

A forest scene with two glowing yellow eyes in the trees. The eyes are positioned in the upper left and center of the image, appearing to be part of the tree trunks. The forest is dense with thin, vertical tree trunks, and the lighting is dim, with the glowing eyes providing a focal point of light.

yellow eye glimmer man entity observed

9
00:00:37,910 --> 00:00:36,000

by university of florida student

10
00:00:39,830 --> 00:00:37,920

my name is mallory and i would like to

11
00:00:42,869 --> 00:00:39,840

share with you a terrifying experience i

12
00:00:44,709 --> 00:00:42,879

had back in 2002 while i was in college

13
00:00:46,709 --> 00:00:44,719

back then i was in my second year at the

14

00:00:48,709 --> 00:00:46,719

university of florida and was living in

15

00:00:50,389 --> 00:00:48,719

an apartment with a girlfriend of mine

16

00:00:51,750 --> 00:00:50,399

also a fellow student in the city of

17

00:00:53,990 --> 00:00:51,760

gainesville florida

18

00:00:55,670 --> 00:00:54,000

we lived the typical college life we

19

00:00:57,750 --> 00:00:55,680

went to class most of the time

20

00:00:59,189 --> 00:00:57,760

studied hung out with friends and would

21

00:01:00,150 --> 00:00:59,199

attend the occasional party on the

22

00:01:02,150 --> 00:01:00,160

weekends

23

00:01:03,670 --> 00:01:02,160

we were two broke college girls so we

24

00:01:04,630 --> 00:01:03,680

didn't have the funds that a lot of our

25

00:01:06,230 --> 00:01:04,640

friends did

26
00:01:07,830 --> 00:01:06,240
so when we had free time we would look

27
00:01:10,390 --> 00:01:07,840
for things to do that didn't cost

28
00:01:11,350 --> 00:01:10,400
much we would go to the movies bowl go

29
00:01:13,030 --> 00:01:11,360
to flea marcus

30
00:01:15,590 --> 00:01:13,040
your sails and hiking in some of the

31
00:01:16,630 --> 00:01:15,600
local parks this was one of my favorite

32
00:01:18,230 --> 00:01:16,640
activities

33
00:01:21,109 --> 00:01:18,240
i love the outdoors and it's great

34
00:01:23,030 --> 00:01:21,119
exercise we had a dog named toby

35
00:01:25,350 --> 00:01:23,040
he was a golden retriever and has since

36
00:01:26,310 --> 00:01:25,360
passed away but back then he was a great

37
00:01:28,469 --> 00:01:26,320
and loving dog

38
00:01:30,950 --> 00:01:28,479

who loved to hike with me so we went a

39

00:01:32,950 --> 00:01:30,960

lot probably like three times a week

40

00:01:35,109 --> 00:01:32,960

anyway our favorite spot the hike was

41

00:01:36,710 --> 00:01:35,119

the gainesville hawthorne state rail

42

00:01:39,109 --> 00:01:36,720

it wasn't that far away and was like a

43

00:01:41,670 --> 00:01:39,119

16 mile hike if you did the whole thing

44

00:01:43,350 --> 00:01:41,680

we only did that like three times most

45

00:01:44,230 --> 00:01:43,360

of the time we would hike around five

46

00:01:45,830 --> 00:01:44,240

miles

47

00:01:47,749 --> 00:01:45,840

it's a beautiful trail with lots of

48

00:01:50,389 --> 00:01:47,759

trees covered in spanish moss

49

00:01:51,429 --> 00:01:50,399

swamps and wildlife the trails are paved

50

00:01:53,190 --> 00:01:51,439

and there are bridges

51
00:01:55,429 --> 00:01:53,200
observation decks and loads of cool

52
00:01:57,350 --> 00:01:55,439
things to see the woods are very thick

53
00:01:59,830 --> 00:01:57,360
and dense once off trail you can only

54
00:02:01,749 --> 00:01:59,840
see about 35 yards into the woods

