10  
00:00:36,389 --> 00:00:34,069  
cryptid canine sightings recalled in

11  
00:00:38,470 --> 00:00:36,399  
rural northeastern pennsylvania

12  
00:00:40,470 --> 00:00:38,480  
i grew up an only child in rural

13  
00:00:42,790 --> 00:00:40,480

northeastern pennsylvania

14

00:00:44,069 --> 00:00:42,800

i used to sneak out of my bedroom and go

15

00:00:45,910 --> 00:00:44,079

hang out in our backyard

16

00:00:47,830 --> 00:00:45,920

on summer nights when i had trouble

17

00:00:48,549 --> 00:00:47,840

sleeping or woke up in the middle of the

18

00:00:50,549 --> 00:00:48,559

night

19

00:00:52,069 --> 00:00:50,559

this was around the age of 8 in the mid

20

00:00:54,229 --> 00:00:52,079

90s i'd go

21

00:00:56,069 --> 00:00:54,239

sit just below the top of the backyard

22

00:00:57,350 --> 00:00:56,079

hill where i was out of sight of our

23

00:00:59,430 --> 00:00:57,360

kitchen window

24

00:01:01,750 --> 00:00:59,440

there were trees to the left with a wild

25

00:01:02,950 --> 00:01:01,760

open field across the rest of a mile

26

00:01:05,109 --> 00:01:02,960

wide valley

27

00:01:07,270 --> 00:01:05,119

we had a large hill with a bump in the

28

00:01:08,149 --> 00:01:07,280

middle that was perfect for sledding in

29

00:01:10,469 --> 00:01:08,159

the winter

30

00:01:12,230 --> 00:01:10,479

below that was a field with a deer trail

31

00:01:14,149 --> 00:01:12,240

cutting through the bottom of the hill

32

00:01:16,630 --> 00:01:14,159

and a creek beyond at the center of the

33

00:01:17,109 --> 00:01:16,640

valley on a clear night with a bright

34

00:01:19,190 --> 00:01:17,119

moon

35

00:01:21,350 --> 00:01:19,200

you could see across the valley to where

36

00:01:23,830 --> 00:01:21,360

my best friend's house had their flood

37

00:01:26,469 --> 00:01:23,840

lights on all night behind their house

38

00:01:27,270 --> 00:01:26,479

it was about a mile distance and when i

39

00:01:30,230 --> 00:01:27,280

say rural

40

00:01:32,149 --> 00:01:30,240

i mean very rural pennsylvania parent

41

00:01:33,830 --> 00:01:32,159

teacher conferences were scheduled the

42

00:01:35,910 --> 00:01:33,840

first day of hunting season

43

00:01:37,590 --> 00:01:35,920

and kids would often be out for a couple

44

00:01:39,590 --> 00:01:37,600

of days just for that

45

00:01:41,270 --> 00:01:39,600

we had two houses in eye line of our

46

00:01:43,590 --> 00:01:41,280

house from that backyard

47

00:01:44,550 --> 00:01:43,600

it was more than 30 miles to our nearest

48

00:01:47,190 --> 00:01:44,560

walmart

49

00:01:47,749 --> 00:01:47,200

i also grew up very familiar with deer

50

00:01:49,990 --> 00:01:47,759

bear

51  
00:01:52,149 --> 00:01:50,000  
rabbits and even saw a mountain lion

52  
00:01:54,389 --> 00:01:52,159  
once while hiking with family

53  
00:01:55,670 --> 00:01:54,399  
all of this to say i am familiar with

54  
00:01:57,670 --> 00:01:55,680  
wildlife there

55  
00:01:58,870 --> 00:01:57,680  
the first night i saw the dogman was

56  
00:02:00,950 --> 00:01:58,880  
like any other

57  
00:02:02,789 --> 00:02:00,960  
i was chilling in the grass thrilled to

58  
00:02:04,149 --> 00:02:02,799  
just be doing something my parents

59  
00:02:06,230 --> 00:02:04,159  
didn't know about

60  
00:02:07,830 --> 00:02:06,240  
i saw something moving quickly down

61  
00:02:09,830 --> 00:02:07,840  
along the deer trail

62  
00:02:12,309 --> 00:02:09,840  
it was dark black against the rest of

63  
00:02:13,990 --> 00:02:12,319

the night part way through its path from

64

00:02:16,710 --> 00:02:14,000

the woods beside my house

