

ARCANE RADIO 

Exploring the Unexplained 

Feb. 15th, 2018

Albert S. Rosales

Humanoid / UFO

Researcher & Author

BXP

1
00:00:09,430 --> 00:00:05,990
the oldest

2
00:00:11,589 --> 00:00:09,440
and strongest human emotion is fear

3
00:00:12,629 --> 00:00:11,599
and the oldest and strongest type of

4
00:00:15,749 --> 00:00:12,639
fear

5
00:00:18,230 --> 00:00:15,759
is trepidation of young men

6
00:00:21,670 --> 00:00:18,240
when we were children our parents told

7
00:00:24,150 --> 00:00:21,680
us that monsters didn't exist

8
00:00:27,349 --> 00:00:24,160
but we were sure that something was

9
00:00:31,830 --> 00:00:27,359
lurking under the bed or in the closet

10
00:00:34,870 --> 00:00:31,840
fear sees even if our eyes are closed

11
00:00:38,069 --> 00:00:34,880
welcome to the realm of the arcane

12
00:00:38,709 --> 00:00:38,079
my name is lon strickler join me as i

13
00:00:41,190 --> 00:00:38,719

examine

14

00:00:45,590 --> 00:00:41,200

unexplained creatures strange

15

00:00:51,189 --> 00:00:48,549

imagine this next hour as a voyage of

16

00:00:54,229 --> 00:00:51,199

discovery to strange lands

17

00:00:56,709 --> 00:00:54,239

seeking not for new territory but for

18

00:00:59,590 --> 00:00:56,719

new knowledge of the supernatural

19

00:01:04,869 --> 00:00:59,600

come on board as we begin this adventure

20

00:01:09,190 --> 00:01:06,789

hey folks good evening and welcome to

21

00:01:11,670 --> 00:01:09,200

another episode of arcane radio

22

00:01:12,870 --> 00:01:11,680

i am your host lon strickler and i thank

23

00:01:15,190 --> 00:01:12,880

you for joining me

24

00:01:16,469 --> 00:01:15,200

here on the paranormal king radio

25

00:01:19,109 --> 00:01:16,479

network

26

00:01:20,870 --> 00:01:19,119

now uh before i introduce my guest i

27

00:01:24,310 --> 00:01:20,880

want to mention an encounter i

28

00:01:27,350 --> 00:01:24,320

uh a counter account i recently received

29

00:01:28,149 --> 00:01:27,360

the eyewitness states i first got

30

00:01:30,630 --> 00:01:28,159

married

31

00:01:33,030 --> 00:01:30,640

back in 1998 my husband and his family

32

00:01:35,190 --> 00:01:33,040

went to matamoros mexico to see his

33

00:01:37,429 --> 00:01:35,200

grandmother

34

00:01:39,190 --> 00:01:37,439

and when we were leaving i was sitting

35

00:01:41,030 --> 00:01:39,200

in the backseat of the car

36

00:01:42,630 --> 00:01:41,040

i was just looking around and i glanced

37

00:01:44,950 --> 00:01:42,640

over something

38

00:01:46,149 --> 00:01:44,960

told me to glance over so i looked over

39

00:01:48,389 --> 00:01:46,159

my right

40

00:01:50,870 --> 00:01:48,399

and as i looked there was like a crowd

41

00:01:53,990 --> 00:01:50,880

of people standing on the road

42

00:01:57,190 --> 00:01:54,000

but one man stood out his face looked

43

00:01:57,510 --> 00:01:57,200

so weird it was like he had no eyes it

44

00:02:00,310 --> 00:01:57,520

was

45

00:02:02,069 --> 00:02:00,320

like his eyes were just black and i'm

46

00:02:04,550 --> 00:02:02,079

staring at it

47

00:02:06,310 --> 00:02:04,560

something isn't right and it was you

48

00:02:07,350 --> 00:02:06,320

know they were staring at me the car

49

00:02:09,910 --> 00:02:07,360

turned so

50

00:02:10,630 --> 00:02:09,920

i couldn't see them anymore but next

51

00:02:13,190 --> 00:02:10,640

thing i know

52

00:02:14,790 --> 00:02:13,200

i felt so sick that i thought i was

53

00:02:15,430 --> 00:02:14,800

going to have to go to the emergency

54

00:02:17,270 --> 00:02:15,440

room

55

00:02:20,070 --> 00:02:17,280

and i'm telling my husband i feel sick

56

00:02:21,990 --> 00:02:20,080

all of a sudden i feel sick and he said

57

00:02:23,750 --> 00:02:22,000

you know him and his parents thought

58

00:02:25,910 --> 00:02:23,760

maybe it was the heat

59

00:02:27,510 --> 00:02:25,920

because i had lived in alaska for three

60

00:02:28,070 --> 00:02:27,520

years and was trying to adapt to the

61

00:02:32,630 --> 00:02:28,080

heat

62

00:02:34,229 --> 00:02:32,640

something just is not right

63

00:02:35,750 --> 00:02:34,239

i thought i was going to die they were

64

00:02:37,190 --> 00:02:35,760

trying to hurry up get me back to

65

00:02:39,990 --> 00:02:37,200

brownsville

66

00:02:41,589 --> 00:02:40,000

and i said take me to the emergency room

67

00:02:43,509 --> 00:02:41,599

and instead they took me home they took

68

00:02:46,630 --> 00:02:43,519

me into a cold dark bedroom

69

00:02:48,390 --> 00:02:46,640

and his mom laid me on the bed and i'll

70

00:02:50,229 --> 00:02:48,400

never forget

71

00:02:51,910 --> 00:02:50,239

because i just don't believe in this

72

00:02:54,070 --> 00:02:51,920

stuff i mean i'm not

73

00:02:55,350 --> 00:02:54,080

very superstitious but she went and got

74

00:02:57,270 --> 00:02:55,360

an egg

75

00:02:59,910 --> 00:02:57,280

she took that egg and rubbed it over my

76

00:03:02,149 --> 00:02:59,920

body and was whispering something

77

00:03:04,869 --> 00:03:02,159

i don't know if it was a prayer or what

78

00:03:06,149 --> 00:03:04,879

but as she got to my right hand the egg

79

00:03:08,790 --> 00:03:06,159

exploded

80

00:03:10,149 --> 00:03:08,800

and she became startled i mean he

81

00:03:12,869 --> 00:03:10,159

exploded everywhere

82

00:03:14,630 --> 00:03:12,879

the next thing i know not even five

83

00:03:15,589 --> 00:03:14,640

minutes later i'm feeling better it was

84

00:03:18,070 --> 00:03:15,599

weird

85

00:03:19,509 --> 00:03:18,080

but all i know is what i saw in mexico

86

00:03:22,309 --> 00:03:19,519

it was the weirdest thing

87

00:03:23,750 --> 00:03:22,319

now you know this account of people

88

00:03:27,030 --> 00:03:23,760

getting sick

89

00:03:29,430 --> 00:03:27,040
after seeing a black-eyed bean

90

00:03:31,350 --> 00:03:29,440
uh the first time i ever heard about

91

00:03:34,550 --> 00:03:31,360
that was from the late j.c

92

00:03:37,589 --> 00:03:34,560
johnson uh in an encounter him and jack

93

00:03:41,430 --> 00:03:37,599
kerry had down in in new mexico

94

00:03:42,149 --> 00:03:41,440
they were um they were in a car with two

95

00:03:44,630 --> 00:03:42,159
other people

96

00:03:46,149 --> 00:03:44,640
who were in the front seat jack and jc

97

00:03:49,830 --> 00:03:46,159
were in the back

98

00:03:53,429 --> 00:03:49,840
and this woman just literally was

99

00:03:56,789 --> 00:03:53,439
walking in the middle of the desert and

100

00:03:58,789 --> 00:03:56,799
young woman and uh she was walking

101
00:03:59,350 --> 00:03:58,799
towards the road so they kind of slowed

102
00:04:03,030 --> 00:03:59,360
up

103
00:04:06,390 --> 00:04:03,040
and when she got to them jack and jc

104
00:04:09,190 --> 00:04:06,400
noticed that she had black eyes

105
00:04:12,550 --> 00:04:09,200
and when she looked at them they both

106
00:04:15,750 --> 00:04:12,560
got violently ill

107
00:04:16,870 --> 00:04:15,760
so uh you know jc who had just passed

108
00:04:21,509 --> 00:04:16,880
about

109
00:04:24,710 --> 00:04:21,519
really got over all that

110
00:04:28,070 --> 00:04:24,720
for many years he it kind of uh

111
00:04:30,870 --> 00:04:28,080
kind of bothered him and he uh

112
00:04:32,310 --> 00:04:30,880
i think it affected him for the rest of

113
00:04:34,469 --> 00:04:32,320

his life

114

00:04:36,070 --> 00:04:34,479

so uh you know one day we'll get jack

115

00:04:38,790 --> 00:04:36,080

carey to come on the show

116

00:04:40,950 --> 00:04:38,800

we'll talk about that but uh it's it's

117

00:04:42,710 --> 00:04:40,960

an unusual phenomena so i'd be

118

00:04:45,990 --> 00:04:42,720

interested to find out if anybody else

119

00:04:48,150 --> 00:04:46,000

has ever experienced the same thing

120

00:04:50,550 --> 00:04:48,160

so let's get started now tonight's guest

121

00:04:54,070 --> 00:04:50,560

is humanoid ufo researcher and author

122

00:04:56,110 --> 00:04:54,080

albert s rosales albert was born in cuba

123

00:04:57,990 --> 00:04:56,120

and migrated to the united states in

124

00:05:00,070 --> 00:04:58,000

1966.

