[Music]

2
00:00:10,540 --> 00:00:05,800
[Applause]

3
00:00:12,890 --> 00:00:10,550
[Music]

4
00:00:17,830 --> 00:00:12,900
[Applause]

5
00:00:21,990 --> 00:00:19,670
welcome to the best of first person

6
00:00:24,870 --> 00:00:22,000
episodes from phantoms and monsters

7
00:00:28,830 --> 00:00:24,880
please like subscribe and hit the bell

8
00:00:31,830 --> 00:00:28,840
icon so you'll be notified of all future

9
00:00:33,750 --> 00:00:31,840
uploads

10
00:00:35,350 --> 00:00:33,760
witness recalls bigfoot encounters in

11
00:00:37,830 --> 00:00:35,360
oswego county new york

12
00:00:39,590 --> 00:00:37,840
in february of 2013 i was shoveling a

13
00:00:41,110 --> 00:00:39,600

path down the driveway for my daughter

14

00:00:43,350 --> 00:00:41,120

to get to the school bus

15

00:00:44,229 --> 00:00:43,360

it was about 5 30 in the morning still

16

00:00:45,910 --> 00:00:44,239

dark out

17

00:00:47,830 --> 00:00:45,920

i was just at the road satch when i

18

00:00:48,869 --> 00:00:47,840

heard a noise come from across the road

19

00:00:50,709 --> 00:00:48,879

which is wooded

20

00:00:52,630 --> 00:00:50,719

it sounded like a long hell which i

21

00:00:53,670 --> 00:00:52,640

believe is what people refer to as in

22

00:00:55,270 --> 00:00:53,680

ohio hell

23

00:00:57,270 --> 00:00:55,280

all i knew at that time was that it

24

00:00:58,150 --> 00:00:57,280

scared the crap out of me and i ran for

25

00:00:59,750 --> 00:00:58,160

the house

26

00:01:01,750 --> 00:00:59,760

at the time i didn't make a connection

27

00:01:03,990 --> 00:01:01,760

with bigfoot even though i was watching

28

00:01:05,910 --> 00:01:04,000

finding bigfoot i was looking for other

29

00:01:07,670 --> 00:01:05,920

explanations like a known animal that

30

00:01:09,670 --> 00:01:07,680

would make a trumpeting noise

31

00:01:10,710 --> 00:01:09,680

after that i forgot all about it never

32

00:01:12,390 --> 00:01:10,720

gave it a thought

33

00:01:14,230 --> 00:01:12,400

even when my neighbor told me he heard

34

00:01:15,749 --> 00:01:14,240

someone walking out behind his garage

35

00:01:17,429 --> 00:01:15,759

late at night that spring

36

00:01:19,510 --> 00:01:17,439

i joked at the time that maybe it was

37

00:01:22,230 --> 00:01:19,520

bigfoot little did i know

38

00:01:24,149 --> 00:01:22,240

flash forward to about august of 2013.

