9
00:00:36,910 --> 00:00:34,559

the boys alien encounter it was late

10
00:00:38,150 --> 00:00:36,920

night in late october early november of

11
00:00:41,110 --> 00:00:38,160

1975

12
00:00:43,030 --> 00:00:41,120

i was a ten-year-old child at that time

13
00:00:43,510 --> 00:00:43,040

i was going through a late bed wedding

14

00:00:45,510 --> 00:00:43,520

phase

15

00:00:46,869 --> 00:00:45,520

and remember i was determined to end

16

00:00:48,950 --> 00:00:46,879

that embarrassment

17

00:00:50,470 --> 00:00:48,960

i awoke for the second or third night in

18

00:00:52,630 --> 00:00:50,480

time to relieve myself

19

00:00:54,470 --> 00:00:52,640

and remember being happy and proud that

20

00:00:56,950 --> 00:00:54,480

i caught it in time again

21

00:00:58,150 --> 00:00:56,960

as my eyes crept open slightly i saw

22

00:00:59,590 --> 00:00:58,160

movement in the room

23

00:01:01,990 --> 00:00:59,600

and at least what i thought were

24

00:01:02,790 --> 00:01:02,000

african-american kids in my room moving

25

00:01:04,789 --> 00:01:02,800

around

26

00:01:06,870 --> 00:01:04,799

i remember thinking that the only thing

27

00:01:09,270 --> 00:01:06,880

they could steal of any value was my

28

00:01:12,230 --> 00:01:09,280

prized small black and white tv

29

00:01:14,310 --> 00:01:12,240

that was on my dresser next to my bed as

30

00:01:16,390 --> 00:01:14,320

you can imagine at this time my heart

31

00:01:18,950 --> 00:01:16,400

was pounding through my chest and just

32

00:01:21,429 --> 00:01:18,960

wanted them to take the tv and leave

33

00:01:22,789 --> 00:01:21,439

i creaked my eyes open ever so slightly

34

00:01:24,469 --> 00:01:22,799

as not to be noticed

35

00:01:26,710 --> 00:01:24,479

and was shocked to realize that they

36

00:01:27,190 --> 00:01:26,720

weren't afros which were common at that

37

00:01:29,670 --> 00:01:27,200

time

38

00:01:31,429 --> 00:01:29,680

but were whole heads i can't really

39

00:01:33,590 --> 00:01:31,439

express my thoughts of that instant

40

00:01:34,870 --> 00:01:33,600

realization when i saw who was really in

41

00:01:36,950 --> 00:01:34,880

the room at that time

42

00:01:39,670 --> 00:01:36,960

other than how in a nanosecond i went

43

00:01:42,069 --> 00:01:39,680

from there's no such things as aliens do

44

00:01:42,870 --> 00:01:42,079

oh my god they're real to what do they

45

00:01:45,109 --> 00:01:42,880

want

46

00:01:47,190 --> 00:01:45,119

at that time there was no such things as

47

00:01:49,990 --> 00:01:47,200

greys or anything similar to what has

48

00:01:52,149 --> 00:01:50,000

been so defined into pop culture today

49

00:01:53,350 --> 00:01:52,159

being late october early november there

50

00:01:55,590 --> 00:01:53,360

was a harvest moon

51
00:01:56,469 --> 00:01:55,600
and i had a fairly large picture window

52
00:01:58,230 --> 00:01:56,479
in my room

53
00:01:59,510 --> 00:01:58,240
which lead to some fair amount of

54
00:02:01,749 --> 00:01:59,520
ambient room lighting

55
00:02:03,830 --> 00:02:01,759
which i shared with my five-year-old

56
00:02:05,109 --> 00:02:03,840
brother who slept in an adjacent bed

57
00:02:07,270 --> 00:02:05,119
next to mine

58
00:02:09,270 --> 00:02:07,280
during this event i was creaking my eyes

59
00:02:11,589 --> 00:02:09,280
open enough as not to be noticed

60
00:02:13,830 --> 00:02:11,599
laying on my back when i woke up and my

61
00:02:16,229 --> 00:02:13,840
bed covers were at my waist

62
00:02:17,030 --> 00:02:16,239
