uploads

10
00:00:36,310 --> 00:00:34,160
upright canine observed in france it

11
00:00:38,069 --> 00:00:36,320
happened in april 2017.

12
00:00:40,310 --> 00:00:38,079
i live in the pack of france and one

13
00:00:42,150 --> 00:00:40,320

night i saw something really strange

14

00:00:43,990 --> 00:00:42,160

it was about one o'clock in the morning

15

00:00:44,950 --> 00:00:44,000

i was driving with my wife and we were

16

00:00:47,029 --> 00:00:44,960

going home

17

00:00:49,190 --> 00:00:47,039

she was tired so she was sleeping when

18

00:00:50,630 --> 00:00:49,200

it happened i live in a small village in

19

00:00:51,910 --> 00:00:50,640

the heart of the countryside and

20

00:00:54,229 --> 00:00:51,920

vineyards and at night

21

00:00:55,910 --> 00:00:54,239

i often drive full high beams because we

22

00:00:56,389 --> 00:00:55,920

have a lot of game that can cross the

23

00:00:58,790 --> 00:00:56,399

road

24

00:01:00,470 --> 00:00:58,800

so i drive carefully i arrived at the

25

00:01:02,389 --> 00:01:00,480

foot of the woods and i saw two

26
00:01:03,430 --> 00:01:02,399
luminescent eyes on my right at the edge

27
00:01:06,390 --> 00:01:03,440
of the grass

28
00:01:08,550 --> 00:01:06,400
i told myself right away it's a fox so i

29
00:01:10,630 --> 00:01:08,560
slowed down to avoid difficulties

30
00:01:12,070 --> 00:01:10,640
he decided to cross the road while i was

31
00:01:13,910 --> 00:01:12,080
at what 100 meters

32
00:01:15,350 --> 00:01:13,920
i was not driving more than 60

33
00:01:17,510 --> 00:01:15,360
kilometers per hour

34
00:01:19,350 --> 00:01:17,520
i saw these eyes at the height of man an

35
00:01:21,030 --> 00:01:19,360
indistinct and massive form

36
00:01:22,390 --> 00:01:21,040
he sped away at high speed when i

37
00:01:24,870 --> 00:01:22,400
arrived at his spot

38
00:01:26,710 --> 00:01:24,880

i pounded the gas my wife woke up

39

00:01:29,749 --> 00:01:26,720

suddenly and asked what happened

40

00:01:30,789 --> 00:01:29,759

i did not dare to tell her a fox i do

41

00:01:32,870 --> 00:01:30,799

not know what it was

42

00:01:34,550 --> 00:01:32,880

but it gave me a blue jolt it was the

43

00:01:36,630 --> 00:01:34,560

size of a bear because i saw the

44

00:01:39,109 --> 00:01:36,640

silhouette and it spun in the woods

45

00:01:39,990 --> 00:01:39,119

it was a pretty massive animal i saw him

46

00:01:42,230 --> 00:01:40,000

on the road between

47

00:01:43,270 --> 00:01:42,240

vil's suros and amazing where the green

48

00:01:45,350 --> 00:01:43,280

fences are

49

00:01:46,789 --> 00:01:45,360

i never heard of testimony in the area

50

00:01:48,789 --> 00:01:46,799

and it was bigger than a perennial

51
00:01:49,590 --> 00:01:48,799
shepherd style dog or even a saint

52
00:01:51,590 --> 00:01:49,600
bernard

53
00:01:52,710 --> 00:01:51,600
as i remembered the facts i had thought

54
00:01:54,469 --> 00:01:52,720
of a fox

55
00:01:56,870 --> 00:01:54,479
we have wolves near montfen too but

56
00:01:59,429 --> 00:01:56,880
given his size it was not a wolf

57
00:02:01,429 --> 00:01:59,439
my observation only lasted a few seconds

58
00:02:02,310 --> 00:02:01,439
one minute max to the time i arrived at

59
00:02:03,910 --> 00:02:02,320
his spot

60
00:02:05,590 --> 00:02:03,920
a massive body that was straightened

61
00:02:07,190 --> 00:02:05,600
from the height of his size

62
00:02:09,109 --> 00:02:07,200
we could have set a bear but there is

63
00:02:11,270 --> 00:02:09,119

none in the area it was big

64

00:02:13,350 --> 00:02:11,280

easily two meters high considering the

65

00:02:14,869 --> 00:02:13,360

