41,040

in the summer of 1990 before uh we

2766

01:36:44,229 --> 01:36:42,560

did that season premiere for unsolved

2767

01:36:44,950 --> 01:36:44,239

mysteries on the case that was the first

2768

01:36:47,910 --> 01:36:44,960

big

2769

01:36:50,070 --> 01:36:47,920

national tv show to really get into the

2770

01:36:51,669 --> 01:36:50,080

case and that opened up a lot of

2771

01:36:53,430 --> 01:36:51,679

for new information around the country

2772

01:36:55,510 --> 01:36:53,440

of different people have moved away from

2773

01:36:57,189 --> 01:36:55,520

the area people who

2774

01:36:58,550 --> 01:36:57,199

from around the country had details

2775

01:37:01,590 --> 01:36:58,560

about the case and it really

2776

01:37:05,750 --> 01:37:01,600

really helped open that story up but

2777

01:37:07,910 --> 01:37:05,760

in that summer a man contacted me

2778

01:37:09,350 --> 01:37:07,920

he had an extensive background that i

2779

01:37:10,950 --> 01:37:09,360

was able to check out

2780

01:37:12,950 --> 01:37:10,960

and he told me he was a part of the air

2781

01:37:13,910 --> 01:37:12,960

force security police that had guarded

2782

01:37:15,590 --> 01:37:13,920

the object

2783

01:37:17,510 --> 01:37:15,600

when it came at the lockbourne air force

2784

01:37:19,189 --> 01:37:17,520

base outside of columbus ohio

2785

01:37:21,109 --> 01:37:19,199

during the early morning hours of

2786

01:37:22,550 --> 01:37:21,119

december 10th

2787

01:37:24,950 --> 01:37:22,560

and that's it and what we knew from

2788

01:37:26,629 --> 01:37:24,960

others now interestingly another person

2789

01:37:27,750 --> 01:37:26,639

who he didn't know and probably still

2790

01:37:29,990 --> 01:37:27,760

doesn't know

2791

01:37:31,430 --> 01:37:30,000

told me pretty much the same thing both

2792

01:37:33,430 --> 01:37:31,440

told me that they used a

2793

01:37:34,950 --> 01:37:33,440

a certain entrance they normally didn't

2794

01:37:36,870 --> 01:37:34,960

use to bring the

2795

01:37:38,950 --> 01:37:36,880

the military flat that tractor trailer

2796

01:37:41,350 --> 01:37:38,960

truck with a tarped object on it

2797

01:37:43,270 --> 01:37:41,360

and they backed it into a hangar and

2798

01:37:45,350 --> 01:37:43,280

what he said was they set up a security

2799

01:37:47,510 --> 01:37:45,360

perimeter around that anger

2800

01:37:49,350 --> 01:37:47,520

and they were given a shoot to kill

2801  
01:37:51,109 --> 01:37:49,360  
order to anybody that purchased that

2802  
01:37:53,109 --> 01:37:51,119  
angle without the proper authority

2803  
01:37:54,870 --> 01:37:53,119  
wow now he said he didn't stay on the

2804  
01:37:56,790 --> 01:37:54,880  
team that much longer but he heard

2805  
01:37:58,310 --> 01:37:56,800  
that had continued on to write paterson

2806  
01:38:02,070 --> 01:37:58,320  
air force base

2807  
01:38:04,149 --> 01:38:02,080  
so after the unsolved mystery shows tv

2808  
01:38:06,709 --> 01:38:04,159  
aired again i had many many leads

2809  
01:38:08,070 --> 01:38:06,719  
fella contacted me uh this gentleman

2810  
01:38:12,070 --> 01:38:08,080  
he's now deceased

2811  
01:38:13,590 --> 01:38:12,080  
he uh his name was myron and he said

2812  
01:38:15,189 --> 01:38:13,600  
i guess i'm allowed to talk to you about

2813  
01:38:16,470 --> 01:38:15,199

it now since it's on television i said

2814

01:38:19,109 --> 01:38:16,480

what are you talking about

2815

01:38:20,310 --> 01:38:19,119

so he goes on to tell me how he worked

2816

01:38:23,430 --> 01:38:20,320

for a large

2817

01:38:26,149 --> 01:38:23,440

supply house in ohio at the time and

2818

01:38:26,790 --> 01:38:26,159

uh interestingly and a lot of details he

2819

01:38:27,990 --> 01:38:26,800

gave us

2820

01:38:29,990 --> 01:38:28,000

we were able to check out the fact that

2821

01:38:31,910 --> 01:38:30,000

the lakeland springfield who is

2822

01:38:35,030 --> 01:38:31,920

basically the father of ufo

2823

01:38:36,390 --> 01:38:35,040

crash retrievals he and i were very very

2824

01:38:37,990 --> 01:38:36,400

close and worked very close together in

2825

01:38:39,830 --> 01:38:38,000

a lot of cases he did a lot of

2826

01:38:41,189 --> 01:38:39,840

investigation on the ohio side on this

2827

01:38:45,510 --> 01:38:41,199

case at the time

2828

01:38:49,030 --> 01:38:45,520

and anyhow what we found out was

2829

01:38:50,470 --> 01:38:49,040

that a navy officer

2830

01:38:52,709 --> 01:38:50,480

and that's interesting because a lot of

2831

01:38:54,870 --> 01:38:52,719

people didn't know but before on the

2832

01:38:57,990 --> 01:38:54,880

keckster case early in the case and

2833

01:39:00,070 --> 01:38:58,000

as it was starting before

2834

01:39:01,189 --> 01:39:00,080

the army and the air force and nasa and

2835

