00:00:05,860 --> 00:00:04,590

[Music]

2  
00:00:10,540 --> 00:00:05,870

[Applause]

3  
00:00:12,890 --> 00:00:10,550

[Music]

4  
00:00:17,830 --> 00:00:12,900

[Applause]

5  
00:00:21,990 --> 00:00:19,670  
welcome to the best of first person

6  
00:00:24,870 --> 00:00:22,000  
episodes from phantoms and monsters

7  
00:00:28,830 --> 00:00:24,880  
please like subscribe and hit the bell

8  
00:00:31,830 --> 00:00:28,840  
icon so you'll be notified of all future

9  
00:00:33,270 --> 00:00:31,840  
uploads

10  
00:00:35,430 --> 00:00:33,280  
piece of the land between the lakes

11  
00:00:37,510 --> 00:00:35,440  
encounter in grand rivers kentucky

12  
00:00:39,590 --> 00:00:37,520  
the summer of 1988 will always be a

13  
00:00:41,590 --> 00:00:39,600

turnabout in my beliefs of real monsters

14

00:00:43,430 --> 00:00:41,600

versus the demonic paranormal type

15

00:00:45,029 --> 00:00:43,440

when a new avenue of fear introduced

16

00:00:46,229 --> 00:00:45,039

itself and made a permanent pathway

17

00:00:48,150 --> 00:00:46,239

inside my mind

18

00:00:50,229 --> 00:00:48,160

it was on one of those hot july summer

19

00:00:52,630 --> 00:00:50,239

evenings in grand rivers kentucky back

20

00:00:54,549 --> 00:00:52,640

in 1988 when this took place

21

00:00:56,150 --> 00:00:54,559

grand rivers is at the beginning of land

22

00:00:58,389 --> 00:00:56,160

between the lakes entrance

23

00:00:59,910 --> 00:00:58,399

the sun was not completely down i was

24

00:01:01,670 --> 00:00:59,920

staying at my aunt's house with my

25

00:01:02,389 --> 00:01:01,680

cousins for a few weeks during summer

26

00:01:04,149 --> 00:01:02,399

vacation

27

00:01:06,149 --> 00:01:04,159

a very welcome home at the end of a dead

28

00:01:07,590 --> 00:01:06,159

end road hundreds of acres of wood

29

00:01:09,350 --> 00:01:07,600

surrounded the home that had been built

30

00:01:10,230 --> 00:01:09,360

down a hill and into the side of a large

31

00:01:11,590 --> 00:01:10,240

hill of dirt

32

00:01:13,270 --> 00:01:11,600

there were several homemade trails

33

00:01:13,910 --> 00:01:13,280

throughout the woods that led to several

34

00:01:15,590 --> 00:01:13,920

places

35

00:01:17,590 --> 00:01:15,600

an old abandoned railroad track that

36

00:01:18,789 --> 00:01:17,600

went on for miles another abandoned

37

00:01:20,390 --> 00:01:18,799

place the old sawmill

38

00:01:22,070 --> 00:01:20,400

and other paths led to parts of the

39

00:01:24,070 --> 00:01:22,080

shoreline of the kentucky lake

40

00:01:25,670 --> 00:01:24,080

they all started out as walking trails

41

00:01:27,749 --> 00:01:25,680

but with a new addition of the dirt bike

42

00:01:29,350 --> 00:01:27,759

that my cousin joe had the trails became

43

00:01:31,030 --> 00:01:29,360

well outlined and defied

44

00:01:33,030 --> 00:01:31,040

as with almost every day that i was

45

00:01:33,830 --> 00:01:33,040

visiting joe was out riding his bike

46

00:01:35,670 --> 00:01:33,840

through the woods

47

00:01:37,350 --> 00:01:35,680

exploring and just being with his own

48

00:01:39,350 --> 00:01:37,360

thoughts of a 15 year old

49

00:01:41,030 --> 00:01:39,360

his younger sister rhonda was with me

50

00:01:43,830 --> 00:01:41,040

outside on the porch swing

51  
00:01:45,590 --> 00:01:43,840  
she was 10 and i was 13 at the time my

52  
00:01:47,510 --> 00:01:45,600  
uncle was working and my aunt was at the

53  
00:01:49,590 --> 00:01:47,520  
