

**ARCANE RADIO** 

Exploring the Unexplained 

**July 27th, 2015**

**Albert S. Rosales**

**Humanoid / UFO**

**Researcher & Author**

**BXP**

1  
00:00:03,669 --> 00:00:01,990  
and good evening folks you're listening

2  
00:00:05,590 --> 00:00:03,679  
to arcane radio i'm

3  
00:00:07,430 --> 00:00:05,600  
sean the fork chop forker as always

4  
00:00:08,549 --> 00:00:07,440  
joined by lon strickler

5  
00:00:11,110 --> 00:00:08,559  
and we're going to do things a little

6  
00:00:12,549 --> 00:00:11,120  
different here tonight lon why don't you

7  
00:00:13,270 --> 00:00:12,559  
read our guest bio because we're going

8  
00:00:15,190 --> 00:00:13,280  
to get the kick

9  
00:00:17,510 --> 00:00:15,200  
we're going to get the show kicked off

10  
00:00:19,670 --> 00:00:17,520  
in good fashion here

11  
00:00:20,550 --> 00:00:19,680  
yeah our guest tonight is albert s

12  
00:00:23,509 --> 00:00:20,560  
rosales

13  
00:00:25,589 --> 00:00:23,519

uh who's had his own little history of

14

00:00:26,070 --> 00:00:25,599

uh strange encounters which led him to

15

00:00:28,630 --> 00:00:26,080

create

16

00:00:30,710 --> 00:00:28,640

the humanoid sightings report and

17

00:00:32,470 --> 00:00:30,720

journal humanoid studies

18

00:00:33,990 --> 00:00:32,480

it's an unparalleled repository of

19

00:00:36,069 --> 00:00:34,000

reports and

20

00:00:38,150 --> 00:00:36,079

accounts of human and not so human

21

00:00:40,069 --> 00:00:38,160

entities reported over centuries

22

00:00:41,510 --> 00:00:40,079

and from from all over the world the

23

00:00:44,150 --> 00:00:41,520

accounts range

24

00:00:46,150 --> 00:00:44,160

from the unexpected to the expected

25

00:00:50,069 --> 00:00:46,160

grades to the unexpected

26  
00:00:52,709 --> 00:00:50,079  
and other high strenuous strangeness

27  
00:00:55,910 --> 00:00:52,719  
the archives used by researchers

28  
00:00:59,189 --> 00:00:55,920  
throughout the paranormal ufology world

29  
00:01:00,549 --> 00:00:59,199  
so i'd like to introduce to our guest

30  
00:01:04,549 --> 00:01:00,559  
from miami

31  
00:01:07,030 --> 00:01:04,559  
mr albert rosales albert how you doing

32  
00:01:08,950 --> 00:01:07,040  
hey how you doing how you doing sean

33  
00:01:14,710 --> 00:01:08,960  
good evening

34  
00:01:19,590 --> 00:01:17,990  
it's hot up here too man yeah it's funny

35  
00:01:21,109 --> 00:01:19,600  
because we're like in pennsylvania and

36  
00:01:23,030 --> 00:01:21,119  
it's uh 90 degrees

37  
00:01:24,710 --> 00:01:23,040  
so we're kind of in similar climates

38  
00:01:28,070 --> 00:01:24,720

today

39

00:01:30,310 --> 00:01:28,080

well that's strange all right

40

00:01:31,510 --> 00:01:30,320

sweet we get some pretty nasty summers

41

00:01:35,429 --> 00:01:31,520

up here with the heat and

42

00:01:37,670 --> 00:01:35,439

humidity so uh yeah

43

00:01:39,190 --> 00:01:37,680

that's that's something you know i and

44

00:01:39,910 --> 00:01:39,200

i've been down in florida this time of

45

00:01:41,670 --> 00:01:39,920

year and

46

00:01:43,749 --> 00:01:41,680

it really it's almost like the same type

47

00:01:47,109 --> 00:01:43,759

of weather sometimes it's uh

48

00:01:51,749 --> 00:01:47,119

it can get pretty humid up here

49

00:01:54,789 --> 00:01:51,759

out there in new york yeah oh yeah

50

00:01:56,630 --> 00:01:54,799

yeah so uh albert

51  
00:01:59,990 --> 00:01:56,640  
you know i've been i've known you quite

52  
00:02:02,630 --> 00:02:00,000  
a while now i've been using your uh

53  
00:02:03,990 --> 00:02:02,640  
your archive humanoid sightings and

54  
00:02:07,030 --> 00:02:04,000  
studies

55  
00:02:10,389 --> 00:02:07,040  
uh the research you've done

56  
00:02:12,309 --> 00:02:10,399  
compiling that unbelievable

57  
00:02:13,830 --> 00:02:12,319  
archive how many listings do you have in

58  
00:02:16,390 --> 00:02:13,840  
there now

59  
00:02:17,589 --> 00:02:16,400  
you know what i daily i work in this on

60  
00:02:20,229 --> 00:02:17,599  
this thing i either

61  
00:02:22,150 --> 00:02:20,239  
update some of the incidents or i

62  
00:02:22,949 --> 00:02:22,160  
correct book corrections or i add new

63  
00:02:26,309 --> 00:02:22,959

ones

64

00:02:28,150 --> 00:02:26,319

i'm thinking i got almost 1800 i mean 18

65

00:02:30,309 --> 00:02:28,160

000 right now

66

00:02:31,350 --> 00:02:30,319

i guess i recently couple weeks ago i

67

00:02:34,550 --> 00:02:31,360

updated

68

00:02:36,390 --> 00:02:34,560

the database at ufo info so

69

00:02:38,150 --> 00:02:36,400

it should be almost 18 000 by now

70

00:02:41,430 --> 00:02:38,160

already

71

00:02:43,030 --> 00:02:41,440

wow that's amazing that is absolutely

72

00:02:44,710 --> 00:02:43,040

amazing because i know

73

00:02:46,790 --> 00:02:44,720

you know i i kind of stumbled on it when

74

00:02:49,910 --> 00:02:46,800

i started doing the blog

75

00:02:51,030 --> 00:02:49,920

and uh i used a few of the uh a few of

76

00:02:54,470 --> 00:02:51,040

the accounts he had put

77

00:02:56,470 --> 00:02:54,480

on there and uh oh you know

78

00:02:57,509 --> 00:02:56,480

it was it was amazing and it really did

79

00:02:59,190 --> 00:02:57,519

help me

80

00:03:01,030 --> 00:02:59,200

especially the beginning when i started

81

00:03:01,589 --> 00:03:01,040

out but you've you've been kind enough

82

00:03:04,869 --> 00:03:01,599

to do

83

00:03:07,030 --> 00:03:04,879

several articles for me uh to put on the

84

00:03:10,630 --> 00:03:07,040

blog which have been very popular and

85

00:03:12,550 --> 00:03:10,640

uh yeah that's much appreciated

86

00:03:15,190 --> 00:03:12,560

well you're welcome i'm working on

87

00:03:17,670 --> 00:03:15,200

additional articles right now hopefully

88

00:03:18,710 --> 00:03:17,680

when i retire soon i'll be able to go uh

89

00:03:21,750 --> 00:03:18,720

you know like full

90

00:03:24,949 --> 00:03:21,760

term studying this thing uh

91

00:03:32,630 --> 00:03:24,959

writing and uh maybe investigating

92

00:03:35,670 --> 00:03:32,640

more in depth cases okay

93

00:03:38,070 --> 00:03:35,680

that's what i want to do well you know

94

00:03:40,070 --> 00:03:38,080

albert uh i i know you've got some cases

95

00:03:40,630 --> 00:03:40,080

some new cases you want to talk to us

96

00:03:44,070 --> 00:03:40,640

about

97

00:03:45,350 --> 00:03:44,080

uh so uh you know we're gonna hand the

98

00:03:47,830 --> 00:03:45,360

show over to you and let you

99

00:03:49,190 --> 00:03:47,840

uh talk about some of the weird and

100

00:03:51,990 --> 00:03:49,200

strange uh

101  
00:03:52,630 --> 00:03:52,000  
incidents that have been reported to you

102  
00:03:55,110 --> 00:03:52,640  
well you know i

103  
00:03:56,550 --> 00:03:55,120  
i use your blog a lot too to uh read

104  
00:03:57,509 --> 00:03:56,560  
some of those cases you get a lot of

105  
00:04:00,070 --> 00:03:57,519  
them too

106  
00:04:01,589 --> 00:04:00,080  
some real duties there but let me let me

107  
00:04:04,869 --> 00:04:01,599  
tell you about um

108  
00:04:06,710 --> 00:04:04,879  
uh there's been some really lately some

109  
00:04:08,710 --> 00:04:06,720  
strange cases uh

110  
00:04:10,309 --> 00:04:08,720  
there's one in argentina i like to

111  
00:04:11,429 --> 00:04:10,319  
mention i don't know if you guys heard

112  
00:04:14,949 --> 00:04:11,439  
about this one but the

113  
00:04:18,949 --> 00:04:14,959

the hunter is supposedly uh shot a

114

00:04:22,629 --> 00:04:18,959

uh a humanoid or an extra ratio

115

00:04:25,030 --> 00:04:22,639

this is uh back uh he said it was a

116

00:04:27,510 --> 00:04:25,040

couple months ago

117

00:04:29,270 --> 00:04:27,520

he was out hunting i gotta look and see

118

00:04:31,590 --> 00:04:29,280

what part of argentina was is

119

00:04:33,189 --> 00:04:31,600

argentina is usually an area that every

120

00:04:33,830 --> 00:04:33,199

year we get some weird stories from

121

00:04:37,749 --> 00:04:33,840

there

122

00:04:39,990 --> 00:04:37,759

a lot of weird reports but this is uh

123

00:04:41,749 --> 00:04:40,000

he says that it was uh from the area of

124

00:04:45,110 --> 00:04:41,759

la pampa

125

00:04:48,070 --> 00:04:45,120

a community called luan poro

126

00:04:48,550 --> 00:04:48,080

near the capital santa rosa and the

127

00:04:51,830 --> 00:04:48,560

guy's

128

00:04:53,350 --> 00:04:51,840

name is alberto tabernitz 59 years old

129

00:04:55,430 --> 00:04:53,360

he's a hunter

130

00:04:57,590 --> 00:04:55,440

according to him he went out hunting one

131

00:05:00,390 --> 00:04:57,600

day and he was

132

00:05:02,230 --> 00:05:00,400

in a hunting stand and he was suddenly

133

00:05:05,430 --> 00:05:02,240

according to him he was surrounded by

134

00:05:07,189 --> 00:05:05,440

five eps he calls vt

135

00:05:09,189 --> 00:05:07,199

because he said he said they look like

136

00:05:12,710 --> 00:05:09,199

the ones you see in the movies

137

00:05:15,670 --> 00:05:12,720

typical gray he said they were about a

138

00:05:16,550 --> 00:05:15,680

a meter and 15 centimeters tall not too

139

00:05:19,510 --> 00:05:16,560

tall

140

00:05:21,270 --> 00:05:19,520

four fingers in each hand and they

141

00:05:23,990 --> 00:05:21,280

surrounded him

142

00:05:25,189 --> 00:05:24,000

according to him uh they abducted him

143

00:05:27,029 --> 00:05:25,199

and then they brought him back to his

144

00:05:29,110 --> 00:05:27,039

house

145

00:05:31,749 --> 00:05:29,120

after that he went out looking for them

146

00:05:35,029 --> 00:05:31,759

according to uh mr peperny's

147

00:05:38,070 --> 00:05:35,039

and he i guess that he was upset and he

148

00:05:39,909 --> 00:05:38,080

actually he said he claims he shot one

149

00:05:41,430 --> 00:05:39,919

of them

150

00:05:43,670 --> 00:05:41,440

and according to him he shot him in the

151  
00:05:46,870 --> 00:05:43,680  
head and he went to the

152  
00:05:48,070 --> 00:05:46,880  
location of and found actually found the

153  
00:05:52,230 --> 00:05:48,080  
body of the

154  
00:05:53,670 --> 00:05:52,240  
ep but he said he was confronted by

155  
00:05:55,990 --> 00:05:53,680  
three other eps

156  
00:05:57,189 --> 00:05:56,000  
and uh which retrieved the body and took

157  
00:06:00,870 --> 00:05:57,199  
it away into a

158  
00:06:05,110 --> 00:06:00,880  
nearby spacecraft now the this uh

159  
00:06:08,309 --> 00:06:05,120  
case was investigated by uh i believe uh

160  
00:06:10,150 --> 00:06:08,319  
a local reporter there and he

161  
00:06:14,070 --> 00:06:10,160  
interviewed the uh

162  
00:06:15,029 --> 00:06:14,080  
the mr tyronese and he found them very

163  
00:06:16,710 --> 00:06:15,039

credible

164

00:06:18,469 --> 00:06:16,720

i mean this is not the first time i hear

165

00:06:21,749 --> 00:06:18,479

something like this on uh

166

00:06:24,309 --> 00:06:21,759

being shot i mean it's absolutely to us

167

00:06:27,350 --> 00:06:24,319

to make you know to make our decision

168

00:06:28,469 --> 00:06:27,360

or to judge you know the case but i

169

00:06:31,029 --> 00:06:28,479

found it pretty

170

00:06:32,469 --> 00:06:31,039

interesting the size of this case is

171

00:06:36,710 --> 00:06:32,479

another case uh

172

00:06:40,150 --> 00:06:36,720

this one from mexico uh

173

00:06:45,670 --> 00:06:40,160

according to the uh for the

174

00:06:49,270 --> 00:06:47,670

it was uh according it was an attempt

175

00:06:51,189 --> 00:06:49,280

abduction

176

00:06:53,270 --> 00:06:51,199

and he was run according he was knocked

177

00:06:56,469 --> 00:06:53,280

down by a ufo and he sustained

178

00:06:59,909 --> 00:06:56,479

uh injuries to his head

179

00:07:02,550 --> 00:06:59,919

um now he didn't see any entities

180

00:07:04,550 --> 00:07:02,560

and he only saw craft this happened in

181

00:07:06,790 --> 00:07:04,560

recently july

182

00:07:08,950 --> 00:07:06,800

in mexico i'm trying to look at the

183

00:07:11,830 --> 00:07:08,960

location but

184

00:07:13,990 --> 00:07:11,840

i remember back in the day when uh there

185

00:07:15,830 --> 00:07:14,000

are uf locations we we will learn about

186

00:07:19,029 --> 00:07:15,840

the cases not immediately we will have

187

00:07:21,589 --> 00:07:19,039

to either wait for a news to come up but

188

00:07:22,150 --> 00:07:21,599

the internet has really uh changed that

189

00:07:23,909 --> 00:07:22,160

but

190

00:07:25,270 --> 00:07:23,919

i've got a couple other cases here this

191

00:07:27,350 --> 00:07:25,280

is from spain

192

00:07:28,309 --> 00:07:27,360

there's been an upsearch of cases of

193

00:07:31,589 --> 00:07:28,319

humanoids and

194

00:07:35,670 --> 00:07:31,599

entity encounters there

195

00:07:38,790 --> 00:07:35,680

and this this one was sent

196

00:07:42,070 --> 00:07:38,800

uh from april 4 2015

197

00:07:45,670 --> 00:07:42,080

at an area called uh it's a wooded area

198

00:07:49,350 --> 00:07:45,680

like a park in sierra morena

199

00:07:52,390 --> 00:07:49,360

a witness a lady named laura

200

00:07:55,430 --> 00:07:52,400

pardo she was out

201

00:07:58,070 --> 00:07:55,440

you know hiking in the woods

202

00:07:59,510 --> 00:07:58,080

and according to the lady she heard

203

00:08:03,189 --> 00:07:59,520

noises and looked and

204

00:08:06,390 --> 00:08:03,199

saw a figure tall dark color

205

00:08:07,350 --> 00:08:06,400

that was running and the figure was

206

00:08:11,029 --> 00:08:07,360

running

207

00:08:12,869 --> 00:08:11,039

too fast to be a human it was very tall

208

00:08:14,869 --> 00:08:12,879

and totally black in colors you can see

209

00:08:15,749 --> 00:08:14,879

any details of the figure it disappeared

210

00:08:18,150 --> 00:08:15,759

into the woods

211

00:08:19,430 --> 00:08:18,160

uh this spooked her and she got the

212

00:08:21,749 --> 00:08:19,440

scene

213

00:08:23,350 --> 00:08:21,759

and another similar space also from

214

00:08:26,230 --> 00:08:23,360

spain but in a totally different

215

00:08:28,390 --> 00:08:26,240

location this is in the canary islands

216

00:08:29,270 --> 00:08:28,400

in tenerife i've been there beautiful

217

00:08:31,909 --> 00:08:29,280

place

218

00:08:33,750 --> 00:08:31,919

uh hike these were hackers there were

219

00:08:37,670 --> 00:08:33,760

mountain climbing actually nothing um

220

00:08:39,509 --> 00:08:37,680

and one near el caji which is a volcano

221

00:08:42,389 --> 00:08:39,519

there in the canary island

222

00:08:44,389 --> 00:08:42,399

and they uh about eight o'clock in the

223

00:08:47,269 --> 00:08:44,399

morning

224

00:08:48,949 --> 00:08:47,279

they behind me some boulder they watch a

225

00:08:51,110 --> 00:08:48,959

silhouette of a person

226

00:08:54,470 --> 00:08:51,120

according to them but it was a person

227

00:08:58,470 --> 00:08:54,480

that also totally black in color

228

00:09:00,310 --> 00:08:58,480

and at least 3.5 meters in height

229

00:09:01,990 --> 00:09:00,320

very tall i'm talking about eight feet

230

00:09:04,230 --> 00:09:02,000

tall

231

00:09:05,030 --> 00:09:04,240

and they attempted to follow this person

232

00:09:07,990 --> 00:09:05,040

but it

233

00:09:08,790 --> 00:09:08,000

this figure or entity ignored him

234

00:09:13,350 --> 00:09:08,800

completely and

235

00:09:16,550 --> 00:09:13,360

uh and ran uh

236

00:09:17,670 --> 00:09:16,560

in an angle on the side of the of a

237

