

**BIGFOOT
ON THE
MOVE?**

**Three More
Hairy
Humanoids
on the
Roads &
Trails!**

BXP

1
00:00:12,890 --> 00:00:10,600

[Music]

2
00:00:17,830 --> 00:00:12,900

[Applause]

3
00:00:21,990 --> 00:00:19,670

welcome to the best of first person

4
00:00:24,870 --> 00:00:22,000

episodes from phantoms and monsters

5
00:00:25,429 --> 00:00:24,880

please like subscribe and hit the bell

6
00:00:28,830 --> 00:00:25,439

icon

7
00:00:31,910 --> 00:00:28,840

so you'll be notified of all future

8
00:00:35,350 --> 00:00:33,990

tall gray hairy biped observed in

9
00:00:37,510 --> 00:00:35,360

michigan woods

10
00:00:39,030 --> 00:00:37,520

i feel it's just an obligation to say

11
00:00:41,190 --> 00:00:39,040

that i am a skeptic

12
00:00:42,709 --> 00:00:41,200

i've been trying to convince myself i

13
00:00:44,630 --> 00:00:42,719

didn't see a large hairy

14

00:00:46,470 --> 00:00:44,640

humanoid thing in in the woods all those

15

00:00:48,869 --> 00:00:46,480

years ago but i did

16

00:00:50,549 --> 00:00:48,879

this was somewhere around the mid 2000s

17

00:00:52,389 --> 00:00:50,559

when i was in middle school

18

00:00:54,709 --> 00:00:52,399

i was staying at a friend's house for

19

00:00:56,869 --> 00:00:54,719

the night in the backwoods of michigan

20

00:00:59,189 --> 00:00:56,879

for privacy we'll say his name is jay

21

00:01:01,670 --> 00:00:59,199

immediately behind jay's house was a few

22

00:01:03,670 --> 00:01:01,680

acres of woods that led to a lake

23

00:01:04,789 --> 00:01:03,680

if you went straight back into the woods

24

00:01:06,630 --> 00:01:04,799

from his backyard

25

00:01:08,950 --> 00:01:06,640

there was a path that went straight to

26

00:01:11,350 --> 00:01:08,960

the lake which was intersected at 90

27

00:01:12,310 --> 00:01:11,360

degrees by another path about halfway to

28

00:01:13,990 --> 00:01:12,320

the lake

29

00:01:15,670 --> 00:01:14,000

probably a quarter mile from the

30

00:01:17,510 --> 00:01:15,680

backyard to the lake

31

00:01:19,510 --> 00:01:17,520

if you went straight down the path from

32

00:01:20,390 --> 00:01:19,520

the backyard then turned left at the

33

00:01:22,710 --> 00:01:20,400

intersection

34

00:01:24,070 --> 00:01:22,720

the path was a downhill grade followed

35

00:01:25,990 --> 00:01:24,080

by a flat portion

36

00:01:28,310 --> 00:01:26,000

followed by an uphill grade which

37

00:01:28,870 --> 00:01:28,320

eventually ran into a two-lane country

38

00:01:31,590 --> 00:01:28,880

road

39

00:01:32,870 --> 00:01:31,600

one of those 55 miles per hour ones that

40

00:01:35,350 --> 00:01:32,880

goes on for miles

41

00:01:36,230 --> 00:01:35,360

with not so much one or two houses for

42

00:01:38,390 --> 00:01:36,240

miles

43

00:01:40,390 --> 00:01:38,400

it was late in the afternoon and the sun

44

00:01:42,789 --> 00:01:40,400

was just starting to set

45

00:01:44,710 --> 00:01:42,799

we being middle school boys were running

46

00:01:46,710 --> 00:01:44,720

around the woods all afternoon playing

47

00:01:49,429 --> 00:01:46,720

with fake guns and stuff

48

00:01:51,429 --> 00:01:49,439

good times absolutely nothing leading up

49

00:01:54,310 --> 00:01:51,439

to this point was strange

50

00:01:56,149 --> 00:01:54,320

no weird eerie feelings no odd

51
00:01:58,550 --> 00:01:56,159
unidentified sounds

52
00:01:59,990 --> 00:01:58,560
no paranoia or ghost stories prior to

53
00:02:02,069 --> 00:02:00,000
playing in the woods

54
00:02:03,830 --> 00:02:02,079
just two kids running around having a

55
00:02:05,990 --> 00:02:03,840
