

ARCANE RADIO 

Exploring the Unexplained 

Sept. 11th, 2020

9PM Eastern

Nomar Slevik & Mike Stevens

**'Granite Skies: A Disconcerted
Journey Through the Unknown'**

BXP

1
00:00:07,909 --> 00:00:07,590
the oldest and strongest human emotion

2
00:00:11,190 --> 00:00:07,919
is

3
00:00:11,430 --> 00:00:11,200
fear and the oldest and strongest type

4
00:00:17,990 --> 00:00:11,440
of

5
00:00:21,429 --> 00:00:18,000
when we were children our parents told

6
00:00:23,910 --> 00:00:21,439
us that monsters didn't exist

7
00:00:27,189 --> 00:00:23,920
but we were sure that something was

8
00:00:31,669 --> 00:00:27,199
lurking under the bed or in the closet

9
00:00:34,870 --> 00:00:31,679
fear sees even if our eyes are closed

10
00:00:36,950 --> 00:00:34,880
welcome to the realm of the arcane my

11
00:00:39,270 --> 00:00:36,960
name is lon stripler

12
00:00:40,389 --> 00:00:39,280
join me as i examine unexplained

13
00:00:43,110 --> 00:00:40,399

creatures

14

00:00:45,350 --> 00:00:43,120

strange manifestations of remarkable

15

00:00:48,389 --> 00:00:45,360

realities

16

00:00:51,029 --> 00:00:48,399

imagine this next hour as a voyage of

17

00:00:54,069 --> 00:00:51,039

discovery to strange lands

18

00:00:56,790 --> 00:00:54,079

seeking not for new territory but for

19

00:00:58,389 --> 00:00:56,800

new knowledge of the supernatural come

20

00:01:03,910 --> 00:00:58,399

on board as we begin

21

00:01:08,630 --> 00:01:06,070

hey folks good evening and welcome to

22

00:01:10,390 --> 00:01:08,640

another episode of arcane radio where we

23

00:01:12,310 --> 00:01:10,400

explore the unexplained

24

00:01:14,950 --> 00:01:12,320

here on the paranormal king radio

25

00:01:17,350 --> 00:01:14,960

network i'm your host alan strickler

26

00:01:19,990 --> 00:01:17,360

coming to you within a canon shot

27

00:01:21,749 --> 00:01:20,000

of historic gettysburg pennsylvania i

28

00:01:24,469 --> 00:01:21,759

thank you for joining me

29

00:01:25,429 --> 00:01:24,479

now before i introduce my guest this

30

00:01:28,230 --> 00:01:25,439

evening

31

00:01:29,270 --> 00:01:28,240

i just wanted to mention that uh on

32

00:01:32,710 --> 00:01:29,280

august 31st

33

00:01:35,109 --> 00:01:32,720

2000 of this year 2020

34

00:01:37,030 --> 00:01:35,119

i did receive a call from a madison

35

00:01:38,789 --> 00:01:37,040

wisconsin resident by the name of

36

00:01:40,550 --> 00:01:38,799

deshaunda johnson

37

00:01:43,990 --> 00:01:40,560

and this was in reference to her long

38

00:01:47,270 --> 00:01:44,000

history ufo sightings and encounters

39

00:01:50,469 --> 00:01:47,280

so i i went ahead as i usually do with

40

00:01:53,190 --> 00:01:50,479

calls and reports i contacted

41

00:01:55,350 --> 00:01:53,200

uh fans of monsters fortune research and

42

00:01:57,590 --> 00:01:55,360

fortune society investigator

43

00:01:59,030 --> 00:01:57,600

tobias well and asking him to look into

44

00:02:01,950 --> 00:01:59,040

the claims

45

00:02:03,510 --> 00:02:01,960

you can find his report on

46

00:02:06,630 --> 00:02:03,520

singularfortian.com

47

00:02:07,190 --> 00:02:06,640

or you can go to pharms monsters site

48

00:02:10,309 --> 00:02:07,200

and

49

00:02:12,390 --> 00:02:10,319

at the post title experiencer describes

50

00:02:13,430 --> 00:02:12,400

personal ufo instance in madison

51

00:02:15,830 --> 00:02:13,440

wisconsin

52

00:02:17,589 --> 00:02:15,840

it's a pretty good read so uh i

53

00:02:19,430 --> 00:02:17,599

recommend it highly

54

00:02:21,270 --> 00:02:19,440

now i want to thank those folks who

55

00:02:24,309 --> 00:02:21,280

attended our live

56

00:02:24,710 --> 00:02:24,319

beyond explanation youtube chat this

57

00:02:27,510 --> 00:02:24,720

past

58

00:02:28,309 --> 00:02:27,520

wednesday evening uh the chat was a

59

00:02:31,910 --> 00:02:28,319

success

60

00:02:32,550 --> 00:02:31,920

and so we are planning to continue this

61

00:02:36,070 --> 00:02:32,560

on a

62

00:02:39,350 --> 00:02:36,080

bi-monthly basis so just check in

63

00:02:41,430 --> 00:02:39,360

with the times and uh they'll be done on

64

00:02:42,949 --> 00:02:41,440

wednesday nights at nine o'clock p.m

65

00:02:44,790 --> 00:02:42,959

eastern time

66

00:02:47,350 --> 00:02:44,800

so we're we're going to try to do it

67

00:02:48,790 --> 00:02:47,360

like i said on bi-monthly or every two

68

00:02:51,190 --> 00:02:48,800

weeks

69

00:02:53,190 --> 00:02:51,200

uh i also want to thank the readers and

70

00:02:56,630 --> 00:02:53,200

listeners who contributed

71

00:02:58,630 --> 00:02:56,640

donations it's very much appreciated

72

00:02:59,750 --> 00:02:58,640

we continue to add more features to the

73

00:03:02,869 --> 00:02:59,760

blog

74

00:03:05,990 --> 00:03:02,879

and that beyond explanation

75

00:03:09,270 --> 00:03:06,000

also uh phantoms of monsters 14 research

76

00:03:10,949 --> 00:03:09,280

now has a dedicated website for case

77

00:03:12,309 --> 00:03:10,959

logs and other team and affiliate

78

00:03:15,309 --> 00:03:12,319

information

79

00:03:17,350 --> 00:03:15,319

you can find the site at

80

00:03:22,470 --> 00:03:17,360

cryptidhunters.org

81

00:03:27,910 --> 00:03:25,509

so tonight i welcome granite skies a

82

00:03:31,190 --> 00:03:27,920

disconcerted journey through the unknown

83

00:03:34,470 --> 00:03:31,200

authors no more slavic and mike

84

00:03:36,550 --> 00:03:34,480

stevens to arcane radio now nomore is an

85

00:03:39,030 --> 00:03:36,560

independent creator researcher

86

00:03:40,390 --> 00:03:39,040

and investigator in numerous aspects of

87

00:03:42,630 --> 00:03:40,400

the paranormal

88

00:03:43,990 --> 00:03:42,640

he delights in sharing stories through

89

00:03:45,350 --> 00:03:44,000

different mediums such as books

90

00:03:47,589 --> 00:03:45,360

documentaries

91

00:03:48,390 --> 00:03:47,599

and podcasts he has shared his work for

92

00:03:50,949 --> 00:03:48,400

hundreds

93

00:03:52,789 --> 00:03:50,959

of thousands of enthusiasts and has

94

00:03:55,110 --> 00:03:52,799

maintained a steady output

95

00:03:58,830 --> 00:03:55,120

of material for the past 20 years

96

00:04:03,110 --> 00:04:00,710

nomoreslavic.bigcartel.com

97

00:04:04,550 --> 00:04:03,120

mike stevens is a new hampshire native

98

00:04:06,149 --> 00:04:04,560

born and bred

99

00:04:08,630 --> 00:04:06,159

when not helping others with their

100

00:04:10,390 --> 00:04:08,640

experiences you can find him in the

101
00:04:13,670 --> 00:04:10,400
forest the mountains of the state

102
00:04:15,190 --> 00:04:13,680
camping and hiking mike hopes to combine

103
00:04:17,909 --> 00:04:15,200
his simple new england

104
00:04:19,749 --> 00:04:17,919
values with his own experiences to give

105
00:04:22,230 --> 00:04:19,759
people a positive new outlook

106
00:04:24,390 --> 00:04:22,240
on the ufo and abduction phenomena

107
00:04:25,189 --> 00:04:24,400
mike's website can be found at granite

108
00:04:28,710 --> 00:04:25,199
sky

109
00:04:30,790 --> 00:04:28,720
dot org so guys thanks for joining me

110
00:04:32,469 --> 00:04:30,800
this evening

111
00:04:35,270 --> 00:04:32,479
thanks so much for having us lon really

112
00:04:39,590 --> 00:04:35,280
appreciate it yeah thank you

113
00:04:42,710 --> 00:04:39,600

so mike or no more who ever wanted talk

114

00:04:45,510 --> 00:04:42,720

uh it's definitely beginning uh

115

00:04:47,510 --> 00:04:45,520

just talk about the experiences i'd say

116

00:04:49,510 --> 00:04:47,520

from the baby blue center to the rh

117

00:04:52,710 --> 00:04:49,520

negative blood and beyond

118

00:04:55,990 --> 00:04:52,720

yeah it's uh it's certainly a lifetime

119

00:04:59,430 --> 00:04:56,000

of encounters for mike starting

120

00:05:02,550 --> 00:04:59,440

with infancy but i guess to

121

00:05:03,270 --> 00:05:02,560

get us to the beginnings of where mike

122

00:05:06,710 --> 00:05:03,280

and i

123

00:05:10,230 --> 00:05:06,720

began interacting that started

124

00:05:12,950 --> 00:05:10,240

a few years ago now mike was part

125

00:05:14,310 --> 00:05:12,960

of the kri center for consciousness

126
00:05:16,629 --> 00:05:14,320
studies

127
00:05:18,629 --> 00:05:16,639
that was a place that would host many

128
00:05:21,270 --> 00:05:18,639
types of meetings

129
00:05:21,670 --> 00:05:21,280
anywhere from psychic and empath work to

130
00:05:42,790 --> 00:05:21,680
a

131
00:05:44,629 --> 00:05:42,800
meeting mike in person

132
00:05:46,710 --> 00:05:44,639
i'd heard some rumblings that he had

133
00:05:49,270 --> 00:05:46,720
some of his own experiences

134
00:05:51,510 --> 00:05:49,280
but the thing about mike is that he's he

135
00:05:53,510 --> 00:05:51,520
doesn't make everything about him

136
00:05:54,629 --> 00:05:53,520
you know you go to the center for a

137
00:05:55,510 --> 00:05:54,639
certain reason whether it's a

138
00:05:57,430 --> 00:05:55,520

presentation or an

139

00:05:59,029 --> 00:05:57,440

empath meeting or something you know

140

00:06:00,790 --> 00:05:59,039

mike's in the background he helps out

141

00:06:02,390 --> 00:06:00,800

with set up he helps out with with

142

00:06:03,990 --> 00:06:02,400

everything

143

00:06:05,909 --> 00:06:04,000

but he's not trying to be in your face

144

00:06:07,510 --> 00:06:05,919

and tell everyone his story i just heard

145

00:06:09,270 --> 00:06:07,520

some rumblings

146

00:06:11,670 --> 00:06:09,280

he showed me a really interesting

147

00:06:13,909 --> 00:06:11,680

picture one time when i was there

148

00:06:15,430 --> 00:06:13,919

of this light beam that was coming down

149

00:06:17,749 --> 00:06:15,440

from the sky

150

00:06:18,950 --> 00:06:17,759

that was near this cabin in new

151
00:06:21,909 --> 00:06:18,960
hampshire

152
00:06:22,629 --> 00:06:21,919
and that was obviously intriguing and uh

153
00:06:25,029 --> 00:06:22,639
you know so

154
00:06:26,469 --> 00:06:25,039
through us interacting and and talking

155
00:06:27,670 --> 00:06:26,479
more and becoming

156
00:06:29,990 --> 00:06:27,680
you know a little bit more than

157
00:06:32,469 --> 00:06:30,000
acquaintances uh i was starting to hear

158
00:06:34,870 --> 00:06:32,479
more and more parts of his story that he

159
00:06:38,070 --> 00:06:34,880
would uh you know

160
00:06:40,629 --> 00:06:38,080
share with me and we

161
00:06:41,270 --> 00:06:40,639
talked on the phone god i want to say it

162
00:06:43,990 --> 00:06:41,280
was probably

163
00:06:44,870 --> 00:06:44,000

two years ago now uh mike can correct me

164

00:06:46,150 --> 00:06:44,880

if i'm wrong but

165

00:06:48,870 --> 00:06:46,160

i think it was about two years ago now

166

00:06:51,430 --> 00:06:48,880

we had this really long conversation

167

00:06:53,510 --> 00:06:51,440

about a lot of different things but a

168

00:06:54,629 --> 00:06:53,520

lot of it included his experiences and i

169

00:06:58,469 --> 00:06:54,639

was just

170

00:07:02,309 --> 00:06:58,479

jaw-dropped at the amount of experiences

171

00:07:06,629 --> 00:07:02,319

that he's had and he was also

172

00:07:09,749 --> 00:07:06,639

very articulate and detail-oriented

173

00:07:10,790 --> 00:07:09,759

in his explanations and me and me being

174

00:07:14,830 --> 00:07:10,800

like a content

175

00:07:17,270 --> 00:07:14,840

creator and

176

00:07:19,110 --> 00:07:17,280

really finding stories like this

177

00:07:20,950 --> 00:07:19,120

fascinating that i want to share with as

178

00:07:23,430 --> 00:07:20,960

many people as possible

179

00:07:24,150 --> 00:07:23,440

we started floating around the idea of

180

00:07:28,830 --> 00:07:24,160

maybe

181

00:07:31,029 --> 00:07:28,840

me writing something about his

182

00:07:32,950 --> 00:07:31,039

experiences uh but

183

00:07:34,309 --> 00:07:32,960

at that point i was right in the throes

184

00:07:36,230 --> 00:07:34,319

of like three different projects i

185

00:07:37,909 --> 00:07:36,240

always have a ton of stuff going on

186

00:07:39,749 --> 00:07:37,919

and i wasn't going to be able to

187

00:07:40,950 --> 00:07:39,759

dedicate any time to it for quite a

188

00:07:44,150 --> 00:07:40,960

while

189

00:07:46,790 --> 00:07:44,160

and mike and i finally

190

00:07:48,150 --> 00:07:46,800

met formally for a sit-down long-form

191

00:07:52,469 --> 00:07:48,160

interview

192

00:07:56,469 --> 00:07:52,479

in to late 2018 or early 2019

193

00:07:59,270 --> 00:07:56,479

and i had this long-form interview i got

194

00:08:00,550 --> 00:07:59,280

basically the bulk of his story and then

195

00:08:03,029 --> 00:08:00,560

there was months of

196

00:08:04,550 --> 00:08:03,039

trading messages and phone calls with me

197

00:08:06,309 --> 00:08:04,560

asking certain questions to follow up

198

00:08:08,309 --> 00:08:06,319

get some more additional information

199

00:08:09,749 --> 00:08:08,319

at the same time i currently have a

200

00:08:11,749 --> 00:08:09,759

project that's live

201
00:08:12,869 --> 00:08:11,759
that i'm trying to promote and you know

202
00:08:14,869 --> 00:08:12,879
and

203
00:08:16,869 --> 00:08:14,879
hit the ground running with so i still

204
00:08:17,990 --> 00:08:16,879
couldn't dedicate a ton of creative time

205
00:08:19,909 --> 00:08:18,000
to it just uh

206
00:08:21,909 --> 00:08:19,919
it was just more of a data collection at

207
00:08:24,550 --> 00:08:21,919
that point

208
00:08:25,189 --> 00:08:24,560
and then we sat down for another long

209
00:08:27,909 --> 00:08:25,199
form

210
00:08:28,710 --> 00:08:27,919
discussion and this one might have been

211
00:08:31,189 --> 00:08:28,720
four hours

212
00:08:32,389 --> 00:08:31,199
and it was on his turf it was at his

213
00:08:36,230 --> 00:08:32,399

office

214

00:08:38,949 --> 00:08:36,240
and that meeting

215

00:08:41,029 --> 00:08:38,959
even though i got a lot of the same uh

216

00:08:43,190 --> 00:08:41,039
information about the stories

217

00:08:44,470 --> 00:08:43,200
what was different this time was the

218

00:08:47,670 --> 00:08:44,480
emotion

219

00:08:50,550 --> 00:08:47,680