all i wanted was to get my bed cover up

63
00:02:19,350 --> 00:02:17,040

to my head

64

00:02:21,110 --> 00:02:19,360

so i was ever so slowly and methodically

65

00:02:23,670 --> 00:02:21,120

creeping them up during this entire

66

00:02:25,430 --> 00:02:23,680

event has not to be noticed

67

00:02:27,350 --> 00:02:25,440

there was a larger one that stood

68

00:02:29,510 --> 00:02:27,360

against the wall directly across from

69

00:02:30,150 --> 00:02:29,520

the foot of my bed that just stared at

70

00:02:31,830 --> 00:02:30,160

me

71

00:02:33,830 --> 00:02:31,840

there was another knelt down on the

72

00:02:35,589 --> 00:02:33,840

opposite side of my brother's bed

73

00:02:37,830 --> 00:02:35,599

and what i thought at the time was that

74

00:02:39,750 --> 00:02:37,840

he was doing something to his arm

75

00:02:42,150 --> 00:02:39,760

i my head at the time my mind was

76

00:02:42,790 --> 00:02:42,160

reeling my parents room was directly

77

00:02:44,949 --> 00:02:42,800

behind me

78

00:02:45,910 --> 00:02:44,959

and if i screamed my father would come

79

00:02:47,910 --> 00:02:45,920

running in

80

00:02:50,150 --> 00:02:47,920

i remember thinking that the one next to

81

00:02:51,589 --> 00:02:50,160

my brother i was taller than and equated

82

00:02:54,470 --> 00:02:51,599

him to being in my grade

83

00:02:56,869 --> 00:02:54,480

remember i was 10. so if he came over to

84

00:02:59,030 --> 00:02:56,879

me my big plan was to jump up and dive

85

00:03:00,949 --> 00:02:59,040

on him and scream for my dad

86

00:03:03,030 --> 00:03:00,959

the one against the wall just standing

87

00:03:05,190 --> 00:03:03,040

there i remember as being a greater two

88

00:03:07,509 --> 00:03:05,200

older than me and he would probably do

89

00:03:09,190 --> 00:03:07,519

something before my dad to get in

90

00:03:10,949 --> 00:03:09,200

i remember thinking i could end the

91

00:03:11,670 --> 00:03:10,959

whole debate that are we alone in the

92

00:03:13,110 --> 00:03:11,680

universe

93

00:03:15,030 --> 00:03:13,120

and the weight of that thought being

94

00:03:16,790 --> 00:03:15,040

succumbed to he's killing my brother

95

00:03:19,030 --> 00:03:16,800

and not being able to muster the

96

00:03:21,030 --> 00:03:19,040

internal strength to do something

97

00:03:23,110 --> 00:03:21,040

my next thought was that if he comes

98

00:03:24,789 --> 00:03:23,120

over to me he can't put a needle in me

99

00:03:26,789 --> 00:03:24,799

so i started to tear up

100

00:03:28,390 --> 00:03:26,799

and that diffused my sight to what was

101
00:03:30,630 --> 00:03:28,400
happening in the room

102
00:03:32,070 --> 00:03:30,640
then the one that was knelt next to my

103
00:03:34,710 --> 00:03:32,080
brother got up and came

104
00:03:36,789 --> 00:03:34,720
at me pure horror as my eyes were teared

105
00:03:38,869 --> 00:03:36,799
and he rounded my brother's bed

106
00:03:39,830 --> 00:03:38,879
and in one motion knelt down on his

107
00:03:42,149 --> 00:03:39,840
right knee and

108
00:03:43,110 --> 00:03:42,159
in one motion opened his toolkit and

109
00:03:45,270 --> 00:03:43,120
kind of flipped

110
00:03:47,990 --> 00:03:45,280
and twisted his left wrist and reached

111
00:03:49,670 --> 00:03:48,000
in at that very moment i couldn't hold

112
00:03:52,470 --> 00:03:49,680
it anymore and thought needle

113
00:03:53,910 --> 00:03:52,480

and i made a audible pre-cry whale the

114

00:03:57,030 --> 00:03:53,920

face that the creature made

