

**ARCANE RADIO** 

Exploring the Unexplained 

**July 8th, 2017**

**Disturbing Bigfoot**  
**Cryptid Updates & Horrifying**  
**Bigfoot Encounters**

**BXP**

1  
00:00:04,070 --> 00:00:01,910  
and good evening everyone welcome to

2  
00:00:05,510 --> 00:00:04,080  
arcane radio i'm sean the fort chop

3  
00:00:06,070 --> 00:00:05,520  
forker joining you tonight on this

4  
00:00:09,830 --> 00:00:06,080  
special

5  
00:00:11,270 --> 00:00:09,840  
saturday night edition of the show

6  
00:00:13,430 --> 00:00:11,280  
tonight we're going to be talking about

7  
00:00:16,070 --> 00:00:13,440  
horrifying bigfoot encounters scary

8  
00:00:17,830 --> 00:00:16,080  
bigfoot tales to give you goosebumps

9  
00:00:19,189 --> 00:00:17,840  
and i think it's going to be a fun show

10  
00:00:20,630 --> 00:00:19,199  
something a little lighter than what

11  
00:00:22,470 --> 00:00:20,640  
we've been talking about but before we

12  
00:00:24,710 --> 00:00:22,480  
get into all that

13  
00:00:26,070 --> 00:00:24,720

i'm joined as always by the every man

14

00:00:28,230 --> 00:00:26,080

over at phantoms and monsters the

15

00:00:29,109 --> 00:00:28,240

editor-in-chief the grand poobah lon

16

00:00:31,669 --> 00:00:29,119

strickler

17

00:00:33,750 --> 00:00:31,679

and mr butch watkowski guys welcome to

18

00:00:36,549 --> 00:00:33,760

the show tonight

19

00:00:37,910 --> 00:00:36,559

good evening sir well you got your [h\_\_h]