01:39:03,750 --> 01:39:01,199

others were brought up

2836

01:39:06,149 --> 01:39:03,760

it was the navy that first came up as

2837

01:39:08,709 --> 01:39:06,159

being interested or involved in the case

2838

01:39:09,189 --> 01:39:08,719

so anyhow when what myron tells it was

2839

01:39:12,390 --> 01:39:09,199

that

2840

01:39:14,870 --> 01:39:12,400

a navy officer came to this supply house

2841

01:39:17,030 --> 01:39:14,880

to order a large supply of a special

2842

01:39:18,550 --> 01:39:17,040

type of glazed engineering brick

2843

01:39:21,109 --> 01:39:18,560

to be taken to wright patterson air

2844

01:39:22,550 --> 01:39:21,119

force base so this was all within days

2845

01:39:23,990 --> 01:39:22,560

after the object had been recovered in

2846

01:39:25,910 --> 01:39:24,000

pennsylvania

2847

01:39:27,430 --> 01:39:25,920

there was there was a second truck

2848

01:39:30,550 --> 01:39:27,440

driver

2849

01:39:31,750 --> 01:39:30,560

who initially didn't all want to get

2850

01:39:33,189 --> 01:39:31,760

involved didn't want to talk about it

2851

01:39:35,830 --> 01:39:33,199

but he later did

2852

01:39:36,550 --> 01:39:35,840

he later confirmed to lennon to myself

2853

01:39:38,870 --> 01:39:36,560

that

2854

01:39:39,990 --> 01:39:38,880

he uh was the first truck driver he

2855

01:39:42,629 --> 01:39:40,000

brought the first load these

2856

01:39:43,669 --> 01:39:42,639

bricks in to the base it was an escort

2857

01:39:46,310 --> 01:39:43,679

into the base

2858

01:39:46,790 --> 01:39:46,320

and when he got there today before meyer

2859

01:39:50,070 --> 01:39:46,800

and he

2860

01:39:51,669 --> 01:39:50,080

both went that the flatbed trailer with

2861

01:39:53,430 --> 01:39:51,679

the tarps object was outside of this

2862

01:39:55,350 --> 01:39:53,440

warehouse building

2863

01:39:57,430 --> 01:39:55,360

and uh he said to him would look like a

2864

01:39:58,790 --> 01:39:57,440

big like a big liberty bell just from

2865

01:39:59,510 --> 01:39:58,800

the shape that's the best way he could

2866

01:40:00,870 --> 01:39:59,520

describe it

2867

01:40:03,189 --> 01:40:00,880

another guy said it looked like a big

2868

01:40:04,470 --> 01:40:03,199

chocolate drop and the witness was of

2869

01:40:05,350 --> 01:40:04,480

course with the scenes that'll look like

2870

01:40:08,390 --> 01:40:05,360

a big

2871

01:40:10,550 --> 01:40:08,400

buried in the ground

2872

01:40:12,070 --> 01:40:10,560

with the hieroglyphic markings on it so

2873

01:40:15,430 --> 01:40:12,080

anyhow

2874

01:40:17,510 --> 01:40:15,440

uh we find out that the next day myron

2875

01:40:20,870 --> 01:40:17,520

and this truck driver

2876

01:40:21,669 --> 01:40:20,880

are escorted in to the base and they

2877

01:40:23,189 --> 01:40:21,679

have these two

2878

01:40:24,870 --> 01:40:23,199

big loads of bricks and they're just

2879

01:40:27,109 --> 01:40:24,880

told do your job

2880

01:40:29,350 --> 01:40:27,119

don't be looking around just get the

2881

01:40:30,550 --> 01:40:29,360

bricks on you know unload the bricks

2882

01:40:32,950 --> 01:40:30,560

well they've been there for quite a

2883

01:40:33,830 --> 01:40:32,960

while and myron was a curious kind of

2884

01:40:35,990 --> 01:40:33,840

guy

2885

01:40:37,270 --> 01:40:36,000

because he kept seeing these fellas that

2886

01:40:38,870 --> 01:40:37,280

he was able to

2887

01:40:40,550 --> 01:40:38,880

identify as navy guys because he

2888

01:40:42,070 --> 01:40:40,560

remembered saying he couldn't remember

2889

01:40:43,750 --> 01:40:42,080

exactly where it was on the cap

2890

01:40:45,270 --> 01:40:43,760

or somewhere but he saw an emblem or

2891

01:40:47,669 --> 01:40:45,280

symbol that was navy

2892

01:40:48,870 --> 01:40:47,679

and he was sure that they had sidearms

2893

01:40:54,390 --> 01:40:48,880

they had

2894

01:40:56,229 --> 01:40:54,400

protective items on like rubber gloves

2895

01:40:58,070 --> 01:40:56,239

they were and they were continually

2896

01:40:59,350 --> 01:40:58,080

changing some of their outer clothing

2897

01:41:01,830 --> 01:40:59,360

and he was trying to figure out what's

2898

01:41:03,590 --> 01:41:01,840

going on so when he didn't see anybody

2899

01:41:04,950 --> 01:41:03,600

around the entrance of that building

2900

01:41:07,109 --> 01:41:04,960

here we had overlooked inside that

2901

01:41:08,709 --> 01:41:07,119

warehouse and up on that scaffolding

2902

01:41:10,550 --> 01:41:08,719

and there's ladders going up here's that

2903

01:41:12,149 --> 01:41:10,560

big metallic acorn shaped object with

2904

01:41:14,310 --> 01:41:12,159

the hieroglyphic markings on it

2905

01:41:15,270 --> 01:41:14,320

kind of an off bronze color off gold

2906

01:41:16,629 --> 01:41:15,280

one's color

2907

01:41:18,470 --> 01:41:16,639

