00:00:35,030 --> 00:00:33,600
apparent skinwalker encounter in san

12
00:00:37,510 --> 00:00:35,040
juan county utah

13
00:00:39,510 --> 00:00:37,520

to start with i am a white female i was

14

00:00:41,190 --> 00:00:39,520

adopted seven years ago by a navajo

15

00:00:43,670 --> 00:00:41,200

family and we've always been close

16

00:00:45,750 --> 00:00:43,680

despite obvious cultural differences

17

00:00:47,110 --> 00:00:45,760

still i learned about skinwalkers first

18

00:00:48,869 --> 00:00:47,120

hand and they've since become an

19

00:00:51,029 --> 00:00:48,879

accepted part of my life

20

00:00:52,709 --> 00:00:51,039

i left utah at the end of 2012 and was

21

00:00:54,229 --> 00:00:52,719

surprised to see enthusiasm for

22

00:00:55,750 --> 00:00:54,239

skinwalker stories

23

00:00:57,830 --> 00:00:55,760

the first incident happened to my

24

00:00:58,709 --> 00:00:57,840

adopted uncle he was driving through the

25

00:01:00,790 --> 00:00:58,719

canyon area

26
00:01:02,950 --> 00:01:00,800
they live in blanding utah and san juan

27
00:01:05,109 --> 00:01:02,960
county a spot not quite notorious for

28
00:01:07,429 --> 00:01:05,119
skinwalkers but full of them nonetheless

29
00:01:09,109 --> 00:01:07,439
at night and got that familiar feeling

30
00:01:10,789 --> 00:01:09,119
it was dark outside but the moon

31
00:01:12,550 --> 00:01:10,799
illuminated the canyon and brush enough

32
00:01:13,910 --> 00:01:12,560
for him to see out of his side vision

33
00:01:14,950 --> 00:01:13,920
that something was running across the

34
00:01:16,870 --> 00:01:14,960
desert night

35
00:01:19,350 --> 00:01:16,880
he was in his 40s at the time and a

36
00:01:21,270 --> 00:01:19,360
police officer so a full-grown man

37
00:01:22,950 --> 00:01:21,280
he started singing and praying in navajo

38
00:01:23,590 --> 00:01:22,960

and kept his eyes on the road in front

39

00:01:26,310 --> 00:01:23,600

of him

40

00:01:26,710 --> 00:01:26,320

but he was driving at least 55 miles per

41

00:01:28,310 --> 00:01:26,720

hour

42

00:01:30,069 --> 00:01:28,320

so the shape running through the desert

43

00:01:31,030 --> 00:01:30,079

was keeping pace with him despite his

44

00:01:32,550 --> 00:01:31,040

high speed

45

00:01:34,550 --> 00:01:32,560

he said that it looked vaguely human

46

00:01:35,350 --> 00:01:34,560

shape but paler than any human he'd ever

47

00:01:37,670 --> 00:01:35,360

seen

48

00:01:39,270 --> 00:01:37,680

still he didn't look directly at it and

49

00:01:40,390 --> 00:01:39,280

despite his singing he was getting more

50

00:01:42,389 --> 00:01:40,400

and more scared

51
00:01:43,990 --> 00:01:42,399
one thing my navajo family always taught

52
00:01:44,630 --> 00:01:44,000
me was that these creatures feed on your

53
00:01:46,950 --> 00:01:44,640
fear

54
00:01:48,069 --> 00:01:46,960
this one certainly seemed to my uncle

55
00:01:49,510 --> 00:01:48,079
was shaking and sweating when the

56
00:01:51,270 --> 00:01:49,520
running thing picked up speed

57
00:01:52,870 --> 00:01:51,280
outpacing his truck and then when it was

58
00:01:54,789 --> 00:01:52,880
maybe 30 yards ahead of him

59
00:01:56,789 --> 00:01:54,799
it made a sharp right and began to run

60
00:01:58,630 --> 00:01:56,799
toward the road he knew it was going to

61
00:02:00,469 --> 00:01:58,640
directly intersect him and he made up

62
00:02:02,149 --> 00:02:00,479
his mind to put his foot on the gas