55
00:02:03,910 --> 00:02:01,759
well on this particular day me and toby

56
00:02:06,149 --> 00:02:03,920
were about four miles into the trail

57
00:02:07,590 --> 00:02:06,159
it was a weekday around 11 am so there

58
00:02:09,190 --> 00:02:07,600
were very few people

59
00:02:11,430 --> 00:02:09,200
at the time of our encounter there was

60
00:02:13,270 --> 00:02:11,440
no one around just me and toby

61
00:02:15,190 --> 00:02:13,280
as we were walking i was just looking

62
00:02:16,150 --> 00:02:15,200
around as we hike you know just looking

63
00:02:17,830 --> 00:02:16,160

for wildlife

64

00:02:19,430 --> 00:02:17,840

enjoying the sun and mother nature and

65

00:02:21,910 --> 00:02:19,440

all of her beauty when

66

00:02:23,589 --> 00:02:21,920

all of a sudden toby froze he saw

67

00:02:25,510 --> 00:02:23,599

something he just stood there with his

68

00:02:26,229 --> 00:02:25,520

ears perked up his tail was sticking

69

00:02:28,390 --> 00:02:26,239

straight out

70

00:02:30,150 --> 00:02:28,400

and he was staring into the trees i

71

00:02:31,509 --> 00:02:30,160

assumed he saw some birds or something

72

00:02:34,229 --> 00:02:31,519

else in the trees

73

00:02:35,110 --> 00:02:34,239

so i asked him what you see toby what is

74

00:02:36,630 --> 00:02:35,120

a boy

75

00:02:38,550 --> 00:02:36,640

he didn't bark but i could tell

76
00:02:40,470 --> 00:02:38,560
something he caught his attention

77
00:02:42,550 --> 00:02:40,480
while he continued to stare i started

78
00:02:44,710 --> 00:02:42,560
looking in the same direction as he was

79
00:02:46,550 --> 00:02:44,720
trying to see what he was looking at at

80
00:02:47,030 --> 00:02:46,560
this point toby's demeanor started to

81
00:02:48,790 --> 00:02:47,040
change

82
00:02:50,790 --> 00:02:48,800
his tail went from sticking straight out

83
00:02:52,550 --> 00:02:50,800
and now lower between his legs

84
00:02:54,309 --> 00:02:52,560
he began to whimper a little and started

85
00:02:54,949 --> 00:02:54,319
pulling on the leash like he wanted out

86
00:02:56,550 --> 00:02:54,959
of there

87
00:02:58,550 --> 00:02:56,560
i continued to look into the trees

88
00:03:00,710 --> 00:02:58,560

trying to spot whatever was scaring him

89

00:03:02,710 --> 00:03:00,720

and that's when i saw it it's very hard

90

00:03:04,869 --> 00:03:02,720

to describe but this thing looked clear

91

00:03:06,309 --> 00:03:04,879

but not quite it was in the shape of a

92

00:03:08,710 --> 00:03:06,319

human meaning that it had a head

93

00:03:09,589 --> 00:03:08,720

torso two arms and two legs but was

94

00:03:11,030 --> 00:03:09,599

see-through

95

00:03:12,790 --> 00:03:11,040

the thing that stood out the most was

96

00:03:14,309 --> 00:03:12,800

the glowing yellow eyes

97

00:03:16,550 --> 00:03:14,319

that was the only thing that wasn't

98

00:03:18,149 --> 00:03:16,560

clear as crazy as it sounds

99

00:03:20,070 --> 00:03:18,159

this thing looked like the alien in the

100

00:03:20,949 --> 00:03:20,080

predator movies whenever it is cloaking

101
00:03:22,790 --> 00:03:20,959
itself

102
00:03:24,550 --> 00:03:22,800
it was standing on a large tree branch

103
00:03:26,550 --> 00:03:24,560
hanging on by its right arm and was

104
00:03:28,630 --> 00:03:26,560
looking directly at me and toby

105
00:03:30,789 --> 00:03:28,640
it slowly began to crouch down and tried

106
00:03:33,030 --> 00:03:30,799
to hide behind the trunk of the tree

