

MISSING TIME?

**Alien Abductions?
Temporal Travels?
Fugue States?**

BXP

1
00:00:12,880 --> 00:00:10,600

[Music]

2
00:00:17,830 --> 00:00:12,890

[Applause]

3
00:00:21,990 --> 00:00:19,670

welcome to the best of first person

4
00:00:24,870 --> 00:00:22,000

episodes of phantoms and monsters

5
00:00:25,429 --> 00:00:24,880

please like subscribe and hit the bell

6
00:00:28,830 --> 00:00:25,439

icon

7
00:00:31,830 --> 00:00:28,840

so you'll be notified of all future

8
00:00:34,790 --> 00:00:31,840

uploads

9
00:00:36,870 --> 00:00:34,800

an experimenter's realization of events i

10
00:00:38,709 --> 00:00:36,880

was working alone finishing a house at a

11
00:00:39,670 --> 00:00:38,719

fairly remote area near littleford

12
00:00:42,229 --> 00:00:39,680

british columbia

13
00:00:42,869 --> 00:00:42,239

keeping my own hours the house had wood

14

00:00:45,430 --> 00:00:42,879

heat

15

00:00:47,670 --> 00:00:45,440

the time was mid-winter in 1988 with a

16

00:00:49,750 --> 00:00:47,680

foot of compact snow on the ground

17

00:00:50,869 --> 00:00:49,760

i worked out of a small wood shop close

18

00:00:53,189 --> 00:00:50,879

to the house

19

00:00:55,270 --> 00:00:53,199

my schedule was somewhat erratic so i

20

00:00:55,750 --> 00:00:55,280

kept a log book of what type of work was

21

00:00:57,990 --> 00:00:55,760

done

22

00:00:58,869 --> 00:00:58,000

and how many hours labor i had performed

23

00:01:01,189 --> 00:00:58,879

each day

24

00:01:02,310 --> 00:01:01,199

this book was updated daily or at least

25

00:01:03,990 --> 00:01:02,320

every other day

26

00:01:06,149 --> 00:01:04,000

i had been working there about five

27

00:01:07,270 --> 00:01:06,159

weeks i had been off to town the

28

00:01:09,350 --> 00:01:07,280

previous weekend

29

00:01:10,469 --> 00:01:09,360

picking up supplies and had returned

30

00:01:12,310 --> 00:01:10,479

sunday night

31

00:01:13,750 --> 00:01:12,320

monday i was working in the shop and

32

00:01:15,749 --> 00:01:13,760

things were going well

33

00:01:17,990 --> 00:01:15,759

the next thing i remember i was standing

34

00:01:19,270 --> 00:01:18,000

in the house confused as if i had just

35

00:01:21,749 --> 00:01:19,280

come out of the fog

36

00:01:22,950 --> 00:01:21,759

i did not recall how i got there i just

37

00:01:25,030 --> 00:01:22,960

seemed to appear

38

00:01:26,870 --> 00:01:25,040

the house looked dusty and unlived in

39

00:01:28,630 --> 00:01:26,880

like when you come home from a holiday

40

00:01:31,030 --> 00:01:28,640

and no one has been around

41

00:01:32,390 --> 00:01:31,040

i felt i could not get my bearings as if

42

00:01:34,789 --> 00:01:32,400

i had just had an electric

43

00:01:37,030 --> 00:01:34,799

shock i could not figure out what day it

44

00:01:37,990 --> 00:01:37,040

is i turned on the radio and it was

45

00:01:40,870 --> 00:01:38,000

friday morning

46

00:01:41,910 --> 00:01:40,880

about 10 30 am i tried to reason out

47

00:01:44,550 --> 00:01:41,920

what was going on

48

00:01:46,550 --> 00:01:44,560

to get my bearings and i could not oddly

49

00:01:49,270 --> 00:01:46,560

my log book was open to that day

50

00:01:50,149 --> 00:01:49,280

friday what have i been doing i asked

51

00:01:51,910 --> 00:01:50,159

myself

52

00:01:53,190 --> 00:01:51,920

i turned the book to thursday and there

53

00:01:55,109 --> 00:01:53,200

was nothing written

54

00:01:56,389 --> 00:01:55,119

oh well i said to myself this

55

00:01:58,870 --> 00:01:56,399

occasionally happened

56

00:01:59,590 --> 00:01:58,880

usually i write every day i turned to

57

00:02:02,149 --> 00:01:59,600

wednesday

58

00:02:03,990 --> 00:02:02,159

nothing i was starting to worry i had

59

00:02:06,149 --> 00:02:04,000

