

NIGHTCRAWLERS? RAKES?

Three more
encounters
with pale
crawlers!

BXP

1
00:00:05,710 --> 00:00:04,580
[Music]

2
00:00:10,540 --> 00:00:05,720
[Applause]

3
00:00:12,890 --> 00:00:10,550
[Music]

4
00:00:17,830 --> 00:00:12,900
[Applause]

5
00:00:21,990 --> 00:00:19,670
welcome to the best of first person

6
00:00:24,870 --> 00:00:22,000
episodes of phantoms and monsters

7
00:00:25,429 --> 00:00:24,880
please like subscribe and hit the bell

8
00:00:28,830 --> 00:00:25,439
icon

9
00:00:31,910 --> 00:00:28,840
so you'll be notified of all future

10
00:00:35,990 --> 00:00:33,990
tall pale humanoid approaches shocked

11
00:00:39,190 --> 00:00:36,000
camper at evans national park

12
00:00:41,430 --> 00:00:39,200
nova scotia before this incident i had

13
00:00:42,310 --> 00:00:41,440

never had a paranormal experience in my

14

00:00:44,790 --> 00:00:42,320

life

15

00:00:46,709 --> 00:00:44,800

that being said my boyfriend seems to

16

00:00:48,549 --> 00:00:46,719

have enough for the both of us

17

00:00:51,029 --> 00:00:48,559

we went camping in the early fall of

18

00:00:53,910 --> 00:00:51,039

2016 at evans national park

19

00:00:55,830 --> 00:00:53,920

nova scotia we had just arrived back

20

00:00:56,470 --> 00:00:55,840

from spending this summer in western

21

00:00:58,229 --> 00:00:56,480

canada

22

00:01:01,110 --> 00:00:58,239

and hadn't seen each other in four

23

00:01:02,069 --> 00:01:01,120

months so we decided to spend some time

24

00:01:03,670 --> 00:01:02,079

together and go

25

00:01:05,270 --> 00:01:03,680

camping with another couple that were

26

00:01:07,030 --> 00:01:05,280

close friends of ours

27

00:01:09,590 --> 00:01:07,040

we booked the cheapest cabin at the

28

00:01:11,590 --> 00:01:09,600

campground for two nights and headed out

29

00:01:12,789 --> 00:01:11,600

the first day we spent there was pretty

30

00:01:15,350 --> 00:01:12,799

uneventful

31

00:01:17,270 --> 00:01:15,360

to give some context the park is famous

32

00:01:19,190 --> 00:01:17,280

for its sea caves that are carved into

33

00:01:20,310 --> 00:01:19,200

the rocky cliffs of the nova scotian

34

00:01:22,230 --> 00:01:20,320

east shore

35

00:01:24,230 --> 00:01:22,240

the first day we hiked the trail that

36

00:01:25,109 --> 00:01:24,240

overlooked the caves or the ovens as

37

00:01:27,190 --> 00:01:25,119

they were called

38

00:01:29,830 --> 00:01:27,200

and we were able to go down into some of

39

00:01:32,630 --> 00:01:29,840

them that night we had a campfire

40

00:01:33,190 --> 00:01:32,640

but turned in early so we sat inside

41

00:01:35,749 --> 00:01:33,200

this small

42

00:01:37,910 --> 00:01:35,759

cabin and started playing cards my

43

00:01:40,550 --> 00:01:37,920

boyfriend was being a sore loser

44

00:01:42,789 --> 00:01:40,560

and seemed to be acting kind of strange

45

00:01:44,230 --> 00:01:42,799

he abruptly said he was going for a walk

46

00:01:46,389 --> 00:01:44,240

and left the cabin

47

00:01:48,469 --> 00:01:46,399

i was pretty annoyed and just let him go

48

00:01:50,710 --> 00:01:48,479

for a while and didn't chase him

49

00:01:53,190 --> 00:01:50,720

after about half an hour i started to

50