39

00:01:25,429 --> 00:01:24,159

we have a cockapoo and at this time she

40

00:01:27,190 --> 00:01:25,439

was under year old

41

00:01:28,630 --> 00:01:27,200

like most puppies they need to urinate

42

00:01:29,830 --> 00:01:28,640

when they feel the urge and haven't

43

00:01:32,390 --> 00:01:29,840

learned to hold it

44

00:01:32,870 --> 00:01:32,400

so about 1 30 in the morning jesse the

45

00:01:35,030 --> 00:01:32,880

dog

46

00:01:36,069 --> 00:01:35,040

needs to go outside i took a small

47

00:01:37,910 --> 00:01:36,079

flashlight along

48

00:01:39,590 --> 00:01:37,920

the batteries were getting low on power

49

00:01:41,429 --> 00:01:39,600

but figured it would be enough

50

00:01:43,510 --> 00:01:41,439

so while jesse is trying to find the

51
00:01:44,710 --> 00:01:43,520
perfect place i decided to pan the

52
00:01:46,389 --> 00:01:44,720
flashlight around

53
00:01:48,389 --> 00:01:46,399
across the road the wheats had grown

54
00:01:49,990 --> 00:01:48,399
very deep and told the light it caught

55
00:01:51,990 --> 00:01:50,000
some eye shine into weeds

56
00:01:53,749 --> 00:01:52,000
the color was orange to red which seemed

57
00:01:54,789 --> 00:01:53,759
odd and i thought maybe it was just a

58
00:01:56,709 --> 00:01:54,799
wild dog

59
00:01:58,389 --> 00:01:56,719
problem with that as i forgot is that

60
00:01:59,429 --> 00:01:58,399
the ground drops three feet the other

61
00:02:01,270 --> 00:01:59,439
side of the road

62
00:02:03,190 --> 00:02:01,280
the eye shine was about two feet or so

63
00:02:04,149 --> 00:02:03,200

above road level which didn't sink in

64

00:02:06,310 --> 00:02:04,159

until later

65

00:02:08,070 --> 00:02:06,320

what happened next i will never forget

66

00:02:09,910 --> 00:02:08,080

so one minute i see the eyes shine

67

00:02:11,910 --> 00:02:09,920

i look away to check on the dog and when

68

00:02:13,670 --> 00:02:11,920

i pan the light back across the road

69

00:02:15,750 --> 00:02:13,680

it is no longer in the weeds but on the

70

00:02:16,309 --> 00:02:15,760

edge of the road maybe 40 feet away at

71

00:02:18,550 --> 00:02:16,319

most

72

00:02:19,910 --> 00:02:18,560

standing it never made a sound from the

73

00:02:21,670 --> 00:02:19,920

weeds to roadside

74

00:02:23,830 --> 00:02:21,680

the light i had wasn't strong enough to

75

00:02:24,710 --> 00:02:23,840

make out features just a silhouette and

76

00:02:26,470 --> 00:02:24,720

i shine

77

00:02:29,030 --> 00:02:26,480

it swayed back and forth but made no

78

00:02:30,869 --> 00:02:29,040

noise at that moment i finally realized

79

00:02:32,550 --> 00:02:30,879

what was standing in front of me

80

00:02:34,550 --> 00:02:32,560

i ran for the house with the dog and

81

00:02:36,550 --> 00:02:34,560

don't believe the dog knew it was there

82

00:02:37,830 --> 00:02:36,560

i told my wife about it the next day and

83

00:02:39,990 --> 00:02:37,840

what i thought it was

84

00:02:41,509 --> 00:02:40,000

of course she didn't believe me later on

85

00:02:43,430 --> 00:02:41,519

the following day there was an awful

86

00:02:45,190 --> 00:02:43,440

smell of bad body odor and something

87

00:02:46,470 --> 00:02:45,200

dead which was coming from behind my

88

00:02:48,070 --> 00:02:46,480

neighbor's garage

89

00:02:50,790 --> 00:02:48,080

at the time of the sighting there was no

90

00:02:52,470 --> 00:02:50,800

smoke in 2014 i believe i saw the

91

00:02:54,550 --> 00:02:52,480

creature at least once more

92

00:02:56,390 --> 00:02:54,560

i was driving up the street at night and

93

00:02:58,070 --> 00:02:56,400

saw a crouch figure in their sight yard

94

00:02:58,710 --> 00:02:58,080

by the woods with the same color eye

95

00:03:01,110 --> 00:02:58,720

shine

96

00:03:02,790 --> 00:03:01,120

i didn't stop to check it out i also may

97

00:03:03,589 --> 00:03:02,800

have seen it one night down on county

98

00:03:05,830 --> 00:03:03,599

route 28

99

00:03:07,430 --> 00:03:05,840

tinker tavern road i was coming back

100

00:03:08,229 --> 00:03:07,440