63
00:02:03,910 --> 00:02:02,159

because being break out in the middle of

64

00:02:04,870 --> 00:02:03,920

that road in the dark alone was a death

65

00:02:07,510 --> 00:02:04,880

sentence

66

00:02:08,710 --> 00:02:07,520

so it got closer he sped up and just as

67

00:02:11,029 --> 00:02:08,720

the two crossed paths

68

00:02:12,309 --> 00:02:11,039

it jumped onto the road so he saw it for

69

00:02:14,309 --> 00:02:12,319

the first time men

70

00:02:16,470 --> 00:02:14,319

he described it as a skinny man in jeans

71

00:02:18,390 --> 00:02:16,480

and a plaid shirt typical reservoir with

72

00:02:19,750 --> 00:02:18,400

a long face and big yellow eyes that

73

00:02:21,589 --> 00:02:19,760

looked like cat eyes

74

00:02:23,190 --> 00:02:21,599

his arms were thrown up over his head

75

00:02:24,070 --> 00:02:23,200

and his hands were kind of flying out

76
00:02:25,750 --> 00:02:24,080
behind it

77
00:02:27,510 --> 00:02:25,760
the worst part was that his mouth was

78
00:02:28,150 --> 00:02:27,520
open and seemed to be disconnected from

79
00:02:29,910 --> 00:02:28,160
its jaw

80
00:02:31,430 --> 00:02:29,920
his chin was just flapping around about

81
00:02:33,030 --> 00:02:31,440
a foot below its nose

82
00:02:34,630 --> 00:02:33,040
it left them for the road and then just

83
00:02:35,030 --> 00:02:34,640
as quickly jumped out of the way of his

84
00:02:37,030 --> 00:02:35,040
truck

85
00:02:38,869 --> 00:02:37,040
and he didn't see it again he prayed the

86
00:02:40,150 --> 00:02:38,879
whole way home and they had a ceremony

87
00:02:42,150 --> 00:02:40,160
shortly after that

88
00:02:43,509 --> 00:02:42,160

another encounter happened to my adopted

89

00:02:45,190 --> 00:02:43,519

brother who is one of the most

90

00:02:46,070 --> 00:02:45,200

level-headed and unshakable men i've

91

00:02:48,309 --> 00:02:46,080

ever met

92

00:02:49,270 --> 00:02:48,319

he was 30 when this happened he was at

93

00:02:51,110 --> 00:02:49,280

their dad's house

94

00:02:52,710 --> 00:02:51,120

partaking in one of these ceremonies

95

00:02:53,990 --> 00:02:52,720

which happens in the hogan

96

00:02:56,150 --> 00:02:54,000

the rule is that you never leave the

97

00:02:57,830 --> 00:02:56,160

hogan alone because the magic and energy

98

00:02:59,990 --> 00:02:57,840

that you make during those ceremonies

99

00:03:01,190 --> 00:03:00,000

is kind of like a supernatural beacon

100

00:03:02,949 --> 00:03:01,200

and you never know what kind of

101
00:03:05,190 --> 00:03:02,959
creatures you're attracting

102
00:03:07,270 --> 00:03:05,200
still my brother was a pretty rational

103
00:03:09,270 --> 00:03:07,280
guy and wasn't afraid of the dark

104
00:03:10,869 --> 00:03:09,280
he'd been in hogan for hours chanting

105
00:03:12,630 --> 00:03:10,879
and praying and all that good stuff and

106
00:03:13,350 --> 00:03:12,640
he needed a smoke break and to take a

107
00:03:15,270 --> 00:03:13,360
leak

108
00:03:16,710 --> 00:03:15,280
so against the general rule he edged out

109
00:03:17,350 --> 00:03:16,720
of the round house and out into the

110
00:03:19,509 --> 00:03:17,360
night

111
00:03:21,670 --> 00:03:19,519
there was nothing around except 15 or 20

112
00:03:22,309 --> 00:03:21,680
parked cars all close to the ceremony

113
00:03:24,630 --> 00:03:22,319

area

114

00:03:26,550 --> 00:03:24,640

it was a large gathering so he did his

115

