7
00:00:31,830 --> 00:00:28,840

so you'll be notified of all future

8
00:00:34,470 --> 00:00:31,840

uploads

9
00:00:36,709 --> 00:00:34,480

alien comforts experiercer this event

10
00:00:39,110 --> 00:00:36,719

took place when i was about 15 or 16

11
00:00:41,110 --> 00:00:39,120

years old living in spring creek nevada

12
00:00:42,470 --> 00:00:41,120

it's a very small town about 10 miles

13
00:00:43,990 --> 00:00:42,480

from elko nevada

14

00:00:45,830 --> 00:00:44,000

i was staying at my friend's aunt's

15

00:00:46,790 --> 00:00:45,840

house and that is where i was living at

16

00:00:48,549 --> 00:00:46,800

the time

17

00:00:49,910 --> 00:00:48,559

i slept on the couch in the living room

18

00:00:51,189 --> 00:00:49,920

normally because there weren't enough

19

00:00:53,910 --> 00:00:51,199

rooms at her house

20

00:00:55,510 --> 00:00:53,920

one night i woke up at 3am for no reason

21

00:00:57,270 --> 00:00:55,520

i looked right into the kitchen from the

22

00:00:59,270 --> 00:00:57,280

couch and noticed the time

23

00:01:01,270 --> 00:00:59,280

then i swung my head to my left and

24

00:01:03,029 --> 00:01:01,280

instantly jumped and froze with fear as

25

00:01:04,630 --> 00:01:03,039

i noticed the living room door was open

26

00:01:06,390 --> 00:01:04,640

so wide it was touching the wall

27

00:01:08,230 --> 00:01:06,400

and standing in the living room doorway

28

00:01:10,310 --> 00:01:08,240

were three four foot tall beings with

29

00:01:12,149 --> 00:01:10,320

heads too large for their bodies

30

00:01:13,910 --> 00:01:12,159

one was standing in front and the other

31

00:01:15,990 --> 00:01:13,920

two were about one foot behind the front

32

00:01:17,429 --> 00:01:16,000

one and on the left and right side

33

00:01:18,950 --> 00:01:17,439

there was a light coming from behind

34

00:01:21,030 --> 00:01:18,960

them shining through the door that was a

35

00:01:22,870 --> 00:01:21,040

white color with a tint of light blue

36

00:01:24,469 --> 00:01:22,880

i was unable to make out their facial

37

00:01:25,590 --> 00:01:24,479

features due to the lighting coming from

38

00:01:26,950 --> 00:01:25,600

only the back of them

39

00:01:28,710 --> 00:01:26,960

but there was no question they were

40

00:01:30,550 --> 00:01:28,720

there standing clear as day

41

00:01:32,390 --> 00:01:30,560

as soon as i noticed the men jolted from

42

00:01:33,350 --> 00:01:32,400

fear the front one zoomed over to me on

43

00:01:35,030 --> 00:01:33,360

the couch

44

00:01:36,870 --> 00:01:35,040

i didn't notice how it moved because it

45

00:01:38,069 --> 00:01:36,880

was so quickly standing over me as i

46

00:01:39,590 --> 00:01:38,079

remain laying there

47

00:01:41,190 --> 00:01:39,600

i look up at it and of course my

48

00:01:42,950 --> 00:01:41,200

adrenaline was pumping

49

00:01:44,630 --> 00:01:42,960

i felt a little hand rub my cheek in a

50

00:01:45,990 --> 00:01:44,640

comforting way and in my head i

51
00:01:48,469 --> 00:01:46,000
instantly told myself

52
00:01:50,389 --> 00:01:48,479
it's okay not even kidding the second it

53
00:01:51,990 --> 00:01:50,399
touched my cheek my adrenaline stopped

54
00:01:53,429 --> 00:01:52,000
and heart rate went back to normal

55
00:01:54,950 --> 00:01:53,439
almost instantaneously

56
00:01:57,190 --> 00:01:54,960