125

00:05:02,870 --> 00:05:00,080

he witnessed several unusual incidents

126
00:05:05,029 --> 00:05:02,880
in his youth while living in cuba

127
00:05:06,629 --> 00:05:05,039
which continued throughout his life in

128
00:05:09,189 --> 00:05:06,639
the united states now

129
00:05:11,590 --> 00:05:09,199
became interested in unusual phenomena

130
00:05:12,950 --> 00:05:11,600
in ufos at young age but soon directed

131
00:05:14,550 --> 00:05:12,960
his focus

132
00:05:17,350 --> 00:05:14,560
to the crux of the phenomena the

133
00:05:19,830 --> 00:05:17,360
humanoids and other worldly entities

134
00:05:21,749 --> 00:05:19,840
he began collecting data on on

135
00:05:25,270 --> 00:05:21,759
encounters from worldwide sources

136
00:05:25,749 --> 00:05:25,280
in the late 80s his current database has

137
00:05:27,830 --> 00:05:25,759
over

138
00:05:29,510 --> 00:05:27,840

20 000 entries which is updated and

139

00:05:31,990 --> 00:05:29,520

corrected daily

140

00:05:33,270 --> 00:05:32,000

albert has published 16 titles including

141

00:05:36,629 --> 00:05:33,280

most recent book

142

00:05:39,830 --> 00:05:36,639

ufos over florida humanoids and other

143

00:05:41,830 --> 00:05:39,840

strange encounters in the sunshine state

144

00:05:48,390 --> 00:05:41,840

alberts humanoid database can now be

145

00:05:51,510 --> 00:05:48,400

found at www.iraap.com

146

00:05:51,990 --> 00:05:51,520

rosales this is the website for the

147

00:05:54,390 --> 00:05:52,000

independent

148

00:05:55,590 --> 00:05:54,400

researchers association for anomalous

149

00:05:58,870 --> 00:05:55,600

phenomena

150

00:05:59,590 --> 00:05:58,880

website so albert thank you for joining

151
00:06:03,990 --> 00:05:59,600
me

152
00:06:07,590 --> 00:06:04,000
been a while since we've talked

153
00:06:09,110 --> 00:06:07,600
yeah you have been kind enough to offer

154
00:06:10,870 --> 00:06:09,120
many of your compiled reports of

155
00:06:14,629 --> 00:06:10,880
phantoms of monsters over the years

156
00:06:17,430 --> 00:06:14,639
which i greatly appreciate um

157
00:06:20,790 --> 00:06:17,440
can you tell us a little bit about your

158
00:06:24,230 --> 00:06:20,800
earliest personal counters or settings

159
00:06:26,790 --> 00:06:24,240
well you know i was back in uh

160
00:06:27,990 --> 00:06:26,800
when i was a kid by a young kid back in

161
00:06:31,510 --> 00:06:28,000
cuba

162
00:06:34,070 --> 00:06:31,520
i remember distinctly one night

163
00:06:35,189 --> 00:06:34,080

walking and there was like a hallway in

164

00:06:37,110 --> 00:06:35,199

my house

165

00:06:38,870 --> 00:06:37,120

and there was a mirror right in the

166

00:06:40,150 --> 00:06:38,880

hallway and i was walking by the mirror

167

00:06:43,430 --> 00:06:40,160

i was maybe uh

168

00:06:46,790 --> 00:06:43,440

five or six i looked up and there was a

169

00:06:48,150 --> 00:06:46,800

man in the mirror looking at me

170

00:06:49,510 --> 00:06:48,160

of course there was nobody there i

171

00:06:49,830 --> 00:06:49,520

looked behind me there was nobody there

172

00:06:52,870 --> 00:06:49,840

and

173

00:06:54,230 --> 00:06:52,880

i looked up at he to me

174

00:06:57,189 --> 00:06:54,240

what i remember he seemed to have a

175

00:06:58,870 --> 00:06:57,199

beard and some kind of helmet like you

176

00:07:01,350 --> 00:06:58,880

know like the spanish used to

177

00:07:03,029 --> 00:07:01,360

wear like conquistador type of helmet

178

00:07:06,309 --> 00:07:03,039

right here and he was like

179

00:07:07,670 --> 00:07:06,319

laughing i i ran over my mom in the

180

00:07:12,950 --> 00:07:07,680

kitchen and of course

181

00:07:17,670 --> 00:07:15,990

i remember another encounter um

182

00:07:19,670 --> 00:07:17,680

i wasn't alone though there was a whole

183

00:07:22,070 --> 00:07:19,680

bunch we had

184

00:07:23,110 --> 00:07:22,080

frequent uh you know power outages back

185

00:07:25,430 --> 00:07:23,120

then

186

00:07:26,870 --> 00:07:25,440

in cuba and uh they were they're all we

187

00:07:30,150 --> 00:07:26,880

were all sitting outside

188

00:07:33,270 --> 00:07:30,160

in front of my house my parents home

189

00:07:35,029 --> 00:07:33,280

talking all of a sudden we there was an

190

00:07:36,469 --> 00:07:35,039

object that came over the house across

191

00:07:40,550 --> 00:07:36,479

the street

192

00:07:42,469 --> 00:07:40,560

and it looked like a huge egg metallic

193

00:07:44,230 --> 00:07:42,479

you know and then they're all looking at

194

00:07:45,670 --> 00:07:44,240

it and of course they were all screaming

195

00:07:49,110 --> 00:07:45,680

that there was the

196

00:07:51,110 --> 00:07:49,120

americans invading

197

00:07:52,710 --> 00:07:51,120

yeah that's where they yelled out so i

198

00:07:55,430 --> 00:07:52,720

was very curious i

199

00:07:56,710 --> 00:07:55,440

i followed it i ran after it and it it

200

00:07:59,510 --> 00:07:56,720

kind of hovered over

201
00:07:59,990 --> 00:07:59,520
my the back of my house and i stood

202
00:08:03,589 --> 00:08:00,000
there

203
00:08:06,150 --> 00:08:03,599
looking at it and it was a light and

204
00:08:06,629 --> 00:08:06,160
next thing i know my mom is calling me

205
00:08:11,749 --> 00:08:06,639
and i

206
00:08:13,990 --> 00:08:11,759
i'm back in the i ran back to the house

207
00:08:17,350 --> 00:08:14,000
you know i never had any uh

208
00:08:19,670 --> 00:08:17,360
hypnotic regression done to me but

209
00:08:22,550 --> 00:08:19,680
maybe who knows something else happened

210
00:08:26,230 --> 00:08:24,629
yeah you hear a lot of stories it may

211
00:08:29,990 --> 00:08:26,240
possibly have been some type

212
00:08:33,670 --> 00:08:30,000
of abduction or possible missing time

213
00:08:35,190 --> 00:08:33,680

yeah a lot and that that report you were

214

00:08:38,230 --> 00:08:35,200

talking about in

215

00:08:41,029 --> 00:08:38,240

mexico that's pretty creepy

216

00:08:41,990 --> 00:08:41,039

those uh black eye encounters uh those

217

00:08:44,870 --> 00:08:42,000

entities uh

218

00:08:45,430 --> 00:08:44,880

they're definitely negative in in you

219

00:08:48,790 --> 00:08:45,440

know in

220

00:08:52,389 --> 00:08:48,800

nature very good yeah i i

221

00:08:52,870 --> 00:08:52,399

you know david weatherly really started

222

00:08:56,470 --> 00:08:52,880

putting

223

00:08:59,269 --> 00:08:56,480

the map

224

00:09:00,470 --> 00:08:59,279

and uh you know it's it's interesting

225

00:09:02,550 --> 00:09:00,480

how

226

00:09:03,590 --> 00:09:02,560

there have been so many encounters since

227

00:09:07,269 --> 00:09:03,600

then i mean

228

00:09:09,350 --> 00:09:07,279

you know i believe personally that these

229

00:09:10,550 --> 00:09:09,360

are some type of other worldly entities

230

00:09:14,310 --> 00:09:10,560

now

231

00:09:17,430 --> 00:09:14,320

type of

232

00:09:18,630 --> 00:09:17,440

possession or whatever what what's your

233

00:09:19,990 --> 00:09:18,640

what's your thoughts on that

234

00:09:21,550 --> 00:09:20,000

i don't know when you say oh they're

235

00:09:23,750 --> 00:09:21,560

warly do you think they're like

236

00:09:26,550 --> 00:09:23,760

extraterrestrial maybe yeah

237

00:09:29,030 --> 00:09:26,560

yeah yeah i do i mean i think they are

238

00:09:32,230 --> 00:09:30,389

um i don't i don't think they're

239

00:09:33,430 --> 00:09:32,240

spiritual based i i think there's

240

00:09:35,790 --> 00:09:33,440

something to do with

241

00:09:37,110 --> 00:09:35,800

um you know like you said

242

00:09:40,310 --> 00:09:37,120

extraterrestrials or

243

00:09:42,870 --> 00:09:40,320

some type of alien influence

244

00:09:44,230 --> 00:09:42,880

and maybe you know what i'm i have been

245

00:09:45,990 --> 00:09:44,240

thinking maybe these uh

246

00:09:49,910 --> 00:09:46,000

black-eyed kids they're some type of

247

00:09:51,670 --> 00:09:49,920

hybrids well that's possible as well

248

00:09:53,430 --> 00:09:51,680

i've been thinking about that maybe

249

00:09:56,310 --> 00:09:53,440

there's some kind of hybrids that

250

00:09:59,190 --> 00:09:56,320

being let out see how they react with

251

00:10:02,550 --> 00:09:59,200

humans and how the humans react

252

00:10:04,069 --> 00:10:02,560

i don't know well you know i uh i'm

253

00:10:05,829 --> 00:10:04,079

in the middle of writing a book right

254

00:10:09,350 --> 00:10:05,839

now about alien

255

00:10:12,389 --> 00:10:09,360

encounters and um i am going to include

256

00:10:15,590 --> 00:10:12,399

some some black-eyed kid uh

257

00:10:18,710 --> 00:10:15,600

our black-eyed bean okay yeah

258

00:10:21,509 --> 00:10:18,720

reports in there so um

259

00:10:22,069 --> 00:10:21,519

i don't know i mean i i you know i i do

260

00:10:25,430 --> 00:10:22,079

believe

261

00:10:29,509 --> 00:10:25,440

personally that a lot of the phenomena

262

00:10:30,389 --> 00:10:29,519

that we experience as far as humanoid

263

00:10:33,509 --> 00:10:30,399

phenomena

264

00:10:37,269 --> 00:10:33,519

is is alien related

265

00:10:39,350 --> 00:10:37,279

uh even with the uh the wing humanoid

266

00:10:40,870 --> 00:10:39,360

sightings that i've been reporting on

267

00:10:41,829 --> 00:10:40,880

why i've been reporting on them for

268

00:10:43,990 --> 00:10:41,839

years

269

00:10:45,750 --> 00:10:44,000

yeah i i think they may very well be

270

00:10:48,790 --> 00:10:45,760

some type of alien

271

00:10:52,069 --> 00:10:48,800

connection with those as well

272

00:10:54,069 --> 00:10:52,079

i talking about the winged humanoids uh

273

00:10:56,470 --> 00:10:54,079

i was going through my files and

274

00:10:58,550 --> 00:10:56,480

i was looking up and this is back in

275

00:11:02,630 --> 00:10:58,560

like in 1930s

276

00:11:05,350 --> 00:11:02,640

and again in cuba there was a uh

277

00:11:06,069 --> 00:11:05,360

i got this information from a researcher

278

00:11:09,110 --> 00:11:06,079

that lives

279

00:11:11,269 --> 00:11:09,120

over there in cuba and and he

280

00:11:12,949 --> 00:11:11,279

he sent me a like a list of you know

281

00:11:15,750 --> 00:11:12,959

incidents

282

00:11:16,949 --> 00:11:15,760

and uh i think it was 1935. i don't have

283

00:11:19,030 --> 00:11:16,959

it right in front of me

284

00:11:21,430 --> 00:11:19,040

there was a family that lived in uh like

285

00:11:25,509 --> 00:11:21,440

this in the country by the river

286

00:11:28,310 --> 00:11:25,519

and and it was like 1935 good friday

287

00:11:30,150 --> 00:11:28,320

they say and being very superstitious

288

00:11:31,990 --> 00:11:30,160

everybody was staying home

289

00:11:33,190 --> 00:11:32,000

and the kids that didn't allow the kids

290

00:11:36,630 --> 00:11:33,200

to go out but one of the

291

00:11:38,069 --> 00:11:36,640

the children a girl went over to uh to

292

00:11:40,230 --> 00:11:38,079

the river to there was like

293

00:11:41,990 --> 00:11:40,240

some mango trees there and then she

294

00:11:44,310 --> 00:11:42,000

wanted to collect some mangoes

295

00:11:45,430 --> 00:11:44,320

she was warned not to do it because like

296

00:11:47,910 --> 00:11:45,440

i said like

297

00:11:50,069 --> 00:11:47,920

again it was a good friday and you're

298

00:11:53,670 --> 00:11:50,079

not you were not supposed to go out

299

00:11:55,509 --> 00:11:53,680

on that day for some reason and

300

00:11:56,949 --> 00:11:55,519

she went she was young maybe eight or

301
00:11:59,910 --> 00:11:56,959
nine and all this

302
00:12:01,110 --> 00:11:59,920
they they they missed her and uh they

303
00:12:04,389 --> 00:12:01,120
heard screams and

304
00:12:06,870 --> 00:12:04,399
they ran out the uncles and the father

305
00:12:08,230 --> 00:12:06,880
and she was being carried by like a

306
00:12:10,790 --> 00:12:08,240
creature

307
00:12:11,430 --> 00:12:10,800
this is they said well that described

308
00:12:14,790 --> 00:12:11,440
the creature

309
00:12:18,150 --> 00:12:14,800
was like tall black in color

310
00:12:20,230 --> 00:12:18,160
with huge wings

311
00:12:21,910 --> 00:12:20,240
and his thing he seemed to have claws

312
00:12:25,110 --> 00:12:21,920
and it was carrying the girl

313
00:12:27,110 --> 00:12:25,120

and now the men approached it and it's

314

00:12:29,910 --> 00:12:27,120

you know hit the creature with a steak

315

00:12:32,710 --> 00:12:29,920

or other you know they threw rocks at it

316

00:12:33,269 --> 00:12:32,720

and and it dropped the girl thank god it

317

00:12:35,990 --> 00:12:33,279

dropped her

318

00:12:37,030 --> 00:12:36,000

and it disappeared they say towards the

319

00:12:39,190 --> 00:12:37,040

river

320

00:12:41,509 --> 00:12:39,200

they don't know if it flew away or it

321