and these guys apparently trying to get

2908

01:41:21,830 --> 01:41:18,480

inside this thing

2909

01:41:23,910 --> 01:41:21,840

and uh anyhow to make the story short

2910

01:41:25,270 --> 01:41:23,920

at some point he's he starts asking

2911

01:41:27,590 --> 01:41:25,280

questions

2912

01:41:29,750 --> 01:41:27,600

and apparently he will soon realize that

2913

01:41:32,070 --> 01:41:29,760

he didn't have the proper clearance

2914

01:41:33,510 --> 01:41:32,080

and he was threatened and he was told

2915

01:41:34,629 --> 01:41:33,520

just keep your mouth shut don't talk

2916

01:41:35,910 --> 01:41:34,639

about what you see

2917

01:41:37,910 --> 01:41:35,920

if you do we're going to throw you in

2918

01:41:39,830 --> 01:41:37,920

jail and throw away the keys

2919

01:41:41,669 --> 01:41:39,840

but in 20 years this will all be public

2920

01:41:42,390 --> 01:41:41,679

knowledge but of course that never

2921

01:41:45,350 --> 01:41:42,400

happened

2922

01:41:46,629 --> 01:41:45,360

sure and uh but anyhow there's a lot

2923

01:41:49,350 --> 01:41:46,639

more to the story

2924

01:41:50,870 --> 01:41:49,360

and uh anyhow yeah we have pretty good

2925

01:41:52,390 --> 01:41:50,880

carpet i mean i know exactly what

2926

01:41:54,550 --> 01:41:52,400

growing they took it to

2927

01:41:55,830 --> 01:41:54,560

if i had if i had access to the base i

2928

01:41:57,270 --> 01:41:55,840

could drive there right now

2929

01:42:00,229 --> 01:41:57,280

now whether it's still there today who

2930

01:42:02,390 --> 01:42:00,239

knows well that's just it you know

2931

01:42:04,550 --> 01:42:02,400

and you know you said navy intelligence

2932

01:42:06,070 --> 01:42:04,560

and that does make perfect sense

2933

01:42:08,950 --> 01:42:06,080

maybe intelligence they were they were

2934

01:42:12,470 --> 01:42:08,960

kind of the big dog on the block

2935

01:42:14,629 --> 01:42:12,480

back then even though nasa did did do

2936

01:42:15,669 --> 01:42:14,639

did initiate investigations navy

2937

01:42:18,229 --> 01:42:15,679

intelligence

2938

01:42:19,109 --> 01:42:18,239

they were the big dog well the navy

2939

01:42:21,350 --> 01:42:19,119

actually

2940

01:42:23,030 --> 01:42:21,360

was the forerunner of one of the ufo

2941

01:42:25,109 --> 01:42:23,040

investigations back in the 40s

2942

01:42:26,229 --> 01:42:25,119

yeah i mean they got into it really

2943

01:42:29,030 --> 01:42:26,239

deeply for

2944

01:42:30,870 --> 01:42:29,040

later the air force and other agencies

2945

01:42:32,870 --> 01:42:30,880

got involved in it so they've had a long

2946

01:42:34,709 --> 01:42:32,880

role in the ufo research for many years

2947

01:42:37,189 --> 01:42:34,719

yeah yeah you're right you're right

2948

01:42:42,310 --> 01:42:40,629

oh very interesting all right maybe some

2949

01:42:43,990 --> 01:42:42,320

will come out one day i don't know i

2950

01:42:47,590 --> 01:42:44,000

doubt it but you know

2951

01:42:48,629 --> 01:42:47,600

the uh this ketchup thing it just it

2952

01:42:53,350 --> 01:42:48,639

still

2953

01:42:57,830 --> 01:42:55,669

you know when people come when people

2954

01:42:59,189 --> 01:42:57,840

come around say well you know

2955

01:43:00,470 --> 01:42:59,199

it's had something to do with a russian

2956

01:43:01,510 --> 01:43:00,480

satellite well you know that's

2957

01:43:04,950 --> 01:43:01,520

ridiculous

2958

01:43:08,950 --> 01:43:04,960

and uh you know the nazi

2959

01:43:12,709 --> 01:43:08,960

angle the nazi bell angle is intriguing

2960

01:43:15,430 --> 01:43:12,719

but you know i don't know

2961

01:43:16,149 --> 01:43:15,440

it's one of many many theories you know

2962

01:43:17,830 --> 01:43:16,159

next year

2963

01:43:19,750 --> 01:43:17,840

it's hard for me to believe the next

2964

01:43:20,550 --> 01:43:19,760

year will mark 50 years i investigated

2965

01:43:22,310 --> 01:43:20,560

the case

2966

01:43:24,470 --> 01:43:22,320

and i'm still getting leads on it even

2967

01:43:25,750 --> 01:43:24,480

this year on occasion when i'm some

2968

01:43:27,510 --> 01:43:25,760

local events

2969

01:43:28,950 --> 01:43:27,520

some old timer will come up to me and

2970

01:43:31,189 --> 01:43:28,960

say well i was there that night

2971

01:43:33,109 --> 01:43:31,199

he said i was a kid you know i was there

2972

01:43:34,550 --> 01:43:33,119

i got stopped by the military and talked

2973

01:43:36,470 --> 01:43:34,560

tell me about the soldiers the army

2974

01:43:37,910 --> 01:43:36,480

trucks you saw and they're still out

2975

01:43:38,629 --> 01:43:37,920

there there's still people out there who

2976

01:43:41,109 --> 01:43:38,639

are involved and

2977

01:43:42,070 --> 01:43:41,119

have never come public and i and i truly

2978

01:43:43,990 --> 01:43:42,080