which i still don't know how that is

57
00:01:59,190 --> 00:01:57,200
even possible it's like it controlled my

58
00:02:00,709 --> 00:01:59,200
emotions by touching my cheek

59
00:02:02,630 --> 00:02:00,719
the feeling i got when it touched my

60
00:02:03,749 --> 00:02:02,640
cheek was overwhelming love and comfort

61
00:02:05,270 --> 00:02:03,759
and happiness

62
00:02:07,190 --> 00:02:05,280
it's like it was telling me to not be

63
00:02:08,790 --> 00:02:07,200

worried and it meant no harm

64

00:02:10,309 --> 00:02:08,800

the weirdest thing is that i even looked

65

00:02:12,470 --> 00:02:10,319

up at it and smirked with comfort and

66

00:02:13,990 --> 00:02:12,480

knew it was okay to go back to sleep

67

00:02:16,150 --> 00:02:14,000

who would go back to sleep with some

68

00:02:18,229 --> 00:02:16,160

foreign beings standing right above them

69

00:02:19,430 --> 00:02:18,239

the whole encounter lasted only but 30

70

00:02:21,830 --> 00:02:19,440

seconds or under

71

00:02:23,990 --> 00:02:21,840

i am now 26 years old and ever since

72

00:02:25,830 --> 00:02:24,000

then i have had roughly five to six ufo

73

00:02:27,990 --> 00:02:25,840

sightings that are undoubtedly ufos

74

00:02:29,830 --> 00:02:28,000

based on them defying all physics

75

00:02:31,509 --> 00:02:29,840

the first ufo i had witnessed was with

76

00:02:33,350 --> 00:02:31,519

about eight other strangers at a gas

77

00:02:36,309 --> 00:02:33,360

station in the same small town

78

00:02:37,910 --> 00:02:36,319

and i was about 15 or 16 as well i just

79

00:02:40,390 --> 00:02:37,920

can't recall if it was before this

80

00:02:42,390 --> 00:02:40,400

encounter with extra restrooms or after

81

00:02:43,990 --> 00:02:42,400

i still have a never-ending curiosity

82

00:02:45,910 --> 00:02:44,000

and still feel blessed to have had the

83

00:02:46,630 --> 00:02:45,920

experiences with extraterrestrials that

84

00:02:48,470 --> 00:02:46,640

i have

85

00:02:50,070 --> 00:02:48,480

i am sitting at work at this moment and

86

00:02:50,470 --> 00:02:50,080

felt compelled to share this with you

87

00:02:52,630 --> 00:02:50,480

all

88

00:02:54,309 --> 00:02:52,640

even though it was so long ago feels

89

00:02:54,790 --> 00:02:54,319

great make other aware that they are not

90

00:03:02,630 --> 00:02:54,800

alone

91

00:03:09,190 --> 00:03:06,149

my alien surgery back home in the uk

92

00:03:11,430 --> 00:03:09,200

in my little cottage with my baby boy i

93

00:03:13,190 --> 00:03:11,440

just put him down for a nap and i was

94

00:03:14,949 --> 00:03:13,200

pottering around when i developed a

95

00:03:17,750 --> 00:03:14,959

severe pain in the tummy

96

00:03:18,630 --> 00:03:17,760

i went down like a bang of potatoes i

97

00:03:20,790 --> 00:03:18,640

couldn't stand

98

00:03:21,670 --> 00:03:20,800

the pain was so painful i thought i was

99

00:03:23,750 --> 00:03:21,680

dying

100

00:03:25,589 --> 00:03:23,760

all i kept thinking of was my son and

101
00:03:26,869 --> 00:03:25,599
who would love him and care for him if

102
00:03:29,430 --> 00:03:26,879
i'm not here

103
00:03:31,350 --> 00:03:29,440
after a few minutes the pain went away

104
00:03:33,910 --> 00:03:31,360
as quickly as it came on

105
00:03:35,910 --> 00:03:33,920
however i contacted my doctors to book

106
