

**Two Close
Encounters
of the
Third Kind?**

CREATURE
from the
COSMOS?

BXP

1
00:00:05,710 --> 00:00:04,580
[Music]

2
00:00:10,540 --> 00:00:05,720
[Applause]

3
00:00:12,890 --> 00:00:10,550
[Music]

4
00:00:17,830 --> 00:00:12,900
[Applause]

5
00:00:21,990 --> 00:00:19,670
welcome to the best of first person

6
00:00:24,870 --> 00:00:22,000
episodes of phantoms and monsters

7
00:00:25,429 --> 00:00:24,880
please like subscribe and hit the bell

8
00:00:28,830 --> 00:00:25,439
icon

9
00:00:31,830 --> 00:00:28,840
so you'll be notified of all future

10
00:00:34,870 --> 00:00:31,840
uploads

11
00:00:36,709 --> 00:00:34,880
rare andromedan encounter my wife and i

12
00:00:38,709 --> 00:00:36,719
were taking a late night stroll through

13
00:00:40,950 --> 00:00:38,719

a wooded area near our home

14

00:00:42,630 --> 00:00:40,960

we know the area well and had frequented

15

00:00:44,709 --> 00:00:42,640

the grove many times

16

00:00:46,549 --> 00:00:44,719

as we approach the wooded area we could

17

00:00:48,630 --> 00:00:46,559

see lights from the houses beyond the

18

00:00:50,229 --> 00:00:48,640

grove shining through the trees

19

00:00:52,069 --> 00:00:50,239

as we approached we noticed there

20

00:00:53,110 --> 00:00:52,079

appeared to be shadows darting through

21

00:00:54,709 --> 00:00:53,120

the trees

22

00:00:56,869 --> 00:00:54,719

we immediately thought there were

23

00:00:58,869 --> 00:00:56,879

children playing around down there

24

00:01:01,430 --> 00:00:58,879

we decided to go and check it out and

25

00:01:03,670 --> 00:01:01,440

possibly to scare the kids for fun

26
00:01:05,509 --> 00:01:03,680
we got close to the trees and realized

27
00:01:06,149 --> 00:01:05,519
there were no children in the grove of

28
00:01:08,710 --> 00:01:06,159
trees

29
00:01:10,630 --> 00:01:08,720
no one could be seen at all we took a

30
00:01:11,590 --> 00:01:10,640
side entrance into the grove and walked

31
00:01:13,910 --> 00:01:11,600
into the trees

32
00:01:15,590 --> 00:01:13,920
wondering if the shadows we saw simply

33
00:01:16,390 --> 00:01:15,600
came from the light from the houses in

34
00:01:18,469 --> 00:01:16,400
the distance

35
00:01:19,429 --> 00:01:18,479
like maybe our eyes were playing tricks

36
00:01:21,429 --> 00:01:19,439
on us

37
00:01:23,910 --> 00:01:21,439
the grove was well light as there was a

38
00:01:25,429 --> 00:01:23,920

lot of moonlight and virtually no leaves

39

00:01:27,749 --> 00:01:25,439

left on the trees

40

00:01:29,830 --> 00:01:27,759

it was fairly cold it happened before

41

00:01:31,190 --> 00:01:29,840

the first snowfall and dead leaves

42

00:01:33,109 --> 00:01:31,200

littered the ground

43

00:01:35,270 --> 00:01:33,119

as we walked holding hands into the

44

00:01:36,069 --> 00:01:35,280

grove we abruptly heard a footfall in

45

00:01:38,069 --> 00:01:36,079

the leaves

46

00:01:39,109 --> 00:01:38,079

at that time the unknown entity crossed

47

00:01:41,109 --> 00:01:39,119

our path

48

00:01:44,149 --> 00:01:41,119

it moved in glimpses as if under a

49

00:01:46,310 --> 00:01:44,159

strobe light only no light was given off

50

00:01:48,310 --> 00:01:46,320

as it crossed our path it was visible

51
00:01:50,550 --> 00:01:48,320
one moment then gone the next

52
00:01:53,109 --> 00:01:50,560
this alternated as it strode in front of

53
00:01:54,069 --> 00:01:53,119
us it smiled at us and appeared to be

54
00:01:56,389 --> 00:01:54,079
waving

55
00:01:57,830 --> 00:01:56,399
i wasn't prepared for this and seeing it

56
00:02:00,230 --> 00:01:57,840
froze me in fear

57