115

00:03:57,750 --> 00:03:57,040

still haunts me today honesty it's the

116

00:03:59,830 --> 00:03:57,760

same face

117

00:04:00,789 --> 00:03:59,840

people make when they make a surprise

118

00:04:02,550 --> 00:04:00,799

mistake

119

00:04:05,589 --> 00:04:02,560

did something embarrassing facial

120

00:04:07,509 --> 00:04:05,599

expression his mouth was just a slit so

121

00:04:10,229 --> 00:04:07,519

when he made that expression his face

122

00:04:12,149 --> 00:04:10,239

rippled and wrinkled like an old man

123

00:04:14,149 --> 00:04:12,159

immediately whatever he was taking out

124

00:04:16,870 --> 00:04:14,159

of his box which was a really weird

125

00:04:19,030 --> 00:04:16,880

shape then but not now it was hexagonal

126
00:04:21,270 --> 00:04:19,040
with a diagonal opening and handle

127
00:04:23,990 --> 00:04:21,280
put it back in got up and they marched

128
00:04:25,830 --> 00:04:24,000
out again another part of this is memory

129
00:04:27,990 --> 00:04:25,840
that has crept me out is how they moved

130
00:04:30,469 --> 00:04:28,000
like the military and moved or better

131
00:04:31,110 --> 00:04:30,479
said marched out of my room i was

132
00:04:33,270 --> 00:04:31,120
shocked

133
00:04:35,430 --> 00:04:33,280
and with unreal timing as i looked down

134
00:04:37,030 --> 00:04:35,440
the hallway when they passed my parents

135
00:04:39,430 --> 00:04:37,040
room two more came out

136
00:04:41,510 --> 00:04:39,440
and filed in line with such precision

137
00:04:43,590 --> 00:04:41,520
and marched down the hull and all turned

138
00:04:45,590 --> 00:04:43,600

down the stairs out of my sight

139

00:04:46,790 --> 00:04:45,600

again i must stress the timing was if

140

00:04:48,950 --> 00:04:46,800

they were one

141

00:04:49,990 --> 00:04:48,960

needless to say i didn't sleep the rest

142

00:04:51,749 --> 00:04:50,000

of the night

143

00:04:53,909 --> 00:04:51,759

my younger brother was fine in the

144

00:04:56,150 --> 00:04:53,919

morning and no one in my family

145

00:04:58,310 --> 00:04:56,160

knew anything of the night's event i

146

00:04:58,950 --> 00:04:58,320

lived near a large metropolitan area at

147

00:05:00,550 --> 00:04:58,960

the time

148

00:05:03,670 --> 00:05:00,560

and our house was the only house

149

00:05:06,230 --> 00:05:03,680

surrounded by 260 acres of woods

150

00:05:08,070 --> 00:05:06,240

i only told a handful of people since

151

00:05:09,909 --> 00:05:08,080

then and find it very difficult

152

00:05:12,310 --> 00:05:09,919

and seriously doubt many of these

153

00:05:15,350 --> 00:05:12,320

accounts i read of abductions myself

154

00:05:17,990 --> 00:05:15,360

ironic isn't it they were very very real

155

00:05:18,870 --> 00:05:18,000

and i wish i dreamt it but i didn't my

156

00:05:21,029 --> 00:05:18,880

impression then

157

00:05:22,710 --> 00:05:21,039

and my life of the events of that night

158

00:05:24,950 --> 00:05:22,720

is that these beings are cold

159

00:05:25,909 --> 00:05:24,960

and indifferent to us basically they are

160

00:05:28,230 --> 00:05:25,919

not our enemies

161

00:05:30,150 --> 00:05:28,240

but most certainly aren't our friends

162

00:05:36,830 --> 00:05:30,160

there might be a very good reason our

163

00:05:41,909 --> 00:05:39,110

long

164

00:05:43,270 --> 00:05:41,919

i wish it was just a strange dream i'm

165

00:05:45,110 --> 00:05:43,280

23 years old

166

00:05:46,629 --> 00:05:45,120

and this is something that i need to get

167