00:03:36,630 --> 00:03:35,920
an appointment to check what was going

107
00:03:39,030 --> 00:03:36,640
on

108
00:03:41,509 --> 00:03:39,040
my doctor examined me and my tummy was

109
00:03:43,110 --> 00:03:41,519
tender so he sent me for an endoscopy

110
00:03:44,869 --> 00:03:43,120
which is where they send a camera down

111
00:03:47,589 --> 00:03:44,879
your throat to have a look at what is

112
00:03:49,750 --> 00:03:47,599
going on a week before my endoscopy

113
00:03:50,949 --> 00:03:49,760

i had an amazing experience which i'll

114

00:03:52,949 --> 00:03:50,959

never forget

115

00:03:54,869 --> 00:03:52,959

i woke up in the middle of the night and

116

00:03:57,110 --> 00:03:54,879

felt a presence in my room

117

00:03:58,710 --> 00:03:57,120

i slowing shrugged it off and started to

118

00:04:00,630 --> 00:03:58,720

fall back to sleep

119

00:04:03,190 --> 00:04:00,640

however i became aware of three

120

00:04:05,509 --> 00:04:03,200

child-like alien beings on my bed

121

00:04:07,190 --> 00:04:05,519

i didn't feel scared and i stood up and

122

00:04:09,350 --> 00:04:07,200

i held hands with two of them

123

00:04:11,589 --> 00:04:09,360

one on one side of me and the other two

124

00:04:13,990 --> 00:04:11,599

aliens on the other side of me

125

00:04:15,350 --> 00:04:14,000

my bedroom wall then started to spin and

126
00:04:17,749 --> 00:04:15,360
turned into a porthole

127
00:04:19,110 --> 00:04:17,759
and all four of us walked through we

128
00:04:21,030 --> 00:04:19,120
came to a massive room

129
00:04:23,030 --> 00:04:21,040
with lines of computers and a large

130
00:04:25,110 --> 00:04:23,040
computer screen on the main wall

131
00:04:26,230 --> 00:04:25,120
very much set up like a nasa mission

132
00:04:28,469 --> 00:04:26,240
control center

133
00:04:29,749 --> 00:04:28,479
but instead of humans at each computer

134
00:04:32,070 --> 00:04:29,759
they're aliens

135
00:04:34,070 --> 00:04:32,080
the room was white everything was white

136
00:04:36,070 --> 00:04:34,080
and on the large screen on the main wall

137
00:04:37,990 --> 00:04:36,080
there was a famous male celebrity

138
00:04:40,310 --> 00:04:38,000

and i knew they were studying this male

139

00:04:41,670 --> 00:04:40,320

celebrity i then looked down at the

140

00:04:43,430 --> 00:04:41,680

aliens that i was with

141

00:04:45,590 --> 00:04:43,440

and instantly knew that these three

142

00:04:47,670 --> 00:04:45,600

little guys were also studying me

143

00:04:49,670 --> 00:04:47,680

and that they knew far more about me

144

00:04:51,430 --> 00:04:49,680

than i did about myself

145

00:04:53,590 --> 00:04:51,440

they had been studying me right from the

146

00:04:55,909 --> 00:04:53,600

beginning of my life on earth

147

00:04:56,870 --> 00:04:55,919

my next scene i remember i was lying on

148

00:04:58,870 --> 00:04:56,880

a medical bed

149

00:05:01,110 --> 00:04:58,880

and there was another alien which looked

150

00:05:03,749 --> 00:05:01,120

exactly like the childlike aliens

151

00:05:05,990 --> 00:05:03,759

but she was tall and adult like i knew

152

00:05:07,110 --> 00:05:06,000

she was female and she spoke to me using

153

00:05:09,430 --> 00:05:07,120

telepathy

154

00:05:11,350 --> 00:05:09,440

she started the operation and i started

155

00:05:13,189 --> 00:05:11,360

to scream and i mean scream