00:02:01,030 --> 00:02:00,240
the entity was a biped that stood taller

58
00:02:04,310 --> 00:02:01,040
than me at 5

59
00:02:06,310 --> 00:02:04,320
10 it was completely naked though no

60
00:02:07,990 --> 00:02:06,320
genitalia could be seen

61
00:02:09,669 --> 00:02:08,000
where human genitals should have been

62
00:02:11,990 --> 00:02:09,679
there appeared to be nothing there

63
00:02:14,390 --> 00:02:12,000

as you would imagine a doll would look

64

00:02:16,550 --> 00:02:14,400

its skin was a dark grayish color

65

00:02:18,150 --> 00:02:16,560

it had very small black eyes which

66

00:02:20,390 --> 00:02:18,160

reflected the moonlight

67

00:02:22,070 --> 00:02:20,400

its ears were tied against its head the

68

00:02:24,630 --> 00:02:22,080

ears came to a point

69

00:02:26,869 --> 00:02:24,640

the jaw was bigger than any humans the

70

00:02:27,510 --> 00:02:26,879

jawline went all the way up the sides of

71

00:02:29,830 --> 00:02:27,520

its head

72

00:02:30,710 --> 00:02:29,840

as if its smile stared behind its ears

73

00:02:32,949 --> 00:02:30,720

almost

74

00:02:34,550 --> 00:02:32,959

rows of sharp white teeth were visible

75

00:02:36,309 --> 00:02:34,560

as it smiled at us

76

00:02:38,229 --> 00:02:36,319

it had slits for a nose that were

77

00:02:40,790 --> 00:02:38,239

slightly flared at the top

78

00:02:42,630 --> 00:02:40,800

i can't remember how many fingers it had

79

00:02:44,229 --> 00:02:42,640

but it definitely had digits that it

80

00:02:46,070 --> 00:02:44,239

held up as it waved

81

00:02:48,710 --> 00:02:46,080

the encounter lasted all but a few

82

00:02:49,750 --> 00:02:48,720

minutes the instant i was able i twisted

83

00:02:52,229 --> 00:02:49,760

my wife's arm

84

00:02:54,229 --> 00:02:52,239

and i grabbed hold of her wrist i'm

85

00:02:55,589 --> 00:02:54,239

twice my wife's size with a very

86

00:02:58,309 --> 00:02:55,599

athletic build

87

00:02:59,750 --> 00:02:58,319

i ran a top speed literally dragging her

88

00:03:01,430 --> 00:02:59,760

in the dirt through the leaves out of

89

00:03:03,589 --> 00:03:01,440

the grove up the grass hill through the

90

00:03:05,910 --> 00:03:03,599

soccer field and into the street

91

00:03:08,229 --> 00:03:05,920

as we reach the street i noticed my wife

92

00:03:11,270 --> 00:03:08,239

was yelling and screaming at me to stop

93

00:03:13,350 --> 00:03:11,280

and go back go back she said as she

94

00:03:14,229 --> 00:03:13,360

badly wanted to make contact with the

95

00:03:16,710 --> 00:03:14,239

entity

96

00:03:18,390 --> 00:03:16,720

but my fear overpowered me and i dragged

97

00:03:20,470 --> 00:03:18,400

us both into the house

98

00:03:21,509 --> 00:03:20,480

from our doorstep we could see the grove

99

00:03:24,309 --> 00:03:21,519

of trees

100

00:03:26,550 --> 00:03:24,319

i immediately said don't say anything as

101
00:03:28,710 --> 00:03:26,560
i didn't want our testimonials to become

102
00:03:29,830 --> 00:03:28,720
tainted with any kind of suggestion from

103
00:03:31,990 --> 00:03:29,840
one another

104
00:03:34,070 --> 00:03:32,000
i separated us into different rooms and

105
00:03:35,270 --> 00:03:34,080
had us write down our testimonials of

106
00:03:37,509 --> 00:03:35,280
what we saw

107
00:03:39,830 --> 00:03:37,519
to no surprise we both described the

108
00:03:41,990 --> 00:03:39,840
same entity with the same features

109
00:03:44,550 --> 00:03:42,000
this event has affected my life very

110
00:03:46,789 --> 00:03:44,560
negatively as my family thinks my wife

111
00:03:48,789 --> 00:03:46,799