local icas store down in town

54  
00:01:51,350 --> 00:01:49,600  
beside the driveway was a huge dog pen

55  
00:01:52,950 --> 00:01:51,360  
where their pet passive hounds lodged

56  
00:01:53,749 --> 00:01:52,960  
and was at the moment quite relaxed in

57  
00:01:55,350 --> 00:01:53,759  
the shade

58  
00:01:57,030 --> 00:01:55,360  
the woods have been filled with only the

59  
00:01:58,789 --> 00:01:57,040  
sounds of birds and the chatter

60  
00:02:00,469 --> 00:01:58,799  
squirrels for a few hours

61  
00:02:01,990 --> 00:02:00,479  
joe must have been way far off on the

62  
00:02:03,429 --> 00:02:02,000  
trail somewhere to not have heard that

63  
00:02:04,950 --> 00:02:03,439

distinct sound of the dirt bike

64

00:02:06,069 --> 00:02:04,960

screaming through its gears echoing

65

00:02:07,830 --> 00:02:06,079

around the trees

66

00:02:09,510 --> 00:02:07,840

i knew he must be on his way home

67

00:02:10,469 --> 00:02:09,520

because his dad forbid him to be out in

68

00:02:12,309 --> 00:02:10,479

the woods at dark

69

00:02:14,150 --> 00:02:12,319

so ronda and i was waiting to hear that

70

00:02:16,150 --> 00:02:14,160

familiar pop footing of the bike slowly

71

00:02:18,309 --> 00:02:16,160

coming down the drive as he reluctantly

72

00:02:20,150 --> 00:02:18,319

came home to park it for another night

73

00:02:22,229 --> 00:02:20,160

as we swing back and forth we heard

74

00:02:23,830 --> 00:02:22,239

something a bit strange in the distance

75

00:02:25,589 --> 00:02:23,840

it was joe's dirt bike screaming at

76

00:02:27,990 --> 00:02:25,599

almost a soprano type of gear

77

00:02:29,830 --> 00:02:28,000

long steady and fast with no shifting

78

00:02:31,509 --> 00:02:29,840

sounds just a straight stream of one

79

00:02:32,869 --> 00:02:31,519

gear in motion with a full throttle

80

00:02:34,949 --> 00:02:32,879

going a top speed

81

00:02:36,150 --> 00:02:34,959

the sound accelerated as he drew closer

82

00:02:37,670 --> 00:02:36,160

such a fast pace

83

00:02:39,190 --> 00:02:37,680

and we watch from the swing up to the

84

00:02:40,630 --> 00:02:39,200

top of the driveway where he would

85

00:02:41,350 --> 00:02:40,640

appear from the other side out of the

86

00:02:42,790 --> 00:02:41,360

woods

87

00:02:44,790 --> 00:02:42,800

i couldn't help but think that he had

88

00:02:46,070 --> 00:02:44,800

better slow down or he would come flying

89

00:02:46,710 --> 00:02:46,080

up over the top of the hell and

90

00:02:48,470 --> 00:02:46,720

downwards

91

00:02:50,550 --> 00:02:48,480

missing a white stretch of pavement by

92

00:02:51,509 --> 00:02:50,560

being airborne the noise didn't soften

93

00:02:54,150 --> 00:02:51,519

his slow

94

00:02:54,710 --> 00:02:54,160

steady infix was his speed and just as i

95

00:02:56,150 --> 00:02:54,720

had thought

96

00:02:58,229 --> 00:02:56,160

he emerged from the woods in such a

97

00:03:00,070 --> 00:02:58,239

tenacious movement that he did indeed go

98

00:03:01,670 --> 00:03:00,080

airborne a few feet before pounding down

99

00:03:03,350 --> 00:03:01,680

the front tyre on the driveway

100

00:03:05,110 --> 00:03:03,360

continuing his descent now with the

101  
00:03:05,830 --> 00:03:05,120  
struggle of keeping the bike upright and

102  
00:03:07,589 --> 00:03:05,840  
straight

103  
00:03:09,270 --> 00:03:07,599  
ronda and i jumped from the porch swing

104  
00:03:10,949 --> 00:03:09,280  
and got out of the way as we didn't know

