

**Haunting?
Or Hunting?**

SHADOW PEOPLE!

WHAT DO THEY WANT WITH US?

BXP

1
00:00:12,880 --> 00:00:10,600

[Music]

2
00:00:17,830 --> 00:00:12,890

[Applause]

3
00:00:21,990 --> 00:00:19,670

welcome to the best of first person

4
00:00:24,870 --> 00:00:22,000

episodes of phantoms and monsters

5
00:00:25,429 --> 00:00:24,880

please like subscribe and hit the bell

6
00:00:28,830 --> 00:00:25,439

icon

7
00:00:31,830 --> 00:00:28,840

so you'll be notified of all future

8
00:00:34,310 --> 00:00:31,840

uploads

9
00:00:36,790 --> 00:00:34,320

the tall shadow i heard your ouija board

10
00:00:38,310 --> 00:00:36,800

experience on arcane radio yesterday

11
00:00:40,310 --> 00:00:38,320

i had something happen while i was

12
00:00:41,030 --> 00:00:40,320

studying a college back about 12 years

13
00:00:42,869 --> 00:00:41,040

ago

14

00:00:44,709 --> 00:00:42,879

my college friends and i would sometimes

15

00:00:46,310 --> 00:00:44,719

got bored in her spare time

16

00:00:47,910 --> 00:00:46,320

we often spoke about what it would be

17

00:00:50,150 --> 00:00:47,920

like to try a ouija board

18

00:00:51,029 --> 00:00:50,160

i had read many bad accounts but we were

19

00:00:52,470 --> 00:00:51,039

curious

20

00:00:54,150 --> 00:00:52,480

i have always believed that there was

21

00:00:56,389 --> 00:00:54,160

some kind of life after death

22

00:00:57,990 --> 00:00:56,399

and that spirits moved among us one

23

00:00:59,750 --> 00:00:58,000

evening one of my friends came into

24

00:01:01,750 --> 00:00:59,760

student union carrying an old ouija

25

00:01:03,590 --> 00:01:01,760

board he said that he had bought it at a

26

00:01:05,750 --> 00:01:03,600

secondhand shop in town

27

00:01:07,590 --> 00:01:05,760

there were five of us so we decided to

28

00:01:08,230 --> 00:01:07,600

use one of the old study rooms in my

29

00:01:10,070 --> 00:01:08,240

dorm

30

00:01:12,310 --> 00:01:10,080

we closed all the doors and turned off

31

00:01:13,990 --> 00:01:12,320

all the lice we sat around a small

32

00:01:14,950 --> 00:01:14,000

wooden game table and laid the board

33

00:01:16,710 --> 00:01:14,960

facing me

34

00:01:19,030 --> 00:01:16,720

i had never done this before and was a

35

00:01:20,710 --> 00:01:19,040

bit hesitant the others encouraged me

36

00:01:22,310 --> 00:01:20,720

they were hesitant as well

37

00:01:24,390 --> 00:01:22,320

we all placed our fingertips on the

38

00:01:25,030 --> 00:01:24,400

planchet while i asked if any spirit was

39

00:01:27,350 --> 00:01:25,040

with us

40

00:01:29,749 --> 00:01:27,360

to let its presence be known to us i

41

00:01:31,830 --> 00:01:29,759

continued this for another 15 minutes

42

00:01:33,190 --> 00:01:31,840

nothing happened we all assumed that

43

00:01:35,190 --> 00:01:33,200

this was a waste of time

44

00:01:37,670 --> 00:01:35,200

so we pushed the board aside and decided

45

00:01:39,670 --> 00:01:37,680

to go to my room to play video games

46

00:01:41,270 --> 00:01:39,680

we thought nothing had happened but i

47

00:01:43,030 --> 00:01:41,280

must have caused something to enter in

48

00:01:44,789 --> 00:01:43,040

the room and into our lives

49

00:01:47,030 --> 00:01:44,799

since that night i have never felt the

50

00:01:48,389 --> 00:01:47,040

same i am constantly filled with fear

51
00:01:50,149 --> 00:01:48,399
and trepidation

52
00:01:51,990 --> 00:01:50,159
several years on i moved away with my

53
00:01:53,590 --> 00:01:52,000
boyfriend and his young daughter

54
00:01:55,990 --> 00:01:53,600
i always feel like i'm being watched in

55
00:01:57,749 --> 00:01:56,000
