

A woman with long dark hair is peering through the white frame of a window, her hands covering her mouth in a look of surprise or fear. In the foreground, a dark, shadowy silhouette of a person is visible, looking towards the window. The background shows a brick house with a white door and windows, set against a dark, possibly nighttime, environment.

What are

SHADOW PEOPLE?

Phantoms?
Demons?
Aliens?

9
00:00:36,389 --> 00:00:34,719

the shadow figure had a face i have seen

10
00:00:39,270 --> 00:00:36,399

a lot of things over the years

11
00:00:41,190 --> 00:00:39,280

like a lot it runs in my family but i

12
00:00:42,950 --> 00:00:41,200

saw something about two weeks ago that i

13
00:00:45,510 --> 00:00:42,960

can't make any sense of

14

00:00:47,190 --> 00:00:45,520

normally if i research enough i can find

15

00:00:50,150 --> 00:00:47,200

out what the entity was

16

00:00:51,270 --> 00:00:50,160

not this time i have absolutely no idea

17

00:00:53,350 --> 00:00:51,280

what this was

18

00:00:55,510 --> 00:00:53,360

i was in our downstairs bathroom one

19

00:00:57,029 --> 00:00:55,520

afternoon and the door was open because

20

00:00:58,950 --> 00:00:57,039

no one else was home

21

00:01:00,790 --> 00:00:58,960

i noticed some movement outside the

22

00:01:03,029 --> 00:01:00,800

bathroom on the nearby wall

23

00:01:04,469 --> 00:01:03,039

i figured it was probably just a shadow

24

00:01:06,789 --> 00:01:04,479

person but it wasn't like

25

00:01:07,990 --> 00:01:06,799

any that i've ever seen it was fairly

26

00:01:09,830 --> 00:01:08,000

small and compact

27

00:01:11,830 --> 00:01:09,840

and it was doing these somersaults right

28

00:01:12,870 --> 00:01:11,840

on the wall it almost looked like part

29

00:01:15,510 --> 00:01:12,880

of it was in the wall

30

00:01:17,429 --> 00:01:15,520

and the side facing me was outside of it

31

00:01:19,350 --> 00:01:17,439

i remembered how one of my kids had

32

00:01:20,550 --> 00:01:19,360

asked me recently a lot of questions

33

00:01:22,230 --> 00:01:20,560

about shadow people

34

00:01:23,590 --> 00:01:22,240

and i thought i'd try to take in more

35

00:01:25,749 --> 00:01:23,600

details on this thing

36

00:01:26,870 --> 00:01:25,759

especially since there was no bad vibe

37

00:01:30,469 --> 00:01:26,880

coming off it

38

00:01:32,550 --> 00:01:30,479

there was no fear anger etc no bad smell

39

00:01:33,830 --> 00:01:32,560

no indication whatsoever that it had ill

40

00:01:35,670 --> 00:01:33,840

intent so

41

00:01:37,429 --> 00:01:35,680

i stood up and walked around a bit to

42

00:01:38,230 --> 00:01:37,439

make sure it wasn't a trick of light or

43

00:01:40,390 --> 00:01:38,240

anything

44

00:01:42,149 --> 00:01:40,400

it wasn't it was spinning around and

45

00:01:43,749 --> 00:01:42,159

around right there on the wall

46

00:01:45,590 --> 00:01:43,759

it didn't seem to care that i was

47

00:01:47,429 --> 00:01:45,600

walking around in front of it

48

00:01:49,350 --> 00:01:47,439

my daughter had asked me a few weeks

49

00:01:51,270 --> 00:01:49,360

before to try to find out what shadow

50

00:01:52,149 --> 00:01:51,280

people want but i don't think i'll ever

51

00:01:53,990 --> 00:01:52,159

do that

52

00:01:55,270 --> 00:01:54,000

i don't think speaking to them is a good

53

00:01:57,429 --> 00:01:55,280

idea really

54

00:01:59,030 --> 00:01:57,439

