

A pale, slender humanoid figure with long, dark hair is crawling on all fours in a dark, dense forest. The figure's body is very thin and appears to be made of a smooth, pale material. The background is a dark, shadowy forest with tall, thin trees. In the lower right foreground, a human skull lies on the ground. The overall atmosphere is eerie and mysterious.

8  
00:00:35,670 --> 00:00:34,389

illinois tall pale white humanoid we

9  
00:00:37,910 --> 00:00:35,680

live in northern illinois

10  
00:00:39,750 --> 00:00:37,920

near rockford our backyard is pretty

11  
00:00:41,430 --> 00:00:39,760

long and connects to an alleyway

12  
00:00:43,110 --> 00:00:41,440

and all the way at the back we have two

13  
00:00:44,549 --> 00:00:43,120

poles that used to be used for hanging

14

00:00:46,310 --> 00:00:44,559

clothes out to dry

15

00:00:48,470 --> 00:00:46,320

they're probably about six and a half

16

00:00:49,910 --> 00:00:48,480

feet tall connected to my house in the

17

00:00:51,510 --> 00:00:49,920

yard is a porch

18

00:00:53,670 --> 00:00:51,520

it's basically a room with two of the

19

00:00:54,470 --> 00:00:53,680

walls taken out and replaced with wire

20

00:00:56,389 --> 00:00:54,480

mesh

21

00:00:57,590 --> 00:00:56,399

we live in a two-bedroom house with my

22

00:01:00,549 --> 00:00:57,600

cousin her son

23

00:01:02,470 --> 00:01:00,559

my mom and my grandfather my mom and i

24

00:01:03,110 --> 00:01:02,480

used to share a room until my cousin got

25

00:01:05,030 --> 00:01:03,120

pregnant

26  
00:01:07,429 --> 00:01:05,040  
so she gave up our room so she wouldn't

27  
00:01:09,270 --> 00:01:07,439  
be sleeping on an uncomfortable couch

28  
00:01:11,109 --> 00:01:09,280  
for a while my mom and i slept in the

29  
00:01:12,390 --> 00:01:11,119  
living room her on the couch and me on

30  
00:01:14,710 --> 00:01:12,400  
an air mattress

31  
00:01:16,710 --> 00:01:14,720  
up until two years ago my mom reverted a

32  
00:01:17,109 --> 00:01:16,720  
room in our basement into a bedroom for

33  
00:01:21,590 --> 00:01:17,119  
me

34  
00:01:22,390 --> 00:01:21,600  
my mom still sleeps in the living room

35  
00:01:24,789 --> 00:01:22,400  
on the couch

36  
00:01:26,149 --> 00:01:24,799  
so she doesn't have any privacy except

37  
00:01:27,910 --> 00:01:26,159  
for back porch

38  
00:01:30,469 --> 00:01:27,920

so she pretty much just sits out there

39

00:01:31,510 --> 00:01:30,479

all day it was last year in late summer

40

00:01:33,590 --> 00:01:31,520

early fall

41

00:01:35,670 --> 00:01:33,600

my mom was sitting on the porch as she

42

00:01:37,590 --> 00:01:35,680

usually does and she looks out into the

43

00:01:38,230 --> 00:01:37,600

backyard and sees something standing in

44

00:01:40,550 --> 00:01:38,240

the alley

45

00:01:42,149 --> 00:01:40,560

right behind our fence it was pretty

46

00:01:43,510 --> 00:01:42,159

dark out so she couldn't make out

47

00:01:45,590 --> 00:01:43,520

exactly what it looked like

48

00:01:46,630 --> 00:01:45,600

but she said it had a human figure was

49

00:01:48,469 --> 00:01:46,640

completely white

50

00:01:50,710 --> 00:01:48,479

about the size of the poles we have in

51  
00:01:52,469 --> 00:01:50,720  
the yard she told me that it hopped the

52  
00:01:53,429 --> 00:01:52,479  
fence with no problem and started

53  
00:01:55,030 --> 00:01:53,439  
sprinting at her

54  
00:01:57,350 --> 00:01:55,040  
