00:00:53,430 --> 00:00:52,320

the following narrative is his

21

00:00:57,910 --> 00:00:53,440

investigation

22

00:01:00,229 --> 00:00:57,920

and report 45 year old delivery driver

23

00:01:02,950 --> 00:01:00,239

deshaunda johnson spoke with the singular

24

00:01:05,509 --> 00:01:02,960

14 society's lead investigator

25

00:01:07,350 --> 00:01:05,519

tobias whalen recently about a series of

26

00:01:10,870 --> 00:01:07,360

ufo experiences

27

00:01:12,789 --> 00:01:10,880

she had in and around madison wisconsin

28

00:01:15,510 --> 00:01:12,799

the first suck sighting she said took

29

00:01:19,109 --> 00:01:15,520

place in july or august of 2001 about

30

00:01:21,429 --> 00:01:19,119

9 00 pm she said my friend and i were

31

00:01:23,749 --> 00:01:21,439

going to work driving on staten road in

32

00:01:26,390 --> 00:01:23,759

madison

33

00:01:27,109 --> 00:01:26,400

she said her friend said to her look

34

00:01:29,910 --> 00:01:27,119

deshonda

35

00:01:30,789 --> 00:01:29,920

what is that i asked her what she was

36

00:01:32,789 --> 00:01:30,799

talking about

37

00:01:34,710 --> 00:01:32,799

we were getting off of the the beltline

38

00:01:36,710 --> 00:01:34,720

highway on the stockton road

39

00:01:37,749 --> 00:01:36,720

going to work and to the right in the

40

00:01:39,910 --> 00:01:37,759

wooded areas

41

00:01:41,350 --> 00:01:39,920

that looks like a marsh going towards

42

00:01:44,710 --> 00:01:41,360

starting mcfarland

43

00:01:46,789 --> 00:01:44,720

there's a green light that just shot up

44

00:01:48,630 --> 00:01:46,799

she asked did you see that and i said

45

00:01:50,469 --> 00:01:48,640

yes i i saw it

46

00:01:53,030 --> 00:01:50,479

i put my foot in the accelerating took

47

00:01:55,590 --> 00:01:53,040

off when i see stuff like that the only

48

00:01:57,270 --> 00:01:55,600

thing i know is to take off

49

00:01:59,030 --> 00:01:57,280

he was going to be in that martial area

50

00:02:01,030 --> 00:01:59,040

shooting off firecrackers there was no

51
00:02:03,270 --> 00:02:01,040
noise we had her windows down because it

52
00:02:05,030 --> 00:02:03,280
was nice out

53
00:02:06,789 --> 00:02:05,040
that was the first time i saw something

54
00:02:08,389 --> 00:02:06,799
like that she said and after that my

55
00:02:10,710 --> 00:02:08,399
sighting started

56
00:02:12,229 --> 00:02:10,720
when we got to work my friend said you

57
00:02:14,470 --> 00:02:12,239
all won't believe what was saw

58
00:02:16,309 --> 00:02:14,480
i told her not to tell anyone because

59
00:02:17,750 --> 00:02:16,319
they'll think we're crazy

60
00:02:19,670 --> 00:02:17,760
she told me dashonda you know that

61
00:02:20,949 --> 00:02:19,680
wasn't a shooting star shooting stars

62
00:02:23,670 --> 00:02:20,959
come down

63
00:02:24,630 --> 00:02:23,680

they don't shoot up i said yes i know

64

00:02:27,910 --> 00:02:24,640

but that's

65

00:02:29,510 --> 00:02:27,920

why i'm not saying anything

66

00:02:31,910 --> 00:02:29,520

the following week she added her

67

00:02:35,110 --> 00:02:31,920

daughter and her boyfriend

68

00:02:36,869 --> 00:02:35,120

said they saw the same thing johnson

69

00:02:38,229 --> 00:02:36,879

told whalen that she wishes that she

70

00:02:39,430 --> 00:02:38,239

would have documented the sighting

71

00:02:41,350 --> 00:02:39,440

better

72

00:02:43,750 --> 00:02:41,360

when you see it the first time people

73

00:02:45,589 --> 00:02:43,760

think they won't see it again

74

00:02:48,830 --> 00:02:45,599

or they pray they won't see it again she

75

00:02:50,470 --> 00:02:48,840

said her next sighting came in summer

76

00:02:52,790 --> 00:02:50,480

2007.