behind it the trauma behind it that

220

00:08:54,710 --> 00:08:50,560
wasn't as apparent as before

221

00:08:58,150 --> 00:08:54,720
and i became as equally jaw-dropped

222

00:09:00,949 --> 00:08:58,160
by what this man has had to live with

223

00:09:01,829 --> 00:09:00,959
throughout his entire life and from that

224

00:09:05,190 --> 00:09:01,839
point on

225

00:09:07,190 --> 00:09:05,200
it it spun the book out into this wild

226

00:09:09,590 --> 00:09:07,200

direction neither of us had any idea

227

00:09:11,590 --> 00:09:09,600

that it was going to go

228

00:09:14,550 --> 00:09:11,600

and maybe mike can add some some pieces

229

00:09:22,470 --> 00:09:18,230

no you're doing great keep going now

230

00:09:23,750 --> 00:09:22,480

uh yeah um yeah so yeah like you said we

231

00:09:26,150 --> 00:09:23,760

kind of met just through

232

00:09:27,670 --> 00:09:26,160

professional terms and it was like i

233

00:09:28,550 --> 00:09:27,680

liked what he was doing with some of his

234

00:09:31,110 --> 00:09:28,560

other projects

235

00:09:32,949 --> 00:09:31,120

seemed cool and you know that when he

236

00:09:33,829 --> 00:09:32,959

approached me and said you know hey do

237

00:09:37,030 --> 00:09:33,839

you want to do this

238

00:09:37,829 --> 00:09:37,040

like yeah we can we can figure out

239

00:09:39,750 --> 00:09:37,839

something we didn't

240

00:09:42,630 --> 00:09:39,760

even know at that point if it was gonna

241

00:09:44,550 --> 00:09:42,640

be a book or a documentary or this well

242

00:09:46,470 --> 00:09:44,560

i didn't know he was pretty much done

243

00:09:47,829 --> 00:09:46,480

like no i just did a documentary i'm not

244

00:09:51,269 --> 00:09:47,839

doing another one right now

245

00:09:55,350 --> 00:09:51,279

um and you know yeah we just

246

00:09:58,310 --> 00:09:55,360

uh kind of fell into it and

247

00:09:59,910 --> 00:09:58,320

um but i guess what the listeners

248

00:10:03,190 --> 00:09:59,920

probably want to know is

249

00:10:06,710 --> 00:10:03,200

why do you decide to um

250

00:10:08,470 --> 00:10:06,720

do a book about me and

251

00:10:10,949 --> 00:10:08,480

like you kind of briefly mentioned real

252

00:10:13,350 --> 00:10:10,959

quick and nomar kind of

253

00:10:14,870 --> 00:10:13,360

this has been happening to me as early

254

00:10:18,389 --> 00:10:14,880

as i can remember about three

255

00:10:22,630 --> 00:10:18,399

three and a half but there's indications

256

00:10:25,269 --> 00:10:22,640

uh you know of since infancy

257

00:10:26,630 --> 00:10:25,279

up until maybe it's about a month now

258

00:10:28,310 --> 00:10:26,640

but maybe it was only like three weeks

259

00:10:29,750 --> 00:10:28,320

ago the most recent thing that's

260

00:10:31,990 --> 00:10:29,760

happened i mean

261

00:10:33,590 --> 00:10:32,000

when i say a lifetime i mean a lifetime

262

00:10:38,710 --> 00:10:33,600

it has really been

263

00:10:39,990 --> 00:10:38,720

my whole life of just this mix of almost

264

00:10:42,310 --> 00:10:40,000

i don't want to say anything you can

265

00:10:44,389 --> 00:10:42,320

imagine but it's been pretty

266

00:10:46,790 --> 00:10:44,399

a pretty good cross-section of what you

267

00:10:48,230 --> 00:10:46,800

would think is ufo related and some

268

00:10:50,230 --> 00:10:48,240

stuff that

269

00:10:52,230 --> 00:10:50,240

leaves you shaking your head going i

270

00:10:56,069 --> 00:10:52,240

don't even know what to do with that

271

00:10:56,870 --> 00:10:56,079

um you know um before we get into the

272

00:11:00,069 --> 00:10:56,880

actual

273

00:11:03,750 --> 00:11:00,079

uh encounters let me ask this

274

00:11:06,470 --> 00:11:03,760

mike um do you believe

275

00:11:07,750 --> 00:11:06,480

that you were singled out for a reason

276

00:11:11,829 --> 00:11:07,760

uh

277

00:11:15,509 --> 00:11:11,839

thing

278

00:11:19,269 --> 00:11:15,519

uh people in your previous family

279

00:11:22,710 --> 00:11:19,279

uh had uh experiences as well

280

00:11:26,550 --> 00:11:22,720

do you uh do you have any idea as to

281

00:11:29,670 --> 00:11:26,560

why you were chosen to experience this

282

00:11:31,350 --> 00:11:29,680

uh why so much no i don't really have an

283

00:11:33,750 --> 00:11:31,360

answer as far as it

284

00:11:35,110 --> 00:11:33,760

uh following a bloodline yes that seems

285

00:11:38,230 --> 00:11:35,120

to be

286

00:11:42,069 --> 00:11:38,240

fairly apparent in my um family

287

00:11:44,230 --> 00:11:42,079

um everybody's either at least

288

00:11:46,069 --> 00:11:44,240

a lot of my earlier experiences started

289

00:11:47,030 --> 00:11:46,079

with other family members cousins and

290

00:11:50,230 --> 00:11:47,040

this and that

291

00:11:51,750 --> 00:11:50,240

um almost everybody in my family has at

292

00:11:53,430 --> 00:11:51,760

least seen a ufo

293

00:11:56,150 --> 00:11:53,440

my great uncle was kicked out of a

294

00:11:58,389 --> 00:11:56,160

private school in the 60s

295

00:11:59,990 --> 00:11:58,399

for claiming he was abducted by aliens

296

00:12:01,990 --> 00:12:00,000

and the school said well it's

297

00:12:04,710 --> 00:12:02,000

a mental issue or drugs either way we're

298

00:12:07,750 --> 00:12:04,720

not equipped to

299

00:12:09,829 --> 00:12:07,760

handle it so what that reason is

300

00:12:11,670 --> 00:12:09,839

i don't know but yeah it definitely

301

00:12:13,990 --> 00:12:11,680

seems like

302

00:12:16,710 --> 00:12:14,000

um it's through our bloodline uh it

303

00:12:19,590 --> 00:12:16,720

seems to be on my mother's side

304

00:12:20,470 --> 00:12:19,600

and um yeah i couldn't tell you the

305

00:12:24,790 --> 00:12:20,480

reason but

306

00:12:27,509 --> 00:12:24,800

i don't think it was by accident at all

307

00:12:28,230 --> 00:12:27,519

you know it does seem to work like that

308

00:12:31,829 --> 00:12:28,240

uh

309

00:12:33,590 --> 00:12:31,839

i i have talked to many experiencers

310

00:12:36,790 --> 00:12:33,600

over the years

311

00:12:41,030 --> 00:12:36,800

and uh i i believe that maybe

312

00:12:43,590 --> 00:12:41,040

up to 90 or so uh have had

313

00:12:45,030 --> 00:12:43,600

their family experience similar stuff i

314

00:12:46,870 --> 00:12:45,040

mean uh

315

00:12:49,590 --> 00:12:46,880

just like david eckhart who's somebody

316

00:12:52,069 --> 00:12:49,600

i've worked with for over a decade his

317

00:12:53,590 --> 00:12:52,079

his mother and his sister have also had

318

00:12:56,389 --> 00:12:53,600

encounters

319

00:12:58,870 --> 00:12:56,399

uh you know it's something that it does

320

00:13:01,190 --> 00:12:58,880

seem to work that way

321

00:13:03,030 --> 00:13:01,200

so uh yeah that would that would not

322

00:13:05,590 --> 00:13:03,040

surprise me at all

323

00:13:06,629 --> 00:13:05,600

now you talk about this rh negative

324

00:13:10,389 --> 00:13:06,639

blood

325

00:13:13,750 --> 00:13:10,399

phenomena which i have found that

326

00:13:18,829 --> 00:13:13,760

most of the people that i have talked to

327

00:13:25,030 --> 00:13:23,030

experiences also have rh negative blood

328

00:13:27,030 --> 00:13:25,040

so uh i mean no more do you have any

329

00:13:29,110 --> 00:13:27,040

ideas on that

330

00:13:30,150 --> 00:13:29,120

i i guess i wouldn't say i have any

331

00:13:32,470 --> 00:13:30,160

ideas uh

332

00:13:33,509 --> 00:13:32,480

about it like you know a theory about it

333

00:13:35,829 --> 00:13:33,519

but what i do know

334

00:13:37,190 --> 00:13:35,839

is that it's a common thread much like

335

00:13:39,670 --> 00:13:37,200

you know the bloodline

336

00:13:40,949 --> 00:13:39,680

and other family members also having

337

00:13:44,069 --> 00:13:40,959

experiences

338

00:13:47,189 --> 00:13:44,079

it just seems to be a common trait among

339

00:13:49,269 --> 00:13:47,199

abductees and again i i don't know why

340

00:13:51,110 --> 00:13:49,279

uh you know there there are some

341

00:13:51,990 --> 00:13:51,120

organizations like gaia and things like

342

00:13:55,030 --> 00:13:52,000

that that have

343

00:13:57,590 --> 00:13:55,040

expressed that it is some type of

344

00:13:59,590 --> 00:13:57,600

blood trait that might be

345

00:14:01,189 --> 00:13:59,600

extraterrestrial or maybe hybrid in

346

00:14:05,350 --> 00:14:01,199

nature or something like that

347

00:14:08,389 --> 00:14:05,360

i i can't speak to that but what i

348

00:14:12,389 --> 00:14:08,399

can speak to is that

349

00:14:15,509 --> 00:14:12,399

when mike was a baby in his infancy

350

00:14:16,710 --> 00:14:15,519

there was this moment in time where his

351
00:14:19,910 --> 00:14:16,720
skin

352
00:14:21,430 --> 00:14:19,920
turned completely blue and what we like

353
00:14:23,990 --> 00:14:21,440
to do or what i like to do

354
00:14:25,030 --> 00:14:24,000
in the book is to present kind of two

355
00:14:27,590 --> 00:14:25,040
different sides

356
00:14:29,189 --> 00:14:27,600
of what might be going on with mike and

357
00:14:30,069 --> 00:14:29,199
it's you know it's up to the reader to

358
00:14:32,470 --> 00:14:30,079
decide

359
00:14:33,350 --> 00:14:32,480
on what's going on so when mike was an

360
00:14:35,269 --> 00:14:33,360
infant

361
00:14:37,509 --> 00:14:35,279
his parents found one day that he had

362
00:14:40,629 --> 00:14:37,519
turned blue but he was breathing fine

363
00:14:43,030 --> 00:14:40,639

he was eating fine but his skin color

364

00:14:45,350 --> 00:14:43,040

was odd so they obviously like parents

365

00:14:47,509 --> 00:14:45,360

do they brought him to a doctor

366

00:14:49,430 --> 00:14:47,519

doctor you know was fairly dismissive

367

00:14:50,550 --> 00:14:49,440

and said he was probably dehydrated

368

00:14:53,590 --> 00:14:50,560

things like that

369

00:14:55,829 --> 00:14:53,600

uh they didn't think that was right

370

00:14:58,389 --> 00:14:55,839

you know so they got a second opinion

371

00:15:00,389 --> 00:14:58,399

and it was kind of more of the same talk

372

00:15:02,150 --> 00:15:00,399

and then sure enough a few hours later

373

00:15:04,949 --> 00:15:02,160

mike's skin came back to

374

00:15:05,829 --> 00:15:04,959

a normal skin color and everything was

375

00:15:08,389 --> 00:15:05,839

fine

376

00:15:09,670 --> 00:15:08,399

uh so maybe the parents were maybe they

377

00:15:11,750 --> 00:15:09,680

were overreacting

378

00:15:13,350 --> 00:15:11,760

so in some of the research that i did i

379

00:15:16,230 --> 00:15:13,360

found that there are

380

00:15:18,069 --> 00:15:16,240

some reasons reasons in nature for a

381

00:15:21,430 --> 00:15:18,079

baby's skin to turn blue

382

00:15:23,350 --> 00:15:21,440

and it's actually a medically diagnosed

383

00:15:25,509 --> 00:15:23,360

issue that can happen to some infants

384

00:15:28,230 --> 00:15:25,519

and it's called blue baby syndrome

385

00:15:29,030 --> 00:15:28,240

and essentially it has to do with

386

00:15:33,670 --> 00:15:29,040

nitrites

387

00:15:36,949 --> 00:15:33,680

getting into the baby's uh uh

388

00:15:40,470 --> 00:15:36,959

bloodstream and hemoglobin and

389

00:15:44,069 --> 00:15:40,480

that can happen uh through uh formula

390

00:15:46,470 --> 00:15:44,079

that is mixed with water and

391

00:15:47,990 --> 00:15:46,480

that type of water again according to

392

00:15:50,870 --> 00:15:48,000

the research anyways

393

00:15:52,470 --> 00:15:50,880

is not really found everywhere like uh

394

00:15:55,189 --> 00:15:52,480

towns and cities

395

00:15:57,269 --> 00:15:55,199

do quite a bit in their water supply for

396

00:15:59,590 --> 00:15:57,279

quality assurance to try to make sure

397

00:16:00,310 --> 00:15:59,600

things like these negative nitrites are

398

00:16:02,550 --> 00:16:00,320

not

399

00:16:04,629 --> 00:16:02,560

in the drinking water of course there is

400

00:16:06,230 --> 00:16:04,639

an acceptable amount that they will

401
00:16:07,829 --> 00:16:06,240
allow through or that they just cannot

402
00:16:11,350 --> 00:16:07,839
filter out

403
00:16:13,829 --> 00:16:11,360
but that happens more in very rural

404
00:16:15,350 --> 00:16:13,839
areas especially places a lot of places

405
00:16:17,590 --> 00:16:15,360
that use well water

406
00:16:19,590 --> 00:16:17,600
right where mike was born in new

407
00:16:22,790 --> 00:16:19,600
hampshire while it is

408
00:16:23,670 --> 00:16:22,800
somewhat rural it's not as rural as you

409
00:16:26,710 --> 00:16:23,680
know living up

410
00:16:27,189 --> 00:16:26,720
out in the woods and his family at that

411
00:16:29,590 --> 00:16:27,199
time

412
00:16:30,230 --> 00:16:29,600
had town water they did not have well

413
00:16:32,629 --> 00:16:30,240

water

414

00:16:33,509 --> 00:16:32,639

so it didn't it doesn't necessarily make

415

00:16:36,150 --> 00:16:33,519

sense that

416

00:16:36,949 --> 00:16:36,160

the nitrates would cause mike's skin to

417

00:16:39,910 --> 00:16:36,959

turn blue

418

00:16:41,590 --> 00:16:39,920

but it is a possibility on the flip side

419

00:16:44,870 --> 00:16:41,600

i did some research for

420

00:16:46,069 --> 00:16:44,880

uh if there's been reports of alien

421

00:16:48,629 --> 00:16:46,079

species that do

422

00:16:50,230 --> 00:16:48,639

have blue colored skin or blue tinge

423

00:16:52,150 --> 00:16:50,240

skin or something to that

424

00:16:53,590 --> 00:16:52,160

effect and of course there's hundreds of

425

00:16:55,430 --> 00:16:53,600

reports you could do a

426
00:16:57,269 --> 00:16:55,440
quick google search right now to anybody

427
00:16:58,870 --> 00:16:57,279
listening you know just type in blue

428
00:17:00,389 --> 00:16:58,880
skinned alien and you'll find hundreds

429
00:17:01,670 --> 00:17:00,399
of stories of people who have

430
00:17:04,150 --> 00:17:01,680
experienced that

431
00:17:05,829 --> 00:17:04,160
and i include some of those anecdotes

432
00:17:08,230 --> 00:17:05,839
and i say anecdotes because nobody

433
00:17:09,110 --> 00:17:08,240
has any proof pretty much for a lot of

434
00:17:11,829 --> 00:17:09,120
this stuff