20

00:00:40,310 --> 00:00:37,920

together tonight anyway

21

00:00:41,350 --> 00:00:40,320

oh i'm telling you what we got uh

22

00:00:43,190 --> 00:00:41,360

everything firing off

23

00:00:44,389 --> 00:00:43,200

you know all this traveling i've been

24

00:00:47,350 --> 00:00:44,399

doing for work and

25

00:00:49,029 --> 00:00:47,360

last night for personal pleasures uh

26

00:00:50,630 --> 00:00:49,039

these updates catch up to you

27

00:00:53,189 --> 00:00:50,640

and there's nothing worse than getting

28

00:00:54,950 --> 00:00:53,199

ready to go live

29

00:00:56,549 --> 00:00:54,960

and an update failing and then you have

30

00:00:58,549 --> 00:00:56,559

to go and redo everything in fact you

31

00:01:00,630 --> 00:00:58,559

and i had a problem right away

32

00:01:02,549 --> 00:01:00,640

uh tonight when we got on there took us

33

00:01:06,469 --> 00:01:02,559

a couple minutes so i apologize

34

00:01:08,630 --> 00:01:06,479

for yeah i know it's crazy

35

00:01:10,630 --> 00:01:08,640

damn well see skype skate's putting

36

00:01:12,950 --> 00:01:10,640

advertising on now

37

00:01:14,390 --> 00:01:12,960

and you told me i that's right microsoft

38

00:01:16,230 --> 00:01:14,400

had bought them so now they're using

39

00:01:18,550 --> 00:01:16,240

advertising on there

40

00:01:20,630 --> 00:01:18,560

so of course you know that's taking up

41

00:01:22,230 --> 00:01:20,640

bandwidth too so

42

00:01:23,670 --> 00:01:22,240

it's crazy whatever and you know we

43

00:01:25,350 --> 00:01:23,680

always appreciate you sticking with us

44

00:01:26,070 --> 00:01:25,360

through all these technical difficulties

45

00:01:27,830 --> 00:01:26,080

but

46

00:01:30,310 --> 00:01:27,840

you know we do provide you a good

47

00:01:31,830 --> 00:01:30,320

quality show at free of charge so

48

00:01:34,550 --> 00:01:31,840

sometimes you get what you pay for we

49

00:01:36,069 --> 00:01:34,560

still love you but uh

50

00:01:37,910 --> 00:01:36,079

it's it's sometimes it's a pain in the

51

00:01:40,469 --> 00:01:37,920

ass to get this going but

52

00:01:41,190 --> 00:01:40,479

it is what it is and tonight we're here

53

00:01:42,710 --> 00:01:41,200

and uh

54

00:01:44,389 --> 00:01:42,720

before we get into the horrifying

55

00:01:45,670 --> 00:01:44,399

bigfoot encounters why don't we talk

56

00:01:47,510 --> 00:01:45,680

about

57

00:01:49,190 --> 00:01:47,520

uh well whatever it is you want to talk

58

00:01:50,550 --> 00:01:49,200

about uh lon butch we got some

59

00:01:51,830 --> 00:01:50,560

interesting things coming down the pipe

60

00:01:55,190 --> 00:01:51,840

today

61

00:01:57,109 --> 00:01:55,200

well we've had um since the last time we

62

00:02:00,149 --> 00:01:57,119

did a show we've had two more

63

00:02:03,749 --> 00:02:00,159

uh sightings out in chicago and

64

00:02:05,670 --> 00:02:03,759

uh one was a was actually

65

00:02:07,429 --> 00:02:05,680

a second sighting around he added a

66

00:02:11,589 --> 00:02:07,439

planetarium

67

00:02:15,190 --> 00:02:11,599

uh that was a witness contacted me

68

00:02:18,630 --> 00:02:17,190

you know it was a good sighting i mean

69

00:02:22,309 --> 00:02:18,640

he basically

70

00:02:24,869 --> 00:02:22,319

verified the previous sighting a week

71

00:02:26,309 --> 00:02:24,879

a week before that at the adler

72

00:02:28,790 --> 00:02:26,319

planetary i mean this was

73

00:02:29,350 --> 00:02:28,800

this is one from the same night same

74

00:02:33,430 --> 00:02:29,360

time

75

00:02:36,790 --> 00:02:33,440

so um he saw the same thing

76

00:02:39,990 --> 00:02:36,800

and then we had another one

77

00:02:43,270 --> 00:02:40,000

uh last from last friday night

78

00:02:44,070 --> 00:02:43,280

gentleman over at uh and this is what

79

00:02:46,710 --> 00:02:44,080

gets me

80

00:02:48,070 --> 00:02:46,720

he was he was a security guy over the

81

00:02:49,990 --> 00:02:48,080

outbar

82

00:02:51,750 --> 00:02:50,000

which you know the owl which is kind of

83

00:02:53,110 --> 00:02:51,760

funny because you know you know my story

84

00:02:56,309 --> 00:02:53,120

with al's

85

00:03:02,830 --> 00:03:00,070

uh he um he gave a

86

00:03:05,589 --> 00:03:02,840

very interesting a very interesting

87

00:03:07,190 --> 00:03:05,599

report because he was outside he would

88

00:03:08,229 --> 00:03:07,200

say he was leaning up against the walls

89

00:03:11,750 --> 00:03:08,239

about

90

00:03:14,869 --> 00:03:11,760

this is the 30th

91

00:03:16,949 --> 00:03:14,879

of june this was in the logan square

92

00:03:20,470 --> 00:03:16,959

area 2500 block of north

93

00:03:21,270 --> 00:03:20,480

milwaukee avenue and he said along the

94

00:03:22,630 --> 00:03:21,280

time he said

95

00:03:24,949 --> 00:03:22,640

it's a few people walking up and down

96

00:03:26,949 --> 00:03:24,959

the street say he noticed

97

00:03:28,470 --> 00:03:26,959

a large bat like creature flying above

98

00:03:32,070 --> 00:03:28,480

the street lights

99

00:03:33,509 --> 00:03:32,080

says about 60 to 70 foot away and it was

100

00:03:35,350 --> 00:03:33,519

across the street there used to be a

101  
00:03:36,789 --> 00:03:35,360  
building there but it was had just been

102  
00:03:38,390 --> 00:03:36,799  
leveled

103  
00:03:40,070 --> 00:03:38,400  
and it's a lot and he said this thing

104  
00:03:44,630 --> 00:03:40,080  
was flying over the

105  
00:03:49,670 --> 00:03:47,830  
he said when he looked at it the thing

106  
00:03:51,750 --> 00:03:49,680  
wasn't looking at him but it was kind of

107  
00:03:53,509 --> 00:03:51,760  
had his hand turned toward the other way

108  
00:03:55,589 --> 00:03:53,519  
and he knows something that we haven't

109  
00:03:59,190 --> 00:03:55,599  
gotten before

110  
00:04:01,110 --> 00:03:59,200  
uh a pointed crest

111  
00:04:02,789 --> 00:04:01,120  
coming out from extending from the back

112  
00:04:05,110 --> 00:04:02,799  
of the head and he said

113  
00:04:07,750 --> 00:04:05,120

it was similar to a pterosaur you know

114

00:04:11,670 --> 00:04:07,760

like you see like a pterodactyl

115

00:04:13,670 --> 00:04:11,680

and uh he didn't see eyes or anything

116

00:04:16,069 --> 00:04:13,680

but the description of the body was it

117

00:04:19,110 --> 00:04:16,079

was about five five and a half foot

118

00:04:20,069 --> 00:04:19,120

in length the body and it was grayish in

119

00:04:21,670 --> 00:04:20,079

color

120

00:04:23,350 --> 00:04:21,680

because it was well illuminated because

121

00:04:25,749 --> 00:04:23,360

the street lights

122

00:04:27,350 --> 00:04:25,759

i said the head was human-like but much

123

00:04:29,110 --> 00:04:27,360

thinner just like the one we got in

124

00:04:31,909 --> 00:04:29,120

lincoln park

125

00:04:33,189 --> 00:04:31,919

and had that pointed crest and he said

126

00:04:35,749 --> 00:04:33,199

that um

127

00:04:37,189 --> 00:04:35,759

the body tapered to the back and it

128

00:04:40,550 --> 00:04:37,199

looked like there were short legs or

129

00:04:42,790 --> 00:04:40,560

appendages tucked up underneath it

130

00:04:44,150 --> 00:04:42,800

and the wing spans about eight to ten

131

00:04:47,189 --> 00:04:44,160

foot

132

00:04:49,909 --> 00:04:47,199

the wings were bat like membrane

133

00:04:51,030 --> 00:04:49,919

but heavy like that of a pterosaur so

134

00:04:53,670 --> 00:04:51,040

the witness

135

00:04:55,749 --> 00:04:53,680

noticed that it the being flapped its

136

00:04:57,909 --> 00:04:55,759

wings to gain speed and height

137

00:04:59,189 --> 00:04:57,919

and then it would glide so there was no

138

00:05:03,110 --> 00:04:59,199

sound

139

00:05:06,230 --> 00:05:03,120

uh you said as as it went by him

140

00:05:10,230 --> 00:05:06,240

it flapped got a burst of speed and went

141

00:05:15,670 --> 00:05:10,240

up in the clouds

142

00:05:19,670 --> 00:05:18,310

you know unfortunately he said his his

143

00:05:21,670 --> 00:05:19,680

phone was inside the bar

144

00:05:23,350 --> 00:05:21,680

charging at the time because he said he

145

00:05:24,629 --> 00:05:23,360

grabbed for his phone he realized didn't

146

00:05:28,790 --> 00:05:24,639

have it

147

00:05:30,790 --> 00:05:28,800

and uh but

148

00:05:32,950 --> 00:05:30,800

you know he was pretty convincing and he

149

00:05:35,830 --> 00:05:32,960

wouldn't embellish on her or anything so

150

00:05:37,110 --> 00:05:35,840

you know this is um this was a good

151

00:05:38,150 --> 00:05:37,120

sighting and it had a little bit of

152

00:05:41,590 --> 00:05:38,160

different

153

00:05:44,870 --> 00:05:41,600

flavor to it but it was um

154

00:05:47,110 --> 00:05:44,880

it was a good sighting very strange

155

00:05:48,390 --> 00:05:47,120

uh i just put in the chat tara people

156

00:05:50,550 --> 00:05:48,400

like

157

00:05:53,189 --> 00:05:50,560

are we are we seeing something

158

00:05:56,469 --> 00:05:55,110

that's the first time i got that thing

159

00:05:57,270 --> 00:05:56,479

the description that are coming off

160

00:05:59,110 --> 00:05:57,280

backwards head

161

00:06:00,309 --> 00:05:59,120

now of course you know i i personally

162

00:06:02,070 --> 00:06:00,319

believe

163

00:06:03,590 --> 00:06:02,080

that we're dealing with with more than

164

00:06:06,950 --> 00:06:03,600

one i think

165

00:06:09,029 --> 00:06:06,960

minimum two maybe three um

166

00:06:11,029 --> 00:06:09,039

where they're coming from i don't know i

167

00:06:12,469 --> 00:06:11,039

was reading some interesting things last

168

00:06:17,110 --> 00:06:12,479

night

169

00:06:23,270 --> 00:06:20,230

and possible portals in lake michigan

170

00:06:26,469 --> 00:06:23,280

under water portals that open up

171

00:06:29,430 --> 00:06:26,479

and a few other oddball things

172

00:06:31,189 --> 00:06:29,440

i don't know if that's the case i have i

173

00:06:33,189 --> 00:06:31,199

did mention once before that one of the

174

00:06:36,870 --> 00:06:33,199

sightings had a green

175

00:06:38,230 --> 00:06:36,880

ufo uh associated with that others had

176  
00:06:41,510 --> 00:06:38,240  
flashing

177  
00:06:44,550 --> 00:06:41,520  
that came south uh

178  
00:06:46,070 --> 00:06:44,560  
these portals have been known to open in

179  
00:06:48,390 --> 00:06:46,080  
lake michigan

180  
00:06:50,309 --> 00:06:48,400  
in the area the the michigan triangle if

181  
00:06:52,710 --> 00:06:50,319  
you're familiar with that

182  
00:06:54,230 --> 00:06:52,720  
and when these portals open up and

183  
00:06:57,510 --> 00:06:54,240  
people see craft coming

184  
00:06:59,990 --> 00:06:57,520  
out of the water it's the so

185  
00:07:02,469 --> 00:07:00,000  
there are a lot of green flashes and

186  
00:07:04,550 --> 00:07:02,479  
green orbs associated with it

187  
00:07:05,909 --> 00:07:04,560  
so i don't know if that has any kind of

188  
00:07:06,950 --> 00:07:05,919

connection or not

189

00:07:09,909 --> 00:07:06,960

or it's something i'm going to be

190

00:07:14,950 --> 00:07:12,870

well i it gets more and more interesting

191

00:07:16,550 --> 00:07:14,960

every time we get a report

192

00:07:18,390 --> 00:07:16,560

you know we've had a lot of people

193

00:07:20,309 --> 00:07:18,400

comment to us over the weeks

194

00:07:22,469 --> 00:07:20,319

about what's going on there some people

195

00:07:25,270 --> 00:07:22,479

frustrated that we're not

196

00:07:25,670 --> 00:07:25,280

being hard enough on witnesses some

197

00:07:27,029 --> 00:07:25,680

people

198

00:07:28,870 --> 00:07:27,039

frustrated that we're not getting more

199

00:07:30,469 --> 00:07:28,880

reports and i think we've been getting

200

00:07:31,270 --> 00:07:30,479

quite a few reports to be honest with

201  
00:07:34,710 --> 00:07:31,280  
you

202  
00:07:35,110 --> 00:07:34,720  
and i and butch is that we just don't

203  
00:07:38,550 --> 00:07:35,120  
have an

204  
00:07:40,870 --> 00:07:38,560  
answer to what it is because

205  
00:07:42,230 --> 00:07:40,880  
this is a different again yet another

206  
00:07:44,390 --> 00:07:42,240  
different sighting

207  
00:07:46,790 --> 00:07:44,400  
a different type of sighting that we've

208  
00:07:51,029 --> 00:07:46,800  
experienced and we've received

209  
00:07:52,629 --> 00:07:51,039  
yeah yeah i mean it's um

210  
00:07:54,150 --> 00:07:52,639  
it was interesting you know we had that

211  
00:07:55,670 --> 00:07:54,160  
layoff of about 10 days

212  
00:07:57,430 --> 00:07:55,680  
nobody had any report that doesn't mean

213  
00:08:00,790 --> 00:07:57,440

it wasn't out there

214

00:08:03,350 --> 00:08:00,800

but uh now we have gotten to report the

215

00:08:05,430 --> 00:08:03,360

last two reports for people that have um

216

00:08:07,110 --> 00:08:05,440

that waited a couple days before they

217

00:08:09,430 --> 00:08:07,120

reported it

218

00:08:11,670 --> 00:08:09,440

uh in fact the one before that was a

219

00:08:14,550 --> 00:08:11,680

couple who had waited a month

220

00:08:16,950 --> 00:08:14,560

so people are kind of hesitant of course

221

00:08:19,350 --> 00:08:16,960

to report it

222

00:08:20,390 --> 00:08:19,360

i i guess if somebody got a photo or

223

00:08:23,110 --> 00:08:20,400

something of it

224

00:08:24,469 --> 00:08:23,120

they'd report it quicker but then again

225

00:08:26,230 --> 00:08:24,479

that may be a

226

00:08:27,670 --> 00:08:26,240

situation where somebody won't report it

227

00:08:31,110 --> 00:08:27,680

at all figuring they're gonna

228

00:08:35,110 --> 00:08:31,120

monetize off of it somehow

229

00:08:43,430 --> 00:08:39,509

the media and the city itself

230

00:08:46,150 --> 00:08:43,440

they've been pretty quiet and uh

231

00:08:48,470 --> 00:08:46,160

that's something else i'm looking into i

232

00:08:51,110 --> 00:08:48,480

i'm just a little surprised

233

00:08:53,190 --> 00:08:51,120

that people are um associated with the

234

00:08:56,230 --> 00:08:53,200

city and the media are just

235

00:08:59,670 --> 00:08:56,240

not wanting to say anything

236

00:09:01,990 --> 00:08:59,680

so um you know i guess it all goes into

237

00:09:03,190 --> 00:09:02,000

this you know but uh

238

00:09:05,030 --> 00:09:03,200

you know it's one of these things where

239

00:09:07,590 --> 00:09:05,040

we just gotta wait and see you know

240

00:09:09,590 --> 00:09:07,600

if something falls in our lap that kind

241

00:09:11,030 --> 00:09:09,600

of gives us an idea of what the hell is

242

00:09:14,470 --> 00:09:11,040

going on then

243

00:09:15,829 --> 00:09:14,480

we'll follow up on it i mean but so far

244

00:09:17,910 --> 00:09:15,839

you know we haven't really gotten a

245

00:09:20,829 --> 00:09:17,920

smoking gun yet but

246

00:09:22,070 --> 00:09:20,839

we've gotten excellent descriptions and

247

00:09:24,389 --> 00:09:22,080

uh

248

00:09:26,150 --> 00:09:24,399

and very good witnesses and to be honest

249

00:09:27,829 --> 00:09:26,160

with you it's too far for me to just get

250

00:09:29,990 --> 00:09:27,839

in my car and go and investigate

251

00:09:32,150 --> 00:09:30,000

you know like it's well it's same here

252

00:09:33,910 --> 00:09:32,160

it's a different

253

00:09:36,870 --> 00:09:33,920

different type of investigation we have

254

00:09:39,190 --> 00:09:36,880

to rely on investigators in that area

255

00:09:40,710 --> 00:09:39,200

to get us and we've got some good ones

256

00:09:41,829 --> 00:09:40,720

out there yeah i mean i've got people

257

00:09:44,310 --> 00:09:41,839

out there that are

258

00:09:45,430 --> 00:09:44,320

helping it tremendously i mean and uh

259

00:09:47,910 --> 00:09:45,440

you know of course

260

00:09:49,110 --> 00:09:47,920

manuel's been getting reports as well so

261

00:09:51,910 --> 00:09:49,120

um

262

00:09:53,430 --> 00:09:51,920

yeah i mean you know we're getting to

263

00:09:55,430 --> 00:09:53,440

talk to people we're getting people to

264

00:09:58,470 --> 00:09:55,440

look into areas

265

00:09:59,829 --> 00:09:58,480

uh i think right now there are three of

266

00:10:02,710 --> 00:09:59,839

us

267

00:10:04,389 --> 00:10:02,720

uh that are looking at things and maybe

268

00:10:05,750 --> 00:10:04,399

some other groups but they're not really

269

00:10:08,630 --> 00:10:05,760

saying much

270

00:10:10,550 --> 00:10:08,640

uh you know i guess when they get some

271

00:10:12,150 --> 00:10:10,560

info they'll let me know about her

272

00:10:14,230 --> 00:10:12,160

won't let me know but either one i don't

273

00:10:17,350 --> 00:10:14,240

know so we'll see

274

00:10:19,590 --> 00:10:17,360

um it doesn't seem anybody else is

275

00:10:22,949 --> 00:10:19,600

reporting anything

276

00:10:25,910 --> 00:10:24,310

i don't know we'll just have to wait and

277

00:10:28,310 --> 00:10:25,920

see what happens well that's all we can

278

00:10:31,190 --> 00:10:28,320

do like report on what we get

279

00:10:31,990 --> 00:10:31,200

disseminate what we get and then we'll

280

00:10:34,790 --> 00:10:32,000

go from there

281

00:10:35,350 --> 00:10:34,800

and who knows where this is gonna lead

282

00:10:37,269 --> 00:10:35,360

us

283

00:10:39,110 --> 00:10:37,279

what kind of uh path this is gonna lead

284

00:10:40,710 --> 00:10:39,120

us down like we've already come up with

285

00:10:44,150 --> 00:10:40,720

some pretty interesting

286

00:10:44,550 --> 00:10:44,160

theories now we just gotta wait and see

287

00:10:53,590 --> 00:10:44,560

what

288

00:10:55,590 --> 00:10:53,600

talk about before we jump into

289

00:10:57,110 --> 00:10:55,600

to the well butch butch got a report

290

00:11:01,190 --> 00:10:57,120

today you want to talk about that but

291

00:11:02,730 --> 00:11:01,200

yeah butch bipedal buddy has made

292

00:11:05,210 --> 00:11:02,740

another sighting

293

00:11:09,269 --> 00:11:05,220

[Music]

294

00:11:12,150 --> 00:11:09,279

[Laughter]