00:12:43,910 --> 00:12:41,519

would go it went into the river that

322

00:12:46,710 --> 00:12:43,920

but it is a very intriguing report this

323

00:12:48,389 --> 00:12:46,720

is i'm talking about 1935 you know right

324

00:12:51,269 --> 00:12:48,399

i think that these these creatures have

325

00:12:53,190 --> 00:12:51,279

been around with with us for a long time

326

00:12:54,790 --> 00:12:53,200

oh i think they have as well i mean you

327

00:12:55,990 --> 00:12:54,800

know when we were doing the reports in

328

00:13:00,710 --> 00:12:56,000

chicago

329

00:13:04,470 --> 00:13:00,720

we also received several older reports

330

00:13:05,990 --> 00:13:04,480

and uh you know it kind of gave us a

331

00:13:07,990 --> 00:13:06,000

basis as to what people

332

00:13:09,990 --> 00:13:08,000

have been seeing in the area well of

333

00:13:11,509 --> 00:13:10,000

course up and around chicago illinois

334

00:13:13,190 --> 00:13:11,519

and all that it's

335

00:13:14,550 --> 00:13:13,200

there have been lots of thunderbird

336

00:13:17,350 --> 00:13:14,560

sightings and

337

00:13:17,750 --> 00:13:17,360

pterosaurs and all kinds of things so

338

00:13:19,910 --> 00:13:17,760

you know

339

00:13:21,750 --> 00:13:19,920

flying phenomena is unusual for up or

340

00:13:25,110 --> 00:13:21,760

even ufos so

341

00:13:27,509 --> 00:13:25,120

um you know you were talking about uh

342

00:13:29,190 --> 00:13:27,519

florida i uh and of course that's your

343

00:13:32,470 --> 00:13:29,200

home state

344

00:13:35,670 --> 00:13:32,480

i i was receiving well there were three

345

00:13:37,750 --> 00:13:35,680

sightings in pasco county

346

00:13:39,990 --> 00:13:37,760

during the same time that we had the uh

347

00:13:42,069 --> 00:13:40,000

phenomena going on in chicago

348

00:13:43,269 --> 00:13:42,079

pascal that's up in north florida was

349

00:13:45,269 --> 00:13:43,279

there like fl uh

350

00:13:47,189 --> 00:13:45,279

you flying humanoid in county yeah they

351
00:13:49,189 --> 00:13:47,199
were they were and all three were in the

352
00:13:52,470 --> 00:13:49,199
zephyr hills area

353
00:13:54,150 --> 00:13:52,480
and uh the witness described something

354
00:13:56,470 --> 00:13:54,160
very similar to what they've been seeing

355
00:13:59,030 --> 00:13:56,480
and we're seeing in chicago the uh

356
00:13:59,829 --> 00:13:59,040
five to six foot in height on the body a

357
00:14:03,750 --> 00:13:59,839
thin body

358
00:14:08,150 --> 00:14:03,760
dark in color uh some are shiny looking

359
00:14:10,230 --> 00:14:08,160
and the wingspan

360
00:14:12,470 --> 00:14:10,240
bat like wings with the wingspan of

361
00:14:15,189 --> 00:14:12,480
anywhere from 10 to 12 foot

362
00:14:17,990 --> 00:14:15,199
and now those individuals two of the

363
00:14:21,509 --> 00:14:18,000

sightings were along the highway

364

00:14:25,110 --> 00:14:21,519

and uh they were supposing by

365

00:14:28,230 --> 00:14:25,120

late night delivery people and

366

00:14:31,750 --> 00:14:28,240

in both interest instances

367

00:14:35,030 --> 00:14:31,760

they saw a pile of deer

368

00:14:37,030 --> 00:14:35,040

on the ground near this thing so

369

00:14:38,949 --> 00:14:37,040

i i'm quite sure this thing was either

370

00:14:41,990 --> 00:14:38,959

killing these deer

371

00:14:44,389 --> 00:14:42,000

and what it was doing with it nobody saw

372

00:14:46,550 --> 00:14:44,399

it eating anything but

373

00:14:48,629 --> 00:14:46,560

that that was an unusual aspect to this

374

00:14:51,030 --> 00:14:48,639

story

375

00:14:51,910 --> 00:14:51,040

well yeah maybe maybe that's they're

376

00:14:55,189 --> 00:14:51,920

like some

377

00:14:58,470 --> 00:14:55,199

their predator and that's why they

378

00:15:01,910 --> 00:14:58,480

well hopefully they don't go uh

379

00:15:04,949 --> 00:15:01,920

going i mean humans yeah right

380

00:15:07,910 --> 00:15:04,959

but there's a case here in

381

00:15:09,269 --> 00:15:07,920

miami and talking about you know heavily

382

00:15:12,629 --> 00:15:09,279

populated

383

00:15:14,150 --> 00:15:12,639

back in 1994 you know i i'm going to

384

00:15:15,430 --> 00:15:14,160

retire this year but i've been working

385

00:15:16,790 --> 00:15:15,440

for the police department as a

386

00:15:19,910 --> 00:15:16,800

dispatcher for right

387

00:15:24,790 --> 00:15:19,920

almost 35 years but anyway uh

388

00:15:27,829 --> 00:15:24,800

we received a call 9-1-1 an older lady

389

00:15:30,150 --> 00:15:27,839

she sounded very frightened and i

390

00:15:32,069 --> 00:15:30,160

asked her uh i didn't take the call but

391

00:15:34,550 --> 00:15:32,079

the person that took a call asked her

392

00:15:35,910 --> 00:15:34,560

what was what was the problem she said

393

00:15:38,949 --> 00:15:35,920

she looked in the

394

00:15:41,590 --> 00:15:38,959

in the backyard and

395

00:15:42,389 --> 00:15:41,600

uh she saw what next to like she had a

396

00:15:45,829 --> 00:15:42,399

fruit tree

397

00:15:48,949 --> 00:15:45,839

maybe it was a mango tree also

398

00:15:52,310 --> 00:15:48,959

a tall dark winged man

399

00:15:54,949 --> 00:15:52,320

she said it was like it's

400

00:15:56,710 --> 00:15:54,959

that he stuck from behind the tree and

401
00:15:59,269 --> 00:15:56,720
glided towards the side of the house

402
00:16:00,790 --> 00:15:59,279
it like glided right over the ground and

403
00:16:02,790 --> 00:16:00,800
then he had wings he didn't move the

404
00:16:06,150 --> 00:16:02,800
wings he just glided over

405
00:16:07,749 --> 00:16:06,160
uh she attempted to get a closer view

406
00:16:09,910 --> 00:16:07,759
uh by looking out the window by the time

407
00:16:13,910 --> 00:16:09,920
she did that the figure had already uh

408
00:16:15,350 --> 00:16:13,920
banished now her her take of the

409
00:16:17,030 --> 00:16:15,360
the incident was that it was some kind

410
00:16:20,150 --> 00:16:17,040
of demonic

411
00:16:22,710 --> 00:16:20,160
you know manifestation

412
00:16:25,189 --> 00:16:22,720
so i don't know i i tend not to uh go

413
00:16:27,670 --> 00:16:25,199

into that

414

00:16:29,350 --> 00:16:27,680

yeah i mean you know this is something

415

00:16:32,550 --> 00:16:29,360

we've been trying to figure out

416

00:16:34,389 --> 00:16:32,560

um you know i i don't know if you knew

417

00:16:36,230 --> 00:16:34,399

but two of these sightings that we had

418

00:16:38,230 --> 00:16:36,240

received over the years

419

00:16:39,749 --> 00:16:38,240

the the being actually disappeared just

420

00:16:42,710 --> 00:16:39,759

like it was um

421

00:16:43,910 --> 00:16:42,720

going through a uh through a doorway or

422

00:16:46,230 --> 00:16:43,920

a gateway

423

00:16:48,230 --> 00:16:46,240

right a portal maybe you know yeah and

424

00:16:49,990 --> 00:16:48,240

you know i i kind of start believing

425

00:16:52,550 --> 00:16:50,000

that this is uh

426

00:16:54,710 --> 00:16:52,560

this may be some type of uh

427

00:16:56,150 --> 00:16:54,720

inter-dimensional type being

428

00:16:57,749 --> 00:16:56,160

and you know you know you know the

429

00:17:00,949 --> 00:16:57,759

mothman sighting

430

00:17:02,870 --> 00:17:00,959

it's up in uh if in point pleasant back

431

00:17:04,789 --> 00:17:02,880

in the 60s i

432

00:17:07,590 --> 00:17:04,799

i have always thought that that was an

433

00:17:11,510 --> 00:17:07,600

interdimensional type being

434

00:17:14,870 --> 00:17:11,520

you know i i think so too and and

435

00:17:18,069 --> 00:17:14,880

he also said that for somehow there was

436

00:17:21,350 --> 00:17:18,079

there was a portal was open either

437

00:17:22,230 --> 00:17:21,360

intentionally or accidentally i don't

438

00:17:24,710 --> 00:17:22,240

know but

439

00:17:25,350 --> 00:17:24,720

this theory was also advanced uh when

440

00:17:28,390 --> 00:17:25,360

they had a

441

00:17:31,669 --> 00:17:28,400

uh a rational sightings in chile

442

00:17:33,750 --> 00:17:31,679

back in the early 2000s 2008

443

00:17:35,510 --> 00:17:33,760

and there was like incredible amount of

444

00:17:38,150 --> 00:17:35,520

incidents uh

445

00:17:39,029 --> 00:17:38,160

winged humanoids other type of i don't

446

00:17:41,990 --> 00:17:39,039

know and

447

00:17:43,750 --> 00:17:42,000

the late uh berelio sanchez osago that

448

00:17:46,070 --> 00:17:43,760

he visited chile

449

00:17:46,950 --> 00:17:46,080

said that there was people that had seen

450

00:17:50,150 --> 00:17:46,960

some kind of like

451

00:17:51,830 --> 00:17:50,160

portal type open and and they're right

452

00:17:53,270 --> 00:17:51,840

around the area where the incidents were

453

00:17:56,150 --> 00:17:53,280

taking place

454

00:17:58,390 --> 00:17:56,160

you know you know i've forgotten all

455

00:18:00,310 --> 00:17:58,400

about that because i know i i did post a

456

00:18:01,430 --> 00:18:00,320

series of reports that you had sent me

457

00:18:04,310 --> 00:18:01,440

years ago

458

00:18:06,150 --> 00:18:04,320

about all the sightings in chile and uh

459

00:18:07,909 --> 00:18:06,160

i had completely forgotten about that

460

00:18:09,909 --> 00:18:07,919

but you're right there were a lot of

461

00:18:13,110 --> 00:18:09,919

different sightings

462

00:18:14,789 --> 00:18:13,120

yeah it was i i've

463

00:18:16,150 --> 00:18:14,799

completely forgot about that that's

464

00:18:17,669 --> 00:18:16,160

bizarre

465

00:18:20,710 --> 00:18:17,679

yeah and all of a sudden they stopped

466

00:18:24,630 --> 00:18:20,720

around maybe excuse me 2003

467

00:18:28,070 --> 00:18:24,640

right they begun they began 1999

468

00:18:31,669 --> 00:18:28,080

and it was like hundreds of encounters

469

00:18:33,990 --> 00:18:31,679

too many of them to you know excuse me

470

00:18:35,510 --> 00:18:34,000

yeah somebody the uh you know some of

471

00:18:38,230 --> 00:18:35,520

the anomalous humanoid

472

00:18:40,150 --> 00:18:38,240

sightings that some of the weirdest ones

473

00:18:42,630 --> 00:18:40,160

do come from down south america

474

00:18:43,190 --> 00:18:42,640

i mean you know you've proven that

475

00:18:45,909 --> 00:18:43,200

because you

476

00:18:47,669 --> 00:18:45,919

you get reports worldwide but yeah i

477

00:18:49,990 --> 00:18:47,679

mean between chilean and

478

00:18:52,070 --> 00:18:50,000

and argentina and brazil there just

479

00:18:54,710 --> 00:18:52,080

seemed to be a lot of weird

480

00:18:55,430 --> 00:18:54,720

humanoid settings it seems like

481

00:18:57,430 --> 00:18:55,440

especially

482

00:18:59,350 --> 00:18:57,440

argentina it's like every year they get

483

00:18:59,830 --> 00:18:59,360

they just got one in january it wasn't a

484

00:19:03,430 --> 00:18:59,840

wing

485

00:19:05,029 --> 00:19:03,440

anything like that but it was is what we

486

00:19:07,990 --> 00:19:05,039

call one of the tall nordic

487

00:19:08,870 --> 00:19:08,000

type beans yeah i don't know if you read

488

00:19:12,150 --> 00:19:08,880

it

489

00:19:14,150 --> 00:19:12,160

side of the road there were about four

490

00:19:16,950 --> 00:19:14,160

witnesses in a vehicle

491

00:19:18,789 --> 00:19:16,960

and he sort of glided off to the side of

492

00:19:22,950 --> 00:19:18,799

the road it was a tall man-like

493

00:19:25,110 --> 00:19:22,960

er kind of way wearing one of those uh

494

00:19:26,150 --> 00:19:25,120

form-fitting suits maybe like blue in

495

00:19:30,150 --> 00:19:26,160

color kind of

496

00:19:31,909 --> 00:19:30,160

he had kind of a glow to him very tall

497

00:19:33,430 --> 00:19:31,919

and it disappeared off to the side of

498

00:19:35,190 --> 00:19:33,440

the road into an embankment

499

00:19:37,110 --> 00:19:35,200

but this was just happened in january

500

00:19:39,750 --> 00:19:37,120

this year yeah yeah

501
00:19:40,789 --> 00:19:39,760
i have to look for that uh you could

502
00:19:43,830 --> 00:19:40,799
find it in

503
00:19:47,110 --> 00:19:43,840
an explicator okay yeah

504
00:19:48,630 --> 00:19:47,120
look it up there uh uh argentina and

505
00:19:52,630 --> 00:19:48,640
humanoid you'll find it

506
00:19:55,110 --> 00:19:52,640
yeah that's scott corral's yeah

507
00:19:57,270 --> 00:19:55,120
he gets a lot of reports from down in

508
00:20:00,470 --> 00:19:57,280
south america and other parts of

509
00:20:01,750 --> 00:20:00,480
latin america um he does a really good

510
00:20:04,710 --> 00:20:01,760
job about ufo

511
00:20:06,390 --> 00:20:04,720
and uh humanoid sightings yeah it's

512
00:20:08,549 --> 00:20:06,400
interesting um

513
00:20:10,230 --> 00:20:08,559

about it being a worldwide phenomenon i

514

00:20:11,990 --> 00:20:10,240

you know i know of all the sightings

515