435
00:17:12,870 --> 00:17:11,839
especially with a blue alien type of

436
00:17:15,590 --> 00:17:12,880
thing

437
00:17:16,150 --> 00:17:15,600
but in some of the research that i that

438
00:17:20,230 --> 00:17:16,160

i did do

439

00:17:23,590 --> 00:17:20,240

i did find that a more common trait of

440

00:17:26,309 --> 00:17:23,600

someone seeing a blue alien

441

00:17:27,110 --> 00:17:26,319

they were in the form of a child now

442

00:17:28,549 --> 00:17:27,120

they're worse

443

00:17:30,310 --> 00:17:28,559

there are some adult ones that are

444

00:17:32,549 --> 00:17:30,320

reported as well but i was surprised to

445

00:17:35,029 --> 00:17:32,559

find that there was a lot of children

446

00:17:36,470 --> 00:17:35,039

and and then that's just how it's

447

00:17:38,549 --> 00:17:36,480

presented in the book

448

00:17:39,750 --> 00:17:38,559

could it have been nitrates or could it

449

00:17:41,669 --> 00:17:39,760

have been

450

00:17:43,750 --> 00:17:41,679

you know is mike some sort of weird

451
00:17:45,750 --> 00:17:43,760
hybrid you know

452
00:17:47,590 --> 00:17:45,760
we don't know and which one is easier to

453
00:17:50,070 --> 00:17:47,600
believe in my opinion

454
00:17:51,029 --> 00:17:50,080
in my opinion the nitrites are easier to

455
00:17:53,110 --> 00:17:51,039
believe

456
00:17:54,470 --> 00:17:53,120
but that's not what this book is about

457
00:17:56,230 --> 00:17:54,480
and that's not what

458
00:17:58,710 --> 00:17:56,240
mike has made his life about it's not

459
00:18:01,830 --> 00:17:58,720
about what's easier to believe

460
00:18:04,630 --> 00:18:01,840
or what we can prove it's about

461
00:18:06,470 --> 00:18:04,640
the witness which is mike and it's about

462
00:18:07,909 --> 00:18:06,480
what he's gone through so it's not about

463
00:18:10,710 --> 00:18:07,919

proof it's about people

464

00:18:12,310 --> 00:18:10,720

and mike has based his whole granite sky

465

00:18:15,669 --> 00:18:12,320

organization foundation

466

00:18:17,590 --> 00:18:15,679

on that principle so

467

00:18:20,150 --> 00:18:17,600

why don't we start in the beginning with

468

00:18:22,950 --> 00:18:20,160

the actual encounters themselves

469

00:18:25,669 --> 00:18:22,960

uh tell us what happened and how it

470

00:18:27,590 --> 00:18:25,679

progressed over the years

471

00:18:29,510 --> 00:18:27,600

yeah so i mean the first thing i

472

00:18:32,630 --> 00:18:29,520

remember regarding any of this

473

00:18:33,750 --> 00:18:32,640

was um i was about three and a half

474

00:18:35,190 --> 00:18:33,760

years old

475

00:18:37,510 --> 00:18:35,200

we were at my grandmother's house in

476

00:18:39,190 --> 00:18:37,520

southampton new hampshire

477

00:18:41,029 --> 00:18:39,200

um there was some type of family

478

00:18:43,029 --> 00:18:41,039

function going on because

479

00:18:45,110 --> 00:18:43,039

everybody was there the aunts uncles

480

00:18:46,789 --> 00:18:45,120

cousins and all this stuff

481

00:18:48,470 --> 00:18:46,799

and the way my grandmother's house was

482

00:18:50,070 --> 00:18:48,480

set up

483

00:18:51,510 --> 00:18:50,080

you'd go in through the front door which

484

00:18:52,789 --> 00:18:51,520

brought you into the kitchen

485

00:18:54,549 --> 00:18:52,799

and then from the kitchen you kind of

486

00:18:55,110 --> 00:18:54,559

had to go through the dining room which

487

00:18:57,110 --> 00:18:55,120

kind of

488

00:18:59,029 --> 00:18:57,120

was like a pass through which opened up

489

00:19:00,789 --> 00:18:59,039

from there you go to the living room

490

00:19:02,470 --> 00:19:00,799

to haul the bathroom and the bedrooms

491

00:19:04,310 --> 00:19:02,480

and all this stuff

492

00:19:06,310 --> 00:19:04,320

and off that dining room there was a

493

00:19:07,750 --> 00:19:06,320

three season porch that overlooked the

494

00:19:10,950 --> 00:19:07,760

backyard

495

00:19:12,950 --> 00:19:10,960

and when i cut through the dining room

496

00:19:14,950 --> 00:19:12,960

you know past this three season porch

497

00:19:15,909 --> 00:19:14,960

that overlooked the backyard i got this

498

00:19:18,950 --> 00:19:15,919

immense

499

00:19:21,029 --> 00:19:18,960

calling to get outside um

500

00:19:24,150 --> 00:19:21,039

i don't remember how i got outside but i

501
00:19:26,710 --> 00:19:24,160
found myself standing in the driveway

502
00:19:27,510 --> 00:19:26,720
and i also found my cousin standing out

503
00:19:30,470 --> 00:19:27,520
there as well

504
00:19:31,029 --> 00:19:30,480
so this is kind of a miracle in itself

505
00:19:33,029 --> 00:19:31,039
like

506
00:19:35,510 --> 00:19:33,039
that one of us got through all these

507
00:19:37,830 --> 00:19:35,520
adults without being stopped

508
00:19:38,789 --> 00:19:37,840
uh never mind that both of us made it up

509
00:19:42,789 --> 00:19:38,799
out into the yard

510
00:19:46,310 --> 00:19:44,390
so we're just kind of standing there we

511
00:19:48,150 --> 00:19:46,320
don't know why and the next thing you

512
00:19:48,549 --> 00:19:48,160
know the woods behind my grandmother's

513
00:19:51,270 --> 00:19:48,559

house

514

00:19:52,070 --> 00:19:51,280

start glowing almost like there's a

515

00:19:55,190 --> 00:19:52,080

forest fire

516

00:19:58,630 --> 00:19:55,200

or something there's just this like red

517

00:20:01,590 --> 00:19:58,640

amberish glow you know behind all you

518

00:20:04,870 --> 00:20:01,600

see is like shadows of trees

519

00:20:07,669 --> 00:20:04,880

and eventually this classic

520

00:20:08,870 --> 00:20:07,679

saucer object emerges above the tree

521

00:20:11,190 --> 00:20:08,880

line

522

00:20:13,270 --> 00:20:11,200

and starts floating across the lawn

523

00:20:15,669 --> 00:20:13,280

towards us

524

00:20:17,270 --> 00:20:15,679

and it parks itself just to the left of

525

00:20:20,230 --> 00:20:17,280

this big tree that used to be there at

526

00:20:22,310 --> 00:20:20,240

the end of my grandmother's driveway

527

00:20:24,390 --> 00:20:22,320

and you know when i said classic saucer

528

00:20:26,470 --> 00:20:24,400

shape you know it was kind of domed at

529

00:20:29,270 --> 00:20:26,480

the top kind of domed at the bottom

530

00:20:30,070 --> 00:20:29,280

uh you know in the wide middle and it

531

00:20:32,950 --> 00:20:30,080

was probably

532

00:20:34,070 --> 00:20:32,960

you know my best estimate about 40 feet

533

00:20:37,830 --> 00:20:34,080

wide and half

534

00:20:40,630 --> 00:20:37,840

that in height and it just kind of sat

535

00:20:42,390 --> 00:20:40,640

there and we were staring at it watching

536

00:20:43,590 --> 00:20:42,400

it and it had this row of lights around

537

00:20:45,029 --> 00:20:43,600

the middle

538

00:20:47,590 --> 00:20:45,039

that kind of it didn't look like

539

00:20:48,310 --> 00:20:47,600

individual bulbs it's more like a fluid

540

00:20:51,270 --> 00:20:48,320

type

541

00:20:52,789 --> 00:20:51,280

thing but it um you know it was soft

542

00:20:54,630 --> 00:20:52,799

white light and it

543

00:20:56,230 --> 00:20:54,640

they changed color a little bit but it

544

00:20:58,710 --> 00:20:56,240

wasn't

545

00:21:00,310 --> 00:20:58,720

uh dramatic or anything when all of a

546

00:21:03,990 --> 00:21:00,320

sudden that light band

547

00:21:05,669 --> 00:21:04,000

changed in intensity and colors it went

548

00:21:08,789 --> 00:21:05,679

to a lot more

549

00:21:11,350 --> 00:21:08,799

reds and oranges and was flashing a lot

550

00:21:13,029 --> 00:21:11,360

more quicker and when that happened

551
00:21:15,029 --> 00:21:13,039
almost like when you open your car door

552
00:21:17,510 --> 00:21:15,039
at night like some type of

553
00:21:19,110 --> 00:21:17,520
soft interior light like this yellowish

554
00:21:22,230 --> 00:21:19,120
light appeared

555
00:21:25,510 --> 00:21:22,240
above that center row which kind of

556
00:21:27,430 --> 00:21:25,520
gave the outline of a row of windows

557
00:21:29,029 --> 00:21:27,440
above that center bar

558
00:21:31,750 --> 00:21:29,039
and when that came on you couldn't make

559
00:21:35,430 --> 00:21:31,760
out any features but you could see like

560
00:21:35,909 --> 00:21:35,440
humanoid um shadows or silhouettes of

561
00:21:38,710 --> 00:21:35,919
just like

562
00:21:40,310 --> 00:21:38,720
shoulders and heads and at this point

563
00:21:42,230 --> 00:21:40,320

there's just a really

564

00:21:44,950 --> 00:21:42,240

really intense feeling of like when you

565

00:21:46,870 --> 00:21:44,960

know somebody's watching you but it

566

00:21:49,270 --> 00:21:46,880

it is more so than that it was kind of

567

00:21:51,190 --> 00:21:49,280

more primal it's kind of like

568

00:21:53,110 --> 00:21:51,200

what if a bear or something's got you

569

00:21:54,710 --> 00:21:53,120

cornered like you know this is a bad

570

00:21:57,830 --> 00:21:54,720

situation even though you don't know

571

00:22:01,830 --> 00:21:57,840

what the situation is yet

572

00:22:04,230 --> 00:22:01,840

and then in my standing memory

573

00:22:05,270 --> 00:22:04,240

there was a blank uh the next thing i

574

00:22:07,430 --> 00:22:05,280

know

575

00:22:09,669 --> 00:22:07,440

this object is at the other end of the

576

00:22:12,710 --> 00:22:09,679

driveway by the road

577

00:22:14,630 --> 00:22:12,720

hovering above a telephone pole

578

00:22:16,149 --> 00:22:14,640

it kind of sits there for a minute and

579

00:22:18,070 --> 00:22:16,159

then it shoots off

580

00:22:20,070 --> 00:22:18,080

into the sky and kind of just disappears

581

00:22:22,390 --> 00:22:20,080

into a dot in like the blink of an eye

582

00:22:24,830 --> 00:22:22,400

and that was my standing memory the

583

00:22:26,070 --> 00:22:24,840

first time anything like this had ever

584

00:22:28,710 --> 00:22:26,080

happened

585

00:22:29,590 --> 00:22:28,720

did uh now your cousin was with you you

586

00:22:32,549 --> 00:22:29,600

said

587

00:22:33,909 --> 00:22:32,559

yeah and she's only uh six months older

588

00:22:36,149 --> 00:22:33,919

than i am so we're both

589

00:22:39,350 --> 00:22:36,159

like really young there's no way they

590

00:22:43,750 --> 00:22:39,360

would have let us both out of the house

591

00:22:46,710 --> 00:22:43,760

did um did anybody else in your family

592

00:22:48,470 --> 00:22:46,720

see anything or sense anything that

593

00:22:51,190 --> 00:22:48,480

night not that i'm aware of

594

00:22:53,590 --> 00:22:51,200

um okay it's kind of one of those things

595

00:22:55,350 --> 00:22:53,600

i grew up in this household where

596

00:22:57,110 --> 00:22:55,360

they adult like my mother my aunts and

597

00:22:59,990 --> 00:22:57,120

all them they'd always grown up

598

00:23:02,710 --> 00:23:00,000

in haunted houses ghosts were free range

599

00:23:05,990 --> 00:23:02,720

you could talk about ghosts all day long

600

00:23:08,789 --> 00:23:06,000

nobody talked about ufos right

601
00:23:09,990 --> 00:23:08,799
even as me and my cousin grew up you

602
00:23:12,870 --> 00:23:10,000
know

603
00:23:13,430 --> 00:23:12,880
we'd be like oh remember the ufo we saw

604
00:23:15,270 --> 00:23:13,440
yep

605
00:23:16,789 --> 00:23:15,280
and then that was it it was a surface

606
00:23:18,630 --> 00:23:16,799
conversation

607
00:23:20,789 --> 00:23:18,640
and the rest of the family was kind of

608
00:23:23,590 --> 00:23:20,799
like that as well like yeah they saw ufo

609
00:23:25,430 --> 00:23:23,600
under discussion you know nobody really

610
00:23:28,230 --> 00:23:25,440
talked about it

611
00:23:29,190 --> 00:23:28,240
it was like my mid-20s i i went back for

612
00:23:30,950 --> 00:23:29,200
a regression

613
00:23:32,789 --> 00:23:30,960

for that incident to try to kind of fill

614

00:23:34,950 --> 00:23:32,799

in the middle a little bit

615

00:23:36,630 --> 00:23:34,960

um i didn't get all the details there

616

00:23:40,149 --> 00:23:36,640

was still a lot of fear involved

617

00:23:43,590 --> 00:23:40,159

but that's when it became um

618

00:23:46,710 --> 00:23:43,600

a little more clear that the visit

619

00:23:48,149 --> 00:23:46,720

was intentional um you know it wasn't an

620

00:23:49,909 --> 00:23:48,159

accident we weren't at the wrong

621

00:23:51,190 --> 00:23:49,919

place at the wrong time or anything like

622

00:23:55,510 --> 00:23:51,200

that

623

00:23:59,590 --> 00:23:55,520

wasn't the first time

624

00:24:01,350 --> 00:23:59,600

as well um which was a little odd but so

625

00:24:03,269 --> 00:24:01,360

after i did that regression i

626

00:24:05,269 --> 00:24:03,279

i was just starting to kind of come to

627

00:24:06,710 --> 00:24:05,279

terms with this myself

628

00:24:08,390 --> 00:24:06,720

not just this but everything that

629

00:24:10,630 --> 00:24:08,400

happened up to this point around you

630

00:24:14,070 --> 00:24:10,640

know 25

631

00:24:17,669 --> 00:24:14,080

and starting to get to the point where i

632

00:24:19,909 --> 00:24:17,679

had to admit it to myself this was real

633

00:24:21,430 --> 00:24:19,919

and so i this was fresh on my mind so i

634

00:24:23,269 --> 00:24:21,440

called my cousin to see what she

635

00:24:25,830 --> 00:24:23,279

remembered

636

00:24:27,510 --> 00:24:25,840

and i said you remember the ufo you know

637

00:24:29,590 --> 00:24:27,520

we saw when we were kids

638

00:24:30,830 --> 00:24:29,600

i'm like i need you to tell me what you

639

00:24:32,230 --> 00:24:30,840

remember and then i'll tell you what i

640

00:24:34,310 --> 00:24:32,240

remember

641

00:24:35,750 --> 00:24:34,320

and she started telling me and the

642

00:24:36,870 --> 00:24:35,760

minute she started telling me i

643

00:24:40,390 --> 00:24:36,880

remembered

644

00:24:41,029 --> 00:24:40,400

but it was a totally different incident

645

00:24:44,630 --> 00:24:41,039

and again

646

00:24:46,789 --> 00:24:44,640

it was at my grandmother's house

647

00:24:47,830 --> 00:24:46,799

she had my grandmother's big wrap around

648

00:24:49,909 --> 00:24:47,840

porch and

649

00:24:51,669 --> 00:24:49,919