77

00:02:54,790 --> 00:02:52,800

i had something strange happen to me

78

00:02:57,350 --> 00:02:54,800

over on mccann road and madison

79

00:02:59,670 --> 00:02:57,360

johnson said my son he's the one who

80

00:03:01,589 --> 00:02:59,680

spotted it it was above me

81

00:03:03,430 --> 00:03:01,599

we'll get out of the car after going or

82

00:03:05,350 --> 00:03:03,440

coming home from the grocery store

83

00:03:06,470 --> 00:03:05,360

and it was an object floating above me

84

00:03:08,390 --> 00:03:06,480

like that that

85

00:03:09,589 --> 00:03:08,400

looked like a cloud actually it was a

86

00:03:12,949 --> 00:03:09,599

cloud

87

00:03:14,229 --> 00:03:12,959

told my son get the groceries out of the

88

00:03:16,710 --> 00:03:14,239

car

89

00:03:18,470 --> 00:03:16,720

we made stayed just off of mccann road

90

00:03:22,309 --> 00:03:18,480

in the town house

91

00:03:25,030 --> 00:03:22,319

he said mom look and i said look at what

92

00:03:26,869 --> 00:03:25,040

and he said above you when i looked

93

00:03:28,070 --> 00:03:26,879

above my head and i'm short this thing

94

00:03:30,949 --> 00:03:28,080

was over my head and

95

00:03:32,710 --> 00:03:30,959

i don't know what happened all i know is

96

00:03:35,990 --> 00:03:32,720

i was thrown

97

00:03:37,589 --> 00:03:36,000

i said get in the house my son he almost

98

00:03:39,670 --> 00:03:37,599

hit the wall looking at it while i was

99

00:03:41,990 --> 00:03:39,680

trying to run the house

100

00:03:43,270 --> 00:03:42,000

now i didn't know what it was but it was

101
00:03:45,030 --> 00:03:43,280
a cloud

102
00:03:47,430 --> 00:03:45,040
there were no other clouds and no cloud

103
00:03:49,110 --> 00:03:47,440
moves like that it had four white lights

104
00:03:51,350 --> 00:03:49,120
circling inside of it

105
00:03:53,350 --> 00:03:51,360
it hovered over me and i kid you not

106
00:03:55,030 --> 00:03:53,360
when i moved it moved

107
00:03:56,789 --> 00:03:55,040
it was close enough that i could touch

108
00:03:59,910 --> 00:03:56,799
it but i was too scared

109
00:04:01,589 --> 00:03:59,920
it was it was that low i ran into the

110
00:04:02,550 --> 00:04:01,599
house i wasn't going to stand there

111
00:04:04,390 --> 00:04:02,560
anymore

112
00:04:06,229 --> 00:04:04,400
there's no way i'm going to stand under

113
00:04:08,309 --> 00:04:06,239

something that i don't understand i

114

00:04:10,470 --> 00:04:08,319

don't know anything about

115

00:04:12,309 --> 00:04:10,480

we got into the house and the things

116

00:04:14,229 --> 00:04:12,319

stood there for a minute

117

00:04:15,429 --> 00:04:14,239

then it moved into the backyard now

118

00:04:17,909 --> 00:04:15,439

there were people in our

119

00:04:19,030 --> 00:04:17,919

in the backyard in the next neighborhood

120

00:04:21,990 --> 00:04:19,040

and it moved over to

121

00:04:23,590 --> 00:04:22,000

between my yard and theirs and there

122

00:04:24,150 --> 00:04:23,600

were people there who had their phones

123

00:04:25,510 --> 00:04:24,160

out

124

00:04:27,590 --> 00:04:25,520

and who looked like they were taking

125

00:04:29,909 --> 00:04:27,600

pictures and staring at it

126
00:04:31,830 --> 00:04:29,919
as out i was down as i was standing here

127
00:04:34,150 --> 00:04:31,840
something told me not to go out there i

128
00:04:35,909 --> 00:04:34,160
wasn't going anywhere

129
00:04:37,270 --> 00:04:35,919
it stayed there for about 20 minutes it

130
00:04:38,950 --> 00:04:37,280
wouldn't leave it was like it was

131
00:04:42,310 --> 00:04:38,960
waiting for something

132
00:04:43,830 --> 00:04:42,320
now after that i'm always looking up

133
00:04:45,590 --> 00:04:43,840
i called the police and asked them about

134
00:04:46,710 --> 00:04:45,600
the lights johns explained the woman i

135
00:04:49,270 --> 00:04:46,720
spoke to

136
00:04:51,030 --> 00:04:49,280