107
00:03:34,390 --> 00:03:33,040
like it noticed us noticing him i don't

108
00:03:36,710 --> 00:03:34,400
know why i see him

109
00:03:37,990 --> 00:03:36,720
i absolutely have no idea the sex of the

110
00:03:39,910 --> 00:03:38,000
strange creature

111
00:03:42,070 --> 00:03:39,920
if that's what you want to call it it

112
00:03:43,670 --> 00:03:42,080
tried to hide like i said but you could

113
00:03:44,390 --> 00:03:43,680

still see portions of the behind the

114

00:03:46,710 --> 00:03:44,400

tree

115

00:03:48,949 --> 00:03:46,720

i was frozen i was mesmerized by this

116

00:03:50,390 --> 00:03:48,959

thing i was just staring at it trying to

117

00:03:52,149 --> 00:03:50,400

figure out what it was

118

00:03:54,229 --> 00:03:52,159

i didn't want to take my eyes off of it

119

00:03:56,630 --> 00:03:54,239

and fear that i might lose sight of it

120

00:03:57,270 --> 00:03:56,640

this thing was so damn camouflage if i

121

00:03:59,750 --> 00:03:57,280

looked away

122

00:04:00,710 --> 00:03:59,760

i might not be able to find it again so

123

00:04:03,110 --> 00:04:00,720

i just stared

124

00:04:04,550 --> 00:04:03,120

ignoring toby and his whompers then it

125

00:04:06,149 --> 00:04:04,560

moved it swung through the trees

126

00:04:08,229 --> 00:04:06,159

effortlessly and made almost no

127

00:04:09,990 --> 00:04:08,239

sound it would move to a few trees and

128

00:04:11,750 --> 00:04:10,000

then freeze look back at us

129

00:04:13,830 --> 00:04:11,760

i guess to determine if we were watching

130

00:04:15,429 --> 00:04:13,840

it or not i got the feeling this thing

131

00:04:17,590 --> 00:04:15,439

did not want to be seen

132

00:04:19,270 --> 00:04:17,600

it would move then freeze crouched down

133

00:04:20,069 --> 00:04:19,280

and put itself between us and the tree

134

00:04:21,590 --> 00:04:20,079

it was in

135

00:04:23,909 --> 00:04:21,600

it would sit there for a few minutes and

136

00:04:26,070 --> 00:04:23,919

then move again i wanted to follow it

137

00:04:27,990 --> 00:04:26,080

but everything in my body said no

138

00:04:29,830 --> 00:04:28,000

so i just watched it and it eventually

139

00:04:31,990 --> 00:04:29,840

disappeared into the forest

140

00:04:34,150 --> 00:04:32,000

toby and i jogged back to the car and i

141

00:04:35,510 --> 00:04:34,160

never told anyone about what we saw

142

00:04:37,510 --> 00:04:35,520

to this day i don't know what we

143

00:04:40,390 --> 00:04:37,520

witnessed was it an alien

144

00:04:42,070 --> 00:04:40,400

or was it something else i don't know i

145

00:04:43,590 --> 00:04:42,080

was scared the day it happened but at

146

00:04:45,189 --> 00:04:43,600

the same time related

147

00:04:46,790 --> 00:04:45,199

toby and i went back there numerous

148

00:04:49,350 --> 00:04:46,800

times and i'm not going to lie

149

00:04:50,870 --> 00:04:49,360

i hope to see it again but never did i

150

00:04:52,790 --> 00:04:50,880

thought that i was the only one who had

151
00:04:54,870 --> 00:04:52,800
this type of encounter until i heard you

152
00:04:57,430 --> 00:04:54,880
guys covering the glimmer man

153
00:04:58,790 --> 00:04:57,440
i saw it i saw the glimmer man i now

154
00:05:00,629 --> 00:04:58,800
tell anyone who will listen

155
00:05:01,909 --> 00:05:00,639
of course some people think i'm crazy

156
00:05:03,590 --> 00:05:01,919
but i don't care

157
