00:00:35,670 --> 00:00:34,150
glimmer man appears to ring drum circle

10
00:00:37,830 --> 00:00:35,680
in north dakota

11
00:00:39,670 --> 00:00:37,840
i'm writing you from north dakota and i

12
00:00:40,470 --> 00:00:39,680
was intrigued when i saw the term

13
00:00:42,709 --> 00:00:40,480

glimmer man

14

00:00:44,790 --> 00:00:42,719

on your website i had a similar

15

00:00:46,150 --> 00:00:44,800

encounter two summers ago in the area

16

00:00:48,950 --> 00:00:46,160

called kimball bottoms

17

00:00:51,029 --> 00:00:48,960

or as the locals call it the desert

18

00:00:52,069 --> 00:00:51,039

anyway i was down there at a drum circle

19

00:00:54,470 --> 00:00:52,079

they were having

20

00:00:55,830 --> 00:00:54,480

and i don't know if it was the drumming

21

00:00:58,549 --> 00:00:55,840

that attracted this thing

22

00:00:59,830 --> 00:00:58,559

or what i was facing the water and banks

23

00:01:01,910 --> 00:00:59,840

of the missouri river

24

00:01:03,910 --> 00:01:01,920

and it's still being light outside

25

00:01:06,630 --> 00:01:03,920

around 7pm in the summer

26
00:01:08,710 --> 00:01:06,640
i could see everything clearly i thought

27
00:01:09,270 --> 00:01:08,720
i saw a heat signature on the opposite

28
00:01:11,590 --> 00:01:09,280
bank

29
00:01:12,710 --> 00:01:11,600
like heat rising off a hot parking lot

30
00:01:14,710 --> 00:01:12,720
in the summer

31
00:01:15,990 --> 00:01:14,720
this stood out to me as it been staring

32
00:01:18,230 --> 00:01:16,000
in that area

33
00:01:19,990 --> 00:01:18,240
anyway zoning out as i went into an

34
00:01:20,630 --> 00:01:20,000
almost trance-like state due to the

35
00:01:23,109 --> 00:01:20,640
drumming

36
00:01:24,149 --> 00:01:23,119
i started seeing this thing move i

37
00:01:26,710 --> 00:01:24,159
stopped drumming

38
00:01:28,710 --> 00:01:26,720

and walked over to the edge of the bank

39

00:01:30,469 --> 00:01:28,720

the more i watched the more i realized

40

00:01:31,749 --> 00:01:30,479

that this heat signature looked like it

41

00:01:33,429 --> 00:01:31,759

had arms and legs

42

00:01:35,510 --> 00:01:33,439

and was like swaying to the drumming

43

00:01:37,830 --> 00:01:35,520

still going on behind me

44

00:01:38,630 --> 00:01:37,840

my friend came up and asked what i was

45

00:01:40,390 --> 00:01:38,640

looking at

46

00:01:42,630 --> 00:01:40,400

and as i pointed it out to her other

47

00:01:44,389 --> 00:01:42,640

people from the circle started to notice

48

00:01:46,230 --> 00:01:44,399

that we were pointing and staring at

49

00:01:48,550 --> 00:01:46,240

something across the river

50

00:01:49,990 --> 00:01:48,560

more people stopped drumming and joined

51

00:01:51,830 --> 00:01:50,000

us on the bank

52

00:01:53,109 --> 00:01:51,840

some could see what we were seeing and

53

00:01:55,510 --> 00:01:53,119

others couldn't

54

00:01:57,749 --> 00:01:55,520

eventually nobody was drumming anymore

55

00:02:00,469 --> 00:01:57,759

and this glimmer man had stopped swaying

56

00:02:01,830 --> 00:02:00,479

and was watching us watch him more than

57

00:02:04,469 --> 00:02:01,840

one person had mentioned

58

00:02:06,630 --> 00:02:04,479

that look like the invisible yet visible

59

00:02:08,309 --> 00:02:06,640

alien from the movie predator

60