65

00:02:18,630 --> 00:02:16,720

it noticed me and stopped we just stared

66

00:02:19,430 --> 00:02:18,640

at each other for what felt like a long

67

00:02:21,350 --> 00:02:19,440

time

68

00:02:23,750 --> 00:02:21,360

it stood up and its ears were long

69

00:02:24,710 --> 00:02:23,760

enough to notice from a 100 yard or so

70

00:02:26,869 --> 00:02:24,720

distance

71

00:02:29,510 --> 00:02:26,879

it was too thin to be a black bear which

72

00:02:32,309 --> 00:02:29,520

i'd already seen a few times at that age

73

00:02:33,110 --> 00:02:32,319

the staring continued for a long time

74

00:02:35,589 --> 00:02:33,120

eventually

75

00:02:36,869 --> 00:02:35,599

it put its ears back down put its front

76

00:02:39,509 --> 00:02:36,879

paws on the ground

77

00:02:40,630 --> 00:02:39,519

and sprinted across the valley i called

78

00:02:42,869 --> 00:02:40,640

it my werewolf

79

00:02:44,630 --> 00:02:42,879

because of the shape of it standing up

80

00:02:47,430 --> 00:02:44,640

but after that first sighting

81

00:02:49,830 --> 00:02:47,440

i went and sat outside a lot more i

82

00:02:52,229 --> 00:02:49,840

remember once on a new moon i sat on the

83

00:02:54,070 --> 00:02:52,239

porch because i was too scared to go too

84

00:02:54,869 --> 00:02:54,080

far with how dark it was without the

85

00:02:57,110 --> 00:02:54,879

moon

86

00:02:59,350 --> 00:02:57,120

i saw it three to four more times after

87

00:03:00,630 --> 00:02:59,360

that it was usually running into the

88

00:03:02,710 --> 00:03:00,640

woods by my house

89

00:03:04,550 --> 00:03:02,720

which were more than ten full acres on

90

00:03:06,949 --> 00:03:04,560

just for hunting season

91

00:03:09,190 --> 00:03:06,959

my werewolf never bothered me after that

92

00:03:10,790 --> 00:03:09,200

but i remember i was really disappointed

93

00:03:12,949 --> 00:03:10,800

when it got cold outside

94

00:03:16,830 --> 00:03:12,959

and i'd have to stop going out at night

95

00:03:16,840 --> 00:03:21,589

tk

96

00:03:25,910 --> 00:03:23,509

bizarre canine observed near kerval

97

00:03:27,589 --> 00:03:25,920

texas back in 2001

98

00:03:29,750 --> 00:03:27,599

i was visiting my great uncle in the

99

00:03:31,430 --> 00:03:29,760

region around kervil texas

100

00:03:33,190 --> 00:03:31,440

at the time he was living in his first

101  
00:03:34,470 --> 00:03:33,200  
house in the area before he moved to a

102  
00:03:36,869 --> 00:03:34,480  
retirement community

103  
00:03:37,509 --> 00:03:36,879  
near a small set of trees the trees were

104  
00:03:39,830 --> 00:03:37,519  
beautiful

105  
00:03:41,430 --> 00:03:39,840  
really as is the hill country i was

106  
00:03:43,110 --> 00:03:41,440  
staying with him and my great aunt for

107  
00:03:45,190 --> 00:03:43,120  
about a week when we went out for an

108  
00:03:46,550 --> 00:03:45,200  
evening to walk his action as we tended

109  
00:03:48,550 --> 00:03:46,560  
to do in evenings

110  
00:03:50,309 --> 00:03:48,560  
the walk was uneventful as the sunset

111  
00:03:52,149 --> 00:03:50,319  
just a normal evening complete with the

112  
00:03:54,710 --> 00:03:52,159  
calls of doves and other wildlife

113  
00:03:55,670 --> 00:03:54,720

and the dog just having a wonderful time

114

00:03:57,830 --> 00:03:55,680

then suddenly

115

00:03:59,110 --> 00:03:57,840

all the wildlife went definitely silent

116

00:04:01,350 --> 00:03:59,120

and both of us froze

117

00:04:03,270 --> 00:04:01,360

as did the dog i remember having a

118

00:04:04,550 --> 00:04:03,280

distinct sense of unease and fear that i

119