said she had gotten some calls i told

137
00:04:51,990 --> 00:04:51,040
her not to laugh at me this is something

138
00:04:54,150 --> 00:04:52,000

strange

139

00:04:55,189 --> 00:04:54,160

i never seen like this she asked me what

140

00:04:59,670 --> 00:04:55,199

it looked like

141

00:05:03,189 --> 00:05:01,510

johnson said that ultimately police did

142

00:05:05,350 --> 00:05:03,199

not visit the scene and no official

143

00:05:07,270 --> 00:05:05,360

report was made

144

00:05:09,350 --> 00:05:07,280

now the singer fourteen society has not

145

00:05:11,430 --> 00:05:09,360

yet been able to collaborate deciding

146

00:05:12,310 --> 00:05:11,440

using police records or the testimony of

147

00:05:15,270 --> 00:05:12,320

any neighbors

148

00:05:16,790 --> 00:05:15,280

said to be present but this article will

149

00:05:18,230 --> 00:05:16,800

be updated with any new

150

00:05:20,550 --> 00:05:18,240

information or evidence that is

151

00:05:22,310 --> 00:05:20,560

discovered after the setting

152

00:05:23,749 --> 00:05:22,320

said johnson strange stuff started

153

00:05:25,749 --> 00:05:23,759

happening

154

00:05:28,550 --> 00:05:25,759

she told whalen that she was working one

155

00:05:31,110 --> 00:05:28,560

night which sounded like someone running

156

00:05:32,710 --> 00:05:31,120

in her bedroom she woke up and her door

157

00:05:34,550 --> 00:05:32,720

was open

158

00:05:37,350 --> 00:05:34,560

she said it was previously just opened

159

00:05:38,390 --> 00:05:37,360

the crack in all her footsteps in my

160

00:05:40,710 --> 00:05:38,400

room

161

00:05:42,390 --> 00:05:40,720

my heart just started pounding i got up

162

00:05:44,550 --> 00:05:42,400

and thought maybe if the dogs

163

00:05:46,070 --> 00:05:44,560

or something i went down to chat

164

00:05:47,110 --> 00:05:46,080

downstairs and checked but the dogs were

165

00:05:49,510 --> 00:05:47,120

in the crate

166

00:05:50,150 --> 00:05:49,520

i went to my son's room and they were

167

00:05:51,590 --> 00:05:50,160

asleep

168

00:05:53,749 --> 00:05:51,600

i looked under the bed and didn't see

169

00:05:56,790 --> 00:05:53,759

anything i asked my boyfriend

170

00:05:59,830 --> 00:05:56,800

time did you come in my room he said no

171

00:06:00,710 --> 00:05:59,840

he said he was out down the street i

172

00:06:03,590 --> 00:06:00,720

asked him if

173

00:06:05,510 --> 00:06:03,600

he was sure and he said yes i told my

174

00:06:07,590 --> 00:06:05,520

landlord i had the mood to continue

175

00:06:09,670 --> 00:06:07,600

i had been there eight years he asked me

176

00:06:12,870 --> 00:06:09,680

why i wanted to move

177

00:06:14,710 --> 00:06:12,880

i couldn't tell him johnson sightings

178

00:06:17,990 --> 00:06:14,720

continued on july 7

179

00:06:19,430 --> 00:06:18,000

2020. i had to go to the back roads and

180

00:06:22,710 --> 00:06:19,440

drop off on county t

181

00:06:23,029 --> 00:06:22,720

off sprecker road way before i got there

182

00:06:25,189 --> 00:06:23,039

off

183

00:06:27,430 --> 00:06:25,199

mester lane there was a light so bright

184

00:06:29,510 --> 00:06:27,440

that at first i thought it was the sun

185

00:06:30,790 --> 00:06:29,520

i'm at the stop light and i put my visor

186

00:06:34,230 --> 00:06:30,800

down i said

187

00:06:36,629 --> 00:06:34,240

sun is bright i looked at my map and i

188

00:06:38,390 --> 00:06:36,639

see i have to go off county t

189

00:06:40,070 --> 00:06:38,400

way out in the boondocks i headed out

190

00:06:41,909 --> 00:06:40,080

there and all of a sudden i looked to my

191

00:06:44,309 --> 00:06:41,919

right after something said in my head

192

00:06:45,110 --> 00:06:44,319

look to the right when i looked an

193

00:06:48,230 --> 00:06:45,120

object was

194

00:06:50,150 --> 00:06:48,240

above the power line stationary