00:09:20,470 --> 00:09:17,680

cliff and

238

00:09:22,310 --> 00:09:20,480

disappeared from sight like they they

239

00:09:23,829 --> 00:09:22,320

claimed that he ran down like the side

240

00:09:28,389 --> 00:09:23,839

of the hill or the mountain

241

00:09:29,829 --> 00:09:28,399

at an impossible angle and disappeared

242

00:09:31,990 --> 00:09:29,839

interesting you said that you said it

243

00:09:37,430 --> 00:09:32,000

looked like a shadow

244

00:09:41,509 --> 00:09:39,590

you know it was like it was definitely a

245

00:09:44,710 --> 00:09:41,519

figure of a human life but

246

00:09:45,509 --> 00:09:44,720

like very tall 3.5 meters tall that

247

00:09:48,070 --> 00:09:45,519

shadow

248

00:09:50,470 --> 00:09:48,080

it was more like a you know you could

249

00:09:53,910 --> 00:09:50,480

tell it was bigger

250

00:09:56,310 --> 00:09:53,920

now there's other things that um

251  
00:09:58,630 --> 00:09:56,320  
i haven't really started compiling uh

252  
00:10:00,710 --> 00:09:58,640  
cases for 2015. i'm

253  
00:10:02,790 --> 00:10:00,720  
starting to do that now i've been

254  
00:10:05,269 --> 00:10:02,800  
involved with other stuff very busy

255  
00:10:06,069 --> 00:10:05,279  
but uh i've been putting together some

256  
00:10:07,829 --> 00:10:06,079  
of the more

257  
00:10:09,190 --> 00:10:07,839  
interesting ones this is this one here

258  
00:10:11,110 --> 00:10:09,200  
is from florida

259  
00:10:12,389 --> 00:10:11,120  
i don't know if i sent you this one lana

260  
00:10:16,069 --> 00:10:12,399  
i might have

261  
00:10:20,949 --> 00:10:16,079  
um this is a trucker

262  
00:10:24,550 --> 00:10:20,959  
back in april 2015 this year

263  
00:10:27,350 --> 00:10:24,560

uh this is uh terrytown uh florida

264

00:10:29,269 --> 00:10:27,360

this is a very isolated spot up there he

265

00:10:32,630 --> 00:10:29,279

was driving an 18-wheeler

266

00:10:34,630 --> 00:10:32,640

north of state road 471

267

00:10:36,949 --> 00:10:34,640

well about 60 miles per hour when he

268

00:10:39,590 --> 00:10:36,959

noticed like flashes of light

269

00:10:41,829 --> 00:10:39,600

on the side on the east side of the road

270

00:10:45,269 --> 00:10:41,839

he slowed down and noticed that what he

271

00:10:47,910 --> 00:10:45,279

described was an individual

272

00:10:48,389 --> 00:10:47,920

uh at the entrance to a logging logging

273

00:10:51,910 --> 00:10:48,399

trail

274

00:10:53,990 --> 00:10:51,920

okay about three meters from the road

275

00:10:55,509 --> 00:10:54,000

he's you know he slowed down and uh he

276

00:10:56,949 --> 00:10:55,519

looked at the individual and

277

00:10:58,870 --> 00:10:56,959

he appeared to be wearing some kind of

278

00:11:02,230 --> 00:10:58,880

containment suit

279

00:11:03,829 --> 00:11:02,240

white in color and this figure wasn't

280

00:11:07,190 --> 00:11:03,839

that so he was like between

281

00:11:09,910 --> 00:11:07,200

1.5 to 1.8 meters tall but

282

00:11:10,389 --> 00:11:09,920

not really that tall and he had appeared

283

00:11:13,590 --> 00:11:10,399

to be

284

00:11:13,990 --> 00:11:13,600

operating some kind of device which uh

285

00:11:16,470 --> 00:11:14,000

this

286

00:11:18,069 --> 00:11:16,480

uh figure of individual hell in front of

287

00:11:21,509 --> 00:11:18,079

the

288

00:11:24,389 --> 00:11:21,519

midsection level and this device

289

00:11:27,190 --> 00:11:24,399

emitted like rapid burst of light in a

290

00:11:30,310 --> 00:11:27,200

clockwise circular direction downward

291

00:11:31,190 --> 00:11:30,320

downward and clone according to the

292

00:11:34,150 --> 00:11:31,200

driver here the

293

00:11:35,829 --> 00:11:34,160

truck robbery it coned out at a 30

294

00:11:38,150 --> 00:11:35,839

degree angle

295

00:11:39,910 --> 00:11:38,160

and according to him he saw like a some

296

00:11:43,190 --> 00:11:39,920

type of unknown substance or

297

00:11:44,870 --> 00:11:43,200

organic material in the air that seemed

298

00:11:46,550 --> 00:11:44,880

to react

299

00:11:49,430 --> 00:11:46,560

to the light pulses around this

300

00:11:54,870 --> 00:11:52,550

the light that this device emitted was

301  
00:11:57,750 --> 00:11:54,880  
white in color

302  
00:11:59,110 --> 00:11:57,760  
and it eliminated the uh the details of

303  
00:12:01,269 --> 00:11:59,120  
this figuring of his suit

304  
00:12:03,990 --> 00:12:01,279  
and where he was standing according to

305  
00:12:06,949 --> 00:12:04,000  
the trigger that sued uh

306  
00:12:08,069 --> 00:12:06,959  
this individual was wearing footwear

307  
00:12:10,069 --> 00:12:08,079  
which was

308  
00:12:12,310 --> 00:12:10,079  
different than material and color from

309  
00:12:13,110 --> 00:12:12,320  
the suit they appear to be darker uh

310  
00:12:15,829 --> 00:12:13,120  
dark brown and

311  
00:12:17,670 --> 00:12:15,839  
color the boots and he seemed to be

312  
00:12:20,790 --> 00:12:17,680  
wearing some kind of harness system

313  
00:12:21,670 --> 00:12:20,800

uh that extended over the shoulders and

314

00:12:24,870 --> 00:12:21,680

then did a

315

00:12:25,430 --> 00:12:24,880

midsection and the harness system

316

00:12:27,750 --> 00:12:25,440

supported

317

00:12:28,550 --> 00:12:27,760

a what appeared to be a pentagon shaped

318

00:12:31,670 --> 00:12:28,560

box

319

00:12:33,190 --> 00:12:31,680

on the individual's chest

320

00:12:35,910 --> 00:12:33,200

he got a lot of detail i guess because

321

00:12:39,110 --> 00:12:35,920

of the light it was also white in color

322

00:12:40,150 --> 00:12:39,120

with with gold or dark brown like a

323

00:12:43,350 --> 00:12:40,160

geometric uh

324

00:12:45,110 --> 00:12:43,360

symbols in the front in the chest

325

00:12:47,590 --> 00:12:45,120

it didn't really go into details of what

326

00:12:50,710 --> 00:12:47,600

what type of symbol but it was intended

327

00:12:53,030 --> 00:12:50,720

geometric and the

328

00:12:54,550 --> 00:12:53,040

individual was also wearing a large oval

329

00:12:57,430 --> 00:12:54,560

shaped helmet

330

00:12:58,470 --> 00:12:57,440

that reflected the light from the device

331

00:13:01,509 --> 00:12:58,480

and headlights from the

332

00:13:03,430 --> 00:13:01,519

uh his truck and he said

333

00:13:04,629 --> 00:13:03,440

actually the total time of the encounter

334

00:13:07,670 --> 00:13:04,639

was maybe over

335

00:13:09,910 --> 00:13:07,680

eight nine or eight seconds

336

00:13:12,310 --> 00:13:09,920

and he was about five yeah five meters

337

00:13:14,470 --> 00:13:12,320

away from the uh this individual

338

00:13:15,430 --> 00:13:14,480

now he continued driving he continued

339

00:13:18,870 --> 00:13:15,440

watching the uh

340

00:13:20,310 --> 00:13:18,880

figure and then he uh kept he left the

341

00:13:23,990 --> 00:13:20,320

scene

342

00:13:27,430 --> 00:13:24,000

uh and reported the incident over the uh

343

00:13:29,590 --> 00:13:27,440

cb radio now i'm thinking this this case

344

00:13:31,509 --> 00:13:29,600

was investigated by uh

345

00:13:35,030 --> 00:13:31,519

by law enforcement because the report

346

00:13:35,829 --> 00:13:35,040

was very detailed i know i can't confirm

347

00:13:39,590 --> 00:13:35,839

that but

348

00:13:43,030 --> 00:13:39,600

uh i thought it was right in case

349

00:13:44,710 --> 00:13:43,040

now there's um i i got

350

00:13:47,110 --> 00:13:44,720

a question for you i got a question for

351

00:13:50,389 --> 00:13:47,120

you albert um

352

00:13:53,910 --> 00:13:50,399

does it seem to you that the the

353

00:13:57,030 --> 00:13:53,920

the press the media in uh the

354

00:13:59,430 --> 00:13:57,040

latin american countries seem to

355

00:14:00,949 --> 00:13:59,440

uh report on these type of incidents

356

00:14:03,990 --> 00:14:00,959

more so than they do

357

00:14:09,590 --> 00:14:07,189

you know i i think so i think the the

358

00:14:11,829 --> 00:14:09,600

they take it more as a matter of fact or

359

00:14:14,310 --> 00:14:11,839

more more seriously than

360

00:14:14,870 --> 00:14:14,320

most of the media does here yeah for

361

00:14:17,509 --> 00:14:14,880

some reason

362

00:14:19,509 --> 00:14:17,519

especially in south america there

363

00:14:21,110 --> 00:14:19,519

there's a lot of activity there and a

364

00:14:25,590 --> 00:14:21,120

lot of it is just taken

365

00:14:28,069 --> 00:14:25,600

taken for granted i mean some of the uh

366

00:14:29,110 --> 00:14:28,079

some of the uh the governments are even

367

00:14:31,990 --> 00:14:29,120

just

368

00:14:33,590 --> 00:14:32,000

uh you know admitted that they're being

369

00:14:37,110 --> 00:14:33,600

you know like in brazil

370

00:14:39,509 --> 00:14:37,120

ecuador peru they just have constant

371

00:14:42,870 --> 00:14:39,519

activity there argentina

372

00:14:46,069 --> 00:14:42,880

they used to follow the uh you know our

373

00:14:48,310 --> 00:14:46,079

uh the united states the united states

374

00:14:50,150 --> 00:14:48,320

sample here example here which were you

375

00:14:52,949 --> 00:14:50,160

know tight-lipped about the uh

376

00:14:55,030 --> 00:14:52,959

phenomenon and the Nile denial but um

377

00:14:58,790 --> 00:14:55,040

not anymore it's been years now

378

00:15:00,310 --> 00:14:58,800

yeah really more more open down there

379

00:15:02,870 --> 00:15:00,320

yeah because i you know i've noticed you

380

00:15:03,829 --> 00:15:02,880

know especially with Scott Corrales and

381

00:15:06,949 --> 00:15:03,839

when he reports

382

00:15:09,030 --> 00:15:06,959

um uh in next picada

383

00:15:10,389 --> 00:15:09,040

is you know a lot of these news reports

384

00:15:13,269 --> 00:15:10,399

that come out of the

385

00:15:15,269 --> 00:15:13,279

out of South America and it's pretty

386

00:15:19,110 --> 00:15:15,279

it's very interesting

387

00:15:21,750 --> 00:15:19,120

uh that they they re report these things

388

00:15:24,310 --> 00:15:21,760

to the degree they do as opposed to what

389

00:15:26,150 --> 00:15:24,320

they would do here in the united states

390

00:15:27,990 --> 00:15:26,160

and you know the one thing i'm looking

391

00:15:30,870 --> 00:15:28,000

forward to now i know you've been

392

00:15:31,670 --> 00:15:30,880

you were born and raised in cuba uh or

393

00:15:33,509 --> 00:15:31,680

is when we

394

00:15:35,350 --> 00:15:33,519

start opening up a bit more

395

00:15:37,269 --> 00:15:35,360

diplomatically with cuba

396

00:15:39,350 --> 00:15:37,279

and hopefully we'll start getting more

397

00:15:41,430 --> 00:15:39,360

reports from there

398

00:15:42,790 --> 00:15:41,440

oh yeah yeah there's a lot of cases from

399

00:15:45,269 --> 00:15:42,800

there i have uh some

400

00:15:46,629 --> 00:15:45,279

i have a lot of them in my files uh and

401

00:15:48,310 --> 00:15:46,639

my facebook page

402

00:15:49,829 --> 00:15:48,320

i don't you i don't have you seen it i

403

00:15:53,110 --> 00:15:49,839

recently posted a

404

00:15:55,670 --> 00:15:53,120

case from uh from cuba uh

405

00:15:56,629 --> 00:15:55,680

a security guard that encountered a crap

406

00:15:58,230 --> 00:15:56,639

and a

407

00:15:59,829 --> 00:15:58,240

like something that looked like a robot

408

00:16:00,389 --> 00:15:59,839

near the crap but this is back from

409

00:16:04,550 --> 00:16:00,399

november

410

00:16:06,470 --> 00:16:04,560

95 not the not the cerrata case which

411

00:16:09,749 --> 00:16:06,480

you know about which you hadn't had a

412

00:16:11,430 --> 00:16:09,759

block long ago this is one different one

413

00:16:13,189 --> 00:16:11,440

and there's been a lot of cases from

414

00:16:16,949 --> 00:16:13,199

there is uh been uh

415

00:16:19,350 --> 00:16:16,959

uh abductions um

416

00:16:22,150 --> 00:16:19,360

a lot of close encounters uh mutilation

417

00:16:24,710 --> 00:16:22,160

even bigfoot uh incidents in cuba

418

00:16:26,870 --> 00:16:24,720

a lot of it it's not uh you know

419

00:16:29,030 --> 00:16:26,880

investigated by there's a lot of um

420

00:16:30,230 --> 00:16:29,040

ufo interests in the island believe it

421

00:16:31,829 --> 00:16:30,240

or not there's other

422

00:16:34,230 --> 00:16:31,839

little groups here and there that they

423

00:16:36,230 --> 00:16:34,240

do active investigations

424

00:16:37,749 --> 00:16:36,240

i mean i'm in contact with maybe one or

425

00:16:41,749 --> 00:16:37,759

two a lot of those

426

00:16:44,230 --> 00:16:41,759

listed and uh they have

427

00:16:44,790 --> 00:16:44,240

given me cases and very interesting

428

00:16:48,069 --> 00:16:44,800

cases

429

00:16:48,790 --> 00:16:48,079

actually from cuba it'll be it'll be

430

00:16:51,350 --> 00:16:48,800

interesting

431

00:16:52,949 --> 00:16:51,360

to see what comes out of cuba as opposed

432

00:16:56,230 --> 00:16:52,959

to what's coming out now

433

00:17:00,069 --> 00:16:56,240

uh hopefully there will be some

434

00:17:04,630 --> 00:17:02,829

i think it's gonna be almost like puerto

435

00:17:08,150 --> 00:17:04,640

rico

436

00:17:11,029 --> 00:17:08,160

a much larger much larger country

437

00:17:12,549 --> 00:17:11,039

yeah there's a lot of places here that

438

00:17:15,669 --> 00:17:12,559

almost like

439

00:17:18,549 --> 00:17:15,679

pristine yeah yeah

440

00:17:19,270 --> 00:17:18,559

yeah yeah well i'm expecting i'm

441

00:17:22,069 --> 00:17:19,280

expecting

442

00:17:22,949 --> 00:17:22,079

some humanoid or cryptid encounter cases

443

00:17:26,390 --> 00:17:22,959

coming

444

00:17:28,710 --> 00:17:26,400

out of cuba hopefully uh i mean i

445

00:17:30,830 --> 00:17:28,720

i think it's gonna be quite interesting

446

00:17:35,270 --> 00:17:30,840

uh i'm gonna need to get a contact down

447

00:17:42,549 --> 00:17:39,669

yeah yeah i i i'm

448

00:17:44,150 --> 00:17:42,559

oh god i just i i'm hope hopefully we're

449

00:17:45,590 --> 00:17:44,160

gonna get more out of there and i know

450

00:17:47,510 --> 00:17:45,600

you know i know scott corrales has a

451  
00:17:48,310 --> 00:17:47,520  
hell of a job picking up some of these

452  
00:17:49,669 --> 00:17:48,320  
reports

453  
00:17:52,070 --> 00:17:49,679  
and i'm quite sure he's got a lot of

454  
00:17:55,430 --> 00:17:52,080  
good contacts as well

455  
00:18:02,310 --> 00:17:58,470  
he's got him on that and there's another

456  
00:18:04,870 --> 00:18:02,320  
local researcher here uh virgilio

457  
00:18:06,549 --> 00:18:04,880  
sanchez joseph yeah he's the one that

458  
00:18:11,909 --> 00:18:06,559  
investigated remember the uh

459  
00:18:15,350 --> 00:18:13,830  
yeah he's the one that investigated this

460  
00:18:18,310 --> 00:18:15,360  
guy and he's uh

461  
00:18:19,270 --> 00:18:18,320  
he has a lot of cases in cuba and uh i

462  
00:18:21,029 --> 00:18:19,280  
what i could do

463  
00:18:22,310 --> 00:18:21,039

i could send you i can look to my files

464

00:18:22,789 --> 00:18:22,320

and get some of the ones that nobody

465

00:18:25,909 --> 00:18:22,799

knows

466

00:18:29,190 --> 00:18:25,919

very little known cases from cuba

467

00:18:29,830 --> 00:18:29,200

i think one of i'll send them over to

468

00:18:35,350 --> 00:18:29,840

you

469

00:18:37,350 --> 00:18:35,360

ap magazine i yeah i said

470

00:18:41,350 --> 00:18:37,360

[Music]

471

00:18:42,950 --> 00:18:41,360

a flying human encounter in cuba back in

472

00:18:44,310 --> 00:18:42,960

1952.