295

00:11:12,790 --> 00:11:12,160

poor james anyway up in mifflin county

296

00:11:14,790 --> 00:11:12,800

uh

297

00:11:16,230 --> 00:11:14,800

the sighting date was the fourth of july

298

00:11:18,710 --> 00:11:16,240

this year

299

00:11:20,550 --> 00:11:18,720

approximately 11 10 a.m number of

300

00:11:23,509 --> 00:11:20,560

witnesses too

301  
00:11:24,630 --> 00:11:23,519  
a resident and a friend of his who live

302  
00:11:27,430 --> 00:11:24,640  
in the weikert pa

303  
00:11:29,269 --> 00:11:27,440  
area were on a designated hiking trail

304  
00:11:30,710 --> 00:11:29,279  
in the bald eagle state park

305  
00:11:32,310 --> 00:11:30,720  
when they heard something walking to

306  
00:11:34,949 --> 00:11:32,320  
their right in the woods

307  
00:11:36,550 --> 00:11:34,959  
as if it was following them they looked

308  
00:11:38,470 --> 00:11:36,560  
on several occasions in that direction

309  
00:11:39,110 --> 00:11:38,480  
but saw nothing and continue to hear the

310  
00:11:40,949 --> 00:11:39,120  
noise

311  
00:11:42,790 --> 00:11:40,959  
as if something was walking parallel to

312  
00:11:43,670 --> 00:11:42,800  
them their first thought it might have

313  
00:11:45,350 --> 00:11:43,680

been a deer

314

00:11:46,710 --> 00:11:45,360

but then the substantial noise that was

315

00:11:48,150 --> 00:11:46,720

coming

316

00:11:50,069 --> 00:11:48,160

the second guess was it could have been

317

00:11:51,990 --> 00:11:50,079

a bear now the one gentleman was armed

318

00:11:55,190 --> 00:11:52,000

with a 40 caliber clock pistol so

319

00:11:56,550 --> 00:11:55,200

they continued and heard a sudden

320

00:11:58,949 --> 00:11:56,560

stopping noise

321

00:12:00,710 --> 00:11:58,959

and the noise just ceased they stopped

322

00:12:02,470 --> 00:12:00,720

to look around there was nothing visible

323

00:12:03,990 --> 00:12:02,480

to the right or left

324

00:12:05,910 --> 00:12:04,000

then they turned around to look behind

325

00:12:08,069 --> 00:12:05,920

them and approximately 50 yards

326

00:12:09,590 --> 00:12:08,079

behind them stood a large animal they

327

00:12:11,590 --> 00:12:09,600

first thought was a bear standing on his

328

00:12:13,350 --> 00:12:11,600

hind legs but quickly quickly realized

329

00:12:15,030 --> 00:12:13,360

it was not a bear

330

00:12:16,550 --> 00:12:15,040

witness description was a large

331

00:12:18,629 --> 00:12:16,560

wolf-like head with

332

00:12:20,629 --> 00:12:18,639

short pointed ears eight to ten foot

333

00:12:23,509 --> 00:12:20,639

tall long muscular human-like

334

00:12:25,750 --> 00:12:23,519

arms and hands massive chest very thin

335

00:12:29,190 --> 00:12:25,760

around the waist area muscular legs

336

00:12:32,629 --> 00:12:29,200

and the knees down what looked like

337

00:12:34,150 --> 00:12:32,639

the dog's hind legs hocked its coat was

338

00:12:35,590 --> 00:12:34,160

very short and dark brown

339

00:12:38,790 --> 00:12:35,600

could have been black but it looked

340

00:12:40,310 --> 00:12:38,800

brown it made no movement toward them

341

00:12:42,310 --> 00:12:40,320

but just kept staring at them

342

00:12:44,710 --> 00:12:42,320

what with what is described by the

343

00:12:46,470 --> 00:12:44,720

witnesses bright yellowish eyes

344

00:12:48,310 --> 00:12:46,480

they started back to the area where they

345

00:12:50,069 --> 00:12:48,320

had left their vehicle

346

00:12:52,310 --> 00:12:50,079

and looking back constantly but it was

347

00:12:54,310 --> 00:12:52,320

not there

348

00:12:55,910 --> 00:12:54,320

but again they heard the following to

349

00:12:58,069 --> 00:12:55,920

the right

350

00:12:59,829 --> 00:12:58,079

parallel to where they were walking and

351  
00:13:01,190 --> 00:12:59,839  
there was noise as before emitting from

352  
00:13:03,030 --> 00:13:01,200  
the woods

353  
00:13:04,550 --> 00:13:03,040  
upon arriving from their vehicle to

354  
00:13:06,470 --> 00:13:04,560  
their vehicle there

355  
00:13:07,590 --> 00:13:06,480  
stood in the tree line watching them as

356  
00:13:10,710 --> 00:13:07,600  
they stayed

357  
00:13:13,750 --> 00:13:10,720  
and was still and just stayed there

358  
00:13:17,190 --> 00:13:13,760  
until they left the area

359  
00:13:18,829 --> 00:13:17,200  
um the gentleman is one gentleman

360  
00:13:20,550 --> 00:13:18,839  
is familiar with the woods he works with

361  
00:13:23,750 --> 00:13:20,560  
dcnr

362  
00:13:26,550 --> 00:13:23,760  
and he would also like to remain

363  
00:13:28,790 --> 00:13:26,560

anonymous of course because of his job

364

00:13:30,150 --> 00:13:28,800

but he did leave us contact information

365

00:13:32,790 --> 00:13:30,160

if we needed more information

366

00:13:34,150 --> 00:13:32,800

his companion on the other hand is

367

00:13:35,990 --> 00:13:34,160

shaken up to the point where i think

368

00:13:36,870 --> 00:13:36,000

he's just about ready to sell his hiking

369

00:13:39,910 --> 00:13:36,880

boots

370

00:13:42,629 --> 00:13:39,920

oh wow um

371

00:13:44,470 --> 00:13:42,639

the description is as all that we've

372

00:13:48,230 --> 00:13:44,480

gotten

373

00:13:49,750 --> 00:13:48,240

no different this the terrain up there

374

00:13:52,230 --> 00:13:49,760

is very heavily wooded and heavy

375

00:13:54,870 --> 00:13:52,240

undergrowth

376

00:13:56,550 --> 00:13:54,880

and bald state a bald eagle state park

377

00:13:59,350 --> 00:13:56,560

it just connects to so many

378

00:14:00,629 --> 00:13:59,360

different state parks and forests and

379

00:14:03,590 --> 00:14:00,639

directly west of

380

00:14:05,189 --> 00:14:03,600

of that siding area is where we had the

381

00:14:07,269 --> 00:14:05,199

one siding where the

382

00:14:10,790 --> 00:14:07,279

young lady watched it at her standing at

383

00:14:15,829 --> 00:14:10,800

her pond for about 10 or 15 minutes

384

00:14:17,189 --> 00:14:15,839

so this is just about when they started

385

00:14:18,949 --> 00:14:17,199

in previous reports

386

00:14:20,389 --> 00:14:18,959

they seem to start toward the middle or

387

00:14:23,509 --> 00:14:20,399

the end of the summer

388

00:14:25,030 --> 00:14:23,519

and go into uh the fall

389

00:14:28,829 --> 00:14:25,040

and then they're kind of silent during

390

00:14:35,110 --> 00:14:32,230

so there we go it's on the list

391

00:14:37,430 --> 00:14:35,120

you know what i find interesting guys is

392

00:14:40,629 --> 00:14:37,440

the last couple years the amount

393

00:14:42,829 --> 00:14:40,639

of people that have worked with the dcnr

394

00:14:44,230 --> 00:14:42,839

that are coming forward to report

395

00:14:45,990 --> 00:14:44,240

strange

396

00:14:48,470 --> 00:14:46,000

creature sightings in the woods of

397

00:14:49,990 --> 00:14:48,480

pennsylvania

398

00:14:51,750 --> 00:14:50,000

i mean there's been this third one

399

00:14:54,629 --> 00:14:51,760

pennsylvania uh

400

00:14:55,829 --> 00:14:54,639

and you know i had a gentleman make

401  
00:14:59,110 --> 00:14:55,839  
contact with us

402  
00:15:00,949 --> 00:14:59,120  
a couple years back uh about a bigfoot

403  
00:15:03,189 --> 00:15:00,959  
sighting that they had and and

404  
00:15:05,189 --> 00:15:03,199  
you know again these guys work for the

405  
00:15:08,550 --> 00:15:05,199  
fish and game the dc and r

406  
00:15:09,590 --> 00:15:08,560  
like these are the kind of reports that

407  
00:15:13,350 --> 00:15:09,600  
are telling to me

408  
00:15:15,350 --> 00:15:13,360  
because their gentlemen or women that

409  
00:15:16,790 --> 00:15:15,360  
are used to working in a professional

410  
00:15:18,629 --> 00:15:16,800  
outdoor setting

411  
00:15:20,310 --> 00:15:18,639  
very familiar with the creatures that

412  
00:15:22,470 --> 00:15:20,320  
inhabit the woods of pennsylvania the

413  
00:15:23,990 --> 00:15:22,480

wildlife of pennsylvania

414

00:15:26,230 --> 00:15:24,000

and they see something that they can't

415

00:15:26,870 --> 00:15:26,240

explain why do people have a hard time

416

00:15:30,150 --> 00:15:26,880

with that

417

00:15:33,189 --> 00:15:30,160

like that there would never

418

00:15:34,069 --> 00:15:33,199

be a a better example of an expert

419

00:15:36,629 --> 00:15:34,079

witness

420

00:15:38,150 --> 00:15:36,639

you know what i'm saying like it's just

421

00:15:39,350 --> 00:15:38,160

so telling i don't understand why people

422

00:15:40,710 --> 00:15:39,360

have a hard time with those sighting

423

00:15:42,470 --> 00:15:40,720

reports

424

00:15:44,870 --> 00:15:42,480

and it's kind of funny because in the

425

00:15:47,509 --> 00:15:44,880

last i think on what three months we've

426

00:15:50,790 --> 00:15:47,519

gotten two contacts

427

00:15:52,790 --> 00:15:50,800

from uh the dcnr and both individuals

428

00:15:54,470 --> 00:15:52,800

are willing to help

429

00:15:55,990 --> 00:15:54,480

well butch another thing that's funny

430

00:15:56,949 --> 00:15:56,000

about that and you and i have just

431

00:15:59,189 --> 00:15:56,959

talked about this

432

00:16:00,949 --> 00:15:59,199

you know a couple of months ago is the

433

00:16:02,389 --> 00:16:00,959

amount of people that have retired from

434

00:16:05,030 --> 00:16:02,399

law enforcement that want to be a part

435

00:16:07,749 --> 00:16:05,040

of what we're doing

436

00:16:09,509 --> 00:16:07,759

it's amazing that these guys want to put

437

00:16:11,430 --> 00:16:09,519

their skills to use

438

00:16:14,389 --> 00:16:11,440

in a field where we desperately need

439

00:16:18,069 --> 00:16:14,399

this type of investigation

440

00:16:20,230 --> 00:16:18,079

and uh it's incredible so this is

441

00:16:21,590 --> 00:16:20,240

an expert report in my mind of what

442

00:16:22,949 --> 00:16:21,600

we're talking about here i'm familiar

443

00:16:24,310 --> 00:16:22,959

with the area

444

00:16:28,150 --> 00:16:24,320

that you guys are talking about my

445

00:16:31,910 --> 00:16:28,160

wife's family had a cabin out that way

446

00:16:34,389 --> 00:16:31,920

and it's it's

447

00:16:35,749 --> 00:16:34,399

pretty it can be pretty pretty wild out

448

00:16:37,350 --> 00:16:35,759

there

449

00:16:39,269 --> 00:16:37,360

yeah well i was looking at i was doing

450

00:16:42,550 --> 00:16:39,279

some searches today in the areas

451  
00:16:42,870 --> 00:16:42,560  
and um it's it's as heavily wooded if

452  
00:16:44,470 --> 00:16:42,880  
not

453  
00:16:47,910 --> 00:16:44,480  
more because there's a lot of heavy

454  
00:16:51,269 --> 00:16:47,920  
undergrowth there than clearfield county

455  
00:16:53,910 --> 00:16:51,279  
and it seems like uh

456  
00:16:55,509 --> 00:16:53,920  
there are very few walking trails or

457  
00:16:57,350 --> 00:16:55,519  
fishing streams there

458  
00:16:59,110 --> 00:16:57,360  
unlike clearfield county and other

459  
00:17:02,629 --> 00:16:59,120  
clinton county and other counties

460  
00:17:04,710 --> 00:17:02,639  
but um you know it's the distance

461  
00:17:05,750 --> 00:17:04,720  
i mean from if if we just think about

462  
00:17:07,829 --> 00:17:05,760  
just for a second

463  
00:17:10,069 --> 00:17:07,839

you know we got the strange screams

464

00:17:11,829 --> 00:17:10,079

happening up in your area

465

00:17:13,590 --> 00:17:11,839

and you draw a line down to that area

466

00:17:15,590 --> 00:17:13,600

it's not very far

467

00:17:16,710 --> 00:17:15,600

and you draw a line over to port matilda

468

00:17:19,270 --> 00:17:16,720

where we had the

469

00:17:20,630 --> 00:17:19,280

sighting of the creature by the pond and

470

00:17:21,750 --> 00:17:20,640

take that point and take it up to

471

00:17:24,870 --> 00:17:21,760

clearfield

472

00:17:26,309 --> 00:17:24,880

it's not a very very big area at all

473

00:17:29,029 --> 00:17:26,319

and all these state parks and state

474

00:17:30,830 --> 00:17:29,039

forests they all connect each other

475

00:17:33,029 --> 00:17:30,840

i mean they're all connected one way or

476

00:17:35,190 --> 00:17:33,039

another

477

00:17:36,789 --> 00:17:35,200

to make that trip you're talking you're

478

00:17:39,029 --> 00:17:36,799

talking about an eight or nine hour trip

479

00:17:40,310 --> 00:17:39,039

to make a complete circle

480

00:17:42,310 --> 00:17:40,320

yeah through there don't you think i

481

00:17:44,150 --> 00:17:42,320

mean so it's not i mean it's

482

00:17:46,630 --> 00:17:44,160

it's not a large area but it's a it's a

483

00:17:48,710 --> 00:17:46,640

large area i mean oh yeah if you

484

00:17:50,070 --> 00:17:48,720

if you did a circle if you if you you

485

00:17:51,590 --> 00:17:50,080

know made a circle came back to where

486

00:17:53,590 --> 00:17:51,600

you started absolutely eight or nine

487

00:17:58,789 --> 00:17:53,600

hours

488

00:18:02,150 --> 00:17:59,909

i think that's what people take for

489

00:18:04,710 --> 00:18:02,160

granted i think this particular setting

490

00:18:06,310 --> 00:18:04,720

um and that's why i was talking to butch

491

00:18:09,110 --> 00:18:06,320

about it last night i i

492

00:18:11,430 --> 00:18:09,120

it sounds to me like this thing had um

493

00:18:14,630 --> 00:18:11,440

was protecting something uh you know

494

00:18:19,029 --> 00:18:14,640

maybe a young juvenile or whatever

495

00:18:21,750 --> 00:18:19,039

uh but you know the fact that it circled

496

00:18:22,630 --> 00:18:21,760

past them and got to the location where

497

00:18:24,870 --> 00:18:22,640

they

498

00:18:26,070 --> 00:18:24,880

ended up at this thing was keeping an

499

00:18:28,870 --> 00:18:26,080

eye on them

500

00:18:30,549 --> 00:18:28,880

oh yeah so yeah this thing was you know

501

00:18:33,830 --> 00:18:30,559

i i really i really believe

502

00:18:34,870 --> 00:18:33,840

it was watching something well and i had

503

00:18:36,870 --> 00:18:34,880

i had asked the witness

504

00:18:38,390 --> 00:18:36,880

if you know if he heard any noise in the

505

00:18:38,950 --> 00:18:38,400

woods while they were walking down

506

00:18:40,390 --> 00:18:38,960

through

507

00:18:42,390 --> 00:18:40,400

or when they made their turn around to

508

00:18:44,230 --> 00:18:42,400

come back he said no he said

509

00:18:45,510 --> 00:18:44,240

pretty much we were you know we went all

510

00:18:45,830 --> 00:18:45,520

the way down we didn't hear anything at

511

00:18:48,630 --> 00:18:45,840

all

512

00:18:49,510 --> 00:18:48,640

and then um when they made their turn

513

00:18:51,590 --> 00:18:49,520

around to

514

00:18:52,950 --> 00:18:51,600

go back toward the vehicle that's what

515

00:18:54,390 --> 00:18:52,960

the minute they turned around and

516

00:18:56,470 --> 00:18:54,400

started going back

517

00:18:57,750 --> 00:18:56,480

is when the noise of something walking

518

00:18:59,350 --> 00:18:57,760

and like the guy said he said my first

519

00:19:01,190 --> 00:18:59,360

thought was a deer

520

00:19:03,270 --> 00:19:01,200

but he said then it was just too heavy

521

00:19:04,549 --> 00:19:03,280

too much noise for a deer

522

00:19:06,310 --> 00:19:04,559

and then that's when he figured it might

523

00:19:07,830 --> 00:19:06,320

have been a bear and even when they

524

00:19:09,430 --> 00:19:07,840

didn't see it behind him

525

00:19:11,350 --> 00:19:09,440

fred's first thought was it was a bear

526

00:19:17,029 --> 00:19:11,360

standing up but

527

00:19:21,110 --> 00:19:19,190

yeah it's incredible well that's a good

528

00:19:22,789 --> 00:19:21,120

story and again these are the things i

529

00:19:24,230 --> 00:19:22,799

talk about

530

00:19:26,230 --> 00:19:24,240

when you know i sound like a broken

531

00:19:30,470 --> 00:19:26,240

record here expert witness

532

00:19:31,430 --> 00:19:30,480

testimony from experienced field people

533

00:19:33,190 --> 00:19:31,440

and

534

00:19:34,950 --> 00:19:33,200

they don't get much better than that it

535

00:19:36,390 --> 00:19:34,960

goes right into that and fits right in

536

00:19:41,909 --> 00:19:36,400

that area but

537

00:19:45,430 --> 00:19:44,549

more to come on this one folks but guys

538

00:19:47,990 --> 00:19:45,440

we haven't

539

00:19:51,029 --> 00:19:48,000

go ahead butcher until until this day we

540

00:19:53,590 --> 00:19:51,039

have nothing outside that loop

541

00:19:55,430 --> 00:19:53,600

historical report but i mean as far as

542

00:19:57,750 --> 00:19:55,440

recent reports outside that loop we have

543

00:20:01,830 --> 00:20:00,310

yeah within the last two years they're

544

00:20:06,070 --> 00:20:01,840

all within there i mean it's

545

00:20:07,990 --> 00:20:06,080

uh for whatever reason

546

00:20:09,430 --> 00:20:08,000

however it's getting there or what it's

547

00:20:12,870 --> 00:20:09,440

doing there

548

00:20:17,029 --> 00:20:12,880

i mean it's a big area but still i mean

549

00:20:19,750 --> 00:20:17,039

they're staying within that area itself

550

00:20:21,190 --> 00:20:19,760

but you know if you look at if you look

551  
00:20:23,110 --> 00:20:21,200  
at the area

552  
00:20:25,669 --> 00:20:23,120  
from top to bottom and i'm talking like

553  
00:20:27,830 --> 00:20:25,679  
from the maron line

554  
00:20:28,789 --> 00:20:27,840  
in southern york county up and the whole

555  
00:20:32,230 --> 00:20:28,799  
way up above