from picking up my daughter from a

101
00:03:10,470 --> 00:03:08,239
friend's house

102
00:03:12,149 --> 00:03:10,480
and was headed east on route 28 when i

103
00:03:13,750 --> 00:03:12,159
rounded a curve in the road and my

104
00:03:15,750 --> 00:03:13,760
headlights caught a orange to red

105
00:03:17,750 --> 00:03:15,760
reflection in a farmer's field that was

106
00:03:19,190 --> 00:03:17,760
at least six feet off the ground

107
00:03:20,869 --> 00:03:19,200
at the time i thought it was just

108
00:03:22,630 --> 00:03:20,879
machinery in the field but later

109
00:03:24,229 --> 00:03:22,640
realized that this farmer doesn't leave

110
00:03:25,030 --> 00:03:24,239
his machines out in the field like

111
00:03:26,949 --> 00:03:25,040
sindhu

112
00:03:28,789 --> 00:03:26,959
another time something ran past the end

113
00:03:29,750 --> 00:03:28,799

of my house after dark and turned on the

114

00:03:31,670 --> 00:03:29,760

motion light

115

00:03:33,430 --> 00:03:31,680

within a few seconds of that every dog

116

00:03:35,910 --> 00:03:33,440

in the area was going nuts

117

00:03:37,509 --> 00:03:35,920

not proof i know i drive the short bus

118

00:03:39,110 --> 00:03:37,519

for special needs children

119

00:03:40,949 --> 00:03:39,120

one morning i was walking out to my

120

00:03:42,630 --> 00:03:40,959

driveway to pre-trip my bus

121

00:03:44,470 --> 00:03:42,640

when i heard something large run away

122

00:03:45,750 --> 00:03:44,480

from a rhododendron that was maybe six

123

00:03:47,990 --> 00:03:45,760

feet from my bus

124

00:03:48,949 --> 00:03:48,000

the plaid was about six feet tall and 30

125

00:03:50,710 --> 00:03:48,959

feet around

126

00:03:52,949 --> 00:03:50,720

i believe the creature got close to my

127

00:03:55,030 --> 00:03:52,959

bus because when i pre-trip my bus

128

00:03:57,110 --> 00:03:55,040

it was usually dark out and set off all

129

00:03:58,869 --> 00:03:57,120

the lights to make sure they all work

130

00:04:00,229 --> 00:03:58,879

i think it got close to see what makes

131

00:04:01,750 --> 00:04:00,239

all the funny lights

132

00:04:03,830 --> 00:04:01,760

during the time when these things were

133

00:04:05,589 --> 00:04:03,840

happening i told a few people

134

00:04:07,110 --> 00:04:05,599

most didn't believe laughed at me or

135

00:04:09,030 --> 00:04:07,120

like one friend i told

136

00:04:10,949 --> 00:04:09,040

didn't believe i saw bigfoot but wanted

137

00:04:12,390 --> 00:04:10,959

me to believe he saw a large dog-like

138

00:04:14,710 --> 00:04:12,400

creature when he was hunting in the

139

00:04:16,229 --> 00:04:14,720

woods which ran from him on two feet

140

00:04:18,229 --> 00:04:16,239

that was supposed to happen out by

141

00:04:20,550 --> 00:04:18,239

county route 15 we tell

142

00:04:22,069 --> 00:04:20,560

my boss still busts on me about it i

143

00:04:23,990 --> 00:04:22,079

take it all in good humor

144

00:04:25,909 --> 00:04:24,000

our mechanic may also have had a run-in

145

00:04:27,670 --> 00:04:25,919

with it he was telling me about when he

146

00:04:29,510 --> 00:04:27,680

was at his uncle's camp at chedmore

147

00:04:31,189 --> 00:04:29,520

campsites by lake ontario

148

00:04:33,510 --> 00:04:31,199

he was down at the camp in the summer of

149

00:04:34,310 --> 00:04:33,520

2014 when this awful smell came out of

150

00:04:36,230 --> 00:04:34,320

nowhere

151
00:04:38,310 --> 00:04:36,240
he said he had been hunting for 30 years

152
00:04:40,870 --> 00:04:38,320
and have never smelled anything like it

153
00:04:41,749 --> 00:04:40,880
after little the smell stopped not proof

154
00:04:43,110 --> 00:04:41,759
i know

155
00:04:44,950 --> 00:04:43,120
even though my wife didn't want to

156
00:04:45,909 --> 00:04:44,960
believe she wouldn't take the dog out

157
00:04:47,990 --> 00:04:45,919
after dark

158
00:04:49,189 --> 00:04:48,000
she may even have had inciting she told

159
00:04:51,110 --> 00:04:49,199
me she also saw i

160
00:04:52,790 --> 00:04:51,120