like if it were running a marathon or

55  
00:01:58,630 --> 00:01:57,360  
something it then got a couple feet away

56  
00:02:01,030 --> 00:01:58,640  
from the porch window

57  
00:02:02,789 --> 00:02:01,040  
and then just disappeared she said she

58  
00:02:04,709 --> 00:02:02,799  
was so scared that she was completely

59  
00:02:06,789 --> 00:02:04,719  
frozen that entire time

60  
00:02:08,550 --> 00:02:06,799  
she didn't move her body for a good 20

61  
00:02:10,389 --> 00:02:08,560  
seconds because she was scared that if

62  
00:02:11,190 --> 00:02:10,399  
it saw her move it was going to come

63  
00:02:13,030 --> 00:02:11,200

back

64

00:02:14,470 --> 00:02:13,040

she just kept moving her eyes to get

65

00:02:16,150 --> 00:02:14,480

them to adjust to the dark

66

00:02:18,550 --> 00:02:16,160

so she could see if there was anything

67

00:02:19,030 --> 00:02:18,560

still outside to come outside to the

68

00:02:20,790 --> 00:02:19,040

porch

69

00:02:22,150 --> 00:02:20,800

you need to walk through the kitchen and

70

00:02:23,910 --> 00:02:22,160

that's where i was

71

00:02:25,190 --> 00:02:23,920

i was sitting at the kitchen table when

72

00:02:27,670 --> 00:02:25,200

she burst through the door

73

00:02:29,190 --> 00:02:27,680

and runs to the sink to get a knife so

74

00:02:31,190 --> 00:02:29,200

now i'm panicking because i thought

75

00:02:33,430 --> 00:02:31,200

there was a murder outside or something

76  
00:02:35,270 --> 00:02:33,440  
and then she tells me what happened we

77  
00:02:37,110 --> 00:02:35,280  
both stayed there for a good hour just

78  
00:02:38,630 --> 00:02:37,120  
looking out the kitchen window to see if

79  
00:02:40,229 --> 00:02:38,640  
that thing was still there

80  
00:02:48,830 --> 00:02:40,239  
i haven't talked to her about that at

81  
00:02:52,550 --> 00:02:51,589  
mp do people shock by pale white

82  
00:02:54,869 --> 00:02:52,560  
encounter

83  
00:02:56,790 --> 00:02:54,879  
i'll be honest i almost never believe

84  
00:02:58,470 --> 00:02:56,800  
anyone's story about seeing mythical

85  
00:03:00,630 --> 00:02:58,480  
creatures or monsters and wouldn't

86  
00:03:02,149 --> 00:03:00,640  
believe this story if i told myself it

87  
00:03:04,070 --> 00:03:02,159  
from another perspective

88  
00:03:05,990 --> 00:03:04,080

however the only reason i think i

89

00:03:07,589 --> 00:03:06,000

actually did see something was because

90

00:03:09,589 --> 00:03:07,599

my friend saw the same thing and

91

00:03:10,630 --> 00:03:09,599

verified my eyes weren't just playing

92

00:03:12,790 --> 00:03:10,640

tricks on me

93

00:03:14,710 --> 00:03:12,800

we were driving home from a friend's she

94

00:03:18,309 --> 00:03:14,720

was the driver i was passenger

95

00:03:20,630 --> 00:03:18,319

around 1 30 am going around 35 miles per

96

00:03:22,229 --> 00:03:20,640

hour i see a figure standing completely

97

00:03:24,309 --> 00:03:22,239

still on the side of the road just

98

00:03:26,550 --> 00:03:24,319

looking across the road not moving

99

00:03:28,949 --> 00:03:26,560

what it looked like thin and relatively

100

00:03:29,750 --> 00:03:28,959

tall maybe six to six and a half feet

101  
00:03:32,789 --> 00:03:29,760  
tall

102  
00:03:34,390 --> 00:03:32,799  
pale skin hunched over slightly dark

103  
00:03:36,789 --> 00:03:34,400  
black pits for eyes

104  
00:03:38,149 --> 00:03:36,799  