never missed two days before

60

00:02:08,070 --> 00:02:06,159

i turned to tuesday and nothing monday

61

00:02:10,389 --> 00:02:08,080

nothing i went to the previous

62

00:02:11,589 --> 00:02:10,399

friday before going to town and looked

63

00:02:13,830 --> 00:02:11,599

at the work written

64

00:02:15,750 --> 00:02:13,840

this was the last work done i could

65

00:02:17,830 --> 00:02:15,760

remember nothing from monday noon

66

00:02:19,510 --> 00:02:17,840

i checked the shop and everything was as

67

00:02:21,910 --> 00:02:19,520

it should be as of monday

68

00:02:23,190 --> 00:02:21,920

nothing has been done since monday noon

69

00:02:25,030 --> 00:02:23,200

back to the house

70

00:02:26,630 --> 00:02:25,040

the food i packed in the fridge sunday

71

00:02:28,470 --> 00:02:26,640

night had not been touched

72

00:02:30,150 --> 00:02:28,480

the firewood i stacked sunday night

73

00:02:32,070 --> 00:02:30,160

against the house was there so there was

74

00:02:32,949 --> 00:02:32,080

no wood burned yet the house was not

75

00:02:35,190 --> 00:02:32,959

freezing

76

00:02:36,630 --> 00:02:35,200

the house was in a state of stasis not

77

00:02:39,270 --> 00:02:36,640

cold but not warm

78

00:02:41,190 --> 00:02:39,280

i examined myself and i was warm and dry

79

00:02:43,030 --> 00:02:41,200

i had not been out in the snow

80

00:02:45,270 --> 00:02:43,040

i looked at my vehicle and the tracks in

81

00:02:46,470 --> 00:02:45,280

the snow i could see that i had not

82

00:02:48,710 --> 00:02:46,480

driven since sunday

83

00:02:50,229 --> 00:02:48,720

and no one had driven in there were no

84

00:02:53,110 --> 00:02:50,239

footprints in the snow but

85

00:02:55,030 --> 00:02:53,120

mine i was not hungry or dehydrated yet

86

00:02:55,910 --> 00:02:55,040

i was wearing the same clothes as i was

87

00:02:58,550 --> 00:02:55,920

on monday

88

00:03:00,149 --> 00:02:58,560

i was not smelly or dirty i now feel

89

00:03:02,229 --> 00:03:00,159

that i was under post-hypnotic

90

00:03:04,309 --> 00:03:02,239

suggestion because a voice in my head

91

00:03:06,949 --> 00:03:04,319

said over and over i must have been here

92

00:03:09,430 --> 00:03:06,959

working i must have been here working

93

00:03:11,670 --> 00:03:09,440

on and on within an hour of appearing

94

00:03:13,830 --> 00:03:11,680

back on monday i falsely wrote in work

95

00:03:15,750 --> 00:03:13,840

hours for the missing four days

96

00:03:17,430 --> 00:03:15,760

this still bothers me since i pride

97

00:03:19,270 --> 00:03:17,440

myself on my honesty

98

00:03:21,589 --> 00:03:19,280

during the writing i knew i had not done

99

00:03:23,670 --> 00:03:21,599

the work because there was nothing done

100

00:03:25,670 --> 00:03:23,680

the work was linear one step after

101
00:03:26,789 --> 00:03:25,680
another and i was clearly inventing

102
00:03:29,430 --> 00:03:26,799
false labor

103
00:03:29,910 --> 00:03:29,440
yet i continued i kept this log book for

104
00:03:32,070 --> 00:03:29,920
years

105
00:03:33,830 --> 00:03:32,080
yet my falsehood was so effective that i

106
00:03:34,630 --> 00:03:33,840
could not identify which week this

107
00:03:36,789 --> 00:03:34,640
occurred

108
00:03:38,550 --> 00:03:36,799
eventually i threw the book out since i

109
00:03:39,750 --> 00:03:38,560
could not decipher it and it just

110
00:03:42,070 --> 00:03:39,760
bothered me more

111
00:03:43,430 --> 00:03:42,080
life went on and i convinced myself that

112
00:03:45,990 --> 00:03:43,440
it had just been fatigued

113
00:03:47,990 --> 00:03:46,000

in spite of the surrounding evidence six

114

00:03:48,470 --> 00:03:48,000

months later i had a dream where i was

115

00:03:49,990 --> 00:03:48,480

back

116

00:03:52,550 --> 00:03:50,000