00:01:54,870 --> 00:01:53,200

get a bit anxious and called his cell

51
00:01:57,670 --> 00:01:54,880
this is where things started to get

52
00:02:00,310 --> 00:01:57,680
really weird he didn't answer at first

53
00:02:02,550 --> 00:02:00,320
but he called me back right away when i

54
00:02:05,190 --> 00:02:02,560
answered he seemed to calm down a bit

55
00:02:07,109 --> 00:02:05,200
and i asked him where he was he said he

56
00:02:09,910 --> 00:02:07,119
was sitting on a bench on the trail

57
00:02:12,150 --> 00:02:09,920
then he asked where i was this confused

58
00:02:13,030 --> 00:02:12,160
me a bit because i hadn't left the cabin

59
00:02:15,030 --> 00:02:13,040
since he left

60
00:02:16,710 --> 00:02:15,040
and i wasn't likely to since i'm

61
00:02:18,309 --> 00:02:16,720
terrified of the dark

62
00:02:20,790 --> 00:02:18,319
i told him this and this suddenly

63
00:02:22,229 --> 00:02:20,800

freaked him out he said he was coming

64

00:02:23,990 --> 00:02:22,239

back to the cabin

65

00:02:25,990 --> 00:02:24,000

it was weird because he's generally

66

00:02:27,030 --> 00:02:26,000

pretty level-headed and hard to actually

67

00:02:29,110 --> 00:02:27,040

scare

68

00:02:31,110 --> 00:02:29,120

so after about two to three minutes i

69

00:02:31,670 --> 00:02:31,120

hear running footsteps coming to the

70

00:02:33,589 --> 00:02:31,680

cabin

71

00:02:36,550 --> 00:02:33,599

and my boyfriend comes tearing through

72

00:02:38,470 --> 00:02:36,560

the door then this is what he told me

73

00:02:40,790 --> 00:02:38,480

he had walked out to the trails to get

74

00:02:43,110 --> 00:02:40,800

some fresh air and sat down on one of

75

00:02:45,830 --> 00:02:43,120

the benches to look out at the ocean

76
00:02:48,229 --> 00:02:45,840
the moon was pretty bright that night so

77
00:02:50,630 --> 00:02:48,239
everything was illuminated pretty well

78
00:02:52,630 --> 00:02:50,640
then he said he heard someone walking by

79
00:02:54,150 --> 00:02:52,640
and he saw this really tall and pale

80
00:02:56,790 --> 00:02:54,160
figure stop and look at him

81
00:02:58,710 --> 00:02:56,800
and then continue on for some reason he

82
00:02:59,110 --> 00:02:58,720
assumed this was me coming to look for

83
00:03:05,110 --> 00:02:59,120
him

84
00:03:06,869 --> 00:03:05,120
he said that in retrospect the figure

85
00:03:09,589 --> 00:03:06,879
was inhumanly tall and pale

86
00:03:11,509 --> 00:03:09,599
and couldn't possibly be a person he was

87
00:03:13,350 --> 00:03:11,519
not himself for the rest of the night

88
00:03:14,550 --> 00:03:13,360

and didn't seem normal until lunch the

89

00:03:16,390 --> 00:03:14,560

next day

90

00:03:24,789 --> 00:03:16,400

do you have any idea about what this

91

00:03:28,390 --> 00:03:27,030

pale crawler humanoid encounter in duet

92

00:03:31,030 --> 00:03:28,400

county texas

93

00:03:33,589 --> 00:03:31,040

this encounter took place on january 12

94

00:03:35,910 --> 00:03:33,599

2019 in duet county texas

95

00:03:37,830 --> 00:03:35,920

to be honest i chose to go out on this

96

00:03:39,670 --> 00:03:37,840

particular night because my town was

97

00:03:40,949 --> 00:03:39,680

having a little ghost tour at the local

98

