

**Great flying lizards  
in the USA?**

**Multiple reports of  
NEW JERSEY  
DRAGONS?**

**BXP**

1  
00:00:12,880 --> 00:00:10,600

[Music]

2  
00:00:17,830 --> 00:00:12,890

[Applause]

3  
00:00:21,990 --> 00:00:19,670

welcome to the best of first person

4  
00:00:24,870 --> 00:00:22,000

episodes of phantoms and monsters

5  
00:00:25,429 --> 00:00:24,880

please like subscribe and hit the bell

6  
00:00:28,830 --> 00:00:25,439

icon

7  
00:00:31,830 --> 00:00:28,840

so you'll be notified of all future

8  
00:00:34,470 --> 00:00:31,840

uploads

9  
00:00:36,470 --> 00:00:34,480

bragging flying over south jersey last

10  
00:00:38,389 --> 00:00:36,480

weekend i was driving on marshallville

11  
00:00:39,190 --> 00:00:38,399

road by the river near tuckahoe new

12  
00:00:41,510 --> 00:00:39,200

jersey

13  
00:00:43,190 --> 00:00:41,520

i don't know the time but it was dusk

14

00:00:44,549 --> 00:00:43,200

and the sky was light enough to see

15

00:00:46,389 --> 00:00:44,559

anything in the sky

16

00:00:47,830 --> 00:00:46,399

i caught a glimpse of a huge flying

17

00:00:50,229 --> 00:00:47,840

creature crossing the roadway

18

00:00:52,229 --> 00:00:50,239

approximately 100 feet in the air

19

00:00:54,150 --> 00:00:52,239

i swear it was shaped like a dragon

20

00:00:56,709 --> 00:00:54,160

silhouetted against the lighter sky

21

00:00:58,950 --> 00:00:56,719

flying south towards the state forest i

22

00:01:00,869 --> 00:00:58,960

looked at it for almost 10 seconds

23

00:01:03,110 --> 00:01:00,879

the wings were wide and there was a long

24

00:01:04,390 --> 00:01:03,120

tail the head was licky at that of an

25

00:01:06,230 --> 00:01:04,400

unknown reptile

26

00:01:08,390 --> 00:01:06,240

it was dark in color and flapped the

27

00:01:09,429 --> 00:01:08,400

giant wings which had to be 30 feet or

28

00:01:11,429 --> 00:01:09,439

more in width

29

00:01:13,429 --> 00:01:11,439

there was another car behind me they

30

00:01:14,550 --> 00:01:13,439

definitely saw it by the expression on

31

00:01:16,390 --> 00:01:14,560

their faces

32

00:01:17,990 --> 00:01:16,400

i pulled over and the two people in the

33

00:01:18,390 --> 00:01:18,000

other car looked over when they passed

34

00:01:20,789 --> 00:01:18,400

me

35

00:01:23,510 --> 00:01:20,799

pointing to the sky i tried to get them

36

00:01:25,590 --> 00:01:23,520

to stop but they were moving by too fast

37

00:01:26,789 --> 00:01:25,600

i lowered my window and yelled but they

38

00:01:28,870 --> 00:01:26,799

continued on

39

00:01:30,710 --> 00:01:28,880

when i stuck my head out of the window i

40

00:01:32,469 --> 00:01:30,720

immediately smelled a foul stench and

41

00:01:35,190 --> 00:01:32,479

felt worn down drafts

42

00:01:36,630 --> 00:01:35,200

it was very weird i'm not naive and i

43

00:01:39,030 --> 00:01:36,640

know that this could not have been an

44

00:01:40,789 --> 00:01:39,040

actual animal i almost feel like i

45

00:01:41,910 --> 00:01:40,799

entered a time warp at the time this

46

00:01:43,590 --> 00:01:41,920

creature appeared

47

00:01:46,069 --> 00:01:43,600

for the rest of the evening i had a

48

00:01:48,389 --> 00:01:46,079

physical reaction similar to jet lag

49

00:01:50,069 --> 00:01:48,399

i haven't said anything to anyone else i

50

00:01:52,149 --> 00:01:50,079

live alone and retired

51  
00:01:54,069 --> 00:01:52,159  
i've lived in this area for most of my

52  
00:01:56,230 --> 00:01:54,079  
life and i've never experienced

53  
00:01:58,310 --> 00:01:56,240  
anything like this there has been no

54  
00:02:00,069 --> 00:01:58,320  
mention of this in the local news

55  
00:02:01,350 --> 00:02:00,079  
