

**ARCANE RADIO** 

Exploring the Unexplained

**Nov. 2nd, 2018**

**Timothy Renner**

**Fortean Investigator,**

**Author**

**BXP**

1  
00:00:08,310 --> 00:00:04,950  
the oldest

2  
00:00:10,549 --> 00:00:08,320  
and strongest human emotion is fear

3  
00:00:11,509 --> 00:00:10,559  
and the oldest and strongest type of

4  
00:00:14,709 --> 00:00:11,519  
fear

5  
00:00:17,189 --> 00:00:14,719  
is trepidation of young men

6  
00:00:20,630 --> 00:00:17,199  
when we were children our parents told

7  
00:00:23,029 --> 00:00:20,640  
us that monsters didn't exist

8  
00:00:26,310 --> 00:00:23,039  
but we were sure that something was

9  
00:00:30,790 --> 00:00:26,320  
lurking under the bed or in the closet

10  
00:00:33,830 --> 00:00:30,800  
fear sees even if our eyes are closed

11  
00:00:37,030 --> 00:00:33,840  
welcome to the realm of the arcane

12  
00:00:37,670 --> 00:00:37,040  
my name is lon strickler join me as i

13  
00:00:40,150 --> 00:00:37,680

examine

14

00:00:44,549 --> 00:00:40,160

unexplained creatures strange

15

00:00:47,510 --> 00:00:44,559

manifestations of remarkable realities

16

00:00:50,150 --> 00:00:47,520

imagine this next hour as a voyage of

17

00:00:53,189 --> 00:00:50,160

discovery to strange lands

18

00:00:55,910 --> 00:00:53,199

seeking not for new territory but for

19

00:00:58,549 --> 00:00:55,920

new knowledge of the supernatural come

20

00:01:08,230 --> 00:00:58,559

on board as we begin this adventure

21

00:01:12,070 --> 00:01:09,910

hey folks good evening and welcome to

22

00:01:14,070 --> 00:01:12,080

another episode of arcane radio

23

00:01:15,670 --> 00:01:14,080

i'm your host lon strickler and i thank

24

00:01:18,710 --> 00:01:15,680

you for joining me here

25

00:01:20,230 --> 00:01:18,720

on the paranormal king radio network now

26

00:01:24,070 --> 00:01:20,240

before i introduce my guest

27

00:01:27,109 --> 00:01:24,080

i want to mention an account i recently

28

00:01:29,749 --> 00:01:27,119

received an eyewitness referral after a

29

00:01:32,630 --> 00:01:29,759

message was posted on facebook

30

00:01:36,870 --> 00:01:32,640

in a group page and the following

31

00:01:41,429 --> 00:01:36,880

information was originally posted there

32

00:01:43,990 --> 00:01:41,439

i know that dogman is real in 2001 i saw

33

00:01:46,550 --> 00:01:44,000

one while hunting in pennsylvania

34

00:01:48,789 --> 00:01:46,560

it was about seven foot tall had a head

35

00:01:51,510 --> 00:01:48,799

like a dog and a long muzzle it was very

36

00:01:55,030 --> 00:01:51,520

strange looking with gray and black hair

37

00:01:57,190 --> 00:01:55,040

with a two or three foot tail it sounded

38

00:01:59,910 --> 00:01:57,200

like a demon from hell

39

00:02:00,870 --> 00:01:59,920

i was 45 yards from it i had it in my

40

00:02:04,310 --> 00:02:00,880

scope

41

00:02:06,469 --> 00:02:04,320

it was one ugly puppy it was standing

42

00:02:09,430 --> 00:02:06,479

looking towards me had yellow wild

43

00:02:10,070 --> 00:02:09,440

looking eyes i had a 30 odd six with me

44

00:02:13,110 --> 00:02:10,080

with a four

45

00:02:15,830 --> 00:02:13,120

plus 12 weaver scope on it

46

00:02:18,869 --> 00:02:15,840

i believe it saw me it took a step

47

00:02:22,470 --> 00:02:18,879

towards me and then took off to my left

48

00:02:25,030 --> 00:02:22,480

i did take my safety off just in case

49

00:02:26,630 --> 00:02:25,040

and uh he has a motion in pennsylvania

50

00:02:29,750 --> 00:02:26,640

center county

51  
00:02:31,830 --> 00:02:29,760  
and uh it goes by initials tw excuse me

52  
00:02:35,270 --> 00:02:31,840  
t-y

53  
00:02:36,150 --> 00:02:35,280  
so um i was given ty's telephone number

54  
00:02:39,589 --> 00:02:36,160  
and i later

55  
00:02:41,030 --> 00:02:39,599  
contacted him he um explained that he

56  
00:02:43,750 --> 00:02:41,040  
was hunting in

57  
00:02:45,830 --> 00:02:43,760  
an area that was part of a 110 acre farm

58  
00:02:49,670 --> 00:02:45,840  
that he once owned

59  
00:02:49,990 --> 00:02:49,680  
now it was a 2001 deer firearm season

60  
00:02:53,750 --> 00:02:50,000  
which

61  
00:02:54,390 --> 00:02:53,760  
is late fall uh t-y was in his deer

62  
00:02:58,070 --> 00:02:54,400  
stand

63  
00:02:59,830 --> 00:02:58,080

at about 10 30 a.m

64

00:03:02,229 --> 00:02:59,840

he noticed some movement in front of him

65

00:03:03,110 --> 00:03:02,239

and yesterday it was about 45 yards from

66

00:03:04,790 --> 00:03:03,120

him

67

00:03:08,149 --> 00:03:04,800

thinking that it may be a deer he

68

00:03:10,869 --> 00:03:08,159

adjusted his scope to take a look

69

00:03:12,550 --> 00:03:10,879

he was shocked to see an upright pedal

70

00:03:15,750 --> 00:03:12,560

being

71

00:03:18,869 --> 00:03:15,760

about 78 foot in height

72

00:03:19,509 --> 00:03:18,879

and uh with a head that reminded him of

73

00:03:22,149 --> 00:03:19,519

a large

74

00:03:23,270 --> 00:03:22,159

german shepherd with a long muzzle now

75

00:03:26,309 --> 00:03:23,280

the eyes were

76

00:03:28,550 --> 00:03:26,319

yellow orange in color and it was

77

00:03:30,630 --> 00:03:28,560

looking in his direction

78

00:03:32,149 --> 00:03:30,640

the creature was humor-like in stature

79

00:03:35,270 --> 00:03:32,159

with a muscular chest

80

00:03:36,630 --> 00:03:35,280

arms and legs it had grand black hair

81

00:03:39,910 --> 00:03:36,640

all over its body

82

00:03:43,030 --> 00:03:39,920

the hand claws look like oversized

83

00:03:46,390 --> 00:03:43,040

raccoon poles the feet were long

84

00:03:49,589 --> 00:03:46,400

and attached to canine like hawk legs

85

00:03:50,070 --> 00:03:49,599

it was making a low deep growling sound

86

00:03:53,589 --> 00:03:50,080

that

87

00:03:55,670 --> 00:03:53,599

t-y described as demonic

88

00:03:57,830 --> 00:03:55,680

now the creature took one step forward

89

00:03:59,110 --> 00:03:57,840

and t-y clicked the safety off on his

90

00:04:01,030 --> 00:03:59,120

rifle

91

00:04:02,949 --> 00:04:01,040

apparently the creature heard and or

92

00:04:04,949 --> 00:04:02,959

recognized the danger and immediately

93

00:04:08,070 --> 00:04:04,959

took off in the direction left to t

94

00:04:11,270 --> 00:04:08,080

y this was the only time the ty

95

00:04:13,910 --> 00:04:11,280

saw the creature now

96

00:04:15,030 --> 00:04:13,920

he did state that he had seen what he

97

00:04:17,909 --> 00:04:15,040

believed was a white

98

00:04:21,270 --> 00:04:17,919

bigfoot in while hunting in the same

99

00:04:25,110 --> 00:04:21,280

area back in 1999

100

00:04:27,110 --> 00:04:25,120

and that area has had reports of white

101  
00:04:29,749 --> 00:04:27,120  
bigfoot in the past

102  
00:04:31,110 --> 00:04:29,759  
we received upright canine reports from

103  
00:04:34,070 --> 00:04:31,120  
the areas around michigan

104  
00:04:35,909 --> 00:04:34,080  
state forest and sproul state forest in

105  
00:04:38,629 --> 00:04:35,919  
recent years

106  
00:04:39,909 --> 00:04:38,639  
and center county is located within the

107  
00:04:42,950 --> 00:04:39,919  
lycan loop

108  
00:04:45,670 --> 00:04:42,960  
in central pennsylvania so

109  
00:04:47,510 --> 00:04:45,680  
it it has been a hot area for the past

110  
00:04:50,070 --> 00:04:47,520  
at least four years

111  
00:04:51,510 --> 00:04:50,080  
and apparently there were some sightings

112  
00:04:54,550 --> 00:04:51,520  
around 2001

113  
00:04:57,909 --> 00:04:54,560

and beyond so uh we'll keep a close

114

00:04:58,870 --> 00:04:57,919

track of what's going on now let's get

115

00:05:02,070 --> 00:04:58,880

started

116

00:05:03,749 --> 00:05:02,080

tonight's guest is tiffany renner who is

117

00:05:07,029 --> 00:05:03,759

a 14 investigator author

118

00:05:09,590 --> 00:05:07,039

and associate timothy is an illustrator

119

00:05:11,430 --> 00:05:09,600

author book musician living in south

120

00:05:14,629 --> 00:05:11,440

central pennsylvania

121

00:05:17,350 --> 00:05:14,639

he has written three well-received books

122

00:05:19,270 --> 00:05:17,360

with another book to be released soon

123

00:05:21,430 --> 00:05:19,280

his illustrations have appeared in the

124

00:05:24,790 --> 00:05:21,440

pages of various books magazines

125

00:05:28,029 --> 00:05:24,800

fanzines and comics as well as

126  
00:05:31,029 --> 00:05:28,039  
has on many recorded cd covers since

127  
00:05:31,749 --> 00:05:31,039  
1995 timothy has been making music both

128  
00:05:34,790 --> 00:05:31,759  
solo

129  
00:05:36,629 --> 00:05:34,800  
and with his band stone breath timothy

130  
00:05:38,469 --> 00:05:36,639  
is the creator of strange familiars a

131  
00:05:41,590 --> 00:05:38,479  
podcast concerning

132  
00:05:43,029 --> 00:05:41,600  
the paranormal weird history folk

133  
00:05:44,710 --> 00:05:43,039  
learning occult

134  
00:05:46,870 --> 00:05:44,720  
it has appeared as a guest on many

135  
00:05:49,830 --> 00:05:46,880  
podcasts and radio programs

136  
00:05:50,870 --> 00:05:49,840  
including coast to coast am timothy is

137  
00:05:54,629 --> 00:05:50,880  
also a member

138  
00:05:57,270 --> 00:05:54,639

of the fans of monsters 14 research team

139

00:05:57,909 --> 00:05:57,280

so tim thanks for joining us oh anytime

140

00:05:59,749 --> 00:05:57,919

lon

141

00:06:01,430 --> 00:05:59,759

i i love talking with you i love coming

142

00:06:04,070 --> 00:06:01,440

on the show

143

00:06:05,990 --> 00:06:04,080

now uh first of all for those unfamiliar

144

00:06:09,110 --> 00:06:06,000

with you uh can you tell

145

00:06:11,909 --> 00:06:09,120

my listeners how your interest in the

146

00:06:13,909 --> 00:06:11,919

strange and unusual began

147

00:06:15,189 --> 00:06:13,919

i mean it happened when i was a little

148

00:06:17,510 --> 00:06:15,199

kid and

149

00:06:19,189 --> 00:06:17,520

i didn't even know you know i didn't

150

00:06:21,909 --> 00:06:19,199

know i was chasing folklore i didn't

151

00:06:24,950 --> 00:06:21,919

know i was chasing

152

00:06:26,950 --> 00:06:24,960

uh cryptid reports or anything like that

153

00:06:28,390 --> 00:06:26,960

i just wanted every story of everything

154

00:06:29,430 --> 00:06:28,400

weird that was happening in my

155

00:06:31,189 --> 00:06:29,440

neighborhood

156

00:06:32,629 --> 00:06:31,199

you know so if somebody said they saw

157

00:06:33,270 --> 00:06:32,639

bigfoot the next town over i want to

158

00:06:35,270 --> 00:06:33,280

hear every

159

00:06:36,710 --> 00:06:35,280

detail of it somebody said there was

160

00:06:37,430 --> 00:06:36,720

there was a ghost somewhere i wanted to

161

00:06:39,430 --> 00:06:37,440

know where you know

162

00:06:40,870 --> 00:06:39,440

where the ghost was i really liked these

163

00:06:42,390 --> 00:06:40,880

true stories i didn't at the time i

164

00:06:45,110 --> 00:06:42,400

wouldn't even know what they were called

165

00:06:46,309 --> 00:06:45,120

i just you know i now i know it's it's

166

00:06:48,150 --> 00:06:46,319

you know there are these folklore

167

00:06:49,830 --> 00:06:48,160

encrypted reports and so forth and

168

00:06:52,469 --> 00:06:49,840

back then it was just it was just cool

169

00:06:53,670 --> 00:06:52,479

to me and then i kind of i fell out of

170

00:06:55,270 --> 00:06:53,680

it a little bit although i've always

171

00:06:56,230 --> 00:06:55,280

kept my interest in folklore it kind of

172

00:06:58,629 --> 00:06:56,240

goes along

173

00:07:00,469 --> 00:06:58,639

in my mind with folk music but the two

174

00:07:02,790 --> 00:07:00,479

kind of go hand in hand

175

00:07:03,749 --> 00:07:02,800

and uh but it was really after i wrote

176

00:07:06,070 --> 00:07:03,759

my first book

177

00:07:06,950 --> 00:07:06,080

that i kind of jumped in with both feet

178

00:07:09,029 --> 00:07:06,960

i had you know

179

00:07:10,550 --> 00:07:09,039

i went from being interested and you

180

00:07:12,150 --> 00:07:10,560

know i'd follow it and i'd i'd read

181

00:07:12,790 --> 00:07:12,160

phantoms and monsters pretty regularly

182

00:07:16,150 --> 00:07:12,800

and

183

00:07:18,790 --> 00:07:16,160

on but when once i wrote that book i

184

00:07:21,110 --> 00:07:18,800

i found so much so close to me that i

185

00:07:23,029 --> 00:07:21,120

just i was like okay that's it i'm in

186

00:07:24,950 --> 00:07:23,039

and then it's been uh it's been a wild

187

00:07:26,790 --> 00:07:24,960

ride ever since

188

00:07:28,550 --> 00:07:26,800

well we live very close to each other

189

00:07:30,230 --> 00:07:28,560

you're part of uh fans of monsters

190

00:07:31,830 --> 00:07:30,240

fortune research

191

00:07:34,309 --> 00:07:31,840

i've known you since you wrote your

192

00:07:35,270 --> 00:07:34,319

first book was that it's been about four

193

00:07:38,710 --> 00:07:35,280

years now

194

00:07:41,589 --> 00:07:38,720

i think so yeah yeah and uh you've had

195

00:07:43,029 --> 00:07:41,599

three well-received books all together

196

00:07:46,469 --> 00:07:43,039

and you're about to release

197

00:07:47,430 --> 00:07:46,479

another one which you said possibly next

198

00:07:49,990 --> 00:07:47,440

week

199

00:07:52,550 --> 00:07:50,000

it's a title don't look behind you

200

00:07:54,150 --> 00:07:52,560

following ghost roads into the unknown

201  
00:07:55,670 --> 00:07:54,160  
true stories from toad road and the

202  
00:07:57,749 --> 00:07:55,680  
other strange places

203  
00:07:58,869 --> 00:07:57,759  
and this is kind of a follow-up to your

204  
00:08:02,309 --> 00:07:58,879  
uh

205  
00:08:05,350 --> 00:08:02,319  
your first book beyond the seventh gate

206  
00:08:07,350 --> 00:08:05,360  
yeah yeah and in fact i got uh

207  
00:08:10,070 --> 00:08:07,360  
new witness reports and and you funneled

208  
00:08:13,110 --> 00:08:10,080  
a couple my way thank you for that um

209  
00:08:16,309 --> 00:08:13,120  
the hyena witness and the the the

210  
00:08:18,230 --> 00:08:16,319  
winged humanoid or mothman type witness

211  
00:08:19,510 --> 00:08:18,240  
they were both right in the area and

212  
00:08:21,430 --> 00:08:19,520  
then i combined that with

213  
00:08:23,270 --> 00:08:21,440

with some other witnesses who came to me

214

00:08:24,629 --> 00:08:23,280

and and i started having the beginnings

215

00:08:26,790 --> 00:08:24,639

of a book

216

00:08:28,390 --> 00:08:26,800

and uh one night i was talking to mike

217

00:08:29,670 --> 00:08:28,400

clelland

218

00:08:31,830 --> 00:08:29,680

and i was telling him about some of the

219

00:08:33,430 --> 00:08:31,840

stuff i had experienced and he said

220

00:08:34,550 --> 00:08:33,440

why don't you write about this stuff in

221

00:08:35,990 --> 00:08:34,560

your book why don't you write about your

222

00:08:38,070 --> 00:08:36,000

own experiences

223

00:08:40,310 --> 00:08:38,080

and i said i i don't know mike i just

224

00:08:42,949 --> 00:08:40,320

you know i feel like

225

00:08:44,149 --> 00:08:42,959

maybe i'm too close to it or maybe maybe

226  
00:08:45,670 --> 00:08:44,159  
people don't want to you know maybe

227  
00:08:47,110 --> 00:08:45,680  
they just want me to document other

228  
00:08:48,230 --> 00:08:47,120  
people's stuff and and mike really

229  
00:08:49,670 --> 00:08:48,240  
encouraged me said no

230  
00:08:51,829 --> 00:08:49,680  