105  
00:03:11,830 --> 00:03:10,959  
where he was going to stop or in what

106  
00:03:13,509 --> 00:03:11,840  
position

107  
00:03:15,509 --> 00:03:13,519  
the brakes hit hard and the bike slid

108  
00:03:16,550 --> 00:03:15,519  
sideways and as it came down to the edge

109  
00:03:18,309 --> 00:03:16,560  
and ended the drive

110  
00:03:19,589 --> 00:03:18,319  
joe tilted his body and let the bike

111  
00:03:21,270 --> 00:03:19,599  
slide out from under him

112  
00:03:23,270 --> 00:03:21,280  
before he went down the rest of the hell

113  
00:03:25,030 --> 00:03:23,280

with it instead of the bike continuing

114

00:03:26,869 --> 00:03:25,040

to slide to the edge it was caught in a

115

00:03:27,830 --> 00:03:26,879

spin that variably died down as the

116

00:03:29,910 --> 00:03:27,840

engine sputtered

117

00:03:31,830 --> 00:03:29,920

and then quit altogether everyone was

118

00:03:33,190 --> 00:03:31,840

wide-eyed and full of adrenaline all our

119

00:03:35,110 --> 00:03:33,200

mouths open in shock

120

00:03:36,789 --> 00:03:35,120

but joe's mouth was open in a strange

121

00:03:38,710 --> 00:03:36,799

fearful grimace he was sweating

122

00:03:40,229 --> 00:03:38,720

profusely and his breaths were coming

123

00:03:42,390 --> 00:03:40,239

and going in great ease

124

00:03:43,990 --> 00:03:42,400

tears were coming down his cheeks mixing

125

00:03:45,350 --> 00:03:44,000

with the dusty dirt that the trail had

126  
00:03:47,270 --> 00:03:45,360  
left him powdered with

127  
00:03:49,190 --> 00:03:47,280  
his eyes were at the top of the hill at

128  
00:03:51,509 --> 00:03:49,200  
the top of the drive unblinking

129  
00:03:53,509 --> 00:03:51,519  
searching waiting we followed his gaze

130  
00:03:54,309 --> 00:03:53,519  
not understanding what this escapade was

131  
00:03:56,229 --> 00:03:54,319  
all about

132  
00:03:58,309 --> 00:03:56,239  
in silence we watched within for about

133  
00:03:59,030 --> 00:03:58,319  
30 seconds and then the dogs started

134  
00:04:01,429 --> 00:03:59,040  
barking

135  
00:04:02,949 --> 00:04:01,439  
growling and then whining trying to get

136  
00:04:04,630 --> 00:04:02,959  
out of the pan in a frantic panic of

137  
00:04:05,509 --> 00:04:04,640  
[h\_\_\h] and gnawing at the fencing they

138  
00:04:07,910 --> 00:04:05,519

grabbed me

139

00:04:09,429 --> 00:04:07,920

look at my leg joe screamed making us

140

00:04:10,149 --> 00:04:09,439

jump with alarm at the sound of his

141

00:04:11,910 --> 00:04:10,159

voice

142

00:04:13,670 --> 00:04:11,920

we looked down at his levi's and saw

143

00:04:14,149 --> 00:04:13,680

scratch marks going across his right

144

00:04:15,670 --> 00:04:14,159

thigh

145

00:04:17,749 --> 00:04:15,680

scratches that tore through the tough

146

00:04:18,390 --> 00:04:17,759

denim and left small bloody marks on his

147

00:04:20,310 --> 00:04:18,400

skin

148

00:04:22,069 --> 00:04:20,320

the marks who like a pair chloric not

149

00:04:24,070 --> 00:04:22,079

those caused by branches or sticky

150

00:04:24,950 --> 00:04:24,080

bushes but a definite white pattern of a

151  
00:04:27,350 --> 00:04:24,960  
paw print

152  
00:04:29,510 --> 00:04:27,360  
a wuck on two legs his voice startled us

153  
00:04:31,270 --> 00:04:29,520  
again as he was trying to tell his story

154  
00:04:33,030 --> 00:04:31,280  
in between huge cultsvir

155  
00:04:34,629 --> 00:04:33,040  
he was frightened beyond belief and the