believe

2979

01:43:45,590 --> 01:43:44,000

somebody out there has the evidence i

2980

01:43:46,470 --> 01:43:45,600

truly believe from information i've

2981

01:43:48,790 --> 01:43:46,480

gotten that

2982

01:43:50,070 --> 01:43:48,800

somebody in this area has black and

2983

01:43:52,310 --> 01:43:50,080

white photographs

2984

01:43:54,149 --> 01:43:52,320

of the object on the ground and some of

2985

01:43:54,470 --> 01:43:54,159

the military units over there that night

2986

01:43:59,189 --> 01:43:54,480

and

2987

01:43:59,990 --> 01:43:59,199

say i got these pictures you're going to

2988

01:44:02,390 --> 01:44:00,000

want to see them

2989

01:44:04,149 --> 01:44:02,400

i really believe they're out there but

2990

01:44:05,910 --> 01:44:04,159

next year will be 50 years

2991

01:44:07,590 --> 01:44:05,920

and by the way in july we'll have the

2992

01:44:09,189 --> 01:44:07,600

textbook ufo festival

2993

01:44:11,189 --> 01:44:09,199

and i expect it'll be something very

2994

01:44:11,830 --> 01:44:11,199

special we've been getting huge crowds

2995

01:44:14,149 --> 01:44:11,840

out there

2996

01:44:16,229 --> 01:44:14,159

especially this past year and i expect

2997

01:44:18,790 --> 01:44:16,239

next year for 50th it'll really uh

2998

01:44:21,109 --> 01:44:18,800

be interesting but anyhow you know over

2999

01:44:22,709 --> 01:44:21,119

the years of the hundreds of people i've

3000

01:44:25,270 --> 01:44:22,719

interviewed about the case and

3001

01:44:27,189 --> 01:44:25,280

a number of people approached me and all

3002

01:44:28,629 --> 01:44:27,199

these people were different people

3003

01:44:29,910 --> 01:44:28,639

and they all had different theories and

3004

01:44:31,750 --> 01:44:29,920

they said i know for sure what the

3005

01:44:33,189 --> 01:44:31,760

kecksburg object was and everybody had a

3006

01:44:35,270 --> 01:44:33,199

different story

3007

01:44:36,470 --> 01:44:35,280

and there have been many many theories

3008

01:44:39,910 --> 01:44:36,480

and you know

3009

01:44:41,510 --> 01:44:39,920

the first scenario we got

3010

01:44:42,950 --> 01:44:41,520

happened at the time we learned it was

3011

01:44:44,790 --> 01:44:42,960

from an air force officer who was

3012

01:44:46,550 --> 01:44:44,800

investigating some of

3013

01:44:47,990 --> 01:44:46,560

well uh some people who lived in a

3014

01:44:49,590 --> 01:44:48,000

family were involved in the case and

3015

01:44:50,550 --> 01:44:49,600

lived within walking distance the word

3016

01:44:53,030 --> 01:44:50,560

fell

3017

01:44:54,870 --> 01:44:53,040

and this officer told them that he had

3018

01:44:56,470 --> 01:44:54,880

information that a germany capsule had

3019

01:44:58,390 --> 01:44:56,480

been expelled in the area

3020

01:45:00,470 --> 01:44:58,400

and of course we know now that's not the

3021

01:45:03,189 --> 01:45:00,480

case

3022

01:45:04,470 --> 01:45:03,199

another guy called me years ago and said

3023

01:45:07,669 --> 01:45:04,480

i know for certain

3024

01:45:10,149 --> 01:45:07,679

it was a projectile fought fired from a

3025

01:45:12,390 --> 01:45:10,159

giant gun from a railroad car in canada

3026

01:45:13,669 --> 01:45:12,400

well we we eliminated that pretty easy

3027

01:45:16,070 --> 01:45:13,679

another person said

3028

01:45:17,510 --> 01:45:16,080

he knew positivity was a soviet icbm

3029

01:45:19,990 --> 01:45:17,520

that came down in the area

3030

01:45:22,070 --> 01:45:20,000

and it goes on and on and on and you

3031

01:45:22,950 --> 01:45:22,080

know it wasn't until some books started

3032

01:45:24,629 --> 01:45:22,960

coming out

3033

01:45:26,709 --> 01:45:24,639

when they start talking about the nazi

3034

01:45:28,149 --> 01:45:26,719

bell deglock that i started getting

3035

01:45:31,510 --> 01:45:28,159

calls about it

3036

01:45:33,910 --> 01:45:31,520

and you know it's an interesting theory

3037

01:45:35,910 --> 01:45:33,920

i really see no evidence of two related

3038

01:45:39,669 --> 01:45:35,920

in fact i've seen no evidence

3039

01:45:41,510 --> 01:45:39,679

that convinces me that the nazis ever

3040

01:45:43,030 --> 01:45:41,520

came to completion on a project like

3041

01:45:44,629 --> 01:45:43,040

that there's no doubt they were working

3042

01:45:47,830 --> 01:45:44,639

a lot of interesting

3043

01:45:51,189 --> 01:45:47,840

uh iron ideological

3044

01:45:52,629 --> 01:45:51,199

experimentations but i've seen no

3045

01:45:54,790 --> 01:45:52,639

evidence that the bell which

3046

01:45:56,790 --> 01:45:54,800

depending what you look at some claim

3047

01:45:57,669 --> 01:45:56,800

was an anti-gravity device or a time

3048

01:45:59,189 --> 01:45:57,679

machine

3049

01:46:01,270 --> 01:45:59,199

i've seen no evidence that it was a

3050