00:03:43,190 --> 00:03:40,959

haunted hospital

99

00:03:44,550 --> 00:03:43,200

i was lonely and wanted to at least see

100

00:03:46,550 --> 00:03:44,560

others having fun

101
00:03:48,550 --> 00:03:46,560
it was 8 p.m when i left the house and

102
00:03:50,630 --> 00:03:48,560
planned to be back within an hour

103
00:03:52,229 --> 00:03:50,640
i have a routine of circling my town in

104
00:03:52,789 --> 00:03:52,239
the evening because i just like the

105
00:03:54,550 --> 00:03:52,799
trolling

106
00:03:55,830 --> 00:03:54,560
and there's always things creeping about

107
00:03:57,910 --> 00:03:55,840
after nightfall

108
00:04:00,070 --> 00:03:57,920
i made my way to the haunted hospital

109
00:04:02,309 --> 00:04:00,080
and once i got there i saw flashlights

110
00:04:04,390 --> 00:04:02,319
inside the windows and heard laughter

111
00:04:06,229 --> 00:04:04,400
seeing others have fun made me smile and

112
00:04:07,030 --> 00:04:06,239
got rid of some of the loneliness i was

113
00:04:08,949 --> 00:04:07,040

feeling

114

00:04:10,789 --> 00:04:08,959

this was the halfway point of my walk

115

00:04:11,750 --> 00:04:10,799

and i started my second half heading

116

00:04:13,350 --> 00:04:11,760

home now

117

00:04:15,030 --> 00:04:13,360

there were some woods on the opposite

118

00:04:16,710 --> 00:04:15,040

side of town now but nothing

119

00:04:18,150 --> 00:04:16,720

impressive until i got to the last

120

00:04:20,390 --> 00:04:18,160

quarter of my walk

121

00:04:22,390 --> 00:04:20,400

now i was passing the baseball field on

122

00:04:23,110 --> 00:04:22,400

my left with a large wheat field on my

123

00:04:24,950 --> 00:04:23,120

right

124

00:04:26,150 --> 00:04:24,960

this wheat field used to be a large

125

00:04:28,390 --> 00:04:26,160

extension of the woods

126
00:04:29,350 --> 00:04:28,400
but was cleared out for growing wheat i

127
00:04:31,030 --> 00:04:29,360
continued again

128
00:04:32,950 --> 00:04:31,040
and crossed a small bridge that went

129
00:04:33,830 --> 00:04:32,960
over a creek and passed another section

130
00:04:35,749 --> 00:04:33,840
of woods

131
00:04:37,670 --> 00:04:35,759
i was now headed towards an old metal

132
00:04:40,230 --> 00:04:37,680
building that has recently been turned

133
00:04:43,189 --> 00:04:40,240
into a place for making gates and fences

134
00:04:45,350 --> 00:04:43,199
it was about 9 pm now this building had

135
00:04:47,189 --> 00:04:45,360
two small white houses beside it and a

136
00:04:49,030 --> 00:04:47,199
stretch of dirt road wrapping around the

137
00:04:50,629 --> 00:04:49,040
backside of it before returning to

138
00:04:52,550 --> 00:04:50,639

normal asphalt road

139

00:04:54,629 --> 00:04:52,560

now at night this place seems pretty

140

00:04:56,150 --> 00:04:54,639

scary but this was one of my favorite

141

00:04:58,150 --> 00:04:56,160

places to hang out at night

142

00:05:00,390 --> 00:04:58,160

and is a normal path i take my walks

143

00:05:02,550 --> 00:05:00,400

through as i was coming up to the dirt

144

00:05:04,710 --> 00:05:02,560

road i saw a very tall eight to ten foot

145

00:05:05,830 --> 00:05:04,720

pale figure with lanky arms almost

146