you really should write about your own

231  
00:08:53,350 --> 00:08:51,839  
experiences so

232  
00:08:54,790 --> 00:08:53,360  
in the first book there's there's a

233  
00:08:55,350 --> 00:08:54,800  
little bit i talked just a little bit

234  
00:08:57,350 --> 00:08:55,360  
about

235  
00:08:58,790 --> 00:08:57,360  
you know actually hiking putting the

236  
00:09:00,870 --> 00:08:58,800  
boots on the ground in

237  
00:09:02,710 --> 00:09:00,880  
areas and like hiking toad road and

238  
00:09:05,110 --> 00:09:02,720

stuff but in the uh

239

00:09:06,949 --> 00:09:05,120

in the new book it's it's a lot of like

240

00:09:10,310 --> 00:09:06,959

weird coincidences and

241

00:09:11,430 --> 00:09:10,320

synchronicities and some strange

242

00:09:14,230 --> 00:09:11,440

encounters i've had

243

00:09:15,990 --> 00:09:14,240

while investigating this stuff well you

244

00:09:17,590 --> 00:09:16,000

and i have talked about a lot of the new

245

00:09:18,710 --> 00:09:17,600

things that you've got in the book the

246

00:09:22,310 --> 00:09:18,720

new book

247

00:09:25,190 --> 00:09:22,320

uh you have had some strange encounters

248

00:09:28,230 --> 00:09:25,200

and uh especially in that one area you

249

00:09:30,230 --> 00:09:28,240

call area seven

250

00:09:31,829 --> 00:09:30,240

uh can you kind of tell us a bit about

251

00:09:34,870 --> 00:09:31,839

what's been going on

252

00:09:37,350 --> 00:09:34,880

yeah yeah now i mean you talk about

253

00:09:39,030 --> 00:09:37,360

white bigfoot i i can't say they're

254

00:09:41,910 --> 00:09:39,040

bigfoot necessarily but

255

00:09:42,949 --> 00:09:41,920

people keep seeing white things there

256

00:09:45,829 --> 00:09:42,959

now and i saw

257

00:09:48,389 --> 00:09:45,839

in fact that the guy who is my sometimes

258

00:09:50,230 --> 00:09:48,399

podcast partner james and i were there

259

00:09:51,350 --> 00:09:50,240

and we both saw it at the same time we

260

00:09:53,350 --> 00:09:51,360

actually caught it on tape you can hear

261

00:09:56,790 --> 00:09:53,360

us both go what was that

262

00:09:59,509 --> 00:09:56,800

uh something big and white moved across

263

00:10:00,949 --> 00:09:59,519

the trail very very quick very very fast

264

00:10:03,509 --> 00:10:00,959

i can't say what it was

265

00:10:05,269 --> 00:10:03,519

i don't know that there's been bigfoot

266

00:10:05,829 --> 00:10:05,279

reports around there there's some things

267

00:10:09,990 --> 00:10:05,839

that

268

00:10:11,350 --> 00:10:10,000

can't say it's bigfoot for sure

269

00:10:12,470 --> 00:10:11,360

but what we're seeing and what other

270

00:10:13,269 --> 00:10:12,480

people are telling us they're seeing

271

00:10:15,829 --> 00:10:13,279

there are

272

00:10:18,069 --> 00:10:15,839

either white or grayish white things so

273

00:10:19,910 --> 00:10:18,079

it's really weird like um

274

00:10:21,269 --> 00:10:19,920

one woman actually reported seeing what

275

00:10:24,710 --> 00:10:21,279

looked like a gray alien

276

00:10:27,910 --> 00:10:24,720

walking around there which was odd

277

00:10:29,590 --> 00:10:27,920

um but beyond that there

278

00:10:33,430 --> 00:10:29,600

there's one night we were there and some

279

00:10:35,030 --> 00:10:33,440

kids walked up out of the woods and

280

00:10:36,550 --> 00:10:35,040

we we asked them like you know did you

281

00:10:39,190 --> 00:10:36,560

see anything weird

282

00:10:40,790 --> 00:10:39,200

and they said well just that drone you

283

00:10:43,190 --> 00:10:40,800

guys were flying over our heads

284

00:10:44,470 --> 00:10:43,200

and we didn't we did not have a drone

285

00:10:45,990 --> 00:10:44,480

and you know they're walking out of the

286

00:10:48,630 --> 00:10:46,000

woods i don't know who can fly a drone

287

00:10:50,150 --> 00:10:48,640

through the woods at night or where they

288

00:10:52,630 --> 00:10:50,160

would position themselves to be able to

289

00:10:54,230 --> 00:10:52,640

be able to fly it from from that point

290

00:10:55,430 --> 00:10:54,240

so they had something weird flying over

291

00:10:57,829 --> 00:10:55,440

their heads

292

00:10:58,550 --> 00:10:57,839

um we've recorded some weird sounds out

293

00:10:59,590 --> 00:10:58,560

there i've

294

00:11:01,990 --> 00:10:59,600

you know i've left recorders out

295

00:11:02,470 --> 00:11:02,000

overnight and we've gotten what sounds

296

00:11:04,230 --> 00:11:02,480

like

297

00:11:05,670 --> 00:11:04,240

i just call it unknown speech it sounds

298

00:11:06,470 --> 00:11:05,680

like some kind of speech but you can't

299

00:11:09,110 --> 00:11:06,480

decipher

300

00:11:10,630 --> 00:11:09,120

what's being said and that's at about 3

301

00:11:11,829 --> 00:11:10,640

4 in the morning 3 30 in the morning

302

00:11:13,910 --> 00:11:11,839

something like that

303

00:11:15,670 --> 00:11:13,920

out there where it's private property

304

00:11:17,430 --> 00:11:15,680

nobody should be out there

305

00:11:20,470 --> 00:11:17,440

so you know i don't know what anybody's

306

00:11:22,550 --> 00:11:20,480

doing out there at that time

307

00:11:24,630 --> 00:11:22,560

yeah you've kind of progressed over the

308

00:11:27,350 --> 00:11:24,640

years with that area and some of the

309

00:11:28,710 --> 00:11:27,360

the anomalies have well yeah there's a

310

00:11:32,150 --> 00:11:28,720

lot of anomalies that have come

311

00:11:34,630 --> 00:11:32,160

forth since then you know the area

312

00:11:36,550 --> 00:11:34,640

which you you investigate as well as

313

00:11:38,230 --> 00:11:36,560

other areas just like hex hollow and

314

00:11:41,750 --> 00:11:38,240

other places

315

00:11:42,550 --> 00:11:41,760

uh it just seems to be constant

316

00:11:46,069 --> 00:11:42,560

strangers

317

00:11:48,389 --> 00:11:46,079

going on at all times and uh

318

00:11:49,269 --> 00:11:48,399

you know i i know i mean i'm very

319

00:11:50,870 --> 00:11:49,279

familiar with

320

00:11:53,829 --> 00:11:50,880

much of the areas you've been you've

321

00:11:57,110 --> 00:11:53,839

been involved with uh

322

00:11:58,710 --> 00:11:57,120

not near as much but uh you know

323

00:12:00,389 --> 00:11:58,720

this part of the country is pretty

324

00:12:02,710 --> 00:12:00,399

unusual

325

00:12:04,550 --> 00:12:02,720

yeah i when i started my podcast i

326

00:12:05,110 --> 00:12:04,560

remember people kept contacting me and

327

00:12:06,949 --> 00:12:05,120

saying

328

00:12:09,350 --> 00:12:06,959

what is it with pennsylvania and i was

329

00:12:10,790 --> 00:12:09,360

like well you know maybe it's everywhere

330

00:12:13,509 --> 00:12:10,800

maybe it's not just pennsylvania maybe

331

00:12:15,910 --> 00:12:13,519

if i was living in you know kentucky or

332

00:12:17,350 --> 00:12:15,920

or north carolina or wherever else that

333

00:12:20,389 --> 00:12:17,360

you know i would just find all the

334

00:12:21,509 --> 00:12:20,399

all the places to go there but then over

335

00:12:22,949 --> 00:12:21,519

time i think

336

00:12:24,710 --> 00:12:22,959

i really do i think there's something

337

00:12:26,389 --> 00:12:24,720

about pennsylvania because

338

00:12:28,069 --> 00:12:26,399

when i lived in maryland there wasn't

339

00:12:29,350 --> 00:12:28,079

you know it's a smaller state but there

340

00:12:31,670 --> 00:12:29,360

there just wasn't

341

00:12:33,350 --> 00:12:31,680

that much you know there was some stuff

342

00:12:33,990 --> 00:12:33,360

don't get me wrong and i'm sure every

343

00:12:36,150 --> 00:12:34,000

state has

344

00:12:38,870 --> 00:12:36,160

has some stuff but there is something

345

00:12:40,870 --> 00:12:38,880

about pennsylvania um maybe it's the

346

00:12:42,069 --> 00:12:40,880

the geology you know i've tried to think

347

00:12:44,790 --> 00:12:42,079

about why

348

00:12:46,150 --> 00:12:44,800

we do have a big old uh line of courts

349

00:12:47,350 --> 00:12:46,160

that cuts down through the middle of the

350

00:12:49,350 --> 00:12:47,360

state

351  
00:12:52,310 --> 00:12:49,360  
um you know if that has something to do

352  
00:12:54,150 --> 00:12:52,320  
with there's plenty of granite here uh

353  
00:12:56,069 --> 00:12:54,160  
and we have plenty of creeks we know

354  
00:12:57,350 --> 00:12:56,079  
that you know these things happen near

355  
00:13:00,389 --> 00:12:57,360  
creeks for sure

356  
00:13:01,829 --> 00:13:00,399  
and we got plenty of those it is kind of

357  
00:13:04,069 --> 00:13:01,839  
bizarre now i lived in maryland for

358  
00:13:06,150 --> 00:13:04,079  
almost 40 years and

359  
00:13:07,509 --> 00:13:06,160  
of course i've had some encounters

360  
00:13:09,990 --> 00:13:07,519  
myself but

361  
00:13:12,069 --> 00:13:10,000  
invariably when you start comparing the

362  
00:13:14,310 --> 00:13:12,079  
amount of uh

363  
00:13:15,910 --> 00:13:14,320

uh reports coming out of the state of

364

00:13:16,550 --> 00:13:15,920

pennsylvania as a compared to

365

00:13:19,269 --> 00:13:16,560

marylanders

366

00:13:20,150 --> 00:13:19,279

there's no contest yeah and

367

00:13:24,310 --> 00:13:20,160

pennsylvania's

368

00:13:27,350 --> 00:13:24,320

it just um it just seems to

369

00:13:30,389 --> 00:13:27,360

be much more much more unusual it's

370

00:13:33,269 --> 00:13:30,399

very really varied yeah

371

00:13:34,389 --> 00:13:33,279

yeah and i mean just between you and

372

00:13:35,990 --> 00:13:34,399

stan gordon

373

00:13:37,430 --> 00:13:36,000

the the reports you know you've

374

00:13:40,550 --> 00:13:37,440

collected

375

00:13:41,110 --> 00:13:40,560

uh i mean there's some really nutty

376

00:13:43,269 --> 00:13:41,120

stuff

377

00:13:45,430 --> 00:13:43,279

you know that that goes on and and

378

00:13:46,949 --> 00:13:45,440

indeed like in my book in my new book uh

379

00:13:48,629 --> 00:13:46,959

that's coming out

380

00:13:50,710 --> 00:13:48,639

that woman who contacted me about the

381

00:13:52,389 --> 00:13:50,720

toad man and

382

00:13:54,550 --> 00:13:52,399

you know she called me she was an older

383

00:13:57,110 --> 00:13:54,560

woman and uh

384

00:13:58,629 --> 00:13:57,120

she said you know have you ever heard of

385

00:14:00,069 --> 00:13:58,639

the toad man and when she said that i

386

00:14:03,750 --> 00:14:00,079

thought she was talking about

387

00:14:05,110 --> 00:14:03,760

loveland uh no no i thought because she

388

00:14:06,550 --> 00:14:05,120

was saying about toad road she called me

389

00:14:09,350 --> 00:14:06,560

and she said i want to talk about

390

00:14:11,990 --> 00:14:09,360

toad road but i thought that doctor that

391

00:14:13,430 --> 00:14:12,000

lived on the end dr belknap a lot

392

00:14:15,030 --> 00:14:13,440

accused him of being a mad doctor and

393

00:14:16,150 --> 00:14:15,040

stuff he wasn't he was you know

394

00:14:18,629 --> 00:14:16,160

innocent he just happened to live near

395

00:14:21,030 --> 00:14:18,639

the end of the toad road but there was

396

00:14:22,310 --> 00:14:21,040

a goofy rumor going around that he he

397

00:14:24,310 --> 00:14:22,320

collected toads and

398

00:14:26,230 --> 00:14:24,320

toad statuary and stuff and that's

399

00:14:27,990 --> 00:14:26,240

that's how the name toad road

400

00:14:29,750 --> 00:14:28,000

got there i don't believe that's true at

401  
00:14:31,910 --> 00:14:29,760  
all but in any case that was one of the

402  
00:14:33,430 --> 00:14:31,920  
rumors about him

403  
00:14:34,949 --> 00:14:33,440  
so i thought she meant him when she said

404  
00:14:35,990 --> 00:14:34,959  
the toad man i thought oh she must mean

405  
00:14:37,189 --> 00:14:36,000  
dr belnap

406  
00:14:39,910 --> 00:14:37,199  
you know that's who she's calling the

407  
00:14:40,710 --> 00:14:39,920  
toad man oh yeah and then at some point

408  
00:14:42,629 --> 00:14:40,720  
i i

409  
00:14:43,990 --> 00:14:42,639  
something about it she she said you know

410  
00:14:46,710 --> 00:14:44,000  
have you ever been in down the bottom

411  
00:14:48,550 --> 00:14:46,720  
where you know it goes cuts the road

412  
00:14:49,990 --> 00:14:48,560  
cuts real close to the doors there she

413  
00:14:52,069 --> 00:14:50,000

like is real creepy i said yeah

414

00:14:53,829 --> 00:14:52,079

i've been there many times and she said

415

00:14:55,509 --> 00:14:53,839

well that's where the toad man lives

416

00:14:57,269 --> 00:14:55,519

and then i went well wait a minute so

417

00:15:00,470 --> 00:14:57,279

you're talking about

418

00:15:02,150 --> 00:15:00,480

like a creature and she said yeah i'm

419

00:15:04,310 --> 00:15:02,160

talking about a creature

420

00:15:06,069 --> 00:15:04,320

and and she described this you know

421

00:15:07,350 --> 00:15:06,079

something like the loveland frogman this

422

00:15:10,629 --> 00:15:07,360

this kind of

423

00:15:12,629 --> 00:15:10,639

toad creature and

424

00:15:14,389 --> 00:15:12,639

the weird thing was i i found another

425

00:15:17,829 --> 00:15:14,399

report from

426  
00:15:19,750 --> 00:15:17,839  
early 1900s from uh between clay and

427  
00:15:21,030 --> 00:15:19,760  
goldsboro i think which is like eight

428  
00:15:22,470 --> 00:15:21,040  
miles north of there

429  
00:15:24,790 --> 00:15:22,480  
where people are talking about a fish

430  
00:15:27,910 --> 00:15:24,800  
man walking out of the water

431  
00:15:31,110 --> 00:15:27,920  
and then some of the early reports

432  
00:15:33,670 --> 00:15:31,120  
i had which i assumed were

433  
00:15:35,269 --> 00:15:33,680  
bigfoot reports where people being they

434  
00:15:36,150 --> 00:15:35,279  
talked about green haired things down

435  
00:15:38,069 --> 00:15:36,160  
there

436  
00:15:39,590 --> 00:15:38,079  
and even a friend of mine his father was

437  
00:15:42,470 --> 00:15:39,600  
there in the 60s

438  
00:15:43,749 --> 00:15:42,480

and he said he he was on a motorcycle

439

00:15:45,590 --> 00:15:43,759

and he said something was squatting by

440

00:15:48,790 --> 00:15:45,600

the road and he said that was green

441

00:15:50,230 --> 00:15:48,800

or greenish so so it and at the time i

442

00:15:51,749 --> 00:15:50,240

thought well you know sometimes we'll

443

00:15:53,590 --> 00:15:51,759

get these like green haired bigfoot

444

00:15:56,870 --> 00:15:53,600

reports which i always assume

445

00:15:58,870 --> 00:15:56,880

was like lycan or or moss or something

446

00:15:59,590 --> 00:15:58,880

like like a sloth skit sometimes you

447

00:16:01,670 --> 00:15:59,600

know i mean

448

00:16:03,030 --> 00:16:01,680

growing in their hair but now that you

449

00:16:04,629 --> 00:16:03,040

know that's cast a whole new light on

450

00:16:06,230 --> 00:16:04,639

this now this lady's telling me about

451  
00:16:07,430 --> 00:16:06,240  
this toad manner she said yeah that was

452  
00:16:09,430 --> 00:16:07,440  
the big worry

453  
00:16:10,629 --> 00:16:09,440  
she said we we you wanted to get out of

454  
00:16:12,629 --> 00:16:10,639  
that bottom part

455  
00:16:14,389 --> 00:16:12,639  
before nightfall because of the toad man

456  
00:16:14,710 --> 00:16:14,399  
and i had never heard that before but i

457  
00:16:16,870 --> 00:16:14,720  
mean

458  
00:16:18,710 --> 00:16:16,880  
it's bizarre but then i found that up

459  
00:16:19,430 --> 00:16:18,720  