it was basically storage and it was like

650

00:24:53,190 --> 00:24:51,679

a treasure trove for us kids to go out

651
00:24:56,310 --> 00:24:53,200
and play on

652
00:25:01,590 --> 00:24:59,190
doing whatever one night and the

653
00:25:03,750 --> 00:25:01,600
neighbor not across the street but

654
00:25:05,590 --> 00:25:03,760
on the same side of the street

655
00:25:09,350 --> 00:25:05,600
overlooking their backyard this

656
00:25:11,510 --> 00:25:09,360
red light came into the sky and started

657
00:25:13,029 --> 00:25:11,520
doing i call it dancing because i don't

658
00:25:15,669 --> 00:25:13,039
know what else to call it like

659
00:25:16,549 --> 00:25:15,679
circles figure eights there's no way it

660
00:25:19,110 --> 00:25:16,559
was a modern

661
00:25:19,990 --> 00:25:19,120
you know any type of aircraft that we

662
00:25:23,269 --> 00:25:20,000
know of now

663
00:25:26,310 --> 00:25:23,279

and drones weren't a thing back then

664

00:25:27,830 --> 00:25:26,320

and that's what she remembered

665

00:25:29,750 --> 00:25:27,840

and i remembered it when she started

666

00:25:32,549 --> 00:25:29,760

telling me and i was like

667

00:25:33,830 --> 00:25:32,559

i my memory tells me we're older than

668

00:25:37,669 --> 00:25:33,840

that

669

00:25:40,950 --> 00:25:37,679

them you know the three-year-old version

670

00:25:44,470 --> 00:25:40,960

um so then i told her what i remembered

671

00:25:47,269 --> 00:25:44,480

she didn't have recall of that

672

00:25:47,909 --> 00:25:47,279

but you know it's interesting i i know

673

00:25:50,549 --> 00:25:47,919

that

674

00:25:53,110 --> 00:25:50,559

a lot of times when people have these

675

00:25:56,310 --> 00:25:53,120

experiences

676

00:25:57,830 --> 00:25:56,320

they from in most part though they won't

677

00:26:01,750 --> 00:25:57,840

recall something until

678

00:26:04,630 --> 00:26:01,760

much much later uh they they won't even

679

00:26:07,669 --> 00:26:04,640

realize they had lost time

680

00:26:09,350 --> 00:26:07,679

or what happened at whatever location

681

00:26:11,830 --> 00:26:09,360

they went to

682

00:26:13,750 --> 00:26:11,840

was that your case i mean did the

683

00:26:16,230 --> 00:26:13,760

regression actually help you

684

00:26:17,909 --> 00:26:16,240

or did you start remembering more as

685

00:26:21,750 --> 00:26:17,919

time went on

686

00:26:23,830 --> 00:26:21,760

uh a little of both like i remembered

687

00:26:26,230 --> 00:26:23,840

everything except that middle gap before

688

00:26:30,230 --> 00:26:26,240

the regression

689

00:26:33,269 --> 00:26:30,240

you know ever since it happened

690

00:26:34,950 --> 00:26:33,279

it did fill in some gaps and once i got

691

00:26:37,909 --> 00:26:34,960

to that point

692

00:26:39,510 --> 00:26:37,919

where i was consciously not trying to

693

00:26:40,549 --> 00:26:39,520

forget this stuff i guess is a good way

694

00:26:42,789 --> 00:26:40,559

to put it

695

00:26:44,710 --> 00:26:42,799

yeah more stuff did start flooding in

696

00:26:47,269 --> 00:26:44,720

and

697

00:26:48,870 --> 00:26:47,279

the more i was open to it the more

698

00:26:51,669 --> 00:26:48,880

something weird would hit you

699

00:26:52,149 --> 00:26:51,679

like i didn't i started out like very

700

00:26:54,870 --> 00:26:52,159

much

701
00:26:55,190 --> 00:26:54,880
you know aliens are bad this and that

702
00:26:56,789 --> 00:26:55,200
like

703
00:26:58,630 --> 00:26:56,799
all these people who are talking oh

704
00:26:59,029 --> 00:26:58,640
about good aliens and this and that they

705
00:27:00,630 --> 00:26:59,039
can

706
00:27:02,310 --> 00:27:00,640
you know throw it right out the window

707
00:27:05,510 --> 00:27:02,320
like no that's not my

708
00:27:06,149 --> 00:27:05,520
experience and the more i just started

709
00:27:07,990 --> 00:27:06,159
really being

710
00:27:10,070 --> 00:27:08,000
open to the whole thing i i kind of

711
00:27:12,070 --> 00:27:10,080
started realizing

712
00:27:13,190 --> 00:27:12,080
i'm only looking at it through my

713
00:27:14,630 --> 00:27:13,200

perception

714

00:27:17,269 --> 00:27:14,640

and there's probably a lot of this i

715

00:27:20,950 --> 00:27:17,279

don't understand which is still true

716

00:27:21,909 --> 00:27:20,960

but um has probably a great bigger

717

00:27:26,389 --> 00:27:21,919

picture that i'm

718

00:27:29,269 --> 00:27:26,399

taking in um

719

00:27:30,549 --> 00:27:29,279

so as far as the beings that you

720

00:27:33,430 --> 00:27:30,559

encountered

721

00:27:35,830 --> 00:27:33,440

can you give us some descriptions of

722

00:27:39,350 --> 00:27:35,840

what they looked like how they acted

723

00:27:43,029 --> 00:27:39,360

how they treated you yeah

724

00:27:45,669 --> 00:27:43,039

um so

725

00:27:47,029 --> 00:27:45,679

for the most part i've dealt with a lot

726

00:27:51,029 --> 00:27:47,039

of

727

00:27:54,230 --> 00:27:51,039

i guess i'd say archaeal type

728

00:27:57,510 --> 00:27:54,240

grays i and what i mean by that is

729

00:27:58,710 --> 00:27:57,520

you know the elongated big head the big

730

00:28:02,230 --> 00:27:58,720

eyes but they've

731

00:28:04,389 --> 00:28:02,240

um come in a lot of demeanors i've seen

732

00:28:06,070 --> 00:28:04,399

some what you'd call regular grays some

733

00:28:09,350 --> 00:28:06,080

have been a darker brown

734

00:28:11,830 --> 00:28:09,360

and a little bit taller

735

00:28:13,190 --> 00:28:11,840

i had an experience we ended up actually

736

00:28:14,470 --> 00:28:13,200

moving into the house next to my

737

00:28:17,350 --> 00:28:14,480

grandmother's

738

00:28:19,669 --> 00:28:17,360

when i was living there um i had

739

00:28:22,230 --> 00:28:19,679
encounters

740

00:28:23,190 --> 00:28:22,240
for almost like a schooling type

741

00:28:26,149 --> 00:28:23,200
situation

742

00:28:27,350 --> 00:28:26,159
for what best we can estimate about nine

743

00:28:29,110 --> 00:28:27,360
months with

744

00:28:31,269 --> 00:28:29,120
again they looked like that gray

745

00:28:33,669 --> 00:28:31,279
archaeal type but they were

746

00:28:38,149 --> 00:28:33,679
almost more porcelain white softer

747

00:28:38,159 --> 00:28:43,430
on one occasion

748

00:28:50,149 --> 00:28:46,870
some of the like five foot

749

00:28:52,230 --> 00:28:50,159
tallish uh browner darker brown or grays

750

00:28:55,029 --> 00:28:52,240
type whatever you want to call them

751
00:28:58,549 --> 00:28:55,039
things were walking me up a driveway

752
00:28:58,950 --> 00:28:58,559
and i heard like this if they talk to

753
00:29:03,669 --> 00:28:58,960
you

754
00:29:04,549 --> 00:29:03,679
them talk to each other in this occasion

755
00:29:07,669 --> 00:29:04,559
as they were

756
00:29:09,510 --> 00:29:07,679
escorting me up the driveway i heard one

757
00:29:10,230 --> 00:29:09,520
of them say to the other don't let them

758
00:29:12,070 --> 00:29:10,240
turn around

759
00:29:13,350 --> 00:29:12,080
and when you hear that your first

760
00:29:16,230 --> 00:29:13,360
instinct is to

761
00:29:16,710 --> 00:29:16,240
turn around and i when i did there was

762
00:29:18,789 --> 00:29:16,720
almost

763
00:29:19,830 --> 00:29:18,799

i call it the like creature the black

764

00:29:21,990 --> 00:29:19,840

lagoon there was

765

00:29:24,310 --> 00:29:22,000

it's pretty similar to that except had

766

00:29:27,830 --> 00:29:24,320

more cat-like eyes

767

00:29:31,190 --> 00:29:27,840

like creeping behind a tree um

768

00:29:34,950 --> 00:29:31,200

i've had some like troll type looking

769

00:29:37,990 --> 00:29:34,960

um things short three foot

770

00:29:41,190 --> 00:29:38,000

uh again the big black almond shaped

771

00:29:45,190 --> 00:29:41,200

eyes um you know that's been the

772

00:29:48,310 --> 00:29:45,200

bigger part is that type of

773

00:29:52,310 --> 00:29:48,320

uh creature or being

774

00:29:55,190 --> 00:29:52,320

for lack of a better word right

775

00:29:56,470 --> 00:29:55,200

more holographic versions of them that

776

00:29:59,430 --> 00:29:56,480

were bluer

777

00:30:01,190 --> 00:29:59,440

on a couple occasions but that's been

778

00:30:05,990 --> 00:30:01,200

the main type for my

779

00:30:07,830 --> 00:30:06,000

experiences did uh um

780

00:30:10,549 --> 00:30:07,840

now when they communicated now when you

781

00:30:13,430 --> 00:30:10,559

heard them communicate among themselves

782

00:30:15,669 --> 00:30:13,440

and or if they communicated with you

783

00:30:19,190 --> 00:30:15,679

what was it done telepathically

784

00:30:21,110 --> 00:30:19,200

voice or and did they speak in english

785

00:30:23,430 --> 00:30:21,120

or was it something that at the time you

786

00:30:26,070 --> 00:30:23,440

just understood

787

00:30:28,070 --> 00:30:26,080

uh that's a really good question it was

788

00:30:29,990 --> 00:30:28,080

always telepathically

789

00:30:31,430 --> 00:30:30,000

whether it's english or not or i just

790

00:30:33,669 --> 00:30:31,440

understood is a

791

00:30:36,789 --> 00:30:33,679

really great question to me it sounded

792

00:30:38,230 --> 00:30:36,799

like english but um

793

00:30:40,950 --> 00:30:38,240

yeah i never really thought about it

794

00:30:45,190 --> 00:30:43,350

yeah that's something that i've i've

795

00:30:47,350 --> 00:30:45,200

dealt with with other experiences well

796

00:30:49,590 --> 00:30:47,360

i've been abducted myself so

797

00:30:50,789 --> 00:30:49,600

it seemed that they communicated with me

798

00:30:52,549 --> 00:30:50,799

telepathically but

799

00:30:53,990 --> 00:30:52,559

you know i did understand what they were

800

00:30:57,110 --> 00:30:54,000

talking about

801
00:30:58,630 --> 00:30:57,120
uh and most others who i've talked to

802
00:31:01,350 --> 00:30:58,640
said the same thing

803
00:31:02,870 --> 00:31:01,360
now there have been instances where some

804
00:31:05,750 --> 00:31:02,880
of these beings and

805
00:31:06,789 --> 00:31:05,760
i'm talking maybe higher order beings

806
00:31:10,950 --> 00:31:06,799
would actually

807
00:31:14,070 --> 00:31:10,960
speak voice wise in english

808
00:31:16,389 --> 00:31:14,080
uh from what i have been told so i was

809
00:31:18,310 --> 00:31:16,399
just curious as to what you know how you

810
00:31:20,549 --> 00:31:18,320
understood them oh yeah

811
00:31:22,149 --> 00:31:20,559
audibly i never i i don't think i've

812
00:31:23,990 --> 00:31:22,159
ever understood it

813
00:31:25,190 --> 00:31:24,000

yeah i've never heard them speak to me

814

00:31:29,029 --> 00:31:25,200

audibly like we would

815

00:31:32,710 --> 00:31:31,350

so i know mara when you started hearing

816

00:31:34,310 --> 00:31:32,720

this story from mike

817

00:31:35,990 --> 00:31:34,320

what were your thoughts did it sound

818

00:31:39,029 --> 00:31:36,000

like anything close

819

00:31:42,230 --> 00:31:39,039

to what you had heard in previously

820

00:31:45,029 --> 00:31:42,240

uh definitely but only in parts

821

00:31:46,389 --> 00:31:45,039

you know some of those common themes you

822

00:31:47,990 --> 00:31:46,399

know uh

823

00:31:50,310 --> 00:31:48,000

like i was abducted but i don't really

824

00:31:52,710 --> 00:31:50,320

remember a lot of it you know

825

00:31:54,630 --> 00:31:52,720

things like that that you commonly hear

826

00:31:57,430 --> 00:31:54,640

from from abductees

827

00:31:58,630 --> 00:31:57,440

but what really got me about mike's

828

00:32:01,590 --> 00:31:58,640

story were

829

00:32:02,310 --> 00:32:01,600

all the things that i had never heard

830

00:32:05,110 --> 00:32:02,320

before

831

00:32:05,909 --> 00:32:05,120

you know he's got stories where as a

832

00:32:07,750 --> 00:32:05,919

child

833

00:32:09,110 --> 00:32:07,760

for some reason he decided to get up and

834

00:32:12,630 --> 00:32:09,120

look out a window

835

00:32:16,070 --> 00:32:12,640

and there's like these five short troll

836

00:32:18,230 --> 00:32:16,080

looking creatures there and

837

00:32:20,389 --> 00:32:18,240

they they they're all holding spade

838

00:32:21,350 --> 00:32:20,399

shovels and they've dug this perfectly

839

00:32:27,990 --> 00:32:21,360

round

840

00:32:30,149 --> 00:32:28,000

as mike is telling me this uh he's also

841

00:32:32,230 --> 00:32:30,159

uh trying to articulate it to himself

842

00:32:34,630 --> 00:32:32,240

like that actually might have been

843

00:32:36,710 --> 00:32:34,640

a screen memory like it seems like maybe

844

00:32:38,549 --> 00:32:36,720

more had been happening but this is

845

00:32:40,549 --> 00:32:38,559

as much as they were going to let me see

846

00:32:42,310 --> 00:32:40,559

or this is the version of it that

847

00:32:44,149 --> 00:32:42,320

i'm allowed to see and that actually

848

00:32:47,029 --> 00:32:44,159

became kind of a running theme

849

00:32:47,509 --> 00:32:47,039

within mike's narrative uh like him

850

00:32:50,549 --> 00:32:47,519

being

851
00:32:51,590 --> 00:32:50,559
aware enough uh that he was probably

852
00:32:53,669 --> 00:32:51,600
remembering

853
00:32:56,149 --> 00:32:53,679
some screen memories which were still

854
00:32:59,430 --> 00:32:56,159
odd in and of themselves uh

855
00:33:02,789 --> 00:32:59,440
he has some other screen memories of uh

856
00:33:04,549 --> 00:33:02,799
seeing uh white uh albino deer

857
00:33:07,430 --> 00:33:04,559
like two of them scene one is rare

858
00:33:10,230 --> 00:33:07,440
especially in our area but scene two

859
00:33:11,669 --> 00:33:10,240
next to each other is obviously odd

860
00:33:14,710 --> 00:33:11,679
there's been other weird

861
00:33:16,870 --> 00:33:14,720
animal things that have happened and you

862
00:33:19,430 --> 00:33:16,880
know that can be

863
00:33:20,630 --> 00:33:19,440

some common threads with some abductees

864

00:33:22,630 --> 00:33:20,640

when you get into mike's

865

00:33:25,990 --> 00:33:22,640

details they're they're certainly

866

00:33:29,190 --> 00:33:26,000

strange he had this one experience where

867

00:33:32,950 --> 00:33:29,200

there was this holographic image

868

00:33:34,950 --> 00:33:32,960