my apartment one late night i was on my

56
00:01:59,190 --> 00:01:57,759
way to the kitchen and as i walked out

57
00:02:00,789 --> 00:01:59,200
of my dining room doorway

58
00:02:02,310 --> 00:02:00,799
there was a tall shadow-like figure

59
00:02:04,709 --> 00:02:02,320
standing in front of me

60
00:02:06,550 --> 00:02:04,719
there was no face nothing to look at

61
00:02:08,469 --> 00:02:06,560
there was just a heavy black outline of

62
00:02:09,589 --> 00:02:08,479
something that wasn't human but stood on

63
00:02:11,910 --> 00:02:09,599

two legs

64

00:02:14,150 --> 00:02:11,920

not knowing what to do i said excuse me

65

00:02:15,830 --> 00:02:14,160

and it actually moved out of my way

66

00:02:17,510 --> 00:02:15,840

since that night my boyfriend's

67

00:02:18,949 --> 00:02:17,520

five-year-old daughter complains about

68

00:02:21,030 --> 00:02:18,959

monsters in her bedroom

69

00:02:22,790 --> 00:02:21,040

and occasionally screams in her sleep

70

00:02:24,390 --> 00:02:22,800

it's starting to freak us out

71

00:02:26,150 --> 00:02:24,400

the fear i have had since that night

72

00:02:27,110 --> 00:02:26,160

with the ouija board is so much worse

73

00:02:28,550 --> 00:02:27,120

than before

74

00:02:30,550 --> 00:02:28,560

i don't know what this is or what it

75

00:02:32,869 --> 00:02:30,560

means but i am scared to be alone

76

00:02:35,030 --> 00:02:32,879

and i can't carry on like this for some

77

00:02:36,869 --> 00:02:35,040

reason i know deep inside that the ouija

78

00:02:39,110 --> 00:02:36,879

board is responsible for the shadow

79

00:02:46,550 --> 00:02:39,120

figure and the other things being seen

80

00:02:52,070 --> 00:02:49,830

shadow people poltergeists or demons my

81

00:02:53,350 --> 00:02:52,080

experiences took place in the early 80s

82

00:02:55,270 --> 00:02:53,360

in toronto canada

83

00:02:57,190 --> 00:02:55,280

and just like the fellow writing of his

84

00:03:00,309 --> 00:02:57,200

experiences on your site

85

00:03:03,270 --> 00:03:00,319

mine also took place in a very old house

86

00:03:03,990 --> 00:03:03,280

the house then was at least 75 years old

87

00:03:05,910 --> 00:03:04,000

and has since

88

00:03:08,309 --> 00:03:05,920

been raised to the ground and a brand

89

00:03:09,910 --> 00:03:08,319

new structure built in its place

90

00:03:11,990 --> 00:03:09,920

when my family moved in there we

91

00:03:14,710 --> 00:03:12,000

experienced the same sort of events

92

00:03:15,509 --> 00:03:14,720

arguments abusive situations strange

93

00:03:17,190 --> 00:03:15,519

phenomena

94

00:03:18,949 --> 00:03:17,200

but not to the point where we all

95

00:03:21,110 --> 00:03:18,959

noticed it right away

96

00:03:22,710 --> 00:03:21,120

in fact my younger brother was a skeptic

97

00:03:25,190 --> 00:03:22,720

up to the point where things began

98

00:03:27,270 --> 00:03:25,200

happening to him as well i think he took

99

00:03:28,229 --> 00:03:27,280

this attitude to allay the fears he must

100

00:03:30,070 --> 00:03:28,239

have had

101
00:03:32,070 --> 00:03:30,080
our father moved out of the house after

102
00:03:34,309 --> 00:03:32,080
the first year and away to another

103
00:03:35,509 --> 00:03:34,319
part of the country so just the three of

104
00:03:37,670 --> 00:03:35,519
us were left

105
00:03:40,070 --> 00:03:37,680
at one point we had family come and live

106
00:03:42,309 --> 00:03:40,080
with us before they too departed

107
00:03:44,949 --> 00:03:42,319
my experiences began with an event i

108
00:03:46,949 --> 00:03:44,959
will never forget when i was 16.