great time outside

56
00:02:07,429 --> 00:02:06,000
well we were basically pretending we

57
00:02:09,990 --> 00:02:07,439
were army guys

58
00:02:11,670 --> 00:02:10,000
at one point jay decided to run off

59
00:02:12,550 --> 00:02:11,680
saying something about flanking the

60
00:02:15,270 --> 00:02:12,560
enemy

61
00:02:17,190 --> 00:02:15,280
he dashes off to my left i started

62
00:02:17,830 --> 00:02:17,200
creeping through the woods pretending to

63
00:02:20,550 --> 00:02:17,840

shoot down

64

00:02:22,070 --> 00:02:20,560

bad guys as it went i found myself

65

00:02:24,710 --> 00:02:22,080

standing at the intersection

66

00:02:25,910 --> 00:02:24,720

described earlier straight forward was

67

00:02:28,309 --> 00:02:25,920

towards the lake

68

00:02:29,990 --> 00:02:28,319

to the left was the path that went down

69

00:02:32,070 --> 00:02:30,000

then back up to the road

70

00:02:33,350 --> 00:02:32,080

i was standing looking diagonally

71

00:02:35,430 --> 00:02:33,360

between the two paths

72

00:02:36,470 --> 00:02:35,440

when i hear some faint sound slightly

73

00:02:38,790 --> 00:02:36,480

off to my right

74

00:02:41,110 --> 00:02:38,800

towards the lake what i saw made my

75

00:02:41,830 --> 00:02:41,120

whole body tingle in the worst possible

76

00:02:44,710 --> 00:02:41,840

way

77

00:02:46,949 --> 00:02:44,720

about 50 feet maybe more maybe less

78

00:02:49,270 --> 00:02:46,959

towards the lake and just behind a tree

79

00:02:50,229 --> 00:02:49,280

i see this face and shoulder arm peeking

80

00:02:52,390 --> 00:02:50,239

around it

81

00:02:54,390 --> 00:02:52,400

the most terrifying part was that it was

82

00:02:56,710 --> 00:02:54,400

probably two feet or more higher than

83

00:02:59,030 --> 00:02:56,720

you'd expect a human's head to be

84

00:03:00,630 --> 00:02:59,040

before i could properly observe the face

85

00:03:03,190 --> 00:03:00,640

which was undoubtedly hairy

86

00:03:04,949 --> 00:03:03,200

it snapped back behind the tree as if it

87

00:03:07,110 --> 00:03:04,959

realized i could see it

88

00:03:09,990 --> 00:03:07,120

the color of the figure i saw was light

89

00:03:11,990 --> 00:03:10,000

gray like your average cement sidewalk

90

00:03:14,630 --> 00:03:12,000

because of that i was unsure of what it

91

00:03:16,390 --> 00:03:14,640

was my first couple thoughts were sheer

92

00:03:18,790 --> 00:03:16,400

confusion and fear

93

00:03:20,869 --> 00:03:18,800

then in my frozen state i remembered

94

00:03:23,350 --> 00:03:20,879

that jay was wearing a shirt almost

95

00:03:25,110 --> 00:03:23,360

exactly that shade of gray i tried

96

00:03:26,550 --> 00:03:25,120

whisper shouting his name towards the

97

00:03:28,869 --> 00:03:26,560

now hidden figure

98

00:03:31,110 --> 00:03:28,879

i called out maybe two or three times

99

00:03:33,350 --> 00:03:31,120

went off about 50 feet behind me and to

100

00:03:33,990 --> 00:03:33,360

my left down the path leading towards

101
00:03:36,550 --> 00:03:34,000
the road

102
00:03:38,470 --> 00:03:36,560
jay emerged from the thicker trees this

103
00:03:39,750 --> 00:03:38,480
was the complete opposite direction from

104
00:03:41,430 --> 00:03:39,760
the figure i saw

105
00:03:43,910 --> 00:03:41,440
and there's no way he could have sneaked

106
00:03:46,149 --> 00:03:43,920
around me in that short of a time frame

107
00:03:48,070 --> 00:03:46,159
to further drive the point home it was

108
00:03:49,030 --> 00:03:48,080
full and the ground was covered in

109
00:03:51,430 --> 00:03:49,040
layers of dry

110