00:05:07,990 --> 00:05:05,840

dragging the ground

147

00:05:09,990 --> 00:05:08,000

about 40 feet ahead of me briskly walk

148

00:05:12,550 --> 00:05:10,000

from the white houses to the woods

149

00:05:14,469 --> 00:05:12,560

i stopped walking after a few minutes of

150

00:05:16,150 --> 00:05:14,479

standing there i convinced myself to

151

00:05:18,390 --> 00:05:16,160

continue walking forward

152

00:05:20,390 --> 00:05:18,400

i mean i was an adventurous person and

153

00:05:22,310 --> 00:05:20,400

there's no way i was just going to turn

154

00:05:24,710 --> 00:05:22,320

tail and go home when i just saw

155

00:05:27,270 --> 00:05:24,720

something so odd and out of place

156

00:05:28,870 --> 00:05:27,280

not even 15 seconds into walking forward

157

00:05:31,029 --> 00:05:28,880

this sudden heavy sense of dread

158

00:05:32,629 --> 00:05:31,039

overcame me like a giant weight crashing

159

00:05:34,390 --> 00:05:32,639

down on my shoulders

160

00:05:35,990 --> 00:05:34,400

my instincts were telling me something

161

00:05:38,150 --> 00:05:36,000

was really really wrong

162

00:05:39,350 --> 00:05:38,160

i turned my iphone light on and shined

163

00:05:41,830 --> 00:05:39,360

it at the woods

164

00:05:43,350 --> 00:05:41,840

nothing i kept walking while keeping my

165

00:05:45,270 --> 00:05:43,360

head on a swivel looking in all

166

00:05:45,990 --> 00:05:45,280

directions to keep my surroundings in

167

00:05:47,830 --> 00:05:46,000

check

168

00:05:49,189 --> 00:05:47,840

about the fifth or sixth time i looked

169

00:05:51,350 --> 00:05:49,199

at the woods i saw it

170

00:05:52,950 --> 00:05:51,360

a huge bleached white humanoid figure

171

00:05:55,110 --> 00:05:52,960

crouched on all fours

172

00:05:57,110 --> 00:05:55,120

it was easily still five to six feet

173

00:05:59,830 --> 00:05:57,120

tall even though it was bent over

174

00:06:02,230 --> 00:05:59,840

its black eyes paralyzed me it had a big

175

00:06:02,710 --> 00:06:02,240

round bald head and extremely emaciated

176
00:06:05,029 --> 00:06:02,720

body

177
00:06:07,430 --> 00:06:05,039

void of all hair with very long almost

178
00:06:09,510 --> 00:06:07,440

dislocated looking arms and legs

179
00:06:11,350 --> 00:06:09,520

its legs were like a flamingo birds at

180
00:06:12,150 --> 00:06:11,360

the knee as it bent backwards instead of

181
00:06:13,830 --> 00:06:12,160

forward

182
00:06:16,150 --> 00:06:13,840

i took all this in in a matter of

183
00:06:17,990 --> 00:06:16,160

seconds suddenly it reminded me of a

184
00:06:19,830 --> 00:06:18,000

praying mantis when it swayed back and

185
00:06:21,510 --> 00:06:19,840

forth while staring as if deciding

186
00:06:23,749 --> 00:06:21,520

whether to attack or not

187
00:06:25,189 --> 00:06:23,759

this broke me out of my trance and i ran

188
00:06:27,029 --> 00:06:25,199

as fast as i could

189

00:06:29,590 --> 00:06:27,039

i didn't look back until i had ran a

190

00:06:31,430 --> 00:06:29,600

block out of breath and scared as heck i

191

00:06:33,830 --> 00:06:31,440

finally took a glance back

192

00:06:35,430 --> 00:06:33,840

i didn't see anything in sight i didn't

193

00:06:37,510 --> 00:06:35,440