that other report in the newspaper of a

460  
00:16:22,310 --> 00:16:19,440  
fish man

461  
00:16:23,189 --> 00:16:22,320  
you know just a few miles away you know

462  
00:16:24,629 --> 00:16:23,199  
i've never uh

463  
00:16:26,389 --> 00:16:24,639

i've never heard of that phenomenon

464

00:16:27,670 --> 00:16:26,399

before and you know oh by the way the

465

00:16:30,150 --> 00:16:27,680

illustrations

466

00:16:31,189 --> 00:16:30,160

which are done by you in the book are

467

00:16:33,030 --> 00:16:31,199

amazing

468

00:16:34,550 --> 00:16:33,040

oh thanks yeah a very accomplished

469

00:16:36,470 --> 00:16:34,560

artist and now you

470

00:16:38,230 --> 00:16:36,480

you've done some great um some great

471

00:16:39,990 --> 00:16:38,240

illustrations but look you know when i

472

00:16:41,910 --> 00:16:40,000

saw your toad man

473

00:16:43,430 --> 00:16:41,920

in the book i thought god that looks

474

00:16:45,910 --> 00:16:43,440

like a love letter what people

475

00:16:46,949 --> 00:16:45,920

you know stated that the loveland frog

476

00:16:49,829 --> 00:16:46,959

man looked like

477

00:16:51,430 --> 00:16:49,839

yeah yeah and i mean and that's what i

478

00:16:53,509 --> 00:16:51,440

talked about a little bit that

479

00:16:54,870 --> 00:16:53,519

you know it sounds really really bizarre

480

00:16:56,550 --> 00:16:54,880

but

481

00:16:58,470 --> 00:16:56,560

people have reported this and there's

482

00:17:01,269 --> 00:16:58,480

there's something well if there's kind

483

00:17:02,870 --> 00:17:01,279

of toad and frog people in folklore

484

00:17:04,470 --> 00:17:02,880

from different parts of the world uh

485

00:17:04,949 --> 00:17:04,480

there's something from japan i believe

486

00:17:07,510 --> 00:17:04,959

but the

487

00:17:08,390 --> 00:17:07,520

the one i zeroed in on was a folkloric

488

00:17:11,590 --> 00:17:08,400

creature from

489

00:17:13,189 --> 00:17:11,600

the slavic area called the voldinoy

490

00:17:14,390 --> 00:17:13,199

and they were these kind of river

491

00:17:16,710 --> 00:17:14,400

creatures and that said they would

492

00:17:18,309 --> 00:17:16,720

sometimes come out and grab people

493

00:17:19,909 --> 00:17:18,319

and and pull them into the river and

494

00:17:22,710 --> 00:17:19,919

they they kept the drowned souls and so

495

00:17:25,510 --> 00:17:22,720

forth and i mean it's all folklore but

496

00:17:26,789 --> 00:17:25,520

i have a pretty strong belief these days

497

00:17:28,870 --> 00:17:26,799

that

498

00:17:30,630 --> 00:17:28,880

these old folk reports these little

499

00:17:32,230 --> 00:17:30,640

folklore reports were kind of like the

500

00:17:33,590 --> 00:17:32,240

cryptid reports of the day that got

501  
00:17:35,270 --> 00:17:33,600  
turned into

502  
00:17:37,270 --> 00:17:35,280  
you know these these folklore stories

503  
00:17:38,789 --> 00:17:37,280  
over time because a lot of the behaviors

504  
00:17:40,950 --> 00:17:38,799  
of these things are talking about are

505  
00:17:42,070 --> 00:17:40,960  
very similar to these cryptic creatures

506  
00:17:44,549 --> 00:17:42,080  
we're talking about today you know

507  
00:17:46,549 --> 00:17:44,559  
glowing eyes and you know

508  
00:17:48,870 --> 00:17:46,559  
the different aspects of these creatures

509  
00:17:51,190 --> 00:17:48,880  
are things they talk about

510  
00:17:53,110 --> 00:17:51,200  
uh in these old you know folklore

511  
00:17:54,390 --> 00:17:53,120  
reports and i think they got exaggerated

512  
00:17:56,070 --> 00:17:54,400  
and they changed and

513  
00:17:58,150 --> 00:17:56,080

and of course our culture changes as

514

00:18:01,590 --> 00:17:58,160

well so the way we talk about things

515

00:18:03,190 --> 00:18:01,600

is quite different but it it really

516

00:18:04,950 --> 00:18:03,200

kind of sets a precedent for me it's

517

00:18:05,830 --> 00:18:04,960

like these things existed in folklore

518

00:18:08,950 --> 00:18:05,840

they talked about

519

00:18:11,830 --> 00:18:08,960

these like upright kind of frog men

520

00:18:14,230 --> 00:18:11,840

in various places all over the world you

521

00:18:17,110 --> 00:18:14,240

know the doris creek uh

522

00:18:19,510 --> 00:18:17,120

and then since they built lake markburg

523

00:18:22,549 --> 00:18:19,520

and or project 70

524

00:18:25,029 --> 00:18:22,559

uh you know after it begins again after

525

00:18:26,710 --> 00:18:25,039

it comes over the dam

526

00:18:28,470 --> 00:18:26,720

from that area the whole way to where it

527

00:18:33,669 --> 00:18:28,480

goes into susquehanna has

528

00:18:37,190 --> 00:18:33,679

a lot of folklore uh our family farm

529

00:18:37,830 --> 00:18:37,200

was uh was right there where gladfelder

530

00:18:41,110 --> 00:18:37,840

has the

531

00:18:44,470 --> 00:18:41,120

you know bought the land and and uh

532

00:18:47,750 --> 00:18:44,480

where the uh where the dam is right now

533

00:18:48,070 --> 00:18:47,760

and uh i've heard stories out of there

534

00:18:51,110 --> 00:18:48,080

for

535

00:18:54,150 --> 00:18:51,120

built the dam

536

00:18:57,270 --> 00:18:54,160

and um you know i actually

537

00:18:59,110 --> 00:18:57,280

used to go fishing down on the doors you

538

00:19:01,830 --> 00:18:59,120

could fly fishing down there

539

00:19:03,590 --> 00:19:01,840

and where it where it gets close to

540

00:19:05,990 --> 00:19:03,600

porter saddling

541

00:19:06,950 --> 00:19:06,000

there's a there's a railroad bridge that

542

00:19:10,230 --> 00:19:06,960

goes over top

543

00:19:13,510 --> 00:19:10,240

of it and it's kind of a real secluded

544

00:19:16,310 --> 00:19:13,520

area but man i have heard and seen some

545

00:19:17,990 --> 00:19:16,320

really weird things that i can't explain

546

00:19:19,350 --> 00:19:18,000

and of course it's not really that far

547

00:19:22,230 --> 00:19:19,360

from where i

548

00:19:23,510 --> 00:19:22,240

i had the encounter with the slave woman

549

00:19:26,549 --> 00:19:23,520

right entity

550

00:19:27,990 --> 00:19:26,559

so there's a lot that goes on that creek

551  
00:19:30,390 --> 00:19:28,000  
that creek is

552  
00:19:32,150 --> 00:19:30,400  
well known for a lot of folklore yeah

553  
00:19:34,950 --> 00:19:32,160  
and i mean most of the places

554  
00:19:36,710 --> 00:19:34,960  
in york county that you'll have stuff um

555  
00:19:38,710 --> 00:19:36,720  
other than like delta

556  
00:19:42,390 --> 00:19:38,720  
which is down by the river on the south

557  
00:19:45,430 --> 00:19:43,990  
i'm sure there's a couple others i'm

558  
00:19:47,510 --> 00:19:45,440  
blanking on but really most of these

559  
00:19:48,310 --> 00:19:47,520  
places are connected to the doors in one

560  
00:19:50,150 --> 00:19:48,320  
way or another

561  
00:19:51,830 --> 00:19:50,160  
the east branch of the tourist runs

562  
00:19:54,950 --> 00:19:51,840  
right through hex hollow

563  
00:19:57,110 --> 00:19:54,960

right the the uh seven valleys where i

564

00:19:57,990 --> 00:19:57,120

get a lot of reports of weird lights and

565

00:20:00,390 --> 00:19:58,000

stuff

566

00:20:01,750 --> 00:20:00,400

and uh at least one bigfoot report

567

00:20:04,230 --> 00:20:01,760

actually i've got a class b

568

00:20:06,230 --> 00:20:04,240

uh more recently but there was a class a

569

00:20:09,669 --> 00:20:06,240

from 1980 i think

570

00:20:10,870 --> 00:20:09,679

in seven valleys and uh tons of weird

571

00:20:11,830 --> 00:20:10,880

light reports from there i mean that's

572

00:20:13,270 --> 00:20:11,840

that's the most

573

00:20:15,350 --> 00:20:13,280

of everything i get from seven valleys

574

00:20:16,950 --> 00:20:15,360

people talk about these glowing fields

575

00:20:18,070 --> 00:20:16,960

the fields will be just glowing green

576

00:20:19,510 --> 00:20:18,080

and stuff

577

00:20:21,350 --> 00:20:19,520

and of course the cadores runs right

578

00:20:23,830 --> 00:20:21,360

through there like you said to

579

00:20:24,870 --> 00:20:23,840

marburg which is you know where you you

580

00:20:26,470 --> 00:20:24,880

had the slave woman

581

00:20:28,549 --> 00:20:26,480

thing and i mean other people have

582

00:20:28,870 --> 00:20:28,559

reported weird ghost stuff around there

583

00:20:32,310 --> 00:20:28,880

because

584

00:20:34,630 --> 00:20:32,320

that's a whole sunken town in there

585

00:20:37,110 --> 00:20:34,640

um which has to do something we like

586

00:20:39,029 --> 00:20:37,120

with the energy and so forth and

587

00:20:40,230 --> 00:20:39,039

that has to do something weird you know

588

00:20:42,070 --> 00:20:40,240

with uh

589

00:20:43,990 --> 00:20:42,080

if we're talking about energy and ghosts

590

00:20:46,390 --> 00:20:44,000

and stuff and then uh

591

00:20:49,190 --> 00:20:46,400

it runs on through york city and runs

592

00:20:49,750 --> 00:20:49,200

right by um it's a block or two away

593

00:20:52,390 --> 00:20:49,760

from

594

00:20:53,350 --> 00:20:52,400

prospect hill cemetery which has some

595

00:20:54,950 --> 00:20:53,360

you know pretty

596

00:20:56,870 --> 00:20:54,960

interesting ghost stuff there and then

597

00:20:59,590 --> 00:20:56,880

it on up to toad road

598

00:21:00,710 --> 00:20:59,600

so uh you know toad road runs right by

599

00:21:04,149 --> 00:21:00,720

it

600

00:21:06,310 --> 00:21:04,159

right there so as there's something

601  
00:21:09,590 --> 00:21:06,320  
about the cadores creek there really is

602  
00:21:12,950 --> 00:21:09,600  
yeah it really is i uh i've never

603  
00:21:14,830 --> 00:21:12,960  
been able to understand a lot of it but

604  
00:21:16,390 --> 00:21:14,840  
you know i used to sneak on the

605  
00:21:18,950 --> 00:21:16,400  
gladfelderland

606  
00:21:20,950 --> 00:21:18,960  
and do some investigations down on that

607  
00:21:22,549 --> 00:21:20,960  
hollow where it just comes off the spill

608  
00:21:23,669 --> 00:21:22,559  
well it's not the spillway but where it

609  
00:21:27,350 --> 00:21:23,679  
goes into

610  
00:21:29,590 --> 00:21:27,360  
to form the creek and uh

611  
00:21:30,630 --> 00:21:29,600  
it's a swamp area that's where that tree

612  
00:21:33,510 --> 00:21:30,640  
is that i

613  
00:21:35,430 --> 00:21:33,520

really got a bad feeling about it a lot

614

00:21:39,270 --> 00:21:35,440

of deer in that area but it's it's just

615

00:21:41,669 --> 00:21:39,280

really spooky area i um

616

00:21:42,950 --> 00:21:41,679

i used to see and i saw it myself this

617

00:21:45,909 --> 00:21:42,960

blue haze

618

00:21:48,070 --> 00:21:45,919

that used to uh they used to hover above

619

00:21:50,149 --> 00:21:48,080

that whole marshy area

620

00:21:51,270 --> 00:21:50,159

it just wasn't a regular haze but it

621

00:21:54,230 --> 00:21:51,280

always had a bluish

622

00:21:54,870 --> 00:21:54,240

tint to it wow and it just freaked me

623

00:21:57,590 --> 00:21:54,880

out and

624

00:21:58,230 --> 00:21:57,600

um you know i've heard about that for

625

00:22:01,590 --> 00:21:58,240

years

626

00:22:03,190 --> 00:22:01,600

and it it is it's it's got a lot of

627

00:22:05,110 --> 00:22:03,200

stories to it you know the people that

628

00:22:08,230 --> 00:22:05,120

have lived in that area

629

00:22:11,190 --> 00:22:08,240

before they built the dam uh

630

00:22:12,310 --> 00:22:11,200

they were mostly uh mennonites dunkers

631

00:22:15,750 --> 00:22:12,320

or uh

632

00:22:16,950 --> 00:22:15,760

old german mennonites and uh

633

00:22:20,310 --> 00:22:16,960

pennsylvania dutch

634

00:22:20,950 --> 00:22:20,320

per se and uh they had a lot of stories

635

00:22:24,710 --> 00:22:20,960

i mean

636

00:22:26,470 --> 00:22:24,720

you know the the werewolves wolf stories

637

00:22:29,029 --> 00:22:26,480

came out of there as well my aunt used

638

00:22:31,590 --> 00:22:29,039

to tell me all kinds of crazy things

639

00:22:34,149 --> 00:22:31,600

that used to be seen on the family farm

640

00:22:36,789 --> 00:22:34,159

which was right down in that hollow area

641

00:22:38,149 --> 00:22:36,799

wow uh so you know and i wish when i was

642

00:22:39,990 --> 00:22:38,159

a kid i had to root it down

643

00:22:41,270 --> 00:22:40,000

i really do there's a lot of that stuff

644

00:22:44,630 --> 00:22:41,280

i forget now

645

00:22:47,270 --> 00:22:44,640

right yeah but uh you know there's one

646

00:22:49,350 --> 00:22:47,280

aspect and you sent me a review copy of

647

00:22:52,710 --> 00:22:49,360

the book and um

648

00:22:56,549 --> 00:22:52,720

you know the uh the sighting of that

649

00:22:58,310 --> 00:22:56,559

wing being down there in uh

650

00:23:00,070 --> 00:22:58,320

near the area where you investigate that

651  
00:23:01,909 --> 00:23:00,080  
i had reported

652  
00:23:03,590 --> 00:23:01,919  
and then you mentioned something i never

653  
00:23:05,830 --> 00:23:03,600  
even thought about this you know

654  
00:23:07,830 --> 00:23:05,840  
it's not really that far from where the

655  
00:23:08,870 --> 00:23:07,840  
the conewagger creek empties into the

656  
00:23:10,789 --> 00:23:08,880  
susquehanna

657  
00:23:12,390 --> 00:23:10,799  
do you believe it may have been some

658  
00:23:14,710 --> 00:23:12,400  
that same creature

659  
00:23:15,510 --> 00:23:14,720  
the conewago phantom i mean it could

660  
00:23:16,870 --> 00:23:15,520  
have been

661  
00:23:18,470 --> 00:23:16,880  
you know we're talking about something

662  
00:23:19,909 --> 00:23:18,480  
that's that's kind of similar that

663  
00:23:21,430 --> 00:23:19,919

people are reporting

664

00:23:23,270 --> 00:23:21,440

and it's not that far i mean so the

665

00:23:25,270 --> 00:23:23,280

conewago is a few miles

666

00:23:27,350 --> 00:23:25,280

you know north of the of the cadorus

667

00:23:27,990 --> 00:23:27,360

right i mean that's right in between

668

00:23:31,190 --> 00:23:28,000

them

669

00:23:32,710 --> 00:23:31,200

you know and i mean you had catalogued

670

00:23:33,190 --> 00:23:32,720

all those sightings and it seemed like

671

00:23:35,029 --> 00:23:33,200

they were

672

00:23:36,230 --> 00:23:35,039

each one went a little further down the

673

00:23:37,590 --> 00:23:36,240

conewago

674

00:23:39,909 --> 00:23:37,600

like towards the river you know what i

675

00:23:41,430 --> 00:23:39,919

mean yeah yeah almost consecutively if

676

00:23:43,750 --> 00:23:41,440

you look at the dates it's like

677

00:23:45,269 --> 00:23:43,760

you know yours is right there at uh what

678

00:23:46,630 --> 00:23:45,279

they with that area called

679

00:23:48,630 --> 00:23:46,640

i was right there at the camp the boy

680

00:23:50,149 --> 00:23:48,640

scout cam yeah right where the boy scout

681

00:23:50,870 --> 00:23:50,159

camp is and then the next one's a little

682

00:23:54,549 --> 00:23:50,880

further

683

00:23:56,070 --> 00:23:54,559

gets to the bridge which is scary

684

00:23:57,750 --> 00:23:56,080

anytime you see a mothman around a

685

00:24:00,390 --> 00:23:57,760

bridge that's

686

00:24:02,149 --> 00:24:00,400

a scary thing and then it it seems like

687

00:24:04,149 --> 00:24:02,159

it keeps on going down and

688

00:24:05,750 --> 00:24:04,159

i would not be surprised if it at some

689

00:24:07,110 --> 00:24:05,760

point somebody comes to you with a

690

00:24:09,269 --> 00:24:07,120