195

00:06:52,150 --> 00:06:50,160

i had my windows half down there was a

196

00:06:53,270 --> 00:06:52,160

man in the car close behind me and i

197

00:06:56,309 --> 00:06:53,280

thought he had

198

00:07:00,070 --> 00:06:56,319

to be doing this but when i looked again

199

00:07:03,430 --> 00:07:02,230

it felt like i was moving but not fast

200

00:07:05,110 --> 00:07:03,440

enough

201
00:07:06,550 --> 00:07:05,120
i was staring at it i couldn't keep my

202
00:07:08,150 --> 00:07:06,560
eyes off of it

203
00:07:10,390 --> 00:07:08,160
it had a green light on the bottom it

204
00:07:13,670 --> 00:07:10,400
was black a round dome and i'm just

205
00:07:15,589 --> 00:07:13,680
looking at this light that lasted for

206
00:07:16,790 --> 00:07:15,599
about two minutes when i got the ladies

207
00:07:19,350 --> 00:07:16,800
food to her

208
00:07:22,150 --> 00:07:19,360
i looked at the time and it was probably

209
00:07:24,629 --> 00:07:22,160
806 or 807

210
00:07:26,710 --> 00:07:24,639
but she had ordered her food an hour ago

211
00:07:30,309 --> 00:07:26,720
and i was thinking looking a clock

212
00:07:31,990 --> 00:07:30,319
that it's only eight or six pm

213
00:07:33,430 --> 00:07:32,000

i got home and i was still shaking my

214

00:07:35,350 --> 00:07:33,440

eyes were red and irritated by the

215

00:07:37,990 --> 00:07:35,360

brightness of the light

216

00:07:39,430 --> 00:07:38,000

a week later she had another setting in

217

00:07:43,029 --> 00:07:39,440

the same area

218

00:07:44,950 --> 00:07:43,039

i went to my t atm to get money out

219

00:07:46,710 --> 00:07:44,960

and they had just built these buildings

220

00:07:47,990 --> 00:07:46,720

right after i saw this thing off county

221

00:08:06,869 --> 00:07:48,000

t

222

00:08:08,309 --> 00:08:06,879

me i'm going home

223

00:08:09,909 --> 00:08:08,319

that's not the first time that i had

224

00:08:13,670 --> 00:08:09,919

seen those things and i don't understand

225

00:08:15,749 --> 00:08:13,680

what i was seeing the strange thing is

226

00:08:17,589 --> 00:08:15,759

while i'm driving i said to myself if i

227

00:08:19,430 --> 00:08:17,599

ever sing like that again i'm going to

228

00:08:21,670 --> 00:08:19,440

go ahead and take a picture of it

229

00:08:23,589 --> 00:08:21,680

but it didn't happen that way now

230

00:08:25,670 --> 00:08:23,599

johnson's most recent sighting occurred

231

00:08:30,150 --> 00:08:25,680

at approximately 9 15 p.m

232

00:08:32,790 --> 00:08:30,160

on august 30th 2020. she was in stouton

233

00:08:34,070 --> 00:08:32,800

delivering food near the intersection of

234

00:08:37,509 --> 00:08:34,080

ruby road

235

00:08:39,829 --> 00:08:37,519

in kingsland road

236

00:08:42,149 --> 00:08:39,839

when i looked at my app it said that i

237

00:08:43,829 --> 00:08:42,159

was two or three minutes from the house

238

00:08:45,910 --> 00:08:43,839

i was going through the neighborhood

239

00:08:47,269 --> 00:08:45,920

when all of a sudden and this is not the

240

00:08:49,910 --> 00:08:47,279

first time this has happened to me

241

00:08:52,470 --> 00:08:49,920

something told me look to my left

242

00:08:54,949 --> 00:08:52,480

i just looked over and i said what in

243

00:08:58,710 --> 00:08:54,959

the and i said this plane is flying

244

00:08:59,030 --> 00:08:58,720

really low in its flight so i slowed

245

00:09:01,670 --> 00:08:59,040

down

246

00:09:03,430 --> 00:09:01,680

i saw kids in a group across the street

247

00:09:05,350 --> 00:09:03,440

and i looked and all of a sudden i got

248

00:09:06,949 --> 00:09:05,360

nervous it was just staring at i was

249

00:09:09,350 --> 00:09:06,959

just staring at it

250

00:09:10,640 --> 00:09:09,360

that's when i it was like uh oh it's

251
00:09:11,910 --> 00:09:10,650
stationary it's not moving

252
00:09:13,350 --> 00:09:11,920
[Music]