473

00:18:46,230 --> 00:18:44,320

i don't know if you heard it i think i

474

00:18:50,230 --> 00:18:46,240

remember that i think i remember

475

00:18:52,710 --> 00:18:50,240

reading it yeah yeah i think i posted in

476

00:18:55,750 --> 00:18:52,720

my facebook page also

477

00:18:56,950 --> 00:18:55,760

yeah there's a lot of a lot of weird

478

00:18:58,710 --> 00:18:56,960

cases from there just

479

00:19:00,230 --> 00:18:58,720

let them know because of the political

480

00:19:03,430 --> 00:19:00,240

situation which you know

481

00:19:04,710 --> 00:19:03,440

yeah politics always get in the way but

482

00:19:12,870 --> 00:19:04,720

you know

483

00:19:13,830 --> 00:19:12,880

what has been uh i mean now i'm talking

484

00:19:17,190 --> 00:19:13,840

like the last

485

00:19:19,590 --> 00:19:17,200

five years or so what seems to be

486

00:19:22,870 --> 00:19:19,600

the most prevalent type of humanoid

487

00:19:24,310 --> 00:19:22,880

cases that you're hearing about

488

00:19:27,110 --> 00:19:24,320

you know the most prevalent has been

489

00:19:29,510 --> 00:19:27,120

like now more than five years is like

490

00:19:30,310 --> 00:19:29,520

the type of humanoid that is usually

491

00:19:34,230 --> 00:19:30,320

encountered

492

00:19:37,270 --> 00:19:34,240

and uh in a lonely spot or

493

00:19:39,430 --> 00:19:37,280

uh maybe in your bedroom bedroom

494

00:19:41,029 --> 00:19:39,440

visitation i call them or a lot of the

495

00:19:44,230 --> 00:19:41,039

researchers call them

496

00:19:45,830 --> 00:19:44,240

uh bedroom visitation uh maybe you're

497

00:19:46,789 --> 00:19:45,840

out in the woods somewhere you encounter

498

00:19:49,669 --> 00:19:46,799

a humanoid

499

00:19:51,270 --> 00:19:49,679

you don't see a craft you just encounter

500

00:19:52,310 --> 00:19:51,280

you might be out there walking your dog

501  
00:19:54,950 --> 00:19:52,320  
or

502  
00:19:56,390 --> 00:19:54,960  
walking and jogging and something

503  
00:19:57,430 --> 00:19:56,400  
crosses the road you know

504  
00:19:59,830 --> 00:19:57,440  
you know what i'm talking about the

505  
00:20:00,310 --> 00:19:59,840  
whole time there's a either a weird

506  
00:20:02,789 --> 00:20:00,320  
creature

507  
00:20:03,590 --> 00:20:02,799  
or humanoid or maybe you're driving down

508  
00:20:06,230 --> 00:20:03,600  
a lonely

509  
00:20:07,270 --> 00:20:06,240  
road or a highway in the middle of the

510  
00:20:08,630 --> 00:20:07,280  
night

511  
00:20:11,190 --> 00:20:08,640  
and there it is in this other road

512  
00:20:12,870 --> 00:20:11,200  
something a figure or a humanoid

513  
00:20:14,870 --> 00:20:12,880

standing there

514

00:20:16,230 --> 00:20:14,880

which you know has been prevalent you

515

00:20:17,750 --> 00:20:16,240

know not to say there's there hasn't

516

00:20:20,390 --> 00:20:17,760

been

517

00:20:21,830 --> 00:20:20,400

encounters with craft and humanoids uh

518

00:20:26,149 --> 00:20:21,840

there's uh

519

00:20:29,270 --> 00:20:26,159

there's been some like as a late uh

520

00:20:32,630 --> 00:20:29,280

there's one from spain which is a

521

00:20:37,110 --> 00:20:32,640

very amusing uh very interesting case

522

00:20:41,990 --> 00:20:40,070

i'd like to just briefly mention that it

523

00:20:44,789 --> 00:20:42,000

is very interesting that the

524

00:20:47,430 --> 00:20:44,799

the type of a humanoid that we've seen

525

00:20:50,470 --> 00:20:47,440

this is a

526

00:20:53,830 --> 00:20:50,480

let me bring out uh

527

00:20:57,510 --> 00:20:53,840

my uh my database here

528

00:20:58,630 --> 00:20:57,520

uh it was a again a guy in his in a

529

00:21:02,149 --> 00:20:58,640

vehicle

530

00:21:05,830 --> 00:21:02,159

by himself most of these encounters uh

531

00:21:08,950 --> 00:21:05,840

well one or two witnesses but uh

532

00:21:10,390 --> 00:21:08,960

he came up on a hovering uh

533

00:21:12,390 --> 00:21:10,400

let me let me bring up the case so i

534

00:21:13,270 --> 00:21:12,400

don't want to give you more details of

535

00:21:17,990 --> 00:21:13,280

what he saw

536

00:21:19,430 --> 00:21:18,000

okay and uh very interesting

537

00:21:21,750 --> 00:21:19,440

there's also i know there's a great

538

00:21:24,710 --> 00:21:21,760

cases in spain as well i

539

00:21:25,430 --> 00:21:24,720

i mean they're they're very interesting

540

00:21:27,430 --> 00:21:25,440

so

541

00:21:28,950 --> 00:21:27,440

yeah remember the one i sent you about

542

00:21:30,630 --> 00:21:28,960

the the giant

543

00:21:32,950 --> 00:21:30,640

figure that was encountered by several

544

00:21:36,310 --> 00:21:32,960

men though yeah

545

00:21:39,029 --> 00:21:36,320

yeah from august of last year

546

00:21:39,830 --> 00:21:39,039

right a giant type of humanoid there's

547

00:21:42,830 --> 00:21:39,840

been a lot of

548

00:21:43,830 --> 00:21:42,840

for some reason certain areas were you

549

00:21:47,110 --> 00:21:43,840

know and

550

00:21:49,590 --> 00:21:47,120

or the globe or the earth

551  
00:21:50,630 --> 00:21:49,600  
some places there's a lot of prevalence

552  
00:21:54,710 --> 00:21:50,640  
of

553  
00:21:56,470 --> 00:21:54,720  
giant ones or the

554  
00:21:58,549 --> 00:21:56,480  
human shaped ones and then in other

555  
00:22:01,270 --> 00:21:58,559  
places you get different type of humor

556  
00:22:02,390 --> 00:22:01,280  
more prevalent it's more probably seen i

557  
00:22:05,750 --> 00:22:02,400  
i don't know why

558  
00:22:07,750 --> 00:22:05,760  
it's some kind of pattern sometimes yeah

559  
00:22:10,070 --> 00:22:07,760  
you know the only case i think i ever

560  
00:22:12,870 --> 00:22:10,080  
remember coming directly to me

561  
00:22:14,070 --> 00:22:12,880  
was that ripped reptilian case i had

562  
00:22:18,070 --> 00:22:14,080  
last year

563  
00:22:20,470 --> 00:22:18,080

uh that was in in spain but um

564

00:22:22,630 --> 00:22:20,480

i mean i don't have very many come to me

565

00:22:24,070 --> 00:22:22,640

i mean but i know you and scott get many

566

00:22:26,789 --> 00:22:24,080

of them and uh

567

00:22:27,909 --> 00:22:26,799

uh it's it's they're very interesting

568

00:22:30,470 --> 00:22:27,919

cases

569

00:22:31,669 --> 00:22:30,480

here's the one i uh that the one i'm

570

00:22:34,710 --> 00:22:31,679

talking about this is the no

571

00:22:37,830 --> 00:22:34,720

from october 2nd 2014

572

00:22:41,190 --> 00:22:37,840

at 11 p.m at a place called torre

573

00:22:44,149 --> 00:22:41,200

bieja and province of alicante

574

00:22:46,230 --> 00:22:44,159

spain this person we wanted wanted to

575

00:22:48,310 --> 00:22:46,240

remain anonymous it was traveling in the

576

00:22:50,470 --> 00:22:48,320

vehicle and uh on a road called san

577

00:22:51,669 --> 00:22:50,480

miguel de salinas road near the villages

578

00:22:54,310 --> 00:22:51,679

of

579

00:22:55,029 --> 00:22:54,320

torretta when he noticed on the right

580

00:22:57,430 --> 00:22:55,039

side of the

581

00:22:58,870 --> 00:22:57,440

on an empty field he saw an egg shake

582

00:23:01,110 --> 00:22:58,880

craft

583

00:23:02,310 --> 00:23:01,120

about a hundred meters in length gray in

584

00:23:04,470 --> 00:23:02,320

color

585

00:23:05,669 --> 00:23:04,480

he said he had a roll window resembling

586

00:23:08,149 --> 00:23:05,679

those of a bus

587

00:23:09,510 --> 00:23:08,159

looked like a bus there was a bright

588

00:23:10,390 --> 00:23:09,520

light coming out of from from the

589

00:23:13,350 --> 00:23:10,400

windows

590

00:23:14,789 --> 00:23:13,360

it was resting on the ground on a typo

591

00:23:17,830 --> 00:23:14,799

landing gear

592

00:23:19,190 --> 00:23:17,840

that he compared to a helicopter where

593

00:23:22,710 --> 00:23:19,200

there was no noise

594

00:23:25,990 --> 00:23:22,720

he the witness and he

595

00:23:29,190 --> 00:23:26,000

became curious and approached the uh

596

00:23:30,950 --> 00:23:29,200

the object i guess he was

597

00:23:32,470 --> 00:23:30,960

he was uh he wasn't on the vehicle he

598

00:23:36,149 --> 00:23:32,480

was actually walking in the area

599

00:23:39,830 --> 00:23:36,159

okay he had percy opted

600

00:23:40,950 --> 00:23:39,840

he stopped uh to look and suddenly uh

601  
00:23:44,630 --> 00:23:40,960  
without knowing

602  
00:23:46,870 --> 00:23:44,640  
from where you say he didn't see a door

603  
00:23:48,470 --> 00:23:46,880  
he saw a strange creature or figure

604  
00:23:52,070 --> 00:23:48,480  
appear

605  
00:23:55,510 --> 00:23:52,080  
he said the figure for humana was about

606  
00:23:58,710 --> 00:23:55,520  
1.5 meters in height and had large

607  
00:24:00,710 --> 00:23:58,720  
uh donkey like ears

608  
00:24:02,310 --> 00:24:00,720  
they were dangling down and long

609  
00:24:04,070 --> 00:24:02,320  
dangling arms

610  
00:24:07,029 --> 00:24:04,080  
and was something that scared them the

611  
00:24:10,230 --> 00:24:07,039  
the most was they had red glowing eyes

612  
00:24:11,350 --> 00:24:10,240  
okay and he said suddenly this creature

613  
00:24:14,070 --> 00:24:11,360

began to emit

614

00:24:16,549 --> 00:24:14,080

that this air a bizarre uh sounds like

615

00:24:19,510 --> 00:24:16,559

something like a dog barking

616

00:24:21,110 --> 00:24:19,520

barking sounds uh at the same time he

617

00:24:22,310 --> 00:24:21,120

did that the glow in the eyes will

618

00:24:24,070 --> 00:24:22,320

increase

619

00:24:25,750 --> 00:24:24,080

every time he emitted that that sound

620

00:24:28,950 --> 00:24:25,760

that barking sound the

621

00:24:31,990 --> 00:24:28,960

red glow and his eyes will get

622

00:24:34,470 --> 00:24:32,000

more intense for some reason

623

00:24:35,430 --> 00:24:34,480

uh this frightened the witness i would

624

00:24:38,470 --> 00:24:35,440

have been trying to

625

00:24:40,549 --> 00:24:38,480

quickly turn and retreat it to about 100

626  
00:24:43,350 --> 00:24:40,559  
meters from the location

627  
00:24:45,110 --> 00:24:43,360  
uh that safe distance that wouldn't have

628  
00:24:46,230 --> 00:24:45,120  
looked again and the strange creature

629  
00:24:47,590 --> 00:24:46,240  
stopped this barking

630  
00:24:49,750 --> 00:24:47,600  
and then and it split the league

631  
00:24:52,630 --> 00:24:49,760  
banished they didn't see it going

632  
00:24:54,470 --> 00:24:52,640  
and go inside the crash just disappeared

633  
00:24:56,390 --> 00:24:54,480  
immediately after that the object rose

634  
00:24:58,630 --> 00:24:56,400  
into the air

635  
00:25:00,149 --> 00:24:58,640  
appeared to stabilize and then shot away

636  
00:25:01,830 --> 00:25:00,159  
at a very high speed towards the

637  
00:25:03,430 --> 00:25:01,840  
northwest

638  
00:25:05,430 --> 00:25:03,440

he said according to the witness he

639

00:25:05,750 --> 00:25:05,440

returned the next morning to the site

640

00:25:08,230 --> 00:25:05,760

and

641

00:25:10,630 --> 00:25:08,240

he found an area of flattened grass on

642

00:25:13,750 --> 00:25:10,640

the side of the road

643

00:25:16,310 --> 00:25:13,760

interesting almost

644

00:25:17,830 --> 00:25:16,320

you know the description it sounds like

645

00:25:22,310 --> 00:25:17,840

almost like a dog man

646

00:25:25,430 --> 00:25:24,390

barking sound so that's pretty weird and

647

00:25:27,669 --> 00:25:25,440

then i

648

00:25:30,390 --> 00:25:27,679

they're they're red glowing nice yeah

649

00:25:34,070 --> 00:25:30,400

the long ears are such um

650

00:25:35,990 --> 00:25:34,080

you know that sounds that description

651  
00:25:39,029 --> 00:25:36,000  
sounds a lot like some of the

652  
00:25:43,669 --> 00:25:39,039  
uh yeah you know dog man uh

653  
00:25:46,070 --> 00:25:43,679  
entities yeah we get over here

654  
00:25:47,430 --> 00:25:46,080  
i know it you know that's something that

655  
00:25:50,789 --> 00:25:47,440  
oh god i don't know for

656  
00:25:54,070 --> 00:25:50,799  
whatever reason uh but the dog man

657  
00:25:57,269 --> 00:25:54,080  
sightings have really been picking up

658  
00:26:00,870 --> 00:25:57,279  
dog man and the uh

659  
00:26:02,070 --> 00:26:00,880  
very uh like part there's been a lot of

660  
00:26:06,710 --> 00:26:02,080  
sightings uh with the

661  
00:26:09,669 --> 00:26:06,720  
in connection to bigfoot and um

662  
00:26:10,870 --> 00:26:09,679  
what do you call and and and ufos in in

663  
00:26:13,110 --> 00:26:10,880

the near vicinity

664

00:26:14,630 --> 00:26:13,120

yeah i always thought there was it is

665

00:26:16,789 --> 00:26:14,640

there is the connection

666

00:26:18,149 --> 00:26:16,799

between both of them you know that

667

00:26:20,310 --> 00:26:18,159

brings up a lot of

668

00:26:22,470 --> 00:26:20,320

discussions but i think there is a

669

00:26:24,870 --> 00:26:22,480

connection between victim and ufo

670

00:26:26,870 --> 00:26:24,880

yeah i do too i mean i you know you know

671

00:26:27,990 --> 00:26:26,880

how i feel about it and uh you're

672

00:26:34,310 --> 00:26:28,000

preaching to the choir when you're

673

00:26:39,430 --> 00:26:37,350

you know in the 1970s it was just really

674

00:26:41,830 --> 00:26:39,440

prevalent that these sightings were were

675

00:26:45,190 --> 00:26:41,840

coming up bigfoot ufos

676

00:26:47,990 --> 00:26:45,200

uh and you still see a lot of that yeah

677

00:26:48,470 --> 00:26:48,000

yes yeah of course stan was reporting

678

00:26:51,669 --> 00:26:48,480

this

679

00:26:52,549 --> 00:26:51,679

in the early 70s as well of pennsylvania

680

00:26:54,950 --> 00:26:52,559

and for whatever

681

00:26:56,630 --> 00:26:54,960

reason it seemed like that was you know

682

00:26:58,310 --> 00:26:56,640

that was the area where a lot of these

683

00:27:00,230 --> 00:26:58,320

reports were coming from with the

684

00:27:04,149 --> 00:27:00,240

connection with the

685

00:27:06,870 --> 00:27:04,159

you know the ufos the bigfoot i

686

00:27:08,870 --> 00:27:06,880

you know i i do i do believe there are

687

00:27:11,990 --> 00:27:08,880

there is a connection with cryptids

688

00:27:15,190 --> 00:27:12,000

and ufos overall

689

00:27:18,830 --> 00:27:15,200

um you know just like that case i've

690

00:27:22,870 --> 00:27:18,840

discussed up in the atlantic maritimes

691

00:27:25,269 --> 00:27:22,880

uh and well i'll be more specific

692

00:27:26,389 --> 00:27:25,279

and up and nervous it's up in nova

693

00:27:29,669 --> 00:27:26,399

scotia

694

00:27:32,710 --> 00:27:29,679

that this uh that you know

695

00:27:36,070 --> 00:27:32,720

that this witness that i i haven't

696

00:27:39,029 --> 00:27:36,080

i had talked to for years uh i had

697

00:27:40,149 --> 00:27:39,039

seen this ufo this egg shape type ufo

698

00:27:43,830 --> 00:27:40,159

come down

699

00:27:47,269 --> 00:27:43,840

and sometime at time some type of antony

700

00:27:50,389 --> 00:27:47,279

came out of it and uh

701  
00:27:52,950 --> 00:27:50,399  
the footprints were like large

702  
00:27:55,029 --> 00:27:52,960  
turkey footprints i mean like 13 inches

703  
00:27:58,470 --> 00:27:55,039  
wide 13 inches long

704  
00:27:59,269 --> 00:27:58,480  
uh you know it's not just bigfoot i mean

705  
00:28:02,389 --> 00:27:59,279  
they're they're

706  
00:28:04,230 --> 00:28:02,399  
these ufo sightings seem to

707  
00:28:05,750 --> 00:28:04,240  
be connected with other types of

708  
00:28:08,470 --> 00:28:05,760  
cryptids or other type of

709  
00:28:09,990 --> 00:28:08,480  
entities as well and of course humanoids

710  
00:28:13,350 --> 00:28:10,000  
and uh

711  
00:28:13,830 --> 00:28:13,360  
yeah i think there is connection i i

712  
00:28:17,110 --> 00:28:13,840  
agree

713  
00:28:20,149 --> 00:28:17,120

uh in puerto rico back in 95 when the

714

00:28:22,230 --> 00:28:20,159

the so-called chupacabra right

715

00:28:23,190 --> 00:28:22,240

which a lot of the incidents over there

716

00:28:25,750 --> 00:28:23,200

in puerto rico were

717

00:28:27,430 --> 00:28:25,760

directly connected with the the were

718

00:28:30,310 --> 00:28:27,440

ufos every time that there was

719

00:28:31,990 --> 00:28:30,320

some view of chupacabra appearance there

720

00:28:33,510 --> 00:28:32,000

were ufos in the area they were in the

721

00:28:36,149 --> 00:28:33,520

same area they were like

722

00:28:38,230 --> 00:28:36,159

either nearby or they were seen in

723

00:28:40,149 --> 00:28:38,240

connection with the supercovers

724

00:28:41,830 --> 00:28:40,159

right and some of these are some of the

725

00:28:42,950 --> 00:28:41,840

original sightings of the chupacabra

726  
00:28:45,750 --> 00:28:42,960  
which

727  
00:28:47,909 --> 00:28:45,760  
nowadays people think for some reason

728  
00:28:50,070 --> 00:28:47,919  
that mangy dogs are triple coverage was

729  
00:28:52,389 --> 00:28:50,080  
totally wrong i mean the original

730  
00:28:55,669 --> 00:28:52,399  
tripacabra they were a creature that

731  
00:28:58,310 --> 00:28:55,679  
they had like a

732  
00:28:59,029 --> 00:28:58,320  
and spikes running down their backs

733  
00:29:02,070 --> 00:28:59,039  
their eyes

734  
00:29:03,269 --> 00:29:02,080  
low their oval shaped eyes will go uh

735  
00:29:05,190 --> 00:29:03,279  
red

736  
00:29:06,870 --> 00:29:05,200  
sometimes they were they would be like a

737  
00:29:09,830 --> 00:29:06,880  
spike that will come out of their

738  
00:29:12,389 --> 00:29:09,840

their mouth and i think that that's what

739

00:29:15,269 --> 00:29:12,399

they used to suck the blood out of the

740

00:29:16,789 --> 00:29:15,279

goats or the animals anyway that some of

741

00:29:17,990 --> 00:29:16,799

the original witnesses were police

742

00:29:20,549 --> 00:29:18,000

officers and uh

743

00:29:22,070 --> 00:29:20,559

according to them they one of the cases

744

00:29:24,070 --> 00:29:22,080

this is a 95

745

00:29:26,470 --> 00:29:24,080

they approached a couple of chibikawas

746

00:29:29,750 --> 00:29:26,480

or one supercarotype creature that

747

00:29:31,909 --> 00:29:29,760

he saw in on a tree and one of the

748

00:29:35,029 --> 00:29:31,919

officers approached and suddenly he

749

00:29:38,630 --> 00:29:35,039

he seemed like uh he became uh

750

00:29:41,029 --> 00:29:38,640

confused according to the officer he the

751

00:29:41,990 --> 00:29:41,039

creature whatever it was was trying to

752

00:29:44,630 --> 00:29:42,000

control his

753

00:29:45,510 --> 00:29:44,640

thoughts i mean he became very confused

754

00:29:47,350 --> 00:29:45,520

and afraid

755

00:29:49,430 --> 00:29:47,360

and he left the area but that happened a

756

00:29:53,029 --> 00:29:49,440

couple of times it's more

757

00:29:54,789 --> 00:29:53,039

something more to the some of those

758

00:29:56,630 --> 00:29:54,799

you scripted than these reports that we

759

00:30:00,950 --> 00:29:56,640

get out of you know out of the south

760

00:30:03,269 --> 00:30:00,960

west of the united states of texas

761

00:30:05,750 --> 00:30:03,279

i mean those are just there's a just

762

00:30:09,269 --> 00:30:05,760

either either some type of hybrid

763

00:30:12,470 --> 00:30:09,279

wolf and coyote or some type of dog

764

00:30:13,830 --> 00:30:12,480

or whatever but uh you know those aren't

765

00:30:15,430 --> 00:30:13,840

chupacabras of course

766

00:30:17,510 --> 00:30:15,440

it sounds good the press when they put

767

00:30:18,470 --> 00:30:17,520

it in there you know yeah that's really

768

00:30:20,230 --> 00:30:18,480

good

769

00:30:25,190 --> 00:30:20,240

i think they just do it for you know the

770

00:30:29,110 --> 00:30:26,950

you know yourself these original

771

00:30:30,470 --> 00:30:29,120

chupacabra sightings had first come out

772

00:30:32,310 --> 00:30:30,480

of puerto rico

773

00:30:35,110 --> 00:30:32,320

and uh they're boy they're practically

774

00:30:36,950 --> 00:30:35,120

spread all over latin america but puerto

775

00:30:39,430 --> 00:30:36,960

rico and mexico

776

00:30:40,310 --> 00:30:39,440

uh i mean those are the ones that are

777

00:30:41,990 --> 00:30:40,320

prevalent and i'm

778

00:30:44,149 --> 00:30:42,000

quite sure there are some chupacabra

779

00:30:46,870 --> 00:30:44,159

sightings in cuba as well

780

00:30:50,870 --> 00:30:46,880

um yeah you know yeah they've been

781

00:30:51,590 --> 00:30:50,880

associated with were some sightings here

782

00:30:54,630 --> 00:30:51,600

in miami

783

00:30:57,830 --> 00:30:54,640

also in the uh somewhere in the west and

784

00:31:00,950 --> 00:30:57,840

uh sweetwater this is back in 95

785

00:31:02,710 --> 00:31:00,960

96 and i was in me and berlio uh

786

00:31:04,870 --> 00:31:02,720

sanchez jose we were at the scene of

787

00:31:06,470 --> 00:31:04,880

some of the supercarver attacks

788

00:31:08,789 --> 00:31:06,480

i'm talking back in the day when i was

789

00:31:12,789 --> 00:31:08,799

actually out there in the field

790

00:31:14,389 --> 00:31:12,799

right so many new people here in uh um

791

00:31:15,830 --> 00:31:14,399

i went to a location where there was

792

00:31:17,750 --> 00:31:15,840

like an lf

793

00:31:19,509 --> 00:31:17,760

for the elderly people living there and

794

00:31:20,870 --> 00:31:19,519

then a lot of them these people

795

00:31:22,789 --> 00:31:20,880

they will stay up all night a lot of

796

00:31:23,669 --> 00:31:22,799

them didn't sleep well anyway i talked

797

00:31:27,190 --> 00:31:23,679

to a lady

798

00:31:29,269 --> 00:31:27,200

that she uh and that night she looked

799

00:31:32,070 --> 00:31:29,279

out the window and she saw like

800

00:31:34,070 --> 00:31:32,080

what she said was a he looked to her uh

801  
00:31:36,789 --> 00:31:34,080  
like a bipedal

802  
00:31:38,230 --> 00:31:36,799  
animal she couldn't really describe it

803  
00:31:41,350 --> 00:31:38,240  
to august but it was

804  
00:31:43,110 --> 00:31:41,360  
walking on two feet or and it was like

805  
00:31:44,950 --> 00:31:43,120  
in the backyard and the next day they

806  
00:31:47,190 --> 00:31:44,960  
found some uh

807  
00:31:48,710 --> 00:31:47,200  
and that chicken they had a goat and

808  
00:31:50,310 --> 00:31:48,720  
road was found dead i saw the goat

809  
00:31:53,590 --> 00:31:50,320  
myself

810  
00:31:56,950 --> 00:31:53,600  
and i could tell you that

811  
00:31:59,669 --> 00:31:56,960  
it had holes in around the neck area

812  
00:32:00,149 --> 00:31:59,679  
round holes it wasn't tore like a dog

813  
00:32:03,669 --> 00:32:00,159

will do

814

00:32:05,350 --> 00:32:03,679

you know a dog will tear up and bite and

815

00:32:07,669 --> 00:32:05,360

no this thing was like they had two

816

00:32:11,190 --> 00:32:07,679

holes in the neck

817

00:32:13,190 --> 00:32:11,200

uh and after a while the brahilian

818

00:32:15,269 --> 00:32:13,200

several other people were there with

819

00:32:17,430 --> 00:32:15,279

uh goat we didn't know what to do with

820

00:32:20,230 --> 00:32:17,440

the owner didn't want it but

821

00:32:20,630 --> 00:32:20,240

some kind of uh liquid coming out of the

822

00:32:24,389 --> 00:32:20,640

hole

823

00:32:26,870 --> 00:32:24,399

it looked like some kind of green ooze

824

00:32:28,310 --> 00:32:26,880

yeah and and then about an hour later

825

00:32:29,509 --> 00:32:28,320

some guys showed up in a white pickup

826

00:32:31,750 --> 00:32:29,519

truck and picked up the

827

00:32:33,590 --> 00:32:31,760

the boat and took off we never knew who

828

00:32:35,830 --> 00:32:33,600

this guy was but

829

00:32:38,149 --> 00:32:35,840

that's it somebody took it we don't know

830

00:32:42,149 --> 00:32:38,159

what happened to it after that

831

00:32:45,029 --> 00:32:42,159

and this is

832

00:32:45,830 --> 00:32:45,039

you know jc's reported this phenomenon

833

00:32:48,789 --> 00:32:45,840

as well

834

00:32:49,430 --> 00:32:48,799

in the four corners uh basically and

835

00:32:52,549 --> 00:32:49,440

this

836

00:32:55,110 --> 00:32:52,559

years ago or so

837

00:32:56,630 --> 00:32:55,120

where these uh large sheep were being

838

00:32:59,909 --> 00:32:56,640