156  
00:04:36,390 --> 00:04:34,639  
bits and pieces of what he was striving

157  
00:04:38,150 --> 00:04:36,400  
with extreme effort to tell us

158  
00:04:39,990 --> 00:04:38,160  
was coming out in loud syllables that

159  
00:04:41,430 --> 00:04:40,000  
filled us both with the same dread

160  
00:04:43,430 --> 00:04:41,440  
it was following me through the woods

161  
00:04:45,749 --> 00:04:43,440  
along the path from the old sawmill

162  
00:04:47,510 --> 00:04:45,759  
harry it was so hairy and its now was so

163  
00:04:49,430 --> 00:04:47,520

long and it walked on two legs

164

00:04:50,710 --> 00:04:49,440

it ran on two legs his voice was

165

00:04:52,710 --> 00:04:50,720

sputtering slowing

166

00:04:54,310 --> 00:04:52,720

his eyes were still wide and i could see

167

00:04:56,390 --> 00:04:54,320

the pulse of his heart be throbbing

168

00:04:57,189 --> 00:04:56,400

under the skin of his temples a howling

169

00:04:58,950 --> 00:04:57,199

began

170

00:05:00,790 --> 00:04:58,960

from the woods not from the dog pan

171

00:05:01,670 --> 00:05:00,800

where now the dog suddenly stopped their

172

00:05:03,909 --> 00:05:01,680

own complaining

173

00:05:04,710 --> 00:05:03,919

standing deathly still staring up at the

174

00:05:05,990 --> 00:05:04,720

top of the hill

175

00:05:08,070 --> 00:05:06,000

the nape of the hair on their back

176

00:05:08,550 --> 00:05:08,080

standing up ruffled their noses up in

177

00:05:10,790 --> 00:05:08,560

the air

178

00:05:11,749 --> 00:05:10,800

breathing in a strange scent then a

179

00:05:14,150 --> 00:05:11,759

wolf's health

180

00:05:15,749 --> 00:05:14,160

it was close it seemed it was just a few

181

00:05:17,350 --> 00:05:15,759

yards from the road up above

182

00:05:19,430 --> 00:05:17,360

just as the idiot in a horror movie

183

00:05:21,110 --> 00:05:19,440

stands and stares at something to appear

184

00:05:23,430 --> 00:05:21,120

that was what i was doing then with a

185

00:05:25,430 --> 00:05:23,440

mixture of anticipation and confusion

186

00:05:27,270 --> 00:05:25,440

what the hell was he talking about i

187

00:05:28,070 --> 00:05:27,280

thought to myself mulling over the brief

188

00:05:30,230 --> 00:05:28,080

descriptions

189

00:05:31,590 --> 00:05:30,240

torn blue jeans walks and runs on two

190

00:05:33,430 --> 00:05:31,600

legs stalking him

191

00:05:35,029 --> 00:05:33,440

harry with a long nose and calling the

192

00:05:36,790 --> 00:05:35,039

mysterious hunter in it

193

00:05:38,550 --> 00:05:36,800

joe's tears came quicker and he started

194

00:05:39,029 --> 00:05:38,560

to push us towards the front door of the

195

00:05:40,870 --> 00:05:39,039

house

196

00:05:43,270 --> 00:05:40,880

demanding that we go inside and lock the

197

00:05:44,790 --> 00:05:43,280

doors he had a hand on each of our backs

198

00:05:46,070 --> 00:05:44,800

and was urging a sword when it came

199

00:05:47,830 --> 00:05:46,080

out of the woods above

200

00:05:49,670 --> 00:05:47,840

at first it appeared to be a very large

201  
00:05:51,350 --> 00:05:49,680  
wolf emerging from the dark outline of

202  
00:05:53,350 --> 00:05:51,360  
the trees but as it approached the one

203  
00:05:55,029 --> 00:05:53,360  
lane road that connected to the driveway

204  
00:05:56,550 --> 00:05:55,039  
its height grew to a towering shadow

205  
00:05:58,550 --> 00:05:56,560  
that stood on two legs

206  
00:06:00,469 --> 00:05:58,560  