00:03:27,350 --> 00:03:26,560

business with no incident and lit up a

116

00:03:29,030 --> 00:03:27,360

cigarette

117

00:03:30,830 --> 00:03:29,040

he was standing there staring off into

118

00:03:33,110 --> 00:03:30,840

space when he got that feeling of being

119

00:03:35,430 --> 00:03:33,120

watched to shake it off he walked away

120

00:03:36,390 --> 00:03:35,440

from the hogan about 20 feet and scanned

121

00:03:38,229 --> 00:03:36,400

the desert

122

00:03:39,589 --> 00:03:38,239

everything was quiet except the drums

123

00:03:40,390 --> 00:03:39,599

coming from the hogan and the singing

124

00:03:42,149 --> 00:03:40,400

within

125

00:03:44,070 --> 00:03:42,159

just as he was about to shrug off his

126
00:03:45,830 --> 00:03:44,080
weird feeling and chuck a cigarette butt

127
00:03:47,910 --> 00:03:45,840
he saw it under one of the vehicles a

128
00:03:49,990 --> 00:03:47,920
dark shape and two shining eyes

129
00:03:51,589 --> 00:03:50,000
the eyes were like animal eyes they

130
00:03:53,030 --> 00:03:51,599
didn't glow on their own but they had

131
00:03:54,229 --> 00:03:53,040
reflective light in them and they

132
00:03:56,070 --> 00:03:54,239
glinted right at him

133
00:03:57,509 --> 00:03:56,080
they were yellow the creature didn't

134
00:03:58,710 --> 00:03:57,519
have the shape of any animal he

135
00:04:00,390 --> 00:03:58,720
recognized though

136
00:04:02,229 --> 00:04:00,400
he explained it to me that it was shaped

137
00:04:03,110 --> 00:04:02,239
like gollum really skinny with a round

138
00:04:04,550 --> 00:04:03,120

human head

139

00:04:06,789 --> 00:04:04,560

he was not scared of something that

140

00:04:08,229 --> 00:04:06,799

would make me bleep my pants instantly

141

00:04:09,830 --> 00:04:08,239

he walked toward the vehicle and bent

142

00:04:11,509 --> 00:04:09,840

down to get a closer look

143

00:04:12,869 --> 00:04:11,519

dust scabbled around and he could hear

144

00:04:14,949 --> 00:04:12,879

a skittering noise

145

00:04:16,150 --> 00:04:14,959

one bony arm shoved some gravel his way

146

00:04:17,990 --> 00:04:16,160

in the next thing he knew

147

00:04:19,909 --> 00:04:18,000

the creature was gone and the vehicle

148

00:04:21,670 --> 00:04:19,919

was empty but then he smelled this

149

00:04:23,510 --> 00:04:21,680

disgusting puke-worthy stench

150

00:04:25,110 --> 00:04:23,520

and he got scared then because that's

151
00:04:25,670 --> 00:04:25,120
one of the worst things in the navajo

152
00:04:27,590 --> 00:04:25,680
culture

153
00:04:29,670 --> 00:04:27,600
bad smells are treated very seriously

154
00:04:31,350 --> 00:04:29,680
when they're assumed to be supernatural

155
00:04:33,350 --> 00:04:31,360
so he strained back up and then

156
00:04:35,430 --> 00:04:33,360
urIALIZED the source of the smell

157
00:04:37,189 --> 00:04:35,440
a shadow fell over him covering him from

158
00:04:38,790 --> 00:04:37,199
behind he is around six

159
00:04:40,550 --> 00:04:38,800
foot two so this thing he said he

160
00:04:42,550 --> 00:04:40,560
estimated at seven and a half feet

161
00:04:44,469 --> 00:04:42,560
at least he was shivering and didn't

162
00:04:46,629 --> 00:04:44,479
move as it approached him from behind

163
00:04:47,830 --> 00:04:46,639

until it was standing inches away he

164

00:04:49,830 --> 00:04:47,840

could feel it smell it

165

00:04:51,590 --> 00:04:49,840

see his shadow and then the worst thing