00:05:48,950 --> 00:05:46,639

off of my chest

168

00:05:50,629 --> 00:05:48,960

it still haunts me and i just need

169

00:05:52,710 --> 00:05:50,639

people to know about it

170

00:05:54,469 --> 00:05:52,720

a few years ago i was living at my

171

00:05:55,990 --> 00:05:54,479

grandpa's house in the hills of clear

172

00:05:57,909 --> 00:05:56,000

lake california

173

00:05:59,830 --> 00:05:57,919

he worked out of town and was only at

174

00:06:02,950 --> 00:05:59,840

the house a few times a month

175

00:06:04,150 --> 00:06:02,960

so i was fairly secluded lake county is

176
00:06:07,110 --> 00:06:04,160
for the most part

177
00:06:08,870 --> 00:06:07,120
a very rural area my house was on the

178
00:06:12,230 --> 00:06:08,880
top of a hill near the highway

179
00:06:12,629 --> 00:06:12,240
but still very quiet now i've always had

180
00:06:14,790 --> 00:06:12,639
trouble

181
00:06:16,790 --> 00:06:14,800
sleeping and i had actually gotten to

182
00:06:19,029 --> 00:06:16,800
bed at a reasonable hour that night

183
00:06:20,150 --> 00:06:19,039
but i woke up around 4am feeling

184
00:06:22,629 --> 00:06:20,160
restless

185
00:06:24,550 --> 00:06:22,639
i wasn't surprised at this behavior it

186
00:06:26,710 --> 00:06:24,560
happened often around the time

187
00:06:29,350 --> 00:06:26,720
so i stepped outside to get some fresh

188
00:06:31,430 --> 00:06:29,360

air i had been hearing strange things

189

00:06:34,550 --> 00:06:31,440

outside around my house that week

190

00:06:36,390 --> 00:06:34,560

so decided to grab my flashlight i mean

191

00:06:38,870 --> 00:06:36,400

hearing strange things i mean like

192

00:06:41,430 --> 00:06:38,880

footsteps and almost guttural noises

193

00:06:42,629 --> 00:06:41,440

growls and low grunts i thought it was

194

00:06:45,990 --> 00:06:42,639

maybe a deer

195

00:06:48,469 --> 00:06:46,000

a bobcat a cougar whatever

196

00:06:50,070 --> 00:06:48,479

i wanted to scare it away or at least

197

00:06:52,230 --> 00:06:50,080

just see what it was

198

00:06:54,070 --> 00:06:52,240

but to my surprise that night when i

199

00:06:55,189 --> 00:06:54,080

shined my light out at where the noise

200

00:06:57,430 --> 00:06:55,199

was coming from

201
00:06:58,629 --> 00:06:57,440
i saw glowing eyes and something stood

202
00:07:01,110 --> 00:06:58,639
up tall

203
00:07:03,029 --> 00:07:01,120
at least it seemed to me it was about

204
00:07:03,350 --> 00:07:03,039
three feet taller than the grass around

205
00:07:05,510 --> 00:07:03,360
it

206
00:07:06,390 --> 00:07:05,520
which was probably about four feet tall

207
00:07:08,710 --> 00:07:06,400
itself

208
00:07:10,309 --> 00:07:08,720
it seemed mad and i was so scared that i

209
00:07:12,390 --> 00:07:10,319
couldn't even scream

210
00:07:14,070 --> 00:07:12,400
i wanted to and tried because i had

211
00:07:15,909 --> 00:07:14,080
family that lived nearby

212
00:07:18,870 --> 00:07:15,919
i thought maybe they could see what i

213
00:07:21,589 --> 00:07:18,880

was seeing or maybe i could scare this

214

00:07:23,270 --> 00:07:21,599

thing away from me but i could get

215

00:07:25,909 --> 00:07:23,280

myself to make a noise

216

00:07:27,830 --> 00:07:25,919

like something was blocking me i tried

217

00:07:30,390 --> 00:07:27,840

hard to yell as loud as i could

218

00:07:32,629 --> 00:07:30,400

nothing came out and then i remember

219

00:07:34,790 --> 00:07:32,639

getting a very good look at this thing

220

00:07:36,390 --> 00:07:34,800