much taller than a man's height maybe by

207  
00:06:01,189 --> 00:06:00,479  
a foot and with the sun gone down behind

208  
00:06:03,270 --> 00:06:01,199  
the clouds

209  
00:06:04,550 --> 00:06:03,280  
it only cast a silhouette of blackness

210  
00:06:06,309 --> 00:06:04,560  
hairy blackness

211  
00:06:08,150 --> 00:06:06,319  
my mouth dropped white as well as my

212  
00:06:10,390 --> 00:06:08,160  
eyes this was not happening

213  
00:06:11,749 --> 00:06:10,400

this was not what i was seeing my mind

214

00:06:13,510 --> 00:06:11,759

was going back and forth from

215

00:06:15,430 --> 00:06:13,520

rationality to reality

216

00:06:16,550 --> 00:06:15,440

it raised its lung snout up in the air

217

00:06:18,870 --> 00:06:16,560

and let out a curcumin

218

00:06:20,790 --> 00:06:18,880

slow deliberate how one of the creatures

219

00:06:22,710 --> 00:06:20,800

arms bent and shaded its eyes from the

220

00:06:24,629 --> 00:06:22,720

glare of the security light above it

221

00:06:26,710 --> 00:06:24,639

it wasn't in it any longer nor was it a

222

00:06:27,830 --> 00:06:26,720

bigfoot this was a wolf-like creature

223

00:06:30,150 --> 00:06:27,840

that like joe said

224

00:06:31,749 --> 00:06:30,160

stood on two legs was taller than a man

225

00:06:32,550 --> 00:06:31,759

and was staring at the three of us down

226

00:06:34,629 --> 00:06:32,560

the hill

227

00:06:35,670 --> 00:06:34,639

those huge black eyes i will never get

228

00:06:37,590 --> 00:06:35,680

out of my mind

229

00:06:39,909 --> 00:06:37,600

they were like two sockets of ebony oil

230

00:06:41,909 --> 00:06:39,919

shining under magnifying glass lenses

231

00:06:43,189 --> 00:06:41,919

we ran into the house tearing the screen

232

00:06:44,870 --> 00:06:43,199

door in the process

233

00:06:46,710 --> 00:06:44,880

slamming the main door locking it

234

00:06:48,309 --> 00:06:46,720

pushing things anything we could reach

235

00:06:50,390 --> 00:06:48,319

against the inside of the door

236

00:06:51,990 --> 00:06:50,400

the kitchen was right behind us and so

237

00:06:53,110 --> 00:06:52,000

was the knife drawer which we raided and

238

00:06:55,189 --> 00:06:53,120

took several with us

239

00:06:57,189 --> 00:06:55,199

as we tried to decide where to hide

240

00:06:58,550 --> 00:06:57,199

there was a house dog inside another

241

00:07:00,230 --> 00:06:58,560

basset hound stupi

242

00:07:02,390 --> 00:07:00,240

and he met us in the kitchen wondering

243

00:07:03,110 --> 00:07:02,400

what the racket was another hell from

244

00:07:05,270 --> 00:07:03,120

outside

245

00:07:06,950 --> 00:07:05,280

coming from the driveway stubby's hair

246

00:07:07,430 --> 00:07:06,960

raised and he started backing up at

247

00:07:09,029 --> 00:07:07,440

first

248

00:07:10,550 --> 00:07:09,039

then he went to the front door and was

249

00:07:12,309 --> 00:07:10,560

smelling around the edges

250

00:07:14,150 --> 00:07:12,319

the three of us ran to my aunt's room

251  
00:07:15,749 --> 00:07:14,160  
and was about to slam the door and lock

252  
00:07:18,150 --> 00:07:15,759  
it when the dog tucked tail and ran

253  
00:07:19,830 --> 00:07:18,160  
after us beating us under the bed all of

254  
00:07:21,909 --> 00:07:19,840  
us squeezed under the four poster

255  
00:07:23,909 --> 00:07:21,919  
knives clutched in our hands scared half

256  
00:07:26,070 --> 00:07:23,919  
to death we could hear the dogs in the

257  
00:07:27,830 --> 00:07:26,080  