00:20:15,510 --> 00:20:12,000

that you received

516

00:20:18,470 --> 00:20:15,520

from the the former uh ussr and other

517

00:20:20,630 --> 00:20:18,480

areas that were behind the iron curtain

518

00:20:23,990 --> 00:20:20,640

and um

519

00:20:27,029 --> 00:20:24,000

it's interesting when you know when

520

00:20:29,430 --> 00:20:27,039

the cold war ended and all these reports

521

00:20:32,630 --> 00:20:29,440

started coming out of there

522

00:20:36,549 --> 00:20:32,640

uh it was some very interesting stuff

523

00:20:39,590 --> 00:20:36,559

it was from 89 to

524

00:20:42,950 --> 00:20:39,600

let's say 1980 1989

525

00:20:46,149 --> 00:20:42,960

through 1997 perhaps 98

526

00:20:47,669 --> 00:20:46,159

there was a yes non-stop activity oh

527

00:20:49,430 --> 00:20:47,679

that region a lot of it you know

528

00:20:51,990 --> 00:20:49,440

documented by

529

00:20:52,549 --> 00:20:52,000

but you know uh researchers there and

530

00:20:55,590 --> 00:20:52,559

they were

531

00:20:56,149 --> 00:20:55,600

you know not just there were like there

532

00:20:57,669 --> 00:20:56,159

were nowhere

533

00:20:59,430 --> 00:20:57,679

they know where what they were doing

534

00:21:00,470 --> 00:20:59,440

there's a there's a whole bunch of books

535

00:21:01,830 --> 00:21:00,480

and uh

536

00:21:03,990 --> 00:21:01,840

but you know of course they're all in

537

00:21:06,470 --> 00:21:04,000

russian

538

00:21:07,990 --> 00:21:06,480

it's really hard to translate the uh

539

00:21:10,310 --> 00:21:08,000

talking about um

540

00:21:12,310 --> 00:21:10,320

you know the former former eastern

541

00:21:16,230 --> 00:21:12,320

europe countries

542

00:21:19,430 --> 00:21:16,240

i somebody just sent me a a case

543

00:21:20,789 --> 00:21:19,440

which is really bizarre uh

544

00:21:22,390 --> 00:21:20,799

i'll send it to you maybe you could

545

00:21:23,669 --> 00:21:22,400

include it i'm gonna send you some cases

546

00:21:25,750 --> 00:21:23,679

anyway maybe i'll be good

547

00:21:27,830 --> 00:21:25,760

great books okay i haven't been able to

548

00:21:30,710 --> 00:21:27,840

do that in a while but i will

549

00:21:31,909 --> 00:21:30,720

this case uh it was sent to me by a

550

00:21:35,990 --> 00:21:31,919

researcher from the

551

00:21:39,430 --> 00:21:36,000

czech republic his name is vladimir

552

00:21:41,909 --> 00:21:39,440

siska he runs a group over there that

553

00:21:42,470 --> 00:21:41,919

it's called project project glow this is

554

00:21:46,950 --> 00:21:42,480

the

555

00:21:50,549 --> 00:21:46,960

collect reports of encounters

556

00:21:52,149 --> 00:21:50,559

ufos humanoid and and i was re i was

557

00:21:54,390 --> 00:21:52,159

going through their website and i

558

00:21:56,470 --> 00:21:54,400

i saw a brief mention of a case here

559

00:21:57,990 --> 00:21:56,480

that interests me so i contacted him and

560

00:22:01,029 --> 00:21:58,000

he sent me a a

561

00:22:02,870 --> 00:22:01,039

brief summary and it's kind of

562

00:22:04,470 --> 00:22:02,880

really strange i i don't know what to

563

00:22:05,270 --> 00:22:04,480

make of it this is it happened back in

564

00:22:08,230 --> 00:22:05,280

93

565

00:22:09,110 --> 00:22:08,240

may 19 middle of the afternoon in a

566

00:22:11,149 --> 00:22:09,120

place called

567

00:22:13,590 --> 00:22:11,159

babisi i don't know how to pronounce it

568

00:22:16,310 --> 00:22:13,600

b-a-b-i-c

569

00:22:17,510 --> 00:22:16,320

this is an old older lady uh sick about

570

00:22:20,230 --> 00:22:17,520

68 years old she

571

00:22:21,669 --> 00:22:20,240

she decided to take a walk around her

572

00:22:24,070 --> 00:22:21,679

neighborhood

573

00:22:25,190 --> 00:22:24,080

and she was walking near a cemetery near

574

00:22:26,870 --> 00:22:25,200

her home

575

00:22:29,669 --> 00:22:26,880

and all of a sudden about she noticed

576
00:22:32,470 --> 00:22:29,679
about 50 meters away from her a strange

577
00:22:34,070 --> 00:22:32,480
figure that was like walking towards her

578
00:22:36,630 --> 00:22:34,080
she got closer to it and she

579
00:22:37,990 --> 00:22:36,640
she described it as a looking like a

580
00:22:41,350 --> 00:22:38,000
girl

581
00:22:42,870 --> 00:22:41,360
maybe 17 or 18 years old beautiful

582
00:22:44,950 --> 00:22:42,880
blonde hair

583
00:22:47,110 --> 00:22:44,960
and this is the weird one of the weird

584
00:22:50,070 --> 00:22:47,120
part her head was encased

585
00:22:51,510 --> 00:22:50,080
in what appeared to be a a glass ball or

586
00:22:53,830 --> 00:22:51,520
sphere

587
00:22:54,870 --> 00:22:53,840
okay covered completely her eyes were

588
00:22:57,990 --> 00:22:54,880

large

589

00:22:59,750 --> 00:22:58,000

black and round they appeared they

590

00:23:01,909 --> 00:22:59,760

didn't according to the lady they didn't

591

00:23:05,029 --> 00:23:01,919

appear to have a any lid

592

00:23:06,549 --> 00:23:05,039

you know eyelids or or whites

593

00:23:08,230 --> 00:23:06,559

they would be just black you know like

594

00:23:11,029 --> 00:23:08,240

the black eyed kid

595

00:23:12,310 --> 00:23:11,039

and then and she was dressed in a blue

596

00:23:14,310 --> 00:23:12,320

outfit

597

00:23:15,669 --> 00:23:14,320

that cover all the way down her the

598

00:23:18,870 --> 00:23:15,679

middle of her

599

00:23:20,630 --> 00:23:18,880

thighs and her she didn't see

600

00:23:22,070 --> 00:23:20,640

her arms they were either hidden or

601
00:23:23,110 --> 00:23:22,080
maybe she didn't have any she wasn't

602
00:23:25,510 --> 00:23:23,120
sure

603
00:23:26,310 --> 00:23:25,520
the color of the the legs were blue gray

604
00:23:29,590 --> 00:23:26,320
in color

605
00:23:32,390 --> 00:23:29,600
the skin and this is another weird part

606
00:23:34,310 --> 00:23:32,400
and they're the feet ended in what

607
00:23:37,669 --> 00:23:34,320
appeared to be hoobs

608
00:23:38,549 --> 00:23:37,679
you know like wow go and and when she

609
00:23:42,549 --> 00:23:38,559
walked this

610
00:23:45,110 --> 00:23:42,559
entity she she over the you know asphalt

611
00:23:46,230 --> 00:23:45,120
and she moved she made a lot the loud

612
00:23:48,549 --> 00:23:46,240
you know

613
00:23:51,190 --> 00:23:48,559

creaking sound it was like dragging her

614

00:23:52,390 --> 00:23:51,200

her feet she passed by the witness by

615

00:23:55,590 --> 00:23:52,400

the lady

616

00:23:56,310 --> 00:23:55,600

and what as she did two two small white

617

00:23:59,029 --> 00:23:56,320

dots

618

00:24:00,149 --> 00:23:59,039

suddenly appearing in the eyes one in

619

00:24:02,789 --> 00:24:00,159

each eye

620

00:24:04,310 --> 00:24:02,799

and they moved like if they were looking

621

00:24:08,870 --> 00:24:04,320

at the witness

622

00:24:10,549 --> 00:24:08,880

the witness screamed and she

623

00:24:11,909 --> 00:24:10,559

she got behind the figure and watched it

624

00:24:15,190 --> 00:24:11,919

walk away

625

00:24:15,669 --> 00:24:15,200

about 25 meters away this is another

626
00:24:18,070 --> 00:24:15,679
weird

627
00:24:19,350 --> 00:24:18,080
part of the story the figures suddenly

628
00:24:20,870 --> 00:24:19,360
sh rose

629
00:24:24,310 --> 00:24:20,880
and shot up up in the air and

630
00:24:27,350 --> 00:24:24,320
disappeared at a very high speed

631
00:24:30,950 --> 00:24:27,360
now wow and you know this is

632
00:24:34,310 --> 00:24:30,960
we're talking about a black eye entity

633
00:24:37,350 --> 00:24:34,320
flying humanoid i don't know

634
00:24:38,390 --> 00:24:37,360
but this is the really weird taste well

635
00:24:43,510 --> 00:24:38,400
you know

636
00:24:46,470 --> 00:24:43,520
the the wing humanoids

637
00:24:47,909 --> 00:24:46,480
that i have been noticing over the years

638
00:24:51,669 --> 00:24:47,919

how they just suddenly

639

00:24:53,909 --> 00:24:51,679

jettison from a standing position

640

00:24:55,190 --> 00:24:53,919

up into the air without flapping wings

641

00:24:57,990 --> 00:24:55,200

or not flapping the wings

642

00:24:58,830 --> 00:24:58,000

right yeah and you know they the people

643

00:25:01,830 --> 00:24:58,840

see them

644

00:25:03,510 --> 00:25:01,840

flying or base of your guarding without

645

00:25:05,590 --> 00:25:03,520

flapping the wings as well

646

00:25:06,990 --> 00:25:05,600

is that they have other some other means

647

00:25:09,669 --> 00:25:07,000

of uh

648

00:25:10,870 --> 00:25:09,679

acceleration it's it's a really strange

649

00:25:13,990 --> 00:25:10,880

phenomena

650

00:25:15,990 --> 00:25:14,000

um i mean they're definitely not

651
00:25:17,990 --> 00:25:16,000
indigenous they're not of this earth

652
00:25:20,950 --> 00:25:18,000
plane there's there's just no way

653
00:25:21,510 --> 00:25:20,960
it could it could be no it's got to be

654
00:25:26,549 --> 00:25:21,520
some

655
00:25:29,110 --> 00:25:26,559
related or

656
00:25:30,149 --> 00:25:29,120
i don't know i mean but that is that is

657
00:25:32,310 --> 00:25:30,159
bizarre

658
00:25:33,909 --> 00:25:32,320
you know i i have received a lot of

659
00:25:36,149 --> 00:25:33,919
weird sightings

660
00:25:38,470 --> 00:25:36,159
in eastern europe i really have and you

661
00:25:39,909 --> 00:25:38,480
know there there does seem to be a lot

662
00:25:42,789 --> 00:25:39,919
of humanoid research

663
00:25:43,190 --> 00:25:42,799

in in like you said the czech republic

664

00:25:49,669 --> 00:25:43,200

yeah

665

00:25:50,710 --> 00:25:49,679

uh a couple other places is really hard

666

00:25:54,870 --> 00:25:50,720

to find anything

667

00:25:57,110 --> 00:25:54,880

like i think in my database i only have

668

00:26:00,149 --> 00:25:57,120

two cases from albania

669

00:26:02,710 --> 00:26:00,159

right right so i don't

670

00:26:04,390 --> 00:26:02,720

you know it you know you would think

671

00:26:05,430 --> 00:26:04,400

that if more and more people came

672

00:26:07,830 --> 00:26:05,440

forward

673

00:26:09,510 --> 00:26:07,840

in these countries it would you know it

674

00:26:10,870 --> 00:26:09,520

would be pretty astounding of what we

675

00:26:12,950 --> 00:26:10,880

get

676

00:26:16,549 --> 00:26:12,960

uh but i guess it's just like anything

677

00:26:16,559 --> 00:26:20,950

can you hear me

678

00:26:20,960 --> 00:26:35,430

i must have lost albert oh

679

00:26:39,029 --> 00:26:38,390

well there you go then there you go with

680

00:26:42,230 --> 00:26:39,039

skype

681

00:26:45,269 --> 00:26:42,240

unfortunately we've got a problem here

682

00:26:46,230 --> 00:26:45,279

so uh hopefully we can get him back i

683

00:26:47,750 --> 00:26:46,240

don't know if that's going to be the

684

00:26:49,909 --> 00:26:47,760

case or not but

685

00:26:51,430 --> 00:26:49,919

you know skype does have its issues

686

00:26:54,630 --> 00:26:51,440

sometimes

687

00:26:58,230 --> 00:26:56,789

so i don't know what we're going to do i

688

00:27:00,390 --> 00:26:58,240

guess i can keep on going

689

00:27:01,269 --> 00:27:00,400

can you hear me albert i hear you know

690

00:27:03,510 --> 00:27:01,279

yeah what happened

691

00:27:04,870 --> 00:27:03,520

okay well i don't know you know how

692

00:27:08,470 --> 00:27:04,880

skype is it's it's

693

00:27:12,870 --> 00:27:08,480

pretty freaky sometimes the men in black

694

00:27:15,990 --> 00:27:12,880

there you go there you go so um

695

00:27:17,990 --> 00:27:16,000

you have your database now

696

00:27:19,669 --> 00:27:18,000

on the independent researchers

697

00:27:21,909 --> 00:27:19,679

association anomalous

698

00:27:23,909 --> 00:27:21,919

phenomena can you kind of tell us about

699

00:27:26,950 --> 00:27:23,919

that group

700

00:27:27,269 --> 00:27:26,960

you know i wasn't i was it was years ago

701
00:27:31,990 --> 00:27:27,279
i

702
00:27:34,710 --> 00:27:32,000
towards the

703
00:27:36,789 --> 00:27:34,720
beginning of the 90s when i started

704
00:27:41,110 --> 00:27:36,799
distributing cases

705
00:27:41,669 --> 00:27:41,120
i i i you know i sent my databases group

706
00:27:43,029 --> 00:27:41,679
now this

707
00:27:44,789 --> 00:27:43,039
i don't think that they're active

708
00:27:47,750 --> 00:27:44,799
anymore

709
00:27:49,430 --> 00:27:47,760
and what i have in that database is the

710
00:27:51,190 --> 00:27:49,440
old database which

711
00:27:52,470 --> 00:27:51,200
you know is nothing compared to what i

712
00:27:55,590 --> 00:27:52,480
have now

713
00:27:59,669 --> 00:27:55,600

but i i had most of my database in the

714

00:28:02,230 --> 00:27:59,679

ufo info site and unfortunately the

715

00:28:04,870 --> 00:28:02,240

the webmaster there has his wife passed

716

00:28:06,549 --> 00:28:04,880

all of a sudden and he stopped uh

717

00:28:08,070 --> 00:28:06,559