166

00:04:53,189 --> 00:04:51,600

he felt to breathe on his neck

167

00:04:55,189 --> 00:04:53,199

eric said that it sounded like a horse

168

00:04:57,350 --> 00:04:55,199

or cow when it snorts and its breath was

169

00:04:58,310 --> 00:04:57,360

warm when he looked at his feet he saw

170

00:05:00,950 --> 00:04:58,320

his own shoes

171

00:05:02,870 --> 00:05:00,960

and behind his right foot a big hoof so

172

00:05:04,550 --> 00:05:02,880

he closed his eyes and started to sing

173

00:05:06,390 --> 00:05:04,560

and right at that moment his dad and

174

00:05:07,350 --> 00:05:06,400

uncle got a terrible feeling from inside

175

00:05:09,270 --> 00:05:07,360

the hogan

176

00:05:11,590 --> 00:05:09,280

they bolted up and exited calling his

177

00:05:13,749 --> 00:05:11,600

name they found him shivering outside

178

00:05:15,430 --> 00:05:13,759

too terrified to talk and too terrified

179

00:05:17,110 --> 00:05:15,440

to stop singing in navajo

180

00:05:19,110 --> 00:05:17,120

it took him months before he shared this

181

00:05:20,710 --> 00:05:19,120

with us and he did so expecting us to

182

00:05:23,110 --> 00:05:20,720

laugh or call him crazy

183

00:05:29,749 --> 00:05:23,120

but i completely believe his story our

184

00:05:34,710 --> 00:05:32,310

creepy incident possible skinwalker near

185

00:05:36,790 --> 00:05:34,720

kisichi national forest louisiana

186

00:05:38,629 --> 00:05:36,800

my friend mack likes to go solitary

187

00:05:40,310 --> 00:05:38,639

camping on occasion to be one with

188

00:05:40,950 --> 00:05:40,320

nature and the things that go along with

189

00:05:42,950 --> 00:05:40,960

that

190

00:05:44,070 --> 00:05:42,960

he is also an avid gun collector and

191

00:05:47,029 --> 00:05:44,080

enthusiast

192

00:05:48,950 --> 00:05:47,039

he heritages atacapa's native ancestry i

193

00:05:49,590 --> 00:05:48,960

don't remember exactly when he said this

194

00:05:51,909 --> 00:05:49,600

took place

195

00:05:53,510 --> 00:05:51,919

but it was few years back and he decided

196

00:05:55,749 --> 00:05:53,520

to go camping on a whim

197

00:05:58,550 --> 00:05:55,759

he packed his gear a hunting rifle and

198

00:06:00,550 --> 00:05:58,560

.45 sidearm specifically and headed out

199

00:06:02,469 --> 00:06:00,560

into the country onto a vast swatch of

200

00:06:04,790 --> 00:06:02,479

property owned by a friend of his

201
00:06:06,710 --> 00:06:04,800
he had full permission to be there this

202
00:06:09,029 --> 00:06:06,720
happened close to the kisichi national

203
00:06:10,950 --> 00:06:09,039
forest in south central louisiana

204
00:06:13,430 --> 00:06:10,960
i won't be any more specific other than

205
00:06:15,110 --> 00:06:13,440
that safe to say it's many square miles

206
00:06:17,029 --> 00:06:15,120
of forest and wilderness

207
00:06:19,110 --> 00:06:17,039
he liked to hike in pretty deep and camp

208
00:06:21,749 --> 00:06:19,120
at a specific spot he found a few trips

209
00:06:23,749 --> 00:06:21,759
prior so he made his way and then set up

210
00:06:24,390 --> 00:06:23,759
camp in his usual small clearing for the

211
00:06:26,309 --> 00:06:24,400
night

212
00:06:28,070 --> 00:06:26,319
skipping ahead a few hours it was now

213
00:06:30,230 --> 00:06:28,080

late afternoon when he heard leaves

214

00:06:32,550 --> 00:06:30,240

crunching and twigs being stepped on

215

00:06:34,150 --> 00:06:32,560