perspective of my vantage point

66

00:02:16,470 --> 00:02:14,879

it was because when i started to

67

00:02:18,550 --> 00:02:16,480

distinguish his silhouette with the

68

00:02:20,070 --> 00:02:18,560

headlights it went off of full speed in

69

00:02:22,150 --> 00:02:20,080

the opposite direction

70

00:02:23,670 --> 00:02:22,160

i have not been to see the gendarmes nor

71

00:02:25,510 --> 00:02:23,680

hunters because they would certainly

72

00:02:26,309 --> 00:02:25,520

have insinuated that i had too much

73

00:02:33,670 --> 00:02:26,319

goose

74

00:02:37,670 --> 00:02:35,509

werewolf encounters reported in

75

00:02:39,750 --> 00:02:37,680

jefferson county washington

76

00:02:42,070 --> 00:02:39,760

i am so glad that there is a website

77

00:02:44,150 --> 00:02:42,080

like this because it is so important for

78

00:02:46,390 --> 00:02:44,160

people to get their encounters out

79

00:02:47,350 --> 00:02:46,400

so others can be aware of what is really

80

00:02:49,589 --> 00:02:47,360

out there

81

00:02:51,990 --> 00:02:49,599

eleven years ago my husband and i were

82

00:02:54,309 --> 00:02:52,000

outside working on our driveway

83

00:02:55,509 --> 00:02:54,319

it was about 9 30 at night and it was

84

00:02:58,229 --> 00:02:55,519

dark out

85

00:03:00,470 --> 00:02:58,239

i was raking at the end of our driveway

86

00:03:02,630 --> 00:03:00,480

my husband was stacking wood

87

00:03:04,309 --> 00:03:02,640

we both had our headlamps on so we could

88

00:03:06,470 --> 00:03:04,319

see what we were doing

89

00:03:08,550 --> 00:03:06,480

so as i am finishing up with raking i

90

00:03:10,470 --> 00:03:08,560

hear something really big running up our

91

00:03:13,030 --> 00:03:10,480

hill towards our driveway

92

00:03:14,710 --> 00:03:13,040

i can hear each step it is taking i

93

00:03:16,470 --> 00:03:14,720

thought maybe it was a bear because of

94

00:03:18,390 --> 00:03:16,480

how the footsteps sounded

95

00:03:21,350 --> 00:03:18,400

you know like it had some weight behind

96

00:03:23,030 --> 00:03:21,360

it well my husband had heard it too

97

00:03:24,789 --> 00:03:23,040

he came running towards me and then

98

00:03:26,149 --> 00:03:24,799

passed me on to the road chasing

99

00:03:28,309 --> 00:03:26,159

whatever it was

100

00:03:29,750 --> 00:03:28,319

so i say to him what in the hell are you

101

00:03:32,550 --> 00:03:29,760

doing he said

102

00:03:34,949 --> 00:03:32,560

i'm chasing it away from our property i

103

00:03:38,390 --> 00:03:34,959

don't want it coming around here again

104

00:03:40,949 --> 00:03:38,400

i said stop are you crazy whatever it is

105

00:03:42,390 --> 00:03:40,959

is bigger than you so he continues to

106

00:03:44,550 --> 00:03:42,400

chase it up the hill yelling and

107

00:03:47,589 --> 00:03:44,560

screaming at it to get out of here

108

00:03:49,670 --> 00:03:47,599

he is yelling go on get

109

00:03:51,110 --> 00:03:49,680

at the top of our hill is a cul-de-sac

110

00:03:53,350 --> 00:03:51,120

with a street light

111

00:03:55,509 --> 00:03:53,360

i'm scared as hell so i'm staying back a

112

00:03:55,830 --> 00:03:55,519

little bit but i'm curious what it might

113

00:03:59,509 --> 00:03:55,840

be

114

00:04:03,589 --> 00:03:59,519

husband

115

00:04:05,509 --> 00:04:03,599

cul-de-sac the creature stopped right in

116

00:04:06,229 --> 00:04:05,519

the light that was cast from the street

117

00:04:08,869 --> 00:04:06,239

light

118

00:04:10,390 --> 00:04:08,879

i could not believe what i was seeing it

119

00:04:12,390 --> 00:04:10,400