00:03:53,509 --> 00:03:51,440
dead deciduous leaves the crunch from

111
00:03:54,869 --> 00:03:53,519
the leaves was very distinct and you

112
00:03:57,350 --> 00:03:54,879
couldn't avoid it

113
00:03:59,350 --> 00:03:57,360

anyways jay had heard me call out and

114

00:04:02,070 --> 00:03:59,360

from just down the slight decline

115

00:04:04,309 --> 00:04:02,080

he looked up and asked what was going on

116

00:04:06,869 --> 00:04:04,319

i pointed off into the trees where i had

117

00:04:09,589 --> 00:04:06,879

seen the figure and set at normal volume

118

00:04:11,110 --> 00:04:09,599

i saw something big over there as soon

119

00:04:13,509 --> 00:04:11,120

as i finished that sentence

120

00:04:15,670 --> 00:04:13,519

i mean the very second whatever i had

121

00:04:16,150 --> 00:04:15,680

seen started stomping off towards the

122

00:04:18,390 --> 00:04:16,160

road

123

00:04:21,030 --> 00:04:18,400

parallel to the path we were on but

124

00:04:21,830 --> 00:04:21,040

probably 50 to 100 feet deeper in the

125

00:04:25,189 --> 00:04:21,840

woods

126
00:04:27,909 --> 00:04:25,199
anything at that distance

127
00:04:29,110 --> 00:04:27,919
for some god forsaken reason we tried to

128
00:04:31,990 --> 00:04:29,120
run after it

129
00:04:34,390 --> 00:04:32,000
jay and i were athletic as athletic as

130
00:04:36,710 --> 00:04:34,400
sixth or seventh graders could be

131
00:04:37,510 --> 00:04:36,720
we played tons of sports and we're fast

132
00:04:39,350 --> 00:04:37,520
kids

133
00:04:40,710 --> 00:04:39,360
we were hauling ass down the path

134
00:04:42,950 --> 00:04:40,720
parallel to the beast

135
00:04:45,030 --> 00:04:42,960
as fast as we could sprint and yet it

136
00:04:47,510 --> 00:04:45,040
was absolutely smoking us

137
00:04:49,590 --> 00:04:47,520
the road if i remember correctly was a

138
00:04:51,030 --> 00:04:49,600

solid quarter mile from the intersection

139

00:04:53,030 --> 00:04:51,040

of the two paths

140

00:04:55,030 --> 00:04:53,040

we had maybe just finished running down

141

00:04:56,710 --> 00:04:55,040

the downhill portion when this monster

142

00:04:58,629 --> 00:04:56,720

was already to the road

143

00:05:00,550 --> 00:04:58,639

and believe it or not we could tell

144

00:05:02,469 --> 00:05:00,560

where it was from the crunching leaves

145

00:05:04,950 --> 00:05:02,479

and you could hear its massive footsteps

146

00:05:06,710 --> 00:05:04,960

clear as day even while running

147

00:05:09,749 --> 00:05:06,720

when we realized it was getting to the

148

00:05:12,150 --> 00:05:09,759

road we also realized a car was coming

149

00:05:14,150 --> 00:05:12,160

i fool you not as soon as the crunching

150

00:05:15,029 --> 00:05:14,160

leaves stopped and the thing stepped out

151
00:05:16,950 --> 00:05:15,039
onto the road

152
00:05:18,390 --> 00:05:16,960
the car slammed on its brakes and

153
00:05:20,710 --> 00:05:18,400
pounded on the horn

154
00:05:22,469 --> 00:05:20,720
its tires screeched for a solid three to

155
00:05:24,390 --> 00:05:22,479
four seconds at least

156
00:05:26,230 --> 00:05:24,400
when the car finally stopped we heard

157
00:05:27,189 --> 00:05:26,240
the leaves start crunching on the other

158
00:05:29,270 --> 00:05:27,199
side of the road

159
00:05:31,590 --> 00:05:29,280
and then the car slammed on the gas

160
00:05:32,710 --> 00:05:31,600
peeled out again and took off like a bat

161
00:05:34,550 --> 00:05:32,720
out of hell

162
00:05:36,629 --> 00:05:34,560
keep in mind we could only hear all of

163
00:05:38,390 --> 00:05:36,639

this we didn't see the car

164