he assumed it was an animal at first and

216

00:06:35,830 --> 00:06:34,160

got up from cooking something on the

217

00:06:37,749 --> 00:06:35,840

fire to try to get a look

218

00:06:39,270 --> 00:06:37,759

he gazed in the direction of the noise

219

00:06:41,189 --> 00:06:39,280

and saw a man approaching through the

220

00:06:42,790 --> 00:06:41,199

trees a good many yards away

221

00:06:44,790 --> 00:06:42,800

he has described his etiquette for

222

00:06:45,430 --> 00:06:44,800

dealing with other people in very remote

223

00:06:47,590 --> 00:06:45,440

places

224

00:06:49,189 --> 00:06:47,600

as always being cautious as more often

225

00:06:51,430 --> 00:06:49,199

than not people he comes across

226

00:06:52,629 --> 00:06:51,440

are armed like him he tries to stay as

227

00:06:54,550 --> 00:06:52,639

friendly as possible

228

00:06:56,629 --> 00:06:54,560

but still keeps his guard up looking for

229

00:06:58,309 --> 00:06:56,639

any ulterior motives as you never can

230

00:06:59,589 --> 00:06:58,319

tell what some folks are up to out in

231

00:07:01,510 --> 00:06:59,599

the middle of nowhere

232

00:07:03,350 --> 00:07:01,520

he'll make chitchat with them find out

233

00:07:06,230 --> 00:07:03,360

generally what they're up to if he can

234

00:07:08,390 --> 00:07:06,240

and occasionally share a meal etc he's

235

00:07:10,230 --> 00:07:08,400

never really met anyone nefarious as of

236

00:07:10,790 --> 00:07:10,240

yet other than the situation and maybe

237

00:07:13,029 --> 00:07:10,800

one other

238

00:07:14,950 --> 00:07:13,039

but that's a whole other ordeal so one

239

00:07:16,629 --> 00:07:14,960

thing that sets off small alarm bells

240

00:07:18,550 --> 00:07:16,639

for him as he knows he's the only one

241

00:07:20,070 --> 00:07:18,560

with permission to be on this property

242

00:07:22,230 --> 00:07:20,080

and secondly this guy

243

00:07:23,909 --> 00:07:22,240

is not dressed for the location at all

244

00:07:24,550 --> 00:07:23,919

he said the guy was wearing a white

245

00:07:26,550 --> 00:07:24,560

t-shirt

246

00:07:28,070 --> 00:07:26,560

short blue jogging shorts and white

247

00:07:29,990 --> 00:07:28,080

socks and sneakers

248

00:07:31,749 --> 00:07:30,000

mind you mac is miles out in the middle

249

00:07:34,469 --> 00:07:31,759

of the woods away from any paths

250

00:07:36,550 --> 00:07:34,479

roadways houses or anything really

251
00:07:38,390 --> 00:07:36,560
nobody is going to casually stroll into

252
00:07:41,029 --> 00:07:38,400
his current location dressed like that

253
00:07:43,189 --> 00:07:41,039
unless they are lost or confused etc

254
00:07:45,350 --> 00:07:43,199
it was early fall but not quite cool

255
00:07:46,469 --> 00:07:45,360
very normal for louisiana so there's a

256
00:07:48,950 --> 00:07:46,479
ton of mosquitoes

257
00:07:50,950 --> 00:07:48,960
ticks and other insects you're not going

258
00:07:52,629 --> 00:07:50,960
to have most of your skin exposed if you

259
00:07:54,550 --> 00:07:52,639
can help it deep in the woods

260
00:07:56,150 --> 00:07:54,560
i know that all too well from personal

261
00:07:58,150 --> 00:07:56,160
experience myself

262
00:08:00,230 --> 00:07:58,160
so mac assumes something might be up and

263
00:08:00,790 --> 00:08:00,240

calls out hey there do you need help or

264

00:08:03,350 --> 00:08:00,800

something

265