and i made it up or are just plain lying

112
00:03:50,630 --> 00:03:48,799
to get attention or something

113
00:03:52,149 --> 00:03:50,640

not knowing what this entity was keeps

114

00:03:53,589 --> 00:03:52,159

me up many nights

115

00:03:55,750 --> 00:03:53,599

i must have thought about every

116

00:03:56,470 --> 00:03:55,760

possibility i though could it have been

117

00:03:58,949 --> 00:03:56,480

a spirit

118

00:04:00,070 --> 00:03:58,959

a human in hollywood style movie makeup

119

00:04:03,190 --> 00:04:00,080

may be a scooby-doo

120

00:04:05,270 --> 00:04:03,200

type hologram projector or even an alien

121

00:04:06,390 --> 00:04:05,280

to this day not knowing eats at the back

122

00:04:09,110 --> 00:04:06,400

of my mind

123

00:04:10,949 --> 00:04:09,120

i fully know aliens exist with the

124

00:04:12,229 --> 00:04:10,959

vastness of space and the countless

125

00:04:14,550 --> 00:04:12,239

stars in the universe

126
00:04:15,990 --> 00:04:14,560
it becomes clear that we cannot possibly

127
00:04:18,150 --> 00:04:16,000
be the only life

128
00:04:19,830 --> 00:04:18,160
even though i can feel my heart racing

129
00:04:21,670 --> 00:04:19,840
as i recall the event

130
00:04:23,670 --> 00:04:21,680
did i miss out on a one in a billion

131
00:04:25,749 --> 00:04:23,680
chance to possibly communicate with

132
00:04:28,150 --> 00:04:25,759
another intelligent life form

133
00:04:30,390 --> 00:04:28,160
i only have one regret in my life and

134
00:04:32,310 --> 00:04:30,400
that regret is not going back to find

135
00:04:34,230 --> 00:04:32,320
out for sure what it was

136
00:04:35,430 --> 00:04:34,240
if we're ever going to communicate with

137
00:04:37,670 --> 00:04:35,440
beings like this

138
00:04:39,510 --> 00:04:37,680

if indeed it was one we need to have

139

00:04:42,230 --> 00:04:39,520

love at the center of our awareness

140

00:04:44,550 --> 00:04:42,240

so we don't flee in fear for no reason

141

00:04:46,629 --> 00:04:44,560

for a long time i never told anyone but

142

00:04:48,550 --> 00:04:46,639

my closest friends and my immediate

143

00:04:49,909 --> 00:04:48,560

family for fear that people would think

144

00:04:51,670 --> 00:04:49,919

we were crazy

145

00:04:53,749 --> 00:04:51,680

but it's come to a point that this itch

146

00:04:56,150 --> 00:04:53,759

in the back of my brain has gotten so

147

00:04:57,510 --> 00:04:56,160

bad i feel it necessary to tell others

148

00:04:59,510 --> 00:04:57,520

of what we saw

149

00:05:01,590 --> 00:04:59,520

i've become so obsessed with searching

150

00:05:03,590 --> 00:05:01,600

the web for possible information on the

151

00:05:05,909 --> 00:05:03,600

existence of alien life that i

152

00:05:07,510 --> 00:05:05,919

often spend hours of my time sifting

153

00:05:09,590 --> 00:05:07,520

through garbage on the internet

154

00:05:11,590 --> 00:05:09,600

just trying to find someone somewhere

155

00:05:12,390 --> 00:05:11,600

who has seen an entity like the one we

156

00:05:14,390 --> 00:05:12,400

saw

157

00:05:15,830 --> 00:05:14,400

i'm currently attending a trade school

158

00:05:18,150 --> 00:05:15,840

for an hvacr

159

00:05:20,710 --> 00:05:18,160

program and in less than one year i'm

160

00:05:23,350 --> 00:05:20,720

going to have my epa 3 certification

161

00:05:30,469 --> 00:05:23,360

so i can handle refrigerants i am not

162

00:05:34,629 --> 00:05:32,150

a leaning counter near nachisi new

163

00:05:36,629 --> 00:05:34,639

mexico my wife and i do not want to be

164

00:05:38,550 --> 00:05:36,639

public with our names and who we are