00:05:40,550 --> 00:05:38,400

so there's no way we could ever track

165

00:05:42,390 --> 00:05:40,560

the person down to ask what they saw

166

00:05:44,230 --> 00:05:42,400

but i wouldn't be surprised if their

167

00:05:44,870 --> 00:05:44,240

story is out there on the internet

168

00:05:46,629 --> 00:05:44,880

somewhere

169

00:05:48,390 --> 00:05:46,639

about the time they almost turned a

170

00:05:50,629 --> 00:05:48,400

bigfoot into roadkill

171

00:05:52,629 --> 00:05:50,639

anyways we finally made it to the road

172

00:05:55,350 --> 00:05:52,639

dan cross to the other side

173

00:05:57,110 --> 00:05:55,360

on that side it was mostly flat woods as

174

00:06:00,230 --> 00:05:57,120

far as the eye could see

175

00:06:02,790 --> 00:06:00,240

nothing but trees trees and more trees

176

00:06:05,270 --> 00:06:02,800

no sight nor sound of the beast we

177

00:06:08,550 --> 00:06:05,280

waited for a bit then went back home

178

00:06:10,710 --> 00:06:08,560

was it a big foot for sure i can't say

179

00:06:11,830 --> 00:06:10,720

but what i do know is that it was tall

180

00:06:14,390 --> 00:06:11,840

hairy gray

181

00:06:16,629 --> 00:06:14,400

and one hundred percent bipedal there

182

00:06:17,590 --> 00:06:16,639

was absolutely no mistaking the sound of

183

00:06:19,510 --> 00:06:17,600

it running

184

00:06:21,830 --> 00:06:19,520

but i'm almost sure this thing was

185

00:06:24,070 --> 00:06:21,840

sprinting the speed at which it reached

186

00:06:26,309 --> 00:06:24,080

the road was utterly unbelievable

187

00:06:27,909 --> 00:06:26,319

it ran a quarter mile in probably close

188

00:06:30,309 --> 00:06:27,919

to 20 seconds

189

00:06:32,830 --> 00:06:30,319

and trust me i understand how absurd

190

00:06:32,840 --> 00:06:38,309

tc

191

00:06:43,110 --> 00:06:40,870

a known hairy creature possible bigfoot

192

00:06:45,670 --> 00:06:43,120

charges hunter in georgia woods

193

00:06:48,070 --> 00:06:45,680

i come from a family of hunters it was

194

00:06:49,990 --> 00:06:48,080

not uncommon for my mom and stepdad

195

00:06:51,749 --> 00:06:50,000

to go out early morning and not come

196

00:06:52,629 --> 00:06:51,759

home until well into the night on

197

00:06:55,189 --> 00:06:52,639

occasion

198

00:06:57,270 --> 00:06:55,199

in rural georgia it is fairly common for

199

00:06:58,629 --> 00:06:57,280

landowners to lease out their acres for

200

00:07:00,790 --> 00:06:58,639

hunting to different folks

201
00:07:02,309 --> 00:07:00,800
depending on the seesaw melody and the

202
00:07:04,550 --> 00:07:02,319
type of hunting they are doing

203
00:07:05,990 --> 00:07:04,560
and deer season for archers begins at

204
00:07:07,990 --> 00:07:06,000
the end of the summer

205
00:07:09,830 --> 00:07:08,000
my mother has this story that i love to

206
00:07:12,950 --> 00:07:09,840
hear as a child that is an adult

207
00:07:15,270 --> 00:07:12,960
had a horrifying twist one afternoon my

208
00:07:17,350 --> 00:07:15,280
parents struck out to hunt for the day

209
00:07:19,589 --> 00:07:17,360
the land at least that particular year

210
00:07:21,589 --> 00:07:19,599
ran alongside a power line route

211
00:07:23,510 --> 00:07:21,599
these routes are clear-cut through woods

212
00:07:25,670 --> 00:07:23,520
and create a man-made field

213
00:07:27,589 --> 00:07:25,680

a hunter can set their tree stands up in

214

00:07:30,390 --> 00:07:27,599

the thicket surrounding these fields

215

00:07:31,430 --> 00:07:30,400

and wait for grazing animals to come by

216

00:07:33,350 --> 00:07:31,440

around dusk