of a gray alien's face in his bedroom

869

00:33:38,070 --> 00:33:34,960

window which was on the second floor

870

00:33:38,710 --> 00:33:38,080

the face took up the entire window and

871

00:33:40,710 --> 00:33:38,720

again it

872

00:33:42,470 --> 00:33:40,720

kind of looked like a hologram and then

873

00:33:46,549 --> 00:33:42,480

all of a sudden a blue jay

874

00:33:50,549 --> 00:33:46,559

out of nowhere smacked into the window

875

00:33:53,669 --> 00:33:50,559

and hearing that i immediately thought

876

00:33:56,070 --> 00:33:53,679

what is the significance of a blue jay

877

00:33:58,149 --> 00:33:56,080

and so in in doing some research about

878

00:34:01,190 --> 00:33:58,159

you know blue jays in particular

879

00:34:03,110 --> 00:34:01,200

people who see them a lot or maybe

880

00:34:04,230 --> 00:34:03,120

find themselves like a kindred spirit

881

00:34:06,950 --> 00:34:04,240

with a blue jay

882

00:34:07,509 --> 00:34:06,960

has a lot to do with things that are

883

00:34:10,149 --> 00:34:07,519

kind

884

00:34:11,909 --> 00:34:10,159

and not negative and i think some of

885

00:34:12,790 --> 00:34:11,919

that might have been feeding mike's

886

00:34:15,190 --> 00:34:12,800

subconscious

887

00:34:16,710 --> 00:34:15,200

for when he got older like maybe these

888

00:34:20,389 --> 00:34:16,720

haven't all been

889

00:34:23,030 --> 00:34:20,399

negative experiences maybe there is

890

00:34:24,389 --> 00:34:23,040

you know a reason to all this no idea

891

00:34:26,389 --> 00:34:24,399

what the reason is but

892

00:34:27,669 --> 00:34:26,399

but maybe it's not as malevolent as as

893

00:34:30,310 --> 00:34:27,679

he had thought

894

00:34:32,869 --> 00:34:30,320

yeah you know i did see in the book

895

00:34:35,190 --> 00:34:32,879

where you had talked to mike cleland

896

00:34:37,430 --> 00:34:35,200

and uh i have talked to mike on several

897

00:34:40,869 --> 00:34:37,440

occasions because

898

00:34:43,109 --> 00:34:40,879

for about a year i had been experiencing

899

00:34:44,230 --> 00:34:43,119

a lot of references and sightings of

900

00:34:46,389 --> 00:34:44,240

owls

901
00:34:48,310 --> 00:34:46,399
uh for that one year period and that was

902
00:34:51,109 --> 00:34:48,320
the same year period

903
00:34:52,869 --> 00:34:51,119
uh in which my wife was sick and she

904
00:34:56,149 --> 00:34:52,879
also passed away

905
00:34:58,310 --> 00:34:56,159
but i had also been having encounters

906
00:35:01,670 --> 00:34:58,320
with these tall white beings

907
00:35:03,670 --> 00:35:01,680
and i had the one abduction

908
00:35:06,710 --> 00:35:03,680
but these it would be the interesting

909
00:35:09,190 --> 00:35:06,720
part was there was always this reference

910
00:35:10,470 --> 00:35:09,200
to owls i would seat owls i would hear

911
00:35:12,310 --> 00:35:10,480
about owls

912
00:35:14,790 --> 00:35:12,320
then i would actually see them and in

913
00:35:17,990 --> 00:35:14,800

fact uh

914

00:35:19,670 --> 00:35:18,000

my associate butch wikowski he and i had

915

00:35:22,230 --> 00:35:19,680

talked about it because

916

00:35:24,390 --> 00:35:22,240

i was i was telling him about it and we

917

00:35:26,470 --> 00:35:24,400

had no idea

918

00:35:27,910 --> 00:35:26,480

why this was going on then of course

919

00:35:29,990 --> 00:35:27,920

when i talked to mike he

920

00:35:32,150 --> 00:35:30,000

you know his story is pretty well known

921

00:35:35,109 --> 00:35:32,160

about the reference to the owls

922

00:35:36,550 --> 00:35:35,119

and possible alien references and it

923

00:35:40,390 --> 00:35:36,560

seems you had something

924

00:35:43,990 --> 00:35:43,190

yeah it almost worked in the opposite

925

00:35:45,750 --> 00:35:44,000

way though

926
00:35:47,270 --> 00:35:45,760
like you know because omar looked it up

927
00:35:49,430 --> 00:35:47,280
and it was supposed to be about like hey

928
00:35:52,550 --> 00:35:49,440
this isn't all bad and it's like

929
00:35:54,950 --> 00:35:52,560
i developed a phobia i'm not a small guy

930
00:35:58,630 --> 00:35:54,960
i am six foot you know

931
00:36:00,390 --> 00:35:58,640
i have even now i am terrified of

932
00:36:02,470 --> 00:36:00,400
songbirds like i can watch them through

933
00:36:02,790 --> 00:36:02,480
a window if they get too close to me i

934
00:36:05,190 --> 00:36:02,800
will

935
00:36:06,069 --> 00:36:05,200
flip out people think it's funny when

936
00:36:08,310 --> 00:36:06,079
they see

937
00:36:10,390 --> 00:36:08,320
like me have a heart attack over a

938
00:36:12,950 --> 00:36:10,400

chickadee landing next to my foot

939

00:36:14,230 --> 00:36:12,960

but i'm fine with i'm fine with owls

940

00:36:15,829 --> 00:36:14,240

raptors eagle

941

00:36:17,670 --> 00:36:15,839

like things that really could tear my

942

00:36:21,030 --> 00:36:17,680

face off i'm okay with

943

00:36:24,069 --> 00:36:21,040

but i've had a lot of encounters um

944

00:36:27,349 --> 00:36:24,079

i think maybe because of that phobia

945

00:36:29,190 --> 00:36:27,359

with deer but i do have i'm in the woods

946

00:36:31,270 --> 00:36:29,200

a lot so sometimes it's hard to tell

947

00:36:32,310 --> 00:36:31,280

like sometimes now it's just now

948

00:36:35,430 --> 00:36:32,320

sometimes it's not

949

00:36:36,630 --> 00:36:35,440

but i have one stretch of road days to

950

00:36:40,710 --> 00:36:36,640

travel where

951
00:36:43,109 --> 00:36:40,720
it was where i saw the two white deer um

952
00:36:43,750 --> 00:36:43,119
within like a quarter mile of everything

953
00:36:51,750 --> 00:36:43,760
a

954
00:36:53,589 --> 00:36:51,760
world

955
00:36:55,829 --> 00:36:53,599
swoop down in front of the car where i

956
00:36:57,670 --> 00:36:55,839
had to and it was the same

957
00:36:59,990 --> 00:36:57,680
area where i saw i don't even want to

958
00:37:01,910 --> 00:37:00,000
call it a craft it looked craft shaped

959
00:37:05,430 --> 00:37:01,920
but it was more of like a plasma just

960
00:37:08,550 --> 00:37:05,440
glowing white light in the sky

961
00:37:10,790 --> 00:37:08,560
um and this all happened

962
00:37:12,790 --> 00:37:10,800
you know within a quarter mile of each

963
00:37:15,990 --> 00:37:12,800

other in the same stretch of road

964

00:37:20,230 --> 00:37:16,000

um yeah it does seem that these

965

00:37:21,750 --> 00:37:20,240

owls are uh like a precursor to an

966

00:37:25,109 --> 00:37:21,760

actual

967

00:37:27,510 --> 00:37:25,119

event um now are they controlled by

968

00:37:29,190 --> 00:37:27,520

these alien beings or

969

00:37:30,870 --> 00:37:29,200

you know what's the thing maybe that's

970

00:37:33,910 --> 00:37:30,880

the same thing with the deer with you

971

00:37:37,030 --> 00:37:33,920

they were some type of precursor

972

00:37:39,190 --> 00:37:37,040

to warn you or to uh

973

00:37:40,230 --> 00:37:39,200

you know get you ready for what was

974

00:37:41,990 --> 00:37:40,240

coming yeah

975

00:37:43,750 --> 00:37:42,000

that's what i was thinking it's it's all

976
00:37:45,990 --> 00:37:43,760
like a pre

977
00:37:48,550 --> 00:37:46,000
screen memory or something to be like

978
00:37:50,790 --> 00:37:48,560
okay in your lucid state

979
00:37:51,589 --> 00:37:50,800
you'll experience this and then once

980
00:37:53,430 --> 00:37:51,599
you're

981
00:37:55,990 --> 00:37:53,440
you know after what happens and then

982
00:37:58,710 --> 00:37:56,000
once you become lucid again

983
00:38:00,550 --> 00:37:58,720
you know you'll still remember the the

984
00:38:01,990 --> 00:38:00,560
animal the the thing that you can wrap

985
00:38:05,109 --> 00:38:02,000
your mind around it it's

986
00:38:05,990 --> 00:38:05,119
interesting to theorize yeah i i know in

987
00:38:09,270 --> 00:38:06,000
my case

988
00:38:12,630 --> 00:38:09,280

it was uh i had been seeing these owls

989

00:38:14,630 --> 00:38:12,640

uh but it was more that i was getting

990

00:38:17,270 --> 00:38:14,640

references al's and

991

00:38:18,550 --> 00:38:17,280

which was interesting it was in november

992

00:38:21,589 --> 00:38:18,560

and i uh

993

00:38:23,829 --> 00:38:21,599

and my wife had just passed away

994

00:38:24,950 --> 00:38:23,839

and uh my son and i were coming home

995

00:38:29,190 --> 00:38:24,960

from the hospital

996

00:38:32,950 --> 00:38:29,200

it was uh it was at night and

997

00:38:34,150 --> 00:38:32,960

i heard this hoot or the house sound

998

00:38:37,190 --> 00:38:34,160

coming from outside

999

00:38:38,550 --> 00:38:37,200

my apartment i never seen an owl there

1000

00:38:40,790 --> 00:38:38,560

before

1001
00:38:43,030 --> 00:38:40,800
but this owl was sitting in the tree

1002
00:38:46,310 --> 00:38:43,040
right in front of my apartment

1003
00:38:48,550 --> 00:38:46,320
and uh it was there for about an hour

1004
00:38:49,750 --> 00:38:48,560
then it it was gone and i hadn't had an

1005
00:38:52,870 --> 00:38:49,760
owl reference

1006
00:38:56,150 --> 00:38:52,880
or seen it now since then so

1007
00:38:57,430 --> 00:38:56,160
my theory is that during the time that

1008
00:39:00,470 --> 00:38:57,440
she was sick

1009
00:39:01,270 --> 00:39:00,480
that they were possibly trying to tell

1010
00:39:06,230 --> 00:39:01,280
me

1011
00:39:09,349 --> 00:39:06,240
her or whatever and that these

1012
00:39:11,349 --> 00:39:09,359
these owls were some type of uh

1013
00:39:14,150 --> 00:39:11,359

oh i don't know sentries or something

1014

00:39:17,349 --> 00:39:14,160

that were just keeping an eye on me but

1015

00:39:19,270 --> 00:39:17,359

that's that's the only um that

1016

00:39:20,870 --> 00:39:19,280

that's the only thing that i can come up

1017

00:39:22,710 --> 00:39:20,880

with that now the fact that you know

1018

00:39:24,390 --> 00:39:22,720

i've talked to mike and now what you're

1019

00:39:27,670 --> 00:39:24,400

telling me

1020

00:39:29,589 --> 00:39:27,680

it does seem that these are some type of

1021

00:39:32,630 --> 00:39:29,599

warning or precursors

1022

00:39:35,349 --> 00:39:32,640

to be ready for something to occur

1023

00:39:37,829 --> 00:39:35,359

yeah and i mean i i think this is my

1024

00:39:40,310 --> 00:39:37,839

problem with ufology that they're so

1025

00:39:43,270 --> 00:39:40,320

focused on the you know nuts and bolts

1026

00:39:44,470 --> 00:39:43,280

aspect of it when you start talking to

1027

00:39:46,150 --> 00:39:44,480

people who've actually had the

1028

00:39:49,270 --> 00:39:46,160

experiences

1029

00:39:51,910 --> 00:39:49,280

it dwells into other stuff like

1030

00:39:53,589 --> 00:39:51,920

if you didn't know somebody had a you

1031

00:39:55,670 --> 00:39:53,599

know ufo experience you'd be like oh

1032

00:39:57,190 --> 00:39:55,680

that's paranormal that's a spirit guide

1033

00:39:59,030 --> 00:39:57,200

that's this that's that

1034

00:40:01,430 --> 00:39:59,040

it's all the same stuff we're just

1035

00:40:04,630 --> 00:40:01,440

looking at at different angles but

1036

00:40:06,950 --> 00:40:04,640

this yeah this whole i don't know what

1037

00:40:07,990 --> 00:40:06,960

the right term is spiritual side of it i

1038

00:40:11,190 --> 00:40:08,000

guess

1039

00:40:13,750 --> 00:40:11,200

of you know ufology

1040

00:40:14,550 --> 00:40:13,760

is there just nobody wants to look at it

1041

00:40:19,109 --> 00:40:14,560

you know

1042

00:40:20,150 --> 00:40:19,119

there's other cases not particularly in

1043

00:40:22,390 --> 00:40:20,160

mind but

1044

00:40:24,470 --> 00:40:22,400

where you know people have followed what

1045

00:40:26,790 --> 00:40:24,480

they thought was a recently

1046

00:40:28,550 --> 00:40:26,800

uh deceased loved one out into the woods

1047

00:40:31,190 --> 00:40:28,560

and then had an abduction

1048

00:40:32,950 --> 00:40:31,200

i'm not saying they're the exact same as

1049

00:40:33,589 --> 00:40:32,960

ghost spirits or whatever turn you on a

1050

00:40:35,510 --> 00:40:33,599

column

1051
00:40:37,510 --> 00:40:35,520
but they can definitely operate around

1052
00:40:37,990 --> 00:40:37,520
those same lines i think they're around

1053
00:40:39,589 --> 00:40:38,000
us all

1054
00:40:41,270 --> 00:40:39,599
the time whether we see a light in the

1055
00:40:44,150 --> 00:40:41,280
sky or not yeah

1056
00:40:44,550 --> 00:40:44,160
i believe that as well and in fact i do

1057
00:40:46,790 --> 00:40:44,560
believe

1058
00:40:48,309 --> 00:40:46,800
a lot of the phenomena that people

1059
00:40:51,750 --> 00:40:48,319
experience

1060
00:40:52,150 --> 00:40:51,760
be it ghosts or you know any other type

1061
00:40:55,829 --> 00:40:52,160
of

1062
00:40:58,309 --> 00:40:55,839
uh strange unexplained encounter

1063
00:41:00,309 --> 00:40:58,319

i i think they're they're very well made

1064

00:41:03,349 --> 00:41:00,319

a connection between these different

1065

00:41:03,670 --> 00:41:03,359

genres of the paranormal and i think in

1066

00:41:06,309 --> 00:41:03,680

this

1067

00:41:07,030 --> 00:41:06,319

instance it that may very well be and in

1068

00:41:08,710 --> 00:41:07,040

fact

1069

00:41:10,710 --> 00:41:08,720

now you were talking about the the

1070

00:41:11,910 --> 00:41:10,720

reporting agencies or the groups like

1071

00:41:15,030 --> 00:41:11,920

mufon and stuff

1072

00:41:17,430 --> 00:41:15,040

they really do not recognize that

1073

00:41:20,550 --> 00:41:17,440

uh it you know i have talked to

1074

00:41:21,750 --> 00:41:20,560

experiencers where they have contact and

1075

00:41:25,190 --> 00:41:21,760

move on

1076

00:41:28,309 --> 00:41:25,200

our new fork or some other group

1077

00:41:31,030 --> 00:41:28,319

and they're just basically ignored

1078

00:41:31,750 --> 00:41:31,040

and uh or worse laughed at yeah are

1079

00:41:35,670 --> 00:41:31,760

laughed at

1080

00:41:37,589 --> 00:41:35,680

and that that has happened so many times

1081

00:41:39,030 --> 00:41:37,599

you know it's uh it's almost like a

1082

00:41:42,470 --> 00:41:39,040

running joke now

1083

00:41:45,910 --> 00:41:42,480

basically with with these uh ufo

1084

00:41:48,550 --> 00:41:45,920