hear it chase me either

194

00:06:39,189 --> 00:06:37,520

maybe it was just stalking those people

195

00:06:41,270 --> 00:06:39,199

in those two little white houses

196

00:06:42,870 --> 00:06:41,280

and was waiting for me to go away to go

197

00:06:44,710 --> 00:06:42,880

back to its business

198

00:06:46,790 --> 00:06:44,720

maybe it didn't want anything to do with

199

00:06:49,350 --> 00:06:46,800

me but that wasn't the end

200

00:06:51,350 --> 00:06:49,360

i got home took a shower and turned out

201
00:06:53,029 --> 00:06:51,360
the lights before i hopped in bed when

202
00:06:53,990 --> 00:06:53,039
suddenly there was something tapping on

203
00:06:57,189 --> 00:06:54,000
my window

204
00:06:59,029 --> 00:06:57,199
tap tap tap three taps and nothing else

205
00:07:01,029 --> 00:06:59,039
i laid in my bed that night wondering

206
00:07:03,189 --> 00:07:01,039
whether it had followed me home or not

207
00:07:04,550 --> 00:07:03,199
a string of bad luck ensued afterwards

208
00:07:06,629 --> 00:07:04,560
the following weeks

209
00:07:08,790 --> 00:07:06,639
i was constantly burning stuff on the

210
00:07:09,430 --> 00:07:08,800
stove that was relatively easy to make

211
00:07:12,070 --> 00:07:09,440
and i was

212
00:07:14,070 --> 00:07:12,080
excellent cook on top of that my dog

213
00:07:15,830 --> 00:07:14,080

started going nuts at night growling and

214

00:07:16,710 --> 00:07:15,840

barking at night in the living room and

215

00:07:18,629 --> 00:07:16,720

at the front door

216

00:07:20,469 --> 00:07:18,639

which she has never ever done as she is

217

00:07:21,110 --> 00:07:20,479

the quietest sweetest dog you'll ever

218

00:07:23,270 --> 00:07:21,120

meet

219

00:07:25,430 --> 00:07:23,280

and finally i got deathly sick for three

220

00:07:26,469 --> 00:07:25,440

weeks straight with no sure sign of what

221

00:07:29,430 --> 00:07:26,479

i had gotten

222

00:07:30,230 --> 00:07:29,440

103 fever vomiting with blood diarrhea

223

00:07:33,110 --> 00:07:30,240

with blood

224

00:07:34,150 --> 00:07:33,120

sneezing coughing sore throat migraines

225

00:07:36,230 --> 00:07:34,160

nerve spasms

226

00:07:38,230 --> 00:07:36,240

stuffy and dry nose it changed

227

00:07:39,670 --> 00:07:38,240

constantly aching all over really

228

00:07:42,550 --> 00:07:39,680

especially in my bones

229

00:07:43,110 --> 00:07:42,560

etc i've had smaller strings of bad luck

230

00:07:45,189 --> 00:07:43,120

before

231

00:07:46,950 --> 00:07:45,199

after hearing its mimicry trying to lure

232

00:07:47,670 --> 00:07:46,960

me into the forest or seeing it one

233

00:07:50,070 --> 00:07:47,680

other time

234

00:07:51,430 --> 00:07:50,080

but i didn't see any details but nothing

235

00:07:53,990 --> 00:07:51,440

ever this extreme

236

00:08:01,029 --> 00:07:54,000

i don't go into the woods alone anymore

237

00:08:05,189 --> 00:08:03,189

tall pale skinned humanoid encountered

238

00:08:07,589 --> 00:08:05,199

in willow creek california

239

00:08:09,350 --> 00:08:07,599

i saw a tall pale skin being in my

240

00:08:11,830 --> 00:08:09,360

grandparents yard in willow creek

241

00:08:14,150 --> 00:08:11,840

california in 1994.