109
00:03:47,990 --> 00:03:46,959
it was summer and i had difficulty

110
00:03:50,710 --> 00:03:48,000
sleeping

111
00:03:52,789 --> 00:03:50,720
this went on for one month approximately

112
00:03:55,270 --> 00:03:52,799
then one night i had fallen into a light

113
00:03:57,270 --> 00:03:55,280

sleep when i was violently awakened

114

00:03:58,470 --> 00:03:57,280

i recall hearing a sound that i thought

115

00:04:00,309 --> 00:03:58,480

was an explosion

116

00:04:02,470 --> 00:04:00,319

and thinking that our stove must have

117

00:04:04,229 --> 00:04:02,480

exploded in the kitchen below me

118

00:04:06,390 --> 00:04:04,239

i opened my eyes and looked around the

119

00:04:08,550 --> 00:04:06,400

room in the darkness but saw nothing to

120

00:04:10,949 --> 00:04:08,560

indicate anything was happening

121

00:04:11,750 --> 00:04:10,959

suddenly my bed began to shake violently

122

00:04:13,270 --> 00:04:11,760

up and down

123

00:04:15,990 --> 00:04:13,280

and it felt as though i was being

124

00:04:18,310 --> 00:04:16,000

electrocuted through my solar plexus

125

00:04:20,310 --> 00:04:18,320

i couldn't move but i could see my feet

126
00:04:21,189 --> 00:04:20,320
moving as the bed was jumping up and

127
00:04:23,590 --> 00:04:21,199
down

128
00:04:25,189 --> 00:04:23,600
some objects rose up off my dresser and

129
00:04:26,870 --> 00:04:25,199
shot towards the bed i thought they

130
00:04:27,990 --> 00:04:26,880
would hit me as they approached with

131
00:04:30,070 --> 00:04:28,000
such speed

132
00:04:32,150 --> 00:04:30,080
in fact they stopped suddenly and began

133
00:04:33,510 --> 00:04:32,160
to swirl around in a counterclockwise

134
00:04:35,350 --> 00:04:33,520
direction above me

135
00:04:36,870 --> 00:04:35,360
and from the center of the swirl a

136
00:04:38,469 --> 00:04:36,880
bright white light appeared

137
00:04:40,230 --> 00:04:38,479
and some voices which were like

138
00:04:41,110 --> 00:04:40,240

high-pitched shrieks or nails on a

139

00:04:43,830 --> 00:04:41,120

blackboard

140

00:04:46,469 --> 00:04:43,840

said quite clearly the message we bring

141

00:04:49,189 --> 00:04:46,479

is to tell the people he is still alive

142

00:04:51,430 --> 00:04:49,199

and then everything stops suddenly i was

143

00:04:53,189 --> 00:04:51,440

terrified and basically thought i would

144

00:04:55,430 --> 00:04:53,199

end up in a nut house

145

00:04:57,430 --> 00:04:55,440

i remember shaking from fear so much i

146

00:04:59,510 --> 00:04:57,440

could barely get out of bed

147

00:05:01,510 --> 00:04:59,520

i made my way to my mom's room to tell

148

00:05:03,510 --> 00:05:01,520

her about it at which point she assured

149

00:05:05,590 --> 00:05:03,520

me i was having nightmares

150

00:05:06,710 --> 00:05:05,600

say your prayers and go back to sleep

151
00:05:08,790 --> 00:05:06,720
she said

152
00:05:09,990 --> 00:05:08,800
i returned to my room after an hour or

153
00:05:12,550 --> 00:05:10,000
more but i couldn't

154
00:05:14,150 --> 00:05:12,560
sleep it was a long time before i could

155
00:05:16,070 --> 00:05:14,160
sleep there in fact

156
00:05:17,189 --> 00:05:16,080
the next event happened the following

157
00:05:19,510 --> 00:05:17,199
january

158
00:05:21,510 --> 00:05:19,520
i was coming home very late one night

159
00:05:23,510 --> 00:05:21,520
and decided to take the shortcut through

160
00:05:25,670 --> 00:05:23,520
the alleyway by our street

161
00:05:28,150 --> 00:05:25,680
