the oldest and strongest human emotion

00:00:10,950 --> 00:00:08,720
is fear

00:00:11,910 --> 00:00:10,960
and the oldest and strongest type of

4
00:00:15,110 --> 00:00:11,920
fear

5
00:00:17,510 --> 00:00:15,120
is trepidation of young men

6
00:00:20,950 --> 00:00:17,520
when we were children our parents told

7
00:00:23,429 --> 00:00:20,960
us that monsters didn't exist

8
00:00:26,630 --> 00:00:23,439
but we were sure that something was

9
00:00:31,189 --> 00:00:26,640
lurking under the bed or in the closet

10
00:00:34,389 --> 00:00:31,199
fear sees even if our eyes are closed

11
00:00:36,389 --> 00:00:34,399
welcome to the realm of the arcane my

14

00:00:42,830 --> 00:00:39,920

creatures

15

00:00:44,869 --> 00:00:42,840

strange manifestations of remarkable

16

00:00:47,830 --> 00:00:44,879

realities

17

00:00:50,470 --> 00:00:47,840

imagine this next hour as a voyage of

18

00:00:53,590 --> 00:00:50,480

discovery to strange lands

19

00:00:56,310 --> 00:00:53,600

seeking not for new territory but for

20

00:00:56,950 --> 00:00:56,320

new knowledge of the supernatural come

21

00:01:08,950 --> 00:00:56,960

on board

22

00:01:11,990 --> 00:01:11,190

hey folks good evening and welcome to

23

00:01:14,149 --> 00:01:12,000

another episode

24

00:01:15,109 --> 00:01:14,159

of arcane radio where we explore the

25

00:01:17,030 --> 00:01:15,119

unexplained

26

00:01:19,590 --> 00:01:17,040

here on the paranormal team radio

27

00:01:21,830 --> 00:01:19,600

network i'm your host lon strickler

28

00:01:24,390 --> 00:01:21,840

coming to you within a cannon shot

29

00:01:26,789 --> 00:01:24,400

of historic gettysburg pennsylvania i

30

00:01:28,789 --> 00:01:26,799

thank you for joining me

31

00:01:31,590 --> 00:01:28,799

now tonight i welcome phantoms of

32

00:01:34,630 --> 00:01:31,600

monsters forty research investigators

33

00:01:35,830 --> 00:01:34,640

tobias whalen and emmanuel navarette to

34

00:01:38,830 --> 00:01:35,840

arcane radio

35

00:01:40,069 --> 00:01:38,840

now tobias manuel and i have uh been

36

00:01:44,389 --> 00:01:40,079

investigating

37

00:01:46,069 --> 00:01:44,399

this uh chicago lake michigan mothman

38

00:01:48,950 --> 00:01:46,079

phenomenon now

39

00:01:50,870 --> 00:01:48,960

well together i guess since 2017 but

40

00:01:53,190 --> 00:01:50,880

manuel and i have both been

41

00:01:54,550 --> 00:01:53,200

looking into this since the 2011

42

00:01:57,910 --> 00:01:54,560

sightings

43

00:01:59,670 --> 00:01:57,920

and uh you know then again

44

00:02:03,030 --> 00:01:59,680

you know when this the influx of these

45

00:02:06,830 --> 00:02:03,040

sites began in early 2017

46

00:02:10,469 --> 00:02:06,840

then uh tobias were bored with the team

47

00:02:11,029 --> 00:02:10,479

so you know these encounters continue to

48

00:02:12,630 --> 00:02:11,039

occur

49

00:02:14,710 --> 00:02:12,640

which is interesting because i got a

50

00:02:17,750 --> 00:02:14,720

phone call from a sighting

51
00:02:18,790 --> 00:02:17,760
of supposed sighting at o'hara tonight

52
00:02:22,150 --> 00:02:18,800
just before the show

53
00:02:22,710 --> 00:02:22,160
i gotta call the guy back so uh but you

54
00:02:24,949 --> 00:02:22,720
know

55
00:02:26,869 --> 00:02:24,959
since they keep con occurring but with

56
00:02:29,350 --> 00:02:26,879
the new variations

57
00:02:30,710 --> 00:02:29,360
and descriptions uh that need to be

58
00:02:31,990 --> 00:02:30,720
documented or researched and

59
00:02:33,990 --> 00:02:32,000
investigated

60
00:02:35,509 --> 00:02:34,000
you know it's gonna it keeps us busy so

61
00:02:38,070 --> 00:02:35,519
to this date

62
00:02:39,110 --> 00:02:38,080
uh we have well over a hundred incidents

63
00:02:42,630 --> 00:02:39,120

that we have deemed

64

00:02:44,150 --> 00:02:42,640

credible so uh tobias and

65

00:02:46,309 --> 00:02:44,160

emmanuel thanks for coming on the show

66

00:02:48,869 --> 00:02:46,319

tonight thanks for having me

67

00:02:51,270 --> 00:02:48,879

pleasure to be here well guys i guess we

68

00:02:55,030 --> 00:02:51,280

ought to start from the beginning

69

00:02:57,270 --> 00:02:55,040

uh for those who don't really know what

70

00:02:58,390 --> 00:02:57,280

or have any idea what this is though i

71

00:03:01,670 --> 00:02:58,400

don't know if that's

72

00:03:05,030 --> 00:03:01,680

that's possible but uh manuel i want you

73

00:03:07,509 --> 00:03:05,040

to tell us about the three sides of 2011

74

00:03:09,430 --> 00:03:07,519

and kind of set the stage for what's

75

00:03:12,390 --> 00:03:09,440

been going on

76

00:03:14,390 --> 00:03:12,400

well the initial sighting started with a

77

00:03:16,550 --> 00:03:14,400

pair of young ladies that were

78

00:03:18,470 --> 00:03:16,560

students at the university of illinois

79

00:03:20,790 --> 00:03:18,480

chicago uic

80

00:03:22,390 --> 00:03:20,800

and if you don't know that whole area

81

00:03:24,309 --> 00:03:22,400

it's like just this huge

82

00:03:26,229 --> 00:03:24,319

campus it takes up it makes up an entire

83

00:03:27,990 --> 00:03:26,239

neighborhood um

84

00:03:29,589 --> 00:03:28,000

not only do you have the campus and the

85

00:03:32,229 --> 00:03:29,599

dorms and everything but you have a lot

86

00:03:34,869 --> 00:03:32,239

of off dorm or off-site

87

00:03:35,589 --> 00:03:34,879

apartment buildings and satellite

88

00:03:38,789 --> 00:03:35,599

buildings that

89

00:03:41,750 --> 00:03:38,799

are around that area and

90

00:03:43,830 --> 00:03:41,760

they lived in an apartment building they

91

00:03:46,149 --> 00:03:43,840

were up on the third floor

92

00:03:47,750 --> 00:03:46,159

and they had just gotten home and they

93

00:03:49,750 --> 00:03:47,760

were getting ready to go out

94

00:03:51,350 --> 00:03:49,760

uh for the night they were gonna go

95

00:03:54,149 --> 00:03:51,360

enjoy the evening out

96

00:03:54,949 --> 00:03:54,159

and um as they were getting ready uh one

97

00:03:56,630 --> 00:03:54,959

of the

98

00:03:58,070 --> 00:03:56,640

girls who was in her room getting

99

00:03:59,429 --> 00:03:58,080

dressed

100

00:04:01,429 --> 00:03:59,439

said that she saw something in the

101
00:04:02,949 --> 00:04:01,439
mirror she looked or turned around and

102
00:04:04,949 --> 00:04:02,959
she came face to face with something

103
00:04:09,270 --> 00:04:04,959
with glowing red eyes

104
00:04:12,390 --> 00:04:09,280
um staring back at her and

105
00:04:13,429 --> 00:04:12,400
she basically lack of a better word

106
00:04:17,189 --> 00:04:13,439
freaked

107
00:04:21,030 --> 00:04:17,199
um started screaming and

108
00:04:23,990 --> 00:04:21,040
was just completely petrified when the

109
00:04:25,350 --> 00:04:24,000
roommate ran into the room found her

110
00:04:27,030 --> 00:04:25,360
cowering in a corner

111
00:04:28,710 --> 00:04:27,040
just like trying to make herself as

112
00:04:31,990 --> 00:04:28,720
small as possible

113
00:04:34,310 --> 00:04:32,000

um she described to her friend that she

114

00:04:35,749 --> 00:04:34,320

felt like a rabbit about to be pounced

115

00:04:39,189 --> 00:04:35,759

on by an owl

116

00:04:39,430 --> 00:04:39,199

and she said that it just looked at her

117

00:04:44,790 --> 00:04:39,440

and

118

00:04:46,629 --> 00:04:44,800

she just got this feeling like she was

119

00:04:49,909 --> 00:04:46,639

about to become prey

120

00:04:52,150 --> 00:04:49,919

um so the

121

00:04:53,590 --> 00:04:52,160

girl says i i looked out the window and

122

00:04:55,270 --> 00:04:53,600

there's nothing there's a

123

00:04:57,830 --> 00:04:55,280

30-foot drop straight down to the

124

00:04:59,670 --> 00:04:57,840

courtyard below so

125

00:05:01,510 --> 00:04:59,680

whatever it is was probably you know

126
00:05:05,430 --> 00:05:01,520
latched onto the building or something

127
00:05:07,270 --> 00:05:05,440
or a sill but um she saw nothing

128
00:05:09,590 --> 00:05:07,280
and she took her friend out to the

129
00:05:12,550 --> 00:05:09,600
living room and

130
00:05:14,629 --> 00:05:12,560
they um she tried to control her she

131
00:05:16,710 --> 00:05:14,639
went back into her room to get something

132
00:05:18,710 --> 00:05:16,720
and that's when she saw it

133
00:05:20,150 --> 00:05:18,720
it was back it was staring at her and

134
00:05:21,990 --> 00:05:20,160
she said the same thing

135
00:05:23,510 --> 00:05:22,000
it felt like it was ready to go through

136
00:05:24,469 --> 00:05:23,520
the window and pounce at her at any

137
00:05:29,189 --> 00:05:24,479
second she just had

138
00:05:33,670 --> 00:05:29,199

overwhelming fear she also freaked out

139

00:05:36,790 --> 00:05:33,680

uh they are both in hysterics now

140

00:05:38,629 --> 00:05:36,800

coincidentally her boyfriend

141

00:05:40,550 --> 00:05:38,639

and his friend were on their way to

142

00:05:42,950 --> 00:05:40,560

their apartment

143

00:05:44,230 --> 00:05:42,960

and they were passing through a park

144

00:05:48,310 --> 00:05:44,240

that's nearby

145

00:05:51,670 --> 00:05:48,320

and they said they saw a

146

00:05:53,670 --> 00:05:51,680

a winged creature that was perched

147

00:05:55,670 --> 00:05:53,680

they said it was approached on a

148

00:05:57,990 --> 00:05:55,680

basketball goal

149

00:06:00,550 --> 00:05:58,000

and that the thing had taken off and

150

00:06:03,830 --> 00:06:00,560

they could see it in the air

151
00:06:06,070 --> 00:06:03,840
um about this time you know they called

152
00:06:07,590 --> 00:06:06,080
the girls and the girls are like going

153
00:06:11,029 --> 00:06:07,600
hysterical

154
00:06:13,990 --> 00:06:11,039
um they're screaming you know out loud

155
00:06:14,790 --> 00:06:14,000
and the boyfriend and the friend run to

156
00:06:18,230 --> 00:06:14,800
the apartment

157
00:06:19,749 --> 00:06:18,240
and it's just that's where the whole

158
00:06:22,150 --> 00:06:19,759
story kind of comes together

159
00:06:23,590 --> 00:06:22,160
they said that they had to the police

160
00:06:24,790 --> 00:06:23,600
actually showed up because i guess the

161
00:06:26,629 --> 00:06:24,800
neighbors thought there was something

162
00:06:29,189 --> 00:06:26,639
going on and uh they had to tell them

163
00:06:31,749 --> 00:06:29,199

that no they saw something in the window

164

00:06:32,950 --> 00:06:31,759

um they said they had to kind of dismiss

165

00:06:33,590 --> 00:06:32,960

the police because they didn't want

166

00:06:37,110 --> 00:06:33,600

anything to

167

00:06:38,790 --> 00:06:37,120

happen um but they said that

168

00:06:41,189 --> 00:06:38,800

it freaked them out so much that they

169

00:06:44,469 --> 00:06:41,199

didn't even leave that night

170

00:06:46,309 --> 00:06:44,479

they stayed in the whole weekend

171

00:06:47,909 --> 00:06:46,319

and they said that they had all the

172

00:06:49,029 --> 00:06:47,919

windows drawn all the curtains were

173

00:06:52,710 --> 00:06:49,039

drawn

174

00:06:55,029 --> 00:06:52,720

um a few i believe it's about a week or

175

00:06:57,110 --> 00:06:55,039

so later they had a

176

00:06:59,270 --> 00:06:57,120

gentleman who was from uh i believe it

177

00:07:02,309 --> 00:06:59,280

was new zealand or australia

178

00:07:05,270 --> 00:07:02,319

that was a uh student at uic

179

00:07:06,710 --> 00:07:05,280

that also was in that same park and saw

180

00:07:10,550 --> 00:07:06,720

a winged humanoid

181

00:07:13,350 --> 00:07:10,560

uh fly over he described it as a large

182

00:07:14,629 --> 00:07:13,360

sugar glider which was an animal that's

183

00:07:18,550 --> 00:07:14,639

native to his land but

184

00:07:20,309 --> 00:07:18,560

if you've ever seen a sugar glider um

185

00:07:21,749 --> 00:07:20,319

kind of help me out here a little bit uh

186

00:07:22,469 --> 00:07:21,759

they're about the size of your the palm

187

00:07:24,469 --> 00:07:22,479

of your hand

188

00:07:25,589 --> 00:07:24,479

yeah they're quite small yeah they're

189

00:07:29,270 --> 00:07:25,599

tiny little things

190

00:07:29,830 --> 00:07:29,280

um but they have that membranous wing

191

00:07:32,150 --> 00:07:29,840

that

192

00:07:33,110 --> 00:07:32,160

extends from their hands down to their

193

00:07:35,830 --> 00:07:33,120

legs

194

00:07:36,469 --> 00:07:35,840

and they spread it out when they fly uh

195

00:07:39,670 --> 00:07:36,479

but

196

00:07:41,990 --> 00:07:39,680

this thing was much much much bigger

197

00:07:43,350 --> 00:07:42,000

um he said it was silent he said it had

198

00:07:46,309 --> 00:07:43,360

glowing red eyes

199

00:07:49,110 --> 00:07:46,319

and that was basically it those three

200

00:07:51,909 --> 00:07:49,120

sightings all happened in 2011

201
00:07:52,950 --> 00:07:51,919
yeah i think it was uh from august

202
00:07:54,710 --> 00:07:52,960
september

203
00:07:56,869 --> 00:07:54,720
and in october that we had one in each

204
00:08:00,150 --> 00:07:56,879
of those three months

205
00:08:03,189 --> 00:08:00,160
yeah you know it's interesting and

206
00:08:04,150 --> 00:08:03,199
you know i you and i had discussed this

207
00:08:07,270 --> 00:08:04,160
when it first

208
00:08:10,629 --> 00:08:07,280
started coming up of course the

209
00:08:13,990 --> 00:08:10,639
the well-known photograph of the uh

210
00:08:16,469 --> 00:08:14,000
of the one gliding above the uh the old

211
00:08:18,390 --> 00:08:16,479
indian statue that used to sit there

212
00:08:20,629 --> 00:08:18,400
what was that pulaski was that all plask

213
00:08:24,309 --> 00:08:20,639

avenue that's right off there was

214

00:08:26,469 --> 00:08:24,319

yeah and uh you know

215

00:08:27,909 --> 00:08:26,479

that photograph really i still don't

216

00:08:30,309 --> 00:08:27,919

know what the hell that thing was

217

00:08:33,430 --> 00:08:30,319

you know that that was and it's hard to

218

00:08:36,790 --> 00:08:33,440

tell what size was the wing structure

219

00:08:38,709 --> 00:08:36,800

was unlike anything i'd ever seen before

220

00:08:40,709 --> 00:08:38,719

i have an opinion on what that is

221

00:08:44,149 --> 00:08:40,719

actually that emily helped me out with

222

00:08:46,949 --> 00:08:44,159

if you guys uh remember it was

223

00:08:47,670 --> 00:08:46,959

last year sometime i believe there was a

224

00:08:50,870 --> 00:08:47,680

photograph

225

00:08:52,949 --> 00:08:50,880

circulating around the internet briefly

226

00:08:54,790 --> 00:08:52,959

of you know somebody who said that they

227

00:08:57,509 --> 00:08:54,800

had you know captured a picture of you

228

00:08:59,750 --> 00:08:57,519

know maybe mothman in in chicago i think

229

00:09:02,630 --> 00:08:59,760

it was lollapalooza last year

230

00:09:03,430 --> 00:09:02,640

and um you know we we got the image we

231

00:09:06,710 --> 00:09:03,440

blew it up

232

00:09:09,829 --> 00:09:06,720

and it was a monarch butterfly oh

233

00:09:11,670 --> 00:09:09,839

really yeah and that's something that

234

00:09:13,910 --> 00:09:11,680

uh you know emily spends a lot of time

235

00:09:16,630 --> 00:09:13,920

on she actually raises monarchs here

236

00:09:18,790 --> 00:09:16,640

uh you know as part of the the effort to

237

00:09:21,269 --> 00:09:18,800

rehabilitate the the species

238

00:09:22,389 --> 00:09:21,279

and so she raises monarchs and black

239

00:09:23,910 --> 00:09:22,399

swallow tales

240

00:09:25,430 --> 00:09:23,920

and uh you know something she's really

241

00:09:27,509 --> 00:09:25,440

into and so um

242

00:09:28,949 --> 00:09:27,519

after that happened and that was

243

00:09:30,870 --> 00:09:28,959

positively uh

244

00:09:32,710 --> 00:09:30,880

identified you know we went back and

245

00:09:35,990 --> 00:09:32,720

looked at that that pulaski

246

00:09:38,470 --> 00:09:36,000

photograph and you know

247

00:09:39,190 --> 00:09:38,480

it's the right shape to be something

248

00:09:42,070 --> 00:09:39,200

like a

249

00:09:44,630 --> 00:09:42,080

a question mark butterfly which is you

250

00:09:47,030 --> 00:09:44,640

know a specific type of butterfly

251
00:09:49,509 --> 00:09:47,040
and reading that account the guy says

252
00:09:52,790 --> 00:09:49,519
well he took three photos

253
00:09:54,870 --> 00:09:52,800
and the the creature shows up only in

254
00:09:56,550 --> 00:09:54,880
the the second i think

255
00:09:57,910 --> 00:09:56,560
and so it made a lot of sense to me

256
00:10:00,150 --> 00:09:57,920
because he didn't see it at the

257
00:10:01,350 --> 00:10:00,160
the time you know it was only later

258
00:10:03,509 --> 00:10:01,360
after he had taken this

259
00:10:04,790 --> 00:10:03,519
this picture right you know when and he

260
00:10:05,750 --> 00:10:04,800
went and looked at it he was like what

261
00:10:08,150 --> 00:10:05,760
the hell is that

262
00:10:09,110 --> 00:10:08,160
and um so it made a lot of sense to me

263
00:10:11,110 --> 00:10:09,120

that if it was

264

00:10:12,870 --> 00:10:11,120

something like a butterfly it could

265

00:10:14,069 --> 00:10:12,880

have flown you know relatively close to

266

00:10:16,230 --> 00:10:14,079

him in front of him

267

00:10:17,990 --> 00:10:16,240

uh zipped past him he gets it in only

268

00:10:18,310 --> 00:10:18,000

one photograph doesn't see it at the

269

00:10:20,949 --> 00:10:18,320

time

270

00:10:21,829 --> 00:10:20,959

goes back later and because of forced

271

00:10:23,829 --> 00:10:21,839

perspective

272

00:10:26,069 --> 00:10:23,839

you know with the the statue right there

273

00:10:27,269 --> 00:10:26,079

it it easily could be mistaken for

274

00:10:30,870 --> 00:10:27,279

something big

275

00:10:33,269 --> 00:10:30,880

and far away oh i mean absolutely i mean

276

00:10:35,910 --> 00:10:33,279

that and that does make sense we really

277

00:10:38,710 --> 00:10:35,920

haven't been able to figure out

278

00:10:40,389 --> 00:10:38,720

what that really was just by the shape

279

00:10:42,069 --> 00:10:40,399

and you know you mentioned yeah it does

280

00:10:45,030 --> 00:10:42,079

have the profile

281

00:10:47,030 --> 00:10:45,040

of a butterfly uh you know it was kind

282

00:10:50,150 --> 00:10:47,040

of stretched out

283

00:10:51,190 --> 00:10:50,160

uh without flapping its wings so right

284

00:10:53,110 --> 00:10:51,200

very possible

285

00:10:54,230 --> 00:10:53,120

very i remember uh some of the

286

00:10:58,829 --> 00:10:54,240

protractors say you know

287

00:11:02,150 --> 00:10:58,839

it's a a specific kind of of kite

288

00:11:05,110 --> 00:11:02,160

yeah the thing is it's a kite

289

00:11:05,829 --> 00:11:05,120

that high in the city um where would you

290

00:11:08,550 --> 00:11:05,839

fly it from

291

00:11:10,150 --> 00:11:08,560

it's all not only that i went back and

292

00:11:12,790 --> 00:11:10,160

checked the wind

293

00:11:13,670 --> 00:11:12,800

speeds in in that part in in chicago

294

00:11:15,030 --> 00:11:13,680

that day

295

00:11:17,110 --> 00:11:15,040

yeah and the highest the highest

296

00:11:18,230 --> 00:11:17,120

recorded win was two mile an hour it was

297

00:11:21,030 --> 00:11:18,240

still

298

00:11:22,870 --> 00:11:21,040