556  
00:20:33,990 --> 00:20:32,240  
clearfield uh

557  
00:20:35,430 --> 00:20:34,000  
i mean it's a lot of territory and it's

558  
00:20:38,470 --> 00:20:35,440  
it's a lot

559  
00:20:41,990 --> 00:20:38,480  
a lot of places to hide i mean there are

560  
00:20:45,350 --> 00:20:42,000  
at least five sets of ridges that are

561  
00:20:48,710 --> 00:20:45,360  
you know that are in that

562  
00:20:52,149 --> 00:20:48,720  
that area i mean full mountain ridges

563  
00:20:55,669 --> 00:20:52,159

in valleys so you know oh yeah you got

564

00:20:58,950 --> 00:20:55,679

caves you got tunnels you got old mines

565

00:21:00,470 --> 00:20:58,960

yeah a ton of abandoned properties up

566

00:21:03,830 --> 00:21:00,480

through there

567

00:21:06,070 --> 00:21:03,840

i mean

568

00:21:08,470 --> 00:21:06,080

it's going to be a busy uh season i

569

00:21:09,830 --> 00:21:08,480

think we'll still

570

00:21:12,070 --> 00:21:09,840

have to get some boots on the grounds up

571

00:21:14,070 --> 00:21:12,080

there guys

572

00:21:16,630 --> 00:21:14,080

we gotta we got a team assembled here

573

00:21:18,230 --> 00:21:16,640

now we got guys itching at the bit to

574

00:21:21,430 --> 00:21:18,240

get out there and

575

00:21:24,230 --> 00:21:21,440

look at some stuff oh yeah i've gotten

576

00:21:25,990 --> 00:21:24,240

letters and emails and phone calls from

577

00:21:27,110 --> 00:21:26,000

at least half a dozen volunteers that

578

00:21:29,510 --> 00:21:27,120

actually live in the area

579

00:21:30,950 --> 00:21:29,520

and they're either ex-law enforcement or

580

00:21:32,950 --> 00:21:30,960

current law enforcement

581

00:21:35,350 --> 00:21:32,960

or they were involved somehow with

582

00:21:37,669 --> 00:21:35,360

working in the wooded areas

583

00:21:39,430 --> 00:21:37,679

it's great stuff what i'm looking for i

584

00:21:42,870 --> 00:21:39,440

know what you're looking for too

585

00:21:44,310 --> 00:21:42,880

so tonight's show is about horrifying

586

00:21:45,909 --> 00:21:44,320

bigfoot encounters and we wanted to

587

00:21:47,270 --> 00:21:45,919

spend some time on this because one it's

588

00:21:48,710 --> 00:21:47,280

a fun subject because

589

00:21:51,669 --> 00:21:48,720

who doesn't like to get the [h\_\_h] scared

590

00:21:53,110 --> 00:21:51,679

out of themselves and

591

00:21:54,870 --> 00:21:53,120

and it's getting to be bedtime for some

592

00:21:56,950 --> 00:21:54,880

of our folks out there so

593

00:21:58,310 --> 00:21:56,960

we got about uh we got a little bit of

594

00:21:59,909 --> 00:21:58,320

time here to talk about some of these

595

00:22:02,390 --> 00:21:59,919

and i'll read you one first guys this

596

00:22:04,950 --> 00:22:02,400

has been my absolute favorite one

597

00:22:06,630 --> 00:22:04,960

for a while and it's very chilling and

598

00:22:07,510 --> 00:22:06,640

i'll go ahead and read this and folks go

599

00:22:10,230 --> 00:22:07,520

ahead and

600

00:22:11,430 --> 00:22:10,240

get yourself some uh nice tea and as

601  
00:22:13,990 --> 00:22:11,440  
uncle fork chop

602  
00:22:14,630 --> 00:22:14,000  
read your bedtime story now this is from

603  
00:22:17,350 --> 00:22:14,640  
the

604  
00:22:18,630 --> 00:22:17,360  
bfro website and i read this it's from

605  
00:22:21,430 --> 00:22:18,640  
the year 2004

606  
00:22:22,789 --> 00:22:21,440  
all right in the spring of april uh

607  
00:22:25,270 --> 00:22:22,799  
april 3rd

608  
00:22:25,990 --> 00:22:25,280  
in texas panola county and i'm going to

609  
00:22:27,830 --> 00:22:26,000  
read the narrative

610  
00:22:29,909 --> 00:22:27,840  
right off the bfri website so you guys

611  
00:22:31,830 --> 00:22:29,919  
know i'm not going to embellish any of

612  
00:22:34,710 --> 00:22:31,840  
this

613  
00:22:36,950 --> 00:22:34,720

and it's in the the saban river bottoms

614

00:22:38,470 --> 00:22:36,960

i was hog hunting from a tree stand next

615

00:22:40,789 --> 00:22:38,480

to the sabin river

616

00:22:43,029 --> 00:22:40,799

i had gone to my stand at around 5 30

617

00:22:44,710 --> 00:22:43,039

a.m put out apple slices and table

618

00:22:46,390 --> 00:22:44,720

scrubs to hold the hogs for a few

619

00:22:48,230 --> 00:22:46,400

minutes for a shot

620

00:22:49,990 --> 00:22:48,240

i got in my tree stand and waited for

621

00:22:50,870 --> 00:22:50,000

the woods to settle down and the sun to

622

00:22:53,590 --> 00:22:50,880

rise

623

00:22:55,990 --> 00:22:53,600

at sunup i heard hogs rooting around

624

00:22:57,669 --> 00:22:56,000

working the river's edge towards me

625

00:23:00,789 --> 00:22:57,679

i could first see them to my left at

626  
00:23:02,789 --> 00:23:00,799  
about 45 degrees about 50 yards out

627  
00:23:04,870 --> 00:23:02,799  
no clear shot waiting for them to get to

628  
00:23:08,470 --> 00:23:04,880  
my bait area i noticed movement to my

629  
00:23:10,789 --> 00:23:08,480  
right about 80 yards out putting my

630  
00:23:12,470 --> 00:23:10,799  
rifle scope on it i could see only the

631  
00:23:14,710 --> 00:23:12,480  
side of something's face

632  
00:23:16,230 --> 00:23:14,720  
it was dark hair covered and slowly

633  
00:23:18,310 --> 00:23:16,240  
moving its head around looking in the

634  
00:23:20,230 --> 00:23:18,320  
direction of the hogs

635  
00:23:23,110 --> 00:23:20,240  
at this time it quickly moved to another

636  
00:23:23,669 --> 00:23:23,120  
tree i could see most of its body it was

637  
00:23:25,830 --> 00:23:23,679  
huge

638  
00:23:28,950 --> 00:23:25,840

standing on two legs slowly looking

639

00:23:30,789 --> 00:23:28,960

around the tree at the hogs

640

00:23:32,549 --> 00:23:30,799

at this time i was quite afraid but

641

00:23:33,590 --> 00:23:32,559

tried to keep my scope on it to study

642

00:23:35,350 --> 00:23:33,600

its features

643

00:23:36,950 --> 00:23:35,360

the hogs were still feeding towards my

644

00:23:38,149 --> 00:23:36,960

bait area and the animal was working

645

00:23:40,470 --> 00:23:38,159

towards the hogs

646

00:23:42,230 --> 00:23:40,480

and moved quickly and it disappeared it

647

00:23:44,149 --> 00:23:42,240

quickly reappeared moving to another

648

00:23:46,789 --> 00:23:44,159

tree still looking at the hogs

649

00:23:48,549 --> 00:23:46,799

i could again study its features at this

650

00:23:51,430 --> 00:23:48,559

time i was quite afraid to keep

651  
00:23:53,350 --> 00:23:51,440  
my uh tried afraid but i kept trying to

652  
00:23:55,110 --> 00:23:53,360  
keep my scope on

653  
00:23:57,029 --> 00:23:55,120  
its movement from tree to tree was it

654  
00:23:59,830 --> 00:23:57,039  
quickly planting at the base of

655  
00:24:01,430 --> 00:23:59,840  
of the next tree on two feet standing

656  
00:24:02,710 --> 00:24:01,440  
behind the tree and slowly looking

657  
00:24:04,390 --> 00:24:02,720  
around at the hogs

658  
00:24:06,470 --> 00:24:04,400  
this continued for several minutes until

659  
00:24:08,070 --> 00:24:06,480  
they were about 30 yards apart and

660  
00:24:09,510 --> 00:24:08,080  
almost directly in front of me at about

661  
00:24:11,669 --> 00:24:09,520  
40 yards

662  
00:24:13,510 --> 00:24:11,679  
the animal dropped to all fours bunched

663  
00:24:15,830 --> 00:24:13,520

up its rear legs and leaped

664

00:24:17,510 --> 00:24:15,840

it took two leaps to reach the hogs and

665

00:24:19,510 --> 00:24:17,520

it screamed during the second leap

666

00:24:21,590 --> 00:24:19,520

causing the hogs to panic for a split

667

00:24:25,190 --> 00:24:21,600

second

668

00:24:26,549 --> 00:24:25,200

one hog on its side

669

00:24:29,190 --> 00:24:26,559

knocking it through the air into the

670

00:24:31,110 --> 00:24:29,200

side of a tree as the squealing hog

671

00:24:33,190 --> 00:24:31,120

bounced off the tree it pounced on it

672

00:24:34,870 --> 00:24:33,200

beating it with its fists like a person

673

00:24:36,630 --> 00:24:34,880

pounding on a desk

674

00:24:39,750 --> 00:24:36,640

i could hear bones crunching with each

675

00:24:41,750 --> 00:24:39,760

hip as this happened very fast

676  
00:24:44,310 --> 00:24:41,760  
all this happened very fast about four

677  
00:24:46,310 --> 00:24:44,320  
seconds from first leap to the dead hog

678  
00:24:47,430 --> 00:24:46,320  
the quickness of the attack was very

679  
00:24:49,830 --> 00:24:47,440  
unnerving

680  
00:24:51,750 --> 00:24:49,840  
the three live hogs were in full flight

681  
00:24:53,269 --> 00:24:51,760  
the animal picked up the dead hog

682  
00:24:56,310 --> 00:24:53,279  
tucked it under its arm and started

683  
00:24:58,630 --> 00:24:56,320  
walking off and let out a noise like

684  
00:25:00,470 --> 00:24:58,640  
[Music]

685  
00:25:02,950 --> 00:25:00,480  
it was immediately answered from about

686  
00:25:06,230 --> 00:25:02,960  
200 to 300 yards out by a shorter

687  
00:25:08,070 --> 00:25:06,240  
whoop whoop after a couple more steps in

688  
00:25:09,750 --> 00:25:08,080

the direction of the answer it stopped

689

00:25:12,710 --> 00:25:09,760

dropped the hog and turned to look

690

00:25:14,630 --> 00:25:12,720

past me it turned back to my tree and it

691

00:25:17,110 --> 00:25:14,640

raised its head to look at me

692

00:25:18,870 --> 00:25:17,120

i have never been more afraid of my life

693

00:25:20,149 --> 00:25:18,880

i tried to keep the scope on its head in

694

00:25:22,230 --> 00:25:20,159

case it came after me

695

00:25:24,789 --> 00:25:22,240

it looked at me cocked its head to one

696

00:25:26,230 --> 00:25:24,799

side its face had a curious expression

697

00:25:28,789 --> 00:25:26,240

as if studying me

698

00:25:31,110 --> 00:25:28,799

it opened its mouth showing its teeth

699

00:25:33,110 --> 00:25:31,120

letting out a soft mer sound

700

00:25:34,789 --> 00:25:33,120

and then turned back to pick up the hog

701  
00:25:37,669 --> 00:25:34,799  
and walked off in no hurry as if i

702  
00:25:42,070 --> 00:25:39,590  
i was looking through it at a three by

703  
00:25:43,669 --> 00:25:42,080  
nine scope originally set on three power

704  
00:25:45,269 --> 00:25:43,679  
for the hunt but it turned up to nine

705  
00:25:47,350 --> 00:25:45,279  
power after first trying to see the

706  
00:25:49,029 --> 00:25:47,360  
object approaching from my right

707  
00:25:51,190 --> 00:25:49,039  
after that time i was afraid to make the

708  
00:25:51,990 --> 00:25:51,200  
movement necessary to take scope off 9

709  
00:25:53,830 --> 00:25:52,000  
power

710  
00:25:56,470 --> 00:25:53,840  
i sat in my tree stand for another 30

711  
00:25:58,710 --> 00:25:56,480  
minutes or so trying to calm myself

712  
00:26:00,149 --> 00:25:58,720  
after concluding that that if it wanted

713  
00:26:01,269 --> 00:26:00,159

me it would have already slapped me out

714

00:26:02,950 --> 00:26:01,279

of my tree stand

715

00:26:04,390 --> 00:26:02,960

i got down and went to find my hunting

716

00:26:05,590 --> 00:26:04,400

partner who was about a quarter to a

717

00:26:07,510 --> 00:26:05,600

half mile away

718

00:26:09,190 --> 00:26:07,520

he heard the attack scream in both

719

00:26:12,630 --> 00:26:09,200

whooping calls

720

00:26:17,029 --> 00:26:15,669

yeah man

721

00:26:18,950 --> 00:26:17,039

i would have had a heart attack in my

722

00:26:20,470 --> 00:26:18,960

tree stand

723

00:26:24,310 --> 00:26:20,480

now i wonder how many people would have

724

00:26:25,590 --> 00:26:24,320

took a shot and then again you know

725

00:26:27,590 --> 00:26:25,600

every time i hear something like that

726

00:26:29,190 --> 00:26:27,600

nobody wants to take a shot at it no but

727

00:26:32,149 --> 00:26:29,200

it's the same thing with a camera right

728

00:26:33,110 --> 00:26:32,159

they see this and it's almost like uh

729

00:26:35,190 --> 00:26:33,120

you're just so

730

00:26:36,870 --> 00:26:35,200

caught up in the moment either through

731

00:26:38,630 --> 00:26:36,880

adrenaline or fear

732

00:26:40,789 --> 00:26:38,640

that you're just afraid to move i don't

733

00:26:42,070 --> 00:26:40,799

know if it even if you're even thinking

734

00:26:44,870 --> 00:26:42,080

about it in that moment

735

00:26:45,830 --> 00:26:44,880

like yeah yeah i think you're right i

736

00:26:48,070 --> 00:26:45,840

mean you know

737

00:26:49,750 --> 00:26:48,080

it seems like that to me and when people

738

00:26:52,630 --> 00:26:49,760

see these things

739

00:26:54,149 --> 00:26:52,640

uh you know because you know nowadays of

740

00:26:56,070 --> 00:26:54,159

course there's the means to take over

741

00:26:57,590 --> 00:26:56,080

shot with it but people just don't

742

00:26:59,190 --> 00:26:57,600

like you say they don't even think about

743

00:27:01,190 --> 00:26:59,200

it doesn't even dawn on them

744

00:27:03,029 --> 00:27:01,200

but you're seeing something that doesn't

745

00:27:05,190 --> 00:27:03,039

exist for the first time

746

00:27:07,110 --> 00:27:05,200

right and you just witnessed it kill a

747

00:27:08,870 --> 00:27:07,120

freaking hog

748

00:27:10,149 --> 00:27:08,880

like the first thing i'm not going to

749

00:27:11,269 --> 00:27:10,159

think about is pulling the trigger to

750

00:27:13,190 --> 00:27:11,279

put one down i mean

751  
00:27:15,190 --> 00:27:13,200  
i'm not a hunter but i wouldn't think

752  
00:27:17,269 --> 00:27:15,200  
that go ahead butch

753  
00:27:18,789 --> 00:27:17,279  
well what i was going to say is you know

754  
00:27:20,310 --> 00:27:18,799  
i had that problem when i first started

755  
00:27:21,430 --> 00:27:20,320  
with these bipedals you know how would i

756  
00:27:23,029 --> 00:27:21,440  
get a picture

757  
00:27:24,549 --> 00:27:23,039  
because like you said you're going to

758  
00:27:26,470 --> 00:27:24,559  
possibly see something you've never seen

759  
00:27:27,750 --> 00:27:26,480  
before or thought existed

760  
00:27:30,230 --> 00:27:27,760  
and you're not going to worry about the

761  
00:27:31,430 --> 00:27:30,240  
camera that's going to be the last thing

762  
00:27:34,149 --> 00:27:31,440  
on your mind

763  
00:27:35,669 --> 00:27:34,159

so i guess that's why we went with

764

00:27:38,149 --> 00:27:35,679

everything automatic that the cameras

765

00:27:40,310 --> 00:27:38,159

will keep rolling no matter what happens

766

00:27:41,830 --> 00:27:40,320

uh plus the body cams that we're wearing

767

00:27:42,950 --> 00:27:41,840

you know everything's gonna be recorded

768

00:27:44,950 --> 00:27:42,960

so

769

00:27:46,149 --> 00:27:44,960

even if we do come face to face or do

770

00:27:48,230 --> 00:27:46,159

spot one

771

00:27:49,350 --> 00:27:48,240

uh we don't have to worry about you know

772

00:27:51,269 --> 00:27:49,360

somebody grabbing a

773

00:27:52,710 --> 00:27:51,279

camera and taking a shot the

774

00:27:54,149 --> 00:27:52,720

surveillance cameras and

775

00:27:56,070 --> 00:27:54,159

the digital and the floor cameras will

776

00:27:58,789 --> 00:27:56,080

be doing the work for us

777

00:28:00,070 --> 00:27:58,799

and but that i find you know almost even

778

00:28:02,230 --> 00:28:00,080

with ufo sightings

779

00:28:04,310 --> 00:28:02,240

you know great sightings and great

780

00:28:06,549 --> 00:28:04,320

descriptions and

781

00:28:07,750 --> 00:28:06,559

did you get a picture uh no i forgot all

782

00:28:09,669 --> 00:28:07,760

about my camera

783

00:28:11,190 --> 00:28:09,679

or uh you know some of the bigfoot

784

00:28:13,750 --> 00:28:11,200

sightings where

785

00:28:15,350 --> 00:28:13,760

you know they just don't get a picture

786

00:28:15,990 --> 00:28:15,360

they give you a description everything

787

00:28:17,350 --> 00:28:16,000

what happened

788

00:28:19,350 --> 00:28:17,360

how it happened how big it what it

789

00:28:20,870 --> 00:28:19,360

looked like blah blah blah but they

790

00:28:22,710 --> 00:28:20,880

never get to that point where

791

00:28:24,950 --> 00:28:22,720

they actually had the camera in their

792

00:28:26,549 --> 00:28:24,960

hands and picked it up and used it

793

00:28:29,590 --> 00:28:26,559

and if they did they were shaking so bad

794

00:28:33,590 --> 00:28:29,600

all you gots one big blurry green

795

00:28:36,870 --> 00:28:33,600

field yeah i hear it all the time man

796

00:28:40,630 --> 00:28:36,880

yep hear it all the time

797

00:28:42,470 --> 00:28:40,640

you know you know people get on facebook

798

00:28:45,269 --> 00:28:42,480

or send me

799

00:28:47,110 --> 00:28:45,279

emails well when are we gonna see a

800

00:28:49,750 --> 00:28:47,120

picture when are we gonna see a video

801  
00:28:55,269 --> 00:28:49,760  
well get out there and take one it

802  
00:29:00,870 --> 00:28:58,630  
it just doesn't work that way i wish it

803  
00:29:03,430 --> 00:29:00,880  
did yeah anyway

804  
00:29:05,590 --> 00:29:03,440  
but it just doesn't work that way and

805  
00:29:07,269 --> 00:29:05,600  
i'm not saying that for a lazy excuse of

806  
00:29:10,830 --> 00:29:07,279  
not having any evidence

807  
00:29:13,029 --> 00:29:10,840  
i'm just saying put yourself in that

808  
00:29:14,710 --> 00:29:13,039  
position

809  
00:29:16,549 --> 00:29:14,720  
and just think about it seriously not

810  
00:29:18,389 --> 00:29:16,559  
even be you know trying to be super [h\_\_h]