and i knew it was the monday of the

117

00:03:54,229 --> 00:03:52,560

event i was in my shop and a voice and

118

00:03:54,869 --> 00:03:54,239

my head told me that i should go to the

119

00:03:57,509 --> 00:03:54,879

lake

120

00:03:58,869 --> 00:03:57,519

it seemed like it was my idea i walked

121

00:04:00,869 --> 00:03:58,879

to the lake and looked up

122

00:04:02,390 --> 00:04:00,879

there was a hole in the sky somewhat

123

00:04:04,149 --> 00:04:02,400

like an enormous saturn

124

00:04:05,990 --> 00:04:04,159

it was as if i could see through to the

125

00:04:08,550 --> 00:04:06,000

stars as if a portal

126
00:04:10,470 --> 00:04:08,560
the stars were brilliant and dense i was

127
00:04:13,110 --> 00:04:10,480
confused as to what i was seeing

128
00:04:14,229 --> 00:04:13,120
not a solid object but a void i stared

129
00:04:17,430 --> 00:04:14,239
then the thought came

130
00:04:19,670 --> 00:04:17,440
i'm seeing a ufo i was happy and excited

131
00:04:21,349 --> 00:04:19,680
i had always wanted to see one the

132
00:04:23,030 --> 00:04:21,359
millisecond i had the thought an

133
00:04:24,150 --> 00:04:23,040
electric shock shot through me from my

134
00:04:26,390 --> 00:04:24,160
head to my toes

135
00:04:28,550 --> 00:04:26,400
and i was awake sitting up in my bed

136
00:04:30,550 --> 00:04:28,560
this all happened at the same time

137
00:04:32,070 --> 00:04:30,560
i immediately realized that i knew what

138
00:04:33,749 --> 00:04:32,080

happened the winter before

139

00:04:41,590 --> 00:04:33,759

oddly enough i had not even been

140

00:04:47,189 --> 00:04:45,110

daydreaming or lost time in 2013

141

00:04:48,230 --> 00:04:47,199

i was driving back from a visit to my

142

00:04:50,950 --> 00:04:48,240

mother's house

143

00:04:52,629 --> 00:04:50,960

about 60 miles a trip i made around

144

00:04:54,629 --> 00:04:52,639

three times a month

145

00:04:56,310 --> 00:04:54,639

part of this involved driving along the

146

00:04:59,510 --> 00:04:56,320

a13 in essex

147

00:05:01,029 --> 00:04:59,520

uk this evening still daylight i was

148

00:05:03,350 --> 00:05:01,039

driving westbound

149

00:05:04,710 --> 00:05:03,360

i passed over the turn-off for tilbury

150

00:05:07,189 --> 00:05:04,720

and one mile later

151

00:05:08,710 --> 00:05:07,199

past the exit for greys and a further

152

00:05:09,990 --> 00:05:08,720

mile took me to the point where the

153

00:05:13,270 --> 00:05:10,000

lakeside shopping mall

154

00:05:14,230 --> 00:05:13,280

traffic joined the a13 this is an area i

155

00:05:15,749 --> 00:05:14,240

know very well

156

00:05:18,629 --> 00:05:15,759

and have often been shopping in the

157

00:05:20,629 --> 00:05:18,639

lakeside mall another half mile took me

158

00:05:23,670 --> 00:05:20,639

over the m25 motorway

159

00:05:26,070 --> 00:05:23,680

and onto the final stretch home suddenly

160

00:05:28,310 --> 00:05:26,080

i realized that something was wrong

161

00:05:30,469 --> 00:05:28,320

whether traffic had been light to medium

162

00:05:32,390 --> 00:05:30,479

it had now become very light and i

163

00:05:34,469 --> 00:05:32,400

noticed that i was crossing over the

164

00:05:36,870 --> 00:05:34,479

tilbury exit or flyover

165

00:05:39,430 --> 00:05:36,880

i had suddenly lost two and a half miles

166

00:05:40,629 --> 00:05:39,440

of travel the radio was still playing

167

00:05:42,950 --> 00:05:40,639

the same program

168

00:05:44,070 --> 00:05:42,960

and i was driving in the correct lane at

169

00:05:46,790 --> 00:05:44,080

a normal speed

170

00:05:49,909 --> 00:05:46,800

about 60 miles per hour with the nearest

171

00:05:51,749 --> 00:05:49,919

traffic probably about 200 to 300 meters

172

00:05:53,909 --> 00:05:51,759

both in front and behind