report that's in between

691

00:24:10,710 --> 00:24:09,279

those areas you know what i mean like

692

00:24:12,630 --> 00:24:10,720

from a date in

693

00:24:15,350 --> 00:24:12,640

a date before the those persons saw it

694

00:24:17,350 --> 00:24:15,360

at cador's furnace

695

00:24:18,390 --> 00:24:17,360

you know or close to kadur's furnace and

696

00:24:19,750 --> 00:24:18,400

then after

697

00:24:21,909 --> 00:24:19,760

the last one you connected that was a

698

00:24:23,669 --> 00:24:21,919

little closer to the boy scout camp

699

00:24:25,190 --> 00:24:23,679

because there's a big gap in there but i

700

00:24:27,190 --> 00:24:25,200

wouldn't be surprised if somebody saw

701

00:24:29,510 --> 00:24:27,200

because there's that's a lot of creek

702

00:24:30,789 --> 00:24:29,520

along there and then again you know who

703

00:24:32,070 --> 00:24:30,799

knows we'll we'll see

704

00:24:34,149 --> 00:24:32,080

i mean it might have been something

705

00:24:36,230 --> 00:24:34,159

different but it sure is close

706

00:24:38,310 --> 00:24:36,240

you know to the conewago you know i and

707

00:24:39,830 --> 00:24:38,320

i i don't know why i never even thought

708

00:24:41,590 --> 00:24:39,840

about that do i read it in your

709

00:24:43,190 --> 00:24:41,600

that tonight and you're wherever you've

710

00:24:45,269 --> 00:24:43,200

copied yourself though

711

00:24:46,630 --> 00:24:45,279

holy moly you know you just mentioned i

712

00:24:48,630 --> 00:24:46,640

thought well

713

00:24:50,470 --> 00:24:48,640

i guess it's a good possibility it might

714

00:24:53,190 --> 00:24:50,480

be the same thing

715

00:24:53,830 --> 00:24:53,200

you know i had i had rep i did have a

716

00:24:56,950 --> 00:24:53,840

report

717

00:24:58,950 --> 00:24:56,960

near lancaster just north of lancaster

718

00:25:00,549 --> 00:24:58,960

of something very similar years ago i

719

00:25:02,789 --> 00:25:00,559

don't know what it was but it was

720

00:25:04,710 --> 00:25:02,799

it did sound similar but wasn't a very

721

00:25:06,149 --> 00:25:04,720

good report but i believe somebody did

722

00:25:08,230 --> 00:25:06,159

see something

723

00:25:10,870 --> 00:25:08,240

so the fact that that was you know

724

00:25:13,029 --> 00:25:10,880

across the susquehanna

725

00:25:14,230 --> 00:25:13,039

uh a few miles from the river i don't

726

00:25:16,710 --> 00:25:14,240

know i don't know if this

727

00:25:18,149 --> 00:25:16,720

you know i don't know i mean but it's

728

00:25:21,350 --> 00:25:18,159

something to think about

729

00:25:24,070 --> 00:25:21,360

yeah yeah it really is and then i

730

00:25:25,590 --> 00:25:24,080

the really interesting thing is i found

731

00:25:29,269 --> 00:25:25,600

that uh

732

00:25:31,110 --> 00:25:29,279

one reference to a dynamite factory

733

00:25:32,310 --> 00:25:31,120

and i i can't like i went to the york

734

00:25:33,590 --> 00:25:32,320

historical society i said

735

00:25:35,590 --> 00:25:33,600

i really like to find where this

736

00:25:37,669 --> 00:25:35,600

dynamite factory was they have zero

737

00:25:40,630 --> 00:25:37,679

information on this dynamite factory

738

00:25:42,950 --> 00:25:40,640

i was they asked me to give them all the

739

00:25:45,269 --> 00:25:42,960

information i had on it

740

00:25:46,710 --> 00:25:45,279

where was it supposed to be well they

741

00:25:50,149 --> 00:25:46,720

said

742

00:25:52,149 --> 00:25:50,159

it was located in mount wolf which is a

743

00:25:55,190 --> 00:25:52,159

that's a little far from toad road

744

00:25:57,110 --> 00:25:55,200

although i mean it's

745

00:25:58,789 --> 00:25:57,120

that's you know it's not terribly far

746

00:26:01,029 --> 00:25:58,799

it's a couple miles right

747

00:26:02,950 --> 00:26:01,039

but then they said at trout run well

748

00:26:03,750 --> 00:26:02,960

trout run is right there that's on toad

749

00:26:05,990 --> 00:26:03,760

road

750

00:26:07,750 --> 00:26:06,000

so is that the nearest town they were

751  
00:26:10,149 --> 00:26:07,760  
referencing is it somewhere in between

752  
00:26:11,590 --> 00:26:10,159  
um you know i'm not exactly sure where

753  
00:26:12,950 --> 00:26:11,600  
it fell and i could never find out

754  
00:26:14,870 --> 00:26:12,960  
exactly where it fell but

755  
00:26:16,070 --> 00:26:14,880  
it was a dynamite factory where if

756  
00:26:17,350 --> 00:26:16,080  
somebody got killed they had an

757  
00:26:20,710 --> 00:26:17,360  
explosion there

758  
00:26:22,390 --> 00:26:20,720  
and uh the poor guy he they found parts

759  
00:26:24,149 --> 00:26:22,400  
of him up in the trees

760  
00:26:26,470 --> 00:26:24,159  
and stuff and that was the i was either

761  
00:26:28,230 --> 00:26:26,480  
late 18 i think i was the late 1800s

762  
00:26:29,590 --> 00:26:28,240  
when he died but the thing is like i

763  
00:26:32,149 --> 00:26:29,600

thought when

764

00:26:33,190 --> 00:26:32,159

now we're talking dynamite factories and

765

00:26:34,950 --> 00:26:33,200

tnt

766

00:26:36,710 --> 00:26:34,960

and we're we're associating a mothman

767

00:26:37,190 --> 00:26:36,720

creature with it i just thought man

768

00:26:39,269 --> 00:26:37,200

that's

769

00:26:40,710 --> 00:26:39,279

what are the chances of that where this

770

00:26:42,710 --> 00:26:40,720

you know like like i'm thinking of the

771

00:26:44,070 --> 00:26:42,720

tnt area down in west virginia down in

772

00:26:46,870 --> 00:26:44,080

west virginia

773

00:26:48,710 --> 00:26:46,880

and uh i thought wow you know what are

774

00:26:51,190 --> 00:26:48,720

the chances that there'd be some kind of

775

00:26:52,070 --> 00:26:51,200

like tnt connection to this so i thought

776

00:26:53,750 --> 00:26:52,080

that was really interesting

777

00:26:55,350 --> 00:26:53,760

but i could i could not i do not know

778

00:26:56,789 --> 00:26:55,360

where the footprint of that factory

779

00:26:59,430 --> 00:26:56,799

actually was it could be

780

00:27:00,149 --> 00:26:59,440

anywhere from toad road to mount wolf

781

00:27:01,990 --> 00:27:00,159

you know somewhere

782

00:27:03,669 --> 00:27:02,000

i'm gonna have to take a look myself i'm

783

00:27:05,909 --> 00:27:03,679

gonna have to check that out

784

00:27:07,590 --> 00:27:05,919

maybe i can come up with something but i

785

00:27:09,510 --> 00:27:07,600

had never heard of that

786

00:27:10,950 --> 00:27:09,520

that that's an interesting connection

787

00:27:12,950 --> 00:27:10,960

there yeah and

788

00:27:14,710 --> 00:27:12,960

and i i've had you know these winged

789

00:27:16,710 --> 00:27:14,720

bean settings

790

00:27:18,950 --> 00:27:16,720

uh have been another place of course in

791

00:27:22,389 --> 00:27:18,960

littlestown i had the one

792

00:27:24,149 --> 00:27:22,399

a very good report though the thing was

793

00:27:27,110 --> 00:27:24,159

kind of pinkish in color

794

00:27:28,950 --> 00:27:27,120

this thing crossed the road uh just

795

00:27:31,750 --> 00:27:28,960

outside of littlestown really very

796

00:27:32,230 --> 00:27:31,760

actually very close to the maryland line

797

00:27:34,070 --> 00:27:32,240

so

798

00:27:36,070 --> 00:27:34,080

uh i don't know i mean is there a

799

00:27:37,190 --> 00:27:36,080

ketchup somehow i mean that's adam's

800

00:27:40,310 --> 00:27:37,200

county

801  
00:27:42,950 --> 00:27:40,320  
but you know you know it is

802  
00:27:44,549 --> 00:27:42,960  
like you said earlier it's just amazing

803  
00:27:47,669 --> 00:27:44,559  
some of the anomalies that turn up

804  
00:27:50,389 --> 00:27:47,679  
in this area in particular and

805  
00:27:51,669 --> 00:27:50,399  
all over the state yeah yeah and i mean

806  
00:27:52,950 --> 00:27:51,679  
presumably

807  
00:27:54,950 --> 00:27:52,960  
you know well some people have seen them

808  
00:27:56,070 --> 00:27:54,960  
flying so if they're the same thing they

809  
00:27:59,590 --> 00:27:56,080  
can fly

810  
00:28:03,029 --> 00:27:59,600  
so it's a short hop from littlestown to

811  
00:28:04,950 --> 00:28:03,039  
new oxford to you know the next one if

812  
00:28:07,190 --> 00:28:04,960  
you know if you're uh if you can fly

813  
00:28:10,310 --> 00:28:07,200

that's nothing

814

00:28:11,990 --> 00:28:10,320

but uh yeah it's just i mean and this is

815

00:28:13,590 --> 00:28:12,000

all around gettysburg if people don't

816

00:28:16,789 --> 00:28:13,600

know the area i mean this is just

817

00:28:17,830 --> 00:28:16,799

all around gettysburg so uh right yeah

818

00:28:19,990 --> 00:28:17,840

gettysburg

819

00:28:22,389 --> 00:28:20,000

and i i just moved recently and i moved

820

00:28:25,350 --> 00:28:22,399

a little closer to gettysburg

821

00:28:26,789 --> 00:28:25,360

maybe i'll eventually end up there i

822

00:28:27,669 --> 00:28:26,799

think i'm going to start spending more

823

00:28:30,310 --> 00:28:27,679

time there and doing

824

00:28:32,310 --> 00:28:30,320

research i haven't i haven't done that

825

00:28:35,029 --> 00:28:32,320

in a while but i i'd really like to get

826

00:28:38,149 --> 00:28:35,039

back out there and start looking again

827

00:28:39,590 --> 00:28:38,159

uh you know i've got an area a fellow

828

00:28:40,230 --> 00:28:39,600

told me i was free to come and

829

00:28:42,389 --> 00:28:40,240

investigate

830

00:28:44,789 --> 00:28:42,399

he says he's got multiple activities

831

00:28:46,950 --> 00:28:44,799

there in gettysburg and it's uh

832

00:28:49,029 --> 00:28:46,960

it's 20 wooded acres and i think he said

833

00:28:51,830 --> 00:28:49,039

that the confederates camped there

834

00:28:53,669 --> 00:28:51,840

when they went through so if uh i mean

835

00:28:55,990 --> 00:28:53,679

you're that's the case that's

836

00:28:57,510 --> 00:28:56,000

west side of the town then or what's

837

00:29:00,710 --> 00:28:57,520

reportedly uh

838

00:29:02,710 --> 00:29:00,720

outside of gettysburg then mm-hmm and

839

00:29:04,389 --> 00:29:02,720

i mean like i said you're welcome to to

840

00:29:07,029 --> 00:29:04,399

come with he seemed like a pretty cool

841

00:29:08,470 --> 00:29:07,039

pool guy and he said he said he'd be

842

00:29:11,590 --> 00:29:08,480

happy to have me come out

843

00:29:11,990 --> 00:29:11,600

so that would be for from that would be

844

00:29:14,710 --> 00:29:12,000

an area

845

00:29:16,549 --> 00:29:14,720

not far from sacks bridge as well that

846

00:29:17,190 --> 00:29:16,559

that you know that whole area is spooky

847

00:29:20,950 --> 00:29:17,200

back there

848

00:29:22,789 --> 00:29:20,960

um it it's the area that he's probably

849

00:29:26,070 --> 00:29:22,799

talking about is just

850

00:29:28,870 --> 00:29:26,080

west of town or west of the uh

851

00:29:29,909 --> 00:29:28,880

seminary ridge where the uh the

852

00:29:33,830 --> 00:29:29,919

confederate

853

00:29:35,430 --> 00:29:33,840

forces came in came east from

854

00:29:37,269 --> 00:29:35,440

when they went to chambersburg into

855

00:29:38,470 --> 00:29:37,279

cashtown and they started camp and

856

00:29:40,950 --> 00:29:38,480

camped out

857

00:29:43,750 --> 00:29:40,960

west of gettysburg and uh that's

858

00:29:46,149 --> 00:29:43,760

probably areas talking about spooky area

859

00:29:47,190 --> 00:29:46,159

it really is you get in there rory in

860

00:29:49,669 --> 00:29:47,200

the morning sometimes

861

00:29:51,269 --> 00:29:49,679

it's just like it makes you makes the

862

00:29:53,830 --> 00:29:51,279

chills go up and down your spine like

863

00:29:55,590 --> 00:29:53,840

crazy it really is it's active

864

00:29:58,389 --> 00:29:55,600

yeah yeah well i mean gettysburg in

865

00:29:59,830 --> 00:29:58,399

general the whole

866

00:30:02,789 --> 00:29:59,840

feeling of the place changes when the

867

00:30:03,510 --> 00:30:02,799

sun goes down it's very touristy during

868

00:30:05,830 --> 00:30:03,520

the day

869

00:30:07,590 --> 00:30:05,840

very touristy and and there's a good bit

870

00:30:08,310 --> 00:30:07,600

of ghost tourism too they have you know

871

00:30:10,070 --> 00:30:08,320

they they

872

00:30:11,830 --> 00:30:10,080

they have a ghost economy there now i

873

00:30:12,870 --> 00:30:11,840

think probably more than a historical

874

00:30:15,350 --> 00:30:12,880

economy

875

00:30:16,549 --> 00:30:15,360

i believe you're right that's probably

876

00:30:18,630 --> 00:30:16,559

true i mean you

877

00:30:19,909 --> 00:30:18,640

you get a lot of these metaphysical

878

00:30:22,310 --> 00:30:19,919

shots moving there

879

00:30:24,230 --> 00:30:22,320

and you know it seems like everybody

880

00:30:26,149 --> 00:30:24,240

under brother that's into any type

881

00:30:28,230 --> 00:30:26,159

of thing that's metaphysical has got

882

00:30:30,230 --> 00:30:28,240

something connected with gettysburg now

883

00:30:32,230 --> 00:30:30,240

yeah yeah i mean it's big business there

884

00:30:34,070 --> 00:30:32,240

but even with that even with all the

885

00:30:36,310 --> 00:30:34,080

tours going on even with the

886

00:30:38,149 --> 00:30:36,320

you know all the tourism of every kind

887

00:30:40,389 --> 00:30:38,159

there when the sun goes down

888

00:30:41,669 --> 00:30:40,399

the mood really changes there it really

889

00:30:42,710 --> 00:30:41,679

does it and especially if you're out

890

00:30:45,669 --> 00:30:42,720

away from people

891

00:30:46,870 --> 00:30:45,679

you can feel it it just i mean for

892

00:30:49,269 --> 00:30:46,880

whatever it's worth the

893

00:30:51,350 --> 00:30:49,279

the feeling just really changes yeah the

894

00:30:52,549 --> 00:30:51,360

area around the gettysburg i mean found

895

00:30:55,669 --> 00:30:52,559

around the battlefield

896

00:30:57,509 --> 00:30:55,679

is is is good as well i mean at least

897

00:30:58,070 --> 00:30:57,519

that's not locked up at nighttime you

898

00:31:00,230 --> 00:30:58,080

know

899

00:31:01,750 --> 00:31:00,240

yeah you actually get it around those

900

00:31:04,230 --> 00:31:01,760

areas at night

901  
00:31:05,990 --> 00:31:04,240  
but uh it's a i believe it's a shame you

902  
00:31:07,990 --> 00:31:06,000  
can't get on the battlefield at night

903  
00:31:09,190 --> 00:31:08,000  
because uh i used to do it when i was a

904  
00:31:11,590 --> 00:31:09,200  
kid

905  
00:31:13,509 --> 00:31:11,600  
and there was no regulation back then

906  
00:31:15,350 --> 00:31:13,519  
but god i used to go just take my tent

907  
00:31:18,789 --> 00:31:15,360  
and camp out you know

908  
00:31:19,190 --> 00:31:18,799  
and yeah they it it wasn't too long ago

909  
00:31:22,310 --> 00:31:19,200  
it was

910  
00:31:23,430 --> 00:31:22,320  
the popularity of ghost hunting i think

911  
00:31:25,029 --> 00:31:23,440  
they had to shut it down

912  
00:31:27,110 --> 00:31:25,039  
i think that's the reason why they did

913  
00:31:29,430 --> 00:31:27,120

it yeah yeah

914

00:31:30,870 --> 00:31:29,440

because there's a and the the ghost

915

00:31:32,630 --> 00:31:30,880

tours they know exactly where they can

916

00:31:34,630 --> 00:31:32,640

be they'll take you right to the edge

917

00:31:36,149 --> 00:31:34,640

you know the park and and they know

918

00:31:37,669 --> 00:31:36,159

they're they're okay you know where they

919

00:31:40,710 --> 00:31:37,679