217

00:07:35,510 --> 00:07:33,360

my mom started to look out for my

218

00:07:37,670 --> 00:07:35,520

step-dad to come and pick her up

219

00:07:38,550 --> 00:07:37,680

he would usually help her get situated

220

00:07:40,710 --> 00:07:38,560

in her stand

221

00:07:41,990 --> 00:07:40,720

then go and find his on set up further

222

00:07:44,309 --> 00:07:42,000

down the trail

223

00:07:46,070 --> 00:07:44,319

as the sun began to sink she saw him

224

00:07:46,950 --> 00:07:46,080

walking down through the power line

225

00:07:49,189 --> 00:07:46,960

clearing

226

00:07:51,189 --> 00:07:49,199

my stepdad is a brawlik type man that

227

00:07:53,749 --> 00:07:51,199

has a wide gate in his walk

228

00:07:55,909 --> 00:07:53,759

he swings his arms a bit as he walks i

229

00:07:56,710 --> 00:07:55,919

mean it's kind of similar to a caveman

230

00:07:58,790 --> 00:07:56,720

to me

231

00:08:00,150 --> 00:07:58,800

even in the low sinking light she could

232

00:08:01,909 --> 00:08:00,160

make out his silhouette

233

00:08:03,830 --> 00:08:01,919

and could see that he was zigzagging

234

00:08:06,230 --> 00:08:03,840

from side to side of the clear-cut

235

00:08:08,230 --> 00:08:06,240

field he'd obviously forgotten where

236

00:08:09,189 --> 00:08:08,240

they had set her stand up and was trying

237

00:08:11,270 --> 00:08:09,199

to find her

238

00:08:12,629 --> 00:08:11,280

so she stood up and waved her hands to

239

00:08:14,550 --> 00:08:12,639

get his attention

240

00:08:16,629 --> 00:08:14,560

at that moment the creature she thought

241

00:08:18,629 --> 00:08:16,639

was my stepdad noticed her

242

00:08:20,710 --> 00:08:18,639

it dropped down to all fours and darted

243

00:08:21,990 --> 00:08:20,720

into the woods making a strange low

244

00:08:23,749 --> 00:08:22,000

growl as it did

245

00:08:25,990 --> 00:08:23,759

she waited for what seemed like an

246

00:08:29,110 --> 00:08:26,000

eternity for my step-dad to come and get

247

00:08:31,350 --> 00:08:29,120

her she was terrified and in tears this

248

00:08:33,190 --> 00:08:31,360

was a story shared many times in my

249

00:08:34,230 --> 00:08:33,200

childhood when i asked for a scary

250

00:08:36,469 --> 00:08:34,240

hunting story

251

00:08:37,829 --> 00:08:36,479

they have plenty of them it's not that i

252

00:08:39,670 --> 00:08:37,839

didn't believe my mom

253

00:08:41,110 --> 00:08:39,680

but we all know that the night can play

254

00:08:42,070 --> 00:08:41,120

tricks on us and heighten our

255

00:08:43,990 --> 00:08:42,080

imagination

256

00:08:46,470 --> 00:08:44,000

so when i asked for this story in my

257

00:08:48,310 --> 00:08:46,480

teenage years imagine my surprise when

258

00:08:50,389 --> 00:08:48,320

my stepdad spoke up

259

00:08:51,350 --> 00:08:50,399

a man of few words and a lack of

260

00:08:53,590 --> 00:08:51,360

imagination

261

00:08:55,509 --> 00:08:53,600

he raised his head at the dinner table

262

00:08:58,150 --> 00:08:55,519

i've never told either of you this

263

00:08:59,990 --> 00:08:58,160

but i think i probably should that night

264

00:09:00,949 --> 00:09:00,000

the creature wasn't running away from

265

00:09:02,790 --> 00:09:00,959

your mother

266

00:09:04,630 --> 00:09:02,800

i was walking along the line of the

267

00:09:05,590 --> 00:09:04,640

woods towards her tree stand when i

268

00:09:07,670 --> 00:09:05,600

noticed it

269

00:09:09,829 --> 00:09:07,680

i smelled it before i actually saw the

270

00:09:11,990 --> 00:09:09,839

thing it had a pungent odour