he stopped doing anything everything

718

00:28:10,230 --> 00:28:08,080

anything there plus i

719

00:28:12,389 --> 00:28:10,240

i started doing my books and my

720

00:28:15,669 --> 00:28:12,399

publisher didn't want me to

721

00:28:18,870 --> 00:28:15,679

you know have all those cases

722

00:28:21,590 --> 00:28:18,880

on the on the on the ufo info site

723

00:28:23,430 --> 00:28:21,600

but anyway the main reason that uh that

724

00:28:26,070 --> 00:28:23,440

i stopped doing that because

725

00:28:26,470 --> 00:28:26,080

he's you know the the owner of the sites

726

00:28:30,549 --> 00:28:26,480

uh

727

00:28:33,669 --> 00:28:30,559

stopped any activity right so

728

00:28:34,710 --> 00:28:33,679

i'm planning hope when i retired to have

729

00:28:38,789 --> 00:28:34,720

a database

730

00:28:42,149 --> 00:28:38,799

you know as online hopefully accessible

731

00:28:46,070 --> 00:28:42,159

well i hope you do because uh you

732

00:28:49,669 --> 00:28:46,080

you had i i considered the the

733

00:28:52,710 --> 00:28:49,679

most absolute sight for humanoid type

734

00:28:53,430 --> 00:28:52,720

sightings it was uh i mean everything

735

00:28:55,269 --> 00:28:53,440

was there

736

00:28:56,950 --> 00:28:55,279

and i know you did right start writing

737

00:29:00,230 --> 00:28:56,960

the books and start putting

738

00:29:02,310 --> 00:29:00,240

those sightings in your book and uh

739

00:29:03,590 --> 00:29:02,320

you know it was always someplace i could

740

00:29:06,630 --> 00:29:03,600

go to to uh

741

00:29:07,350 --> 00:29:06,640

check up yeah and do any reference work

742

00:29:09,909 --> 00:29:07,360

because

743

00:29:10,950 --> 00:29:09,919

um you know you can count on me and i'll

744

00:29:14,310 --> 00:29:10,960

be sending you

745

00:29:16,710 --> 00:29:14,320

more cases uh okay

746

00:29:19,190 --> 00:29:16,720

maybe absolutely yeah i mean i

747

00:29:21,269 --> 00:29:19,200

appreciate that i know when um

748

00:29:24,070 --> 00:29:21,279

i know when i was in the middle of this

749

00:29:27,110 --> 00:29:24,080

the chicago settings you had sent

750

00:29:29,909 --> 00:29:27,120

you sent a lot of reports of

751

00:29:30,549 --> 00:29:29,919

strange activity in the chicago area

752

00:29:33,430 --> 00:29:30,559

right

753

00:29:33,990 --> 00:29:33,440

and uh there you know there's a lot

754

00:29:42,470 --> 00:29:34,000

there to

755

00:29:44,470 --> 00:29:42,480

so um so did you um

756

00:29:46,470 --> 00:29:44,480

you know since you're in florida what

757

00:29:48,149 --> 00:29:46,480

are your your favorite most famous

758

00:29:50,310 --> 00:29:48,159

uh favorite reports out of your home

759

00:29:53,510 --> 00:29:50,320

state

760

00:29:56,549 --> 00:29:53,520

yeah the one of my favorite ones is the

761

00:29:59,029 --> 00:29:56,559

flynn encounter in the everglades

762

00:29:59,669 --> 00:29:59,039

back in 65. i don't know if you heard of

763

00:30:03,669 --> 00:29:59,679

that one

764

00:30:07,029 --> 00:30:03,679

no he was hunting and uh

765

00:30:10,470 --> 00:30:07,039

and uh what was the name

766

00:30:12,630 --> 00:30:10,480

and the cyprus uh preserve i understand

767

00:30:16,230 --> 00:30:12,640

i know you're talking about

768

00:30:18,630 --> 00:30:16,240

mayaka no well

769

00:30:20,070 --> 00:30:18,640

it's not as south of there it's not my

770

00:30:23,110 --> 00:30:20,080

icon this is cyprus

771

00:30:25,990 --> 00:30:23,120

in the west side of west coast okay

772

00:30:27,430 --> 00:30:26,000

near naples florida oh okay in that area

773

00:30:30,950 --> 00:30:27,440

there so he came up on a

774

00:30:33,510 --> 00:30:30,960

a a huge optic on the on on the ground

775

00:30:35,510 --> 00:30:33,520

it was like he said it was huge and they

776

00:30:36,710 --> 00:30:35,520

had rows of windows lighted lighter

777

00:30:38,789 --> 00:30:36,720

windows

778

00:30:40,230 --> 00:30:38,799

so he went he went to approach it and he

779

00:30:42,710 --> 00:30:40,240

got hit all of a sudden a

780

00:30:43,990 --> 00:30:42,720

beano light from the craft struck him

781

00:30:46,630 --> 00:30:44,000

right in the head

782

00:30:48,230 --> 00:30:46,640

knocked him out he thinks he must have

783

00:30:50,549 --> 00:30:48,240

been unconscious for a while because he

784

00:30:54,070 --> 00:30:50,559

got up and the object was gone

785

00:30:57,430 --> 00:30:54,080

and he had he he suffered from

786

00:31:00,070 --> 00:30:57,440

um eye injuries and all for a while

787

00:31:01,509 --> 00:31:00,080

he was he was recently interviewed

788

00:31:04,389 --> 00:31:01,519

because i think he still he was still

789

00:31:06,310 --> 00:31:04,399

alive and he was really interesting case

790

00:31:09,029 --> 00:31:06,320

uh you know he might have been abducted

791

00:31:11,430 --> 00:31:09,039

that we never did find out for sure

792

00:31:12,950 --> 00:31:11,440

but that's one of the most interesting

793

00:31:15,029 --> 00:31:12,960

cases here in florida there's

794

00:31:16,549 --> 00:31:15,039

there's been many i just heard you think

795

00:31:19,990 --> 00:31:16,559

of one you know

796

00:31:23,669 --> 00:31:23,110

coast guard base in north florida there

797

00:31:27,269 --> 00:31:23,679

were

798

00:31:32,149 --> 00:31:27,279

radar visual cases and uh

799

00:31:34,710 --> 00:31:32,159

near the uh ocala area and uh

800

00:31:35,509 --> 00:31:34,720

there were huge uh objects seen in the

801
00:31:39,590 --> 00:31:35,519
woods this is

802
00:31:41,350 --> 00:31:39,600
done in 75. the scoutmaster incident

803
00:31:43,669 --> 00:31:41,360
back in 1952

804
00:31:45,430 --> 00:31:43,679
absolutely everglades yep yeah in palm

805
00:31:47,509 --> 00:31:45,440
beach yeah

806
00:31:50,070 --> 00:31:47,519
that's a there's a whole bunch i i hear

807
00:31:51,430 --> 00:31:50,080
them locally i have talked to a lot of

808
00:31:53,669 --> 00:31:51,440
witnesses

809
00:31:55,269 --> 00:31:53,679
mostly from the east everglades area

810
00:31:56,710 --> 00:31:55,279
there's a lot of weird stuff going on

811
00:31:58,149 --> 00:31:56,720
over there

812
00:32:00,789 --> 00:31:58,159
but i was going to ask you something

813
00:32:03,990 --> 00:32:00,799

what what do you make of the um

814

00:32:05,430 --> 00:32:04,000

this uh pterodactyl sighting so

815

00:32:07,430 --> 00:32:05,440

that type of bird what what are these

816

00:32:09,750 --> 00:32:07,440

air source sightings yeah the

817

00:32:11,190 --> 00:32:09,760

pterodactyl you know this is something

818

00:32:14,310 --> 00:32:11,200

that we have

819

00:32:14,870 --> 00:32:14,320

been getting for many years now you know

820

00:32:17,590 --> 00:32:14,880

jc

821

00:32:18,950 --> 00:32:17,600

johnson used to tell me about a lot of

822

00:32:22,070 --> 00:32:18,960

the sightings

823

00:32:25,110 --> 00:32:22,080

that he used to get and in fact

824

00:32:29,509 --> 00:32:25,120

he um he swore that there was a

825

00:32:32,789 --> 00:32:29,519

flyway coming up from mexico

826

00:32:35,909 --> 00:32:32,799

into the united states um

827

00:32:39,190 --> 00:32:35,919

he actually believed that they migrated

828

00:32:41,509 --> 00:32:39,200

you know uh during the year into yeah

829

00:32:44,549 --> 00:32:41,519

into the united states

830

00:32:46,950 --> 00:32:44,559

i don't know you know the most

831

00:32:48,149 --> 00:32:46,960

interesting sighting the old and older

832

00:32:50,630 --> 00:32:48,159

setting

833

00:32:52,310 --> 00:32:50,640

and this was from chad lewis when he

834

00:32:55,269 --> 00:32:52,320

wrote the book the uh

835

00:32:56,950 --> 00:32:55,279

the van meter visitor and uh that being

836

00:33:00,549 --> 00:32:56,960

was a um

837

00:33:04,310 --> 00:33:00,559

was a pterodactyl-type being uh

838

00:33:06,230 --> 00:33:04,320

in iowa i saw the the drawing of that

839

00:33:07,509 --> 00:33:06,240

is yeah and it looked just like a

840

00:33:12,630 --> 00:33:07,519

pterosaur so

841

00:33:15,190 --> 00:33:12,640

you know this this pterosaur phenomena

842

00:33:17,350 --> 00:33:15,200

i mean it's a nationwide people have

843

00:33:19,750 --> 00:33:17,360

seen these things nationwide

844

00:33:20,470 --> 00:33:19,760

whoa i think worldwide too remember i

845

00:33:23,590 --> 00:33:20,480

still

846

00:33:25,990 --> 00:33:23,600

i sent you a case from poland right and

847

00:33:29,350 --> 00:33:26,000

and there's been cases in spain

848

00:33:31,110 --> 00:33:29,360

and puerto rico that i know of and maybe

849

00:33:33,509 --> 00:33:31,120

other places

850

00:33:34,149 --> 00:33:33,519

i don't know i don't know how to really

851
00:33:37,990 --> 00:33:34,159
define

852
00:33:41,110 --> 00:33:38,000
what it is uh i are the indigenous

853
00:33:41,830 --> 00:33:41,120
speech i don't know are they a relic you

854
00:33:46,149 --> 00:33:41,840
know

855
00:33:49,750 --> 00:33:46,159
things also be coming

856
00:33:51,909 --> 00:33:49,760
uh from an interdimensional you know

857
00:33:53,190 --> 00:33:51,919
through a portal of some type some

858
00:33:56,789 --> 00:33:53,200
people

859
00:33:59,830 --> 00:33:56,799
that

860
00:34:02,710 --> 00:33:59,840
they're like time slips right

861
00:34:04,310 --> 00:34:02,720
they're they're somehow transported to

862
00:34:06,389 --> 00:34:04,320
to our time

863
00:34:07,990 --> 00:34:06,399

from back in their time and then they go

864

00:34:12,069 --> 00:34:08,000

back you know it's really hard to

865

00:34:15,109 --> 00:34:12,079

phantom well you know but

866

00:34:17,109 --> 00:34:15,119

you know the sightings of uh prehistoric

867

00:34:19,109 --> 00:34:17,119

type beings i mean you know

868

00:34:20,310 --> 00:34:19,119

is not unusual you know i've gotten

869

00:34:26,950 --> 00:34:20,320

these

870

00:34:27,270 --> 00:34:26,960

t-rex type b uh beings in south texas

871

00:34:30,149 --> 00:34:27,280

for

872

00:34:30,790 --> 00:34:30,159

many many years uh this is something

873

00:34:33,430 --> 00:34:30,800

that ken

874

00:34:35,589 --> 00:34:33,440

gerhart has looked into for a long time

875

00:34:37,109 --> 00:34:35,599

and you know jc also had a lot of those

876

00:34:40,710 --> 00:34:37,119

sightings as well

877

00:34:44,310 --> 00:34:40,720

out there in the four corners so

878

00:34:47,109 --> 00:34:44,320

what they are exactly i mean who knows

879

00:34:47,829 --> 00:34:47,119

i i had one incident here in the east

880

00:34:50,149 --> 00:34:47,839

everglades

881

00:34:50,950 --> 00:34:50,159

again i spoke to the witness over the

882

00:34:52,550 --> 00:34:50,960

phone i

883

00:34:54,950 --> 00:34:52,560

he never did want to meet me in person

884

00:34:57,430 --> 00:34:54,960

but he was out fishing and

885

00:34:58,710 --> 00:34:57,440

and with his son his son looked over the

886

00:35:01,589 --> 00:34:58,720

to the uh

887

00:35:02,390 --> 00:35:01,599

to the the woods the type of the high

888

00:35:05,030 --> 00:35:02,400

grass and

889

00:35:08,550 --> 00:35:05,040

he said dad there's a dinosaur and he

890

00:35:11,829 --> 00:35:08,560

looked and he said he looked like a

891

00:35:14,069 --> 00:35:11,839

like a biped dinosaur green or

892

00:35:14,870 --> 00:35:14,079

standing there not too big but he all

893

00:35:18,470 --> 00:35:14,880

suddenly just

894

00:35:20,630 --> 00:35:18,480

took off running and and and this is

895

00:35:22,069 --> 00:35:20,640

you know it kind of i thought it was

896

00:35:22,790 --> 00:35:22,079

very weird i never had another one like

897

00:35:25,190 --> 00:35:22,800

that

898

00:35:26,069 --> 00:35:25,200

yeah well you know these uh these

899

00:35:31,270 --> 00:35:26,079

prehistoric

900

00:35:33,589 --> 00:35:31,280

type animals are beings uh

901
00:35:35,190 --> 00:35:33,599
they haven't seen for many many years

902
00:35:39,190 --> 00:35:35,200
and in fact

903
00:35:40,870 --> 00:35:39,200
i know of uh i know several settings

904
00:35:47,829 --> 00:35:40,880
that were

905
00:35:51,030 --> 00:35:47,839
full-size t-rex beings

906
00:35:53,589 --> 00:35:51,040
now full-size full-size

907
00:35:55,349 --> 00:35:53,599
and uh i don't know what people were

908
00:35:57,190 --> 00:35:55,359
looking at out there

909
00:35:59,750 --> 00:35:57,200
but there were more than one sighting

910
00:36:01,589 --> 00:35:59,760
and uh

911
00:36:04,470 --> 00:36:01,599
some of the colors of these things were

912
00:36:09,030 --> 00:36:04,480
like like a reddish brown

913
00:36:11,750 --> 00:36:09,040

to a greenish color and uh

914

00:36:13,270 --> 00:36:11,760

you know the situation i mean where

915

00:36:17,750 --> 00:36:13,280

people saw these things