attacked

839

00:33:02,230 --> 00:32:59,919

and uh they would find these things

840

00:33:03,590 --> 00:33:02,240

dead with a hole in the side somewhere

841

00:33:06,310 --> 00:33:03,600

around the neck

842

00:33:07,750 --> 00:33:06,320

and you know there was a drop of blood

843

00:33:10,870 --> 00:33:07,760

on the ground

844

00:33:12,630 --> 00:33:10,880

or inside inside the animal so something

845

00:33:16,710 --> 00:33:12,640

was sucking it out

846

00:33:19,590 --> 00:33:16,720

yeah yeah

847

00:33:21,110 --> 00:33:19,600

yeah it's uh it's just it's a very odd

848

00:33:23,830 --> 00:33:21,120

phenomena but

849

00:33:24,549 --> 00:33:23,840

it has nothing to do with these these

850

00:33:26,149 --> 00:33:24,559

mixed

851

00:33:27,669 --> 00:33:26,159

these hybrids that people are seeing

852

00:33:32,230 --> 00:33:27,679

running around in this

853

00:33:34,149 --> 00:33:32,240

you know whatever they are i don't know

854

00:33:36,870 --> 00:33:34,159

whatever yeah whatever they want to call

855

00:33:41,590 --> 00:33:39,190

you know i know i know ken gerhart did

856

00:33:43,750 --> 00:33:41,600

uh he did an investigation one day in

857

00:33:46,950 --> 00:33:43,760

mexico about a year ago

858

00:33:52,230 --> 00:33:46,960

uh that was a really interesting case

859

00:33:54,149 --> 00:33:52,240

uh and the the rancher actually

860

00:33:55,830 --> 00:33:54,159

you know i did uh did a description had

861

00:33:57,669 --> 00:33:55,840

a description done on this

862

00:34:00,630 --> 00:33:57,679

and it was the uh it was kind of like

863

00:34:03,269 --> 00:34:00,640

the uh standard chupacabra

864

00:34:04,310 --> 00:34:03,279

uh i guess it was about maybe three foot

865

00:34:06,630 --> 00:34:04,320

long maybe two

866

00:34:09,270 --> 00:34:06,640

maybe two and a half foot long and had

867

00:34:13,510 --> 00:34:11,349

oh you know it was it had some type of

868

00:34:14,550 --> 00:34:13,520

hibiscus that came out of its mouth or

869

00:34:17,750 --> 00:34:14,560

whatever

870

00:34:19,909 --> 00:34:17,760

that actually right now these animals

871

00:34:21,829 --> 00:34:19,919

like a tube that will stick out of his

872

00:34:24,310 --> 00:34:21,839

mouth and and

873

00:34:26,389 --> 00:34:24,320

i guess he will use that up to to suck

874

00:34:28,710 --> 00:34:26,399

out the blood or whatever

875

00:34:30,069 --> 00:34:28,720

from the from the animal yeah there's

876

00:34:33,109 --> 00:34:30,079

been recent

877

00:34:36,389 --> 00:34:33,119

mutilations in argentina again

878

00:34:39,109 --> 00:34:36,399

they've been found uh i mean this

879

00:34:40,550 --> 00:34:39,119

this never ends it's like and i remember

880

00:34:43,990 --> 00:34:40,560

uh

881

00:34:45,190 --> 00:34:44,000

even in in the ukraine back in 2005 2006

882

00:34:48,389 --> 00:34:45,200

there were reports of uh

883

00:34:51,270 --> 00:34:48,399

super copper type creatures attacking uh

884

00:34:53,990 --> 00:34:51,280

you know livestock and stuff so it is a

885

00:34:55,990 --> 00:34:54,000

worldwide phenomenon

886

00:34:57,109 --> 00:34:56,000

yeah do you come on do you think it's

887

00:35:00,390 --> 00:34:57,119

possible that

888

00:35:01,670 --> 00:35:00,400

some of the um the cattle mutilations

889

00:35:04,550 --> 00:35:01,680

that we have seen

890

00:35:06,150 --> 00:35:04,560

over the years uh basically those

891

00:35:09,109 --> 00:35:06,160

mutilations where there's

892

00:35:09,670 --> 00:35:09,119

probably a you know it looks like a one

893

00:35:15,109 --> 00:35:09,680

hole

894

00:35:16,230 --> 00:35:15,119

but you know it seems like the blood

895

00:35:17,349 --> 00:35:16,240

sucked out and you think there's

896

00:35:19,990 --> 00:35:17,359

possibility

897

00:35:20,630 --> 00:35:20,000

that it could be a cheap acaba or do you

898

00:35:22,710 --> 00:35:20,640

think it's

899

00:35:24,710 --> 00:35:22,720

you know something else that may be

900

00:35:28,230 --> 00:35:24,720

associated with ufos that's

901  
00:35:29,990 --> 00:35:28,240  
you know as doing it well you know some

902  
00:35:33,510 --> 00:35:30,000  
of these animals like they're big

903  
00:35:33,829 --> 00:35:33,520  
some of them they're like very big bulls

904  
00:35:36,630 --> 00:35:33,839  
like

905  
00:35:38,470 --> 00:35:36,640  
over 800 pounds i think it it has to be

906  
00:35:41,829 --> 00:35:38,480  
something bigger than a chipper copper

907  
00:35:44,950 --> 00:35:41,839  
right able to do that the ones that

908  
00:35:45,589 --> 00:35:44,960  
i'm they're they're like scary looking

909  
00:35:49,270 --> 00:35:45,599  
they're

910  
00:35:50,710 --> 00:35:49,280  
big

911  
00:35:52,790 --> 00:35:50,720  
the ones that the descriptions that i

912  
00:35:55,109 --> 00:35:52,800  
heard they're not big at all

913  
00:35:55,829 --> 00:35:55,119

i mean and some of these uh cattle have

914

00:35:58,710 --> 00:35:55,839

been

915

00:35:59,910 --> 00:35:58,720

killed and found with holes or their

916

00:36:02,150 --> 00:35:59,920

their anus go

917

00:36:03,990 --> 00:36:02,160

cored out or different holes in the body

918

00:36:05,910 --> 00:36:04,000

they're very large animals

919

00:36:07,349 --> 00:36:05,920

and something something must have

920

00:36:08,950 --> 00:36:07,359

immobilized these things

921

00:36:11,670 --> 00:36:08,960

to these animals to be able to do that

922

00:36:14,470 --> 00:36:11,680

to my thing i don't know why but

923

00:36:16,150 --> 00:36:14,480

like we were saying back in the 70s uh

924

00:36:17,430 --> 00:36:16,160

that's a weird that was a weird decade

925

00:36:20,630 --> 00:36:17,440

some of the incidents that

926

00:36:23,990 --> 00:36:20,640

uh the cattle mutilation in the west

927

00:36:24,310 --> 00:36:24,000

idaho arizona and that area uh they're

928

00:36:27,190 --> 00:36:24,320

at

929

00:36:28,870 --> 00:36:27,200

the incident were they were where people

930

00:36:32,069 --> 00:36:28,880

saw strange uh

931

00:36:33,030 --> 00:36:32,079

figures and uh in the fields floating

932

00:36:36,790 --> 00:36:33,040

around

933

00:36:38,829 --> 00:36:36,800

in the corrals i mean they were not

934

00:36:40,310 --> 00:36:38,839

publicized that much but there was a lot

935

00:36:42,950 --> 00:36:40,320

of

936

00:36:43,990 --> 00:36:42,960

strength i mean maybe there were

937

00:36:45,510 --> 00:36:44,000

humanoid scene

938

00:36:47,829 --> 00:36:45,520

in connection to some of these uh

939

00:36:49,030 --> 00:36:47,839

mutilations well you know i believe

940

00:36:50,550 --> 00:36:49,040

i believe there have been a lot of

941

00:36:51,589 --> 00:36:50,560

sightings that people had just haven't

942

00:36:55,750 --> 00:36:51,599

reported just like

943

00:36:58,310 --> 00:36:55,760

anything else you know i

944

00:37:01,030 --> 00:36:58,320

it's something that people don't think

945

00:37:03,270 --> 00:37:01,040

nobody else would believe what they saw

946

00:37:05,349 --> 00:37:03,280

but uh there there have definitely been

947

00:37:09,990 --> 00:37:05,359

some really odd

948

00:37:13,270 --> 00:37:10,000

ranches and some of these

949

00:37:14,550 --> 00:37:13,280

some of these out these farms that are

950

00:37:17,109 --> 00:37:14,560

way out in the boonies

951  
00:37:18,230 --> 00:37:17,119  
and uh i just don't think you know i

952  
00:37:19,670 --> 00:37:18,240  
just i just

953  
00:37:21,030 --> 00:37:19,680  
think that they kind of keep it to

954  
00:37:22,390 --> 00:37:21,040  
themselves and don't want to sing to

955  
00:37:26,630 --> 00:37:22,400  
anybody

956  
00:37:30,390 --> 00:37:26,640  
um you know and i do hope more of these

957  
00:37:35,190 --> 00:37:30,400  
chupacabra uh incidents are starting to

958  
00:37:38,430 --> 00:37:35,200  
do start to get reported uh because

959  
00:37:41,430 --> 00:37:38,440  
that's one that's one phase in

960  
00:37:43,750 --> 00:37:41,440  
cryptozoology that i believe just really

961  
00:37:46,470 --> 00:37:43,760  
needs a lot of examination

962  
00:37:48,550 --> 00:37:46,480  
i've just really been very wary of the

963  
00:37:50,710 --> 00:37:48,560

chupacabra reports

964

00:37:52,710 --> 00:37:50,720

but unfortunately it's been because of

965

00:37:56,230 --> 00:37:52,720

some of these other reports that are

966

00:37:57,910 --> 00:37:56,240

absolutely nothing to do with it but uh

967

00:37:59,349 --> 00:37:57,920

yeah but i you know i hope it's

968

00:38:01,589 --> 00:37:59,359

something that we start getting some

969

00:38:05,030 --> 00:38:01,599

information on

970

00:38:08,069 --> 00:38:05,040

uh scott he wrote a very good book in

971

00:38:10,069 --> 00:38:08,079

chicago incidents i don't know yes

972

00:38:11,750 --> 00:38:10,079

yes escapes me right now but it was just

973

00:38:14,230 --> 00:38:11,760

one of the first books that i got

974

00:38:16,310 --> 00:38:14,240

that i read completely on the on

975

00:38:19,990 --> 00:38:16,320

chupacabra incident besides

976

00:38:23,270 --> 00:38:20,000

before before that i i actually

977

00:38:24,390 --> 00:38:23,280

uh received the reports or read reports

978

00:38:27,109 --> 00:38:24,400

from puerto rico

979

00:38:27,910 --> 00:38:27,119

from uh jorge martin he was one of the

980

00:38:30,870 --> 00:38:27,920

original

981

00:38:31,430 --> 00:38:30,880

investigators in puerto rico that was

982

00:38:35,750 --> 00:38:31,440

first

983

00:38:38,790 --> 00:38:35,760

chipotle encounters

984

00:38:41,750 --> 00:38:38,800

in puerto rico but um there's very

985

00:38:42,790 --> 00:38:41,760

books that he that you know that you can

986

00:38:45,270 --> 00:38:42,800

read but that's one of the

987

00:38:47,109 --> 00:38:45,280

one one of the books and uh jorge martin

988

00:38:48,950 --> 00:38:47,119

also wrote a book on chupacabra in

989

00:38:50,069 --> 00:38:48,960

spanish and it's never been an english

990

00:38:51,990 --> 00:38:50,079

translation

991

00:38:53,829 --> 00:38:52,000

i translated a lot of the cases there

992

00:38:55,829 --> 00:38:53,839

and they're in my database

993

00:38:57,190 --> 00:38:55,839

you know scattered out of my database

994

00:39:01,109 --> 00:38:57,200

mostly from

995

00:39:02,470 --> 00:39:01,119

from 95 and 96. a lot of these cases

996

00:39:07,030 --> 00:39:02,480

that he covers

997

00:39:09,829 --> 00:39:07,040

are most of them are ufo and chupacabra

998

00:39:11,109 --> 00:39:09,839

connected a lot of them in puerto rico

999

00:39:13,829 --> 00:39:11,119

yeah

1000

00:39:14,710 --> 00:39:13,839

well now you live in florida and uh you

1001  
00:39:17,750 --> 00:39:14,720  
know i

1002  
00:39:20,230 --> 00:39:17,760  
i have been able to get a lot of reports

1003  
00:39:22,390 --> 00:39:20,240  
of some really strange activity in

1004  
00:39:25,670 --> 00:39:22,400  
florida all throughout the state

1005  
00:39:27,990 --> 00:39:25,680  
uh especially that area up around tampa

1006  
00:39:29,430 --> 00:39:28,000  
clearwater and those counties

1007  
00:39:30,550 --> 00:39:29,440  
surrounding there

1008  
00:39:33,510 --> 00:39:30,560  
there of course there's been some

1009  
00:39:35,589 --> 00:39:33,520  
bigfoot activity there for years but uh

1010  
00:39:36,550 --> 00:39:35,599  
well let's put that with skunk snow cape

1011  
00:39:39,190 --> 00:39:36,560  
activity

1012  
00:39:42,069 --> 00:39:39,200  
but there has also been a lot of odd

1013  
00:39:45,510 --> 00:39:42,079

humanoid and uh

1014

00:39:47,270 --> 00:39:45,520

and other entities as well uh

1015

00:39:48,790 --> 00:39:47,280

have you ever investigated anything up

1016

00:39:49,190 --> 00:39:48,800

there in that that part of the state

1017

00:39:52,390 --> 00:39:49,200

that

1018

00:39:54,150 --> 00:39:52,400

central part not myself i'm

1019

00:39:55,670 --> 00:39:54,160

not there to investigate anything up

1020

00:39:56,150 --> 00:39:55,680

there i know some of the other members

1021

00:39:58,790 --> 00:39:56,160

from me

1022

00:40:00,069 --> 00:39:58,800

pond here mary margaret simmers been up

1023

00:40:02,630 --> 00:40:00,079

been up there but i

1024

00:40:03,990 --> 00:40:02,640

i have investigated cases here locally

1025

00:40:07,349 --> 00:40:04,000

and okay

1026

00:40:08,230 --> 00:40:07,359

and the area that we call the east

1027

00:40:10,870 --> 00:40:08,240

everglades

1028

00:40:11,270 --> 00:40:10,880

which is uh okay well they got farms

1029

00:40:14,950 --> 00:40:11,280

there

1030

00:40:18,069 --> 00:40:14,960

mostly like gold farms cattle you know

1031

00:40:19,670 --> 00:40:18,079

uh pig farms it's been a lot of cases

1032

00:40:21,829 --> 00:40:19,680

there like

1033

00:40:23,430 --> 00:40:21,839

i talked to a guy there that he had he

1034

00:40:25,030 --> 00:40:23,440

owned some property there a lot of these

1035

00:40:26,230 --> 00:40:25,040

property kind of been taken over by the

1036

00:40:27,829 --> 00:40:26,240

government because they

1037

00:40:29,750 --> 00:40:27,839

didn't want people to build them to the

1038

00:40:32,790 --> 00:40:29,760

everglades for environmental

1039

00:40:34,870 --> 00:40:32,800

you know reasons anyway he said well

1040

00:40:36,069 --> 00:40:34,880

he he had a lot of strange encounters

1041

00:40:39,109 --> 00:40:36,079

here

1042

00:40:41,750 --> 00:40:39,119

but he claimed that one day he uh

1043

00:40:43,510 --> 00:40:41,760

came on his uh like a higher hand and

1044

00:40:45,990 --> 00:40:43,520

one of the workers here with him

1045

00:40:47,750 --> 00:40:46,000

they they heard noises like in the woods

1046

00:40:51,190 --> 00:40:47,760

in the field and they came up they were

1047

00:40:52,230 --> 00:40:51,200

he said there were some men uh driving

1048

00:40:54,069 --> 00:40:52,240

what he

1049

00:40:56,550 --> 00:40:54,079

he looked to him like uh those those

1050

00:40:59,510 --> 00:40:56,560

dirt uh those buggies

1051  
00:40:59,829 --> 00:40:59,520  
that you could drive in the dirt but

1052  
00:41:06,790 --> 00:40:59,839  
they

1053  
00:41:09,990 --> 00:41:06,800  
wearing some kind of uniform

1054  
00:41:11,670 --> 00:41:10,000  
they were blonde hair and they were

1055  
00:41:13,030 --> 00:41:11,680  
then uh they ignored these people and

1056  
00:41:16,230 --> 00:41:13,040  
they were in his property so

1057  
00:41:19,109 --> 00:41:16,240  
he his uh his higher end

1058  
00:41:20,630 --> 00:41:19,119  
took a shot a pot shot alone and they

1059  
00:41:23,990 --> 00:41:20,640  
took off and they'd follow this

1060  
00:41:26,710 --> 00:41:24,000  
man and according to to them uh

1061  
00:41:27,030 --> 00:41:26,720  
they disappeared and to a field in which

1062  
00:41:31,190 --> 00:41:27,040  
they

1063  
00:41:32,870 --> 00:41:31,200

off from there and leave

1064

00:41:34,790 --> 00:41:32,880

so that their thing there he told me

1065

00:41:36,790 --> 00:41:34,800

that he think that these people were

1066

00:41:41,670 --> 00:41:36,800

one inside that light whatever it was

1067

00:41:47,510 --> 00:41:45,109

there's other cases a lot of stuff

1068

00:41:49,829 --> 00:41:47,520

in west west dade county miami-dade

1069

00:41:51,349 --> 00:41:49,839

county

1070

00:41:53,270 --> 00:41:51,359

yeah i haven't heard a lot of them in

1071

00:41:54,870 --> 00:41:53,280

that in in dade county uh for

1072

00:41:56,390 --> 00:41:54,880

i don't know why but i haven't you know

1073

00:41:57,349 --> 00:41:56,400

i have been a lot of reports but you

1074

00:41:59,990 --> 00:41:57,359

figure you know since

1075

00:42:01,030 --> 00:42:00,000

you know the everlanes do come up to in

1076

00:42:04,870 --> 00:42:01,040

into uh

1077

00:42:07,030 --> 00:42:04,880

the cow we would hear some more um

1078

00:42:07,990 --> 00:42:07,040

but really florida in itself the whole

1079

00:42:10,950 --> 00:42:08,000

state's got some

1080

00:42:11,990 --> 00:42:10,960

really weird stuff going on i you know i

1081

00:42:14,230 --> 00:42:12,000

i believe maybe

1082

00:42:15,670 --> 00:42:14,240

20 of some of the weirder stuff that

1083

00:42:17,349 --> 00:42:15,680

i've ever

1084

00:42:20,550 --> 00:42:17,359

have received just come out of some

1085

00:42:24,309 --> 00:42:20,560

place somewhere in florida

1086

00:42:26,069 --> 00:42:24,319

oh i think so i that that area i had

1087

00:42:29,190 --> 00:42:26,079

talked about earlier that that

1088

00:42:31,109 --> 00:42:29,200

south southwest florida

1089

00:42:33,270 --> 00:42:31,119

southwest central southwest florida

1090

00:42:36,470 --> 00:42:33,280

whatever that is which was

1091

00:42:39,829 --> 00:42:36,480

in the water yeah lee county

1092

00:42:43,510 --> 00:42:39,839

uh there around uh you know tampa

1093

00:42:46,470 --> 00:42:43,520

clearwater and some of these uh

1094

00:42:46,870 --> 00:42:46,480

a little bit inland from there uh

1095

00:42:49,910 --> 00:42:46,880

they're

1096

00:42:52,470 --> 00:42:49,920

there have been a lot of

1097

00:42:54,870 --> 00:42:52,480

really odd different and different too

1098

00:42:58,550 --> 00:42:54,880

it's not it's not just skunk apes

1099

00:43:01,670 --> 00:42:58,560

uh it's these um oh

1100

00:43:05,910 --> 00:43:01,680

even even dinosaur type creatures

1101

00:43:08,069 --> 00:43:05,920

uh oh yeah this is sorry

1102

00:43:09,990 --> 00:43:08,079

and then and the first day i had another

1103

00:43:12,150 --> 00:43:10,000

well the family from this

1104

00:43:13,270 --> 00:43:12,160

this person i talked to i mentioned

1105

00:43:16,150 --> 00:43:13,280

earlier this far

1106

00:43:17,190 --> 00:43:16,160

his nephew went out fishing the canal

1107

00:43:20,309 --> 00:43:17,200

washer there

1108

00:43:22,630 --> 00:43:20,319

and he said he saw something in the wood

1109

00:43:24,870 --> 00:43:22,640

and tall grass looking at him that

1110

00:43:27,030 --> 00:43:24,880

according to him it looked like a

1111

00:43:29,030 --> 00:43:27,040

look at that a little dinosaur standing

1112

00:43:32,630 --> 00:43:29,040

on the ground

1113

00:43:33,510 --> 00:43:32,640

this is uh also here in what day and i

1114

00:43:35,750 --> 00:43:33,520

knew every

1115

00:43:37,349 --> 00:43:35,760

uh retired police sergeant that he was

1116

00:43:39,510 --> 00:43:37,359

out on

1117

00:43:41,190 --> 00:43:39,520

stakeout for drugs in the east

1118

00:43:43,910 --> 00:43:41,200

everglades

1119

00:43:44,550 --> 00:43:43,920

this is back in the maybe early 80s and

1120

00:43:46,470 --> 00:43:44,560

him and

1121

00:43:47,829 --> 00:43:46,480

he looked they looked up and he saw they

1122

00:43:49,430 --> 00:43:47,839

saw something like

1123

00:43:51,510 --> 00:43:49,440

that that appeared to be covering the

1124

00:43:54,230 --> 00:43:51,520

stars what is that

1125

00:43:55,030 --> 00:43:54,240

they looked at whether i'm activated you

1126

00:43:56,470 --> 00:43:55,040

know

1127

00:43:58,309 --> 00:43:56,480

and they they said that what they

1128

00:44:00,069 --> 00:43:58,319

reported seeing was that he

1129

00:44:01,750 --> 00:44:00,079

he told me that he looked like a huge

1130

00:44:04,470 --> 00:44:01,760

boomerang

1131

00:44:06,069 --> 00:44:04,480

but it was like if you didn't look at it

1132

00:44:07,430 --> 00:44:06,079

you wouldn't notice it was there only

1133

00:44:10,870 --> 00:44:07,440

they could only see the start being

1134

00:44:14,309 --> 00:44:13,510

and they were like these guys were like

1135

00:44:17,589 --> 00:44:14,319

they were on

1136

00:44:19,270 --> 00:44:17,599

and they were scared after that i i

1137

00:44:21,190 --> 00:44:19,280

think they left the

1138

00:44:24,309 --> 00:44:21,200

stakeout but yeah this was told me by a

1139

00:44:26,390 --> 00:44:24,319

retired police sergeant

1140

00:44:27,829 --> 00:44:26,400

yeah i think unfortunately a lot of

1141

00:44:31,109 --> 00:44:27,839

police officers

1142

00:44:33,030 --> 00:44:31,119

and uh civil servants

1143

00:44:34,829 --> 00:44:33,040

do you see a lot of things that they're

1144

00:44:37,030 --> 00:44:34,839

afraid

1145

00:44:38,710 --> 00:44:37,040

unfortunately uh every once in a while i

1146

00:44:42,790 --> 00:44:38,720

want to get brave enough to

1147

00:44:45,829 --> 00:44:42,800

put a report out on something but uh

1148

00:44:46,309 --> 00:44:45,839

you know i believe well just like you

1149

00:44:48,710 --> 00:44:46,319

know

1150

00:44:50,230 --> 00:44:48,720

this part of the country up here i i

1151

00:44:53,430 --> 00:44:50,240

think police officers see

1152

00:44:55,829 --> 00:44:53,440

more bipedal something

1153

00:44:56,790 --> 00:44:55,839

out there at nighttime that they cared

1154

00:45:00,069 --> 00:44:56,800

to report about

1155

00:45:03,190 --> 00:45:00,079

but um occasional sub will come out

1156

00:45:07,430 --> 00:45:05,510

sean do we got any any questions coming

1157

00:45:09,670 --> 00:45:07,440

out of the uh

1158

00:45:11,910 --> 00:45:09,680

out of the chat room here yeah we do

1159

00:45:15,510 --> 00:45:11,920

have a question question from damian

1160

00:45:18,470 --> 00:45:15,520

uh he wants to know uh from albert

1161

00:45:19,349 --> 00:45:18,480

are there reports of large humanoids in

1162

00:45:24,069 --> 00:45:19,359

other countries

1163

00:45:28,790 --> 00:45:26,630

uh reports of humanoids and in other

1164

00:45:32,069 --> 00:45:28,800

countries that are what

1165

00:45:35,430 --> 00:45:32,079

that are island countries

1166

00:45:38,470 --> 00:45:35,440

okay um i'm trying to think yeah

1167

00:45:41,430 --> 00:45:38,480

there's uh like new zealand there's uh

1168

00:45:42,630 --> 00:45:41,440

reports of uh humanoid here some large

1169

00:45:45,349 --> 00:45:42,640

humanoids

1170

00:45:47,109 --> 00:45:45,359

uh japan there's been reports of

1171

00:45:50,150 --> 00:45:47,119

humanoid there and i mean that

1172

00:45:52,069 --> 00:45:50,160

when he says large i don't know what was

1173

00:45:54,230 --> 00:45:52,079

how large but there's been reports from

1174

00:45:57,030 --> 00:45:54,240

uh dominican republic

1175

00:45:58,309 --> 00:45:57,040

uh of course puerto rico puerto rico

1176

00:46:00,870 --> 00:45:58,319

there's like a

1177

00:46:02,069 --> 00:46:00,880

whole menagerie there about of uh

1178

00:46:05,030 --> 00:46:02,079

humanoids

1179

00:46:06,309 --> 00:46:05,040

uh in cuba some of the cases that i know

1180

00:46:11,030 --> 00:46:06,319

the the humanoids

1181

00:46:13,349 --> 00:46:11,040

have been pretty tall large

1182

00:46:14,950 --> 00:46:13,359

now there's very little information as

1183

00:46:19,510 --> 00:46:14,960

far as

1184

00:46:23,190 --> 00:46:19,520

some of the african con islands like uh

1185

00:46:24,710 --> 00:46:23,200

madagascar yeah there have been cases

1186

00:46:26,230 --> 00:46:24,720

here but uh i don't know too much

1187

00:46:28,630 --> 00:46:26,240

information from there

1188

00:46:30,950 --> 00:46:28,640

well there are traditional cases in like

1189

00:46:31,589 --> 00:46:30,960

you said japan but in the philippines

1190

00:46:37,349 --> 00:46:31,599

and

1191

00:46:38,309 --> 00:46:37,359

java in those areas they've uh they're

1192

00:46:41,910 --> 00:46:38,319

about

1193

00:46:43,190 --> 00:46:41,920

a good deal of uh traditional sightings

1194

00:46:47,430 --> 00:46:43,200

and

1195

00:46:49,430 --> 00:46:47,440

uh reptilian type sightings um

1196

00:46:51,030 --> 00:46:49,440

i mean over the years i mean this is

1197

00:46:52,710 --> 00:46:51,040

something that's been just recent this

1198

00:46:53,990 --> 00:46:52,720

is something that's been going on for

1199

00:46:56,550 --> 00:46:54,000

hundreds of years

1200

00:46:58,150 --> 00:46:56,560

and in in chinese and excuse me in

1201  
00:47:01,270 --> 00:46:58,160  
japanese culture

1202  
00:47:03,589 --> 00:47:01,280  
uh there there are a lot of uh humanoid

1203  
00:47:05,510 --> 00:47:03,599  
type of uh

1204  
00:47:06,870 --> 00:47:05,520  
creatures in there you know in their in