00:02:10,150 --> 00:02:08,319

it was after maybe three minutes of

61

00:02:12,150 --> 00:02:10,160

watching this invisible being

62

00:02:13,670 --> 00:02:12,160

and yes many people tried taking

63

00:02:15,990 --> 00:02:13,680

pictures and video of it

64

00:02:18,229 --> 00:02:16,000

only to not see anything when reviewing

65

00:02:20,229 --> 00:02:18,239

the images on their phones

66

00:02:22,150 --> 00:02:20,239

not surprising when you are trying to

67

00:02:23,910 --> 00:02:22,160

photograph a nearly invisible heat

68

00:02:25,750 --> 00:02:23,920

signature looking thing

69

00:02:27,589 --> 00:02:25,760

at one point we could see as the thing

70

00:02:30,150 --> 00:02:27,599

moved back into the tall reeds

71

00:02:31,910 --> 00:02:30,160

and were surprised as the reeds parted

72

00:02:32,390 --> 00:02:31,920

those who didn't see the being couldn't

73

00:02:35,110 --> 00:02:32,400

help

74

00:02:37,030 --> 00:02:35,120

but see the reeds part as it moved away

75

00:02:38,070 --> 00:02:37,040

a few of us sat there for a good hour

76

00:02:40,710 --> 00:02:38,080

waiting to see

77

00:02:42,309 --> 00:02:40,720

if this invisible being came back but we

78

00:02:44,470 --> 00:02:42,319

didn't see anything

79

00:02:45,670 --> 00:02:44,480

however many people freak themselves out

80

00:02:47,910 --> 00:02:45,680

by talking about

81

00:02:49,190 --> 00:02:47,920

where this entity could be was it

82

00:02:51,190 --> 00:02:49,200

lurking in the water

83

00:02:52,869 --> 00:02:51,200

walking along the shore hiding in the

84

00:02:54,949 --> 00:02:52,879

trees etc

85

00:02:55,910 --> 00:02:54,959

i have to agree they all had viable

86

00:02:58,470 --> 00:02:55,920

points

87

00:03:00,550 --> 00:02:58,480

it was a very surreal encounter and only

88

00:03:03,190 --> 00:03:00,560

deepened my beliefs on things existing

89

00:03:10,790 --> 00:03:03,200

in the folds of what we call reality

90

00:03:15,750 --> 00:03:13,589

glimmerman chases deer in kentucky my

91

00:03:17,990 --> 00:03:15,760

wife and i were taking a small vacation

92

00:03:20,390 --> 00:03:18,000

trip last october to the red river gorge

93

00:03:22,070 --> 00:03:20,400

area in kentucky after a full day of

94

00:03:24,390 --> 00:03:22,080

hiking and grabbing some dinner we

95

00:03:26,390 --> 00:03:24,400

returned to our room to get some sleep

96

00:03:28,149 --> 00:03:26,400

about three in the morning my wife woke

97

00:03:29,270 --> 00:03:28,159

me up saying she was having severe

98

00:03:31,750 --> 00:03:29,280

stomach pain

99

00:03:33,430 --> 00:03:31,760

i being the dutiful husband i am got

100

00:03:35,270 --> 00:03:33,440

dressed and hopped in the car to run

101
00:03:36,229 --> 00:03:35,280
down the road to pick up some stuff to

102
00:03:38,149 --> 00:03:36,239
settle her stomach

103
00:03:39,589 --> 00:03:38,159
only to discover the things shut down

104
00:03:41,589 --> 00:03:39,599
for the night around there

105
00:03:44,070 --> 00:03:41,599
after consulting google i found a

106
00:03:45,990 --> 00:03:44,080
24-hour gas station about 30 minutes

107
00:03:48,390 --> 00:03:46,000
away and began my drive

108
00:03:50,550 --> 00:03:48,400
after locating the exit i began to slow

109
00:03:51,589 --> 00:03:50,560
down i was somewhat paranoid of hitting