with this one though i finally straight

55

00:02:00,950 --> 00:01:59,040

up asked it what it wanted

56

00:02:02,870 --> 00:02:00,960

as soon as i said that it stopped

57

00:02:03,749 --> 00:02:02,880

spinning and turned so that its face was

58

00:02:06,310 --> 00:02:03,759

toward me

59

00:02:07,990 --> 00:02:06,320

its face was very large for its eyes and

60

00:02:10,550 --> 00:02:08,000

it looked pale and skeletal

61

00:02:12,630 --> 00:02:10,560

it also looked surprised i seriously

62

00:02:14,550 --> 00:02:12,640

think it either had no idea i was there

63

00:02:16,150 --> 00:02:14,560

or had no idea that i could see it

64

00:02:18,070 --> 00:02:16,160

before i said something

65

00:02:19,910 --> 00:02:18,080

i didn't like the look of the face and

66

00:02:21,910 --> 00:02:19,920

it was kind of shocking to me

67

00:02:24,630 --> 00:02:21,920

i've never seen one with much of a face

68

00:02:27,030 --> 00:02:24,640

before i took off into the next room

69

00:02:28,869 --> 00:02:27,040

and i haven't seen that thing since i

70

00:02:29,670 --> 00:02:28,879

seriously have no idea what was

71

00:02:31,670 --> 00:02:29,680

happening

72

00:02:33,430 --> 00:02:31,680

i can't even come up with any decent

73

00:02:35,270 --> 00:02:33,440

parameters to search for it

74

00:02:38,150 --> 00:02:35,280

any searches i've done have turned up

75

00:02:41,110 --> 00:02:38,160

nothing at all i can't find any stories

76
00:02:42,229 --> 00:02:41,120
legends cryptids myths etc that sound

77
00:02:44,229 --> 00:02:42,239
like this thing

78
00:02:46,229 --> 00:02:44,239
i was hoping that with your sight and so

79
00:02:47,750 --> 00:02:46,239
many humanoid sightings catalog

80
00:02:49,430 --> 00:02:47,760
you may have heard of something like

81
00:02:56,630 --> 00:02:49,440
this sincerely

82
00:03:00,470 --> 00:02:59,270
shadow people intentions and effects

83
00:03:02,229 --> 00:03:00,480
late sunday evening

84
00:03:04,229 --> 00:03:02,239
my husband and i were enjoying a nice

85
00:03:05,910 --> 00:03:04,239
indiana summer night by sitting outside

86
00:03:07,910 --> 00:03:05,920
talking and having a bonfire

87
00:03:09,830 --> 00:03:07,920
when from across the backyard i happen

88
00:03:12,229 --> 00:03:09,840

to notice a dark shadow hovering around

89

00:03:13,830 --> 00:03:12,239

one of the trees behind my parents home

90

00:03:15,589 --> 00:03:13,840

my husband and i live in a garage

91

00:03:17,509 --> 00:03:15,599

apartment about 50 feet away

92

00:03:19,350 --> 00:03:17,519

and we were sitting behind that there

93

00:03:20,949 --> 00:03:19,360

were lights on enough to see

94

00:03:22,390 --> 00:03:20,959

but nothing to make that kind of large

95

00:03:24,149 --> 00:03:22,400

human-shaped shadow

96

00:03:25,430 --> 00:03:24,159

i caught a standing there behind one

97

00:03:27,670 --> 00:03:25,440

tree peeking around

98

00:03:29,509 --> 00:03:27,680

and knew it was watching us i suddenly

99

00:03:31,270 --> 00:03:29,519

told my husband about there's something

100

00:03:33,110 --> 00:03:31,280

black over there dot i did not have to

101
00:03:33,990 --> 00:03:33,120
say spirit or anything because he knew

102
00:03:35,750 --> 00:03:34,000
what i meant

103
00:03:38,070 --> 00:03:35,760
he glanced over to where i was looking

104
00:03:40,149 --> 00:03:38,080
and jumped up he is a believer and very

105