253
00:09:15,990 --> 00:09:13,360
all i could see were the lights

254
00:09:17,829 --> 00:09:16,000
flickering it was over houses and it

255
00:09:18,790 --> 00:09:17,839
wasn't that far away from me maybe two

256
00:09:22,310 --> 00:09:18,800
or three

257
00:09:23,829 --> 00:09:22,320
or two or four hundred feet i know what

258
00:09:25,910 --> 00:09:23,839
i saw

259
00:09:27,590 --> 00:09:25,920
it looked like it was multicolored red

260
00:09:30,630 --> 00:09:27,600
white but it wasn't

261
00:09:32,550 --> 00:09:30,640
bright red it was almost like orange

262
00:09:35,350 --> 00:09:32,560
as i was looking at it it just stayed in

263
00:09:37,269 --> 00:09:35,360

one spot it looked black

264

00:09:40,070 --> 00:09:37,279

i wanted to get out and take a picture

265

00:09:42,790 --> 00:09:40,080

but all of a sudden i got really nervous

266

00:09:44,710 --> 00:09:42,800

i said should i no i better get this

267

00:09:46,630 --> 00:09:44,720

lady your food

268

00:09:48,310 --> 00:09:46,640

i'm sitting in my car just looking at it

269

00:09:51,509 --> 00:09:48,320

driving slowly just looking

270

00:09:54,550 --> 00:09:51,519

at it as soon as as i said okay

271

00:09:56,230 --> 00:09:54,560

maybe it'll be there when i get back i'm

272

00:09:57,190 --> 00:09:56,240

saying it was like no just stop taking a

273

00:09:59,590 --> 00:09:57,200

picture

274

00:10:00,870 --> 00:09:59,600

because people you know nobody's gonna

275

00:10:03,190 --> 00:10:00,880

believe

276

00:10:04,870 --> 00:10:03,200

you've seen something like this i kept

277

00:10:07,350 --> 00:10:04,880

saying to myself no that's a plane

278

00:10:09,030 --> 00:10:07,360

that's a plane i'm not seeing what i'm

279

00:10:12,310 --> 00:10:09,040

seeing

280

00:10:15,430 --> 00:10:12,320

the thing tilted up and when it tilted

281

00:10:15,910 --> 00:10:15,440

it was a triangle it had a light at the

282

00:10:18,550 --> 00:10:15,920

top

283

00:10:20,470 --> 00:10:18,560

and one at the bottom on each side my

284

00:10:23,829 --> 00:10:20,480

eyes got bigger than my glasses

285

00:10:26,069 --> 00:10:23,839

all i know is when i saw it

286

00:10:27,110 --> 00:10:26,079

what it did and i turned back that thing

287

00:10:28,949 --> 00:10:27,120

took off

288

00:10:30,470 --> 00:10:28,959

i put my foot on the gas and dropped the

289

00:10:33,110 --> 00:10:30,480

lady's food off

290

00:10:35,190 --> 00:10:33,120

it's as if i wanted me to see it say no

291

00:10:37,350 --> 00:10:35,200

i'm not a plane

292

00:10:38,470 --> 00:10:37,360

that was not an airplane nobody can

293

00:10:40,310 --> 00:10:38,480

convince me

294

00:10:41,990 --> 00:10:40,320

now johnson further explained that she

295

00:10:44,870 --> 00:10:42,000

had had her core door open

296

00:10:46,470 --> 00:10:44,880

slightly but was afraid to get out

297

00:10:48,310 --> 00:10:46,480

because she thought the craft might

298

00:10:50,150 --> 00:10:48,320

approach her if she did

299

00:10:51,750 --> 00:10:50,160

according to johnson the sighting lasted

300

00:10:52,630 --> 00:10:51,760

a minute or two shortly after the

301
00:10:54,710 --> 00:10:52,640
sighting

302
00:10:56,790 --> 00:10:54,720
johnson spoke to a friend stouten who

303
00:10:58,389 --> 00:10:56,800
said she'd seen a lot of strange stuff

304