shine across the road in the trees about

161
00:04:54,469 --> 00:04:52,800
six feet or so above the ground

162
00:04:55,990 --> 00:04:54,479
and she heard what sounded like sris

163
00:04:57,670 --> 00:04:56,000

being knocked down the last

164

00:04:59,430 --> 00:04:57,680

time that i had an experience was

165

00:05:01,110 --> 00:04:59,440

october of 2014

166

00:05:02,550 --> 00:05:01,120

she kept telling me about what sounded

167

00:05:04,469 --> 00:05:02,560

like freeze being knocked down

168

00:05:06,230 --> 00:05:04,479

so i said let's go to walmart to get a

169

00:05:07,110 --> 00:05:06,240

bright spotlight to help with taking the

170

00:05:09,029 --> 00:05:07,120

dog out

171

00:05:11,029 --> 00:05:09,039

on the way to the car i also heard the

172

00:05:12,550 --> 00:05:11,039

noise coming from across the road

173

00:05:14,469 --> 00:05:12,560

that was the last time i had an

174

00:05:16,629 --> 00:05:14,479

experience where it went to

175

00:05:18,629 --> 00:05:16,639

i couldn't say i did notice after the

176

00:05:20,629 --> 00:05:18,639

last encounter it left a sign

177

00:05:22,629 --> 00:05:20,639

a tree was twisted and bent it six feet

178

00:05:23,270 --> 00:05:22,639

off the ground i asked what people

179

00:05:25,270 --> 00:05:23,280

thought

180

00:05:26,870 --> 00:05:25,280

some set droppers snow load i think

181

00:05:28,629 --> 00:05:26,880

bigfoot did it as a warning

182

00:05:30,390 --> 00:05:28,639

from what i have seen and heard they are

183

00:05:31,590 --> 00:05:30,400

believed to bend and twist a tree to

184

00:05:33,270 --> 00:05:31,600

display boundary

185

00:05:35,029 --> 00:05:33,280

it took a long time to get the courage

186

00:05:36,150 --> 00:05:35,039

to cross the road to check the tree and

187

00:05:37,590 --> 00:05:36,160

surrounding area

188

00:05:39,909 --> 00:05:37,600

i don't look at the woods or night the

189

00:05:41,029 --> 00:05:39,919

same way i check to make sure i can hear

190

00:05:43,189 --> 00:05:41,039

birds or insects

191

00:05:50,790 --> 00:05:43,199

and when i can't hear them i get nervous

192

00:05:54,870 --> 00:05:52,950

small bright light followed by bigfoot

193

00:05:55,909 --> 00:05:54,880

whoops in a wary national forest north

194

00:05:57,830 --> 00:05:55,919

carolina

195

00:06:00,390 --> 00:05:57,840

i have experienced something this week

196

00:06:01,909 --> 00:06:00,400

truly phenomenal that i cannot explain

197

00:06:04,390 --> 00:06:01,919

something so earth shattering and

198

00:06:06,150 --> 00:06:04,400

reality breaking i am still in shock

199

00:06:08,550 --> 00:06:06,160

my adrenaline is still pumping through

200

00:06:09,270 --> 00:06:08,560

my system even now riding this four days

201
00:06:12,150 --> 00:06:09,280
later

202
00:06:14,150 --> 00:06:12,160
last monday august 17th i went camping

203
00:06:15,189 --> 00:06:14,160
alone in the wary national forest north

204
00:06:17,430 --> 00:06:15,199
carolina

205
00:06:19,270 --> 00:06:17,440
my goal was to destress and simply enjoy

206
00:06:21,830 --> 00:06:19,280
nature i brought along a knife

207
00:06:22,790 --> 00:06:21,840
some mrs which are packs of freeze dried

208
00:06:25,350 --> 00:06:22,800
food essentially

209
00:06:27,670 --> 00:06:25,360
a tarpon rope to construct a shelter i

210
00:06:30,710 --> 00:06:27,680
arrive at the campground around 2 pm

211
00:06:32,950 --> 00:06:30,720
and i begin my hike it is deathly quiet

212
00:06:34,790 --> 00:06:32,960
the only wildlife i encounter are two

213
00:06:37,110 --> 00:06:34,800

deer at the beginning of the trail

214

00:06:38,790 --> 00:06:37,120

as i'm hiking i notice a large amount of

215

00:06:41,029 --> 00:06:38,800

quartz deposits strewn about

216

00:06:42,870 --> 00:06:41,039

enough to raise an eyebrow i reach a

217

00:06:44,390 --> 00:06:42,880

valley clearing about a mile in and

218

00:06:46,790 --> 00:06:44,400

between two streams

219

00:06:48,790 --> 00:06:46,800

i constructed my shelter in the center

220

00:06:50,790 --> 00:06:48,800