no mouth or if there was one very small

105  
00:03:40,390 --> 00:03:38,159  
and not noticeable

106  
00:03:42,149 --> 00:03:40,400  
stringy long hair like gollum wearing

107  
00:03:42,789 --> 00:03:42,159  
clothes like a tattered coat or hoodie

108  
00:03:45,030 --> 00:03:42,799  
thing

109  
00:03:45,990 --> 00:03:45,040  
and here's a really strange feature its

110  
00:03:47,990 --> 00:03:46,000  
legs were jointed

111  
00:03:49,430 --> 00:03:48,000  
backwards like a cricket but it was

112  
00:03:51,509 --> 00:03:49,440  
standing straight up

113  
00:03:53,110 --> 00:03:51,519

imagine your own leg slightly bent but

114

00:03:55,110 --> 00:03:53,120

the bend is reversed

115

00:03:56,630 --> 00:03:55,120

anyone seen anything like this or have

116

00:03:58,630 --> 00:03:56,640

an idea of what it is

117

00:04:00,390 --> 00:03:58,640

this really freaked me out because i saw

118

00:04:02,309 --> 00:04:00,400

it and immediately turned to my friend

119

00:04:04,550 --> 00:04:02,319

the driver and she had a look of pure

120

00:04:06,390 --> 00:04:04,560

shock and fear also and at that moment

121

00:04:08,390 --> 00:04:06,400

we both realized we saw it

122

00:04:09,429 --> 00:04:08,400

we were so scared we sped up and didn't

123

00:04:11,350 --> 00:04:09,439

look back

124

00:04:19,590 --> 00:04:11,360

now i wish we looked back to see what it

125

00:04:22,629 --> 00:04:22,069

californian recalls observing pale white

126

00:04:27,830 --> 00:04:22,639

as a

127

00:04:28,710 --> 00:04:27,840

i'll never forget every detail of that

128

00:04:30,950 --> 00:04:28,720

day

129

00:04:32,950 --> 00:04:30,960

little backstory at the time we lived

130

00:04:34,390 --> 00:04:32,960

with my grandmother in the high desert

131

00:04:36,310 --> 00:04:34,400

of california

132

00:04:38,550 --> 00:04:36,320

she had a dance studio built on her

133

00:04:39,350 --> 00:04:38,560

property so the house was in the center

134

00:04:42,070 --> 00:04:39,360

of the land

135

00:04:44,070 --> 00:04:42,080

with a large building off to the right i

136

00:04:46,230 --> 00:04:44,080

was about seven and was sitting on the

137

00:04:48,469 --> 00:04:46,240

front porch with my dogs

138

00:04:49,990 --> 00:04:48,479

puppy was blind but definitely took

139

00:04:52,950 --> 00:04:50,000

guard dogs seriously

140

00:04:54,790 --> 00:04:52,960

he was always the first to signal danger

141

00:04:56,469 --> 00:04:54,800

suddenly his hackles went up and he

142

00:04:57,430 --> 00:04:56,479

started growling towards the dance

143

00:04:59,030 --> 00:04:57,440

studio

144

00:05:00,950 --> 00:04:59,040

there was this hole that it appeared

145

00:05:02,790 --> 00:05:00,960

that went under the studio

146

00:05:05,270 --> 00:05:02,800

all attempts to fill it in had been met

147

00:05:07,990 --> 00:05:05,280

with it reappearing the next morning

148

00:05:08,710 --> 00:05:08,000

so as the puppy is growling raja a bull

149

00:05:10,790 --> 00:05:08,720

mastiff

150

00:05:13,029 --> 00:05:10,800

stood up and put her body between me and

151

00:05:14,950 --> 00:05:13,039

the stairs path to the studio

152

00:05:16,870 --> 00:05:14,960

suddenly this pale creature with limbs

153

00:05:17,749 --> 00:05:16,880

weighed along comes crawling out of the

154

00:05:20,310 --> 00:05:17,759

hole

155

00:05:21,430 --> 00:05:20,320

i just stood there and stared at first

156

00:05:23,350 --> 00:05:21,440