165

00:05:40,390 --> 00:05:38,560

it seems since you already have my phone

166

00:05:42,150 --> 00:05:40,400

number i would like to ask you to be

167

00:05:43,350 --> 00:05:42,160

discreet with the information you have

168

00:05:45,350 --> 00:05:43,360

already compiled

169

00:05:47,350 --> 00:05:45,360

i do not have good health and had a new

170

00:05:49,350 --> 00:05:47,360

heart valve put in last march

171

00:05:51,590 --> 00:05:49,360

my wife and i are just a grandmother and

172

00:05:54,790 --> 00:05:51,600

grandfather i'm a 100

173

00:05:56,710 --> 00:05:54,800

disabled veteran since 2004. we are both

174

00:06:00,230 --> 00:05:56,720

65 years of age

175

00:06:02,150 --> 00:06:00,240

please respect that on august 25th 2017

176
00:06:03,830 --> 00:06:02,160
at approximately 8 30 p.m

177
00:06:05,670 --> 00:06:03,840
my wife and i were looking forward to

178
00:06:07,110 --> 00:06:05,680
getting to a location where we could get

179
00:06:09,189 --> 00:06:07,120
settled in for the night

180
00:06:11,510 --> 00:06:09,199
we were riding in our 37-foot diesel

181
00:06:11,990 --> 00:06:11,520
pusher at a speed of about 60 miles per

182
00:06:14,390 --> 00:06:12,000
hour

183
00:06:15,990 --> 00:06:14,400
slightly downhill traveling southeast on

184
00:06:17,830 --> 00:06:16,000
highway 550

185
00:06:20,230 --> 00:06:17,840
and a few miles south of najisi new

186
00:06:22,150 --> 00:06:20,240
mexico we had been talking about how the

187
00:06:24,390 --> 00:06:22,160
roads had changed two lanes to four

188
00:06:26,390 --> 00:06:24,400

lanes since the last time i had driven

189

00:06:28,710 --> 00:06:26,400

out of nowhere i saw light flash in

190

00:06:30,870 --> 00:06:28,720

front of me it had come from my left

191

00:06:32,870 --> 00:06:30,880

i instinctively looked to my left and i

192

00:06:33,350 --> 00:06:32,880

saw two creatures setting about two foot

193

00:06:35,670 --> 00:06:33,360

apart

194

00:06:37,430 --> 00:06:35,680

very bright craft which was at my level

195

00:06:39,110 --> 00:06:37,440

wall sitting in our motor home

196

00:06:40,790 --> 00:06:39,120

i instantly seemed to take a mind

197

00:06:42,629 --> 00:06:40,800

picture of what i was seeing

198

00:06:44,230 --> 00:06:42,639

at that time we were maybe 80 feet in

199

00:06:46,309 --> 00:06:44,240

gaming on their position

200

00:06:48,230 --> 00:06:46,319

my first thought was is this real the

201
00:06:49,990 --> 00:06:48,240
closer we got the more positive i was

202
00:06:51,350 --> 00:06:50,000
that what i was seeing was real when i

203
00:06:53,670 --> 00:06:51,360
made eye contact

204
00:06:55,670 --> 00:06:53,680
some points i saw were the craft did not

205
00:06:56,950 --> 00:06:55,680
appear to have a windshield the paddle

206
00:06:59,029 --> 00:06:56,960
in behind the creatures

207
00:07:00,309 --> 00:06:59,039
gave off a very bright light as to the

208
00:07:02,390 --> 00:07:00,319
floor and ceiling

209
00:07:03,350 --> 00:07:02,400
it was as bright as operating room under

210
00:07:05,189 --> 00:07:03,360
full lighting

211
00:07:07,189 --> 00:07:05,199
there was a small stem that came up from

212
00:07:09,029 --> 00:07:07,199
the floor in front of the creatures

213
00:07:11,189 --> 00:07:09,039

it stood about 40 inches out of the

214

00:07:12,870 --> 00:07:11,199

floor it seemed to support a small

215

00:07:14,309 --> 00:07:12,880

control panel that was thinner than a

216

00:07:16,070 --> 00:07:14,319

carton of cigarettes

217

00:07:18,150 --> 00:07:16,080

the guy on my left had his gopher

218