00:11:00,389 --> 00:10:58,399
out there

305
00:11:01,910 --> 00:11:00,399
johnson wondered it was perhaps a craft

306
00:11:04,230 --> 00:11:01,920
of trying to communicate with her

307
00:11:05,990 --> 00:11:04,240
and that it might be tied to a series of

308
00:11:06,710 --> 00:11:06,000
psychic experiences she has had in her

309
00:11:09,350 --> 00:11:06,720
life

310
00:11:11,190 --> 00:11:09,360
i'm a clairvoyant and i've had out of

311
00:11:14,550 --> 00:11:11,200
body experiences

312
00:11:16,230 --> 00:11:14,560
a cr is around me i see colors and that

313
00:11:17,750 --> 00:11:16,240

if they have a certain color then i

314

00:11:20,630 --> 00:11:17,760

don't go near them

315

00:11:21,990 --> 00:11:20,640

i would tell my mom and she would just

316

00:11:24,310 --> 00:11:22,000

tell me to shush

317

00:11:26,150 --> 00:11:24,320

i never understood that i thought that

318

00:11:27,190 --> 00:11:26,160

maybe there was something wrong with me

319

00:11:28,949 --> 00:11:27,200

she said

320

00:11:30,630 --> 00:11:28,959

she told me that she had the same thing

321

00:11:32,389 --> 00:11:30,640

but she blocked it

322

00:11:34,230 --> 00:11:32,399

you can tell people all day long but

323

00:11:35,590 --> 00:11:34,240

they never understand

324

00:11:37,269 --> 00:11:35,600

but that's not the only strange

325

00:11:39,590 --> 00:11:37,279

experience johnson said she's had

326
00:11:41,910 --> 00:11:39,600
in common with her mother there were

327
00:11:42,310 --> 00:11:41,920
days i would wake up with bruises on my

328
00:11:44,870 --> 00:11:42,320
arm

329
00:11:46,710 --> 00:11:44,880
i don't understand how i got them it

330
00:11:48,389 --> 00:11:46,720
looked like three claws like something

331
00:11:49,829 --> 00:11:48,399
had scratched me like i was fighting

332
00:11:51,670 --> 00:11:49,839
something

333
00:11:53,430 --> 00:11:51,680
she said i remember this clearly my

334
00:11:55,350 --> 00:11:53,440
mother said to me i used to wake up the

335
00:11:58,150 --> 00:11:55,360
same marks on me

336
00:11:58,710 --> 00:11:58,160
those marks might be explained by

337
00:12:01,670 --> 00:11:58,720
another

338
00:12:03,829 --> 00:12:01,680

experience related by johnson now this

339

00:12:06,310 --> 00:12:03,839

event she said took place

340

00:12:09,430 --> 00:12:06,320

at her childhood home in joliet illinois

341

00:12:11,110 --> 00:12:09,440

in 1987 when she was 12 years old

342

00:12:12,550 --> 00:12:11,120

the house we stayed at time was in the

343

00:12:14,230 --> 00:12:12,560

country she said

344

00:12:15,829 --> 00:12:14,240

there was a barn there and some nearby

345

00:12:18,870 --> 00:12:15,839

houses

346

00:12:20,710 --> 00:12:18,880

they built a lot there now but

347

00:12:23,190 --> 00:12:20,720

at the time there were a lot of fields

348

00:12:25,030 --> 00:12:23,200

and we had a big backyard

349

00:12:26,629 --> 00:12:25,040

i had to stay late for detention after

350

00:12:27,829 --> 00:12:26,639

school one day i remember going to the

351
00:12:29,670 --> 00:12:27,839
house

352
00:12:31,350 --> 00:12:29,680
after i came home thinking that i was

353
00:12:33,350 --> 00:12:31,360
going to be in trouble

354
00:12:34,949 --> 00:12:33,360
but nobody was home i had to go through

355
00:12:36,550 --> 00:12:34,959