it didn't see me

157

00:05:24,469 --> 00:05:23,360

and i was too scared to try to make it

158

00:05:26,710 --> 00:05:24,479

to the door

159

00:05:28,469 --> 00:05:26,720

then it spotted me and stood up and it

160

00:05:31,350 --> 00:05:28,479

just kept standing up

161

00:05:33,749 --> 00:05:31,360

it was unnaturally tall we stared at

162

00:05:35,990 --> 00:05:33,759

each other for what felt like forever

163

00:05:37,270 --> 00:05:36,000

i then screamed ran for the door and

164

00:05:39,590 --> 00:05:37,280

flew it open

165

00:05:41,830 --> 00:05:39,600

i look one last time and it had thrown

166

00:05:43,670 --> 00:05:41,840

itself on all fours and was running off

167

00:05:44,469 --> 00:05:43,680

the property to the fields across the

168

00:05:46,790 --> 00:05:44,479

street

169

00:05:49,029 --> 00:05:46,800

this was near sunset and that was the

170

00:05:52,150 --> 00:05:49,039

only time i ever saw it

171

00:05:55,590 --> 00:05:52,160

i stopped going outside alone after that

172

00:06:03,110 --> 00:05:55,600

also this was all the way back 1997

173

00:06:08,790 --> 00:06:06,390

tall pale humanoids occupy canadian farm

174

00:06:10,550 --> 00:06:08,800

this incident occurred in may 2015 in

175

00:06:12,950 --> 00:06:10,560

dufferin county in ontario

176

00:06:15,430 --> 00:06:12,960

canada a friend of mine recently

177

00:06:17,590 --> 00:06:15,440

recounted this strange story to me

178

00:06:19,670 --> 00:06:17,600

this friend owns a few hundred acres of

179

00:06:20,629 --> 00:06:19,680

land which he rents to farmers to grow

180

00:06:22,870 --> 00:06:20,639

crops

181

00:06:25,270 --> 00:06:22,880

as you can imagine the area is rather

182

00:06:27,110 --> 00:06:25,280

quiet not too many houses or traffic

183

00:06:29,029 --> 00:06:27,120

around these back roads

184

00:06:31,189 --> 00:06:29,039

his house was under renovation at the

185

00:06:33,350 --> 00:06:31,199

time so he was staying in a trailer

186

00:06:35,510 --> 00:06:33,360

around the back of his property

187

00:06:37,749 --> 00:06:35,520

nothing but potato field with an old

188

00:06:40,309 --> 00:06:37,759

barn poking out from the fields

189

00:06:42,390 --> 00:06:40,319

one night he said around 1am he was

190

00:06:44,790 --> 00:06:42,400

woken up to his dogs going nuts

191

00:06:46,710 --> 00:06:44,800

scratching at the trailer door when he

192

00:06:48,710 --> 00:06:46,720

went to let the mouty was surprised to

193

00:06:50,629 --> 00:06:48,720

see bright yellow lights behind and

194

00:06:52,629 --> 00:06:50,639

inside the nearby barn

195

00:06:55,510 --> 00:06:52,639

thinking it was trespassers he let his

196

00:06:57,350 --> 00:06:55,520

dogs loose and went to grab his rifle

197

00:06:59,029 --> 00:06:57,360

he said as he was loading it he heard

198

00:07:01,270 --> 00:06:59,039

his dogs go from barking

199

00:07:03,189 --> 00:07:01,280

to yelping and whining they came

200

00:07:05,270 --> 00:07:03,199

barreling back into the trailer and

201  
00:07:07,510 --> 00:07:05,280  
proceeded to hide under the table

202  
00:07:09,350 --> 00:07:07,520  
thinking these people heard his dogs he

203  
00:07:10,950 --> 00:07:09,360  
stepped out of the trailer and fired

204  
00:07:12,950 --> 00:07:10,960  
five rounds into the air

205  
00:07:13,990 --> 00:07:12,960  
and began yelling as he readied another

206  
00:07:16,070 --> 00:07:14,000  