00:07:18,710 --> 00:07:18,160

looking hand resting on it the moment i

219

00:07:20,469 --> 00:07:18,720

saw them

220

00:07:22,390 --> 00:07:20,479

the individuals were looking down the

221

00:07:23,110 --> 00:07:22,400

road as if looking for something to

222

00:07:24,550 --> 00:07:23,120

arrive

223

00:07:27,189 --> 00:07:24,560

there was a truck coming up the hill

224

00:07:29,029 --> 00:07:27,199

toward us and about a 1/8 of a mile away

225

00:07:30,790 --> 00:07:29,039

the craft seemed to swing and rotate

226

00:07:33,189 --> 00:07:30,800

from the shoulder on the other side till

227

00:07:34,150 --> 00:07:33,199

lane away was at my sight and maybe 20

228

00:07:35,749 --> 00:07:34,160

foot away

229

00:07:37,589 --> 00:07:35,759

once they rotated enough that their

230

00:07:40,309 --> 00:07:37,599

faces was 180

231

00:07:42,070 --> 00:07:40,319

to us he saw us and disappeared as we

232

00:07:43,430 --> 00:07:42,080

drove on down the hill i looked in my

233

00:07:45,189 --> 00:07:43,440

mirrors inside camera

234

00:07:46,950 --> 00:07:45,199

and didn't see anything related to them

235

00:07:48,469 --> 00:07:46,960

after that a description of the

236

00:07:50,550 --> 00:07:48,479

creatures we witnessed

237

00:07:51,830 --> 00:07:50,560

both individuals had a skin tone about

238

00:07:54,230 --> 00:07:51,840

the same as mine

239

00:07:55,909 --> 00:07:54,240

i'm a white male they had large hats in

240

00:07:58,230 --> 00:07:55,919

upside down teardrop shape

241

00:07:59,990 --> 00:07:58,240

very large black eyes a small mouth and

242

00:08:01,830 --> 00:08:00,000

two small holes for nose

243

00:08:03,110 --> 00:08:01,840

there were holes for the ears but only

244

00:08:04,710 --> 00:08:03,120

enough for yours

245

00:08:07,350 --> 00:08:04,720

very much like the drawing you would see

246

00:08:08,309 --> 00:08:07,360

from rodswell except not green but green

247

00:08:10,230 --> 00:08:08,319

uniforms

248

00:08:12,390 --> 00:08:10,240

the one on the right had a very smooth

249

00:08:14,070 --> 00:08:12,400

face the one on the left appeared to be

250

00:08:15,749 --> 00:08:14,080

older with facial lines

251

00:08:17,670 --> 00:08:15,759

the one on my left wrinkled the right

252

00:08:19,189 --> 00:08:17,680

side of his mouth when he saw me but

253

00:08:21,189 --> 00:08:19,199

they were talking when we interrupted

254

00:08:21,749 --> 00:08:21,199

them i made eye contact with the one on

255

00:08:23,589 --> 00:08:21,759

my left

256

00:08:25,990 --> 00:08:23,599

and looked directly into his large black

257

00:08:27,990 --> 00:08:26,000

eyes his eyes had the finest surface

258

00:08:29,430 --> 00:08:28,000

i had ever seen the eyes had no

259

00:08:31,909 --> 00:08:29,440

abrasions or scratches

260

00:08:33,589 --> 00:08:31,919

no dust or mucus i noticed that under

261

00:08:35,350 --> 00:08:33,599

the surface of this perfectly clear

262

00:08:36,790 --> 00:08:35,360

outer surface of the eye was a grid of

263

00:08:39,110 --> 00:08:36,800

many individual eyes

264

00:08:40,389 --> 00:08:39,120

like a fly's eyes but a much smoother

265

00:08:41,909 --> 00:08:40,399

fine glass surface

266

00:08:43,589 --> 00:08:41,919

their bodies were skinny and were

267

00:08:44,470 --> 00:08:43,599

illuminated with a greenish glowing

268

00:08:46,470 --> 00:08:44,480

uniform

269

00:08:48,310 --> 00:08:46,480

also they were roll type cuffs that also

270

00:08:50,470 --> 00:08:48,320

glowed but were beige in color

271

00:08:52,310 --> 00:08:50,480

they reminded me of stick people the