242

00:08:15,029 --> 00:08:14,160

i had grandparents dad's father and

243

00:08:16,950 --> 00:08:15,039

stepmother

244

00:08:19,830 --> 00:08:16,960

who lived in willow creek until their

245

00:08:22,230 --> 00:08:19,840

respective passing in the early 2000s

246

00:08:24,150 --> 00:08:22,240

before then my dad sister and i would

247

00:08:24,710 --> 00:08:24,160

visit at least once or twice in the

248

00:08:26,550 --> 00:08:24,720

summer

249

00:08:28,790 --> 00:08:26,560

and sometimes for a thanksgiving or

250

00:08:30,309 --> 00:08:28,800

christmas we lived in san jose

251
00:08:32,790 --> 00:08:30,319
california at the time

252
00:08:34,709 --> 00:08:32,800
which is an eight-hour drive away we

253
00:08:37,110 --> 00:08:34,719
loved going to hike in the surrounding

254
00:08:39,430 --> 00:08:37,120
forests and play in the trinity river

255
00:08:41,589 --> 00:08:39,440
we grew up hearing about bigfoot the

256
00:08:42,149 --> 00:08:41,599
famous patterson video was shot in the

257
00:08:44,470 --> 00:08:42,159
area

258
00:08:46,470 --> 00:08:44,480
and the town is bigfoot tourist heavy

259
00:08:48,230 --> 00:08:46,480
but we were taught to watch out the very

260
00:08:50,470 --> 00:08:48,240
real pumas and bears

261
00:08:52,710 --> 00:08:50,480
i need to explain a bit about how my

262
00:08:54,470 --> 00:08:52,720
grandparents house was laid out for some

263
00:08:56,630 --> 00:08:54,480

aspects of this story

264

00:08:58,710 --> 00:08:56,640

they had a small two bedroom one

265

00:08:59,590 --> 00:08:58,720

bathroom house set at the corner of two

266

00:09:01,269 --> 00:08:59,600

streets

267

00:09:03,509 --> 00:09:01,279

the road into the neighborhood off the

268

00:09:05,509 --> 00:09:03,519

main road ran along the backyard

269

00:09:06,870 --> 00:09:05,519

and the house ran along the other road

270

00:09:08,710 --> 00:09:06,880

off of that road

271

00:09:10,230 --> 00:09:08,720

several houses ran each side of the

272

00:09:12,949 --> 00:09:10,240

street and a house sat

273

00:09:15,190 --> 00:09:12,959

behind their yard chain link fencing six

274

00:09:17,190 --> 00:09:15,200

feet tall went around their backyard

275

00:09:18,550 --> 00:09:17,200

and most neighbors yards instead of

276

00:09:21,110 --> 00:09:18,560

solid wood fencing

277

00:09:22,230 --> 00:09:21,120

so you can see into most yards from the

278

00:09:24,230 --> 00:09:22,240

street in their house

279

00:09:26,470 --> 00:09:24,240

it slopes down into the backyard and

280

00:09:27,269 --> 00:09:26,480

neighbors yard by roughly 10 feet in

281

00:09:29,750 --> 00:09:27,279

total

282

00:09:32,070 --> 00:09:29,760

their backyard was mostly just grass and

283

00:09:33,670 --> 00:09:32,080

weeds with a small semi-growing garden

284

00:09:36,310 --> 00:09:33,680

near the neighbor's fence line

285

00:09:38,949 --> 00:09:36,320

and a big tree maybe oak of some kind

286

00:09:40,550 --> 00:09:38,959

next to and partially over the solarium

287

00:09:42,230 --> 00:09:40,560

they had a raised deck running the

288

00:09:44,389 --> 00:09:42,240

length of the back of the house with

289

00:09:46,389 --> 00:09:44,399

stairs down into the yard at one end

290

00:09:47,430 --> 00:09:46,399

and a solarium off their kitchen at the

291

00:09:49,670 --> 00:09:47,440

other end

292

00:09:51,750 --> 00:09:49,680

inside the house the kitchen and dining

293

00:09:53,750 --> 00:09:51,760

room are immediately next to each other

294

00:09:56,150 --> 00:09:53,760

with the living room and front door next

295

00:09:58,389 --> 00:09:56,160

to it at the back of the living room is

296

00:09:58,949 --> 00:09:58,399

a short haul with master bedroom behind

297

00:10:00,870 --> 00:09:58,959

the kitchen

298

00:10:03,110 --> 00:10:00,880

and along the wall with the deck on one

299

00:10:05,190 --> 00:10:03,120

side and the bathroom and guest room

300

00:10:06,470 --> 00:10:05,200

along the wall facing the side street on

301

00:10:08,550 --> 00:10:06,480

the other side

302

00:10:10,949 --> 00:10:08,560

grandparents of course got their master

303

00:10:12,870 --> 00:10:10,959

bedroom dad would take the guest room

304

00:10:15,110 --> 00:10:12,880

and my sister and i would sleep in the

305

00:10:16,470 --> 00:10:15,120

living room in winter or in the solarium

306

00:10:18,590 --> 00:10:16,480

if it was summer

307

00:10:20,150 --> 00:10:18,600

this story takes place in mid-august

308

00:10:22,310 --> 00:10:20,160

1994.