110
00:03:53,589 --> 00:03:51,599
a deer or something

111
00:03:54,630 --> 00:03:53,599
especially since i was in unfamiliar

112
00:03:57,030 --> 00:03:54,640
territory

113
00:03:58,630 --> 00:03:57,040

as i made my exit low and behold a deer

114

00:04:00,710 --> 00:03:58,640

ran out in front of me

115

00:04:02,070 --> 00:04:00,720

as i watched it cross the road i noticed

116

00:04:03,910 --> 00:04:02,080

something behind it

117

00:04:05,350 --> 00:04:03,920

it was the outline of the man but there

118

00:04:07,350 --> 00:04:05,360

was nothing solid to him

119

00:04:08,949 --> 00:04:07,360

i could see right through him yet still

120

00:04:10,869 --> 00:04:08,959

clearly see his form

121

00:04:11,990 --> 00:04:10,879

now i was wide awake with the deer

122

00:04:14,630 --> 00:04:12,000

having startled me

123

00:04:16,469 --> 00:04:14,640

but have no explanation about what i saw

124

00:04:17,509 --> 00:04:16,479

it crossed the route and continued on

125

00:04:19,430 --> 00:04:17,519

after the deer

126

00:04:21,349 --> 00:04:19,440

for the rest of the trip i kept feeling

127

00:04:23,590 --> 00:04:21,359

like i was being watched and continued

128

00:04:24,390 --> 00:04:23,600

to have uneasy feelings for several days

129

00:04:26,390 --> 00:04:24,400

after

130

00:04:28,390 --> 00:04:26,400

anyways that's a brief rundown of my

131

00:04:35,670 --> 00:04:28,400

first running with the glimmerman

132

00:04:39,510 --> 00:04:38,310

glimmerman in the hallway in early march

133

00:04:41,430 --> 00:04:39,520

of 2020

134

00:04:42,629 --> 00:04:41,440

i was sitting upright in my upstairs

135

00:04:44,390 --> 00:04:42,639

master bedroom

136

00:04:46,629 --> 00:04:44,400

feeding my three-month-old daughter a

137

00:04:49,189 --> 00:04:46,639

bottle the tv was off

138

00:04:50,469 --> 00:04:49,199

it was dark outside and approximately 6

139

00:04:52,629 --> 00:04:50,479

30 pm

140

00:04:54,230 --> 00:04:52,639

for purposes of the story the layout of

141

00:04:56,790 --> 00:04:54,240

the room is important

142

00:04:58,310 --> 00:04:56,800

from my seated position to my immediate

143

00:05:00,150 --> 00:04:58,320

right was my bathroom

144

00:05:01,749 --> 00:05:00,160

then a little up from the bathroom was a

145

00:05:03,670 --> 00:05:01,759

dresser with a mirror on it

146

00:05:04,870 --> 00:05:03,680

and then up from that was an open door

147

00:05:07,350 --> 00:05:04,880

to the hallway

148

00:05:08,629 --> 00:05:07,360

the bathroom light was on my bedside

149

00:05:10,310 --> 00:05:08,639

table light was on

150

00:05:11,990 --> 00:05:10,320

and i could see a little bit into the

151
00:05:14,310 --> 00:05:12,000
hallway anyway

152
00:05:16,390 --> 00:05:14,320
i'm feeding my daughter and quietly

153
00:05:18,469 --> 00:05:16,400
enjoying a moment to myself while my

154
00:05:19,990 --> 00:05:18,479
wife and three-year-old were downstairs

155
00:05:22,469 --> 00:05:20,000
watching tv

156
00:05:23,189 --> 00:05:22,479
as i'm feeding her i catch movement in

157
00:05:25,830 --> 00:05:23,199
the hallway

158
00:05:26,710 --> 00:05:25,840
outside of the bedroom i sawed out of

159
00:05:28,950 --> 00:05:26,720
the corner of my

160
00:05:29,990 --> 00:05:28,960
eye and then pivoted my face to look at

161