1205  
00:47:10,150 --> 00:47:06,880  
their uh legends

1206  
00:47:12,550 --> 00:47:10,160  
and uh uh but

1207  
00:47:14,150 --> 00:47:12,560  
the uh kappas which are reptilian

1208  
00:47:17,270 --> 00:47:14,160  
reptilian

1209  
00:47:17,990 --> 00:47:17,280  
uh amphibian type humanoids and the

1210  
00:47:19,910 --> 00:47:18,000  
philippines

1211  
00:47:22,069 --> 00:47:19,920  
they're they have a lot of traditions or

1212  
00:47:25,109 --> 00:47:22,079  
a lot of you know folklore

1213  
00:47:27,349 --> 00:47:25,119

dealing with all types of humanoids uh

1214

00:47:28,630 --> 00:47:27,359

and the flying humanoid they have

1215

00:47:30,309 --> 00:47:28,640

several

1216

00:47:32,470 --> 00:47:30,319

uh type of flying humanoids and

1217

00:47:35,910 --> 00:47:32,480

according to some of the uh

1218

00:47:36,870 --> 00:47:35,920

the filipino sites they're still being

1219

00:47:39,829 --> 00:47:36,880

encountered

1220

00:47:40,870 --> 00:47:39,839

at modern times yeah if you ever watch

1221

00:47:43,510 --> 00:47:40,880

the tv show

1222

00:47:45,109 --> 00:47:43,520

grim though they'll make reference to a

1223

00:47:46,470 --> 00:47:45,119

lot of these traditional type of

1224

00:47:49,430 --> 00:47:46,480

humanoids

1225

00:47:51,190 --> 00:47:49,440

um but you know that they'll in

1226

00:47:53,750 --> 00:47:51,200

integrate into the show

1227

00:47:55,510 --> 00:47:53,760

and they've done that for several of

1228

00:47:57,270 --> 00:47:55,520

several types of humanoids

1229

00:47:58,710 --> 00:47:57,280

worldwide it's been uh it's pretty

1230

00:48:00,630 --> 00:47:58,720

pretty interesting

1231

00:48:04,630 --> 00:48:00,640

uh to see what they've come up with on

1232

00:48:04,640 --> 00:48:08,790

that's the only question we got

1233

00:48:14,950 --> 00:48:11,829

oh there there's like uh all the type of

1234

00:48:17,510 --> 00:48:14,960

the humanoids uh like sun powers uh a

1235

00:48:21,829 --> 00:48:17,520

little leprechaun type humanoid uh

1236

00:48:23,190 --> 00:48:21,839

the uh the uh incredibly this disciple

1237

00:48:26,950 --> 00:48:23,200

report is

1238

00:48:30,630 --> 00:48:26,960

still being you know reported

1239

00:48:33,670 --> 00:48:30,640

in in modern times that type of

1240

00:48:34,470 --> 00:48:33,680

creature yeah i see somebody in the chat

1241

00:48:37,270 --> 00:48:34,480

room

1242

00:48:37,750 --> 00:48:37,280

mark has mentioned uh vancouver island

1243

00:48:40,790 --> 00:48:37,760

in

1244

00:48:42,549 --> 00:48:40,800

to uh

1245

00:48:43,829 --> 00:48:42,559

in the atlantic maritimes there have

1246

00:48:48,470 --> 00:48:43,839

been a lot of

1247

00:48:52,069 --> 00:48:48,480

odd humanoid type creatures seen in the

1248

00:48:55,829 --> 00:48:52,079

atlantic maritimes and reported uh

1249

00:48:56,549 --> 00:48:55,839

over recent years um as well as in

1250

00:48:59,510 --> 00:48:56,559

labrador

1251  
00:49:01,109 --> 00:48:59,520  
or in newfoundland there have been a

1252  
00:49:04,710 --> 00:49:01,119  
very

1253  
00:49:06,950 --> 00:49:04,720  
odd sightings uh flying flying humanoids

1254  
00:49:08,630 --> 00:49:06,960  
especially a lot of weird flying

1255  
00:49:11,990 --> 00:49:08,640  
humanoid type things

1256  
00:49:13,190 --> 00:49:12,000  
uh and of course some of the

1257  
00:49:15,030 --> 00:49:13,200  
you know some of the things i've

1258  
00:49:16,870 --> 00:49:15,040  
reported on every year is particularly

1259  
00:49:19,910 --> 00:49:16,880  
that conewago phantom that's

1260  
00:49:21,430 --> 00:49:19,920  
some type of humanoid i believe and

1261  
00:49:23,190 --> 00:49:21,440  
uh you know i really haven't gotten a

1262  
00:49:25,990 --> 00:49:23,200  
good beat on that thing but i think it's

1263  
00:49:28,230 --> 00:49:26,000

probably a humanoid type creature

1264

00:49:30,150 --> 00:49:28,240

well it's funny that you you mentioned

1265

00:49:32,870 --> 00:49:30,160

that uh london prince edward

1266

00:49:34,230 --> 00:49:32,880

island yeah i was talking to a uh

1267

00:49:36,470 --> 00:49:34,240

canadian

1268

00:49:37,430 --> 00:49:36,480

fellow uh investigator today about that

1269

00:49:39,589 --> 00:49:37,440

that

1270

00:49:41,430 --> 00:49:39,599

you know in my files i i don't i don't

1271

00:49:43,349 --> 00:49:41,440

think i have one case in there from i

1272

00:49:45,990 --> 00:49:43,359

have cases from the other marin

1273

00:49:46,790 --> 00:49:46,000

my marine time provinces but i don't

1274

00:49:49,910 --> 00:49:46,800

have anything

1275

00:49:53,030 --> 00:49:49,920

from prince edward island i don't know

1276

00:49:56,390 --> 00:49:53,040

i have um i've i know i've got at least

1277

00:49:58,470 --> 00:49:56,400

one in my files but i i know

1278

00:49:59,670 --> 00:49:58,480

i i had done a case i had done the

1279

00:50:02,950 --> 00:49:59,680

actual

1280

00:50:05,670 --> 00:50:02,960

uh haunting case

1281

00:50:07,430 --> 00:50:05,680

in uh for in prince edward downing

1282

00:50:11,430 --> 00:50:07,440

actually in charlottesville

1283

00:50:14,150 --> 00:50:11,440

and uh charlottetown excuse me and uh

1284

00:50:15,670 --> 00:50:14,160

the witness or one of her friends had

1285

00:50:18,870 --> 00:50:15,680

mentioned to me

1286

00:50:20,790 --> 00:50:18,880

about uh these

1287

00:50:22,069 --> 00:50:20,800

and they really didn't know what it was

1288

00:50:25,670 --> 00:50:22,079

but it was something that

1289

00:50:27,510 --> 00:50:25,680

looked like men with wings and uh

1290

00:50:30,069 --> 00:50:27,520

yeah i never really got a good

1291

00:50:31,829 --> 00:50:30,079

description from her but they said

1292

00:50:33,829 --> 00:50:31,839

she said there's something she had seen

1293

00:50:36,390 --> 00:50:33,839

when she was younger and other members

1294

00:50:39,510 --> 00:50:36,400

of her family had seen as well

1295

00:50:41,910 --> 00:50:39,520

uh you know it's just that she

1296

00:50:43,430 --> 00:50:41,920

really didn't want to you know say a

1297

00:50:45,109 --> 00:50:43,440

whole lot about it

1298

00:50:46,870 --> 00:50:45,119

and it's you know it's something that

1299

00:50:48,390 --> 00:50:46,880

i've been looking into to see if i could

1300

00:50:51,030 --> 00:50:48,400

get more information

1301  
00:50:53,990 --> 00:50:51,040  
but unfortunately i haven't heard much

1302  
00:50:57,430 --> 00:50:54,000  
more about that

1303  
00:50:59,910 --> 00:50:57,440  
me um but you know

1304  
00:51:00,630 --> 00:50:59,920  
okay i guess it's one of these phenomena

1305  
00:51:03,510 --> 00:51:00,640  
that just

1306  
00:51:04,470 --> 00:51:03,520  
spring up uh in certain places and of

1307  
00:51:07,910 --> 00:51:04,480  
course the

1308  
00:51:10,150 --> 00:51:07,920  
this flying humanoid phenomena does seem

1309  
00:51:13,270 --> 00:51:10,160  
to be prevalent in certain areas

1310  
00:51:15,510 --> 00:51:13,280  
as well um you know

1311  
00:51:18,390 --> 00:51:15,520  
and i i mentioned ken garhart he wrote a

1312  
00:51:20,710 --> 00:51:18,400  
very good book about it not too long ago

1313  
00:51:21,430 --> 00:51:20,720

and uh it's some interesting stories in

1314

00:51:23,270 --> 00:51:21,440

there and

1315

00:51:25,270 --> 00:51:23,280

i but of course pennsylvania's had its

1316

00:51:28,390 --> 00:51:25,280

fair share indiana

1317

00:51:32,150 --> 00:51:28,400

uh texas of course there have been

1318

00:51:35,990 --> 00:51:32,160

i think pennsylvania is way up there

1319

00:51:38,390 --> 00:51:36,000

my is in thinking

1320

00:51:39,910 --> 00:51:38,400

but yeah we've we've had some strange

1321

00:51:42,069 --> 00:51:39,920

stuff around here and uh

1322

00:51:43,190 --> 00:51:42,079

something like water yeah maybe there's

1323

00:51:45,109 --> 00:51:43,200

something in the water

1324

00:51:47,190 --> 00:51:45,119

you know yeah i always think i always go

1325

00:51:48,470 --> 00:51:47,200

back to that thought about being a hot

1326  
00:51:51,349 --> 00:51:48,480  
zone you know

1327  
00:51:52,790 --> 00:51:51,359  
but you know what does that really mean

1328  
00:51:55,589 --> 00:51:52,800  
you know but there's there are

1329  
00:51:57,430 --> 00:51:55,599  
specific areas in pennsylvania that have

1330  
00:52:01,430 --> 00:51:57,440  
just had more reports of

1331  
00:52:03,829 --> 00:52:01,440  
odd stuff you know just odd sightings in

1332  
00:52:05,589 --> 00:52:03,839  
our odd encounters

1333  
00:52:07,270 --> 00:52:05,599  
look it's so much information that uh

1334  
00:52:08,470 --> 00:52:07,280  
there's a lot of books on ufos in

1335  
00:52:11,910 --> 00:52:08,480  
pennsylvania

1336  
00:52:13,750 --> 00:52:11,920  
ufos uh bigfoot and then you look at

1337  
00:52:23,190 --> 00:52:13,760  
some of the other states is really hard

1338  
00:52:27,190 --> 00:52:26,470

in pennsylvania and uh you know why it's

1339

00:52:28,870 --> 00:52:27,200

here well

1340

00:52:31,270 --> 00:52:28,880

i i think maybe because of the

1341

00:52:33,670 --> 00:52:31,280

wilderness pennsylvania provides

1342

00:52:35,990 --> 00:52:33,680

it's uh there's a lot of areas that are

1343

00:52:39,510 --> 00:52:36,000

very little expiration

1344

00:52:41,270 --> 00:52:39,520

um you know it's just a lot of weird

1345

00:52:44,230 --> 00:52:41,280

things to show up there and he'll

1346

00:52:46,230 --> 00:52:44,240

help sonic show and i can attest to that

1347

00:52:49,430 --> 00:52:46,240

we both had encounters up there in

1348

00:52:51,510 --> 00:52:49,440

in the state and uh

1349

00:52:53,750 --> 00:52:51,520

you know this just like i mentioned

1350

00:52:55,750 --> 00:52:53,760

before this kind of water phantom thing

1351  
00:52:57,510 --> 00:52:55,760  
that was in south central pennsylvania

1352  
00:52:58,950 --> 00:52:57,520  
and that's

1353  
00:53:00,630 --> 00:52:58,960  
i'm not the only one that's seen that i

1354  
00:53:02,390 --> 00:53:00,640  
mean there's been other sightings

1355  
00:53:04,549 --> 00:53:02,400  
well you know the thing that's strange

1356  
00:53:06,950 --> 00:53:04,559  
is we can't go a week

1357  
00:53:08,309 --> 00:53:06,960  
without something strange being reported

1358  
00:53:11,109 --> 00:53:08,319  
in pennsylvania

1359  
00:53:11,829 --> 00:53:11,119  
absolutely that's the truth absolutely

1360  
00:53:16,069 --> 00:53:11,839  
uh

1361  
00:53:17,589 --> 00:53:16,079  
setting or something

1362  
00:53:19,270 --> 00:53:17,599  
we you know we're always getting

1363  
00:53:22,069 --> 00:53:19,280

something

1364

00:53:23,270 --> 00:53:22,079

either that or a um your thunderbird

1365

00:53:26,390 --> 00:53:23,280

fighting you know

1366

00:53:28,549 --> 00:53:26,400

there's that too uh or flying some kind

1367

00:53:31,670 --> 00:53:28,559

of flying humanoid

1368

00:53:36,069 --> 00:53:31,680

or the flying triangle ufo

1369

00:53:38,710 --> 00:53:36,079

type is a very problem now

1370

00:53:40,870 --> 00:53:38,720

but lately i've been noticing uh i've

1371

00:53:44,069 --> 00:53:40,880

been going through the mufon

1372

00:53:47,109 --> 00:53:44,079

cms logs and some of the other

1373

00:53:48,150 --> 00:53:47,119

sites this uh it seems like this shaped

1374

00:53:54,829 --> 00:53:48,160

type of craft

1375

00:54:00,150 --> 00:53:57,750

yours

1376  
00:54:01,349 --> 00:54:00,160  
there's a recently also from argentina

1377  
00:54:05,109 --> 00:54:01,359  
there's uh

1378  
00:54:07,510 --> 00:54:05,119  
this is a uh witness

1379  
00:54:08,630 --> 00:54:07,520  
also in the province of la papa and uh

1380  
00:54:12,150 --> 00:54:08,640  
reported seeing

1381  
00:54:15,990 --> 00:54:12,160  
two disc shaped craft

1382  
00:54:17,750 --> 00:54:16,000  
near the ground and now not

1383  
00:54:19,990 --> 00:54:17,760  
and i'm sorry in saint louis and san

1384  
00:54:21,990 --> 00:54:20,000  
luis providence in argentina

1385  
00:54:23,270 --> 00:54:22,000  
now in the same area after that soon

1386  
00:54:26,549 --> 00:54:23,280  
after there was another witness i

1387  
00:54:29,990 --> 00:54:28,630  
something flying over the of a field

1388  
00:54:32,710 --> 00:54:30,000

that looked like a a

1389

00:54:33,589 --> 00:54:32,720

flying it according to him it looked

1390

00:54:37,589 --> 00:54:33,599

like an angel

1391

00:54:39,750 --> 00:54:37,599

a white winged trigger very tall

1392

00:54:40,630 --> 00:54:39,760

almost three meters in height this is

1393

00:54:44,390 --> 00:54:40,640

also a

1394

00:54:46,470 --> 00:54:44,400

recent from argentina and uh

1395

00:54:48,230 --> 00:54:46,480

that figure or that humanoid has been

1396

00:54:52,630 --> 00:54:48,240

seen in the area since

1397

00:54:55,510 --> 00:54:52,640

2013 and

1398

00:54:56,950 --> 00:54:55,520

white figure now in i know another case

1399

00:55:00,069 --> 00:54:56,960

from puerto rico last year

1400

00:55:01,190 --> 00:55:00,079

it was given to me by a director of

1401

00:55:04,230 --> 00:55:01,200

proof on

1402

00:55:08,150 --> 00:55:04,240

a group in puerto rico

1403

00:55:09,990 --> 00:55:08,160

a winged figure was seen near a

1404

00:55:11,349 --> 00:55:10,000

hotel building that he looked according

1405

00:55:14,630 --> 00:55:11,359

to the witnesses that

1406

00:55:17,670 --> 00:55:14,640

he talked to a man and a woman

1407

00:55:21,750 --> 00:55:17,680

it looked like a man caucasian type

1408

00:55:24,230 --> 00:55:21,760

long hair and he had wings

1409

00:55:25,910 --> 00:55:24,240

wearing some kind of a white robe or

1410

00:55:27,990 --> 00:55:25,920

something i mean

1411

00:55:30,710 --> 00:55:28,000

i don't know was it an angel or what

1412

00:55:34,309 --> 00:55:30,720

working did it

1413

00:55:37,190 --> 00:55:34,319

i know

1414

00:55:38,710 --> 00:55:37,200

you know i mean what would anybody want

1415

00:55:41,030 --> 00:55:38,720

to make something up like that for i

1416

00:55:44,710 --> 00:55:43,030

you're right you're you're exactly right

1417

00:55:46,470 --> 00:55:44,720

you know

1418

00:55:48,230 --> 00:55:46,480

what if somebody comes to me and says

1419

00:55:51,349 --> 00:55:48,240

yeah albert i saw two graves

1420

00:55:53,430 --> 00:55:51,359

in my backyard i i will doubt him mort

1421

00:55:55,030 --> 00:55:53,440

if somebody comes up to me and says

1422

00:55:56,630 --> 00:55:55,040

i saw something that looked like an

1423

00:55:57,430 --> 00:55:56,640

angel flying over the house i think i

1424

00:56:00,829 --> 00:55:57,440

believe the guy

1425

00:56:03,990 --> 00:56:00,839

with the angel story more yeah

1426  
00:56:04,950 --> 00:56:04,000  
yeah yeah well you know you you're just

1427  
00:56:07,030 --> 00:56:04,960  
you're just like i

1428  
00:56:08,069 --> 00:56:07,040  
i am you know i when people take the

1429  
00:56:11,510 --> 00:56:08,079  
time

1430  
00:56:14,549 --> 00:56:11,520  
to make a report and

1431  
00:56:15,670 --> 00:56:14,559  
you know it may sound a bit out there

1432  
00:56:17,589 --> 00:56:15,680  
sometimes

1433  
00:56:19,109 --> 00:56:17,599  
but the fact that they make the report

1434  
00:56:21,670 --> 00:56:19,119  
you know it

1435  
00:56:23,589 --> 00:56:21,680  
tends to make me give them the benefit

1436  
00:56:25,750 --> 00:56:23,599  
of doubt at least the first but you know

1437  
00:56:28,870 --> 00:56:25,760  
until i check into it further

1438  
00:56:29,750 --> 00:56:28,880

but uh you know yeah that's the way you

1439

00:56:32,150 --> 00:56:29,760

got to be when

1440

00:56:33,030 --> 00:56:32,160

you know you get this stuff now you know

1441

00:56:36,309 --> 00:56:33,040

i know you've

1442

00:56:39,510 --> 00:56:36,319

i've noticed and i mentioned this to you

1443

00:56:42,309 --> 00:56:39,520

many times before but uh you seem to

1444

00:56:45,510 --> 00:56:42,319

have some very good connections

1445

00:56:46,470 --> 00:56:45,520

in uh in russia and i i believe you had

1446

00:56:48,789 --> 00:56:46,480

some connections

1447

00:56:50,870 --> 00:56:48,799

when it was when there was soviet russia

1448

00:56:54,230 --> 00:56:50,880

as well

1449

00:56:58,069 --> 00:56:54,240

i i had a connection uh

1450

00:57:03,349 --> 00:56:58,079

a researcher a couple from the ukraine

1451

00:57:09,750 --> 00:57:06,870

four years ago he sent me this is

1452

00:57:12,150 --> 00:57:09,760

he will help translate a lot of the

1453

00:57:14,309 --> 00:57:12,160

cases he will send them to me

1454

00:57:15,430 --> 00:57:14,319

and i will what i will do i will send

1455

00:57:18,470 --> 00:57:15,440

books to him

1456

00:57:20,069 --> 00:57:18,480

that he that he wanted i'll buy him a

1457

00:57:22,549 --> 00:57:20,079

couple books and he'd send me a whole

1458

00:57:24,549 --> 00:57:22,559

you know bunch of cases and like that i

1459

00:57:28,069 --> 00:57:24,559

i received the hundreds of

1460

00:57:32,069 --> 00:57:28,079

cases from in the former soviet union

1461

00:57:34,710 --> 00:57:32,079

russia was hardly known here in the west

1462

00:57:35,190 --> 00:57:34,720

uh a lot of them from like incredible

1463

00:57:37,829 --> 00:57:35,200

year

1464

00:57:39,109 --> 00:57:37,839

in russia and eastern europe from 89 to

1465

00:57:41,109 --> 00:57:39,119

91.

1466

00:57:42,789 --> 00:57:41,119

there were like hundreds of landings and

1467

00:57:43,829 --> 00:57:42,799

contacts it was just incredible what

1468

00:57:46,390 --> 00:57:43,839

happened there

1469

00:57:47,910 --> 00:57:46,400

and it it's funny because that article

1470

00:57:50,309 --> 00:57:47,920

that i wrote about

1471

00:57:51,030 --> 00:57:50,319

the humanoids and the fall the iron

1472

00:57:53,750 --> 00:57:51,040

curtain

1473

00:57:54,710 --> 00:57:53,760

right maybe they're relating because

1474

00:57:56,950 --> 00:57:54,720

that's when the whole

1475

00:57:58,710 --> 00:57:56,960

soviet union just fell apart and at the

1476

00:58:02,390 --> 00:57:58,720

same time where they had this

1477

00:58:05,349 --> 00:58:02,400

tremendous wave of encounters one after

1478

00:58:08,870 --> 00:58:05,359

the other starting in 1989

1479

00:58:12,069 --> 00:58:08,880

that lasted almost through 1997

1480

00:58:13,349 --> 00:58:12,079

slowed down i noticed that myself it did

1481

00:58:16,870 --> 00:58:13,359

seem that

1482

00:58:17,829 --> 00:58:16,880

when uh when the the wall started coming

1483

00:58:19,589 --> 00:58:17,839

down

1484

00:58:20,950 --> 00:58:19,599

and a lot of these sightings started

1485

00:58:24,069 --> 00:58:20,960

coming you know

1486

00:58:26,870 --> 00:58:24,079

coming forward uh

1487

00:58:27,670 --> 00:58:26,880

not only is a certain union like that

1488

00:58:30,150 --> 00:58:27,680

yeah different

1489

00:58:30,950 --> 00:58:30,160

in bulgaria hungary all the different in

1490

00:58:33,589 --> 00:58:30,960

the eastern

1491

00:58:34,789 --> 00:58:33,599

european countries yeah yeah that was

1492

00:58:37,349 --> 00:58:34,799

that's true i mean

1493

00:58:39,750 --> 00:58:37,359

you you're correct there has it seemed

1494

00:58:40,950 --> 00:58:39,760

to be some type of connection there

1495

00:58:42,950 --> 00:58:40,960

you know i don't know if it's actual

1496

00:58:46,470 --> 00:58:42,960

connection with you know

1497

00:58:49,430 --> 00:58:46,480

uh the fall of the soviet union and

1498

00:58:50,150 --> 00:58:49,440

you know the iron curtain but then again

1499

00:58:53,190 --> 00:58:50,160

who knows

1500

00:58:55,270 --> 00:58:53,200

i mean you know it just was not

1501  
00:58:57,510 --> 00:58:55,280  
too too coincidental happened at the

1502  
00:58:59,510 --> 00:58:57,520  
same time and

1503  
00:59:01,030 --> 00:58:59,520  
maybe maybe it was you have to do it

1504  
00:59:04,150 --> 00:59:01,040  
with the change i don't know

1505  
00:59:05,190 --> 00:59:04,160  
people became more open than they i

1506  
00:59:08,630 --> 00:59:05,200  
don't know

1507  
00:59:12,069 --> 00:59:08,640  
it's very possible yeah it is

1508  
00:59:14,150 --> 00:59:12,079  
um definitely so

1509  
00:59:16,950 --> 00:59:14,160  
well we're getting we're getting there

1510  
00:59:18,470 --> 00:59:16,960  
to 11 o'clock here albert you know

1511  
00:59:20,230 --> 00:59:18,480  
i want to thank you for coming on with

1512  
00:59:22,630 --> 00:59:20,240  
us uh i hadn't talked to you

1513  
00:59:24,309 --> 00:59:22,640

oh my been a long time i think it's been

1514

00:59:28,069 --> 00:59:24,319

about four or five years

1515

00:59:30,470 --> 00:59:28,079

we had you on bte and uh

1516

00:59:32,230 --> 00:59:30,480

we got to do this more often you know i

1517

00:59:35,670 --> 00:59:32,240

like to do it a little earlier but

1518

00:59:37,829 --> 00:59:35,680

it's okay you know yeah and over the

1519

00:59:41,270 --> 00:59:37,839

years i mean i really appreciate

1520

00:59:44,309 --> 00:59:41,280

the contribution you make the blog uh

1521

00:59:48,309 --> 00:59:44,319

i've gotten so many uh so many

1522

00:59:50,870 --> 00:59:48,319

requests for some of your material and

1523

00:59:52,069 --> 00:59:50,880

you know when you put out an article and

1524

00:59:53,270 --> 00:59:52,079

send it out to me

1525

00:59:55,030 --> 00:59:53,280

there are a lot of people very

1526  
00:59:56,470 --> 00:59:55,040  
interested in that material because it's

1527  
00:59:59,270 --> 00:59:56,480  
something that's

1528  
01:00:00,870 --> 00:59:59,280  
you don't see a whole lot and uh you

1529  
01:00:03,030 --> 01:00:00,880  
know and especially

1530  
01:00:04,549 --> 01:00:03,040  
it's not all centered around just the

1531  
01:00:08,150 --> 01:00:04,559  
united states it's

1532  
01:00:10,150 --> 01:00:08,160  
worldwide yeah yeah so that's what

1533  
01:00:11,910 --> 01:00:10,160  
people like to see

1534  
01:00:14,630 --> 01:00:11,920  
so uh yeah we'll have to have you come

1535  
01:00:16,630 --> 01:00:14,640  
back on really because uh

1536  
01:00:18,309 --> 01:00:16,640  
some of this stuff is really interesting

1537  
01:00:19,750 --> 01:00:18,319  
and uh

1538  
01:00:22,150 --> 01:00:19,760

you know it just seems like stuff's

1539

01:00:25,990 --> 01:00:22,160

popping up all the time so

1540

01:00:29,190 --> 01:00:27,670

yeah i like to make comparisons with

1541

01:00:31,349 --> 01:00:29,200

cases you know

1542

01:00:32,870 --> 01:00:31,359

worldwide cases that are very similar to

1543

01:00:33,910 --> 01:00:32,880

each other and i say well you know this

1544

01:00:36,950 --> 01:00:33,920

is a case that

1545

01:00:39,030 --> 01:00:36,960

occurred in the ukraine and it occurred

1546

01:00:40,069 --> 01:00:39,040

in south miami florida and then they're

1547

01:00:42,789 --> 01:00:40,079

almost the same

1548

01:00:43,829 --> 01:00:42,799

you know how could i be the same type of

1549

01:00:45,670 --> 01:00:43,839

details and

1550

01:00:47,990 --> 01:00:45,680

it's just you know there's there's a lot

1551  
01:00:48,230 --> 01:00:48,000  
of comparison a lot of correlation that

1552  
01:00:52,470 --> 01:00:48,240  
i

1553  
01:00:54,549 --> 01:00:52,480  
these cases

1554  
01:00:55,990 --> 01:00:54,559  
well i i appreciate it i'm quite sure

1555  
01:00:58,069 --> 01:00:56,000  
that a lot of researchers out there

1556  
01:01:00,950 --> 01:00:58,079  
appreciate your your time and effort you

1557  
01:01:03,829 --> 01:01:00,960  
put into the archive and uh

1558  
01:01:06,390 --> 01:01:03,839  
you know we look we look forward to

1559  
01:01:08,829 --> 01:01:06,400  
reading more and uh

1560  
01:01:10,390 --> 01:01:08,839  
we want to thank again for being on with

1561  
01:01:11,910 --> 01:01:10,400  
us i will

1562  
01:01:14,069 --> 01:01:11,920  
and i'll be looking forward to doing

1563  
01:01:16,150 --> 01:01:14,079

again i know that uh

1564

01:01:17,910 --> 01:01:16,160

i if i didn't have to get up for very

1565

01:01:18,789 --> 01:01:17,920

early tomorrow morning i will stay on

1566

01:01:26,120 --> 01:01:18,799

longer but i

1567

01:01:26,130 --> 01:01:33,910

[Laughter]