its skin was brownish light brown

221

00:07:38,870 --> 00:07:36,400

splotched with dark brown

222

00:07:40,870 --> 00:07:38,880

with kind of a gray shade to it it

223

00:07:41,510 --> 00:07:40,880

seemed to have holes in its body on its

224

00:07:44,869 --> 00:07:41,520

shoulder

225

00:07:47,430 --> 00:07:44,879

arms neck chest it had a humanoid frame

226

00:07:49,830 --> 00:07:47,440

ridges on its arms legs chest and head

227

00:07:50,790 --> 00:07:49,840

its head was larger than normal and so

228

00:07:53,270 --> 00:07:50,800

were its eyes

229

00:07:54,230 --> 00:07:53,280

almost almond shaped but still kind of

230

00:07:56,869 --> 00:07:54,240

rounded

231

00:07:57,430 --> 00:07:56,879

the skin seemed like shark skin texture

232

00:07:59,430 --> 00:07:57,440

wise

233

00:08:01,029 --> 00:07:59,440

or like what elephant skin without all

234

00:08:03,189 --> 00:08:01,039

the wrinkles would look

235

00:08:05,270 --> 00:08:03,199

after i had tried to scream i found

236

00:08:08,070 --> 00:08:05,280

myself stuck staring at its eyes

237

00:08:08,950 --> 00:08:08,080

frozen in fear standing on my deck in my

238

00:08:11,350 --> 00:08:08,960

boxers

239

00:08:13,510 --> 00:08:11,360

that's actually an important detail and

240

00:08:15,110 --> 00:08:13,520

its eyes went from pitch black to having

241

00:08:17,830 --> 00:08:15,120

kind of human eyes

242

00:08:18,469 --> 00:08:17,840

around pupil and cornea except it turned

243

00:08:22,950 --> 00:08:18,479

amber

244

00:08:25,189 --> 00:08:22,960

flame then i blacked out

245

00:08:26,469 --> 00:08:25,199

i remember feeling myself being moved

246

00:08:29,110 --> 00:08:26,479

like i weighed nothing

247

00:08:30,230 --> 00:08:29,120

as if i was a child i remember some

248

00:08:33,029 --> 00:08:30,240

dialogue even

249

00:08:34,949 --> 00:08:33,039

but that's a different story i woke up

250

00:08:36,790 --> 00:08:34,959

the next morning with no immediate

251

00:08:38,790 --> 00:08:36,800

recollection of what happened

252

00:08:40,790 --> 00:08:38,800

found it strange that i was on the top

253

00:08:43,589 --> 00:08:40,800

of my covers fully clothed

254

00:08:45,910 --> 00:08:43,599

and facing the wrong way on my bed i

255

00:08:48,070 --> 00:08:45,920

told myself this was only a dream until

256

00:08:51,110 --> 00:08:48,080

i started thinking about it more

257

00:08:53,030 --> 00:08:51,120

things don't add up they still don't

258

00:09:00,070 --> 00:08:53,040

someone please help me make sense of

259

00:09:04,550 --> 00:09:02,870

uncontrollable entity encounter i felt a

260

00:09:06,710 --> 00:09:04,560

disturbance in my side

261

00:09:09,190 --> 00:09:06,720

i began to think about alien related

262

00:09:09,990 --> 00:09:09,200

topics such as telepathic communication

263

00:09:12,470 --> 00:09:10,000

with beings

264

00:09:13,509 --> 00:09:12,480

possible abductions contact in the past

265

00:09:15,910 --> 00:09:13,519

etc

266

00:09:17,670 --> 00:09:15,920

against my control i walked to a chair

267

00:09:19,670 --> 00:09:17,680

one i usually don't sit in

268

00:09:22,070 --> 00:09:19,680

in my living room and gazed out the back

269

00:09:23,590 --> 00:09:22,080

door i noticed a bright blowing gold

270

00:09:26,070 --> 00:09:23,600

craft appear in the sky

271

00:09:27,910 --> 00:09:26,080

shortly followed by another beside it i

272

00:09:29,590 --> 00:09:27,920

ran outside to stare at them

273

00:09:31,590 --> 00:09:29,600