i passed a parked van with windows all

162
00:05:30,550 --> 00:05:28,160
around and i saw movement in the van

163
00:05:31,909 --> 00:05:30,560

which made me feel somehow by its shape

164

00:05:33,909 --> 00:05:31,919

size and response

165

00:05:35,590 --> 00:05:33,919

that it was doberman someone had left

166

00:05:37,909 --> 00:05:35,600

outside in their van

167

00:05:39,670 --> 00:05:37,919

i kept walking but the thought pestered

168

00:05:41,670 --> 00:05:39,680

me that someone should leave their dog

169

00:05:43,590 --> 00:05:41,680

out in mid-winter in the night

170

00:05:46,390 --> 00:05:43,600

so i went back to the van cautiously

171

00:05:48,310 --> 00:05:46,400

peering in but there was nothing at all

172

00:05:49,670 --> 00:05:48,320

not even a cushion or anything hanging

173

00:05:52,469 --> 00:05:49,680

from the ceiling

174

00:05:54,790 --> 00:05:52,479

okay i thought i guess i imagined it i

175

00:05:56,790 --> 00:05:54,800

happily kept walking home and when i was

176
00:05:58,550 --> 00:05:56,800
in the alley i suddenly heard footsteps

177
00:06:00,469 --> 00:05:58,560
behind me in the snow

178
00:06:03,110 --> 00:06:00,479
i got a little freaked out and when i

179
00:06:05,189 --> 00:06:03,120
turned my head i didn't see anyone there

180
00:06:06,469 --> 00:06:05,199
as i got to the end of the alleyway and

181
00:06:08,469 --> 00:06:06,479
turned onto my street

182
00:06:10,390 --> 00:06:08,479
i looked back to the entrance to see if

183
00:06:13,029 --> 00:06:10,400
anyone was following me

184
00:06:14,629 --> 00:06:13,039
what i saw shocked and terrified me

185
00:06:15,270 --> 00:06:14,639
there was a streetlight right at the

186
00:06:16,790 --> 00:06:15,280
corner

187
00:06:18,950 --> 00:06:16,800
and in the pool of its light was

188
00:06:21,749 --> 00:06:18,960

standing this enormous creature

189

00:06:23,510 --> 00:06:21,759

it was at least eight feet tall and huge

190

00:06:24,629 --> 00:06:23,520

what struck me was that its form was

191

00:06:26,870 --> 00:06:24,639

completely black

192

00:06:28,070 --> 00:06:26,880

there were no reflective surfaces on it

193

00:06:30,230 --> 00:06:28,080

whatsoever

194

00:06:33,029 --> 00:06:30,240

in fact the light was shining directly

195

00:06:35,029 --> 00:06:33,039

on it and it seemed to absorb that light

196

00:06:36,710 --> 00:06:35,039

it had large things on its head which i

197

00:06:38,710 --> 00:06:36,720

took to be horns or ears

198

00:06:40,550 --> 00:06:38,720

and its fingers ended in points like

199

00:06:43,029 --> 00:06:40,560

claws and the feet as well

200

00:06:44,230 --> 00:06:43,039

its eyes were red completely and staring

201

00:06:46,309 --> 00:06:44,240

right at me

202

00:06:49,510 --> 00:06:46,319

i don't think my feet touch the ground i

203

00:06:52,070 --> 00:06:49,520

ran so fast after that experience i had

204

00:06:54,309 --> 00:06:52,080

a few others with the same creature

205

00:06:56,390 --> 00:06:54,319

another night i came home late again and

206

00:06:58,950 --> 00:06:56,400

i fell onto my bed after shutting the

207

00:07:00,870 --> 00:06:58,960

door just wanting to fall asleep

208

00:07:03,189 --> 00:07:00,880

my cat was in the bed with me when we

209

00:07:06,390 --> 00:07:03,199

both heard a voice laughing in the room

210

00:07:08,309 --> 00:07:06,400

a masculine voice my cat freaked out and

211

00:07:09,589 --> 00:07:08,319

ran to the door scratching and meowing