i may have seen something i shouldn't

56  
00:02:09,990 --> 00:02:01,360  
have sir

57  
00:02:13,430 --> 00:02:12,229  
flying over south new jersey dragon

58  
00:02:15,270 --> 00:02:13,440  
terrace or what

59  
00:02:16,949 --> 00:02:15,280  
i just read about that flying dragon

60  
00:02:17,510 --> 00:02:16,959  
over south new jersey in where new

61  
00:02:19,670 --> 00:02:17,520  
jersey

62  
00:02:20,550 --> 00:02:19,680  
and i've have a very similar experience

63  
00:02:22,470 --> 00:02:20,560

twice

64

00:02:24,710 --> 00:02:22,480

first time was about three years ago in

65

00:02:25,270 --> 00:02:24,720

march i was driving near marlton new

66

00:02:27,830 --> 00:02:25,280

jersey

67

00:02:30,070 --> 00:02:27,840

and the veris area at around 3pm looked

68

00:02:31,910 --> 00:02:30,080

up and seen this huge creature flying

69

00:02:33,750 --> 00:02:31,920

i was in complete shock because i could

70

00:02:35,910 --> 00:02:33,760

not believe the size of this thing

71

00:02:37,750 --> 00:02:35,920

and the sun was still out at the time so

72

00:02:39,509 --> 00:02:37,760

i had a pretty good sight of it

73

00:02:40,790 --> 00:02:39,519

it was no bird because it did not have

74

00:02:42,550 --> 00:02:40,800

feathers nor fur

75

00:02:43,910 --> 00:02:42,560

these gigantic wings like a bat

76

00:02:45,509 --> 00:02:43,920

reptilian head

77

00:02:47,910 --> 00:02:45,519

exactly like how the other person

78

00:02:49,509 --> 00:02:47,920

described i was in the car with family

79

00:02:51,190 --> 00:02:49,519

and by the time i could get a word out

80

00:02:52,470 --> 00:02:51,200

of my mouth and point at it it had

81

00:02:54,630 --> 00:02:52,480

already flown away

82

00:02:56,710 --> 00:02:54,640

its thin color was like a light beige

83

00:02:59,350 --> 00:02:56,720

and it didn't even flap its wings

84

00:02:59,990 --> 00:02:59,360

hindu just glided it was flying very low

85

00:03:02,630 --> 00:03:00,000

as well

86

00:03:04,710 --> 00:03:02,640

almost resembled a pterodactyl second

87

00:03:06,869 --> 00:03:04,720

time was actually in breeze

88

00:03:09,110 --> 00:03:06,879

again driving home midnight last year

89

00:03:11,110 --> 00:03:09,120

around 9 00 pm october 30th

90

00:03:12,949 --> 00:03:11,120

i saw the same exact body shape but

91

00:03:13,990 --> 00:03:12,959

slightly smaller and flying lower than

92

00:03:15,670 --> 00:03:14,000

the first one

93

00:03:17,830 --> 00:03:15,680

freaky thing of this one was that its

94

00:03:20,229 --> 00:03:17,840

eyes glowed this crazy bright red

95

00:03:22,070 --> 00:03:20,239

my car lights the eyes on it freaked me

96

00:03:23,430 --> 00:03:22,080

out so much i couldn't tell anyone for

97

00:03:25,750 --> 00:03:23,440

at least two days

98

00:03:27,750 --> 00:03:25,760

this one also had a darker skin tone or

99

00:03:28,229 --> 00:03:27,760

maybe it was just the time of day i saw

100

00:03:30,390 --> 00:03:28,239

it

101  
00:03:32,309 --> 00:03:30,400  
i had a very good look on both creatures

102  
00:03:33,430 --> 00:03:32,319  
i'm very aware of all the animals that

103  
00:03:35,270 --> 00:03:33,440  
live around me

104  
00:03:37,589 --> 00:03:35,280  
this is not like anything i have ever

105  
00:03:39,350 --> 00:03:37,599  
seen i did not experience any false

106  
00:03:41,030 --> 00:03:39,360  
sense because i did not roll down my

107  
00:03:42,869 --> 00:03:41,040  
window racks in my car

108  
00:03:45,270 --> 00:03:42,879  
just wanted to share my part maybe it

109  
00:03:47,380 --> 00:03:45,280  
would have helped thanks for reading

110  
00:03:52,630 --> 00:03:47,390  
rf

111  
00:03:55,670 --> 00:03:52,640  
[Music]