yeah so i'm not afraid of a skeptical uh

299

00:11:25,110 --> 00:11:22,880

explanation but that kite

300

00:11:26,069 --> 00:11:25,120

uh that that hypothesis always struck me

301
00:11:29,509 --> 00:11:26,079
as just lazy

302
00:11:30,870 --> 00:11:29,519
and dismissive yeah well we got a lot of

303
00:11:33,670 --> 00:11:30,880
lazy and dismissal

304
00:11:34,310 --> 00:11:33,680
during this investigation i mean you

305
00:11:36,470 --> 00:11:34,320
know

306
00:11:38,470 --> 00:11:36,480
mufon's were trying to shoot us down

307
00:11:41,030 --> 00:11:38,480
from the very beginning though they

308
00:11:42,790 --> 00:11:41,040
and from people don't know those first

309
00:11:44,949 --> 00:11:42,800
three sightings

310
00:11:46,069 --> 00:11:44,959
came from mufon i mean they were

311
00:11:51,750 --> 00:11:46,079
actually reported to

312
00:11:54,389 --> 00:11:51,760
mufon and then in 2017 i believe

313
00:11:56,790 --> 00:11:54,399

the first three or four actually came

314

00:12:00,710 --> 00:11:56,800

through mufon as well

315

00:12:03,990 --> 00:12:00,720

though manuel was able to track down

316

00:12:06,710 --> 00:12:04,000

one of the witnesses at oz park uh

317

00:12:07,030 --> 00:12:06,720

and then of course billy bans contacted

318

00:12:09,670 --> 00:12:07,040

me

319

00:12:10,150 --> 00:12:09,680

later about an earlier setting which had

320

00:12:13,750 --> 00:12:10,160

gone

321

00:12:15,829 --> 00:12:13,760

in he had seen in march not far from uh

322

00:12:18,870 --> 00:12:15,839

well he was out in cicero

323

00:12:22,389 --> 00:12:18,880

so um yeah

324

00:12:24,790 --> 00:12:22,399

you know this um you know and and

325

00:12:26,670 --> 00:12:24,800

quite frankly and we have gotten older

326

00:12:30,310 --> 00:12:26,680

reports between

327

00:12:31,829 --> 00:12:30,320

2011 and 2017 since we've been doing

328

00:12:35,110 --> 00:12:31,839

this investigation

329

00:12:38,389 --> 00:12:35,120

so it's not like there hasn't been

330

00:12:41,910 --> 00:12:38,399

sightings uh but

331

00:12:43,910 --> 00:12:41,920

you know between 2011 2017 there has

332

00:12:48,550 --> 00:12:43,920

been the people just hasn't haven't come

333

00:12:51,110 --> 00:12:48,560

forth so uh but of course now since

334

00:12:52,629 --> 00:12:51,120

you know we've been reporting on this uh

335

00:12:56,069 --> 00:12:52,639

people

336

00:12:59,110 --> 00:12:56,079

seem uh less afraid to come forward

337

00:13:01,509 --> 00:12:59,120

on on these sightings

338

00:13:03,509 --> 00:13:01,519

oh sure we filled in quite a bit of the

339

00:13:05,990 --> 00:13:03,519

the timeline honestly

340

00:13:06,550 --> 00:13:06,000

really even just looking from like say

341

00:13:10,550 --> 00:13:06,560

those

342

00:13:14,069 --> 00:13:10,560

uh initial reports from from 2011

343

00:13:17,509 --> 00:13:14,079

uh between 2017 than when the the

344

00:13:19,670 --> 00:13:17,519

those three mufon reports came in um

345

00:13:21,350 --> 00:13:19,680

you know there there are a significant

346

00:13:21,990 --> 00:13:21,360

number of sightings that have been

347

00:13:24,310 --> 00:13:22,000

reported

348

00:13:25,590 --> 00:13:24,320

in that time period since this

349

00:13:27,829 --> 00:13:25,600

investigation began

350

00:13:28,790 --> 00:13:27,839

you know largely from people who you

351
00:13:31,670 --> 00:13:28,800
know

352
00:13:33,509 --> 00:13:31,680
uh saw that uh finally there was a place

353
00:13:34,150 --> 00:13:33,519
they could go to to actually report

354
00:13:35,590 --> 00:13:34,160
these things

355
00:13:37,350 --> 00:13:35,600
where somebody would would take them

356
00:13:40,230 --> 00:13:37,360
seriously

357
00:13:40,949 --> 00:13:40,240
uh somebody had asked in the chat room

358
00:13:43,189 --> 00:13:40,959
about

359
00:13:45,670 --> 00:13:43,199
if there had been mothman sized before

360
00:13:49,910 --> 00:13:45,680
the point pleasant moth man well

361
00:13:52,389 --> 00:13:49,920
quite frankly there have been and uh

362
00:13:53,990 --> 00:13:52,399
you know they weren't publicized now i i

363
00:13:56,310 --> 00:13:54,000

don't think they were

364

00:13:58,389 --> 00:13:56,320

in the area around point pleasant but

365

00:14:01,750 --> 00:13:58,399

that in west virginia

366

00:14:03,030 --> 00:14:01,760

even all the appalachians have a strange

367

00:14:06,470 --> 00:14:03,040

history of

368

00:14:09,269 --> 00:14:06,480

winged beings i i will tell you this

369

00:14:09,670 --> 00:14:09,279

if you want to get a good history of it

370

00:14:12,150 --> 00:14:09,680

uh

371

00:14:13,910 --> 00:14:12,160

small town monsters is going to be

372

00:14:17,430 --> 00:14:13,920

releasing a film

373

00:14:20,310 --> 00:14:17,440

entitled mothman legacy and

374

00:14:21,829 --> 00:14:20,320

i got the preview and i know tobias has

375

00:14:25,750 --> 00:14:21,839

the preview as well

376

00:14:26,550 --> 00:14:25,760

yeah and it's very in-depth it tells a

377

00:14:29,670 --> 00:14:26,560

lot about

378

00:14:32,710 --> 00:14:29,680

the folklore the history

379

00:14:35,990 --> 00:14:32,720

and some of the phenomena that has

380

00:14:38,470 --> 00:14:36,000

happened in and around the uh

381

00:14:39,430 --> 00:14:38,480

appalachia particularly you know in west

382

00:14:43,750 --> 00:14:39,440

virginia

383

00:14:45,990 --> 00:14:43,760

and up and down the uh ohio river valley

384

00:14:47,910 --> 00:14:46,000

and god knows we've gotten a lot of

385

00:14:50,550 --> 00:14:47,920

crazy stuff the whole way through the

386

00:14:53,189 --> 00:14:50,560

ohio river valley so uh

387

00:14:54,470 --> 00:14:53,199

yeah it's and plus it's got a lot of

388

00:14:58,150 --> 00:14:54,480

indigenous

389

00:15:00,629 --> 00:14:58,160

history as well so um

390

00:15:01,829 --> 00:15:00,639

yeah so i just wanted to mention that so

391

00:15:03,829 --> 00:15:01,839

you know if you uh

392

00:15:05,829 --> 00:15:03,839

if you take a if you when that comes out

393

00:15:08,389 --> 00:15:05,839

i think it's coming out

394

00:15:09,110 --> 00:15:08,399

uh uh end of october i think end of in

395

00:15:11,590 --> 00:15:09,120

okay

396

00:15:12,150 --> 00:15:11,600

i know because i uh i was going to write

397

00:15:13,829 --> 00:15:12,160

a review

398

00:15:15,670 --> 00:15:13,839

on it but i think they didn't want to

399

00:15:18,310 --> 00:15:15,680

hold off on it

400

00:15:20,069 --> 00:15:18,320

it's out yeah seth told me the the same

401

00:15:23,910 --> 00:15:20,079

thing i was all ready to do it like

402

00:15:24,870 --> 00:15:23,920

this but yeah you know you also have to

403

00:15:26,790 --> 00:15:24,880

think that

404

00:15:28,230 --> 00:15:26,800

that whole area the ohio river valley

405

00:15:30,389 --> 00:15:28,240

the appalachia

406

00:15:31,590 --> 00:15:30,399

you know they have a rich native

407

00:15:35,189 --> 00:15:31,600

american history

408

00:15:39,189 --> 00:15:35,199

and basically the whole us almost every

409

00:15:42,389 --> 00:15:39,199

american tribe even the um inuits

410

00:15:45,269 --> 00:15:42,399

have reports or stories of winged beans

411

00:15:47,430 --> 00:15:45,279

um you know they've called them by many

412

00:15:48,790 --> 00:15:47,440

names like thunderbirds you know the the

413

00:15:51,269 --> 00:15:48,800

harpies the

414

00:15:53,110 --> 00:15:51,279

different but they've all had some kind

415

00:15:56,150 --> 00:15:53,120

of winged humanoid

416

00:15:59,189 --> 00:15:56,160

uh sighting or or

417

00:16:01,670 --> 00:15:59,199

report or story and

418

00:16:03,110 --> 00:16:01,680

so you know those things have to have

419

00:16:05,829 --> 00:16:03,120

comes from somewhere

420

00:16:06,629 --> 00:16:05,839

you know there's a basis even you know

421

00:16:09,670 --> 00:16:06,639

mythology

422

00:16:13,430 --> 00:16:09,680

there's always um somewhere

423

00:16:15,829 --> 00:16:13,440

very very far down the line of truth of

424

00:16:17,269 --> 00:16:15,839

you know a grain of truth and something

425

00:16:20,870 --> 00:16:17,279

that might have started

426

00:16:23,110 --> 00:16:20,880

you know a mess but you know

427

00:16:25,189 --> 00:16:23,120

there's a lot in throughout the entire

428

00:16:27,269 --> 00:16:25,199

world of wing humanoid so

429

00:16:28,230 --> 00:16:27,279

you know to say that this is something

430

00:16:31,509 --> 00:16:28,240

that's recent

431

00:16:33,110 --> 00:16:31,519

is you know it's just false i mean it's

432

00:16:34,550 --> 00:16:33,120

this is something that's been going on

433

00:16:36,710 --> 00:16:34,560

for possibly

434

00:16:38,790 --> 00:16:36,720

centuries maybe millennium before we

435

00:16:41,030 --> 00:16:38,800

even knew about it

436

00:16:43,269 --> 00:16:41,040

oh yeah i mean definitely yeah yeah but

437

00:16:46,629 --> 00:16:43,279

you know the upper midwest

438

00:16:50,150 --> 00:16:46,639

uh has had oh my god

439

00:16:53,189 --> 00:16:50,160

it's had centuries worth of uh flying

440

00:16:56,310 --> 00:16:53,199

cryptid reports when critter reports

441

00:16:58,949 --> 00:16:56,320

uh and you know all that comes from the

442

00:17:01,670 --> 00:16:58,959

native people that had lived there

443

00:17:03,430 --> 00:17:01,680

and uh it is quite astounding when you

444

00:17:04,230 --> 00:17:03,440

start hearing some of the history about

445

00:17:07,429 --> 00:17:04,240

it

446

00:17:09,429 --> 00:17:07,439

uh now as far as what we've been

447

00:17:11,750 --> 00:17:09,439

investigating

448

00:17:14,309 --> 00:17:11,760

uh i don't know i don't know how to

449

00:17:17,189 --> 00:17:14,319

classify it even after all this time

450

00:17:19,110 --> 00:17:17,199

i mean you know i i think there's a

451
00:17:21,510 --> 00:17:19,120
strong possibility

452
00:17:22,470 --> 00:17:21,520
that it's an interdimensional being of

453
00:17:25,110 --> 00:17:22,480
some type

454
00:17:26,789 --> 00:17:25,120
though i believe it is flesh and blood i

455
00:17:30,470 --> 00:17:26,799
think it's corporal

456
00:17:31,909 --> 00:17:30,480
uh but i do believe it has some

457
00:17:34,789 --> 00:17:31,919
abilities to move in and out of

458
00:17:37,990 --> 00:17:34,799
realities now

459
00:17:40,789 --> 00:17:38,000
you know it that that's that's

460
00:17:42,070 --> 00:17:40,799
a guess to me i mean as far as what i

461
00:17:44,630 --> 00:17:42,080
believe it is just by

462
00:17:46,070 --> 00:17:44,640
some of the information we've gotten but

463
00:17:49,270 --> 00:17:46,080

by no way is it

464

00:17:52,310 --> 00:17:49,280

a positive you know a positive theory

465

00:17:54,950 --> 00:17:52,320

uh it's um

466

00:17:57,909 --> 00:17:54,960

you know we we've had people have seen

467

00:18:02,710 --> 00:17:57,919

these things literally disappear

468

00:18:06,310 --> 00:18:02,720

and uh we have had multiple sightings

469

00:18:08,310 --> 00:18:06,320

very as far as time period goes

470

00:18:10,870 --> 00:18:08,320

at you know in different places it's

471

00:18:13,669 --> 00:18:10,880

around the same time

472

00:18:14,070 --> 00:18:13,679

so uh you know the fact that most of

473

00:18:17,110 --> 00:18:14,080

them

474

00:18:21,590 --> 00:18:17,120

did start in the chicago

475

00:18:23,909 --> 00:18:21,600

area it has kind of branched out and uh

476
00:18:25,510 --> 00:18:23,919
you know it's kind of encompassed three

477
00:18:27,669 --> 00:18:25,520
different four different states

478
00:18:29,350 --> 00:18:27,679
including michigan four different states

479
00:18:32,710 --> 00:18:29,360
now so

480
00:18:34,710 --> 00:18:32,720
and the thing about it is because

481
00:18:35,990 --> 00:18:34,720
it's in the chicago area that's what

482
00:18:38,710 --> 00:18:36,000
makes it

483
00:18:39,750 --> 00:18:38,720
so unique because all of the

484
00:18:43,510 --> 00:18:39,760
conventional

485
00:18:46,230 --> 00:18:43,520
explanations can't apply here

486
00:18:47,750 --> 00:18:46,240
um when we had the first sightings that

487
00:18:50,710 --> 00:18:47,760
after the three initial ones that

488
00:18:51,909 --> 00:18:50,720

kicked off in 2017 we had uh the

489

00:18:54,070 --> 00:18:51,919

columbus bridge

490

00:18:55,350 --> 00:18:54,080

uh citing it like the one with the lady

491

00:18:58,710 --> 00:18:55,360

saw two of them

492

00:19:01,029 --> 00:18:58,720

kind of doing figure eights amongst uh

493

00:19:02,630 --> 00:19:01,039

with each other at the marina there at

494

00:19:05,590 --> 00:19:02,640

the on the lakefront

495

00:19:07,270 --> 00:19:05,600

right and i remember the first thing i

496

00:19:08,830 --> 00:19:07,280

heard from mufon that's a guy in a

497

00:19:11,510 --> 00:19:08,840

wingsuit

498

00:19:13,909 --> 00:19:11,520

yeah so

499

00:19:15,830 --> 00:19:13,919

i went out and found somebody who was an

500

00:19:17,909 --> 00:19:15,840

expert and i showed them like okay

501
00:19:19,270 --> 00:19:17,919
here's the columbus bridge you know the

502
00:19:21,590 --> 00:19:19,280
columbus avenue bridge

503
00:19:24,230 --> 00:19:21,600
can i fly under it around it and go

504
00:19:27,350 --> 00:19:24,240
around he's like that's suicide like

505
00:19:28,950 --> 00:19:27,360
you're basically a a wing suit you're

506
00:19:32,950 --> 00:19:28,960
not in flight it's a controlled

507
00:19:34,230 --> 00:19:32,960
fall at speeds well in excess of a

508
00:19:36,630 --> 00:19:34,240
hundred miles an hour

509
00:19:38,070 --> 00:19:36,640
you're not going to you're not going to

510
00:19:40,310 --> 00:19:38,080
be doing figure eights with each other

511
00:19:41,510 --> 00:19:40,320
because if you miscalculate even by a

512
00:19:43,270 --> 00:19:41,520
microsecond

513
00:19:45,110 --> 00:19:43,280

you will collide with each other at high

514

00:19:46,630 --> 00:19:45,120

speeds that if that impact doesn't kill

515

00:19:49,990 --> 00:19:46,640

you the fall will

516

00:19:50,870 --> 00:19:50,000

um and if you try it anywhere in the

517

00:19:52,630 --> 00:19:50,880

city

518

00:19:54,230 --> 00:19:52,640

you are going to end up splattered

519

00:19:57,430 --> 00:19:54,240

against you know a bridge

520

00:20:00,150 --> 00:19:57,440

uh or of a building and

521

00:20:01,990 --> 00:20:00,160

on top of the fact the chicago lakefront

522

00:20:03,190 --> 00:20:02,000

is a no-fly zone other than for law

523

00:20:05,909 --> 00:20:03,200

enforcement and

524

00:20:07,909 --> 00:20:05,919

the coast guard and it is heavily

525

00:20:10,950 --> 00:20:07,919

patrolled

526

00:20:14,230 --> 00:20:10,960

and you pulled a stunt like that

527

00:20:16,070 --> 00:20:14,240

they would be waiting for you uh

528

00:20:17,270 --> 00:20:16,080

when you landed wherever you were they

529

00:20:20,710 --> 00:20:17,280

would be waiting

530

00:20:21,750 --> 00:20:20,720

uh to arrest you um we had an incident

531

00:20:25,190 --> 00:20:21,760

about

532

00:20:28,549 --> 00:20:25,200

when they were building us

533

00:20:31,590 --> 00:20:28,559

one of the skyscrapers in chicago uh

534

00:20:33,830 --> 00:20:31,600

two gentlemen climbed one of the tower

535

00:20:37,350 --> 00:20:33,840

cranes and base jumped

536

00:20:38,549 --> 00:20:37,360

um they they were they were arrested

537

00:20:41,669 --> 00:20:38,559

within i believe

538

00:20:43,669 --> 00:20:41,679

an hour um and it was captured on four

539

00:20:46,230 --> 00:20:43,679

or five different video cameras

540

00:20:47,510 --> 00:20:46,240

um surveillance cameras and people just

541

00:20:50,310 --> 00:20:47,520

seeing you know

542

00:20:50,870 --> 00:20:50,320

they said that when the the parachutes

543

00:20:52,870 --> 00:20:50,880

opened

544

00:20:54,070 --> 00:20:52,880

it's just the edible woosh to be heard

545

00:20:56,310 --> 00:20:54,080

for blocks

546

00:20:57,669 --> 00:20:56,320

windows that when they open they have a

547

00:21:00,390 --> 00:20:57,679

pop to them

548

00:21:01,590 --> 00:21:00,400

and that resonated that just attracted

549

00:21:03,430 --> 00:21:01,600

people's attention

550

00:21:04,789 --> 00:21:03,440

now that's two base jumpers in the

551
00:21:07,350 --> 00:21:04,799
middle of the night

552
00:21:07,990 --> 00:21:07,360
uh imagine somebody in broad daylight

553
00:21:11,590 --> 00:21:08,000
doing this

554
00:21:13,909 --> 00:21:11,600
with a wingsuit um it's gonna be all

555
00:21:16,870 --> 00:21:13,919
over the news

556
00:21:18,549 --> 00:21:16,880
you know probably you know the channel

557
00:21:21,110 --> 00:21:18,559
seven news at six o'clock show them

558
00:21:23,990 --> 00:21:21,120
scraping them off a building or

559
00:21:25,510 --> 00:21:24,000
off a bridge but i mean that kind of a

560
00:21:28,870 --> 00:21:25,520
stunt would be

561
00:21:31,430 --> 00:21:28,880
it's just it was impossible and i just

562
00:21:32,710 --> 00:21:31,440
loved how some of these uh explanations

563
00:21:35,990 --> 00:21:32,720

you know the kite

564

00:21:37,830 --> 00:21:36,000

the a wings a drone uh

565

00:21:39,990 --> 00:21:37,840

on top of the fact though the billy bass

566

00:21:43,909 --> 00:21:40,000

ones i believe were the drones

567

00:21:45,190 --> 00:21:43,919

uh because he was right by midway

568

00:21:47,510 --> 00:21:45,200

and they're saying oh it's a drone it's

569

00:21:50,230 --> 00:21:47,520

a drone no he was literally

570

00:21:51,669 --> 00:21:50,240

across the street from a major airport

571

00:21:54,310 --> 00:21:51,679

um

572

00:21:56,390 --> 00:21:54,320

they will not let you fly a drone in

573

00:21:58,230 --> 00:21:56,400

that area

574

00:21:59,830 --> 00:21:58,240

i mean imagine the consequence of one of

575

00:22:00,390 --> 00:21:59,840

those drones got sucked up into an

576
00:22:03,510 --> 00:22:00,400
engine

577
00:22:06,710 --> 00:22:03,520
of a jet that was taken off uh

578
00:22:08,070 --> 00:22:06,720
you know it would bring down a large

579
00:22:09,909 --> 00:22:08,080
drone would bring down one of those

580
00:22:12,310 --> 00:22:09,919
engines oh people could die

581
00:22:14,070 --> 00:22:12,320
yeah oh that'd be hell to pay for that

582
00:22:17,430 --> 00:22:14,080
yeah so

583
00:22:19,510 --> 00:22:17,440
just the normal explanations are so

584
00:22:20,470 --> 00:22:19,520
they're out they're just thrown out you

585
00:22:23,750 --> 00:22:20,480
know

586
00:22:25,430 --> 00:22:23,760
and the environment you're

587
00:22:26,789 --> 00:22:25,440
you're talking so that's what makes it

588
00:22:29,029 --> 00:22:26,799

so unique

589

00:22:29,990 --> 00:22:29,039

um on top of the fact this is the third

590

00:22:32,950 --> 00:22:30,000

largest city

591

00:22:35,430 --> 00:22:32,960

in the nation i mean just i live in

592

00:22:38,230 --> 00:22:35,440

melrose park which is a suburb and

593

00:22:39,909 --> 00:22:38,240

i could draw a circle a one mile circuit

594

00:22:41,909 --> 00:22:39,919

and i can guarantee there's at least

595

00:22:46,070 --> 00:22:41,919

close to a million people

596

00:22:46,950 --> 00:22:46,080

around me um it's a densely populated

597

00:22:49,750 --> 00:22:46,960