00:08:03,990 --> 00:08:03,360

pretty loud definitely loud enough to be

266

00:08:05,990 --> 00:08:04,000

heard

267

00:08:07,110 --> 00:08:06,000

the guy keeps walking forward staring

268

00:08:09,110 --> 00:08:07,120

directly at him

269

00:08:10,629 --> 00:08:09,120

mack is starting to get unnerved and as

270

00:08:12,469 --> 00:08:10,639

i said i know this guy well

271

00:08:15,270 --> 00:08:12,479

and he's cool as cucumber in a tense

272

00:08:16,550 --> 00:08:15,280

situation getting more uneasy as the guy

273

00:08:18,790 --> 00:08:16,560

is closing the distance

274

00:08:20,790 --> 00:08:18,800

he gets to his feet and loudly declares

275

00:08:21,430 --> 00:08:20,800

hey man can i help you with something or

276

00:08:23,990 --> 00:08:21,440

what

277

00:08:25,749 --> 00:08:24,000

the guy is 15 to 20 feet away from mack

278

00:08:26,869 --> 00:08:25,759

now standing at the edge of the clearing

279

00:08:28,710 --> 00:08:26,879

and the forest

280

00:08:30,469 --> 00:08:28,720

the guy looking back dead in the eye

281

00:08:32,870 --> 00:08:30,479

speaks and clearly says

282

00:08:34,790 --> 00:08:32,880

help me max said he was already starting

283

00:08:36,469 --> 00:08:34,800

to actually get worried at this point

284

00:08:38,149 --> 00:08:36,479

because he said the way the guy said

285

00:08:39,990 --> 00:08:38,159

this was as if something that didn't

286

00:08:42,070 --> 00:08:40,000

know exactly how to talk was saying

287

00:08:44,230 --> 00:08:42,080

help me or at least that's what he first

288

00:08:46,949 --> 00:08:44,240

thought it did not sound right

289

00:08:47,590 --> 00:08:46,959

the guy still unmoving says help me

290

00:08:49,509 --> 00:08:47,600

again

291

00:08:50,870 --> 00:08:49,519

slightly more emphatic but really just

292

00:08:52,550 --> 00:08:50,880

slightly louder

293

00:08:54,550 --> 00:08:52,560

max said this is when he picked up on

294

00:08:56,470 --> 00:08:54,560

what was truly wrong about this

295

00:08:58,470 --> 00:08:56,480

he said the timbre of the voice was more

296

00:08:59,990 --> 00:08:58,480

female and actually sounded like a

297

00:09:01,350 --> 00:09:00,000

recording being played back

298

00:09:02,949 --> 00:09:01,360

and that the guy's lip and mouth

299

00:09:03,829 --> 00:09:02,959

movements weren't matching up with the

300

00:09:05,990 --> 00:09:03,839

phrase

301
00:09:07,030 --> 00:09:06,000
it's like he was just opening his mouth

302
00:09:09,670 --> 00:09:07,040
emitting the phrase

303
00:09:10,949 --> 00:09:09,680
and closing it again back asked what do

304
00:09:13,430 --> 00:09:10,959
you need help with

305
00:09:15,430 --> 00:09:13,440
not daring to back up or move whatsoever

306
00:09:17,430 --> 00:09:15,440
the guy still standing motionless as

307
00:09:19,509 --> 00:09:17,440
well still looking directly at him said

308
00:09:21,030 --> 00:09:19,519
help me again and repeated the phrase

309
00:09:23,269 --> 00:09:21,040
another three times slowly

310
00:09:25,190 --> 00:09:23,279
but not louder in volume mack now

311
00:09:27,670 --> 00:09:25,200
totally unsure of what the hell is going

312
00:09:29,829 --> 00:09:27,680
on interrupts the guy by barking alright

313
00:09:31,190 --> 00:09:29,839

you need to bleep and go now unless you

314

00:09:33,670 --> 00:09:31,200

actually need my help

315

00:09:35,350 --> 00:09:33,680

do you need my help or not he continued