01:46:03,030 --> 01:46:01,280

maneuverable flying craft

3051  
01:46:04,629 --> 01:46:03,040  
because whatever this object was you've

3052  
01:46:06,149 --> 01:46:04,639  
got to remember this thing is moving

3053  
01:46:08,310 --> 01:46:06,159  
relatively slowly

3054  
01:46:10,550 --> 01:46:08,320  
it's maybe making change in direction

3055  
01:46:13,830 --> 01:46:10,560  
along its trajectory its path

3056  
01:46:14,709 --> 01:46:13,840  
it makes a slow descent it's completely

3057  
01:46:17,430 --> 01:46:14,719  
intact

3058  
01:46:18,629 --> 01:46:17,440  
no parachute scene big enough for me to

3059  
01:46:20,950 --> 01:46:18,639  
stand inside of

3060  
01:46:23,510 --> 01:46:20,960  
no rivets no weld marks no seams no

3061  
01:46:26,950 --> 01:46:23,520  
wings no fuselage

3062  
01:46:28,709 --> 01:46:26,960  
kind of odd for it had hieroglyphics on

3063  
01:46:31,830 --> 01:46:28,719

it that nobody has any idea

3064

01:46:33,030 --> 01:46:31,840

what they need no well no and again you

3065

01:46:35,109 --> 01:46:33,040

know back in that time

3066

01:46:37,030 --> 01:46:35,119

you know the people out there basically

3067

01:46:39,189 --> 01:46:37,040

first yeah we now know that

3068

01:46:40,550 --> 01:46:39,199

after it fell some local civilians went

3069

01:46:42,790 --> 01:46:40,560

down into the woods

3070

01:46:44,310 --> 01:46:42,800

and came across a large metallic object

3071

01:46:46,709 --> 01:46:44,320

semi beard in the ground

3072

01:46:48,629 --> 01:46:46,719

then a little later you know you had

3073

01:46:49,270 --> 01:46:48,639

firemen and then you had the military

3074

01:46:51,350 --> 01:46:49,280

coming in

3075

01:46:53,030 --> 01:46:51,360

then once the military is there the area

3076

01:46:55,350 --> 01:46:53,040

is cordoned off

3077

01:46:57,270 --> 01:46:55,360

so people can't get down but what they

3078

01:46:58,790 --> 01:46:57,280

didn't know was that some civilians that

3079

01:46:59,669 --> 01:46:58,800

had already gotten down had seen the

3080

01:47:01,590 --> 01:46:59,679

object

3081

01:47:03,270 --> 01:47:01,600

and then later numerous people around

3082

01:47:05,590 --> 01:47:03,280

one o'clock in the morning

3083

01:47:07,189 --> 01:47:05,600

see the military flatbed tractor trailer

3084

01:47:08,310 --> 01:47:07,199

leaving there with the tarps objects at

3085

01:47:10,310 --> 01:47:08,320

high rate of speed

3086

01:47:12,390 --> 01:47:10,320

so numerous people saw that flatbed

3087

01:47:14,070 --> 01:47:12,400

going out of there in fact i now have

3088

01:47:16,149 --> 01:47:14,080

evidence and it's good data

3089

01:47:17,270 --> 01:47:16,159

that there were two military flatbeds at

3090

01:47:19,270 --> 01:47:17,280

the scene that night

3091

01:47:20,709 --> 01:47:19,280

one i know went out earlier the other

3092

01:47:22,149 --> 01:47:20,719

one with the object went out around one

3093

01:47:23,590 --> 01:47:22,159

o'clock in the morning they went

3094

01:47:27,590 --> 01:47:23,600

apparently two different

3095

01:47:29,990 --> 01:47:27,600

locations and uh there's there's so

3096

01:47:31,270 --> 01:47:30,000

many details amazing details about this

3097

01:47:33,350 --> 01:47:31,280

case we uncovered

3098

01:47:34,470 --> 01:47:33,360

and there's a lot of interesting things

3099

01:47:35,830 --> 01:47:34,480

and yeah

3100

01:47:38,390 --> 01:47:35,840

there's pretty good evidence that there

3101  
01:47:39,750 --> 01:47:38,400  
was uh some a government cover-up that

3102  
01:47:40,950 --> 01:47:39,760  
they haven't told the public the truth

3103  
01:47:45,270 --> 01:47:40,960  
about what happened

3104  
01:47:47,189 --> 01:47:45,280  
and one interesting little tidbit was uh

3105  
01:47:48,470 --> 01:47:47,199  
for those interested in this aspect of

3106  
01:47:50,709 --> 01:47:48,480  
it that uh one of

3107  
01:47:52,790 --> 01:47:50,719  
one fellow who apparently was hiding

3108  
01:47:55,270 --> 01:47:52,800  
down in the woods at the time

3109  
01:47:57,270 --> 01:47:55,280  
and kept his story quiet for years and

3110  
01:48:00,390 --> 01:47:57,280  
years and years i mean it wasn't until

3111  
01:48:02,950 --> 01:48:00,400  
i i had a lead on this guy back

3112  
01:48:04,950 --> 01:48:02,960  
well i got i got his name came up to me

3113  
01:48:06,229 --> 01:48:04,960

again in november 2002

3114

01:48:07,590 --> 01:48:06,239

when the sci-fi channel and the

3115

01:48:08,629 --> 01:48:07,600

coalition of freedom information were

3116

01:48:10,790 --> 01:48:08,639

doing a big

3117

01:48:12,470 --> 01:48:10,800

investigation on this case and i had a

3118

01:48:13,990 --> 01:48:12,480

list of names of people who were willing

3119

01:48:14,550 --> 01:48:14,000

to talk to me and this guy's name had

3120

01:48:16,790 --> 01:48:14,560