00:05:05,510 --> 00:05:03,600
i feel lucky that i got to have an

158
00:05:06,310 --> 00:05:05,520
experience with the paranormal with the

159
00:05:08,230 --> 00:05:06,320
unknown

160
00:05:09,749 --> 00:05:08,240
i think the universe is way more complex

161
00:05:11,189 --> 00:05:09,759
than we think and that there are things

162
00:05:13,830 --> 00:05:11,199
out there we can't explain

163
00:05:20,870 --> 00:05:13,840

and that's okay i like it that way

164

00:05:25,189 --> 00:05:22,710

plummer man witness by georgia deer

165

00:05:26,629 --> 00:05:25,199

hunter this is a strange encounter i had

166

00:05:28,390 --> 00:05:26,639

years ago in georgia

167

00:05:30,390 --> 00:05:28,400

mind you i've only told my brother and

168

00:05:32,310 --> 00:05:30,400

wife about this encounter and it took

169

00:05:35,430 --> 00:05:32,320

place 41 years ago

170

00:05:37,270 --> 00:05:35,440

so here it is it was the fall of 1978

171

00:05:39,270 --> 00:05:37,280

deer season in particular

172

00:05:40,469 --> 00:05:39,280

i live near a very small town called

173

00:05:42,550 --> 00:05:40,479

such as georgia

174

00:05:44,310 --> 00:05:42,560

it only has a population at that time of

175

00:05:45,749 --> 00:05:44,320

around 1 000 people

176

00:05:47,670 --> 00:05:45,759

it's in the southeast end of the

177

00:05:49,830 --> 00:05:47,680

chattahoochee national forest

178

00:05:51,909 --> 00:05:49,840

i'm an avid hunter and i was hunting on

179

00:05:53,749 --> 00:05:51,919

public land in the national forest just

180

00:05:55,110 --> 00:05:53,759

up the road from such as in an area

181

00:05:56,870 --> 00:05:55,120

called cooper's creek

182

00:05:59,270 --> 00:05:56,880

i had scouted out the area during the

183

00:06:01,350 --> 00:05:59,280

summer so late july early august

184

00:06:03,110 --> 00:06:01,360

i knew where all the game trails were i

185

00:06:04,870 --> 00:06:03,120

knew where water was located which

186

00:06:05,990 --> 00:06:04,880

happens to be a small creek known as

187

00:06:07,909 --> 00:06:06,000

brine creek

188

00:06:10,309 --> 00:06:07,919

and i knew where all the ridges and gaps

189

00:06:12,230 --> 00:06:10,319

were i've hunted in and around this area

190

00:06:12,950 --> 00:06:12,240

for years and was very familiar with the

191

00:06:15,029 --> 00:06:12,960

area

192

00:06:16,710 --> 00:06:15,039

well when i finally located a good spot

193

00:06:18,469 --> 00:06:16,720

or at least a spot i thought would give

194

00:06:20,710 --> 00:06:18,479

me a good chance of a large book

195

00:06:22,629 --> 00:06:20,720

i set up my lock on tree stand in a tree

196

00:06:24,390 --> 00:06:22,639

about 12 feet off of the ground

197

00:06:26,629 --> 00:06:24,400

i trimmed the branches to give me some

198

00:06:27,830 --> 00:06:26,639

shooting lanes and basically was all set

199

00:06:30,710 --> 00:06:27,840

for deer season

200

00:06:33,110 --> 00:06:30,720

oh i was hunting with a 12-gauge shotgun

201
00:06:35,590 --> 00:06:33,120
rifle hunting is not allowed in the area

202
00:06:37,590 --> 00:06:35,600
so fast forward to early november i had

203
00:06:39,670 --> 00:06:37,600
been hunting out of my tree stand about

204
00:06:40,710 --> 00:06:39,680
six times by the time this particular

205
00:06:43,830 --> 00:06:40,720
hunt happened

206
00:06:45,749 --> 00:06:43,840
it was late afternoon around 4 15 p.m

207
00:06:47,909 --> 00:06:45,759