156

00:05:15,510 --> 00:05:13,199

and she stopped what she was doing and

157

00:05:17,909 --> 00:05:15,520

told me off in a very stern way

158

00:05:19,909 --> 00:05:17,919

she said the pain wasn't real and that i

159

00:05:20,629 --> 00:05:19,919

actually can't feel anything and to be

160

00:05:23,029 --> 00:05:20,639

quiet

161

00:05:24,150 --> 00:05:23,039

i did what she asked she pulled two

162

00:05:26,150 --> 00:05:24,160

worm-like creatures

163

00:05:27,590 --> 00:05:26,160

out of my tummy they wiggled and looked

164

00:05:29,590 --> 00:05:27,600

very much alive

165

00:05:30,710 --> 00:05:29,600

i was shocked at what came out of me and

166

00:05:32,950 --> 00:05:30,720

disgusted

167

00:05:34,710 --> 00:05:32,960

she said there was one left in my tummy

168

00:05:37,189 --> 00:05:34,720

but for some reason she left it

169

00:05:38,310 --> 00:05:37,199

in there the last scene i remember was

170

00:05:40,230 --> 00:05:38,320

being outside

171

00:05:42,550 --> 00:05:40,240

sitting at a table with the three child

172

00:05:44,469 --> 00:05:42,560

like aliens having a cup of coffee

173

00:05:47,029 --> 00:05:44,479

there were aliens walking to what seemed

174

00:05:49,350 --> 00:05:47,039

like work and i was drinking coffee

175

00:05:51,990 --> 00:05:49,360

i found it hilarious that they also had

176

00:05:54,230 --> 00:05:52,000

coffee and drank it like us humans

177

00:05:56,150 --> 00:05:54,240

what i also found strange that even

178

00:05:56,790 --> 00:05:56,160

though i was the only human there that i

179

00:05:59,350 --> 00:05:56,800

could see

180

00:06:01,270 --> 00:05:59,360

no one gave me a second glance it must

181

00:06:02,550 --> 00:06:01,280

have been common for them to see humans

182

00:06:04,710 --> 00:06:02,560

i suppose

183

00:06:06,070 --> 00:06:04,720

i went for my endoscopy a week later at

184

00:06:08,070 --> 00:06:06,080

my local hospital

185

00:06:09,749 --> 00:06:08,080

and they just found inflammation of the

186

00:06:11,590 --> 00:06:09,759

stomach however

187

00:06:13,590 --> 00:06:11,600

i feel that these beings helped me in

188

00:06:14,469 --> 00:06:13,600

some way and maybe even healed my

189

00:06:17,430 --> 00:06:14,479

stomach

190

00:06:19,270 --> 00:06:17,440

i'm not 100 sure but that is my

191

00:06:21,350 --> 00:06:19,280

conclusion at the moment

192

00:06:23,270 --> 00:06:21,360

even though this was my first conscious

193

00:06:23,749 --> 00:06:23,280

memory of being invited to an alien

194

00:06:25,990 --> 00:06:23,759

world

195

00:06:26,950 --> 00:06:26,000

i feel i must have been there many times

196

00:06:28,710 --> 00:06:26,960

before

197

00:06:30,390 --> 00:06:28,720

i'm not sure why i was allowed to

198

00:06:33,110 --> 00:06:30,400

remember that experience

199

00:06:34,870 --> 00:06:33,120

maybe to help with the healing process i

200

00:06:36,950 --> 00:06:34,880

would love to know what those worm-like

201
00:06:37,830 --> 00:06:36,960
creatures were and how they got into my

202
00:06:39,909 --> 00:06:37,840
stomach

203
00:06:41,909 --> 00:06:39,919
the worm-like creatures they extracted

204
00:06:44,940 --> 00:06:41,919
from me reminds me of the scene in the

205
00:06:46,830 --> 00:06:44,950
first matrix movie which i find

206
00:06:49,550 --> 00:06:46,840
[Music]