the remnants of old campfires littered

221

00:06:51,990 --> 00:06:50,800

about told me this place must be a good

222

00:06:54,309 --> 00:06:52,000

place to camp

223

00:06:55,029 --> 00:06:54,319

after finishing my tarp tent i begin to

224

00:06:57,589 --> 00:06:55,039

walk around

225

00:06:59,830 --> 00:06:57,599

exploring the area i hear thunder and

226

00:07:01,350 --> 00:06:59,840

decide to head back to my shelter

227

00:07:03,510 --> 00:07:01,360

here is where things start to get

228

00:07:04,629 --> 00:07:03,520

strange i'm getting goosebumps thinking

229

00:07:07,189 --> 00:07:04,639

about it still

230

00:07:09,029 --> 00:07:07,199

i lay on my stomach in my tent as the

231

00:07:10,070 --> 00:07:09,039

storm rolls and i feel a strange

232

00:07:12,390 --> 00:07:10,080

pressure change

233

00:07:14,790 --> 00:07:12,400

low base frequency and temperature drop

234

00:07:16,790 --> 00:07:14,800

not that odd considering i'm in a valley

235

00:07:19,110 --> 00:07:16,800

as it approaches however i feel a

236

00:07:21,270 --> 00:07:19,120

sensation i have never felt before

237

00:07:22,790 --> 00:07:21,280

i can feel the storm above me in a way i

238

00:07:24,950 --> 00:07:22,800

can't fully describe

239

00:07:26,870 --> 00:07:24,960

the best i can do to detail this feeling

240

00:07:28,870 --> 00:07:26,880

is that my consciousness was aware and

241

00:07:29,510 --> 00:07:28,880

expanded enough to feel this mass above

242

00:07:31,670 --> 00:07:29,520

me

243

00:07:33,430 --> 00:07:31,680

i'm thinking this is very weird but

244

00:07:35,189 --> 00:07:33,440

don't entertain any thoughts of this

245

00:07:37,670 --> 00:07:35,199

possibly being paranormal

246

00:07:39,749 --> 00:07:37,680

that is until i hear the first sound i

247

00:07:42,390 --> 00:07:39,759

hear a loud whoop from i guess

248

00:07:42,950 --> 00:07:42,400

a quarter mile away my hair stands up

249

00:07:45,029 --> 00:07:42,960

all over

250

00:07:47,510 --> 00:07:45,039

and then it begins to pour rain very

251
00:07:49,189 --> 00:07:47,520
hard at this point i have no earthly

252
00:07:51,189 --> 00:07:49,199
idea what could have made that sound

253
00:07:52,390 --> 00:07:51,199
other than a very large animal that i'm

254
00:07:54,950 --> 00:07:52,400
unfamiliar with

255
00:07:55,909 --> 00:07:54,960
time passes i'm still laying in my tent

256
00:07:58,150 --> 00:07:55,919
not quite dark

257
00:08:00,070 --> 00:07:58,160
but it's raining so i have nothing to do

258
00:08:02,710 --> 00:08:00,080
but scan the trees and listen

259
00:08:04,390 --> 00:08:02,720
that's when i see the light a very small

260
00:08:04,950 --> 00:08:04,400
what looked like a coin reflecting in

261
00:08:07,589 --> 00:08:04,960
the sun

262
00:08:09,510 --> 00:08:07,599
only there was no sun and it was moving

263
00:08:11,350 --> 00:08:09,520

it blinked on then off quickly then

264

00:08:14,309 --> 00:08:11,360

reappeared a few feet to the side

265

00:08:16,230 --> 00:08:14,319

on then off again i never saw it again

266

00:08:18,950 --> 00:08:16,240

not soon after i began to hear

267

00:08:20,710 --> 00:08:18,960

what in my mind were bipedal footsteps

268

00:08:21,589 --> 00:08:20,720

they didn't seem like they came from a

269

00:08:23,670 --> 00:08:21,599

large animal

270

00:08:25,909 --> 00:08:23,680

but i never saw what made them they

271

00:08:27,749 --> 00:08:25,919

begin in the exact same spot i witnessed

272

00:08:29,589 --> 00:08:27,759

the light a few moments prior

273

00:08:31,830 --> 00:08:29,599

i am staring intently at this spot

274

00:08:32,630 --> 00:08:31,840

frozen in fear clutching my knife unable

275

00:08:34,630 --> 00:08:32,640

to move

276

00:08:37,269 --> 00:08:34,640

it's silent until dusk it's still

277

00:08:39,190 --> 00:08:37,279

raining then i hear the second move much

278

00:08:40,230 --> 00:08:39,200

closer and louder on the other side of

279

00:08:42,469 --> 00:08:40,240

my shelter

280

00:08:43,509 --> 00:08:42,479

whatever made this noise was maybe 50