00:04:06,630 --> 00:04:04,560

could not quite explain

120

00:04:07,910 --> 00:04:06,640

i'm a dog looking directly in a specific

121

00:04:09,589 --> 00:04:07,920

area near a street light

122

00:04:11,429 --> 00:04:09,599

my eyes turning to where the dog was

123

00:04:11,990 --> 00:04:11,439

looking there was a creature loping

124

00:04:13,830 --> 00:04:12,000

through there

125

00:04:15,350 --> 00:04:13,840

a dog-like thing about the size of a

126  
00:04:17,030 --> 00:04:15,360  
large labradoric river

127  
00:04:18,789 --> 00:04:17,040  
save that on the creature's neck there

128  
00:04:20,550 --> 00:04:18,799  
was a head the size of a bear

129  
00:04:22,230 --> 00:04:20,560  
the thing was loping up and down and up

130  
00:04:23,030 --> 00:04:22,240  
and down in a way that fitted that kind

131  
00:04:25,030 --> 00:04:23,040  
of bill

132  
00:04:26,629 --> 00:04:25,040  
i looked hypnotic in a sense and i was

133  
00:04:28,550 --> 00:04:26,639  
more terrified than i have ever been

134  
00:04:30,310 --> 00:04:28,560  
with anything else i ever saw

135  
00:04:31,990 --> 00:04:30,320  
it gave me abyssal understanding of

136  
00:04:34,070 --> 00:04:32,000  
lovecraft's idea that things that just

137  
00:04:36,150 --> 00:04:34,080  
look fundamentally wrong or terrifying

138  
00:04:38,629 --> 00:04:36,160

precisely because the proportions do not

139

00:04:40,469 --> 00:04:38,639

fit that thing was powerfully built

140

00:04:41,990 --> 00:04:40,479

the upper limbs in particular were very

141

00:04:44,150 --> 00:04:42,000

stout and the dog remained

142

00:04:45,670 --> 00:04:44,160

frozen for another few minutes before we

143

00:04:47,909 --> 00:04:45,680

moved back to the house

144

00:04:49,110 --> 00:04:47,919

i'm not sure what precisely that was or

145

00:04:50,629 --> 00:04:49,120

if it was a dogman

146

00:04:53,110 --> 00:04:50,639

but he convinced me that something like

147

00:04:55,030 --> 00:04:53,120

that could exist the sudden silence that

148

00:04:56,870 --> 00:04:55,040

lasted for a few minutes after it left

149

00:04:58,390 --> 00:04:56,880

and the dog just being frozen without

150

00:05:00,310 --> 00:04:58,400

even growling or barking

151  
00:05:02,469 --> 00:05:00,320  
still sends chills in me when i remember

152  
00:05:03,350 --> 00:05:02,479  
it as my only encounter with something

153  
00:05:05,350 --> 00:05:03,360  
like a cryptid

154  
00:05:07,430 --> 00:05:05,360  
two it remains something very vivid in

155  
00:05:08,550 --> 00:05:07,440  
my mind not least because i know how

156  
00:05:10,390 --> 00:05:08,560  
dogs move

157  
00:05:12,070 --> 00:05:10,400  
i know what wolves would move like and

158  
00:05:13,510 --> 00:05:12,080  
whatever that was it was no natural

159  
00:05:20,629 --> 00:05:13,520  
thing that made sense

160  
00:05:23,990 --> 00:05:23,670  
they do exist 29 months ago i did not

161  
00:05:26,150 --> 00:05:24,000  
believe

162  
00:05:27,990 --> 00:05:26,160  
in bigfoot despite having owned hunting

163  
00:05:30,150 --> 00:05:28,000

property in perry county ohio

164

00:05:32,230 --> 00:05:30,160

alleged home of a giant sasquatch known

165

00:05:34,230 --> 00:05:32,240

as the craftsman and despite living for

166

00:05:35,749 --> 00:05:34,240

over three decades in bigfoot central in

167

00:05:37,510 --> 00:05:35,759

the pacific northwest

168

00:05:39,189 --> 00:05:37,520

not 60 miles from the side of the

169

00:05:41,749 --> 00:05:39,199

patterson gimlin film

170

00:05:42,550 --> 00:05:41,759

28 months ago however i saw my first

171

00:05:44,870 --> 00:05:42,560