112  
00:03:57,429 --> 00:03:55,680  
another dragon over new jersey i just

113  
00:04:00,070 --> 00:03:57,439

read your post about the dragon

114

00:04:02,309 --> 00:04:00,080

cited over southern new jersey that took

115

00:04:04,309 --> 00:04:02,319

me by surprise because i had a similar

116

00:04:05,270 --> 00:04:04,319

experience in the mid 80s when i was

117

00:04:08,550 --> 00:04:05,280

still a kid

118

00:04:09,030 --> 00:04:08,560

about 10 years old i think it was before

119

00:04:11,030 --> 00:04:09,040

noon

120

00:04:13,750 --> 00:04:11,040

in the springtime and i was biking

121

00:04:15,910 --> 00:04:13,760

around a local ballpark by my house

122

00:04:17,030 --> 00:04:15,920

nottingham baseball field in hamilton

123

00:04:19,349 --> 00:04:17,040

new jersey

124

00:04:20,629 --> 00:04:19,359

there were no games scheduled that day

125

00:04:23,350 --> 00:04:20,639

so i was alone

126

00:04:23,749 --> 00:04:23,360

as far as i could tell there was a play

127

00:04:25,350 --> 00:04:23,759

area

128

00:04:27,030 --> 00:04:25,360

and a pond by the woods that i would

129

00:04:28,950 --> 00:04:27,040

frequent when i was bored

130

00:04:30,070 --> 00:04:28,960

in the hopes of finding other kids to

131

00:04:32,150 --> 00:04:30,080

play with

132

00:04:33,430 --> 00:04:32,160

about halfway there while looking up at

133

00:04:35,590 --> 00:04:33,440

the clouds and sky

134

00:04:36,710 --> 00:04:35,600

i saw what i thought was a plane coming

135

00:04:39,110 --> 00:04:36,720

from the south

136

00:04:41,430 --> 00:04:39,120

there's a small airstrip by us and there

137

00:04:41,990 --> 00:04:41,440

were some very cool biplanes that would

138

00:04:44,870 --> 00:04:42,000

fly by

139

00:04:46,150 --> 00:04:44,880

from time to time my favorite was a red

140

00:04:48,150 --> 00:04:46,160

baron style one

141

00:04:50,790 --> 00:04:48,160

and i thought that was it because of the

142

00:04:53,430 --> 00:04:50,800

color i stopped and turned to watch

143

00:04:55,430 --> 00:04:53,440

and wave it's what kids do when the

144

00:04:57,830 --> 00:04:55,440

plane gave its wings a single

145

00:04:59,189 --> 00:04:57,840

long flap that's when i realized it

146

00:05:01,909 --> 00:04:59,199

wasn't a plane

147

00:05:02,710 --> 00:05:01,919

it was a dragon there is no doubt in my

148

00:05:05,110 --> 00:05:02,720

mind

149

00:05:07,029 --> 00:05:05,120

it was dark red and i could see the sun

150

00:05:07,990 --> 00:05:07,039

shimmering off its scales as it got

151  
00:05:10,950 --> 00:05:08,000  
closer

152  
00:05:12,150 --> 00:05:10,960  
needless to say i didn't wave i felt

153  
00:05:14,710 --> 00:05:12,160  
frozen to the spot

154  
00:05:16,070 --> 00:05:14,720  
dumb struck a little scared and very

155  
00:05:18,230 --> 00:05:16,080  
very excited

156  
00:05:19,830 --> 00:05:18,240  
it was huge flying at about the same

157  
00:05:21,909 --> 00:05:19,840  
height as the biplanes do

158  
00:05:22,870 --> 00:05:21,919  
and it didn't make any sound as it went

159  