area that's

598

00:22:50,470 --> 00:22:49,760

active even even now with kova there's

599

00:22:53,669 --> 00:22:50,480

still

600

00:22:54,789 --> 00:22:53,679

people out and about especially along

601
00:22:57,029 --> 00:22:54,799
the lakefront

602
00:22:59,350 --> 00:22:57,039
right now you know for these things to

603
00:23:02,630 --> 00:22:59,360
be happening and happening on such

604
00:23:03,510 --> 00:23:02,640
a regular basis it's just um it makes it

605
00:23:05,430 --> 00:23:03,520
unique and

606
00:23:07,029 --> 00:23:05,440
that's what also gives it a good

607
00:23:10,310 --> 00:23:07,039
investigative perspective because

608
00:23:12,390 --> 00:23:10,320
all of the normal all of the normal

609
00:23:14,149 --> 00:23:12,400
explanations go out the window because

610
00:23:16,230 --> 00:23:14,159
of the environment you're dealing with

611
00:23:17,750 --> 00:23:16,240
oh for sure and you know honestly like

612
00:23:21,270 --> 00:23:17,760
if i just add on a

613
00:23:24,070 --> 00:23:21,280

a little bit uh to the the so-called

614

00:23:25,830 --> 00:23:24,080

early skeptical explanations i mean

615

00:23:28,070 --> 00:23:25,840

what was so frustrating about those to

616

00:23:30,630 --> 00:23:28,080

me is because again like i don't

617

00:23:31,990 --> 00:23:30,640

i don't mind a mundane explanation if

618

00:23:34,549 --> 00:23:32,000

that's what we land on

619

00:23:35,990 --> 00:23:34,559

but we weren't talking about you know

620

00:23:38,230 --> 00:23:36,000

investigators out there talking

621

00:23:40,950 --> 00:23:38,240

to people really doing good

622

00:23:43,909 --> 00:23:40,960

investigation they were literally just

623

00:23:44,470 --> 00:23:43,919

dismissive explanations that were

624

00:23:48,230 --> 00:23:44,480

seemingly

625

00:23:49,990 --> 00:23:48,240

that they thought of and then they

626

00:23:51,669 --> 00:23:50,000

they decided without really

627

00:23:55,190 --> 00:23:51,679

investigating that that's what

628

00:23:57,269 --> 00:23:55,200

it had to be so that's what it was

629

00:23:59,669 --> 00:23:57,279

well you know i i think i think the

630

00:24:02,630 --> 00:23:59,679

problem with this

631

00:24:05,029 --> 00:24:02,640

uh and especially mufon you know mufon

632

00:24:07,269 --> 00:24:05,039

got these reports initially

633

00:24:08,390 --> 00:24:07,279

and i think it kind of chapped their

634

00:24:10,630 --> 00:24:08,400

butts when you know

635

00:24:11,430 --> 00:24:10,640

when they found that somebody else was

636

00:24:13,149 --> 00:24:11,440

actually

637

00:24:14,549 --> 00:24:13,159

making some headway into these

638

00:24:16,710 --> 00:24:14,559

investigations

639

00:24:18,630 --> 00:24:16,720

and they did nothing they had they had

640

00:24:21,590 --> 00:24:18,640

no intention of even

641

00:24:22,470 --> 00:24:21,600

looking into these sightings right and

642

00:24:24,549 --> 00:24:22,480

uh

643

00:24:27,269 --> 00:24:24,559

you know i think that's a big rate a

644

00:24:30,950 --> 00:24:27,279

reason why we got a lot of pushback

645

00:24:33,110 --> 00:24:30,960

yes yes exactly and just some of the

646

00:24:34,630 --> 00:24:33,120

i mean surprises right they were

647

00:24:36,310 --> 00:24:34,640

grasping at straws you're just throwing

648

00:24:37,269 --> 00:24:36,320

up on the wall see what they could stick

649

00:24:40,310 --> 00:24:37,279

um

650

00:24:41,830 --> 00:24:40,320

i believe the one we were on a show or i

651
00:24:43,110 --> 00:24:41,840
was on a show with a mufon investigator

652
00:24:45,510 --> 00:24:43,120
i believe you guys were

653
00:24:47,269 --> 00:24:45,520
uh listening in with me because we were

654
00:24:49,750 --> 00:24:47,279
all talking but

655
00:24:51,110 --> 00:24:49,760
uh the one the one uh sighting i believe

656
00:24:52,630 --> 00:24:51,120
was the second of the trio

657
00:24:54,149 --> 00:24:52,640
where she saw it over the lake and then

658
00:24:56,549 --> 00:24:54,159
they saw a light

659
00:24:57,350 --> 00:24:56,559
afterwards i know that the green light

660
00:24:59,029 --> 00:24:57,360
yeah

661
00:25:00,789 --> 00:24:59,039
and he said oh that was a freighter that

662
00:25:03,750 --> 00:25:00,799
was a freighter at night i said

663
00:25:05,190 --> 00:25:03,760

no a freighter is huge and i've seen the

664

00:25:08,870 --> 00:25:05,200

ships that go up and down the

665

00:25:11,269 --> 00:25:08,880

the lakefront going toward uh the ports

666

00:25:12,310 --> 00:25:11,279

they're huge they're ocean-going vessels

667

00:25:15,510 --> 00:25:12,320

they're huge

668

00:25:18,310 --> 00:25:15,520

from stem to stern are lit up

669

00:25:19,990 --> 00:25:18,320

um you know because people are working

670

00:25:23,590 --> 00:25:20,000

it's a 24-hour facility

671

00:25:25,909 --> 00:25:23,600

and it's it's completely they're lit up

672

00:25:26,870 --> 00:25:25,919

um and then there are also like certain

673

00:25:28,549 --> 00:25:26,880

laws that you

674

00:25:30,870 --> 00:25:28,559

that say you have to have this amount of

675

00:25:33,590 --> 00:25:30,880

lighting and how could they say there's

676
00:25:34,549 --> 00:25:33,600
one green orb and say that was a

677
00:25:36,549 --> 00:25:34,559
freighter

678
00:25:38,470 --> 00:25:36,559
uh that was his explaining that was a

679
00:25:41,510 --> 00:25:38,480
freighter um

680
00:25:43,750 --> 00:25:41,520
the one with uh i believe the

681
00:25:45,669 --> 00:25:43,760
humble park that was probably somebody

682
00:25:49,029 --> 00:25:45,679
in a costume

683
00:25:51,430 --> 00:25:49,039
um i live in the chicago area

684
00:25:53,110 --> 00:25:51,440
and humble park although it's changed in

685
00:25:54,549 --> 00:25:53,120
the last few years it used to be one of

686
00:25:55,990 --> 00:25:54,559
the worst neighborhoods you would

687
00:25:57,990 --> 00:25:56,000
you would not go running around in a

688
00:26:01,269 --> 00:25:58,000

suit in the middle of the night

689

00:26:04,549 --> 00:26:01,279

uh in that area without risking yourself

690

00:26:08,230 --> 00:26:04,559

uh to be shot um

691

00:26:09,029 --> 00:26:08,240

but i mean these people saw something on

692

00:26:12,149 --> 00:26:09,039

the ground

693

00:26:13,350 --> 00:26:12,159

and they were right the first thing that

694

00:26:15,029 --> 00:26:13,360

would come to mind that was the first

695

00:26:18,070 --> 00:26:15,039

thing came to mind when i heard uh the

696

00:26:19,510 --> 00:26:18,080

story was you know alec

697

00:26:21,510 --> 00:26:19,520

because we all grew up with those

698

00:26:23,350 --> 00:26:21,520

stories you know that's what the stories

699

00:26:26,230 --> 00:26:23,360

that my grandmother used to use to scare

700

00:26:26,789 --> 00:26:26,240

us um you know into behaviors if you

701
00:26:27,909 --> 00:26:26,799
don't behave

702
00:26:30,390 --> 00:26:27,919
literally it's going to come for you

703
00:26:33,510 --> 00:26:30,400
tonight so um

704
00:26:34,549 --> 00:26:33,520
but you know what was the other one the

705
00:26:36,710 --> 00:26:34,559
one about the uh

706
00:26:38,710 --> 00:26:36,720
chicago in the international fruit

707
00:26:41,510 --> 00:26:38,720
market oh how is the produce market

708
00:26:43,110 --> 00:26:41,520
yeah again the initial one was like how

709
00:26:44,630 --> 00:26:43,120
could that someone seen it it was like

710
00:26:46,950 --> 00:26:44,640
two o'clock in the morning no one was

711
00:26:50,070 --> 00:26:46,960
around i was like no that

712
00:26:52,950 --> 00:26:50,080
i work in trucking that place is active

713
00:26:54,789 --> 00:26:52,960

24 7. especially more at night because

714

00:26:56,070 --> 00:26:54,799

everyone's showing up to

715

00:26:57,830 --> 00:26:56,080

to pick up loads that have to be

716

00:27:01,350 --> 00:26:57,840

delivered the next morning

717

00:27:03,669 --> 00:27:01,360

um so they're all there and you know

718

00:27:04,470 --> 00:27:03,679

this thing was seen by multiple people

719

00:27:07,350 --> 00:27:04,480

and yet

720

00:27:09,350 --> 00:27:07,360

no one bothered to go out there no one

721

00:27:13,269 --> 00:27:09,360

bothered to go out there and

722

00:27:16,230 --> 00:27:13,279

interview uh anybody

723

00:27:17,750 --> 00:27:16,240

out there to in that area i think one

724

00:27:19,190 --> 00:27:17,760

person did but

725

00:27:21,029 --> 00:27:19,200

when they went out there it was during

726

00:27:23,350 --> 00:27:21,039

the middle of the day so

727

00:27:24,230 --> 00:27:23,360

she's asking the completely wrong people

728

00:27:26,389 --> 00:27:24,240

absolutely

729

00:27:27,990 --> 00:27:26,399

no oh what happened last night i don't

730

00:27:29,750 --> 00:27:28,000

know i i just came out of the ship at

731

00:27:32,310 --> 00:27:29,760

six o'clock in the morning

732

00:27:33,990 --> 00:27:32,320

oh you know unless there was something

733

00:27:37,430 --> 00:27:34,000

major that i saw in the news

734

00:27:40,710 --> 00:27:37,440

i i wouldn't know you know

735

00:27:41,430 --> 00:27:40,720

um we got we got a question which is i

736

00:27:45,190 --> 00:27:41,440

think is

737

00:27:46,070 --> 00:27:45,200

pretty relevant uh if there's any chance

738

00:27:49,029 --> 00:27:46,080

that

739

00:27:50,950 --> 00:27:49,039

what we're seeing in and around chicago

740

00:27:54,230 --> 00:27:50,960

is related to the mothman

741

00:27:55,350 --> 00:27:54,240

from point pleasant well in my opinion

742

00:27:58,070 --> 00:27:55,360

no

743

00:28:00,230 --> 00:27:58,080

uh i had i had said for quite a while

744

00:28:03,190 --> 00:28:00,240

now that i believe

745

00:28:03,990 --> 00:28:03,200

that the the point pleasant moth man was

746

00:28:07,909 --> 00:28:04,000

a summoned

747

00:28:09,990 --> 00:28:07,919

beam and uh now i'm not saying that

748

00:28:13,269 --> 00:28:10,000

these creatures

749

00:28:15,430 --> 00:28:13,279

in uh chicago area or lake

750

00:28:16,870 --> 00:28:15,440

michigan area are not summoned beings

751
00:28:19,269 --> 00:28:16,880
but the whole

752
00:28:21,029 --> 00:28:19,279
body structure wing structure was quite

753
00:28:22,149 --> 00:28:21,039
different than what's being reported to

754
00:28:25,510 --> 00:28:22,159
us

755
00:28:28,389 --> 00:28:25,520
uh in fact i mean this this moth man

756
00:28:30,070 --> 00:28:28,399
looked like a mall basically it though

757
00:28:32,149 --> 00:28:30,080
it was humanoid it had

758
00:28:33,590 --> 00:28:32,159
but it had the moth wings or butterfly

759
00:28:36,870 --> 00:28:33,600
type wings

760
00:28:38,470 --> 00:28:36,880
uh it did have the big red eyes though

761
00:28:41,269 --> 00:28:38,480
they were set further down

762
00:28:42,830 --> 00:28:41,279
into the body it actually had a body

763
00:28:45,510 --> 00:28:42,840

that was

764

00:28:47,830 --> 00:28:45,520

somewhat more substantial than what

765

00:28:51,269 --> 00:28:47,840

they're seeing out in chicago

766

00:28:52,230 --> 00:28:51,279

and uh it did seem to be somewhat

767

00:28:56,149 --> 00:28:52,240

aggressive

768

00:29:00,630 --> 00:28:56,159

i believe it was there uh to protect

769

00:29:01,190 --> 00:29:00,640

whatever spirit was around that tnt area

770

00:29:03,430 --> 00:29:01,200

or the

771

00:29:05,750 --> 00:29:03,440

west virginia ordinance works i do

772

00:29:06,710 --> 00:29:05,760

believe it was a summit being like a

773

00:29:09,750 --> 00:29:06,720

sentinel

774

00:29:12,950 --> 00:29:09,760

or guardian and uh i

775

00:29:15,110 --> 00:29:12,960

i do believe that's you know it's much

776

00:29:17,350 --> 00:29:15,120

different than what's being seen

777

00:29:19,669 --> 00:29:17,360

now we've had human we've had wing

778

00:29:20,789 --> 00:29:19,679

humanoid sightings in other places as

779

00:29:25,590 --> 00:29:20,799

well

780

00:29:28,950 --> 00:29:25,600

and uh you know quite frankly

781

00:29:30,789 --> 00:29:28,960

many very few well let's put it this way

782

00:29:32,870 --> 00:29:30,799

many more are much different than what

783

00:29:35,669 --> 00:29:32,880

we're seeing in point pleasant

784

00:29:37,669 --> 00:29:35,679

sure you know it there is definitely a

785

00:29:40,789 --> 00:29:37,679

difference so no i don't believe

786

00:29:41,830 --> 00:29:40,799

it's related anyway to what was seen out

787

00:29:43,750 --> 00:29:41,840

in point blizzard

788

00:29:45,909 --> 00:29:43,760

now this is one of the the rare

789

00:29:49,190 --> 00:29:45,919
occasions where i think lon and i

790

00:29:51,110 --> 00:29:49,200
uh uh disagree somewhat um

791

00:29:52,549 --> 00:29:51,120
because well because i do think there's

792

00:29:55,029 --> 00:29:52,559
some connection i mean

793

00:29:55,590 --> 00:29:55,039
you know i i went back you know and of

794

00:29:57,669 --> 00:29:55,600
course i

795

00:29:59,110 --> 00:29:57,679
reread the the mothman prophecies and

796

00:30:02,710 --> 00:29:59,120
looked at some of the old

797

00:30:06,389 --> 00:30:02,720
uh accounts and stuff and you see

798

00:30:09,830 --> 00:30:06,399
some variation in the the eyewitness

799

00:30:11,110 --> 00:30:09,840
accounts from the 66 to 67 flap in in

800

00:30:14,870 --> 00:30:11,120
west virginia

801
00:30:18,070 --> 00:30:14,880
and people do use descriptors like

802
00:30:20,630 --> 00:30:18,080
a giant bird thing with with red eyes

803
00:30:21,990 --> 00:30:20,640
you know what i mean um and so like like

804
00:30:25,190 --> 00:30:22,000
they're they're

805
00:30:28,789 --> 00:30:25,200
there is that similarity that exists now

806
00:30:32,549 --> 00:30:28,799
definitely not all or even most of

807
00:30:34,549 --> 00:30:32,559
the uh lake michigan sightings match

808
00:30:35,669 --> 00:30:34,559
exactly you know what people were

809
00:30:38,149 --> 00:30:35,679
describing in

810
00:30:40,230 --> 00:30:38,159
in point pleasant but some of them do

811
00:30:43,590 --> 00:30:40,240
like some of them definitely do

812
00:30:44,950 --> 00:30:43,600
um at least you know some of the the

813
00:30:46,710 --> 00:30:44,960

sightings you know because again there

814

00:30:48,470 --> 00:30:46,720

was some variation you know

815

00:30:50,549 --> 00:30:48,480

between witnesses which is exactly what

816

00:30:54,230 --> 00:30:50,559

you would expect that always happens

817

00:30:57,029 --> 00:30:54,240

and so like that combined with the

818

00:30:58,470 --> 00:30:57,039

general experience that people describe

819

00:31:00,230 --> 00:30:58,480

you know like there's this sort of

820

00:31:03,509 --> 00:31:00,240

specific narrative

821

00:31:05,990 --> 00:31:03,519

of you know people being out

822

00:31:07,909 --> 00:31:06,000

doing something relatively innocuous

823

00:31:08,710 --> 00:31:07,919

whether it's you know hanging out in an

824

00:31:11,990 --> 00:31:08,720

old tnt

825

00:31:13,750 --> 00:31:12,000

area with you know your your friends or

826

00:31:15,350 --> 00:31:13,760

you know hanging out in the park in

827

00:31:17,110 --> 00:31:15,360

chicago or something

828

00:31:18,950 --> 00:31:17,120

where they're just outgoing about their

829

00:31:21,830 --> 00:31:18,960

business and they run headlong

830

00:31:23,350 --> 00:31:21,840

into this winged being that scares the

831

00:31:25,350 --> 00:31:23,360

crap out of them

832

00:31:26,950 --> 00:31:25,360

and you know they they report this

833

00:31:29,990 --> 00:31:26,960

almost like supernatural

834

00:31:32,070 --> 00:31:30,000

fear um and so that's that's another

835

00:31:34,630 --> 00:31:32,080

connection that that's really stuck with

836

00:31:36,630 --> 00:31:34,640

me um and so you know i i don't know it

837

00:31:38,470 --> 00:31:36,640

that it's the same creature

838

00:31:40,149 --> 00:31:38,480

but i think yeah that's what i meant i

839

00:31:42,149 --> 00:31:40,159

don't think it's the same creature

840

00:31:43,509 --> 00:31:42,159

oh sure yeah i just think it's it's at

841

00:31:46,950 --> 00:31:43,519

least related

842

00:31:48,149 --> 00:31:46,960

uh in in in the way that you know i i

843

00:31:51,430 --> 00:31:48,159

think these things come

844

00:31:51,830 --> 00:31:51,440

from the same place kind of you know

845

00:31:54,789 --> 00:31:51,840

like

846

00:31:56,710 --> 00:31:54,799

they they they operate on the same level

847

00:31:59,509 --> 00:31:56,720

oh yeah i agree with that i mean

848

00:32:02,870 --> 00:31:59,519

i i think they're definitely beings from

849

00:32:05,990 --> 00:32:02,880

another reality i i that i do believe

850

00:32:09,509 --> 00:32:06,000

now uh but why

851
00:32:12,710 --> 00:32:09,519
all these sightings in the chicago

852
00:32:14,149 --> 00:32:12,720
area i i don't know uh you know that's

853
00:32:14,950 --> 00:32:14,159
something we just haven't been able to

854
00:32:18,310 --> 00:32:14,960
figure out

855
00:32:20,549 --> 00:32:18,320
why they are showing up uh

856
00:32:21,669 --> 00:32:20,559
why you know what's the reason for it

857
00:32:23,269 --> 00:32:21,679
you know

858
00:32:25,110 --> 00:32:23,279
i mean that's a great question we may

859
00:32:28,230 --> 00:32:25,120
never figure that out

860
00:32:31,750 --> 00:32:28,240
right so uh you know

861
00:32:32,470 --> 00:32:31,760
i i just i just believe that well just

862
00:32:34,389 --> 00:32:32,480
like

863
00:32:36,149 --> 00:32:34,399

more recently we've been getting these

864

00:32:39,509 --> 00:32:36,159

settings in and around the uh

865

00:32:42,789 --> 00:32:39,519

o'hare international airport uh since

866

00:32:44,549 --> 00:32:42,799

october 1st actually and uh well

867

00:32:46,389 --> 00:32:44,559

manuel's been out there he's been

868

00:32:47,590 --> 00:32:46,399

investigating he actually saw something

869

00:32:50,950 --> 00:32:47,600

as well

870

00:32:52,710 --> 00:32:50,960

but uh you know like why is this

871

00:32:56,070 --> 00:32:52,720

happening out there

872

00:33:01,269 --> 00:32:56,080

i mean we do have a ufo report

873

00:33:03,830 --> 00:33:01,279

that may actually be related to it

874

00:33:05,190 --> 00:33:03,840

the person did see some type of humanoid

875

00:33:08,710 --> 00:33:05,200

or being

876

00:33:11,269 --> 00:33:08,720

ascend into the ufo but

877

00:33:12,710 --> 00:33:11,279

not enough evidence to believe that it

878

00:33:15,110 --> 00:33:12,720

was a wing being the

879

00:33:17,190 --> 00:33:15,120

you know we don't know uh there was a

880

00:33:20,389 --> 00:33:17,200

sighting in rosemont

881

00:33:22,950 --> 00:33:20,399

where an an alien type being

882

00:33:25,830 --> 00:33:22,960

was seen in the presence of this thing

883

00:33:28,870 --> 00:33:25,840

as well as two female

884

00:33:32,070 --> 00:33:28,880

possibly humanoids possibly

885

00:33:35,190 --> 00:33:32,080

some type of extraterrestrial

886

00:33:37,990 --> 00:33:35,200

uh and you know in the presence

887

00:33:39,430 --> 00:33:38,000

there was a blue flash of light the the

888

00:33:42,470 --> 00:33:39,440

alien and the two

889

00:33:45,430 --> 00:33:42,480

females suddenly disappeared

890

00:33:46,870 --> 00:33:45,440