can be and where they can't

920

00:31:43,350 --> 00:31:40,720

but i remember you know my wife and i

921

00:31:45,830 --> 00:31:43,360

it going in there at night you know this

922

00:31:48,549 --> 00:31:45,840

so this would have

923

00:31:49,990 --> 00:31:48,559

early 2000s probably you know and we

924

00:31:50,870 --> 00:31:50,000

could still go in there at night it was

925

00:31:52,070 --> 00:31:50,880

it was

926  
00:31:53,350 --> 00:31:52,080  
you know illegal we weren't breaking any

927  
00:31:54,389 --> 00:31:53,360  
laws or anything i think you had to be

928  
00:31:55,909 --> 00:31:54,399  
out after 10

929  
00:31:57,430 --> 00:31:55,919  
but you were still allowed to go in and

930  
00:31:59,669 --> 00:31:57,440  
you know i remember us taking

931  
00:32:01,269 --> 00:31:59,679  
we got some really neat orb photos i

932  
00:32:02,950 --> 00:32:01,279  
remember this is a pre-digital camera we

933  
00:32:04,230 --> 00:32:02,960  
just we had a film camera

934  
00:32:06,149 --> 00:32:04,240  
and we were picking we were picking up

935  
00:32:07,430 --> 00:32:06,159  
some orbs and stuff on the on the

936  
00:32:09,269 --> 00:32:07,440  
battlefield

937  
00:32:11,029 --> 00:32:09,279  
but yeah no more they don't they don't

938  
00:32:13,590 --> 00:32:11,039

they don't really appreciate that

939

00:32:15,509 --> 00:32:13,600

you go to gettysburg go down 116 stop

940

00:32:19,269 --> 00:32:15,519

and pick me up and i'll go with you

941

00:32:21,190 --> 00:32:19,279

all right because uh like i said

942

00:32:22,549 --> 00:32:21,200

right now i'm only like 12 miles out of

943

00:32:24,310 --> 00:32:22,559

gettysburg so

944

00:32:26,149 --> 00:32:24,320

we should we should do like a we should

945

00:32:28,070 --> 00:32:26,159

set up a phantoms and monsters uh

946

00:32:29,430 --> 00:32:28,080

4d investigation team just meet up and

947

00:32:31,830 --> 00:32:29,440

just everybody go out there

948

00:32:33,590 --> 00:32:31,840

that would be really neat i i gotta yeah

949

00:32:35,029 --> 00:32:33,600

i'm glad you mentioned that that might

950

00:32:37,509 --> 00:32:35,039

be something to do

951  
00:32:39,190 --> 00:32:37,519  
and you know the gettysburg itself has

952  
00:32:40,230 --> 00:32:39,200  
had some really strange bigfoot

953  
00:32:42,870 --> 00:32:40,240  
sightings

954  
00:32:44,710 --> 00:32:42,880  
yeah oh yeah yeah they get some weird

955  
00:32:47,430 --> 00:32:44,720  
stuff there and

956  
00:32:48,870 --> 00:32:47,440  
i mean it's you know when we talk about

957  
00:32:52,149 --> 00:32:48,880  
bigfoot in pennsylvania

958  
00:32:53,990 --> 00:32:52,159  
that's one of the biggest things that

959  
00:32:55,990 --> 00:32:54,000  
kind of has pushed me away from thinking

960  
00:32:58,149 --> 00:32:56,000  
that it's a it's a natural

961  
00:32:59,909 --> 00:32:58,159  
creature and i'm not saying it can't be

962  
00:33:01,830 --> 00:32:59,919  
you know maybe someday somebody brings a

963  
00:33:05,830 --> 00:33:01,840

body in and they prove me wrong

964

00:33:07,669 --> 00:33:05,840

but but right now i mean i just

965

00:33:09,509 --> 00:33:07,679

there's something really really weird

966

00:33:12,710 --> 00:33:09,519

about it and uh

967

00:33:14,630 --> 00:33:12,720

i i think it was uh uh

968

00:33:16,230 --> 00:33:14,640

one of the fellows out maybe brian

969

00:33:16,950 --> 00:33:16,240

steech one of the fellas out there was

970

00:33:18,470 --> 00:33:16,960

saying to me said

971

00:33:19,750 --> 00:33:18,480

like where where do they come from and

972

00:33:21,350 --> 00:33:19,760

where they go and i said well that's

973

00:33:22,950 --> 00:33:21,360

that's the big question right

974

00:33:24,389 --> 00:33:22,960

yeah where do they come from and where

975

00:33:26,789 --> 00:33:24,399

they go because they're not

976

00:33:28,549 --> 00:33:26,799

i mean hey i love york county and i'm

977

00:33:28,950 --> 00:33:28,559

glad we have tons of sightings here i

978

00:33:31,029 --> 00:33:28,960

mean

979

00:33:32,710 --> 00:33:31,039

for the for where we are you know

980

00:33:36,389 --> 00:33:32,720

bigfoot saying we got a good bid

981

00:33:38,230 --> 00:33:36,399

i got a good bit this year um and

982

00:33:39,190 --> 00:33:38,240

i love it you know and i believe these

983

00:33:40,070 --> 00:33:39,200

people they're you know they're not

984

00:33:41,590 --> 00:33:40,080

lying these

985

00:33:43,350 --> 00:33:41,600

when they tell me these stories you can

986

00:33:45,269 --> 00:33:43,360

tell there's uh

987

00:33:47,590 --> 00:33:45,279

i'll tell you about another albatric

988

00:33:50,070 --> 00:33:47,600

sighting in a minute

989

00:33:51,430 --> 00:33:50,080

and but anyway that but i i just don't

990

00:33:53,350 --> 00:33:51,440

believe there's a breeding population

991

00:33:55,110 --> 00:33:53,360

here i just i really don't

992

00:33:56,549 --> 00:33:55,120

so where are they going you know i mean

993

00:33:57,830 --> 00:33:56,559

and and people are seeing them all times

994

00:33:59,909 --> 00:33:57,840

a year so they're not

995

00:34:01,269 --> 00:33:59,919

i don't think they're migrating through

996

00:34:02,789 --> 00:34:01,279

there's you know there's something weird

997

00:34:03,909 --> 00:34:02,799

going on with them that's all i can say

998

00:34:07,029 --> 00:34:03,919

i don't know

999

00:34:09,030 --> 00:34:07,039

you and i you know we

1000

00:34:10,389 --> 00:34:09,040

go on the side of the interdimensional

1001  
00:34:12,230 --> 00:34:10,399  
type thing and uh yeah

1002  
00:34:13,750 --> 00:34:12,240  
yeah stan's been talking about that for

1003  
00:34:17,510 --> 00:34:13,760  
years and

1004  
00:34:18,629 --> 00:34:17,520  
uh of course sean he he will definitely

1005  
00:34:21,669 --> 00:34:18,639  
not talk

1006  
00:34:23,750 --> 00:34:21,679  
he's definitely flushing blood and

1007  
00:34:25,829 --> 00:34:23,760  
but you're right i don't i i don't

1008  
00:34:26,470 --> 00:34:25,839  
believe there is a breeding population

1009  
00:34:28,389 --> 00:34:26,480  
and

1010  
00:34:30,710 --> 00:34:28,399  
the fact that people are seeing someone

1011  
00:34:31,909 --> 00:34:30,720  
look i saw something back in 81 down in

1012  
00:34:33,669 --> 00:34:31,919  
maryland

1013  
00:34:35,750 --> 00:34:33,679

i don't know what the hell it really was

1014

00:34:37,430 --> 00:34:35,760

it looked like a bigfoot but

1015

00:34:40,710 --> 00:34:37,440

and it looked like it was flesh and

1016

00:34:42,470 --> 00:34:40,720

blood but used to say what it was

1017

00:34:44,470 --> 00:34:42,480

i mean you know there have been

1018

00:34:48,629 --> 00:34:44,480

sightings in that area of sykesville

1019

00:34:49,349 --> 00:34:48,639

for years but you know there there's got

1020

00:34:52,069 --> 00:34:49,359

to be if

1021

00:34:54,149 --> 00:34:52,079

it's indigenous it's got to breed right

1022

00:34:54,629 --> 00:34:54,159

you know to keep a population going

1023

00:34:57,670 --> 00:34:54,639

there is

1024

00:34:59,510 --> 00:34:57,680

it is this some type of uh

1025

00:35:01,109 --> 00:34:59,520

interdimensional being that comes back

1026

00:35:03,510 --> 00:35:01,119

and forth i i think that's

1027

00:35:05,349 --> 00:35:03,520

possibility i really do yeah i mean it

1028

00:35:09,829 --> 00:35:05,359

it's

1029

00:35:11,270 --> 00:35:09,839

doesn't sound any cuter to me than a

1030

00:35:11,910 --> 00:35:11,280

breeding population of eight foot tall

1031

00:35:14,790 --> 00:35:11,920

eight men

1032

00:35:15,990 --> 00:35:14,800

you know i mean like like it's it's just

1033

00:35:18,950 --> 00:35:16,000

they're both

1034

00:35:20,069 --> 00:35:18,960

kind of wacky things to be talking about

1035

00:35:21,670 --> 00:35:20,079

again i'm not saying i don't believe

1036

00:35:22,150 --> 00:35:21,680

people i absolutely believe people and i

1037

00:35:23,829 --> 00:35:22,160

believe

1038

00:35:25,829 --> 00:35:23,839

when they see them they're as physical

1039

00:35:26,230 --> 00:35:25,839

as you know anything else as the trees

1040

00:35:31,430 --> 00:35:26,240

and

1041

00:35:33,270 --> 00:35:31,440

but i you know again they just they

1042

00:35:34,790 --> 00:35:33,280

don't act like regular animals

1043

00:35:36,390 --> 00:35:34,800

that's all i can say whatever they're

1044

00:35:38,390 --> 00:35:36,400

doing they're not they're not staying

1045

00:35:40,710 --> 00:35:38,400

here all the time

1046

00:35:41,670 --> 00:35:40,720

if they are they're they have some kind

1047

00:35:43,829 --> 00:35:41,680

of

1048

00:35:44,870 --> 00:35:43,839

you know i don't know i i just can't

1049

00:35:47,190 --> 00:35:44,880

imagine it well

1050

00:35:48,950 --> 00:35:47,200

i think for the most part the east coast

1051  
00:35:49,750 --> 00:35:48,960  
people seeing the east coast and midwest

1052  
00:35:53,349 --> 00:35:49,760  
are

1053  
00:35:56,069 --> 00:35:53,359  
i've thought that for years

1054  
00:35:58,150 --> 00:35:56,079  
i believe there is possibly a breeding

1055  
00:36:00,710 --> 00:35:58,160  
population in some areas

1056  
00:36:02,310 --> 00:36:00,720  
you know pacific northwest texas down

1057  
00:36:04,310 --> 00:36:02,320  
south down into florida

1058  
00:36:06,390 --> 00:36:04,320  
i i think there very well may be

1059  
00:36:07,430 --> 00:36:06,400  
breeding populations of some type of

1060  
00:36:09,349 --> 00:36:07,440  
hominid

1061  
00:36:11,910 --> 00:36:09,359  
but as far as what people are seeing

1062  
00:36:14,150 --> 00:36:11,920  
around the east coast all up and down

1063  
00:36:16,230 --> 00:36:14,160

the east coast into the midwest

1064

00:36:18,470 --> 00:36:16,240

now i just don't buy into that i just

1065

00:36:21,670 --> 00:36:18,480

don't buy into the uh

1066

00:36:22,710 --> 00:36:21,680

indigenous flesh and flood species yeah

1067

00:36:26,550 --> 00:36:22,720

yeah i just it

1068

00:36:28,950 --> 00:36:26,560

it doesn't make sense to me so get this

1069

00:36:31,190 --> 00:36:28,960

i was at the albatwitch day

1070

00:36:32,310 --> 00:36:31,200

remember that report you took of that uh

1071

00:36:34,870 --> 00:36:32,320

woman who saw that

1072

00:36:35,510 --> 00:36:34,880

that uh little creature just south of

1073

00:36:38,550 --> 00:36:35,520

red line

1074

00:36:40,630 --> 00:36:38,560

yeah so they they had interviewed me

1075

00:36:42,550 --> 00:36:40,640

uh you know kind of promotion for albert

1076

00:36:44,470 --> 00:36:42,560

which day the the local paper did

1077

00:36:46,310 --> 00:36:44,480

and it went to the ap so when it went

1078

00:36:46,870 --> 00:36:46,320

all around like that story went all

1079

00:36:49,589 --> 00:36:46,880

around

1080

00:36:50,470 --> 00:36:49,599

a lot of papers picked it up and towards

1081

00:36:52,310 --> 00:36:50,480

the end of the day

1082

00:36:54,069 --> 00:36:52,320

i was i was actually like folding up my

1083

00:36:55,510 --> 00:36:54,079

stand and put my books away and getting

1084

00:36:57,109 --> 00:36:55,520

ready to go

1085

00:36:59,109 --> 00:36:57,119

this guy comes up and he's got the

1086

00:37:00,550 --> 00:36:59,119

newspaper like tucked under his arm he's

1087

00:37:03,750 --> 00:37:00,560

walking with his daughter he had a

1088

00:37:06,790 --> 00:37:03,760

teenage daughter and

1089

00:37:07,349 --> 00:37:06,800

he said i read this newspaper article

1090

00:37:09,030 --> 00:37:07,359

and

1091

00:37:10,870 --> 00:37:09,040

he said i didn't know what these things

1092

00:37:14,069 --> 00:37:10,880

were called he said

1093

00:37:15,430 --> 00:37:14,079

no one would i didn't tell anybody about

1094

00:37:16,870 --> 00:37:15,440

this except my daughter and

1095

00:37:18,470 --> 00:37:16,880

a few other people i didn't have anybody

1096

00:37:20,069 --> 00:37:18,480

to talk about this

1097

00:37:22,230 --> 00:37:20,079

he said i've seen these things i've seen

1098

00:37:24,390 --> 00:37:22,240

them twice

1099

00:37:25,349 --> 00:37:24,400

both times he saw him in that same area

1100

00:37:27,750 --> 00:37:25,359

of red lion

1101  
00:37:29,670 --> 00:37:27,760  
is that right yeah and he he did not

1102  
00:37:31,829 --> 00:37:29,680  
hear anything about this before he never

1103  
00:37:33,910 --> 00:37:31,839  
knew about that other report

1104  
00:37:35,270 --> 00:37:33,920  
he told me the one he said i saw when he

1105  
00:37:37,430 --> 00:37:35,280  
was a kid he said i was about 10 years

1106  
00:37:39,030 --> 00:37:37,440  
old and i was with my brother

1107  
00:37:41,109 --> 00:37:39,040  
he said it was standing out back the

1108  
00:37:44,230 --> 00:37:41,119  
stores he said it's about four foot tall

1109  
00:37:46,390 --> 00:37:44,240  
skinny thing covered in hair

1110  
00:37:47,910 --> 00:37:46,400  
and he said it was standing like at the

1111  
00:37:49,430 --> 00:37:47,920  
edge of a field or something he said my

1112  
00:37:51,349 --> 00:37:49,440  
brother walked right up to it he said

1113  
00:37:53,430 --> 00:37:51,359

it had the creature had its eyes closed

1114

00:37:54,630 --> 00:37:53,440

he said he said it reminded me of like a

1115

00:37:55,990 --> 00:37:54,640

little kid when they close their eyes

1116

00:37:57,270 --> 00:37:56,000

and like you can't see me because my

1117

00:37:58,790 --> 00:37:57,280

eyes are closed

1118

00:38:01,030 --> 00:37:58,800

that's that's how he kind of explained

1119

00:38:02,550 --> 00:38:01,040

it and he said his brother walked right

1120

00:38:03,990 --> 00:38:02,560

up to it and looked it right in the face

1121

00:38:05,750 --> 00:38:04,000

he said his brother was face to face

1122

00:38:07,109 --> 00:38:05,760

with it until he finally he called to

1123

00:38:09,910 --> 00:38:07,119

his brother he said come on run

1124

00:38:11,750 --> 00:38:09,920

run get away from that and uh he said to

1125

00:38:13,109 --> 00:38:11,760

this day his brother will not talk about

1126

00:38:14,390 --> 00:38:13,119

it he's tried to get his brother to talk

1127

00:38:16,069 --> 00:38:14,400

about it multiple times his brother

1128

00:38:18,310 --> 00:38:16,079

won't talk about

1129

00:38:19,910 --> 00:38:18,320

he saw it again uh when he was driving

1130

00:38:20,870 --> 00:38:19,920

as an adult he said it ran out of a

1131

00:38:23,109 --> 00:38:20,880

cornfield

1132

00:38:24,230 --> 00:38:23,119

kind of a little bit in front of his car

1133

00:38:26,390 --> 00:38:24,240

ran back up the bank

1134

00:38:27,910 --> 00:38:26,400

and then back into the cornfield it got

1135

00:38:30,150 --> 00:38:27,920

another good look at it again

1136

00:38:31,589 --> 00:38:30,160

he said i i've never known what the

1137

00:38:33,190 --> 00:38:31,599

either they had a name he said i didn't

1138

00:38:36,230 --> 00:38:33,200

know other people had seen these

1139

00:38:37,829 --> 00:38:36,240

and this guy was so earnest

1140

00:38:39,190 --> 00:38:37,839

and so truthful my wife was standing

1141

00:38:41,109 --> 00:38:39,200

next to me now i've mentioned this

1142

00:38:42,870 --> 00:38:41,119

several times my wife's a skeptic

1143

00:38:44,470 --> 00:38:42,880

she'll be the first one to say you know

1144

00:38:45,109 --> 00:38:44,480

we're all crazy for being into this

1145