pen outside going absolutely crazy with

258  
00:07:29,589 --> 00:07:27,840  
barking and we could also hear other

259  
00:07:30,950 --> 00:07:29,599  
things being knocked around on the porch

260  
00:07:33,029 --> 00:07:30,960  
then on the side of the house

261  
00:07:34,870 --> 00:07:33,039  
then at the side door we heard glass

262  
00:07:35,589 --> 00:07:34,880  
break we could tell it was from one of

263  
00:07:37,270 --> 00:07:35,599

the bedrooms

264

00:07:39,029 --> 00:07:37,280

the windows were up high and they were

265

00:07:40,629 --> 00:07:39,039

very narrow so we knew that it would

266

00:07:41,110 --> 00:07:40,639

take some effort for anything to get

267

00:07:43,110 --> 00:07:41,120

through them

268

00:07:45,029 --> 00:07:43,120

but still we shivered from fright that

269

00:07:46,950 --> 00:07:45,039

my aunt's horn on her cadillac sounded

270

00:07:48,309 --> 00:07:46,960

several times as she drove down the road

271

00:07:50,070 --> 00:07:48,319

and approached the house

272

00:07:51,589 --> 00:07:50,080

that meant for us to meet her outside

273

00:07:53,909 --> 00:07:51,599

and help with the groceries

274

00:07:55,749 --> 00:07:53,919

we didn't budge we couldn't move we

275

00:07:57,510 --> 00:07:55,759

didn't answer her yells from outside for

276

00:07:59,430 --> 00:07:57,520

us to come unload the bags we didn't

277

00:08:01,670 --> 00:07:59,440

crawl out and unlock the door for her

278

00:08:02,629 --> 00:08:01,680

no answer for knocking she finally had

279

00:08:04,469 --> 00:08:02,639

to use her keys

280

00:08:06,309 --> 00:08:04,479

and then give some hefty pushes against

281

00:08:07,670 --> 00:08:06,319

the pile of items we had up against the

282

00:08:10,629 --> 00:08:07,680

door the trashcan

283

00:08:12,230 --> 00:08:10,639

25 pound bags of dog food water jugs and

284

00:08:14,710 --> 00:08:12,240

a variety of other stuff

285

00:08:16,390 --> 00:08:14,720

we stay put she discovered us only after

286

00:08:17,990 --> 00:08:16,400

all the groceries had been brought in

287

00:08:20,070 --> 00:08:18,000

and she noticed that her bedroom door

288

00:08:21,589 --> 00:08:20,080

was closed and locked it was amazing

289

00:08:23,510 --> 00:08:21,599

that we hadn't cut each other in some

290

00:08:25,350 --> 00:08:23,520

way or another with the immature use of

291

00:08:26,150 --> 00:08:25,360

the knives in our haste to hide and we

292

00:08:27,909 --> 00:08:26,160

were chastised

293

00:08:29,990 --> 00:08:27,919

in more ways than one when it came down

294

00:08:31,270 --> 00:08:30,000

to my aunt observing us slowly emerging

295

00:08:32,389 --> 00:08:31,280

from her bedroom with the kitchen

296

00:08:34,070 --> 00:08:32,399

weapons in hand

297

00:08:36,149 --> 00:08:34,080

we all started talking it once in a

298

00:08:36,949 --> 00:08:36,159

fervor then we finally let joe tell his

299

00:08:38,389 --> 00:08:36,959

story first

300

00:08:40,149 --> 00:08:38,399

then we finished with it breaking a

301  
00:08:40,949 --> 00:08:40,159  
window just before we heard her horn on

302  
00:08:42,949 --> 00:08:40,959  
the car

303  
00:08:45,190 --> 00:08:42,959  
she must have startled it she didn't

304  
00:08:47,030 --> 00:08:45,200  
laugh she didn't respond at all at first

305  
00:08:48,870 --> 00:08:47,040  
in fact she never said a word until she

306  
00:08:49,829 --> 00:08:48,880  
came back from inspecting the windows in

307  