173

00:05:56,390 --> 00:05:53,919

i have never used drugs and drink very

174

00:05:58,150 --> 00:05:56,400

sparingly never before driving

175

00:05:59,830 --> 00:05:58,160

nothing out of the ordinary has ever

176

00:06:01,990 --> 00:05:59,840

happened to me before

177

00:06:03,990 --> 00:06:02,000

i have always put it down to a brain

178

00:06:05,189 --> 00:06:04,000

fart and have never really shared this

179

00:06:08,870 --> 00:06:05,199

with anyone before

180

00:06:11,029 --> 00:06:08,880

take it as you will accept reject

181

00:06:18,710 --> 00:06:11,039

call me a storyteller this is a true

182

00:06:23,110 --> 00:06:21,270

strange sounds and lost time i was

183

00:06:24,950 --> 00:06:23,120

fishing at the end of may beginning of

184

00:06:26,629 --> 00:06:24,960

june 2009

185

00:06:27,990 --> 00:06:26,639

where i was fishing was the middle of

186

00:06:30,870 --> 00:06:28,000

nowhere the odd farm

187

00:06:33,430 --> 00:06:30,880

but no shop saw pubs i settled down for

188

00:06:35,830 --> 00:06:33,440

the night about 1 30 or 2 a.m in my

189

00:06:37,430 --> 00:06:35,840

bivvy tent when a strange thing happened

190

00:06:40,390 --> 00:06:37,440

i heard like a chitter chattering

191

00:06:42,390 --> 00:06:40,400

talking but loads of voices at same time

192

00:06:43,510 --> 00:06:42,400

i couldn't make out what was being said

193

00:06:45,670 --> 00:06:43,520

but it scared the crap

194

00:06:47,749 --> 00:06:45,680

out of me my brother was in the next

195

00:06:48,070 --> 00:06:47,759

swim so i went to see if he knew what it

196

00:06:50,230 --> 00:06:48,080

was

197

00:06:52,870 --> 00:06:50,240

but i couldn't move for the life of me

198

00:06:55,110 --> 00:06:52,880

it was like i was frozen to my bed chair

199

00:06:57,430 --> 00:06:55,120

i couldn't shout or anything i've never

200

00:06:59,270 --> 00:06:57,440

felt like this ever before or after

201
00:07:01,670 --> 00:06:59,280
it was like time that flashed by as the

202
00:07:01,990 --> 00:07:01,680
next thing i remember it was 6am and was

203
00:07:04,390 --> 00:07:02,000
just

204
00:07:06,629 --> 00:07:04,400
getting light now i have started to have

205
00:07:07,909 --> 00:07:06,639
dream like flashbacks and see things i

206
00:07:09,670 --> 00:07:07,919
cannot explain

207
00:07:12,070 --> 00:07:09,680
the main vision is of a three-fingered

208
00:07:13,749 --> 00:07:12,080
hand pointy finger like a lizard claw

209
00:07:15,510 --> 00:07:13,759
but the strange part is what would be

210
00:07:17,270 --> 00:07:15,520
the palm of the hand is an opening with

211
00:07:18,150 --> 00:07:17,280
tiny wiggly things going all the way

212
00:07:20,469 --> 00:07:18,160
around it

213
00:07:22,950 --> 00:07:20,479

and more recently i've started seeing an

214

00:07:25,270 --> 00:07:22,960

eye it's jet black tea drop shaped and

215

00:07:27,110 --> 00:07:25,280

like a greenish brown skin tone

216

00:07:28,790 --> 00:07:27,120

i don't know if this is linked but me

217

00:07:31,430 --> 00:07:28,800

and my missus were trying for another

218

00:07:33,430 --> 00:07:31,440

baby since 2005 without joy

219

00:07:35,510 --> 00:07:33,440

then my partner fell pregnant within two

220

00:07:37,830 --> 00:07:35,520

weeks of this happening and my babe was

221

00:07:41,029 --> 00:07:37,840

born with a rare genetic disorder

222

00:07:42,870 --> 00:07:41,039

only 80 cases in uk i don't know if it's

223

00:07:44,869 --> 00:07:42,880

anything to do with this or not

224

00:07:46,309 --> 00:07:44,879

in fact i don't even know if anything

225

00:07:48,629 --> 00:07:46,319

really happened to me

226

00:07:50,309 --> 00:07:48,639

but it is playing in my head i don't

227

00:07:52,309 --> 00:07:50,319

drink or do drugs