212

00:07:12,230 --> 00:07:09,599

loudly to get out

213

00:07:13,430 --> 00:07:12,240

i opened the door and she took off i

214

00:07:15,430 --> 00:07:13,440

just didn't want to believe

215

00:07:17,350 --> 00:07:15,440

anything was in there with me so i

216

00:07:19,189 --> 00:07:17,360

pointedly turn my back to the rest of

217

00:07:21,270 --> 00:07:19,199

the room man went to sleep

218

00:07:23,029 --> 00:07:21,280

another night i turned over and opened

219

00:07:25,189 --> 00:07:23,039

my eyes early in the morning

220

00:07:27,510 --> 00:07:25,199

and there was the same creature smaller

221

00:07:28,870 --> 00:07:27,520

though standing in front of my closet

222

00:07:31,430 --> 00:07:28,880

staring at me

223

00:07:32,870 --> 00:07:31,440

i recall i got really mad and told it to

224

00:07:35,350 --> 00:07:32,880

f off and turned around

225

00:07:37,749 --> 00:07:35,360

and went back to sleep meanwhile my

226
00:07:40,550 --> 00:07:37,759
brother had seen the exact same creature

227
00:07:42,710 --> 00:07:40,560
but his had yellow eyes he confided the

228
00:07:44,070 --> 00:07:42,720
story to me years later when we had left

229
00:07:46,950 --> 00:07:44,080
the house and had no

230
00:07:48,869 --> 00:07:46,960
knowledge of my experiences he told me

231
00:07:50,710 --> 00:07:48,879
he had awakened early one morning

232
00:07:52,550 --> 00:07:50,720
and found that he had left the light on

233
00:07:54,550 --> 00:07:52,560
in his room thinking that he should get

234
00:07:56,230 --> 00:07:54,560
up and turn it off he turned onto his

235
00:07:57,510 --> 00:07:56,240
back and open his eyes

236
00:07:59,589 --> 00:07:57,520
and they're sitting on his bed's

237
00:08:01,909 --> 00:07:59,599
headboard was the same creature

238
00:08:04,309 --> 00:08:01,919

talons on feet and hands completely

239

00:08:06,469 --> 00:08:04,319

black with no reflective surfaces

240

00:08:08,230 --> 00:08:06,479

but is was he said about four feet tall

241

00:08:10,710 --> 00:08:08,240

and squatting on the headboard

242

00:08:13,029 --> 00:08:10,720

staring at him with yellow eyes he said

243

00:08:14,790 --> 00:08:13,039

he was terrified and decided not to turn

244

00:08:16,790 --> 00:08:14,800

off the light after all

245

00:08:18,629 --> 00:08:16,800

i don't remember if he said it vanished

246

00:08:21,110 --> 00:08:18,639

quickly or if he shut his eyes

247

00:08:22,629 --> 00:08:21,120

and when he opened them it was gone he

248

00:08:24,869 --> 00:08:22,639

said he never saw it again

249

00:08:26,070 --> 00:08:24,879

but had other strange experiences in

250

00:08:28,070 --> 00:08:26,080

that house

251
00:08:30,390 --> 00:08:28,080
one day we decided that we should trade

252
00:08:33,029 --> 00:08:30,400
rooms so i moved all my stuff

253
00:08:34,949 --> 00:08:33,039
out to his room and vice versa i teased

254
00:08:35,909 --> 00:08:34,959
him and said he'd have to share my room

255
00:08:38,310 --> 00:08:35,919
with a visitor

256
00:08:40,070 --> 00:08:38,320
but he was disbelieving after i had

257
00:08:42,070 --> 00:08:40,080
moved to his room i had my last

258
00:08:43,750 --> 00:08:42,080
experience in that house that was in the

259
00:08:45,829 --> 00:08:43,760
shadow people realm

260
00:08:47,430 --> 00:08:45,839
i woke up one night to a sound in my

261
00:08:49,350 --> 00:08:47,440
room like rustling

262
00:08:50,870 --> 00:08:49,360
i was wide awake because i thought it