uh organizations because they just

1085

00:41:51,829 --> 00:41:48,560

really don't seem to be

1086

00:41:53,589 --> 00:41:51,839

cognizant of what's actually going on

1087

00:41:55,910 --> 00:41:53,599

or what you're worried about is the

1088

00:41:56,790 --> 00:41:55,920

light phenomena or some kind of craft or

1089

00:41:59,510 --> 00:41:56,800

something

1090

00:42:01,510 --> 00:41:59,520

like you said nuts and bolts right which

1091

00:42:04,069 --> 00:42:01,520

i i don't get at all

1092

00:42:05,349 --> 00:42:04,079

like if you want to be a nuts and bolts

1093

00:42:08,230 --> 00:42:05,359

researcher be one

1094

00:42:09,910 --> 00:42:08,240

but unless the problem is unless you see

1095

00:42:12,069 --> 00:42:09,920

it yourself you have to rely on the

1096

00:42:13,270 --> 00:42:12,079

experiences of the eyewitnesses

1097

00:42:15,670 --> 00:42:13,280

but then you make fun of the

1098

00:42:19,030 --> 00:42:15,680

eyewitnesses or the you know

1099

00:42:20,550 --> 00:42:19,040

witnesses if they don't tell you exactly

1100

00:42:22,550 --> 00:42:20,560

what you want to say if it's not the

1101

00:42:26,150 --> 00:42:22,560

cookie cutter story

1102

00:42:28,230 --> 00:42:26,160

so eventually you know it's the same

1103

00:42:30,309 --> 00:42:28,240

rhetoric round and round and round

1104

00:42:31,829 --> 00:42:30,319

until one of those researchers actually

1105

00:42:34,309 --> 00:42:31,839

sees something for themselves

1106

00:42:35,750 --> 00:42:34,319

and then they no longer a researcher

1107

00:42:37,589 --> 00:42:35,760

they're an experiencer

1108

00:42:40,150 --> 00:42:37,599

that's right you know it's looks like

1109

00:42:42,710 --> 00:42:40,160

skeptics of any type of phenomena

1110

00:42:44,069 --> 00:42:42,720

you know they're talking a good game

1111

00:42:47,030 --> 00:42:44,079

until it happens to them

1112

00:42:47,750 --> 00:42:47,040

then they're true believers and uh you

1113

00:42:50,550 --> 00:42:47,760

know

1114

00:42:51,109 --> 00:42:50,560

i've seen it happen many times yeah

1115

00:42:52,790 --> 00:42:51,119

often

1116

00:42:54,550 --> 00:42:52,800

and i'd like to add on to that a little

1117

00:42:56,950 --> 00:42:54,560

bit like whether you're

1118

00:42:58,069 --> 00:42:56,960

a nuts and bolts uh researcher or

1119

00:42:59,990 --> 00:42:58,079

investigator

1120

00:43:02,150 --> 00:43:00,000

uh or you're on the more spiritual or

1121

00:43:03,270 --> 00:43:02,160

philosophical side or anywhere in

1122

00:43:07,910 --> 00:43:03,280

between

1123

00:43:09,430 --> 00:43:07,920

if you handle the witness as you would

1124

00:43:11,510 --> 00:43:09,440

you know somebody in your family a

1125

00:43:13,190 --> 00:43:11,520

friend meaning you're just handling the

1126

00:43:15,349 --> 00:43:13,200

witness with kindness

1127

00:43:17,270 --> 00:43:15,359

regardless of what they're telling you

1128

00:43:18,710 --> 00:43:17,280

whether and again it doesn't matter what

1129

00:43:19,910 --> 00:43:18,720

your angle is nuts and bolts are

1130

00:43:22,390 --> 00:43:19,920

philosophical

1131

00:43:23,030 --> 00:43:22,400

if you handle them with kindness and an

1132

00:43:25,190 --> 00:43:23,040

open

1133

00:43:26,870 --> 00:43:25,200

non-judgmental mind doesn't mean you

1134

00:43:28,630 --> 00:43:26,880

believe them 100 percent

1135

00:43:31,030 --> 00:43:28,640

but if you're just open-minded enough to

1136

00:43:34,710 --> 00:43:31,040

listen to them and show them kindness

1137

00:43:35,270 --> 00:43:34,720

that's that's okay if you're a nuts and

1138

00:43:37,349 --> 00:43:35,280

bolts

1139

00:43:39,270 --> 00:43:37,359

researcher as long as you handle the

1140

00:43:42,950 --> 00:43:39,280

witness as delicately

1141

00:43:46,550 --> 00:43:42,960

as possible a lot of these witnesses are

1142

00:43:49,750 --> 00:43:46,560

experiencing ptsd from these encounters

1143

00:43:51,910 --> 00:43:49,760

and when we laugh at them or don't treat

1144

00:43:53,030 --> 00:43:51,920

the the weirder parts of their

1145

00:43:55,270 --> 00:43:53,040

experiences

1146

00:43:57,109 --> 00:43:55,280

with the same amount of kindness as the

1147

00:43:57,670 --> 00:43:57,119

nuts and bolts aspect i think that's

1148

00:43:59,510 --> 00:43:57,680

where

1149

00:44:00,950 --> 00:43:59,520

you lose a lot of people and i also

1150

00:44:04,309 --> 00:44:00,960

think that's where your

1151
00:44:06,150 --> 00:44:04,319
research and investigation lacks

1152
00:44:07,750 --> 00:44:06,160
and you won't get all the proper

1153
00:44:10,870 --> 00:44:07,760
information that you need

1154
00:44:12,710 --> 00:44:10,880
it's not hard to be kind to somebody

1155
00:44:14,630 --> 00:44:12,720
but for some people i guess it is and i

1156
00:44:16,710 --> 00:44:14,640
i just don't relate to that in any way

1157
00:44:18,069 --> 00:44:16,720
you know i agree with you i mean uh you

1158
00:44:21,670 --> 00:44:18,079
know i take any

1159
00:44:22,069 --> 00:44:21,680
report i get uh and give the witness the

1160
00:44:24,150 --> 00:44:22,079
benefit

1161
00:44:26,550 --> 00:44:24,160
of the doubt because look their their

1162
00:44:29,589 --> 00:44:26,560
experience is being shared with you

1163
00:44:34,069 --> 00:44:29,599

now you become part of their experience

1164

00:44:37,190 --> 00:44:34,079

yeah it's up to you to you know actually

1165

00:44:37,910 --> 00:44:37,200

help them to understand what may be

1166

00:44:40,550 --> 00:44:37,920

going on

1167

00:44:43,190 --> 00:44:40,560

instead of ridiculing the experience

1168

00:44:46,630 --> 00:44:43,200

itself and you talk about ps you know

1169

00:44:49,030 --> 00:44:46,640

ptsd absolutely there isn't there is a

1170

00:44:51,829 --> 00:44:49,040

cause and effect with any of these

1171

00:44:52,309 --> 00:44:51,839

type of experiences absolutely and it's

1172

00:44:54,150 --> 00:44:52,319

just like

1173

00:44:55,589 --> 00:44:54,160

any life experience you get in a really

1174

00:44:57,510 --> 00:44:55,599

horrible car accident

1175

00:44:58,710 --> 00:44:57,520

through no fault of your own or even if

1176

00:45:01,190 --> 00:44:58,720

it was your fault

1177

00:45:02,309 --> 00:45:01,200

there is going to be a traumatic effect

1178

00:45:04,950 --> 00:45:02,319

on your brain

1179

00:45:06,470 --> 00:45:04,960

the same thing is happening uh with all

1180

00:45:08,309 --> 00:45:06,480

these encounters and

1181

00:45:10,390 --> 00:45:08,319

somebody that was in a car accident you

1182

00:45:12,790 --> 00:45:10,400

wouldn't start ridiculing them

1183

00:45:15,030 --> 00:45:12,800

you know if they said well you know and

1184

00:45:17,109 --> 00:45:15,040

they started getting philosophical about

1185

00:45:18,710 --> 00:45:17,119

their their car accident experience you

1186

00:45:21,270 --> 00:45:18,720

know i was really scared

1187

00:45:22,870 --> 00:45:21,280

uh i i i you know i felt so alone until

1188

00:45:24,230 --> 00:45:22,880

the police arrived until there were more

1189

00:45:25,430 --> 00:45:24,240

people on scene you know something like

1190

00:45:28,390 --> 00:45:25,440

that

1191

00:45:30,309 --> 00:45:28,400

instead of a nuts and bolts person may

1192

00:45:32,870 --> 00:45:30,319

ask some more difficult questions and

1193

00:45:35,670 --> 00:45:32,880

not have as much kindness you know

1194

00:45:37,190 --> 00:45:35,680

yeah i have found that i have found that

1195

00:45:40,230 --> 00:45:37,200

to be the the

1196

00:45:41,349 --> 00:45:40,240

main sticking point with all these uh

1197

00:45:43,750 --> 00:45:41,359

ufo groups

1198

00:45:44,870 --> 00:45:43,760

is that they're uh you know they have

1199

00:45:48,550 --> 00:45:44,880

their protocol

1200

00:45:52,550 --> 00:45:48,560

and that protocol is you know very stiff

1201

00:45:54,870 --> 00:45:52,560

very you know very

1202

00:45:55,750 --> 00:45:54,880

i don't know organizational it's put it

1203

00:45:58,550 --> 00:45:55,760

that way

1204

00:46:00,470 --> 00:45:58,560

sure yeah they don't like new ideas

1205

00:46:02,390 --> 00:46:00,480

coming in

1206

00:46:03,670 --> 00:46:02,400

no and it's been that way for the

1207

00:46:05,510 --> 00:46:03,680

longest time

1208

00:46:07,190 --> 00:46:05,520

you know what were you supposed to do as

1209

00:46:10,150 --> 00:46:07,200

an experimenter you reported

1210

00:46:11,829 --> 00:46:10,160

somebody and a lot of this was based off

1211

00:46:15,349 --> 00:46:11,839

the betty and barney hill case

1212

00:46:17,430 --> 00:46:15,359

absolutely you know they said you know

1213

00:46:18,390 --> 00:46:17,440

well if you don't meet these markers

1214

00:46:20,790 --> 00:46:18,400

your case can't

1215

00:46:22,630 --> 00:46:20,800

be real but if your case did meet those

1216

00:46:24,470 --> 00:46:22,640

markers well you're copying

1217

00:46:26,230 --> 00:46:24,480

so it's still not real like it was a

1218

00:46:27,510 --> 00:46:26,240

double-edged sword you couldn't win for

1219

00:46:29,990 --> 00:46:27,520

trying

1220

00:46:31,510 --> 00:46:30,000

and you know most of these people didn't

1221

00:46:33,430 --> 00:46:31,520

want their names out there they weren't

1222

00:46:34,150 --> 00:46:33,440

looking for fame they weren't looking

1223

00:46:36,630 --> 00:46:34,160

for

1224

00:46:37,670 --> 00:46:36,640

any of this they just wanted to be heard

1225

00:46:41,190 --> 00:46:37,680

and

1226

00:46:43,589 --> 00:46:41,200

that that's where ufologies failed right

1227

00:46:45,349 --> 00:46:43,599

you know obviously i was young when

1228

00:46:45,990 --> 00:46:45,359

benny and barty hill had their encounter

1229

00:46:47,829 --> 00:46:46,000

or when

1230

00:46:50,069 --> 00:46:47,839

let's put it this way when it started

1231

00:46:52,390 --> 00:46:50,079

coming out into the mainstream

1232

00:46:54,230 --> 00:46:52,400

uh you know and that didn't happen until

1233

00:46:55,910 --> 00:46:54,240

several years afterwards

1234

00:46:58,069 --> 00:46:55,920

right but of course you know they went

1235

00:46:59,990 --> 00:46:58,079

through a lot and uh

1236

00:47:02,230 --> 00:47:00,000

you know not the not only the fact that

1237

00:47:04,069 --> 00:47:02,240

they were a mixed-race couple

1238

00:47:05,349 --> 00:47:04,079

they also had to put up with a lot of

1239

00:47:08,230 --> 00:47:05,359

other

1240

00:47:10,470 --> 00:47:08,240

doubters and uh you know they they

1241

00:47:13,430 --> 00:47:10,480

suffered a lifetime of that i mean

1242

00:47:14,630 --> 00:47:13,440

i uh you know i can you know i've talked

1243

00:47:17,109 --> 00:47:14,640

to katherine

1244

00:47:18,550 --> 00:47:17,119

i mean kathleen about it and she

1245

00:47:20,549 --> 00:47:18,560

kathleen martin

1246

00:47:23,030 --> 00:47:20,559

and uh you know of course she wrote the

1247

00:47:25,829 --> 00:47:23,040

book and she was betty's niece

1248

00:47:27,109 --> 00:47:25,839

and uh yeah they did they they did

1249

00:47:31,589 --> 00:47:27,119

suffer through a lot of

1250

00:47:34,710 --> 00:47:31,599

criticism but you know

1251
00:47:36,710 --> 00:47:34,720
their case was known now you know

1252
00:47:38,790 --> 00:47:36,720
but it still goes on you know people

1253
00:47:41,829 --> 00:47:38,800
that have these experiences

1254
00:47:43,190 --> 00:47:41,839
still suffer from the criticism and i i

1255
00:47:46,150 --> 00:47:43,200
just believe if

1256
00:47:48,549 --> 00:47:46,160
really if it wasn't for independent

1257
00:47:52,069 --> 00:47:48,559
researchers investigators

1258
00:47:54,710 --> 00:47:52,079
away from the large ufo community

1259
00:47:57,030 --> 00:47:54,720
that this is the only way that these

1260
00:47:58,790 --> 00:47:57,040
stories are getting out

1261
00:48:00,390 --> 00:47:58,800
and i think i'd also like to put in

1262
00:48:03,030 --> 00:48:00,400
there that i do believe

1263
00:48:04,790 --> 00:48:03,040

nuts and bolts has its place because

1264

00:48:06,950 --> 00:48:04,800

there there is an understanding that i

1265

00:48:09,510 --> 00:48:06,960

would love to have about what these

1266

00:48:11,430 --> 00:48:09,520

vehicles are are you know are they

1267

00:48:12,630 --> 00:48:11,440

spaceships are they extraterrestrial or

1268

00:48:15,670 --> 00:48:12,640

are they not you know

1269

00:48:17,670 --> 00:48:15,680

uh it does have its place but in regards

1270

00:48:20,309 --> 00:48:17,680

to these ufo organizations

1271

00:48:20,790 --> 00:48:20,319

like the debacle of mufon and what it's

1272

00:48:22,870 --> 00:48:20,800

become

1273

00:48:23,910 --> 00:48:22,880

especially since jan you know jan's

1274

00:48:26,870 --> 00:48:23,920

whole

1275

00:48:28,150 --> 00:48:26,880

bs which is which is disgusting i think

1276

00:48:30,150 --> 00:48:28,160

the only way

1277

00:48:31,829 --> 00:48:30,160

that they should come back in my opinion

1278

00:48:32,790 --> 00:48:31,839

and you know who cares what my opinion

1279

00:48:34,309 --> 00:48:32,800

is but

1280

00:48:36,470 --> 00:48:34,319

the only way they should come back is to

1281

00:48:38,390 --> 00:48:36,480

just be a database

1282

00:48:39,990 --> 00:48:38,400

you know and get away from these dumb

1283

00:48:41,990 --> 00:48:40,000

conferences and all this stuff

1284

00:48:43,829 --> 00:48:42,000

and and just be a database and i think

1285

00:48:46,549 --> 00:48:43,839

that's part of what davenport

1286

00:48:47,990 --> 00:48:46,559

is maybe doing right is is to just

1287

00:48:49,349 --> 00:48:48,000

collect these cases i don't

1288

00:48:51,589 --> 00:48:49,359

think there should be a dismissing of

1289

00:48:54,710 --> 00:48:51,599

the stranger ones but just to be

1290

00:48:57,190 --> 00:48:54,720

a collection point is a good place

1291

00:48:58,150 --> 00:48:57,200

or is good thing for those organizations

1292

00:49:00,630 --> 00:48:58,160

to be

1293

00:49:01,510 --> 00:49:00,640

and then investigations or research can

1294

00:49:03,270 --> 00:49:01,520