was like i was flipping through the

120

00:04:14,470 --> 00:04:12,400

pages in my memory banks trying to

121

00:04:15,670 --> 00:04:14,480

compare it to anything else i had ever

122

00:04:18,150 --> 00:04:15,680

seen before

123

00:04:19,909 --> 00:04:18,160

it looked like a werewolf to me it was

124

00:04:22,629 --> 00:04:19,919

taller than my husband who is six

125

00:04:25,030 --> 00:04:22,639

three tall it had a shen gray skin with

126

00:04:27,990 --> 00:04:25,040

tufts of scraggly hair here and there

127

00:04:29,430 --> 00:04:28,000

it looks sickly like it had mange or it

128

00:04:31,990 --> 00:04:29,440

had the body of a human

129

00:04:33,909 --> 00:04:32,000

but its head looked like a dog it had a

130

00:04:35,350 --> 00:04:33,919

long snout and pointed ears like a

131

00:04:37,270 --> 00:04:35,360

doberman pinscher

132

00:04:39,270 --> 00:04:37,280

it had a slight hunch on the back of its

133

00:04:41,430 --> 00:04:39,280

neck like a hyena has

134

00:04:42,950 --> 00:04:41,440

its upper arms were slightly shorter in

135

00:04:45,749 --> 00:04:42,960

length than a human's

136

00:04:48,629 --> 00:04:45,759

its hips were much larger than ours are

137

00:04:50,390 --> 00:04:48,639

kind of like a kangaroo but not as big

138

00:04:52,150 --> 00:04:50,400

but it was obvious from the hips and

139

00:04:53,990 --> 00:04:52,160

shorter arms that it could go from

140

00:04:56,310 --> 00:04:54,000

walking on two feet like us

141

00:04:57,430 --> 00:04:56,320

or it could run on all fours like a dog

142

00:04:59,030 --> 00:04:57,440

or bear would

143

00:05:00,629 --> 00:04:59,040

so when it gets into the light of the

144

00:05:01,830 --> 00:05:00,639

street light it stopped and turned to

145

00:05:05,430 --> 00:05:01,840

look at my husband

146

00:05:08,070 --> 00:05:05,440

who is still yelling at it too go on get

147

00:05:09,590 --> 00:05:08,080

and the creature was pissed i think that

148

00:05:10,469 --> 00:05:09,600

because it didn't like being in the

149

00:05:12,310 --> 00:05:10,479

light

150

00:05:14,150 --> 00:05:12,320

but when it turned and looked at him it

151
00:05:14,950 --> 00:05:14,160
snarled and growled at him for a second

152
00:05:17,189 --> 00:05:14,960
or two

153
00:05:19,270 --> 00:05:17,199
and then with two long footsteps it shot

154
00:05:21,189 --> 00:05:19,280
into the woods above our house

155
00:05:23,430 --> 00:05:21,199
my friend and neighbor asked me to come

156
00:05:25,029 --> 00:05:23,440
down to her house a couple of weeks ago

157
00:05:26,950 --> 00:05:25,039
because another one of our neighbors

158
00:05:29,110 --> 00:05:26,960
that lives above our house just past the

159
00:05:31,430 --> 00:05:29,120
woods that the werewolf disappeared into

160
00:05:32,550 --> 00:05:31,440
was at her place and she said we needed

161
00:05:35,350 --> 00:05:32,560
to talk

162
00:05:37,189 --> 00:05:35,360
so i went down there she introduced us

163
00:05:39,029 --> 00:05:37,199

and i come to find out that he has seen

164

00:05:41,590 --> 00:05:39,039

the werewolf in his yard bent down on

165

00:05:44,230 --> 00:05:41,600

one knee drinking water out of a puddle

166

00:05:46,230 --> 00:05:44,240

but i had had my sighting 11 years ago

167

00:05:47,029 --> 00:05:46,240

and he had his sighting just three years

168

00:05:48,990 --> 00:05:47,039

ago

169

00:05:51,909 --> 00:05:49,000

i have heard of one other siding up the

170

00:05:53,830 --> 00:05:51,919

2510 forest service road just above our

171

00:05:55,670 --> 00:05:53,840

house about seven years ago

172

00:05:57,990 --> 00:05:55,680