316

00:09:37,269 --> 00:09:35,360

loud and firm in tone

317

00:09:38,550 --> 00:09:37,279

the guy didn't miss a beat hence started

318

00:09:40,389 --> 00:09:38,560

up with the help me again

319

00:09:41,670 --> 00:09:40,399

and made as if to take another step in

320

00:09:43,430 --> 00:09:41,680

max direction

321

00:09:45,190 --> 00:09:43,440

mack told me that he then did the only

322

00:09:47,430 --> 00:09:45,200

thing that made sense in the moment and

323

00:09:49,190 --> 00:09:47,440

drew his 45 semi-auto pistol

324

00:09:51,269 --> 00:09:49,200

and pointed it at the guy telling him

325

00:09:53,350 --> 00:09:51,279

again you need to bleep and go

326

00:09:55,750 --> 00:09:53,360

i don't care what you want the guy

327

00:09:57,509 --> 00:09:55,760

starts to get more animated and agitated

328

00:09:58,949 --> 00:09:57,519

actually starting to say the phrase

329

00:10:01,509 --> 00:09:58,959

louder now over and over

330

00:10:03,190 --> 00:10:01,519

but not stepping closer or backing away

331

00:10:04,470 --> 00:10:03,200

mack did what he thought was right given

332

00:10:06,630 --> 00:10:04,480

his current predicament

333

00:10:08,710 --> 00:10:06,640

assuming he was dealing with an unstable

334

00:10:10,870 --> 00:10:08,720

or potentially dangerous individual

335

00:10:12,069 --> 00:10:10,880

and discharged around into the ground in

336

00:10:13,750 --> 00:10:12,079

front of the guy

337

00:10:16,310 --> 00:10:13,760

now this is where it gets fully back

338

00:10:16,870 --> 00:10:16,320

crap crazy as the guy stops uttering the

339

00:10:19,190 --> 00:10:16,880

phrase

340

00:10:21,509 --> 00:10:19,200

goes silent and stalker for sure but

341

00:10:23,269 --> 00:10:21,519

mack gave no indication of falsehood and

342

00:10:25,829 --> 00:10:23,279

told me this multiple times

343

00:10:27,509 --> 00:10:25,839

each time and dead serious demeanor yet

344

00:10:29,590 --> 00:10:27,519

max said the guy backflipped away

345

00:10:31,190 --> 00:10:29,600

effortlessly as if pulled back by an

346

00:10:33,350 --> 00:10:31,200

unseen tension coil

347

00:10:35,670 --> 00:10:33,360

he described it as completely humanly

348

00:10:37,590 --> 00:10:35,680

unnatural and totally out of place

349

00:10:39,269 --> 00:10:37,600

the guy had just appeared and repeated

350

00:10:41,269 --> 00:10:39,279

the same phrase over and over

351
00:10:43,110 --> 00:10:41,279
eventually becoming almost frantic

352
00:10:45,030 --> 00:10:43,120
before mack shot at the ground before

353
00:10:46,790 --> 00:10:45,040
him causing hemorrhha to flee

354
00:10:48,710 --> 00:10:46,800
max said he stood there focused on the

355
00:10:50,870 --> 00:10:48,720
forest where the guy just flipped into

356
00:10:52,870 --> 00:10:50,880
and saw and heard no further movement

357
00:10:54,949 --> 00:10:52,880
it was like the guy had never even been

358
00:10:55,829 --> 00:10:54,959
there he stayed like this as the sun

359
00:10:58,310 --> 00:10:55,839
began to set

360
00:11:00,069 --> 00:10:58,320
and the normal night noises crept in as

361
00:11:01,190 --> 00:11:00,079
i mentioned before mac is a pretty

362
00:11:03,030 --> 00:11:01,200
unshakable fellow

363
00:11:04,790 --> 00:11:03,040

and actually stayed in the area for the

364

00:11:06,389 --> 00:11:04,800

night and next night before returning

365

00:11:07,990 --> 00:11:06,399