i wanted to get there earlier the work

208
00:06:49,909 --> 00:06:47,919
held me up we had hired this new kid

209
00:06:50,790 --> 00:06:49,919
named ryan and he was slowing me down

210
00:06:53,270 --> 00:06:50,800
all week

211
00:06:55,110 --> 00:06:53,280
anyway this was a friday i finished up

212
00:06:56,790 --> 00:06:55,120
at work jumped in my truck and headed

213
00:06:58,550 --> 00:06:56,800

out to my hunting spot

214

00:07:00,629 --> 00:06:58,560

now this was my normal routine for a

215

00:07:02,230 --> 00:07:00,639

friday afternoon during deer season

216

00:07:04,230 --> 00:07:02,240

and my wife knew that i would not be

217

00:07:06,629 --> 00:07:04,240

home until around 8 30 pm

218

00:07:08,390 --> 00:07:06,639

and even later if i bagged something i

219

00:07:10,390 --> 00:07:08,400

parked my truck at the trailhead and

220

00:07:11,350 --> 00:07:10,400

started hiking into the woods to find my

221

00:07:13,430 --> 00:07:11,360

tree stand

222

00:07:15,589 --> 00:07:13,440

the walk would take about 15 to 20

223

00:07:16,469 --> 00:07:15,599

minutes you want to walk pretty quickly

224

00:07:18,150 --> 00:07:16,479

but not run

225

00:07:19,990 --> 00:07:18,160

you don't want to make too much noise

226

00:07:21,830 --> 00:07:20,000

moving through the woods you don't want

227

00:07:23,830 --> 00:07:21,840

to spook any of the wildlife

228

00:07:26,070 --> 00:07:23,840

as i was walking to my stand the first

229

00:07:28,390 --> 00:07:26,080

thing i noticed was how quiet it was

230

00:07:29,990 --> 00:07:28,400

i mean it was very quiet i didn't hear

231

00:07:32,309 --> 00:07:30,000

any of the normal chirping or singing

232

00:07:33,430 --> 00:07:32,319

birds no insects nothing you know me a

233

00:07:35,110 --> 00:07:33,440

slight breeze

234

00:07:37,110 --> 00:07:35,120

i thought it was a bit strange but

235

00:07:39,110 --> 00:07:37,120

continued on to my deer stand

236

00:07:41,270 --> 00:07:39,120

i finally arrived and climbed up and

237

00:07:43,430 --> 00:07:41,280

settled in once i was comfortable

238

00:07:44,790 --> 00:07:43,440

i jacked around into the chamber put the

239

00:07:46,869 --> 00:07:44,800

safety on my shotgun

240

00:07:48,950 --> 00:07:46,879

and began surveying the surroundings

241

00:07:51,110 --> 00:07:48,960

looking for anything out of place

242

00:07:52,869 --> 00:07:51,120

sometimes deer bed down during the day

243

00:07:54,629 --> 00:07:52,879

and you can spot their antlers above the

244

00:07:56,950 --> 00:07:54,639

tall grass and underbush

245

00:07:58,469 --> 00:07:56,960

as i was doing this i began to have this

246

00:07:59,430 --> 00:07:58,479

ominous feeling that someone was

247

00:08:01,350 --> 00:07:59,440

watching me

248

00:08:03,110 --> 00:08:01,360

i don't really know how to explain it

249

00:08:05,510 --> 00:08:03,120

other than i had this steep feeling

250

00:08:06,950 --> 00:08:05,520

deep within me in my core in my gut

251

00:08:09,189 --> 00:08:06,960

something wasn't right

252

00:08:10,550 --> 00:08:09,199

well i tried to ignore it for a while

253

00:08:12,550 --> 00:08:10,560

telling myself to stop

254

00:08:14,550 --> 00:08:12,560

being such a coward there's nothing out

255

00:08:16,629 --> 00:08:14,560

here but you some deer hopefully

256

00:08:19,110 --> 00:08:16,639

some squirrels skunks and other little

257

00:08:19,990 --> 00:08:19,120