magazine

207  
00:07:18,309 --> 00:07:16,080  
he got a response when the lights around

208  
00:07:20,230 --> 00:07:18,319  
the barn grew incredibly bright

209  
00:07:21,589 --> 00:07:20,240  
he admits that at that point he was

210  
00:07:23,430 --> 00:07:21,599  
pretty freaked out

211  
00:07:25,270 --> 00:07:23,440  
he said that he stood there for a bit

212  
00:07:27,589 --> 00:07:25,280  
staring at the lights when he noticed

213  
00:07:29,270 --> 00:07:27,599

two beings casually walking across the

214

00:07:31,189 --> 00:07:29,280

field towards the barn

215

00:07:33,670 --> 00:07:31,199

apparently when he saw them he was hit

216

00:07:36,309 --> 00:07:33,680

with a mixture of confusion and fear

217

00:07:37,670 --> 00:07:36,319

he describes them as humanoid pale white

218

00:07:39,990 --> 00:07:37,680

tall and thin

219

00:07:40,870 --> 00:07:40,000

having very small heads in comparison to

220

00:07:42,870 --> 00:07:40,880

their bodies

221

00:07:44,309 --> 00:07:42,880

he also notes that they must have been

222

00:07:46,150 --> 00:07:44,319

six and a half foot

223

00:07:48,710 --> 00:07:46,160

with most of that height being leg

224

00:07:49,830 --> 00:07:48,720

length he stated that they moved very

225

00:07:52,230 --> 00:07:49,840

strangely

226  
00:07:54,869 --> 00:07:52,240  
their upper body seemed stiff and locked

227  
00:07:56,710 --> 00:07:54,879  
but their legs moved very fluidly

228  
00:07:59,110 --> 00:07:56,720  
almost bringing their knees to their

229  
00:08:01,350 --> 00:07:59,120  
chest understandably fear took

230  
00:08:02,950 --> 00:08:01,360  
over him he took aim and fired three

231  
00:08:04,950 --> 00:08:02,960  
rounds of the beings

232  
00:08:07,510 --> 00:08:04,960  
which just made them completely stop

233  
00:08:09,029 --> 00:08:07,520  
moving then he noticed a third one to

234  
00:08:11,589 --> 00:08:09,039  
his left very close

235  
00:08:12,550 --> 00:08:11,599  
but walking away from his trailer he

236  
00:08:14,629 --> 00:08:12,560  
turned around

237  
00:08:17,430 --> 00:08:14,639  
went back inside and went for his

238  
00:08:19,749 --> 00:08:17,440

handguns when the light outside vanished

239

00:08:21,350 --> 00:08:19,759

he sat inside his trailer with silent

240

00:08:23,430 --> 00:08:21,360

dogs until morning

241

00:08:24,550 --> 00:08:23,440

he didn't check out the barn until two

242

00:08:27,430 --> 00:08:24,560

days later

243

00:08:27,990 --> 00:08:27,440

he found nothing strange there no burn

244

00:08:30,790 --> 00:08:28,000

marks

245

00:08:32,949 --> 00:08:30,800

no holes all was normal when checking

246

00:08:33,909 --> 00:08:32,959

the fields he also found absolutely

247

00:08:35,829 --> 00:08:33,919

nothing

248

00:08:36,949 --> 00:08:35,839

he told me that he was freaked out for a

249

00:08:39,110 --> 00:08:36,959

while afterwards

250

00:08:40,949 --> 00:08:39,120

but nothing strange has ever happened on

251

00:08:43,029 --> 00:08:40,959

his property since then

252

00:08:45,190 --> 00:08:43,039

he also likes to add that not to far

253

00:08:47,190 --> 00:08:45,200

from his property is a large piece of

254

00:08:49,430 --> 00:08:47,200

military land in the woods

255

00:08:51,430 --> 00:08:49,440

it's completely fenced off with barbed

256

00:08:53,590 --> 00:08:51,440

wire and sports nothing but vents

257

00:08:55,350 --> 00:08:53,600