811  
00:29:19,990 --> 00:29:18,399  
out there just think about it you know

812  
00:29:22,070 --> 00:29:20,000  
put yourself in that position in the

813  
00:29:24,389 --> 00:29:22,080

minute in the moment

814

00:29:26,549 --> 00:29:24,399

and think about your ability to be able

815

00:29:27,990 --> 00:29:26,559

to do what you're asking somebody to do

816

00:29:29,190 --> 00:29:28,000

i just don't know if it's possible

817

00:29:31,110 --> 00:29:29,200

because i don't think our brains are

818

00:29:34,549 --> 00:29:31,120

wired that way

819

00:29:39,029 --> 00:29:36,789

well well i got here's one of my

820

00:29:40,789 --> 00:29:39,039

favorites so that was a ruby creek

821

00:29:43,190 --> 00:29:40,799

oh ruby creek go ahead story time with

822

00:29:48,630 --> 00:29:46,389

uh jeannie chapman was startled one

823

00:29:50,630 --> 00:29:48,640

afternoon in september of 1941

824

00:29:52,070 --> 00:29:50,640

when her young son came home terrified

825

00:29:53,430 --> 00:29:52,080

claiming to have seen a cow

826

00:29:56,630 --> 00:29:53,440

coming out of the woods next to the

827

00:29:58,470 --> 00:29:56,640

house perplexed as to why a cow

828

00:30:00,149 --> 00:29:58,480

would have her child so scared jeannie

829

00:30:02,870 --> 00:30:00,159

walked out onto the porch

830

00:30:03,750 --> 00:30:02,880

where she saw a very large dark shaped

831

00:30:05,909 --> 00:30:03,760

figure moving

832

00:30:07,190 --> 00:30:05,919

through the woods and the underbrush

833

00:30:09,669 --> 00:30:07,200

thinking it was a bear

834

00:30:11,269 --> 00:30:09,679

she called the other two children inside

835

00:30:13,190 --> 00:30:11,279

but after realizing

836

00:30:15,029 --> 00:30:13,200

it had been spotted the creature raised

837

00:30:16,870 --> 00:30:15,039

up on its full height

838

00:30:18,230 --> 00:30:16,880

on two legs and stared straight ahead at

839

00:30:20,230 --> 00:30:18,240

the shock family

840

00:30:22,149 --> 00:30:20,240

jeannie realized that this was no bear

841

00:30:23,830 --> 00:30:22,159

instead she described it as a giant man

842

00:30:26,950 --> 00:30:23,840

covered in dark brown hair

843

00:30:27,830 --> 00:30:26,960

the yuji beast became began to head

844

00:30:30,710 --> 00:30:27,840

toward

845

00:30:31,909 --> 00:30:30,720

the home and jeannie grabbed the kids

846

00:30:33,669 --> 00:30:31,919

and they took off

847

00:30:36,149 --> 00:30:33,679

down the road to the nearby town where

848

00:30:37,590 --> 00:30:36,159

she took some refuge with friends

849

00:30:39,830 --> 00:30:37,600

there she exclaimed that her husband

850

00:30:41,669 --> 00:30:39,840

george would soon arrive home from work

851  
00:30:44,149 --> 00:30:41,679  
and the creature may be waiting for him

852  
00:30:47,510 --> 00:30:44,159  
luckily by the time george did get home

853  
00:30:47,909 --> 00:30:47,520  
the bigfoot was gone but his home had

854  
00:30:50,870 --> 00:30:47,919  
been

855  
00:30:53,110 --> 00:30:50,880  
destroyed the front door was smashed in

856  
00:30:54,710 --> 00:30:53,120  
a 55-gallon drum of dried fish had been

857  
00:30:55,990 --> 00:30:54,720  
smashed open and most of its contents

858  
00:30:57,830 --> 00:30:56,000  
were eaten

859  
00:30:59,430 --> 00:30:57,840  
after reuniting with his family george

860  
00:31:00,070 --> 00:30:59,440  
gathered a group of men with guns and

861  
00:31:02,549 --> 00:31:00,080  
dogs

862  
00:31:04,230 --> 00:31:02,559  
to wait in his house the next night to

863  
00:31:05,990 --> 00:31:04,240

see if the creature would return

864

00:31:07,990 --> 00:31:06,000

and while at one point in the night the

865

00:31:09,190 --> 00:31:08,000

dogs went berserk nobody ever spotted

866

00:31:11,029 --> 00:31:09,200

the creature

867

00:31:13,190 --> 00:31:11,039

only its huge footprints in the dirt the

868

00:31:14,549 --> 00:31:13,200

next morning the chapman's no longer

869

00:31:15,990 --> 00:31:14,559

feeling safe in their own home moved

870

00:31:17,029 --> 00:31:16,000

away from ruby creek the following

871

00:31:19,590 --> 00:31:17,039

summer

872

00:31:21,269 --> 00:31:19,600

but this is not where the story ends

873

00:31:21,750 --> 00:31:21,279

some native american traditions state

874

00:31:24,710 --> 00:31:21,760

that

875

00:31:26,870 --> 00:31:24,720

to see a bigfoot is a bad omen and those

876

00:31:28,630 --> 00:31:26,880

who encounter one will die soon

877

00:31:30,549 --> 00:31:28,640

the chapman's youngest daughter died of

878

00:31:32,950 --> 00:31:30,559

an illness just the following year

879

00:31:35,110 --> 00:31:32,960

and their two sons as well as genie and

880

00:31:36,230 --> 00:31:35,120

george were all drowned when their canoe

881

00:31:38,549 --> 00:31:36,240

capsized

882

00:31:40,549 --> 00:31:38,559

in the river every member of the chapman

883

00:31:44,950 --> 00:31:40,559

family was dead just three years after

884

00:31:49,750 --> 00:31:46,870

[h\_\_\h] i saw a bigfoot i hope to god

885

00:31:55,350 --> 00:31:51,830

that's been 30 years ago though so i

886

00:31:59,430 --> 00:31:58,950

you're up lon well you know i'm gonna

887

00:32:03,029 --> 00:31:59,440

read

888

00:32:06,389 --> 00:32:03,039

by some of the uh

889

00:32:09,870 --> 00:32:06,399

the listeners uh here's an account

890

00:32:13,029 --> 00:32:09,880

by gentleman named blaine he said in may

891

00:32:15,430 --> 00:32:13,039

2016 i hiked the seldom used park trail

892

00:32:18,389 --> 00:32:15,440

in ottawa valley region

893

00:32:18,789 --> 00:32:18,399

around 9 00 a.m about midway i came

894

00:32:21,909 --> 00:32:18,799

across

895

00:32:23,669 --> 00:32:21,919

a small five foot arch of a young tree

896

00:32:26,230 --> 00:32:23,679

that bent over the trail

897

00:32:27,830 --> 00:32:26,240

the tree was only an inch or so thick

898

00:32:29,830 --> 00:32:27,840

and could have been naturally occurring

899

00:32:31,509 --> 00:32:29,840

i took a couple picks walked on the arch

900

00:32:35,990 --> 00:32:31,519

without disturbing it

901  
00:32:38,789 --> 00:32:36,000  
and continued on the height continued on

902  
00:32:41,269 --> 00:32:38,799  
to its end point a small resting spot

903  
00:32:43,830 --> 00:32:41,279  
with a picnic table and fire pit

904  
00:32:45,909 --> 00:32:43,840  
at that point i rested a bit took off my

905  
00:32:47,110 --> 00:32:45,919  
gopro because of the killer headache i

906  
00:32:52,230 --> 00:32:47,120  
had

907  
00:32:55,269 --> 00:32:52,240  
and uh i said it was an uneventful hike

908  
00:32:56,710 --> 00:32:55,279  
or a nice spring day which was reward

909  
00:32:59,830 --> 00:32:56,720  
enough so on the way

910  
00:33:01,909 --> 00:32:59,840  
back i had to pass the arch again

911  
00:33:04,710 --> 00:33:01,919  
however this time i decided to move a

912  
00:33:07,029 --> 00:33:04,720  
small branch instead of ducking under it

913  
00:33:09,430 --> 00:33:07,039

within five steps from the arch out of

914

00:33:13,590 --> 00:33:09,440

nowhere extremely loud and very

915

00:33:14,789 --> 00:33:13,600

close a tree bash occurred right behind

916

00:33:17,990 --> 00:33:14,799

my head

917

00:33:19,830 --> 00:33:18,000

at the tree on my right only four foot

918

00:33:21,830 --> 00:33:19,840

away

919

00:33:22,870 --> 00:33:21,840

it was so close that i felt parts of the

920

00:33:26,230 --> 00:33:22,880

tree or

921

00:33:28,549 --> 00:33:26,240

branch are kidding me

922

00:33:29,269 --> 00:33:28,559

anyways i froze waiting and thinking of

923

00:33:32,470 --> 00:33:29,279

what to do

924

00:33:33,669 --> 00:33:32,480

since i had no weapon uh not even bear

925

00:33:36,389 --> 00:33:33,679

spray because

926

00:33:39,190 --> 00:33:36,399

because i was in a park i never had a

927

00:33:41,669 --> 00:33:39,200

sasquatch do this to me before

928

00:33:43,909 --> 00:33:41,679

seconds pass which seemed like hours

929

00:33:47,110 --> 00:33:43,919

until i finally walked ahead

930

00:33:48,950 --> 00:33:47,120

15 foot into a clearing on the trail the

931

00:33:52,789 --> 00:33:48,960

bigfoot was right on my

932

00:33:53,269 --> 00:33:52,799

uh right on me so i broke a tiny branch

933

00:33:56,070 --> 00:33:53,279

off

934

00:33:57,110 --> 00:33:56,080

a nearby tree and did a very soft wood

935

00:33:59,750 --> 00:33:57,120

knock

936

00:34:02,789 --> 00:33:59,760

hoping it would realize i was not there

937

00:34:05,190 --> 00:34:02,799

to harm them or compete for territory

938

00:34:05,990 --> 00:34:05,200

at this point i did try to get some

939

00:34:08,869 --> 00:34:06,000

footage with my

940

00:34:09,750 --> 00:34:08,879

cam but just turning it on around in my

941

00:34:12,950 --> 00:34:09,760

hand

942

00:34:15,190 --> 00:34:12,960

however my safety was the key concern so

943

00:34:18,550 --> 00:34:15,200

i had to settle with whatever i got

944

00:34:19,430 --> 00:34:18,560

during those few shots anyways a soft

945

00:34:21,510 --> 00:34:19,440

wood tap

946

00:34:22,629 --> 00:34:21,520

seemed to work so i continued on heading

947

00:34:24,629 --> 00:34:22,639

out of the park

948

00:34:26,069 --> 00:34:24,639

after 10 minutes of hiking i came to an

949

00:34:28,550 --> 00:34:26,079

s turn in the trail

950

00:34:30,550 --> 00:34:28,560

that was close to the parking lot after

951  
00:34:33,829 --> 00:34:30,560  
the s turn the trail opened up while

952  
00:34:36,149 --> 00:34:33,839  
passing the lake during the last 100

953  
00:34:38,470 --> 00:34:36,159  
meters of the hike however the s turn

954  
00:34:39,990 --> 00:34:38,480  
was a choke point and sure enough my

955  
00:34:42,629 --> 00:34:40,000  
luck ran out

956  
00:34:43,589 --> 00:34:42,639  
i could hear them i could hear then

957  
00:34:45,669 --> 00:34:43,599  
smell

958  
00:34:47,669 --> 00:34:45,679  
the bigfoot come up to my right and was

959  
00:34:50,950 --> 00:34:47,679  
within 10 foot of me

960  
00:34:51,349 --> 00:34:50,960  
as part of 10 feet at the first part of

961  
00:34:54,310 --> 00:34:51,359  
the s

962  
00:34:55,909 --> 00:34:54,320  
turn at this point i could think of

963  
00:34:58,069 --> 00:34:55,919

nothing else i could do

964

00:35:00,150 --> 00:34:58,079

since it was not satisfied with

965

00:35:02,790 --> 00:35:00,160

escorting me out and leaving

966

00:35:05,430 --> 00:35:02,800

so when i when it got too close at the

967

00:35:08,069 --> 00:35:05,440

final turn i just reached my snapping

968

00:35:09,990 --> 00:35:08,079

by snapping my head right and snarling

969

00:35:12,230 --> 00:35:10,000

back over my shoulder at it

970

00:35:13,910 --> 00:35:12,240

either that worked or got scared off by

971

00:35:16,950 --> 00:35:13,920

the clearing ahead

972

00:35:18,069 --> 00:35:16,960

but i made it back to the parking lot so

973

00:35:20,710 --> 00:35:18,079

i've experienced

974

00:35:22,710 --> 00:35:20,720

uh rocks throwing vocalization stumps

975

00:35:25,510 --> 00:35:22,720

and super loud wood knocks

976  
00:35:26,310 --> 00:35:25,520  
and being softly bumped into it must

977  
00:35:28,390 --> 00:35:26,320  
have known

978  
00:35:29,910 --> 00:35:28,400  
smashing the branch that hard and so

979  
00:35:30,710 --> 00:35:29,920  
close to my head that branch would

980  
00:35:33,750 --> 00:35:30,720  
shatter

981  
00:35:35,829 --> 00:35:33,760  
and parts of it would hit me uh anyways

982  
00:35:39,030 --> 00:35:35,839  
all i could see on the footage

983  
00:35:42,710 --> 00:35:39,040  
is a stationary gray-haired six foot

984  
00:35:44,870 --> 00:35:42,720  
bent over pipette figure uh hiding

985  
00:35:46,950 --> 00:35:44,880  