and this winged being took off and flew

891

00:33:50,630 --> 00:33:46,880

away

892

00:33:54,149 --> 00:33:50,640

um dad's sighting as well

893

00:33:56,789 --> 00:33:54,159

had a almost like an mib men in black

894

00:33:58,310 --> 00:33:56,799

experience with it where somebody came

895

00:34:00,630 --> 00:33:58,320

up to the witness

896

00:34:02,950 --> 00:34:00,640

and wanted her to tell them about it

897

00:34:04,950 --> 00:34:02,960

though there was no way

898

00:34:05,990 --> 00:34:04,960

they got any information from us because

899

00:34:07,909 --> 00:34:06,000

we had just started

900

00:34:09,750 --> 00:34:07,919

talking well now you're talking to her

901
00:34:10,869 --> 00:34:09,760
we had just started communicating with

902
00:34:14,950 --> 00:34:10,879
her

903
00:34:18,149 --> 00:34:14,960
and uh we hadn't said a thing to anybody

904
00:34:21,270 --> 00:34:18,159
so there are a lot of variables

905
00:34:23,990 --> 00:34:21,280
that are going on basically

906
00:34:26,069 --> 00:34:24,000
and i mean and a lot of this this stuff

907
00:34:29,669 --> 00:34:26,079
has only been going on now since

908
00:34:30,069 --> 00:34:29,679
since october so i don't know you know

909
00:34:33,750 --> 00:34:30,079
and this

910
00:34:36,389 --> 00:34:33,760
this other thing that we got recently

911
00:34:38,310 --> 00:34:36,399
with the uh the humanoid possible

912
00:34:41,829 --> 00:34:38,320
humanoid scene

913
00:34:42,790 --> 00:34:41,839

uh behind the uh convention center back

914

00:34:45,909 --> 00:34:42,800

there in

915

00:34:50,869 --> 00:34:45,919

rosemont well

916

00:34:55,510 --> 00:34:54,470

these uh uh preservation areas seem to

917

00:34:58,470 --> 00:34:55,520

be

918

00:35:00,470 --> 00:34:58,480

quite active with these humanoids that

919

00:35:03,589 --> 00:35:00,480

is the first time we've heard that

920

00:35:05,270 --> 00:35:03,599

oh we've had we had the one in uh

921

00:35:06,870 --> 00:35:05,280

schiller woods i was just gonna bring

922

00:35:09,349 --> 00:35:06,880

that up yeah yeah

923

00:35:10,790 --> 00:35:09,359

and they actively said they were there

924

00:35:13,829 --> 00:35:10,800

to do a wicked ritual

925

00:35:16,950 --> 00:35:13,839

and i know for a fact by i have

926

00:35:18,630 --> 00:35:16,960

i myself am pagan and i have quite a lot

927

00:35:20,710 --> 00:35:18,640

of friends in the community

928

00:35:23,030 --> 00:35:20,720

they go out to reserve the preserve

929

00:35:23,349 --> 00:35:23,040

because it's quiet no one's gonna bother

930

00:35:25,990 --> 00:35:23,359

you

931

00:35:27,990 --> 00:35:26,000

uh and for the most part everyone just

932

00:35:30,790 --> 00:35:28,000

leaves themselves leaves you alone

933

00:35:31,910 --> 00:35:30,800

um and you can go in there and pretty

934

00:35:35,349 --> 00:35:31,920

much get away from

935

00:35:36,630 --> 00:35:35,359

everybody um and still walk out be

936

00:35:39,829 --> 00:35:36,640

within walking distance of

937

00:35:40,470 --> 00:35:39,839

cars or whatever and yeah a lot of

938

00:35:42,390 --> 00:35:40,480

places

939

00:35:44,950 --> 00:35:42,400

you go out there and you will see a lot

940

00:35:47,510 --> 00:35:44,960

of like you know little you know

941

00:35:48,230 --> 00:35:47,520

impromptu altars that have been made or

942

00:35:50,710 --> 00:35:48,240

you know little

943

00:35:51,670 --> 00:35:50,720

uh where they've had like a fire going

944

00:35:54,630 --> 00:35:51,680

or something

945

00:35:56,470 --> 00:35:54,640

so and they said in that sighting that

946

00:35:57,829 --> 00:35:56,480

they were out there to do a ritual and

947

00:35:59,910 --> 00:35:57,839

they were in the middle of a ritual when

948

00:36:01,910 --> 00:35:59,920

the sighting happened

949

00:36:04,230 --> 00:36:01,920

see that's not the only pagan connection

950

00:36:07,349 --> 00:36:04,240

we have too because i talked to

951
00:36:10,470 --> 00:36:07,359
a witch in chicago uh

952
00:36:14,069 --> 00:36:10,480
had to be back in 2017 2018

953
00:36:16,390 --> 00:36:14,079
and uh she talked about how uh

954
00:36:18,950 --> 00:36:16,400
just before all of this stuff started

955
00:36:21,589 --> 00:36:18,960
happening like the 2017 stuff

956
00:36:22,069 --> 00:36:21,599
started happening uh she had been out

957
00:36:25,750 --> 00:36:22,079
with

958
00:36:25,990 --> 00:36:25,760
her uh girlfriend uh along the shore of

959
00:36:28,310 --> 00:36:26,000
lake

960
00:36:30,390 --> 00:36:28,320
michigan and they had performed uh this

961
00:36:33,190 --> 00:36:30,400
summoning ritual it was a blood moon

962
00:36:33,670 --> 00:36:33,200
that that night and and they wanted to

963
00:36:37,190 --> 00:36:33,680

sort of

964

00:36:40,230 --> 00:36:37,200

uh try to open a door to the other world

965

00:36:43,190 --> 00:36:40,240

and as a result she had uh she

966

00:36:44,630 --> 00:36:43,200

she said that she had this sort of uh uh

967

00:36:47,270 --> 00:36:44,640

ecstatic vision for

968

00:36:48,870 --> 00:36:47,280

for lack of a better term where you know

969

00:36:51,190 --> 00:36:48,880

she saw what appeared to be

970

00:36:53,430 --> 00:36:51,200

you know these bat creatures coming out

971

00:36:53,990 --> 00:36:53,440

of of this this sort of portal as a

972

00:36:57,190 --> 00:36:54,000

result

973

00:36:58,870 --> 00:36:57,200

of of conducting this ritual so i mean i

974

00:37:02,150 --> 00:36:58,880

don't know how that might be

975

00:37:05,670 --> 00:37:02,160

uh connected but it certainly seems

976

00:37:06,790 --> 00:37:05,680

uh uh suspicious if if nothing else you

977

00:37:10,230 --> 00:37:06,800

know it seems like

978

00:37:13,430 --> 00:37:10,240

it could be connected in some way well

979

00:37:17,030 --> 00:37:13,440

you know another thing uh we had

980

00:37:18,310 --> 00:37:17,040

nine sightings in the little village

981

00:37:21,109 --> 00:37:18,320

area

982

00:37:22,470 --> 00:37:21,119

and of course that's a highly hispanic

983

00:37:25,670 --> 00:37:22,480

neighborhood

984

00:37:28,950 --> 00:37:25,680

a lot of uh different beliefs

985

00:37:32,230 --> 00:37:28,960

there uh possibly

986

00:37:34,870 --> 00:37:32,240

santa majerto or even

987

00:37:36,870 --> 00:37:34,880

something else yeah you have people

988

00:37:38,630 --> 00:37:36,880

there in that area who practice santeria

989

00:37:42,069 --> 00:37:38,640

they practice bruhidia they

990

00:37:42,630 --> 00:37:42,079

practice kurandera uh a lot of those

991

00:37:46,069 --> 00:37:42,640

places

992

00:37:48,630 --> 00:37:46,079

do deal with summoning and in fact

993

00:37:49,349 --> 00:37:48,640

interesting fact a lechuza is a summon

994

00:37:51,829 --> 00:37:49,359

creature

995

00:37:52,870 --> 00:37:51,839

right it's it's summoned to do the work

996

00:37:55,990 --> 00:37:52,880

of the witch or

997

00:37:59,030 --> 00:37:56,000

a witch who's transformed themselves and

998

00:38:02,230 --> 00:37:59,040

it is very very prominent in

999

00:38:03,109 --> 00:38:02,240

a little village there's you could take

1000

00:38:05,190 --> 00:38:03,119

a drive down

1001
00:38:06,630 --> 00:38:05,200
uh the middle of little village down the

1002
00:38:10,150 --> 00:38:06,640
main drag and

1003
00:38:12,230 --> 00:38:10,160
pass at least a dozen botanicals

1004
00:38:13,190 --> 00:38:12,240
uh which are just stores that cater

1005
00:38:16,310 --> 00:38:13,200
toward

1006
00:38:18,870 --> 00:38:16,320
blue geria santeria folk

1007
00:38:19,829 --> 00:38:18,880
folk remedies uh right plus there's also

1008
00:38:22,550 --> 00:38:19,839
a burgeoning

1009
00:38:23,510 --> 00:38:22,560
um religious group there that's that's

1010
00:38:27,109 --> 00:38:23,520
kind of taken basically

1011
00:38:28,710 --> 00:38:27,119
based on la suantan uh that also deals

1012
00:38:30,310 --> 00:38:28,720
with witchcraft

1013
00:38:32,390 --> 00:38:30,320

you know i think we're gonna have to

1014

00:38:35,750 --> 00:38:32,400
eventually look into a lot of that

1015

00:38:37,750 --> 00:38:35,760
a little more um

1016

00:38:39,030 --> 00:38:37,760
though i don't think we've had any

1017

00:38:40,870 --> 00:38:39,040
sightings

1018

00:38:42,069 --> 00:38:40,880
in that neighborhood for almost two

1019

00:38:45,190 --> 00:38:42,079
years now i think

1020

00:38:45,990 --> 00:38:45,200
but you know i i i think with all this

1021

00:38:49,510 --> 00:38:46,000
different type

1022

00:38:52,230 --> 00:38:49,520
of summoning and you know whatever

1023

00:38:53,829 --> 00:38:52,240
has been going on maybe this this is a

1024

00:38:58,550 --> 00:38:53,839
uh

1025

00:39:02,390 --> 00:38:58,560
this energy

1026
00:39:02,630 --> 00:39:02,400
kind of coming together uh and opening

1027
00:39:05,829 --> 00:39:02,640
up

1028
00:39:07,990 --> 00:39:05,839
some type of doorway to to this thing

1029
00:39:09,510 --> 00:39:08,000
i mean and we've we've had other

1030
00:39:12,550 --> 00:39:09,520
theories as well

1031
00:39:15,270 --> 00:39:12,560
uh you know of course i keep

1032
00:39:16,150 --> 00:39:15,280
people keep telling me they believe that

1033
00:39:18,230 --> 00:39:16,160
and and

1034
00:39:20,950 --> 00:39:18,240
i think tobias believes a lot this is

1035
00:39:25,030 --> 00:39:20,960
possibly a water connection

1036
00:39:27,430 --> 00:39:25,040
uh you know if you look at the map

1037
00:39:28,230 --> 00:39:27,440
and the location of the des plaines

1038
00:39:32,230 --> 00:39:28,240

river

1039

00:39:34,950 --> 00:39:32,240

that thing runs right along the uh

1040

00:39:36,069 --> 00:39:34,960

the west the eastern side of o'hara

1041

00:39:38,470 --> 00:39:36,079

internationally into

1042

00:39:40,230 --> 00:39:38,480

uh rosemont and there's several

1043

00:39:43,030 --> 00:39:40,240

preserves north of that

1044

00:39:44,310 --> 00:39:43,040

where we have had sightings that river

1045

00:39:47,430 --> 00:39:44,320

runs right through

1046

00:39:49,270 --> 00:39:47,440

so i mean is the possibility that that

1047

00:39:53,190 --> 00:39:49,280

may be

1048

00:39:55,349 --> 00:39:53,200

involved as well so i don't know

1049

00:39:57,109 --> 00:39:55,359

sure i mean there's a a couple different

1050

00:39:58,790 --> 00:39:57,119

things i i think could be going on with

1051

00:40:00,870 --> 00:39:58,800

with water i mean water has

1052

00:40:02,230 --> 00:40:00,880

has long been associated with uh

1053

00:40:05,349 --> 00:40:02,240

paranormal phenomena

1054

00:40:08,870 --> 00:40:05,359

you know but on a a more

1055

00:40:10,390 --> 00:40:08,880

uh mundane tack um you know some

1056

00:40:12,309 --> 00:40:10,400

some of these sightings like you look at

1057

00:40:14,230 --> 00:40:12,319

like pilsen for instance like the the

1058

00:40:16,550 --> 00:40:14,240

the pilsen sighting where the guy

1059

00:40:18,150 --> 00:40:16,560

you know had his his gopro camera on his

1060

00:40:19,190 --> 00:40:18,160

on his helmet while he was bicycling to

1061

00:40:21,589 --> 00:40:19,200

work and

1062

00:40:23,589 --> 00:40:21,599

saw something you know uh strange in the

1063

00:40:26,150 --> 00:40:23,599

sky and managed to film it and

1064

00:40:27,109 --> 00:40:26,160

and the end result of that uh of that

1065

00:40:28,710 --> 00:40:27,119

film and being

1066

00:40:30,230 --> 00:40:28,720

you know being able to to get some

1067

00:40:30,790 --> 00:40:30,240

stills out of it and blow those up was

1068

00:40:32,390 --> 00:40:30,800

that it

1069

00:40:34,069 --> 00:40:32,400

you know it was it was a large bird he

1070

00:40:38,150 --> 00:40:34,079

was just mistaken

1071

00:40:41,470 --> 00:40:38,160

and so i don't know how many of the

1072

00:40:42,630 --> 00:40:41,480

uh you know sort of water-based or or

1073

00:40:45,670 --> 00:40:42,640

water-adjacent

1074

00:40:46,470 --> 00:40:45,680

sightings that lack the paranormal

1075

00:40:49,349 --> 00:40:46,480

aspects

1076

00:40:50,710 --> 00:40:49,359

of of the other sightings are just

1077

00:40:52,150 --> 00:40:50,720

misidentified birds

1078

00:40:54,309 --> 00:40:52,160

you know because there there are some

1079

00:40:55,510 --> 00:40:54,319

sightings where there's really nothing

1080

00:40:57,030 --> 00:40:55,520

spectacular about them

1081

00:40:58,309 --> 00:40:57,040

uh that's just you know somebody has

1082

00:40:59,270 --> 00:40:58,319

seen something that they couldn't

1083

00:41:02,630 --> 00:40:59,280

identify

1084

00:41:05,589 --> 00:41:02,640

very quickly you know um and and so

1085

00:41:06,390 --> 00:41:05,599

they don't have any of the the fear or

1086

00:41:09,109 --> 00:41:06,400

uh

1087

00:41:10,230 --> 00:41:09,119

associated paranormal phenomena or you

1088

00:41:12,230 --> 00:41:10,240

know any of that

1089

00:41:14,230 --> 00:41:12,240

uh associated with them to make me think

1090

00:41:17,430 --> 00:41:14,240

that they're anything more special so

1091

00:41:19,349 --> 00:41:17,440

it could be that some of them or that

1092

00:41:20,550 --> 00:41:19,359

it appears though as though there's more

1093

00:41:23,030 --> 00:41:20,560

sightings near water

1094

00:41:23,990 --> 00:41:23,040

because some of them are you know these

1095

00:41:26,390 --> 00:41:24,000

these uh

1096

00:41:27,589 --> 00:41:26,400

uh you know herons and cranes and things

1097

00:41:30,790 --> 00:41:27,599

that live

1098

00:41:32,550 --> 00:41:30,800

by water but again like there is

1099

00:41:34,390 --> 00:41:32,560

uh definitely a strong paranormal

1100

00:41:36,790 --> 00:41:34,400

association with water

1101

00:41:38,550 --> 00:41:36,800

and you know like if if you track ufo

1102

00:41:39,510 --> 00:41:38,560

reports for instance like there's always

1103

00:41:41,430 --> 00:41:39,520

a ton of them

1104

00:41:43,589 --> 00:41:41,440

above water like the great lakes lake

1105

00:41:45,510 --> 00:41:43,599

michigan you know i'm sure man welcome

1106

00:41:47,190 --> 00:41:45,520

could talk all about that you know like

1107

00:41:50,309 --> 00:41:47,200

there's there is what for whatever

1108

00:41:55,190 --> 00:41:50,319

reason this strong association with this

1109

00:41:57,829 --> 00:41:55,200

anomalous activity and and water sources

1110

00:41:59,750 --> 00:41:57,839

you know i i think i think it's also

1111

00:42:02,230 --> 00:41:59,760

important to note

1112

00:42:03,510 --> 00:42:02,240

uh some of the witnesses that we have

1113

00:42:07,270 --> 00:42:03,520

received

1114

00:42:10,230 --> 00:42:07,280

reports from over the past four years

1115

00:42:11,510 --> 00:42:10,240

uh we've had airline pilots we've had

1116

00:42:14,710 --> 00:42:11,520

two of those

1117

00:42:17,190 --> 00:42:14,720

we've had security people out o'hara one

1118

00:42:20,790 --> 00:42:17,200

was with the tsa at least

1119

00:42:25,430 --> 00:42:20,800

uh we had a well-decorated

1120

00:42:28,829 --> 00:42:25,440

uh uh fire rescue

1121

00:42:30,710 --> 00:42:28,839

captain who was uh who saw one in

1122

00:42:34,069 --> 00:42:30,720

milwaukee

1123

00:42:37,349 --> 00:42:34,079

we've had two local celebrities

1124

00:42:39,750 --> 00:42:37,359

contact us well one was a

1125

00:42:40,870 --> 00:42:39,760

local celebrity with the signing down in

1126
00:42:43,750 --> 00:42:40,880
indiana

1127
00:42:45,270 --> 00:42:43,760
and then we had deciding along the

1128
00:42:48,710 --> 00:42:45,280
waterfront

1129
00:42:51,829 --> 00:42:48,720
uh by a you know on the lakefront by a

1130
00:42:54,630 --> 00:42:51,839
professional uh sports figure

1131
00:42:57,349 --> 00:42:54,640
from washington dc area who was in

1132
00:43:00,470 --> 00:42:57,359
chicago visiting his mother-in-law

1133
00:43:03,589 --> 00:43:00,480
uh you know we're we are getting reports

1134
00:43:05,510 --> 00:43:03,599
and also the police officers within

1135
00:43:06,790 --> 00:43:05,520
chicago itself we've had several of

1136
00:43:08,790 --> 00:43:06,800
those and we've dropped

1137
00:43:10,870 --> 00:43:08,800
several of those well and there and some

1138
00:43:12,950 --> 00:43:10,880

of them have gone on on the the record

1139

00:43:16,069 --> 00:43:12,960

too like uh david ramos

1140

00:43:17,910 --> 00:43:16,079

uh is an ex-police officer from chicago

1141

00:43:19,270 --> 00:43:17,920

and and he's willing to go on the record

1142

00:43:21,030 --> 00:43:19,280

he put himself out there

1143

00:43:23,109 --> 00:43:21,040

yeah and was willing to talk about his

1144

00:43:24,390 --> 00:43:23,119

his experience so there are people who

1145

00:43:26,630 --> 00:43:24,400

feel strongly enough

1146

00:43:27,910 --> 00:43:26,640

about their experience that you know

1147

00:43:29,030 --> 00:43:27,920

they're they're willing to put

1148

00:43:30,870 --> 00:43:29,040

themselves out there

1149

00:43:32,230 --> 00:43:30,880

yeah i just don't think a lot of people

1150

00:43:33,910 --> 00:43:32,240

realize the

1151

00:43:35,750 --> 00:43:33,920

the range of people that have been

1152

00:43:37,670 --> 00:43:35,760

making these reports

1153

00:43:39,109 --> 00:43:37,680

uh even the woman who worked in the

1154

00:43:42,870 --> 00:43:39,119

mayor's office

1155

00:43:46,230 --> 00:43:42,880

uh in chicago she saw it

1156

00:43:48,550 --> 00:43:46,240

uh as well and made the report um

1157

00:43:51,109 --> 00:43:48,560

you know we have had quite a range of

1158

00:43:53,829 --> 00:43:51,119

witnesses from all parts of the city

1159

00:43:54,230 --> 00:43:53,839

all parts of the suburbs and you know

1160

00:43:58,470 --> 00:43:54,240

and

1161

00:43:59,430 --> 00:43:58,480

uh that's it's it's something that kind

1162

00:44:01,270 --> 00:43:59,440

of makes me

1163

00:44:03,190 --> 00:44:01,280

chuckle every time i hear people

1164

00:44:06,710 --> 00:44:03,200

question it uh you know

1165

00:44:09,349 --> 00:44:06,720

why are we getting all the reports well

1166

00:44:10,870 --> 00:44:09,359

we're getting the reports because i

1167

00:44:12,150 --> 00:44:10,880

wouldn't say we're soliciting the

1168

00:44:14,790 --> 00:44:12,160

reports

1169

00:44:15,910 --> 00:44:14,800

but when somebody goes on google and

1170

00:44:19,190 --> 00:44:15,920

starts

1171

00:44:22,230 --> 00:44:19,200

putting in wing humanoid or flying

1172

00:44:26,069 --> 00:44:22,240

humanoid or flying man or bat

1173

00:44:28,150 --> 00:44:26,079

we're going to come up right so uh

1174

00:44:29,910 --> 00:44:28,160

that's why we get the reports well the

1175

00:44:31,510 --> 00:44:29,920

other part of that too is like i'm sorry

1176
00:44:33,349 --> 00:44:31,520
did i miss something is there somebody

1177
00:44:35,190 --> 00:44:33,359
else like taking these seriously and

1178
00:44:35,750 --> 00:44:35,200
helping people and really investigating

1179
00:44:37,589 --> 00:44:35,760
them

1180
00:44:39,829 --> 00:44:37,599
no you know what i mean like that's

1181
00:44:41,750 --> 00:44:39,839
that's the other part of it

1182
00:44:44,710 --> 00:44:41,760
of course we're getting them like we're

1183
00:44:46,710 --> 00:44:44,720
we're the ones investigating him