00:05:32,790 --> 00:05:30,000
the movement

162
00:05:34,870 --> 00:05:32,800
what i saw i can't really explain but

163
00:05:36,469 --> 00:05:34,880

the feeling in my chest was an immediate

164

00:05:38,950 --> 00:05:36,479

rush of anxiety

165

00:05:40,790 --> 00:05:38,960

i saw a darkened but transparent torso

166

00:05:42,550 --> 00:05:40,800

shape with no legs and no head

167

00:05:44,870 --> 00:05:42,560

and it was moving toward her into the

168

00:05:46,230 --> 00:05:44,880

bedroom it looked like a shadow through

169

00:05:48,390 --> 00:05:46,240

a screen door

170

00:05:50,310 --> 00:05:48,400

it didn't float but shuffled as if

171

00:05:51,430 --> 00:05:50,320

walking and the torso would have been

172

00:05:54,390 --> 00:05:51,440

about my height

173

00:05:56,230 --> 00:05:54,400

around 5 foot 10 inches the shadow or

174

00:05:58,309 --> 00:05:56,240

glimmer crossed into the bedroom

175

00:05:59,670 --> 00:05:58,319

and then in front of the mirror but it

176

00:06:01,990 --> 00:05:59,680

cast no shadow

177

00:06:03,830 --> 00:06:02,000

and did not reflect in the mirror i

178

00:06:06,070 --> 00:06:03,840

watched it as it crossed into the light

179

00:06:08,309 --> 00:06:06,080

of the bathroom and then disappeared

180

00:06:10,550 --> 00:06:08,319

my daughter's eyes flashed open which

181

00:06:12,230 --> 00:06:10,560

was strange because she was sleep eating

182

00:06:14,150 --> 00:06:12,240

and i knocked the hell right out of the

183

00:06:16,230 --> 00:06:14,160

room as fast as i could

184

00:06:17,830 --> 00:06:16,240

if i hadn't been holding her i would

185

00:06:20,870 --> 00:06:17,840

have left her on the bed

186

00:06:23,909 --> 00:06:20,880

the being was not a shadow i repeat

187

00:06:24,629 --> 00:06:23,919

not a shadow no cars passed in front of

188

00:06:26,629 --> 00:06:24,639

the house

189

00:06:28,230 --> 00:06:26,639

and my other child and wife were below

190

00:06:30,070 --> 00:06:28,240

me in the tv room

191

00:06:32,070 --> 00:06:30,080

it could not have been something moving

192

00:06:33,670 --> 00:06:32,080

in front of the house because the shape

193

00:06:34,070 --> 00:06:33,680

or shadow would have changed as it

194

00:06:35,909 --> 00:06:34,080

crossed

195

00:06:38,629 --> 00:06:35,919

the dividing wall between hallway and

196

00:06:40,390 --> 00:06:38,639

bedroom i grabbed my baseball bat

197

00:06:42,230 --> 00:06:40,400

and went back through every room in the

198

00:06:44,070 --> 00:06:42,240

house and found nothing

199

00:06:45,909 --> 00:06:44,080

like my louisville slugger would have

200

00:06:48,950 --> 00:06:45,919

been able to do anything about it

201
00:06:51,110 --> 00:06:48,960
but i had to try i'm not a believer but

202
00:06:53,350 --> 00:06:51,120
i'm not against the idea of other things

203
00:06:54,629 --> 00:06:53,360
beyond my scope of understanding being

204
00:07:03,589 --> 00:06:54,639
out in the world

205
00:07:06,790 --> 00:07:03,599
what the hell was that ca

206
00:07:08,710 --> 00:07:06,800
ohio glimmer man my name is justin

207
00:07:10,550 --> 00:07:08,720
and i have what has been recently coined

208
00:07:12,469 --> 00:07:10,560
as a glimmer man sighting

209
00:07:14,950 --> 00:07:12,479
i've thought about this many times since

210