behind a tree

986  
00:35:48,230 --> 00:35:46,960  
but you can make out the arm because of

987  
00:35:51,030 --> 00:35:48,240  
the bend at the elbow

988  
00:35:52,710 --> 00:35:51,040

and part of the lower leg i still put

989

00:35:56,150 --> 00:35:52,720

together a video on the

990

00:36:00,550 --> 00:35:56,160

on this but in this case narration

991

00:36:00,560 --> 00:36:06,390

so that's it that's pretty damn close

992

00:36:11,510 --> 00:36:09,589

that's it that's enough yeah that was

993

00:36:11,990 --> 00:36:11,520

pretty close and i was up in ontario

994

00:36:18,710 --> 00:36:12,000

that's

995

00:36:20,930 --> 00:36:18,720

uh we got another here from tom

996

00:36:25,030 --> 00:36:20,940

here in pa

997

00:36:29,589 --> 00:36:27,589

15 years ago while spring turkey hunting

998

00:36:31,109 --> 00:36:29,599

in southwest pennsylvania

999

00:36:32,710 --> 00:36:31,119

i went into the woods around three

1000

00:36:34,230 --> 00:36:32,720

o'clock 3 30

1001  
00:36:36,150 --> 00:36:34,240  
in the morning so that i could be

1002  
00:36:38,150 --> 00:36:36,160  
situated by 4 a.m

1003  
00:36:40,470 --> 00:36:38,160  
without the use of a flashlight i slowly

1004  
00:36:41,430 --> 00:36:40,480  
climbed the long hill when i reached the

1005  
00:36:44,150 --> 00:36:41,440  
top

1006  
00:36:44,470 --> 00:36:44,160  
i continued on for 25 yards and turned

1007  
00:36:47,910 --> 00:36:44,480  
around

1008  
00:36:49,829 --> 00:36:47,920  
facing direction which i had came i sat

1009  
00:36:51,750 --> 00:36:49,839  
down at the base of large stream within

1010  
00:36:53,270 --> 00:36:51,760  
five seconds something let out a huge

1011  
00:36:56,230 --> 00:36:53,280  
scream

1012  
00:36:56,790 --> 00:36:56,240  
it was only in it was only about 80 to

1013  
00:36:59,430 --> 00:36:56,800

100

1014

00:37:00,150 --> 00:36:59,440

foot away and coming directly from where

1015

00:37:03,670 --> 00:37:00,160

i had just

1016

00:37:05,670 --> 00:37:03,680

walked through 30 seconds ago

1017

00:37:07,270 --> 00:37:05,680

apparently i had walked right past it

1018

00:37:09,589 --> 00:37:07,280

and it had followed me

1019

00:37:11,510 --> 00:37:09,599

it had been following me this first

1020

00:37:12,069 --> 00:37:11,520

scream sounded somewhat like a mountain

1021

00:37:14,710 --> 00:37:12,079

lion or

1022

00:37:15,990 --> 00:37:14,720

leopard war and my first thought was

1023

00:37:18,230 --> 00:37:16,000

mountain lion

1024

00:37:19,589 --> 00:37:18,240

it let out another scream that sounded

1025

00:37:22,630 --> 00:37:19,599

less cat-like

1026

00:37:24,710 --> 00:37:22,640

but still had a little of that tone

1027

00:37:25,670 --> 00:37:24,720

after that scream it began to let out on

1028

00:37:28,790 --> 00:37:25,680

her

1029

00:37:30,630 --> 00:37:28,800

let out horrific screams uh but a

1030

00:37:34,310 --> 00:37:30,640

totally new very mad

1031

00:37:36,150 --> 00:37:34,320

mean sound and this was continuously for

1032

00:37:38,550 --> 00:37:36,160

about 10 minutes

1033

00:37:39,829 --> 00:37:38,560

uh these roars were earth shattering and

1034

00:37:43,190 --> 00:37:39,839

it was apparent

1035

00:37:46,230 --> 00:37:43,200

it was getting very angry very agitated

1036

00:37:47,990 --> 00:37:46,240

uh because i wasn't running off

1037

00:37:50,630 --> 00:37:48,000

it was also very very apparent that the

1038

00:37:53,510 --> 00:37:50,640

screams were being directed at me

1039

00:37:57,109 --> 00:37:53,520

my car was straight back beyond it so i

1040

00:37:59,829 --> 00:37:57,119

sure wasn't headed in that direction

1041

00:38:01,589 --> 00:37:59,839

i could hear walking around while it was

1042

00:38:03,430 --> 00:38:01,599

doing the screaming and it was also

1043

00:38:04,790 --> 00:38:03,440

either picking up large limbs and

1044

00:38:07,750 --> 00:38:04,800

breaking them or

1045

00:38:10,310 --> 00:38:07,760

breaking large live tree limbs the

1046

00:38:10,870 --> 00:38:10,320

screams and roars were loud enough that

1047

00:38:29,510 --> 00:38:10,880

i

1048

00:38:32,230 --> 00:38:29,520

see the end of the barrel and my fear

1049

00:38:33,990 --> 00:38:32,240

was if this thing attacked the only i

1050

00:38:35,670 --> 00:38:34,000

was only going to be able to fire at

1051

00:38:37,750 --> 00:38:35,680

point-blank range

1052

00:38:39,990 --> 00:38:37,760

the safety was all my fingers on the

1053

00:38:43,109 --> 00:38:40,000

trigger the encounter continued

1054

00:38:46,069 --> 00:38:43,119

without interruption for over 10 minutes

1055

00:38:48,150 --> 00:38:46,079

and then everything went silent at that

1056

00:38:50,550 --> 00:38:48,160

point i thought it might be sneaking in

1057

00:38:53,510 --> 00:38:50,560

behind me as i heard a twig snap

1058

00:38:55,670 --> 00:38:53,520

about 50 foot behind me after that i

1059

00:38:57,589 --> 00:38:55,680

heard not a sound

1060

00:39:00,630 --> 00:38:57,599

all animals and forests were totally

1061

00:39:03,589 --> 00:39:00,640

quiet not even a bird chirp

1062

00:39:05,990 --> 00:39:03,599

even after it got daylight after got

1063

00:39:09,190 --> 00:39:06,000

daylight i started back for my car

1064

00:39:11,109 --> 00:39:09,200

with a gun at the ready but saw nothing

1065

00:39:13,750 --> 00:39:11,119

it was a couple of years before i went

1066

00:39:16,630 --> 00:39:13,760

back to that location to look around

1067

00:39:18,470 --> 00:39:16,640

at that spot it took place i found

1068

00:39:20,230 --> 00:39:18,480

several young saplings

1069

00:39:22,390 --> 00:39:20,240

that were snapped off about shoulder

1070

00:39:24,950 --> 00:39:22,400

high they were about the size of my

1071

00:39:26,950 --> 00:39:24,960

wrist and upper forearm

1072

00:39:28,950 --> 00:39:26,960

it was not much it was not much

1073

00:39:29,589 --> 00:39:28,960

interested with any bigfoot stuff back

1074

00:39:31,589 --> 00:39:29,599

then

1075

00:39:34,310 --> 00:39:31,599

and really had no idea what i was up

1076  
00:39:35,750 --> 00:39:34,320  
against i've hunted for over 45 years

1077  
00:39:37,910 --> 00:39:35,760  
and have traveled to nine countries

1078  
00:39:41,030 --> 00:39:37,920  
pursuing my lovely outdoors

1079  
00:39:43,990 --> 00:39:41,040  
hunting fishing hiking etc i've been

1080  
00:39:44,310 --> 00:39:44,000  
bluff charged by bears in alaska and i

1081  
00:39:46,950 --> 00:39:44,320  
have

1082  
00:39:48,470 --> 00:39:46,960  
other scary events but this by far was

1083  
00:39:50,069 --> 00:39:48,480  
the most intense

1084  
00:39:52,069 --> 00:39:50,079  
it was after i ruled out everything

1085  
00:39:53,190 --> 00:39:52,079  
natural normal in pennsylvania that

1086  
00:39:56,710 --> 00:39:53,200  
things start

1087  
00:39:58,230 --> 00:39:56,720  
to make sense sort of uh

1088  
00:40:00,630 --> 00:39:58,240

butch and i heard this story before

1089

00:40:08,829 --> 00:40:00,640

because we know the guy it happened to

1090

00:40:14,710 --> 00:40:11,190

yes

1091

00:40:17,750 --> 00:40:17,030

yeah i mean he's very knowledgeable very

1092

00:40:19,829 --> 00:40:17,760

forthright

1093

00:40:23,190 --> 00:40:19,839

knows the outdoors i mean he's he's a

1094

00:40:29,670 --> 00:40:26,390

so um anybody got anything else

1095

00:40:33,430 --> 00:40:29,680

oh yeah hey butch

1096

00:40:37,270 --> 00:40:33,440

love it hello the floor county massacre

1097

00:40:39,750 --> 00:40:37,280

oh my god hunabi oklahoma

1098

00:40:41,910 --> 00:40:39,760

yep oklahoma seems to be a hotbed of

1099

00:40:44,950 --> 00:40:41,920

violent human bigfoot encounters as can

1100

00:40:47,109 --> 00:40:44,960

be seen with this historical account

1101

00:40:49,030 --> 00:40:47,119

the choctaw native american tribe had

1102

00:40:50,870 --> 00:40:49,040

long known a bigfoot

1103

00:40:52,550 --> 00:40:50,880

they worshipped them in their legends

1104

00:40:53,589 --> 00:40:52,560

and had lived alongside of them for many

1105

00:40:55,109 --> 00:40:53,599

years

1106

00:40:56,630 --> 00:40:55,119

so they were not concerned when they

1107

00:40:57,829 --> 00:40:56,640

would occasionally steal supplies from

1108

00:41:00,550 --> 00:40:57,839

their camps

1109

00:41:03,030 --> 00:41:00,560

however when a child went missing in the

1110

00:41:05,430 --> 00:41:03,040

dead of the night in 1855

1111

00:41:07,109 --> 00:41:05,440

followed by another then more the

1112

00:41:09,829 --> 00:41:07,119

choctaw knew

1113

00:41:11,430 --> 00:41:09,839

that action needed to be taken their

1114

00:41:12,950 --> 00:41:11,440

weapons were not powerful enough to

1115

00:41:14,309 --> 00:41:12,960

handle the creatures

1116

00:41:16,630 --> 00:41:14,319

so they sought out help from other

1117

00:41:18,790 --> 00:41:16,640

settlers in the area this was a time

1118

00:41:20,230 --> 00:41:18,800

when relations between the settlers

1119

00:41:22,870 --> 00:41:20,240

and the natives was anything but

1120

00:41:25,190 --> 00:41:22,880

amicable and they were laughed off by

1121

00:41:28,470 --> 00:41:25,200

many for their silly superstitions

1122

00:41:31,030 --> 00:41:28,480

but there was one man who listened

1123

00:41:32,309 --> 00:41:31,040

army cavalry captain joshua lafleur who

1124

00:41:34,230 --> 00:41:32,319

was part cherokee

1125

00:41:35,349 --> 00:41:34,240

and was respectful of the native beliefs

1126

00:41:37,510 --> 00:41:35,359

besides

1127

00:41:40,309 --> 00:41:37,520

if they were willing to ask for help

1128

00:41:44,470 --> 00:41:40,319

then he knew there must be a good reason

1129

00:41:46,710 --> 00:41:44,480

lefour organized a party of natives

1130

00:41:47,670 --> 00:41:46,720

and settlers all armed with rifles

1131

00:41:50,390 --> 00:41:47,680

designed to bring

1132

00:41:51,990 --> 00:41:50,400

down buffalo and they headed out to find

1133

00:41:53,430 --> 00:41:52,000

the child steelers

1134

00:41:55,270 --> 00:41:53,440

the group hacked their way through the

1135

00:41:57,190 --> 00:41:55,280

unforgivable oklahoma wilderness for

1136

00:41:59,190 --> 00:41:57,200

days until they eventually came across a

1137

00:42:02,069 --> 00:41:59,200

gigantic round of dirt

1138

00:42:04,230 --> 00:42:02,079

littered with what were the gnawed bones

1139

00:42:06,150 --> 00:42:04,240

of children inside

1140

00:42:07,910 --> 00:42:06,160

as the men tried to process the horrific

1141

00:42:09,750 --> 00:42:07,920

scene

1142

00:42:12,950 --> 00:42:09,760

four of the creatures charged from the

1143

00:42:15,430 --> 00:42:12,960

forest area into the ambush

1144

00:42:17,030 --> 00:42:15,440

carnage ensued with the result being

1145

00:42:17,829 --> 00:42:17,040

many of the men including the floor

1146

00:42:20,870 --> 00:42:17,839

lying dead

1147

00:42:23,990 --> 00:42:20,880

as well as for sasquatch

1148

00:42:26,150 --> 00:42:24,000

the remaining indian native warriors

1149

00:42:27,990 --> 00:42:26,160

gave all the dead a warriors burial and

1150

00:42:28,870 --> 00:42:28,000

burned the bodies of the dead bigfoot to

1151

00:42:31,990 --> 00:42:28,880

ash

1152

00:42:33,349 --> 00:42:32,000

as a show of vengeance the story may

1153

00:42:35,750 --> 00:42:33,359

seem fanciful

1154

00:42:38,470 --> 00:42:35,760

but military records do show a captain

1155

00:42:41,190 --> 00:42:38,480

joshua lafleur of choctaw heritage

1156

00:42:43,990 --> 00:42:41,200

was in service in that area from 1830

1157

00:42:46,550 --> 00:42:44,000

until his death in 1855

1158

00:42:47,589 --> 00:42:46,560

his death is listed as happening in 1805

1159

00:42:50,390 --> 00:42:47,599

in military records

1160