00:38:46,710 --> 00:38:45,119

stuff

1146

00:38:49,030 --> 00:38:46,720

she's she let me know any harm by saying

1147

00:38:49,670 --> 00:38:49,040

it i feel you man my wife was the same

1148

00:38:52,069 --> 00:38:49,680

way

1149

00:38:53,030 --> 00:38:52,079

yeah yeah it's just that's just you know

1150

00:38:54,550 --> 00:38:53,040

she's not

1151

00:38:55,910 --> 00:38:54,560

she doesn't believe and that's fine i

1152

00:38:56,550 --> 00:38:55,920

like having a skeptic around it's a good

1153

00:38:59,190 --> 00:38:56,560

thing

1154

00:38:59,589 --> 00:38:59,200

keeps me in check but she turned to me

1155

00:39:01,829 --> 00:38:59,599

later

1156

00:39:03,030 --> 00:39:01,839

like after he he left and she said i

1157

00:39:05,829 --> 00:39:03,040

don't know what he saw

1158

00:39:08,069 --> 00:39:05,839

but he saw something she's like i i

1159

00:39:10,230 --> 00:39:08,079

believe he saw something he was not

1160

00:39:11,750 --> 00:39:10,240

telling a lie he was not telling a story

1161

00:39:13,270 --> 00:39:11,760

he saw something

1162

00:39:15,109 --> 00:39:13,280

and uh his daughter was like kind of

1163

00:39:16,710 --> 00:39:15,119

encouraging him to talk to me like like

1164

00:39:18,950 --> 00:39:16,720

you know like dad you need to get this

1165

00:39:20,069 --> 00:39:18,960

out kind of thing i gave my card i gave

1166

00:39:21,510 --> 00:39:20,079

my number there was

1167

00:39:23,190 --> 00:39:21,520

rock music playing on the street it was

1168

00:39:25,510 --> 00:39:23,200

really loud they had bands so i

1169

00:39:26,870 --> 00:39:25,520

it was hard to talk to him but i said

1170

00:39:27,990 --> 00:39:26,880

you know i begged him i said like here's

1171

00:39:29,670 --> 00:39:28,000

my personal number please

1172

00:39:31,589 --> 00:39:29,680

call me i live right in town i'd you

1173

00:39:33,190 --> 00:39:31,599

know i'd love to talk more about this

1174

00:39:34,630 --> 00:39:33,200

i don't know that he will i think i got

1175

00:39:36,790 --> 00:39:34,640

the impression that he just kind of

1176

00:39:38,470 --> 00:39:36,800

wanted to get it off his chest

1177

00:39:40,470 --> 00:39:38,480

and be done with it hopefully he'll

1178

00:39:41,829 --> 00:39:40,480

contact me maybe you'll hear me i

1179

00:39:43,270 --> 00:39:41,839

you know i gave him my card for the

1180

00:39:43,829 --> 00:39:43,280

podcast maybe you'll hear me talking on

1181

00:39:45,430 --> 00:39:43,839

there and

1182

00:39:46,950 --> 00:39:45,440

and decide to contact me or maybe his

1183

00:39:48,470 --> 00:39:46,960

daughter will encourage him to contact

1184

00:39:50,950 --> 00:39:48,480

me i don't know

1185

00:39:52,950 --> 00:39:50,960

but both of those sayings were you know

1186

00:39:54,150 --> 00:39:52,960

one was right in the exact area that

1187

00:39:57,030 --> 00:39:54,160

that woman saw it

1188

00:39:57,430 --> 00:39:57,040

on that road i mean within less than a

1189

00:39:59,990 --> 00:39:57,440

mile

1190

00:40:00,790 --> 00:40:00,000

like like right there and then the other

1191

00:40:03,430 --> 00:40:00,800

was

1192

00:40:05,270 --> 00:40:03,440

you know a couple miles to the uh south

1193

00:40:07,270 --> 00:40:05,280

of that but in the same it's just in the

1194

00:40:09,109 --> 00:40:07,280

same general area

1195

00:40:10,550 --> 00:40:09,119

well if i remember that report right

1196

00:40:12,710 --> 00:40:10,560

that i had received she

1197

00:40:14,870 --> 00:40:12,720

this thing was really small and she saw

1198

00:40:16,390 --> 00:40:14,880

it she thought it was a

1199

00:40:19,589 --> 00:40:16,400

she didn't really know what it was but

1200

00:40:21,910 --> 00:40:19,599

it was uh hairy hominid very short

1201  
00:40:23,270 --> 00:40:21,920  
and this thing ran across the field at a

1202  
00:40:24,950 --> 00:40:23,280  
great speed

1203  
00:40:26,790 --> 00:40:24,960  
just freaked her out she had pulled the

1204  
00:40:29,430 --> 00:40:26,800  
car over to watch this thing

1205  
00:40:30,470 --> 00:40:29,440  
yeah and she was watching it it had to

1206  
00:40:32,790 --> 00:40:30,480  
be at least five

1207  
00:40:33,990 --> 00:40:32,800  
minutes or so yeah she got a good long

1208  
00:40:37,109 --> 00:40:34,000  
look at it it was booking

1209  
00:40:38,150 --> 00:40:37,119  
i mean it was booking you know so god

1210  
00:40:39,829 --> 00:40:38,160  
you know what it was

1211  
00:40:41,190 --> 00:40:39,839  
so i'm i'm going to beat the pavements

1212  
00:40:42,470 --> 00:40:41,200  
and says yeah i mean it's right right

1213  
00:40:44,230 --> 00:40:42,480

where i live here

1214

00:40:45,750 --> 00:40:44,240

yeah you live in red line and see if i

1215

00:40:47,430 --> 00:40:45,760

can get uh some people

1216

00:40:49,030 --> 00:40:47,440

some other people to talk i think it'd

1217

00:40:49,990 --> 00:40:49,040

be really interesting like from that

1218

00:40:53,270 --> 00:40:50,000

area i'm just gonna

1219

00:40:54,069 --> 00:40:53,280

gonna you know uh hit the shops and

1220

00:40:55,750 --> 00:40:54,079

stuff in that area

1221

00:40:58,069 --> 00:40:55,760

i've had some success in doing that we

1222

00:41:00,630 --> 00:40:58,079

um there was an old

1223

00:41:01,829 --> 00:41:00,640

uh ufo landing site in gatchellville

1224

00:41:05,109 --> 00:41:01,839

that uh

1225

00:41:06,069 --> 00:41:05,119

they mentioned in 1978 and it had kind

1226

00:41:07,829 --> 00:41:06,079

of been forgotten like

1227

00:41:09,430 --> 00:41:07,839

some people gatchables was like yeah it

1228

00:41:11,109 --> 00:41:09,440

was somewhere around here

1229

00:41:12,550 --> 00:41:11,119

um the people at the gatchellville

1230

00:41:14,710 --> 00:41:12,560

general store which is a

1231

00:41:15,670 --> 00:41:14,720

it's just an antique store it's not a

1232

00:41:17,589 --> 00:41:15,680

general store

1233

00:41:18,550 --> 00:41:17,599

uh it's great antique store very super

1234

00:41:19,589 --> 00:41:18,560

nice people they're the ones who

1235

00:41:21,109 --> 00:41:19,599

originally told me about it they said

1236

00:41:22,870 --> 00:41:21,119

yeah there's a ufo landed somewhere

1237

00:41:25,670 --> 00:41:22,880

around here and i was like well where

1238

00:41:26,230 --> 00:41:25,680

they didn't know but there was a pizza

1239

00:41:28,230 --> 00:41:26,240

shop

1240

00:41:29,829 --> 00:41:28,240

down there and i just happened to the

1241

00:41:31,829 --> 00:41:29,839

the owner was coming out

1242

00:41:33,270 --> 00:41:31,839

and i just happened to ask her and she

1243

00:41:34,710 --> 00:41:33,280

said well i think it was over the hill

1244

00:41:36,710 --> 00:41:34,720

there and i had had

1245

00:41:39,030 --> 00:41:36,720

someone from maryland had come up and

1246

00:41:41,030 --> 00:41:39,040

taken photos of the landing site

1247

00:41:42,790 --> 00:41:41,040

uh you know in 1978 when it happened and

1248

00:41:44,230 --> 00:41:42,800

he had sent me a photograph of it

1249

00:41:45,990 --> 00:41:44,240

so i knew you know kind of what it

1250

00:41:47,670 --> 00:41:46,000

looked like and then

1251

00:41:49,829 --> 00:41:47,680

i was able to actually find the landing

1252

00:41:51,270 --> 00:41:49,839

site just you know that was just by

1253

00:41:52,870 --> 00:41:51,280

knocking yeah i didn't have to knock on

1254

00:41:53,270 --> 00:41:52,880

a door i saw her outside her pizza shop

1255

00:41:55,190 --> 00:41:53,280

but

1256

00:41:56,550 --> 00:41:55,200

it's the same kind of idea so i thought

1257

00:41:57,750 --> 00:41:56,560

well you know what i'm just gonna start

1258

00:41:59,829 --> 00:41:57,760

asking around here

1259

00:42:02,230 --> 00:41:59,839

maybe somebody else will say you know

1260

00:42:02,790 --> 00:42:02,240

hey i saw something weird too you know

1261

00:42:05,910 --> 00:42:02,800

and

1262

00:42:08,150 --> 00:42:05,920

it because i think it's

1263

00:42:09,990 --> 00:42:08,160

very very strange like this guy didn't

1264

00:42:11,190 --> 00:42:10,000

know anybody had ever seen it and when i

1265

00:42:12,550 --> 00:42:11,200

told him

1266

00:42:14,150 --> 00:42:12,560

you know where that report was that you

1267

00:42:14,710 --> 00:42:14,160

took he said well that's that's exactly

1268

00:42:16,550 --> 00:42:14,720

where i saw

1269

00:42:18,069 --> 00:42:16,560

the the second time i believe when he

1270

00:42:20,150 --> 00:42:18,079

said it ran out of a field

1271

00:42:22,150 --> 00:42:20,160

that was right there he said you know

1272

00:42:24,550 --> 00:42:22,160

within you know

1273

00:42:25,349 --> 00:42:24,560

less than a half mile i believe you know

1274

00:42:28,710 --> 00:42:25,359

it

1275

00:42:29,750 --> 00:42:28,720

interesting if we could get people in

1276

00:42:31,829 --> 00:42:29,760

this area

1277

00:42:35,030 --> 00:42:31,839

to start opening up more and more about

1278

00:42:36,790 --> 00:42:35,040

what people are seeing because uh

1279

00:42:38,230 --> 00:42:36,800

there have to be a lot of things that

1280

00:42:40,230 --> 00:42:38,240

we're not hearing about

1281

00:42:41,910 --> 00:42:40,240

oh i'm sure there are but well that's

1282

00:42:43,349 --> 00:42:41,920

the thing like

1283

00:42:45,670 --> 00:42:43,359

so a lot of pennsylvania dodge they

1284

00:42:49,430 --> 00:42:45,680

don't want to talk in general

1285

00:42:52,790 --> 00:42:49,440

and then but when you get people to talk

1286

00:42:54,550 --> 00:42:52,800

they almost everyone has something

1287

00:42:56,470 --> 00:42:54,560

weird that has had some kind of

1288

00:42:56,870 --> 00:42:56,480

experience it's really really strange

1289

00:42:59,990 --> 00:42:56,880

because

1290

00:43:01,990 --> 00:43:00,000

even people say they don't believe

1291

00:43:03,670 --> 00:43:02,000

you poke them a little bit and then

1292

00:43:04,150 --> 00:43:03,680

they'll say well there's what's this one

1293

00:43:05,670 --> 00:43:04,160

thing

1294

00:43:08,309 --> 00:43:05,680

that happened and then they'll tell you

1295

00:43:11,030 --> 00:43:08,319

they'll tell you something i mean

1296

00:43:11,990 --> 00:43:11,040

my wife the skeptic she she's the first

1297

00:43:13,430 --> 00:43:12,000

person i know that

1298

00:43:15,829 --> 00:43:13,440

saw what we've been talking about on my

1299

00:43:17,109 --> 00:43:15,839

podcast that flannel man that

1300

00:43:18,950 --> 00:43:17,119

thing that people see it looks like a

1301

00:43:20,390 --> 00:43:18,960

lumberjack or whatever

1302

00:43:21,910 --> 00:43:20,400

you know and now she doesn't believe it

1303

00:43:22,950 --> 00:43:21,920

was anything other than some kind of

1304

00:43:25,349 --> 00:43:22,960

hypnagogic

1305

00:43:25,990 --> 00:43:25,359

thing or you know sleep paralysis or or

1306

00:43:28,630 --> 00:43:26,000

some sort of

1307

00:43:29,829 --> 00:43:28,640

thing like that but she is pretty amazed

1308

00:43:33,030 --> 00:43:29,839

that i mean i've gotten

1309

00:43:34,710 --> 00:43:33,040

40 some people 40 some reports now of

1310

00:43:35,990 --> 00:43:34,720

people all over the country all over the

1311

00:43:39,349 --> 00:43:36,000

world who have seen

1312

00:43:40,150 --> 00:43:39,359

the same thing this guy dressed in

1313

00:43:42,150 --> 00:43:40,160

flannel

1314

00:43:43,349 --> 00:43:42,160

you know and they describe it's not

1315

00:43:44,790 --> 00:43:43,359

always the same and it's not always the

1316

00:43:45,750 --> 00:43:44,800

same exact description some describe

1317

00:43:47,349 --> 00:43:45,760

this tall

1318

00:43:49,270 --> 00:43:47,359

with a beard others you know shorter

1319

00:43:50,870 --> 00:43:49,280

with no beard but it's a guy wearing a

1320

00:43:52,069 --> 00:43:50,880

flannel shirt a red flannel shirt for

1321

00:43:52,790 --> 00:43:52,079

the most part there although i have

1322

00:43:56,950 --> 00:43:52,800

gotten a few

1323

00:43:59,030 --> 00:43:56,960

brown and i think blue but but like 95

1324

00:44:00,309 --> 00:43:59,040

plus it's a red flannel shirt or a red

1325

00:44:03,589 --> 00:44:00,319

check shirt and

1326

00:44:05,910 --> 00:44:03,599

either blue jeans or blue work pants

1327

00:44:08,470 --> 00:44:05,920

i mean i don't know what that is but you

1328

00:44:09,430 --> 00:44:08,480

think it's a specter of some type yeah i

1329

00:44:11,910 --> 00:44:09,440

mean my feeling and

1330

00:44:13,030 --> 00:44:11,920

this is just based on so a lot of people

1331

00:44:15,030 --> 00:44:13,040

report that

1332

00:44:16,470 --> 00:44:15,040

it looks surprised or caught when they

1333

00:44:19,829 --> 00:44:16,480

see it

1334

00:44:21,430 --> 00:44:19,839

looks surprised or caught so

1335

00:44:24,069 --> 00:44:21,440

my thought is it's it's some kind of

1336

00:44:25,910 --> 00:44:24,079

watch or some kind of observer

1337

00:44:27,990 --> 00:44:25,920

for what reason i don't know i don't

1338

00:44:29,030 --> 00:44:28,000

know most of the people don't get a

1339

00:44:30,150 --> 00:44:29,040

sinister feeling from it they're

1340

00:44:32,150 --> 00:44:30,160

surprised because

1341

00:44:34,069 --> 00:44:32,160

you know it shouldn't be in their house

1342

00:44:36,550 --> 00:44:34,079

so they wake up and there's you know

1343

00:44:38,069 --> 00:44:36,560

they shouldn't be there so they're not

1344

00:44:39,430 --> 00:44:38,079

you know they're certainly surprised and

1345

00:44:41,510 --> 00:44:39,440

scared by it being there but they don't

1346

00:44:42,710 --> 00:44:41,520

get a particularly like evil or sinister

1347

00:44:45,349 --> 00:44:42,720

feeling from it

1348

00:44:46,069 --> 00:44:45,359

and uh you know so i don't know what it

1349

00:44:48,069 --> 00:44:46,079

is i'm just

1350

00:44:49,510 --> 00:44:48,079

i'm i'm collecting reports because a lot

1351  
00:44:52,230 --> 00:44:49,520  
of people you know

1352  
00:44:53,190 --> 00:44:52,240  
have seen these things um but like i

1353  
00:44:54,870 --> 00:44:53,200  
said my wife the

1354  
00:44:56,630 --> 00:44:54,880  
she's she was the first person i ever

1355  
00:44:59,349 --> 00:44:56,640  
knew who who saw that

1356  
00:45:00,710 --> 00:44:59,359  
and uh i talked about a little bit on

1357  
00:45:01,910 --> 00:45:00,720  
the podcast and that's what opened up

1358  
00:45:03,030 --> 00:45:01,920  
then somebody else is like wait i've

1359  
00:45:05,270 --> 00:45:03,040  
seen that and then

1360  
00:45:06,550 --> 00:45:05,280  
then it started like snowballing and i

1361  
00:45:08,470 --> 00:45:06,560  
wasn't the first person to do that i

1362  
00:45:11,349 --> 00:45:08,480  
mean john keel had talked about

1363  
00:45:12,069 --> 00:45:11,359

uh ghosts and check shirts i think so

1364

00:45:13,349 --> 00:45:12,079

i'm sure yeah

1365

00:45:15,430 --> 00:45:13,359

we're probably talking about the same

1366

00:45:16,630 --> 00:45:15,440

thing and in fact i read it

1367

00:45:18,309 --> 00:45:16,640

the reason i knew it was more than just

1368

00:45:19,510 --> 00:45:18,319

a dream my wife had is i read about it

1369

00:45:21,750 --> 00:45:19,520

somewhere i forget where

1370

00:45:23,589 --> 00:45:21,760

some some internet form or something you

1371

00:45:26,470 --> 00:45:23,599

know 15 years ago or whatever

1372

00:45:27,589 --> 00:45:26,480