272

00:08:54,470 --> 00:08:52,320

arms and the torso were slender and

273

00:08:56,230 --> 00:08:54,480

about the diameter of a very small child

274

00:08:57,990 --> 00:08:56,240

of six or seven years of age

275

00:09:00,310 --> 00:08:58,000

the hands reminded me of the shape of

276

00:09:01,509 --> 00:09:00,320

gophers but these creatures are large

277

00:09:03,269 --> 00:09:01,519

and hide in reach

278

00:09:05,590 --> 00:09:03,279

the hand appeared to me to be a lethal

279

00:09:07,990 --> 00:09:05,600

weapon their torso was long and skinny

280

00:09:09,509 --> 00:09:08,000

and appear to be weak if depended on but

281

00:09:10,630 --> 00:09:09,519

i believe the suit they wear is their

282

00:09:12,630 --> 00:09:10,640

body strength

283

00:09:14,230 --> 00:09:12,640

the back wall is very hard to explain

284

00:09:16,310 --> 00:09:14,240

because i believe the means in which

285

00:09:18,550 --> 00:09:16,320

they traveled was behind that wall

286

00:09:20,790 --> 00:09:18,560

the wall was very brightly illuminated

287

00:09:22,230 --> 00:09:20,800

it appeared to be divided into about 18

288

00:09:24,550 --> 00:09:22,240

inch cubes but wasn't

289

00:09:26,389 --> 00:09:24,560

it was a flat surface the light seemed

290

00:09:28,230 --> 00:09:26,399

to be boiling along the edges of each

291

00:09:30,389 --> 00:09:28,240

panel in the colors of light greenish

292

00:09:32,230 --> 00:09:30,399

blue violet the back panel was

293

00:09:33,350 --> 00:09:32,240

incredibly beautiful and something i'll

294

00:09:35,030 --> 00:09:33,360

never forget it

295

00:09:36,870 --> 00:09:35,040

we could not see the outer body of the

296

00:09:37,829 --> 00:09:36,880

craft because we were looking into very

297

00:09:39,670 --> 00:09:37,839

bright light

298

00:09:41,750 --> 00:09:39,680

as for hearing anything i felt i heard

299

00:09:43,110 --> 00:09:41,760

them communicating when we approached

300

00:09:45,030 --> 00:09:43,120

i wear hearing aids and they were

301
00:09:46,870 --> 00:09:45,040
screeching like a fax machine

302
00:09:48,550 --> 00:09:46,880
i looked at google maps at the location

303
00:09:49,509 --> 00:09:48,560
of the incident and found something

304
00:09:51,750 --> 00:09:49,519
interesting

305
00:09:53,829 --> 00:09:51,760
it's as if bulldozer work had been done

306
00:09:55,030 --> 00:09:53,839
i have no idea what the bright object by

307
00:09:56,949 --> 00:09:55,040
the road might be

308
00:09:58,470 --> 00:09:56,959
this could be something natural but they

309
00:10:00,389 --> 00:09:58,480
turned and went somewhere

310
00:10:01,750 --> 00:10:00,399
i hope you have taken time to consider

311
00:10:03,430 --> 00:10:01,760
what i shared with you

312
00:10:05,590 --> 00:10:03,440
i would like to know what is going on

313
00:10:08,300 --> 00:10:05,600

there i hope to go back and spend a

314

00:10:11,990 --> 00:10:08,310

month or two searching for them

315

00:10:15,430 --> 00:10:14,550

this is lon strickler if you like this

316

00:10:17,190 --> 00:10:15,440

program

317

00:10:18,550 --> 00:10:17,200

it would help us if you would give it a

318

00:10:21,430 --> 00:10:18,560

thumbs up

319

00:10:21,910 --> 00:10:21,440

then subscribe and click the bell icon

320

00:10:24,230 --> 00:10:21,920

so you

321

00:10:26,389 --> 00:10:24,240

get notification when we upload new

322

00:10:29,509 --> 00:10:26,399

first-person encounters

323

00:10:32,150 --> 00:10:29,519

we have many more to come very soon and

324

00:10:33,910 --> 00:10:32,160

by the way if you have a suggestion or