00:42:52,390 --> 00:42:50,400

in oklahoma indian territory and native

1161

00:42:57,270 --> 00:42:52,400

americans have long held and told

1162

00:42:57,280 --> 00:43:02,069

that's it i'm going to bed

1163

00:43:07,589 --> 00:43:04,630

you said look you know and it was lafor

1164

00:43:09,990 --> 00:43:07,599

you said right lafore

1165

00:43:11,670 --> 00:43:10,000

which is actually the name of the county

1166

00:43:14,950 --> 00:43:11,680

in oklahoma

1167

00:43:18,390 --> 00:43:14,960

or the folks that experience

1168

00:43:19,430 --> 00:43:18,400

the traumatic events of the hanubi

1169

00:43:21,829 --> 00:43:19,440

bigfoot and county you know what i'm

1170

00:43:27,990 --> 00:43:21,839

talking about the family farm

1171

00:43:32,790 --> 00:43:31,109

bigfoot bigfoots uh

1172

00:43:34,230 --> 00:43:32,800

over an extended period of time trying

1173

00:43:36,230 --> 00:43:34,240

to break into the freezer break into

1174

00:43:37,829 --> 00:43:36,240

their home

1175

00:43:39,349 --> 00:43:37,839

they actually i think culminated at

1176

00:43:41,829 --> 00:43:39,359

shooting at one

1177

00:43:42,630 --> 00:43:41,839

and the activity if you ever watch the

1178

00:43:47,190 --> 00:43:42,640

you ever watch

1179

00:43:53,109 --> 00:43:50,790

is about leflore county and

1180

00:43:55,670 --> 00:43:53,119

oklahoma and you know you don't think of

1181

00:43:57,270 --> 00:43:55,680

oklahoma often as a place where

1182

00:44:00,550 --> 00:43:57,280

there's a lot of bigfoot activity but i

1183

00:44:03,829 --> 00:44:00,560

tell you what that place is popping

1184

00:44:04,470 --> 00:44:03,839

oh yeah a lot of reports jerk yeah the

1185

00:44:07,670 --> 00:44:04,480

cherokee

1186

00:44:08,550 --> 00:44:07,680

choctaw assad jabel they've all got

1187

00:44:11,430 --> 00:44:08,560

tradition

1188

00:44:12,550 --> 00:44:11,440

of uh you know having bigfoot encounters

1189

00:44:15,910 --> 00:44:12,560

out there

1190

00:44:16,950 --> 00:44:15,920

and uh you know we had a we actually had

1191

00:44:20,309 --> 00:44:16,960

that uh

1192

00:44:22,309 --> 00:44:20,319

dog upright canine sliding out there a

1193

00:44:24,150 --> 00:44:22,319

couple weeks ago yeah

1194

00:44:25,430 --> 00:44:24,160

so yeah there's a lot going on out in

1195

00:44:27,910 --> 00:44:25,440

oklahoma believe me i

1196

00:44:29,349 --> 00:44:27,920

you know it's yeah you when you talk

1197

00:44:31,510 --> 00:44:29,359

bigfoot you don't really think of

1198

00:44:36,150 --> 00:44:31,520

oklahoma they've had a lot of sightings

1199

00:44:38,470 --> 00:44:36,160

a lot of encounters out there

1200

00:44:40,630 --> 00:44:38,480

lon we got these books called witnessing

1201

00:44:42,390 --> 00:44:40,640

bigfoot

1202

00:44:43,670 --> 00:44:42,400

i sent you a copy butch i don't know if

1203

00:44:45,589 --> 00:44:43,680

you got a copy or not i'll have to try

1204

00:44:48,470 --> 00:44:45,599

to get you off a copy

1205

00:44:49,349 --> 00:44:48,480

oh it's called witnessing bigfoot uh but

1206

00:44:52,630 --> 00:44:49,359

by glenn

1207

00:44:54,069 --> 00:44:52,640

what's his last name bullier yeah

1208

00:44:55,589 --> 00:44:54,079

something like that flesh and blood

1209

00:44:57,109 --> 00:44:55,599

native american legend of the devil

1210

00:44:58,630 --> 00:44:57,119

himself and i'm getting ready to dive

1211

00:45:00,790 --> 00:44:58,640

into this book because i think we want

1212

00:45:03,510 --> 00:45:00,800

to do a show on this here very soon

1213

00:45:05,910 --> 00:45:03,520

see if we can get him on the program

1214

00:45:10,069 --> 00:45:05,920

he's from prince edward island

1215

00:45:14,470 --> 00:45:10,079

uh and he's got

1216

00:45:14,480 --> 00:45:20,630

449 pages guys

1217

00:45:25,109 --> 00:45:23,510

yet so maybe i need to get maybe we can

1218

00:45:27,190 --> 00:45:25,119

get him on here and

1219

00:45:28,950 --> 00:45:27,200

maybe tell us some first-hand accounts

1220

00:45:30,550 --> 00:45:28,960

yeah i mean folks there's all kinds of

1221

00:45:32,870 --> 00:45:30,560

bigfoot stories out there

1222

00:45:33,670 --> 00:45:32,880

uh that make your skin crawl make your

1223

00:45:36,870 --> 00:45:33,680

skin pain

1224

00:45:38,230 --> 00:45:36,880

uh give you the goosebumps and

1225

00:45:39,589 --> 00:45:38,240

you know we tell you these stories

1226  
00:45:41,109 --> 00:45:39,599  
because they're well they're just great

1227  
00:45:42,790 --> 00:45:41,119  
bedtime stories and we wanted to show

1228  
00:45:44,230 --> 00:45:42,800  
those a little bit more fun than usual

1229  
00:45:48,069 --> 00:45:44,240  
but

1230  
00:45:49,670 --> 00:45:48,079  
you know these sightings happen and

1231  
00:45:51,829 --> 00:45:49,680  
to the folks that experience them

1232  
00:45:53,349 --> 00:45:51,839  
they're life-changing events

1233  
00:45:55,030 --> 00:45:53,359  
that's why you know we kind of provide

1234  
00:45:56,470 --> 00:45:55,040  
an outlet for folks that do experience

1235  
00:45:57,910 --> 00:45:56,480  
these things to come to us and tell us

1236  
00:45:59,270 --> 00:45:57,920  
so we can investigate give them a little

1237  
00:46:01,670 --> 00:45:59,280  
help little solos and what they seem

1238  
00:46:04,309 --> 00:46:01,680

they're not crazy

1239

00:46:09,750 --> 00:46:04,319

but damn sometimes they're just

1240

00:46:13,510 --> 00:46:11,430

i've gotten a lot of them in the past i

1241

00:46:15,109 --> 00:46:13,520

mean you know some of you

1242

00:46:17,109 --> 00:46:15,119

i don't know i can't believe that maybe

1243

00:46:19,349 --> 00:46:17,119

did you know a lot of historical

1244

00:46:22,950 --> 00:46:19,359

accounts of uh

1245

00:46:26,710 --> 00:46:22,960

of these texts by um

1246

00:46:29,750 --> 00:46:26,720

uh by groups of bigfoot in fact

1247

00:46:32,470 --> 00:46:29,760

uh you know we were talking you know

1248

00:46:35,030 --> 00:46:32,480

there was a big thing about that uh

1249

00:46:37,750 --> 00:46:35,040

about the seal team i went in

1250

00:46:39,589 --> 00:46:37,760

down in uh down into the mountains of

1251  
00:46:41,670 --> 00:46:39,599  
north carolina

1252  
00:46:44,230 --> 00:46:41,680  
and killed off a whole big group of

1253  
00:46:47,270 --> 00:46:44,240  
these marauding bigfoot

1254  
00:46:49,910 --> 00:46:47,280  
but there have been other uh there have

1255  
00:46:51,990 --> 00:46:49,920  
been other instances as well i mean

1256  
00:46:53,349 --> 00:46:52,000  
there was that valley up in the yukon

1257  
00:46:56,710 --> 00:46:53,359  
territory

1258  
00:46:58,150 --> 00:46:56,720  
where all these miners were losing their

1259  
00:47:00,069 --> 00:46:58,160  
heads because these bigfoot

1260  
00:47:01,829 --> 00:47:00,079  
apparently bigfoot were attacking them

1261  
00:47:06,150 --> 00:47:01,839  
and ripping their heads off

1262  
00:47:08,390 --> 00:47:06,160  
uh they called it the headless valley um

1263  
00:47:10,150 --> 00:47:08,400

you know how much of that was conjecture

1264

00:47:11,190 --> 00:47:10,160

but there were some people that it that

1265

00:47:13,349 --> 00:47:11,200

were

1266

00:47:15,349 --> 00:47:13,359

decapitated and killed so i don't know

1267

00:47:18,069 --> 00:47:15,359

how many of them were there

1268

00:47:19,670 --> 00:47:18,079

uh and you've heard there's been other

1269

00:47:22,230 --> 00:47:19,680

stories as well

1270

00:47:23,670 --> 00:47:22,240

so you know uh it's it's not something

1271

00:47:26,790 --> 00:47:23,680

that

1272

00:47:29,349 --> 00:47:26,800

you know not all of them are made up

1273

00:47:31,589 --> 00:47:29,359

you know most legends or something are

1274

00:47:34,950 --> 00:47:31,599

based on some type of truth

1275

00:47:35,510 --> 00:47:34,960

but uh you know i don't put it past it

1276

00:47:38,230 --> 00:47:35,520

you know i

1277

00:47:38,710 --> 00:47:38,240

i you know every you know you read these

1278

00:47:42,069 --> 00:47:38,720

uh

1279

00:47:44,710 --> 00:47:42,079

stories that that david pilates has been

1280

00:47:46,950 --> 00:47:44,720

putting out a story but reports

1281

00:47:49,349 --> 00:47:46,960

uh people going missing in these state

1282

00:47:53,190 --> 00:47:49,359

forests the state parks and

1283

00:47:56,309 --> 00:47:53,200

federal land and such and uh

1284

00:47:59,829 --> 00:47:56,319

you know i i know he does

1285

00:48:02,230 --> 00:47:59,839

say this off hand i mean that being

1286

00:48:04,150 --> 00:48:02,240

bigfoot but you know i i really do

1287

00:48:07,750 --> 00:48:04,160

believe that

1288

00:48:09,670 --> 00:48:07,760

a bigfoot mayor may easily have been

1289

00:48:11,349 --> 00:48:09,680

responsible for some of those

1290

00:48:13,750 --> 00:48:11,359

disappearances

1291

00:48:15,430 --> 00:48:13,760

so um you know i'm just going to put it

1292

00:48:17,270 --> 00:48:15,440

out there well without saying more than

1293

00:48:18,829 --> 00:48:17,280

what we should say about it you and i

1294

00:48:21,670 --> 00:48:18,839

have had a conversation

1295

00:48:24,870 --> 00:48:21,680

offline with uh

1296

00:48:27,670 --> 00:48:24,880

the author about his thoughts on that

1297

00:48:29,750 --> 00:48:27,680

and though he won't publicly say yay i

1298

00:48:32,710 --> 00:48:29,760

think we're along the same lines of what

1299

00:48:33,190 --> 00:48:32,720

he feels and that itself is telling him

1300

00:48:34,630 --> 00:48:33,200

look i

1301

00:48:35,990 --> 00:48:34,640

i i feel that way you know that's a

1302

00:48:37,910 --> 00:48:36,000

question i get whenever i'm doing a

1303

00:48:38,549 --> 00:48:37,920

presentation or i'm talking to somebody

1304

00:48:41,190 --> 00:48:38,559

is

1305

00:48:42,150 --> 00:48:41,200

has bigfoot ever hurt somebody well hell

1306

00:48:44,150 --> 00:48:42,160

we don't know

1307

00:48:45,270 --> 00:48:44,160

you know what i mean like if they're

1308

00:48:48,630 --> 00:48:45,280

killing them they're not sure

1309

00:48:53,030 --> 00:48:48,640

coming back to tell us about it

1310

00:48:56,630 --> 00:48:55,270

i mean we have heard stories of these

1311

00:48:59,430 --> 00:48:56,640

things actually

1312

00:49:02,870 --> 00:48:59,440

helping people too so definitely i guess

1313

00:49:05,430 --> 00:49:02,880

it works both ways i mean you know tom

1314

00:49:08,390 --> 00:49:05,440

locals is full of it he's got a great

1315

00:49:10,950 --> 00:49:08,400

story about rocky how the guy was uh

1316

00:49:12,710 --> 00:49:10,960

carried back to the foot of the trail

1317

00:49:14,390 --> 00:49:12,720

that he hurt himself and

1318

00:49:16,150 --> 00:49:14,400

he was placed there so somebody would

1319

00:49:19,270 --> 00:49:16,160

see him and

1320

00:49:21,349 --> 00:49:19,280

i'm not saying every encounter is uh

1321

00:49:23,109 --> 00:49:21,359

a bad encounter but folks let's be clear

1322

00:49:25,190 --> 00:49:23,119

not every encounter is harry and the

1323

00:49:28,710 --> 00:49:25,200

freaking hendersons either

1324

00:49:30,870 --> 00:49:28,720

yeah yeah yeah i

1325

00:49:32,790 --> 00:49:30,880

you know you heard a lot of details and

1326

00:49:36,390 --> 00:49:32,800

a lot of stories i have to

1327

00:49:39,270 --> 00:49:36,400

and uh you know they

1328

00:49:39,829 --> 00:49:39,280

they're certain you know in fact i got a

1329

00:49:43,030 --> 00:49:39,839

story

1330

00:49:44,390 --> 00:49:43,040

years and years ago from a woman down in

1331

00:49:47,589 --> 00:49:44,400

um

1332

00:49:52,950 --> 00:49:47,599

in florida and this has to has

1333

00:49:59,750 --> 00:49:57,190

back then this was 2000 was 2003.