come up

3121

01:48:18,310 --> 01:48:16,800

i think it was like 13 years before has

3122

01:48:19,270 --> 01:48:18,320

a fellow who had been hiding down in the

3123

01:48:21,109 --> 01:48:19,280

woods

3124

01:48:22,470 --> 01:48:21,119

and i got a lead on him want to contact

3125

01:48:23,990 --> 01:48:22,480

him he didn't deny it

3126  
01:48:25,510 --> 01:48:24,000  
he just told me he was afraid to get in

3127  
01:48:26,709 --> 01:48:25,520  
trouble with the government and his

3128  
01:48:28,550 --> 01:48:26,719  
family didn't want him involved

3129  
01:48:30,149 --> 01:48:28,560  
he just didn't want to get involved but

3130  
01:48:32,629 --> 01:48:30,159  
then in 2002

3131  
01:48:34,390 --> 01:48:32,639  
i did get to interview him finally spent

3132  
01:48:35,750 --> 01:48:34,400  
a lot of time in many interviews with

3133  
01:48:38,629 --> 01:48:35,760  
him he told me how

3134  
01:48:40,310 --> 01:48:38,639  
some amazing things and unusual things

3135  
01:48:41,910 --> 01:48:40,320  
but one thing he brought up was that

3136  
01:48:43,350 --> 01:48:41,920  
as he's hiding down in the woods that

3137  
01:48:44,709 --> 01:48:43,360  
afternoon so this was probably soon

3138  
01:48:47,109 --> 01:48:44,719

after it fell

3139

01:48:48,950 --> 01:48:47,119

he he was there just as things were

3140

01:48:50,070 --> 01:48:48,960

beginning unfold he sees civilians

3141

01:48:51,910 --> 01:48:50,080

coming in

3142

01:48:53,430 --> 01:48:51,920

then he seems army and air force coming

3143

01:48:54,310 --> 01:48:53,440

in he was in the military so he knew

3144

01:48:55,990 --> 01:48:54,320

what he was seeing

3145

01:48:57,750 --> 01:48:56,000

he kept hiding in the woods and moving

3146

01:48:59,109 --> 01:48:57,760

back into the thicker trees and

3147

01:49:00,950 --> 01:48:59,119

keeping branches around them so they

3148

01:49:03,189 --> 01:49:00,960

couldn't see them but the interesting

3149

01:49:05,590 --> 01:49:03,199

thing was

3150

01:49:08,310 --> 01:49:05,600

he's telling me about um he fell down or

3151

01:49:10,470 --> 01:49:08,320

one guy in particular and he said

3152

01:49:11,990 --> 01:49:10,480

he didn't he said i don't want to be a

3153

01:49:13,589 --> 01:49:12,000

politician down there he wasn't sure it

3154

01:49:15,030 --> 01:49:13,599

was a senator congressman i said what

3155

01:49:16,390 --> 01:49:15,040

are you talking about he said yeah

3156

01:49:18,149 --> 01:49:16,400

he said i understand why he would be

3157

01:49:21,109 --> 01:49:18,159

down in the woods and i said why he said

3158

01:49:21,990 --> 01:49:21,119

well this guy's dressed in a dress suit

3159

01:49:24,709 --> 01:49:22,000

a tie

3160

01:49:26,790 --> 01:49:24,719

and a dress hat and he's telling the

3161

01:49:28,870 --> 01:49:26,800

military people what to do

3162

01:49:30,390 --> 01:49:28,880

and this guy had a camera and he called

3163

01:49:32,470 --> 01:49:30,400

the craft the object whatever you want

3164

01:49:34,149 --> 01:49:32,480

to call it he called it the hickey

3165

01:49:36,470 --> 01:49:34,159

and he said this guy could take it all

3166

01:49:39,750 --> 01:49:36,480

kind of photographs of the hickey

3167

01:49:41,910 --> 01:49:39,760

and so anyhow he went on and gave me

3168

01:49:43,750 --> 01:49:41,920

a long scenario of some odd things that

3169

01:49:46,310 --> 01:49:43,760

happened and what he saw

3170

01:49:47,510 --> 01:49:46,320

and uh but he wasn't the only one to

3171

01:49:48,390 --> 01:49:47,520

talk about the fact that there

3172

01:49:50,870 --> 01:49:48,400

apparently were

3173

01:49:52,470 --> 01:49:50,880

government personnel and some

3174

01:49:54,550 --> 01:49:52,480

interesting characters on the scene that

3175

01:49:56,149 --> 01:49:54,560

night

3176  
01:49:57,750 --> 01:49:56,159  
yeah you know it's kind of hard for me

3177  
01:49:58,390 --> 01:49:57,760  
to believe that nobody got a picture of

3178  
01:50:01,589 --> 01:49:58,400  
it

3179  
01:50:03,030 --> 01:50:01,599  
uh you know for as many people that did

3180  
01:50:05,669 --> 01:50:03,040  
see it come down

3181  
01:50:07,589 --> 01:50:05,679  
and started gravitating to that area

3182  
01:50:11,030 --> 01:50:07,599  
right after it happened

3183  
01:50:12,790 --> 01:50:11,040  
uh i mean it took the military over an

3184  
01:50:14,709 --> 01:50:12,800  
hour to get there didn't it

3185  
01:50:16,709 --> 01:50:14,719  
well you remember this happened about 4

3186  
01:50:19,270 --> 01:50:16,719  
47 in the afternoon

3187  
01:50:21,109 --> 01:50:19,280  
okay it's just about dark well let me

3188  
01:50:22,790 --> 01:50:21,119

tell you if you could ride around that

3189

01:50:24,550 --> 01:50:22,800

area for days and nights

3190

01:50:25,910 --> 01:50:24,560