00:07:17,350 --> 00:07:14,960
it happened i grew up in the 80s and

211
00:07:18,950 --> 00:07:17,360
early 90s listening to my mother's ghost

212
00:07:21,510 --> 00:07:18,960
and ufo sighting stories

213
00:07:23,670 --> 00:07:21,520

but i never took much stock in them so

214

00:07:25,909 --> 00:07:23,680

when i had the experience that i had

215

00:07:27,990 --> 00:07:25,919

i didn't tell anyone because i had never

216

00:07:29,189 --> 00:07:28,000

heard of another person seeing something

217

00:07:31,830 --> 00:07:29,199

like what i had

218

00:07:33,990 --> 00:07:31,840

it was 2001 in mid august which i

219

00:07:36,550 --> 00:07:34,000

remember because my birthday had just

220

00:07:38,550 --> 00:07:36,560

passed a week or so before this happened

221

00:07:41,110 --> 00:07:38,560

i was living with my mother in her home

222

00:07:43,270 --> 00:07:41,120

in the short north in columbus ohio

223

00:07:44,790 --> 00:07:43,280

i was watching tv in the living room

224

00:07:46,790 --> 00:07:44,800

around 10 pm

225

00:07:48,070 --> 00:07:46,800

the overstuffed chair i was sitting in

226

00:07:50,150 --> 00:07:48,080

face the dining room

227

00:07:51,270 --> 00:07:50,160

and the tv was to my left where the

228

00:07:53,430 --> 00:07:51,280

window was

229

00:07:55,189 --> 00:07:53,440

i was alone in the house as my mother

230

00:07:56,950 --> 00:07:55,199

was probably at work

231

00:07:58,869 --> 00:07:56,960

she was the manager at her job and

232

00:08:00,790 --> 00:07:58,879

normally closed the store

233

00:08:02,950 --> 00:08:00,800

i had just started to think that it was

234

00:08:04,070 --> 00:08:02,960

off that my mother's dogs weren't in the

235

00:08:05,909 --> 00:08:04,080

room with me

236

00:08:07,270 --> 00:08:05,919

they followed me everywhere until my

237

00:08:09,589 --> 00:08:07,280

mother got home

238

00:08:10,629 --> 00:08:09,599

i began to feel alarmed like something

239

00:08:12,550 --> 00:08:10,639

was off

240

00:08:14,070 --> 00:08:12,560

i couldn't put my finger on it at the

241

00:08:16,710 --> 00:08:14,080

time the feeling

242

00:08:17,430 --> 00:08:16,720

intensified over the next few minutes at

243

00:08:20,150 --> 00:08:17,440

some point

244

00:08:21,909 --> 00:08:20,160

i felt like i wasn't alone i glanced

245

00:08:22,390 --> 00:08:21,919

over at the door leading to the dining

246

00:08:25,270 --> 00:08:22,400

room

247

00:08:27,430 --> 00:08:25,280

and i saw it and i was struck with fear

248

00:08:28,710 --> 00:08:27,440

standing right inside the doorway was

249

00:08:31,110 --> 00:08:28,720

what i can only describe

250

00:08:32,469 --> 00:08:31,120

as a predator except it was human in

251

00:08:34,310 --> 00:08:32,479

shape and size

252

00:08:36,469 --> 00:08:34,320

it couldn't have been any taller than me

253

00:08:38,949 --> 00:08:36,479

and i'm only five foot seven

254

00:08:40,070 --> 00:08:38,959

it didn't move it stood fixed in that

255

00:08:42,469 --> 00:08:40,080

position for several

256

00:08:44,470 --> 00:08:42,479

seconds then it lunged forward and

257

00:08:46,550 --> 00:08:44,480

crossed the room very quickly

258

00:08:47,990 --> 00:08:46,560

all i could do was close my eyes and

259

00:08:50,389 --> 00:08:48,000

cover my face

260