309

00:10:24,230 --> 00:10:22,320

one last summer trip before school

310

00:10:26,230 --> 00:10:24,240

started in a couple weeks at the request

311

00:10:27,590 --> 00:10:26,240

of my sister for her ninth birthday

312

00:10:30,389 --> 00:10:27,600

earlier that month

313

00:10:32,710 --> 00:10:30,399

i was 11 at the time we left early to

314

00:10:33,990 --> 00:10:32,720

get there before dinner so dad could nap

315

00:10:35,670 --> 00:10:34,000

from the drive a bit

316

00:10:37,670 --> 00:10:35,680

while me and sis went down to the

317

00:10:39,670 --> 00:10:37,680

portion of the trinity river the tran at

318

00:10:42,389 --> 00:10:39,680

the very back of the neighborhood

319

00:10:43,110 --> 00:10:42,399

the afternoon and evening went as usual

320

00:10:45,269 --> 00:10:43,120

that night

321

00:10:47,110 --> 00:10:45,279

we went to sleep in the solarium as was

322

00:10:49,910 --> 00:10:47,120

custom for summer trips

323

00:10:50,870 --> 00:10:49,920

at some point in the night i woke up no

324

00:10:53,350 --> 00:10:50,880

real reason

325

00:10:55,590 --> 00:10:53,360

not even to go to the bathroom i just

326

00:10:58,630 --> 00:10:55,600

have always done that from time to time

327

00:11:00,470 --> 00:10:58,640

even still i did what i usually do and

328

00:11:02,710 --> 00:11:00,480

stared up at the stars and moon

329

00:11:04,550 --> 00:11:02,720

around half visible couldn't tell you if

330

00:11:07,030 --> 00:11:04,560

it was waxing or waning

331

00:11:09,110 --> 00:11:07,040

all of a sudden i got an intense feeling

332

00:11:09,750 --> 00:11:09,120

of dread that skipped fight or flight to

333

00:11:12,710 --> 00:11:09,760

straight

334

00:11:14,069 --> 00:11:12,720

freezer you're dead after some time most

335

00:11:16,389 --> 00:11:14,079

likely just a minute

336

00:11:17,750 --> 00:11:16,399

or two i turned my head to the side to

337

00:11:20,310 --> 00:11:17,760

look into the yard

338

00:11:21,829 --> 00:11:20,320

i had to turn to my side and lift myself

339

00:11:23,590 --> 00:11:21,839

a bit to get a better look

340

00:11:25,190 --> 00:11:23,600

but the source of my feeling was

341

00:11:27,190 --> 00:11:25,200

impossible to miss

342

00:11:28,630 --> 00:11:27,200

standing at the bottom of the yard next

343

00:11:30,710 --> 00:11:28,640

to the neighbor's fence line

344

00:11:32,230 --> 00:11:30,720

stood a tall skinny creature with skin

345

00:11:34,389 --> 00:11:32,240

the color of the moon

346

00:11:35,910 --> 00:11:34,399

it had no hair on its head or anywhere

347

00:11:37,750 --> 00:11:35,920

else that i could see

348

00:11:39,030 --> 00:11:37,760

its eyes were shiny white with a

349

00:11:41,269 --> 00:11:39,040

reflective quality

350

00:11:43,110 --> 00:11:41,279

but not bright like a bright light was

351
00:11:45,590 --> 00:11:43,120
shining on them right then

352
00:11:46,310 --> 00:11:45,600
just moonlight its face had human

353
00:11:48,870 --> 00:11:46,320
features

354
00:11:50,150 --> 00:11:48,880
but seemed squished flatter its arms

355
00:11:52,069 --> 00:11:50,160
seemed really long

356
00:11:53,190 --> 00:11:52,079
but that could be just because it was

357
00:11:55,269 --> 00:11:53,200
really tall

358
00:11:57,750 --> 00:11:55,279
the chain link fence came up to its

359
00:11:59,190 --> 00:11:57,760
armpits so it had to be around seven to

360
00:12:01,509 --> 00:11:59,200
eight feet tall

361
00:12:03,430 --> 00:12:01,519
not enough to just step over the fencing

362
00:12:05,350 --> 00:12:03,440
but i didn't hear it climb over

363
00:12:07,430 --> 00:12:05,360

unless it had been in the yard before i

364

00:12:09,030 --> 00:12:07,440

woke up and just didn't get the dread

365

00:12:11,350 --> 00:12:09,040

feeling until later

366

00:12:13,110 --> 00:12:11,360

its body had dirty brown dark gray

367

00:12:15,910 --> 00:12:13,120

looking rags over its chest

368

00:12:17,590 --> 00:12:15,920

and around its hips cover its crotch it

369

00:12:19,670 --> 00:12:17,600

was looking right at me

370

00:12:21,990 --> 00:12:19,680

i got scared and ducked down into my