happen

1295

00:49:04,630 --> 00:49:03,280

uh from the people that have a passion

1296

00:49:07,910 --> 00:49:04,640

for it you know

1297

00:49:09,750 --> 00:49:07,920

i don't know and you're davenport's

1298

00:49:11,670 --> 00:49:09,760

not perfect but yeah it's definitely

1299

00:49:12,230 --> 00:49:11,680

better than mufon but that's all it

1300

00:49:13,670 --> 00:49:12,240

should be

1301

00:49:15,430 --> 00:49:13,680

if you you're gonna send field

1302

00:49:17,829 --> 00:49:15,440

investigators out

1303

00:49:18,790 --> 00:49:17,839

let them come out but you you're not

1304

00:49:20,630 --> 00:49:18,800

judging jury

1305

00:49:22,950 --> 00:49:20,640

you weren't there you don't get to

1306

00:49:24,630 --> 00:49:22,960

decide what this person went through

1307

00:49:26,870 --> 00:49:24,640

especially when you approach them with

1308

00:49:27,910 --> 00:49:26,880

that attitude you're not going to get

1309

00:49:30,549 --> 00:49:27,920

the whole truth

1310

00:49:31,589 --> 00:49:30,559

not in one shot not in two shots you

1311

00:49:36,710 --> 00:49:31,599

know

1312

00:49:38,390 --> 00:49:36,720

nomar who i trust in my life

1313

00:49:40,630 --> 00:49:38,400

he doesn't know everything about my

1314

00:49:42,470 --> 00:49:40,640

story even though he wrote this book

1315

00:49:44,069 --> 00:49:42,480

you know there's stuff i left out that

1316

00:49:47,349 --> 00:49:44,079

is so personal to me

1317

00:49:47,670 --> 00:49:47,359

that i won't share with anybody not even

1318

00:49:49,589 --> 00:49:47,680

him

1319

00:49:53,270 --> 00:49:49,599

at this point you know maybe someday but

1320

00:49:56,870 --> 00:49:55,910

and i understand that i'm winning that

1321

00:50:00,069 --> 00:49:56,880

completely

1322

00:50:02,230 --> 00:50:00,079

and when you go in with this i'm the

1323

00:50:03,589 --> 00:50:02,240

authority on ufos tell me everything you

1324

00:50:05,030 --> 00:50:03,599

know you're not going to get

1325

00:50:06,549 --> 00:50:05,040

anything out of this person they're

1326
00:50:07,349 --> 00:50:06,559
going to shut down and tell you the bare

1327
00:50:10,790 --> 00:50:07,359
minimum

1328
00:50:14,630 --> 00:50:10,800
yeah you know well you know

1329
00:50:17,349 --> 00:50:14,640
you know we uh this uh wing humanoid

1330
00:50:19,430 --> 00:50:17,359
uh phenomena that's been going on in

1331
00:50:20,150 --> 00:50:19,440
around chicago around lake michigan for

1332
00:50:23,750 --> 00:50:20,160
the past

1333
00:50:25,030 --> 00:50:23,760
four years or so uh you know mufon did

1334
00:50:28,069 --> 00:50:25,040
get the original

1335
00:50:31,030 --> 00:50:28,079
exciting yeah yeah and

1336
00:50:32,710 --> 00:50:31,040
you know they basically ignored it until

1337
00:50:33,750 --> 00:50:32,720
we started getting into it and started

1338
00:50:35,670 --> 00:50:33,760

investigating

1339

00:50:36,790 --> 00:50:35,680

then we start getting pushback but you

1340

00:50:40,470 --> 00:50:36,800

know i those

1341

00:50:42,870 --> 00:50:40,480

those cases that they did look at and

1342

00:50:45,750 --> 00:50:42,880

some of the more recent cases around the

1343

00:50:49,190 --> 00:50:45,760

airport itself

1344

00:50:51,589 --> 00:50:49,200

they they flustered the witnesses so bad

1345

00:50:53,430 --> 00:50:51,599

that they literally cut off with them

1346

00:50:56,230 --> 00:50:53,440

and contacted us

1347

00:50:57,670 --> 00:50:56,240

that's too bad yeah that has yeah i've

1348

00:50:59,670 --> 00:50:57,680

talked to so many people

1349

00:51:01,270 --> 00:50:59,680

their first question is are you

1350

00:51:03,750 --> 00:51:01,280

affiliated with mufon

1351
00:51:04,870 --> 00:51:03,760
and i say no no good i can talk to you

1352
00:51:07,990 --> 00:51:04,880
yeah

1353
00:51:11,670 --> 00:51:08,000
right right well i

1354
00:51:12,390 --> 00:51:11,680
i tell you this um you did mention the

1355
00:51:14,630 --> 00:51:12,400
krri

1356
00:51:16,710 --> 00:51:14,640
research center for consciousness i do

1357
00:51:18,710 --> 00:51:16,720
believe that they no longer exist

1358
00:51:21,430 --> 00:51:18,720
exactly yeah we are now defunct

1359
00:51:22,230 --> 00:51:21,440
um we hope to get restarted again it

1360
00:51:25,510 --> 00:51:22,240
became a

1361
00:51:27,430 --> 00:51:25,520
rent issue and we lost the building and

1362
00:51:28,950 --> 00:51:27,440
you know we kind of went our separate

1363
00:51:31,190 --> 00:51:28,960

ways we're all still doing our little

1364

00:51:31,589 --> 00:51:31,200

meetings here and there and then kovit

1365

00:51:36,069 --> 00:51:31,599

hit

1366

00:51:39,750 --> 00:51:36,079

and it's yeah it's been a disaster but

1367

00:51:43,430 --> 00:51:39,760

well um you now with grands

1368

00:51:45,349 --> 00:51:43,440

grand skies.org you um

1369

00:51:47,030 --> 00:51:45,359

you and i looked at the website you do

1370

00:51:49,589 --> 00:51:47,040

try to help experiences

1371

00:51:51,589 --> 00:51:49,599

it's something very similar to what i do

1372

00:51:55,990 --> 00:51:51,599

uh what's your process what do you

1373

00:51:58,870 --> 00:51:56,000

how do you do this it really depends

1374

00:52:00,950 --> 00:51:58,880

on the individual um you know because i

1375

00:52:04,069 --> 00:52:00,960

don't think this is

1376

00:52:06,630 --> 00:52:04,079

a topic you can have like a standard

1377

00:52:08,549 --> 00:52:06,640

format on right right um it depends on

1378

00:52:10,549 --> 00:52:08,559

where the person comes in

1379

00:52:12,470 --> 00:52:10,559

and where they are with the experiences

1380

00:52:14,309 --> 00:52:12,480

like somebody could be like me and have

1381

00:52:15,670 --> 00:52:14,319

a lifetime of experience and be like

1382

00:52:17,109 --> 00:52:15,680

yeah i'm kind of okay with it i just

1383

00:52:20,390 --> 00:52:17,119

want to talk about it

1384

00:52:22,309 --> 00:52:20,400

and some people could just see a ufo

1385

00:52:24,309 --> 00:52:22,319

like close up no it's not a late in the

1386

00:52:26,549 --> 00:52:24,319

sky like an actual craft

1387

00:52:28,549 --> 00:52:26,559

and have their whole world view shook in

1388

00:52:29,750 --> 00:52:28,559

like holy crap this stuff is real it's

1389

00:52:31,829 --> 00:52:29,760

not supposed to be real

1390

00:52:32,870 --> 00:52:31,839

and still have the almost same level of

1391

00:52:34,870 --> 00:52:32,880

trauma so

1392

00:52:37,030 --> 00:52:34,880

you have to take everybody individually

1393

00:52:40,309 --> 00:52:37,040

and see where they are and i mean

1394

00:52:42,950 --> 00:52:40,319

my basic game plan is i

1395

00:52:43,589 --> 00:52:42,960

i kind of try to get a feel for them let

1396

00:52:46,150 --> 00:52:43,599

them

1397

00:52:47,270 --> 00:52:46,160

see what they're willing to say up front

1398

00:52:49,910 --> 00:52:47,280

and then

1399

00:52:51,589 --> 00:52:49,920

i'll share what i you know a little bit

1400

00:52:53,270 --> 00:52:51,599

in mind to make them comfortable and

1401
00:52:54,150 --> 00:52:53,280
then they'll share a little bit back and

1402
00:52:57,510 --> 00:52:54,160
then i'll share

1403
00:53:00,309 --> 00:52:57,520
you know just it's most it's like

1404
00:53:01,349 --> 00:53:00,319
i don't have clients i make friends is

1405
00:53:04,790 --> 00:53:01,359
all i do

1406
00:53:05,910 --> 00:53:04,800
right you know it's how any friendship

1407
00:53:07,589 --> 00:53:05,920
works you

1408
00:53:09,190 --> 00:53:07,599
you you don't know where the trust

1409
00:53:10,870 --> 00:53:09,200
lining is so you just

1410
00:53:12,950 --> 00:53:10,880
you just keep being there for them and

1411
00:53:14,390 --> 00:53:12,960
then it's amazing because

1412
00:53:19,430 --> 00:53:14,400
they're coming to me for help but

1413
00:53:22,950 --> 00:53:21,670

you know because it's amazing to see the

1414

00:53:25,030 --> 00:53:22,960

stuff that people say

1415

00:53:26,309 --> 00:53:25,040

and just what's out there and how big

1416

00:53:28,309 --> 00:53:26,319

this really is and like

1417

00:53:30,710 --> 00:53:28,319

some of the weirder parts of my story

1418

00:53:31,270 --> 00:53:30,720

that are in the book that i told nomar i

1419

00:53:32,950 --> 00:53:31,280

was like

1420

00:53:34,870 --> 00:53:32,960

yeah this is kind of weird but it's just

1421

00:53:35,670 --> 00:53:34,880

filler it probably doesn't you know mean

1422

00:53:37,109 --> 00:53:35,680

anything

1423

00:53:38,710 --> 00:53:37,119

and that's some of the stuff i've gotten

1424

00:53:40,069 --> 00:53:38,720

the most feedback from people who've

1425

00:53:41,670 --> 00:53:40,079

already read the book going

1426

00:53:44,230 --> 00:53:41,680

oh yeah it's something similar and i was

1427

00:53:45,829 --> 00:53:44,240

like if i had wrote the book myself

1428

00:53:47,349 --> 00:53:45,839

i would have left that out i wouldn't

1429

00:53:49,589 --> 00:53:47,359

even put that in there because it was

1430

00:53:51,430 --> 00:53:49,599

too weird it didn't fit

1431

00:53:52,790 --> 00:53:51,440

and that was a great thing about nomar

1432

00:53:55,190 --> 00:53:52,800

one not only that

1433

00:53:57,750 --> 00:53:55,200

he's just so understanding and kind but

1434

00:54:00,549 --> 00:53:57,760

he's not only the author in this he

1435

00:54:02,230 --> 00:54:00,559

he writes the story in such a way that

1436

00:54:05,349 --> 00:54:02,240

yeah my story

1437

00:54:09,030 --> 00:54:05,359

um you know keeps the pages

1438

00:54:11,589 --> 00:54:09,040

turning but and not in the egotistical

1439

00:54:13,030 --> 00:54:11,599

way he inserts himself as a character

1440

00:54:15,910 --> 00:54:13,040

too because

1441

00:54:17,750 --> 00:54:15,920

he steps back like in the process as he

1442

00:54:19,990 --> 00:54:17,760

we're doing this interview

1443

00:54:21,270 --> 00:54:20,000

and kind of puts in his reflections of

1444

00:54:23,510 --> 00:54:21,280

what he's thinking

1445

00:54:25,030 --> 00:54:23,520

and you know he becomes his own little

1446

00:54:26,630 --> 00:54:25,040

character in the book

1447

00:54:28,150 --> 00:54:26,640

and which i think is great and i don't

1448

00:54:29,190 --> 00:54:28,160

mean to throw him out under the bus and

1449

00:54:31,670 --> 00:54:29,200

i don't think i am

1450

00:54:32,790 --> 00:54:31,680

said in other interviews he doesn't call

1451

00:54:35,910 --> 00:54:32,800

himself an experience

1452

00:54:39,349 --> 00:54:35,920

he's seeing quite a bit of weird stuff

1453

00:54:40,950 --> 00:54:39,359

yeah yeah there's a trust factor there i

1454

00:54:43,349 --> 00:54:40,960

can understand that that um

1455

00:54:44,549 --> 00:54:43,359

absolutely you really you know you

1456

00:54:48,309 --> 00:54:44,559

really have to

1457

00:54:50,309 --> 00:54:48,319

get close with people who have had these

1458

00:54:52,710 --> 00:54:50,319

experiences as opposed to

1459

00:54:53,910 --> 00:54:52,720

somebody who saw a bigfoot or so

1460

00:54:57,030 --> 00:54:53,920

something else

1461

00:54:59,670 --> 00:54:57,040

uh it it requires more

1462

00:55:00,710 --> 00:54:59,680

yeah like more understanding yeah like

1463

00:55:03,829 --> 00:55:00,720

what did you feel

1464

00:55:05,349 --> 00:55:03,839

it what what happened the day after you

1465

00:55:06,150 --> 00:55:05,359

know how were you feeling you know the

1466

00:55:08,950 --> 00:55:06,160

week after

1467

00:55:09,349 --> 00:55:08,960

and and like all of that in my opinion

1468

00:55:14,870 --> 00:55:09,359

is

1469

00:55:16,710 --> 00:55:14,880

uh like mike was saying i don't really

1470

00:55:17,990 --> 00:55:16,720

consider myself an experiencer just

1471

00:55:21,430 --> 00:55:18,000

because i've kind of put mike

1472

00:55:22,870 --> 00:55:21,440

at the uh he that part

1473

00:55:24,549 --> 00:55:22,880

like you have to experience what he has

1474

00:55:25,030 --> 00:55:24,559

to be an experiencer i mean not really

1475

00:55:27,109 --> 00:55:25,040

but

1476

00:55:28,870 --> 00:55:27,119

uh that's how i consider myself like i

1477

00:55:30,230 --> 00:55:28,880

haven't had the experiences mike had so

1478

00:55:31,109 --> 00:55:30,240

i'm not an experience here i've just

1479

00:55:34,630 --> 00:55:31,119

seen some stuff

1480

00:55:37,670 --> 00:55:34,640

like you know millions of people have um

1481

00:55:39,589 --> 00:55:37,680

but i did have my own creature sighting

1482

00:55:42,230 --> 00:55:39,599

uh and it was the first one i ever had

1483

00:55:43,589 --> 00:55:42,240

except i had one like 10 years prior but

1484

00:55:45,589 --> 00:55:43,599

it was like in a dream like

1485

00:55:47,510 --> 00:55:45,599

state so i have no idea if it was real

1486

00:55:49,430 --> 00:55:47,520

but this one i was driving and it was a

1487

00:55:53,270 --> 00:55:49,440

hundred percent real

1488

00:55:56,069 --> 00:55:53,280

and it's always interesting to me

1489

00:55:57,829 --> 00:55:56,079

when a researcher of this phenomena has

1490

00:56:00,470 --> 00:55:57,839

their own experiences

1491

00:56:01,750 --> 00:56:00,480

and what do you do with that you know

1492

00:56:03,990 --> 00:56:01,760

what do i do with it

1493

00:56:05,510 --> 00:56:04,000

so what i did was i actually took my

1494

00:56:08,870 --> 00:56:05,520

experience and i gave it

1495

00:56:12,230 --> 00:56:08,880

to another researcher so it could be uh

1496

00:56:15,349 --> 00:56:12,240

uh marked down as historical record

1497

00:56:17,109 --> 00:56:15,359

uh i i have talked about it publicly

1498

00:56:19,030 --> 00:56:17,119

just a couple of times

1499

00:56:20,950 --> 00:56:19,040

but i wanted to hand it off to somebody

1500

00:56:23,750 --> 00:56:20,960

else because you know i didn't

1501

00:56:25,190 --> 00:56:23,760

i wanted as unbiased an opinion or

1502

00:56:26,789 --> 00:56:25,200

whatever as possible

1503

00:56:28,870 --> 00:56:26,799

because obviously i have my own biases

1504

00:56:31,950 --> 00:56:28,880

and perceptions and all that stuff

1505

00:56:34,710 --> 00:56:31,960