916

00:36:20,870 --> 00:36:17,760

were it was kind of bizarre i mean but

917

00:36:23,910 --> 00:36:20,880

you know the cryptid world

918

00:36:27,030 --> 00:36:23,920

is just so strange i mean you know

919

00:36:27,750 --> 00:36:27,040

you know we have even had and i reported

920

00:36:31,030 --> 00:36:27,760

on these

921

00:36:34,230 --> 00:36:31,040

uh these

922

00:36:34,790 --> 00:36:34,240

calf man have horse type beings as well

923

00:36:36,950 --> 00:36:34,800

like uh

924

00:36:38,390 --> 00:36:36,960

centaurs centaurs yeah that's uh

925

00:36:41,510 --> 00:36:38,400

fascinating cases

926

00:36:41,910 --> 00:36:41,520

oh and you know it's you know leonard

927

00:36:45,109 --> 00:36:41,920

dan

928

00:36:49,109 --> 00:36:45,119

who he was a uh was a relative of

929

00:36:52,550 --> 00:36:49,119

jc and uh is a as a tribal elder

930

00:36:56,069 --> 00:36:52,560

out in the de navajo uh

931

00:36:59,510 --> 00:36:56,079

reservation in uh arizona and

932

00:37:02,790 --> 00:36:59,520

new mexico right he had he had

933

00:37:05,349 --> 00:37:02,800

talked about these centaur uh

934

00:37:06,630 --> 00:37:05,359

encounters for many many years and in

935

00:37:10,150 --> 00:37:06,640

fact he had

936

00:37:13,030 --> 00:37:10,160

drawn sketches of these things and it

937

00:37:14,150 --> 00:37:13,040

looks just like a half man happy a half

938

00:37:16,150 --> 00:37:14,160

horse

939

00:37:18,150 --> 00:37:16,160

it was most bizarre thing you'd ever

940

00:37:20,150 --> 00:37:18,160

think of but uh

941

00:37:21,270 --> 00:37:20,160

you know when he and i had talked about

942

00:37:24,390 --> 00:37:21,280

it he

943

00:37:24,630 --> 00:37:24,400

was you know he was really serious about

944

00:37:29,349 --> 00:37:24,640

it

945

00:37:32,150 --> 00:37:29,359

uh so well the reports are there and uh

946

00:37:33,349 --> 00:37:32,160

yeah they are there i mean is this a

947

00:37:35,750 --> 00:37:33,359

type of

948

00:37:36,390 --> 00:37:35,760

i mean is it just a manifestation or

949

00:37:38,790 --> 00:37:36,400

these things

950

00:37:39,910 --> 00:37:38,800

really live out there i did an article

951
00:37:43,910 --> 00:37:39,920
years ago

952
00:37:46,950 --> 00:37:43,920
about centaurs in north america and uh

953
00:37:48,230 --> 00:37:46,960
it's just not concentrated in the desert

954
00:37:50,550 --> 00:37:48,240
southwest

955
00:37:52,630 --> 00:37:50,560
there were sightings in michigan in the

956
00:37:56,790 --> 00:37:52,640
upper midwest

957
00:37:58,710 --> 00:37:56,800
you know several years ago and um

958
00:37:59,990 --> 00:37:58,720
who would think you know who would think

959
00:38:02,790 --> 00:38:00,000
something like that

960
00:38:04,150 --> 00:38:02,800
i think uh linda gottfried documented a

961
00:38:07,109 --> 00:38:04,160
couple of those also

962
00:38:07,510 --> 00:38:07,119
is that right yeah and her website i

963
00:38:10,710 --> 00:38:07,520

believe

964

00:38:13,030 --> 00:38:10,720

and then and they were like from uh

965

00:38:13,829 --> 00:38:13,040

i think in the midwest yeah a couple of

966

00:38:16,870 --> 00:38:13,839

yeah

967

00:38:18,950 --> 00:38:16,880

that's bizarre and i know of uh also in

968

00:38:19,990 --> 00:38:18,960

several encounters and send that centaur

969

00:38:24,069 --> 00:38:20,000

type beans

970

00:38:27,589 --> 00:38:24,079

from the uk liverpool area another

971

00:38:30,710 --> 00:38:27,599

yeah wow fascinating

972

00:38:31,190 --> 00:38:30,720

it is fascinating those are similar to

973

00:38:44,829 --> 00:38:31,200

the

974

00:38:47,990 --> 00:38:44,839

uk

975

00:38:49,670 --> 00:38:48,000

yeah you know yeah when when you really

976
00:38:50,950 --> 00:38:49,680
sit down and start thinking about these

977
00:38:52,790 --> 00:38:50,960
things

978
00:38:55,109 --> 00:38:52,800
you got you know the first thing comes

979
00:38:57,589 --> 00:38:55,119
your mind is well

980
00:38:59,109 --> 00:38:57,599
is there a parallel world of some type

981
00:39:00,870 --> 00:38:59,119
that's kind of overlapping you know

982
00:39:03,430 --> 00:39:00,880
we've talked for years

983
00:39:04,550 --> 00:39:03,440
about the the thinning of the veil and

984
00:39:07,589 --> 00:39:04,560
uh

985
00:39:09,270 --> 00:39:07,599
where you know these beings from other

986
00:39:11,430 --> 00:39:09,280
worlds

987
00:39:14,230 --> 00:39:11,440
may actually be able to come into our

988
00:39:16,630 --> 00:39:14,240

world and vice versa

989

00:39:17,430 --> 00:39:16,640

so you know i don't know how true that

990

00:39:20,710 --> 00:39:17,440

is

991

00:39:24,390 --> 00:39:20,720

it does seem that as time goes by and

992

00:39:26,550 --> 00:39:24,400

you get more and more of these reports

993

00:39:28,069 --> 00:39:26,560

uh you got to figure something's going

994

00:39:29,990 --> 00:39:28,079

on i mean you know

995

00:39:31,510 --> 00:39:30,000

i think i well that's what i think i

996

00:39:35,349 --> 00:39:31,520

think there's

997

00:39:37,349 --> 00:39:35,359

many other realms or dimensions

998

00:39:39,829 --> 00:39:37,359

around us that we don't know about and

999

00:39:43,270 --> 00:39:39,839

sometimes there's

1000

00:39:46,069 --> 00:39:43,280

for some reason there's an opening

1001
00:39:47,349 --> 00:39:46,079
and whoever's there gets to come over

1002
00:39:49,750 --> 00:39:47,359
here and visit us

1003
00:39:51,109 --> 00:39:49,760
for a while and i think some of the

1004
00:39:52,870 --> 00:39:51,119
disappearances that

1005
00:39:54,230 --> 00:39:52,880
we know about of people maybe that's

1006
00:39:56,390 --> 00:39:54,240
what happened to them maybe they somehow

1007
00:39:57,190 --> 00:39:56,400
walked into another dimension well you

1008
00:40:00,230 --> 00:39:57,200
know that's been a

1009
00:40:02,790 --> 00:40:00,240
theory yeah yeah

1010
00:40:05,190 --> 00:40:02,800
you know these off these missing four

1011
00:40:06,950 --> 00:40:05,200
one one reports that um

1012
00:40:09,190 --> 00:40:06,960
yeah david pilates has been

1013
00:40:11,670 --> 00:40:09,200

investigating for a couple years now of

1014

00:40:14,790 --> 00:40:11,680

course he's written the books

1015

00:40:17,430 --> 00:40:14,800

there are a lot of those those incidents

1016

00:40:22,069 --> 00:40:17,440

especially in these national parks

1017

00:40:24,470 --> 00:40:22,079

a lot yeah it's so much so that it's

1018

00:40:26,069 --> 00:40:24,480

it's kind of scary i mean i don't know

1019

00:40:27,910 --> 00:40:26,079

if be honest with you

1020

00:40:29,270 --> 00:40:27,920

i don't know if i'd even want to go into

1021

00:40:32,150 --> 00:40:29,280

a national park

1022

00:40:34,069 --> 00:40:32,160

or out in the middle of nowhere anymore

1023

00:40:38,870 --> 00:40:34,079

like i used to when i was younger

1024

00:40:40,470 --> 00:40:38,880

i wouldn't go by myself that's for sure

1025

00:40:42,550 --> 00:40:40,480

i mean you know the first thing you

1026
00:40:43,750 --> 00:40:42,560
think of when you hear about something

1027
00:40:46,470 --> 00:40:43,760
like that is

1028
00:40:47,910 --> 00:40:46,480
well maybe there's a bigfoot abducting

1029
00:40:51,589 --> 00:40:47,920
people or

1030
00:40:53,109 --> 00:40:51,599
but it happens so quickly it is almost

1031
00:40:55,990 --> 00:40:53,119
like somebody walks through

1032
00:40:58,230 --> 00:40:56,000
a portal of some type and just suddenly

1033
00:41:02,470 --> 00:40:58,240
vanishes

1034
00:41:06,069 --> 00:41:02,480
yeah so you know the fact that

1035
00:41:08,630 --> 00:41:06,079
these people don't return

1036
00:41:10,470 --> 00:41:08,640
uh i mean are they being abducted you

1037
00:41:12,470 --> 00:41:10,480
know i look and i've looked into that

1038
00:41:15,109 --> 00:41:12,480

theory as well

1039

00:41:17,589 --> 00:41:15,119

that may be the case but i i really

1040

00:41:20,950 --> 00:41:17,599

doubt it i kind of believe

1041

00:41:22,470 --> 00:41:20,960

that there is uh there are instances

1042

00:41:24,470 --> 00:41:22,480

where

1043

00:41:27,030 --> 00:41:24,480

people can just be at the wrong place at

1044

00:41:29,670 --> 00:41:27,040

the wrong time and just

1045

00:41:31,030 --> 00:41:29,680

walk in through one of these uh these

1046

00:41:33,510 --> 00:41:31,040

portals and

1047

00:41:35,349 --> 00:41:33,520

just suddenly vanish yeah but a lot of

1048

00:41:38,870 --> 00:41:35,359

these cases also they

1049

00:41:41,589 --> 00:41:38,880

the body's found uh dead

1050

00:41:43,349 --> 00:41:41,599

uh completely in the same area that

1051
00:41:45,109 --> 00:41:43,359
where they've been searching

1052
00:41:46,870 --> 00:41:45,119
and he talks about that he talks about

1053
00:41:49,190 --> 00:41:46,880
why didn't they find the body

1054
00:41:50,630 --> 00:41:49,200
before and all the sudden the body

1055
00:41:53,349 --> 00:41:50,640
appears and

1056
00:41:55,430 --> 00:41:53,359
the shoes are missing and it's kind of a

1057
00:41:57,270 --> 00:41:55,440
bunch of weird circumstances uh

1058
00:41:59,190 --> 00:41:57,280
well yeah that's like that todd sees

1059
00:42:04,150 --> 00:41:59,200
case that butch and i have been

1060
00:42:07,829 --> 00:42:06,470
this this happened in in northumberland

1061
00:42:10,950 --> 00:42:07,839
pennsylvania

1062
00:42:12,870 --> 00:42:10,960
back in 2002 and this guy

1063
00:42:14,069 --> 00:42:12,880

goes up on the top of the ridge early

1064

00:42:17,030 --> 00:42:14,079

morning

1065

00:42:18,870 --> 00:42:17,040

doesn't come back they're out looking

1066

00:42:22,550 --> 00:42:18,880

for him

1067

00:42:25,109 --> 00:42:22,560

uh i mean there's like 125

1068

00:42:25,910 --> 00:42:25,119

you know so people in a large search

1069

00:42:31,270 --> 00:42:25,920

around

1070

00:42:32,470 --> 00:42:31,280

nobody sees anything there's no sign of

1071

00:42:37,430 --> 00:42:32,480

this guy

1072

00:42:40,710 --> 00:42:37,440

uh but 36 hours later

1073

00:42:43,030 --> 00:42:40,720

they find his body near the pond which

1074

00:42:46,069 --> 00:42:43,040

is just outside the house

1075

00:42:47,109 --> 00:42:46,079

i mean just it just shows up suddenly

1076

00:42:51,190 --> 00:42:47,119

appears there

1077

00:42:53,750 --> 00:42:51,200

yeah so was it a bad abduction

1078

00:42:55,990 --> 00:42:53,760

or did this guy just drop through a

1079

00:42:59,309 --> 00:42:56,000

portal somewhere you know

1080

00:43:01,109 --> 00:42:59,319

even though with that case there were

1081

00:43:05,190 --> 00:43:01,119

eyewitnesses

1082

00:43:07,349 --> 00:43:05,200

of uh a ufo a large ufo

1083

00:43:08,309 --> 00:43:07,359

above the power line at the top at the

1084

00:43:10,150 --> 00:43:08,319

ridge

1085

00:43:11,990 --> 00:43:10,160

and that's where this this into where

1086

00:43:15,910 --> 00:43:12,000

todd seeds was supposedly been

1087

00:43:18,390 --> 00:43:15,920

at uh two of the fishermen on the

1088

00:43:20,870 --> 00:43:18,400

susquehanna who had a good view of it

1089

00:43:23,109 --> 00:43:20,880

even though there was a distance they

1090

00:43:26,390 --> 00:43:23,119

noticed that it looked like a man

1091

00:43:29,510 --> 00:43:26,400

being pulled up into the into the uh

1092

00:43:32,790 --> 00:43:29,520

into the craft so uh

1093

00:43:35,990 --> 00:43:32,800

i did not know that about oh yeah yeah

1094

00:43:37,270 --> 00:43:36,000

you know this it's interesting butch and

1095

00:43:40,630 --> 00:43:37,280

i have been looking into

1096

00:43:43,750 --> 00:43:40,640

this together since 2013

1097

00:43:45,030 --> 00:43:43,760

now butch you know i had looked at it

1098

00:43:47,670 --> 00:43:45,040

earlier on my own

1099

00:43:48,470 --> 00:43:47,680

and got frustrated with nobody was

1100

00:43:50,550 --> 00:43:48,480

helping us

1101
00:43:51,750 --> 00:43:50,560
butch looked into it several years

1102
00:43:54,230 --> 00:43:51,760
before that

1103
00:43:56,309 --> 00:43:54,240
but we finally got together in 2013 and

1104
00:43:58,309 --> 00:43:56,319
started putting our heads together

1105
00:43:59,430 --> 00:43:58,319
and in the meantime we've gotten a lot

1106
00:44:02,950 --> 00:43:59,440
of information

1107
00:44:08,150 --> 00:44:02,960
butch was able to contact

1108
00:44:10,390 --> 00:44:08,160
the independent alt i mean uh

1109
00:44:11,990 --> 00:44:10,400
the independent doctor did the actual

1110
00:44:15,109 --> 00:44:12,000
autopsy

1111
00:44:17,270 --> 00:44:15,119
for the state and uh he got the full

1112
00:44:20,390 --> 00:44:17,280
report

1113
00:44:21,990 --> 00:44:20,400

so um maybe you should uh you and bush

1114

00:44:24,710 --> 00:44:22,000

would write a book about this well

1115