271

00:09:12,949 --> 00:09:12,000

almost skunk-like and it seemed to be a

272

00:09:15,269 --> 00:09:12,959

little over six

273

00:09:17,590 --> 00:09:15,279

foot tall covered in thick coarse hair

274

00:09:19,829 --> 00:09:17,600

it saw me about the same time as i was

275

00:09:22,150 --> 00:09:19,839

drawing back an arrow to take game

276

00:09:23,990 --> 00:09:22,160

at first it growled then dropped to all

277

00:09:25,110 --> 00:09:24,000

fours and sprinted towards me as i

278

00:09:27,670 --> 00:09:25,120

released the arrow

279

00:09:29,430 --> 00:09:27,680

knocking it in the arm i was shaking and

280

00:09:31,509 --> 00:09:29,440

just missed the intended hit

281

00:09:33,269 --> 00:09:31,519

the animal veered to the side and kept

282

00:09:42,630 --> 00:09:33,279

running to this day

283

00:09:45,990 --> 00:09:44,710

possible saswich encounter in seminole

284

00:09:47,750 --> 00:09:46,000

county oklahoma

285

00:09:50,070 --> 00:09:47,760

for some background i used to live in

286

00:09:51,670 --> 00:09:50,080

oklahoma more towards the central part

287

00:09:53,350 --> 00:09:51,680

of the state near i-40

288

00:09:55,030 --> 00:09:53,360

i grew up there and have spent most of

289

00:09:57,590 --> 00:09:55,040

my life there until recently

290

00:10:00,150 --> 00:09:57,600

job relocation i also had about a

291

00:10:02,069 --> 00:10:00,160

25-mile commute to drive every day

292

00:10:03,990 --> 00:10:02,079

i used to work a mid-shift at a radio

293

00:10:06,389 --> 00:10:04,000

station so my work schedule

294

00:10:08,630 --> 00:10:06,399

was from 4 pm to midnight i used to

295

00:10:10,150 --> 00:10:08,640

drive home in the dark all the time

296

00:10:11,990 --> 00:10:10,160

sometimes i would end up working

297

00:10:12,790 --> 00:10:12,000

overnight too and come home in the early

298

00:10:14,470 --> 00:10:12,800

morning

299

00:10:16,550 --> 00:10:14,480

it's not uncommon to see lots of

300

00:10:18,470 --> 00:10:16,560

wildlife in this part of the state

301

00:10:20,790 --> 00:10:18,480

i don't know how many times i've had to

302

00:10:22,790 --> 00:10:20,800

dodge deer and coyotes on the way home

303

00:10:24,710 --> 00:10:22,800

i will also say that i'm no stranger to

304

00:10:26,949 --> 00:10:24,720

the woods of the wildlife within

305

00:10:28,550 --> 00:10:26,959

i'm an avid hunter and fisherman i've

306

00:10:30,790 --> 00:10:28,560

seen a list of animals here

307

00:10:32,550 --> 00:10:30,800

mink river otter black bear and heard

308

00:10:33,670 --> 00:10:32,560

mountain lion but i don't know what i

309

00:10:35,509 --> 00:10:33,680

saw one night

310

00:10:37,590 --> 00:10:35,519

it was like any other night i had got in

311

00:10:38,949 --> 00:10:37,600

my car at a little past midnight tired

312

00:10:41,590 --> 00:10:38,959

and ready to go home

313

00:10:43,430 --> 00:10:41,600

started driving and got out of sasako i

314

00:10:45,190 --> 00:10:43,440

would also say that the roads that i had

315

00:10:46,710 --> 00:10:45,200

to drive were very curvy

316

00:10:48,630 --> 00:10:46,720

it's because there is a lot of native

317

00:10:50,790 --> 00:10:48,640

land in oklahoma this was seminole

318

00:10:52,949 --> 00:10:50,800

county and the roads often have to weave

319

00:10:54,550 --> 00:10:52,959

around that in random oil leases

320

00:10:56,389 --> 00:10:54,560

so after the curves in the road it

321

00:10:58,069 --> 00:10:56,399

straightens out because about two miles

322

00:10:59,269 --> 00:10:58,079

ahead there is an intersection with a