00:05:25,270 --> 00:05:22,880  
overhead

160  
00:05:26,629 --> 00:05:25,280  
just gliding it was like a classical

161  
00:05:28,230 --> 00:05:26,639  
european dragon

162  
00:05:30,469 --> 00:05:28,240  
but the proportions were a little

163  
00:05:32,230 --> 00:05:30,479

different when it was right overhead i

164

00:05:34,469 --> 00:05:32,240

felt a blast of heat

165

00:05:35,270 --> 00:05:34,479

i assumed it was its fiery breath at the

166

00:05:37,189 --> 00:05:35,280

time

167

00:05:38,629 --> 00:05:37,199

i was absolutely vibrating with

168

00:05:40,469 --> 00:05:38,639

excitement and looking around

169

00:05:41,430 --> 00:05:40,479

frantically for anyone else that might

170

00:05:43,749 --> 00:05:41,440

be around

171

00:05:45,909 --> 00:05:43,759

the ball fields were empty no one was

172

00:05:47,990 --> 00:05:45,919

outside in the nearby houses

173

00:05:49,749 --> 00:05:48,000

that kept going at a steady clip and

174

00:05:51,029 --> 00:05:49,759

right before it disappeared over the

175

00:05:53,270 --> 00:05:51,039

tree line to the north

176  
00:05:54,150 --> 00:05:53,280  
it gave another slow flap of its massive

177  
00:05:56,070 --> 00:05:54,160  
wings

178  
00:05:58,309 --> 00:05:56,080  
i turned right around and sped out of

179  
00:05:59,510 --> 00:05:58,319  
the park hoping to find someone else who

180  
00:06:01,830 --> 00:05:59,520  
saw it too

181  
00:06:02,870 --> 00:06:01,840  
no one everyone was inside their homes

182  
00:06:05,029 --> 00:06:02,880  
that early

183  
00:06:06,150 --> 00:06:05,039  
when i got home i realized no one would

184  
00:06:08,870 --> 00:06:06,160  
believe me

185  
00:06:10,309 --> 00:06:08,880  
so i never told my parents they'd think

186  
00:06:12,790 --> 00:06:10,319  
i was making it up

187  
00:06:14,870 --> 00:06:12,800  
instead i told my older sister but she

188  
00:06:16,309 --> 00:06:14,880

said i probably saw a hanged lighter or

189

00:06:18,150 --> 00:06:16,319

a fancy plane

190

00:06:19,670 --> 00:06:18,160

it was such an odd sighting i never

191

00:06:21,909 --> 00:06:19,680

perused it further

192

00:06:23,510 --> 00:06:21,919

nice to see the dragons are still flying

193

00:06:25,670 --> 00:06:23,520

over new jersey though

194

00:06:26,550 --> 00:06:25,680

thanks for all you do your blog is

195

00:06:27,370 --> 00:06:26,560

awesome

196

00:06:38,950 --> 00:06:27,380

d

197

00:06:40,790 --> 00:06:38,960

beings

198

00:06:42,469 --> 00:06:40,800

it happened about six years ago when i

199

00:06:42,950 --> 00:06:42,479

was staying with some friends in a small

200

00:06:45,670 --> 00:06:42,960

town

201  
00:06:47,430 --> 00:06:45,680  
about 30 miles north of orlando florida

202  
00:06:49,510 --> 00:06:47,440  
it was in july and every night i'd go

203  
00:06:51,670 --> 00:06:49,520  
outside to check out the night sky

204  
00:06:53,589 --> 00:06:51,680  
it was about 9 00 pm and i had gone out

205  
00:06:55,510 --> 00:06:53,599  
to do my nightly thing but when i looked

206  
00:06:56,390 --> 00:06:55,520  