00:08:51,509 --> 00:08:49,839  
the bedrooms

308  
00:08:53,750 --> 00:08:51,519  
my aunt said indeed there was a broken

309  
00:08:55,509 --> 00:08:53,760  
window broken from the outside in

310  
00:08:56,949 --> 00:08:55,519  
she made us clean up our barricade and

311  
00:08:58,790 --> 00:08:56,959  
put up all the groceries

312  
00:09:00,230 --> 00:08:58,800  
later that night after we were all in

313  
00:09:02,470 --> 00:09:00,240

bed and my uncle came home

314

00:09:04,470 --> 00:09:02,480

she related that evening's events to him

315

00:09:06,710 --> 00:09:04,480

the next morning their dad warned us

316

00:09:08,230 --> 00:09:06,720

stay out of the woods he went on to say

317

00:09:10,070 --> 00:09:08,240

that he himself had went down in the

318

00:09:11,030 --> 00:09:10,080

woods earlier that morning and found

319

00:09:12,790 --> 00:09:11,040

several pits dug

320

00:09:14,630 --> 00:09:12,800

and filled with animal bones and parts

321

00:09:15,990 --> 00:09:14,640

of carcasses along the path that led to

322

00:09:16,790 --> 00:09:16,000

the old sawmill that couldn't be

323

00:09:18,550 --> 00:09:16,800

explained

324

00:09:19,990 --> 00:09:18,560

there were also holes stuck in the sides

325

00:09:21,430 --> 00:09:20,000

of the bluff along the hills that

326

00:09:22,230 --> 00:09:21,440

overlook the old mill that looked like

327

00:09:24,389 --> 00:09:22,240

deep caves

328

00:09:26,150 --> 00:09:24,399

big enough for a man to hide in then he

329

00:09:27,910 --> 00:09:26,160

told us that years before when the old

330

00:09:29,990 --> 00:09:27,920

boy scout camp used to be on the other

331

00:09:31,750 --> 00:09:30,000

side of grand rivers that an unexplained

332

00:09:33,269 --> 00:09:31,760

creature with wool features was seen

333

00:09:34,310 --> 00:09:33,279

along the water's edge close to the

334

00:09:35,910 --> 00:09:34,320

campsites

335

00:09:37,350 --> 00:09:35,920

he and his older son had witnessed it

336

00:09:39,190 --> 00:09:37,360

themselves one evening

337

00:09:41,110 --> 00:09:39,200

i went back home a few weeks after this

338

00:09:42,870 --> 00:09:41,120

happened and since then it has never

339

00:09:44,470 --> 00:09:42,880

ceased to be a moment of complete terror

340

00:09:47,030 --> 00:09:44,480

lodged inside my mind

341

00:09:48,870 --> 00:09:47,040

not awful long ago in the late 90s my

342

00:09:50,949 --> 00:09:48,880

uncle and my dad who had come down from

343

00:09:52,550 --> 00:09:50,959

missouri to visit decided to venture

344

00:09:53,509 --> 00:09:52,560

into those same woods in front of my

345

00:09:55,190 --> 00:09:53,519

aunt's house

346

00:09:57,430 --> 00:09:55,200

they took a couple of pistols and two

347

00:09:59,350 --> 00:09:57,440

rifles and were gone for several hours

348

00:10:00,870 --> 00:09:59,360

these were two brave men the bravest i

349

00:10:02,710 --> 00:10:00,880

know of both of whom served in the

350

00:10:04,710 --> 00:10:02,720

military and farden wartime

351  
00:10:06,550 --> 00:10:04,720  
these two men came back ashen faced and

352  
00:10:08,069 --> 00:10:06,560  
bewildered they had walked all the way

353  
00:10:10,310 --> 00:10:08,079  
back to the old sawmill

354  
00:10:12,470 --> 00:10:10,320  
the pits fresh ones were still around

355  
00:10:14,630 --> 00:10:12,480  
filled with the bones of forest animals

356  
00:10:16,150 --> 00:10:14,640  
the hulls in the bluffs still there also

357  