bigfoot

172

00:05:46,469 --> 00:05:44,880

i've now seen them on six occasions

173

00:05:47,350 --> 00:05:46,479

there is no question but that they do

174

00:05:49,350 --> 00:05:47,360

exist

175

00:05:51,590 --> 00:05:49,360

scoffle you want few doubts to not

176

00:05:55,189 --> 00:05:51,600

affect my experiential reality

177

00:05:57,670 --> 00:05:55,199

but here's the thing 48 years ago 1971

178

00:05:59,749 --> 00:05:57,680

in central michigan i had a rather scary

179

00:06:00,629 --> 00:05:59,759

if inconclusive experience with what i

180

00:06:02,309 --> 00:06:00,639

suspect was

181

00:06:04,390 --> 00:06:02,319

what was then called the michigan

182

00:06:05,670 --> 00:06:04,400

monster an animal now more commonly

183

00:06:07,749 --> 00:06:05,680

known as the dogman

184

00:06:09,749 --> 00:06:07,759

i've now come across several individuals

185

00:06:11,670 --> 00:06:09,759

locally these experiences i have

186

00:06:13,990 --> 00:06:11,680

every reason to credit who claim to have

187

00:06:16,070 --> 00:06:14,000

run across just such a creature out here

188

00:06:17,189 --> 00:06:16,080

one of whom saw it at very close range

189

00:06:19,510 --> 00:06:17,199

for several minutes

190

00:06:21,430 --> 00:06:19,520

plenty of time to get a good look at it

191

00:06:22,150 --> 00:06:21,440

much as i do not want to believe in any

192

00:06:24,150 --> 00:06:22,160

such thing

193

00:06:26,150 --> 00:06:24,160

given the shock to my skepticism which

194

00:06:27,830 --> 00:06:26,160

bigfoot brought i don't feel like i can

195

00:06:29,029 --> 00:06:27,840

gladly deny that there may be other

196

00:06:30,790 --> 00:06:29,039

things out there

197

00:06:32,790 --> 00:06:30,800

there's certainly enough tales out here

198

00:06:34,070 --> 00:06:32,800

about them independent of the witnesses

199

00:06:35,990 --> 00:06:34,080

whom i personally know

200

00:06:38,230 --> 00:06:36,000

to raise the real possibility that there

201  
00:06:40,150 --> 00:06:38,240  
are some such creatures in these woods

202  
00:06:41,749 --> 00:06:40,160  
the featured story reeks of truthfulness

203  
00:06:43,990 --> 00:06:41,759  
to me this is almost

204  
00:06:45,830 --> 00:06:44,000  
exactly what one might well expect

205  
00:06:47,510 --> 00:06:45,840  
nothing about it is inconsistent with

206  
00:06:48,070 --> 00:06:47,520  
what we know or inconsistent with

207  
00:06:50,710 --> 00:06:48,080  
potential

208  
00:06:51,749 --> 00:06:50,720  
reality there's no evidence of hyper bs

209  
00:06:53,670 --> 00:06:51,759  
in detail

210  
00:06:55,749 --> 00:06:53,680  
so whether or not i wish to believe in

211  
00:06:57,270 --> 00:06:55,759  
these things i have determined to behave

212  
00:06:58,950 --> 00:06:57,280  
in a fashion consistent with the

213  
00:06:59,589 --> 00:06:58,960

possibility that these things are out

214

00:07:01,909 --> 00:06:59,599

there

215

00:07:03,909 --> 00:07:01,919

i never go out unarmed or alone it may

216

00:07:05,270 --> 00:07:03,919

all be a case of mistaken identity or

217

00:07:07,749 --> 00:07:05,280

self-inflicted fright

218

00:07:09,110 --> 00:07:07,759

but if it is real well i do not wish to

219

00:07:17,909 --> 00:07:09,120

be at its mercy

220

00:07:22,309 --> 00:07:20,629

wolfman attacks in indianapolis i wish

221

00:07:24,230 --> 00:07:22,319

to keep my name to myself

222

00:07:26,390 --> 00:07:24,240

but i am willing to provide my account

223

00:07:28,230 --> 00:07:26,400

of what happened this is a first-hand

224

00:07:30,070 --> 00:07:28,240

account of an encounter that i had with