1568

01:01:37,670 --> 01:01:35,510

well i guess i'm getting people uh

1569

01:01:40,789 --> 01:01:37,680

sending me messages here now think that

1570

01:01:42,470 --> 01:01:40,799

they enjoyed it very good very good

1571

01:01:44,789 --> 01:01:42,480

we thank you for joining us tonight

1572

01:01:47,109 --> 01:01:44,799

albert thank you very much

1573

01:01:48,789 --> 01:01:47,119

uh you guys take care now we'll uh

1574

01:01:51,670 --> 01:01:48,799

hopefully talk soon again and

1575

01:01:52,390 --> 01:01:51,680

and lana i'll send you some cases soon

1576

01:01:57,990 --> 01:01:52,400

okay

1577

01:02:03,109 --> 01:02:01,510

take care albert rosales our guest

1578

01:02:03,910 --> 01:02:03,119

tonight in the first hour what a good

1579

01:02:06,950 --> 01:02:03,920

interview lon

1580

01:02:07,910 --> 01:02:06,960

you guys uh really talked it up there a

1581

01:02:09,109 --> 01:02:07,920

lot of

1582

01:02:11,270 --> 01:02:09,119

great information that's going to be

1583

01:02:12,150 --> 01:02:11,280

coming around and and that we're able to

1584

01:02:14,549 --> 01:02:12,160

share

1585

01:02:16,069 --> 01:02:14,559

uh with the listeners and more evidence

1586

01:02:17,430 --> 01:02:16,079

that's going to get more evidence and

1587

01:02:19,270 --> 01:02:17,440

reports it's going to get posted out to

1588

01:02:21,190 --> 01:02:19,280

the blog yeah

1589

01:02:22,390 --> 01:02:21,200

albert and i have a history i mean we

1590

01:02:24,390 --> 01:02:22,400

you know i've

1591

01:02:26,309 --> 01:02:24,400

i've been using this stuff for years and

1592

01:02:28,309 --> 01:02:26,319

years and uh

1593

01:02:31,109 --> 01:02:28,319

you know it's really cool when i could

1594

01:02:31,990 --> 01:02:31,119

get you know i'd have a new report come

1595

01:02:34,950 --> 01:02:32,000

out

1596

01:02:37,190 --> 01:02:34,960

and i could go digging around in his

1597

01:02:39,190 --> 01:02:37,200

archive and find something similar or

1598

01:02:41,670 --> 01:02:39,200

something to correlate with it

1599

01:02:43,589 --> 01:02:41,680

and uh it's it's been great and you know

1600

01:02:46,390 --> 01:02:43,599

the last couple years he's been

1601  
01:02:47,109 --> 01:02:46,400  
some writing some excellent articles

1602  
01:02:50,549 --> 01:02:47,119  
that i've been

1603  
01:02:52,630 --> 01:02:50,559  
able to uh post on the blog and it it's

1604  
01:02:54,870 --> 01:02:52,640  
got some very favorable

1605  
01:02:56,470 --> 01:02:54,880  
reaction we know as you and i were

1606  
01:02:57,990 --> 01:02:56,480  
talking about before we came back on to

1607  
01:02:59,750 --> 01:02:58,000  
the air here tonight

1608  
01:03:01,910 --> 01:02:59,760  
about you know trying to diversify the

1609  
01:03:03,430 --> 01:03:01,920  
program a little bit and and getting on

1610  
01:03:04,549 --> 01:03:03,440  
some guests that we haven't had on in

1611  
01:03:07,270 --> 01:03:04,559  
the past and

1612  
01:03:08,069 --> 01:03:07,280  
tackling topics that we haven't uh

1613  
01:03:11,270 --> 01:03:08,079

tackled

1614

01:03:13,109 --> 01:03:11,280

either in a while or at all uh you know

1615

01:03:15,190 --> 01:03:13,119

maybe there's a chance to bring robert

1616

01:03:16,950 --> 01:03:15,200

uh yeah robert albert back

1617

01:03:18,230 --> 01:03:16,960

sorry we're all a little tired folks

1618

01:03:20,150 --> 01:03:18,240

albert back on a

1619

01:03:21,510 --> 01:03:20,160

semi reoccurring basis like we used to

1620

01:03:24,470 --> 01:03:21,520

do with you back in the day

1621

01:03:26,789 --> 01:03:24,480

and uh yeah make it like a regular

1622

01:03:28,549 --> 01:03:26,799

feature here on arcane radio

1623

01:03:29,990 --> 01:03:28,559

well we do have a commercial to play

1624

01:03:31,750 --> 01:03:30,000

here quick i've been promising that i'd

1625

01:03:33,510 --> 01:03:31,760

play this every week as long as we have

1626

01:03:34,309 --> 01:03:33,520

a program online so let's just take a

1627

01:03:36,549 --> 01:03:34,319

minute

1628

01:03:38,150 --> 01:03:36,559

grab a drink or whatnot and uh folks

1629

01:03:40,390 --> 01:03:38,160

just listen to the

1630

01:03:42,829 --> 01:03:40,400

promotion here for the uh hill view

1631

01:03:44,630 --> 01:03:42,839

manor of the hill con promo in

1632

01:03:47,029 --> 01:03:44,640

pennsylvania

1633

01:03:49,190 --> 01:03:47,039

and we're back folks uh arcane radio

1634

01:03:50,950 --> 01:03:49,200

sean forker launch strickler

1635

01:03:53,190 --> 01:03:50,960

going to be talking here just the two of

1636

01:03:55,829 --> 01:03:53,200

us for the next uh

1637

01:03:57,670 --> 01:03:55,839

20 30 minutes uh about things that have

1638

01:03:59,270 --> 01:03:57,680

happened been a busy week for me

1639

01:04:00,950 --> 01:03:59,280

haven't had a chance to really peruse

1640

01:04:03,750 --> 01:04:00,960

phantoms and monsters lawn or do

1641

01:04:05,430 --> 01:04:03,760

pretty much anything else uh you know

1642

01:04:07,430 --> 01:04:05,440

how that goes we get

1643

01:04:08,870 --> 01:04:07,440

caught up in the everyday lives i know

1644

01:04:11,190 --> 01:04:08,880

you've been busy

1645

01:04:11,990 --> 01:04:11,200

uh so it's really nice to get albert on

1646

01:04:13,430 --> 01:04:12,000

the show though

1647

01:04:15,589 --> 01:04:13,440

we've been talking to albert we were

1648

01:04:18,789 --> 01:04:15,599

going to have him on a couple months ago

1649

01:04:20,710 --> 01:04:18,799

and then uh he had some family uh issues

1650

01:04:22,470 --> 01:04:20,720

that popped up and uh we just weren't

1651

01:04:25,670 --> 01:04:22,480

able to get him back on

1652

01:04:27,430 --> 01:04:25,680

uh yeah yeah and enforce them we had

1653

01:04:29,910 --> 01:04:27,440

some issues too with you know with

1654

01:04:31,510 --> 01:04:29,920

the show and uh we had to cut out for

1655

01:04:33,510 --> 01:04:31,520

about a month or so so

1656

01:04:36,870 --> 01:04:33,520

yeah i was glad to get him on here uh it

1657

01:04:40,630 --> 01:04:36,880

was really good really good i uh

1658

01:04:42,069 --> 01:04:40,640

i i i can imagine some of the stuff he

1659

01:04:44,470 --> 01:04:42,079

gets i i really can

1660

01:04:47,270 --> 01:04:44,480

uh but he's very thorough you know it's

1661

01:04:50,710 --> 01:04:47,280

funny because when i get a i get a case

1662

01:04:53,029 --> 01:04:50,720

that classifies a humanoid case

1663

01:04:55,109 --> 01:04:53,039

if i don't have certain information in

1664

01:04:56,150 --> 01:04:55,119

there he's asking me about it he wants

1665

01:04:58,470 --> 01:04:56,160

to know

1666

01:04:59,990 --> 01:04:58,480

uh he wants to get it right and i i

1667

01:05:03,549 --> 01:05:00,000

applaud him for that that's

1668

01:05:06,069 --> 01:05:03,559

you know so um

1669

01:05:08,710 --> 01:05:06,079

ufoinfo.com is where you can go to read

1670

01:05:11,750 --> 01:05:08,720

his uh report at the wonderful website

1671

01:05:13,190 --> 01:05:11,760

flash humanoids yeah i mean and

1672

01:05:14,309 --> 01:05:13,200

you know going through the website i

1673

01:05:15,750 --> 01:05:14,319

mean he's just not talking about

1674

01:05:16,950 --> 01:05:15,760

extraterrestrials alone he's talking

1675

01:05:19,510 --> 01:05:16,960

about uh

1676  
01:05:22,630 --> 01:05:19,520  
cryptids bigfoot dogmen anything that

1677  
01:05:25,589 --> 01:05:22,640  
fits into the humanoid category uh

1678  
01:05:27,029 --> 01:05:25,599  
leprechauns fairies i mean he's really

1679  
01:05:29,589 --> 01:05:27,039  
investigating

1680  
01:05:30,470 --> 01:05:29,599  
any claims that come his way that really

1681  
01:05:34,150 --> 01:05:30,480  
involves

1682  
01:05:36,630 --> 01:05:34,160  
humanoid type entities

1683  
01:05:37,750 --> 01:05:36,640  
well eighteen thousand entries that's a

1684  
01:05:41,510 --> 01:05:37,760  
lot of dedication

1685  
01:05:42,390 --> 01:05:41,520  
that really is uh i had no idea he had

1686  
01:05:44,069 --> 01:05:42,400  
that many

1687  
01:05:45,750 --> 01:05:44,079  
when he said oh sorry about that when he

1688  
01:05:49,109 --> 01:05:45,760

said that number eighteen

1689

01:05:50,789 --> 01:05:49,119

thousand i was just blown away like wow

1690

01:05:52,230 --> 01:05:50,799

eighteen thousand cases that he's

1691

01:05:54,390 --> 01:05:52,240

catalogued now not

1692

01:05:56,390 --> 01:05:54,400

necessarily researched but he's

1693

01:05:59,190 --> 01:05:56,400

catalogued these and he goes back

1694

01:06:00,309 --> 01:05:59,200

let's just pull it up here in the actual

1695

01:06:02,470 --> 01:06:00,319

uh

1696

01:06:05,670 --> 01:06:02,480

well he goes back into this actually

1697

01:06:09,430 --> 01:06:05,680

goes back into the 19th century in some

1698

01:06:12,470 --> 01:06:09,440

some really odd cases you know

1699

01:06:15,990 --> 01:06:12,480

well right now he starts at 4

1700

01:06:19,270 --> 01:06:16,000

000 uh 780 bc

1701

01:06:23,430 --> 01:06:19,280  
to 1869 1869.80

1702

01:06:26,069 --> 01:06:23,440  
then uh up to more currently 1870

1703

01:06:28,029 --> 01:06:26,079  
all the way up until 2014 and he said

1704

01:06:30,710 --> 01:06:28,039  
he's just now compiling

1705

01:06:31,750 --> 01:06:30,720  
2015's because when he was doing 2014 he

1706

01:06:33,190 --> 01:06:31,760  
said you know i think that's going to be

1707

01:06:35,349 --> 01:06:33,200  
the last year

1708

01:06:36,870 --> 01:06:35,359  
uh i do collecting and apparently he

1709

01:06:37,750 --> 01:06:36,880  
decided that he couldn't he had to go a

1710

01:06:40,870 --> 01:06:37,760  
little further

1711

01:06:41,349 --> 01:06:40,880  
so 2015 that's a lot of data you're

1712

01:06:43,029 --> 01:06:41,359  
looking at

1713

01:06:45,029 --> 01:06:43,039

you know what i've heard alberts i heard

1714

01:06:49,349 --> 01:06:45,039

albert say that back in

1715

01:06:51,910 --> 01:06:49,359

2011 2012 i got to stop it

1716

01:06:53,589 --> 01:06:51,920

i remember a guy that said that about i

1717

01:06:54,710 --> 01:06:53,599

remember a guy that said that about uh

1718

01:06:56,230 --> 01:06:54,720

updating content

1719

01:06:58,470 --> 01:06:56,240

on a regular basis so i'm going to take

1720

01:07:00,390 --> 01:06:58,480

a break for a little while and

1721

01:07:02,309 --> 01:07:00,400

it still it still keeps coming something

1722

01:07:04,309 --> 01:07:02,319

about it once it bites you

1723

01:07:05,910 --> 01:07:04,319

you just can't you can't get enough of

1724

01:07:07,589 --> 01:07:05,920

it and well i'll tell you

1725

01:07:09,910 --> 01:07:07,599

you know just like the blog you know

1726

01:07:10,549 --> 01:07:09,920

i've there have been times where i

1727

01:07:12,950 --> 01:07:10,559

thought oh

1728

01:07:14,309 --> 01:07:12,960

god i got to stop this this is this

1729

01:07:17,510 --> 01:07:14,319

obsession is crazy

1730

01:07:20,549 --> 01:07:17,520

you know but i just keep going back to

1731

01:07:22,630 --> 01:07:20,559

it and it's um

1732

01:07:24,150 --> 01:07:22,640

you know it's something just gets in

1733

01:07:25,670 --> 01:07:24,160

your blood man

1734

01:07:27,109 --> 01:07:25,680

you know what i've been experiencing

1735

01:07:28,069 --> 01:07:27,119

lately and i'll share it with everybody

1736

01:07:31,589 --> 01:07:28,079

and i'll share it with you

1737

01:07:33,109 --> 01:07:31,599

is almost a paranormal burnout

1738

01:07:34,630 --> 01:07:33,119

we talk about it so much you know you

1739

01:07:36,150 --> 01:07:34,640

and i folks don't realize that just

1740

01:07:39,190 --> 01:07:36,160

because we have a show once a week

1741

01:07:40,230 --> 01:07:39,200

you and i talk daily uh about all this

1742

01:07:42,710 --> 01:07:40,240

stuff i don't think there's a day goes

1743

01:07:44,710 --> 01:07:42,720

by where we don't have a conversation

1744

01:07:46,710 --> 01:07:44,720

about something going on but it's not

1745

01:07:49,589 --> 01:07:46,720

just that lon it's on tv

1746

01:07:50,710 --> 01:07:49,599

it's there's like 9 000 shows most of

1747

01:07:52,870 --> 01:07:50,720

them crappy

1748

01:07:54,630 --> 01:07:52,880

on on the paranormal and it's just so

1749

01:07:56,789 --> 01:07:54,640

much it's overwhelming

1750

01:07:58,470 --> 01:07:56,799

to really just sit there and enjoy it

1751

01:08:00,069 --> 01:07:58,480

and i was talking to shannon today

1752

01:08:00,950 --> 01:08:00,079

shannon leaquer who was our guest last

1753

01:08:03,430 --> 01:08:00,960

week

1754

01:08:05,190 --> 01:08:03,440

love shannon great friend uh about

1755

01:08:05,670 --> 01:08:05,200

getting out there and just experiencing

1756

01:08:10,309 --> 01:08:05,680

and

1757

01:08:12,309 --> 01:08:10,319

honest to god uh

1758

01:08:14,150 --> 01:08:12,319

fresh research not even looking at old

1759

01:08:16,870 --> 01:08:14,160

stuff just new stuff

1760

01:08:17,829 --> 01:08:16,880

and kind of uh reinvigorating myself a

1761

01:08:19,990 --> 01:08:17,839

little bit there's been an

1762

01:08:21,189 --> 01:08:20,000

awful lot i guess i'm just kind of

1763

01:08:22,309 --> 01:08:21,199

drained on with

1764

01:08:23,910 --> 01:08:22,319

what's out there that's why you know

1765

01:08:25,110 --> 01:08:23,920

these humanoid sightings are exciting

1766

01:08:26,550 --> 01:08:25,120

these dog men

1767

01:08:28,070 --> 01:08:26,560

even though you and i have just really

1768

01:08:30,149 --> 01:08:28,080

started talking about them they've

1769

01:08:31,510 --> 01:08:30,159

popped up more recently

1770

01:08:33,510 --> 01:08:31,520

lots of new things out there to

1771

01:08:36,390 --> 01:08:33,520

investigate besides just bigfoot

1772

01:08:38,149 --> 01:08:36,400

and ghosts and i really want to get uh

1773

01:08:41,189 --> 01:08:38,159

pardon the expression balls deep

1774

01:08:43,910 --> 01:08:41,199

into these uh phenomena

1775

01:08:45,590 --> 01:08:43,920

well you know yeah i mean and that's one

1776

01:08:46,789 --> 01:08:45,600

thing we're gonna want to strive to do

1777

01:08:48,630 --> 01:08:46,799

is put some different stuff

1778

01:08:50,709 --> 01:08:48,640

out there for people and in fact you

1779

01:08:51,349 --> 01:08:50,719

know we've got ken guard camera coming

1780

01:08:54,229 --> 01:08:51,359

on a couple

1781

01:08:56,550 --> 01:08:54,239

weeks and he just started his new show

1782

01:08:57,749 --> 01:08:56,560

which is missing in alaska where he

1783

01:08:59,910 --> 01:08:57,759

he and two other gentlemen are

1784

01:09:03,990 --> 01:08:59,920

investigating uh

1785

01:09:07,030 --> 01:09:04,000

missing aircraft and odd

1786

01:09:09,990 --> 01:09:07,040

anomalies in in some parts of the alaska

1787

01:09:11,430 --> 01:09:10,000

wilderness and uh we're never gonna talk

1788

01:09:12,870 --> 01:09:11,440

to him about that

1789

01:09:14,950 --> 01:09:12,880

uh and it's something a little different

1790

01:09:16,630 --> 01:09:14,960

for him and

1791

01:09:19,349 --> 01:09:16,640

but of course you know you know he's

1792

01:09:21,430 --> 01:09:19,359

been really big on the crypto stuff

1793

01:09:23,110 --> 01:09:21,440

uh he's been a paranormal investigator

1794

01:09:24,470 --> 01:09:23,120

for a long time so that that'll be

1795

01:09:27,030 --> 01:09:24,480

really interesting

1796

01:09:28,550 --> 01:09:27,040

you know just on the topic of missing uh

1797

01:09:31,669 --> 01:09:28,560

david pilates

1798

01:09:35,269 --> 01:09:31,679

uh kickstarting the missing 4-1-1

1799

01:09:35,910 --> 01:09:35,279

the movie uh which uh anybody listening

1800

01:09:37,269 --> 01:09:35,920

would like to

1801

01:09:39,070 --> 01:09:37,279

support that can just go to

1802

01:09:40,550 --> 01:09:39,080

kickstarter.com and just type in

1803

01:09:41,749 --> 01:09:40,560

missing411

1804

01:09:43,749 --> 01:09:41,759

they'll take you right to that page

1805

01:09:45,030 --> 01:09:43,759

where you can contribute and be part of

1806

01:09:48,070 --> 01:09:45,040

making that project

1807

01:09:49,430 --> 01:09:48,080

a reality uh i i think i'm going to be

1808

01:09:51,030 --> 01:09:49,440

part of that i'll just talk to my wife

1809

01:09:52,229 --> 01:09:51,040

there's a couple projects on kickstarter

1810

01:09:54,550 --> 01:09:52,239

that i'd like to

1811

01:09:55,830 --> 01:09:54,560

like to to crowdsource and be a part of

1812

01:09:57,430 --> 01:09:55,840

because i think once you have an

1813

01:09:59,189 --> 01:09:57,440

investment into these

1814

01:10:00,790 --> 01:09:59,199

you know you really have some buy-in

1815

01:10:02,550 --> 01:10:00,800

into really wanting it to be the best

1816

01:10:03,750 --> 01:10:02,560

product you possibly can but you know

1817

01:10:06,470 --> 01:10:03,760

just getting more information

1818

01:10:07,910 --> 01:10:06,480

this phenomena out there the missing 411

1819

01:10:08,870 --> 01:10:07,920

stories you know these books are

1820

01:10:10,950 --> 01:10:08,880

phenomenal

1821

01:10:12,870 --> 01:10:10,960

and one thing i didn't get to talk to uh

1822

01:10:15,510 --> 01:10:12,880

albert tonight

1823

01:10:15,990 --> 01:10:15,520

uh and it was brought up and i think uh

1824

01:10:19,510 --> 01:10:16,000

it was

1825

01:10:21,590 --> 01:10:19,520

i can't go back into the chat uh

1826

01:10:23,350 --> 01:10:21,600

by brian hastings who's in our chat room

1827

01:10:26,229 --> 01:10:23,360

the question was brought up

1828

01:10:26,550 --> 01:10:26,239

are there any new like emerging patterns

1829

01:10:30,070 --> 01:10:26,560

on

1830

01:10:32,470 --> 01:10:30,080

any new types of uh entities or

1831

01:10:34,229 --> 01:10:32,480

humanoids we've not really become

1832

01:10:36,070 --> 01:10:34,239

experienced with yet

1833

01:10:38,310 --> 01:10:36,080

like is he seeing anything in these in

1834

01:10:41,590 --> 01:10:38,320

this database and his trends to see

1835

01:10:43,270 --> 01:10:41,600

is there now something new uh

1836

01:10:44,630 --> 01:10:43,280

out there and maybe i i read the

1837

01:10:46,390 --> 01:10:44,640

question wrong but it just

1838

01:10:47,750 --> 01:10:46,400

is really interesting to me is there

1839

01:10:49,990 --> 01:10:47,760

something new out there

1840

01:10:52,550 --> 01:10:50,000

that we haven't really been

1841

01:10:55,189 --> 01:10:52,560

investigating yet

1842

01:10:57,750 --> 01:10:55,199

well i i believe when it gets comes to

1843

01:10:59,990 --> 01:10:57,760

the paranormal supernatural

1844

01:11:01,830 --> 01:11:00,000

i i'm just not really surprised at much

1845

01:11:03,990 --> 01:11:01,840

of anything anymore and if it was

1846

01:11:06,390 --> 01:11:04,000

something new it's something new

1847

01:11:07,510 --> 01:11:06,400

uh i'm quite sure we're going to be

1848

01:11:11,030 --> 01:11:07,520

having new things

1849

01:11:12,870 --> 01:11:11,040

come up uh you know i get so many

1850

01:11:14,630 --> 01:11:12,880

reports it's it's hard to really

1851

01:11:17,590 --> 01:11:14,640

classify

1852

01:11:19,830 --> 01:11:17,600

uh sightings that are new types of

1853

01:11:22,950 --> 01:11:19,840

entities anomalies or

1854

01:11:23,750 --> 01:11:22,960

cryptids or whatever uh they're all

1855

01:11:26,070 --> 01:11:23,760

different

1856

01:11:28,550 --> 01:11:26,080

in my book uh they're you know they all

1857

01:11:31,910 --> 01:11:28,560

have their differences somehow

1858

01:11:33,430 --> 01:11:31,920

so um you know that's just that's just

1859

01:11:35,270 --> 01:11:33,440

the nature of the beast you know that's

1860

01:11:36,390 --> 01:11:35,280

that's why we do what we do to find out

1861

01:11:40,790 --> 01:11:36,400

differences

1862

01:11:43,110 --> 01:11:40,800

or you know what these things are and uh

1863

01:11:44,790 --> 01:11:43,120

oh and by the way you know i got a i got

1864

01:11:47,990 --> 01:11:44,800

a pretty interesting report

1865

01:11:49,830 --> 01:11:48,000

this week this past week about something

1866

01:11:51,510 --> 01:11:49,840

that was seen around the cherry hill new

1867

01:11:54,790 --> 01:11:51,520

jersey area

1868

01:11:58,390 --> 01:11:54,800

uh flying humanoid oh wow yeah

1869

01:12:00,950 --> 01:11:58,400

and uh you know

1870

01:12:02,070 --> 01:12:00,960

the the witness said she had come across

1871

01:12:03,430 --> 01:12:02,080

my sight

1872

01:12:05,669 --> 01:12:03,440

looking for answers for what her

1873

01:12:08,550 --> 01:12:05,679

daughter and her had seen

1874

01:12:11,270 --> 01:12:08,560

in the sky and you know and there were

1875

01:12:13,189 --> 01:12:11,280

similar stories about that so

1876

01:12:15,350 --> 01:12:13,199

she said i'm from cherry hill new jersey

1877

01:12:16,229 --> 01:12:15,360

and approximately two years ago to this

1878

01:12:18,390 --> 01:12:16,239

day

1879

01:12:20,630 --> 01:12:18,400

my daughter and i were riding our bikes

1880

01:12:21,590 --> 01:12:20,640

it was bright that night due to a full

1881

01:12:24,630 --> 01:12:21,600

moon

1882

01:12:26,870 --> 01:12:24,640

not many clouds in the sky but a few

1883

01:12:28,550 --> 01:12:26,880

that would once in a while make the the

1884

01:12:30,390 --> 01:12:28,560

night darker

1885

01:12:31,590 --> 01:12:30,400

uh she said we stopped by a friend's

1886

01:12:35,110 --> 01:12:31,600

house

1887

01:12:37,750 --> 01:12:35,120

her two daughters came out and

1888

01:12:39,669 --> 01:12:37,760

we were all just talking i happened to

1889

01:12:40,390 --> 01:12:39,679

look on the sky and there's this flying

1890

01:12:43,110 --> 01:12:40,400

a long

1891

01:12:44,950 --> 01:12:43,120

human-shaped thing with a wingspan of

1892

01:12:47,669 --> 01:12:44,960

approximately seven to eight foot

1893

01:12:49,350 --> 01:12:47,679

jesus uh it reminded me of the jeepers

1894

01:12:52,870 --> 01:12:49,360

creepers

1895

01:12:54,390 --> 01:12:52,880

the movie creature yeah my my mouth just

1896

01:12:56,790 --> 01:12:54,400

kind of opened

1897

01:12:57,910 --> 01:12:56,800

and i was speechless and pointing as it

1898

01:12:59,990 --> 01:12:57,920

went

1899

01:13:02,229 --> 01:13:00,000

behind the cloud near the moon i told

1900

01:13:02,709 --> 01:13:02,239

them well i had just witnessed everyone

1901

01:13:05,910 --> 01:13:02,719

kind of

1902

01:13:07,590 --> 01:13:05,920

guilt and i told them you know it did

1903

01:13:10,470 --> 01:13:07,600

not come out from the cloud yet

1904

01:13:12,550 --> 01:13:10,480

you know to keep looking well to our

1905

01:13:14,790 --> 01:13:12,560

eyes it appeared again and my daughter

1906

01:13:18,070 --> 01:13:14,800

just stood there watching it repeating

1907

01:13:20,550 --> 01:13:18,080

herself mom what is that mom what is i i

1908

01:13:21,669 --> 01:13:20,560

know she had the same heart of swell

1909

01:13:24,070 --> 01:13:21,679

feeling i did

1910

01:13:25,669 --> 01:13:24,080

while my friends two girls ran into the

1911

01:13:28,470 --> 01:13:25,679

house screaming

1912

01:13:30,149 --> 01:13:28,480

uh we watched it flap and soared near

1913

01:13:31,350 --> 01:13:30,159

the moon until it disappeared in the

1914

01:13:34,070 --> 01:13:31,360

clouds again

1915

01:13:36,310 --> 01:13:34,080

and never came back out now he said i i

1916

01:13:38,310 --> 01:13:36,320

know what i had seen that night

1917

01:13:40,390 --> 01:13:38,320

but wouldn't know what to call it except

1918

01:13:44,550 --> 01:13:40,400

the flying human-like creature