they displayed movement and light in

274

00:09:32,470 --> 00:09:31,600

which i've never thought possible of any

275

00:09:34,630 --> 00:09:32,480

aircraft

276

00:09:36,790 --> 00:09:34,640

i noticed they shut their lights off and

277

00:09:38,150 --> 00:09:36,800

i turned around and noticed my parents

278

00:09:40,070 --> 00:09:38,160

inside my house

279

00:09:42,230 --> 00:09:40,080

i went back inside to tell them the

280

00:09:44,550 --> 00:09:42,240

great news but they dismissed it

281

00:09:47,030 --> 00:09:44,560

my mom then left and my stepdad went to

282

00:09:49,750 --> 00:09:47,040

bed i kept staring out the back door

283

00:09:50,070 --> 00:09:49,760

and i saw them again i ran to my room to

284

00:09:52,150 --> 00:09:50,080

grab

285

00:09:53,269 --> 00:09:52,160

the dislocated scope of the gun to get a

286

00:09:55,110 --> 00:09:53,279

better look at them

287

00:09:57,670 --> 00:09:55,120

when i went back outside they were

288

00:10:00,150 --> 00:09:57,680

glowing very bright with bursts of light

289

00:10:02,550 --> 00:10:00,160

i walked out into a field to get closer

290

00:10:03,350 --> 00:10:02,560

as i gazed upon the crafts i felt an

291

00:10:05,509 --> 00:10:03,360

inner joy

292

00:10:08,389 --> 00:10:05,519

a great bliss in which i've never felt

293

00:10:10,470 --> 00:10:08,399

before i periodically lost control of my

294

00:10:12,069 --> 00:10:10,480

body and it seemed as if i offered

295

00:10:14,150 --> 00:10:12,079

myself to the crafts

296

00:10:16,069 --> 00:10:14,160

i don't have much memory from that but

297

00:10:17,590 --> 00:10:16,079

the next thing i remember was me holding

298

00:10:19,910 --> 00:10:17,600

up the scope to get a glimpse of the

299

00:10:20,470 --> 00:10:19,920

second craft it seemed to come closer to

300

00:10:22,630 --> 00:10:20,480

me

301

00:10:24,630 --> 00:10:22,640

i viewed it with great detail it looked

302

00:10:26,630 --> 00:10:24,640

like nothing i could even imagine

303

00:10:28,389 --> 00:10:26,640

it also seemed to let out a white light

304

00:10:29,269 --> 00:10:28,399

which seemed as if it was aimed in my

305

00:10:31,190 --> 00:10:29,279

direction

306

00:10:33,750 --> 00:10:31,200

i then took the scope away and saw

307

00:10:35,910 --> 00:10:33,760

beings maybe 15 feet away from me

308

00:10:37,590 --> 00:10:35,920

i became overwrought with fear and i

309

00:10:40,310 --> 00:10:37,600

began to hyperventilate

310

00:10:42,949 --> 00:10:40,320

i turned to run but i didn't make it far

311

00:10:44,710 --> 00:10:42,959

i found myself unable to control myself

312

00:10:47,030 --> 00:10:44,720

and i turned around to stare at them

313

00:10:47,350 --> 00:10:47,040

more it appeared as if one came towards

314

00:10:50,550 --> 00:10:47,360

me

315

00:10:52,790 --> 00:10:50,560

run away

316

00:10:55,110 --> 00:10:52,800

i remained outside and called a close

317

00:10:57,190 --> 00:10:55,120

friend emotionally breaking down

318

00:10:58,870 --> 00:10:57,200

i still noticed the beings but i looked

319

00:10:59,350 --> 00:10:58,880

away for a few seconds and they were

320

00:11:01,990 --> 00:10:59,360

gone

321

00:11:02,790 --> 00:11:02,000

and i saw the crafts in the sky again as

322

00:11:05,190 --> 00:11:02,800

i write this

323

00:11:13,910 --> 00:11:05,200

i grow uncontrollably tired and i feel

324

00:11:16,389 --> 00:11:13,920

the disturbance in my side once more

325

00:11:18,230 --> 00:11:16,399

ghostly alien entity appears in bedroom