00:03:41,589 --> 00:03:40,159
into native american spirituality

106
00:03:43,910 --> 00:03:41,599
even though i am the one who has the

107
00:03:45,830 --> 00:03:43,920
full-blooded cherokee great-grandmother

108
00:03:47,350 --> 00:03:45,840
he ran over to where i had seen it and a

109
00:03:48,229 --> 00:03:47,360
bit farther around the side of my

110
00:03:50,309 --> 00:03:48,239
parents house

111
00:03:51,430 --> 00:03:50,319
then he returned i looked at him and

112
00:03:53,589 --> 00:03:51,440
said well

113
00:03:55,270 --> 00:03:53,599

he stares into the fire strangely you

114

00:03:57,910 --> 00:03:55,280

can see normal shadows

115

00:03:58,869 --> 00:03:57,920

i frown that was no animal he looks at

116

00:04:01,190 --> 00:03:58,879

me you're right

117

00:04:02,550 --> 00:04:01,200

that was no regular shadow i felt the

118

00:04:04,869 --> 00:04:02,560

two and it's not good

119

00:04:06,789 --> 00:04:04,879

but i chased it away i had actually

120

00:04:07,910 --> 00:04:06,799

never heard him speak of chasing spirits

121

00:04:09,910 --> 00:04:07,920

away before

122

00:04:11,830 --> 00:04:09,920

i was torn between having a sick feeling

123

00:04:13,509 --> 00:04:11,840

in my stomach knowing that bad things

124

00:04:15,270 --> 00:04:13,519

were coming and feeling safe that my

125

00:04:17,030 --> 00:04:15,280

husband had done such a thing

126

00:04:19,670 --> 00:04:17,040

it was not long before the crap hit the

127

00:04:20,550 --> 00:04:19,680

fan my sister-in-law went into labor on

128

00:04:22,390 --> 00:04:20,560

tuesday morning

129

00:04:24,310 --> 00:04:22,400

two days later and had to have an

130

00:04:26,870 --> 00:04:24,320

emergency cesarean section

131

00:04:28,030 --> 00:04:26,880

her temps spiked at 108 degrees and the

132

00:04:31,270 --> 00:04:28,040

baby's heart rate was

133

00:04:32,230 --> 00:04:31,280

187 they're okay now but it could have a

134

00:04:34,070 --> 00:04:32,240

tragedy

135

00:04:36,070 --> 00:04:34,080

my husband and i both were secretly

136

00:04:37,909 --> 00:04:36,080

terrified she was taken into the

137

00:04:40,150 --> 00:04:37,919

operating room around 10 pm

138

00:04:41,749 --> 00:04:40,160

and the baby delivered not long after

139

00:04:43,350 --> 00:04:41,759

that was about the time we had seen her

140

00:04:45,510 --> 00:04:43,360

felt the shadow person

141

00:04:47,350 --> 00:04:45,520

on wednesday night and i kid you not we

142

00:04:49,270 --> 00:04:47,360

live out in the country and a texas

143

00:04:50,710 --> 00:04:49,280

longhorn cow got out of her pen and was

144

00:04:51,990 --> 00:04:50,720

running up and down the road near our

145

00:04:53,990 --> 00:04:52,000

garage apartment

146

00:04:55,430 --> 00:04:54,000

my husband and i actually was allowed by

147

00:04:57,430 --> 00:04:55,440

the local police officer

148

00:04:58,629 --> 00:04:57,440

who had responded to the call to help

149

00:05:00,550 --> 00:04:58,639

round the thing up

150

00:05:01,990 --> 00:05:00,560

this was just about an hour or so later

151
00:05:03,830 --> 00:05:02,000
from the time that we had seen and

152
00:05:04,870 --> 00:05:03,840
experienced the evil shadow person on

153
00:05:06,790 --> 00:05:04,880
sunday night

154
00:05:08,629 --> 00:05:06,800
the cow had huge horns and could have

155
00:05:10,469 --> 00:05:08,639
easily gorged any of us

156