and then another sighting in quiltsine

173

00:05:58,870 --> 00:05:58,000

washington which is the town just north

174

00:06:00,710 --> 00:05:58,880

of here

175

00:06:02,390 --> 00:06:00,720

i live in brennan washington and my

176

00:06:04,550 --> 00:06:02,400

husband and i know the woods around

177

00:06:06,390 --> 00:06:04,560

you're like the back of our hands

178

00:06:09,110 --> 00:06:06,400

i have seen and heard a lot of things in

179

00:06:11,270 --> 00:06:09,120

those woods but nothing even compares to

180

00:06:18,390 --> 00:06:11,280

seeing what i saw that night

181

00:06:23,830 --> 00:06:21,670

walking coyote in new mexico hello lawn

182

00:06:25,670 --> 00:06:23,840

i recently watched a youtube video about

183

00:06:28,070 --> 00:06:25,680

an upright walking coyote

184

00:06:29,510 --> 00:06:28,080

the place of stanchion new mexico but my

185

00:06:31,270 --> 00:06:29,520

mom was the witness

186

00:06:33,189 --> 00:06:31,280

she would tell me this story of how a

187

00:06:35,189 --> 00:06:33,199

coyote she observed would walk right

188

00:06:37,830 --> 00:06:35,199

into the valley on two legs hopping

189

00:06:39,670 --> 00:06:37,840

fences and just outright supernatural

190

00:06:41,510 --> 00:06:39,680

my family has always had strange

191

00:06:43,270 --> 00:06:41,520

occurrences through the years

192

00:06:45,510 --> 00:06:43,280

many different sightings of things you

193

00:06:47,270 --> 00:06:45,520

could only see in your worst nightmares

194

00:06:49,110 --> 00:06:47,280

so with this being i believe the

195

00:06:50,870 --> 00:06:49,120

occurrences were in the early 80s same

196

00:06:53,749 --> 00:06:50,880

memo as the last story

197

00:06:55,830 --> 00:06:53,759

the town only has around 1300 residents

198

00:06:58,070 --> 00:06:55,840

even to this day maybe a little more

199

00:06:59,110 --> 00:06:58,080

but i figure why let this story just die

200

00:07:00,950 --> 00:06:59,120

with time

201
00:07:02,469 --> 00:07:00,960
of course the sightings frightened her

202
00:07:04,550 --> 00:07:02,479
but i remember her saying that the

203
00:07:06,790 --> 00:07:04,560
coyote would even stop and notice my

204
00:07:08,870 --> 00:07:06,800
mother observing it and lock eye contact

205
00:07:11,350 --> 00:07:08,880
before the coyote would just walk away

206
00:07:13,270 --> 00:07:11,360
casually like everything was just normal

207
00:07:15,270 --> 00:07:13,280
i know that it happened more than one so

208
00:07:16,629 --> 00:07:15,280
much so that my mother became maybe even

209
00:07:18,469 --> 00:07:16,639
a little accustomed to it

210
00:07:20,469 --> 00:07:18,479
she obviously knew after a while it

211
00:07:22,150 --> 00:07:20,479
meant no harm hence the awkward but

212
00:07:23,990 --> 00:07:22,160
familiar locking eyes

213
00:07:26,870 --> 00:07:24,000

i remember this story because she would

214

00:07:28,309 --> 00:07:26,880

tell me many times over my 28 years

215

00:07:29,990 --> 00:07:28,319

i can get her to reiterate the

216

00:07:32,070 --> 00:07:30,000

circumstances and situation

217

00:07:33,029 --> 00:07:32,080

again but i feel i elaborated on the

218

00:07:35,189 --> 00:07:33,039

gist of it

219

00:07:36,870 --> 00:07:35,199

only reason we don't come forward ever

220

00:07:37,670 --> 00:07:36,880

is obviously the ridicule we would

221

00:07:39,670 --> 00:07:37,680

receive

222

00:07:41,909 --> 00:07:39,680

i felt after hearing about the ladies

223

00:07:43,670 --> 00:07:41,919

story from oklahoma it was time

224

00:07:46,070 --> 00:07:43,680

feel free to email me back with any