281

00:08:45,350 --> 00:08:43,519

feet away

282

00:08:47,509 --> 00:08:45,360

nightfalls and adrenaline is pumping

283

00:08:49,590 --> 00:08:47,519

through me i lay on my back

284

00:08:51,269 --> 00:08:49,600

it is so dark it did not matter if my

285

00:08:53,590 --> 00:08:51,279

eyes were open or closed

286

00:08:55,430 --> 00:08:53,600

there was no noise for a few hours and i

287

00:08:57,829 --> 00:08:55,440

began to relax slightly

288

00:08:59,990 --> 00:08:57,839

that is until i heard the babbling i had

289

00:09:01,829 --> 00:09:00,000

set up in between two streams so my

290

00:09:03,190 --> 00:09:01,839

rational brain was making me think it

291

00:09:05,670 --> 00:09:03,200

was just the water

292

00:09:07,670 --> 00:09:05,680

it was not if i had allowed myself to

293

00:09:09,750 --> 00:09:07,680

believe that i was actually hearing some

294

00:09:11,829 --> 00:09:09,760

sort of inhuman speech that far into the

295

00:09:13,750 --> 00:09:11,839

woods all alone i would have panicked or

296

00:09:15,350 --> 00:09:13,760

blacked out with fear perhaps

297

00:09:16,949 --> 00:09:15,360

i hear this intermittently throughout

298

00:09:18,710 --> 00:09:16,959

the night in two places

299

00:09:20,790 --> 00:09:18,720

it's soft as if they are whispering to

300

00:09:21,509 --> 00:09:20,800

each other about me not wanting to wake

301
00:09:23,670 --> 00:09:21,519
me up

302
00:09:25,430 --> 00:09:23,680
i lose consciousness at some point but

303
00:09:25,829 --> 00:09:25,440
awake to something being thrown at my

304
00:09:28,310 --> 00:09:25,839
tent

305
00:09:29,990 --> 00:09:28,320
possibly a small rock nothing more of

306
00:09:31,430 --> 00:09:30,000
note happens that i'm aware of until

307
00:09:31,990 --> 00:09:31,440
morning where i get the hell out of

308
00:09:33,990 --> 00:09:32,000
there

309
00:09:35,590 --> 00:09:34,000
i arrive home and immediately begin

310
00:09:37,350 --> 00:09:35,600
researching what could have possibly

311
00:09:40,230 --> 00:09:37,360
been making those noises

312
00:09:42,310 --> 00:09:40,240
i look at deer mountain lions bears even

313
00:09:44,710 --> 00:09:42,320

raccoons and squirrel noises

314

00:09:47,190 --> 00:09:44,720

nothing comes close that is until i

315

00:09:49,990 --> 00:09:47,200

decide to entertain the sasquatch theory

316

00:09:51,430 --> 00:09:50,000

i came across the sierra sounds it is

317

00:09:53,269 --> 00:09:51,440

exactly the same

318

00:09:54,710 --> 00:09:53,279

i cannot tell you how frightened i was

319

00:09:57,430 --> 00:09:54,720

when i heard this video

320

00:09:58,870 --> 00:09:57,440

it is the same exact noise i can't even

321

00:10:01,110 --> 00:09:58,880

begin to process this

322

00:10:02,230 --> 00:10:01,120

even still i'm shaking typing all of

323

00:10:04,310 --> 00:10:02,240

this out for you

324

00:10:05,990 --> 00:10:04,320

the murmuring that's the worst part they

325

00:10:07,750 --> 00:10:06,000

were talking to each other

326

00:10:09,829 --> 00:10:07,760

please please let me know what your

327

00:10:12,150 --> 00:10:09,839

thoughts are or if you know anybody who

328

00:10:13,750 --> 00:10:12,160

has had similar experiences too

329

00:10:15,269 --> 00:10:13,760

let me assure you everything i have

330

00:10:16,630 --> 00:10:15,279

written is the truth and i feel

331

00:10:23,990 --> 00:10:16,640

completely healthy

332

00:10:27,430 --> 00:10:26,550

this is lon strickler if you like this

333

00:10:29,190 --> 00:10:27,440

program

334

00:10:30,550 --> 00:10:29,200

it would help us if you would give it a

335

00:10:33,430 --> 00:10:30,560

thumbs up

336

00:10:33,910 --> 00:10:33,440

then subscribe and click the bell icon

337

00:10:36,230 --> 00:10:33,920

so you

338

00:10:38,389 --> 00:10:36,240

get notification when we upload new

339

00:10:41,509 --> 00:10:38,399

first-person encounters

340

00:10:43,910 --> 00:10:41,519

we have many more to come very soon and

341

00:10:46,310 --> 00:10:43,920

by the way if you have a suggestion