sticking out of the ground inside it

258

00:08:57,509 --> 00:08:55,360

apparently it's a site used for

259

00:08:58,790 --> 00:08:57,519

listening to and broadcasting messages

260

00:09:01,110 --> 00:08:58,800

into space

261

00:09:02,949 --> 00:09:01,120

so that's the story i was curious to

262

00:09:04,070 --> 00:09:02,959

find out what other people think this

263

00:09:06,949 --> 00:09:04,080

might have been

264

00:09:08,230 --> 00:09:06,959

and i know i didn't tell it too well if

265

00:09:10,389 --> 00:09:08,240

there are any questions

266

00:09:18,630 --> 00:09:10,399

i'll be sure to ask him and get back to

267

00:09:21,990 --> 00:09:21,350

tall pale humanoid in the backyard i

268

00:09:25,269 --> 00:09:22,000

live in north

269

00:09:27,509 --> 00:09:25,279

carolina durham specifically my family

270

00:09:28,790 --> 00:09:27,519

lives in a standard two-story house in

271

00:09:29,590 --> 00:09:28,800

the middle of the run of the mill

272

00:09:32,470 --> 00:09:29,600

neighborhood

273

00:09:33,590 --> 00:09:32,480

lots of intersecting roads etc on the

274

00:09:36,310 --> 00:09:33,600

night of question

275

00:09:38,310 --> 00:09:36,320

about two nights ago my family was going

276

00:09:39,990 --> 00:09:38,320

to visit a relative who had given birth

277

00:09:42,630 --> 00:09:40,000

recently in greensboro

278

00:09:45,190 --> 00:09:42,640

so i had the house to myself i was

279

00:09:48,230 --> 00:09:45,200

getting home at around eight to nine pm

280

00:09:50,070 --> 00:09:48,240

and decided to bring my dog in she stays

281

00:09:51,990 --> 00:09:50,080

outside in the kennel for the day until

282

00:09:54,070 --> 00:09:52,000

we bring her in for the night

283

00:09:56,230 --> 00:09:54,080

our house has a garage attached to the

284

00:09:58,550 --> 00:09:56,240

left of it and the garage has a back

285

00:10:00,470 --> 00:09:58,560

door that leads into the backyard

286

00:10:02,949 --> 00:10:00,480

her kennel is just to your right as you

287

00:10:04,710 --> 00:10:02,959

exit the door with a four to five feet

288

00:10:05,430 --> 00:10:04,720

clearance or path in between it in the

289

00:10:07,509 --> 00:10:05,440

garage

290

00:10:08,630 --> 00:10:07,519

there is also a bed of rock just up

291

00:10:11,269 --> 00:10:08,640

against the house

292

00:10:13,269 --> 00:10:11,279

this will be important she had recently

293

00:10:13,910 --> 00:10:13,279

been taken to the bed for her distressed

294

00:10:15,990 --> 00:10:13,920

behavior

295

00:10:16,949 --> 00:10:16,000

which is why i had to stay home to be

296

00:10:19,430 --> 00:10:16,959

with her

297

00:10:20,949 --> 00:10:19,440

the evening went fine i watched a movie

298

00:10:23,110 --> 00:10:20,959

to pass the time

299

00:10:25,190 --> 00:10:23,120

i then decided to take her out to use

300

00:10:25,670 --> 00:10:25,200

the bathroom before being put up for the

301  
00:10:28,630 --> 00:10:25,680  
night

302  
00:10:30,470 --> 00:10:28,640  
around 12 to 1. i took her out the back

303  
00:10:32,949 --> 00:10:30,480  
garage door with her long leash

304  
00:10:34,389 --> 00:10:32,959  
i was wearing socks and didn't feel like

305  
00:10:36,310 --> 00:10:34,399  
getting them soaked

306  
00:10:38,069 --> 00:10:36,320  
she usually does her business in that

307  
00:10:38,790 --> 00:10:38,079  
little clearing between the kennel and

308  
00:10:41,110 --> 00:10:38,800  