207
00:06:51,430 --> 00:06:49,560
interesting

208
00:06:53,990 --> 00:06:51,440
[Music]

209
00:06:56,629 --> 00:06:54,000
the golden boy the incident i am about

210
00:06:58,870 --> 00:06:56,639
to relate happened some 50 years ago

211
00:07:00,830 --> 00:06:58,880
i was visiting my grandparents who lived

212
00:07:01,990 --> 00:07:00,840
in an old farmhouse in central

213
00:07:04,629 --> 00:07:02,000

pennsylvania

214

00:07:05,589 --> 00:07:04,639

my cousin d one year younger was there

215

00:07:08,150 --> 00:07:05,599

as well

216

00:07:10,150 --> 00:07:08,160

we rose super early each morning as was

217

00:07:12,390 --> 00:07:10,160

the practice when visiting there

218

00:07:14,150 --> 00:07:12,400

at grandma's those that did not get out

219

00:07:15,990 --> 00:07:14,160

of the house before breakfast

220

00:07:18,390 --> 00:07:16,000

got a chore list that would take all

221

00:07:19,830 --> 00:07:18,400

morning dave and i were determined to

222

00:07:22,230 --> 00:07:19,840

avoid that list

223

00:07:23,749 --> 00:07:22,240

the house stood on top of a hill and was

224

00:07:25,830 --> 00:07:23,759

some distance from the road

225

00:07:27,110 --> 00:07:25,840

with a long drive leading up to a car

226

00:07:28,710 --> 00:07:27,120

parking area

227

00:07:30,950 --> 00:07:28,720

the ground on either side of the

228

00:07:32,070 --> 00:07:30,960

driveway could best be classified as

229

00:07:34,070 --> 00:07:32,080

untended meadow

230

00:07:35,430 --> 00:07:34,080

with corpses of trees sporadically

231

00:07:37,589 --> 00:07:35,440

scattered throughout

232

00:07:39,670 --> 00:07:37,599

from the car park in front of the house

233

00:07:41,589 --> 00:07:39,680

you look down and outward the road some

234

00:07:44,230 --> 00:07:41,599

500 yards away

235

00:07:46,469 --> 00:07:44,240

this is where dni stood that morning

236

00:07:48,469 --> 00:07:46,479

there was a small stand of pine trees

237

00:07:50,629 --> 00:07:48,479

about halfway down the hill

238

00:07:51,990 --> 00:07:50,639

these were young trees not more than

239

00:07:54,070 --> 00:07:52,000

nine feet tall

240

00:07:56,390 --> 00:07:54,080

we knew these trees well as they were

241

00:07:58,869 --> 00:07:56,400

the impediment to every hill roller sled

242

00:08:01,430 --> 00:07:58,879

run we ever attempted down that slope

243

00:08:02,950 --> 00:08:01,440

today however we never even got to start

244

00:08:05,589 --> 00:08:02,960

the downhill fun

245

00:08:06,869 --> 00:08:05,599

what the hell is that one of us asked

246

00:08:09,110 --> 00:08:06,879

beats the hell out of me

247

00:08:11,189 --> 00:08:09,120

the other answered under the nearest

248

00:08:13,350 --> 00:08:11,199

pine tree there was a figure

249

00:08:15,189 --> 00:08:13,360

it appeared to be made of a golden metal

250

00:08:17,749 --> 00:08:15,199

which glittered in the sunlight

251

00:08:20,230 --> 00:08:17,759

it was about three feet tall as best as

252

00:08:22,469 --> 00:08:20,240

we could determine from our uphill angle

253

00:08:24,869 --> 00:08:22,479

from the shoulders down it seemed to be

254

00:08:26,950 --> 00:08:24,879

wrapped or swaddled in golden cloth

255

00:08:29,029 --> 00:08:26,960

this extended the entire length of the

256

00:08:31,270 --> 00:08:29,039

creature making it look as though it was

257

00:08:33,509 --> 00:08:31,280

in a form-fitted sleeping bag

258

00:08:34,709 --> 00:08:33,519