up at the moon which was almost directly

207  
00:06:58,150 --> 00:06:56,400  
overhead i

208  
00:07:00,150 --> 00:06:58,160  
actually looked a way to rub my eyes

209  
00:07:01,830 --> 00:07:00,160  
because i couldn't believe what i saw

210  
00:07:03,189 --> 00:07:01,840  
but when i looked back it was still

211  
00:07:04,950 --> 00:07:03,199  
there no illusion

212  
00:07:06,950 --> 00:07:04,960  
there flying around the moon in a

213  
00:07:08,950 --> 00:07:06,960

clockwise direction from my point of

214

00:07:10,710 --> 00:07:08,960

view were these enormous beings which

215

00:07:12,629 --> 00:07:10,720

looked like flying dragons

216

00:07:15,110 --> 00:07:12,639

by the very slow swoop of their bat-like

217

00:07:16,710 --> 00:07:15,120

wings i could tell they were truly huge

218

00:07:18,390 --> 00:07:16,720

there were dozens on them but when i

219

00:07:19,110 --> 00:07:18,400

looked up higher there were tears and

220

00:07:21,110 --> 00:07:19,120

tears of them

221

00:07:22,629 --> 00:07:21,120

all circling in the same direction and

222

00:07:23,189 --> 00:07:22,639

there must have been over a hundred of

223

00:07:25,110 --> 00:07:23,199

them

224

00:07:26,950 --> 00:07:25,120

they were all black being silhouetted by

225

00:07:28,309 --> 00:07:26,960

the moon above them so i could see no

226

00:07:30,469 --> 00:07:28,319

colors or details

227

00:07:32,790 --> 00:07:30,479

they were reptilians i estimate the

228

00:07:34,390 --> 00:07:32,800

lowest ones were about 500 feet up but

229

00:07:36,150 --> 00:07:34,400

it's hard to know for sure

230

00:07:37,670 --> 00:07:36,160

it was a really frightening sight and i

231

00:07:39,589 --> 00:07:37,680

wondered if they could see me standing

232

00:07:41,830 --> 00:07:39,599

down there on the dark driveway

233

00:07:43,110 --> 00:07:41,840

not a very comforting thought i wanted

234

00:07:44,950 --> 00:07:43,120

to run to get my friends

235

00:07:46,629 --> 00:07:44,960

to witness what i was seeing but was

236

00:07:48,950 --> 00:07:46,639

afraid of what i might miss

237

00:07:50,390 --> 00:07:48,960

just then i noticed an enormous craft

238

00:07:51,749 --> 00:07:50,400

slowly approaching from the right of

239

00:07:53,589 --> 00:07:51,759

where the beings flew

240

00:07:55,110 --> 00:07:53,599

it was around a dozen times the width of

241

00:07:56,950 --> 00:07:55,120

the moon and blacker than black

242

00:07:59,589 --> 00:07:56,960

and the classic saucer shape but there

243

00:08:01,270 --> 00:07:59,599

was no dome or any lights or windows

244

00:08:02,950 --> 00:08:01,280

but i noticed something i'd never heard

245

00:08:05,189 --> 00:08:02,960

mentioned before and that was there was

246

00:08:06,869 --> 00:08:05,199

the siri black wispy curling mist

247

00:08:08,629 --> 00:08:06,879

all along the edge of the ship which i

248

00:08:09,589 --> 00:08:08,639

thought it must be some type of cloaking

249

00:08:11,589 --> 00:08:09,599

device

250

00:08:13,270 --> 00:08:11,599

the ship was totally silent as it slowly