323

00:11:00,870 --> 00:10:59,279

different highway

324

00:11:02,790 --> 00:11:00,880

so when you come out of the last curve

325

00:11:04,870 --> 00:11:02,800

the road goes up a large hill and then

326

00:11:05,590 --> 00:11:04,880

drops down into a low but very wide

327

00:11:08,630 --> 00:11:05,600

valley

328

00:11:10,310 --> 00:11:08,640

about a mile wide

329

00:11:12,069 --> 00:11:10,320

so when i top the hill my headlights

330

00:11:14,470 --> 00:11:12,079

shined in the bottom of the valley

331

00:11:16,310 --> 00:11:14,480

that's when i saw whatever it was it was

332

00:11:17,509 --> 00:11:16,320

just on the incline where my light just

333

00:11:19,190 --> 00:11:17,519

barely reached

334

00:11:21,350 --> 00:11:19,200

it was large and brown in the middle of

335

00:11:23,509 --> 00:11:21,360

the road i kinda thought it was just a

336

00:11:25,670 --> 00:11:23,519

glare of my glasses until it moved

337

00:11:26,790 --> 00:11:25,680

it went off the left side of the road i

338

00:11:29,269 --> 00:11:26,800

don't know what it was

339

00:11:30,870 --> 00:11:29,279

but i saw it for about four seconds i

340

00:11:31,829 --> 00:11:30,880

could tell that it was hairy and it was

341

00:11:33,750 --> 00:11:31,839

very big

342

00:11:35,350 --> 00:11:33,760

if i had to take a guess i would say at

343

00:11:37,430 --> 00:11:35,360

least seven feet tall

344

00:11:39,110 --> 00:11:37,440

i could not see appendages that well but

345

00:11:40,870 --> 00:11:39,120

i could see some sway because when it

346

00:11:43,190 --> 00:11:40,880

got off the road it reached out to part

347

00:11:45,509 --> 00:11:43,200

degrasse the ditch was full of about

348

00:11:47,190 --> 00:11:45,519

seven foot tall grass and river king

349

00:11:49,509 --> 00:11:47,200

after it was off the road i could not

350

00:11:50,550 --> 00:11:49,519

see it my brain had trouble determining

351

00:11:52,389 --> 00:11:50,560

what it was

352

00:11:54,790 --> 00:11:52,399

the only thing i could rationalize would

353

00:11:56,230 --> 00:11:54,800

be a bear but it was not the right color

354

00:11:58,150 --> 00:11:56,240

or it could have been a horse on its

355

00:11:59,670 --> 00:11:58,160

hind legs but it wouldn't have been able

356

00:12:01,509 --> 00:11:59,680

to reach out like it did

357

00:12:03,110 --> 00:12:01,519

it didn't scare me except for the fact

358

00:12:04,069 --> 00:12:03,120

that i thought i would have to dodge it

359

00:12:05,910 --> 00:12:04,079

in my car

360

00:12:07,990 --> 00:12:05,920

i really want some opinions of what it

361

00:12:09,110 --> 00:12:08,000

was my best guess is that it was

362

00:12:11,190 --> 00:12:09,120

sasquatch

363

00:12:12,790 --> 00:12:11,200

part of our state is known for it the

364

00:12:15,269 --> 00:12:12,800

main cryptid for our state is the

365

00:12:21,430 --> 00:12:15,279

octopus but it definitely wasn't it

366

00:12:24,870 --> 00:12:23,990

this is lon strickler if you like this

367

00:12:26,629 --> 00:12:24,880

program

368

00:12:27,990 --> 00:12:26,639

it would help us if you would give it a

369

00:12:30,870 --> 00:12:28,000

thumbs up

370

00:12:31,350 --> 00:12:30,880

then subscribe and click the bell icon

371

00:12:33,670 --> 00:12:31,360

so you

372

00:12:35,829 --> 00:12:33,680

get notification when we upload new

373

00:12:38,870 --> 00:12:35,839

first person encounters

374

00:12:41,350 --> 00:12:38,880

we have many more to come very soon and

375

00:12:43,750 --> 00:12:41,360

by the way if you have a suggestion