and you'd never possibly be able to see

3191

01:50:27,189 --> 01:50:25,920

the impact site down in the middle of

3192

01:50:29,990 --> 01:50:27,199

the woods in the ravine

3193

01:50:31,510 --> 01:50:30,000

yeah and so unless you knew where it was

3194

01:50:32,310 --> 01:50:31,520

you couldn't possibly see it from

3195

01:50:35,109 --> 01:50:32,320

anywhere

3196

01:50:36,470 --> 01:50:35,119

so the military could easily have rode

3197

01:50:37,990 --> 01:50:36,480

around it for hours

3198

01:50:39,830 --> 01:50:38,000

until somebody took them down to the

3199

01:50:40,550 --> 01:50:39,840

site they would have had no idea where

3200

01:50:43,669 --> 01:50:40,560

it was

3201

01:50:45,750 --> 01:50:43,679

yeah okay that's one thing um

3202

01:50:47,510 --> 01:50:45,760

it's very hard to determine exactly how

3203

01:50:48,229 --> 01:50:47,520

long it was before the military started

3204

01:50:50,629 --> 01:50:48,239

arriving

3205

01:50:51,430 --> 01:50:50,639

i believe it was several hours later

3206

01:50:53,910 --> 01:50:51,440

that they

3207

01:50:56,149 --> 01:50:53,920

began to commit more in numbers but

3208

01:50:58,550 --> 01:50:56,159

there are some witnesses who swear

3209

01:51:01,189 --> 01:50:58,560

that was in the hour they began to see

3210

01:51:02,709 --> 01:51:01,199

at least a minor military presence

3211

01:51:04,229 --> 01:51:02,719

which means that there very well could

3212

01:51:06,709 --> 01:51:04,239

have been some local

3213

01:51:08,870 --> 01:51:06,719

military units or somebody was activated

3214

01:51:10,950 --> 01:51:08,880

to start out initially and look

3215

01:51:12,709 --> 01:51:10,960

but most of the military seemed to come

3216

01:51:15,830 --> 01:51:12,719

in you know during the early

3217

01:51:17,350 --> 01:51:15,840

evening hours and uh and

3218

01:51:18,629 --> 01:51:17,360

there's so many accounts for so many

3219

01:51:19,669 --> 01:51:18,639

different people you know what was

3220

01:51:21,669 --> 01:51:19,679

interesting

3221

01:51:23,350 --> 01:51:21,679

is the fact that you know as this is

3222

01:51:25,830 --> 01:51:23,360

being broadcast on pittsburgh

3223

01:51:27,589 --> 01:51:25,840

radio and tv that this object had fallen

3224

01:51:29,910 --> 01:51:27,599

well then hundreds of people

3225

01:51:31,350 --> 01:51:29,920

to send on the small farming community

3226

01:51:32,470 --> 01:51:31,360

to try to get down and take a look at

3227

01:51:33,189 --> 01:51:32,480

this thing and it can't get anywhere

3228

01:51:35,189 --> 01:51:33,199

near it

3229

01:51:36,790 --> 01:51:35,199

in fact where most of these people were

3230

01:51:39,270 --> 01:51:36,800

up on this high lookout

3231

01:51:41,030 --> 01:51:39,280

with this narrow winding road they

3232

01:51:42,709 --> 01:51:41,040

didn't realize the thing actually fell

3233

01:51:45,030 --> 01:51:42,719

far on the opposite side down in this

3234

01:51:46,390 --> 01:51:45,040

ravine it was on the opposite sides

3235

01:51:48,790 --> 01:51:46,400

where most of the military

3236

01:51:49,830 --> 01:51:48,800

activity was taking place so it depends

3237

01:51:53,270 --> 01:51:49,840

on where you were

3238

01:51:56,310 --> 01:51:53,280

what you saw i i was

3239

01:51:58,390 --> 01:51:56,320

i was wondering if now did any of the

3240

01:51:59,990 --> 01:51:58,400

airports or any military

3241

01:52:01,830 --> 01:52:00,000

get a track on this thing as it was

3242

01:52:04,709 --> 01:52:01,840

coming in okay

3243

01:52:05,270 --> 01:52:04,719

officially official the only government

3244

01:52:07,270 --> 01:52:05,280

document

3245

01:52:08,629 --> 01:52:07,280

ever showed up was the air force project

3246

01:52:10,070 --> 01:52:08,639

blue book report

3247

01:52:11,750 --> 01:52:10,080

and it's not under keck's brick it's

3248

01:52:15,510 --> 01:52:11,760

live in acme pennsylvania

3249

01:52:17,510 --> 01:52:15,520

right and i've felt for years the reason

3250

01:52:19,270 --> 01:52:17,520

for that was because i know an air force

3251

01:52:21,830 --> 01:52:19,280

officer interviewed

3252

01:52:23,350 --> 01:52:21,840

some family members who have been

3253

01:52:24,629 --> 01:52:23,360

involved in the case and within walking

3254

01:52:26,470 --> 01:52:24,639

distance of where it fell

3255

01:52:28,629 --> 01:52:26,480

but their mailing address is under acme

3256

01:52:30,709 --> 01:52:28,639

pa not kecksburg

3257

01:52:32,149 --> 01:52:30,719

and uh so i believe that's why it's

3258

01:52:35,030 --> 01:52:32,159

always been listed that way

3259

01:52:37,189 --> 01:52:35,040

but officially the government says this

3260

01:52:39,910 --> 01:52:37,199

thing was never tracked by radar

3261

01:52:41,669 --> 01:52:39,920

however sources i had over the years and