00:05:11,749 --> 00:05:10,479
she came after my husband and me both

157
00:05:13,510 --> 00:05:11,759
several times

158
00:05:15,270 --> 00:05:13,520
we laughed about it at the time but

159
00:05:17,110 --> 00:05:15,280
later i got very scared

160
00:05:18,390 --> 00:05:17,120
as long as we have lived here nothing

161
00:05:20,310 --> 00:05:18,400
that bizarre has happened

162
00:05:22,150 --> 00:05:20,320
and the police office just let us join

163
00:05:24,790 --> 00:05:22,160

in no questions asked

164

00:05:27,430 --> 00:05:24,800

i mean really then on thursday morning

165

00:05:29,670 --> 00:05:27,440

at 6 00 am we heard fire engines go by

166

00:05:31,510 --> 00:05:29,680

my husband is a professional firefighter

167

00:05:33,430 --> 00:05:31,520

but also used to be a volunteer with the

168

00:05:35,590 --> 00:05:33,440

towns department we live in

169

00:05:37,350 --> 00:05:35,600

regardless he still goes on runs with

170

00:05:39,830 --> 00:05:37,360

him now if he happens to be home

171

00:05:41,350 --> 00:05:39,840

even if he isn't on the roster anymore i

172

00:05:43,110 --> 00:05:41,360

jumped up and ran outside

173

00:05:45,430 --> 00:05:43,120

and could see smoke belling pure black

174

00:05:46,950 --> 00:05:45,440

to the south i have been a firefighter's

175

00:05:48,150 --> 00:05:46,960

wife long enough to know that when you

176

00:05:50,550 --> 00:05:48,160

got that much smoke

177

00:05:52,469 --> 00:05:50,560

the structure is probably gone welcome

178

00:05:54,310 --> 00:05:52,479

to find out the house belonged to my

179

00:05:56,469 --> 00:05:54,320

nephew's own little league coach

180

00:05:58,469 --> 00:05:56,479

once more i was stunned this was at

181

00:06:00,150 --> 00:05:58,479

least not the same time frame but only

182

00:06:02,070 --> 00:06:00,160

about six hours later

183

00:06:04,390 --> 00:06:02,080

so we've seen three bad things happen to

184

00:06:06,070 --> 00:06:04,400

people around us either close and family

185

00:06:08,629 --> 00:06:06,080

to the family of david's work

186

00:06:10,390 --> 00:06:08,639

and enclose in location guilt is setting

187

00:06:12,390 --> 00:06:10,400

in but there is no way on earth we could

188

00:06:14,230 --> 00:06:12,400

have prevented any of these events

189

00:06:16,070 --> 00:06:14,240

is it common when one person sees the

190

00:06:17,990 --> 00:06:16,080

entity for the spouse to be able to feel

191

00:06:18,790 --> 00:06:18,000

it and chase it or believe they chased

192

00:06:27,430 --> 00:06:18,800

it away

193

00:06:30,870 --> 00:06:30,230

the headless shadow back before i got

194

00:06:33,350 --> 00:06:30,880

married

195

00:06:35,590 --> 00:06:33,360

which was about seven or eight years ago

196

00:06:37,510 --> 00:06:35,600

my dog and i lived by ourselves in a

197

00:06:40,150 --> 00:06:37,520

small one-bedroom apartment on the

198

00:06:42,390 --> 00:06:40,160

second floor of an apartment complex

199

00:06:44,309 --> 00:06:42,400

i stayed up late most nights as i was

200

00:06:46,150 --> 00:06:44,319

attending college at that time

201
00:06:48,710 --> 00:06:46,160
and had a lot of homework to do every

202
00:06:50,150 --> 00:06:48,720
night i did almost everything on my

203
00:06:52,390 --> 00:06:50,160
desktop computer

204
00:06:53,670 --> 00:06:52,400
that sat right beside the inside of my

205
00:06:56,150 --> 00:06:53,680