with no further incident

366

00:11:09,750 --> 00:11:08,000

when he had told me and some other

367

00:11:11,030 --> 00:11:09,760

friends about this of course we asked

368

00:11:12,949 --> 00:11:11,040

many questions

369

00:11:14,069 --> 00:11:12,959

we asked him to elaborate on the guy's

370

00:11:15,509 --> 00:11:14,079

speech sounds

371

00:11:17,350 --> 00:11:15,519

he said the more he thought about it

372

00:11:19,350 --> 00:11:17,360

after the incident the more sure he was

373

00:11:20,710 --> 00:11:19,360

that it was definitely a female's voice

374

00:11:22,550 --> 00:11:20,720

coming from the guy

375

00:11:24,230 --> 00:11:22,560

it was like he or it had heard someone

376

00:11:25,829 --> 00:11:24,240

say this and mimicked it like a parrot

377

00:11:28,230 --> 00:11:25,839

or other talking bird would

378

00:11:29,110 --> 00:11:28,240

almost like a lure he doesn't know what

379

00:11:31,509 --> 00:11:29,120

it wanted

380

00:11:33,430 --> 00:11:31,519

hear it mike qualifies and it didn't

381

00:11:34,550 --> 00:11:33,440

give any indication to follow or utter

382

00:11:36,150 --> 00:11:34,560

anything else

383

00:11:38,550 --> 00:11:36,160

he had reacted immediately to the

384

00:11:40,310 --> 00:11:38,560

gunshot and you know what followed there

385

00:11:42,470 --> 00:11:40,320

he has been back to the property since

386

00:11:44,069 --> 00:11:42,480

with no other strange occurrences

387

00:11:45,910 --> 00:11:44,079

the only other minute detailed that i

388

00:11:47,509 --> 00:11:45,920

can think of is he did remember hearing

389

00:11:49,509 --> 00:11:47,519

during the early morning of the first

390

00:11:51,590 --> 00:11:49,519

night what sounded like a gun shot off

391

00:11:53,430 --> 00:11:51,600

in the distance and it did sound eerily

392

00:11:54,949 --> 00:11:53,440

similar to his 45

393

00:11:57,030 --> 00:11:54,959

he thought he may have heard it again on

394

00:11:58,470 --> 00:11:57,040

the hike back out there are people that

395

00:12:00,310 --> 00:11:58,480

hunt in the area of course

396

00:12:01,590 --> 00:12:00,320

and it could have just been that he

397

00:12:03,750 --> 00:12:01,600

couldn't be sure

398

00:12:05,430 --> 00:12:03,760

since this incident and one other he had

399

00:12:07,430 --> 00:12:05,440

in a complete different location

400

00:12:09,829 --> 00:12:07,440

he did some online research of the whole

401
00:12:10,470 --> 00:12:09,839
kissache area and found many legends

402
00:12:12,310 --> 00:12:10,480
stories

403
00:12:14,389 --> 00:12:12,320
and supposed encounters dealing with

404
00:12:16,710 --> 00:12:14,399
skinwalkers and other unnerving bits of

405
00:12:18,550 --> 00:12:16,720
native american folklore in the area

406
00:12:19,990 --> 00:12:18,560
not to mention mimics and other similar

407
00:12:21,829 --> 00:12:20,000
supposed creatures

408
00:12:23,910 --> 00:12:21,839
a lot of his encounter lines up with

409
00:12:24,949 --> 00:12:23,920
these tales but there's nothing tangible

410
00:12:27,110 --> 00:12:24,959
to prove it of course

411
00:12:28,710 --> 00:12:27,120
but even as a skeptic it does make me

412
00:12:29,430 --> 00:12:28,720
wonder about strange things in the

413
00:12:31,350 --> 00:12:29,440

remote and

414

00:12:36,829 --> 00:12:31,360

untouched areas of our world that can't

415

00:12:40,870 --> 00:12:38,310

tn

416

00:12:41,750 --> 00:12:40,880