3262

01:52:43,910 --> 01:52:41,679

they were some good sources told me

3263

01:52:44,870 --> 01:52:43,920

independently it was definitely being

3264

01:52:46,870 --> 01:52:44,880

tracked over a

3265

01:52:48,470 --> 01:52:46,880

great distance they had tracked this

3266

01:52:50,070 --> 01:52:48,480

thing for quite a distance

3267

01:52:51,990 --> 01:52:50,080

that's probably how they activated the

3268

01:52:53,669 --> 01:52:52,000

unit so quickly they had a pretty good

3269

01:52:54,229 --> 01:52:53,679

idea where it was going to come down not

3270

01:52:56,149 --> 01:52:54,239

the exact

3271

01:52:57,350 --> 01:52:56,159

area but the general area so they had

3272

01:52:59,830 --> 01:52:57,360

the moving

3273

01:53:01,510 --> 01:52:59,840

and another detail i came up with the

3274

01:53:02,229 --> 01:53:01,520

more recent years because now i have

3275

01:53:04,790 --> 01:53:02,239

enough

3276

01:53:05,750 --> 01:53:04,800

independent people who now confirm this

3277

01:53:08,550 --> 01:53:05,760

and something i had

3278

01:53:10,070 --> 01:53:08,560

no already anything on many years ago

3279

01:53:11,990 --> 01:53:10,080

but now we got enough data that

3280

01:53:14,870 --> 01:53:12,000

confirmed that there was at least one

3281

01:53:15,589 --> 01:53:14,880

possibly two military jets from at least

3282

01:53:17,350 --> 01:53:15,599

ohio

3283

01:53:18,790 --> 01:53:17,360

into areas of pennsylvania that were

3284

01:53:22,229 --> 01:53:18,800

pursuing the object

3285

01:53:25,589 --> 01:53:22,239

oh well that's new yeah

3286

01:53:26,629 --> 01:53:25,599

wow yeah i i think they almost would

3287

01:53:29,589 --> 01:53:26,639

have had to

3288

01:53:30,790 --> 01:53:29,599

had some idea of what that something was

3289

01:53:32,790 --> 01:53:30,800

moving in there

3290

01:53:34,149 --> 01:53:32,800

uh yeah it's kind of hard to believe

3291

01:53:35,589 --> 01:53:34,159

that it didn't have any some type of

3292

01:53:38,870 --> 01:53:35,599

track on it

3293

01:53:41,669 --> 01:53:38,880

um oh yeah i truly believe it did

3294

01:53:43,270 --> 01:53:41,679

yeah you know i still sit here in awe

3295

01:53:45,430 --> 01:53:43,280

listening to this

3296

01:53:47,030 --> 01:53:45,440

uh the kecksburg story because it's been

3297

01:53:47,830 --> 01:53:47,040

one that's been on the books for a long

3298

01:53:50,070 --> 01:53:47,840

time and i

3299

01:53:50,870 --> 01:53:50,080

to me it's amazing that still to today

3300

01:53:52,870 --> 01:53:50,880

new

3301  
01:53:54,310 --> 01:53:52,880  
details emerge and stan you've been

3302  
01:53:56,790 --> 01:53:54,320  
investigating

3303  
01:54:00,629 --> 01:53:56,800  
for 55 years which i told lon is twice

3304  
01:54:03,669 --> 01:54:02,629  
so you are to be commended sir for your

3305  
01:54:06,950 --> 01:54:03,679  
long service

3306  
01:54:09,430 --> 01:54:06,960  
to this field oh thank you very much yep

3307  
01:54:11,030 --> 01:54:09,440  
i i'm sure my parents had no idea that

3308  
01:54:13,830 --> 01:54:11,040  
when they gave me that brand new am

3309  
01:54:16,229 --> 01:54:13,840  
rating on my 10th birthday back in 1959

3310  
01:54:17,750 --> 01:54:16,239  
that that would start me on this

3311  
01:54:19,109 --> 01:54:17,760  
whatever you want to call it this really

3312  
01:54:21,830 --> 01:54:19,119  
unusual search

3313  
01:54:23,510 --> 01:54:21,840

and that's how it all started right

3314

01:54:24,870 --> 01:54:23,520

around halloween when i'm tuning around

3315

01:54:26,070 --> 01:54:24,880

the radio dial that night and there's

3316

01:54:27,910 --> 01:54:26,080

some radio shows

3317

01:54:29,830 --> 01:54:27,920

talking about flying saucers and haunted

3318

01:54:31,189 --> 01:54:29,840

houses and i was a

3319

01:54:32,950 --> 01:54:31,199

youngster interested in science

3320

01:54:34,149 --> 01:54:32,960

electronics from a very young age and i

3321

01:54:35,270 --> 01:54:34,159

got out there and started reading

3322

01:54:37,990 --> 01:54:35,280

everything and

3323

01:54:39,750 --> 01:54:38,000

started making scrapbooks and newspaper

3324

01:54:42,310 --> 01:54:39,760

stories and that's all it all began

3325

01:54:43,830 --> 01:54:42,320

then i'm 16 years old when the kecksburg

3326  
01:54:44,629 --> 01:54:43,840  
incident happened i started working on

3327  
01:54:46,950 --> 01:54:44,639  
that case

3328  
01:54:48,790 --> 01:54:46,960  
that day and i've been pursuing it ever

3329  
01:54:51,030 --> 01:54:48,800  
since

3330  
01:54:52,950 --> 01:54:51,040  
wow and i think that's a great place to

3331  
01:54:55,430 --> 01:54:52,960  
end for today gentlemen

3332  
01:54:56,870 --> 01:54:55,440  
yeah where it all began stan it's been

3333  
01:54:58,950 --> 01:54:56,880  
an absolute pleasure

3334