the garage and get into the house and i

356
00:12:39,190 --> 00:12:36,560
saw the car was there so i didn't

357
00:12:42,389 --> 00:12:39,200
understand where everybody was

358
00:12:44,150 --> 00:12:42,399
so i started calling mama mama

359
00:12:45,910 --> 00:12:44,160
and i called for my sisters but nobody

360
00:12:47,430 --> 00:12:45,920
answered just that the phone rang and i

361
00:12:49,509 --> 00:12:47,440
went to go pick it up

362
00:12:52,310 --> 00:12:49,519
a robotic voice said to me little girl

363
00:12:52,790 --> 00:12:52,320

is your mommy or daddy home i dropped

364

00:12:54,790 --> 00:12:52,800

the phone

365

00:12:56,470 --> 00:12:54,800

the minute i dropped it i felt sick i

366

00:12:59,030 --> 00:12:56,480

felt drowsy and sleepy

367

00:13:00,389 --> 00:12:59,040

and i had a headache i laid down in the

368

00:13:04,230 --> 00:13:00,399

bunk bed in our room

369

00:13:05,110 --> 00:13:04,240

it was like i i couldn't move i saw four

370

00:13:07,430 --> 00:13:05,120

little things

371

00:13:08,310 --> 00:13:07,440

come into the room they were suited up

372

00:13:10,949 --> 00:13:08,320

it was like a

373

00:13:13,269 --> 00:13:10,959

skin tight blue protective suit they

374

00:13:15,190 --> 00:13:13,279

were bald with big black eyes and really

375

00:13:16,470 --> 00:13:15,200

not much of a nose or mouth

376

00:13:18,470 --> 00:13:16,480

and all i can remember is being

377

00:13:20,069 --> 00:13:18,480

paralyzed with fear

378

00:13:22,790 --> 00:13:20,079

i was trying to fight it i was trying to

379

00:13:24,389 --> 00:13:22,800

move two were on either side of me

380

00:13:25,990 --> 00:13:24,399

and they weren't touching me it was like

381

00:13:27,590 --> 00:13:26,000

i was levitated

382

00:13:29,269 --> 00:13:27,600

i was looking at one of those things

383

00:13:30,710 --> 00:13:29,279

straight in its eyes

384

00:13:32,870 --> 00:13:30,720

and i'm trying to fight it and i can't

385

00:13:35,670 --> 00:13:32,880

move that's all i can remember

386

00:13:37,269 --> 00:13:35,680

now johnson later asked her sisters

387

00:13:38,949 --> 00:13:37,279

where they were that day but they said

388

00:13:41,350 --> 00:13:38,959

that her sister maintains she doesn't

389

00:13:44,470 --> 00:13:41,360

know what i'm talking about

390

00:13:45,670 --> 00:13:44,480

she never watched much science fiction

391

00:13:47,670 --> 00:13:45,680

or absorbs

392

00:13:48,949 --> 00:13:47,680

media similar to this when she was a

393

00:13:50,710 --> 00:13:48,959

child

394

00:13:53,509 --> 00:13:50,720

and it wasn't until her 20s when she

395

00:13:56,550 --> 00:13:53,519

started seeing representations of beings

396

00:13:57,350 --> 00:13:56,560

she encountered that day it's never left

397

00:14:00,470 --> 00:13:57,360

my mind

398

00:14:02,550 --> 00:14:00,480

and i wonder if that's why i'm into this

399

00:14:03,590 --> 00:14:02,560

stuff now she said i see people talking

400

00:14:05,670 --> 00:14:03,600

about and i think

401

00:14:07,189 --> 00:14:05,680

that's what i saw that's what came into

402

00:14:08,949 --> 00:14:07,199

my room

403

00:14:10,310 --> 00:14:08,959

when asked if she had had any bedroom

404

00:14:13,590 --> 00:14:10,320

vegetation since

405

00:14:14,790 --> 00:14:13,600

2007 johnson replied i have not and i