225

00:07:48,309 --> 00:07:46,080

questions i know how things like the

226

00:07:49,990 --> 00:07:48,319

sound but i am a firm believer that just

227

00:07:51,029 --> 00:07:50,000

because you can't touch it doesn't mean

228

00:07:52,790 --> 00:07:51,039

it's not there

229

00:07:56,830 --> 00:07:52,800

thank you for allowing me to entertain

230

00:07:56,840 --> 00:08:01,670

jay

231

00:08:05,589 --> 00:08:03,990

multiple upright canines observed at

232

00:08:07,430 --> 00:08:05,599

camp stewart georgia

233

00:08:08,950 --> 00:08:07,440

i enjoy reading your newsletter and

234

00:08:10,869 --> 00:08:08,960

thought i would send a story my

235

00:08:13,830 --> 00:08:10,879

grandfather john told me

236

00:08:15,990 --> 00:08:13,840

in 1940 he volunteered for active duty

237

00:08:16,869 --> 00:08:16,000

and was later shipped off to camp stuart

238

00:08:19,270 --> 00:08:16,879

georgia

239

00:08:20,869 --> 00:08:19,280

he had graduated high school in new york

240

00:08:22,390 --> 00:08:20,879

city the year before

241

00:08:24,070 --> 00:08:22,400

and thought that the u.s would be

242

00:08:26,950 --> 00:08:24,080

fighting in the war eventually

243

00:08:27,589 --> 00:08:26,960

so he signed up before he was drafted at

244

00:08:29,749 --> 00:08:27,599

the time

245

00:08:32,230 --> 00:08:29,759

he was part of an anti-aircraft training

246

00:08:34,790 --> 00:08:32,240

unit that was housed in large tents

247

00:08:36,149 --> 00:08:34,800

camp stuart now fort stewart was a

248

00:08:38,550 --> 00:08:36,159

fairly new facility

249

00:08:40,310 --> 00:08:38,560

and much of it was under construction

250

00:08:42,550 --> 00:08:40,320

most of the tents were in or near an

251
00:08:44,550 --> 00:08:42,560
area that was densely forested

252
00:08:46,470 --> 00:08:44,560
i don't know how many guys were in the

253
00:08:48,310 --> 00:08:46,480
tent with him but he was friends with

254
00:08:49,110 --> 00:08:48,320
another guy from new york city named

255
00:08:51,190 --> 00:08:49,120
pete

256
00:08:53,030 --> 00:08:51,200
they hadn't been there long when stories

257
00:08:54,070 --> 00:08:53,040
about weird creatures in the woods

258
00:08:56,630 --> 00:08:54,080
started to circulate

259
00:08:58,710 --> 00:08:56,640
among the soldiers one of the rumors was

260
00:09:00,949 --> 00:08:58,720
that a few soldiers had been attacked by

261
00:09:03,269 --> 00:09:00,959
an unknown beast within the camp

262
00:09:05,750 --> 00:09:03,279
there wasn't a lot set and no one he

263
00:09:08,070 --> 00:09:05,760

believes ever witnessed the attacks

264

00:09:09,829 --> 00:09:08,080

one early morning grandpa john and pete

265

00:09:12,150 --> 00:09:09,839

along with other soldiers were

266

00:09:13,110 --> 00:09:12,160

transporting garbage to an area north of

267

00:09:14,870 --> 00:09:13,120

the camp

268

00:09:16,949 --> 00:09:14,880

he said that there was a large ditch

269

00:09:18,870 --> 00:09:16,959

where all the refuse was dumped

270

00:09:20,710 --> 00:09:18,880

it was hauled in large barrels which

271

00:09:22,630 --> 00:09:20,720

were emptied one by one

272

00:09:24,150 --> 00:09:22,640

he was in the lead truck as they pulled

273

00:09:26,310 --> 00:09:24,160

up to the dump area

274

00:09:28,150 --> 00:09:26,320

they noticed a very large dog on the

275

00:09:29,829 --> 00:09:28,160

back edge of the ditch which looked to

276

00:09:31,670 --> 00:09:29,839

be digging in the trash

277

00:09:34,070 --> 00:09:31,680

they were commenting that the dog may

278

00:09:36,070 --> 00:09:34,080

have been a wolf because it was huge