but seeing the creature and keeping the

1506

00:56:35,430 --> 00:56:34,720

experiencer in the in my mind as opposed

1507

00:56:38,630 --> 00:56:35,440

to the

1508

00:56:42,150 --> 00:56:38,640

interviewer or the the researcher i

1509

00:56:43,430 --> 00:56:42,160

had emotions uh along with that there

1510

00:56:46,470 --> 00:56:43,440

was fear

1511

00:56:49,270 --> 00:56:46,480

there was confusion there was awe

1512

00:56:49,829 --> 00:56:49,280

and uh there were also some physical

1513

00:56:53,270 --> 00:56:49,839

aspects

1514

00:56:55,829 --> 00:56:53,280

i smelled uh something

1515

00:56:56,470 --> 00:56:55,839

that reminded me of sulfur when i

1516

00:56:58,950 --> 00:56:56,480

stopped

1517

00:57:00,870 --> 00:56:58,960

and rolled down my window at the area

1518

00:57:01,829 --> 00:57:00,880

where i saw this creature it had since

1519

00:57:03,589 --> 00:57:01,839

left

1520

00:57:04,870 --> 00:57:03,599

but i wanted to experience the

1521

00:57:07,190 --> 00:57:04,880

environment and ended up

1522

00:57:08,950 --> 00:57:07,200

actually smelling something and i didn't

1523

00:57:10,069 --> 00:57:08,960

i wasn't expecting that i was actually

1524

00:57:11,510 --> 00:57:10,079

rolling down the window to see if i

1525

00:57:13,510 --> 00:57:11,520

could hear it walking

1526
00:57:14,950 --> 00:57:13,520
in the woods and and i couldn't but the

1527
00:57:15,670 --> 00:57:14,960
smell was there and it actually stayed

1528
00:57:17,670 --> 00:57:15,680
with me

1529
00:57:19,510 --> 00:57:17,680
for a couple of miles down the road and

1530
00:57:20,069 --> 00:57:19,520
it got so bad i had to roll the windows

1531
00:57:23,270 --> 00:57:20,079
down

1532
00:57:25,190 --> 00:57:23,280
but anyways my parents don't live that

1533
00:57:26,870 --> 00:57:25,200
far from from where i live

1534
00:57:28,549 --> 00:57:26,880
so i actually drove right to my mom's

1535
00:57:29,750 --> 00:57:28,559
house i was like you gotta hear what

1536
00:57:31,430 --> 00:57:29,760
just happened

1537
00:57:33,510 --> 00:57:31,440
and just and the point of me telling you

1538
00:57:36,870 --> 00:57:33,520

that is i was in full

1539

00:57:40,069 --> 00:57:36,880

experiencer mode in that moment and

1540

00:57:42,309 --> 00:57:40,079

it was honestly nice to be on that side

1541

00:57:43,589 --> 00:57:42,319

of it because of all these projects i'm

1542

00:57:45,910 --> 00:57:43,599

always on the other side

1543

00:57:47,349 --> 00:57:45,920

right but once i got done telling my mom

1544

00:57:49,430 --> 00:57:47,359

and i took her to the spot and showed

1545

00:57:51,829 --> 00:57:49,440

her where i saw it and all that stuff

1546

00:57:53,430 --> 00:57:51,839

i i went home and i wrote down the

1547

00:57:53,990 --> 00:57:53,440

experience and then i contacted an

1548

00:57:57,510 --> 00:57:54,000

investigator

1549

00:58:01,349 --> 00:57:57,520

and gave them my story but you know to

1550

00:58:02,390 --> 00:58:01,359

to be an experiencer on one hand and to

1551
00:58:04,870 --> 00:58:02,400
be the researcher

1552
00:58:05,589 --> 00:58:04,880
on the other is a privilege in my

1553
00:58:07,829 --> 00:58:05,599
opinion

1554
00:58:09,109 --> 00:58:07,839
and you know mike is doing that as well

1555
00:58:10,789 --> 00:58:09,119
so

1556
00:58:12,630 --> 00:58:10,799
it feels as though we're on the same

1557
00:58:15,030 --> 00:58:12,640
page like philosophically

1558
00:58:17,030 --> 00:58:15,040
you know not to overuse the word but we

1559
00:58:20,829 --> 00:58:17,040
we seem to be on that same

1560
00:58:23,589 --> 00:58:20,839
page and and that has to do with uh

1561
00:58:25,270 --> 00:58:23,599
understanding the not only the

1562
00:58:26,069 --> 00:58:25,280
experience but what somebody goes

1563
00:58:29,109 --> 00:58:26,079

through

1564

00:58:31,589 --> 00:58:29,119

mm-hmm brother i'm in the same boat

1565

00:58:34,950 --> 00:58:31,599

because i've had encounters myself

1566

00:58:38,710 --> 00:58:34,960

and it you really uh

1567

00:58:39,750 --> 00:58:38,720

i i think you you really do get a better

1568

00:58:42,789 --> 00:58:39,760

insight

1569

00:58:45,750 --> 00:58:42,799

of what people are going through uh

1570

00:58:47,190 --> 00:58:45,760

you know their confusion more more than

1571

00:58:49,670 --> 00:58:47,200

anything else

1572

00:58:51,750 --> 00:58:49,680

uh that you have the ability then to

1573

00:58:52,710 --> 00:58:51,760

answer a lot of their questions or even

1574

00:58:55,910 --> 00:58:52,720

to

1575

00:58:59,349 --> 00:58:55,920

what they

1576

00:59:01,430 --> 00:58:59,359

they went through sure yeah and so

1577

00:59:02,950 --> 00:59:01,440

well i was just going to say you know

1578

00:59:06,150 --> 00:59:02,960

that there's a lot of

1579

00:59:08,309 --> 00:59:06,160

in trauma for you know domestic abuse or

1580

00:59:10,549 --> 00:59:08,319

or things like that a lot of the

1581

00:59:12,470 --> 00:59:10,559

supporters or people that help them are

1582

00:59:14,230 --> 00:59:12,480

survivors themselves

1583

00:59:17,589 --> 00:59:14,240

you know and it's kind of a similar

1584

00:59:20,230 --> 00:59:17,599

thing that's happening here you know

1585

00:59:22,150 --> 00:59:20,240

yeah and so much of this book the the

1586

00:59:25,109 --> 00:59:22,160

process of writing the book

1587

00:59:26,710 --> 00:59:25,119

you know didn't go as planned it was

1588

00:59:28,870 --> 00:59:26,720

because

1589

00:59:30,470 --> 00:59:28,880

stuff happened and we trusted each other

1590

00:59:32,710 --> 00:59:30,480

like we both had to make

1591

00:59:34,470 --> 00:59:32,720

all these like really leaps of faith

1592

00:59:35,349 --> 00:59:34,480

like are we in this together or aren't

1593

00:59:38,309 --> 00:59:35,359

we

1594

00:59:39,270 --> 00:59:38,319

or i'm you know i i'm trusting him with

1595

00:59:42,630 --> 00:59:39,280

my story

1596

00:59:43,430 --> 00:59:42,640

my life you know in one way of putting

1597

00:59:45,430 --> 00:59:43,440

it

1598

00:59:47,349 --> 00:59:45,440

and that you know like he's an author

1599

00:59:49,990 --> 00:59:47,359

he's a creator that's what he does

1600

00:59:51,349 --> 00:59:50,000

this is you know why he's a millionaire

1601
00:59:55,030 --> 00:59:51,359
right no

1602
00:59:56,470 --> 00:59:55,040
um and but so the publisher picked it up

1603
00:59:58,309 --> 00:59:56,480
and they're like yeah we want control we

1604
00:59:58,870 --> 00:59:58,319
have final control of the cover the

1605
01:00:00,470 --> 00:59:58,880
title

1606
01:00:02,630 --> 01:00:00,480
and this and that was before they even

1607
01:00:04,230 --> 01:00:02,640
got into editing it and we're like

1608
01:00:06,549 --> 01:00:04,240
he's like no i'm not comfortable with

1609
01:00:10,069 --> 01:00:06,559
this man you know he's like i don't

1610
01:00:11,829 --> 01:00:10,079
and i'm like i got you he's like

1611
01:00:13,510 --> 01:00:11,839
if i walk away you okay i'm like yeah

1612
01:00:16,069 --> 01:00:13,520
he's like they

1613
01:00:18,069 --> 01:00:16,079

own you know because of other previous

1614

01:00:19,829 --> 01:00:18,079

contracts that he's written books

1615

01:00:22,150 --> 01:00:19,839

for them like they owned him for a

1616

01:00:23,750 --> 01:00:22,160

little bit he's like it could be a while

1617

01:00:24,390 --> 01:00:23,760

before we can do anything with this i'm

1618

01:00:25,910 --> 01:00:24,400

like

1619

01:00:28,630 --> 01:00:25,920

it's okay we're gonna do this right or

1620

01:00:30,230 --> 01:00:28,640

we're not and it worked out they let us

1621

01:00:32,630 --> 01:00:30,240

they let us out let them out of the

1622

01:00:34,390 --> 01:00:32,640

contract other things just

1623

01:00:36,630 --> 01:00:34,400

everything fell in the place the way we

1624

01:00:39,750 --> 01:00:36,640

needed to be like

1625

01:00:41,510 --> 01:00:39,760

it was amazing process to go through it

1626
01:00:43,589 --> 01:00:41,520
to me it was just amazing as some of the

1627
01:00:45,030 --> 01:00:43,599
experiences that led us to writing the

1628
01:00:47,270 --> 01:00:45,040
book

1629
01:00:48,870 --> 01:00:47,280
and there's you know i'm not afraid to

1630
01:00:50,630 --> 01:00:48,880
use this word but it might sound

1631
01:00:51,990 --> 01:00:50,640
weird to to listeners but there's an

1632
01:00:55,190 --> 01:00:52,000
intimacy

1633
01:00:57,349 --> 01:00:55,200
there that we didn't expect and

1634
01:01:00,150 --> 01:00:57,359
because of mike's willingness to be so

1635
01:01:00,630 --> 01:01:00,160
raw and real with the emotional side of

1636
01:01:03,829 --> 01:01:00,640
it

1637
01:01:07,430 --> 01:01:03,839
i felt that the only thing i could do

1638
01:01:09,829 --> 01:01:07,440

was to be just as raw and real about

1639

01:01:11,670 --> 01:01:09,839

my own inner turmoil that is sometimes

1640

01:01:12,549 --> 01:01:11,680

extraterrestrial related and sometimes

1641

01:01:16,069 --> 01:01:12,559

just life

1642

01:01:17,990 --> 01:01:16,079

related i i suffer medically diagnosed

1643

01:01:20,630 --> 01:01:18,000

with anxiety and depression

1644

01:01:21,510 --> 01:01:20,640

and you know suicidal ideation is a

1645

01:01:24,950 --> 01:01:21,520

thing

1646

01:01:26,150 --> 01:01:24,960

that happens in my life and to normalize

1647

01:01:28,549 --> 01:01:26,160

that discussion

1648

01:01:30,789 --> 01:01:28,559

is a really big deal in my world

1649

01:01:33,750 --> 01:01:30,799

everybody has mental health issues

1650

01:01:34,470 --> 01:01:33,760

and and if we can normalize that

1651
01:01:37,510 --> 01:01:34,480
discussion

1652
01:01:37,990 --> 01:01:37,520
at least between friends then we can

1653
01:01:39,910 --> 01:01:38,000
normalize

1654
01:01:41,030 --> 01:01:39,920
that discussion when we come on a show

1655
01:01:42,470 --> 01:01:41,040
like this or

1656
01:01:44,150 --> 01:01:42,480
if we're given a presentation we can

1657
01:01:46,390 --> 01:01:44,160
talk about it because it's so important

1658
01:01:49,270 --> 01:01:46,400
and because so many people go through it

1659
01:01:50,069 --> 01:01:49,280
and this book goes to some really really

1660
01:01:53,829 --> 01:01:50,079
dark

1661
01:01:56,069 --> 01:01:53,839
places before it gets lighter and

1662
01:01:57,109 --> 01:01:56,079
that's not to keep the pages turning or

1663
01:01:59,750 --> 01:01:57,119

to sell more books

1664

01:02:01,270 --> 01:01:59,760

it's because that's what's happening in

1665

01:02:03,190 --> 01:02:01,280

our lives and that's what's happening in

1666

01:02:06,789 --> 01:02:03,200

a lot of people's lives

1667

01:02:07,750 --> 01:02:06,799

and we feel like we hope anyways that

1668

01:02:10,870 --> 01:02:07,760

this book

1669

01:02:13,109 --> 01:02:10,880

will be relatable uh to people that are

1670

01:02:14,390 --> 01:02:13,119

suffering and whether we hear back from

1671

01:02:16,789 --> 01:02:14,400

them or not

1672

01:02:17,510 --> 01:02:16,799

uh is not the point we just hope it

1673

01:02:20,230 --> 01:02:17,520

helps

1674

01:02:22,549 --> 01:02:20,240

you know yeah at some point we made the

1675

01:02:23,109 --> 01:02:22,559

decision not to make this a ufo book to

1676
01:02:26,789 --> 01:02:23,119
make this

1677
01:02:27,750 --> 01:02:26,799
about the human experience and it it was

1678
01:02:30,630 --> 01:02:27,760
a gamble but

1679
01:02:31,670 --> 01:02:30,640
we we hope it's paying off well it works

1680
01:02:33,750 --> 01:02:31,680
i mean you know

1681
01:02:36,549 --> 01:02:33,760
you can tell that when you read it the

1682
01:02:39,829 --> 01:02:36,559
book is titled granite skies

1683
01:02:42,230 --> 01:02:39,839
a concerted journey through the unknown

1684
01:02:43,029 --> 01:02:42,240
and guys i want to thank you for coming

1685
01:02:45,750 --> 01:02:43,039
on the show

1686
01:02:47,270 --> 01:02:45,760
if you guys come up with any follow-up

1687
01:02:49,349 --> 01:02:47,280
or have other projects

1688
01:02:51,510 --> 01:02:49,359

let me know about it i will definitely

1689

01:02:53,109 --> 01:02:51,520

try to get you back on the show

1690

01:02:55,109 --> 01:02:53,119

appreciate a lot more we'd be more than

1691

01:02:57,029 --> 01:02:55,119

appreciated yeah yeah we'll keep you in

1692

01:02:58,549 --> 01:02:57,039

the fold thanks so much for having us on

1693

01:03:02,230 --> 01:02:58,559

okay you take care and have a great

1694

01:03:03,990 --> 01:03:02,240

weekend you too take care of you as well

1695

01:03:05,750 --> 01:03:04,000

now if you have an unexplained encounter

1696

01:03:07,990 --> 01:03:05,760

sighting feel free to contact me through

1697

01:03:09,750 --> 01:03:08,000

the phantoms of monsters blog site

1698

01:03:11,510 --> 01:03:09,760

if you're interested in supporting fans

1699

01:03:13,430 --> 01:03:11,520

of monsters and arcane radio you can use

1700

01:03:15,029 --> 01:03:13,440

the paypal donation buttons

1701

01:03:17,829 --> 01:03:15,039

on the blog and newsletter your

1702

01:03:19,510 --> 01:03:17,839

continued support is always appreciated

1703

01:03:21,990 --> 01:03:19,520

our new youtube channel beyond

1704

01:03:22,789 --> 01:03:22,000

explanation has new content being added

1705

01:03:25,829 --> 01:03:22,799

daily

1706

01:03:26,710 --> 01:03:25,839

including arcane radio archive shows and

1707

01:03:29,270 --> 01:03:26,720

soon we'll

1708

01:03:31,589 --> 01:03:29,280

be we'll be putting and producing

1709

01:03:34,230 --> 01:03:31,599

documentaries on there as well

1710

01:03:36,390 --> 01:03:34,240

check it out and subscribe i want to

1711

01:03:38,870 --> 01:03:36,400

again thank newmar slavic and

1712

01:03:40,390 --> 01:03:38,880

mike stevens for joining me this evening

1713

01:03:41,510 --> 01:03:40,400

and i want to thank you for listening to

1714

01:03:43,670 --> 01:03:41,520

the show

1715

01:03:44,789 --> 01:03:43,680

stay healthy and have a safe and

1716

01:04:01,570 --> 01:03:44,799

enjoyable weekend

1717

01:04:01,580 --> 01:04:10,829

[Music]

1718

01:04:10,839 --> 01:04:22,060

so