on its head was a helmet or headdress

259

00:08:37,110 --> 00:08:34,719

also gold

260

00:08:37,750 --> 00:08:37,120

when we first saw it it was facing to

261

00:08:39,589 --> 00:08:37,760

our left

262

00:08:42,149 --> 00:08:39,599

so we were looking at its golden left

263

00:08:43,589 --> 00:08:42,159

profile the sight of this thing made us

264

00:08:46,230 --> 00:08:43,599

both freeze in place

265

00:08:47,990 --> 00:08:46,240

barely breathing we stared down at it

266

00:08:50,790 --> 00:08:48,000

for a time distorted period

267

00:08:51,509 --> 00:08:50,800

a minute suddenly the thing changed its

268

00:08:57,750 --> 00:08:51,519

head

269

00:08:59,670 --> 00:08:57,760

at a spot somewhere to our left then it

270

00:09:01,509 --> 00:08:59,680

was looking directly at us

271

00:09:03,190 --> 00:09:01,519

the head did not move through all the

272

00:09:06,389 --> 00:09:03,200

intermediate positions

273

00:09:08,470 --> 00:09:06,399

the transformation was instant but then

274

00:09:09,750 --> 00:09:08,480

a wave of dread and terror rolled over

275

00:09:12,070 --> 00:09:09,760

the two of us

276

00:09:13,990 --> 00:09:12,080

i have never before or since felt

277

00:09:14,949 --> 00:09:14,000

anything so intensely alien and

278

00:09:17,590 --> 00:09:14,959

malignant

279

00:09:19,990 --> 00:09:17,600

it hated us neither of us were the most

280

00:09:22,230 --> 00:09:20,000

athletic of kids but i beat dave over

281

00:09:24,150 --> 00:09:22,240

the fence by a good four feet

282

00:09:26,550 --> 00:09:24,160

apparently we burst into the kitchen

283

00:09:27,670 --> 00:09:26,560

babbling incoherently about a golden boy

284

00:09:29,990 --> 00:09:27,680

down the hill

285

00:09:31,509 --> 00:09:30,000

it took us a good half hour to convince

286

00:09:33,430 --> 00:09:31,519

grandpa that there really would be

287

00:09:34,070 --> 00:09:33,440

something worth seeing if he went out

288

00:09:36,470 --> 00:09:34,080

with us

289

00:09:37,190 --> 00:09:36,480

and of course there wasn't nothing on

290

00:09:39,590 --> 00:09:37,200

the ground

291

00:09:40,630 --> 00:09:39,600

nothing near the tree but that image of

292

00:09:42,710 --> 00:09:40,640

a golden boy

293

00:09:44,949 --> 00:09:42,720

with the most intense nastiness in his

294

00:09:47,430 --> 00:09:44,959

gaze that will never go away

295

00:09:49,350 --> 00:09:47,440

i use the term golden boy as that is how

296

00:09:52,310 --> 00:09:49,360

the family story has evolved

297

00:09:54,310 --> 00:09:52,320

but it was no boy it was humanoid as

298

00:09:56,790 --> 00:09:54,320

best as the distance would reveal

299

00:09:58,630 --> 00:09:56,800

but that sense of malice and red made it

300

00:09:59,670 --> 00:09:58,640

impossible to stick around for more

301
00:10:02,389 --> 00:09:59,680
details

302
00:10:03,350 --> 00:10:02,399
and i was nine or ten at the time in my

303
00:10:05,750 --> 00:10:03,360
defense

304
00:10:08,069 --> 00:10:05,760
in the 50 years since i have never heard

305
00:10:09,910 --> 00:10:08,079
of or read a similar encounter

306
00:10:11,670 --> 00:10:09,920
has the golden boy ever crossed your

307
00:10:21,509 --> 00:10:11,680
path love the sight

308
00:10:24,870 --> 00:10:23,910
bufo encounter leads to possible alien

309
00:10:26,710 --> 00:10:24,880
intrusion

310
00:10:30,069 --> 00:10:26,720
i was nine years old living in the

311
00:10:31,990 --> 00:10:30,079
projects of linwood california in 1972.