225

00:07:32,150 --> 00:07:30,080

a creature of unknown origin

226

00:07:34,390 --> 00:07:32,160

it was about five years ago late at

227

00:07:36,230 --> 00:07:34,400

night i went for a walk in the dark to

228

00:07:38,070 --> 00:07:36,240

clear my head one night when i got the

229

00:07:39,909 --> 00:07:38,080

feeling that i was being followed

230

00:07:41,670 --> 00:07:39,919

before i could say anything a dark

231

00:07:42,950 --> 00:07:41,680

fur-covered creature lunged out of the

232

00:07:44,790 --> 00:07:42,960

nearby bushes

233

00:07:46,629 --> 00:07:44,800

it looked like a large man crossed with

234

00:07:49,029 --> 00:07:46,639

a wolf it had deep green

235

00:07:50,950 --> 00:07:49,039

eyes and an elongated snout the thing

236

00:07:53,670 --> 00:07:50,960

smelled like a rotting deer carcass

237

00:07:55,430 --> 00:07:53,680

and it was very heavy it slammed into me

238

00:07:57,110 --> 00:07:55,440

knocking me to the ground where it stood

239

00:07:58,070 --> 00:07:57,120

over me and growled as it looked me in

240

00:08:00,070 --> 00:07:58,080

the face

241

00:08:01,909 --> 00:08:00,080

i kicked it and it yelped before swiping

242

00:08:02,790 --> 00:08:01,919

at me cutting my arm with its sharp

243

00:08:04,869 --> 00:08:02,800

claws

244

00:08:06,710 --> 00:08:04,879

i was sure it was going to kill me but

245

00:08:08,950 --> 00:08:06,720

then the noise similar to a car with a

246

00:08:10,550 --> 00:08:08,960

broken muffler backfiring scared it and

247

00:08:13,029 --> 00:08:10,560

the creature ran away

248

00:08:13,830 --> 00:08:13,039

strangely my arm no longer felt like it

249

00:08:16,150 --> 00:08:13,840

was bleeding

250

00:08:18,230 --> 00:08:16,160

and the cut wasn't hurting anymore my

251  
00:08:19,990 --> 00:08:18,240  
shirt sleeve was torn but when i wiped

252  
00:08:22,550 --> 00:08:20,000  
away the wet blood from my arm

253  
00:08:24,790 --> 00:08:22,560  
there wasn't even a scratch left behind

254  
00:08:27,110 --> 00:08:24,800  
i was sure that it was just a bad dream

255  
00:08:28,950 --> 00:08:27,120  
and so i headed back home i never

256  
00:08:30,309 --> 00:08:28,960  
reported this because i was certain that

257  
00:08:31,909 --> 00:08:30,319  
nobody would believe me

258  
00:08:34,310 --> 00:08:31,919  
and because it has been haunting me

259  
00:08:36,389 --> 00:08:34,320  
every day since i haven't seen this

260  
00:08:38,230 --> 00:08:36,399  
creature since it ran off into the woods

261  
00:08:40,550 --> 00:08:38,240  
when that sound scared it off but i

262  
00:08:42,709 --> 00:08:40,560  
sometimes worry that it might come back

263  
00:08:44,870 --> 00:08:42,719

i also don't know why the scratch on my

264

00:08:46,949 --> 00:08:44,880

arm was gone moments after the thing ran

265

00:08:48,870 --> 00:08:46,959

off everything i've found about it

266

00:08:51,350 --> 00:08:48,880

online has said that it was a werewolf

267

00:08:53,110 --> 00:08:51,360

but i don't think those are real it also

268

00:08:54,870 --> 00:08:53,120

isn't like the dogman or any other

269

00:08:56,550 --> 00:08:54,880

similar kinds of creature

270

00:08:58,630 --> 00:08:56,560

if you have heard of anything else like

271

00:08:59,110 --> 00:08:58,640

this i would be interested to hear about

272

00:09:06,470 --> 00:08:59,120

it

273

00:09:12,150 --> 00:09:09,750

upright hyena encounter my friends and i

274

00:09:14,310 --> 00:09:12,160

went to mexico for a holiday

275

00:09:15,910 --> 00:09:14,320

we rented out a bungalow with some woods

276

00:09:18,070 --> 00:09:15,920