1184
00:44:49,030 --> 00:44:46,720
i mean it seems to any other people

1185
00:44:49,829 --> 00:44:49,040
involved or those are trying to disprove

1186
00:44:52,309 --> 00:44:49,839
it or are

1187
00:44:53,349 --> 00:44:52,319
skeptics well the people who just lazily

1188
00:44:57,829 --> 00:44:53,359

dismiss it yeah

1189

00:45:01,430 --> 00:44:59,910

so what do you think uh manuel what do

1190

00:45:04,230 --> 00:45:01,440

you got to say about that

1191

00:45:04,950 --> 00:45:04,240

well i mean we put out put ourselves out

1192

00:45:08,710 --> 00:45:04,960

there

1193

00:45:10,230 --> 00:45:08,720

you know not only do we you know like

1194

00:45:12,230 --> 00:45:10,240

ufo clearinghouse is currently having

1195

00:45:13,270 --> 00:45:12,240

this summer push to try to get more

1196

00:45:15,349 --> 00:45:13,280

sightings so

1197

00:45:17,030 --> 00:45:15,359

i've been putting up little cards flyers

1198

00:45:18,069 --> 00:45:17,040

i've been going to almost every group i

1199

00:45:21,109 --> 00:45:18,079

am i'm on

1200

00:45:23,589 --> 00:45:21,119

uh agnosium and facebook and

1201

00:45:24,150 --> 00:45:23,599

read it and even on you know a few other

1202

00:45:25,670 --> 00:45:24,160

places

1203

00:45:27,349 --> 00:45:25,680

you know putting out the head we've seen

1204

00:45:29,190 --> 00:45:27,359

something you know call

1205

00:45:31,510 --> 00:45:29,200

tobias that's the same thing you do the

1206

00:45:33,910 --> 00:45:31,520

same thing um

1207

00:45:35,750 --> 00:45:33,920

we're not just you know sitting back

1208

00:45:37,910 --> 00:45:35,760

kind of like you know

1209

00:45:39,510 --> 00:45:37,920

other investigators you know just

1210

00:45:41,430 --> 00:45:39,520

writing the coattails of others

1211

00:45:43,270 --> 00:45:41,440

you know we're out there actually

1212

00:45:46,470 --> 00:45:43,280

physically soliciting

1213

00:45:47,910 --> 00:45:46,480

uh you know these things um

1214

00:45:49,670 --> 00:45:47,920

when we were doing the investigations

1215

00:45:51,829 --> 00:45:49,680

during the string of uh

1216

00:45:53,990 --> 00:45:51,839

sightings during the little village i

1217

00:45:56,390 --> 00:45:54,000

was giving people my information

1218

00:45:58,150 --> 00:45:56,400

i was telling them i speak spanish i'm

1219

00:45:59,510 --> 00:45:58,160

going to be here for you and one of

1220

00:46:01,670 --> 00:45:59,520

these in fact they were

1221

00:46:03,510 --> 00:46:01,680

oh you know they were afraid because a

1222

00:46:05,670 --> 00:46:03,520

you know they don't they don't

1223

00:46:07,349 --> 00:46:05,680

they have this thing about especially

1224

00:46:09,109 --> 00:46:07,359

his banking if you talk about it you'll

1225

00:46:12,150 --> 00:46:09,119

re-summon it or it'll hear them

1226

00:46:14,069 --> 00:46:12,160

they'll hear and it'll come back

1227

00:46:15,349 --> 00:46:14,079

or they were afraid that you know

1228

00:46:17,270 --> 00:46:15,359

someone was going to take this and

1229

00:46:20,309 --> 00:46:17,280

report this to the authorities

1230

00:46:20,630 --> 00:46:20,319

you know and i'm like i'm not going i'm

1231

00:46:22,550 --> 00:46:20,640

not

1232

00:46:24,470 --> 00:46:22,560

here to do that i'm here to investigate

1233

00:46:27,109 --> 00:46:24,480

something if you know

1234

00:46:29,670 --> 00:46:27,119

something you know feel free i'll i will

1235

00:46:32,390 --> 00:46:29,680

keep your you know your identity to my

1236

00:46:33,990 --> 00:46:32,400

you know anonymous um and that's another

1237

00:46:34,870 --> 00:46:34,000

thing that skeptics have really just

1238

00:46:36,630 --> 00:46:34,880

jumped on oh

1239

00:46:39,030 --> 00:46:36,640

you know release information i'm not

1240

00:46:42,150 --> 00:46:39,040

going to release the information

1241

00:46:43,990 --> 00:46:42,160

of somebody who's asked me to uh you

1242

00:46:45,589 --> 00:46:44,000

know to remain anonymous you know these

1243

00:46:48,550 --> 00:46:45,599

people have families they have

1244

00:46:49,990 --> 00:46:48,560

you know jobs uh the last thing they

1245

00:46:52,470 --> 00:46:50,000

need to do is somebody to

1246

00:46:53,910 --> 00:46:52,480

release this information and say hey you

1247

00:46:55,670 --> 00:46:53,920

know joe blow from

1248

00:46:57,910 --> 00:46:55,680

so and so address this isn't the police

1249

00:47:02,150 --> 00:46:57,920

blogger i'm here to investigate

1250

00:47:03,990 --> 00:47:02,160

you know um and what's funny about it is

1251
00:47:05,589 --> 00:47:04,000
to protract the detractors who are

1252
00:47:06,230 --> 00:47:05,599
screaming about we don't release

1253
00:47:12,790 --> 00:47:06,240
information

1254
00:47:14,309 --> 00:47:12,800
i don't see mufon doing the same thing

1255
00:47:16,390 --> 00:47:14,319
won't even give you the results of their

1256
00:47:19,349 --> 00:47:16,400
investigation no i will not

1257
00:47:20,150 --> 00:47:19,359
share anything so why are you coming at

1258
00:47:23,349 --> 00:47:20,160
me that's the

1259
00:47:25,990 --> 00:47:23,359
kind of kettle black right we do it

1260
00:47:29,190 --> 00:47:26,000
because we're protecting our uh

1261
00:47:31,670 --> 00:47:29,200
the witnesses i'm not but i'm not also

1262
00:47:32,309 --> 00:47:31,680
um i don't see mufon doing the same

1263
00:47:35,510 --> 00:47:32,319

thing so

1264

00:47:38,309 --> 00:47:35,520

you know why should you be

1265

00:47:38,630 --> 00:47:38,319

um citing that oh you know well they're

1266

00:47:43,430 --> 00:47:38,640

not

1267

00:47:44,230 --> 00:47:43,440

when they're the initial sightings

1268

00:47:48,069 --> 00:47:44,240

happen

1269

00:47:52,549 --> 00:47:48,079

rosemont with the

1270

00:47:54,630 --> 00:47:52,559

uh the rideshare yeah he had

1271

00:47:56,230 --> 00:47:54,640

he couldn't get anything done with mufon

1272

00:47:57,589 --> 00:47:56,240

because mufon was like oh we want all

1273

00:47:59,750 --> 00:47:57,599

this information we want

1274

00:48:01,430 --> 00:47:59,760

you to go on on the record on camera

1275

00:48:04,630 --> 00:48:01,440

with all your information

1276

00:48:06,470 --> 00:48:04,640

and the general was like you know we all

1277

00:48:08,069 --> 00:48:06,480

talk amongst each other i'm not putting

1278

00:48:11,030 --> 00:48:08,079

myself out there

1279

00:48:13,829 --> 00:48:11,040

um you know because well that's how we

1280

00:48:17,670 --> 00:48:13,839

got him because he contacted us then

1281

00:48:19,109 --> 00:48:17,680

right i remember that i mean and he was

1282

00:48:22,150 --> 00:48:19,119

he was pissed

1283

00:48:25,349 --> 00:48:22,160

i mean he was real that letter he sent

1284

00:48:27,190 --> 00:48:25,359

us he was really upset with the way he

1285

00:48:30,309 --> 00:48:27,200

was treated by mufon

1286

00:48:32,870 --> 00:48:30,319

right well uh

1287

00:48:34,309 --> 00:48:32,880

billy out and cicero was the same way he

1288

00:48:37,349 --> 00:48:34,319

was upset

1289

00:48:38,470 --> 00:48:37,359

so uh you know i don't know it's

1290

00:48:40,630 --> 00:48:38,480

understandable

1291

00:48:42,150 --> 00:48:40,640

and we're not unreasonable people you

1292

00:48:44,870 --> 00:48:42,160

know like i i have

1293

00:48:46,790 --> 00:48:44,880

on behalf of interested parties reached

1294

00:48:47,990 --> 00:48:46,800

out to witnesses and asked them if

1295

00:48:51,589 --> 00:48:48,000

they'd be willing to

1296

00:48:52,950 --> 00:48:51,599

to speak to other people you know um and

1297

00:48:54,790 --> 00:48:52,960

sometimes they're willing to and

1298

00:48:56,230 --> 00:48:54,800

sometimes they're not a lot of the time

1299

00:49:00,150 --> 00:48:56,240

people just want to put this behind

1300

00:49:03,270 --> 00:49:00,160

them right well let me ask you this

1301

00:49:05,349 --> 00:49:03,280

uh let's get into a few specific cases

1302

00:49:07,510 --> 00:49:05,359

uh first of all you know now the other

1303

00:49:10,710 --> 00:49:07,520

night uh

1304

00:49:13,829 --> 00:49:10,720

tobias and i were on with joe matato

1305

00:49:17,349 --> 00:49:13,839

and um we were talking about

1306

00:49:21,589 --> 00:49:17,359

a few few cases and such but

1307

00:49:23,750 --> 00:49:21,599

we mentioned uh emmanuel's

1308

00:49:24,790 --> 00:49:23,760

what he saw out at o'hara so why don't

1309

00:49:28,710 --> 00:49:24,800

you explain that

1310

00:49:32,309 --> 00:49:28,720

manuel well

1311

00:49:35,670 --> 00:49:32,319

i was on my way into work uh

1312

00:49:39,990 --> 00:49:35,680

i was on on mannheim road

1313

00:49:41,829 --> 00:49:40,000

which is a uh very large road that takes

1314

00:49:45,349 --> 00:49:41,839

it skirts the entire

1315

00:49:47,270 --> 00:49:45,359

length of o'hare um

1316

00:49:48,950 --> 00:49:47,280

and i was coming up to an intersection

1317

00:49:50,870 --> 00:49:48,960

it's actually the first intersection as

1318

00:49:52,390 --> 00:49:50,880

you come off because there's no

1319

00:49:54,549 --> 00:49:52,400

stop lights as you skirt around the

1320

00:49:56,309 --> 00:49:54,559

entire length of the hair

1321

00:49:57,750 --> 00:49:56,319

so this is the first light and i'm on

1322

00:49:58,950 --> 00:49:57,760

the phone with my wife we're just

1323

00:50:01,030 --> 00:49:58,960

discussing

1324

00:50:03,270 --> 00:50:01,040

you know the day ahead and what we have

1325

00:50:06,790 --> 00:50:03,280

to do and some other stuff

1326
00:50:07,190 --> 00:50:06,800
and when you get to the light there's a

1327
00:50:10,309 --> 00:50:07,200
uh

1328
00:50:12,630 --> 00:50:10,319
at this intersection um

1329
00:50:13,589 --> 00:50:12,640
there used to be like just vacant lots

1330
00:50:16,230 --> 00:50:13,599
there's a vacant lot

1331
00:50:17,109 --> 00:50:16,240
on your left-hand side but across the

1332
00:50:20,630 --> 00:50:17,119
street there

1333
00:50:22,230 --> 00:50:20,640
used to be an old uh enterprise facility

1334
00:50:23,910 --> 00:50:22,240
where the enterprise rent a car they

1335
00:50:25,109 --> 00:50:23,920
moved that now to the other side of the

1336
00:50:27,349 --> 00:50:25,119
airport

1337
00:50:30,150 --> 00:50:27,359
and on the other side on the right side

1338
00:50:31,430 --> 00:50:30,160

now is um

1339

00:50:32,870 --> 00:50:31,440

in front of me would have been office

1340

00:50:34,390 --> 00:50:32,880

buildings and across the street they

1341

00:50:37,910 --> 00:50:34,400

built a new uh

1342

00:50:38,790 --> 00:50:37,920

uh parking garage for the airport and uh

1343

00:50:42,230 --> 00:50:38,800

it's another

1344

00:50:45,670 --> 00:50:42,240

new uh hub where the monorail comes in

1345

00:50:46,630 --> 00:50:45,680

so i'm sitting there talking and i see

1346

00:50:49,270 --> 00:50:46,640

something

1347

00:50:50,069 --> 00:50:49,280

catches my movement catches my eye and i

1348

00:50:53,349 --> 00:50:50,079

look up and

1349

00:50:53,990 --> 00:50:53,359

where the enterprise building was

1350

00:50:57,510 --> 00:50:54,000

something was

1351
00:50:58,069 --> 00:50:57,520
landing on top of it and i'm telling my

1352
00:50:59,589 --> 00:50:58,079
wife hey

1353
00:51:01,270 --> 00:50:59,599
man something's landing the you know

1354
00:51:02,630 --> 00:51:01,280
look at this she's joking around oh it's

1355
00:51:07,670 --> 00:51:02,640
probably mothman

1356
00:51:09,190 --> 00:51:07,680
um you know she's my wife has been

1357
00:51:10,630 --> 00:51:09,200
they're with me every step of the way

1358
00:51:12,150 --> 00:51:10,640
and she's had to listen to me and talk

1359
00:51:15,270 --> 00:51:12,160
about it ad nauseam

1360
00:51:18,309 --> 00:51:15,280
um so sometimes she'll joke about it

1361
00:51:20,549 --> 00:51:18,319
but i wish the thing was

1362
00:51:21,910 --> 00:51:20,559
at first maybe it's just a goose because

1363
00:51:23,349 --> 00:51:21,920

this is about the time the keys were

1364

00:51:27,109 --> 00:51:23,359

starting to show up

1365

00:51:29,270 --> 00:51:27,119

um and i'm like no this does not look

1366

00:51:33,430 --> 00:51:29,280

like a goose it's much larger

1367

00:51:36,549 --> 00:51:33,440

than a goose and it also looks like

1368

00:51:38,390 --> 00:51:36,559

how can i describe it um the way i

1369

00:51:40,230 --> 00:51:38,400

describe it to you guys is uh

1370

00:51:41,910 --> 00:51:40,240

if you ever play d and d or dungeons and

1371

00:51:42,150 --> 00:51:41,920

dragons you know they have a picture of

1372

00:51:44,950 --> 00:51:42,160

an

1373

00:51:45,670 --> 00:51:44,960

imp it looks like a little like a little

1374

00:51:48,549 --> 00:51:45,680

demon

1375

00:51:49,349 --> 00:51:48,559

you know with uh these bat like wings

1376

00:51:51,349 --> 00:51:49,359

and uh

1377

00:51:53,030 --> 00:51:51,359

it has like the leathery skin well this

1378

00:51:54,790 --> 00:51:53,040

is what it looked like except much

1379

00:51:55,190 --> 00:51:54,800

larger i didn't get to see really the

1380

00:51:57,190 --> 00:51:55,200

head

1381

00:51:58,549 --> 00:51:57,200

i got to see the chest and the wings as

1382

00:52:02,230 --> 00:51:58,559

it was coming in

1383

00:52:04,390 --> 00:52:02,240

and then it flew behind the building uh

1384

00:52:05,990 --> 00:52:04,400

and it's one of those buildings that uh

1385

00:52:07,910 --> 00:52:06,000

i later found that has the

1386

00:52:10,630 --> 00:52:07,920

roof but the roof kind of is kind of

1387

00:52:12,870 --> 00:52:10,640

sunken in so there's like a little

1388

00:52:14,710 --> 00:52:12,880

the wall itself kind of forms a barrier

1389

00:52:17,589 --> 00:52:14,720

all the way around there's a lip

1390

00:52:19,510 --> 00:52:17,599

at the building so anything that lands

1391

00:52:22,390 --> 00:52:19,520

on it would probably be sitting

1392

00:52:23,750 --> 00:52:22,400

two feet lower than it's not flush with

1393

00:52:27,589 --> 00:52:23,760

the roof

1394

00:52:29,750 --> 00:52:27,599

um so i immediately

1395

00:52:31,430 --> 00:52:29,760

turned around i couldn't i was in the

1396

00:52:32,630 --> 00:52:31,440

middle of a four-lane highway so i

1397

00:52:35,190 --> 00:52:32,640

couldn't just like

1398

00:52:36,390 --> 00:52:35,200

u-turn because i don't didn't want to

1399

00:52:38,150 --> 00:52:36,400

get into an action they want to get

1400

00:52:41,829 --> 00:52:38,160

pulled over by the police

1401
00:52:43,270 --> 00:52:41,839
um but i went around got there's a hotel

1402
00:52:43,589 --> 00:52:43,280
right down the street i turned around

1403
00:52:45,430 --> 00:52:43,599
came

1404
00:52:47,430 --> 00:52:45,440
right back in i started just circling

1405
00:52:50,390 --> 00:52:47,440
the area um

1406
00:52:51,670 --> 00:52:50,400
able to drive up onto the property um

1407
00:52:54,549 --> 00:52:51,680
it's now used by

1408
00:52:56,150 --> 00:52:54,559
o'hare to store like compressors and

1409
00:52:56,950 --> 00:52:56,160
generators and stuff like that that they

1410
00:53:00,549 --> 00:52:56,960
have

1411
00:53:01,910 --> 00:53:00,559
um took a bunch of pictures uh and i was

1412
00:53:04,230 --> 00:53:01,920
actually i believe i was on the phone

1413
00:53:06,069 --> 00:53:04,240

with you guys or i was texting it to you

1414

00:53:09,109 --> 00:53:06,079

guys since this was happening

1415

00:53:09,990 --> 00:53:09,119

um but i wasn't able to see anything

1416

00:53:11,829 --> 00:53:10,000

else but

1417

00:53:13,030 --> 00:53:11,839

i decided to get out of there because

1418

00:53:14,150 --> 00:53:13,040

the last thing i needed to do was

1419

00:53:16,549 --> 00:53:14,160

security come by

1420

00:53:18,309 --> 00:53:16,559

and see me there and ask if i was

1421

00:53:19,990 --> 00:53:18,319

authorized to be in that area

1422

00:53:21,430 --> 00:53:20,000

uh because i was actually in the

1423

00:53:24,870 --> 00:53:21,440

property itself

1424

00:53:27,589 --> 00:53:24,880

um but it looked literally just

1425

00:53:29,030 --> 00:53:27,599

like a winged it was a winged creature

1426

00:53:31,589 --> 00:53:29,040

but

1427

00:53:32,710 --> 00:53:31,599

the head was not i didn't really see the

1428

00:53:35,750 --> 00:53:32,720

head

1429

00:53:37,750 --> 00:53:35,760

so it just i saw the chest

1430

00:53:40,390 --> 00:53:37,760

and when it was coming in it kind of had

1431

00:53:43,750 --> 00:53:40,400

its its wings were up

1432

00:53:46,069 --> 00:53:43,760

and flapping but they were kind of art

1433

00:53:47,349 --> 00:53:46,079

up kind of like a when you see a bird as

1434

00:53:49,030 --> 00:53:47,359

it's landing

1435

00:53:50,630 --> 00:53:49,040

they kind of have their chest puffed up

1436

00:53:52,230 --> 00:53:50,640

a little bit and their wings are kind of

1437

00:53:54,710 --> 00:53:52,240

arched because they're kind of

1438

00:53:55,829 --> 00:53:54,720

flaring before they hit the ground this

1439

00:53:59,030 --> 00:53:55,839

is what it looked like

1440

00:53:59,349 --> 00:53:59,040

except there was no feathers it was a

1441

00:54:02,390 --> 00:53:59,359

lot

1442

00:54:04,150 --> 00:54:02,400

else i'd say about twice

1443

00:54:06,390 --> 00:54:04,160

maybe three times the size of a canadian

1444

00:54:10,309 --> 00:54:06,400

goose and they're pretty big

1445

00:54:14,790 --> 00:54:10,319

um and it was

1446

00:54:18,309 --> 00:54:14,800

it just it was the wings were leathery

1447

00:54:19,270 --> 00:54:18,319

and almost kind of segmented uh that's

1448

00:54:21,030 --> 00:54:19,280

why i said when i

1449

00:54:23,910 --> 00:54:21,040

i showed you the picture of the of the

1450

00:54:27,750 --> 00:54:23,920

imp you know it has that segmented wing

1451

00:54:27,760 --> 00:54:30,950

uh

1452

00:54:35,670 --> 00:54:33,430

tabas why don't you tell us which one of

1453

00:54:38,789 --> 00:54:35,680

these cases

1454

00:54:41,910 --> 00:54:38,799

are two or your favorites

1455

00:54:45,750 --> 00:54:41,920

oh boy so you know picking out of the

1456

00:54:48,950 --> 00:54:45,760

the entire pantheon of of cases here

1457

00:54:51,109 --> 00:54:48,960

um well probably

1458

00:54:52,390 --> 00:54:51,119

if i had to pick you know two

1459

00:54:55,670 --> 00:54:52,400

specifically

1460

00:54:56,950 --> 00:54:55,680

um i guess i would go with the two that

1461

00:55:00,069 --> 00:54:56,960

emily and i

1462

00:55:03,190 --> 00:55:00,079

really were able to to dig into the best

1463

00:55:07,430 --> 00:55:03,200

i felt so uh the the mid

1464

00:55:11,030 --> 00:55:07,440

april 2017 mukwonago wisconsin case

1465

00:55:13,030 --> 00:55:11,040

and then uh the sightings in woodstock

1466

00:55:15,670 --> 00:55:13,040

and what i liked about both of those i

1467

00:55:18,549 --> 00:55:15,680

mean i can go through both kind of

1468

00:55:20,069 --> 00:55:18,559

uh individually but i mean really like

1469

00:55:21,829 --> 00:55:20,079

what what they had in common for me was

1470

00:55:23,109 --> 00:55:21,839

our ability to meet with the witnesses

1471

00:55:25,190 --> 00:55:23,119

meet on site

1472

00:55:26,630 --> 00:55:25,200