00:08:52,389 --> 00:08:50,399

and i felt airbrush my hands and arms

261

00:08:53,030 --> 00:08:52,399

like something had moved quickly towards

262

00:08:55,350 --> 00:08:53,040

me

263

00:08:57,590 --> 00:08:55,360

after what felt like several minutes i

264

00:08:59,350 --> 00:08:57,600

managed to convince myself to lower my

265

00:09:01,750 --> 00:08:59,360

arms and open my eyes

266

00:09:03,990 --> 00:09:01,760

i was alone in the room whatever was

267

00:09:06,070 --> 00:09:04,000

there was not anywhere to be seen

268

00:09:07,269 --> 00:09:06,080

i sat for a few more minutes trying to

269

00:09:09,110 --> 00:09:07,279

calm down

270

00:09:11,190 --> 00:09:09,120

then i proceeded to the game room which

271

00:09:13,350 --> 00:09:11,200

was toward the front of the house

272

00:09:14,710 --> 00:09:13,360

my mother had a billiard table dart

273

00:09:17,269 --> 00:09:14,720

board golf clubs

274

00:09:19,670 --> 00:09:17,279

and a few baseball bats in there i

275

00:09:21,350 --> 00:09:19,680

picked up a baseball bat and made my way

276

00:09:23,670 --> 00:09:21,360

through the house room by room

277

00:09:25,350 --> 00:09:23,680

looking for whatever it was that i saw

278

00:09:26,389 --> 00:09:25,360

the only thing that i found was my

279

00:09:28,630 --> 00:09:26,399

mother's dogs

280

00:09:29,829 --> 00:09:28,640

hiding under the computer desk upstairs

281

00:09:37,190 --> 00:09:29,839

in her office

282

00:09:39,590 --> 00:09:37,200

just an s

283

00:09:41,430 --> 00:09:39,600

plummer man encountered in honduras my

284

00:09:43,430 --> 00:09:41,440

personal sighting was when i was staying

285

00:09:44,949 --> 00:09:43,440

at a friend's house for the weekend

286

00:09:46,870 --> 00:09:44,959

to live in a nice mountainside

287

00:09:48,070 --> 00:09:46,880

neighborhood outside of the capital city

288

00:09:49,910 --> 00:09:48,080

of honduras

289

00:09:52,070 --> 00:09:49,920

after a nice breakfast and a good amount

290

00:09:53,910 --> 00:09:52,080

of coffee i went back to the guest room

291

00:09:54,630 --> 00:09:53,920

to wait while my friends got ready for

292

00:09:56,389 --> 00:09:54,640

the day

293

00:09:57,910 --> 00:09:56,399

i was in bed playing with the dog and

294

00:09:58,790 --> 00:09:57,920

had the door open looking out to the

295

00:10:00,550 --> 00:09:58,800

living room

296

00:10:02,230 --> 00:10:00,560

i was sitting up on bed when i saw

297

00:10:03,509 --> 00:10:02,240

glimmerman run through the living room

298

00:10:05,670 --> 00:10:03,519

and out the balcony

299

00:10:07,829 --> 00:10:05,680

it ran at a jogging pace so the whole

300

00:10:09,829 --> 00:10:07,839

thing lasted less than two seconds

301

00:10:11,910 --> 00:10:09,839

the best way to describe it is to say i

302

00:10:12,790 --> 00:10:11,920

saw a humanoid shaped mirage running out

303

00:10:14,949 --> 00:10:12,800

of the house

304

00:10:16,150 --> 00:10:14,959

the outline of the mirage was stable it

305

00:10:18,790 --> 00:10:16,160

wasn't flapping around

306

00:10:19,269 --> 00:10:18,800

like real mirages do after i saw it i

307

00:10:22,310 --> 00:10:19,279

froze

308

00:10:24,310 --> 00:10:22,320

but not in fear just curious i started

309

00:10:25,910 --> 00:10:24,320

playing with my eyes to eliminate any