00:44:25,109 --> 00:44:24,720

this is going in my next book it is oh

1116

00:44:27,670 --> 00:44:25,119

okay

1117

00:44:29,270 --> 00:44:27,680

yeah we are we're going to publish this

1118

00:44:32,870 --> 00:44:29,280

in the next book

1119

00:44:36,550 --> 00:44:32,880

uh the david eckhart

1120

00:44:38,870 --> 00:44:36,560

abduction and encounters uh which are

1121

00:44:41,190 --> 00:44:38,880

have picked up again

1122

00:44:42,870 --> 00:44:41,200

that's going in the book as well so

1123

00:44:44,630 --> 00:44:42,880

there's gonna be a lot in this

1124

00:44:45,910 --> 00:44:44,640

well uh that's gonna be another one of

1125

00:44:48,230 --> 00:44:45,920

your books that i'm gonna have i have

1126

00:44:50,790 --> 00:44:48,240

all your books anyway

1127

00:44:53,430 --> 00:44:50,800

yeah this one we're i'm gonna kind of

1128

00:44:55,670 --> 00:44:53,440

open it up for the um

1129

00:44:56,470 --> 00:44:55,680

you know including cases that i have

1130

00:44:59,750 --> 00:44:56,480

worked on

1131

00:45:01,190 --> 00:44:59,760

with people uh some personal encounters

1132

00:45:05,109 --> 00:45:01,200

i've had

1133

00:45:08,630 --> 00:45:05,119

plus uh encounters i have gotten

1134

00:45:09,670 --> 00:45:08,640

from uh from experiencers who sent these

1135

00:45:12,470 --> 00:45:09,680

to me

1136

00:45:12,950 --> 00:45:12,480

and who i have talked to about them so

1137

00:45:16,790 --> 00:45:12,960

yeah

1138

00:45:19,270 --> 00:45:16,800

this this todd sees incident and the uh

1139

00:45:21,190 --> 00:45:19,280

and what a lot of going on with david is

1140

00:45:22,790 --> 00:45:21,200

gonna be in there so uh

1141

00:45:26,230 --> 00:45:22,800

there's gonna be a lot of stuff i've

1142

00:45:28,390 --> 00:45:26,240

never talked about before

1143

00:45:29,829 --> 00:45:28,400

i'm kind of coming clean with a lot of

1144

00:45:31,349 --> 00:45:29,839

things so uh

1145

00:45:32,950 --> 00:45:31,359

all right looking forward to it should

1146

00:45:35,829 --> 00:45:32,960

be interesting yeah

1147

00:45:36,230 --> 00:45:35,839

you think it's going to be this year oh

1148

00:45:39,430 --> 00:45:36,240

yeah

1149

00:45:40,390 --> 00:45:39,440

i'm going to try to get it out oh god i

1150

00:45:43,510 --> 00:45:40,400

don't know

1151

00:45:46,710 --> 00:45:43,520

i i'd like to have it out within

1152

00:45:49,510 --> 00:45:46,720

by the time summer but i don't know well

1153

00:45:50,790 --> 00:45:49,520

hopefully i can i can do it i'm i'm

1154

00:45:54,069 --> 00:45:50,800

trying to

1155

00:45:56,309 --> 00:45:54,079

uh get some time free so i can you know

1156

00:45:58,390 --> 00:45:56,319

start putting more stuff in it

1157

00:45:59,589 --> 00:45:58,400

but uh it's it's been a bit of a

1158

00:46:01,510 --> 00:45:59,599

struggle so far

1159

00:46:03,990 --> 00:46:01,520

but hopefully i get through it quick

1160

00:46:07,109 --> 00:46:05,750

so yeah you know that's gonna be that's

1161

00:46:07,670 --> 00:46:07,119

gonna be something a little different

1162

00:46:11,190 --> 00:46:07,680

from me

1163

00:46:14,230 --> 00:46:11,200

because uh i i have never really

1164

00:46:15,750 --> 00:46:14,240

written a whole lot about the uh about

1165

00:46:18,790 --> 00:46:15,760

the alien phenomena

1166

00:46:21,349 --> 00:46:18,800

but uh i decided you know

1167

00:46:23,270 --> 00:46:21,359

it's time to do it because it's you know

1168

00:46:24,790 --> 00:46:23,280

i've been involved with david for almost

1169

00:46:28,069 --> 00:46:24,800

10 years now and

1170

00:46:31,750 --> 00:46:28,079

uh of course with butch and i looking

1171

00:46:34,390 --> 00:46:31,760

into a lot of this uh strange

1172

00:46:34,870 --> 00:46:34,400

alien related phenomena ufo phenomena

1173

00:46:37,430 --> 00:46:34,880

for

1174

00:46:39,670 --> 00:46:37,440

several years now plus we've had other

1175

00:46:41,750 --> 00:46:39,680

cases together as well

1176

00:46:43,030 --> 00:46:41,760

uh it's time to put some of this out

1177

00:46:46,390 --> 00:46:43,040

there well where

1178

00:46:50,790 --> 00:46:46,400

your state pennsylvania is like uh nuts

1179

00:46:55,349 --> 00:46:53,589

you know it it really is i i i know

1180

00:46:55,990 --> 00:46:55,359

people get tired of me talking about it

1181

00:47:00,710 --> 00:46:56,000

but

1182

00:47:03,510 --> 00:47:00,720

is the deal with pennsylvania

1183

00:47:04,550 --> 00:47:03,520

you know we have um well of course you

1184

00:47:06,470 --> 00:47:04,560

know stan's been

1185

00:47:08,069 --> 00:47:06,480

stan gordon's been standing yeah

1186

00:47:11,589 --> 00:47:08,079

reporting here

1187

00:47:13,349 --> 00:47:11,599

for over 50 years now uh you know out

1188

00:47:14,870 --> 00:47:13,359

there where he's at in westmoreland

1189

00:47:17,910 --> 00:47:14,880

county

1190

00:47:21,670 --> 00:47:17,920

the northern part of the uh the

1191

00:47:24,309 --> 00:47:21,680

chestnut ridge and uh

1192

00:47:25,030 --> 00:47:24,319

it it's the the fact that all that

1193

00:47:27,750 --> 00:47:25,040

phenomena

1194

00:47:31,030 --> 00:47:27,760

happens out there and then there are

1195

00:47:33,910 --> 00:47:31,040

other hot spots in pennsylvania as well

1196

00:47:35,750 --> 00:47:33,920

you know it just it doesn't seem to wane

1197

00:47:37,990 --> 00:47:35,760

off it just seems to be

1198

00:47:39,750 --> 00:47:38,000

increasing and that the type of

1199

00:47:42,549 --> 00:47:39,760

phenomena

1200

00:47:43,349 --> 00:47:42,559

seem to increase as well even though it

1201
00:47:45,750 --> 00:47:43,359
is something

1202
00:47:47,430 --> 00:47:45,760
that has been part of the state

1203
00:47:50,710 --> 00:47:47,440
historically

1204
00:47:53,829 --> 00:47:50,720
we do get a lot of uh flaps

1205
00:47:56,710 --> 00:47:53,839
of certain anomalies you know

1206
00:48:00,710 --> 00:47:56,720
at times you know well i i especially i

1207
00:48:04,309 --> 00:48:02,790
nuts like you said in pennsylvania

1208
00:48:07,030 --> 00:48:04,319
especially yeah i mean uh

1209
00:48:08,230 --> 00:48:07,040
you know stan wrote extensively about

1210
00:48:09,910 --> 00:48:08,240
that for a year

1211
00:48:11,910 --> 00:48:09,920
you know about all the different

1212
00:48:13,190 --> 00:48:11,920
sighting reports that you know got and

1213
00:48:16,950 --> 00:48:13,200

of course butch

1214

00:48:19,430 --> 00:48:16,960

knew about that as well so it

1215

00:48:21,430 --> 00:48:19,440

you know it was interesting that all

1216

00:48:24,069 --> 00:48:21,440

those reports started coming in but you

1217

00:48:27,270 --> 00:48:24,079

know there was a lot of other phenomena

1218

00:48:29,670 --> 00:48:27,280

attached to that as well of course the

1219

00:48:31,829 --> 00:48:29,680

the bigfoot sightings that were attached

1220

00:48:32,470 --> 00:48:31,839

to these ufo sightings around that

1221

00:48:34,710 --> 00:48:32,480

period

1222

00:48:36,549 --> 00:48:34,720

yeah and they still they still happen

1223

00:48:37,349 --> 00:48:36,559

yeah that's that's one of the really

1224

00:48:40,710 --> 00:48:37,359

interesting

1225

00:48:42,630 --> 00:48:40,720

aspects of ufo and bigfoot

1226

00:48:44,150 --> 00:48:42,640

which i i definitely believe there's a

1227

00:48:47,349 --> 00:48:44,160

connection definitely

1228

00:48:51,750 --> 00:48:47,359

no i do too i mean i have work cases

1229

00:48:55,510 --> 00:48:51,760

nationwide where people have seen

1230

00:48:59,910 --> 00:48:55,520

bigfoot and ufos at the same time

1231

00:49:03,829 --> 00:48:59,920

i i reported on a habituation

1232

00:49:04,549 --> 00:49:03,839

area up in uh the north coast of nova

1233

00:49:07,910 --> 00:49:04,559

scotia

1234

00:49:11,829 --> 00:49:07,920

for a couple years uh the

1235

00:49:15,349 --> 00:49:11,839

gentleman has since passed but

1236

00:49:18,150 --> 00:49:15,359

he he used to tell me about

1237

00:49:19,430 --> 00:49:18,160

all these bigfoot that were he would see

1238

00:49:22,069 --> 00:49:19,440

when the weather got

1239

00:49:24,549 --> 00:49:22,079

good you know became clear up there and

1240

00:49:26,549 --> 00:49:24,559

he would see these groups of bigfoot

1241

00:49:28,549 --> 00:49:26,559

and he was sketching these things and

1242

00:49:31,349 --> 00:49:28,559

telling me of the evidence and stuff he

1243

00:49:32,549 --> 00:49:31,359

was finding but he was also telling me

1244

00:49:35,750 --> 00:49:32,559

about

1245

00:49:38,870 --> 00:49:35,760

these large circular

1246

00:49:40,950 --> 00:49:38,880

shaped ufos and

1247

00:49:42,069 --> 00:49:40,960

he also had several encounters with

1248

00:49:45,510 --> 00:49:42,079

these things

1249

00:49:47,510 --> 00:49:45,520

but he did tell me one day about the uh

1250

00:49:50,309 --> 00:49:47,520

he had a large field across the road

1251
00:49:55,349 --> 00:49:50,319
from from his home he had a farm

1252
00:49:58,549 --> 00:49:55,359
and he noticed a a glass-like

1253
00:50:01,829 --> 00:49:58,559
large circular uh ufo

1254
00:50:03,910 --> 00:50:01,839
right that descended and

1255
00:50:06,230 --> 00:50:03,920
was hovering above the field of just a

1256
00:50:09,829 --> 00:50:06,240
few feet above the field

1257
00:50:13,030 --> 00:50:09,839
and he saw a bigfoot descend from it

1258
00:50:16,150 --> 00:50:13,040
as well as a being

1259
00:50:19,109 --> 00:50:16,160
that had feet that he later took

1260
00:50:21,349 --> 00:50:19,119
photographs of the prince uh it looked

1261
00:50:24,790 --> 00:50:21,359
like a large turkey foot

1262
00:50:25,990 --> 00:50:24,800
but the three uh the three long toes

1263
00:50:29,270 --> 00:50:26,000

this thing was almost 20

1264

00:50:32,069 --> 00:50:29,280

inches wide so uh

1265

00:50:34,630 --> 00:50:32,079

this is in nova scotia this was in the

1266

00:50:39,349 --> 00:50:34,640

north coast of nova scotia yeah

1267

00:50:45,510 --> 00:50:42,710

oh my god i guess about

1268

00:50:47,349 --> 00:50:45,520

five six seven years ago i don't know

1269

00:50:49,030 --> 00:50:47,359

the i forget the exact dates

1270

00:50:50,630 --> 00:50:49,040

but it was something i was looking into

1271

00:50:52,790 --> 00:50:50,640

for about two years

1272

00:50:54,790 --> 00:50:52,800

that's not too long ago that's very yeah

1273

00:50:57,109 --> 00:50:54,800

yeah yeah you know and

1274

00:50:59,030 --> 00:50:57,119

but you know there has been a lot of

1275

00:51:01,430 --> 00:50:59,040

strange ufo activity

1276

00:51:02,390 --> 00:51:01,440

in nova scotia in in the atlantic

1277

00:51:04,950 --> 00:51:02,400

maritimes

1278

00:51:06,309 --> 00:51:04,960

it's just not talked about a lot no you

1279

00:51:10,549 --> 00:51:06,319

don't hear too much about it no

1280

00:51:14,309 --> 00:51:10,559

no but you uh yeah there's um

1281

00:51:17,670 --> 00:51:14,319

yeah that was going on so um

1282

00:51:20,549 --> 00:51:17,680

and i i think the gentleman himself

1283

00:51:21,750 --> 00:51:20,559

was was physically affected by it as

1284

00:51:25,430 --> 00:51:21,760

well

1285

00:51:29,670 --> 00:51:25,440

he had developed a few strange

1286

00:51:32,870 --> 00:51:29,680

diseases that were quite explainable

1287

00:51:35,349 --> 00:51:32,880

and uh i haven't heard from him i

1288

00:51:38,150 --> 00:51:35,359

and i just assume he passed away you

1289

00:51:41,510 --> 00:51:38,160

know i i did try to check into him

1290

00:51:43,430 --> 00:51:41,520

never got any responses and uh i believe

1291

00:51:46,230 --> 00:51:43,440

that was the case

1292

00:51:46,630 --> 00:51:46,240

wow you know it sort of reminds me of

1293

00:51:49,510 --> 00:51:46,640

that

1294

00:51:50,390 --> 00:51:49,520

case in france in 73 also back in

1295

00:51:52,150 --> 00:51:50,400

november

1296

00:51:53,829 --> 00:51:52,160

whether there were two witnesses that

1297

00:51:55,270 --> 00:51:53,839

saw they

1298

00:51:57,910 --> 00:51:55,280

they they were in a vehicle they were

1299

00:52:01,829 --> 00:51:57,920

parked and they saw a ufo land

1300

00:52:05,109 --> 00:52:01,839

also and and from you know from this

1301
00:52:07,589 --> 00:52:05,119
circular it was large circular metallic

1302
00:52:08,470 --> 00:52:07,599
there was a uh sort of a door that

1303
00:52:12,069 --> 00:52:08,480
opened and

1304
00:52:15,829 --> 00:52:12,079
from from it at first they were emerged

1305
00:52:17,510 --> 00:52:15,839
two little uh entities you know small

1306
00:52:19,349 --> 00:52:17,520
and i'm gonna say grays i don't think

1307
00:52:20,309 --> 00:52:19,359
they described it as grey but they were

1308
00:52:22,950 --> 00:52:20,319
short

1309
00:52:23,670 --> 00:52:22,960