bedroom door

206
00:06:57,749 --> 00:06:56,160
the apartment was extremely tiny and

207
00:07:00,390 --> 00:06:57,759
when i looked out the door

208
00:07:02,790 --> 00:07:00,400
i was basically facing another door the

209
00:07:04,710 --> 00:07:02,800
one that led into my linen closet

210
00:07:06,390 --> 00:07:04,720
there was just barely enough walking

211
00:07:07,110 --> 00:07:06,400
space between there for me to move

212
00:07:09,510 --> 00:07:07,120
around

213
00:07:12,309 --> 00:07:09,520

and go to the bathroom well this one

214

00:07:14,390 --> 00:07:12,319

evening it was between 2 30 and 3 a.m

215

00:07:16,390 --> 00:07:14,400

and i was sitting in my usual position

216

00:07:18,790 --> 00:07:16,400

typing up an essay paper

217

00:07:20,550 --> 00:07:18,800

for some reason my dog jace was not in

218

00:07:21,749 --> 00:07:20,560

there with me that night and he always

219

00:07:23,830 --> 00:07:21,759

stayed with me

220

00:07:25,909 --> 00:07:23,840

i figured he was just tired due to the

221

00:07:27,350 --> 00:07:25,919

late hour and had went to sleep in the

222

00:07:30,230 --> 00:07:27,360

dark living room

223

00:07:31,670 --> 00:07:30,240

i suddenly began to feel very uneasy and

224

00:07:34,070 --> 00:07:31,680

got a cold chill

225

00:07:36,150 --> 00:07:34,080

i had never felt this way before and for

226

00:07:39,029 --> 00:07:36,160

whatever reason i glanced up from my

227

00:07:41,350 --> 00:07:39,039

typing over to outside my bedroom door

228

00:07:43,589 --> 00:07:41,360

the bedroom light fell from behind me

229

00:07:44,469 --> 00:07:43,599

and what i saw made me stop and stare in

230

00:07:46,550 --> 00:07:44,479

terror

231

00:07:47,990 --> 00:07:46,560

on the linen door closet was the figure

232

00:07:51,110 --> 00:07:48,000

of a very huge man

233

00:07:53,909 --> 00:07:51,120

totally dark as if it was his shadow he

234

00:07:55,909 --> 00:07:53,919

was just standing there completely still

235

00:07:57,749 --> 00:07:55,919

what was most unnerving of all was that

236

00:07:59,589 --> 00:07:57,759

i noticed he had no head

237

00:08:02,469 --> 00:07:59,599

it was like it had been chopped off or

238

00:08:03,990 --> 00:08:02,479

something his body was totally complete

239

00:08:06,390 --> 00:08:04,000

up to the top of his neck

240

00:08:08,150 --> 00:08:06,400

yet i was completely sure he was staring

241

00:08:10,469 --> 00:08:08,160

right at me even without a head

242

00:08:12,629 --> 00:08:10,479

to be looking at me with i was so

243

00:08:13,189 --> 00:08:12,639

terrified i could not even call out for

244

00:08:15,670 --> 00:08:13,199

jace

245

00:08:17,189 --> 00:08:15,680

and the dog failed to come to me either

246

00:08:19,510 --> 00:08:17,199

i stood up slowly

247

00:08:21,589 --> 00:08:19,520

and moved backward in my room as if i

248

00:08:23,990 --> 00:08:21,599

was trying to get away from it

249

00:08:26,070 --> 00:08:24,000

but by this time it was slowly beginning

250

00:08:28,469 --> 00:08:26,080

to fade from view off the door

251

00:08:30,629 --> 00:08:28,479

i was able to find my voice and both

252

00:08:33,829 --> 00:08:30,639

fried and anger came out of me

253

00:08:36,230 --> 00:08:33,839

i told it to get out and never come back

254

00:08:38,149 --> 00:08:36,240

i kept saying it over and over and

255

00:08:41,029 --> 00:08:38,159