312
00:10:33,910 --> 00:10:32,000
one late afternoon several neighbors

313
00:10:35,509 --> 00:10:33,920

began to crowd in front of our building

314

00:10:37,430 --> 00:10:35,519

which was two stories

315

00:10:38,630 --> 00:10:37,440

they were excitedly talking and pointing

316

00:10:41,269 --> 00:10:38,640

above our home

317

00:10:43,430 --> 00:10:41,279

we my parents brother uncle and aunt

318

00:10:45,350 --> 00:10:43,440

went outside and saw a glowing oval

319

00:10:47,269 --> 00:10:45,360

object hovering over our roof

320

00:10:49,190 --> 00:10:47,279

my father put me on his shoulders so

321

00:10:51,030 --> 00:10:49,200

that i could see better but it began to

322

00:10:52,790 --> 00:10:51,040

float off towards some trees

323

00:10:54,870 --> 00:10:52,800

my father along with other neighbor

324

00:10:56,310 --> 00:10:54,880

fathers chased it as long as they could

325

00:10:58,470 --> 00:10:56,320

before it disappeared

326

00:11:00,069 --> 00:10:58,480

that evening i awoke suddenly in my dark

327

00:11:01,990 --> 00:11:00,079

room i shared with my brother

328

00:11:04,150 --> 00:11:02,000

and began to see a glowing coming from

329

00:11:05,990 --> 00:11:04,160

the hallway it got brighter until this

330

00:11:07,670 --> 00:11:06,000

stick thin blowing figure with a large

331

00:11:09,910 --> 00:11:07,680

oval head walked by

332

00:11:11,750 --> 00:11:09,920

then others began to go the other way

333

00:11:13,670 --> 00:11:11,760

and i was terrified they would hurt my

334

00:11:15,670 --> 00:11:13,680

mother who was nine months pregnant and

335

00:11:17,910 --> 00:11:15,680

who i feared would die in childbirth

336

00:11:18,710 --> 00:11:17,920

until one came into my room and began to

337

00:11:20,630 --> 00:11:18,720

look around

338

00:11:21,829 --> 00:11:20,640

picking up objects opening drawers

339

00:11:24,069 --> 00:11:21,839

beginning near the door

340

00:11:25,670 --> 00:11:24,079

and finally reaching my bed the whole

341

00:11:27,430 --> 00:11:25,680

time i was sitting in shock

342

00:11:29,509 --> 00:11:27,440

not breathing with the sheets pulled

343

00:11:31,430 --> 00:11:29,519

over my nose it saw me

344

00:11:32,630 --> 00:11:31,440

sat on the side of my bed and looked at

345

00:11:34,710 --> 00:11:32,640

me in the eyes

346

00:11:37,110 --> 00:11:34,720

it loaded greenish shoe with large dark

347

00:11:44,069 --> 00:11:37,120

eyes that was the last thing i remember

348

00:11:47,509 --> 00:11:46,630

this is lon strickler if you like this

349

00:11:49,269 --> 00:11:47,519

program

350

00:11:50,629 --> 00:11:49,279

it would help us if you would give it a

351

00:11:53,509 --> 00:11:50,639

thumbs up

352

00:11:53,990 --> 00:11:53,519

then subscribe and click the bell icon

353

00:11:56,310 --> 00:11:54,000

so you

354

00:11:58,389 --> 00:11:56,320

get notification when we upload new

355

00:12:01,509 --> 00:11:58,399

first-person encounters

356

00:12:03,990 --> 00:12:01,519

we have many more to come very soon and

357

00:12:06,389 --> 00:12:04,000

by the way if you have a suggestion