1919

01:13:47,590 --> 01:13:44,560

an experience i would never take back

1920

01:13:49,189 --> 01:13:47,600

and when i hear others i i really want

1921

01:13:50,470 --> 01:13:49,199

to believe that they've seen the same

1922

01:13:52,790 --> 01:13:50,480

thing i had

1923

01:13:54,790 --> 01:13:52,800

my daughter to this day who's now 14

1924

01:13:57,510 --> 01:13:54,800

feels there's so much out there

1925

01:13:59,030 --> 01:13:57,520

that we really don't know much about uh

1926

01:14:01,430 --> 01:13:59,040

is this a myth or what's

1927

01:14:02,709 --> 01:14:01,440

you know was it real and you know she

1928

01:14:05,590 --> 01:14:02,719

mentioned about her daughter's

1929

01:14:08,310 --> 01:14:05,600

down interested in uh jersey devil

1930

01:14:10,630 --> 01:14:08,320

mothman slenderman and all that stuff

1931

01:14:12,550 --> 01:14:10,640

and it's kind of funny because the

1932

01:14:13,110 --> 01:14:12,560

jeepers creepers reference has come up

1933

01:14:16,229 --> 01:14:13,120

before

1934

01:14:18,470 --> 01:14:16,239

you know we about four years ago jc had

1935

01:14:20,950 --> 01:14:18,480

an investigation of this

1936

01:14:22,470 --> 01:14:20,960

this being that they referred to as the

1937

01:14:25,590 --> 01:14:22,480

night stalker where this

1938

01:14:27,030 --> 01:14:25,600

thing had been tormenting a family in in

1939

01:14:29,750 --> 01:14:27,040

the four corners area

1940

01:14:32,149 --> 01:14:29,760

yeah and their description was exactly

1941

01:14:34,950 --> 01:14:32,159

like the jeepers creeper

1942

01:14:36,149 --> 01:14:34,960

monster where that thing was so you know

1943

01:14:39,350 --> 01:14:36,159

i put this thing out

1944

01:14:40,310 --> 01:14:39,360

and the next day i got you know i got

1945

01:14:43,189 --> 01:14:40,320

another report

1946

01:14:44,550 --> 01:14:43,199

from one of us to township new jersey

1947

01:14:49,510 --> 01:14:44,560

which is actually

1948

01:14:53,669 --> 01:14:49,520

further east towards the uh

1949

01:14:56,470 --> 01:14:53,679

uh the uh the pine pine barrens area

1950

01:14:58,229 --> 01:14:56,480

and uh he said lon i live approximately

1951

01:14:59,189 --> 01:14:58,239

one hour outside of cherry hill new

1952

01:15:03,510 --> 01:14:59,199

jersey

1953

01:15:05,590 --> 01:15:03,520

and while my way to my now wife's home

1954

01:15:07,990 --> 01:15:05,600

to visit as the sun was just going down

1955

01:15:10,310 --> 01:15:08,000

my best friend time was driving

1956

01:15:11,669 --> 01:15:10,320

and we were all going to hang out i was

1957

01:15:13,110 --> 01:15:11,679

listening to music and looking out the

1958

01:15:14,950 --> 01:15:13,120

passenger side window

1959

01:15:16,870 --> 01:15:14,960

just enjoying the woodlands as i'd like

1960

01:15:19,110 --> 01:15:16,880

to do often as we approached an opening

1961

01:15:22,790 --> 01:15:19,120

on the side of the road of the power

1962

01:15:25,189 --> 01:15:22,800

line towers i seen a lanky human-like

1963

01:15:27,830 --> 01:15:25,199

looking creature with huge black wings

1964

01:15:30,229 --> 01:15:27,840

flying up into the clearing

1965

01:15:31,350 --> 01:15:30,239

the event shocked both myself and my

1966

01:15:34,550 --> 01:15:31,360

best friend

1967

01:15:36,310 --> 01:15:34,560

at the time and he was driving so much

1968

01:15:38,790 --> 01:15:36,320

that we decided to turn around and try

1969

01:15:41,590 --> 01:15:38,800

to get an even better look at it

1970

01:15:42,149 --> 01:15:41,600

by the time we had returned to the spot

1971

01:15:44,390 --> 01:15:42,159

however

1972

01:15:47,030 --> 01:15:44,400

uh there was no side of it he and i had

1973

01:15:51,270 --> 01:15:47,040

never really spoken much about it

1974

01:15:52,070 --> 01:15:51,280

uh you know in fear of ridicule actually

1975

01:15:54,229 --> 01:15:52,080

so

1976

01:15:57,110 --> 01:15:54,239

but in the instant i saw this on your

1977

01:15:59,110 --> 01:15:57,120

site i felt i needed to give this mother

1978

01:16:01,910 --> 01:15:59,120

and the daughter a piece of my mind

1979

01:16:02,630 --> 01:16:01,920

they aren't crazy and i know what i had

1980

01:16:04,149 --> 01:16:02,640

seen

1981

01:16:05,750 --> 01:16:04,159

i have lived in the woods of new jersey

1982

01:16:07,910 --> 01:16:05,760

amazon my entire life

1983

01:16:09,990 --> 01:16:07,920

and have seen almost all the natural

1984

01:16:13,430 --> 01:16:10,000

wildlife that occurred within it

1985

01:16:15,590 --> 01:16:13,440

and this was not one of them and then he

1986

01:16:17,430 --> 01:16:15,600

said you know he sent a google map

1987

01:16:19,350 --> 01:16:17,440

coordinates but you know where he

1988

01:16:22,229 --> 01:16:19,360

actually saw this thing

1989

01:16:24,550 --> 01:16:22,239

so uh he said very bizarre creature

1990

01:16:27,910 --> 01:16:24,560

whatever it was

1991

01:16:30,630 --> 01:16:27,920

so you know now we've got

1992

01:16:32,550 --> 01:16:30,640

flying humanoid sightings in uh in new

1993

01:16:33,990 --> 01:16:32,560

jersey

1994

01:16:35,430 --> 01:16:34,000

out there you know they could have kept

1995

01:16:37,510 --> 01:16:35,440

them out in the four corners that thing

1996

01:16:39,669 --> 01:16:37,520

damaged trucks and everything out there

1997

01:16:41,030 --> 01:16:39,679

that they ripped that truck all the hell

1998

01:16:43,110 --> 01:16:41,040

and uh

1999

01:16:44,149 --> 01:16:43,120

you know they had a double wide i think

2000

01:16:47,110 --> 01:16:44,159

where they were living at

2001

01:16:48,070 --> 01:16:47,120

and it ripped out the the wall and it

2002

01:16:50,390 --> 01:16:48,080

was something else

2003

01:16:52,630 --> 01:16:50,400

yeah that thing has a clause on it so i

2004

01:16:56,229 --> 01:16:52,640

don't know what the thing was

2005

01:16:57,110 --> 01:16:56,239

um you know apparently from jc had told

2006

01:16:59,350 --> 01:16:57,120

me that

2007

01:17:00,790 --> 01:16:59,360

there may have been another sighting

2008

01:17:02,630 --> 01:17:00,800

sometime later

2009

01:17:04,229 --> 01:17:02,640

something you do the same thing or

2010

01:17:07,430 --> 01:17:04,239

something similar

2011

01:17:09,030 --> 01:17:07,440

um yeah that was that was a very

2012

01:17:12,229 --> 01:17:09,040

interesting

2013

01:17:15,510 --> 01:17:12,239

incident and this that

2014

01:17:17,110 --> 01:17:15,520

in fact it kind of had a uh it seemed

2015

01:17:19,189 --> 01:17:17,120

like i had a fixation on one of the

2016

01:17:22,950 --> 01:17:19,199

girls of the family

2017

01:17:25,430 --> 01:17:22,960

uh because she was uh

2018

01:17:28,390 --> 01:17:25,440

it had actually done some something

2019

01:17:31,830 --> 01:17:28,400

inside the house inside her room

2020

01:17:34,870 --> 01:17:31,840

that uh could have only been done

2021

01:17:36,229 --> 01:17:34,880

kinetically you know i believe with its

2022

01:17:39,430 --> 01:17:36,239

mind

2023

01:17:41,750 --> 01:17:39,440

so uh that was really weird

2024

01:17:43,189 --> 01:17:41,760

yeah it was you know somebody and lana

2025

01:17:45,590 --> 01:17:43,199

i'll ask you this question i get a

2026

01:17:48,550 --> 01:17:45,600

chance to ask albert but uh

2027

01:17:49,830 --> 01:17:48,560

one of the listeners in the chat room uh

2028

01:17:52,950 --> 01:17:49,840

had a report of

2029

01:17:56,149 --> 01:17:52,960

a heat haze being observed around

2030

01:17:57,270 --> 01:17:56,159

bigfoot or these uh bear cryptid type

2031

01:17:57,990 --> 01:17:57,280

creature have you heard of that like

2032

01:18:00,470 --> 01:17:58,000

these animals

2033

01:18:02,950 --> 01:18:00,480

are these beings surrounded by like a

2034

01:18:07,030 --> 01:18:02,960

heat haze

2035

01:18:10,790 --> 01:18:09,189

yeah i have heard that before in fact

2036

01:18:13,110 --> 01:18:10,800

i've heard

2037

01:18:15,110 --> 01:18:13,120

that this haze would actually be

2038

01:18:18,229 --> 01:18:15,120

different colors as well but

2039

01:18:18,709 --> 01:18:18,239

there would be like a uh i don't know

2040

01:18:21,910 --> 01:18:18,719

you know

2041

01:18:24,950 --> 01:18:21,920

the kind of wavy type thing you see

2042

01:18:25,990 --> 01:18:24,960

coming off a hot surface uh yeah i've

2043

01:18:29,350 --> 01:18:26,000

i've heard of that

2044

01:18:31,350 --> 01:18:29,360

before yeah i have definitely heard of

2045

01:18:32,950 --> 01:18:31,360

that before

2046

01:18:34,790 --> 01:18:32,960

like the radiation of the heat or

2047

01:18:36,950 --> 01:18:34,800

something like that coming out

2048

01:18:38,470 --> 01:18:36,960

yeah the the creature i don't know man

2049

01:18:40,229 --> 01:18:38,480

it's just that's just bizarre

2050

01:18:41,830 --> 01:18:40,239

the fact that we have flying humanoids

2051

01:18:43,990 --> 01:18:41,840

is scary enough

2052

01:18:44,870 --> 01:18:44,000

let alone just the fact these things can

2053

01:18:45,990 --> 01:18:44,880

radiate heat

2054

01:18:47,350 --> 01:18:46,000

you know the next thing you know they're

2055

01:18:49,270 --> 01:18:47,360

going to be coming out of the sea and

2056

01:18:50,950 --> 01:18:49,280

destroying our cities and

2057

01:18:53,590 --> 01:18:50,960

we're like wore the gargantuas and stuff

2058

01:18:55,990 --> 01:18:53,600

all over again well you know

2059

01:18:58,310 --> 01:18:56,000

i'm of the mind that for the most part

2060

01:19:00,950 --> 01:18:58,320

these type of things aren't natural

2061

01:19:02,790 --> 01:19:00,960

and uh ultra-terrestrial right there's

2062

01:19:05,990 --> 01:19:02,800

got to be there's got to be

2063

01:19:09,149 --> 01:19:06,000

some type of connection uh with

2064

01:19:11,669 --> 01:19:09,159

you know an ultra-terrestrial type or an

2065

01:19:14,709 --> 01:19:11,679

inter-dimensional type of uh

2066

01:19:17,910 --> 01:19:14,719

connection with these things because

2067

01:19:20,830 --> 01:19:17,920

quite frankly i believe if

2068

01:19:22,229 --> 01:19:20,840

they were natural there'd be more

2069

01:19:25,430 --> 01:19:22,239

sightings

2070

01:19:27,189 --> 01:19:25,440

and there'll be much more evidence

2071

01:19:29,669 --> 01:19:27,199

and of course you know my thoughts on

2072

01:19:32,470 --> 01:19:29,679

bigfoot but i think for the most part

2073

01:19:34,709 --> 01:19:32,480

it's it's an an ultra terrestrial or

2074

01:19:36,550 --> 01:19:34,719

interdimensional type being

2075

01:19:38,229 --> 01:19:36,560

you know me i like the safe bet that

2076

01:19:40,070 --> 01:19:38,239

that it's flesh and blood but let's be

2077

01:19:42,070 --> 01:19:40,080

honest we don't know

2078

01:19:43,830 --> 01:19:42,080

i'm never gonna i'm never gonna say that

2079

01:19:45,590 --> 01:19:43,840

it isn't we we have

2080

01:19:47,030 --> 01:19:45,600

or there are some out there that are

2081

01:19:48,790 --> 01:19:47,040

flesh and blood you know

2082

01:19:50,390 --> 01:19:48,800

even these ultraterrestrials may be

2083

01:19:51,830 --> 01:19:50,400

flesh of blood but they're

2084

01:19:53,189 --> 01:19:51,840

they're not sticking around you know

2085

01:19:54,310 --> 01:19:53,199

what i'm saying well let's be honest we

2086

01:19:55,750 --> 01:19:54,320

don't even know if we're talking about

2087

01:19:57,350 --> 01:19:55,760

the same type of creature even with

2088

01:19:59,189 --> 01:19:57,360

bigfoot sightings the

2089

01:20:00,790 --> 01:19:59,199

you know there are variations sometimes

2090

01:20:03,030 --> 01:20:00,800

that are so severe you wonder if they're

2091

01:20:05,030 --> 01:20:03,040

actually seeing the same type of

2092

01:20:06,709 --> 01:20:05,040

same type of creature even even to these

2093

01:20:07,030 --> 01:20:06,719

last ones we've seen in clearfield this

2094

01:20:09,990 --> 01:20:07,040

uh

2095

01:20:11,669 --> 01:20:10,000

canine type creature was different than

2096

01:20:12,870 --> 01:20:11,679

dogman sightings that have been reported

2097

01:20:14,950 --> 01:20:12,880

in the past so

2098

01:20:16,550 --> 01:20:14,960

are there multiple either variations

2099

01:20:19,669 --> 01:20:16,560

multiple different species multiple

2100

01:20:22,950 --> 01:20:19,679

different types or are there just

2101  
01:20:23,430 --> 01:20:22,960  
separate different beings or entities

2102  
01:20:25,270 --> 01:20:23,440  
out there

2103  
01:20:26,950 --> 01:20:25,280  
i don't know and and i guess those are

2104  
01:20:27,830 --> 01:20:26,960  
questions that the more and more we dive

2105  
01:20:29,590 --> 01:20:27,840  
into this

2106  
01:20:31,350 --> 01:20:29,600  
and explore i guess the more we'll

2107  
01:20:31,990 --> 01:20:31,360  
understand but i guess we have to give

2108  
01:20:34,149 --> 01:20:32,000  
some credence

2109  
01:20:35,590 --> 01:20:34,159  
to the fact that these beings are here

2110  
01:20:37,110 --> 01:20:35,600  
they're being seen they're being

2111  
01:20:39,750 --> 01:20:37,120  
observed and

2112  
01:20:41,510 --> 01:20:39,760  
we can't dispute that lon you know i

2113  
01:20:43,189 --> 01:20:41,520

think it's funny that still in the 21st

2114

01:20:44,550 --> 01:20:43,199

century we can convict people on

2115

01:20:46,229 --> 01:20:44,560

eyewitness reports

2116

01:20:48,310 --> 01:20:46,239

people go to jail for life and we see

2117

01:20:50,629 --> 01:20:48,320

how well that's working out

2118

01:20:54,550 --> 01:20:50,639

but we can't use that same eyewitness

2119

01:20:56,629 --> 01:20:54,560

testimony to prove that things exist

2120

01:20:59,270 --> 01:20:56,639

and that's a good point that's a very

2121

01:21:00,790 --> 01:20:59,280

point i refuse to accept that everybody

2122

01:21:02,149 --> 01:21:00,800

that sees something is mentally

2123

01:21:03,590 --> 01:21:02,159

unbalanced you know that's just not

2124

01:21:05,350 --> 01:21:03,600

rational thinking

2125

01:21:07,030 --> 01:21:05,360

you know i don't believe there's mass

2126  
01:21:08,709 --> 01:21:07,040  
hallucinations for these creatures i

2127  
01:21:10,950 --> 01:21:08,719  
think that these creatures are here

2128  
01:21:12,470 --> 01:21:10,960  
and people are seeing them i can't say

2129  
01:21:14,070 --> 01:21:12,480  
it for certainty because there's no

2130  
01:21:16,390 --> 01:21:14,080  
proof but you know i've seen something

2131  
01:21:18,149 --> 01:21:16,400  
that i can't explain and several times

2132  
01:21:20,229 --> 01:21:18,159  
you know he was talking about that

2133  
01:21:21,350 --> 01:21:20,239  
bedroom visitor you know that uh

2134  
01:21:23,430 --> 01:21:21,360  
humanoid

2135  
01:21:25,189 --> 01:21:23,440  
object uh you know often visits people

2136  
01:21:26,550 --> 01:21:25,199  
at nighttime and lon i shared a story

2137  
01:21:27,590 --> 01:21:26,560  
with you where i woke up in the middle

2138  
01:21:29,189 --> 01:21:27,600

of the night

2139

01:21:30,790 --> 01:21:29,199

and i swear to god there was something

2140

01:21:32,070 --> 01:21:30,800

standing in the corner of my bedroom and

2141

01:21:33,350 --> 01:21:32,080

i threw everything at it that wasn't

2142

01:21:35,590 --> 01:21:33,360

nailed down

2143

01:21:36,470 --> 01:21:35,600

woke my white up scare my wife up scared

2144

01:21:38,709 --> 01:21:36,480

the hell out of her

2145

01:21:40,830 --> 01:21:38,719

but i swear to you as i said here there

2146

01:21:42,709 --> 01:21:40,840

is somebody standing in the corner of my

2147

01:21:45,430 --> 01:21:42,719

bedroom

2148

01:21:46,950 --> 01:21:45,440

i've heard it before you know and it's

2149

01:21:49,590 --> 01:21:46,960

just not been

2150

01:21:50,870 --> 01:21:49,600

you know little green men and and greys

2151  
01:21:53,189 --> 01:21:50,880  
it's been

2152  
01:21:54,390 --> 01:21:53,199  
other types of entities as well and i'm

2153  
01:21:57,030 --> 01:21:54,400  
not crazy well i mean

2154  
01:21:58,950 --> 01:21:57,040  
i might be crazy but you know i'm i'm a

2155  
01:22:00,629 --> 01:21:58,960  
professional people rely on my word on a

2156  
01:22:02,629 --> 01:22:00,639  
daily basis to rely that what i'm giving

2157  
01:22:04,470 --> 01:22:02,639  
them is you know the truth and

2158  
01:22:05,830 --> 01:22:04,480  
you know i'm in my community and i i

2159  
01:22:07,430 --> 01:22:05,840  
have a wife and kids and

2160  
01:22:11,669 --> 01:22:07,440  
if i can see this stuff and admit it

2161  
01:22:13,669 --> 01:22:11,679  
freely and i have no gain from you know

2162  
01:22:16,310 --> 01:22:13,679  
making it up i've seen something i can't

2163  
01:22:18,470 --> 01:22:16,320

explain and it scared the [h\_\_\h] out of me

2164

01:22:20,390 --> 01:22:18,480

well you know these any type of

2165

01:22:24,229 --> 01:22:20,400

encounter

2166

01:22:27,590 --> 01:22:24,239

excuse me and you know even spiritual

2167

01:22:29,669 --> 01:22:27,600

encounters or whatever i mean they can

2168

01:22:31,430 --> 01:22:29,679

deeply affect people and i've seen

2169

01:22:32,950 --> 01:22:31,440

people that were deeply affected by

2170

01:22:35,990 --> 01:22:32,960

things uh

2171

01:22:39,750 --> 01:22:36,000

by situations like this and

2172

01:22:41,270 --> 01:22:39,760

you know yeah it's hard not to believe

2173

01:22:44,390 --> 01:22:41,280

them because

2174

01:22:46,149 --> 01:22:44,400

you know you can tell that they're

2175

01:22:48,390 --> 01:22:46,159

really talking about something that they

2176

01:22:51,270 --> 01:22:48,400

at least thought they saw

2177

01:22:53,910 --> 01:22:51,280

and uh that's why you got given the

2178

01:22:56,870 --> 01:22:53,920

benefit of doubt i believe and i

2179

01:22:57,270 --> 01:22:56,880

but i i do believe that you know that

2180

01:22:59,030 --> 01:22:57,280

people

2181

01:23:00,310 --> 01:22:59,040

are really seeing a lot of this stuff

2182

01:23:05,750 --> 01:23:00,320

and

2183

01:23:09,750 --> 01:23:05,760

some things in my lifetime that

2184

01:23:11,510 --> 01:23:09,760

i can't explain you know and so

2185

01:23:13,030 --> 01:23:11,520

you just used to say it doesn't happen

2186

01:23:14,390 --> 01:23:13,040

to anybody else i mean i guess we could

2187

01:23:15,189 --> 01:23:14,400

say we're a little bit more sympathetic

2188

01:23:16,709 --> 01:23:15,199

the people that

2189

01:23:18,470 --> 01:23:16,719

that have these claims i don't want to

2190

01:23:20,550 --> 01:23:18,480

say that we are also

2191

01:23:21,669 --> 01:23:20,560

like destined true believers too that

2192

01:23:23,270 --> 01:23:21,679

something that

2193

01:23:25,030 --> 01:23:23,280

you know that somebody tells us

2194

01:23:26,629 --> 01:23:25,040

something that we instantly believe it i

2195

01:23:28,070 --> 01:23:26,639

think there's a little bit of a limit

2196

01:23:29,750 --> 01:23:28,080

list because it has to be put in there i

2197

01:23:30,870 --> 01:23:29,760

can't talk tonight that you know we have

2198

01:23:32,470 --> 01:23:30,880

to be able to prove

2199

01:23:34,709 --> 01:23:32,480

that they're not you know blowing smoke

2200

01:23:36,149 --> 01:23:34,719

up our bums but

2201  
01:23:37,750 --> 01:23:36,159  
we don't take everything at face value

2202  
01:23:39,189 --> 01:23:37,760  
but i think there are people because

2203  
01:23:40,790 --> 01:23:39,199  
we've experienced something that makes

2204  
01:23:43,430 --> 01:23:40,800  
you more of a

2205  
01:23:44,790 --> 01:23:43,440  
i guess human bs detector if somebody is

2206  
01:23:45,510 --> 01:23:44,800  
trying to pull the walls of the wool

2207  
01:23:46,790 --> 01:23:45,520  
over your eyes

2208  
01:23:47,990 --> 01:23:46,800  
you know because you've experienced

2209  
01:23:48,790 --> 01:23:48,000  
something and i've talked about this in

2210  
01:23:50,870 --> 01:23:48,800  
the past

2211  
01:23:52,790 --> 01:23:50,880  
when we're on shannon's show that i

2212  
01:23:53,990 --> 01:23:52,800  
think once you experience something like

2213  
01:23:55,830 --> 01:23:54,000

this

2214

01:23:57,990 --> 01:23:55,840

and you know how you feel your own

2215

01:24:00,790 --> 01:23:58,000

personal emotional reaction you can

2216

01:24:02,629 --> 01:24:00,800

gauge somebody else's validity by that

2217

01:24:03,910 --> 01:24:02,639

just by watching their body language and

2218

01:24:06,390 --> 01:24:03,920

seeing how they react

2219

01:24:07,750 --> 01:24:06,400

while they're telling you this oh yeah

2220

01:24:09,350 --> 01:24:07,760

yeah that's true

2221

01:24:11,590 --> 01:24:09,360

there's a connection there and you you

2222

01:24:14,310 --> 01:24:11,600

just know that when i'm looking at

2223

01:24:16,070 --> 01:24:14,320

you know mr x and he's observed this i

2224

01:24:16,470 --> 01:24:16,080

can tell you if he's seen something or

2225

01:24:18,310 --> 01:24:16,480

not

2226

01:24:19,590 --> 01:24:18,320

you just know it and i don't i can't

2227

01:24:21,430 --> 01:24:19,600

explain it but you

2228

01:24:23,750 --> 01:24:21,440

you have a connection with somebody that

2229

01:24:27,270 --> 01:24:23,760

you know wow i can tell because i've

2230

01:24:29,510 --> 01:24:27,280

been there i know how they feel

2231

01:24:30,870 --> 01:24:29,520

yep hey i agree with you a hundred

2232

01:24:33,270 --> 01:24:30,880

percent um

2233

01:24:35,110 --> 01:24:33,280

but that's not scientific that's not

2234

01:24:37,430 --> 01:24:35,120

scientific but you know

2235

01:24:38,709 --> 01:24:37,440

in this field if you're gonna be

2236

01:24:40,470 --> 01:24:38,719

scientific

2237

01:24:41,750 --> 01:24:40,480

you just might be as may as well be a

2238

01:24:44,149 --> 01:24:41,760

skeptic i mean

2239

01:24:45,350 --> 01:24:44,159

well and that's the thing both sides of

2240

01:24:47,030 --> 01:24:45,360

the equation on that one right you have

2241

01:24:48,790 --> 01:24:47,040

die hard believers

2242

01:24:50,310 --> 01:24:48,800

which are a detriment to what we do and

2243

01:24:52,070 --> 01:24:50,320

then you also have the die-hard skeptic

2244

01:24:53,910 --> 01:24:52,080

which are detriment to what we do

2245

01:24:55,350 --> 01:24:53,920

right you know i try to find myself as

2246

01:24:56,790 --> 01:24:55,360

close to the middle as possible because

2247

01:24:59,669 --> 01:24:56,800

there are some things

2248

01:25:00,629 --> 01:24:59,679

i'm very skeptical about there are some

2249

01:25:02,070 --> 01:25:00,639

things i'm pretty

2250

01:25:04,310 --> 01:25:02,080

i don't want to say passionate about but

2251

01:25:07,030 --> 01:25:04,320

some things i just really believe in

2252

01:25:08,629 --> 01:25:07,040

based upon my own experiences but i

2253

01:25:09,669 --> 01:25:08,639

think that somewhere between those two

2254

01:25:12,149 --> 01:25:09,679

extremes

2255

01:25:12,870 --> 01:25:12,159

is where most of us need to try to fit

2256

01:25:15,669 --> 01:25:12,880

in

2257

01:25:17,990 --> 01:25:15,679

the real answers you know dare to be a

2258

01:25:19,669 --> 01:25:18,000

little different think outside the box

2259

01:25:21,030 --> 01:25:19,679

do these experiments i said earlier in

2260

01:25:24,149 --> 01:25:21,040

the chat room today you know long at one

2261

01:25:25,830 --> 01:25:24,159

time everything started as a theory

2262

01:25:27,430 --> 01:25:25,840

right somebody just had the balls to get

2263

01:25:29,750 --> 01:25:27,440

up and do something about it and test it

2264

01:25:31,430 --> 01:25:29,760

out and test it out and and that's how