finally jace came running to my

256

00:08:42,310 --> 00:08:41,039

side that was when i finally burst into

257

00:08:44,790 --> 00:08:42,320

sobbing hysterics

258

00:08:46,949 --> 00:08:44,800

and wrapped my arms around my dog and

259

00:08:49,350 --> 00:08:46,959

cuddled him for the rest of the night

260

00:08:51,509 --> 00:08:49,360

i have no explanation for it and i have

261

00:08:52,550 --> 00:08:51,519

never had any other experience with a

262

00:08:54,870 --> 00:08:52,560

shadow person

263

00:08:56,230 --> 00:08:54,880

for which i am grateful i do have

264

00:08:59,509 --> 00:08:56,240

lasting effects from it

265

00:09:01,990 --> 00:08:59,519

however now i experience panic attacks

266

00:09:04,150 --> 00:09:02,000

and firmly believe i had my first one

267

00:09:06,230 --> 00:09:04,160

that very night when i broke down after

268

00:09:08,710 --> 00:09:06,240

the shadow person disappeared

269

00:09:10,870 --> 00:09:08,720

i never had them before but i firmly

270

00:09:13,430 --> 00:09:10,880

believe that thing brought them on me

271

00:09:20,949 --> 00:09:13,440

thank you for letting me tell my story

272

00:09:25,910 --> 00:09:23,990

vintage caballero shadow figure i saw a

273

00:09:28,870 --> 00:09:25,920

figure that looked like a man wearing an

274

00:09:31,430 --> 00:09:28,880

old style spanish hat with a wide brim

275

00:09:32,790 --> 00:09:31,440

as i got closer the black was a black

276

00:09:34,949 --> 00:09:32,800

like i've never seen

277

00:09:36,470 --> 00:09:34,959

darker than any black like it was

278

00:09:37,829 --> 00:09:36,480

sucking in the little light that was

279

00:09:40,790 --> 00:09:37,839

left as it was dusk

280

00:09:42,710 --> 00:09:40,800

sun just setting i was on my bicycle in

281

00:09:43,750 --> 00:09:42,720

a field that ran between housing

282

00:09:45,990 --> 00:09:43,760

neighborhoods

283

00:09:47,910 --> 00:09:46,000

i got about 10 feet away from what i

284

00:09:48,949 --> 00:09:47,920

thought was a mexican man in vintage

285

00:09:50,949 --> 00:09:48,959

style clothes

286

00:09:52,949 --> 00:09:50,959

since there were a lot in sacramento

287

00:09:55,750 --> 00:09:52,959

california in 1981

288

00:09:56,630 --> 00:09:55,760

when i saw him i opened my mouth to ask

289

00:09:59,269 --> 00:09:56,640

the stranger

290

00:10:00,550 --> 00:09:59,279

what's up man where you get those black

291

00:10:02,790 --> 00:10:00,560

colored jeans

292

00:10:04,710 --> 00:10:02,800

only i stopped on the word wear because

293

00:10:07,829 --> 00:10:04,720

it turned around to look at me

294

00:10:09,750 --> 00:10:07,839

i actually snuck up on it no lie

295

00:10:11,910 --> 00:10:09,760

it was staring at a house at the edge of

296

00:10:14,630 --> 00:10:11,920

the field when it turned around

297

00:10:15,430 --> 00:10:14,640

i almost froze the dude was a quarter

298

00:10:17,509 --> 00:10:15,440

inch thick

299

00:10:18,949 --> 00:10:17,519

my mind was freaking out at this point

300

00:10:21,590 --> 00:10:18,959

it was inhuman

301
00:10:23,590 --> 00:10:21,600
nothing is that thin then i saw its eyes

302
00:10:25,030 --> 00:10:23,600
are rather two perfect holes where its

303
00:10:27,350 --> 00:10:25,040
eyes should have been

304
00:10:29,350 --> 00:10:27,360
instead was a bright white light inside

305
00:10:31,269 --> 00:10:29,360
the circles that should have been nice