i read about it and then somebody said

1373

00:45:29,589 --> 00:45:27,599

oh yeah people are seeing this

1374

00:45:30,870 --> 00:45:29,599

lumberjack guy and i kind of put it in

1375

00:45:32,550 --> 00:45:30,880

the back of my head

1376

00:45:33,990 --> 00:45:32,560

but uh i mean that's just another

1377

00:45:36,069 --> 00:45:34,000

example like even even my wife's a

1378

00:45:39,349 --> 00:45:36,079

skeptic she's seen this flannel man

1379

00:45:41,589 --> 00:45:39,359

uh i've had a lot of i had a guy call me

1380

00:45:43,670 --> 00:45:41,599

who who uh he wanted to talk about like

1381

00:45:45,510 --> 00:45:43,680

the history of toad road

1382

00:45:47,750 --> 00:45:45,520

um because he grew up in the area he's

1383

00:45:49,990 --> 00:45:47,760

retired and he's in florida

1384

00:45:51,910 --> 00:45:50,000

and uh he said oh you don't believe in

1385

00:45:53,510 --> 00:45:51,920

all that you know supernatural nonsense

1386

00:45:54,950 --> 00:45:53,520

and regards to i said well that's what i

1387

00:45:57,030 --> 00:45:54,960

write about and you know

1388

00:45:58,470 --> 00:45:57,040

i have to believe my witnesses i don't

1389

00:46:00,470 --> 00:45:58,480

believe they're lying

1390

00:46:02,230 --> 00:46:00,480

uh so he's like oh that's nonsense and

1391

00:46:02,630 --> 00:46:02,240

then he tells me a story about a ghost

1392

00:46:04,950 --> 00:46:02,640

cat

1393

00:46:06,470 --> 00:46:04,960

that jumped on his bed he was he was

1394

00:46:08,470 --> 00:46:06,480

petting it you know he didn't have a cat

1395

00:46:11,270 --> 00:46:08,480

he wakes up he's petting this cat

1396

00:46:12,309 --> 00:46:11,280

and uh goes to sleep wakes up in the

1397

00:46:14,710 --> 00:46:12,319

morning starts looking

1398

00:46:15,829 --> 00:46:14,720

for this cat no cat and all the windows

1399

00:46:17,030 --> 00:46:15,839

and doors are locked there's no way a

1400

00:46:18,630 --> 00:46:17,040

cat could have gotten in

1401  
00:46:20,230 --> 00:46:18,640  
and he thinks well i must have dreamed

1402  
00:46:21,589 --> 00:46:20,240  
it and then his wife comes down in the

1403  
00:46:25,109 --> 00:46:21,599  
morning says why are you petting a cat

1404  
00:46:28,390 --> 00:46:26,710  
that happens a lot i mean not

1405  
00:46:30,390 --> 00:46:28,400  
necessarily like cat but

1406  
00:46:31,829 --> 00:46:30,400  
right you know these things that show up

1407  
00:46:35,349 --> 00:46:31,839  
phantoms show up and

1408  
00:46:36,230 --> 00:46:35,359  
uh uh you know you know it's something

1409  
00:46:38,630 --> 00:46:36,240  
you know

1410  
00:46:40,470 --> 00:46:38,640  
you were mentioning uh about these

1411  
00:46:41,829 --> 00:46:40,480  
things acting surprise you look i mean

1412  
00:46:43,990 --> 00:46:41,839  
you know that's a phenomenon

1413  
00:46:45,750 --> 00:46:44,000

stan gordon and i have been talking

1414

00:46:48,630 --> 00:46:45,760

about recently

1415

00:46:49,910 --> 00:46:48,640

uh as far as cryptids i mean i'm talking

1416

00:46:53,750 --> 00:46:49,920

about bigfoot

1417

00:46:57,190 --> 00:46:53,760

spirits even some bipedal

1418

00:46:59,750 --> 00:46:57,200

canines where they these things

1419

00:47:01,670 --> 00:46:59,760

notice that you notice them and they act

1420

00:47:04,550 --> 00:47:01,680

surprised

1421

00:47:07,349 --> 00:47:04,560

that's something that we haven't been

1422

00:47:09,589 --> 00:47:07,359

experiencing or been told about

1423

00:47:11,270 --> 00:47:09,599

until recently it's it's a it's a

1424

00:47:13,750 --> 00:47:11,280

strange phenomena

1425

00:47:15,270 --> 00:47:13,760

there's more more reports that i receive

1426

00:47:18,950 --> 00:47:15,280

now that

1427

00:47:22,950 --> 00:47:18,960

when somebody sees

1428

00:47:23,270 --> 00:47:22,960

one of these beings and it realizes that

1429

00:47:27,030 --> 00:47:23,280

you

1430

00:47:28,790 --> 00:47:27,040

recognize it it acts surprised

1431

00:47:31,349 --> 00:47:28,800

you can see it in the eyes you can see

1432

00:47:33,910 --> 00:47:31,359

the expression the way it moves

1433

00:47:35,589 --> 00:47:33,920

uh that that's something else that just

1434

00:47:36,710 --> 00:47:35,599

kind of makes you think well maybe this

1435

00:47:39,109 --> 00:47:36,720

is some type of

1436

00:47:40,069 --> 00:47:39,119

interdimensional being of some type

1437

00:47:43,190 --> 00:47:40,079

that's you know

1438

00:47:44,309 --> 00:47:43,200

that feels that it's that it's cloaked

1439

00:47:46,470 --> 00:47:44,319

somehow but

1440

00:47:48,390 --> 00:47:46,480

you recognize it and you see it and it

1441

00:47:52,870 --> 00:47:48,400

does it surprises them

1442

00:47:54,390 --> 00:47:52,880

yeah yeah i mean that's i did i

1443

00:47:57,589 --> 00:47:54,400

it seems logical you know i mean like

1444

00:47:59,270 --> 00:47:57,599

like that's weird but it's you know

1445

00:48:00,950 --> 00:47:59,280

you know there's something else i mean

1446

00:48:02,549 --> 00:48:00,960

we've also been talking about and i've

1447

00:48:03,589 --> 00:48:02,559

mentioned this on the radio show before

1448

00:48:06,069 --> 00:48:03,599

these uh

1449

00:48:07,190 --> 00:48:06,079

the fact that these light anomalies or

1450

00:48:09,190 --> 00:48:07,200

orbs are

1451  
00:48:11,190 --> 00:48:09,200  
showing up more and more around uh

1452  
00:48:14,309 --> 00:48:11,200  
cryptid sightings

1453  
00:48:14,870 --> 00:48:14,319  
uh i mean what's the connection there is

1454  
00:48:21,589 --> 00:48:14,880  
it

1455  
00:48:22,470 --> 00:48:21,599  
non-terrestrial beings you know there's

1456  
00:48:24,230 --> 00:48:22,480  
there's no way

1457  
00:48:25,510 --> 00:48:24,240  
at this point to really see what kind of

1458  
00:48:27,589 --> 00:48:25,520  
connection it is

1459  
00:48:30,230 --> 00:48:27,599  
but the fact that they're showing up

1460  
00:48:32,549 --> 00:48:30,240  
even days after a sighting

1461  
00:48:33,510 --> 00:48:32,559  
right yeah makes you think that ah you

1462  
00:48:35,030 --> 00:48:33,520  
know

1463  
00:48:36,710 --> 00:48:35,040

there's something else going on there

1464

00:48:37,270 --> 00:48:36,720

and i've always thought i'm quite sure

1465

00:48:40,309 --> 00:48:37,280

you two

1466

00:48:41,109 --> 00:48:40,319

have as well that many aspects of the

1467

00:48:44,790 --> 00:48:41,119

supernatural

1468

00:48:46,390 --> 00:48:44,800

paranormal are connected yeah yeah i i

1469

00:48:48,549 --> 00:48:46,400

think the longer

1470

00:48:50,150 --> 00:48:48,559

if your approach is like ours so you

1471

00:48:51,990 --> 00:48:50,160

know we look at everything

1472

00:48:54,230 --> 00:48:52,000

right we don't specialize it's not just

1473

00:48:57,030 --> 00:48:54,240

like we're bigfoot guys we're not just

1474

00:48:59,670 --> 00:48:57,040

whatever we look at anything weird that

1475

00:49:01,829 --> 00:48:59,680

comes our way ghosts bigfoot ufos

1476

00:49:04,069 --> 00:49:01,839

and if you do that i think it's really

1477

00:49:06,309 --> 00:49:04,079

hard not to see connections

1478

00:49:07,510 --> 00:49:06,319

because yeah they'll start acting the

1479

00:49:08,710 --> 00:49:07,520

same way even though they're different

1480

00:49:10,950 --> 00:49:08,720

phenomenon you know

1481

00:49:12,470 --> 00:49:10,960

poltergeist activity you get knocks and

1482

00:49:15,270 --> 00:49:12,480

on this on the houses and

1483

00:49:16,069 --> 00:49:15,280

stones thrown inside the house and bad

1484

00:49:17,670 --> 00:49:16,079

smells

1485

00:49:19,270 --> 00:49:17,680

and then you it was josh cutter who

1486

00:49:21,349 --> 00:49:19,280

pointed that out to me because

1487

00:49:23,589 --> 00:49:21,359

i had a experience in hex hollow where i

1488

00:49:25,670 --> 00:49:23,599

got you know some knocks some

1489

00:49:26,710 --> 00:49:25,680

with sound like uh stone knocking and

1490

00:49:30,069 --> 00:49:26,720

then

1491

00:49:32,230 --> 00:49:30,079

bad smell and and i was

1492

00:49:33,589 --> 00:49:32,240

saying man i you know i had a class b

1493

00:49:34,710 --> 00:49:33,599

bigfoot thing and he said well you don't

1494

00:49:36,230 --> 00:49:34,720

know that he said

1495

00:49:37,990 --> 00:49:36,240

you know that happened inside a house

1496

00:49:39,510 --> 00:49:38,000

you called that a poltergeist

1497

00:49:41,430 --> 00:49:39,520

and it really changed my life that kind

1498

00:49:43,670 --> 00:49:41,440

of changed my whole way of thinking

1499

00:49:44,549 --> 00:49:43,680

about the situation i was like yeah you

1500

00:49:45,829 --> 00:49:44,559

know what i don't

1501

00:49:47,349 --> 00:49:45,839

i don't know that i don't know what it

1502

00:49:49,030 --> 00:49:47,359

was because i didn't see anything i only

1503

00:49:49,349 --> 00:49:49,040

had you know i was scared i remember i

1504

00:49:51,670 --> 00:49:49,359

got

1505

00:49:53,270 --> 00:49:51,680

you know terrified uh during the

1506

00:49:55,349 --> 00:49:53,280

incident and i wanted to run but i

1507

00:49:56,870 --> 00:49:55,359

couldn't

1508

00:49:58,630 --> 00:49:56,880

i wasn't being brave my knees just

1509

00:50:01,910 --> 00:49:58,640

locked up uh but

1510

00:50:03,190 --> 00:50:01,920

uh it yeah i mean and and that's what

1511

00:50:05,190 --> 00:50:03,200

got me thinking i was like you know what

1512

00:50:06,470 --> 00:50:05,200

there's too much in common across the

1513

00:50:08,470 --> 00:50:06,480

board here

1514

00:50:10,069 --> 00:50:08,480

i i mean i just you know i can't prove

1515

00:50:12,230 --> 00:50:10,079

they're related but

1516

00:50:14,230 --> 00:50:12,240

we can certainly say that they like to

1517

00:50:16,870 --> 00:50:14,240

be in the in the same places around the

1518

00:50:19,270 --> 00:50:16,880

same time

1519

00:50:20,150 --> 00:50:19,280

well you know you know you mentioned

1520

00:50:23,349 --> 00:50:20,160

that we we

1521

00:50:24,470 --> 00:50:23,359

kind of look into everything now you are

1522

00:50:26,790 --> 00:50:24,480

part of that um

1523

00:50:28,470 --> 00:50:26,800

the investigative team with the chicago

1524

00:50:30,470 --> 00:50:28,480

wing humanoids

1525

00:50:32,390 --> 00:50:30,480

yeah what's your thoughts on that whole

1526

00:50:34,710 --> 00:50:32,400

thing oh my goodness

1527

00:50:35,589 --> 00:50:34,720

i i mean the wing humanoids in general

1528

00:50:38,950 --> 00:50:35,599

are

1529

00:50:40,150 --> 00:50:38,960

they're a real pro i mean not a problem

1530

00:50:42,549 --> 00:50:40,160

in as much as i mean

1531

00:50:44,230 --> 00:50:42,559

i i think the witnesses are good and and

1532

00:50:45,349 --> 00:50:44,240

well you know we we took some flack

1533

00:50:47,270 --> 00:50:45,359

because

1534

00:50:49,270 --> 00:50:47,280

we weren't sharing witness names and and

1535

00:50:50,790 --> 00:50:49,280

i always say well name me the research

1536

00:50:51,430 --> 00:50:50,800

group that shares witness names and

1537

00:50:52,950 --> 00:50:51,440

phone numbers

1538

00:50:55,109 --> 00:50:52,960

that's something i've never really

1539

00:50:57,270 --> 00:50:55,119

understood why we heard so much

1540

00:50:59,589 --> 00:50:57,280

bull about that yeah it was it's

1541

00:51:01,910 --> 00:50:59,599

complete nonsense it to me it was like

1542

00:51:03,670 --> 00:51:01,920

like people stomping their feet you know

1543

00:51:06,230 --> 00:51:03,680

you know i wanted i wanted well

1544

00:51:07,109 --> 00:51:06,240

if we start giving witness names away

1545

00:51:08,549 --> 00:51:07,119

we're not going to get any more

1546

00:51:10,309 --> 00:51:08,559

witnesses no

1547

00:51:12,230 --> 00:51:10,319

it's not easy to get witnesses to come

1548

00:51:14,069 --> 00:51:12,240

forward it's not an easy thing

1549

00:51:15,270 --> 00:51:14,079

you've worked for years building up

1550

00:51:17,190 --> 00:51:15,280

phantoms and monsters

1551  
00:51:19,270 --> 00:51:17,200  
you know for some place where people can

1552  
00:51:19,670 --> 00:51:19,280  
go and they know they can report this

1553  
00:51:21,270 --> 00:51:19,680  
stuff

1554  
00:51:23,030 --> 00:51:21,280  
if you start giving out names and

1555  
00:51:24,230 --> 00:51:23,040  
addresses and phone numbers

1556  
00:51:26,710 --> 00:51:24,240  
it's going to be the end of fandoms and

1557  
00:51:28,390 --> 00:51:26,720  
monsters real exactly yeah yeah you just

1558  
00:51:30,549 --> 00:51:28,400  
you can't do it and and the fact that

1559  
00:51:32,710 --> 00:51:30,559  
people expected us to do that

1560  
00:51:34,470 --> 00:51:32,720  
was outrageous to me because no one does

1561  
00:51:36,069 --> 00:51:34,480  
it i'm go to any of these bigfoot

1562  
00:51:37,670 --> 00:51:36,079  
organizations across the country and ask

1563  
00:51:39,910 --> 00:51:37,680

them for their witness list and watch

1564

00:51:41,990 --> 00:51:39,920

them laugh you out of the room

1565

00:51:43,430 --> 00:51:42,000

and i don't blame them you know because

1566

00:51:45,829 --> 00:51:43,440

that's that's what

1567

00:51:46,870 --> 00:51:45,839

what it is you know well unfortunately i

1568

00:51:50,150 --> 00:51:46,880

think some people

1569

00:51:52,870 --> 00:51:50,160

kind of felt that we were

1570

00:51:54,470 --> 00:51:52,880

invading their territory or phenomena

1571

00:51:56,870 --> 00:51:54,480

for some reason

1572

00:51:58,630 --> 00:51:56,880

yeah we know who it is but yeah it's

1573

00:52:01,589 --> 00:51:58,640

just that

1574

00:52:03,190 --> 00:52:01,599

yeah it it's it's not only childish but

1575

00:52:05,190 --> 00:52:03,200

it's just ridiculous

1576  
00:52:06,549 --> 00:52:05,200  
yeah yeah and you know it's something

1577  
00:52:10,230 --> 00:52:06,559  
that i would never do

1578  
00:52:11,030 --> 00:52:10,240  
you know and i've mentioned it before

1579  
00:52:13,190 --> 00:52:11,040  
about the you know

1580  
00:52:15,109 --> 00:52:13,200  
oh we couldn't get the police report

1581  
00:52:18,069 --> 00:52:15,119  
i've said this before you know

1582  
00:52:20,069 --> 00:52:18,079  
on several shows with you and so forth

1583  
00:52:23,109 --> 00:52:20,079  
no one can get police reports

1584  
00:52:25,510 --> 00:52:23,119  
we've filed uh foia requests for

1585  
00:52:26,710 --> 00:52:25,520  
tons of police reports local ones right

1586  
00:52:28,950 --> 00:52:26,720  
here in york county

1587  
00:52:30,470 --> 00:52:28,960  
one the one in chicago the police don't

1588  
00:52:31,270 --> 00:52:30,480

give you those reports there's nothing

1589

00:52:33,030 --> 00:52:31,280

to do about it

1590

00:52:34,470 --> 00:52:33,040

we can't afford to hire a lawyer to make

1591

00:52:35,829 --> 00:52:34,480

them do it you know if

1592

00:52:37,990 --> 00:52:35,839

and that's the only way you'd be able to

1593

00:52:39,829 --> 00:52:38,000

do it yeah yeah

1594

00:52:41,109 --> 00:52:39,839

you didn't take them a court to get it

1595

00:52:42,950 --> 00:52:41,119

exactly because

1596

00:52:44,470 --> 00:52:42,960

yeah they're supposed to but they don't

1597

00:52:45,589 --> 00:52:44,480

they just don't fill the foia request

1598

00:52:47,349 --> 00:52:45,599

and there's nothing we can do about we

1599

00:52:49,270 --> 00:52:47,359