00:10:17,910 --> 00:10:16,160  
they both experienced the feeling of

358  
00:10:19,750 --> 00:10:17,920  
being watched and felt an uneasiness

359  
00:10:21,430 --> 00:10:19,760  
that something just wasn't right

360  
00:10:22,790 --> 00:10:21,440  
the area where the sawmill was had no

361  
00:10:25,350 --> 00:10:22,800  
life stirring rounded

362  
00:10:25,910 --> 00:10:25,360  
no birds no squirrels no crickets no

363  
00:10:27,430 --> 00:10:25,920

bugs

364

00:10:29,350 --> 00:10:27,440

even the small pond was still and

365

00:10:31,269 --> 00:10:29,360

lifeless they couldn't shake the feeling

366

00:10:33,110 --> 00:10:31,279

of being observed by a secret watcher

367

00:10:34,550 --> 00:10:33,120

and both swore they saw large black

368

00:10:36,310 --> 00:10:34,560

shadow looking in the shade of one of

369

00:10:37,670 --> 00:10:36,320

the mysteriously duck caves

370

00:10:39,350 --> 00:10:37,680

that had been the first time they had

371

00:10:40,470 --> 00:10:39,360

been down that far on that side of the

372

00:10:41,990 --> 00:10:40,480

woods in many years

373

00:10:44,230 --> 00:10:42,000

and both of them agreed that it was to

374

00:10:45,750 --> 00:10:44,240

be the last my dad said there are some

375

00:10:47,590 --> 00:10:45,760

things you just can't explain

376

00:10:49,190 --> 00:10:47,600

that science doesn't know about it and

377

00:10:51,190 --> 00:10:49,200

these things should be left alone

378

00:10:52,630 --> 00:10:51,200

they are not a part of our modern world

379

00:10:54,389 --> 00:10:52,640

he felt that whatever it was that it

380

00:10:54,949 --> 00:10:54,399

scared the [h\_\_h] out of us so many years

381

00:10:57,110 --> 00:10:54,959

ago

382

00:10:59,430 --> 00:10:57,120

still existed in the same area his

383

00:11:01,670 --> 00:10:59,440

intuition has never been wrong so far

384

00:11:03,829 --> 00:11:01,680

urban legend maybe some of the stories

385

00:11:05,910 --> 00:11:03,839

pass along the years have been added to

386

00:11:08,150 --> 00:11:05,920

stretched a bit like all local folklore

387

00:11:10,310 --> 00:11:08,160

and first-hand stories are over time

388

00:11:12,069 --> 00:11:10,320

my story wasn't an urban tale though it

389

00:11:13,829 --> 00:11:12,079

was a first-hand account of something i

390

00:11:14,150 --> 00:11:13,839

really and truly do not want to believe

391

00:11:16,150 --> 00:11:14,160

in

392

00:11:17,990 --> 00:11:16,160

and wish i could forget erase from my

393

00:11:18,870 --> 00:11:18,000

memory because the nightmarish image

394

00:11:20,230 --> 00:11:18,880

remains real

395

00:11:22,230 --> 00:11:20,240

even though the events are still

396

00:11:26,829 --> 00:11:22,240

unexplained by the laws of science as we

397

00:11:31,430 --> 00:11:28,870

jt

398

00:11:32,310 --> 00:11:31,440

this is lon strickler if you like this

399

00:11:34,069 --> 00:11:32,320

program

400

00:11:35,350 --> 00:11:34,079

it would help us if you would give it a

401

00:11:38,230 --> 00:11:35,360

thumbs up

402

00:11:38,710 --> 00:11:38,240

then subscribe and click the bell icon

403

00:11:41,110 --> 00:11:38,720

so you

404

00:11:41,829 --> 00:11:41,120

get notification when we upload new

405

00:11:44,550 --> 00:11:41,839

first person

406

00:11:46,150 --> 00:11:44,560

encounters we have many more to come

407

00:11:48,790 --> 00:11:46,160

very soon

408

00:11:50,790 --> 00:11:48,800

and by the way if you have a suggestion