critters as time passed the feeling only

258

00:08:22,150 --> 00:08:20,000

intensified

259

00:08:24,390 --> 00:08:22,160

i kept looking at my watch wondering how

260

00:08:26,950 --> 00:08:24,400

much time i had left until dusk

261

00:08:27,830 --> 00:08:26,960

should i leave early i thought to myself

262

00:08:29,909 --> 00:08:27,840

of course not

263

00:08:32,230 --> 00:08:29,919

a huge deer was probably only moments

264

00:08:32,870 --> 00:08:32,240

away as i was sitting there arguing with

265

00:08:34,630 --> 00:08:32,880

myself

266

00:08:37,029 --> 00:08:34,640

i caught movement to my right side in

267

00:08:38,870 --> 00:08:37,039

the trees i slowly turned my head and

268

00:08:40,790 --> 00:08:38,880

began looking through the tree canopy

269

00:08:42,550 --> 00:08:40,800

and that's when i saw it this is the

270

00:08:44,470 --> 00:08:42,560

part that still gives me chills

271

00:08:46,949 --> 00:08:44,480

even writing this now freaks me out

272

00:08:48,870 --> 00:08:46,959

because i honestly don't know what i saw

273

00:08:50,710 --> 00:08:48,880

as i was staring into the trees i saw

274

00:08:52,230 --> 00:08:50,720

what looked like a large bodybuilder

275

00:08:54,630 --> 00:08:52,240

but complete blurry moving through the

276

00:08:56,790 --> 00:08:54,640

trees i could clearly see the outline of

277

00:08:58,230 --> 00:08:56,800

the figure but the rest was blurry like

278

00:09:00,230 --> 00:08:58,240

i couldn't focus on it

279

00:09:01,590 --> 00:09:00,240

it looked like a clear gelatinous blob

280

00:09:03,990 --> 00:09:01,600

but in the shape of a human

281

00:09:05,910 --> 00:09:04,000

a large human and whenever it would stop

282

00:09:08,310 --> 00:09:05,920

i completely lost sight of it

283

00:09:10,070 --> 00:09:08,320

it blended into its background perfectly

284

00:09:12,389 --> 00:09:10,080

i just watched it for what seemed like

285

00:09:13,829 --> 00:09:12,399

an eternity but in actuality it was more

286

00:09:15,590 --> 00:09:13,839

like 15 minutes

287

00:09:17,110 --> 00:09:15,600

it moved through the trees effortlessly

288

00:09:18,870 --> 00:09:17,120

like a monkey or squirrel

289

00:09:20,870 --> 00:09:18,880

it never really looked at me while i was

290

00:09:22,870 --> 00:09:20,880

watching it maybe it was before and

291

00:09:23,509 --> 00:09:22,880

that's why i got the feeling someone was

292

00:09:26,070 --> 00:09:23,519

watching me

293

00:09:26,790 --> 00:09:26,080

i don't know it slowly moved off and i

294

00:09:29,430 --> 00:09:26,800

was scared

295

00:09:31,110 --> 00:09:29,440

about my walk back to my truck so i

296

00:09:33,110 --> 00:09:31,120

waited for another 30 minutes

297

00:09:34,790 --> 00:09:33,120

it was getting dark now and i slowly

298

00:09:37,750 --> 00:09:34,800

climbed out of my stand

299

00:09:40,150 --> 00:09:37,760

once i had solid ground i wasted no time

300

00:09:42,230 --> 00:09:40,160

i sprinted all the way back to my truck

301
00:09:44,790 --> 00:09:42,240
i jumped into the cab of my trusty ford

302
00:09:46,550 --> 00:09:44,800
pickup truck and my lungs were on fire

303
00:09:50,070 --> 00:09:46,560
that was the farthest and fastest i've

304
00:09:51,910 --> 00:09:50,080
run since basic training back in 1967. i

305
00:09:53,110 --> 00:09:51,920
just sat there in my truck and tried to

306
00:09:55,269 --> 00:09:53,120
regain my breath

307