uh you know be shown the the sighting

1473

00:55:29,309 --> 00:55:26,640

areas and uh

1474

00:55:30,710 --> 00:55:29,319

and really dig into them so mid-april

1475

00:55:33,670 --> 00:55:30,720

2017

1476

00:55:34,870 --> 00:55:33,680

uh there was a sighting in uh mukwonago

1477

00:55:36,230 --> 00:55:34,880

wisconsin so

1478

00:55:38,309 --> 00:55:36,240

you know anybody who's not familiar with

1479

00:55:39,510 --> 00:55:38,319

that it's about 45 minutes outside of

1480

00:55:41,430 --> 00:55:39,520

milwaukee

1481

00:55:43,109 --> 00:55:41,440

and uh you know if if you're not

1482

00:55:45,990 --> 00:55:43,119

familiar with wisconsin

1483

00:55:46,950 --> 00:55:46,000

you know basically you know we have two

1484

00:55:48,789 --> 00:55:46,960

major cities

1485

00:55:50,230 --> 00:55:48,799

uh three if you want to count green bay

1486

00:55:53,750 --> 00:55:50,240

i personally don't

1487

00:55:56,069 --> 00:55:53,760

and um it doesn't take too

1488

00:55:58,789 --> 00:55:56,079

far uh when you're outside of those

1489

00:56:00,710 --> 00:55:58,799

cities before you're in very rural areas

1490

00:56:04,390 --> 00:56:00,720

like you leave madison where where

1491

00:56:07,670 --> 00:56:04,400

uh em and i live and um you know it's

1492

00:56:10,870 --> 00:56:07,680

farmland in rural country like instantly

1493

00:56:11,589 --> 00:56:10,880

and so despite being only 45 minutes

1494

00:56:13,829 --> 00:56:11,599

outside of

1495

00:56:14,870 --> 00:56:13,839

milwaukee like mukwonago's it's a very

1496

00:56:17,349 --> 00:56:14,880

rural area

1497

00:56:17,990 --> 00:56:17,359

and uh this gentleman was was coming

1498

00:56:19,750 --> 00:56:18,000

home one

1499

00:56:21,109 --> 00:56:19,760

one evening and at the time he was

1500

00:56:22,870 --> 00:56:21,119

living with his parents and

1501
00:56:24,309 --> 00:56:22,880
as he's driving home he's talking on the

1502
00:56:26,470 --> 00:56:24,319
phone with his friend and

1503
00:56:27,510 --> 00:56:26,480
he pulls into their their driveway which

1504
00:56:29,270 --> 00:56:27,520
is kind of a longer

1505
00:56:30,630 --> 00:56:29,280
uh gravel driveway and then at the end

1506
00:56:32,630 --> 00:56:30,640
it's got sort of a

1507
00:56:34,549 --> 00:56:32,640
a small parking lot almost where you

1508
00:56:36,870 --> 00:56:34,559
could fit four or five cars

1509
00:56:38,470 --> 00:56:36,880
and he he backs his his van in like he

1510
00:56:39,510 --> 00:56:38,480
always does and since he was talking on

1511
00:56:41,109 --> 00:56:39,520
the phone with his friend

1512
00:56:42,309 --> 00:56:41,119
he didn't want to go inside right away

1513
00:56:44,150 --> 00:56:42,319

like you know he doesn't want to wake

1514

00:56:45,990 --> 00:56:44,160

his parents up or whatever because

1515

00:56:48,069 --> 00:56:46,000

you know if he just barges in talking on

1516

00:56:48,789 --> 00:56:48,079

the phone that that would be disruptive

1517

00:56:51,349 --> 00:56:48,799

and so

1518

00:56:52,470 --> 00:56:51,359

he's outside finishing his conversation

1519

00:56:55,750 --> 00:56:52,480

when

1520

00:56:58,870 --> 00:56:55,760

he notices in the ambient light

1521

00:57:00,710 --> 00:56:58,880

of this lamppost that they have at the

1522

00:57:02,390 --> 00:57:00,720

end of their driveway it's about 50 feet

1523

00:57:03,349 --> 00:57:02,400

away i actually measured it when we were

1524

00:57:06,230 --> 00:57:03,359

out there

1525

00:57:07,190 --> 00:57:06,240

like there's no street lights or

1526

00:57:09,190 --> 00:57:07,200

anything

1527

00:57:10,309 --> 00:57:09,200

um you know there's barely any other

1528

00:57:13,510 --> 00:57:10,319

houses frankly

1529

00:57:15,589 --> 00:57:13,520

uh and uh and so about 50 feet away you

1530

00:57:16,870 --> 00:57:15,599

have this lamppost and and it's lit up

1531

00:57:19,349 --> 00:57:16,880

because it's nighttime

1532

00:57:21,670 --> 00:57:19,359

and in the ambient light from that he

1533

00:57:24,710 --> 00:57:21,680

can kind of see the outline

1534

00:57:27,109 --> 00:57:24,720

of what looked like a huge person in

1535

00:57:29,589 --> 00:57:27,119

front of his van all of a sudden

1536

00:57:30,789 --> 00:57:29,599

and you know uh he turns the headlights

1537

00:57:32,470 --> 00:57:30,799

on because

1538

00:57:34,870 --> 00:57:32,480

at that point he doesn't know that it's

1539

00:57:37,030 --> 00:57:34,880

anything unusual necessarily

1540

00:57:38,309 --> 00:57:37,040

and you know to to get a better look at

1541

00:57:41,670 --> 00:57:38,319

him and

1542

00:57:44,710 --> 00:57:41,680

what he described was this

1543

00:57:48,390 --> 00:57:44,720

huge like eight foot tall

1544

00:57:50,309 --> 00:57:48,400

sort of like um uh uh snake skinned or

1545

00:57:52,710 --> 00:57:50,319

like reptilian skinned

1546

00:57:54,470 --> 00:57:52,720

being with these membranous wings and it

1547

00:57:55,670 --> 00:57:54,480

sort of had its wings wrapped around

1548

00:57:57,670 --> 00:57:55,680

itself

1549

00:57:59,270 --> 00:57:57,680

uh like if you know if you picture a a

1550

00:57:59,829 --> 00:57:59,280

bat hanging upside down how they wrap

1551
00:58:01,829 --> 00:57:59,839
their

1552
00:58:03,589 --> 00:58:01,839
wings around themselves those but it was

1553
00:58:04,309 --> 00:58:03,599
standing there in front of him you know

1554
00:58:08,549 --> 00:58:04,319
maybe

1555
00:58:12,069 --> 00:58:08,559
and uh

1556
00:58:14,309 --> 00:58:12,079
you know as this is happening he

1557
00:58:15,750 --> 00:58:14,319
is at a loss for words frankly for

1558
00:58:17,109 --> 00:58:15,760
several seconds and then he starts

1559
00:58:17,990 --> 00:58:17,119
telling his friend about what he's

1560
00:58:20,950 --> 00:58:18,000
seeing

1561
00:58:22,950 --> 00:58:20,960
and as he's doing that then this thing

1562
00:58:26,150 --> 00:58:22,960
he described it as it it's sort of

1563
00:58:28,870 --> 00:58:26,160

blurring and then disappears

1564

00:58:30,309 --> 00:58:28,880

so you know he wasn't sure if that meant

1565

00:58:32,309 --> 00:58:30,319

uh after we talked about it because you

1566

00:58:34,069 --> 00:58:32,319

know again emily and i went out there

1567

00:58:35,349 --> 00:58:34,079

and and talked to this guy and he showed

1568

00:58:38,150 --> 00:58:35,359

us where everything went down

1569

00:58:39,670 --> 00:58:38,160

and he wasn't sure if that meant that it

1570

00:58:41,589 --> 00:58:39,680

had sort of like shot up in the air

1571

00:58:43,990 --> 00:58:41,599

and just moved so quickly that you know

1572

00:58:46,150 --> 00:58:44,000

he his eye couldn't track it

1573

00:58:47,670 --> 00:58:46,160

or if it literally just somehow

1574

00:58:49,910 --> 00:58:47,680

disappeared you know

1575

00:58:50,789 --> 00:58:49,920

whether like whatever that means you

1576

00:58:54,069 --> 00:58:50,799

know

1577

00:58:55,510 --> 00:58:54,079

um and what really struck me about this

1578

00:58:57,109 --> 00:58:55,520

case is when we were out there talking

1579

00:58:58,789 --> 00:58:57,119

this guy

1580

00:59:01,430 --> 00:58:58,799

we went out there and it was you know

1581

00:59:04,309 --> 00:59:01,440

late morning on a beautiful day

1582

00:59:06,069 --> 00:59:04,319

uh you know beautiful sunny day and uh

1583

00:59:09,829 --> 00:59:06,079

and and this guy

1584

00:59:11,990 --> 00:59:09,839

you know he was terrified he was

1585

00:59:14,390 --> 00:59:12,000

sweating bullets telling telling this

1586

00:59:17,910 --> 00:59:14,400

story like visibly afraid

1587

00:59:19,109 --> 00:59:17,920

uh because of this experience you know

1588

00:59:21,030 --> 00:59:19,119

and um

1589

00:59:22,390 --> 00:59:21,040

it's difficult to convey that to people

1590

00:59:23,270 --> 00:59:22,400

i know you guys know what i'm talking

1591

00:59:25,589 --> 00:59:23,280

about

1592

00:59:26,950 --> 00:59:25,599

but you know when uh when when you try

1593

00:59:29,750 --> 00:59:26,960

to relate that

1594

00:59:31,030 --> 00:59:29,760

to you know people who who only know

1595

00:59:33,109 --> 00:59:31,040

these sightings through

1596

00:59:34,630 --> 00:59:33,119

maybe like the reports we've written you

1597

00:59:37,829 --> 00:59:34,640

know uh

1598

00:59:39,910 --> 00:59:37,839

it's you can't express in words uh what

1599

00:59:41,349 --> 00:59:39,920

that kind of fear looks like on

1600

00:59:44,309 --> 00:59:41,359

somebody's face and

1601
00:59:46,150 --> 00:59:44,319
and how it affects them so uh you know

1602
00:59:47,829 --> 00:59:46,160
that one really stuck with me and then

1603
00:59:49,589 --> 00:59:47,839
of course you know everything that that

1604
00:59:52,789 --> 00:59:49,599
that happened in in woodstock

1605
00:59:54,789 --> 00:59:52,799
in 2019 um

1606
00:59:55,990 --> 00:59:54,799
that was a fascinating case as well you

1607
00:59:59,670 --> 00:59:56,000
know we had a

1608
01:00:01,589 --> 00:59:59,680
a gentleman who uh sort of

1609
01:00:03,750 --> 01:00:01,599
traditional to the the narrative of

1610
01:00:05,990 --> 01:00:03,760
these sightings was

1611
01:00:07,829 --> 01:00:06,000
going out to run a mundane air like uh

1612
01:00:09,589 --> 01:00:07,839
errant he had to go to walgreens

1613
01:00:11,829 --> 01:00:09,599

you know just a simple trip to the the

1614

01:00:14,390 --> 01:00:11,839

drugstore and on his way home

1615

01:00:16,470 --> 01:00:14,400

you know it's uh it was what just after

1616

01:00:18,789 --> 01:00:16,480

uh eight o'clock i think which is

1617

01:00:19,510 --> 01:00:18,799

since this happened in february was you

1618

01:00:22,710 --> 01:00:19,520

know well

1619

01:00:25,349 --> 01:00:22,720

late enough for it it to be dark outside

1620

01:00:28,309 --> 01:00:25,359

and uh as he's driving past the the

1621

01:00:31,910 --> 01:00:28,319

dewfield pond conservation area

1622

01:00:32,309 --> 01:00:31,920

this thing steps out in in front of his

1623

01:00:33,990 --> 01:00:32,319

car

1624

01:00:35,670 --> 01:00:34,000

and he catches it in his headlight so

1625

01:00:36,309 --> 01:00:35,680

he's able to see it as it crosses the

1626
01:00:38,069 --> 01:00:36,319
street

1627
01:00:39,750 --> 01:00:38,079
said it you know it only took what two

1628
01:00:40,870 --> 01:00:39,760
or three steps to cross the street and

1629
01:00:43,750 --> 01:00:40,880
then it was gone

1630
01:00:45,670 --> 01:00:43,760
but he described it as this uh you know

1631
01:00:48,870 --> 01:00:45,680
seven or eight foot tall

1632
01:00:52,390 --> 01:00:48,880
hairy humanoid but with

1633
01:00:54,950 --> 01:00:52,400
uh these membranous like gargoyle wings

1634
01:00:56,309 --> 01:00:54,960
so you know like a bat winged bigfoot i

1635
01:00:59,109 --> 01:00:56,319
guess

1636
01:00:59,670 --> 01:00:59,119
and um and and it walked across the

1637
01:01:02,309 --> 01:00:59,680
street

1638
01:01:03,109 --> 01:01:02,319

and went between this house and this and

1639

01:01:04,789 --> 01:01:03,119

this uh

1640

01:01:07,910 --> 01:01:04,799

line of like you know decorative line of

1641

01:01:10,150 --> 01:01:07,920

trees and then it was gone

1642

01:01:11,510 --> 01:01:10,160

and this was another one where you know

1643

01:01:14,069 --> 01:01:11,520

emily and i went down there

1644

01:01:14,789 --> 01:01:14,079

and and we met this guy we met his wife

1645

01:01:16,630 --> 01:01:14,799

you know we

1646

01:01:18,549 --> 01:01:16,640

we saw their house they took us out to

1647

01:01:21,349 --> 01:01:18,559

the area of the sighting

1648

01:01:23,030 --> 01:01:21,359

and walked us around and uh and and

1649

01:01:27,750 --> 01:01:23,040

showed us where everything happened

1650

01:01:30,950 --> 01:01:27,760

and um i i just can't for the life of me

1651
01:01:31,670 --> 01:01:30,960
think of why they would have or you know

1652
01:01:35,349 --> 01:01:31,680
why

1653
01:01:37,349 --> 01:01:35,359
and and

1654
01:01:38,470 --> 01:01:37,359
it it just doesn't make sense you know

1655
01:01:42,150 --> 01:01:38,480
like it

1656
01:01:44,870 --> 01:01:42,160
it is so credible for me

1657
01:01:46,309 --> 01:01:44,880
to go out there and meet people like

1658
01:01:49,349 --> 01:01:46,319
these who

1659
01:01:52,470 --> 01:01:49,359
clearly have experienced something

1660
01:01:54,150 --> 01:01:52,480
outside of their normal reality

1661
01:01:55,670 --> 01:01:54,160
you know and when they welcome me into

1662
01:01:56,549 --> 01:01:55,680
their house they're not asking for

1663
01:01:58,150 --> 01:01:56,559

anything

1664

01:01:59,990 --> 01:01:58,160

you know like they don't they're not

1665

01:02:02,309 --> 01:02:00,000

interested in attention

1666

01:02:05,029 --> 01:02:02,319

um you know they don't want fame or

1667

01:02:06,470 --> 01:02:05,039

fortune or anything else like literally

1668

01:02:08,950 --> 01:02:06,480

they're just trying to make sense of

1669

01:02:12,390 --> 01:02:08,960

these seemingly impossible experiences

1670

01:02:14,150 --> 01:02:12,400

and um that stuck with me like those two

1671

01:02:15,750 --> 01:02:14,160

cases specifically like i've talked to

1672

01:02:18,150 --> 01:02:15,760

plenty of other witnesses and

1673

01:02:20,710 --> 01:02:18,160

been on site you know uh other places

1674

01:02:24,230 --> 01:02:20,720

but those specifically because of

1675

01:02:26,309 --> 01:02:24,240

how close they were and the detail they

1676

01:02:28,470 --> 01:02:26,319

got in their sightings and the effect

1677

01:02:30,470 --> 01:02:28,480

that their sightings had on them

1678

01:02:31,589 --> 01:02:30,480

and then honestly like when it comes to

1679

01:02:34,230 --> 01:02:31,599

woodstock

1680

01:02:36,069 --> 01:02:34,240

the associated phenomena that happened

1681

01:02:36,630 --> 01:02:36,079

after like we had other sightings there

1682

01:02:39,750 --> 01:02:36,640

was the

1683

01:02:41,829 --> 01:02:39,760

the the sighting that happened in the uh

1684

01:02:44,870 --> 01:02:41,839

the the parking lot

1685

01:02:46,549 --> 01:02:44,880

so basically after the the

1686

01:02:48,150 --> 01:02:46,559

original witness had his sighting like

1687

01:02:49,349 --> 01:02:48,160

the direction that he saw the the

1688

01:02:53,270 --> 01:02:49,359

creature going in

1689

01:02:57,349 --> 01:02:53,280

actually led uh past this house into the

1690

01:02:59,270 --> 01:02:57,359

uh mchenry county uh fairground

1691

01:03:01,270 --> 01:02:59,280

and so it wasn't too long after his

1692

01:03:03,349 --> 01:03:01,280

sighting that we received another report

1693

01:03:04,150 --> 01:03:03,359

from a gentleman who said that he had

1694

01:03:05,910 --> 01:03:04,160

seen this creature

1695

01:03:07,589 --> 01:03:05,920

in the fairground and that it had

1696

01:03:09,589 --> 01:03:07,599

charged the fence while he was standing

1697

01:03:12,950 --> 01:03:09,599

in this parking lot and

1698

01:03:16,150 --> 01:03:12,960

uh he said that he had had called 9-1-1

1699

01:03:18,150 --> 01:03:16,160

and uh and and and uh you know got the

1700

01:03:20,870 --> 01:03:18,160

the police involved so naturally of

1701

01:03:22,470 --> 01:03:20,880

course i filed the foia requests i'm

1702

01:03:24,630 --> 01:03:22,480

like all right well that would be great

1703

01:03:27,190 --> 01:03:24,640

if this really happened so let's see

1704

01:03:28,870 --> 01:03:27,200

and sure enough the mchenry county

1705

01:03:29,750 --> 01:03:28,880

sheriff's department by the way is one

1706

01:03:32,870 --> 01:03:29,760

of the most

1707

01:03:35,349 --> 01:03:32,880

helpful uh law enforcement

1708

01:03:36,950 --> 01:03:35,359

uh offices anywhere that i've ever dealt

1709

01:03:38,390 --> 01:03:36,960

with because they got back to me in like

1710

01:03:40,710 --> 01:03:38,400

two or three days

1711

01:03:41,430 --> 01:03:40,720

and they said yeah hey you know we

1712

01:03:43,430 --> 01:03:41,440

didn't

1713

01:03:44,950 --> 01:03:43,440

have an official report file like no

1714

01:03:48,710 --> 01:03:44,960

crime was committed

1715

01:03:51,270 --> 01:03:48,720

but here's the incident detail report

1716

01:03:53,670 --> 01:03:51,280

showing that this guy saw this thing and

1717

01:03:55,589 --> 01:03:53,680

it scared him enough to call 9-1-1

1718

01:03:56,950 --> 01:03:55,599

so like we have that we have this

1719

01:04:01,750 --> 01:03:56,960

tangible piece of evidence

1720

01:04:04,390 --> 01:04:01,760

this official record that you know

1721

01:04:05,190 --> 01:04:04,400

during these sightings and with in in in

1722

01:04:07,270 --> 01:04:05,200

woodstock

1723

01:04:08,710 --> 01:04:07,280

yeah this guy who said that he was

1724

01:04:10,870 --> 01:04:08,720

scared enough to call 911

1725

01:04:11,990 --> 01:04:10,880

absolutely did and then you've got other

1726

01:04:14,150 --> 01:04:12,000

reports coming in from

1727

01:04:15,109 --> 01:04:14,160

from that area too that weren't able to

1728

01:04:18,309 --> 01:04:15,119

be as

1729

01:04:21,670 --> 01:04:18,319

uh as uh investigated uh

1730

01:04:24,309 --> 01:04:21,680

in depth but you know it it it adds

1731

01:04:25,190 --> 01:04:24,319

to the the overall i think credibility

1732

01:04:28,630 --> 01:04:25,200

to know

1733

01:04:30,470 --> 01:04:28,640

that that there are other people who um

1734

01:04:31,910 --> 01:04:30,480

who are also experiencing something

1735

01:04:35,430 --> 01:04:31,920

weird so

1736

01:04:35,750 --> 01:04:35,440

um yeah i mean uh mukwonago was great

1737

01:04:40,789 --> 01:04:35,760

but

1738

01:04:44,870 --> 01:04:40,799

really something else

1739

01:04:48,309 --> 01:04:44,880

yeah i kind of i kind of favored the

1740

01:04:50,870 --> 01:04:48,319

the close and personal ones um

1741

01:04:53,670 --> 01:04:50,880

and there were there were a few of those

1742

01:04:56,069 --> 01:04:53,680

but the ones i

1743

01:04:58,470 --> 01:04:56,079

i thought were very interesting well

1744

01:05:01,829 --> 01:04:58,480

first of all was the one

1745

01:05:04,870 --> 01:05:01,839

in uh along lakeshore drive and

1746

01:05:08,710 --> 01:05:04,880

uh this is the one where the couple

1747

01:05:10,950 --> 01:05:08,720

were from washington dc and the uh

1748

01:05:12,470 --> 01:05:10,960

the gentleman was he's an actual

1749

01:05:15,750 --> 01:05:12,480

professional

1750

01:05:21,190 --> 01:05:15,760

uh athlete and

1751
01:05:25,670 --> 01:05:23,670
visiting her her condominium and they

1752
01:05:27,829 --> 01:05:25,680
were actually walking

1753
01:05:28,789 --> 01:05:27,839
in front of the condominium on lake

1754
01:05:31,109 --> 01:05:28,799
shore drive

1755
01:05:32,150 --> 01:05:31,119
on their way back it was about nine

1756
01:05:35,670 --> 01:05:32,160
little after nine

1757
01:05:39,510 --> 01:05:35,680
evenings so it was dark and uh

1758
01:05:43,670 --> 01:05:39,520
as they were walking south

1759
01:05:47,190 --> 01:05:43,680
this being flew right in front of them

1760
01:05:49,270 --> 01:05:47,200
up over the trees and up the building

1761
01:05:50,870 --> 01:05:49,280