garage

309  
00:10:43,269 --> 00:10:41,120  
so i let her walk down through it our

310  
00:10:43,829 --> 00:10:43,279  
garage has a single light on the back

311  
00:10:46,550 --> 00:10:43,839  
wall

312  
00:10:48,870 --> 00:10:46,560  
not led or really bright so i can see

313  
00:10:50,710 --> 00:10:48,880

her somewhat well while she does it

314

00:10:53,190 --> 00:10:50,720

she's facing me when suddenly her

315

00:10:54,310 --> 00:10:53,200

backside lifts almost one or two feet

316

00:10:56,550 --> 00:10:54,320

into the air

317

00:10:58,949 --> 00:10:56,560

paranormal or not i freaking screamed at

318

00:11:01,030 --> 00:10:58,959

this i assumed some wild dog or

319

00:11:03,430 --> 00:11:01,040

something had tried to drag her

320

00:11:04,470 --> 00:11:03,440

she runs back to me and i hear rustling

321

00:11:06,550 --> 00:11:04,480

among the rocks

322

00:11:08,230 --> 00:11:06,560

and this figure stops right as it enters

323

00:11:10,310 --> 00:11:08,240

visible view in the light

324

00:11:11,590 --> 00:11:10,320

i've never seen anything like it in my

325

00:11:14,710 --> 00:11:11,600

life it

326

00:11:16,630 --> 00:11:14,720

was tall i'm six foot two and i had to

327

00:11:17,750 --> 00:11:16,640

look slightly up to see where i thought

328

00:11:20,389 --> 00:11:17,760

its head was

329

00:11:22,069 --> 00:11:20,399

it was pale but not white or gray just

330

00:11:24,069 --> 00:11:22,079

normal pale flesh color

331

00:11:25,110 --> 00:11:24,079

like someone who spends a week or two

332

00:11:27,910 --> 00:11:25,120

indoors

333

00:11:28,389 --> 00:11:27,920

it was lanky not really anorexic or

334

00:11:30,630 --> 00:11:28,399

anything

335

00:11:32,470 --> 00:11:30,640

but definitely disproportionate it

336

00:11:34,389 --> 00:11:32,480

looked at me for a good one to two

337

00:11:37,030 --> 00:11:34,399

seconds before it backtracked in the

338

00:11:38,870 --> 00:11:37,040

quickest manner i could never replicate

339

00:11:41,430 --> 00:11:38,880

as soon as it went i booked it back

340

00:11:43,350 --> 00:11:41,440

inside i was torn about calling the

341

00:11:44,550 --> 00:11:43,360

police of neighbors who had heard my

342

00:11:46,710 --> 00:11:44,560

scream hadn't

343

00:11:48,630 --> 00:11:46,720

behold almost half an hour later the

344

00:11:50,550 --> 00:11:48,640

police arrive in my driveway

345

00:11:52,629 --> 00:11:50,560

i told them that i had seen a man in the

346

00:11:54,470 --> 00:11:52,639

backyard leaving out the whole tall

347

00:11:56,389 --> 00:11:54,480

demon stuff going on

348

00:11:58,949 --> 00:11:56,399

i have been contemplating whether it was

349

00:11:59,750 --> 00:11:58,959

some creatures some nba bound nude myth

350

00:12:02,230 --> 00:11:59,760

head

351

00:12:04,150 --> 00:12:02,240

once again i don't count myself as a

352

00:12:05,910 --> 00:12:04,160

believer in the bigfooter mothman

353

00:12:08,629 --> 00:12:05,920

but i really don't know what the hell

354

00:12:10,150 --> 00:12:08,639

happened i'm most definitely not taking

355

00:12:13,190 --> 00:12:10,160

the dog out alone anytime

356

00:12:15,110 --> 00:12:13,200

soon what the hell is was ding why was

357

00:12:17,030 --> 00:12:15,120

it in a suburban neighborhood

358

00:12:22,829 --> 00:12:17,040

should i bother telling my family when

359

00:12:26,629 --> 00:12:24,069

t.s

360

00:12:27,509 --> 00:12:26,639