00:09:57,350 --> 00:09:55,279
i drove home and said nothing to my wife

308
00:09:59,110 --> 00:09:57,360
or anyone else for a few weeks

309
00:10:01,030 --> 00:09:59,120
as time passed i tried to convince

310
00:10:03,190 --> 00:10:01,040
myself that i imagined it all that i

311
00:10:03,990 --> 00:10:03,200
doze off in the stand and had some sort

312
00:10:05,430 --> 00:10:04,000
of dream

313
00:10:07,590 --> 00:10:05,440

but i couldn't get the idea of that

314

00:10:09,750 --> 00:10:07,600

thing out of my head so i broke down and

315

00:10:11,350 --> 00:10:09,760

told my wife over dinner one night

316

00:10:13,030 --> 00:10:11,360

she just listened and said it was

317

00:10:14,710 --> 00:10:13,040

probably my imagination

318

00:10:17,190 --> 00:10:14,720

i later told my brother who said

319

00:10:19,110 --> 00:10:17,200

something similar along the same lines

320

00:10:21,030 --> 00:10:19,120

i never told anyone else and i never

321

00:10:22,710 --> 00:10:21,040

hunted in those same woods again

322

00:10:24,710 --> 00:10:22,720

i never even went back for the tree

323

00:10:26,550 --> 00:10:24,720

stand it was only like three hundred

324

00:10:27,269 --> 00:10:26,560

dollars and i didn't want to go back

325

00:10:29,110 --> 00:10:27,279

there again

326

00:10:31,350 --> 00:10:29,120

not for a measly three hundred dollars

327

00:10:33,750 --> 00:10:31,360

books i took a break from hunting for

328

00:10:36,069 --> 00:10:33,760

about 10 years and then started up again

329

00:10:37,509 --> 00:10:36,079

but never in that area i still wonder

330

00:10:40,150 --> 00:10:37,519

what i saw that day

331

00:10:42,150 --> 00:10:40,160

i have no rational explanation later in

332

00:10:44,310 --> 00:10:42,160

1988 or so i saw the arnold

333

00:10:46,470 --> 00:10:44,320

schwarzenegger movie the predator

334

00:10:47,990 --> 00:10:46,480

i couldn't believe it when i saw it i

335

00:10:50,310 --> 00:10:48,000

jumped up and yelled at my wife

336

00:10:52,310 --> 00:10:50,320

that's what i saw that looks just like

337

00:10:54,389 --> 00:10:52,320

it i don't know if the writer had a

338

00:10:56,069 --> 00:10:54,399

similar experience as mine and that's

339

00:10:57,670 --> 00:10:56,079

what inspired him to make the predator

340

00:10:59,190 --> 00:10:57,680

cloak the way it did in the movie

341

00:11:01,110 --> 00:10:59,200

or perhaps he heard some other

342

00:11:02,870 --> 00:11:01,120

eyewitness account but that's almost

343

00:11:05,750 --> 00:11:02,880

exactly what i saw in the woods in

344

00:11:07,829 --> 00:11:05,760

northern georgia in the fall of 1978

345

00:11:09,990 --> 00:11:07,839

mind you not the reptilian-looking beast

346

00:11:12,310 --> 00:11:10,000

with lasers but the cloak part

347

00:11:14,069 --> 00:11:12,320

like i stated previously i thought i was

348

00:11:16,230 --> 00:11:14,079

alone until you did the episode on the

349

00:11:17,350 --> 00:11:16,240

glimmer man and now realize that others

350

00:11:18,949 --> 00:11:17,360

have seen it too

351
00:11:20,710 --> 00:11:18,959
i don't know if that makes me feel

352
00:11:27,990 --> 00:11:20,720
better or worse anyway

353
00:11:30,550 --> 00:11:28,000
that's my story james

354
00:11:31,430 --> 00:11:30,560
this is lon strickler if you like this

355

356
00:11:34,550 --> 00:11:33,200
it would help us if you would give it a

357
00:11:37,350 --> 00:11:34,560
thumbs up