306
00:10:33,350 --> 00:10:31,279
in the span of a naino second i

307
00:10:35,430 --> 00:10:33,360
processed all this blacker than black

308
00:10:36,150 --> 00:10:35,440
shadow cut out person with holes for

309
00:10:38,550 --> 00:10:36,160
eyes

310
00:10:40,230 --> 00:10:38,560
and it was tall like seven feet tall

311
00:10:40,790 --> 00:10:40,240
with the hat and the cloak it was

312
00:10:43,670 --> 00:10:40,800
wearing

313
00:10:45,269 --> 00:10:43,680

like it was from colonial time hi being

314

00:10:47,910 --> 00:10:45,279

the smart ass kid i was

315

00:10:49,670 --> 00:10:47,920

said to it never mind homie better get

316

00:10:51,829 --> 00:10:49,680

the mice fixed first

317

00:10:53,910 --> 00:10:51,839

probably not the smartest thing to do

318

00:10:56,150 --> 00:10:53,920

antagonize a dark shadow thing

319

00:10:58,630 --> 00:10:56,160

but i did and hit the pedals on my bike

320

00:11:01,110 --> 00:10:58,640

like my feet had rockets strapped on

321

00:11:01,670 --> 00:11:01,120

i was writing as fast as i could looking

322

00:11:04,069 --> 00:11:01,680

back

323

00:11:06,550 --> 00:11:04,079

watching it to see if it was chasing me

324

00:11:07,030 --> 00:11:06,560

i didn't see it as i was turning my head

325

00:11:09,829 --> 00:11:07,040

back

326

00:11:11,990 --> 00:11:09,839

forward as i'm looking straight left i

327

00:11:14,069 --> 00:11:12,000

see it standing straight across from me

328

00:11:16,230 --> 00:11:14,079

even though i left it in the dust

329

00:11:18,069 --> 00:11:16,240

it was right up with me just slowly

330

00:11:19,190 --> 00:11:18,079

turning its head down watching me flee

331

00:11:21,269 --> 00:11:19,200

for my life

332

00:11:22,389 --> 00:11:21,279

i don't believe it was malevolent in

333

00:11:24,310 --> 00:11:22,399

fact i believe

334

00:11:25,590 --> 00:11:24,320

it was watching a demon in that house it

335

00:11:27,350 --> 00:11:25,600

was staring at

336

00:11:29,190 --> 00:11:27,360

the house was well known for being

337

00:11:31,430 --> 00:11:29,200

haunted screams and roars

338

00:11:33,350 --> 00:11:31,440

and lights and smashing crashing sounds

339

00:11:34,790 --> 00:11:33,360

always emitting from the two-story that

340

00:11:36,710 --> 00:11:34,800

no one lives in

341

00:11:37,829 --> 00:11:36,720

i think it was monitoring the demon in

342

00:11:40,069 --> 00:11:37,839

that house

343

00:11:41,990 --> 00:11:40,079

i saw it one more time before i quit

344

00:11:43,910 --> 00:11:42,000

going through that field completely

345

00:11:45,190 --> 00:11:43,920

it was in the same place watching that

346

00:11:47,670 --> 00:11:45,200

house only this time

347

00:11:49,430 --> 00:11:47,680

the house was going crazy horrific

348

00:11:51,430 --> 00:11:49,440

inhuman screams and lights and the

349

00:11:53,670 --> 00:11:51,440

destruction sounds were loud

350

00:11:54,470 --> 00:11:53,680

i saw it go into that house just before

351
00:11:56,069 --> 00:11:54,480
it started

352
00:11:57,990 --> 00:11:56,079
so either it's the demon or it's

353
00:11:59,190 --> 00:11:58,000
fighting it i swear this to be

354
00:12:01,430 --> 00:11:59,200
completely true

355
00:12:02,710 --> 00:12:01,440
take it how you wish but it changed my

356
00:12:08,870 --> 00:12:02,720
life forever

357
00:12:12,310 --> 00:12:11,430
this is lon strickler if you like this