along the face of the building and they

1762
01:05:53,990 --> 01:05:50,880
watched this thing

1763
01:05:57,190 --> 01:05:54,000

and it literally stopped

1764

01:05:59,029 --> 01:05:57,200

hovered in midair and

1765

01:06:01,829 --> 01:05:59,039

was like it was looking through a window

1766

01:06:04,789 --> 01:06:01,839

on one of the top floors

1767

01:06:07,349 --> 01:06:04,799

and then it arched back and started

1768

01:06:09,190 --> 01:06:07,359

diving back towards the trees

1769

01:06:10,950 --> 01:06:09,200

and when it did that they started

1770

01:06:12,390 --> 01:06:10,960

running they were they were scared to

1771

01:06:13,190 --> 01:06:12,400

death they didn't know what this thing

1772

01:06:15,270 --> 01:06:13,200

was

1773

01:06:17,510 --> 01:06:15,280

and they were heading back towards the

1774

01:06:20,950 --> 01:06:17,520

door and i'm trying to think with the

1775

01:06:22,470 --> 01:06:20,960

i think i'm sure avenue and they were

1776

01:06:25,670 --> 01:06:22,480

heading towards the door

1777

01:06:27,990 --> 01:06:25,680

to the condo and this thing literally

1778

01:06:31,349 --> 01:06:28,000

ascended in front of them

1779

01:06:34,150 --> 01:06:31,359

and and was actually hovering in midair

1780

01:06:37,910 --> 01:06:34,160

about two to three foot off the payment

1781

01:06:39,430 --> 01:06:37,920

with its wings spread out and

1782

01:06:41,430 --> 01:06:39,440

right in front of them and they

1783

01:06:43,510 --> 01:06:41,440

described it very similar to what

1784

01:06:47,190 --> 01:06:43,520

everybody else has been saying

1785

01:06:50,309 --> 01:06:47,200

very thin dark body

1786

01:06:52,630 --> 01:06:50,319

with uh that kind of looked like it had

1787

01:06:55,670 --> 01:06:52,640

a wet look to it

1788

01:07:00,549 --> 01:06:55,680

uh and you know we've had those tar

1789

01:07:02,870 --> 01:07:00,559

those tar bodies reported to us also

1790

01:07:03,589 --> 01:07:02,880

rockford yeah both of those 2010

1791

01:07:07,190 --> 01:07:03,599

sightings

1792

01:07:09,190 --> 01:07:07,200

and uh the wings were uh were bat like

1793

01:07:11,109 --> 01:07:09,200

but the membrane wings would just spread

1794

01:07:14,710 --> 01:07:11,119

out it but how it was hovering

1795

01:07:15,029 --> 01:07:14,720

who knows it was vibrating and in fact

1796

01:07:18,069 --> 01:07:15,039

they

1797

01:07:21,349 --> 01:07:18,079

felt the vibration coming off this thing

1798

01:07:24,069 --> 01:07:21,359

and the legs and the feet

1799

01:07:25,190 --> 01:07:24,079

which they you know apparently it was

1800

01:07:27,750 --> 01:07:25,200

quite small

1801

01:07:29,349 --> 01:07:27,760

the feet but it was they were vibrating

1802

01:07:31,990 --> 01:07:29,359

they were shaking

1803

01:07:33,589 --> 01:07:32,000

i had a very small head with two large

1804

01:07:38,470 --> 01:07:33,599

eyes

1805

01:07:40,710 --> 01:07:38,480

right in front of them and hover for

1806

01:07:42,710 --> 01:07:40,720

about 10 to 15 seconds

1807

01:07:44,710 --> 01:07:42,720

she lost control of her legs and went

1808

01:07:47,589 --> 01:07:44,720

down to the payment

1809

01:07:49,670 --> 01:07:47,599

now there were other people around uh

1810

01:07:52,710 --> 01:07:49,680

because they they did notice

1811

01:07:54,230 --> 01:07:52,720

a flash from a phone go off so somebody

1812

01:07:56,950 --> 01:07:54,240

tried to take a photo of it

1813

01:07:59,270 --> 01:07:56,960

as well there was somebody maybe a

1814

01:08:02,630 --> 01:07:59,280

delivery guy i don't know but he was

1815

01:08:04,789 --> 01:08:02,640

had his van there and he

1816

01:08:05,910 --> 01:08:04,799

said something and he jumped in his van

1817

01:08:07,750 --> 01:08:05,920

and took off

1818

01:08:09,750 --> 01:08:07,760

but there were also other people

1819

01:08:12,789 --> 01:08:09,760

mentioning it saying things

1820

01:08:14,710 --> 01:08:12,799

across the street so

1821

01:08:16,309 --> 01:08:14,720

when this you know when she fell to the

1822

01:08:19,910 --> 01:08:16,319

ground this thing

1823

01:08:23,110 --> 01:08:19,920

started to ascend very slowly

1824

01:08:26,070 --> 01:08:23,120

up into the air and uh

1825

01:08:27,829 --> 01:08:26,080

that's the last i saw of it and he her

1826

01:08:28,470 --> 01:08:27,839

husband literally pick her up and carry

1827

01:08:31,829 --> 01:08:28,480

her into

1828

01:08:33,430 --> 01:08:31,839

the mother's condo they called me the

1829

01:08:33,990 --> 01:08:33,440

next morning now they were supposed to

1830

01:08:37,590 --> 01:08:34,000

leave

1831

01:08:40,149 --> 01:08:37,600

out of chicago that day

1832

01:08:41,829 --> 01:08:40,159

but she couldn't she was afraid to fly

1833

01:08:43,669 --> 01:08:41,839

and in fact they stuck around for

1834

01:08:46,149 --> 01:08:43,679

another two days

1835

01:08:46,870 --> 01:08:46,159

but uh man they were they were shook

1836

01:08:53,669 --> 01:08:46,880

that was

1837

01:08:57,030 --> 01:08:53,679

uh uh incident for them

1838

01:09:00,470 --> 01:08:57,040

and the other one was in bolenbrook

1839

01:09:02,309 --> 01:09:00,480

illinois which is a suburb south west of

1840

01:09:06,149 --> 01:09:02,319

the city

1841

01:09:09,829 --> 01:09:06,159

um this woman she had a nightly

1842

01:09:12,709 --> 01:09:09,839

routine of going out and walking about

1843

01:09:15,110 --> 01:09:12,719

10 o'clock at night

1844

01:09:17,030 --> 01:09:15,120

safe neighborhood nice neighborhood nice

1845

01:09:20,149 --> 01:09:17,040

town

1846

01:09:21,990 --> 01:09:20,159

but her complex where she lived at uh

1847

01:09:23,749 --> 01:09:22,000

there was a small

1848

01:09:25,030 --> 01:09:23,759

playground there and she usually cut

1849

01:09:28,390 --> 01:09:25,040

through the playground

1850

01:09:30,149 --> 01:09:28,400

backed around and walked on home

1851

01:09:32,309 --> 01:09:30,159

well as she was going through the

1852

01:09:36,070 --> 01:09:32,319

playground she she was on the payment

1853

01:09:38,470 --> 01:09:36,080

and she saw something tall standing

1854

01:09:42,229 --> 01:09:38,480

there which she thought originally

1855

01:09:45,910 --> 01:09:45,110

and when she got within she said 15 foot

1856

01:09:49,269 --> 01:09:45,920

of it

1857

01:09:53,590 --> 01:09:49,279

this thing turned a quarter turn

1858

01:09:55,510 --> 01:09:53,600

and was very wide but the wings

1859

01:09:57,510 --> 01:09:55,520

they did look membrane but they were

1860

01:10:00,149 --> 01:09:57,520

wrapped around the body

1861

01:10:00,630 --> 01:10:00,159

and she said this thing was tall i mean

1862

01:10:10,310 --> 01:10:00,640

it was

1863

01:10:12,310 --> 01:10:10,320

gurgling sound

1864

01:10:14,709 --> 01:10:12,320

i think it was sleeping be honest with

1865

01:10:17,270 --> 01:10:14,719

you but it was standing there

1866

01:10:18,870 --> 01:10:17,280

uh you know but she never saw any eyes

1867

01:10:21,270 --> 01:10:18,880

or any of the facial features

1868

01:10:22,310 --> 01:10:21,280

because this thing had the wigs wrapped

1869

01:10:25,590 --> 01:10:22,320

around it

1870

01:10:28,709 --> 01:10:25,600

well she she of course was freaked out

1871

01:10:31,830 --> 01:10:28,719

and she tried to walk away from it

1872

01:10:34,070 --> 01:10:31,840

and her legs gave out on her

1873

01:10:34,950 --> 01:10:34,080

and her legs were very weak and she had

1874

01:10:37,669 --> 01:10:34,960

that to

1875

01:10:39,910 --> 01:10:37,679

find the nearest bench and sit down and

1876

01:10:43,189 --> 01:10:39,920

regain her composure

1877

01:10:46,630 --> 01:10:43,199

at the same time watching this thing

1878

01:10:48,229 --> 01:10:46,640

you know that she had just passed uh she

1879

01:10:51,510 --> 01:10:48,239

said about five minutes she

1880

01:10:54,070 --> 01:10:51,520

she got enough strength to get up and

1881

01:10:56,149 --> 01:10:54,080

go around the playground to her home so

1882

01:10:59,830 --> 01:10:56,159

when she got home

1883

01:11:01,830 --> 01:10:59,840

the uh she told her son he wanted to see

1884

01:11:05,350 --> 01:11:01,840

it they got in the car

1885

01:11:05,750 --> 01:11:05,360

and they drove a couple blocks back to

1886

01:11:10,950 --> 01:11:05,760

the

1887

01:11:14,470 --> 01:11:10,960

playground this thing

1888

01:11:17,750 --> 01:11:14,480

lunged out out of the bush he got a he

1889

01:11:20,149 --> 01:11:17,760

got a brief look at it but he did see it

1890

01:11:21,830 --> 01:11:20,159

so uh yeah and that was close and

1891

01:11:23,270 --> 01:11:21,840

personal when they got back home they

1892

01:11:26,870 --> 01:11:23,280

called me

1893

01:11:28,390 --> 01:11:26,880

and i mean she was fit to be tied i i

1894

01:11:30,630 --> 01:11:28,400

i had problems even getting any

1895

01:11:35,350 --> 01:11:30,640

information out of her first

1896

01:11:36,470 --> 01:11:35,360

so um you know those were two very close

1897

01:11:39,990 --> 01:11:36,480

encounters

1898

01:11:43,830 --> 01:11:40,000

uh i think probably the most frightening

1899

01:11:46,790 --> 01:11:43,840

one and you're familiar with this one

1900

01:11:48,390 --> 01:11:46,800

as much as i am uh tobias was floyd

1901

01:11:50,229 --> 01:11:48,400

hancock

1902

01:11:51,590 --> 01:11:50,239

yeah why don't you talk about that

1903

01:11:53,910 --> 01:11:51,600

that's study

1904

01:11:55,910 --> 01:11:53,920

sure i mean that was uh well until

1905

01:11:58,630 --> 01:11:55,920

recently that was actually the earliest

1906

01:11:59,110 --> 01:11:58,640

uh sighting chronologically that that we

1907

01:12:02,229 --> 01:11:59,120

had

1908

01:12:05,990 --> 01:12:02,239

um so that was what october

1909

01:12:09,189 --> 01:12:06,000

27 1969 and uh so you've got this

1910

01:12:11,270 --> 01:12:09,199

this guy floyd hancock who again is is

1911

01:12:12,709 --> 01:12:11,280

one of those people who was willing to

1912

01:12:13,590 --> 01:12:12,719

to put himself out there you know

1913

01:12:17,030 --> 01:12:13,600

willing to go

1914

01:12:20,630 --> 01:12:17,040

on the record about his experience

1915

01:12:22,229 --> 01:12:20,640

and um all the way back in in 69 less

1916

01:12:25,270 --> 01:12:22,239

than two years after

1917

01:12:26,630 --> 01:12:25,280

the supposed end of the point pleasant

1918

01:12:29,830 --> 01:12:26,640

sightings you've got a guy

1919

01:12:33,750 --> 01:12:29,840

in indiana here uh

1920

01:12:37,189 --> 01:12:33,760

prairie rolling prairie yep in indiana

1921

01:12:38,070 --> 01:12:37,199

who uh was asleep in his family's

1922

01:12:41,110 --> 01:12:38,080

trailer

1923

01:12:43,350 --> 01:12:41,120

uh you know so he's he's a a child

1924

01:12:45,590 --> 01:12:43,360

obviously and uh he's asleep in his

1925

01:12:47,270 --> 01:12:45,600

trailer he shares a room with his his

1926

01:12:49,750 --> 01:12:47,280

baby sister

1927

01:12:50,310 --> 01:12:49,760

and recently the family had had some

1928

01:12:52,229 --> 01:12:50,320

damage

1929

01:12:54,950 --> 01:12:52,239

to their trailer so you know they have a

1930

01:12:58,310 --> 01:12:54,960

hole in the ceiling of the

1931

01:12:59,510 --> 01:12:58,320

the uh uh living room in the the roof of

1932

01:13:03,030 --> 01:12:59,520

their their living room

1933

01:13:04,310 --> 01:13:03,040

and so they've got a tarp over it and uh

1934

01:13:07,590 --> 01:13:04,320

he wakes up one

1935

01:13:08,870 --> 01:13:07,600

one night and uh he said he you know he

1936

01:13:11,669 --> 01:13:08,880

was awakened by a

1937

01:13:12,709 --> 01:13:11,679

strange noise and this you know

1938

01:13:17,030 --> 01:13:12,719

disgusting

1939

01:13:19,030 --> 01:13:17,040

smell basically and uh he wakes up

1940

01:13:20,950 --> 01:13:19,040

and he looks over towards his sister's

1941

01:13:24,310 --> 01:13:20,960

crib and he sees this

1942

01:13:26,310 --> 01:13:24,320

uh winged humanoid staring down at her

1943

01:13:27,510 --> 01:13:26,320

you know interested in his his sister

1944

01:13:29,350 --> 01:13:27,520

seemingly

1945

01:13:31,110 --> 01:13:29,360

and you know he described this thing as

1946

01:13:32,709 --> 01:13:31,120

being very tall you know between seven

1947

01:13:34,870 --> 01:13:32,719

and eight feet in height which is pretty

1948

01:13:36,390 --> 01:13:34,880

consistent with most reports

1949

01:13:38,149 --> 01:13:36,400

and uh he's you know he said you know it

1950

01:13:38,870 --> 01:13:38,159

was tall enough that its posture was

1951

01:13:42,149 --> 01:13:38,880

crouched

1952

01:13:44,229 --> 01:13:42,159

you know and and uh which it makes sense

1953

01:13:46,390 --> 01:13:44,239

if if it was that if you know if it was

1954

01:13:47,910 --> 01:13:46,400

that tall in this trailer and it had

1955

01:13:50,550 --> 01:13:47,920

these huge

1956

01:13:51,590 --> 01:13:50,560

leathery wings uh that were similar to

1957

01:13:54,630 --> 01:13:51,600

either a bat

1958

01:13:55,350 --> 01:13:54,640

or a gargoyle again which are words that

1959

01:13:57,350 --> 01:13:55,360

people use

1960

01:13:59,590 --> 01:13:57,360

you know pretty pretty commonly to

1961

01:14:03,189 --> 01:13:59,600

describe these these things wings

1962

01:14:06,790 --> 01:14:03,199

and so um he sees this thing

1963

01:14:08,870 --> 01:14:06,800

and uh it's it's been uh

1964

01:14:10,229 --> 01:14:08,880

he described it as being almost skeletal

1965

01:14:12,870 --> 01:14:10,239

really with the

1966

01:14:13,510 --> 01:14:12,880

sharp teeth and dark eyes and it makes

1967

01:14:16,709 --> 01:14:13,520

this

1968

01:14:19,110 --> 01:14:16,719

weird garbled sound and

1969

01:14:20,310 --> 01:14:19,120

he screams you know he's a kid of course

1970

01:14:22,709 --> 01:14:20,320

he screams

1971

01:14:23,669 --> 01:14:22,719

um he's trying to get his his parents

1972

01:14:26,870 --> 01:14:23,679

attention

1973

01:14:28,390 --> 01:14:26,880

and they don't respond his grandmother

1974

01:14:30,310 --> 01:14:28,400

though who's living with him

1975

01:14:32,550 --> 01:14:30,320

like she comes in you know she hears

1976

01:14:34,390 --> 01:14:32,560

them she runs in and she sees this thing

1977

01:14:35,590 --> 01:14:34,400

and just immediately falls to her knees

1978

01:14:39,110 --> 01:14:35,600

like she's overcome

1979

01:14:41,669 --> 01:14:39,120

by this this experience and uh

1980

01:14:43,189 --> 01:14:41,679

so he's screaming and this creature

1981

01:14:45,590 --> 01:14:43,199

loses interest in his

1982

01:14:46,870 --> 01:14:45,600

his baby sister and comes over to floyd

1983

01:14:49,110 --> 01:14:46,880

picks him up

1984

01:14:50,790 --> 01:14:49,120

goes into the living room climbs out

1985

01:14:51,910 --> 01:14:50,800

through this hole which seems to

1986

01:14:54,830 --> 01:14:51,920

obviously be where

1987

01:14:55,990 --> 01:14:54,840

it it came in like that's how it gained

1988

01:14:57,910 --> 01:14:56,000

access

1989

01:14:59,270 --> 01:14:57,920
and uh and takes off and all floyd

1990

01:15:01,669 --> 01:14:59,280
really remembers then

1991

01:15:02,630 --> 01:15:01,679
is being very cold and wet uh hearing

1992

01:15:05,350 --> 01:15:02,640
his his

1993

01:15:07,030 --> 01:15:05,360
grandmother screaming as uh as this

1994

01:15:08,870 --> 01:15:07,040
thing takes off with him

1995

01:15:11,910 --> 01:15:08,880
and then and then that's it you know

1996

01:15:14,390 --> 01:15:11,920
like he blacks out passes out whatever

1997

01:15:16,070 --> 01:15:14,400
and he has no idea how long he was gone

1998

01:15:17,430 --> 01:15:16,080
but he only remembers and after that

1999

01:15:19,590 --> 01:15:17,440
waking up in his bed

2000

01:15:21,110 --> 01:15:19,600
with his panicked parents and his his

2001

01:15:25,350 --> 01:15:21,120

grandmother there

2002

01:15:27,910 --> 01:15:25,360

and um you know uh his parents

2003

01:15:30,229 --> 01:15:27,920

thought that they had been you know sort

2004

01:15:32,550 --> 01:15:30,239

of stunned somehow like put into this

2005

01:15:33,910 --> 01:15:32,560

this uh hypnotic state and you know of

2006

01:15:35,750 --> 01:15:33,920

course they didn't call the police or

2007

01:15:37,590 --> 01:15:35,760

anything because

2008

01:15:38,870 --> 01:15:37,600

there are a couple issues here really i

2009

01:15:40,950 --> 01:15:38,880

mean one

2010

01:15:42,630 --> 01:15:40,960

what are you gonna tell the the police

2011

01:15:45,510 --> 01:15:42,640

you know like floyd's back

2012

01:15:46,310 --> 01:15:45,520

right so he's he's not kidnapped he was

2013

01:15:49,669 --> 01:15:46,320

brought back

2014

01:15:51,270 --> 01:15:49,679

by this thing and uh well i i forgot to

2015

01:15:53,669 --> 01:15:51,280

mention that so uh

2016

01:15:54,550 --> 01:15:53,679

he comes to find out later from his his

2017

01:15:56,550 --> 01:15:54,560

grandmother that

2018

01:15:58,310 --> 01:15:56,560

there was a thump on the roof and his

2019

01:15:59,350 --> 01:15:58,320

dad goes up there and finds him and

2020

01:16:03,669 --> 01:15:59,360

that's

2021

01:16:04,790 --> 01:16:03,679

they found him and got him back but like

2022

01:16:05,990 --> 01:16:04,800

yeah they don't call the police because

2023

01:16:08,149 --> 01:16:06,000

what are they going to tell them you

2024

01:16:09,590 --> 01:16:08,159

know like their their kid's home

2025

01:16:11,750 --> 01:16:09,600

you know he's not kidnapped there is

2026

01:16:14,950 --> 01:16:11,760

there's no crime to report

2027

01:16:18,390 --> 01:16:14,960

um and uh you know even in 69

2028

01:16:19,910 --> 01:16:18,400

people knew better uh than to to want to

2029

01:16:21,990 --> 01:16:19,920

really put themselves on the line if

2030

01:16:24,550 --> 01:16:22,000

they didn't have to about you know a

2031

01:16:26,149 --> 01:16:24,560

story that would sound like that

2032

01:16:28,229 --> 01:16:26,159

and you know beyond that you know they

2033

01:16:28,950 --> 01:16:28,239

they lived in a trailer with a hole in

2034

01:16:33,270 --> 01:16:28,960

the roof

2035

01:16:36,709 --> 01:16:33,280

i mean there's probably an issue of uh

2036

01:16:40,229 --> 01:16:36,719

uh poverty to be had you know where

2037

01:16:42,550 --> 01:16:40,239

the police especially back then um

2038

01:16:44,229 --> 01:16:42,560

they probably didn't trust the police uh

2039

01:16:46,070 --> 01:16:44,239

you know there was no guarantee

2040

01:16:47,350 --> 01:16:46,080

that the police were gonna treat them

2041

01:16:50,390 --> 01:16:47,360

particularly well

2042

01:16:52,470 --> 01:16:50,400

or or believe their story you know if if

2043

01:16:55,110 --> 01:16:52,480

if they were scared enough to actually

2044

01:16:57,990 --> 01:16:55,120

report a monster sighting you know

2045

01:16:58,870 --> 01:16:58,000

so but uh again it's another one where

2046

01:17:02,229 --> 01:16:58,880

uh

2047

01:17:04,550 --> 01:17:02,239

we've got somebody who

2048

01:17:05,669 --> 01:17:04,560

feels very strongly obviously about what

2049