263
00:08:52,790 --> 00:08:50,880

might be a mouse

264

00:08:54,150 --> 00:08:52,800

i switched on my lamp and looked toward

265

00:08:56,070 --> 00:08:54,160

the other end of the room

266

00:08:58,310 --> 00:08:56,080

but seeing and hearing nothing i lay

267

00:08:59,990 --> 00:08:58,320

down again with the light still on

268

00:09:01,750 --> 00:09:00,000

i turned to look at the clock and saw

269

00:09:03,750 --> 00:09:01,760

that it was 2 20 am

270

00:09:05,670 --> 00:09:03,760

then i saw these two large globes of

271

00:09:07,910 --> 00:09:05,680

light beyond my nightstand

272

00:09:09,750 --> 00:09:07,920

i was frozen up on one elbow because i

273

00:09:10,470 --> 00:09:09,760

had been about to turn out my light

274

00:09:12,230 --> 00:09:10,480

again

275

00:09:13,750 --> 00:09:12,240

they move in a way that reminded me of

276

00:09:15,350 --> 00:09:13,760

balloons falling

277

00:09:18,230 --> 00:09:15,360

the larger of the two was gold and

278

00:09:20,070 --> 00:09:18,240

yellow in color and the smaller was blue

279

00:09:22,070 --> 00:09:20,080

they look like spheres lit from within

280

00:09:24,470 --> 00:09:22,080

and emanating a misty light from their

281

00:09:25,829 --> 00:09:24,480

forms i somehow could sense that they

282

00:09:27,430 --> 00:09:25,839

were intelligent

283

00:09:29,190 --> 00:09:27,440

they knew that i was looking at the man

284

00:09:31,269 --> 00:09:29,200

they wanted me to see

285

00:09:32,790 --> 00:09:31,279

the larger golden one floated almost

286

00:09:34,710 --> 00:09:32,800

majestically to the door

287

00:09:36,949 --> 00:09:34,720

where upon it flattened to a pancake

288

00:09:38,070 --> 00:09:36,959

shape in under half a second and slipped

289

00:09:40,230 --> 00:09:38,080

under the door

290

00:09:41,670 --> 00:09:40,240

the second smaller one followed along

291

00:09:43,590 --> 00:09:41,680

and did the same

292

00:09:45,829 --> 00:09:43,600

i was very nervous and scared at that

293

00:09:46,710 --> 00:09:45,839

point but only because i had to go to

294

00:09:48,550 --> 00:09:46,720

the bathroom

295

00:09:49,990 --> 00:09:48,560

and this meant i had to go out into the

296

00:09:52,790 --> 00:09:50,000

hallway where they had vanished

297

00:09:54,870 --> 00:09:52,800

to our hallway was very dark and without

298

00:09:56,949 --> 00:09:54,880

a proper light as the house was old and

299

00:09:58,870 --> 00:09:56,959

not renovated very well

300

00:10:00,550 --> 00:09:58,880

i waited for as long as i could which

301
00:10:02,710 --> 00:10:00,560
was about 15 minutes

302
00:10:05,030 --> 00:10:02,720
and then i cautiously opened my door and

303
00:10:06,949 --> 00:10:05,040
went the hallway was pitch black

304
00:10:08,870 --> 00:10:06,959
so my plan was to inch my way to the

305
00:10:11,350 --> 00:10:08,880
bathroom with my back to the wall

306
00:10:13,509 --> 00:10:11,360
so nothing could sneak up on me and once

307
00:10:15,590 --> 00:10:13,519
i got there i could turn on the bathroom

308
00:10:17,350 --> 00:10:15,600
light to illuminate the hallway

309
00:10:19,350 --> 00:10:17,360
i followed my plan through and as it

310
00:10:19,750 --> 00:10:19,360
turned out when i turned on the bathroom

311
00:10:21,670 --> 00:10:19,760
light

312
00:10:22,949 --> 00:10:21,680
it shone down onto the stairs and the

313
00:10:25,670 --> 00:10:22,959

first landing

314

00:10:27,190 --> 00:10:25,680

in the light were two shadow people i've