251  
00:08:15,510 --> 00:08:13,280  
approached where the creatures flew

252  
00:08:16,550 --> 00:08:15,520  
never speeding up or slowing down or

253  
00:08:18,230 --> 00:08:16,560  
stopping

254  
00:08:19,909 --> 00:08:18,240  
finally it engulfed the entire area

255  
00:08:20,550 --> 00:08:19,919  
where the dragons flew and when it

256  
00:08:22,790 --> 00:08:20,560  
inched away

257  
00:08:24,790 --> 00:08:22,800  
the night sky was again empty save for

258  
00:08:26,710 --> 00:08:24,800  
the cold stars and the gibbous moon

259  
00:08:28,309 --> 00:08:26,720  
i directly went inside and told my

260  
00:08:30,070 --> 00:08:28,319  
friends what i just seen

261  
00:08:32,149 --> 00:08:30,080  
being the skeptics they are they said

262  
00:08:33,829 --> 00:08:32,159  
i'd probably only seen bats or birds

263  
00:08:35,430 --> 00:08:33,839

but i know what i witnessed and it was

264

00:08:37,909 --> 00:08:35,440

something i'd never before seen

265

00:08:39,029 --> 00:08:37,919

and hope to never see again i do have an

266

00:08:41,269 --> 00:08:39,039

idea of what had happened

267

00:08:42,070 --> 00:08:41,279

only a guess you know how when people

268

00:08:43,829 --> 00:08:42,080

were outboating

269

00:08:45,430 --> 00:08:43,839

they will sometimes jump into the water

270

00:08:47,350 --> 00:08:45,440

for a refreshing swim

271

00:08:49,350 --> 00:08:47,360

well maybe those reptilians left their

272

00:08:51,190 --> 00:08:49,360

craft to stretch those terrible wings

273

00:08:53,030 --> 00:08:51,200

and were just circling there waiting for

274

00:08:54,150 --> 00:08:53,040

their ship to catch up with them to get

275

00:08:56,070 --> 00:08:54,160

back on board

276  
00:08:58,230 --> 00:08:56,080  
that's only a guess and who knows what

277  
00:09:00,310 --> 00:08:58,240  
evil mischief they had really been up to

278  
00:09:01,990 --> 00:09:00,320  
for days and days after that experience

279  
00:09:03,750 --> 00:09:02,000  
i worried they might return to do some

280  
00:09:05,350 --> 00:09:03,760  
harm to me for spying on them but

281  
00:09:07,509 --> 00:09:05,360  
thankfully if they saw me

282  
00:09:08,550 --> 00:09:07,519  
i wasn't considered a threat this is a

283  
00:09:10,070 --> 00:09:08,560  
true experience

284  
00:09:16,790 --> 00:09:10,080  
and one that is enough to last a

285  
00:09:20,230 --> 00:09:19,350  
this is lon strickler if you like this

286  
00:09:21,990 --> 00:09:20,240  
program

287  
00:09:23,350 --> 00:09:22,000  
it would help us if you would give it a

288  
00:09:26,150 --> 00:09:23,360

thumbs up

289

00:09:26,630 --> 00:09:26,160

then subscribe and click the bell icon

290

00:09:29,030 --> 00:09:26,640

so you

291

00:09:31,110 --> 00:09:29,040

get notification when we upload new

292

00:09:34,230 --> 00:09:31,120

first person encounters

293

00:09:34,949 --> 00:09:34,240

we have many more to come very soon and

294

00:09:37,110 --> 00:09:34,959

by the way

295

00:09:38,710 --> 00:09:37,120

if you have a suggestion or an