228

00:07:53,830 --> 00:07:52,319

i don't think i'm going mad but do

229

00:08:03,110 --> 00:07:53,840

sometimes wonder

230

00:08:07,270 --> 00:08:05,830

time loss my friend and i were hanging

231

00:08:09,189 --> 00:08:07,280

out at my house

232

00:08:11,270 --> 00:08:09,199

it was about noon and we were talking

233

00:08:12,869 --> 00:08:11,280

about something and decided to go for a

234

00:08:15,430 --> 00:08:12,879

walk down the street

235

00:08:16,869 --> 00:08:15,440

we would have said up the hill and back

236

00:08:19,189 --> 00:08:16,879

there was a dip in the road

237

00:08:21,029 --> 00:08:19,199

and then the road went up a hill we

238

00:08:22,869 --> 00:08:21,039

would often walk it when we were bored

239

00:08:25,110 --> 00:08:22,879

or talking about something

240

00:08:27,350 --> 00:08:25,120

this was probably the same time period

241

00:08:29,670 --> 00:08:27,360

as the lights between 1987

242

00:08:32,149 --> 00:08:29,680

and 1990 and it was in the summer

243

00:08:34,550 --> 00:08:32,159

because i remember wearing a t-shirt

244

00:08:37,029 --> 00:08:34,560

my dad asked us where we were going and

245

00:08:39,509 --> 00:08:37,039

i told him just up the hill and back

246

00:08:41,589 --> 00:08:39,519

he said not to be gone for too long

247

00:08:44,070 --> 00:08:41,599

although i don't remember why

248

00:08:44,790 --> 00:08:44,080

he and i walked up the hill and back it

249

00:08:48,070 --> 00:08:44,800

was at most

250

00:08:50,070 --> 00:08:48,080

15 minutes but when we got back my dad

251

00:08:52,230 --> 00:08:50,080

was furious and said he was about to

252

00:08:53,030 --> 00:08:52,240

call the police since we'd been gone so

253

00:08:54,710 --> 00:08:53,040

long

254

00:08:56,230 --> 00:08:54,720

had he not looked so mad i would have

255

00:08:58,389 --> 00:08:56,240

thought he was joking

256

00:09:00,310 --> 00:08:58,399

then he said my friend had to get home

257

00:09:02,310 --> 00:09:00,320

because either his grandma or mom was

258

00:09:04,389 --> 00:09:02,320

freaking out and kept calling

259

00:09:05,509 --> 00:09:04,399

i used to wear a watch back then and

260

00:09:08,070 --> 00:09:05,519

looked at it

261

00:09:09,350 --> 00:09:08,080

only about 15 minutes passed so i was

262

00:09:11,670 --> 00:09:09,360

even more confused

263

00:09:12,870 --> 00:09:11,680

but when i got inside the house all the

264

00:09:15,350 --> 00:09:12,880

clocks were almost

265

00:09:17,110 --> 00:09:15,360

four hours later than my watch i

266

00:09:19,030 --> 00:09:17,120

remember going up and down the hill

267

00:09:20,790 --> 00:09:19,040

countless times that summer with my

268

00:09:21,990 --> 00:09:20,800

friend trying to figure out what

269

00:09:24,070 --> 00:09:22,000

happened and neither of

270

00:09:27,190 --> 00:09:24,080

us could thinking about it that was

271

00:09:29,350 --> 00:09:27,200

probably the summer of 1989 or 1990

272

00:09:36,150 --> 00:09:29,360

because my friend and i stopped hanging

273

00:09:38,710 --> 00:09:36,160

out shortly after that

274

00:09:39,590 --> 00:09:38,720

this is lon strickler if you like this

275

00:09:41,350 --> 00:09:39,600

program

276

00:09:42,710 --> 00:09:41,360

it would help us if you would give it a

277

00:09:45,509 --> 00:09:42,720

thumbs up

278

00:09:46,070 --> 00:09:45,519

then subscribe and click the bell icon

279

00:09:48,389 --> 00:09:46,080

so you

280

00:09:50,470 --> 00:09:48,399

get notification when we upload new

281

00:09:53,590 --> 00:09:50,480

first person encounters

282

00:09:54,310 --> 00:09:53,600

we have many more to come very soon and

283

00:09:56,470 --> 00:09:54,320

by the way

284

00:09:58,070 --> 00:09:56,480

if you have a suggestion or an