1334

00:50:01,270 --> 00:49:59,760

so you know she said she lived down in

1335

00:50:03,670 --> 00:50:01,280

florida and

1336

00:50:04,710 --> 00:50:03,680

you know all and although they've

1337

00:50:07,030 --> 00:50:04,720

traveled a bit

1338

00:50:08,230 --> 00:50:07,040

they always felt like that was home you

1339

00:50:09,910 --> 00:50:08,240

know yeah

1340

00:50:12,150 --> 00:50:09,920

they're originally from new york city

1341

00:50:15,030 --> 00:50:12,160

but uh they lived

1342

00:50:16,390 --> 00:50:15,040

down there in florida for quite a while

1343

00:50:18,150 --> 00:50:16,400

in fact

1344

00:50:19,589 --> 00:50:18,160

in the summer they used to go down a lot

1345

00:50:21,510 --> 00:50:19,599

then they eventually lived down there

1346

00:50:24,950 --> 00:50:21,520

and they had a trailer

1347

00:50:27,750 --> 00:50:24,960

and they also had horse pasture and such

1348

00:50:30,069 --> 00:50:27,760

uh there was a campground and now this

1349

00:50:31,190 --> 00:50:30,079

is mayaka so this is down in sarasota

1350

00:50:35,829 --> 00:50:31,200

county this is a

1351

00:50:39,750 --> 00:50:35,839

this is an area very well known for

1352

00:50:42,069 --> 00:50:39,760

for skunky babes um i said

1353

00:50:44,150 --> 00:50:42,079

uh my aca was just across the side of

1354

00:50:45,910 --> 00:50:44,160

the side of the pasture

1355

00:50:47,349 --> 00:50:45,920

and they had made friends with people

1356

00:50:49,190 --> 00:50:47,359

who ran it so it was

1357

00:50:51,270 --> 00:50:49,200

late summer and a bunch of the campers

1358

00:50:53,109 --> 00:50:51,280

had got together

1359

00:50:55,750 --> 00:50:53,119

because they'd be leaving soon going

1360

00:50:56,790 --> 00:50:55,760

back home so a bonfire was being held

1361

00:50:58,390 --> 00:50:56,800

that evening

1362

00:51:01,190 --> 00:50:58,400

so there was a trail that led into the

1363

00:51:02,950 --> 00:51:01,200

campground from where the trailer was

1364

00:51:05,270 --> 00:51:02,960

and everybody had gathered at our

1365

00:51:08,150 --> 00:51:05,280

trailer for a farewell barbecue

1366

00:51:08,870 --> 00:51:08,160

then moving down to the campground and

1367

00:51:12,950 --> 00:51:08,880

after

1368

00:51:15,349 --> 00:51:12,960

cleaned up the barbecue mess it was

1369

00:51:17,589 --> 00:51:15,359

getting dark so i was pretty much

1370

00:51:18,710 --> 00:51:17,599

the last one to arrive the fire was

1371

00:51:20,870 --> 00:51:18,720

started

1372

00:51:23,270 --> 00:51:20,880

and we all stood around talking it was

1373

00:51:25,270 --> 00:51:23,280

about 9 30 p.m

1374

00:51:27,349 --> 00:51:25,280

i was standing beside my friend on the

1375

00:51:29,670 --> 00:51:27,359

outside edge of the fire when i had to

1376

00:51:31,910 --> 00:51:29,680

look across at the tree line

1377

00:51:33,430 --> 00:51:31,920

there's a fence there with a low-lying

1378

00:51:35,990 --> 00:51:33,440

palm shrub

1379

00:51:37,430 --> 00:51:36,000

scrub excuse me it's divided into the

1380

00:51:39,430 --> 00:51:37,440

other half of the pasture from the

1381

00:51:41,829 --> 00:51:39,440

campground and back trails

1382

00:51:44,950 --> 00:51:41,839

as i looked in that direction i saw two

1383

00:51:47,030 --> 00:51:44,960

big red eyes staring back at me

1384

00:51:48,549 --> 00:51:47,040

the outline of this thing was pretty big

1385

00:51:49,910 --> 00:51:48,559

but the glow of the fire

1386

00:51:52,470 --> 00:51:49,920

excuse me the outline of the thing was

1387

00:51:54,630 --> 00:51:52,480

pretty big by the glow the fire light

1388

00:51:56,069 --> 00:51:54,640

the pulse scrub palm scrub was about

1389

00:51:58,549 --> 00:51:56,079

four foot high

1390

00:52:00,870 --> 00:51:58,559

higher in some spots not taking my eyes

1391

00:52:02,710 --> 00:52:00,880

off this thing i quietly whispered

1392

00:52:04,230 --> 00:52:02,720

to my friend to look in that direction

1393

00:52:07,190 --> 00:52:04,240

and don't scream

1394

00:52:09,349 --> 00:52:07,200

she did and she whispered to her husband

1395

00:52:11,030 --> 00:52:09,359

she said softly to the group not to make

1396

00:52:13,270 --> 00:52:11,040

any sudden moves we were

1397

00:52:14,950 --> 00:52:13,280

taking we were talking softly and

1398

00:52:16,309 --> 00:52:14,960

alerting everyone in the group about the

1399

00:52:18,390 --> 00:52:16,319

red eyes

1400

00:52:20,230 --> 00:52:18,400

and everybody looked and saw what we

1401  
00:52:22,630 --> 00:52:20,240  
were seeing

1402  
00:52:24,470 --> 00:52:22,640  
so there were eight of us all totaled uh

1403  
00:52:27,510 --> 00:52:24,480  
my girlfriend's husband returned with a

1404  
00:52:29,829 --> 00:52:27,520  
flashlight and a rifle and ham

1405  
00:52:32,950 --> 00:52:29,839  
we handed a flashlight to my friend and

1406  
00:52:34,549 --> 00:52:32,960  
i told her to shine it in at whatever it

1407  
00:52:37,109 --> 00:52:34,559  
was in the scrub

1408  
00:52:38,630 --> 00:52:37,119  
when she did this thing stood up and it

1409  
00:52:41,750 --> 00:52:38,640  
made a growling sound

1410  
00:52:43,349 --> 00:52:41,760  
my friend's husband then shot at it

1411  
00:52:46,069 --> 00:52:43,359  
and it screamed like nothing i'd ever

1412  
00:52:48,710 --> 00:52:46,079  
heard before it took off into the brush

1413  
00:52:49,990 --> 00:52:48,720

everybody except me and a group ran to

1414

00:52:52,950 --> 00:52:50,000

get flashlights

1415

00:52:53,670 --> 00:52:52,960

and whatever to arm ourselves with my

1416

00:52:55,910 --> 00:52:53,680

friend and i

1417

00:52:57,430 --> 00:52:55,920

were told to stay by the fire about that

1418

00:52:59,990 --> 00:52:57,440

time we heard the horses

1419

00:53:01,750 --> 00:53:00,000

screaming in the pasture and they

1420

00:53:04,069 --> 00:53:01,760

hurried to the field

1421

00:53:05,829 --> 00:53:04,079

after a while they all returned they

1422

00:53:08,630 --> 00:53:05,839

could not find anything and

1423

00:53:09,349 --> 00:53:08,640

would resume the search at daylight the

1424

00:53:11,990 --> 00:53:09,359

next day

1425

00:53:13,430 --> 00:53:12,000

blood was found at the fence area and a

1426

00:53:16,230 --> 00:53:13,440

horse was dead

1427

00:53:17,750 --> 00:53:16,240

its next its neck was broken body badly

1428

00:53:20,309 --> 00:53:17,760

ripped apart

1429

00:53:21,190 --> 00:53:20,319

searches were continued for a couple

1430

00:53:23,750 --> 00:53:21,200

days

1431

00:53:25,750 --> 00:53:23,760

and no one spoke about it what happened

1432

00:53:28,470 --> 00:53:25,760

after having several things happen

1433

00:53:30,390 --> 00:53:28,480

where i was staying we left this was not

1434

00:53:32,069 --> 00:53:30,400

the only time i have encountered a large

1435

00:53:34,630 --> 00:53:32,079

red-eyed being

1436

00:53:35,750 --> 00:53:34,640

i believe this was a fact a skunky

1437

00:53:38,870 --> 00:53:35,760

bigfoot

1438

00:53:40,549 --> 00:53:38,880

uh that after being shot at at purposely

1439

00:53:42,470 --> 00:53:40,559

it killed the horse

1440

00:53:44,069 --> 00:53:42,480

i had one another occasion encountered

1441

00:53:46,150 --> 00:53:44,079

one again at night which

1442

00:53:48,150 --> 00:53:46,160

chased me through the woods while

1443

00:53:50,790 --> 00:53:48,160

walking home from my friend's house

1444

00:53:53,030 --> 00:53:50,800

i had not known at the time that a body

1445

00:53:55,030 --> 00:53:53,040

was found mutilated in that area

1446

00:53:56,470 --> 00:53:55,040

and that the arms of that poor soil were

1447

00:54:00,069 --> 00:53:56,480

torn from its body

1448

00:54:04,470 --> 00:54:00,079

i was lucky and

1449

00:54:09,829 --> 00:54:04,480

i i have heard a few other

1450

00:54:13,190 --> 00:54:09,839

instances where human bodies

1451

00:54:14,390 --> 00:54:13,200

tore up in that area i mean now

1452

00:54:16,710 --> 00:54:14,400

you know they're not gonna come right

1453

00:54:17,910 --> 00:54:16,720

out and say it was a skunk ape that did

1454

00:54:19,910 --> 00:54:17,920

it

1455

00:54:21,109 --> 00:54:19,920

but you know we've all seen the footage

1456

00:54:23,589 --> 00:54:21,119

over there mayaka

1457

00:54:25,829 --> 00:54:23,599

people we're driving down the road and

1458

00:54:28,390 --> 00:54:25,839

they see these things in the field

1459

00:54:31,109 --> 00:54:28,400

and uh uh you know there's something out

1460

00:54:33,430 --> 00:54:31,119

there there's no doubt about that

1461

00:54:35,190 --> 00:54:33,440

so this was uh and in fact this this

1462

00:54:37,589 --> 00:54:35,200

story

1463

00:54:39,109 --> 00:54:37,599

about a year or so later this woman's

1464

00:54:41,750 --> 00:54:39,119

sister

1465

00:54:43,829 --> 00:54:41,760

contacted me and told me and she

1466

00:54:46,789 --> 00:54:43,839

verified the whole thing

1467

00:54:51,190 --> 00:54:46,799

uh so something something did happen

1468

00:54:55,829 --> 00:54:53,670

mayaka area is a pretty strange place

1469

00:54:58,950 --> 00:54:55,839

those palmetto leaves themselves are

1470

00:55:02,870 --> 00:55:00,950

well you know it's it's an area that's

1471

00:55:03,510 --> 00:55:02,880

it's been active people known about it

1472

00:55:05,750 --> 00:55:03,520

for years

1473

00:55:07,270 --> 00:55:05,760

the photos that were sent to lauren

1474

00:55:09,910 --> 00:55:07,280

coleman right

1475

00:55:11,270 --> 00:55:09,920

yeah well i mean there have been some

1476

00:55:13,589 --> 00:55:11,280

videos that people

1477

00:55:15,670 --> 00:55:13,599

have it was you know i remember four or

1478

00:55:19,349 --> 00:55:15,680

five years ago

1479

00:55:21,430 --> 00:55:19,359

uh people that were going down the road

1480

00:55:22,950 --> 00:55:21,440

all stopped at this right there on the

1481

00:55:24,150 --> 00:55:22,960

side of road and we're actually taking

1482

00:55:26,470 --> 00:55:24,160

video

1483

00:55:28,870 --> 00:55:26,480

of these skunk apes running in through

1484

00:55:30,390 --> 00:55:28,880

the the uh the pasture

1485

00:55:32,829 --> 00:55:30,400

i think i remember this now that you're

1486

00:55:33,990 --> 00:55:32,839

bringing this to you're bringing this up

1487

00:55:36,549 --> 00:55:34,000

yeah

1488

00:55:37,910 --> 00:55:36,559

so uh you know there's been a lot

1489

00:55:38,870 --> 00:55:37,920

there's been a lot of people that have

1490

00:55:42,230 --> 00:55:38,880

reported on

1491

00:55:43,910 --> 00:55:42,240

having um encounters with these skunk

1492

00:55:45,910 --> 00:55:43,920

apes i mean that

1493

00:55:47,270 --> 00:55:45,920

they seem to be a little bit more

1494

00:55:50,789 --> 00:55:47,280

aggressive

1495

00:55:52,630 --> 00:55:50,799

than regular bigfoot in other locations

1496

00:55:54,309 --> 00:55:52,640

uh i think for the most part they're a

1497

00:55:56,309 --> 00:55:54,319

little bit smaller but i think they're a

1498

00:55:59,109 --> 00:55:56,319

little bit more aggressive

1499

00:56:00,630 --> 00:55:59,119

yeah definitely that's that i i mean

1500

00:56:04,549 --> 00:56:00,640

that trend appears

1501  
00:56:08,710 --> 00:56:07,349  
i don't know these mangy little bigfoots

1502  
00:56:14,789 --> 00:56:08,720  
it's what i call them the

1503  
00:56:18,789 --> 00:56:16,870  
well guys you're looking out of that

1504  
00:56:20,069 --> 00:56:18,799  
mess i guess you would be i don't know

1505  
00:56:22,390 --> 00:56:20,079  
they got all the things in there that

1506  
00:56:26,150 --> 00:56:22,400  
can kill you they can keep that [h\_\_h] i'm

1507  
00:56:28,950 --> 00:56:26,160  
i've got no inclination

1508  
00:56:30,309 --> 00:56:28,960  
to go poking around down there but guys

1509  
00:56:32,309 --> 00:56:30,319  
we're out of time for tonight can you

1510  
00:56:35,190 --> 00:56:32,319  
believe that that hour went by

1511  
00:56:36,710 --> 00:56:35,200  
very quick real quick quicker than the

1512  
00:56:37,900 --> 00:56:36,720  
sausages at a forker buffet

1513  
00:56:40,309 --> 00:56:37,910

let me tell you

1514

00:56:43,990 --> 00:56:40,319

[Laughter]

1515

00:56:45,109 --> 00:56:44,000

but next week we got dr ray cosmic ray

1516

00:56:47,670 --> 00:56:45,119

keller joining us back

1517

00:56:49,430 --> 00:56:47,680

talk about strange visitors in pa the

1518

00:56:52,390 --> 00:56:49,440

venusians

1519

00:56:53,990 --> 00:56:52,400

uh dr keller is a great guy very

1520

00:56:56,829 --> 00:56:54,000

personable fella

1521

00:56:58,069 --> 00:56:56,839

uh and he's got some strange stuff

1522

00:57:01,510 --> 00:56:58,079

happening

1523

00:57:04,069 --> 00:57:01,520

this is a strange story in fact

1524

00:57:05,829 --> 00:57:04,079

i encourage everybody to keep an eye on

1525

00:57:09,190 --> 00:57:05,839

the blob because

1526

00:57:12,710 --> 00:57:09,200

i got some photographs today and

1527

00:57:14,230 --> 00:57:12,720

uh i got the story on this situation

1528

00:57:17,910 --> 00:57:14,240

that occurred

1529

00:57:20,309 --> 00:57:17,920

in in pennsylvania it's pretty odd

1530

00:57:21,109 --> 00:57:20,319

um well you know i'm not gonna say

1531

00:57:23,349 --> 00:57:21,119

anything about it but

1532

00:57:25,349 --> 00:57:23,359

it it's interesting i don't know what

1533

00:57:27,670 --> 00:57:25,359

the hell actually happened but

1534

00:57:29,670 --> 00:57:27,680

reid's pretty excited about it so we're

1535

00:57:33,190 --> 00:57:29,680

going to get an exclusive on it

1536

00:57:36,230 --> 00:57:33,200

exclusive to you this coming week

1537

00:57:42,789 --> 00:57:40,549

he uh is kind of uh

1538

00:57:44,710 --> 00:57:42,799

a payback for us having him come the

1539

00:57:46,950 --> 00:57:44,720

show let him come on the show and

1540

00:57:48,309 --> 00:57:46,960

help sell his books and talk about venus

1541

00:57:49,750 --> 00:57:48,319

and such and

1542

00:57:51,589 --> 00:57:49,760

i mean they are excellent books i just

1543

00:57:52,470 --> 00:57:51,599

got the other two the other the newest

1544

00:57:53,829 --> 00:57:52,480

dude

1545

00:57:55,910 --> 00:57:53,839

the other day and they are they are

1546

00:57:58,069 --> 00:57:55,920

excellent and uh

1547

00:57:59,349 --> 00:57:58,079

he's just a nice guy he really is he is

1548

00:58:04,390 --> 00:57:59,359

breaking uh

1549

00:58:08,870 --> 00:58:06,549

we'll ask him and see what he has to say

1550

00:58:11,510 --> 00:58:08,880

about these uh

1551  
00:58:13,109 --> 00:58:11,520  
these individuals who showed up at this

1552  
00:58:15,190 --> 00:58:13,119  
lecture

1553  
00:58:16,870 --> 00:58:15,200  
and uh we'll see what he has to say

1554  
00:58:19,349 --> 00:58:16,880  
about it

1555  
00:58:21,990 --> 00:58:19,359  
folks arcaneradio.com for more

1556  
00:58:23,829 --> 00:58:22,000  
information phantomsandmonsters.com

1557  
00:58:25,190 --> 00:58:23,839  
uh butch go ahead and give the url

1558  
00:58:27,270 --> 00:58:25,200  
because i'm gonna butcher it up as

1559  
00:58:31,990 --> 00:58:27,280  
always

1560  
00:58:33,589 --> 00:58:32,000  
uh you4cop.com uforcop.com or facebook

1561  
00:58:36,710 --> 00:58:33,599  
twitter and all those other good places

1562  
00:58:39,430 --> 00:58:36,720  
that's fine twitter tweet us

1563  
00:58:41,670 --> 00:58:39,440

facebook us find us we're socially

1564

00:58:44,349 --> 00:58:41,680

active folks arcaneradio.com

1565

00:58:46,230 --> 00:58:44,359

and uh go to our website uh which again

1566

00:58:47,589 --> 00:58:46,240

arcaneradio.com and click on for the

1567

00:58:50,950 --> 00:58:47,599

calls and donate

1568

00:58:52,950 --> 00:58:50,960

to one of our great uh uh

1569

00:58:54,950 --> 00:58:52,960

partners that we're working with here

1570

00:58:56,789 --> 00:58:54,960

and uh we'll leave you with a psa

1571

00:58:59,030 --> 00:58:56,799

going out here for feeding america one

1572

00:59:00,950 --> 00:58:59,040

of the causes i firmly believe in

1573

00:59:02,390 --> 00:59:00,960

no child should go to bed hungry or know

1574

00:59:04,630 --> 00:59:02,400

where their next meal is coming from and

1575

00:59:05,030 --> 00:59:04,640

feeding america goes to taking care of

1576

00:59:08,230 --> 00:59:05,040

just

1577

00:59:10,150 --> 00:59:08,240

that next week dr cosmic gray folks take

1578

00:59:11,589 --> 00:59:10,160

it easy take care of yourselves

1579

00:59:13,109 --> 00:59:11,599

we'll see you wednesday thanks for

1580

00:59:15,030 --> 00:59:13,119

joining us on this special saturday