310

00:10:27,670 --> 00:10:25,920

chance of an optical illusion

311

00:10:29,509 --> 00:10:27,680

but i couldn't reproduce it the

312

00:10:31,670 --> 00:10:29,519

interesting part is that the family i

313

00:10:33,350 --> 00:10:31,680

was visiting are long-time experiencers

314

00:10:35,110 --> 00:10:33,360

of all things paranormal

315

00:10:37,430 --> 00:10:35,120

the mother and the son are both alien

316

00:10:39,190 --> 00:10:37,440

abductees she has been informed by her

317

00:10:41,190 --> 00:10:39,200

doctor that she has signs of five

318

00:10:42,790 --> 00:10:41,200

pregnancies she can't account for

319

00:10:45,030 --> 00:10:42,800

they always see lights in the middle of

320

00:10:46,230 --> 00:10:45,040

the night both of them frequently wake

321

00:10:48,069 --> 00:10:46,240

up with bruises

322

00:10:50,150 --> 00:10:48,079

and from that they have all types of

323

00:10:50,870 --> 00:10:50,160

other experiences including a visit from

324

00:10:52,870 --> 00:10:50,880

had man

325

00:10:55,190 --> 00:10:52,880

and even a winged humanoid that fit the

326
00:10:55,990 --> 00:10:55,200
description of mothman red glowing eyes

327
00:10:57,670 --> 00:10:56,000
and all

328
00:10:59,670 --> 00:10:57,680
other people who have stayed overnight

329
00:11:01,350 --> 00:10:59,680
also see shadow people and the boy's

330
00:11:02,230 --> 00:11:01,360
girlfriend saw glimmerman running

331
00:11:03,990 --> 00:11:02,240
towards her

332
00:11:06,069 --> 00:11:04,000
they have learned to live with it the

333
00:11:07,990 --> 00:11:06,079
sun recently sent me an audio

334
00:11:09,990 --> 00:11:08,000
a friend of his was being harassed by

335
00:11:11,910 --> 00:11:10,000
window tapping and other sounds

336
00:11:13,110 --> 00:11:11,920
she also kept getting phone calls with

337
00:11:14,870 --> 00:11:13,120
weird sounds

338
00:11:17,430 --> 00:11:14,880

she was able to record honor the phone

339

00:11:19,190 --> 00:11:17,440

calls he tells me that he recognizes the

340

00:11:21,110 --> 00:11:19,200

sound recorded as something he heard in

341

00:11:23,509 --> 00:11:21,120

one of his alleged abductions

342

00:11:25,269 --> 00:11:23,519

all this stuff seems to be related i am

343

00:11:26,949 --> 00:11:25,279

working on a hypothesis

344

00:11:28,470 --> 00:11:26,959

i hope to write it up and send it over

345

00:11:30,230 --> 00:11:28,480

once i flesh it out

346

00:11:31,910 --> 00:11:30,240

i hope you find it interesting that all

347

00:11:32,630 --> 00:11:31,920

this stuff seems to be all around the

348

00:11:35,110 --> 00:11:32,640

world

349

00:11:36,870 --> 00:11:35,120

if you use this just refer to me as bob

350

00:11:38,790 --> 00:11:36,880

and feel free to mention the fact that

351

00:11:44,949 --> 00:11:38,800

all this happened in honduras

352

00:11:48,389 --> 00:11:47,509

this is lon strickler if you like this

353

00:11:50,150 --> 00:11:48,399

program

354

00:11:51,509 --> 00:11:50,160

it would help us if you would give it a

355

00:11:54,310 --> 00:11:51,519

thumbs up

get notification when we upload new

359

00:12:02,389 --> 00:11:59,279

first-person encounters

360

00:12:03,110 --> 00:12:02,399

we have many more to come very soon and

361

00:12:05,269 --> 00:12:03,120

by the way