371

00:12:23,750 --> 00:12:22,000

sleeping bag as far as i could

372

00:12:25,990 --> 00:12:23,760

my sister has always been a heavy

373

00:12:27,350 --> 00:12:26,000

sleeper and i didn't want her to wake up

374

00:12:29,269 --> 00:12:27,360

for this anyway

375

00:12:31,430 --> 00:12:29,279

next thing i hear heavy steps on the

376

00:12:33,110 --> 00:12:31,440

deck coming towards the solarium

377

00:12:34,550 --> 00:12:33,120

there's a wood door with a screened

378

00:12:36,629 --> 00:12:34,560

window in the top of it

379

00:12:37,670 --> 00:12:36,639

not opened at the time as far as i can

380

00:12:40,069 --> 00:12:37,680

remember

381

00:12:41,990 --> 00:12:40,079

all was quiet for a while so i peeked

382

00:12:42,710 --> 00:12:42,000

out through a small fold of the sleeping

383

00:12:44,470 --> 00:12:42,720

bag

384

00:12:46,069 --> 00:12:44,480

through one of the bottom windows of the

385

00:12:48,949 --> 00:12:46,079

solarium next to the door

386

00:12:49,430 --> 00:12:48,959

i saw its pale large feet the skin was

387

00:12:51,190 --> 00:12:49,440

rough

388

00:12:53,990 --> 00:12:51,200

and the toes were gnarled with dirty

389

00:12:55,590 --> 00:12:54,000

nails i curled up trying not to make a

390

00:12:58,310 --> 00:12:55,600

sound or move much

391

00:13:00,629 --> 00:12:58,320

the bag was getting stuffy next thing i

392

00:13:03,030 --> 00:13:00,639

know my dad is gently moving me with his

393

00:13:05,110 --> 00:13:03,040

foot asking if i was cold because i was

394

00:13:07,829 --> 00:13:05,120

still huddled down into the bag

395

00:13:09,750 --> 00:13:07,839

i looked around kind of disoriented

396

00:13:11,350 --> 00:13:09,760

there was no evidence of that creature

397

00:13:14,230 --> 00:13:11,360

from the night before

398

00:13:16,470 --> 00:13:14,240

no marks or footprints or bent fencing

399

00:13:17,350 --> 00:13:16,480

my dad was a huge skeptic of anything

400

00:13:19,990 --> 00:13:17,360

paranormal

401
00:13:20,949 --> 00:13:20,000
cryptic and authorworldly but i told him

402
00:13:24,069 --> 00:13:20,959
anyways

403
00:13:26,150 --> 00:13:24,079
he of course blew it off as a dream sis

404
00:13:27,269 --> 00:13:26,160
being a deep sleeper didn't notice

405
00:13:29,269 --> 00:13:27,279
anything i

406
00:13:31,030 --> 00:13:29,279
asked my grandparents if they heard or

407
00:13:33,350 --> 00:13:31,040
felt the thumping on the deck which

408
00:13:36,550 --> 00:13:33,360
would have been along their bedroom wall

409
00:13:38,949 --> 00:13:36,560
nope both seemed weirded out by my story

410
00:13:41,350 --> 00:13:38,959
and my grandma later privately told me

411
00:13:43,910 --> 00:13:41,360
there's lots of strange things up here

412
00:13:45,670 --> 00:13:43,920
that's why we avoid being out at night

413
00:13:48,069 --> 00:13:45,680

she wouldn't elaborate though

414

00:13:49,910 --> 00:13:48,079

that's obviously not a classic bigfoot

415

00:13:51,670 --> 00:13:49,920

but i don't know what it is

416

00:13:53,509 --> 00:13:51,680

i've wanted to ask someone from the

417

00:13:55,750 --> 00:13:53,519

hoopa native americans up there

418

00:13:57,430 --> 00:13:55,760

but i haven't yet i've never seen

419

00:13:59,430 --> 00:13:57,440

anything like it since

420

00:14:00,629 --> 00:13:59,440

although i have experienced plenty of

421

00:14:04,870 --> 00:14:00,639

paranormal things

422

00:14:08,790 --> 00:14:04,880

but those are different stories hey dean

423

00:14:12,230 --> 00:14:11,350

this is lon strickler if you like this

424

00:14:13,990 --> 00:14:12,240

program

425

00:14:15,350 --> 00:14:14,000

it would help us if you would give it a

426

00:14:18,230 --> 00:14:15,360

thumbs up

427

00:14:18,710 --> 00:14:18,240

then subscribe and click the bell icon

428

00:14:21,030 --> 00:14:18,720

so you

429

00:14:23,189 --> 00:14:21,040

get notification when we upload new

430

00:14:26,310 --> 00:14:23,199

first person encounters

431

00:14:28,710 --> 00:14:26,320

we have many more to come very soon and

432

00:14:31,110 --> 00:14:28,720

by the way if you have a suggestion