2265

01:25:34,070 --> 01:25:31,440

we start getting you know

2266

01:25:35,990 --> 01:25:34,080

actual principle in fact from all this

2267

01:25:37,030 --> 01:25:36,000

and and we have to start thinking about

2268

01:25:39,590 --> 01:25:37,040

some of these

2269

01:25:41,030 --> 01:25:39,600

scenarios as rationally as possible and

2270

01:25:43,430 --> 01:25:41,040

try to do

2271

01:25:44,870 --> 01:25:43,440

as much as possible to try to prove the

2272

01:25:46,629 --> 01:25:44,880

validity of these things

2273

01:25:48,470 --> 01:25:46,639

and we're really starting to see that

2274

01:25:49,990 --> 01:25:48,480

now as it's become more ingrained in pop

2275

01:25:51,430 --> 01:25:50,000

culture and more socially acceptable to

2276

01:25:53,189 --> 01:25:51,440

believe in these things

2277

01:25:54,550 --> 01:25:53,199

more people report it more people come

2278

01:25:55,830 --> 01:25:54,560

in and there's more feet on the ground

2279

01:25:57,270 --> 01:25:55,840

out there doing it now whether they're

2280

01:25:58,470 --> 01:25:57,280

properly trained or not i don't know

2281

01:25:59,669 --> 01:25:58,480

because i don't think any of us can

2282

01:26:01,350 --> 01:25:59,679

really be trained

2283

01:26:03,990 --> 01:26:01,360

to look for something that doesn't exist

2284

01:26:06,950 --> 01:26:04,000

i think some of us have good ideas

2285

01:26:08,470 --> 01:26:06,960

but if we're all working together we're

2286

01:26:12,070 --> 01:26:08,480

all putting honest effort i think

2287

01:26:13,750 --> 01:26:12,080

we're going to start seeing some of this

2288

01:26:16,629 --> 01:26:13,760

some of these answers finally come to

2289

01:26:18,229 --> 01:26:16,639

light you know dan in the chat room says

2290

01:26:19,990 --> 01:26:18,239

reptilians are said to be the really

2291

01:26:20,629 --> 01:26:20,000

cruel beings they look at us like we're

2292

01:26:22,390 --> 01:26:20,639

cattle

2293

01:26:23,990 --> 01:26:22,400

i've heard that from many people on and

2294

01:26:25,270 --> 01:26:24,000

i know you you have opinions on the

2295

01:26:27,750 --> 01:26:25,280

reptilians

2296

01:26:29,990 --> 01:26:27,760

and anybody i've ever talked to about

2297

01:26:31,430 --> 01:26:30,000

extraterrestrials nobody ever once said

2298

01:26:33,669 --> 01:26:31,440

to me yeah those reptilians they're all

2299

01:26:35,990 --> 01:26:33,679

right guys

2300

01:26:37,669 --> 01:26:36,000

no they aren't uh i've never heard a

2301

01:26:39,270 --> 01:26:37,679

good thing about them

2302

01:26:41,510 --> 01:26:39,280

you know the best thing i've ever heard

2303

01:26:42,950 --> 01:26:41,520

about one was that

2304

01:26:45,590 --> 01:26:42,960

you know they'll go along with the

2305

01:26:47,030 --> 01:26:45,600

agenda but that's about it that's about

2306

01:26:48,790 --> 01:26:47,040

far as it goes

2307

01:26:50,390 --> 01:26:48,800

uh if they gotta they gotta go along

2308

01:26:51,110 --> 01:26:50,400

with something they're going to go along

2309

01:26:55,110 --> 01:26:51,120

with it but

2310

01:26:59,189 --> 01:26:55,120

uh uh it's not their nature

2311

01:27:01,510 --> 01:26:59,199

to you know to befriend

2312

01:27:03,189 --> 01:27:01,520

other beings especially humans from what

2313

01:27:04,149 --> 01:27:03,199

i've gathered and some of the things

2314

01:27:05,189 --> 01:27:04,159

that i've

2315

01:27:09,510 --> 01:27:05,199

you know some of the things i've been

2316

01:27:14,070 --> 01:27:11,990

i really can't tell i can no you're

2317

01:27:17,030 --> 01:27:14,080

right i've never had an

2318

01:27:17,669 --> 01:27:17,040

experience or an abductee or anyone else

2319

01:27:20,550 --> 01:27:17,679

who's had an

2320

01:27:22,229 --> 01:27:20,560

encounter with one of these beings say

2321

01:27:23,110 --> 01:27:22,239

anything good about it be quite honest

2322

01:27:25,189 --> 01:27:23,120

with you

2323

01:27:26,550 --> 01:27:25,199

you know though at the same time lon i

2324

01:27:27,910 --> 01:27:26,560

can't say i've heard anybody say

2325

01:27:30,470 --> 01:27:27,920

anything about

2326

01:27:31,270 --> 01:27:30,480

positive experiences with gray's either

2327

01:27:39,189 --> 01:27:31,280

no

2328

01:27:42,229 --> 01:27:39,199

poking and prop

2329

01:27:44,470 --> 01:27:42,239

and probing people and and uh you know

2330

01:27:45,669 --> 01:27:44,480

just have a very different vibe i guess

2331

01:27:47,270 --> 01:27:45,679

that put off but

2332

01:27:49,030 --> 01:27:47,280

i we don't know how many different types

2333

01:27:50,629 --> 01:27:49,040

of extraterrestrials there are right you

2334

01:27:52,310 --> 01:27:50,639

know we could have a variable

2335

01:27:54,709 --> 01:27:52,320

cast of star trek out there floating

2336

01:27:56,390 --> 01:27:54,719

around in the uh

2337

01:27:58,070 --> 01:27:56,400

out in outer space and we wouldn't know

2338

01:28:01,270 --> 01:27:58,080

it yet but

2339

01:28:02,229 --> 01:28:01,280

man some of these things i hear are

2340

01:28:04,390 --> 01:28:02,239

frightening

2341

01:28:06,229 --> 01:28:04,400

well you know there's been a story

2342

01:28:08,149 --> 01:28:06,239

floating around

2343

01:28:09,510 --> 01:28:08,159

uh i don't know it's been a while now

2344

01:28:10,550 --> 01:28:09,520

but there was something that came out

2345

01:28:14,149 --> 01:28:10,560

recently about

2346

01:28:17,110 --> 01:28:14,159

why are we trying to contact aliens

2347

01:28:18,870 --> 01:28:17,120

and well there's two ways of looking at

2348

01:28:19,669 --> 01:28:18,880

that i mean first of all they're already

2349

01:28:26,830 --> 01:28:19,679

here

2350

01:28:32,310 --> 01:28:29,350

non-terrestrial being

2351  
01:28:33,110 --> 01:28:32,320  
that is living among us in some degree

2352  
01:28:34,629 --> 01:28:33,120  
now

2353  
01:28:36,550 --> 01:28:34,639  
i think a lot of people think that's

2354  
01:28:37,510 --> 01:28:36,560  
nutty but that i believe that to be

2355  
01:28:39,270 --> 01:28:37,520  
absolutely true

2356  
01:28:41,270 --> 01:28:39,280  
oh come on well you know lon that if

2357  
01:28:42,070 --> 01:28:41,280  
there is extraterrestrial life it's been

2358  
01:28:44,390 --> 01:28:42,080  
here

2359  
01:28:45,270 --> 01:28:44,400  
sure and uh you know i have my own

2360  
01:28:49,430 --> 01:28:45,280  
theories on that

2361  
01:28:51,030 --> 01:28:49,440  
and you know you know

2362  
01:28:52,709 --> 01:28:51,040  
we should be careful when we're picking

2363  
01:28:54,629 --> 01:28:52,719

up the phone to make an intergalactic

2364

01:28:56,229 --> 01:28:54,639

att call because we might as well just

2365

01:28:59,430 --> 01:28:56,239

be wearing a bunch of t-shirts

2366

01:29:01,030 --> 01:28:59,440

that says probe me please uh when we're

2367

01:29:03,270 --> 01:29:01,040

inviting these things to

2368

01:29:04,709 --> 01:29:03,280

to our you know our planet our home and

2369

01:29:06,390 --> 01:29:04,719

it's a little cynical

2370

01:29:08,229 --> 01:29:06,400

but you know this isn't you know star

2371

01:29:09,910 --> 01:29:08,239

trek first contact and the vulcans are

2372

01:29:11,510 --> 01:29:09,920

gonna come down here and shake our hands

2373

01:29:12,310 --> 01:29:11,520

and live long and prosper and all that

2374

01:29:13,590 --> 01:29:12,320

jazz

2375

01:29:16,470 --> 01:29:13,600

you know the next thing you know we're

2376

01:29:18,629 --> 01:29:16,480

going to have uh a battle fleet of

2377

01:29:20,149 --> 01:29:18,639

intergalactic alien warriors coming down

2378

01:29:21,669 --> 01:29:20,159

here blowing us the kingdom comes

2379

01:29:23,030 --> 01:29:21,679

stealing our resources and turning us

2380

01:29:24,629 --> 01:29:23,040

into a food source

2381

01:29:26,310 --> 01:29:24,639

well you know i used to believe in all

2382

01:29:28,950 --> 01:29:26,320

that you know

2383

01:29:30,950 --> 01:29:28,960

the city and all that that it's a good

2384

01:29:32,629 --> 01:29:30,960

thing to be looking for aliens i used to

2385

01:29:35,430 --> 01:29:32,639

buy into all that

2386

01:29:36,149 --> 01:29:35,440

but i tell you after i've gotten deeper

2387

01:29:39,189 --> 01:29:36,159

deeper

2388

01:29:43,270 --> 01:29:39,199

with witnesses and experiencers

2389

01:29:45,669 --> 01:29:43,280

and abductees i can't say that i buy

2390

01:29:48,950 --> 01:29:45,679

into any of that anymore because

2391

01:29:51,270 --> 01:29:48,960

uh for one thing we've already made

2392

01:29:53,990 --> 01:29:51,280

contact

2393

01:29:55,350 --> 01:29:54,000

point blank and going out there and

2394

01:29:58,470 --> 01:29:55,360

looking for more

2395

01:29:59,510 --> 01:29:58,480

is not going to help us or be to our

2396

01:30:01,830 --> 01:29:59,520

favor

2397

01:30:03,510 --> 01:30:01,840

as far as i'm concerned yeah i guess we

2398

01:30:04,550 --> 01:30:03,520

just before we pick up that phone and

2399

01:30:07,590 --> 01:30:04,560

make that call

2400

01:30:09,510 --> 01:30:07,600

we better be sure that uh you know what

2401

01:30:11,669 --> 01:30:09,520

we're inviting here realizes that

2402

01:30:13,270 --> 01:30:11,679

uh you know it's not going to be like

2403

01:30:14,390 --> 01:30:13,280

that in-law that you know you called to

2404

01:30:15,669 --> 01:30:14,400

come stay with you for a while they

2405

01:30:18,310 --> 01:30:15,679

don't get the hint to win the

2406

01:30:20,550 --> 01:30:18,320

freaking leave because this this visit

2407

01:30:22,390 --> 01:30:20,560

comes with an end date yeah

2408

01:30:24,390 --> 01:30:22,400

and uh we we better know how to deal

2409

01:30:27,350 --> 01:30:24,400

with these things like i applaud us

2410

01:30:27,830 --> 01:30:27,360

and our our efforts to try to be out

2411

01:30:30,070 --> 01:30:27,840

there

2412

01:30:31,669 --> 01:30:30,080

and discover life on other planets but

2413

01:30:34,149 --> 01:30:31,679

let's do it from a distance right now

2414

01:30:35,830 --> 01:30:34,159

what was this kepler was it kepler-40 or

2415

01:30:36,229 --> 01:30:35,840

something long i don't remember exactly

2416

01:30:49,590 --> 01:30:36,239

the

2417

01:30:51,110 --> 01:30:49,600

because is really volatile and and it

2418

01:30:52,149 --> 01:30:51,120

may show that there's life on that

2419

01:30:54,709 --> 01:30:52,159

planet we should be

2420

01:30:55,590 --> 01:30:54,719

very careful i mean we're not going to

2421

01:30:57,510 --> 01:30:55,600

get there

2422

01:30:58,790 --> 01:30:57,520

because they may be there and they may

2423

01:31:02,629 --> 01:30:58,800

be

2424

01:31:05,189 --> 01:31:02,639

technologically advanced than us

2425

01:31:06,629 --> 01:31:05,199

and uh we made contact they may decide

2426

01:31:09,830 --> 01:31:06,639

to

2427

01:31:12,310 --> 01:31:09,840

you know they need another colony so

2428

01:31:14,550 --> 01:31:12,320

yeah i'm you know this is all

2429

01:31:16,550 --> 01:31:14,560

hypothetical of course but

2430

01:31:18,629 --> 01:31:16,560

yeah i'm just i i just don't i just

2431

01:31:19,750 --> 01:31:18,639

don't have that mindset that we ought to

2432

01:31:22,950 --> 01:31:19,760

be

2433

01:31:24,470 --> 01:31:22,960

you know looking for e.t as what we you

2434

01:31:25,590 --> 01:31:24,480

know compared to what i used to think

2435

01:31:27,430 --> 01:31:25,600

before

2436

01:31:29,750 --> 01:31:27,440

well i'm not trying to be xenophobic

2437

01:31:33,189 --> 01:31:29,760

about it but i mean realistically

2438

01:31:35,350 --> 01:31:33,199

we're opening ourselves up to a uh

2439

01:31:37,030 --> 01:31:35,360

you know just that open invitation is a

2440

01:31:38,870 --> 01:31:37,040

little bit of a dangerous thing and we

2441

01:31:41,189 --> 01:31:38,880

should think about that as

2442

01:31:42,790 --> 01:31:41,199

you know i i really wish you know we

2443

01:31:44,310 --> 01:31:42,800

could talk to these people that think

2444

01:31:45,669 --> 01:31:44,320

they have the right to go and start

2445

01:31:47,750 --> 01:31:45,679

doing this stuff and

2446

01:31:49,270 --> 01:31:47,760

subjecting the rest of us to potential

2447

01:31:52,470 --> 01:31:49,280

mass extinction

2448

01:31:52,790 --> 01:31:52,480

uh you want to do that fine set yourself

2449

01:31:54,790 --> 01:31:52,800

up

2450

01:31:56,149 --> 01:31:54,800

on a little island somewhere and define

2451

01:31:59,110 --> 01:31:56,159

your own coordinates or

2452

01:32:01,430 --> 01:31:59,120

shoot yourself into space but before you

2453

01:32:02,709 --> 01:32:01,440

invite these people for breakfast

2454

01:32:04,950 --> 01:32:02,719

you know make sure they don't want to

2455

01:32:06,709 --> 01:32:04,960

kill us first

2456

01:32:08,470 --> 01:32:06,719

yeah well i agree with you you know like

2457

01:32:10,550 --> 01:32:08,480

i said i have

2458

01:32:13,350 --> 01:32:10,560

i have not ever heard anything really

2459

01:32:14,229 --> 01:32:13,360

good about any of the experiences that

2460

01:32:18,390 --> 01:32:14,239

people have had

2461

01:32:19,830 --> 01:32:18,400

and um you know it's

2462

01:32:23,430 --> 01:32:19,840

you know they're they're just not

2463

01:32:25,270 --> 01:32:23,440

they're it's just not something that

2464

01:32:27,910 --> 01:32:25,280

we ought to be pushing our luck on as

2465

01:32:29,910 --> 01:32:27,920

far as i'm concerned and uh nope

2466

01:32:31,669 --> 01:32:29,920

and i think we got to this conversation

2467

01:32:33,189 --> 01:32:31,679

by just bringing up reptilians you know

2468

01:32:37,030 --> 01:32:33,199

that's how much reptilians bug

2469

01:32:38,870 --> 01:32:37,040

us they creep me out you know they just

2470

01:32:40,550 --> 01:32:38,880

they're the type of aliens that piss me

2471

01:32:42,629 --> 01:32:40,560

off and

2472

01:32:43,669 --> 01:32:42,639

i don't even know why because we don't

2473

01:32:46,790 --> 01:32:43,679

even know they exist

2474

01:32:48,870 --> 01:32:46,800

but i just i don't know it just

2475

01:32:49,830 --> 01:32:48,880

it just scares me a little bit they're

2476

01:32:51,270 --> 01:32:49,840

not friendly

2477

01:32:52,870 --> 01:32:51,280

according to what we've read and what

2478

01:32:54,629 --> 01:32:52,880

we've heard from people

2479

01:32:56,070 --> 01:32:54,639

you know they do treat us like a food

2480

01:32:58,310 --> 01:32:56,080

source it's just

2481

01:33:00,310 --> 01:32:58,320

man it just bugs me they they're they're

2482

01:33:02,390 --> 01:33:00,320

they're creepy

2483

01:33:03,350 --> 01:33:02,400

i speak of bugging you the insectoids

2484

01:33:05,430 --> 01:33:03,360

are much better

2485

01:33:06,709 --> 01:33:05,440

yeah this mantis man and whatever crap

2486

01:33:08,870 --> 01:33:06,719

else is going on

2487

01:33:09,990 --> 01:33:08,880

look i watch star trek all right these

2488

01:33:12,070 --> 01:33:10,000

uh these

2489

01:33:14,629 --> 01:33:12,080

mantis men these insectoids are aren't

2490

01:33:19,590 --> 01:33:14,639

very nice

2491

01:33:22,229 --> 01:33:19,600

no they aren't and uh you know

2492

01:33:24,550 --> 01:33:22,239

a lot of these abduction cases there's

2493

01:33:28,470 --> 01:33:24,560

seems to be always a

2494

01:33:30,990 --> 01:33:28,480

an insectoid overlord or insectoid boss

2495

01:33:32,550 --> 01:33:31,000

hanging around giving directions and

2496

01:33:34,470 --> 01:33:32,560

[Music]

2497

01:33:35,590 --> 01:33:34,480

they seem to be run the show i mean i

2498

01:33:38,629 --> 01:33:35,600

know

2499

01:33:40,950 --> 01:33:38,639

people think that the uh the reptilians

2500

01:33:41,990 --> 01:33:40,960

are the ones calling the shots but i

2501

01:33:45,110 --> 01:33:42,000

think

2502

01:33:45,990 --> 01:33:45,120

they're kind of like the brutes or the

2503

01:33:49,669 --> 01:33:46,000

uh

2504

01:33:51,510 --> 01:33:49,679

arms

2505

01:33:52,790 --> 01:33:51,520

it was really funny because star trek

2506

01:33:54,950 --> 01:33:52,800

enterprise uh

2507

01:33:57,270 --> 01:33:54,960

anybody that was a fan of that show they

2508

01:33:58,870 --> 01:33:57,280

ran the season-long zindy arc and two of

2509

01:34:00,229 --> 01:33:58,880

the species of zindy they were all a

2510

01:34:01,910 --> 01:34:00,239

race of aliens

2511

01:34:03,350 --> 01:34:01,920

there's like five different subspecies

2512

01:34:05,189 --> 01:34:03,360

but they were all connected by a certain

2513

01:34:07,110 --> 01:34:05,199

set of characteristics

2514

01:34:08,390 --> 01:34:07,120

one of the one of the species was

2515

01:34:10,870 --> 01:34:08,400

insectoid

2516

01:34:11,990 --> 01:34:10,880

and the other was reptilian and those

2517

01:34:14,709 --> 01:34:12,000

two species

2518

01:34:15,830 --> 01:34:14,719

were the most aggressive so where do you

2519

01:34:16,870 --> 01:34:15,840

think they got all this come from

2520

01:34:18,070 --> 01:34:16,880

because they were reading your case

2521

01:34:20,390 --> 01:34:18,080

files you know you could probably

2522

01:34:21,750 --> 01:34:20,400

get uh get a hold of paramount and get

2523

01:34:24,390 --> 01:34:21,760

some royalties long

2524

01:34:26,310 --> 01:34:24,400

for all your reporting on these alien

2525

01:34:29,750 --> 01:34:26,320

creatures that they blatantly stole

2526

01:34:32,390 --> 01:34:29,760

and turned into star trek aliens that

2527

01:34:33,750 --> 01:34:32,400

but you know i'm quite sure i'm going to

2528

01:34:37,350 --> 01:34:33,760

be hearing more about it

2529

01:34:38,310 --> 01:34:37,360

down the road and uh you know the only

2530

01:34:41,189 --> 01:34:38,320

thing i can do

2531

01:34:41,910 --> 01:34:41,199

at this point and is just report what i

2532

01:34:46,390 --> 01:34:41,920

get and

2533

01:34:49,590 --> 01:34:46,400

uh let those who read what i write or

2534

01:34:51,590 --> 01:34:49,600

report make up their own minds you know

2535

01:34:53,189 --> 01:34:51,600

i'm not one that wants to tell anybody

2536

01:34:53,910 --> 01:34:53,199

how to think about this kind of stuff

2537

01:34:57,830 --> 01:34:53,920

but

2538

01:35:00,070 --> 01:34:57,840

you know i can i can kind of give uh

2539

01:35:02,149 --> 01:35:00,080

my thoughts occasionally and you know

2540

01:35:05,030 --> 01:35:02,159

try to steer them

2541

01:35:05,750 --> 01:35:05,040

and uh well you're a nice guy i'm gonna

2542

01:35:08,790 --> 01:35:05,760

tell them

2543

01:35:10,390 --> 01:35:08,800

to stop think about it before you do it

2544

01:35:11,830 --> 01:35:10,400

because you're putting the rest of us in

2545

01:35:13,510 --> 01:35:11,840

jeopardy those of you out there with

2546

01:35:15,910 --> 01:35:13,520

your tin can strings

2547

01:35:17,669 --> 01:35:15,920

rabbit ears or you know multi-billion

2548

01:35:19,030 --> 01:35:17,679

dollar seti equipment

2549

01:35:20,709 --> 01:35:19,040

you know just be careful think of the

2550

01:35:25,350 --> 01:35:20,719

rest of us before you line us up as a

2551

01:35:28,470 --> 01:35:27,030

well i guess that's the end of it for

2552

01:35:31,590 --> 01:35:28,480

this i guess so

2553

01:35:32,629 --> 01:35:31,600

see what happens we get the gas on early

2554

01:35:34,310 --> 01:35:32,639

and then we

2555

01:35:35,910 --> 01:35:34,320

then i get i get time to sit here and

2556

01:35:37,510 --> 01:35:35,920

think and write notes down on paper

2557

01:35:40,709 --> 01:35:37,520

which is where the most danger happens

2558

01:35:42,470 --> 01:35:40,719

when i start taking notes

2559

01:35:44,950 --> 01:35:42,480

you know when i start getting deep into

2560

01:35:47,669 --> 01:35:44,960

this stuff and uh

2561

01:35:48,310 --> 01:35:47,679

you know and i start getting into the

2562

01:35:52,550 --> 01:35:48,320

research

2563

01:35:55,350 --> 01:35:52,560

mode it does get scary and um

2564

01:35:56,709 --> 01:35:55,360

you know i just don't you know i i just

2565

01:36:00,629 --> 01:35:56,719

don't report everything i

2566

01:36:02,390 --> 01:36:00,639

i hear about and i i think

2567

01:36:04,149 --> 01:36:02,400

i don't know i get people that i ask

2568

01:36:05,910 --> 01:36:04,159

people if they think oh if

2569

01:36:08,629 --> 01:36:05,920

they think i'll ought to censor some of

2570

01:36:11,669 --> 01:36:08,639

this stuff that i hear about and

2571

01:36:13,189 --> 01:36:11,679

you know where witnesses tell me and no

2572

01:36:17,189 --> 01:36:13,199

they want to hear the whole thing

2573

01:36:20,550 --> 01:36:17,199

well i'm still not in that boat yet i i

2574

01:36:23,189 --> 01:36:20,560

i still try to uh you know

2575

01:36:23,590 --> 01:36:23,199

use a little decorum when i when i do

2576

01:36:26,950 --> 01:36:23,600

this

2577

01:36:28,149 --> 01:36:26,960

because frankly i've heard a lot of bad

2578

01:36:32,550 --> 01:36:28,159

things and i just

2579

01:36:36,550 --> 01:36:32,560

i'm just not yet i'm ready just you know

2580

01:36:40,229 --> 01:36:38,709

well you've been listening here folks

2581

01:36:42,310 --> 01:36:40,239

arcane radio

2582

01:36:43,750 --> 01:36:42,320

shawn forker launched strickler our

2583

01:36:46,149 --> 01:36:43,760

guest tonight was uh

2584

01:36:47,350 --> 01:36:46,159

albert rosales talked about strange

2585

01:36:49,750 --> 01:36:47,360

humanoids

2586

01:36:51,030 --> 01:36:49,760

we talked about aliens in us and you'll

2587

01:36:52,790 --> 01:36:51,040

be able to catch the archive of this

2588

01:36:55,910 --> 01:36:52,800

show on stitcher

2589

01:36:57,750 --> 01:36:55,920

radio uh the app which is our preferred

2590

01:36:59,590 --> 01:36:57,760

place to go and listen to

2591

01:37:01,390 --> 01:36:59,600

uh if you have any questions or comments

2592

01:37:03,669 --> 01:37:01,400

email us at info

2593

01:37:04,830 --> 01:37:03,679

arcaneradio.com get a hold of lon

2594

01:37:06,470 --> 01:37:04,840

through his blogs

2595

01:37:09,149 --> 01:37:06,480

phantomsammonsters.com and if you feel

2596

01:37:11,350 --> 01:37:09,159

so inclined check me out

2597

01:37:12,790 --> 01:37:11,360

theforkchop.net lon any final thoughts

2598

01:37:15,830 --> 01:37:12,800

for tonight or you about

2599

01:37:16,709 --> 01:37:15,840

uh you about spent like me yeah my voice

2600

01:37:19,350 --> 01:37:16,719

is about ready

2601  
01:37:19,990 --> 01:37:19,360  
to uh shut down here so i think i'm

2602  
01:37:21,590 --> 01:37:20,000  
about

2603  
01:37:24,149 --> 01:37:21,600  
i'll just keep my mouth shut and wait

2604  
01:37:24,470 --> 01:37:24,159  
till next week well a much better audio

2605  
01:37:26,390 --> 01:37:24,480  
show

2606  
01:37:27,990 --> 01:37:26,400  
this week uh we apologize for last

2607  
01:37:29,669 --> 01:37:28,000  
week's snafu but uh

2608  
01:37:32,390 --> 01:37:29,679  
we figured it out and i promised you we

2609  
01:37:33,990 --> 01:37:32,400  
would but uh next week what do we have

2610  
01:37:36,390 --> 01:37:34,000  
on the show next week lon

2611  
01:37:38,189 --> 01:37:36,400  
oh my god i don't remember i don't

2612  
01:37:39,590 --> 01:37:38,199  
either so stay tuned to the website

2613  
01:37:42,790 --> 01:37:39,600

arcaneradio.com

2614

01:37:44,470 --> 01:37:42,800

to our facebook page and we'll catch you

2615

01:37:46,390 --> 01:37:44,480

all next week thank you very much you

2616

01:37:48,550 --> 01:37:46,400

all be good be safe love one another

2617

01:37:51,270 --> 01:37:48,560

take care of one another and remember