kind of large-headed and then after that

1310
00:52:26,870 --> 00:52:23,680
they were

1311
00:52:29,190 --> 00:52:26,880
came two tall human-like beings from the

1312
00:52:32,549 --> 00:52:29,200
same ufo okay together

1313
00:52:34,549 --> 00:52:32,559

long-haired blonde hair and then

1314

00:52:35,670 --> 00:52:34,559

the weirdest part after these came out

1315

00:52:37,589 --> 00:52:35,680

they were walking around

1316

00:52:39,270 --> 00:52:37,599

another being came out and stood by the

1317

00:52:40,870 --> 00:52:39,280

door and this being they

1318

00:52:42,470 --> 00:52:40,880

according to the witnesses the french

1319

00:52:45,510 --> 00:52:42,480

witnesses it looked like

1320

00:52:48,549 --> 00:52:45,520

like a great ape it's yeah

1321

00:52:50,390 --> 00:52:48,559

yeah i think i remember that yeah yeah

1322

00:52:51,829 --> 00:52:50,400

maybe i would i sent you that one but

1323

00:52:53,750 --> 00:52:51,839

you may have you know

1324

00:52:55,750 --> 00:52:53,760

this is something david has been telling

1325

00:52:59,589 --> 00:52:55,760

me about recently you know

1326
00:53:03,030 --> 00:52:59,599
the uh the encounters in his home have

1327
00:53:05,109 --> 00:53:03,040
again picked up i mean it is really

1328
00:53:07,349 --> 00:53:05,119
picked up he's been getting

1329
00:53:09,109 --> 00:53:07,359
able to obtain some photographs though

1330
00:53:10,230 --> 00:53:09,119
it's not the easiest thing the world do

1331
00:53:13,990 --> 00:53:10,240
because

1332
00:53:18,390 --> 00:53:14,000
they they have destroyed a lot of his

1333
00:53:20,549 --> 00:53:18,400
equipment but he's been telling me

1334
00:53:23,349 --> 00:53:20,559
that the type of beings that have been

1335
00:53:25,990 --> 00:53:23,359
showing up this time around

1336
00:53:26,790 --> 00:53:26,000
have been much varied as compared to

1337
00:53:30,630 --> 00:53:26,800
what it was

1338
00:53:34,230 --> 00:53:30,640

he was getting 10 years ago at that time

1339

00:53:37,109 --> 00:53:34,240

he was getting a small graze and

1340

00:53:38,710 --> 00:53:37,119

reptilians there would be a couple

1341

00:53:39,910 --> 00:53:38,720

reptilians that would come through and

1342

00:53:41,990 --> 00:53:39,920

in fact

1343

00:53:43,750 --> 00:53:42,000

the reptilians were the ones in charge

1344

00:53:44,870 --> 00:53:43,760

of these abductions with the yemenis

1345

00:53:49,670 --> 00:53:44,880

family

1346

00:53:53,430 --> 00:53:49,680

but now the beings that are showing up

1347

00:53:56,630 --> 00:53:53,440

are mostly

1348

00:53:59,750 --> 00:53:56,640

what look like humanoid hybrids

1349

00:54:02,790 --> 00:53:59,760

are human hybrids okay and that

1350

00:54:06,790 --> 00:54:02,800

occasionally a a reptilian will

1351
00:54:09,910 --> 00:54:06,800
accompany them but he said he gets as

1352
00:54:10,549 --> 00:54:09,920
much as a dozen of these human-like

1353
00:54:14,630 --> 00:54:10,559
beings

1354
00:54:18,069 --> 00:54:14,640
come through he's in pennsylvania

1355
00:54:18,870 --> 00:54:18,079
he's in pensacola pensacola he's down in

1356
00:54:22,790 --> 00:54:18,880
florida

1357
00:54:24,630 --> 00:54:22,800
whole case

1358
00:54:26,470 --> 00:54:24,640
and he's been in the same area he's been

1359
00:54:28,870 --> 00:54:26,480
in different homes

1360
00:54:29,910 --> 00:54:28,880
but uh these things tend to follow him

1361
00:54:33,190 --> 00:54:29,920
around

1362
00:54:36,630 --> 00:54:33,200
and in fact his his family

1363
00:54:39,030 --> 00:54:36,640

uh his daughter who got married and and

1364

00:54:42,069 --> 00:54:39,040

moved to houston for a time

1365

00:54:44,950 --> 00:54:42,079

they were uh they were

1366

00:54:45,510 --> 00:54:44,960

visiting her as well uh her and her

1367

00:54:48,789 --> 00:54:45,520

husband

1368

00:54:50,630 --> 00:54:48,799

so it's

1369

00:54:52,710 --> 00:54:50,640

you know you know we've talked you know

1370

00:54:55,270 --> 00:54:52,720

we've talked for years about

1371

00:54:56,789 --> 00:54:55,280

these encounters being a generational

1372

00:54:58,789 --> 00:54:56,799

type thing where

1373

00:55:00,309 --> 00:54:58,799

other members of the family past and

1374

00:55:02,789 --> 00:55:00,319

present would

1375

00:55:04,069 --> 00:55:02,799

would experience this similar type of

1376

00:55:06,470 --> 00:55:04,079

phenomena

1377

00:55:09,910 --> 00:55:06,480

and uh it's definitely the case and hit

1378

00:55:12,710 --> 00:55:09,920

in as far as the eckharts go

1379

00:55:14,390 --> 00:55:12,720

well and now it does it seems to follow

1380

00:55:17,109 --> 00:55:14,400

all the members of the family

1381

00:55:19,109 --> 00:55:17,119

yeah when there's a family involved you

1382

00:55:22,309 --> 00:55:19,119

know it's like and for generations too

1383

00:55:25,589 --> 00:55:22,319

you know that yeah

1384

00:55:27,510 --> 00:55:25,599

it's a tough situation um you know

1385

00:55:30,390 --> 00:55:27,520

there have been a few other aspects as

1386

00:55:31,430 --> 00:55:30,400

for as what's going on with david which

1387

00:55:34,390 --> 00:55:31,440

i had just

1388

00:55:34,789 --> 00:55:34,400

found out about within the last week now

1389

00:55:37,750 --> 00:55:34,799

i might

1390

00:55:38,630 --> 00:55:37,760

i can't say a whole lot about it now but

1391

00:55:41,750 --> 00:55:38,640

david was

1392

00:55:43,589 --> 00:55:41,760

uh he was telling me and describing some

1393

00:55:46,710 --> 00:55:43,599

of this new stuff

1394

00:55:47,430 --> 00:55:46,720

and i i have been talking with my my

1395

00:55:50,870 --> 00:55:47,440

team about

1396

00:55:52,630 --> 00:55:50,880

it and uh we're just basically trying to

1397

00:55:53,030 --> 00:55:52,640

figure out everything that's been going

1398

00:55:58,150 --> 00:55:53,040

on

1399

00:56:01,750 --> 00:55:58,160

but i i will say this it has to do with

1400

00:56:05,030 --> 00:56:01,760

uh sexual encounters

1401
00:56:06,630 --> 00:56:05,040
and hybrid children okay all right

1402
00:56:08,710 --> 00:56:06,640
so you get a little bit of an idea of

1403
00:56:11,190 --> 00:56:08,720
what i'm talking about but

1404
00:56:12,789 --> 00:56:11,200
it's uh you know this is something that

1405
00:56:16,549 --> 00:56:12,799
we have heard about

1406
00:56:18,789 --> 00:56:16,559
with other cases over the years

1407
00:56:20,549 --> 00:56:18,799
where uh what brett oldham you know you

1408
00:56:21,990 --> 00:56:20,559
know who brett oldham is and his uh

1409
00:56:25,270 --> 00:56:22,000
encounters

1410
00:56:28,309 --> 00:56:25,280
with what he said were was a child

1411
00:56:30,150 --> 00:56:28,319
that he knew was his uh you hear more

1412
00:56:34,230 --> 00:56:30,160
and more about that

1413
00:56:38,390 --> 00:56:34,240

uh and uh you know it seems to me

1414

00:56:41,910 --> 00:56:38,400

that this is a way of

1415

00:56:44,630 --> 00:56:41,920

i guess forcing or uh

1416

00:56:46,549 --> 00:56:44,640

intimidating these these people

1417

00:56:49,670 --> 00:56:46,559

experiencers

1418

00:56:52,789 --> 00:56:49,680

uh to continue to cooperate with them

1419

00:56:55,030 --> 00:56:52,799

by uh by having children

1420

00:56:56,870 --> 00:56:55,040

hybrid children and i i don't know

1421

00:56:59,510 --> 00:56:56,880

sometimes i'm afraid they're

1422

00:57:00,789 --> 00:56:59,520

they're gonna they're slowly replacing

1423

00:57:05,829 --> 00:57:00,799

the

1424

00:57:09,349 --> 00:57:05,839

singularity

1425

00:57:13,109 --> 00:57:09,359

aspect a lot is i think is real

1426

00:57:17,030 --> 00:57:13,119

uh i think the technology has merged

1427

00:57:20,549 --> 00:57:17,040

with uh you know with the human

1428

00:57:24,309 --> 00:57:20,559

and it's starting to

1429

00:57:28,069 --> 00:57:24,319

possibly uh integrate with

1430

00:57:31,270 --> 00:57:28,079

us as well uh i do write about that

1431

00:57:33,109 --> 00:57:31,280

in this book you know also because uh

1432

00:57:35,270 --> 00:57:33,119

there are there is a lot of evidence

1433

00:57:39,270 --> 00:57:35,280

that that is actually happening

1434

00:57:43,510 --> 00:57:39,280

so to what extent it's going to

1435

00:57:46,230 --> 00:57:43,520

you know we're going to experience uh

1436

00:57:46,789 --> 00:57:46,240

you know how far has it gotten already

1437

00:57:48,950 --> 00:57:46,799

right

1438

00:57:50,870 --> 00:57:48,960

what are the implications i mean who

1439

00:57:56,950 --> 00:57:50,880

knows

1440

00:57:59,349 --> 00:57:56,960

uh you've got several books out your

1441

00:58:00,710 --> 00:57:59,359

latest was the ufos over florida

1442

00:58:03,270 --> 00:58:00,720

do you have anything planned for the

1443

00:58:06,829 --> 00:58:03,280

future well like i said earlier

1444

00:58:11,829 --> 00:58:06,839

and i'm thinking of doing the

1445

00:58:14,950 --> 00:58:11,839

2016 through whatever we get in 2019 of

1446

00:58:16,309 --> 00:58:14,960

humanoid encounters well you know my my

1447

00:58:18,870 --> 00:58:16,319

database is open to you

1448

00:58:21,589 --> 00:58:18,880

always so you know thank you i know yeah

1449

00:58:24,710 --> 00:58:21,599

that is a great source of

1450

00:58:27,829 --> 00:58:24,720

information definitely cases

1451

00:58:31,109 --> 00:58:27,839

uh so that's one of my plans plus

1452

00:58:36,309 --> 00:58:31,119

maybe i'm trying to do another one

1453

00:58:38,789 --> 00:58:36,319

from personal encounters and personal

1454

00:58:40,630 --> 00:58:38,799

investigations i got a couple things

1455

00:58:41,750 --> 00:58:40,640

going on i don't you know it's just been

1456

00:58:45,190 --> 00:58:41,760

hard to

1457

00:58:45,510 --> 00:58:45,200

for me lately yeah yeah well when you

1458

00:58:48,230 --> 00:58:45,520

get

1459

00:58:49,349 --> 00:58:48,240

when you're retired and able to kind of

1460

00:58:52,789 --> 00:58:49,359

get out there and do it

1461

00:58:54,870 --> 00:58:52,799

you know i you know when i when i went

1462

00:58:55,829 --> 00:58:54,880

on disability and was able to get more

1463

00:58:58,549 --> 00:58:55,839

time

1464

00:58:58,870 --> 00:58:58,559

yeah though i was kind of limited i you

1465

00:59:00,789 --> 00:58:58,880

know

1466

00:59:02,230 --> 00:59:00,799

it it doesn't make a big difference

1467

00:59:05,430 --> 00:59:02,240

where you can

1468

00:59:07,670 --> 00:59:05,440

kind of work on this uh at all hours

1469

00:59:10,470 --> 00:59:07,680

and believe me that sometimes it seems

1470

00:59:12,470 --> 00:59:10,480

like it's a 24-hour thing

1471

00:59:14,069 --> 00:59:12,480

definitely because right now i'm still

1472

00:59:17,190 --> 00:59:14,079

working and

1473

00:59:21,670 --> 00:59:17,200

sometimes i i work overtime a lot

1474

00:59:25,190 --> 00:59:24,150

so albert thanks again for joining me

1475

00:59:26,789 --> 00:59:25,200

and being on the show

1476

00:59:28,710 --> 00:59:26,799

it's been it's great talking to you

1477

00:59:31,109 --> 00:59:28,720

again you're welcome i'm glad you gotta

1478

00:59:33,750 --> 00:59:31,119

we gotta connect a lot more

1479

00:59:35,829 --> 00:59:33,760

yeah we do i just been uh like i said

1480

00:59:39,030 --> 00:59:35,839

and i don't really do too many of these

1481

00:59:41,270 --> 00:59:39,040

yeah i know i know

1482

00:59:43,190 --> 00:59:41,280

but it's been you know my pleasure being

1483

00:59:46,630 --> 00:59:43,200

in in your show

1484

00:59:47,589 --> 00:59:46,640

well we'll talk soon okay okay so uh

1485

00:59:51,990 --> 00:59:47,599

this is it

1486

00:59:55,910 --> 00:59:52,000

of yourself man i'll talk to you later

1487

00:59:57,750 --> 00:59:55,920

all right now bye bye so listeners can

1488

00:59:59,349 --> 00:59:57,760

show their support for arcane radio by

1489

01:00:01,750 --> 00:59:59,359

becoming a patron

1490

01:00:03,190 --> 01:00:01,760

simply go to phantomsomemonsters.com and

1491

01:00:06,470 --> 01:00:03,200

click the podbean

1492

01:00:08,230 --> 01:00:06,480

patron banner arcane radio also accepts

1493

01:00:10,230 --> 01:00:08,240

direct donations

1494

01:00:11,349 --> 01:00:10,240

now if you have an unexplained encounter

1495

01:00:13,349 --> 01:00:11,359

or setting

1496

01:00:15,349 --> 01:00:13,359

feel free to contact me through phantoms

1497

01:00:17,589 --> 01:00:15,359

of monsters blog site

1498

01:00:19,109 --> 01:00:17,599

i once again thank alberto rosales for

1499

01:00:21,349 --> 01:00:19,119

joining me this evening

1500

01:00:22,309 --> 01:00:21,359

and i want to thank you for listening to

1501

01:00:33,710 --> 01:00:22,319

the show

1502

01:00:54,829 --> 01:00:40,090

[Music]

1503

01:00:54,839 --> 01:01:00,580

so