and stuff at the back

277

00:09:19,030 --> 00:09:18,080

they went out to get more beer and just

278

00:09:21,590 --> 00:09:19,040

some shopping

279

00:09:23,190 --> 00:09:21,600

and i was left behind to have a shower

280

00:09:24,389 --> 00:09:23,200

after yelling that they were gonna

281

00:09:26,550 --> 00:09:24,399

double lock the door

282

00:09:28,230 --> 00:09:26,560

they leave the shop was about a

283

00:09:30,389 --> 00:09:28,240

15-minute walk away

284

00:09:33,110 --> 00:09:30,399

and i was literally just going to wash

285

00:09:35,990 --> 00:09:33,120

my hair make a tea and watch some tv

286

00:09:38,230 --> 00:09:36,000

until they get back about five minutes

287

00:09:38,710 --> 00:09:38,240

went by and i heard a knock on the front

288

00:09:40,790 --> 00:09:38,720

door

289

00:09:41,910 --> 00:09:40,800

where does my friends have keys to this

290

00:09:43,910 --> 00:09:41,920

apartment

291

00:09:46,389 --> 00:09:43,920

i just guessed that they were too lazy

292

00:09:48,310 --> 00:09:46,399

to use the keys and forgot something

293

00:09:50,150 --> 00:09:48,320

i literally got out of the shower with

294

00:09:51,990 --> 00:09:50,160

bubbles in my hair and was walking

295

00:09:53,350 --> 00:09:52,000

towards the door with a towel just

296

00:09:55,509 --> 00:09:53,360

wrapped around me

297

00:09:57,269 --> 00:09:55,519

the door had a panel of textured glass

298

00:09:59,509 --> 00:09:57,279

in the middle and i could see this

299

00:10:01,670 --> 00:09:59,519

massive entity standing there

300

00:10:03,509 --> 00:10:01,680

my friends and i are quite small and the

301  
00:10:05,590 --> 00:10:03,519  
guys have blonde hair

302  
00:10:06,710 --> 00:10:05,600  
this thing looked big and black and was

303  
00:10:08,870 --> 00:10:06,720  
very tall

304  
00:10:10,790 --> 00:10:08,880  
whatever it was it's tapping on the door

305  
00:10:11,590 --> 00:10:10,800  
and i'm standing in the entrance to the

306  
00:10:14,150 --> 00:10:11,600  
kitchen just

307  
00:10:14,790 --> 00:10:14,160  
peeking round the corner i don't want it

308  
00:10:16,949 --> 00:10:14,800  
to see me

309  
00:10:17,990 --> 00:10:16,959  
and i slowly crouch down and crawl to

310  
00:10:20,470 --> 00:10:18,000  
the sofa

311  
00:10:22,470 --> 00:10:20,480  
it's still tapping after what seemed

312  
00:10:24,790 --> 00:10:22,480  
like ages it just walks off

313  
00:10:25,590 --> 00:10:24,800

and the textured glass is just back to

314

00:10:28,150 --> 00:10:25,600

normal

315

00:10:30,230 --> 00:10:28,160

with nothing the other side my friends

316

00:10:31,430 --> 00:10:30,240

come back and jake just quickly opened

317

00:10:33,990 --> 00:10:31,440

the door and goes

318

00:10:36,069 --> 00:10:34,000

oh my god amanda we were walking back

319

00:10:36,949 --> 00:10:36,079

and we turned the road where the room is

320

00:10:39,590 --> 00:10:36,959

right

321

00:10:41,910 --> 00:10:39,600

and we see this massive thing it looked

322

00:10:42,710 --> 00:10:41,920

like a hyena that's all i can describe

323

00:10:45,509 --> 00:10:42,720

it as but

324

00:10:47,430 --> 00:10:45,519

only it was walking on two legs few at

325

00:10:49,750 --> 00:10:47,440

least someone else saw it

326

00:10:51,910 --> 00:10:49,760

he's still going on yeah and as we saw

327

00:10:53,269 --> 00:10:51,920

it it started making a weird yelling

328

00:10:55,670 --> 00:10:53,279

growling noise

329

00:11:03,110 --> 00:10:55,680

i swear to you amanda it walked off on

330

00:11:06,550 --> 00:11:05,670

this is lon strickler if you like this