315

00:10:28,790 --> 00:10:27,200

only ever thought of them that way

316

00:10:30,069 --> 00:10:28,800

because there was no other way to

317

00:10:32,230 --> 00:10:30,079

describe them

318

00:10:33,190 --> 00:10:32,240

they look like shadows only they were in

319

00:10:34,550 --> 00:10:33,200

the light

320

00:10:36,790 --> 00:10:34,560

they didn't look like the other

321

00:10:38,470 --> 00:10:36,800

creatures i had seen in fact they look

322

00:10:40,630 --> 00:10:38,480

like people in the sense that they had a

323

00:10:41,509 --> 00:10:40,640

head and arms and legs and torso and

324

00:10:45,190 --> 00:10:41,519

hands

325

00:10:46,069 --> 00:10:45,200

surprise like i caught them on

326

00:10:47,670 --> 00:10:46,079

expectedly

327

00:10:49,110 --> 00:10:47,680

and then they flew down the stairs

328

00:10:50,870 --> 00:10:49,120

without a sound

329

00:10:52,710 --> 00:10:50,880

it took me a long time to come out of

330

00:10:55,110 --> 00:10:52,720

that bathroom as i didn't want to

331

00:10:57,430 --> 00:10:55,120

encounter any of these things again

332

00:10:58,550 --> 00:10:57,440

unlike your other poster these creatures

333

00:11:00,870 --> 00:10:58,560

never touched me

334

00:11:02,150 --> 00:11:00,880

at least to my knowledge and never tried

335

00:11:03,990 --> 00:11:02,160

to hurt me

336

00:11:06,630 --> 00:11:04,000

although they did scare the dickens out

337

00:11:08,630 --> 00:11:06,640

of me i recall telling these stories to

338

00:11:09,110 --> 00:11:08,640

people years later in other parts of the

339

00:11:11,430 --> 00:11:09,120

world

340

00:11:13,110 --> 00:11:11,440

and hearing similar tales and wondering

341

00:11:15,269 --> 00:11:13,120

just what they could be

342

00:11:16,310 --> 00:11:15,279

somehow we don't seem that much closer

343

00:11:18,069 --> 00:11:16,320

to knowing

344

00:11:20,389 --> 00:11:18,079

i would conjecture though that as is the

345

00:11:22,389 --> 00:11:20,399

case with plant and insect life here

346

00:11:24,949 --> 00:11:22,399

we certainly haven't got all the facts

347

00:11:27,190 --> 00:11:24,959

in yet perhaps these creatures share the

348

00:11:28,870 --> 00:11:27,200

world we live in but in a different way

349

00:11:30,870 --> 00:11:28,880

and we have learned to ignore them or

350

00:11:33,030 --> 00:11:30,880

pretend they don't exist

351
00:11:33,990 --> 00:11:33,040
maybe they are trying to tell us they do

352
00:11:35,670 --> 00:11:34,000
exist

353
00:11:37,750 --> 00:11:35,680
perhaps like us there are those with

354
00:11:39,190 --> 00:11:37,760
good intentions and those with not so

355
00:11:40,870 --> 00:11:39,200
good intentions

356
00:11:43,190 --> 00:11:40,880
it's my opinion that we are getting

357
00:11:50,069 --> 00:11:43,200
closer to the truth every day

358
00:11:53,509 --> 00:11:52,629
this is lon strickler if you like this

359
00:11:55,269 --> 00:11:53,519
program

360
00:11:56,629 --> 00:11:55,279
it would help us if you would give it a

361
00:11:59,509 --> 00:11:56,639
thumbs up

362
00:11:59,990 --> 00:11:59,519
then subscribe and click the bell icon

363
00:12:02,310 --> 00:12:00,000

so you

364

00:12:04,389 --> 00:12:02,320

get notification when we upload new

365

00:12:07,509 --> 00:12:04,399

first person encounters

366

00:12:09,990 --> 00:12:07,519

we have many more to come very soon and

367

00:12:12,389 --> 00:12:10,000

by the way if you have a suggestion