326

00:11:19,990 --> 00:11:18,240

i do not recall hearing any strange

327

00:11:21,990 --> 00:11:20,000

noises though i am used to hearing

328

00:11:23,350 --> 00:11:22,000

rumbles due to my proximity to a major

329

00:11:25,670 --> 00:11:23,360

street in my town

330

00:11:27,430 --> 00:11:25,680

many trucks rumbled by late at night it

331

00:11:29,030 --> 00:11:27,440

was a strange night to start

332

00:11:30,470 --> 00:11:29,040

before getting in the bed it appeared as

333

00:11:32,230 --> 00:11:30,480

though the moon and stars were in the

334

00:11:34,310 --> 00:11:32,240

wrong location in the sky

335

00:11:35,350 --> 00:11:34,320

i dismissed it because i usually do not

336

00:11:38,150 --> 00:11:35,360

wreck such things

337

00:11:38,870 --> 00:11:38,160

it just felt out of place anyway i was

338

00:11:40,470 --> 00:11:38,880

in my bed

339

00:11:42,630 --> 00:11:40,480

and i saw something just walk through

340

00:11:43,670 --> 00:11:42,640

the wall from outside i live on the

341

00:11:45,190 --> 00:11:43,680

second floor

342

00:11:47,110 --> 00:11:45,200

it looks sort of like a floating pale

343

00:11:49,350 --> 00:11:47,120

double s it was strange

344

00:11:50,710 --> 00:11:49,360

i dismissed this too and decided it was

345

00:11:52,629 --> 00:11:50,720

due to my exhaustion

346

00:11:54,629 --> 00:11:52,639

it was at this point that i felt like

347

00:11:56,870 --> 00:11:54,639

someone else was in the room with me

348

00:11:57,829 --> 00:11:56,880

i woke up my girlfriend and told her she

349

00:11:59,269 --> 00:11:57,839

just rolled over

350

00:12:01,590 --> 00:11:59,279

and went back to sleep almost

351
00:12:03,430 --> 00:12:01,600
immediately i attempted to go back to

352
00:12:03,990 --> 00:12:03,440
sleep but this being got right in my

353
00:12:06,230 --> 00:12:04,000
face

354
00:12:08,150 --> 00:12:06,240
as if testing to see if i could detect

355
00:12:09,990 --> 00:12:08,160
it i could not see it fully

356
00:12:11,350 --> 00:12:10,000
mainly like a ghostly outline and some

357
00:12:13,590 --> 00:12:11,360
facial features

358
00:12:14,550 --> 00:12:13,600
it was hunched over so i estimate that

359
00:12:16,870 --> 00:12:14,560
it may have stood around

360
00:12:18,710 --> 00:12:16,880
three to four feet tall it had an oblong

361
00:12:20,150 --> 00:12:18,720
shaped head with huge eyes

362
00:12:22,470 --> 00:12:20,160
i could only see an outline of the

363
00:12:24,470 --> 00:12:22,480

creature it was invisible mostly

364

00:12:26,949 --> 00:12:24,480

as it was almost directly in front of my

365

00:12:28,629 --> 00:12:26,959

face my right eye began to feel strange

366

00:12:30,629 --> 00:12:28,639

as if i just got over a migraine

367

00:12:31,750 --> 00:12:30,639

headache but it only felt uncomfortable

368

00:12:33,509 --> 00:12:31,760

on the right eye

369

00:12:35,430 --> 00:12:33,519

it sort of looked like a zeta type being

370

00:12:37,030 --> 00:12:35,440

a gray alien but it was smaller than i

371

00:12:39,269 --> 00:12:37,040

would expect and it appeared much

372

00:12:40,470 --> 00:12:39,279

skinnier i didn't feel threatened by it

373

00:12:42,870 --> 00:12:40,480

but it did startle me

374

00:12:44,150 --> 00:12:42,880

when it got right in my face it appeared

375

00:12:44,710 --> 00:12:44,160

as though i was walking through the

376

00:12:47,190 --> 00:12:44,720

object

377

00:12:48,550 --> 00:12:47,200

my dog's kennel right next to my bed to

378