279

00:09:38,310 --> 00:09:36,080

while they were talking among themselves

280

00:09:39,990 --> 00:09:38,320

the dog stood up on its two back legs

281

00:09:41,990 --> 00:09:40,000

and looked directly at them

282

00:09:43,269 --> 00:09:42,000

after a few seconds it turned and

283

00:09:45,350 --> 00:09:43,279

dropped to four legs

284

00:09:47,110 --> 00:09:45,360

then ran into the woods they were

285

00:09:49,670 --> 00:09:47,120

alarmed and considered leaving

286

00:09:51,670 --> 00:09:49,680

but there were armed personnel on patrol

287

00:09:53,750 --> 00:09:51,680

they then wondered why armed soldiers

288

00:09:55,750 --> 00:09:53,760

needed to guard a garbage dump

289

00:09:58,389 --> 00:09:55,760

they quickly got their work done because

290

00:10:00,389 --> 00:09:58,399

they wanted to leave as soon as possible

291

00:10:02,310 --> 00:10:00,399

grandpa john said that he later had a

292

00:10:04,870 --> 00:10:02,320

conversation with one of the guys who

293

00:10:06,949 --> 00:10:04,880

had spent time guarding the garbage dump

294

00:10:08,550 --> 00:10:06,959

according to him the higher-ups were

295

00:10:10,870 --> 00:10:08,560

aware of the large dogs

296

00:10:12,710 --> 00:10:10,880

which he believed to be wolves he said

297

00:10:13,350 --> 00:10:12,720

that there were other similar beasts in

298

00:10:14,949 --> 00:10:13,360

the area

299

00:10:17,110 --> 00:10:14,959

and that they were ordered to shoot to

300

00:10:18,790 --> 00:10:17,120

kill if they had the opportunity

301
00:10:20,949 --> 00:10:18,800
he admitted that he witnessed one of

302
00:10:21,430 --> 00:10:20,959
these wolves stand up on two legs and

303
00:10:23,190 --> 00:10:21,440
walk

304
00:10:25,509 --> 00:10:23,200
though he didn't say why he failed to

305
00:10:26,870 --> 00:10:25,519
shoot at it grandpa john was later

306
00:10:28,949 --> 00:10:26,880
injured during training

307
00:10:30,870 --> 00:10:28,959
but after two years he was cleared for

308
00:10:33,190 --> 00:10:30,880
assignment and served in the u.s

309
00:10:34,949 --> 00:10:33,200
army in europe he said that over the

310
00:10:36,790 --> 00:10:34,959
years he had talked to other vets who

311
00:10:38,790 --> 00:10:36,800
had trained at fort stewart

312
00:10:40,550 --> 00:10:38,800
a few of them were aware of the attacks

313
00:10:41,990 --> 00:10:40,560

and that it probably occurred on more

314

00:10:43,910 --> 00:10:42,000

than one occasion

315

00:10:45,190 --> 00:10:43,920

i have read about the dogman sightings

316

00:10:47,430 --> 00:10:45,200

on your website

317

00:10:49,509 --> 00:10:47,440

i wonder if the fort stewart beasts may

318

00:10:51,430 --> 00:10:49,519

have been the same type of creatures

319

00:10:52,949 --> 00:10:51,440

i'd be interested if others had ever

320

00:10:55,250 --> 00:10:52,959

heard of these attacks

321

00:10:59,269 --> 00:10:55,260

thank you jack

322

00:11:02,710 --> 00:11:01,829

this is lon strickler if you like this

323

00:11:04,470 --> 00:11:02,720

program

324

00:11:05,829 --> 00:11:04,480

it would help us if you would give it a

325

00:11:08,710 --> 00:11:05,839

thumbs up

326

00:11:09,190 --> 00:11:08,720

then subscribe and click the bell icon

327

00:11:11,509 --> 00:11:09,200

so you

328

00:11:13,590 --> 00:11:11,519

get notification when we upload new

329

00:11:16,710 --> 00:11:13,600

first person encounters

330

00:11:17,430 --> 00:11:16,720

we have many more to come very soon and

331

00:11:19,590 --> 00:11:17,440

by the way

332

00:11:21,190 --> 00:11:19,600

if you have a suggestion or an