01:17:07,669 --> 01:17:05,679

happened to him

2050

01:17:10,149 --> 01:17:07,679

and was willing to to put himself out

2051

01:17:13,430 --> 01:17:10,159

there and you have to respect that

2052

01:17:15,669 --> 01:17:13,440

and he's got nothing to gain and and

2053

01:17:16,790 --> 01:17:15,679

and is the as is the case in a lot of

2054

01:17:18,390 --> 01:17:16,800

these sightings

2055

01:17:19,990 --> 01:17:18,400

you know he's really reached a certain

2056

01:17:23,189 --> 01:17:20,000

age where i think

2057

01:17:25,030 --> 01:17:23,199

that it's not important to him what

2058

01:17:27,510 --> 01:17:25,040

people think about him anymore like i

2059

01:17:29,669 --> 01:17:27,520

i i saw that with like david ramos i had

2060

01:17:32,870 --> 01:17:29,679

another witness recently

2061

01:17:34,870 --> 01:17:32,880

gerald there where you just get to a

2062

01:17:36,709 --> 01:17:34,880

certain age maybe you're retired

2063

01:17:38,550 --> 01:17:36,719

uh you just don't care you know it's

2064

01:17:39,430 --> 01:17:38,560

like look i know i know what happened to

2065

01:17:41,430 --> 01:17:39,440

me

2066

01:17:43,110 --> 01:17:41,440

and i don't have a career for anybody to

2067

01:17:44,870 --> 01:17:43,120

ruin anymore

2068

01:17:46,470 --> 01:17:44,880

you know i'm i'm older now it doesn't

2069

01:17:48,550 --> 01:17:46,480

matter and so

2070

01:17:50,310 --> 01:17:48,560

you know people people are are willing

2071

01:17:52,310 --> 01:17:50,320

to to put themselves on

2072

01:17:53,669 --> 01:17:52,320

on the line but yeah it's it's one of my

2073

01:17:56,390 --> 01:17:53,679

favorites it's

2074

01:17:57,189 --> 01:17:56,400

it's a good one so many aspects of that

2075

01:18:01,189 --> 01:17:57,199

just

2076

01:18:01,669 --> 01:18:01,199

screams abduction yeah a lot of so much

2077

01:18:04,790 --> 01:18:01,679

stuff

2078

01:18:05,990 --> 01:18:04,800

uh i can attest from my own experiences

2079

01:18:09,270 --> 01:18:06,000

but

2080

01:18:11,510 --> 01:18:09,280

so many things from that screen you know

2081

01:18:12,870 --> 01:18:11,520

what an abduction scenario would be i

2082

01:18:15,669 --> 01:18:12,880

know people

2083

01:18:16,550 --> 01:18:15,679

getting immobilized people being moved

2084

01:18:19,910 --> 01:18:16,560

people being

2085

01:18:22,149 --> 01:18:19,920

um you know finding themselves

2086

01:18:24,310 --> 01:18:22,159

waking up in strange places you know

2087

01:18:27,669 --> 01:18:24,320

where they know they didn't go to sleep

2088

01:18:31,189 --> 01:18:27,679

um you know this could have been

2089

01:18:33,110 --> 01:18:31,199

an abduction and quite honestly you know

2090

01:18:34,550 --> 01:18:33,120

how many reports have we gotten before

2091

01:18:36,390 --> 01:18:34,560

where uh

2092

01:18:38,070 --> 01:18:36,400

people have said that grays can

2093

01:18:40,790 --> 01:18:38,080

shapeshift themselves

2094

01:18:42,149 --> 01:18:40,800

um oh yeah but david's david tells me

2095

01:18:44,149 --> 01:18:42,159

that all the time

2096

01:18:47,030 --> 01:18:44,159

yeah i mean he believes that he believes

2097

01:18:49,830 --> 01:18:47,040

that he's seen that he said

2098

01:18:50,550 --> 01:18:49,840

i've heard so many stories i've had so

2099

01:18:53,030 --> 01:18:50,560

many people

2100

01:18:54,070 --> 01:18:53,040

who've had abduction experiences and

2101

01:18:55,590 --> 01:18:54,080

said that

2102

01:18:58,709 --> 01:18:55,600

growing up you know there used to be a

2103

01:19:00,229 --> 01:18:58,719

dog that used to look in the window

2104

01:19:02,630 --> 01:19:00,239

and they always thought it was a strange

2105

01:19:04,950 --> 01:19:02,640

you know just a friendly dog you know

2106

01:19:07,430 --> 01:19:04,960

turns out to be a gray that wasn't

2107

01:19:10,470 --> 01:19:07,440

shape-shift itself

2108

01:19:12,790 --> 01:19:10,480

um you know it's just

2109

01:19:14,470 --> 01:19:12,800

so many different scenarios and that

2110

01:19:16,630 --> 01:19:14,480

kind of ties in with

2111

01:19:18,229 --> 01:19:16,640

how do we not know it's extraterrestrial

2112

01:19:21,590 --> 01:19:18,239

it could be ultra-terrestrial

2113

01:19:23,750 --> 01:19:21,600

so well i i tell you uh

2114

01:19:25,189 --> 01:19:23,760

i don't know if i've told you guys this

2115

01:19:28,709 --> 01:19:25,199

before

2116

01:19:31,510 --> 01:19:28,719

uh but david eckhart has told me on

2117

01:19:33,750 --> 01:19:31,520

numerous occasions he believes these

2118

01:19:36,390 --> 01:19:33,760

winged beings in chicago are

2119

01:19:37,750 --> 01:19:36,400

extraterrestrial at some point of some

2120

01:19:42,790 --> 01:19:37,760

type

2121

01:19:45,990 --> 01:19:42,800

he really does um he doesn't know

2122

01:19:48,070 --> 01:19:46,000

what they're possibly related to

2123

01:19:51,350 --> 01:19:48,080

where they'd come from where they are in

2124

01:19:53,030 --> 01:19:51,360

the hierarchy um

2125

01:19:54,550 --> 01:19:53,040

you know if they're cooperative with

2126

01:19:57,990 --> 01:19:54,560

other beings

2127

01:20:02,830 --> 01:19:58,000

but he does he really believes that

2128

01:20:07,110 --> 01:20:03,990

non-terrestrial

2129

01:20:09,430 --> 01:20:07,120

some type of uh

2130

01:20:10,310 --> 01:20:09,440

extraterrestrial biological entity of

2131

01:20:12,550 --> 01:20:10,320

some type

2132

01:20:13,910 --> 01:20:12,560

he's not sure but he he has a strong

2133

01:20:15,910 --> 01:20:13,920

feeling about it

2134

01:20:17,510 --> 01:20:15,920

we'll be the first time that we've had

2135

01:20:20,390 --> 01:20:17,520

uh reports of

2136

01:20:21,590 --> 01:20:20,400

entities that have uh wings in fact uh

2137

01:20:23,990 --> 01:20:21,600

on draconian

2138

01:20:25,030 --> 01:20:24,000

if you follow a lot of the you know this

2139

01:20:27,990 --> 01:20:25,040

different species

2140

01:20:29,270 --> 01:20:28,000

you know supposedly reptilians have a

2141

01:20:31,750 --> 01:20:29,280

hierarchy

2142

01:20:33,189 --> 01:20:31,760

amongst themselves and the higher ups

2143

01:20:36,229 --> 01:20:33,199

the ones that are considered

2144

01:20:39,270 --> 01:20:36,239

the royalty their nobility

2145

01:20:41,750 --> 01:20:39,280

have wings uh they're

2146

01:20:42,550 --> 01:20:41,760

called quote-unquote draconian yeah the

2147

01:20:46,149 --> 01:20:42,560

drax

2148

01:20:48,310 --> 01:20:46,159

yeah yeah but i mean so many

2149

01:20:50,629 --> 01:20:48,320

different things i mean there's there's

2150

01:20:52,149 --> 01:20:50,639

so many uh

2151
01:20:53,830 --> 01:20:52,159
different scenarios that could play

2152
01:20:54,870 --> 01:20:53,840
themselves out i mean this thing could

2153
01:20:56,229 --> 01:20:54,880
be

2154
01:20:58,550 --> 01:20:56,239
something that was you know ultra

2155
01:21:02,229 --> 01:20:58,560
terrestrial it was here

2156
01:21:05,030 --> 01:21:02,239
way before us um it could be

2157
01:21:05,990 --> 01:21:05,040
oh you know interdimensional um

2158
01:21:08,149 --> 01:21:06,000
especially

2159
01:21:09,189 --> 01:21:08,159
i and i point a lot to it with the

2160
01:21:12,390 --> 01:21:09,199
rosemont uh

2161
01:21:15,830 --> 01:21:12,400
sighting that we took um

2162
01:21:18,629 --> 01:21:15,840
she saw blue light yeah a lot of uh

2163
01:21:19,990 --> 01:21:18,639

sightings um where people have said

2164

01:21:22,310 --> 01:21:20,000

these things have like

2165

01:21:23,030 --> 01:21:22,320

warped into the room or warped in out of

2166

01:21:24,709 --> 01:21:23,040

the out

2167

01:21:26,470 --> 01:21:24,719

they've always seen blue lights yeah

2168

01:21:27,590 --> 01:21:26,480

that's what that's what david told me

2169

01:21:30,629 --> 01:21:27,600

when i talked to him

2170

01:21:33,270 --> 01:21:30,639

and you know since we had an alien

2171

01:21:33,910 --> 01:21:33,280

possibly on involvement i asked him

2172

01:21:36,070 --> 01:21:33,920

about it

2173

01:21:37,830 --> 01:21:36,080

and when i told him it you know it

2174

01:21:40,950 --> 01:21:37,840

flashed with a blue light

2175

01:21:44,070 --> 01:21:40,960

he told me that every portal and every

2176

01:21:47,350 --> 01:21:44,080

transport that he has seen

2177

01:21:49,030 --> 01:21:47,360

that have been shown to him always are

2178

01:21:51,110 --> 01:21:49,040

associated with a blue light of some

2179

01:21:54,310 --> 01:21:51,120

type

2180

01:21:57,030 --> 01:21:54,320

so uh i mean is is that related it's i i

2181

01:22:01,830 --> 01:21:57,040

suppose it's possible

2182

01:22:04,310 --> 01:22:03,910

well guys anything else we need to cover

2183

01:22:07,189 --> 01:22:04,320

on this

2184

01:22:09,830 --> 01:22:07,199

[Laughter]

2185

01:22:11,189 --> 01:22:09,840

what haven't we covered well i know

2186

01:22:13,270 --> 01:22:11,199

there's a lot we haven't covered oh boy

2187

01:22:14,870 --> 01:22:13,280

yeah i was going to say i want my guy

2188

01:22:17,110 --> 01:22:14,880

we've written the whole books of stuff

2189

01:22:24,390 --> 01:22:17,120

yeah

2190

01:22:24,790 --> 01:22:24,400

it it's crazy i um you know it's funny

2191

01:22:27,590 --> 01:22:24,800

when

2192

01:22:31,990 --> 01:22:27,600

this this phenomena first started

2193

01:22:35,669 --> 01:22:34,870

and i mentioned it to you guys but you

2194

01:22:37,990 --> 01:22:35,679

know

2195

01:22:40,550 --> 01:22:38,000

the first thing the media when they

2196

01:22:42,310 --> 01:22:40,560

started hearing about it they started

2197

01:22:43,669 --> 01:22:42,320

because i was calling it the chicago

2198

01:22:46,229 --> 01:22:43,679

phantom and

2199

01:22:47,990 --> 01:22:46,239

i remember that the mediums the media

2200

01:22:50,470 --> 01:22:48,000

started monitoring it

2201
01:22:52,070 --> 01:22:50,480
as the mothman the chicago mockman

2202
01:22:55,669 --> 01:22:52,080
that's how that got started

2203
01:22:57,189 --> 01:22:55,679
we didn't do that and uh

2204
01:22:59,189 --> 01:22:57,199
you know that's what everybody was

2205
01:23:01,189 --> 01:22:59,199
referring it to so of course

2206
01:23:03,590 --> 01:23:01,199
when people in chicago started hearing

2207
01:23:05,750 --> 01:23:03,600
about the mothman in chicago

2208
01:23:07,030 --> 01:23:05,760
they started getting on google and

2209
01:23:09,590 --> 01:23:07,040
figuring and you know

2210
01:23:10,709 --> 01:23:09,600
trying to figure out what a mothman was

2211
01:23:14,229 --> 01:23:10,719
and invariably

2212
01:23:17,430 --> 01:23:14,239
they read about point pleasant and

2213
01:23:21,350 --> 01:23:17,440

the harbinger doom thing and oh boy

2214

01:23:26,229 --> 01:23:21,360

bridge and all that so i'll tell you

2215

01:23:28,310 --> 01:23:26,239

in july in august 2017 in particular

2216

01:23:29,750 --> 01:23:28,320

i was getting phone calls from just

2217

01:23:32,790 --> 01:23:29,760

regular people

2218

01:23:35,750 --> 01:23:32,800

in chicago enter in the barns

2219

01:23:37,669 --> 01:23:35,760

who were deeply concerned that something

2220

01:23:39,510 --> 01:23:37,679

was going to happen in chicago

2221

01:23:41,750 --> 01:23:39,520

and i mean i was getting phone calls i

2222

01:23:45,350 --> 01:23:41,760

had to cut my phone off at some point

2223

01:23:46,149 --> 01:23:45,360

i was getting phone calls you know late

2224

01:23:50,149 --> 01:23:46,159

at night

2225

01:23:51,350 --> 01:23:50,159

24 7. and these weren't witnesses these

2226

01:23:55,350 --> 01:23:51,360

were people who

2227

01:23:58,629 --> 01:23:55,360

actually were fearful that something

2228

01:24:00,830 --> 01:23:58,639

had come into our world to tell us that

2229

01:24:02,470 --> 01:24:00,840

something major is going to happen in

2230

01:24:05,990 --> 01:24:02,480

chicago

2231

01:24:08,149 --> 01:24:06,000

and the fear was definitely there

2232

01:24:10,229 --> 01:24:08,159

and of course while i'm trying to i'm

2233

01:24:11,430 --> 01:24:10,239

trying to tamp this down and try to tell

2234

01:24:13,590 --> 01:24:11,440

people you know

2235

01:24:14,790 --> 01:24:13,600

i have no evidence that this is going to

2236

01:24:17,430 --> 01:24:14,800

cause anything

2237

01:24:17,990 --> 01:24:17,440

or to be you know resulted in anything

2238

01:24:19,590 --> 01:24:18,000

you know

2239

01:24:22,310 --> 01:24:19,600

we're just reporting what people are

2240

01:24:23,990 --> 01:24:22,320

telling us well i read about the mothman

2241

01:24:26,149 --> 01:24:24,000

and point pleasant what happened with

2242

01:24:28,470 --> 01:24:26,159

the bridge and all that well

2243

01:24:30,709 --> 01:24:28,480

you and i both do not buy into a

2244

01:24:33,430 --> 01:24:30,719

harbinger theory anyway

2245

01:24:33,990 --> 01:24:33,440

i definitely don't yeah yeah but so many

2246

01:24:36,629 --> 01:24:34,000

things

2247

01:24:37,669 --> 01:24:36,639

about this it doesn't take very much of

2248

01:24:39,830 --> 01:24:37,679

a search to see

2249

01:24:42,390 --> 01:24:39,840

that all the other sightings you know

2250

01:24:45,669 --> 01:24:42,400

you had the blackbird chernobyl you had

2251
01:24:48,149 --> 01:24:45,679
the fukushima reactor sighting you had

2252
01:24:48,950 --> 01:24:48,159
uh the sighting in minnesota before the

2253
01:24:51,510 --> 01:24:48,960
bridge collapse

2254
01:24:53,270 --> 01:24:51,520
uh so many things that have been

2255
01:24:55,270 --> 01:24:53,280
reported and put out there

2256
01:24:57,189 --> 01:24:55,280
and people just start drawing their own

2257
01:24:59,669 --> 01:24:57,199
conclusions i've had people

2258
01:25:01,350 --> 01:24:59,679
you know ask you know you know is this a

2259
01:25:02,390 --> 01:25:01,360
sign that the new magic plot is going to

2260
01:25:05,430 --> 01:25:02,400
finally slip

2261
01:25:07,189 --> 01:25:05,440
and we're going to get hit i was like

2262
01:25:09,669 --> 01:25:07,199
i'm not a seismologist i'm not a

2263
01:25:12,070 --> 01:25:09,679

geologist i would not know

2264

01:25:14,149 --> 01:25:12,080

you know how this works i know that it's

2265

01:25:16,629 --> 01:25:14,159

happened and it will happen again i mean

2266

01:25:18,070 --> 01:25:16,639

for all i know i mean on mir i could

2267

01:25:21,189 --> 01:25:18,080

come out of nowhere and hit us

2268

01:25:22,550 --> 01:25:21,199

and yeah right yeah

2269

01:25:24,310 --> 01:25:22,560

that doesn't mean that this is what's

2270

01:25:27,669 --> 01:25:24,320

happening i mean

2271

01:25:29,430 --> 01:25:27,679

what am i one of my theories is uh

2272

01:25:31,669 --> 01:25:29,440

i don't know if you guys believe in the

2273

01:25:38,550 --> 01:25:31,679

the

2274

01:25:41,910 --> 01:25:38,560

thought is very strong and uh

2275

01:25:45,830 --> 01:25:41,920

it's um chicago

2276

01:25:49,189 --> 01:25:45,840

is a just a vast melting pot

2277

01:25:53,110 --> 01:25:49,199

of so many people so many races so many

2278

01:25:56,470 --> 01:25:53,120

you know different stories and it's been

2279

01:25:58,070 --> 01:25:56,480

a mecca for just ultra

2280

01:26:01,430 --> 01:25:58,080

violence i mean they didn't earn their

2281

01:26:03,750 --> 01:26:01,440

the moniker iraq for no reason at all

2282

01:26:04,709 --> 01:26:03,760

people are straight up having gun fights

2283

01:26:08,070 --> 01:26:04,719

in the street

2284

01:26:09,030 --> 01:26:08,080

uh funny story i read this morning

2285

01:26:10,070 --> 01:26:09,040

they're talking about oh

2286

01:26:11,510 --> 01:26:10,080

they're gonna bring in the national

2287

01:26:13,189 --> 01:26:11,520

guard full time's like yeah it's great

2288

01:26:16,229 --> 01:26:13,199

let's bring people in with

2289

01:26:17,750 --> 01:26:16,239

heavy machine guns and uh deal with the

2290

01:26:19,990 --> 01:26:17,760

the people who are already shooting each

2291

01:26:22,070 --> 01:26:20,000

other in the streets but they have a war

2292

01:26:23,430 --> 01:26:22,080

yeah all right war breaking out on the

2293

01:26:25,590 --> 01:26:23,440

streets so badly

2294

01:26:27,430 --> 01:26:25,600

um lately we've been having problems

2295

01:26:30,070 --> 01:26:27,440

with looting mass looting

2296

01:26:30,470 --> 01:26:30,080

along with the protests you know it's

2297

01:26:34,149 --> 01:26:30,480

just

2298

01:26:35,669 --> 01:26:34,159

it's bad and but something tells me that

2299

01:26:37,430 --> 01:26:35,679

this has been boarding

2300

01:26:39,270 --> 01:26:37,440

a simmering just under the surface for

2301

01:26:41,990 --> 01:26:39,280

so long that maybe

2302

01:26:43,910 --> 01:26:42,000

all that negativity all that energy is

2303

01:26:46,310 --> 01:26:43,920

what either summoned it

2304

01:26:49,750 --> 01:26:46,320

um kind of like basically chumming the

2305

01:26:52,950 --> 01:26:49,760

water this thing got attracted to it

2306

01:26:54,070 --> 01:26:52,960

or it manifested itself right um as a

2307

01:26:55,510 --> 01:26:54,080

result of all this

2308

01:26:57,189 --> 01:26:55,520

it didn't help that people were out

2309

01:27:00,310 --> 01:26:57,199

there you know summoning it

2310

01:27:02,470 --> 01:27:00,320

on you know using uh

2311

01:27:03,350 --> 01:27:02,480

you know the you know witchcraft or

2312

01:27:06,390 --> 01:27:03,360

anything like that

2313

01:27:07,270 --> 01:27:06,400

to for lack of a better word but you

2314

01:27:09,910 --> 01:27:07,280

know

2315

01:27:11,750 --> 01:27:09,920

this area has just been uh it's just

2316

01:27:14,790 --> 01:27:11,760

been um

2317

01:27:16,550 --> 01:27:14,800

a powder keg yeah with uh you know so

2318

01:27:18,629 --> 01:27:16,560

many things and just somebody sitting

2319

01:27:19,750 --> 01:27:18,639

there just sparking the fuse until one

2320

01:27:21,910 --> 01:27:19,760

day it's got lit

2321

01:27:23,910 --> 01:27:21,920

and you know we find ourselves in the

2322

01:27:27,669 --> 01:27:23,920

present situation we're in now

2323

01:27:29,669 --> 01:27:27,679

i mean well guys i tell you what

2324

01:27:31,910 --> 01:27:29,679

what we're gonna have to probably what

2325

01:27:33,350 --> 01:27:31,920

we're gonna have to do eventually i i

2326

01:27:35,750 --> 01:27:33,360

think when we

2327

01:27:36,950 --> 01:27:35,760

start getting a smattering of cases

2328

01:27:38,790 --> 01:27:36,960

again

2329

01:27:41,350 --> 01:27:38,800

uh we're gonna have to come back and do

2330

01:27:45,350 --> 01:27:41,360

this again on the on here you know

2331

01:27:47,910 --> 01:27:45,360

sure as well as the the regular 14 team

2332

01:27:49,270 --> 01:27:47,920

coming on and talking uh people seem to

2333

01:27:51,590 --> 01:27:49,280

enjoy it

2334

01:27:53,590 --> 01:27:51,600

uh they're they're truly interested in

2335

01:27:55,750 --> 01:27:53,600

what we're investigating

2336

01:27:58,310 --> 01:27:55,760

and uh you know i think they like these

2337

01:28:00,390 --> 01:27:58,320

first-hand accounts so um

2338

01:28:01,350 --> 01:28:00,400

again i thank you guys for coming on the

2339

01:28:04,390 --> 01:28:01,360