can ask and we did ask

1600

00:52:50,950 --> 00:52:49,280

that's all we can do you know and and

1601  
00:52:52,710 --> 00:52:50,960  
just because they didn't fulfill these

1602  
00:52:54,150 --> 00:52:52,720  
four requests for other people

1603  
00:52:56,230 --> 00:52:54,160  
doesn't mean the the police reports

1604  
00:52:57,430 --> 00:52:56,240  
weren't there or that the people never

1605  
00:52:59,670 --> 00:52:57,440  
reported to the repo

1606  
00:53:01,109 --> 00:52:59,680  
police i mean i've talked to several

1607  
00:53:02,790 --> 00:53:01,119  
police officers who said you know yeah

1608  
00:53:03,990 --> 00:53:02,800  
we don't file those reports because it's

1609  
00:53:06,309 --> 00:53:04,000  
a problem

1610  
00:53:07,670 --> 00:53:06,319  
yeah because we'll take the reports from

1611  
00:53:08,069 --> 00:53:07,680  
people but then we don't file them

1612  
00:53:10,470 --> 00:53:08,079  
because

1613  
00:53:11,589 --> 00:53:10,480

it just it looks bad you know it looks

1614

00:53:15,349 --> 00:53:11,599

bad for for us

1615

00:53:17,510 --> 00:53:15,359

you know and we'll have to address this

1616

00:53:19,430 --> 00:53:17,520

in a way that that becomes a problem you

1617

00:53:21,430 --> 00:53:19,440

know for for their career basically

1618

00:53:23,349 --> 00:53:21,440

it was just easier for them not to so

1619

00:53:26,549 --> 00:53:23,359

well i think these police officers

1620

00:53:28,150 --> 00:53:26,559

these the two specific police officers

1621

00:53:30,150 --> 00:53:28,160

that had the encounter i think they

1622

00:53:31,910 --> 00:53:30,160

actually did file it but i

1623

00:53:33,829 --> 00:53:31,920

i have no doubt that it went into the

1624

00:53:35,990 --> 00:53:33,839

circular file because it

1625

00:53:37,829 --> 00:53:36,000

you know as soon as i came that was

1626

00:53:39,430 --> 00:53:37,839

written up they got rid of that

1627

00:53:41,349 --> 00:53:39,440

yeah i think i think that happens a lot

1628

00:53:41,750 --> 00:53:41,359

too they just squash them like now this

1629

00:53:44,230 --> 00:53:41,760

is

1630

00:53:47,270 --> 00:53:44,240

you know well you know there was there

1631

00:53:50,630 --> 00:53:47,280

was a concerted effort

1632

00:53:51,829 --> 00:53:50,640

with city hall and uh the officials in

1633

00:53:54,309 --> 00:53:51,839

chicago

1634

00:53:55,430 --> 00:53:54,319

to keep the tampas down as much as

1635

00:53:57,270 --> 00:53:55,440

possible

1636

00:53:58,630 --> 00:53:57,280

i mean i heard that straight from you

1637

00:54:00,950 --> 00:53:58,640

know source

1638

00:54:01,829 --> 00:54:00,960

because one of her witnesses happened to

1639

00:54:05,829 --> 00:54:01,839

work

1640

00:54:09,270 --> 00:54:05,839

the mayor

1641

00:54:10,950 --> 00:54:09,280

and uh she wasn't going to give her name

1642

00:54:13,670 --> 00:54:10,960

out to anybody

1643

00:54:16,470 --> 00:54:13,680

but i i was able to check up on a few

1644

00:54:18,630 --> 00:54:16,480

things with the phone number and uh

1645

00:54:19,670 --> 00:54:18,640

it turns out she really did work for the

1646

00:54:23,190 --> 00:54:19,680

city

1647

00:54:25,750 --> 00:54:23,200

and you know her her thing was

1648

00:54:27,589 --> 00:54:25,760

there's just no way i am going to let

1649

00:54:29,589 --> 00:54:27,599

people know that i made this report but

1650

00:54:30,630 --> 00:54:29,599

she said i do tell you i will tell you

1651  
00:54:32,470 --> 00:54:30,640  
one thing

1652  
00:54:34,790 --> 00:54:32,480  
city hall knows about it the mayor knows

1653  
00:54:38,150 --> 00:54:34,800  
about it the cops know about it

1654  
00:54:42,390 --> 00:54:38,160  
you know i we tried to get

1655  
00:54:44,870 --> 00:54:42,400  
access to um to video

1656  
00:54:45,990 --> 00:54:44,880  
you know that was controlled by the city

1657  
00:54:48,789 --> 00:54:46,000  
oh yeah yeah

1658  
00:54:49,910 --> 00:54:48,799  
never happened it was gonna i try

1659  
00:54:52,630 --> 00:54:49,920  
actually

1660  
00:54:54,630 --> 00:54:52,640  
i i can uh got a hold of several

1661  
00:54:57,349 --> 00:54:54,640  
security companies

1662  
00:54:58,630 --> 00:54:57,359  
with you know that had actual security

1663  
00:54:59,430 --> 00:54:58,640

with buildings where some of these

1664

00:55:01,510 --> 00:54:59,440

things have

1665

00:55:02,789 --> 00:55:01,520

took place they weren't going to give it

1666

00:55:04,470 --> 00:55:02,799

to me yeah

1667

00:55:06,789 --> 00:55:04,480

it's it you can't make people do it

1668

00:55:08,549 --> 00:55:06,799

either you know so

1669

00:55:10,150 --> 00:55:08,559

but the fact that people were were had a

1670

00:55:11,750 --> 00:55:10,160

problem with that it's just i mean

1671

00:55:13,990 --> 00:55:11,760

they're just making they were looking

1672

00:55:15,990 --> 00:55:14,000

for problems

1673

00:55:17,589 --> 00:55:16,000

to to point because they they were upset

1674

00:55:19,589 --> 00:55:17,599

that uh they weren't getting the reports

1675

00:55:21,030 --> 00:55:19,599

i believe that that's my

1676

00:55:23,990 --> 00:55:21,040

my belief but i have to tell you it was

1677

00:55:26,069 --> 00:55:24,000

damn fun when it lasted

1678

00:55:28,470 --> 00:55:26,079

yeah this was definitely something that

1679

00:55:30,630 --> 00:55:28,480

we have never experienced

1680

00:55:32,549 --> 00:55:30,640

especially in an urban area like that oh

1681

00:55:33,190 --> 00:55:32,559

my lord i mean yeah that was entirely

1682

00:55:35,109 --> 00:55:33,200

different

1683

00:55:36,230 --> 00:55:35,119

i know i remember asking at the time you

1684

00:55:38,309 --> 00:55:36,240

know because you know

1685

00:55:39,589 --> 00:55:38,319

you got a good bit of years experience

1686

00:55:41,589 --> 00:55:39,599

with me with this i said lon

1687

00:55:43,430 --> 00:55:41,599

is has this ever happened before you

1688

00:55:45,270 --> 00:55:43,440

said not like this

1689

00:55:46,630 --> 00:55:45,280

uh you know because that's what was the

1690

00:55:48,309 --> 00:55:46,640

feeling at the time like man these are

1691

00:55:49,510 --> 00:55:48,319

coming in fast and furious

1692

00:55:51,349 --> 00:55:49,520

and they haven't stopped but they've

1693

00:55:54,390 --> 00:55:51,359

slowed down

1694

00:55:56,630 --> 00:55:54,400

yeah i mean it kind of migrated somewhat

1695

00:55:58,230 --> 00:55:56,640

to the north up into wisconsin and we

1696

00:55:59,829 --> 00:55:58,240

had the one real good sighting in

1697

00:56:02,710 --> 00:55:59,839

milwaukee

1698

00:56:05,589 --> 00:56:02,720

but uh i don't know is it something

1699

00:56:08,549 --> 00:56:05,599

that's going to start back up who knows

1700

00:56:10,549 --> 00:56:08,559

but you know the you know i don't think

1701

00:56:10,950 --> 00:56:10,559

it was a hysteria thing i don't think it

1702

00:56:13,190 --> 00:56:10,960

was

1703

00:56:14,470 --> 00:56:13,200

where a few reports got out then

1704

00:56:15,030 --> 00:56:14,480

everybody thought they were going to do

1705

00:56:19,910 --> 00:56:15,040

that

1706

00:56:22,230 --> 00:56:19,920

know the way we got the reports and

1707

00:56:23,430 --> 00:56:22,240

uh how they didn't embellish on the

1708

00:56:27,109 --> 00:56:23,440

reports

1709

00:56:29,190 --> 00:56:27,119

very forthcoming and that

1710

00:56:31,030 --> 00:56:29,200

when you told them well there have been

1711

00:56:32,870 --> 00:56:31,040

other reports in the area

1712

00:56:34,630 --> 00:56:32,880

well i never heard that you could tell

1713

00:56:37,109 --> 00:56:34,640

they'd never heard of it right

1714

00:56:38,470 --> 00:56:37,119

right and once again we we did have

1715

00:56:39,750 --> 00:56:38,480

people on the ground there i mean they

1716

00:56:42,870 --> 00:56:39,760

were going to the

1717

00:56:44,630 --> 00:56:42,880

site of every one of these

1718

00:56:47,670 --> 00:56:44,640

there and there are some people who who

1719

00:56:50,309 --> 00:56:47,680

claim they did that but uh

1720

00:56:51,910 --> 00:56:50,319

yeah well you know yeah that's right and

1721

00:56:54,150 --> 00:56:51,920

yeah

1722

00:56:54,950 --> 00:56:54,160

but i you know you and i both are

1723

00:56:57,750 --> 00:56:54,960

involved with

1724

00:56:58,069 --> 00:56:57,760

something a project that's that's going

1725

00:57:04,870 --> 00:56:58,079

to

1726

00:57:06,390 --> 00:57:04,880

some type of tv or movie production

1727

00:57:08,870 --> 00:57:06,400

and it's going to include this thing in

1728

00:57:11,349 --> 00:57:08,880

chicago so um

1729

00:57:13,349 --> 00:57:11,359

maybe at that point when it gets out

1730

00:57:16,710 --> 00:57:13,359

maybe some of these other

1731

00:57:19,270 --> 00:57:16,720

maybe some other sightings will surface

1732

00:57:19,829 --> 00:57:19,280

i'm kind of hoping so i'm you know i'm

1733

00:57:21,430 --> 00:57:19,839

i'm sure

1734

00:57:23,030 --> 00:57:21,440

because you know as many sightings as we

1735

00:57:25,270 --> 00:57:23,040

got i'm sure there were more

1736

00:57:26,870 --> 00:57:25,280

there's always people who don't come

1737

00:57:29,030 --> 00:57:26,880

forward it takes them a long time

1738

00:57:30,390 --> 00:57:29,040

before they want to talk about something

1739

00:57:31,270 --> 00:57:30,400

and you know there's some people who

1740

00:57:32,950 --> 00:57:31,280

have to be

1741

00:57:34,390 --> 00:57:32,960

really encouraged you know like i said i

1742

00:57:36,309 --> 00:57:34,400

think that fellow with the

1743

00:57:37,430 --> 00:57:36,319

the two you know albe twitch we'll call

1744

00:57:40,069 --> 00:57:37,440

it the too many

1745

00:57:40,549 --> 00:57:40,079

little little hairy guy things you know

1746

00:57:41,910 --> 00:57:40,559

i think

1747

00:57:43,430 --> 00:57:41,920

it was really his daughter that was just

1748

00:57:44,789 --> 00:57:43,440

my impression it was really his daughter

1749

00:57:46,630 --> 00:57:44,799

kind of encouraging him to like

1750

00:57:47,829 --> 00:57:46,640

go talk to somebody about this you know

1751  
00:57:49,829 --> 00:57:47,839  
yeah

1752  
00:57:51,829 --> 00:57:49,839  
and a lot of times that's that's what it

1753  
00:57:52,230 --> 00:57:51,839  
takes to get somebody to open up and

1754  
00:57:55,030 --> 00:57:52,240  
talk

1755  
00:57:56,710 --> 00:57:55,040  
somebody in family yeah that happened

1756  
00:57:58,630 --> 00:57:56,720  
many times

1757  
00:58:00,069 --> 00:57:58,640  
yeah absolutely because it's i mean it's

1758  
00:58:01,190 --> 00:58:00,079  
these things aren't easy to talk about

1759  
00:58:02,549 --> 00:58:01,200  
because

1760  
00:58:04,150 --> 00:58:02,559  
a lot of you know a lot of people aren't

1761  
00:58:05,109 --> 00:58:04,160  
going to believe you they're they're

1762  
00:58:06,870 --> 00:58:05,119  
just not

1763  
00:58:08,230 --> 00:58:06,880

that's just that's the name of the game

1764

00:58:08,870 --> 00:58:08,240

you know that's what we go through every

1765

00:58:11,990 --> 00:58:08,880

day

1766

00:58:13,990 --> 00:58:12,000

yep yep well tim why don't you tell my

1767

00:58:15,910 --> 00:58:14,000

listeners uh

1768

00:58:17,190 --> 00:58:15,920

how they can get in contact with you

1769

00:58:19,750 --> 00:58:17,200

where they can find you

1770

00:58:21,030 --> 00:58:19,760

and how to get your books sure so the

1771

00:58:22,910 --> 00:58:21,040

easiest place is

1772

00:58:24,390 --> 00:58:22,920

my podcast website which is

1773

00:58:26,069 --> 00:58:24,400

strangefamiliars.com

1774

00:58:27,990 --> 00:58:26,079

and all that contact information goes

1775

00:58:29,030 --> 00:58:28,000

directly to me so if you want to get

1776

00:58:30,630 --> 00:58:29,040

books directly

1777

00:58:32,230 --> 00:58:30,640

from me that you can email through the

1778

00:58:33,829 --> 00:58:32,240

podcast or you know

1779

00:58:35,270 --> 00:58:33,839

however you want to contact me they're

1780

00:58:35,990 --> 00:58:35,280

all on amazon as well you can either

1781

00:58:38,150 --> 00:58:36,000

look up timothy

1782

00:58:40,630 --> 00:58:38,160

renner or look up the individual books

1783

00:58:42,390 --> 00:58:40,640

my first book is beyond the seventh gate

1784

00:58:44,549 --> 00:58:42,400

my second was bigfoot in pennsylvania my

1785

00:58:45,910 --> 00:58:44,559

third was bigfoot west coast wildman and

1786

00:58:47,430 --> 00:58:45,920

the new one just about coming out is

1787

00:58:49,109 --> 00:58:47,440

called don't look behind you

1788

00:58:50,470 --> 00:58:49,119

it's a companion volume to the first one

1789

00:58:51,270 --> 00:58:50,480

but you you really don't have to have

1790

00:58:53,030 --> 00:58:51,280

the first one

1791

00:58:54,549 --> 00:58:53,040

to to read the new book you can read the

1792

00:58:56,630 --> 00:58:54,559

new book independently

1793

00:58:59,030 --> 00:58:56,640

uh but it they do make a nice companion

1794

00:59:01,270 --> 00:58:59,040

if you want to get them both

1795

00:59:03,109 --> 00:59:01,280

yeah they're excellent books i've uh

1796

00:59:06,549 --> 00:59:03,119

i've recommended

1797

00:59:08,470 --> 00:59:06,559

a lot and uh i

1798

00:59:10,150 --> 00:59:08,480

i kind of got through what you sent me

1799

00:59:11,109 --> 00:59:10,160

today but i'm gonna definitely read all

1800

00:59:12,870 --> 00:59:11,119

of it

1801  
00:59:14,390 --> 00:59:12,880  
and i will definitely read the book when

1802  
00:59:16,549 --> 00:59:14,400  
it comes out so hey

1803  
00:59:18,870 --> 00:59:16,559  
tim thanks again for joining me oh thank

1804  
00:59:21,510 --> 00:59:18,880  
you and i will be talking

1805  
00:59:25,349 --> 00:59:21,520  
many times in the near future all right

1806  
00:59:30,309 --> 00:59:27,430  
listeners can now show their support for

1807  
00:59:33,430 --> 00:59:30,319  
arcane radio by becoming a patron

1808  
00:59:34,870 --> 00:59:33,440  
simply go to [phantomsomemonsters.com](http://phantomsomemonsters.com) and

1809  
00:59:37,829 --> 00:59:34,880  
click on the podbean

1810  
00:59:39,910 --> 00:59:37,839  
patreon banner now before i go let me

1811  
00:59:43,109 --> 00:59:39,920  
leave this with the listeners

1812  
00:59:46,390 --> 00:59:43,119  
american-born author historian and po

1813  
00:59:49,589 --> 00:59:46,400

poet abhijani once stated

1814

00:59:51,670 --> 00:59:49,599

human beings in a sense may be

1815

00:59:55,309 --> 00:59:51,680

thought of as multi-dimensional

1816

00:59:58,150 --> 00:59:55,319

creatures composed of such poetic

1817

01:00:00,309 --> 00:59:58,160

considerations as the individual need

1818

01:00:03,750 --> 01:00:00,319

for self-realization

1819

01:00:05,750 --> 01:00:03,760

subdued passions for overwhelming beauty

1820

01:00:09,270 --> 01:00:05,760

and a hunger for meaning beyond the

1821

01:00:12,829 --> 01:00:09,280

flavors enter and exit the physical body

1822

01:00:15,990 --> 01:00:12,839

a person might even be described as a

1823

01:00:17,829 --> 01:00:16,000

self-contained multiverse

1824

01:00:30,250 --> 01:00:17,839

i thank everybody for listening to the

1825

01:00:30,260 --> 01:00:54,829

[Music]

1826

01:01:03,020 --> 01:00:57,200

so

1827

01:01:03,030 --> 01:01:08,829

[Music]

1828

01:01:36,829 --> 01:01:11,700

so
